

Sixth Annual Vietnam Veterans Christmas Party Scheduled

In January 1992, President Bush proclaimed 1992 as the Year of the Vietnam Veterans. November 10, 1992, is the TEN year anniversary of the National Vietnam Veterans Memorial in Washington, D.C. There are from 500,000 to 1,000,000 Vietnam Veterans and family members expected to attend the ceremonies scheduled throughout that week in our Capitol. Many Vietnam Veterans from the area are making plans to attend the ceremonies in remembrance and honor of those who gave their lives in that War. There are 75 from Washtenaw County listed on that Wall. Through our Washtenaw County Memorial efforts over the past two years, we have met members of most of the 75 families; and the Memorial has created an even greater significance in us than when we started the project in November 1989.

A Vietnam Veteran member of our organization, Mr. Milton Davis from Manchester, Michigan, was recently installed as the Commander of the Washtenaw County Council of Veterans. That is the highest position in the many Veterans organizations in the County. It was just about four years ago, after a two-year struggle to have the Council acknowledge our organization, that we were granted a seat on that Council. Now the Commander is from our Vietnam Veterans Chapter. We feel that this is a reflection of the

character and accomplishments of our Chapter of Vietnam Veterans in Washtenaw County.

Our Chapter will soon begin its fundraising efforts for the Sixth Annual Large Christmas Party for the Veterans hospitalized at the Ann Arbor VA Medical Center. This year the Party will be on December 22 at 7:30p.m. The funds will be raised through contributions from the individuals, businesses and organizations throughout the area. In previous years we have used a professional fund raiser to help fund this event. Since we have completed our two year County Memorial effort, we are now able to do the fundraising ourselves, thus eliminating associated fund raiser costs.

This special Christmas party extends beyond the outstanding entertainment and refreshments in the Medical Center Auditorium. We visit all of the hospitalized Veterans in their rooms and share some warm Christmas spirit. Being hospitalized with often times no visitors over the Christmas Holidays is what we try to help the patients overcome. And every patient will be given a very nice Christmas gift from those who care. For those interested in making a contribution to cheer up our hospitalized Veterans this Christmas, please make your contribution to Vietnam Veterans Christmas Party Fund and send it to P.O. Box 3221, Ann Arbor, MI 48106.

Notice — Citizens of Manchester

On Sunday, November 8, 1992, 2:00 p.m., our American Legion Post will host the Veteran's Day Parade for the Washtenaw County Veteran's Council. There will be color guard, rifle squad, etc., from most all Washtenaw County Posts along with Girl and Boy Scout Troops and other service units. The Grand Marshal will be our own ex-Governor John Swanson.

At 3:00 p.m., there will be a dedication of the tank that is now on site. This dedication will be in memory of all Manchester area veterans.

We urge all area residents to line Main St. on Sunday in support of all Washtenaw County veterans. Please help us let them know we really do care.

Whadduya Know About the "Ark of the Covenant"?

Indiana Jones sought the mysterious, missing "Ark of the Covenant." Did you know that Catholics recognize Mary, the mother of Jesus, as the "Ark"?

Within Mary dwelled the fullness of God's presence among people. Sacred scripture and sacred tradition abound in references which honor Mary as the "Ark."

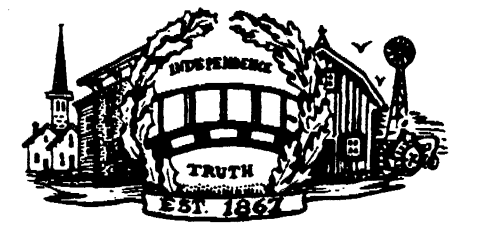

You are warmly invited to come to the "To Jesus Through Mary" Scripture Study group which meets Thursday evenings downstairs at St. Mary's Church. People of all faiths are welcome and will find these discussions interesting.

This week, November 5th, the subject will be "Mary, Ark of the Covenant." Come to hear more about our blessed Mother and about this interesting aspect of Church teaching!

The meetings review the perspectives of various Catholic theologians on the subject, and we explore in our Bibles the bases for such teachings. The result is interesting and dynamic, resulting in an increased appreciation for the Blessed Mother and a deepening of faith in our Lord Jesus Christ.

For more information, contact Bill Kwolek at 428-7674 or Janet Shurtliff at 428-9462.

Dedication Ceremonies of the M-60 Tank Memorial at the Manchester American Legion Emil Jacob Post 117. See additional pictures pages 8 and 9. — Photo by Kathy Kueffner

The Chaplains Prayer: (Delivered by Chaplain Charley Shields at the Dedication Ceremony Sunday of the M-60 Tank Memorial) "Almighty God, Judge men and nations, we stand before Thee today as loyal sons of our Country, grateful for its splendid heritage. We ask Thy blessing upon our great Republic. May America ever remain free and mighty and true to her best ideals. Bless the President of the United States and all public servants, that they may walk in Justice before Thee and that all their acts may redound to the greater welfare of our people.

"We pray Thy blessing upon our Flag, the emblem of the Republic. May it float forever on a free land. May our ancient watchword, 'In God we trust,' ever live, and may the faith of our father guide, protect and sustain our people.

"We ask Thy blessing upon The American Legion and its members. May we who served our Country in war continue in times of peace, to serve and to shield America throughout all our days. May this edifice serve for the good of many; in service to the living may it be a memorial to the dead. May we be eager and steadfast in our devotion to Justice, Freedom and Democracy. May we be ever loyal to our Country and to our God. May our service to the sick and disabled, to the community, the state and the nation merit and have Thy guidance and Thy blessing.

"Finally, we remember in love before Thee our departed comrades, who showed their loyalty in their lives and sealed it with their deaths. We pray especially for our comrades in hospitals and homes and wherever they may be, sick in mind and body. May their pain be eased and their burdens lifted, and may their heroic example be an everlasting inspiration. May Thy spirit rest upon this service. May it uplift us all to constant devotion to Thy teachings and to the welfare of our Country. Amen."

Mid-life Career Change to Car Sales

1st in a Series

by Ken Moull
Midwest Ford

After 23 years of being the customer I suddenly found myself on the other side of the desk as the salesperson!

At the age of 43 I found myself jobless and untrained for any other type of work. I had been employed at Double A for 23 years. It was the only real job I had had since high school. Their closing left me devastated and unsure what to do to earn a living. Since I had quit high school with only three months to go the only job training I had was from Double A.

I knew that I had a love of cars and a love of people. I have never been known to be overly ambitious but people respected me for my honesty and ability to tell it like it is.

With the help of Cheryl and Joan at the Resource

Center I obtained my GED, with renewed confidence I decided to go into car sales. Not many people believed me when I said that!

I'm not much of a talker around strangers but I knew I loved cars and I knew I had a God given talent for making people like me and believe in me. Most of all I believed in myself.

In February, 1988 I joined 28 others and enrolled in a training program at a large dealership in Jackson. I was the only one without any previous sales experience; a little intimidating, but I was determined.

At the end of the course the instructor informed me that he had had reservations about me but was impressed with my perseverance. He felt I was a likeable person and if I didn't get caught up in the sales lifestyle I would do great.

Incidentally, after a year, only 3 of 29 people were in sales and after 3 years I was the only one left.

Naturally when right out of a training program I was all fired up and enthused about selling cars. In short order I was ready to pack it in and quit. I couldn't believe the attitudes of most of the salesmen toward their customers and the methods of some of the dealers.

I understand that business is business but after being the car buyer for 23 years I had much different views.

My wife and the sales manager convinced me to stick it out, be myself, honest and treat people my way. They told me to make myself a living and at the same time give people a friend in the business.

I can't say that I make alot of money but I do O.K. and I can sit and visit with my

customers and not feel guilty facing them. It makes me feel good to hear people tell their friends and associates they bought their vehicle from me.

After about a year the dealership I was at went to a high pressure system of selling. The sales manager, who I consider to be a good friend, called me into his office and asked me to leave my job. I said "you mean I'm being fired?" He assured me I was not, but he felt I didn't fit into the new system. He didn't want me to change my personality or selling style. He suggested I find a small dealership to work at where I could be myself. Best of all, he offered to help me find the right dealership.

Next week I'll tell you about my experiences and my search for the right dealership environment.

Irish Hills Sweet Adelines Show

"Everything Old Is New Once Again" is the theme for the Irish Hills Sweet Adelines 21st annual show to be presented on Saturday, November 14 at 7:30 p.m. at the Crosswell Opera House in Adrian.

Three guest quartets will be featured. "Chordiology" is a mens' quartet, while "Sounds Appropriate" includes Sweet Adelines from Coldwater. "Music Box" has a sound like Manhattan Transfer with male and female singers.

Irish Hills' own quartet, "Friends-in-a-Chord", will also be sharing their harmony. The Irish Hills chorus, directed by Harold Miller of Jackson, will be performing a variety of songs old and new.

Tickets will be available at the door or may be purchased in advance from the Crosswell business office or from any chorus member. For more information, call Eileen Disbrow 428-8521.

JEFF HORNING NAMED OUTSTANDING YOUNG AGRICULTURAL LEADER

Farm Bureau is putting a premium on leadership for young farm men and women! The Michigan Farm Bureau Young Farmer Department has changed its leadership recognition program by establishing county and state awards for Outstanding Young Agricultural Leader. Formerly, the title was reserved for young farm women participating in the Young Farmer program.

In the first-ever award for Outstanding Young Agricultural Leader, the Washtenaw County Farm Bureau selected Jeff Homing, of Manchester, for the honor. The award is based on Homing's contributions to agriculture and knowledge of the issues facing agriculture. Jeff has also been nominated for the statewide honor and is one of the four finalists selected for the state title of Outstanding Young Agricultural Leader. Judging will be held in conjunction with the Michigan Farm Bureau Annual meeting Young Farmer Day, December 2, 1992 in Grand Rapids.

Applicants must be Farm Bureau members (regular classification) and not have reached their 31st birthday before Dec. 31, 1992. Only one applicant per county is eligible to compete in the state Outstanding Young Agricultural Leader Contest.

The winning contestant will attend the American Farm Bureau Federation annual meeting in Anaheim, California, Jan 10-14, and also attend the 1993 National Young Farmer and Rancher Leaders' Conference. In addition, Great Lakes Hybrids, Inc., will award the state winner with \$1500 in GLH products.

Jeff and his wife Lynda farm with Jeff's parents, Earl and Diane Homing who live on Pleasant Lake Road. They farm 450 acres and milk 85 cows three times a day. The crops they grow are for feed for the herd. Jeff graduated from MSU with a degree in Agriculture, majoring in Food Systems Management. He and Lynda have a daughter, Katelyn.

BOB WALTER IS THE PROUD SPORTSMAN OF THIS BUCK!!

Shot October 15th, at about 7 p.m., before the time change. A 12 point officially but actually the rack had 17 points. The largest buck brought in up at Knutson's Sporting Goods in Brooklyn this year, the buck had a 20" spread and field dressed at 202 lbs. Bob shot his buck in Manchester township with a compound bow. He rattled the deer in (which is knocking other antlers together). The big buck thought it was a couple of other bucks fighting - and he came in to protect his territory. Bob watched him for about five minutes until he got within approximately 10 yards. He shot one arrow from his tree blind, the buck went about 30 yards and dropped. The buck was 3 1/2 years old according to Knutson's. It took three men to pull him out of the woods with Mom directing the flashlight. Bob is an avid bow hunter - Way to rack it up Bob!!

MANCHESTER ENTERPRISE The Second Front Page: Home Ownership - Build?

Emory Garlick Over the past eight years since becoming the building inspector for the Townships of Bridgewater, Freedom and Manchester people have asked me about housing in the area. Potential home buyers or builders seem to fall into three groups. First time home owners, families that need larger quarters, lastly empty nesters or seniors that want a smaller house.

We have covered, within past issues of the Enterprise, alternative housing such as mobile homes, as are in Manchester Manor, Brooklyn Living Center retirement living, and the proposed Senior Citizens Housing proposed along Territorial Street.

Many Real Estate companies advertise housing in our Classified section. This article will attempt to deal with building a house, selecting a site, a house plan, choosing a contractor and actually building a house. We hope to be informative without scaring you, the potential home builder.

Thinking about a house? (1) You are a newly married couple or first time buyer, or (2) You own or have an equity in your home, your family has expanded and more room is needed.

(3) Perhaps the golden years have arrived and the house is just too big and expensive to maintain.

Have you been considering the options available to you?

(1) First time buyer. You have limited finances, with little or no money available for a down payment, and renting a house or apartment is not for you. What are your options? Modular unit

(2) Disadvantage: The seller owns the house until the last payment is made. You can lose the house if your payments are not made. Most land contracts are for older homes. You as the buyer are responsible for all repairs and maintenance. Consequentially you may encounter

at Manchester Manor? Maybe you can't get financing or you would rather have a house with trees, lawn and a little more privacy. You have made up your mind and want a house! Consider the possibility of finding an existing house that suits your needs. Find a reputable Real Estate agent of your own or ask the seller's agent if a land contract is available.

What is a land contract? It is the sale of property, from a willing seller to you the buyer, without a financial institution providing funds. Down payment can be as low as 5% or possibly less.

The seller collects the monthly payment, principal and interest, on a contract that may extend for a period of years. A balloon or prepayment privileges are desirable. What is a balloon? That is the principal balance due after a specific period of time. This can allow you to build an equity in the house sufficient to obtain a mortgage. Most financial institutions require 20% down on an appraised value. First time home buyers generally are unable to raise a 20% down-stroke.

Architect's can plan for you and your specific needs, but check out what their fee's are and what they will do for those fee's, BEFORE you enter into a contract. Fee's can cost up to 15% of the completed contract amount. On a house of \$100,000 that is \$15,000. Most architects are flexible. They can prepare plans, materials lists, select gen-

eral contractors or trades persons, masons, carpenters, plumbers, electricians, mechanical contractors, etc., etc.

Generally architects have access to several general contractors that will build your house. The General contractor will provide all trades people and coordinate the construction. A contract with specifications and contract price is desirable and necessary in order to get financing. Extra's or add-on's should be covered in the contract with builder's fee's and percentage of mark-up predetermined. Add on's pricing, should be agreed to before the add-on is started. Saves a lot of grief and you will know if the budget for the house is OK.

As a single person the criteria became, modest floor area that would not demand a great deal of time to keep clean. On the first floor, living room (great room), kitchen-dining area combined, laundry facilities, pantry, master bedroom, walk-in closet, large shower, location for a small hot tub next to the master bath, rear entry area with a entry closet and place to shuck the out door clothing. Throw in a deck or area to set the grill for the outdoor food flavor.

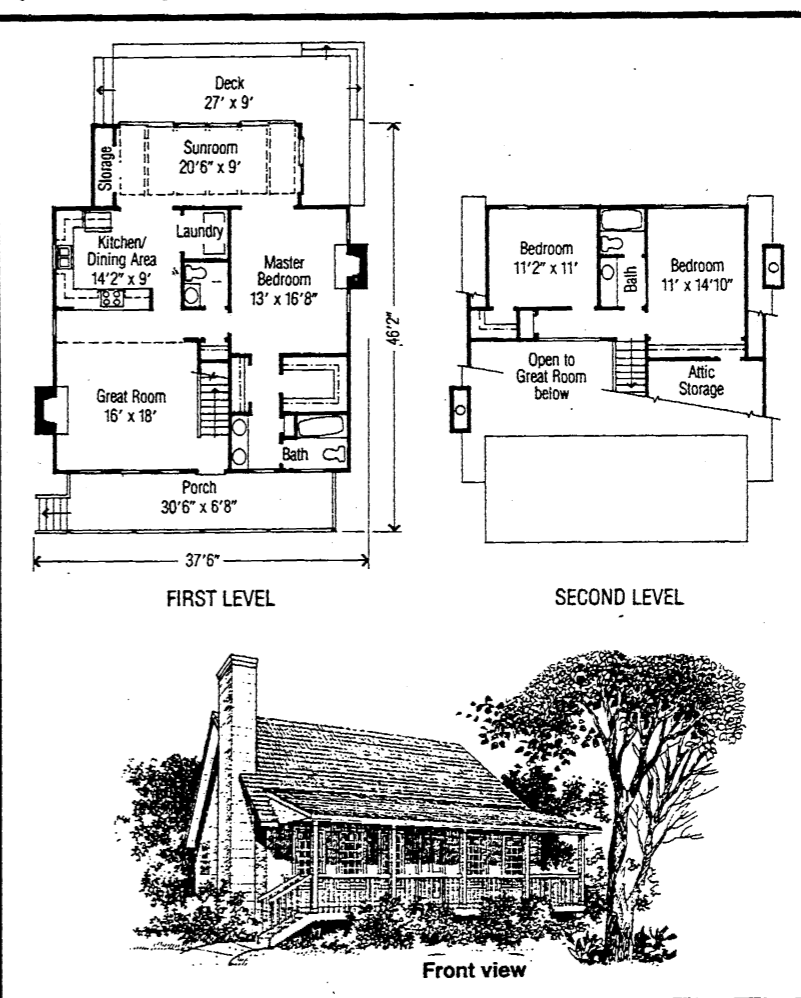

A second floor that could accommodate a couple of bedrooms and bath for company.

Grab a handful of plan books and start looking. Fortunately over the last few years I subscribed to Home magazine. In the back of each issue are from 2 to 8 house plans. Those plans have also been compiled and published in a plan book. That book groups houses into various floor area group's.

After a week a floor plan was found that could be modified to fit my fancy. The plan I selected is reproduced here.

NEXT WEEK PLAN CHANGES, SITING THE HOUSE, PERMITS, SELECTING A CONTRACTOR AND GETTING STARTED.

I have a lot in West Village Subdivision on the Deutschgrat limits within Manchester

I do not like to contemplate living on a rutty, muddy, gravel road where natural gas was unavailable. The wear and tear on an automobile, additional car washing chores and longer travel times was not for me. Fortunately, I had a lot available.

OK!! I decided to build. What to build?

Step one; Determine my needs:

As a single person the criteria became, modest floor area that would not demand a great deal of time to keep clean. On the first floor, living room (great room), kitchen-dining area combined, laundry facilities, pantry, master bedroom, walk-in closet, large shower, location for a small hot tub next to the master bath, rear entry area with a entry closet and place to shuck the out door clothing. Throw in a deck or area to set the grill for the outdoor food flavor.

A second floor that could accommodate a couple of bedrooms and bath for company.

Grab a handful of plan books and start looking. Fortunately over the last few years I subscribed to Home magazine. In the back of each issue are from 2 to 8 house plans. Those plans have also been compiled and published in a plan book. That book groups houses into various floor area group's.

After a week a floor plan was found that could be modified to fit my fancy. The plan I selected is reproduced here.

Editorial / Opinion

OUT and ABOUT

— by gar

The election is over, long live elections. Without them we would not have the ego seekers, do-gooder's and some good folks dedicated to helping run our democratic process and seeking office.

What I find amusing is that before the elections most of these folks have all the answers, then after the elections they find they cannot remember the questions.

OK, hot-shot Democrats on the national scene and all-knowing Republicans in the State legislature, DO YOUR THING!

The voters have said: Nationally, we want the economy strengthened, people put back to work, national debt reduced, better health care, improve education, more done about AIDS, shore up the banks and S & L's, kick the crooks out of congress, limit terms of office, get rid of lobbyists, do away with big campaign funds, settle the abortion issue so everyone is satisfied, jail all the law breakers, do away with discrimination of women and minorities, restrict imports but increase exports, etc, etc. DO NOT, HOWEVER, INCREASE TAXES, tax the rich that's OK!

How did that saying go? Don't tax you, don't tax me, tax that guy behind the tree.

Now let's nail the State Legislatures' s hide to the wall! We want you dummies to reduce our property taxes, reform the insurance laws so that the needy are provided for but the greedy are cut off. We don't want them dang liars, or is it lawyers, to get the awards the courts award to disadvantaged. We want you dummies to restore the state auto industry to prominence, save our water, improve our ecology, improve our roads, send more money to the schools, improve the standard of living of the state's residents, etc., etc.,

And while you are at it make us all smarter, give us time off to raise families, vacation one out of every four months and don't challenge us to do anything, just do everything for us.

Yep, you electees got your work cut out for you. Don't you!

To The Editor:

On Saturday night while trick or treating with our children on Territorial Street, we witnessed a fireman responding to a call. This individual did indeed have red lights flashing — no sirens, but was going at least 50 mph.

This street at the time was full of young children. I realize the urgency involved when an alarm sounds, but at the rate of 10-20 seconds difference would the price of a child's life been worth it?

I would appreciate it if you would withhold my name for obvious reasons.

Mid-life Career Change to Car Sales

2nd in a Series

by Ken Moull
Midwest Ford

This week I decided to tell you about some of my automobile sales experiences. Every salesman probably remembers his first customer. I remember Mine!

On the last day of my training seminar our instructor took us to lunch. When we returned we spotted a customer. The instructor wanted to know who was ready to try one on. I was the only volunteer, but I figured I had to start sometime.

I made my first sale on my first try and while I was still in training. The customer and I are still good friends today. He says it was the fastest he ever bought a car in his life and the first Chevy in 46 years. I also sold an older couple a two-tone brown Caprice right off the showroom floor. The customer's wife told me later she couldn't understand what happened. Her husband hated brown and vowed he would never buy a car off the floor.

Many of you know, I talk very fast. While selling a vehicle to an older couple from the south once, the fellow turned to his wife and said "What the hell did he say?" She replied, "damned if I know, but buy the car, I like him." On another occasion 5 or 6 salespeople walked by a particular gentleman because it was obvious he had been drinking. He was swaying back & forth and

his shirt was half hanging out. I went up to him and asked if I could help him. He said yes and maybe I'll help you. He asked me to give him a ride in a new Honda Prelude. He knew he was in no condition to drive. When we returned I asked what he thought. He replied, "Throw in rustproofing and I'll pay sticker price." I said, "Sir, nobody wants to pay sticker." He told me I took time for him when no-one else would and he could afford it and I earned it.

Another customer I had was very rude, but I kept trying to be patient and work with him. Finally, I said, "Sir, I don't want to sell you a car." As I turned to walk away I turned right into the owner. Several minutes later I was summoned to his office. I thought for sure I'd be fired. He said "Son I listened to the whole conversation and I was amazed with your patience. I expect you to be courteous at all times, but you don't need to be abused. I would have sent him away sooner."

The hardest part of making a career change was learning to control my temper. I don't believe the customer is always right, but I will do everything I can to meet their needs. Recently, I had another older couple for the first time. During our conversation I mentioned I was going to Charlotte, where they lived, to a car show. They asked me if I was staying over or just spending the day. I said

I was driving back & forth as it wasn't too far and there weren't any rooms available. That evening their grandson tracked me down at the show and offered me the keys to their trailer to use for the weekend. That shows you what kind of nice people you can meet in this business.

The key to being a good salesperson is putting yourself in the customer's position and really listening to what they say. My customers are my friends. One customer's family bought six cars from me in 2 years, and another five vehicles in 2 more years. I have gone to people's homes and offices to sell vehicles. I've sold some in bowling alleys, on the golf course, and even over a pool table. (I lost the game though!)

One fellow who has since become a good friend told his wife he was going to buy a Lincoln Town Car. He stopped in to see me on the way and ended up with a Monte Carlo SS. The sales manager thought I was pulling his leg: nobody shops for a Town Car and then buys a Monte Carlo! But that night the customer was back and we finalized the deal. My sales manager ate his words. My toughest yet funniest sale was to a man of Korean descent. I talk fast and he didn't speak much English. Everything I said, he smiled & said O.K. So, I thought I'd get smart and press my luck, I pointed at the sticker price and said O.K.? He lost his

smile and said an emphatic NO! We made the deal at a fair price & the sales manager said it was the most fun he'd had in a long time.

Since I've been in the business I have realized that honesty and friendliness sell vehicles, and we can't ever pre-judge people.

A friend almost lost a sale when a young man of 17 inquired about the price of a Mustang GT. The salesman laughed and asked if he could afford the down payment. He stopped laughing when the young man laid down \$9500 in cash and said his Dad would sign for the balance that evening. The young man had been saving his money for 4 years.

Another customer appeared in faded Levi's and a holey T-shirt. He bought a car & a truck from me within two days time. Sometimes a customer buys on the first visit, sometimes it takes a week or a month. One local gal took three months to sell. One friend spent a year and a half and 8 visits making up his mind. I understand the value of a dollar and a vehicle is a major investment. I rely on my honesty to bring folks back after the first visit.

Next week I'll tell you about some of the challenges we face as customers and as salespeople. Hope I can answer some of your questions and that you are enjoying this series.

MANCHESTER AREA HISTORICAL SOCIETY

On October 20, 1992, the Manchester Area Historical Society journeyed to our neighboring town of Clinton. It was a good trip over on the new Senior Citizen's bus, thanks to Howard Parr.

The Clinton Historical Society was a great host. The speaker was John Stewart of Norvell who had a fine slide and talk program on the Ford plants that operated along the Rouge and Raisin Rivers. It was a nice time for all and the Clinton Historical Society will be our guest next October.

Our November meeting will be at the Blacksmith Shop, Tuesday, November 17, 7:30 p.m. Elaine Watson, author from Ann Arbor, will present the program. Ms. Watson is a graduate of Manchester High School and the University of Michigan. We've looked forward to her visit for long time. The public is cordially invited.

Reno Feldkamp, president

Considering the Reported Visions of Mary...

Throughout the world in recent years, there have been many reports of Mary, the Mother of Jesus, appearing on earth and speaking to those to whom she appears.

The Catholic Church regards these reports with great caution. In the case of the appearances at Lourdes in the mid-1800's or Fatima in the early-1900's, the Church approved the appearances. However, the Church never requires that one believe in them. An appearance is considered to be private revelation, intended for the person to whom it is given.

Nevertheless this subject is an important part of any consideration of the Catholic regard for Mary. You are warmly invited to this week's session of the *To Jesus Through Mary* Scripture Study series. The subject will be "Modern Apparitions of Mary and Her Message to Us." People of all faiths may find the subject interesting. The meeting will be held this Thursday, November 12, at the Blacksmith Shop, 324 E. Main Street, from 7:45 until 9:45 p.m.

With the insight of renowned Catholic lecturers and scholars as presented in audio and video tapes and in written materials, the discussion will consider a number of facets of the subject, from scriptural allegory to what Mary is reported to be saying.

For more information, contact Bill Kwolek at 428-7674 or Janet Shurtliff at 428-9462.

Federal Surplus Foods

Federal Surplus Foods will be distributed on Friday, November 20, 1992. Commodities for November are butter and peanut butter. Food is distributed each month from the Manchester United Methodist Church, 501 Ann Arbor Street, between the hours of 9:00 a.m. and 11:00 a.m. or while supply lasts.

If you have not registered for the "CHRISTMAS SHOP", please remember to do so on November 20.

Subscribe to *The Enterprise* — Keep up on what's happening in your town.

Manchester Township Library

"Michigan's Oldest Township Library" Established 1838

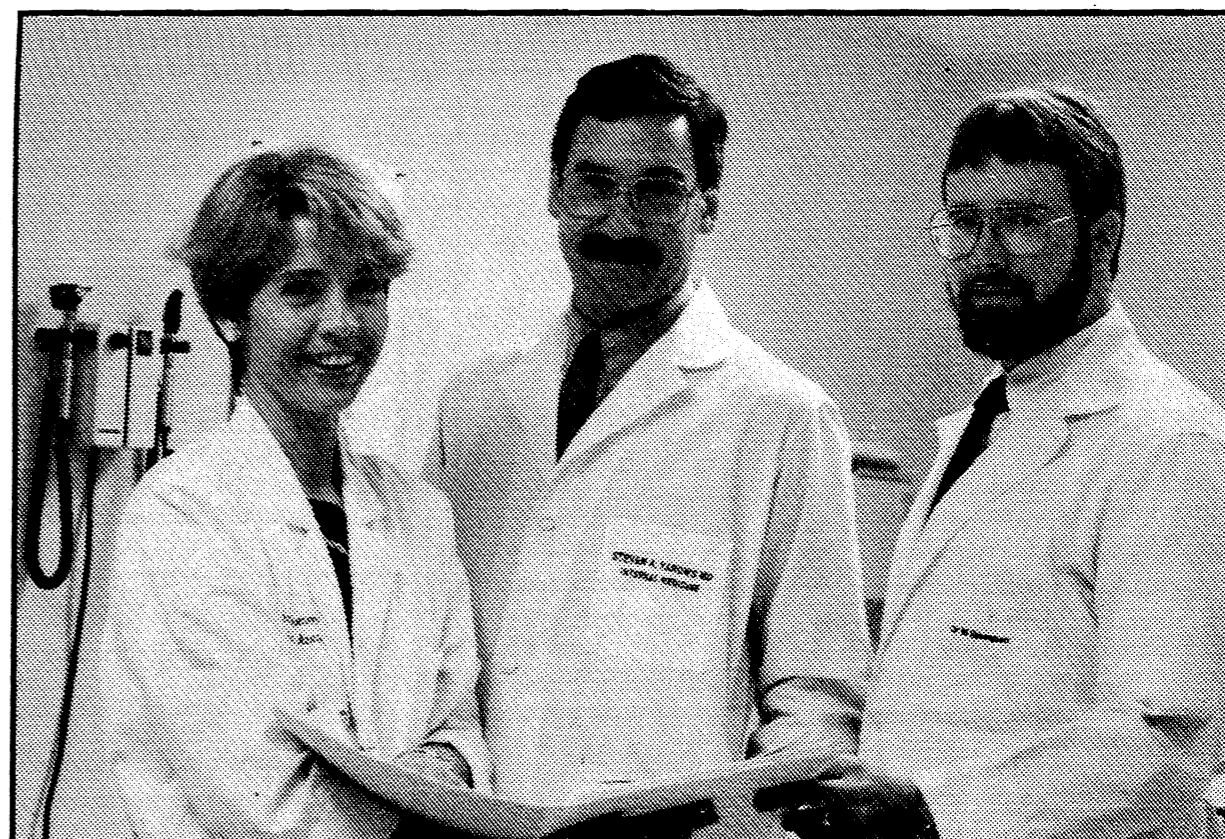

Library volunteer Anne Fowler places books on the new shelves.

This week the Manchester Township Library increased the shelf space by adding four new bookcases in the first floor rooms. The Board of Trustees voted to purchase the additional shelves with part of a legacy left to our Library by Mr. Ralph Scheid, a local resident who died last year. Mr. Scheid, a Sharon Township farmer, also remembered the library at Topine, MI in his will.

Earlier this year the Library replaced the old copy machine with proceeds of the legacy.

It is a lasting memorial to name the Library in a will or as a memorial to a friend or rela-

tive. During recent years friends and relatives established the Franklin and Claire Reck Fund for special long-time purchases for the Library, the Adler Memorial Fund from which special books are purchased each year, and individual memorials for books purchased "in memory of" specific individuals. During 1990-91, Library Director Dorothy Davies added 50 books to the collection either "in memory of" or "in honor of", some in lieu of Christmas or birthday gifts. Each book so designated contains a special book plate specifying donor's and honoree's names.

THANK YOU.

To Chelsea, Dexter, Manchester, Saline, Pinckney, Stockbridge and the surrounding communities... thank you for trusting us to be your family doctor.

We are pleased to announce the addition of Physician Assistant Karen Cummings to our staff. Karen brings a new focus on women's health to our practice.

Karen, Dr. Steven Yarows and Dr. Martin Gleespen are accepting new patients. For appointments and information, call 475-8677. Evening appointments are available for your convenience.

Chelsea Internal Medicine Consultants, PC

OBITUARY

Amanda R. Widmayer

Formerly of Manchester Age 95, of Saline, passed away on November 6, 1992 at the Saline Evangelical Home. Amanda was born in Manchester on December 23, 1896, the daughter of Fred and Rose (Jedele) Haarer. On January 24, 1917 she was married to Wallace G. Widmayer and he preceded her in death on August 5, 1989. Amanda was a life member of Emanuel United Church of Christ and also a member of the Emanuel Women's Guild. Amanda is survived by two sons: Lyle and Maxine, Widmayer of Manchester, Richard and Loretta Widmayer of Macheseter; one daughter-in-law Della Widmayer of Manchester; 10 grandchildren and six great-grandchildren. She was preceded in death by her parents, six brothers, four sisters, and one son, Vearl.

The Widmayer family received callers on Sunday, November 8 at the Jenter-Braun Funeral Home. Funeral services were held on Monday, November 9, 1992 from the Funeral Home with the Rev. Paul Kuntzman officiating. Interment took place in the Oak Grove Cemetery.

Those wishing an expression of sympathy for the Widmayer family may make memorial contributions to Emanuel United Church of Christ or to the "Sunshine Group" of the Saline Evangelical Home

Martin Named "Mason of the Year"

—T.V. Ludwick

From the *Novemboar Pig Calendar*: "Shoat Quote: An abundance of square meals can make a pig too round."

EMU Converts Degrees

Eastern Michigan University has conferred advanced degrees as a result of studies completed upon the following Manchester residents:

Debra Boham, MA; Anne M. Kuebler-Walkow, MA, and Janene Niedzwiecki, MA.

SIUC Awards Degree

Lorrie A. Young of Manchester received her BS degree from Southern Illinois University at Carbondale, Illinois.

MFB Announces Scholarship Program

The Michigan Farm Bureau Board of Directors has approved a new Farm Bureau Scholarship fund program. Under the new program, two Michigan Farm Bureau scholarships will be awarded each year: A \$1,500 scholarship to a two year Michigan State University ag student, and a \$3,000 scholarship for a four year MSU ag student.

Past Master William D. Martin named "Mason of the Year", Manchester Masonic Lodge #148.

Manchester Masonic Lodge #148 Free & Accepted Masons, elected Past Master William D. Martin as their "Mason of the Year."

Worshipful Brother Bill Martin has worked tirelessly this year. His dedication to the craft has helped bring more attention to the Masonic fraternity especially the Masons and the general public in Manchester. This honor entitles Brother Martin's name to be entered in the District and Michigan Mason of the Year selection process. Good luck, Bill and thank you from all your brothers.

Other business conducted on the regular business meeting included electing the new officers to represent Manchester Masonic Lodge for 1993. The new officers are as follows: Worshipful Master James Schook, Senior Warden Bradley A. Seales, Junior Warden Donald Lee Burchett, Senior Deacon Matthew Donnellon, Junior Deacon Martin Braun, Secretary Max W. Walter P.M., Treasurer Donald A. Seales P.M., Chaplin Earl R. Alber P.M., Tiler William D. Martin P.M., Marshall John W. Schook P.M.

Our next meeting is November 16, 1992. Our installation of officers will be the 14th of December. For reservations, call any of the officers. See you all soon.

Senior Citizens News

November brings out the avid hunters and what stories they tell! I have one from my cousin near Alma that I will pass along. Her niece "got a buck and doe both at the same time", as quoted. The only trouble was she had her mother's '92 Buick. She got some cuts, air bag never came out. The deer hit the hood, front windows and roof. Lucky gal, you betcha. The letter didn't state whether she could keep the remains or not. Guess air bags work only when the front bumper is involved, huh?

Thursday, November 12: Craft class at 9:30, Chinese will appear on our plates by the magic of Jan and crew with bingo at the Center following.

Monday, November 16: A trip to Walmart is planned, seniors' bus leaves the Center at 9:00. Call Erma Alber at 428-8707 to ride along and enjoy.

Tuesday, November 17: Clergy presentation will be given by Pastor Reineck beginning at 11:15. At 12 noon, meat loaf is featured at senior meal in Emanuel's dining room for all who are 55 or older in our area. Come and enjoy — Jan presented the idea that this is your restaurant to come socialize and enjoy companionship and food. Your needs are filled, she treats each as a special "customer".

Virtue is like rich stone, best plain set.

Come try these fabulous meals. Wednesday, November 18: A Jiffy Mix tour begins at 1:30 in Chelsea. The senior bus leaves the Center at 11:30 and you may call Erma to go along.

Thursday, November 19: This is the last current craft class to be held and it starts at 9:30. At noon, Jan is serving chef's choice. Speaking of deer, it makes a person wonder if this might be the day. Honestly, you never know about Jan — we know it will be something good to eat. Tonight, the euchre players will converge at Pleasant Lake and Freedom Township Hall for the last monthly senior sponsored card party until March. Fun begins at 8:00 p.m. and bus pickup begins at 6:30. Call Erma if you wish a ride.

VETERANS' DAY 1992

Dedication Ceremonies 1992

Veterans of the Vietnam War represented in the Veterans' Day Parade down main street, Sunday. — Photos by Kathy Kueffner

As the French words indicate at the top of this World War I boxcar, there was room to transport 40 men and 8 horses.

As the names of Manchester soldiers killed in action were read, a flag was placed in each one's memory around the M-60 tank memorial. Pictured above, John Burnison, a member of the American Legion Post 117 color guard, places one of these flags.

To add length to short stemmed flowers, slip stems into drinking straws before placing in vase.

Approved Proceedings Manchester Village Council

October 19, 1992

The regular meeting of the Manchester Village Council was called to order by President Becketl at 7:00 p.m. Council members present: Becketl, Brooks, Cooper, Gordon, Marshall, Reinhart, Taepke, Clerk Tucker. Absent: Manager Wallace. Also present: Diane Schwab, Jean Robert.

The minutes of the October 5, 1992 meeting were approved as presented on a motion by Marshall, support by Brooks. Vote: Ayes-all.

The proceedings of the October 5, 1992 meeting were approved as presented on a motion by Reinhart, support by Gordon. Vote: Ayes-all.

The agenda was approved as amended on a motion by Marshall, support by Cooper. Vote: Ayes-all.

The Clerk advised Council that the Village has been paired with the City of Leslie for Mayor's Exchange Day during the week of May 24th, 1993.

Public Hearing for Pilot Industries Inc. is scheduled for October 26th at 8:00 p.m. The Clerk read the resolution from Consumers Power as follows:

RESOLVED: That it is hereby deemed advisable to authorize Consumers Power Company to make changes in the streetlighting service as provided in the Standard Streetlighting Contract between the Company and the Village of Manchester, dated February 16, 1979, in accordance with the Authorization for Change in Standard Streetlighting Contract

dated as of October 19, 1992, heretofore submitted to and considered by this Council; and

RESOLVED, Further That the President and Village Clerk be and are authorized to execute such authorization for change on behalf of the Village. Motion by Marshall, support by Reinhart, to accept the resolution as read. Vote: Ayes-all. This change allows for the two new lights, one at Main and Territorial and one on Granger.

Motion by Becketl, support by Brooks, to approve the proclamation as presented designating October 24th thru November 1st as National Red Ribbon Week in the Village to promote a drug free America. Vote: Ayes-all.

SHERIFF REPORT - Motion by Marshall, support by Gordon to accept the Sheriff Report as presented. Vote: Ayes-all.

Motion by Marshall, support by Gordon, to amend Chapter 2 of the Code to allow for payment of Village President and Council Trustees for special meetings. Petitioner to Council to bear the cost of the compensation. Vote: Ayes-all. Ordinance 204 is effective immediately.

WASTEWATER TREATMENT PLAN EMPLOYEE UPDATE - Motion by Reinhart, support by Brooks to hire Todd Knepper as Wastewater Treatment Plant Trainee at the hourly rate of \$7.56. Vote: Ayes-all. Motion by Becketl, support by Gordon, to adjourn at 8:35 p.m.

Dutch Take Charge Of The Chargers

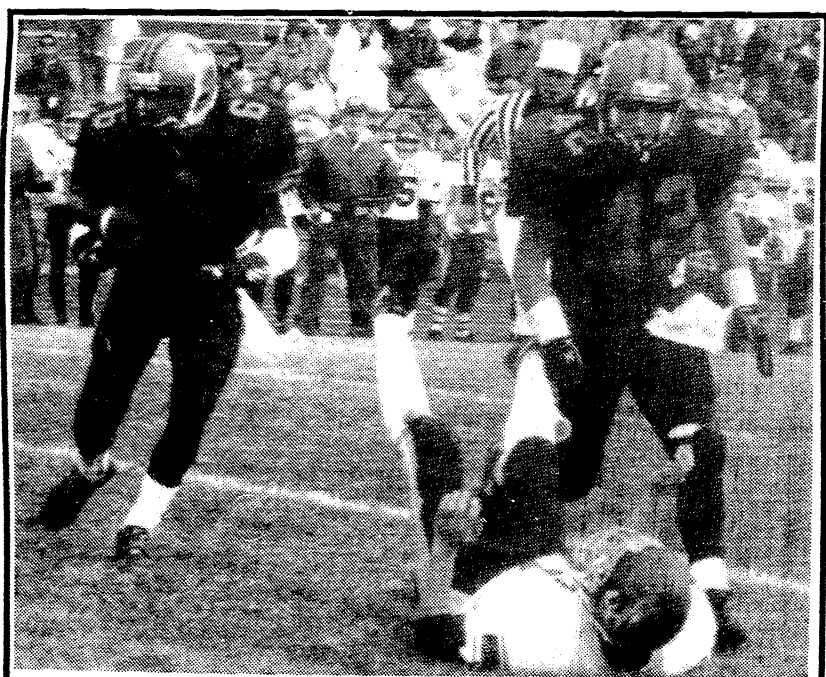

—Patrice Faulhaber

Dutch defense swarms. — Photo by Jon

#6 Jeremy Davis sweeps left, looking for a hole as #42 Jamie Sloat blocks. — Photo by Ray Meyer

As I walked into the stadium Saturday someone asked, "I wonder which Manchester team will play today, the hot one or the cold one?" Well, the chill in the air came from more than just the weather. Manchester managed a 16-6 victory over the Chargers from Union City, but the game wasn't decided until the final minutes. The Dutchmen will take on the Jonesville Comets in their second match up of the season in the bid for Regional Champs Friday, 7:30 p.m. at home (Note time change.)

The game started out a little shaky to say the least. It was the first time all season a team returned the kick-off past the midfield stripe. Eric Faulhaber was there to stop the run, a play which earned him special team player of the week. The drive ended with a failed 32-yard field goal attempt by the Chargers. The Dutch took over on the 20 and in spite of the efforts of Sloat and a 47-yard pass play to brother Matt, Tom Fielder couldn't get the ball into scoring position. The Charger defense was relentless and the score at half time remained 0-0. They were obviously very well prepared for the Dutch offense. The Dutch "D" did their job holding the Chargers to a scoreless first half.

Early in the second half Puscas and Matt Fielder came out hard, stopping the Charger drive. Late in the third quarter Tom finally found a way past the Charger defense. With carries by Sloat and Jeremy Davis the ball was within field goal range and Strook booted it in for a 3-0 lead.

It was a struggle by both teams but Sloat turned things around late in the fourth quarter. He intercepted a Charger pass and ran it in for the would-be touchdown if not for a Dutch clipping penalty. Manchester retained possession on the 50-yard line. A beautiful 49-yard pass play to Matt Wiethoff and a good kick by Sloat gave Manchester a 10-0 lead with 2:40 left in the game.

The momentum was with the Flying Dutchmen as on the next Charger first down Corwin and Brad Davis teamed up for another Manchester TD. Corwin

Dutch cheerleaders motivate the fans. — Photo by Teresa Benedict

intercepted the pass and headed for the end zone, as he was tackled the ball bounced out, but Brad was there to finish the job, he scooped up the ball and ran it in. Sloat's kick was short but Coach Gall was breathing a little easier with the score 16-0.

The Chargers pulled off six points with three quick passes and a TD pass into the end zone, the two-point conversion failed. They tried an on-side kick which landed at the feet of Matt Fielder and the game was over. Though it's never just five or six players who determine the outcome of any game these players are worth mentioning: Ahrens (a 42-yard punt), Gould (blocking), Hagen (for offensive player of the week). For every player who is mentioned on a specific play there are 10 players doing their job so he can look good.

The Regional Championship game is scheduled for 7:30 p.m., Friday at home. Come ready to make some noise and

wave your banners. The players have made several comments on how the crowd helps them stay fired up, the more noise the better they like it! The regional title was snatched away from Manchester last year by Harbor Beach, but this is a new team and the attitude is different. The team is fairly healthy and very excited about winning! There have been no complaints about missing the upcoming hunting season, they have one priority and that is football! The juniors on the squad are hungry, the seniors are confident leaders, well aware of the commitment and focus it takes to go into an extended season. Even though they beat Jonesville two weeks ago 40-0, they know they must play 48 minutes of hard-hitting football to take the title. Jonesville will show up ready to meet the challenge but the Dutchmen will not go quietly! In the words of singer John Mellencamp, "How bad do you want it?"

Varsity Girls Roundballers Update

— by Jon

Varsity Basketball: Adrienne Wallace shoots. — Photo by Jon

We hosted two teams last week: a very tough Addison squad and Michigan Center, the latter team on Parents' Night. We lost in a close contest to the Panthers, 40-45, but came back to defeat the Cardinals, 43-31. Now with this last win we have seven wins and six losses in conference play with one league game remaining.

In the Tuesday night game, Sarah Riske scorched the net for 23 points, while grabbing 11 rebounds. Adrienne Wallace popped for 8 points and Kerri Keller contributed 6. Amber Minor had 4 assists on the night.

On Friday, we hosted Michigan Center and turned a close battle into a runaway by outscoring the Cardinals, 13-4. Adrienne and Sarah hit for 11 points apiece, with Tracy LaRue getting 7. Amber and Kerri added 10 points, 5 each. As a team we had 14 assists with Adrienne posting 4 steals.

Manchester Equestrian Team Competes at State Championships

The Manchester High School Equestrian Team competed at the Michigan Interscholastic State Championships the last weekend in October at the Ingham County Fairgrounds in Mason.

The seven riders qualified for the State Finals by winning their District Championship, B Division, their second consecutive win in two years.

For three days they competed in Mason against over 350 riders from all across the state in top level competition. Except in the timed speed events, the emphasis is placed on the equitation abilities demonstrated by the riders.

During closing ceremonies Sunday evening, Manchester was presented with their trophy and overall winners were announced. Neighboring Dexter won the Class A trophy for the third year.

Coaches and parents congratulate team members on their hard work and excellent team work.

They hope to make 1993 their third straight winning year. The Equestrian Team is open to any high school student; lease horses may be available. Contact any of the coaches if interested: Kathy Kueffner 428-8005, Nancy Lucas, 428-7858, or Rachel Burkhardt, 428-9656. In particular the team is in need of Saddle Seat riders and speed event contestants.

Pictured far right: Kelly Lucas as graduating senior member of the equestrian team, represented Manchester in the Grand Entry Friday evening.

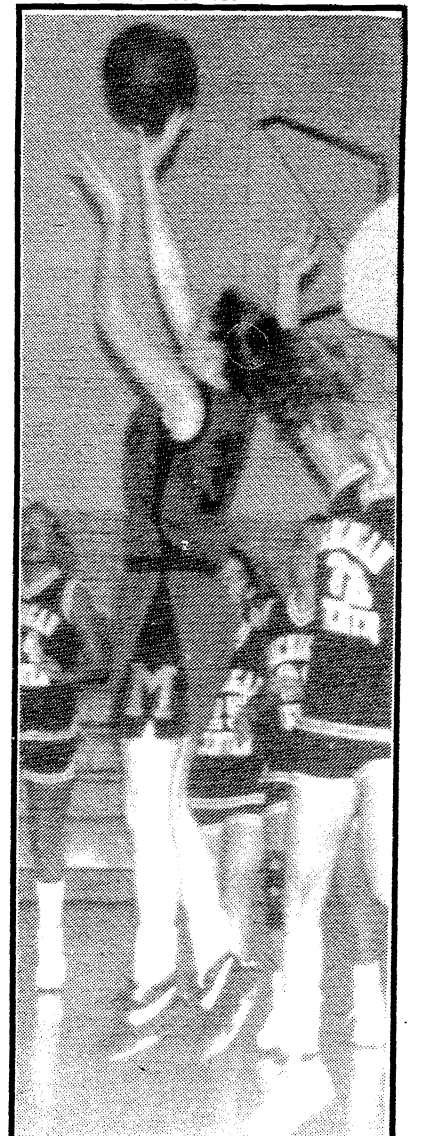

Equestrian Team members, left to right: Allison Gaughan, Kelly Lucas, Mark Kueffner, Maggie Evilsizer, Amber Burkhardt, Kelly Allen, Darci Hock

CARDS OF THANKS

Many thanks to my family who planned the lovely 90th birthday party for me at Mary's home. Also to those who came to help me celebrate the occasion and for the cards, flowers, masses and gifts I received. Margaret Dietle

Thank you to Monty for the use of your truck; the Historical Society for donating candles; and Manchester businesses who donated prizes for the Second Annual Pumpkin Carving Contest: Manchester Fire Dept., Tirb's Chevrolet, Woodbrook Enterprises, Jon's Photo Shop, Ewes & Moos, Marti's Salon, The Village Tap, Corky D's, Manchester Labs, Frank's Pizzeria, Manchester Township Library, Keith's Barber-shop, The Flower Garden, Benedict's Service, Dan's Westside, Hop-In, Jan Schmidt Antiques, Surprise! Surprise!

The Manchester Enterprise

We would like to thank Mrs. Supers, Coach Tom and Assistant Coach Nicole, for all their efforts with the Saturday morning soccer program.

Thanks a lot, Justin and Jacob P.S. Hope we will see ya' all next year!

OBITUARY

Steven Jay Post formerly of Manchester Steven Jay Post, formerly of Manchester, died November 1, 1992, in Rockville, MD. He was 40 years of age.

Steven was employed as a Project Coordinator at Gilford & Chase, Inc., in the Washington, DC area.

Steven is survived by his wife Barbara of Gaithersburg, MD; his mother, Patricia, of Tecumseh; three sisters, Diane (Edward) Potter of Libertyville, IL; Patricia (David) Ahrens of Manchester; Maribeth Arnett of Tecumseh; 11 nieces and nephews.

Steven was preceded in death by his father, Gerald, and his brother, Thomas.

A private interment service will be held in Manchester, but there will be a public memorial service on November 14, 1992, 3:00 p.m., at the Manchester United Methodist Church.

In lieu of flowers, Steven's family requests that memorial contributions be made to the Steven Jay Post Technical Scholarship Fund, Montgomery College, 700 Hungerford Dr., Rockville, MD 20850.

Saline Sixth Annual Future Homemakers of America Craft Show

The Saline Future Homemakers of America's Sixth Annual juried Craft Show, featuring over 175 crafters from Michigan, Ohio, Indiana, and Illinois, will be held Saturday, November 14, 1992 at Saline High School, 7190 North Maple Road, Saline, MI. The doors will open at 9 a.m. and close at 4 p.m.

Refreshments and lunch will be available. The menu features all homemade foods. In addition, a bake sale will include German pretzels.

Admission is \$1 and it is requested that no strollers be used. There is ample parking on the grounds and across the street. Saline High is wheelchair accessible.

Our one day show is sponsored by a high school youth group composed of over 200 members. Parental help will assist with this show also. The money profited by our group

We now have our mail slot installed in the front door of The Enterprise. If you use the mail slot to submit articles or ads, please remember to include your name and phone number in case we have to contact you. Thank you.

Third Annual Saline High School Free 21 Point Automotive Inspection

The SWWC Vocational Auto Technology program at Saline High School is offering the third annual free 21-point automotive inspection on November 21st, from 8:00 a.m. to 3:00 p.m. at Saline High School.

Students representing Chelsea, Dexter, Manchester, and Saline will check all fluids, belts, hoses, tire wear and pressure, front end-components, exhaust, CV Joint boots, universal joints, wiper blades, air cleaner, head lights, brake lights, and turn signals. In addition, if any fluids are found to be low, they can be filled for a small fee.

After numerous requests last year, the V.I.C.A chapter will be offering oil changes at a cost of \$15. Call today for an appointment at 429-5454, extension 257.

The students will appreciate any donations to help support Vocational Industrial Clubs of America.

FREEDOM TOWNSHIP RESIDENTS PROTEST GRAVEL TRUCKS ON PLEASANT LAKE ROAD

Emory Garlick
Wednesday, November 11th. Fifty seven Freedom Township residents gathered at the township hall to listen to the Planning Commission negotiate with two gravel producers. Chairman Lynn Voegeding voiced the concerns of residents and Pleasant Lake Road motorists that truck traffic, early bird haulers, flying stones and poor road conditions are dangerous to motorists and onerous to residents.

A ten year, Pleasant Lake Road agreement, negotiated between Washtenaw County Road Commission (WCRC); - Holloway Sand and Gravel, and Whittaker and Gooding Company, (now Barrett Paving Materials) has restricted Freedom Township's ability to seek recourse. With the potential addition of another gravel pit existing problems with traffic, hours of operation, noise and safety will worsen.

WCRC Engineer Steve Puuri explained the agreement designated Pleasant Lake Road as a "Class A Road", but the road was not constructed to "Class A Standards" when the agreement was struck. The asphalt surface is only as good as the road base. The road base was never reconstructed with sand subbase and aggregate base course underneath the asphalt as Class A Roadways should be.

At issue with residents and motorists are the concerns other than construction standards. One resident claimed he had counted in excess of 250 trucks passing his house in one day. Another stated that their windshield had been broken 4 times within the past year by flying stones. Still another said the noise of back-up alarms on pit equipment and the roar of the heavy trucks seriously affected their life's.

Trucks that were arriving at the pit as early as 5:00 AM when pit operations are not permitted until 6:30 AM should not be tolerated.

Chairman Voegeding, in an effort to identify the offending trucks and drivers suggested placing markers on the backs of the trucks in addition to side door identification. Voegeding suggested an ordinance change would be in order and unmarked trucks should not be loaded.

Mr. William Wassenaar, Holloway representative, stated that dust, dirt and mud obscures any markings on the back of a truck. State law, according to Wassenaar, only provides for a license plate and those are not always identifiable as they are quite often covered with dirt.

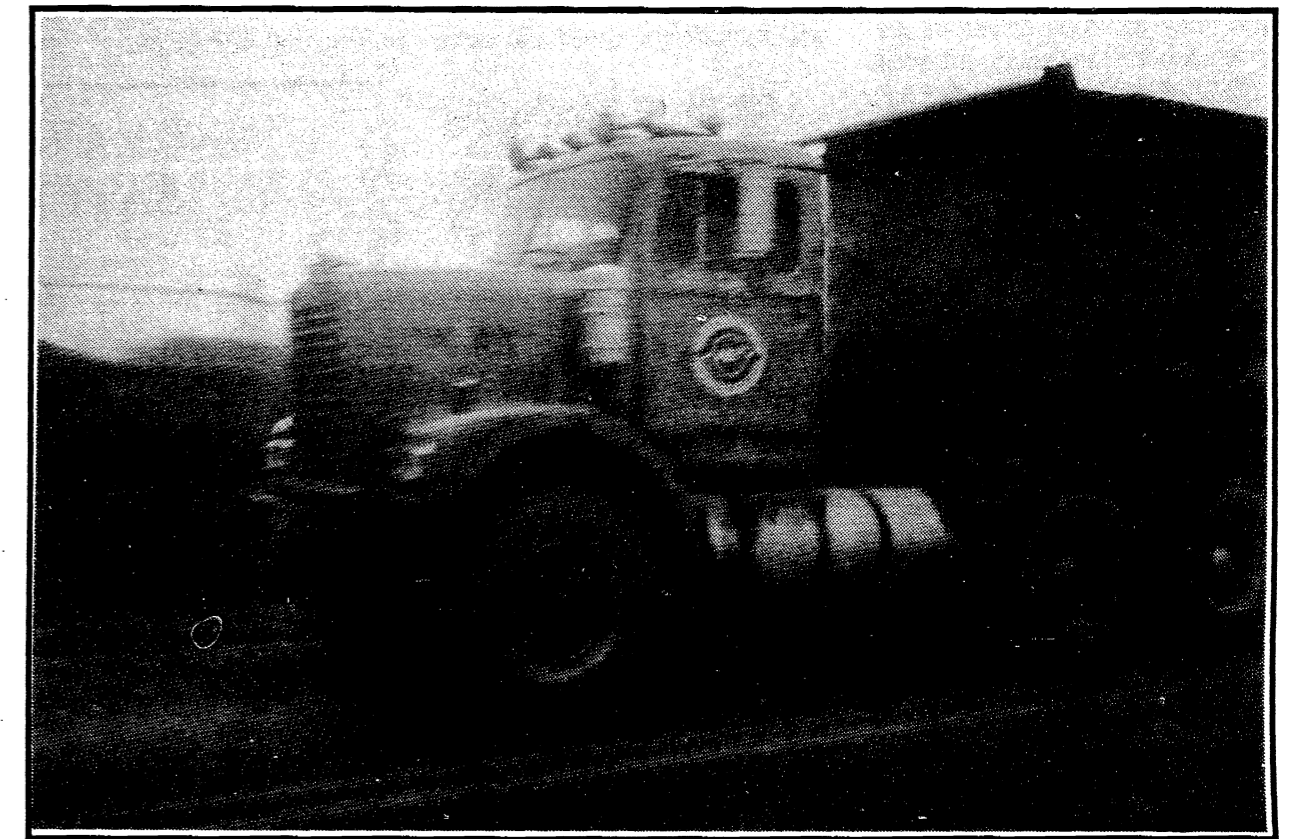

A point was made that the State Weighmaster had tried to enforce the Uniform Traffic Regulations, regarding trucking early in the summer. After issuing a multitude of violations, overweight, speed and equipment inadequacies the State Weighmaster had been instructed to vacate their responsibilities by the Sheriff's Department. This has not been verified and was voiced at the meeting.

One motorist's concerns about trucks going to fast was countered by WCRC Engineer Puuri's statement that, "slow moving trucks starting out on Pleasant Lake Road at Fletcher and at Steinbach Roads are an even greater hazard."

Voegeding said, "the steep grade on Pleasant Lake Road just east of Fletcher made it very difficult for the heavily loaded trucks to attain posted speeds and thus not be a motoring hazard". Puuri acknowledged that short steep grades are present but that inadequate Right of Way, (width of the county owned property for road construction), buried gas pipe lines, lack of funding by either the County or the State and budget priorities severely hamper the possibility of any road reconstruction.

Puuri suggested the Township take their concerns to the WCRC Board of Commissioners. A December 15th meeting by WCRC is scheduled for budget review. However, no funds are available in 1993 and may not be available in 1994. The eastern Washtenaw County roads take precedent.

Puuri pointed out that maintenance of the roads was being taken care of; seal coating with tar and chips, asphalt spread with a road grader in the heavily rut-

ted portion of the roads is being done. The rutting Puuri was referring to are the deep grooves compressed into the roadway surface by the heavy trucks. During rains these ruts fill with water and vehicles hydro-plane, often out of control.

Puuri stated these methods of repair are, "Not good, but are the cheapest way to go. The problem is not in the asphalt but in the road base. 90 percent of

our road budget is allocated to road maintenance not construction so we need Federal Aide funds for construction. Pleasant Lake Road is eligible for Federal funding but that the very earliest consideration would be 1994 and probably not even then."

The meeting adjourned without solution.

Freedom Township Supervisor, Mr. Robert Little, when contacted said Township officials

are pursuing some viable options. "When the agreement expires in 1994 we would like financial participation by the gravel producers, truckers, Federal Aide, County funding and what few local tax dollars we have at our disposal. We are discussing ordinance enforcement and additional restrictions such as are in place in Oakland County townships. We will find a solution", stated Supervisor Little.

DUTCH WIN A SQUEAKER MANCHESTER 10 JONESVILLE 8

DUTCHMEN BURN THE COMETS

By Parrice Faulhaber

The game was everything any die hard football fan could ask for. Snow on the field, freezing temperatures, good passing, hard hitting and an intensity for winning that could only be found in a high school game. The Dutchmen went all out to prove to the Jonesville Comets that they are the best team in the region. Every man on the team gave 100% to come up with a 10-8 victory at home on Friday to win the Regional Class C Championship.

It didn't take long for both teams to realize the difficulty they were facing. In seven plays there were three turnovers, with the Comets finally taking possession. The defense shut them down in four quick plays by

Lutton, Rentfro and Corwin. Brent Woods was there to stop the pass. The Dutch took over on downs and were able to move the ball into field goal range. Five carries by Sloat and Fielder

passes to Brandon Woods and M. Fielder opened the door for a Sloat 3 pointer. The Dutch took the lead with 2:19 left in the 1/4.

THESE ARE TWO OF AMERICA'S HOTTEST SELLERS.

FORD TAURUS GL

Driver's Side Air Bag* • AM/FM Stereo/Cassette • Rear Window Defroster • Air Conditioning • Speed Control • Power Locks/Windows • 3.0L V-6 • Automatic Transmission • And much more.

FORD F-150 XLT

AM/FM Stereo/Cassette • Styled Steel Wheels • Air Conditioning • Power Locks/Windows • Speed Control • Tilt Steering • Headliner and Insulation Package • Rear Wheel Anti-Lock Brakes • And much more.

AND NOW WE'RE ADDING FUEL TO THE FIRE.

1993 TAURUS GL
\$249 A Month
24 Month Lease²

1993 F-150 XLT
\$1,600³
Save

Five of the ten best-selling vehicles in America are made by Ford! And two of the hottest-selling Fords are the F-150 and the Taurus. In fact, F-150 is the #1 selling vehicle in the country, period! Now at your Ford Dealers, we're making these hot-selling Fords even hotter. How? We've cooked up these two great deals: now you can lease the 1993

Ford Taurus GL for 24 months for just \$249 a month or save \$1,600 when you buy the F-150 XLT. But you'd better hurry. Because even though Taurus and F-150 will be hot for a long time, these deals will cool off soon.

* Supplemental Restraint System. Always wear your safety belt. ¹ '93 Taurus GL with PEP 204A. Lease payment based on \$19,093 MSRP. 1st month's payment, \$2,835.75 down payment, \$250 refundable security deposit, totaling \$3,334.75 due at signing. Total of payments, \$5,976.00. Lessee responsible for excess wear and tear and mileage over 30,000 at 11/mile. Lessee may have option, but is not obligated to buy at lease end at price negotiated with dealer at lease signing. Tax, title and license fee extra. Lease subject to credit approval and insurance as determined by Ford Credit. For special lease terms, take new retail delivery from dealer stock by 11/30/92. See your dealer for his payment and terms. ² Based on \$300 cash back on new retail deliveries from dealer stock by 12/15/92, plus \$1,300 option package \$0.74 savings vs. options purchased separately. ³ Based on 1992 calendar year sales. ⁴ Based on 1992 calendar year R.L. Polk registrations. ⁵ Limit one per person, while supplies last. See participating dealer from 10/28/92 - 12/10/92.
