THURSDAY, SEPTEMBER 6, 1990

Bond Proposal Vote Monday, September 10th

On Monday, September 10, 1990, registered voters of the Village of Manchester will have the opportunity of voting on the following proposal:

"Shall the Village of Manchester, Washtenaw County, Michigan, borrow the sum of not to exceed One Million One Hundred Thousand (\$1,100,000) and issue its general obligation bonds therefor in one or more series for the purpose of defraying the cost of completion of Phase III of the program to separate the storm and sanitary sewer systems of the Village?"

WHERE AND WHEN TO VOTE

The Village Hall, 120 South Clinton Street, will be open for voting from 7:00 a.m. until 8:00 p.m.

PURPOSE OF THE BOND ISSUE

The Village has submitted an application to the State Revolving Loan Fund asking to borrow enough money to do all of Phase III sewer separation in the spring and summer of 1991. The Department of Natural Resources has given Manchester a high rating on the priority list for

SRLF loans and advised the Village that they expect to offer the loan to the Village for a term of 20 years at an annual interest rate of 2%.

The loan is technically treated as a bond, in which the State provides the cash and the Village uses a special millage to make the payments.

PURPOSE OF SEWER SEPARATION

Combined sewers, in which sanitary sewage and stormwater both flow through the same pipes, are the cause of many problems. The Federal Environmental Protection Agency, and the Michigan Department of Natural Resources, are pressing to have combined sewers separated in municipalities all across the country.

In a combined system, sewer pipes can quickly become totally filled in heavy rainstorms or during rains of long duration. When this happens, mixed sewage and stormwater is forced back up collector pipes and sometimes back up into homes. In a combined system, the only means provided of avoiding these backups is a series of overflow outlets, which relieve the flow through the pipes by letting mixed sewage and

stormwater go somewhere else. In Manchester, this overflow goes into the River Raisin.

Even in good weather, a combined sewer system can be the source of problems. The sewer grates which allow stormwater to run down into the sewer, also allow the odor of sanitary sewage to rise up into the air.

FREQUENCY OF COMBINED SEWER OVERFLOWS

Beginning in 1990, the Department of Natural Resources and the Washtenaw County Health Department have required the Village to record instances of combined sewer overflow, and to report them. Through August 31st, there have been 14 times when combined sewage and stormwater were released into the river.

SCOPE OF THE PHASE III PROJECT

The Phase III construction project will completely finish separating storm sewers and sanitary sewers in the Village. The six remaining overflow outlets will be eliminated from the system. In some areas, the existing pipe in the ground will be used for stormwater and a new sanitary sewer will be created. In other areas, the existing pipe in the ground will be used for sanitary sewage and a new storm sewer will be created.

The bond proceeds can only be used for the Phase III separation project.

The general outline of the Phase III project is available for review at the Village Hall during regular business hours. The complete engineering drawings are not yet finished.

ESTIMATED COST OF THE PHASE III PROJECT

The exact cost of the project will not be known until the complete engineering drawings are done, the project has been advertised for competitive bids, the bids have been received, and a contract has been awarded. The estimated cost of the project is \$900,000. The ballot question asks authorization of up to \$1,100,000—just in case the \$900,000 is too low. Only the necessary amount will be borrowed, no extra.

ESTIMATED COST TO TAXPAYERS

If the amount needed is \$900,000, as estimated, the cost to taxpayers is estimated at 1.64 mills of property tax. This would be subject to any property tax

Replies Made to Examination Questions in a Boston School

Since wit has been defined by Noah Webster as the "felicitious association of objects not usually connected, so as to produce a pleasant surprise," may not the pupils of some of our public schools, who gave the following answers to their examination questions, lay claim to it? The record as here given is bonafide, having been read during the last week of graduation exercises of one of the leading grammar schools in this city.

Q. Who were the Pilgrims? A. A dirty, filthy set who lived under the ground.

Q. Name a domestic animal useful for clothing, and describe its habits. A. The ox. He don't have any habits because he lives in a stable.

Q. If you were traveling across a desert where would you choose to rest? A. I would rest on a stool.

Q. Mention five races of men. A. Men, women, children and babies.

Q. Of what is the surface of the earth composed? A. Dirt and people.

Q. Name a fruit that has seeds on the outside. A. A seedcake.

Q. Name five forms of water. A. Hot water, cold water, faucet water, well water and ice water.

Q. Name and locate the five senses. A. The eyes are in the northern part of the face and the mouth in the southern.

Q. Where were the mound builders? History cannot answer these questions. Science only can.

Q. Define flinch, and use it in a sentence. A. Flinch, to shrink. Flannel finches when it is washed.

Q. By what is the earth surrounded and by what is it lighted? A. It is surrounded by water and lighted by gas and electricity.

Q. Name six animals of the Arctic zone. A. Three polar bears and three seals.

Q. What is yeast? A. Yeast is a vegetable flying about in the air, hitching itself to anything.

Q. Why do you open the dampers in a stove when lighting a fire? A. To let the oxygen in and nitrogen out.

Q. What did the constitution do for the country? A. It gave the president a head.

Q. What are the last teeth that come to a man? A. False teeth.

Substance Abuse Awareness Committee

The Substance Abuse Awareness Committee meeting will be September 10, 7:30 at the Community Resource Center office, 122 W. Main St. (downstairs).

The Manchester school system is taking positive steps in the areas of education and prevention programs related to alcohol and other drug abuse. Successful substance abuse programs must involve the cooperation of the entire community.

Area residents are encouraged to become part of a group that is committed to promote the health and safety of the community.

For further information, please contact the CRC 428-7722.

NHS Begins Fall Selection Of Membership

The National Honor Society (NHS) of Manchester High School is currently selecting candidates for the Manchester Chapter of NHS. Membership in local chapters is an honor bestowed upon a student. Selection for membership is by a faculty council and is based on outstanding scholarship, character, leadership, and service. Once selected, members have the responsibility to continue to demonstrate these qualities.

Greetings From Japan

Akiyo Yasuta of Ikeda, Japan with Judy Gourley & daughter Lindsey, present a letter of greetings to Village President Mary Kallewaard.

Akiyo Yasuta of Ikeda, Japan presented a letter of greetings from the mayor of Ikeda to Manchester Village president Mary Kallewaard while Akiyo visited the Manchester Village Hall with her American host family.

Akiyo lived with the family of Roy and Judy Gourley and daughters Lindsey and Chris, of Gieske Road, Manchester, for a month as part of a cultural

exchange program coordinated by the Washtenaw County 4-H and the Labo International Center of Japan. Akiyo was one of 75 young people who came to Michigan as part of Labo's exchange program. During her stay, she visited Canada, Detroit and many other Michigan sites, as well as the 4-H Fair in which Lindsey was an exhibitor. Labo is a youth organization which encourages development of English language abilities among Japanese children.

MARCC Meeting Scheduled

The Manchester Area Resource Conservation Coalition (MARCC) has scheduled the next meeting for Tuesday, September 11. It will be held at 7:30 p.m. at the Blacksmith Shop, 324 East Main Street.

The group is organized to accomplish something tangible every time. That means the monthly meeting will not consist of lecture sessions from officers or committees. Meetings will be working sessions in small groups. At the Tuesday meeting, some MARCC participants will compare a model river protection law from the DNR to our local laws which are already "on the books." Then we will brainstorm ways to get this model to township and village governments for adoption. Other small groups will work on a newsletter, recycling, etc., as interest dictates.

If you can't make it, but would like to contribute an idea or some helpful information, call Sybil Kolon 428-8108, or Deb Havens 428-8586. Our goal is to control change before change controls us.

Arthritis Support Group

The September meeting of the Arthritis Support Group will be held on Monday, September 10, 1990, from 7:00 to 9:00 p.m. The meeting will be held at the Catherine McAuley Education Center, Classroom 4.

Dr. Armin Good will speak on "Back Pain and Arthritis." Brochures from the Arthritis Foundation will be available at the meeting.

New members are welcome, along with their family or friends. There is no charge. Contact Mary Deola at 677-3014 for more information.

DIAL - A - GARDEN

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Monday, September 10: Tulip Varieties
Tuesday, September 11: Daffodils and Hyacinths
Wednesday, September 12: Little bulbs pack a big punch!

Obituary

Lewis I. Goebel Spring Hill, Florida

Lewis I. Goebel was born May 1, 1927 in Point Pleasant, West Virginia and died Tuesday, August 28, 1990 at home of cancer. He was 63 years old.

He grew up in Akron, Ohio, spent 3 years in the Army, then moved to St. Petersburg, Florida. He was a machinist by trade. He owned two pet stores in St. Petersburg, Florida, then moved to Dunnellon where he lived 12 years. He has lived in Spring Hill, Florida for the past 9 years.

On June 19, 1982 he married Laura. Surviving him are his wife, Laura, formerly of Manchester, Michigan; mother, Nettie Goebel now of Akron, Ohio; 3 sons, Lewis Goebel of Seattle, Washington, Robert Goebel of Ft. Meyers, Florida, and James Goebel of St. Petersburg, Florida; 1 daughter, Debora Goebel of St. Petersburg, Florida; 4 step-daughters, Mrs. Louis (Tamara) Cox of Manchester, Michigan, Mrs. Tab (Tina) Withrow of Manchester, Terri Swartout of Spring Hill, Florida, and Donna Mitchell of Seattle, Washington; 8 grandsons and 1 granddaughter; 1 brother, Paul Goebel of Ocala, Florida; 3 sisters, Mrs. Edward (Geraldine) Kozar of Eau Claire, Wisconsin, Pauline Michaels of Akron, Ohio, Mrs. Earl (Faith) Swain of Tallmadge, Ohio. His father, Paul Goebel, Sr., preceded him in death.

Viewing was Thursday, August 30, and funeral services were held Friday, August 31, 1990 at the Roberts Funeral Home in Dunnellon, Florida. He was laid to rest at the Dunnellon Memorial Gardens, Dunnellon, Florida.

Senior Citizens News

Summer is winding down. Fruits and vegetables have gone into jars and the balance will somehow get used. (We can give some to neighbors who don't garden.) Labor Day was so nice, but how did it get here so quickly? I guess most folks stay around home and labor on Labor Day, but it makes you wonder at the amount of traffic. Those folks with trailers have been some place. Maybe they were laboring while having fun, some of us have just got to be doing something! And who ever said that you don't have to labor on Labor Day?

Anyway, we are lucky to have Jan back laboring for us. The August-September birthdays will be celebrated on Thursday, September 6 at 12 noon at Emanuel's dining room. Won't you join us? Bingo will be played at the Center, too.

Friday, September 7: The bus will leave the Center for Gregory and a shopping trip at the mall which was formerly Coles Elevator. Departure time will be 9:30 a.m. Call Erma Alber at 428-8707 to go along.

Tuesday, September 11: Senior Citizens Council meeting begins at 9:30. And here we are again with fish on the menu. We love it and 'nuff said (we don't know as yet what kind she will serve). At

12:30, candidate for State Representative Jim Douglas will be present.

Wednesday, September 12: Bus pickup begins at 10:00 for a trip to the Saline Hospital for their program. This is the monthly visit to our Manchester friends who reside in the Home also. Come along by calling Erma first and enjoy hearing all the news about what is going on in our town. Don't know how they do it, but it is a treat to listen.

Thursday, September 13: The kitchen crew plan to serve sweet and sour meat balls. Now, honestly, would you prepare this yummy dish for yourself? The price is right, let's enjoy ourselves.

Recreation Task Force

The Manchester Recreation Task Force will hold its monthly meeting September 5 at 9:00 a.m. in the K of C Hall.

Last meeting was full of information and plans for the future. Don't miss this one. This month's meeting will cover the road rally, and also times and place for our fall meetings.

Volunteers to help with the programs are always welcome. For information, contact the Community Resource Center at 428-7722.

Bond Proposal Vote

credits that taxpayers are currently eligible for. If the amount needed for the project goes up to the limit of \$1,100,000, the cost to taxpayers is estimated at 2 mills.

OTHER MEANS OF PAYING FOR THE PHASE III PROJECT

If the bond issue for the project is not approved, the project could be paid for by increasing sewer user fees. If the amount needed is \$900,000, as estimated, the cost to sewer users would be approximately \$7.30 more per month. If the amount needed goes up to the limit of \$1,100,000, the cost is estimated at \$8.92 more per month.

Phase III would be paid for by tax millage or sewer charges - not both.

HISTORY OF PHASES I, II AND III

Phase I was done in 1987. Phase II was done in 1988. Phase III was announced in March, 1990 and a public hearing was held on Phase III in April, 1990. Construction of Phase III is planned for spring and summer of 1991.

WHAT IF PHASE III IS NOT BUILT?

If the Village ignored the combined sewer overflow problem and did no more separation in 1991, possible sanctions from the MDNR might include:

- A complete moratorium on any new construction
- Relief from such a moratorium only on a basis of reducing 10 to 20 gallons of combined flow for every 1 gallon of sanitary flow to be added through new construction
- An order to install automatic monitoring equipment on the 6 overflow outlets
- Cash fines for every gallon of combined overflow that goes into the river
- Denial of renewal of the discharge permit for the Village wastewater treatment plant, thus putting the treatment plant out of business

These sanctions are not law at this time, but they all have been proposed in the State legislature or the MDNR within the past year.

The Village could do nothing and "take a chance"...but your elected representatives believe that sewer separation should be completed in 1991 for the following reasons:

- The old Federal sewer construction grant program has been discontinued; there is no "free" money in sight today
- The new State Revolving Loan Fund was created to help fill the gap between a grant and the high cost of borrowing money on the open market
- A loan at 2% is almost unheard of, and won't be available to the Village for very long
- If construction is put off, construction costs will probably increase
- The River Raisin is an important resource to the Village, and pollution by combined sewer overflows should be eliminated as soon as possible.

IF YOU HAVE MORE QUESTIONS

These are your elected representatives:
Mary Kallewaard, Pres., 428-7882
Larry Becketl, Pres., Pro-Tem 428-8006
Chris Brooks, Trustee, 428-8695
Jane Cooper, Trustee 428-7257
Mike Gordon, Trustee 428-9412
Bill Kwolek, Trustee 428-7874
Jeff Wallace, Trustee 428-9515

A POSTSCRIPT REGARDING THE OVERALL VILLAGE TAX RATE

Earlier this year, the Village Council cut 2.26 mills from the Village tax rate for general operations, street, parks, etc. The Phase III project would add 1.84 mills of this back on (or 2.00 mills in the "worst-case scenario"), but this would still amount to an overall reduction in millage.

Friends Of The Library

Several Manchester area residents are reviving the Friends of the Manchester Township Library. As with the previous organization, the new Friends are trying to find ways to help the library provide more services to the community.

If you previously supported the Friends, or are interested in supporting their efforts, please call the Manchester Township Library. Even if you find you are unable to offer much help at this time, the Friends would like to establish a current list of those who would just like to be informed of upcoming events, so please call 428-8045.

Currently, the Friends are in the process of organizing a fall fundraiser and would appreciate any help anyone in the community would like to give. The next planning meeting will be Monday, September 10, at 7:00 p.m. in the library.

Teachers Grade Computers

Computers may be able to take a big "byte" out of the national dropout and illiteracy rates, say our nation's teachers, by helping students find new ways to "key in" to success.

Nearly two-thirds of the 1,100 teachers polled in a nationwide phone survey believe computers can help reduce dropout rates by stimulating students most at risk of dropping out. Official estimates place the dropout rate between 27 and 33 percent. Other findings of the survey include:

- Eighty-two percent of teachers polled said use of computer-based writing and reading programs in the early grades could help improve student literacy skills.

- Eighty-five percent said computers help students learn more and allow for more individualized instruction.

- Eighty-six percent said computers can help unlock students' creativity and (87 percent) make them more self-confident.

- Three-quarters said students who are not computer literate will not be adequately prepared for college.

- Seven out of ten said computer programs incorporating sophisticated multimedia such as audio and video discs help reach students with important messages about drug and alcohol abuse, sexuality and other life-style issues.

- Eight-eight percent called for some form of government funding to expand the use of computers in the classroom so students from different financial backgrounds would have equal access to quality education.

FREEDOM TOWNSHIP Ordinance No. 20

AN ORDINANCE TO PROVIDE FOR THE REGULATION, CONTROL AND PROHIBITION OF LITTERING OF OR ON PROPERTY OR WATERS OF AND IN FREEDOM TOWNSHIP, AND TO PROVIDE PENALTIES FOR VIOLATION THEREOF.

This ordinance shall take effect 30 days after publication.

The full and complete ordinance may be inspected or obtained at the Freedom Township Clerk's office, 13785 Pleasant Lake Road.

Proposed Synopsis
August 14, 1990

The meeting was called to order with all Board members present. Minutes and Treasurer's Report were approved with \$52,008.08 in the General Fund and \$4.10 in the Liquor Fund.

Various communications were read and discussed including fire runs, the Sheriff's report, thank you for use of the townhall for Migrant Health Fair and information from the Village concerning recycling efforts. The Planning Commission reported final site plan approval for the Total Pipeline Tank Farm with the exception of landscape plans.

Under old business, maintenance items, trailer permits, building permits and the Ellsworth road gravel pit were discussed. New business included adoption of Ordinance #20, Littering and approval of a resolution that 1.1 acres and a second house be excluded from property enrolled by L. Koenigter in P.A. 116.

Bills #2831 through 2855 were approved for payment. Meeting adjourned 9:45 p.m.

Submitted by Julie A. Schaible, Clerk
Approved by Robert Little, Supervisor

What Do You Want In Child Care?

What do Americans want in child care? The results of a nationwide poll show that among those households with children aged six or under, 75 percent of parents would "like to have" a relative care for their children. Only 13 percent opt for day care, and 12 percent a neighbor, babysitter or other non-relative.

The national survey found that over 95 percent of parents believe care at home would serve the child's best interests and provide parents peace of mind. However, only 51 percent say having a relative care for the child is a realistic option.

According to the survey, 85 percent of adults say the federal government should establish minimum regulatory standards necessary to ensure child care of an acceptable quality. In addition, 85 percent believe the federal government should give states financial incentives to meet minimum child-care standards. Some 89 percent of those surveyed think employers should be encouraged to adopt flex-time and part-time work schedules with real benefits protected and job sharing among parents.

Wedding Bells Ring

SLOAT-RIDENOUR

Lisa Diane Sloat and Charles Patrick Ridenour were married July 28, 1990 in St. Mary's Catholic Church in Chelsea. Deacon Richard Shaneyfelt performed the ceremony uniting the daughter of James and Diana Sloat and the son of Charles and Kay Ridenour, all of Manchester.

Maid of honor was Shannon Sloat of Manchester, sister of the bride. Best man was Douglas Ridenour of Manchester, brother of the groom.

Other attendants were Leslie and Marci Sloat, sisters of the bride, Jodi Macomber, cousin of the bride, all from Manchester, Paula Nash, friend of the bride from Sand Creek, and Stacey Will, friend of the bride from Ypsilanti.

Flower girls were Ashley Sloat, niece of the bride from Manchester, and Kyle Yenkel, cousin of the bride from Dexter.

Groomsmen were John Coburn from Kentucky, Bob Coburn from Virginia, cousins of the groom, and Joel Bruestle, friend of the groom from Ypsilanti. Ushers were Jamie Sloat, brother of the bride, and Jason Sloat, cousin of the bride, both from Manchester.

A reception followed the wedding ceremony at the Knights of Columbus Hall in Dexter. The couple are residing in Manchester.

Village Council Minutes

UNAPPROVED MINUTES
August 20, 1990

The regular meeting of the Manchester Village Council was called to order with the Pledge of Allegiance to the Flag by President Kallewaard at 7:00 p.m. Council members present: Kallewaard, Wallace, Brooks, Kwolek, Becketl, Cooper, Gordon and Tucker. Also present: Carl Werner, Elvin Johnson, Lyle Matteson, William Anhot, Gretchen Waters, Mark McKennon, Ted Tapping, Sharon Zimmerman, Deb Havens, Janet LaBeau Shurtliff, Robert L. Huber, Diane Schwab.

The minutes of the August 6, 1990 regular meeting were approved as corrected on a motion by Becketl, support by Wallace. Vote: Ayes - all.

APPROVAL OF AGENDA
Motion by Becketl, support by Brooks, to approve Agenda as presented. Vote: Ayes - all.

CORRESPONDENCE
Clerk informed Council of Certificate of Appreciation from the American Legion Auxiliary, presented to Manchester Village Hall for flying the Flag of the United States of America. Council asked clerk to send thank you.

PUBLIC PARTICIPATION
Gretchen Waters approached Council with a presentation and slide show on Washtenaw Dev-

elopment Council. Membership was discussed. No action was taken by Council.

Sharon Zimmerman was presented to answer Council's questions concerning cable service in Manchester. Comments and questions from residents were heard. A program survey and test points to check reception problems were agreed upon by cable representative Zimmerman. Ms. Zimmerman said she would come back in 6 weeks with the results of the survey and test points.

COMMITTEE REPORTS
FINANCE COMMITTEE
Nothing to report.

SOLID WASTE & RECYCLING
Gordon asked if there had been any word from the other townships concerning recycling grant. Kallewaard informed Council that she had not heard anything yet.

SHERIFF'S REPORT
Motion by Becketl, support by Brooks, to accept the Sheriff's Report as presented. Vote: Ayes - all.

Sgt. Werner discussed continuing problems at Carr Park. Decision was made to again close the park at dusk except for special events.

Sgt. Werner also reported on noise complaint concerning Manchester Plastics on Friday, August 3, 1990. Clerk to send copy of Ordinance #154 to Lakeshore

Warehouse so that they are informed of Village code concerning noise. Sgt. also reported to Council on training in process on motor carrier enforcement.

Also reported on incident in the Village involving a pipe bomb. Sgt. Werner informed Council that he is writing letter to the editors of both papers on the subject. Discussion was held on noise enforcement complaint in other areas.

PLANNING COMMISSION REPORT

Clerk reported to Council that Mr. Monohon of Manchester Manor Mobile Home Park had been informed that preliminary site plan had expired. Application for combined site plan had been sent to him. Cooper asked if this would allow change to be made concerning trees. Kallewaard stated it would only allow that if site plan review were only a whim. Site plan review is a much more objective than subjective process. There are ordinances concerning woodland protection. Cooper felt it was something to be worked on with Planning Commission. Additional examples of other ordinances have been requested. Cooper will have a rough draft ready for next meeting.

VILLAGE HALL MAINTENANCE
Wallace informed Council on need to fix upstairs windows.

OLD BUSINESS
Resolution to Adopt Drug Free School Zone: Motion by Becketl, support by Wallace, to adopt Resolution to Adopt Drug Free School Zone. Vote: Ayes - all.

DPW REPORT
Motion by Kwolek, support by Gordon, to increase John Weber's wage rate to \$7/hour subject to approval by 4 townships, effective at the next pay period, retroactive. Roll Call Vote: Ayes - all. Information on increase to be sent to townships for their review.

Discussion was held on status of punch list at Wastewater Treatment Plant. Kallewaard informed Council that Louis Leeson reported project complete, out of start-up phase and into regular operation. Motion by Kallewaard, support by Kwolek, to authorize Mary Kallewaard to sign Engineer Certificate of Completion of Wastewater Treatment Plant. Vote: Ayes - all.

Kwolek requested Brad Lyons of McNamee, Porter & Seelye to draft a letter explaining reasons behind request for storage building at treatment plant.

PARKS

Motion by Wallace, support by Kallewaard, to approve up to \$1,000 to have park maps prepared. Roll Call Vote: Ayes - all. Map of Chi-Bro Park to be done first.

Kallewaard informed Council of meeting this Wednesday to sign paperwork on Parks' grant.

Wallace informed Council of visit from member of Washtenaw County Parks and their offer of use of County offices for grant review was discussed.

Discussion was held on tree program. Kwolek to draft wording of ordinance on trees for next meeting. Clerk to get bids on 50 trees for next meeting.

NEW BUSINESS
Update on assessor and moved to advertise for a firm for consulting purposes for an engineer firm.

OLD BUSINESS

Resolution to Adopt Drug Free School Zone: Motion by Becketl, support by Wallace, to adopt Resolution to Adopt Drug Free School Zone. Vote: Ayes - all.

NEW BUSINESS
Parr moved to use the \$700 in the line item of recycle from the budget, to participate in the grant with all five units of government and like to question that the increase of transfer site in July can be applied to this, hence reducing everyone's share in the \$3,500. Supported and passed. Zoning books are printed and available at the Township clerk's office.

Thompson-McCully invoice: Motion by Kwolek, support by Gordon, to pay Thompson-McCully invoice in the amount of \$67,746.73 with remaining figure to be clarified. Roll Call Vote: Ayes - all.

Motion by Gordon, support by Kwolek, to approve price of \$27.27 per ton from Morton Salt for winter road salt needs. Roll Call Vote: Ayes - all.

Kallewaard informed Council of preliminary census count of total population Manchester Village 1,743. Question was asked on what vacant housing units were. Kallewaard to research. Kallewaard informed Council of

expiration of contract with Laidlaw at Transfer Site. Decision was made to continue with Laidlaw on a month-to-month basis until Village hears on recycling grant. Kallewaard to write letter to Laidlaw.

Motion by Becketl, support by Wallace, to adjourn at 10:22 p.m. Vote: Ayes - all.

Clinton Outscores Dutch, 28-20

#12 Jay Gillow passes to #14 Jeff Smith in the left flat. Photo by Jon

A football game is just a football game, but don't tell that to either the Redskins or the Dutch. Clinton won the big game for the second time in a row, much to our disappointment. Both teams played well at times, but Clinton capitalized on mistakes. The 'Skins first touchdown was set up by a center screen play which went for 68 yards. Two yards later they scored, but missed the PAT, leaving the tally 6-0. We finally got rolling in the second quarter as we mixed the

pass and run well. Andy Pagel plowed across the goal line from four yards out to knot the score. Andy then toed the sphere through the uprights to give us the edge, 7-6, which remained through halftime. We kicked to Clinton to open the third quarter, and they proceeded to run the ball 73 yards on the kick return. The successful 2-point conversion put them up 14-7. Soon after, we tied the score as Dennis Gehringer snared an errant lateral and rambled 71 yards for the TD, while Andy kicked the point after. It took the

'Skins a very short time to lead again as a 40-yard interception made the score 20-14. It was now our turn to score, and score we did as quarterback Jay Gillow bombed to Jeff Smith for a 45-yard TD. As the game moved into the fourth period, Clinton drove toward the goal and scored on a nine-yard run with under four minutes left to play. A good two-point run put them up 28-20. Our last minute drive went awry as the game ended. Statistically, Andy Pagel had 84 yards rushing, Jay Gillow had 123 yards passing, as his main

receiver Jeff Smith tallied 83 yards. Be with us Friday as we open at home to defend our league championship against East Jackson. Game time is 7:30.

People believe if a spider crawls towards you, you will have a reversal.

"School's Open" Program Underway

As the 1990 school year gets underway, motorists should be alert for 1.4 million state students heading to and from school each day, AAA Michigan reports. Last year, 86 children ages 5-14 were killed in Michigan traffic accidents and 10,638 were injured. Of the total fatalities, 25 were pedestrians, a 39 percent drop from 1988. Forty-two of the fatalities in this age group were passengers in vehicles and nearly half were not wearing a safety belt.

- Parents should walk to school with first-time elementary students for a few days.
- Cross only at intersections, never in the middle of the block.
- Look in all directions before crossing streets and watch for turning cars.
- Obey Safety Patrolters and adult crossing guards.
- Walk on the sidewalk. If no sidewalk is available, walk on the side facing traffic.
- Plan a child's route to school on streets with low traffic volumes and guarded intersections.
- While waiting for a school bus, stand in a safe place well back from the road.
- Make sure children buckle up whenever they ride in a car.

WHO IS GRADUATING FROM THE ADULT HIGH SCHOOL PROGRAMS?

40% are men. Average male is 40 years old, employed, and 80% are married.

60% are women. Average female is somewhat younger, 34. 75% are married and more apt to be unemployed and raising a family.

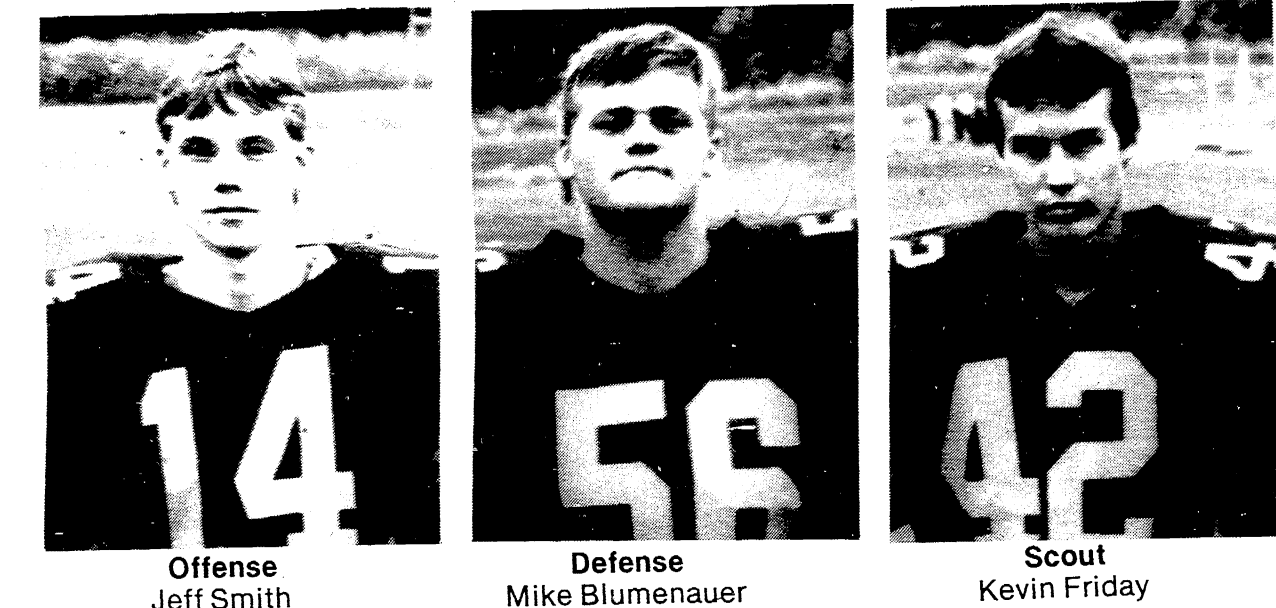

Whatever your age or employment status, Adult Education can be your key to a better life. For More Information Call: Manchester Community Education 428-7804

1989 SCHOOL AGE TRAFFIC FATALITIES

Motorists are urged to be alert for the 1.4 million students heading back to school this fall. Last year, 86 school children ages 5-14 were killed in Michigan traffic accidents, down from 102 deaths the previous year. Traffic injuries in that same group dropped 2 percent to 10,638. Michigan's 40,000 Safety Patrolters play a key role in reducing student pedestrian accidents. As part of its annual "School's Open—Drive Carefully" program, AAA Michigan will conduct training sessions for Safety Patrolters at 400 elementary schools this year.

Once in a lifetime you find someone special.

Your lives intermingle and somehow you know This is the beginning of all you have longed for.

A love you can build on, a love that will grow. Once in a lifetime to those who are lucky.

A miracle happens and dreams all come true. I know it can happen - it happened to me!

For I've found that "once in a lifetime" with you. This poem says it all for me. I will never forget all the joy and love you brought into my life and my family's lives.

Your loving wife,
Laura Goebel

SEE YOUR WINNING GREAT 8 CHEVY DEALERS.

FREE TRUCK*

S-10 EL PICKUP

*with purchase of a bedliner for \$7415.

Well, sort of. When you come into one of your Great 8 Chevy Dealers to buy the S-10 EL Pickup, you get the bedliner...free. We take the MSRP of \$8415 and combine cash back of \$1000 from Chevrolet to give you a base price of just \$7415. Then if you qualify as a first-time buyer, you get an additional \$600 savings! And the bedliner is free! But you must hurry in now, because nothing free lasts forever.

*MSRP based on S-10 EL base model with 5-speed manual transmission. You must take delivery from dealer stock by 9/26/90. Bedliner offer expires 9/7/90. See dealer for details.

Money Management

BUDGET TIPS FOR COLLEGE STUDENTS

When it comes to financing a college education, most of us focus on the big picture: tuition, room and board. But, once school is underway, miscellaneous expenses such as shampoo and soap, utilities, late night snacks and transportation can total hundreds of dollars and put a strain on any college student's budget.

To be sure you're not left holding an empty wallet, the Michigan Association of CPAs suggests that you develop a realistic budget that zeroes in on those easily overlooked expenses.

The first step in creating a budget is calculating the amount of money you have available to spend. If you're like most students, you probably have four possible sources of funds: a part-time job, a savings account, a monthly allowance supplied by parents and scholarship or loan funds (or what's left after paying for tuition, room and board).

Now comes the hard part - planning for expenses. To simplify the budgeting process, break down your expenses into categories such as books, supplies and lab fees, meals, transportation, clothing, toiletries, utilities, and entertainment. Make sure you include both fixed expenses (such as rent) and variable expenses (such as insurance payments and automobile repair bills).

Next, estimate how much money you will need to cover each category of expenses. For instance, to calculate the cost of books for a semester, visit a local bookstore and price the books on your required reading lists. Be sure to include lab fees associated with specific course work. Then, estimate your school supply needs, such as typewriter and computer ribbons, computer disks, notebooks, pens and calculators.

Even if you are on a meal plan, reserve some budget dollars for those midnight snacks. If you can't resist breezing through McDonald's golden arches for an egg McMuffin each morning,

make sure you include the cost in your budget.

Whether you are commuting or living in a dorm, you will have to contend with transportation expenses. Calculate how much a visit home costs, and how many visits you plan to make. Talk to your parents and find out if they are willing, or able, to pay for any trips home. If you own a car, estimate how much gas you may use each week. Is it likely the car will need repairs, or even a tune-up, sometime during the year? Make sure you also plan for those hefty insurance payments that pop up every few months.

If you are living away from home, remember that you will now have to pay for such basic necessities as toothpaste, shampoo and laundry. Although these items seem insignificant, they can add up to a sizeable sum by year's end.

Other expenses to consider are utility bills. If these are not included in your room and board fees, ask other students to give you a basic estimate of how much you can expect to spend. And, of course, no budget is complete until it includes entertainment expenses. If you are a movie buff, don't forget to reserve a few dollars for an occasional night out at the local cinema.

Try to estimate expenses realistically and, as a safeguard against unexpected costs, increase your total by 10 percent. In any case, you won't be sure that your estimate is on target until you've tested it a few months. So try your budget out and see how it fits. During the first month or two, jot down every dime you spend so you know where your money is going and whether your budget figures are accurate. If the same patterns continue the following month, adjust your budget accordingly.

Now for the big exam question. What if you find that you simply can't make ends meet? The answer is elementary - you have to increase your income or decrease your expenses.

First, try to find a part-time job. Another option is creating

your own business. Some schools offer venture-capital funds to help launch student entrepreneurs. Students have successfully initiated businesses to fill obvious needs, such as typing term papers, running a wake-up call service or even house-sitting. Whatever venture you pursue, remember to keep your academic priorities in mind.

Now, what about trimming those expenses? Although you may think you are living on a bare-bones budget, you will be surprised at how much you can still cut back. Often, your college ID card can be the key to discounts on food, entertainment, haircuts and even school supplies. Don't hesitate to ask whenever paying for goods or services.

Shop for food and toiletries wisely, taking advantage of sales and coupons. To save on transportation costs, plan ahead and you may be able to purchase supersaver air fares. Find out if buses and railroads in your area offer discounts to student travelers. To trim your hefty phone bills, shop around for the company offering the best long-distance rates - and make your calls at non-peak times, when rates tend to be lower.

To ease the burden of those textbook bills, buy used books through the bookstore or from other students. But plan on shopping early because supplies of used books are generally limited.

CPAs also advise you to set up a bank account nearby. Shop around for the bank that best meets your needs. In comparing, consider such convenience factors as location, hours and automated teller machines, as well as savings rates and checking charges. In addition, find out whether the bank offers special student accounts, such as no-fee checking.

With a little bit of planning, you can stretch your dollars further than you may now imagine possible. For more assistance in building a budget, you can request a copy of the "Budget and Cash Flow Worksheet" from the MACPA. Send stamped, self-addressed envelope with your request to the Michigan Association of CPAs, P.O. Box 9054, Farmington Hills, MI 48333.

NHS Begins Fall Selection Of Membership

To be considered for the Manchester Chapter, a student must be a junior or senior and have a current grade point average (GPA) of a 3.25 or better. Once a student is a potential candidate, he or she then must fill out a three-page form which informs the faculty council of their co-curricular activities, community activities, leadership position, work experience, recognitions, and awards. The selection committee then uses this information to score candidates in the areas of service, character, and leadership. Final selection will take place in early October.
