Manchester Tool & Die Breaks Ground

On Wednesday, August 1st, Manchester Tool & Die, Inc. broke ground for the expansion to its existing facility located in the Village at 110 Division St. The additional square footage will be used for the assembly of special machinery. A truck well will also be constructed at the north side of the addition. Willis Building Company of Saline was selected as the general contractor. Scheduled completion date is October 1st. Pictured (l-r): David Stoianowski (Willis Building Company), Ron Fielder, Pat Fielder, Clarence Fielder.

From Old Kentuck.

The Manchester Enterprise
November 2, 1899

Extract from a letter written
by Wallace S. Case to his parents
in this village.

Pineville, Ky.
Oct. 29, 1899

We left Clinton all right, changed cars at Lenawee Junction for Toledo, where we waited from 6 o'clock until 12. Took the C.H. & D., for Cincinnati and got there about 7 o'clock in the morning; met the others there and all took the train for Livingston. We got there about 3:00 and after waiting a few minutes took the train for Pineville, arriving here at 5 o'clock. We went through 24 tunnels after we left Cincinnati, and rocks, it seemed as though it was all rock. After we left Livingston the train seemed to be going up.

Pineville is on the Pine mountains. There are four mountains around Pineville, one on the east, one on the west, one on the north and one on the south. The mountains are the peaks of the Pine mountains as some call them. The highest is 1600 feet.

I saw all the holly I cared to see and stones seemed most plentiful

of anything. We went through places where we could look down on one side of the car and see a river and on the other side it would be a solid wall of rock as far as we could see. One of the mountains has been burning over for two or three days, but the rain last night put the fire out. It was a very pretty sight in the night. We were told that they all burn over every fall. The foliage of the trees is just beginning to turn and they are very beautiful. Some are green yet.

All the houses have waterworks and electric lights. The lights are a dollar each per month. Everybody rides horseback or muleback, and there are as many mules as horses. There are four grates in our house and all burn soft coal. Cannot get hard coal and wood is no account for we get the soft coal delivered at the house for \$1.50 a ton. After dinner we took a walk up one of the mountains, found a small clover on the top and a little corn on the side. Also found a lizard, common here. It was about the size of a frog, shaped like an alligator, with a toad's head.

The post office is open Sunday morning and evening and the passenger trains run on Sundays.

Village Council Report

Regular Meeting
August 6, 1990

- Approved the final development plan for additional lots, already platted, in Riverbend subdivision

- Approved an amendment to the Subdivision Ordinance which requires curb and gutter, and specifies a minimum road width, for new subdivisions

- Approved purchase of new traffic signs and new water meters and repair parts

- Prepared a list of questions, concerns and complaints for Clear Cablevision. A representative of Clear Cablevision is scheduled to speak to Council and answer questions at Council's regular meeting on Monday, August 20. The meeting begins at 7:00 p.m. in the Village Hall, 120 S. Clinton St. The public is invited to participate in this question-and-answer session with the Cablevision representative.

Operation Lifesaver

It is hard to imagine how a motorist could ignore or miss flashing red lights, ringing bells and a warning whistle of a train.

Last year, 268 Michigan motorists ignored or missed those warnings, proceeded across railroad tracks and collided with trains. Thirty-five drivers or their passengers were killed and 133 were injured. That's a 25 percent increase in deaths and almost 50 percent increase in injuries over the previous year.

State Transportation Director James Pitz said the MDOT is increasingly concerned.

"We have always supported the efforts of the Michigan Railroad Association to reduce car-train accidents," he said. "But we need to step up our efforts, especially in light of three car-train fatalities in the past few weeks."

Operation Lifesaver is a group of representatives from state and federal agencies and from railroad and transportation, education and police organizations. It combines the well-known four E's of highway safety - Engineering, Enforcement, and Education and Evaluation. "Trooper on the Train" is a special Operation Lifesaver program that focuses on the enforcement and education aspects.

Although Michigan has developed one of the most sophisticated railroad grade crossing programs in the country, too many motorists are ignoring the crossing signs and signals," says G.E. Carmichael, Federal Railroad Administrator.

Manchester Hosts English Girl Guides

Rachel Coleman from Halifax, England and Jenny Sahakian boarding the bus to Washington D.C.

Erika Panches and Jenny Sahakian hosted two Girl Guides from England as part of the American Adventure experience sponsored by the Huron Valley Girl Scout Council. Jenny and Erika were among the 47 American Scouts, 20 Canadian and 22 British Girl Guides who spend a week at Girl Scout Camp Linden, then returned for home visits and ended with a trip to Washington D.C.

During their week at Camp Linden, the girls visited the State Capitol in Lansing, the Michigan Historical Museum, Impressions V, Greenfield Village, and Boblo Island. During their stay in Manchester, the girls had a chance to sample American life with trips to the mall, a Tiger baseball game, miniature golf, the Jackson Cascades, and a swim in Lake Huron.

During their 3-day trip to Washington, D.C., the girls vis-

ited sights of the capitol, saw Congress in session, were part of the honor guard at the tomb of the unknown soldier at Arlington National Cemetery, visited the Smithsonian Institute, the National Zoo and Mount Vernon.

On Monday, August 6, the girls bid a sad farewell to their guests as they boarded the bus for another week with the Ontario Girl Guides knowing their American adventure was a real success.

Attention Manchester High School Girls

Junior varsity and varsity girls basketball practice for Manchester High School will begin on Monday, August 13, 1990.

Any girl interested in playing should report to the high school gym at 9:00 a.m. on Monday.

Annual Street Fair Saturday, August 11th

Historic Manchester will close downtown Main Street for its annual Street Fair and Sidewalk Sale, August 11 from 10:00 a.m. to 5:00 p.m.

The merchants on Main Street will be having sidewalk sales along with many store bargains. Manchester restaurants will be featuring food specials throughout the day.

There will be a Pancake Breakfast and an Antique Car Exhibit. Games will be available for the kids along with entertainment throughout the day. Blacksmiths can be seen at work in front of the Mill and weaving and spinning may be viewed in front of the Black Sheep Tavern. A Street Dance is scheduled from 8:30 to 12 midnight and a beer tent will be set up.

The Manchester Mill Run starts at 8:30 a.m.

Senior Citizens News

Somebody up there must have heard our plea for rain, thank you. Never satisfied, we humans—all sorts of outdoor things going on last Saturday and we heard complaints "Why does it have to rain on weekends?" Am secretly glad we weren't camping at MIS or taking a vacation at the lake or planning a family reunion at the park. These are the times we remember the most vividly, when it rained us out! How about all the sunny day events? Do we remember those? Anyhow, that one point three inches was appreciated, the grass looks like it didn't die after all. Now the senior men can putt without thinking they're in a hayfield on Thursdays.

history also available for viewing. Call Erma if you wish to go along on the bus.

We finally picked our first tomato on August 5 -- hasn't this been the most unusual summer? Maybe we will still be picking those tomatoes at Halloween time, suppose?

DIAL -A- GARDEN

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Thursday, August 9: Earwigs
Friday, August 10: Pruning shade trees

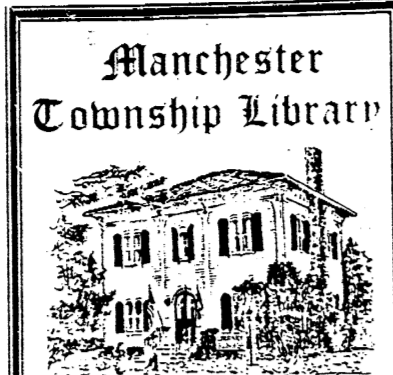

Monday, August 13: When are apples ripe?

Tuesday, August 14: Broadleaf weed control

Wednesday, August 15: Soil sampling

Federal Surplus Foods

Federal Surplus foods will be distributed on Friday, August 17, from 9:00 a.m. to 11:00 a.m. at the Manchester United Methodist Church, 501 Ann Arbor Street.

FREE VIDEO TO BORROW FROM LIBRARY

Endorsed by the National PTA. "Cartoon All-Stars to the Rescue" is as lively as Saturday morning programming, and it can also help kids to stay drug-free.

Nine-year-old Corey is very worried about her older brother, Michael. He is using drugs and he just stole her piggy bank to buy some more. Luckily, Corey has help. TV's most popular cartoon characters, including Winnie the Pooh, Bugs Bunny, Alf, the Teenage Mutant Ninja Turtles, and a host of other animated all-stars, leap into action to help free Corey's brother from the clutches of Smoke, a deceptive and corrupting character who's leading Michael down the road to a drug-abuse dead end. What follows is a roller coaster ride through the perils, pitfalls, and realities of drug abuse in which the cartoon all-stars prove there's a smarter way to go! It's an adventure guaranteed to entertain children of all ages as well as educate them about the dangers of alcohol and other drugs.

This video is closed-captioned and runs for thirty minutes. There is no charge to borrow it from the Manchester Township Library.

Games, Clowns, Balloons At Gazebo

Saturday, August 11, during the Manchester Street Fair, the children of the area will be entertained with clowns, games and balloons at the Gazebo from 10:00-1:00. The Manchester Recreation Task Force is sponsoring fun activities organized by Manchester High School students. It's the best bargain in town. Only 10 cents a game.

Penny scrambles, cupcake walks, and other games can be enjoyed by the young while parents browse Main Street.

Engagement Announced

HASELSCHWERDT-FRIEDEL

Mr. and Mrs. Duane R. Hasel-schwerdt of Manchester are pleased to announce the engagement of their daughter, Heidi Priscilla to Michael Louis Friedel, son of Mr. and Mrs. Roger Friedel of Ann Arbor.

Heidi is a graduate of Manchester High School. She is currently attending Eastern Michigan University, majoring in Elementary Education. Heidi is employed as a sales associate at T.J. Maxx in Ann Arbor.

Michael is a graduate of Pioneer High School. He is employed as an electrician at Tri-County Electric in Saline.

A September 8, 1990 wedding in Chelsea is planned.

Engagement Announced

KRZYZANIAK-JOHNSON

Mr. and Mrs. Richard Krzyzaniak and Ms. Georgia Johnson are proud to announce the engagement of their children, Louise Anne to Brian Troy.

Louise is a 1985 graduate of Manchester High School and a 1988 graduate of Bronson School of Nursing. She is a Registered Nurse at Bronson Trauma and Emergency Center at Bronson Hospital in Kalamazoo.

Brian is currently enrolled at Kellogg Community College and employed as a paramedic at Mall City Ambulance in Kalamazoo.

The bride-elect and her fiancé are also fire fighters for Texas Township Fire Department.

An October 20, 1990 wedding is being planned.

Board of Education

Special Meeting August 6, 1990

Unofficial Minutes

The special meeting was called to order at 7:50 p.m. by Pat Sahakian, president.

Members present: Sahakian, Gordon, Kluge, Gilbert, Turk, VanBogelen. Members absent: Gaughan

The Board accepted the resignation of Debra Okray, elementary special education teacher.

The Board appointed Randall Van Gasse to the position of Director of Student Services and Athletics at a salary of \$41,500. Action was taken to employ John Wilkins as a high school social studies teacher and varsity girls basketball coach. Superintendent Niedzwiecki informed the Board that girls basketball practice is scheduled to start Monday, August 13, 1990 at 9:00 a.m. in the high school gym.

The Board approved a resolution authorizing the Manchester Community Schools to enter into a lease agreement through the Municipal Bond Authority to underwrite the Department of Education "Classrooms of Tomorrow" computer grant of two computers.

The Superintendent was given authorization to seek bids for the financing of two 1990 72-passenger buses.

The Board scheduled three special meetings:

August 10, 1990-7:30 a.m. for personnel matters

August 20, 1990-7:15 p.m. closed session prior to regular meeting at 7:45 p.m.

September 12, 1990-8:00 p.m. to discuss District goals for 1990-91.

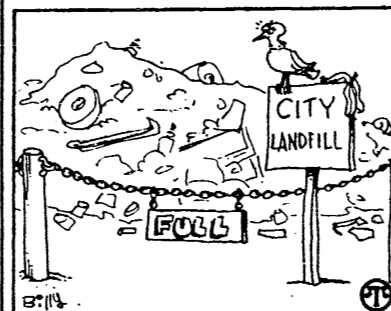

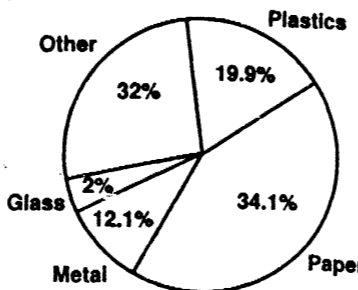

The Board entered into a work session to discuss Board goals for 1990-91.

The meeting was adjourned at 9:40 p.m.

FACTS & FALLACIES

No landfill ever closed because it was overweight. Landfills close because they are full.

Across the nation, communities are running out of landfill space to dispose of their garbage. Until recently, no one knew just what was taking up all that landfill space. But now, a scientific study has determined the relative volume of various materials in our nation's solid waste.

With a better understanding of what's in our garbage, we can start to find ways to reduce our reliance on landfills. According to the Council for Solid Waste Solutions, using source reduction, recycling and waste-to-energy incineration will help. For free information on this, write: The Council for Solid Waste Solutions, 1275 K Street, N.W., Suite 400, Washington, D.C. 20005.

Some of the results were surprising. For example, people previously thought plastics accounted for as much as 50% of solid waste volume! Now, says a Franklin Associates research team, we know that paper and paperboard actually make up the largest percentage of landfill volume: 34.1%. Yard wastes and other miscellaneous materials represent another 32%. Plastics account for another 19.9%, while metal represents 12.1% of the total waste volume.

Village Council Minutes

July 16, 1990

The regular meeting of the Manchester Village Council was called to order with the Pledge of Allegiance to the Flag by president Kallewaard at 7 p.m. Council members present: Kallewaard, Wallace, Brooks, Kwolek, Becktel, Cooper, Gordon and Tucker. Also present: James Hansen, Wendell Reinhart, Cynthia Conklin, Sybil Kolon, Tom Walton, Alaina Lewis, Deb Havens, David Limbaugh, Ron Fielder, Andy Supers, Patty Swaney, Carl Werner, Joseph Fitzgerald, Dorey Schaffer, Jack L. Ripstra, Pat Busch, and Bob Daverman.

APPROVAL OF AGENDA

Motion by Kwolek, support by Gordon, to approve the Agenda with the following deletions:

#7 Public Hearing - Manchester Plastics Industrial Facilities Exemption Request-request withdrawn

#8d Village Hall Maintenance Report

#8e Parks Commission Report

#9c Resolution setting special election

#9d Sanitary Sewer Extension Plan

#9e Gasoline Storage Plan

Minutes of the July 2, 1990 regular meeting were approved as corrected on a motion by Becktel, support by Wallace. Vote: Ayes - all.

CORRESPONDENCE

Nothing received

PUBLIC PARTICIPATION

Cynthia Conklin of Resource Recycling Systems, Inc., approached Council to discuss recycling and grant possibilities. Resource Recycling Systems' re-

cycling technical plan was discussed with Council. This proposal would serve as the basis for two grant applications to Michigan DNR. The Village and four townships would have to provide a 25% match of funds. Deadline for grant applications is October 1, 1990. Motion by Kallewaard, support by Becktel to approve participation in preparation of the two grant proposals based on this proposal from Resource Recycling Systems, contingent on getting participation from the four townships and making each participant portion a 1/5th equal share. Roll Call Vote: Ayes - all.

Deb Havens asked Council if they had any update on the chances for restructuring the site plan of the mobile home park so that the trees would not be lost. Kallewaard stated that sources she has contacted have not been able to point out anything that tells her there is justification for Council making private deals with the developer on the side which would have the effect of circumventing the due process of state zoning legislation. Kallewaard reiterated it would be great to save the trees, but zoning procedures are set out clearly in state statutes. Recommendation from the Planning Commission was to talk with developers, which Council did.

Deb Havens stated comments from citizens on a petition asking Council to reconsider position will be presented at the next Council meeting. Alaina Lewis asked if Council members have talked to concerned citizens about this project. Kallewaard responded that Council is always accessible and has received comments on this issue.

Manchester Tool & Die Site Plan: Ron Fielder was present to

answer any questions Council had on their site plan. He stated that review had gone well with Planning Commission and that they had recommended approval. Motion by Wallace, support by Brooks, to approve site plan for expansion and other improvements at Manchester Tool & Die. Vote: Ayes - all.

Union Construction Development Plan: Joseph Fitzgerald was present to discuss preliminary site plan with Council. Planning Commission had recommended approval of preliminary site plan. Motion by Kwolek, support by Wallace, to approve preliminary site plan from Union Construction with changes of sidewalk on one side of the street (opposite of utilities) and a \$500 allowance for generator. Vote: Ayes - all.

Sheriff's Report: Sgt. Werner was present to discuss Sheriff's Report for June, 1990, with Council. Motion by Becktel, support by Cooper to accept Sheriff's Report as present. Vote: Ayes - all.

Discussion was held on problems at Carr Park recently. Pat Busch thought that the park would be closed at dusk. Sgt. Werner informed him that he had tried to reach him to inform him of the change made by Council. Sgt. Werner to meet with Mr. Busch to address his concerns. It was decided that the west gate would be kept closed except for major events.

Sgt. Werner informed Council that this weekend the volleyball court would be worked on and the posts would be in by the 21st.

Jim Schook, from the Manchester Men's Club asked Council for permission to close the street as

in past years for a street dance on August 11, 1990. Motion by Becktel, support by Kwolek, to allow the Men's Club to close Adrian Street between Main and Ockrow on the evening of August 11, 1990. Vote: Ayes - all. Men's Club to work with Sheriff's Department on the requirements that have to be met.

Planning Commission: Chairman Daverman was present to answer any questions that Council had. Kwolek asked question concerning Planning's request to have a Council member present at Planning Commission meetings. Daverman felt it would help communications between Council and Planning. It was decided that Planning should request Council member attendance on specific issues and that the clerk will

forward a copy of unapproved Council minutes to the chairman. Council discussed curb and gutter recommendation from Planning for Riverbend (Union Construction) final site plan. It was decided not to require curb and gutter so that it is consistent with existing subdivision. Planning to draw up plan for planting trees in new subdivisions.

DPW Report: Kwolek reported on request from Gary Wiedmayer to get bids on roto-rooter to clear out pipe on Macomb St. and clean the tile. Estimate of \$300. It was felt that this would fulfill the Village's obligation and that any further problems would become the property owner's responsibility. Becktel stated a letter should go out to those property

Continued on next page

Village Council Minutes

owners explaining what the Village is going to do.

Kwolek also reported on purchasing signs for Wolverine St., east side, between M-52 and Vernon, requested by Sheriff's Department and DPW. Signs to read NO PARKING, NO STANDING.

Bid received for building at Treatment Plant from Manchester Construction in the amount of \$3,895 and a bid of \$475 for a concrete slab needed under the dumpster at the Treatment Plant. No decision was made. Tabled until next Council meeting.

Kwolek informed Council of rate increase article in the Ann Arbor News for Clear Cablevision. Clerk to ask representative to come to next Council meeting so that Council can relate their concerns. Kwolek also asked to get a copy of Federal regulations.

Trolz tree problem-Kwolek to explain to Mr. Trolz that it has been Village policy not to include trees inside sidewalk and that he will not be reimbursed. Kwolek asked for a final copy of Site Condominium Ordinance that had been passed. Daverman asked for copies for all Planning Commis-

sion members.

Kwolek also asked if letter had been sent to the property owners about the sewer hookups. Kallewaard stated she had not completed drafting letter yet.

Ordinance Committee: Nothing to report

Finance Report: Nothing to report

Solid Waste and Recycling: Discussion was held on proposed sign for recycling bins at Walco Foods. Committee to get permission from Walco and draw up proposed sign and put out for bids to have it professionally done. Cooper asked to have Camp Waterloo workers more attentive to bins and cleanup the site when non-recyclable materials are left there. Gordon to check into another bin for newspapers.

Clerk Report: Council reviewed other bid for computer for office. Motion by Brooks, support by Becktel, to accept proposal from Rick Taepke in the amount of \$3,745. Roll Call Vote: Ayes - all. Motion by Becktel, support by Kwolek, to adopt a resolution to

adopt a schedule of fees in Chapter 72 of the Village Code, adding a change to Transient Merchants-initial fee of \$100 plus \$25 per day, to be effective immediately. Vote: Ayes - all. Clerk to ask Municipal League for information from other cities on fees for licenses.

Kwolek asked clerk to write letter to Postmaster General about the circulars that are being left on mailboxes around the Village. Sgt. Werner to ask deputies to handle under litter law.

Motion by Kallewaard, support by Kwolek, to approve policy change, effective immediately, allowing employees to use dental, optical prescription coverage to cover non-insurance-covered expenses for professional counseling with a mental health professional who is a participating provider under Michigan Blue Cross. Vote: Ayes - all.

OLD BUSINESS

Sign Ordinance: Motion by Kallewaard, support by Gordon, to adopt Ordinance #184, New Sign Ordinance. Vote: Ayes - all.

Truck Ordinance: Motion by Becktel, support by Wallace, to adopt Ordinance #185, Motor Vehicle and Truck Regulations Ordinance. Vote: Ayes - all.

Clerk to send copy to Village attorneys, Sheriff's Department, Council and Planning.

NEW BUSINESS

Council to review memo from Planning Commission on amendments to Village Code for next meeting.

Kallewaard updated Council on progress being made at Black Sheep Tavern concerning the fire doors.

Council asked Sheriff's Department to check on unlicensed cars in yards.

Motion by Becktel, support by Wallace, to adjourn at 9:55 p.m. Vote: Ayes - all.

Karen Tucker
Village Clerk

UNAPPROVED MINUTES SPECIAL MEETING July 25, 1990

The special meeting of the Manchester Village Council was called to order by president Kallewaard at 9:40 a.m. Council members present: Kallewaard, Wallace, Becktel, Kwolek and Tucker. Absent: Gordon, Brooks and Cooper.

Kallewaard explained the purpose of the special meeting was to pass a resolution setting the special election for September 10, 1990. Notice of the special meeting had been posted by the clerk within the proper time limit according to the Open Meetings Act.

The following resolution was offered by Kallewaard, supported by Kwolek:

Be It Resolved by the Village Council of the Village of Manchester, Washtenaw County, Michigan, as follows:

1. A special election is hereby called to be held in the Village of Manchester, on Monday, the 10th day of September, 1990, for the purpose of submitting the following proposition to the electors of the village, to-wit:

STORM AND SANITARY SEWER SYSTEMS SEPARATION BONDING PROPOSITION

Shall the Village of Manchester, Washtenaw County, Michigan borrow the sum of not to exceed One Million One Hundred Thousand Dollars (\$1,100,000) and issue its general obligation bonds therefor in one or more series for the purpose of defraying the cost of completion of Phase III of the program to separate the storm and sanitary sewer systems of the Village?

The funds to pay for this will

come from the State Revolving Loan Fund. Roll Call Vote: Kallewaard - aye, Becktel - aye, Kwolek-aye, Wallace-aye. Resolution unanimously adopted.

Having no further business, president Kallewaard declared the special meeting adjourned at 9:43 a.m.

Karen Tucker
Village Clerk

Drowning Prevention

Checklist

The National Spa & Pool Institute (NSPI) offers parents and pool and spa owners the following checklist to help prevent child drownings:

Supervision: Never take your eyes off your child when he or she is in or near a swimming pool, hot tub or spa, even for a second. Don't allow barriers, such as fences or walls, to give you a false sense of security. Keep toys, tricycles and other playthings out of the water and away from the pool or spa. Don't rely on inflatable devices to keep your child afloat or believe your child to be "drown proof" because he or she has had swimming lessons.

Barriers: Make sure your pool or spa has effective barriers—such as a fence/wall/latched doors/cover/alarm—that guard against unsupervised access. Make sure doors, windows and gates leading to the pool area are kept closed and are equipped with exit alarms or self-closing devices. Latches should be out of the reach of young children. Always drain standing water off of the pool or spa cover.

Emergency Procedures: Learn how to administer lifesaving techniques to children, including cardiopulmonary resuscitation (CPR). Install a phone or keep a cordless phone in the pool or spa area. Know how to contact local emergency medical services. Post the numbers in an easy-to-see place.

Knul Invited To Nike Camp

Michigan preps, showing their stuff at the Nike basketball camp, say playing there is like playing under a microscope.

Every jump-shooting, pump-faking, drop-stepping movement by 120 of the nation's premier high school players is scanned by many of the country's top collegiate coaches.

Six of Michigan's best preps, including Stefan Knul of Manchester, were invited to this year's Nike Academic Betterment and Career Development Basketball Camp.

Some claim the relentless scrutiny didn't faze them, while others admitted their anxiety.

"I just want to get a scholarship to take the pressure off my parents," says Stefan Knul, a 6-foot-11 center. "Turning all these coaches' heads would be hard, but I just hope I can turn some. I'm pretty sure I'll get a full-ride, but I'm not going to lay back and think I've already got it," he says.

Knul was asked to fill in at the camp for another player who declined an invitation, and was playing before more of the nation's top coaches than the number of fans that usually show up for Manchester's games.

"It kind of gives you butterflies in the beginning," he said. "I mean, only 50 people come to our high school games."

"You're always worried who's watching you. You make a mistake and you look around and everybody's looking at you and you're thinking, 'Oh my God, what did I just do?'"

"It took me a whole game to figure out you just have to put it out of your mind."

Don't Drink And Dive

Don't drink and dive: That's the message from the National Spa & Pool Institute (NSPI), which reports that half of all serious recreational diving injuries happen when the diver has been drinking.

The probability of an injury or accident increases with each and every ounce of alcohol consumed.

Studies indicate that 500 to 700 recreational swimmers could suffer serious injuries this year from diving accidents. Diving accidents account for one of every ten serious spinal cord injuries in the U.S. Over 90 percent of these serious accidents result in quadriplegia, or paralysis below the neck.

"Diving requires clear thinking before and during the dive," says Chuck Whitmer, president of NSPI. "Alcohol affects the part of the brain which exercises control and restraint, posing a potential hazard to a swimmer or diver. Drinking may instill a sense of bravado in some people, leading them to do things they normally would not do."

A dive requires coordinating body movements, judging distance and depth, scanning for obstacles, monitoring speed and direction and making mental or physical adjustments accordingly. Sharp skills and a keen awareness are necessary when diving, and even small amounts of alcohol impair those skills.

As part of "Operation Water Watch," a national pool safety education program, NSPI offers a free brochure on recreational diving safety, "Knowing How To Dive." For a copy, write: NSPI, 2111 Eisenhower Ave., Alexandria, VA 22314, or call 1-800-234-SAFE.

No purchase necessary. Void where prohibited. Entries must be received by October 5, 1990. See the display at your local Great Lakes Bancorp branch office for sweepstakes details, or send a self-addressed, stamped envelope to Knock-Knock Beep-Beep Splish-Splash Centennial Sweepstakes, One Great Lakes Plaza, Ann Arbor, MI 48107.

Help Needed for Nation's Wildlife Refuges

Our country has more than 450 National Wildlife Refuges, some in virtually every state. They are the only national lands set aside primarily as safe homes for wildlife, including many endangered and

threatened species like the grizzly bear, bald eagle, red wolf, Florida panther, whooping crane and the tiny Key deer. Yet over half the refuges today cannot ensure safe havens for wildlife. Limited water supplies, pollution, over-development, and overuse for human recreation are continuing problems at refuges, according to a study commissioned by Congress. To help you find your nearest refuge and learn how you can help refuges become safer for all wildlife, an informative new kit on the nation's National Wildlife Refuges is available free by writing to Defenders of Wildlife, 1244 Nineteenth St., N.W., Dept. NAPS, Washington D. C. 20036. Telephone (202) 659-9510. For more information, ask Defenders to include a four-page summary from the government report.

Happy 40th Birthday Saturday, August 11th Michael Miner
Now you're over the hill
Love, Elsie, Dan & Jason

Attention Freedom Township Residents
Freedom Township is presently involved in the reappraisal of the Township. The Township has contracted Washtenaw County for this project. The purpose of this letter is to notify you that a representative from the County will be contacting you in person, between the hours of 9:00 AM to 8:00 PM Monday thru Saturday, Starting July 16, 1990. If you'd like to make an appointment please contact Washtenaw County Equalization at 484-6678 or your township assessor, Mr. Robert Little, at 428-8585 or 769-9419. Your cooperation would be appreciated.

Thank you,
Robert Little
Freedom Township Supervisor

P.S. If you have any questions call Mr. Robert Little at the above phone numbers.

newsworthy trends

More Shoppers Choosing Environmentally Friendly Products

GLASS Glass containers are 100 percent recyclable—they never have to reach a landfill. At least 30 percent of the glass on store shelves is recycled glass.	
ALUMINUM Aluminum can also be endlessly recycled; using recycled instead of raw materials saves 95 percent of the energy needed to produce new cans.	
PAPER As paper is recycled, its quality degrades slightly, and eventually, the paper may end up in a landfill. But one ton of recycled paper saves 17 trees.	
PLASTICS Recycling plastic gives it an extra "life," turning a milk jug into a paint brush handle or park bench. But even recycled plastic may end up in a landfill.	

Americans are becoming more environmentally aware, and to help them in their efforts to "save the Earth," the National Consumers League is offering a free guide on shopping for the environment. The guide includes several tips such as:

- Choose recycled or "recyclable" packaging such as glass, aluminum or paper.
- Look for recycling logos.
- Avoid plastic packaging, but if you have to buy it, choose refillable containers.
- Buy cardboard egg cartons—not polystyrene.

Cards of Thanks

The Manchester Parks Commission would like to thank the Mens' Club for the excellent job they did installing electrical hook-ups to the NW pavillion at Carr Park. We would also like to thank Mr. and Mrs. Robert Armentrout for donating the bushes under the Carr Park sign, and a big thank you to Todd Armentrout for planting the bushes, trimming the trees on Main St., and for his help in planting the ajuga and sedum at their base.

I want to thank all of my family and friends who have been so thoughtful in giving me flowers and cards, and helping my family with our menu. And especially a big thank you to all my wonderful friends at the coffeeshop who have helped me through this. I love you all.

Liz Beuerle

The Kool Cruisers Car Club would like to thank Midwest Ford for making our 1st Annual Car Show a big success. Also thanks to all the people that brought cars to show.

Civil War Recruitment

Michigan wants you...to come back to the Civil War Recruiting Encampment! Witness an encampment of Michigan civilian soldiers Saturday and Sunday, August 11 and 12, at the Walker Tavern Historic Complex in Cambridge State Park.

Visitors are invited to watch the 17th Michigan Volunteer Infantry recruit soldiers as in 1861 when they prepared for our nation's war between the North and the South, from 10:00 a.m. to 5:00 p.m. each day.

At 10:00 a.m., the Walker Tavern Complex, including the encampment, will be open for visitors to explore. Throughout each afternoon, military personnel

will demonstrate militia drills, marching, bayonet/skirmish drills, a recruitment scenario and retiring of the colors.

In between the military's scheduled activities, the civilian group will conduct themselves in a manner of everyday camp life during the Civil War. They will serve as costumed interpreters from who inquisitive visitors can learn more about the hardships and daily activities of camp life as sons, brothers, fathers and husbands went off to war.

Visitors are encouraged to browse around the camp, visit the sewing table, and even take home a memento of the encampment. Visitors to the encampment are

also invited to venture throughout the Walker Tavern Historic Complex to learn more about Michigan's "best west of Detroit."

The Walker Tavern Historic complex is open 10:00 a.m. to 5:00 p.m. daily, June through Labor Day. Located in the Cambridge State Park, at the junction of US-12 and M-50, admission to the encampment is free. However, a state park daily or annual pass is required to enter the park.

Camping Tips For Handling Food

A camping trip can be a memorable experience and one of great enjoyment. But don't let unsafe handling of food spoil your trip.

Here are some tips for a camping experience free of food poisoning:

1. Never exceed your food storage capacity.
2. Make more trips to the grocery store and use perishable foods.
3. Keep cold foods cold and hot foods hot.
4. Cook food thoroughly when

camping.

5. Keep your hands, utensils and preparation area very clean.
6. Never thaw frozen foods or the counter.
7. Ice down fresh caught fish immediately.
8. Cook all fish within 24 hours.
9. Divide large bowls of starchy foods into smaller portions before refrigeration.
10. Inspect all canned goods carefully before using. Throw away any canned goods that have loose lids, are swollen, or smell bad.
