THURSDAY, MAY 31, 1990

## 1990 Varsity Girls' Softball Conference Champions

Front Row (l-r): Rachel Rodriguez, Jennifer Kunzelman, Nikole Reinhart, Jenny Binder and Sharon Fielder. Back Row: Coach Swanson, Amy Scherdt, Marci Sloat, Jackie Ahrens, Lisa Lozier, Rebecca Scherdt and Lynette Wackenhut.

Monday was a good day as we bused to Addison for two games. We received solid pitching from Nikole Reinhart and Jackie Ahrens as we downed the Panthers 12-1 and 9-4. Jackie upped her pitching record to six and two,

by Jon

while hitting four for seven and five RBI's to be selected as an area top performer of the day

Wednesday was an awesome day as we edged Napoleon 5-4 to win the Cascades Blue Conference title for the first time in almost ten years. The team's lone senior, Nikole Reinhart, was not only the

pitcher of record, but scored the winning run in the last inning. Rachel Rodriguez knocked in three of five runs to be named a top performer of the day

On Friday, in the rain, we hosted Clinton in a Class C District contest. The Redskins ended our season with a 4-6 victory.

## John Golding Receives Optimist Award

Manchester Optimists awarded the honor of Outstanding Student for the month of May to John Golding. John is the son of Tom and Marlene Golding and is a senior. He has been on the Honor Roll since his freshman year and a member of the National Honor Society since 11th grade. He was elected Student Council Representative in both 9th and 10th grade and is a Student Leader this year.

John was in a class play in his freshman year. His athletic

achievements include participation in baseball for all four years. He has been a familiar face at Krauss Pharmacy for the last two years and active in his church youth group throughout high school.

John plans to attend Eastern Michigan University in the fall and has been awarded a Regents Scholarship.

Congratulations, John, keep up the good work in college. Optimist John Savage presented the award.

## Manchester's Musical Summer 1990

Get ready to sing and dance your way into summer! Families, friends and neighbors in the Manchester area are invited to attend the Manchester Community Square Dance on June 9 and the Gazebo Concerts which begin on June 14. These musical festivities are presented by the Recreation Task Force.

This year, Manchester's musical summer will be punctuated by both music and dance. The Community Square Dance is set for Saturday night, June 9 at the Manchester High School, 701 E. Main. The doors open at 7:30 p.m. with dancing from 8:00 to 10:30 p.m. Admission is free, and refreshments will be available.

The square dance will be a chance for you to learn folk dancing amongst friends. All dances will be taught. No experience is needed, and no partner is necessary. Just come as you are! You can learn how to square dance, enjoy the music, and share good times and good company.

Manchester's own square dance band, "The Raisin Pickers" will set the tempo for your "night on

the town." Jon Freeman, an excellent and experienced caller from Ann Arbor, will lead you into and through all the dances.

Then on Thursday nights throughout the summer, the Gazebo Concerts will present a broad look at our musical world. The concerts take place on the Gazebo stage, downtown Manchester, across from the Public Library. On Thursday, June 14 at 7:00 p.m., the Manchester Gazebo Concerts resume with an enlivening concert of superb music and dance. The Alex Graham Jazz Quartet, just back from a tour of the Soviet Union, swing through Manchester on their way to their next award-winning festival performance.

On Thursday, June 28, singer-songwriter David Mosher steps to the Gazebo stage for a rare and welcome opportunity to hear his superb solo songwork, finely crafted tunes, and fleet-fingered guitar playing. Then Manchester's own vocal group Maxton Bay will fill the evening air with cool swing, red-hot bluegrass, sweet

Continued on page 2

## "Michigan" Breakfast

Third graders in Mrs. Lowery's, Mrs. Grantham's and Mrs. Shaw's classes celebrated Michigan Week with breakfast on May 25th. They had Michigan produced cereal, muffins, juices and milk. Pictured are (l-r): Gracie Chavez, Nicole Hlavka, Mark LaBadie, Deon Bisard, Megan Kennedy, and Mrs. Shaw.

## Optimist Tri-Star Baseball Contest

On Saturday, June 9, the Optimists will hold their annual Tri-Star Baseball Contest at Kirk Park. It will take place at 1:00 p.m. All boys and girls ages 8-13 are welcome to compete.

Entrants will be scored in running, throwing and batting, and trophies will be awarded for 1st, 2nd, and 3rd places in each age group for boys and girls.

Entry forms will be available at Krause Pharmacy, Dr. Bates' office, and at Kirk Park the day of the contest. Any questions, please contact Bruce Bates at 428-9616.

## Spring Athletic Awards

The Spring Athletics Awards ceremony will be held at Carr Park on June 4 at 6:30 p.m. Hot dogs and beverages will be furnished. Bring a dish to pass and own table service.

# Manchester's Musical Summer 1990

harmonies, and smooth musicianship.

Matt Thornton and the Valley Band appear on Thursday, July 19, right after the Chicken Broil. What a dessert! The Valley Band will feature a selection of contemporary jazz and rock-influenced performances, along with the expressive musicianship of Joe Kress and Brian Brill.

Then on Thursday, July 26, Michigan singer and songwriter Bill O'Connor shares the stage with the New Balance String Band. Bill O'Connor and the New Balance String Band are regular featured performers at Ann Ar-

bor Council for Traditional Music and Dance events.

These arts events are made possible through the support of Washtenaw County Council for the Arts. Special thanks also go to Jim Achtenberg of Woodbrooke Enterprises for helping with word processing tasks. Numerous community volunteers, as well as the Recreation Task Force have pitched in to present the Gazebo Concerts and Square Dance. Now, we're looking forward to another superb season of "arts and recreation."

## Chelsea Art Show

The Chelsea Painters will hold their seventeenth annual Art Show and Sale on the grounds of the Chelsea Community Hospital and Chelsea Medical Center on Saturday, June 2 and Sunday, June 3 from 10:00 a.m. to 5:00 p.m. Area award winning artists will exhibit and sell original watercolors, acrylics, oils, prints, drawings, collages and cards.

A percentage of the proceeds will provide for the Palmer Medical Scholarship. Since 1974, the Chelsea Painters have given over more than \$7,500 to this scholarship fund. Last year, the recipient was Patrick Justine, from Chelsea. He is in the Inter-Flex program at the University of Michigan.

The Chelsea Community Hospital Auxiliary will assist with refreshments and there will be entertainment by Betsy Beckerman on both days. This event will be held rain or shine and open to the public.

## Brownies Collecting Eyeglasses

Brownie Troop 706 is currently collecting used eyeglasses, frames and parts of frames, lenses, and sunglasses on behalf of the Lion's Club.

The glasses are remade and adapted for use by citizens who cannot afford to purchase new glasses. You may have seen collection boxes displayed in local businesses and churches throughout our community.

The collection of eyeglasses will continue through the month of May. Troop 706 would greatly appreciate your participation in this worthwhile project.

**BUY IT. SELL IT. FIND IT.**  
**CLASSIFIED.**

## Dial A Garden

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Thursday, May 31: Summer care of poinsettia

Friday, June 1: IPM can help you

Monday, June 4: Some bugs like cabbage

Tuesday, June 5: After bloom care of hardy bulbs

Wednesday, June 6: Growing perennials

## Recreation Task Force

A new time and place for the Recreation Task Force will be June 9, Saturday, 9:00 a.m. in the K of C Hall.

Come and bring a friend. Manchester High students, we really need your enthusiasm and ideas. Just give two hours of your time and input to help with the plans to improve your recreation in town. Don't leave it all to the adults. It's your town too.

Volunteers to help with the programs are always welcome. For information, contact the Community Resource Center at 428-7722.

## 300 Club

The winner of the 300 Club drawing of May 19 was Kathy Owen with ticket #243. The winner of the May 26 drawing was Dr. Lehr with ticket #069.

## Senior Citizens News

Suppose the birds are trying to tell us something? There is a swallow (we think) that flies in and out of our garage with nesting material. The site is a tire in the top part on a plank and it is hot in there with the door closed trying to discourage them. Phyllis Baker told us about a cardinal that incessantly raps on her windows and goes to her neighbor, Ardis Scheid's to "rap" there to see if it can gain entry. Suppose we are in for a very cold spell or a real heat wave? If only we could communicate with birds.

As we speak of birds, let's give Jan a standing ovation for the "birds" she served at the mystery dinner last week. Those cornish hens with stuffing were a real treat, thanks. Five more senior lunches this season, better come on out.

Thursday, May 31: Exercise at 11:00 with southern pork bbq sandwiches at 12:00 noon.

June (already) and it is hard to believe. Tuesday, June 5: Chinese Day and that will bring us all out to taste and enjoy. The Center will be open at 12:30 and we invite you to come over to talk, play cards or just relax.

Thursday, June 7: The last exercise before meals will begin at 11:00 a.m. Then it is Happy

birthday to all June and July born folks who are 55 or older. If you were born in either June or July, call your reservation in for your free meal to 428-8359 or to Jan before 10:30 at 428-7630. These telephone numbers also apply to all of us who haven't been born in these summer months.

Looking ahead: Seniors plan a trip to the Bavarian Festival on Monday, June 11. Call Erma Alber at 428-8707 if you want to go along. Time of departure will be announced at senior meals, or you may call Erma.

## Sand Box Fill

June 2nd will again be the Manchester Men's Club annual sandbox fill. If you have a sandbox you would like filled, please call Great Lakes Bancorp at 428-8389 or Keith's Barber Shop at 428-8584. If it is not obvious where the sandbox is, please leave instructions or plan to be there Saturday morning.

This is a free service to the youth in the area provided by the Manchester Men's Club with the help of Paul Wackenhut.

# "Targets of Excellence"

Robert A. Davis, president of Pilot Industries, Inc. announced that their Dexter Division has received the necessary ratings in the "Targets for Excellence" assessment by Chevrolet-Pontiac-GM of Canada (C-P-C) that permits Pilot to be considered for General Motor's Top Supplier Award.

Pilot will be celebrating its 13th year in business this month, and is forecasting continued growth as an automotive supplier through its dedication to meeting or exceeding its customer's needs and expectations in all areas of operation.

The primary products that Pilot supplies the industry are fuel-related and currently center on plastic and metal fuel line assembly systems.

Pilot's goal is to expand its engineering and manufacturing expertise into allied fuel system components and is currently planning a corporate research and development center that will envelop projects from its other divisions. Pilot has an electronics division in Grass Lake, a molding division in Troy, and a metals division in Manchester.

While Ford is currently Pilot's major customer, additional business at General Motors, Chrysler and other automotive suppliers as well as growth from Pilot-developed non-automotive customers will enable Pilot to reach its near term goal in annual sales \$100,000,000.

**NEW BEST SELLERS AT THE LIBRARY**

"His Little Women" by Judith Rossner, "Gold Coast" by Nelson DeMille, "Cardinal Virtues" by Andrew Greeley, "Gallowglass" by Barbara Vine, "Black Swan" by Philippa Carr, "Always and Forever" by Cynthia Freeman, "Masquerade" by Janet Dalley, "Inconvenient Woman" by Dominick Dunne, "Black Candle" by Catherine Cookson, "Bitter Sweet" by LaVyrle Spencer.

Our next book review is this Thursday at the Blacksmith Shop at 7:30 p.m. We will discuss "The Sporting Club" by Thomas McGuane with Professor Spencer Bennett of Siena Heights College. For information, call the library at 428-8045.

**Public Forum**

Parents, concerned citizens, professionals, and members of organizations are invited to comment on special education programs and services within the Washtenaw Intermediate School District at a public forum on Thursday, June 7, at 8:00 p.m. at WISD's Ianni Educational Ser-

vices Center, 1819 S. Wagner Rd., Ann Arbor.

A representative from the Michigan Department of Education Special Education Services will be present to receive input in preparation for its monitoring of WISD's special education programs and services this fall. MDE-SES will use the citizen input from the forum, along with other information, to determine the level of state monitoring needed for the upcoming year.

If you are unable to attend this meeting and want to provide your perceptions or information about special education within the WISD service area, send your written comments to: Lead Monitor, Special Education Services, P.O. Box 30008, Lansing, in 48909.

**Hardballers Update**

On Monday, our squad bused to Addison for a double header. Junior Jay Gillow hurled a five-hit shutout as we won the first game 9-0. In the second contest, the Panthers scored in the last two innings enough to win 7-10. Bat power was supplied by Tony Punches, Dan Weber, Jesse Widmayer, John Ward, Andy Pagel and Doug Ridenour.

Our boys' next action took place on a rain-soaked field on Friday as we hosted Clinton in a Class C pre-district game. This was a low-scoring pitcher's battle that saw Redskins end our season by winning 1-3.

**Canoe Race Winners**

Below are the winners of the Annual Canoe Race sponsored by the Manchester Recreation Task Force which was held Sunday, May 20.

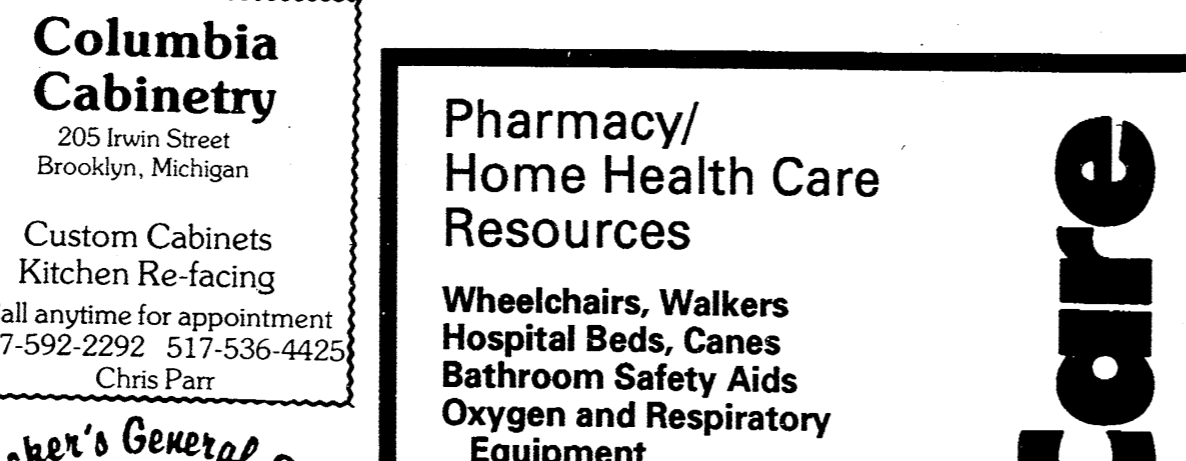

Competition (Experienced)  
3rd - Steven Kuhl-Grass Lake, Jeff Lucas-Grass Lake; 2nd - Bernie Tuszynski-Gaylord, Bill Fick-Blissfield; 1st - Kevin Krzyzaniak-Ann Arbor, Philip Krzyzaniak-Manchester.

Women's  
3rd - Dagne Phillips-Chelsea, Dawn Carruthers-Pinckney; 2nd - Sue Sabourin-Manchester, Sybil Kolon-Manchester; 1st - Marty Catalano-Bloomfield Hills, Carol Serr-Ann Arbor.

Choose Partner  
3rd - Tom Wright-Tecumseh, Kevin Salters-Blissfield; 2nd - Bob Smith-Manchester, David Halasz-Clinton; 1st - Tim Midura-Ann Arbor, Rodney Foster-Ypsilanti.

Man-Woman  
3rd - Matt Laux-Belleville, Marilyn Kellum-Tipton; 2nd - Carol Rose Kahn-Manchester, Dennis Kittel-Manchester; 1st - Mary Anne Fick-Blissfield, Bill Fick-Blissfield.

Adult-Child  
3rd - James Eder-Manitou Beach, Kathleen Eder-Manitou Beach; 2nd - Steve Foley-Ann Arbor, Jessica Foley-Ann Arbor (missing); 1st - Bob Kellum-Tipton, Danny Kellum-Tipton.

**"Give 'Em A Brake"**

State police and the people who build and maintain Michigan's highways are stepping up efforts to persuade motorists to slow down in highway work zones.

Their "Give 'Em a Brake" campaign is aimed at drivers who speed by workers who are building and repairing highways within a few feet of traffic.

In 1988, the last full-year reporting period for State Police, there were 7,828 work zone accidents in Michigan, an increase of 21 percent over 1987. Twenty-four people were killed and 2,828 injured, most of them motorists and their passengers. Accidents totaled 6,529 in the first 11 months of 1989.

The campaign is a joint effort of State Police, the Michigan Department of Transportation (MDOT) and the Michigan Road Builders Association. It got under way as the 1990 construction season, involving thousands of workers, moved into high gear.

Col. Rich Davis, State Police director, said his department is testing a program that puts uniformed troopers equipped with radar units in state highway vehicles parked in construction zones. It's called "CZAR," which stands for Construction Zone Accident Reduction.

Troopers in highway trucks measure the speeds of passing vehicles. Violators of the 45-mile-per-hour speed limit are identified and other troopers are called in to take appropriate enforcement action.

State Police also will use speed timing with aircraft this season, Davis said. "The most expensive,

most sophisticated radar detector money can buy will not foil air speed timing," he said. "Let the driver beware."

"Work zones are danger zones, both for motorists and workers," said State Transportation Director James P. Pitz. "We have hundreds of projects on the state highway system this year, and counties and cities have hundreds more."

"We're doing all we can to move traffic through work zones as safely as we can, and with a minimum of inconvenience. In return, we want motorists to slow down, for their sake as well as ours."

**New Group To Form**

Manchester area residents are invited to attend a meeting to discuss the need to form a group to address environmental concerns. The core of this group has been involved in promoting substantive action on the recycling front by local units of government.

This forum was initially sponsored by the Chamber of Commerce which is not the appropriate group to deal with other environmental issues.

One example of such an issue would be preservation of an undeveloped River Raisin. Citizen involvement might also be used to encourage businesses to act in environmentally sound ways.

The meeting will be held at the Blacksmith Shop, located at 324 E. Main St., Manchester, at 10:00 a.m. Saturday, June 2.

**ANNOUNCING A SWEEPSTAKES OF INTEREST TO EVERYONE. MORE OR LESS.**

Deposit bonus:	50% Interest Rate Bonus.
Loan discount:	1.0% Off Interest Rate.

**GREAT RATE SWEEPSTAKES**

If you want to earn more interest on your deposits, this sweepstakes is for you. If you want to pay less interest on an installment loan, this sweepstakes is for you. The Great Rate Sweepstakes. It's about saving on loans and earning more on savings. And it's a game you're guaranteed to win. Come in between now and July 31 and get a game envelope. **ATHLETIC PHYSICALS**

Athletic physicals will be given on June 2 from 8:00 AM - 12:00 PM. This is for all students grades 7 - 12 who want to participate in sports next school year. The physicals will be done at the doctors office by Doctors Johnson and Eccles. There will be a \$5.00 charge per student which will be collected at the door prior to the physical.

**PLEASE USE THE FOLLOWING SCHEDULE:**

8:00 - 10:00 MIDDLE SCHOOL  
10:00 - 12:00 HIGH SCHOOL

Students need to bring with them a Michigan High School Athletic Association physical card, available at the schools, and the \$5.00 fee. Students will not be seen unless a card and \$5.00 are presented at the time of the physical. These cards should be signed by a parent or guardian before the student reports to the office. The exam time will be about 30-60 minutes. Remember, physicals are required for the athletes who wish to participate in any sport during the 1990-1991 school year. Any questions should be referred to the High School athletic director. Again this is the **ONLY TIME** that sports physicals will be offered on a Saturday at a reduced fee. Students who desire a sports physical to be done through our office on a different date need to schedule their visit in advance and will be charged the customary fee.

## New ATV/ORV Law Seeks To Reduce Deaths

ATV rider Bryan Boynton of Haslett Motor Sports displays the proper ATV safety gear. Behind him are, from left, Donald Craig, executive director of the Michigan Motorcycle Dealers Association, East Lansing physician/attorney B. Elloit Grysen, Secretary of State Richard Austin and Dr. Thomas Payne of the Michigan State Medical Society.

The Michigan State Medical Society (MSMS) wants Michigan citizens and tourists to enjoy every minute of summer fun and warm weather by avoiding emergency room treatment of off-road vehicle injuries.

Every summer Michigan physicians treat thousands of patients for injuries suffered while using off-road recreational vehicles (ORVs).

All-terrain vehicle (ATV) accidents alone cause an average of three deaths and several hundred injuries every summer month in Michigan.

In response to these tragedies, Sen. John J.H. Schwarz, M.D., of Battle Creek, last year introduced

a bill to make summer fun safer in Michigan. The bill passed through the Legislature and was signed into law by governor James J.

Blanchard this winter. The new law, Public Act 241, requires helmet use on most ORVs, prohibits the use of all ORVs while chemically impaired and sets the minimum age at 12 for those who operate ATVs on public land.

The 11,000 physicians of MSMS urge all ATV/ORV operators to always wear helmets and safety equipment, never drive after using alcohol, and carefully learn the limitations of the vehicle. Parents should keep children under the age of 16 off all ATVs. Proper safety equipment includes steel-toed boots for foot, ankle and shin protection, tear-resistant pants, knee cups, hip pads, a chest protector that covers the upper body and shoulders, a tear-resistant jersey, padded gloves, goggles and a helmet.

## Building Trades Open House

The staff and students have announced the annual open house to exhibit their year long effort on Sunday, June 3, 1990 from 1:00-4:00 p.m. This year's house is located at 6046 White Swan Lane in Mallard Cove subdivision near

Saline. The large two-story traditional styled house features three bedrooms, with plenty of closet space, three full bathrooms, a study or office, formal dining room, country kitchen, great room and spacious deck. The project

has been supervised by instructors Richard Lutz and Steve Benedict, with Larry Hawker providing assistance.

The project is funded by a nonprofit corporation to provide the experience for students interested in the construction trades. The students gain experience from staking out the house to the finish painting and floor coverings.

Manchester students are: Sean Guidry, Steven Harvey, Brian Leach, and Casey Salkauskas.

Directions to the open house are: About 3 miles north on the Saline-Ann Arbor Road, turn east on Textile Road, take Textile approximately 1 1/2 miles to White Swan Lane. The building trades house is the second house on the right.

## Canadian Band Performs At Klager

The Sir James Dunn Collegiate and Vocational School Band from Sault Ste. Marie, Ontario, Canada were special guests at Klager Elementary School on May 18. The band played a variety of selections from around the world: Scotland, Newfoundland, Russia and the United States. Director

A. Boerji soon had the audience "dancing" in their seats to the lively rock and roll tunes of the 50s. Students from the audience had the opportunity to conduct the band, much to the amusement of the band and audience. The Canadian high school band visited Klager School as part of their tour of Michigan.

Tuesday, June 5: Brown Bag, Milk  
Wednesday, June 6: Brown Bag, Milk  
Thursday, June 7: Klager - Brown Bag, High School & Middle School 1/2 day-no lunch  
Friday, June 8: 1/2 day-No Lunch

## New Michigan Map

The Michigan Department of Transportation MDOT 1990 Official Transportation Map of Michigan is making its debut this week, luring visitors to the state with the theme of "Celebrate! The Great Lakes."

It is the most up-to-date map of Michigan available and may be obtained from MDOT at no charge.

The lighthouse at Holland on the Lake Michigan shore, one of about 100 lighthouses along more than 3,200 miles of Great Lakes shoreline in Michigan, is pictured on the cover. Gov. and Mrs. James J. Blanchard are shown with their welcoming message on the back cover.

Inside is a photo display of people having fun on and along the big lakes, the largest body of fresh water in the world.

Besides helping our own residents find their way through Michigan, this map is a primary tool for our multi-billion-dollar travel industry," said Transportation Director James P. Pitz. "Many of the two million maps we are printing this year will be distributed nationally and internationally."

MDOT cartographers made 280 changes and additions to bring the new map up to date. It was printed in Michigan on Michigan-made paper for about 20 cents a copy.

The map guides travelers along the 9,500 mile state highway system, on primary county roads and the major thoroughfares of the state's larger cities.

Users also can locate airports having lighted runways at least 3,000 feet in length, intercity bus terminals, both commercial and recreational harbors on the Great Lakes, ferry routes, freeway rest areas and roadside parks on the state highway system. The map also shows both passenger and freight rail lines.

Hospitals offering 24-hour emergency service and MDOT's 13 highway welcome centers, located mostly at border points, also are shown.

The map identifies all state parks and lists their types of accommodations and provides an index to Michigan cities and villages. Various state symbols such as the state bird (robin) and tree (white pine) are shown too.

The new map can be obtained, at no cost, at numerous locations, including all MDOT district offices and welcome centers. Other distribution points include state police posts, district offices of the Michigan Department of Natural Resources, local chambers of commerce, municipal government offices and offices of the Michigan Travel Bureau and regional tourist associations.

The Department of Transportation will send a map to individuals on request. Requests should be made on a post card - not in a sealed envelope, providing the name, address and zip code of the requester. Post cards should be mailed to: MAPS, Michigan Department of Transportation, P.O. Box 30050, Lansing, MI 48909

### RESOLUTION ADOPTION OF AN ORDINANCE PROVIDING FOR A SERVICE CHARGE IN LIEU OF TAXES FOR HOUSING DEVELOPMENTS FOR ELDERLY PERSONS VILLAGE OF MANCHESTER

WHEREAS residents of the Village of Manchester, and of the surrounding four Townships, have expressed a need for housing designed especially for Senior Citizens, and

WHEREAS attempts have been made by local and area organizations to obtain funding for Senior Citizen housing, during a period beginning in the 1970s and continuing into the 1980s, but no Senior Citizen housing project has yet received funding, and

WHEREAS more than 60 letters of interest in the Village Oaks housing project were signed by area residents, after preliminary information about the project was presented at a luncheon meeting of the Manchester Area Senior Citizens, and

WHEREAS the Village Oaks Limited Dividend Housing Association has been organized to build and operate Senior Citizen housing in the Village of Manchester with the aid of the Michigan State Housing Development Authority, an agency created by the state legislature in 1966, and

WHEREAS the Village Oaks project, as presented and described to the Manchester Village Council, provides such amenities as emergency call buttons in the bedrooms and bathrooms of apartment units; a resident manager with 24-hour response to emergency calls; ramps instead of steps; pull bars in bathrooms; door handles instead of knobs; all light switches at wheelchair-accessible height; all doorways at wheelchair width; all apartments either totally wheelchair-accessible or quickly convertible to total wheelchair access by knock-out of the panel under the kitchen sink; transportation; a facility with kitchen for meetings and other activities; apartment units in the same building as the activities facility, for persons with more limited mobility; covered parking spaces; preservation of natural features including large, mature trees; and the activities facility to be available to Senior Citizens including those who are not residents of Village Oaks, and

WHEREAS U.S. government regulations, under 24 CFR 100.302 and 100.75, permit exclusion of persons other than Senior Citizens from a housing development such as Village Oaks, (including the exclusion of children, both adult and minor children), except for spouses of Senior Citizens, and

WHEREAS Michigan law, in the State Housing Development Authority Act, provides for a housing development to pay a service fee in lieu of taxes, where the development is financed through MSHDA, and

WHEREAS the same Act provides that this service fee applies only to those parts of the housing project which are occupied by persons who are of the "class" that the development was designed to serve; so that the full amount of ad valorem taxes would be paid on any portions of the development not occupied by that "class" of persons, and

WHEREAS the same Act provides that the tax exemption shall remain in effect only as long as the project is financed by MSHDA, and

WHEREAS the MSHDA funding requires that 20% of each type of apartment unit will be available at lower rental rates, and

WHEREAS Village Oaks will pay the same rates for sewer and water service as all other users of Village of Manchester sewer and water service, and

WHEREAS the proposed local Ordinance limits the class of tax-exempt housing to the amount sufficient to meet the local needs for Senior Citizen apartments, and

WHEREAS the natural movement of local Senior Citizens to the Village Oaks development will presumably help to alleviate a current shortage of single-family housing in the Village, and

WHEREAS the financial payments by Village Oaks to the Village of Manchester, as best as can be determined at this date, will result in income to the Village slightly higher than 50% of the income which would be expected by applying the ad valorem tax rate, and

WHEREAS the financial payments by Village Oaks to the Village of Manchester would considerably exceed the tax income from the same property in its vacant state, and

WHEREAS the financial payments by Village Oaks to the Village of Manchester, as best as can be determined at this date, will result in income to the Village at a higher rate, per residential unit, than is generated by existing federally-aided housing in the Village, and

WHEREAS the Village Oaks development will also make payments to the Township of Manchester, the Manchester Community Schools, and all other authorities presently levying taxes on property in the Village of Manchester, although not at the full tax rate, and

WHEREAS the budget, books, operation and officers of Village Oaks are subject to review and audit by the State Housing Development Authority, including an annual report and MSHDA approval of any subsequent resale,

NOW THEREFORE BE IT RESOLVED that the Manchester Village Tax Exemption Ordinance be, and hereby is, adopted, by the Manchester Village Council at its Regular Meeting on May 22, 1990.

## THE DOLLAR AND SENSE OF HOME REMODELING

Home improvements, whether small cosmetic changes or a remodeled kitchen or additional bath, can enhance the value of your home while at the same time satisfy the changing needs of your family.

According to the Michigan Association of CPAs, homeowners will probably spend more in the 1990s to remodel their present homes than to build or purchase new ones. With the expenditures expected to top \$114.4 billion next year, remodeling is the wave of the future. And that wave is going to bring bigger bedrooms and bathrooms. The bedrooms will expand to include sitting rooms and large spaces for a television. The bathrooms will expand to include such amenities as raised tubs, his and her sinks, separate stall showers, and jacuzzis.

### Assessing Your Needs

Before you decide to transform your home into a palace, CPAs advise that you make a careful assessment of its current condition. It's wise to fix a leaky roof or drooping gutters before you embark on expensive remodeling jobs. While these repairs are usually not considered capital improvements and do not increase the cost basis of your home or decrease the taxable profits when you sell it, they may protect your investment and enhance the possibility of resale.

### Do You Really Need A Hot Tub?

Before you make personal choice home improvements, consider the architectural character of your neighborhood. You may think that tennis courts or a hot tub would be a marvelous addition

to your home. But would such additions be out of place with the other homes in your neighborhood? CPAs suggest that you keep resale in mind when you plan to make unconventional improvements. Regardless of the improvements made to your property, the resale price will rarely be more than 15 percent above the prevailing value of homes in your neighborhood.

If you are concerned about recovery costs on your investment, consider these figures: the return on investment for a sunroom or greenhouse is around 5 to 20 percent; for skylights only 0 to 30 percent. However, the return on investment for an additional room is around 70 to 90 percent; an additional bathroom 75 to 100 percent; and a deck 65 to 75 percent. You may buck conformity, but when it comes to remodeling, it's not a bad idea to go with the mainstream.

### Financing Options

Once you've decided on a particular home improvement, how are you going to pay for it?

There are several financing options to explore. CPAs suggest that you begin by shopping around at your local banks, savings institutions, or credit unions to see which interest rates are lowest. If you need more than \$10,000, you may want to take out a home equity loan. The home equity loan is similar to a second mortgage in that it provides access to 70 to 80 percent of the appraised value of your home, less any amount outstanding on your first mortgage. However, these loans may involve application fees and closing costs.

One hidden benefit in home equity loans is deductible interest. Keep this in mind when exploring your options.

### Finding The Right Contractor

If you are not the do-it-yourself type, or the remodeling job you have in mind is extensive, you'll want to hire a contractor. Choosing the right one can be tricky. The Better Business Bureau reports that "home improvements rank first in nationwide inquiries and fourth in complaints." Some common complaints about contractors are that they didn't finish the job on time, that they were

sloppy in their style, or that they demonstrated shoddy workmanship.

As in the case with financing, it's best to shop around for a good contractor. Use references to help you form an initial opinion of their work. If there were delays or times the contractor didn't show up, was the homeowner told in advance? Above all, ask the references about the contractor's attention to detail and commitment to finishing the job. And, by all means, ask to look at completed jobs to see if you like the work.

### Ground Rules

Here are some, but by no means all the guidelines to follow in selecting a good contractor. First of all, the contractor should be bonded and licensed to operate as a home improvement specialist in your area. He should provide a one-year guarantee or warranty for his work and materials. The contract must clearly specify the starting and ending dates and the schedule of payments. Of course, the contractor must be financially stable. Check with his suppliers as well as with the Better Business Bureau.

Your contractor should agree to obtain any necessary building permits, and must understand what types of construction will meet local building codes and zoning laws. In addition, he or she must be insured to cover property and bodily damage, and provide workers' compensation for all workers for the duration of the job. Finally, it should be agreed upon in writing that any alterations to the initial plan will be made only with the homeowner's written permission and that the contractor will be responsible for removing all debris from the site.

Be prepared for unforeseen problems. For example, late delivery of materials, over which a contractor has no control, can stall the completion date of the job. CPAs advise that you never pay a remodeler for the entire job until the entire job is done and inspected to your satisfaction.

### Home Sweet Home

By remodeling your present home, you can add many creature comforts and even a touch of luxury. To help plan the financial implications of your home improvement, you may want to contact your local CPA for guidance.

## Public Notice

STATE OF MICHIGAN  
PROBATE COURT  
COUNTY OF WASHTENAW  
CLAIMS NOTICE  
Independent Probate  
FILE NO. 93841-IE

Estate of Louise A. Huber, Deceased, Social security no. 365-20-8506.

TO ALL INTERESTED PERSONS:

Your interest in the estate may be barred or affected by the following: The decedent, whose last known address was 440 Russell Street, Saline, Michigan 48176 died May 5, 1990. An instrument dated Aug. 12, 1969 has been admitted as the will of the deceased.

Creditors of the deceased are notified that all claims against the estate will be forever barred unless presented to the independent personal representative, Lauren E. Huber, 520 West Main Street, Manchester, Michigan 48158, or to both the independent personal representative and the Washtenaw County Probate Court, Ann Arbor, Michigan 48107, within 4 months of the date of publication of this notice. Notice is further given that the estate will be thereafter assigned and distributed to the persons entitled to it.
