THURSDAY, FEBRUARY 8, 1990

Town Meeting

Town Meeting large group listen to a presentation concerning recreational needs as perceived by Village Mayor, Mary Kallewaard. Action Committee volunteers will meet again Saturday, February 17, 9:00 at the Manchester High School Cafeteria in a work session to begin the process of implementing ideas into action.

Optimist Tri-Star Basketball Contest

The Manchester Optimist Club will hold a tri-star basketball skills contest at the Middle School on February 17, 1990 at 2:00 p.m. The contest is composed of three basic skill tests aimed at evaluating a contestant's skill in passing, shooting and dribbling.

Boys and girls will compete in six age groups, eight through thirteen, against youths of their own age. All that is needed to compete is the desire and a pair of gym shoes.

There will be trophies awarded to the 1st, 2nd and 3rd place winners in each age group.

Entry blanks are available at the contest on the day of the competition.

Council Postpones Pay Raise Plans

Janet LaBeau Shurtliff

After spirited discussion including considerable public comment, the Manchester Village Council and president decided last Monday to postpone until February 19 a vote on two ordinances related to the elimination of the office of village manager and pay hikes for the president and council members.

These questions were listed on the Council's February 5 agenda as "1. Repeal of Village Manager Ordinance" and "2. Revise Officer Compensation."

Although Mary Kallewaard, the Village president, asked the council to consider these issues separately with the village manager question discussed first, council and the audience frequently addressed the two related issues together.

A brief discussion by council focused mainly on two points about the village manager office: that the current ordinance enacted in 1986 vests "a great deal of authority" in the village manager.

And second, that the village might have to pay \$40,000 to hire a village manager. Repealing this ordinance and not hiring a village manager would eliminate this expense.

Councilman Kwolek said, "In lieu of this expenditure, we would pay you [Mary Kallewaard] \$6,000 to do the same thing."

Councilman Becketl made a motion: to repeal Ordinance 130, which establishes the office of village manager, in its entirety and to be effective immediately.

Seconded by Councilman Wendell Reinhart.

Introducing Candidates For Annual Village Election

Janet LaBeau Shurtliff

The Manchester Village Election to be held Monday, March 12, will offer the voters a choice between six candidates for the three village council seats, and two candidates for the office of village president.

The Enterprise has asked the candidates to respond to a series of questions we put to them, and their responses will be published in the remaining weeks leading up to the election.

Last week, the first of those responses appeared. "Introduced" were four of the candidates for council: Bill Kwolek, Deborah Havens, Raymond "Bink" Steele, and Michael Gordon.

This week the rest of the candidates will "introduce" themselves. All responses are in the candidates' own words, unedited. They were given a limit of 200 words in which to respond.

The questions put to them were:

1. Provide any personal or family information you would like the voters to know.
2. What experiences have you had which you believe would be beneficial to you and the community in this elective office?
3. Why are you running for this office?

Christopher Brooks - Council

The past three and a half years, since moving from Mt. Clemens, have been our family's most

rewarding and fun. Manchester welcomed us. We are fortunate to be involved in Scouting, youth sports, PTO, church and school functions. I am forty, married fifteen years to Monica, and father to Geoff, Jessie and Joey.

Experience-

I have a degree in Industrial Management, and am now managing the University Hospital Laundry, with its 75 employees and four million dollar budget. I have constructed many budgets over the past eighteen years, and have always been able to work well within them. I am used to dealing with people, and am experienced at finding fair solutions to problems.

Why are you running?-

Manchester pursues excellence in school academics, arts and sciences, and athletics. We have active Optimists, Boosters, PTO, and Scout Leaders committing to community youth, a Historical Society preserving the integrity of our village's past, beautiful parks, active civic organizations, and Senior Citizens participating in community affairs. Everyone works so hard to make this a better place in which to live. The town gives so much, and I would like to give it something in return.

Joseph Marshall - Council

Thank you for this opportunity to again speak directly to the various members of our com-

munity. I am certain that most village residents know that I presently serve on our Village Council and are aware that I am seeking a third term. Several of our newly arrived residents, who I have not personally met, might wish to know that I am forty two years old and married. I co-own the Manchester Antique Mall with my wife Sue. Professionally, I am a working police officer, a Corporal with eighteen years service with the Washtenaw County Sheriff. I am a graduate of Eastern Michigan University. My major field of study was political science. I also served in the United States Army as a Captain.

My wife and I have been active in our community since purchasing our home and moving to Manchester in the 1970's. Prior to being elected to Council, I served two terms on the Manchester Village Planning Commission. I also served for two years on the Board of Directors of the Manchester Area Chamber of Commerce. My wife and I continue to be active in numerous civic and professional organizations. And, with the continued support and confidence of our community, I look forward to the challenge of serving a third term on our Village Council.

Richard Boatwright - President

Born in Ypsilanti, 1928. Attended Ypsilanti Public Schools. Two years in the U.S. Army. M.A. Degree, E.M.U. Married

Margaret Boutell, 1950. Four children and one foster son. Eight grandchildren. Councilman and Mayor, City of Ypsilanti. School Administrator, Dearborn Heights, 28 years. Moved to Manchester in 1972.

Experience-

Having dealt with the public the greater portion of my life, I had to develop good communication skills which are important in dealing with the public, business and industry. I believe, too, that my experiences in administration, both in the schools and in government, would be of benefit.

Why are you running?-

I believe everyone who can should give some time to community service. I believe this is an area where I can successfully contribute.

Mary Kallewaard - President

1. -B.A., University of Michigan - Resident of Manchester for 15½ years - Married, two children - Emanuel Church, Optimist Club, Beta Sigma Phi
2. - Manchester Township Library Board; Village Planning Commission; Village Council (2 terms); Chamber of Commerce (President) and Village President - Emanuel Church Council and Sunday School teacher; local small business owner; Girl Scouts
3. During my tenure as President, I have seen many good

projects developed for the Village. These include the construction of a new wastewater treatment plant, repaving 3½ miles of Village roads, improvements to our parks, securing three state grants for roads and parks, separation of storm and sanitary sewer lines, implementation of a new municipal accounting system, procurement of a business tenant for the Double A building with the potential for 300 local jobs, and obtaining maximum state disaster relief funds in the wake of last summer's storm.

I feel that success in the job requires commitment and hard work. My experience and planning as President have resulted in progress in many areas. I want to continue in office to see that existing projects are successfully completed and that we continue to make progress toward our long-term goals.

Next Week's Questions

Now that all the candidates have been properly "introduced," we will proceed to the next series of questions, focusing on "The Candidates Perception of the Village."

Next week, we will publish the candidates' responses to questions we asked them on that subject.

VOTER REGISTRATION DEADLINE

FEBRUARY 12, 1990

Senior Citizens News

As Claire Reck's February 6th birthday rolls around, I'm reminded how she celebrated all of life's ups and downs. She loved to relate humorous incidents and told us this one about her beloved grandchild. Her daughter had taken her along for an afternoon visit with a faculty superior's wife. As children do when bored with woman's talk, she wandered around the home investigating. Upon returning to her mother's side, she asked the hostess "May I help you make your bed?" How would you explain that one?

Thursday, February 8: Did you notice we did it again? The phrase "oven-fried chicken" somehow comes out "over" fried and Jan may not appreciate it if we continue to put ideas in her mind, fun, huh? (Typesetter's error, sorry.) Let's all turn out to see by calling in our late reservation to Jan at 428-7630. But be sure to call Thursday before 10:30 a.m. Come to the Center to enjoy bingo at 12:30.

Tuesday, February 13: Council meeting begins at 9:30 followed by work on the March-April calendar at 10:45. Come and help with your ideas. Noon lunch features chuck roast. Deborah Havens will give a talk at 12:30 and you are welcomed to the Center to help with current activities.

Wednesday, February 14: Happy Valentine's Day! Bus pickup for the Saline Hospital Program begins at 10:00 a.m. (Note change.) If you wish to go along, call Rubena Boelter (428-8655), or you may sign up at senior lunches. No bus pickup for Aquacize today, but the bus trip to Michigan Center will resume next week.

Thursday, February 15: Jan and company will serve classic BBQ ribs today (they are classy and tasty). If you've never tried our senior meal program, please do. This is for all who reside in the Manchester area and are 55 or older. Jan is definitely on time with her noon meals, so shut up shop and come try them. She is now serving 100 meals (including takeouts) which has been her goal, but she'd love to serve even more!

Dial A Garden

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Thursday, February 8: Gardening

Friday, February 9: Homemade Maple Syrup

Monday, February 12: Buyer Beware Plants

Tuesday, February 13: Fruit Flies and Friends Can Drive You Nuts!

Wednesday, February 14: Keeping Florist's Flowers Fresh

Legion Auxiliary

The American Legion Auxiliary will meet at the Legion Home on February 14, 1990 at 7:30 P.M.

Obituary

Harold W. Dresch, Sr.
Hayesville, North Carolina
Formerly of Manchester

Age 81, died Wednesday, January 31, 1990. He was born February 11, 1908 in Windsor, Canada. He married Elizabeth Gilhooly and she preceded him in death in 1961. He was married to Beatrice Auston and she survives.

Mr. Dresch was an Army Veteran. In addition to his wife, he is survived by one daughter, Mrs. Webb (Evelyn) Seeger of Manchester; two sons, Harold Jr. (Barbara) Dresch of Ann Arbor and Gary (Ethel) Dresch of Midland; one daughter-in-law, Mrs. Denise Dresch of Manchester; 14 grandchildren; 3 great-grandchildren. He was also preceded in death by a son, Armond Dresch on September 28, 1989.

Funeral services were held Sunday, February 4, 1990 at the Jenter-Braun Funeral Home with Rev. Pegg Ainslie officiating. Burial followed in St. Mary's cemetery.

Lunch Menu

Monday, February 12: Chicken Patty on Bun, Curly-Q Fries, Dill Pickle Spear, Fruit Cocktail, Milk
Tuesday, February 13: Beef Ravioli, Mixed Vegetables, Bread & Butter, Pear Half, Milk
Wednesday, February 14: Valentine's Day—Oven Fried Chicken, Whipped Potatoes with Gravy, Buttered Carrots, Dinner Roll/Butter, Cherry Cake, Fruit, Milk
Thursday, February 15: Fruit Punch, Tacos with Sauce/Lettuce/Tomatoes/Cheese, Buttered Corn, Fresh Fruit, Milk

Letter To The Editor

An 833% raise for Village President? Of course it sounds shocking - until you've had a chance to look at the whole picture:

The President's job is broadly defined by law...chief executive officer of the Village...shall give the Council information concerning the affairs of the corporation, and recommend measures which he or she considers expedient... The President shall exercise supervision over the affairs of the Village and over the public property belonging to the Village." (Act 3 of 1895, Michigan laws)

The job requires as much work as you make of it. The President can simply show up at two meetings a month and do nothing else...or can devote hours every week supervising the week-to-week affairs and issues facing the Council. In addition, the job may require the initiation of grants, new ordinances, development of policies, planning and more. None of this will get done by just attending two meetings a month.

Even though hourly pay makes sense (if you prevent abuse by

someone who shows up just to sit around)...it is not allowed by State law. Until the law changes, payment other than "per meeting attended" is not possible.

Changing the salary isn't difficult. The President and Trustee pay can be increased or decreased with 4 "yes" votes from Council. "Hire a Village Manager" was the comment of one writer in the Enterprise last week. For the record, in 1989 Chelsea paid the Manager a salary of \$42,848. Dexter paid \$38,800 but is planning on a raise this year; Clinton paid \$38,400 (figures from Michigan Municipal League). Benefits add an additional 25%. We can't justify this kind of cost in this Village, especially when more experienced people are willing to get the job done for much less cost.

Yours truly,
Mary Kallewaard

Update On Senior Housing Project

Janet LaBeau Shurtliff

Council last Monday heard a beautiful description and saw a lovely drawing of the "Village Oaks of Manchester," the proposed senior citizen housing to be built on ten acres of land on East Main, near the high school.

Garnet Johnson, an Ann Arbor realtor, and Paul Henrickson, a developer who built a similar community in Farmington, presented their latest plan to council.

They described the huge oak trees on the property, many 30"-36" in diameter. These trees, they said, caused them to change their original plan to put 50 units on 5 acres and instead put the 50 units on 10 acres, so they won't have to cut down the trees.

The apartments are projected to rent in the range of \$445-525 per month plus utilities. At least 20%, however, will be part of a rent subsidy program.

According to Mr. Henrickson, the cost of those units to the renter will be limited to 30% of his/her income. The subsidy will pay the rest.

Garnet Johnson raised the issue of the cost in Manchester of water and sewer, which are included in the rent. She suggested that this may effect the rental price. She

said these expenses in Manchester are triple what they cost in Farmington.

Then the developers requested the council approve a Tax Exemption Ordinance. They explained: instead of the developers paying regular property tax, they would pay a fee of 3% of the rental income in lieu of taxes. This would cover the costs of fire, police, and emergency vehicles.

"And as rents go up, so do the fees," said Mr. Henrickson.

Council "ball parked" the figures and estimated the regular property taxes on "Village Oaks" would be about \$23,000 per year. The 3% fee would result in the Village receiving only \$8,500 instead.

Council decided to consider action on this request at their next regular meeting on February 19.

Paul Henrickson said they hope to break ground this June and complete construction eight months later.

Garnet Johnson said she would be coordinating the rentals with the Senior Citizens group and let them know when they may begin submitting applications.

Site plans are expected to be submitted to the Planning Commission in about two weeks.

Gravel Trucks Down Hibbard?

Janet LaBeau Shurtliff

Mark Clark and Fred Pantera were present at last Monday's council meeting to discuss the possibility of joining with the Village in paving Hibbard Street to accommodate double tandem gravel hauling trucks.

Clark and Pantera are interested in acquiring Manchester Gravel and said that they "need to know where we're at before we get into it."

When council did not immediately indicate a favorable position regarding their proposal, and in fact found the prospect of trucks carrying "100,000 lbs. through residential neighborhoods" unacceptable, Mr. Pantera said, "Everybody's mad at trucks. But we've got a right to do business, too!"

When Mr. Pantera maintained he already has approval to haul up to 30 trucks per day along that route, Councilman Kwolek questioned their source of this approval. He pointed out there is a village ordinance stipulating that to move their trucks through these streets requires a permit.

"That's what should be done now," Councilman Kwolek said. Councilman Becktel told Pantera and Clark that their "existing business, as far as I'm concerned, is in violation."

When Mr. Pantera said, "What you're telling me is it's impossible to take a truck out of there," council urged him to obtain realistic plans on the costs of their proposed road project, present it to council, and, as Councilman Kwolek said, "We'll give you due process."

When Mr. Pantera said, "What you're telling me is it's impossible to take a truck out of there," council urged him to obtain realistic plans on the costs of their proposed road project, present it to council, and, as Councilman Kwolek said, "We'll give you due process."

Heavy Trucking Makes Bad Roads

Manchester Enterprise
March 15, 1928

Farmers, Do All Your Heavy Trucking Before Thaw To Save The Roads

Old Sol has gotten into a position now where when he smiles he lets go a blast hot enough to melt snow and ice down several inches into the bosom of Mother Earth.

Monday was a day to warn drivers of any kind of a wheel conveyance to "keep in de middle ob de road," or sink out of sight perhaps. Roads cut up badly in the spring are apt to remain bad all summer because we taxpayers are not as liberal as we might be in contributing to the highway fund. We do not seem to take into consideration the heavier loads we are hauling nor the great increase in cost of labor on the highways.

Farmers should so plan their work that the logs may be hauled

to mill, the baled hay to market and other heavy trucking done before the frost is out of the ground this spring.

A law revised in 1927 fixes the maximum allowable load between March 1 and June 1 and those who violate the law may be punished by a heavy fine.

It is estimated that the frost now reaches down 18 to 24 inches the 1st of March, but every warm day reduces that.

The county road commissioners say that up to the present time they have not had men on the roads checking truck overloading, but will have as soon as the first indication of a break-up comes men will be on the job and the overloading enforcement will be carried out.

The Enterprise believes that they should have been given a warning while yet the weather was cold and roads and fields were frozen.

For information as to what load you should carry, call on or telephone the county road commissioners at Ann Arbor. Do it today and be ready to act.

Village Council Minutes

January 15, 1990

The regular meeting of the Manchester Village Council was called to order with the Pledge of Allegiance to the Flag by President Kallewaard at 7:00 p.m. Council members present: Kallewaard, Wallace, Reinhart, Kwoleck, Becktel, Cooper, Marshall and Tucker. Also present: J. Hansen, K. Daverman, and Sgt. Yekulis.

The minutes of the January 2, 1990 regular meeting were approved as submitted on a motion by Becktel, support by Marshall. Vote: Ayes-all.

APPROVAL OF AGENDA

Motion by Marshall, support by Cooper to approve Agenda as amended. Vote: Ayes-all.

CORRESPONDENCE

None

PUBLIC PARTICIPATION

Mr. Hansen approached council concerning the transfer site contract and other concerns. President Kallewaard and Marshall to meet with Mr. Hansen at another time to discuss the various concerns and the contract.

Council was approached by Kathleen Daverman with a request to remove a tree on village right of way in front of their house at their expense, to be replaced with another tree. Motion by Becktel, support by Marshall to approve Mrs. Daverman's request. Vote: Ayes-all.

tion by Becktel, support by Marshall to approve Mrs. Daverman's request. Vote: Ayes-all.

SHERIFF'S REPORT

Sgt. Yekulis presented council with the Sheriff's report. Motion by Becktel, support by Reinhart to accept as submitted. Vote: Ayes-all.

Sgt. Yekulis discussed change in format of report, updated council on status of various assignments he had worked on. Sgt. Yekulis stated that this was his last official meeting for the village and how much he had enjoyed working with the people of the village. President Kallewaard thanked the Sgt. for his contributions while assigned to the village.

Becktel reported on interviews held with the two sergeants bidding for the opening left by Sgt. Yekulis' transfer. Decision was made to have Carl Warner fill vacancy, noting his enthusiasm and communication skills. Motion by Becktel, support by Kallewaard to accept the recommendation of Carl Warner to replace Yekulis as sergeant for the village. Vote: Ayes-all.

PLANNING COMMISSION

Rezoning petition has been filed by Union Construction with the Planning Commission. Council discussed various issues.

DPW REPORT

Kwolek reported on complaint received from Knauss pertaining to County Road Commission plowing in front of her house. Kwolek sent letter to Road Commission and reported on their response.

Kwolek also reported on offer from Karpinski Sanitation to dump sanitary waste at Village Treatment Plant. Brad Roberts does not recommend, citing risk involved. There was no support for a motion.

Motion by Kwolek to adopt resolution to have clerk responsible for records that must be maintained for MIOSHA, right to know, with Brad Roberts assisting. Support by Reinhart. Vote: Ayes-all.

VILLAGE HALL MAINTENANCE

Marshall submitted information and recommendations on cleaning contract for village offices for council review.

ORDINANCE COMMITTEE

Marshall requested review of Freedom of Information Act for next agenda. Motion by Kallewaard, support by Wallace to adopt resolution to establish new rates for building, electrical, plumbing and mechanical inspections. Vote: Ayes-all. Kallewaard reported on trucking regulations. Village attorneys to look at state regulations before council's adoption.

FINANCE COMMITTEE

Reinhart reported on possible money available for street repairs. Kallewaard asked for special committee to be formed to study budget for 1990-91 fiscal year. Committee members will be Reinhart, Kallewaard, Wallace and review by Kuntz. Meeting set for Monday, January 29, 1990 to review budget.

OLD BUSINESS

None

NEW BUSINESS

Budget concerns for 1990-91 fiscal year.

Equipment: Discussion held on need for new computer for office. Roads: Reinhart to meet with engineers on #5 roads. The need to televise sewers before road work was discussed.

Parks: Wallace reported committee already has budget items.

Water & Sewer Systems: Separation of systems Staff Requirements and Compensation: Council able to change compensation of clerk and treasurer at any time, council and president compensation must be changed before an election.

DPW Contract: Kwolek to meet with Brad and Gary on Friday to discuss 3 year contract. "Senior Wastewater Treatment Plant Operator" title to be given to Louis Leeson. Kallewaard presented proposed changes to clerk's duties. Special budget committee to be set up with proposal on compensation for these additional duties. Motion by Becktel, support by Marshall to apply for medical coverage for clerk, effective February 15, 1990. Roll Call Vote: Ayes-all.

Discussion was held on budget committee looking into increase in compensation for front office employees.

Discussion was held on increasing compensation of Village president to \$250 per meeting and trustees to \$50 per meeting. Ordinance to be drafted for the next council meeting.

Resolution to be drafted to increase zoning inspectors rates. Budget committee to look into it. Meeting was adjourned at 10:45 p.m. on motion by Becktel, support by Cooper. Vote: Ayes-all.

"Ask The Doctor"

"Ask the Doctor" is the topic of Senior Health Day Wednesday, February 14, at 11:00 a.m. in the Blue Room at Saline Community Hospital, 400 W. Russell, Saline.

A panel of physicians from Saline Community Hospital will discuss common health problems of the elderly and answer questions from the audience. A Valentine's Day party will follow.

Preceding this free program, free health screenings will be offered. Foot care screenings will be available from 9:45 to 11:00 a.m. and blood pressure checks from 10:15 to 10:45 a.m.

Club 55 Dining, nutritional meals at a discount for those 55 years of age and over, will be available following the program in the hospital cafeteria.

Senior Health Day is sponsored by Saline Community Hospital's V.I.P. Advantage Program, a health care connection service for those 55 and older.

V.I.P. van transportation is available for this program. To make reservations for van transportation, or for more information about Senior Health Day, call V.I.P. Advantage at 429-1511 or 1-800-822-5592.

Hobby Day Volunteers Needed

Volunteers are needed to be part of Klager's Hobby Day scheduled for the morning of March 13, 1990. If you have a hobby or collection that you would be willing to share with elementary students, please call Yvonne Henry 428-8321.

Historical Society Announces Schedule

Janet LaBeau Shurtliff

From baseball card collecting to the history of the United States Postal Service? Or how about Bed and Breakfast's? Or traveling tent theater?

Each month the Manchester Area Historical Society meets at the Blacksmith Shop, and, after a brief business meeting, treats the audience to an interesting and informative program on a wide range of topics!

The schedule of programs for the remainder of the year was announced this week by the Historical Society.

Mark your calendars. And remember, you need NOT be a member to attend. If the subject strikes your fancy, stop by! All meetings are held at the Blacksmith Shop, 324 E. Main, beginning at 7:30 p.m.

February 19 - "Living in a Museum: A History of the Bed and Breakfast." The speaker will be Deborah Havens of Manchester who is restoring the English House on West Main as Manchester's first Bed and Breakfast.

March 19 - "The United States Postal Service: A Bit of History." Jim Gibbons, postmaster at the main (Stadium) branch of the post office in Ann Arbor, will present a refreshing look at our country's most enduring (and endearing?) institution.

April 16 - "The Rosier Players and Old Time Tent Theater." Laura Rosier, granddaughter of the founder of the traveling Rosier Players, will take us back through stories and pictures, to the days before radio and automobiles when traveling tent theaters brought entertainment to the small villages and towns throughout the Midwest.

May 21 - "All About Baseball Card Collecting." Jeff Marl, owner of the Upper Deck in Ann Arbor, is a fun and extremely knowledgeable authority on the phe-

nomenon of baseball card collecting. It'll be well into the baseball season, maybe too early for pennant fever, but not too early to listen to this great guy talk about baseball...and investing in cards!

June 18 - "The Annual Picnic." The Manchester Area Historical Society's final meeting before a summer break. Date, time and location to be announced.

The MAHS supports various projects which preserve Manchester history.

For instance, the Blacksmith Shop contains a museum, both of blacksmith tools-of-the-trade as well as general items of local history.

The Historical Society has also donated funds to the Library to put into print two Manchester histories.

The monthly meetings strike on a wide range of topics - some very focused locally, others of broader historical import.

But without a doubt, the programs are entertaining and enlightening. The community is invited to enjoy the programs - and the company.

About Indigestion

"What is Indigestion and Heartburn?" is the topic of a free Physicians Community Health Lecture at 7:30 p.m. Tuesday, February 13, in the Blue Room at Saline Community Hospital, 400 W. Russell, Saline.

Leslie Aldrich, M.D., a gastroenterologist on staff at Saline Community Hospital will talk about the causes of indigestion and heartburn and what you can do to ease the problem. She'll also talk about treatment options available for serious cases.

Following the presentation, there will be time for questions and answers. Refreshments will be served.

"Oh boy! A discount on my car insurance. Thanks, honey!"

Special discounts for safe drivers 45 and over are available from your Auto-Owners agent.

The Wrestling Report

I am sorry for not getting the report in the paper last week. I didn't have my mule in motion and now have to put a lot of wrestling into a small area.

On Tuesday the 23rd, and Thursday the 25th we were involved in league competition. On the 23rd we were in Jayhawk country and came out with a 46-27 win. That Thursday we traveled to Panther world. The defending Class "C" State Champions live there and let us know we weren't welcome by kicking us out of Addison with a 12-56 black mark on the back side of our record.

On January 27, the team sent 9 men to the Napoleon JV Tournament. Tim Fenelon and Chris Carson wrestled great and both won their respective weight classes. Robert Sloan took a second and brought home a silver medal. Jim Buono pinned Olis Burch of Addison in 3:31 to place third. Stacy Clouse and Chris Green both brought home 4th place medals.

On Tuesday the 30th, the team traveled to Clinton where we would compete against 4 teams. The Dutch stung the Bulldogs of Morenci 65-6 and jumped all over the Adrian Madison Trojans 66-9. The Fighting Irish of Gabriel Richard could hardly raise a hand to the Dutch. Being ranked 6th in Class "D" meant little to the Dutch as they rolled over them 53-9. But with these three wins under the belt, the big test of the night was still in front of us.

The Clinton Redskins are a very good team. On paper this match could go either way and a lot would be hinged on some key individual matches and a total team effort. The Dutch forfeited at 103 and after Chris Carson pinned at 112, we were tied at 6-6. Chris Wiethoff, Jason Woods, Darren Hock and Jim Buono took care of business in the next four weight classes and the Dutch were in front 27-6. Of the next five matches we were victorious in three. Duane Hopkins won a

huge match by pin with Chris Fosket and Bill Day putting the icing on the cake. The final was Manchester 42 and the 'Skins 27.

On February 1, we had Parents' Night and hosted the Grass Lake Warriors. On paper they would win but we wrestle on a sponge and not a paper mat. Wrestling in the spirit of champions, the team sent man after man on the mat. And this night the team would wrestle with desire. The Warriors' paint was smeared on their faces when they left our gym as the team rolled to a 44-26 victory. And no, I am not bragging that we did so well. We were very fortunate. These Warriors are tough and they had a bad day on a day we were wrestling well. It could have been turned around on us.

Our conference tournament was held on February 3 at Western High School. The team wrestled in the middle of their ability. I am saying we were not wrestling bad nor did we wrestle good. The Dutch placed third in the tournament and with our dual meet finish of second, it allowed Michigan Center to gain a tie for second with us in the final conference standings. Jason Woods was our only league champion this year with a 13-4 win in the finals. Jim Buono and Stacy Clouse both placed 3rd in the league by beating people they were not suppose to beat. They did a very nice job. Duane Hopkins, Chris Fosket and Darren Hock all made it to the finals but were defeated and brought home silver medals.

On the regular season the team finished with a 17-5 record and placed high in every tournament. But with a fair record and a tournament championship we were not always happy campers. Our intent was to improve every time we lay sole to mat. I don't think the team was ever satisfied to date, at least I hope not. Because this was all primer the way I see it. We have come to this point in preparation for the Districts, Regionals, and the State Championships. We now have to start climbing the hill to the peak of our ability. With your support and the desire to be successful, big things can happen.

Enrollment Deadline Nears

February 16, 1990 is the deadline for Michigan's Vietnam war era veterans to be included in the state's first summary of Agent Orange study enrollees. The enrollees will be sampled for health studies to be used by the Michigan Agent Orange Commission to make recommendations to the Michigan Department of Public Health on the health effects of Agent Orange and other defoliants used during the Viet-

nam war era. Mortality, cancer incidence, birth studies and dioxin exposure will be examined during the studies. Veterans can still enroll after February 16, but that information will be summarized only in biannual update reports.

To enroll in the Agent Orange study, Michigan's Vietnam war era veterans are urged to obtain a health survey by calling 1-800-MIC-VIET.

Recreation Task Force

The Manchester Recreation Task Force will hold its monthly meeting February 14 at the Blacksmith Shop.

We are asking Manchester High School students to attend our meetings. We need your ideas and help for future plans. Volunteers to help are always welcome at the meetings. For information, contact the Community Resource Center at 428-7722.

Earth Day 1990 Writing & Art Contest

Students in the fourth, fifth and sixth grades attending schools in the counties of Wayne, Macomb, Oakland, Livingston and Washenaw are invited to participate in the Earth Day 1990 Writing and Art Contest sponsored by the Nature Centers of the Huron-Clinton Metroparks.

The contest is divided into three different projects by grade: Fourth Grade—Poetry, consisting of 8 lines or less, rhymed or free verse and typed or printed, with a title.

Fifth Grade—Essay or Story, consisting of 300 words or less and typed or printed with a title.

Sixth Grade—Poster, consisting of flat work only, with a maximum size of 24" x 30", including mat or frame.

Entries will be judged on originality, content, style and expressive quality, according to Robert F. Wittersheim, supervising naturalist at the Nature Center of Oakwoods Metropark near Flat Rock, who conceived the idea for the contest.

Deadline for all entries is Sunday, March 4, 1990. Winners will be notified by April 10, 1990, with prizes to be awarded at special Earth Day ceremonies on Sunday, April 22, 1990.

Ten prizes will be awarded for each level and prizes include the following United States Savings Bonds: 1st Place-\$500, 2nd Place-\$200, 3rd Place-\$100, and 4th through 10th Place-\$50.

"The contest will give students an opportunity to express their feelings about environmental is-

suess," said Wittersheim.

Entry forms are available from teachers at schools throughout the 5-county region or contact any of the Huron-Clinton Metropark Nature Centers, phone 1-800-24-PARKS, between 1:00 p.m. and 5:00 p.m. daily.

Posters must be delivered to any of the Nature Centers located at these Metroparks: Metro Beach near Mt. Clemens, Stony Creek near Rochester/Utica, Indian Springs near Clarkston, Kensington Metropark near Milford/Brighton and Oakwoods Metropark near Flat Rock.

Written entries may be mailed to: Earth Day 1990 Writing Contest, c/o Huron-Clinton Metroparks, P.O. Box 2001, Brighton, MI 48116-8001. For additional information contact any Huron-Clinton Metroparks Nature Center or phone 1-800-24-PARKS (toll free).

Basic Returns Filled Out Free

This year millions of taxpayers are expected to take advantage of the free tax return assistance offered every year by IRS-trained volunteers.

Through the April filing deadline, the Volunteer Income Tax Assistance (VITA) Program volunteers answer questions and help prepare basic tax returns for the handicapped, non-English speaking taxpayers, and others who need assistance.

The VITA sites are located in churches, libraries, and shopping malls throughout the country.

For information on the VITA sites nearest you, call IRS toll-free at 1-800-424-1040.

Varsity Hoopsters Fall

by Jon

Tuesday's battle against Cascades foe Hanover-Horton proved to be a wild and exciting contest. After four minutes of play, we controlled 11-5. The Comets came streaking back and closed the first period behind only three. The following eight minutes showed very little offense on either side, although the Comets outscored us 14-10, to assume the halftime lead, 28-27. It took us less than one minute to recapture the lead, 31-28 and we led all the way until one second was left in the game. A Comet drove the length of the floor with five seconds remaining, and hit a short hook shot as the final buzzer sounded, giving his team a 53-52 victory.

Matt Knul led all scorers tonight with 19, as his brother Stefan tallied 15.

Be with us on Friday as we trek to Grass Lake. On Tuesday, February 13, we welcome Milan.

What A Game!

Janet LaBeau Shurtliff

leaders, and fans - the season was very exciting. It provided a chance to see basketball played well and played hard, with progress on each player's part. Way to go, 7th graders.

Little Dutch Victorious

by Jon

On Tuesday, we hosted the Comets from Hanover-Horton. The Comets held a slim advantage for nearly 21 minutes of this game, but the final 11 minutes saw us assume control and win, 54-49.

The scoring was extremely close throughout, as Hanover had the edge after 8 minutes of play, 13-10. Only two minutes and 25 seconds had elapsed in the second period when we tied it, 18-18. Not much happened point-wise for the remainder of the period, so Hanover had a narrow 26-25 halftime lead. There were only three minutes and three seconds remaining in the third quarter when our JV's made their move. The scoreboard read 38-36 in our favor at the end of the period. We controlled throughout the period and never relinquished our lead. When the final horn sounded we sat atop by five.

I have no individual stats, but was impressed with the playing of Jamie Sloat and Steve Harvey.

MONDAY-SATURDAY
Noon - 10 p.m.

117 E. Main St. Phone 428-7000 Manchester, Mich.

The last 2 years of Village government? This is what we've done:

- Created and put in operation a reliable municipal accounting system
- Published year-end audit figures in the Enterprise
- Reconstructed or resurfaced 3½ miles of Village streets
- Replaced 4,660 sq. ft. of bad sidewalk
- Applied for 3 State grants and had all 3 approved
- Re-created the Parks Commission
- Installed a backup power system for the sanitary sewer lift station at the river
- Sewer improvements separating stormwater from sanitary system, as mandated by DNR
- Set aside money for a backup water well; to rebuild the Furnace St. bridge; and to match grants for parks improvements
- Bought the old Double A property from Vickers and sold to Pilot Metals, bringing in 53 jobs with potential for 200 jobs
- Adopted a Master Plan for parks; added benches, grills, picnic tables, flower beds and a sign at Carr Park, painted all Carr Park buildings
- Put on-line a new sewage treatment plant mandated by Federal environmental standards
- Adopted a new sewer use ordinance with penalties to protect our treatment plant and the river
- Bought equipment needed to improve services: rotary salt spreader (covers most streets in one pass instead of 2), combination street cleaner & catch basin cleaner & leaf vacuum, covered dump truck, pickup truck
- Furnished Council summaries to the Enterprise the morning after meetings, so news is available the same week as the meeting (it wasn't before)
- Established a strong record addressing environmental protection (just ask the DNR; ask local industry where we've required containment and separation systems; ask the neighbors we've worked with on clean-up of a 20-year-old groundwater contamination problem
- Supported a local industry doubling in size *without tax abatement*
- Solicited a multi-national glass producer for the industrial land south of Johnson Controls; out of 40 candidates in several states, Manchester is now one of the final 2 sites being considered

What about 1990?

- Extensive street and sidewalk reconstruction planned
- State grant funds will pay the majority of the cost for 2 fenced tennis courts, a basketball court and a larger, paved parking lot at Kirk Park
- A new Master Development Plan (the old one is from 20 years ago; the new one is nearing completion and requires no additional cost), well-founded to ensure that the character of the Village we love isn't irrevocably changed by growth
- A backup, high-volume water well, so we don't risk disaster or even inconvenience if the big well on Ann Arbor Hill is out of service for some reason
- Semi-annual inspections of industrial property, and annual inspections of commercial property, to promote the public health and safety (this addresses concerns of industry's neighbors)
- Local enforcement of truck weight limits and other trucking laws, including fines, to promote protection and maintenance of our streets
- Daily administration and supervision without spending \$40,000 plus benefits for a "Village Manager"

Thank you for letting me serve you,
Mary Kallewaard

Volleyball Update

The Lady Dutch volleyball team is alive and well (except Stacy Williams sprained ankle and also Jenny Binders' sprain which is almost 100%)

We started the season at the Lenawee Christian Christmas Classic Tournament in December. A total of 10 games, we finally ended the day against Pinckney for the finals. We played hard but after 14 games for the day we were tired. With scores of 6-15, 18-16, and 12-15, the Lady Dutch brought home the 2nd place trophy. A rewarding day!

In the Bath Tournament, we won three matches, but lost finally to Eaton Rapids in the quarter finals so we ended up 5th. Amy Scherdt was voted by the coaches to the Bath all Tournament team.

Lumen Christi (Cascades Red) beat us at home 15-13, 15-9. Vandercook Lake began our conference season with a win 15-7, 15-7 at their gym. Northwest (Red) beat us in our gym 15-11, 15-5. Michigan Center was away. After a good comeback from being down 4-13 we finally lost 16-18, and 12-15.

The Clinton Invitational Tournament was January 20. We had a hard pool with Morenci, Chelsea, Pinckney and Lenawee Christian. We came out victorious to play Vandercook Lake in the semifinals and then on to play Clinton for the finals. We lost the first game 9-15 but played tough to win the second 16-14. We finished tired with a loss 4-15 but again brought home the "hardware", 2nd place trophy.

East Jackson (away) was won in three, 14-16, 15-10, and 15-4.

The Cougar Tournament in Adrian was Saturday January 27. 2 pools - 6 in ours and 5 in the other. We only played 4 teams in our pool losing only to Michigan Center (again) but ended up 3rd in pool play so we came home early.

Napoleon was away and we lost 8-15, 11-15. Grass Lake was away and we won 15-6, 13-15, and 15-5.

Thank you to everyone that came to our gym on Monday night to watch the Little Lady Dutch beat Columbia Central (Red) two of three games and then the Varsity winning in two straight games 6-15, 7-15.

The Varsity is 4-4 in game play and 3-2 in Cascades Blue play. Our Little Lady Dutch are 5-3 in game play and 4-1 in conference play.

Our next home game is Thursday, February 15 against Hanover-Horton. Come watch - we need your support.

IRS Resolves to Solve

Most tax problems can be resolved through normal channels. But when they can't, the Internal Revenue Service has a Problem Resolution Program (PRP) which is available to help taxpayers. There are Problem Resolution Officers across the country ready to offer their assistance.

Last year over 300,000 cases were reviewed and resolved by the PRP offices. Most cases involved missing or late refunds, incorrect billings, and unclear notices and letters.

If you're having difficulty with a persistent tax problem, call or write your local IRS office and ask for PRP.

Who Claims Whom?

Once students reach age 24, the rules for who can claim their personal exemptions change. Students who are 24 or older by the end of the tax year may not be claimed by their parents if their gross income exceeds the amount of their personal exemption (\$2,000 for 1989). However, at that point, they may claim their own exemptions on their own tax returns.

Rosemary Diane Hughes Plaintiff v. Peter Edmond Hughes Defendant

Plaintiff In Pro Per Rosemary Diane Hughes 821 Vernon Manchester, MI 48158

ORDER TO ANSWER

At a session of said Court held in the Courthouse in the City of Ann Arbor, County of Washtenaw, and State of Michigan, and on the 31st day of January, 1990.

PRESENT: HONORABLE PATRICK J. CONLIN, CIRCUIT JUDGE. On January 16, 1990, an action was filed by ROSEMARY DIANE HUGHES, Plaintiff against Peter Edmond Hughes, Defendant in this court to obtain a divorce from the bonds of matrimony.

IT IS HEREBY ORDERED that Defendant, Peter Edmond Hughes, shall in this Court answer to take such other action as may be permitted by law on or before 4-1-90. Failure to comply with this Order will result in a Judgment by Default against said Defendant for the relief demanded in the Complaint filed in this Court.

Date of Order: January 31, 1990. Patrick J. Conlin 2-22-90 Honorable Circuit Court Judge

Manchester Township Board

Synopsis of Meeting
January 29, 1990

Special meeting of the Manchester Township Board was called to order on the above date at 7:32 p.m. with the pledge of allegiance. Board members Mann, Lentz, Uphouse, Widmayer were present. Macomber absent. Seven other people were in attendance.

Reason for Meeting:

Adopt Resolution to set Special Election re Ordinance 35

Adopt Resolution re wording on ballot for special election re Ordinance 35

Adopted Resolution to set Special Election for Tuesday, April 3, 1990.

Enter Trustee Macomber 7:39 p.m.

Meeting adjourned at 8:05 p.m.

Submitted by Wilma E. Lentz, Clerk Approved by Ronald E. Mann, Supervisor

Joint Workshop

Synopsis of Workshop
January 29, 1990

Joint workshop of Manchester Township Board and Manchester Township Planning Commission. Meeting held on the above date and called to order after the Special Meeting of the Manchester Township Board. Twelve people were in attendance.

Object of meeting was to set future goals for the township.

Discussion of various items took place.

Meeting adjourned at 9:30 p.m.

Submitted by Wilma E. Lentz, Clerk Approved by Ronald E. Mann, Supervisor

Incredible Edibles

As a result of advances in technology and agriculture and because of an increasingly cosmopolitan world, many exotic food products are now appearing on the supermarket shelves. Many people may be familiar with the food they are served, yet they may never have seen the plants that are the source of their meals.

There is no need to travel the world to see some of these plants. Common and exotic food plants are grown at the Matthaei Botanical Gardens. "Incredible Edibles" is the topic of a Conservatory tour for the public which will be held on February 11 at 2:00 p.m. The sources of chocolate, vanilla, guava juice, passion fruit, lemon grass, and many other foods and flavorings will be pointed out and discussed.

The tours will last approximately one hour. Due to space limitations of the Conservatory, the tour is restricted to 30 persons. Reservations are highly recommended, although interested persons may sign up on a space available basis on the day of the tour. For reservations, please call 998-7061.

Conservatory admissions apply: \$1.00 per person; Friend's members and children under six years of age are free.

The Matthaei Botanical Gardens is located at 1800 N. Dixboro Road, Ann Arbor, a 1/2 mile south of the Plymouth Road intersection.

Council Postpones Pay Raise Plans

Then many of the 15 or so people who attended the meeting took their turns speaking. Speakers included three of the non-incumbent candidates running for council and president in the March 12th election: Richard Boatwright, Deborah Havens and Chris Brooks.

Most of the speakers urged council not to eliminate the office of village manager - a trained, professional administrator. They maintained that the unsatisfactory experience with the previous manager and unacceptable projected costs might be misrepresenting both the problems and possibilities.

Don Limpert said that Clinton just interviewed for a new village manager at a full-time salary of \$25,000 per year "and turned good candidates away."

As a public discussion progressed, council responded. Larry Becktel said, "There is a real need for a village manager sometime in the future." He then stated, "We had a very trying time with our last village manager."

Councilman Joe Marshall expressed similar sentiments. "We had a very bad experience with that manager." And then, "Nobody's disagreeing that we do need a manager."

When asked how this plan developed to move away from a

manager-form of government to a strong-mayor form, Councilman Wendell Reinhart said, "I may have started it. I thought we should have a village manager - but when Mary submitted her plan for her and Karen (Clerk Tucker) to take more responsibility, it seemed like it was worth trying for two more years."

Public comments continued until Councilman Kwolek stated it was "obvious that the citizenry needs more time," and that it would "be wise to hold this over" until the next regular council meeting on February 19th.

Councilman Becktel withdrew his motion, and Councilman Reinhart withdrew his support.

But it didn't end there. Discussion continued on how, as Councilman Jeff Wallace put it, to

"convey to the public" the issues involved.

Suggestions such as putting the discussion in the council minutes were met with the objection that the minutes of this meeting would not be published until after they are approved at the February 19th meeting.

Don Limpert suggested that council, "Make haste slowly" and asked why these important issues had to be decided at the very next council meeting.

However, the discussion moved to the next item: to revise the pay for the village president and council members. Council decided to "hold over" this item also. As Councilman Kwolek said, "That would be a wise move also."

Before closing the discussion on pay increases, Councilman Becktel

requested that he would "like to find out when the last raise for village council and village president was done."

And so these issues will be on the agenda: at council's next regular meeting to be held Monday, February 19. Meetings are held in the Village Hall on the first floor and begin at 7:00 p.m. People from the community are always welcome to attend; time is always made available for public comment.

Lions usually spend 20 hours a day sleeping or resting.

Money Management

GET READY, SET...ORGANIZE! TIPS ON PREPARING FOR YOUR TAX ADVISOR

When it comes to tax preparation, organization can sometimes make the difference between a tax refund and a hefty tax bill.

Before you visit your tax preparer, the Michigan Association of CPAs suggests that you take the time to carefully sort your financial records. The extra effort can trim your tax liability and tax-preparation fees - and make it less likely you'll receive a visit from an IRS auditor.

Review past returns

Start by reviewing last year's tax return. Carefully read each section and take notes on which supporting documents your tax preparer attached to your return. You should also jot down the type of deductions you were eligible for last year. Not only will this information help guide your current tax-preparation efforts, but it may also uncover deductions you overlooked last year. If this is the case, you can claim these missed deductions now by filing an amended return.

Next, pull out the year's accumulation of financial records and separate them into distinct categories, such as income records, homeowner information, medical expenses, retirement plan contributions, business expenses and charitable donations. If you have already sorted and categorized your papers, you're ahead of the game. If you have not sorted and organized your files, do so immediately. At the bare minimum, divide your records into two categories: income and expenses.

Add up all sources of income

Once you have sorted your records, go back and add up how much money you have earned or collected over the course of the year. A \$25 gift from your Aunt Sally doesn't count. What does count is your W-2 form, which you should receive in the mail sometime in January.

You should also set aside any 1099 forms that you receive. These records will indicate exactly how much money your savings accounts, security holdings, or

other investments have earned. In addition, if you sold securities in 1989, make sure that your broker supplies you with copies of your transaction slips as well as Form 1099-B.

Other types of taxable income include unemployment compensation, certain scholarships and fellowships, taxable Social Security or pension benefits, alimony, or state and local income tax refunds. CPAs strongly recommend that you write a list summarizing all sources of income before you sit down to do your taxes.

Handling real estate transactions

If you sold your home this past year, you must report the capital gains from the sale. Make sure you set aside your closings statements, records of capital improvements, plus any receipts that prove how much you spent on fixing up the house prior to its sale. (If you are age 55 or over, ask your CPA to explain the \$125,000 exclusion-of-gain provision.)

You should also take care to collect any documents related to

deductible homeowner expenses. For example, your mortgage lender should send you a Form 1098, which indicates the amount of mortgage interest you paid last year. In addition, you should review your cancelled checks for such expenses as property and real estate taxes, job-related moving expenses, and points paid to obtain a mortgage on your primary residence. Owners of rental properties should also set aside cancelled checks related to their operating costs, including advertising fees, house-cleaning expenses and repair costs.

Review your dependency status

Certain changes in your personal life can alter the number of dependents - and exemptions - you can claim. Make sure you take into account the tax consequences of such events as a marriage, divorce, birth of a child, or an elderly parent who suddenly becomes dependent on you for financial support.

Check for overlooked deductions

Your checkbook and charge account receipts can also help you discover such deductible expenses as your business expenses, chari-

table donations, medical expenses, child-care bills, real estate activities, interest expenses, state and local income taxes and other miscellaneous expenses.

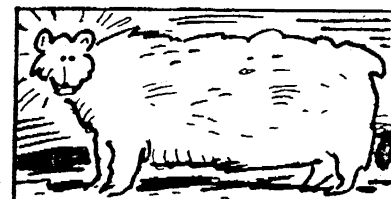

Remember, you don't have to drag all these checks to your CPA. A summary listing the date, check number, amount, payee and purpose is usually much more efficient.

A review of your charge account receipts and statements may also uncover buried tax deductions. Summarize any expenses that may be tax deductible and review them with your CPA. You should also record the amount of interest paid on each account for 1989. This figure is generally supplied on the first

statement of the new year.

Finally, CPAs remind you to examine your paycheck stubs for automatic payroll deductions for such items as medical insurance or donations to charities.

With a little organization and a lot of careful review, you may be surprised to find that you have far more deductions than you ever realized.

The great Alaska brown bear weighs as much as 1,600 pounds and measures up to nine feet in length.
