JV FOOTBALL ACTION — #36 Brad Davis Motors

This season-opener in Clinton began as the Brad Davis Show. Brad took our first offensive play following a penalty 35 yards into the endzone. Shortly thereafter, Brad raced 32 yards for paydirt. Before the first quarter ended, Brad plowed in from one yard out. I guess it was time for someone else to work the sphere.

Mike Barnard scooted left and ran 15 yards for a second quarter T.D. Brad got back into the action with a 23-yard third quarter score. Our Dutch attack ended with Shane Goodell's fourth quarter 25-yard run. Jeremy Strook left-toed three of four extra points to cap the 39-0 shutout.

Brad Davis had 11 carries for 123 yards and four touchdowns to be named Coach Jim Fielder's offensive pick of the game. Running back Mica Pucas gained a respectable 77 yards. Coach Fielder said his defense performed well but three individuals were outstanding: Brandon Woods, J.D. Gould and Andy Winzenz.

## Village GDP Public Workshop II Scheduled for Sept. 17

The Village of Manchester Planning Commission is conducting a series of public workshops as part of the Village's General Development Plan revision process. The current General Development Plan was adopted in 1967, and is being revised to reflect the many changes which have occurred within the Village since that time.

In order to develop a plan which represents the community's vision of its future, the Planning Commission is seeking citizen input, and encourages all citizens interested

in contributing to the General Development Plan to attend at least one public workshop.

Public Workshop I was held Tuesday, May 28, 1991. At this workshop the community planning issues which need to be addressed in the General Development Plan were identified.

Public Workshop II is scheduled for Tuesday, September 17, 1991 at the Knights of Columbus Hall located at 106 East Madison, Manchester, Michigan.

The purpose of the second workshop is to develop com-

munity goals and policies to guide future land use and development within the Village. The Planning Commission wishes to stress that attendance at the first public workshop is not a prerequisite for attendance at future General Development Plan Workshops.

For more information, please call Bob Daverman, Village Planning Commission Chairman at 428-9367 (evenings) or Emily Palacios of Carlisle Associates at 662-2200 (days).

## Historical Society to Hold First Fall Meeting September 17

The public is invited to attend the first fall meeting of the Manchester Area Historical Society on September 17 at 7:30 p.m. in the Blacksmith's Shop.

The main item of business will be the election of officers for the coming year. Excerpts of two videotapes made in July will be shown. The portion of the July 4th program honoring those who served in Desert Storm will be shown as well as an excerpt from the rededication of the athletic field. Please join us.

## Disciplinary Action Taken by Board of Ed

At a special meeting of the Manchester Community Schools' Board of Education Monday night, official disciplinary action was administered to the four students involved in the vandalism of the bus fleet on May 19, 1991.

On the morning of Monday, May 20, 1991, it was discovered by a school employee that there had been vandalism to the tires of Manchester Schools' bus fleet. Sixteen of the eighteen buses received irreparable damage to 72 tires with an estimated replacement value of \$14,500. The Board of

Education has determined that, effective immediately, two of the students involved as accomplices will be suspended from Manchester High School and not take part or attend any school function for the first semester of the 1991-92 school year. They will be permitted to return to Manchester High School on Monday, January 20, 1992. The Board has also determined that, effective immediately, the two students who were the actual perpetrators of the crime be permanently expelled from Manchester High School and all school activities.

## Teacher Contracts Ratified

Also on Monday night, the Board ratified the teacher contract with the Washtenaw Livingstone Education Association/ MEA/NEA. The action by the Board followed ratification by the teachers on September 5, 1991. Superintendent Niedzwiecki reviewed the changes in the new three year agreement which include: procedures for payment of association dues; request for change of class; unused personal business days will be added to sick leave accumulation and the clarification of grievance procedures.

Niedzwiecki identified two new articles in the agreement dealing with school improvement and special education. Both parties recognize the importance of a collaborative effort toward improvement process and the involvement of teachers in school improvement planning is voluntary. The article dealing with special education acknowledges the

mandate for a least restrictive environment and emphasizes the role of the Individual Education Planning Committee and the special and general education teachers.

Salary adjustments in the new agreement for 1991-92 is a 7% increase; 1992-93 is 6% and in 1993-94 is also 6%.

The 1991-92 school calendar reflects an increase in instructional time by converting two half days into full days. There will be an additional evening for parent/teacher conferences in the spring and all students will be on the same schedule eliminating the need to double run the bus fleet four times a year. School will end on Friday, June 5, 1992.

President Sahakian expressed her appreciation to both the Association and Board representatives for their effort in reaching an agreement in a timely manner.

## Human Services Site May Open

The Washtenaw County Human Services Department has proposed to open a service site in Manchester, contingent on the approval of the senior citizens in the community, designed to assist those with special needs in receiving help.

The Human Service Pilot Program, which would be located in the Manchester Senior Citizen's Building, would include a team of two staff members scheduled one day each week, tentatively on Wednesdays, with additional specialized staff brought in for appointments. As the program gets underway, evaluations will be conducted at the first six month and again at the one year interval to assure peoples' needs are being met.

The site staff would conduct integrated initial assessment, limited eligibility determinations and screening for service needs, work on special and emergency needs, develop initial action plans, schedule appointments and make referrals.

with needs ranging from financial problems such as paying for food, medical services, clothing, housing and utilities, to providing transportation would have assistance.

When a client comes to the site, he/she will be asked to complete a checklist assessing their individual needs. After a conference with the staff member, the client will be asked to complete another form to determine what he/she is eligible for according to income, assets, age and disability standards.

The staff will then work on meeting any emergency needs first, such as arranging for food or medical help. Then a plan of action will be conducted to meet the client's needs on a longer term basis.

In short, the staff would act as a liaison between the client and appropriate community agencies and offices. The point is to offer services locally making the task more accessible for residents.

# A Coach with Principal

— Vanessa Forsthoefel

In a way, you could consider this his silver anniversary with the Manchester School District because for the last 25 years Brian Schick has been roaming the halls and ballfields in one capacity or another. To ask him what he has been involved in throughout his tenure, his answer is "what haven't I been involved in?"

For his first nine years, Brian taught social studies at the 7th and 8th grade level, and for the last 16 years he has been the principal at Klager Middle School. In the meantime, Brian has coached J.V. and Varsity football and basketball, junior high basketball, he has been the high school track assistant coach, and for the last 10 years he's coached 7th and 8th grade football. Now, he and John McGuire coach just the 7th graders, with John handling the defense strategy and Brian with the offense.

Brian says he considers himself very lucky in two

respects. One is that he is able to coach with John, a terrific experience, as he puts it. And second, "I've been very lucky to be an administrator and a coach," Brian says. "The superintendent and board (of education) have been supportive of my coaching."

Talking with Brian it's obvious that coaching is one of his passions, especially football at the 7th grade level, and for many reasons. The participation for that grade is tremendous compared to other schools. "If the whole group came out, that would be wonderful!" As it is, about 33 boys are on the team. "I'm real proud of the fact that the turnout is so great. What is unique is that every athlete gets to play in every game, which is quite a juggling job for Brian and John to handle, but definitely one priority.

Say cheese, Brian Schick!

Another enjoyable aspect of coaching 7th graders is there really isn't the pressure to win like there is when teams mature. "Would I coach some other level? No. For my position at this capacity, it's perfect. It's very enjoyable down here," Brian says.

Practices began for his team August 19th, and since school has started Brian experiences very long days. His administrative duties begin before students arrive at 8:30 a.m., until around 3:30 in the afternoon, the approximate time football practice begins. By the time that is over and all the kids have left, it's around 6:30 p.m. "The rewards are super," he says as he smiles.

Brian explained a basic fundamental that most men can relate to but women don't even consider: how to put on a complete football uniform, equipment and all.

At the 7th grade level, coaches have to teach the athletes how to properly suit up for practice and explain not only how the more protective gear is worn but what it is for.

Speaking of equipment, "I would rank Manchester for safety and equipment #1 is the league," Brian says, showing a helmet designed so air can be pumped into it so that it will specially fit the athlete using it.

Athletics aside for a moment, "academics is number 1. Period." But Brian is quick to point out the particular year when all athletic programs were cut because of a millage loss, the school spirit was tremendously low. Brian believes sports increases school spirit. Just attend a pep assembly and you'll see, he says. The first one is September 18th during seventh hour, before the team journeys to Vandercreek Lake for their game at 4:30.

When you involve yourself in the writing business, you appreciate the beauty of language. I like that so many choices exist for how to write a sentence for example, or that words and phrases can blend together to paint in the mind a picture of a particular scene, or recall a memory, or develop understanding that runs deeper than fact.

Another part of language exists to tease and trick, tickle and delight, confound and exasperate; that which I call the play of words.

We all play with words in our own way, frequently unplanned, often overlooked by the listening party. But at moments, we sit at a table and think back to those little gems known only among closed circles. Some word twisties are pretty generic...

"Pass the pascetti sauce."  
"Grandma, come see my stuffed animal collection."  
"Let's not be enemies anymore."

The Rev. William Archibald Spooner, 1844-1930, of New College, in Oxford, England was so adept at botching language, his phrases and the ones we botch go by the name of "spoonerisms". For example, after finishing one of his many marriage ceremonies, the Reverend let go with this one—"Is it kistomary to cuss the bride?"

Upon praising Queen Victoria, he shouted, "Three cheers for our queer old dean!"

# The MANCHESTER ENTERPRISE Second Front Page: The Spooner In All Of Us—R. Zang

When Rev. Spooner wished to sit in church to listen to a fellow preacher, he exclaimed, "Someone is occupying my pie. Please sew me to another sheet."

And finally, he lambasted one of his failing students with, "You have hissed all my mystery lectures. You have tasted a whole worm. Please leave Oxford on the next town drain."

One of my favorite spoonerisms comes from the late Groucho Marx—"Time wounds all heels."

Imagine my surprise when just yesterday an older resident of our

community sat me down at the Baker's Dozen for a cup of Java and twisted my ear with this story—

"You know, dust yesterday I wanted to make a lop at the stibary to nag a grovel for reading. I hadn't bred a good rook in a long time. My granddaughter, sess her blowell, recommended I ask for one by Beckstein called, The Wrath of Grapes, or something. Pat Ahrens, the checking out lady, looked at me like I was some big time line wover and needed a rangover hemedy! Let me tell you, I'll gip a little, but I'll never sulp. So I heat and basty retreat, my face bed as a reet,

thinking I'd never be able to face her again.  
Isn't that a shirty dame?  
Then I thought I'd head over to Dimpert's lan to see how prevents were egressing. Everyone agrees it's wiry dirk, what with the soaring of pement and raying it don't prain too hard. Can't say we've had flerrible tuds around here though; maybe I'd lust jike to see something newsworthy so someone like you really had something to write about.

Cleagle bub, hah!  
So then wouldn't you know, I

just jeaned over the dide of the sam when a fifty boller dill flew out of my pirt shocket. There it went ruttering down into the fliver where that Dimpert larted his hand into the water and pulled that half-hundred out. He laughed and laughed till I thought he'd ghit his sput. Isn't that a shirty dame? And so here I am, had as a matter, and you're the one to hear it first."

Can't say I'll let you know who rattles on like this, but if you sit down at the bakery, don't be surprised if you find out.

Don Limpert makes final repairs, or as the Spooner in me would say: Lon Dimpert Fakes Minal Perairs!

# Editorial / Opinion

## Out and About

by Gar

The Detroit News had an Editorial Saturday, September 7, 1991 about the postal strikes that are now occurring in Canada. Apparently the strikes, on a rotating basis which began August 24th, were timed to disrupt delivery of monthly pension and welfare checks. Sounds to me that the union leadership understands completely how to have an impact on a very needy segment of our society. The elderly and the disadvantaged persons are certainly going to be hurt the most and, unfortunately, those persons are the least able to fend for themselves. The public will be sympathetic.

Within the past couple of weeks, our school system was on the verge of a strike. The articles that were published in the newspapers and the flyers being circulated indicated that another segment of our society, OUR KIDS, were at risk. Both sides were posturing to gain advantage in the negotiating sessions, using our children in this case.

I have always been very uncomfortable when public employees threatened to strike, have a work slow down, get the blue-flu, or try to intimidate the public. We have all had friends that were teachers, postal workers, policemen or public employees. We think of Frances, John, Mary, Jake, Chuck, Brian and Linda and wish them well.

Thus I feel impaled by the "Horns of Dilemma". On the one

hand I wish to see the teachers, postal workers, policemen, firemen, receive fair compensation for their efforts. On the other hand I don't want to pay more taxes or fees. WELL, I say don't, but we all know that it can be necessary. The crux of the "Dilemma" then must change so that we can maximize the use of each tax or fee dollar. The administrators, union leadership, board members or responsible officials must find ways to cut costs, improve services and innovate new techniques to reduce expenditures. Conversely the employees need to be cognizant of the fact they have a responsibility to perform their jobs at the highest possible level of competence.

Human nature being what it is, we will always feel under-compensated, over-taxed and not getting a fair shake. That is part of our democratic system. We should always be striving for more efficient ways of doing things, improving the lot of the underprivileged, decreasing costs and improving our standard of living. A very tall order? YOU BET! Unless we are willing to commit ourselves to precepts of this type, the Japanese, or some other country will "kick our can".

Look at our national debt and the interest cost to carry that debt. We have been borrowing on the future to give us what we should be earning and paying for today.

### TO THE EDITOR:

As the Planning Commission has scheduled a meeting on planning the future development of the Village on September 17, 1991 at the K of C Hall, I want to urge all voters to attend. This group, plus the consultants they have hired, need to definitely hear what all the voters in the Village want for our future.

I would like to make a few more comments on the Woodlands Protection Ordinance (TREES). If Manchester wants to protect trees let's protect all the trees in the Village, not just the trees on the larger parcels. No law, including TREES is really valid until it has been proven so in the courts. And again, I repeat, I don't like to see my tax dollars wasted. If the Planning Commission has spent only \$70 so far and wants to spend up to \$700 more on TREES, let's put it to a vote in a regular election to see if a majority wants to spend the money. Even \$70 of tax money is too much if it is wasted. All tax dollars are "big deals."

The General Land Use Development Plan for Manchester as of January 4, 1973 appears to me to be pretty much as the Village has developed to date and

*Some things are "well behind us" We're told, but really should know They're neatly swept beneath some rug Where they'll never, ever show. — Gail Curtis*

also seems to me to be adequate for another 25 years. Let's face it, Manchester has not been able to attract industry and we badly need it for the tax base.

And now to the issue of Ms. Havens, my letter in the August 15, 1991 Manchester Enterprise was TO THE EDITOR, and I mentioned Ms. Havens because she seems to be the most vocal about "TREES". If she feels she was misquoted and misinterpreted—so be it. My personal feelings is a person can be constructive if he says "it ain't broke so let's not be trying to fix it." Wiser men than I have said "the best government is the least"; and one comment I particularly like is "for every new law put on the books, repeal ten." My constructive advice for the present is let common sense and good judgment prevail. Let's welcome industry with open arms and make them happy without making all the neighbors unhappy.

As a passing thought—if the trailer park is on hold, get all the tree people together, buy the parcel and give it to the Nature Conservancy. That will settle that issue for all time.

Very truly yours,  
D.L. Davis

### TO THE EDITOR:

I am writing in the hopes of dispelling the far-flung myth that law enforcement officers support gun control. The police administration on Capitol Hill, most of who haven't been on the street for decades, do not speak for the majority of rank and file police.

Take it from someone who knows. Gun bans and other harsh anti-gun laws directed to lawful gun owners ultimately do nothing to reduce violent crime. Semi-automatic gun bans in some states put law-abiding gun owners at risk of arrest and prosecution for refusing to register, surrender or otherwise dispose of their guns. Now a similar nationwide ban is proposed. I want to arrest criminals, not lawful citizens made into common criminals by means of misguided laws. That's why I oppose semi-automatic gun ban proposals and other worthless anti-gun laws masquerading as crime control.

My job would be a lot easier if our elected officials would dedicate more time, money and effort toward developing anti-crime tools which legislate against the criminal, not law-abiding citizens. Let's cut out the easy parole and courtroom injustice and start enforcing the tough laws already on the books.

We need stronger laws across the board for anyone involved in a crime with any type of weapon, not the people obtaining a gun under legal laws.

Sincerely,  
Deputy Chuck Melki

## INFORMATION

### Task Force seeks volunteers, both students and adults

The Manchester Recreation Task Force will hold its monthly meeting September 18 at 7:30 in the Blacksmith's Shop.

School has started, so let's get busy on fall recreation plans.

Manchester High School students can participate by giving one hour of your time to help us improve your recreation in town. Come and bring a friend. Don't leave it all up to the adults. It's your town, too.

Volunteers to help with the programs are always welcome. For information, contact the Community Resource Center at 428-7722.

### Board of Education To Hold "Town Meeting"

The Manchester Community Schools' Board of Education, announces a Special Meeting for Wednesday, September 18, 1991 at 7:30 p.m. in the high school library.

The purpose of the meeting is to seek input and suggestions from district residents that will assist the Board of Education in establishing District Goals for 1991-92.

For the past five years the Board of Education has invited representatives from various organizations within the community to assist the Board in identifying school district needs.

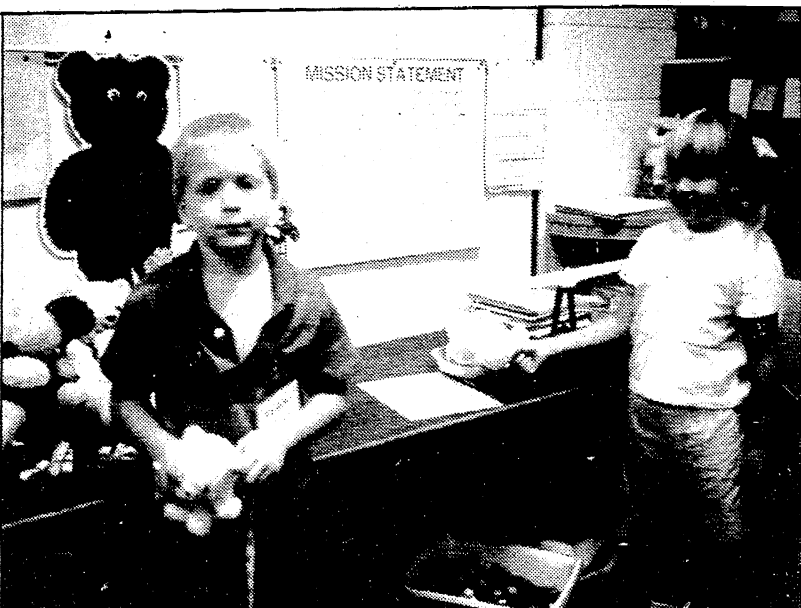

The Board of Education wishes to expand community involvement and invites all district residents to an "Old Fashion Town Meeting" to be held Wednesday, September 18, 1991 at 7:30 p.m. in the high school library.

### 1st Graders and "Beary" special friends

The first graders in Mrs. Ediger's room brought their "beary" special friends to school this week. Each student brought a favorite teddy bear. Their teddy bears were weighed, measured, written about, included on a class graph, and generously loved all week.

School is an especially neat place to be when you can be there with your friends!

### In Memory of:

Jennifer L. Fischbach

Jennifer Lee Fischbach, age 32, of Baldwin, died Monday, September 2, 1991 at home following a long illness. Jennifer Gross was born on September 23, 1958 in Ann Arbor, Michigan. She married Brett Fischbach on September 18, 1983 in Ann Arbor and he survives. The couple came to Baldwin from Ann Arbor in 1985.

Mrs. Fischbach was a member of St. Thomas Lutheran Church in Ann Arbor. She was also a member of Pere Marquette Watershed Council; Lake County Riverside Property Owners Association; and the Federation of Fly Fishers.

In addition to her husband, Brett, she is survived by her parents Frank and Jutta Gross of Baldwin; one sister Mrs. John (Rene) Weidmayer of Cadmus, Michigan; two brothers Richard and Steve Gross, both of Ann Arbor; and many nieces, nephews, aunts, uncles and cousins.

Memorial services for Mrs. Fischbach were held Thursday, September 5 at her home. Those planning an expression of sympathy are asked to consider memorial contributions in her name to the Pere Marquette Watershed Council at P.O. Box 212, Baldwin, MI 49304. The Vida Funeral Home, Baldwin, is in charge of arrangements.

Leslie D. Chavey  
Manchester

Leslie D. Chavey, of Manchester, 88, who passed away on September 4, 1991. Leslie was born in Redford Twp., MI on November 8, 1902, the son of David and Mary (Hendry) Chavey. On Sept. 6, 1924 he was married to Leonora Parannet and she preceded him in death on June 12, 1982. Mr. Chavey was a member of the Manchester United Methodist Church. He was also a member of River Raisin Farm Bureau.

Leslie is also survived by two sons, Grant and Gary, both of Manchester; two daughters, Shirley Roller of Manchester and Mrs. John (Lorraine) Dunny of Coldwater, MI; nine grandchildren, eight great-grandchildren and several nieces.

Leslie was also preceded in death by four sisters; Hazel Chavey, Margaret McKendrick, Olive Swanson, Evelyn Bowen and son-in-law Duane Roller.

The Chavey family received visitors at the Jenter-Braun Funeral Home on Thursday from 7-9 p.m. and on Friday from 2-4 p.m. and 7-9 p.m. Funeral services were held on Saturday, September 7, 1991 at 2 p.m. at the Manchester United Methodist Church with the Rev. Pegg Ainslie officiating. Interment took place in Oak Grove Cemetery Manchester.

Those wishing an expression of sympathy for the Chavey Family may make memorial contributions to the Manchester United Methodist Church.

# SCOUTING ROUND-UP PLANNED

The summer's almost gone, autumn is right around the corner and we've just a few short weeks until the snow falls. This year when you hang up the canvas to dry and clean the sleeping bags, remember yesterday's camping trips. Remember the trees in Wisconsin so big it took five of us to reach around them, or the beach in Massachusetts where the rain stood on the sand, or how about George Washington's wooden teeth? We all like to remember the good old days and that's what we've got planned.

We've got a group of Scouts, their families, and leaders meeting at Carr Park to remember yesterday, talk about today and look to tomorrow. Come and join us at 2:30 p.m. on September 14, 1991.

If you know of the whereabouts of anyone who might be interested in attending, please contact Bob Armentrout at 428-7615, or Ted Roberts at (517) 423-7291. There will be a small donation for the meat and please bring a dish to pass. Mark your calendar for Sept. 14. Come out and share in the fellowship.

## Pig Roast/Volleyball Tourney soon!

The Kiwanis Club of Manches-  
ter is sponsoring a Pig Roast and  
Volleyball Tournament September  
15 from 12:30 to 3:00 p.m. at Carr  
Park. The tournament begins at 1  
p.m.

Jerry Hayes, Pig Roast Chair-  
man said that the plans are all made  
for the pig. Vic Mann assures us  
that the roasting pan will do a fan-  
tastic job, especially if we use seven  
bags of charcoal and the special  
barbecue sauce for the pig that will  
really top off the menu.

Tickets for this 2nd Annual  
Event costs \$5 for adults and \$3 for  
children five and over. The little  
ones eat for free. Tickets are avail-  
able at Krauss Pharmacy, Comerica  
Bank, Great Lakes Bancorp and  
Country Brunch Cafe.

Oh, yes, about those volleyball  
games. Carr Park has another court  
just built and we will have three  
other courts set up. The tournament  
will feature five games being played  
concurrently.

You guessed it, lots of teams.  
Johnson Controls has three, Pyra-  
mid Office Supply has three, Man-  
chester Plastics Inc. has one, Knights  
of Columbus has two, T. and N. Services  
has one, and the Manchester Enterprise  
has one and many individuals are gathering  
friends to form more teams.

Remember, September 15 at  
Carr Park for hours of fun, festivi-  
ties and friendly competition!

## Wiedmayer Twirls Her Way to the Top

Manchester baton twirler,  
Hillary Wiedmayer, has competed  
in several regional twirling  
competitions this summer as well  
as at the National Baton Twirling  
Association's (NBTA) world and  
national championship held at  
Notre Dame.

In July, Hillary twirled at the  
NBTA's Midwest Regional  
competition near Chicago and  
took a sixth place in her solo twirl  
routine from girls that had  
travelled from six states to the  
contest.

Later in July, she competed at  
the Twirling Unlimited's regional  
competition in Indianapolis.  
Hillary came home from this TU

contest with two trophies after  
receiving first place in her no-  
drop two baton routine and a first  
place solo twirl.

At Notre Dame during the last  
week in July, Hillary placed 10th  
against 40 competitors in her two  
baton twirl routine after  
performing another no drop  
routine during competition. At the  
national competition, her other  
award was a 10th place medal in  
flag baton twirling.

Hillary recently returned from  
a three day camp in Columbia,  
Mo., where she received twirling,  
dance and gymnastic instruction  
from several former twirlers for  
the University of Missouri and

also was able to attend practice  
session of the 20 member  
University of Missouri Golden  
Girls dance team.

After attending the camp in  
Missouri, Hillary and a group of  
25 other twirlers and adults,  
travelled to Biloxi, Miss., to  
support their baton teacher, Laurie  
Honbaum of Chelsea in her  
competition in the televised Miss  
Teen USA Pageant hosted by Dick  
Clark and Leeza Gibbons.

Earlier this spring, Hillary  
and her friend, Melissa Driesche of  
Manchester attended the Miss  
USA-Michigan Pageant in Troy  
to watch Miss Honbaum be  
crowned as Michigan's  
representative to Teen USA.

**MARCC Begins Second Year**      - Deb Havens

The Manchester Area Resource Conservation Coalition (MARCC) begins its second year on Wednesday, September 18 at 7:30 p.m. at the Blacksmith Shop on East Main Street.

The new officers are President Sybil Kolon, Vice President Bill Swaney, Treasurer Margie Bialecki, and Secretary Mary Kaye Weinmann. The meeting will focus on the goals for MARCC's second year, and organizational changes.

MARCC was founded in June of 1990 with the stated purpose, "To identify, protect and preserve resources of the Manchester Community."

The word "resources" is meant to be interpreted broadly: clean groundwater, rivers and lakes, open spaces, woodlands and animal habitat, the charming historical residential neighborhoods and commercial business district, and the rural character of the surrounding townships are all elements considered valuable resources in this community.

MARCC also takes an active role in promoting ecologically sound practices such as recycling, and supports the development of alternatives to oil/nuclear energy, and hazardous chemicals/pesticides.

MARCC will also bestow the "Good Neighbor Award" for the first time in 1991. The award is intended to thank an individual business or industry for efforts which enhance the environment and preserve the rural quality of the Manchester community.

MARCC welcomes all residents of Manchester, Freedom, Bridgewater and Sharon townships for membership.

**Senior Citizens News**

I've moved the hummingbird feeder nearly as often as the fellow who dug the holes in his yard in "God's Little Acre", trying to find the ideal spot for them. I think they may want a sheltered spot where the other birds won't chase them away, and Mom has one just off her enclosed porch. You can relax in her lounge and less than eight feet away, watch those tiny marvels at work. And it is work, as the bees chase them away, even with bee keepers. Research tells me that though some weigh little more than a dime, in comparison a 170 pound man would expend 155,000 calories of energy daily (a normal man's daily output is actually only 3,500 calories). Wow, huh?

I'm sure I also read somewhere that you should remove the feeder around the first of September so they won't miss their ride south on the back of a large bird (they couldn't possibly fly that far alone!) I may have the answer one of these days as my nephew from Eton (at home a month this summer) was quite sceptical and promised to look it up.

Thursday, September 12: Jan is serving Polish sausage and kraut, come one and all. Bingo will be enjoyed at the Center.

Friday, September 13: From the wee birds to the giant pandas, today the seniors travel to Battle Creek to the Binder Park Zoo leaving the Center at 9:30 a.m. These are red pandas which have bright red coats, long bushy ringed tails and white snouts and ears. The pandas, one male and one female, were given to the zoo by the Sichuan Wildlife Conservation Association in the People's Republic of China. Call Erma Alber at 428-8707 to see if there is room to go.

Monday, September 16: The bus leaves the Center at 9:30 for shopping at Jackson. Reserve your spot by calling Erma, or sign up at senior meals.

- T. V. Ludwick
- Tuesday, September 17: Pastor Engelman will give the clergy presentation beginning at 11:00. We are back to fish again (no comment), baked scrod and utterly delicious at noon meal at Emanuel's dining room. Come to the Center afterwards to help on projects.
- Thursday, September 19: First exercise begins at 11:00 a.m. Come stretch those unused muscles and have fun while doing it. Ham loaf is on the menu for lunch at noon — call either Linda at 428-8359 (ahead), or on meal days, you may call Jan in the kitchen at 428-7630 before 10:30 a.m. for reservations.
- Looking ahead: Wednesday, September 25, seniors plan to leave the Center at 10:30 for Onsted to visit the Wooden Stone School for a tour at 1:00 p.m. This is a restored 141-year-old, one-room school house that engineers said would cost too much because the old building was too far gone. It traces its origin to the Rev. Robert Wooden of New York, who accepted an offer from Cambridge Township officials to build a one-room schoolhouse. He was paid \$500 for the job, which included hauling large stones from a nearby field and cutting and laying them by hand. (From the Jackson Citizens Patriot, August 1.) Give Erma a ring to go along and visit history.

September 1991

An Open Letter to the Manchester Community

This past year has been a tough one for business in the Manchester Area, as well as the rest of the country. And despite the less than ideal conditions of the economy, Manchester still is a great place to be.

During the 1990-91 year, the Manchester Area Chamber of Commerce grew from less than 20 to 65 members. From individuals to our largest corporate citizens, we're very pleased with the new, fresh interest in the Chamber. It's an exciting time for business in Manchester, and we're proud to be of service to the community.

With September comes the Annual Meeting of the Chamber, and we would like to extend an invitation to the entire Manchester Community to join us. The annual meeting will be held on Wednesday, September 18, 1991 at 12 noon at Haarer's Meeting Place on Main Street. A new board of Directors will be elected, and an interesting program presented. Lunch is available.

The Manchester Area Chamber of Commerce meets the third Wednesday of each month for our general membership meeting at Haarer's at 12 noon. Also planned for the coming season are a Business After Hours for networking, Breakfast meetings and some informative small business seminars.

Please join us at our annual meeting as we start another exciting year!

On behalf of the board,  
*Jim Linebaugh*

The Ann Arbor News picked Manchester to beat Clinton 16-7.

Detroit Lion's downed Green Bay on Sunday.

In U.S. Open Tennis Action, the women's champ Monica Seles.

U of M season opener successful—beat Boston College 35-13.

In Men's Soccer, Michigan State shut out Eastern Michigan 3-0.

Vinnie "Microwave" Johnson has had his plug pulled by the Detroit Pistons.

Detroit Tiger Cecil Fielder hit his 39th home run to lead baseball.

Bo Jackson is alive and well playing baseball for the Chicago Whitesox.

After losing the first two contests this season, the lady Dutch got it together trouncing Sand Creek 50 to 25. Joanne Kemner and Tracie LaRue both hit for 10 points to lead all scorers. Our little Dutch fell 24 to 38. L to R, front row: Melissa Steele, Amy Lannom, Sharon Fielder, Angela Roehm, Tracey LaRue. L to R, back row: Coach John Wilkins, Sarah Riske, Adrienne Wallace, Captain Joanne Kemner, Captain April Barrett, Captain Melanie Ball and Amber Minor.

SPORTS

At least it worked for J.V. Footballers.

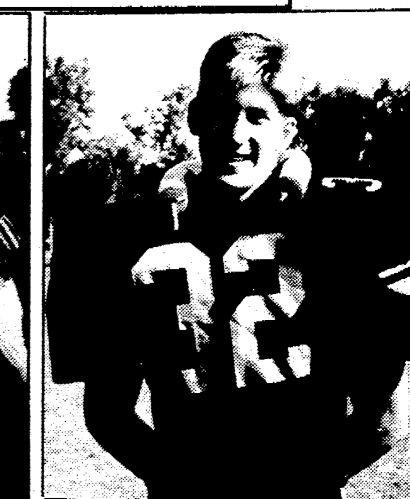

We opened the 1991-92 campaign hosting our arch-rivals Clinton unsuccessfully. The Redskins caused an early fumble and converted this miscue into six points. Late in the second quarter, Clinton crossed paydirt again and converted the two-point run, leaving the tally at 14-0. There was no scoring in the remainder at the game.

Running back Lance Fielder had 60 yards total. Clinton's Jim Roberts was unstoppable as he plowed 148 yards.

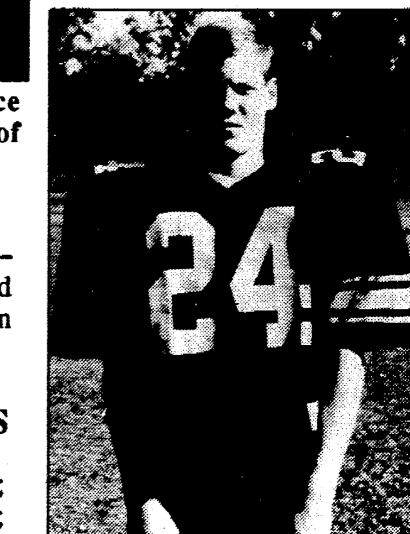

Join us next Friday as we bus to East Jackson. Scores around League.

Varsity football action. Pictured is #20, Lance Fielder, who is Wes Gall's pick as Offensive Player of the Game against Clinton last Friday.

Rick Lutton, #32, Defensive Player of the Week.

Matt Wiethoff, #24, is Wes Gall's pick for Scout Team.

Upcoming Games—September 12 host Chelsea and welcome Hanover Horton September 19. Game time 5:30.

### OTHER TEAM SCORES

East Jackson 20, Leslie 12; Hanover-Horton 30, Concord 0; Napoleon 27, Brooklyn-Columbia-Central 9; Springport 26, Vandercook Lake 12; Onsted 27, Addison 0.

Our Marching Band strutted their stuff Friday night.

## HOW MUCH DID YOU LOSE LAST YEAR ON NON-DEDUCTIBLE INTEREST?

Smart Money Managers Put Their Home Equity To Work.

As you know, Congress has phased out interest deductions on most consumer loans. An exception is a loan secured by your home. Which makes it a great time to apply for a home equity line of credit at First of America Bank.

**A Special No Fee Offer.**  
When you sign up for a home equity line by December 31, 1991, we'll waive all out-of-pocket expenses—no application fee, no processing fee, no appraisal fee, no annual fee.

**Put The Deduction Back In Your Interest.**  
The Federal tax laws allow you to use your home equity line of credit for any purpose you want. And in most cases, on loans all the way up to \$100,000, you may get to take a tax deduction.

**Take Advantage Of Your Tax Break.**  
Get your tax break with our home equity line of credit. You may use this line instead of other loans that are no longer fully tax deductible.  
You can also access your credit line simply by writing a check. And the payment schedule is flexible, too.  
However, using the equity in your home is not something you should do without careful consideration. Furthermore, there are some items—like normal living expenses, for example—for which a home equity line of credit is definitely not appropriate.  
So stop by your nearest First of America Bank-Ann Arbor office, or call 995-7777 for more information. We'll provide you with a free information brochure and an application. We'll also help you determine if a home equity line of credit is right for you.  
In no time, we can have your good credit working in your favor.

CARDS OF THANKS

The Manchester Firefighters Association wishes to thank all of the businesses, community organizations, and individuals that made contributions toward the automatic defibrillator that has been ordered. It is gratifying to see the support we have throughout the community. Any contributions received above the cost of the defibrillator will be used to purchase a training manikin for use with this machine. Again, a huge thank you and congratulations are in order for the whole community.

IN MEMORY

In Memory of Rick: Everyone has their own memories. I can think of you and smile and it keeps me going. To me you were the best and kindest man I ever loved. I loved you then, now and always will. Kay

Manchester Village Council Approved Minutes August 19, 1991

The regular meeting of the Manchester Village Council was called to order by President Kallewaard with the Pledge of Allegiance to the Flag at 7:00 p.m. Council members present: Kallewaard, Wallace, Brooks, Kwolek, Becktel, Gordon, Cooper and Clerk Tucker. Also present: Carl Werner, Vanessa Forsthoefel, Janet Shurtliff, Gretchen Waters, Mike McCarthy, Dan Myers, Ted Tapping, Dave Kemner, Marilyn Clark, Allen Clark, Don Rhee, Doris Hough, Ethelyn Rhee.

The minutes of the August 5, 1991 meeting were approved as corrected on a motion by Becktel, support by Gordon, abstain Cooper. Vote: Ayes—all.

AGENDA

The agenda was approved as amended on a motion by Gordon, support by Cooper, deleting 7g) Village Hall Maintenance, 7h) Finance Committee, 7j) Special Committee Village Manager Study. Vote: Ayes—all.

CORRESPONDENCE

Kallewaard discussed Michigan Municipal League memo concerning Mayor's Exchange Day 1992. Clerk to ask to have Village

paired with another community within 60 minutes of Manchester. Cooper passed letter/invoice from Washtenaw County Environmental Services Coordination Office for dues for 1991/92 fiscal year to Clerk for processing with monthly payables.

PUBLIC PARTICIPATION

Gretchen Waters and Mike McCarthy from the Washtenaw Development Council approached Council with information on 5 year plan summary. They provided Council with brochure on 1992-1996 Economic Development Initiative and asked Council to review and consider resolution at next meeting.

COMMITTEE REPORTS

SHERIFF'S REPORT - Sgt. Werner was present to answer Council's questions on July 1991 Sheriff Report. Explanation was given of time spent outside of Village by deputies, Sgt. Werner to talk with dispatchers and deputies again.

Motion by Becktel, support by Brooks to accept Sheriff's Report as submitted. Vote: Ayes—all.

Gordon asked about posting of truck route. Sgt. Werner to meet with Larry Becktel and Gary Wiedmayer to discuss parking on Duncan between Torrey and Divi-

sion. Wallace informed Werner of Parks Commission okay of 2nd volleyball court at Carr Park. PLANNING COMMISSION - Kallewaard noted memo from Planning on 2nd Public Workshop on development plan will be 7 p.m. Tuesday, September 17, 1991. Council also acknowledged receiving minutes of Planning's August 13 meeting.

SOLID WASTE AND RECYCLING - Gordon informed Council that Dick Stein has agreed to participate in Authority meetings. Gordon reported that the milk jug bins are in down at Walco Foods with the other recycling containers. Gordon asked that DPW call Laidlaw concerning newspaper bins. Next Authority meeting will be Aug. 28, 7 p.m. at Sylvan Twp. Hall.

Kallewaard reported on Western Washtenaw Authority meeting held on August 14th. Cooper informed Council that the Countywide Consortium will meet Thursday, 8/22 at the Northfield Twp. Hall. Cooper also informed Council that Milan does not have a Chipper, they collect only what they can compost.

DPW REPORT - Kwolek reported to Council a conversation with Jack Gould concerning City of Ann Arbor's auction of two chip-

pers, a 1966 and a 1969, both rebuilt. Gould offered to bid on the Village's behalf if authorized. Motion by Becktel, support by Kwolek to authorize Jack Gould as our agent to purchase either rebuilt chipper up to a maximum of \$2,500. Roll Call Vote: Ayes—all.

Kwolek also informed Council that he would have proposal on cost of maintaining a tree farm on Village park land for next meeting.

Kallewaard acknowledged receipt of indexed copy of Ordinance 190 that Council had adopted at the last meeting.

PARKS COMMISSION - Wallace informed Council of Parks Commission approval of second volleyball court at Carr Park. Sgt. Werner to have built. Wallace asked DPW to finish picking up flower barrels from those businesses that wanted them removed. DPW has list.

Discussion was held on festivities at Tennis Court Opening. Discussion was also held on having Gary Wiedmayer get another bid on installing a higher fence at basketball courts.

Motion by Wallace, support by Kwolek to recess Council and convene as Zoning Board of Appeals. Vote: Ayes—all.

Kallewaard opened the Public Hearing for the Milky variance request. The Village Zoning In-

spector requested that the ZBA look at use of residential lot as a private access drive.

Kallewaard noted that the applicant was present. Milkey explained to the ZBA his plan to build two houses on the 1.16 acre lot off of Granger Street and that the drive would be hard surfaced within 24 months.

Public Comment: Don Rhee was concerned with drainage during construction. Doris Hough wondered if applicant was aware that the lots are uneven.

Ted Tapping said he was not excited about having 2 houses adjoining his property, it seemed like a mini-subdivision.

Mrs. Clark and Mr. Clark were concerned with placement of access drive for safety reasons.

Mr. Tapping asked if allowing this lot split would be precedent setting.

Kallewaard noted that the Village Government does not have any authority over splitting of property to create lots, only if split would not meet regulations on setbacks, etc.

Mr. Rhee was concerned with proximity of garage and his barn. Written comment: None received.

Public Hearing was closed. ZBA held discussion: Brooks was unclear about type of variance acting upon. Kallewaard stated decision was on use of the lot. Kwolek pointed out section 5.305 shows the need for variance.

Motion by Kwolek, support by Kallewaard to approve use of lot for one private drive with access to Granger Street per requirements in 5.304 with conditions as follows:

- 1. Excavated soil from home construction sites will be hauled away from the site permanently. Grass & Sod around area to remain as much as possible to minimize run-off.
- 2. Hard surface drive to be constructed within 24 months of completion of 1st house.

- 3. The hard surface drive to have a grade at lower level to catch storm water and direct it so that it does not run off on Granger Street.
- 4. The access drive to be graded so that its slope conforms to the one on the drive on the east of it.

5. Each house to be connected separately to sewer and water mains on Granger Street.

6. DPW and Street Administrator to approve point of access to Granger Street.

Vote: Ayes-all.  
**ABBOTT VARIANCE**  
 Kallewaard stated there had been no public comment at Public

Hearing and one written correspondence in support of granting variance.

Motion by Bechtel, support by Brooks to approve variance request of Bruce and Sally Abbott with the recommendations of Planning Commission of a set back of 2-1/2 feet from property line for future maintenance of side of garage. Vote: Ayes-all.

Motion Bechtel, support Wallace to adjourn as Zoning Board of Appeals. Vote: Ayes-all.

RESUME COUNCIL

**CLERK'S REPORT** - Underground Storage Tank Soil Removal Cost Estimate: Motion by Wallace, support by Kwolek to authorize the Clerk to get a second bid on soil disposal and to go with the lowest bid of \$28.00 per ton or lower. Roll Call Vote: Ayes-all.

Clerk updated Council on lack of response to request for bids for bridge repair. Clerk to advertise locally.

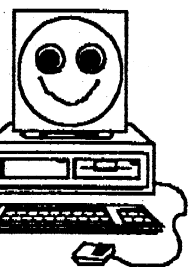

**OLD BUSINESS** - None  
**NEW BUSINESS**  
 Kallewaard asked that Council

change first meeting in September to Tuesday, September 3rd, due to Labor Day holiday. Council agreed.

Motion by Bechtel, support by Wallace to adjourn at 9:40 p.m. Ayes-all.

THE OPTIONS CD. IT'S NOT THE SAME OLD SONG AND DANCE.

"You put your

money in,

you take your

money out,

you put your

money in

and you

shake it

all about..."

Our new 3-Month Options CD lets you put your money in and take your money out anytime. You can make as many additions to a 3-Month Options CD as you like. And if you run into unforeseen expenses or want to transfer money to another investment, you can make one withdrawal of any amount. You can even close out your CD altogether — without penalty. Our impressive

interest rate and low minimum deposit of \$100 are something to dance about, too.

**3 Month CD**  
 5.56% effective annual yield on 5.45%

With an Options CD, you can waltz right in and change it anytime. And that's what it's all about.

Rates are fixed for the 3-month term but are subject to change. Effective annual yield assumes funds remain on deposit for one year at the same interest rate. Interest paid at maturity. Member FDIC.

OPERATION ENVIRONMENT

Preschoolers Hold First Fundraiser for the Year

"STOP—LOOK—LISTEN" to what Manchester's preschoolers are doing for our environment. The Manchester's Cooperative Preschool is very excited and pleased to announce their 1st fundraiser of the year. The purpose of the fundraiser is to help raise money for our preschool and also to help our environment.

We're talking about "Renew", the first trashbag to contain over 80 percent recycled plastic. Millions of pounds of plastic waste formerly disposed of in overcrowded landfills are now being recycled into trash bags. Most other plastic bags on the market contain little or no recycled plastics which does nothing to help our situation.

Recycling costs less, therefore helps to save the consumer's money. "Renew's" product-line includes most any kind of bag you need from tall kitchen bags to your lawn and leaf bags or heavy duty trash bags.

They also have an adult dish set and children's school kit which includes scissors, pencil, sharpener and ruler all made from post consumer recycled material.

As summer draws to an end and the cool nights of fall arrive, let us all begin by using these bags and help be a part of the solution to the solid waste crisis—not part of the problem.

For more information on how to purchase these bags, please contact Jane Long at 428-8165 or Terri Jackson at 428-9310, or any parent in the Manchester Cooperative Preschool located on the first floor of the Emanuel United Church of Christ.

Volleyball Tournament Spirited and Fun

For one afternoon only, Carr Park was revamped to host the 2nd Annual Kiwanis Volleyball Tournament last Sunday, September 15. Three volleyball courts were set-up in addition to the two new sand courts and on these 18 teams, mostly co-ed, fought tooth and nail for the 1st place championship and the "travelling volleyball trophy." Even with the temperature at greater than 90 degrees, some of the games managed to get hotter. Many teams had spirited individuals playing, but what seemed appropriate for any Manchester event, was that it still was as friendly and good natured as always. Everyone left Carr Park as friends and with more good memories.

We were blessed with good weather, which was probably accounts for the tremendous turnout, there were cars parked along the street because they couldn't get into the park.

Anyone who missed out this year, I would recommend putting it on your calendar for next year. Better yet—form a volleyball team of your own and I challenge anyone to try and beat the "awesome Enterprise" next year. We're headed for the #1 position.

Congratulations to all the teams, thanks for participating. Here are the top four winners:

- 1st—Manchester Plastics with Captain David Ross
- 2nd—Melcher Bros. Carpentry with Captain Steven Melcher
- 3rd — 6 pack with Captain Kay Robison
- 4th—Manchester Enterprise with Captain Vanessa Forsthoefel

Friday saw us visit the Trojans of East Jackson and on our third possession, we fumbled and E.J. recovered. I couldn't help but think this would be a long night. Much to my pleasure, our defense held them. Both squads proceeded to punt several times, with the last one being a beauty by Lance Fielder, which nestled inside their five-yard line. On the Trojan's next play they fumbled, and two plays later Rich Lutton scored from one yard with three ticks left in the first quarter. Jamie Sloat booted the extra point.

There were no points added in the second period. At half time, something really nice happened. A Dutchman fan was awarded East Jackson's 50-50 drawing. This person has several sons teaching and coaching in Manchester, one son teaching and coaching in East Jackson and three grandsons starting on the Varsity Football squad. Have you guessed the person? It's Clarence Fielder.

The only scoring in the third period was Jamie Sloat's 27-yard field goal. In the final period, we moved the sphere down the field, aided basically by Lance Fielder's rushing. The drive was capped off by John Ward. The conversion failed, leaving tally, 16-0. The Trojan's began to move through the air to score, but it was too little too late. The final buzzer sounded with the score, 16-6.

Lance Fielder led our team in rushing with 84 yards with 10 tackles. Robert Sloan had nine tackles. Be with us Friday as we bus to Michigan Center.

Free Fine Week

All is forgiven at the library! Well, maybe not everything, but from Sept. 23 to 28 most overdue items can be returned with no fines charged.

Now is the time to look under the couch, bed, car seat, or wherever your library books may get lost. All currently overdue items can be returned during Free Fine Week with no questions asked and no charges.

This includes all library items, except videos, no matter how many months they are overdue. Any money owed to the library for past fines including replacement costs for lost books are still applicable. Any questions? Call 428-8045.
