FREEDOM TOWNSHIP RESIDENTS PROTEST GRAVEL TRUCKS ON PLEASANT LAKE ROAD

Emory Garlick
 Wednesday, November 11th. Fifty seven Freedom Township residents gathered at the township hall to listen to the Planning Commission negotiate with two gravel producers.

Chairman Lynn Voegeding voiced the concerns of residents and Pleasant Lake Road motorists that truck traffic, early bird haulers, flying stones and poor road conditions are dangerous to motorists and onerous to residents.

A ten year, Pleasant Lake Road agreement, negotiated between Washtenaw County Road Commission (WCRC); - Holloway Sand and Gravel, and Whittaker and Gooding Company, (now Barrett Paving Materials) has restricted Freedom Township's ability to seek recourse. With the potential addition of another gravel pit existing problems with traffic, hours of operation, noise and safety will worsen.

WCRC Engineer Steve Puuri explained the agreement designated Pleasant Lake Road as a "Class A Road", but the road was not constructed to "Class A Standards" when the agreement was struck. The asphalt surface is only as good as the road base. The road base was never reconstructed with sand subbase and aggregate base course underneath the asphalt as Class A Roadways should be.

At issue with residents and motorists are the concerns other than construction standards. One resident claimed he had counted in excess of 250 trucks passing his house in one day. Another stated that their windshield had been broken 4 times within the past year by flying stones. Still another said the noise of back-up alarms on pit equipment and the roar of the heavy trucks seriously affected their life's.

Trucks that were arriving at the pit as early as 5:00 AM when pit operations are not permitted until 6:30 AM should not be tolerated.

Chairman Voegeding, in an effort to identify the offending trucks and drivers suggested placing markers on the backs of the trucks in addition to side door identification. Voegeding suggested an ordinance change would be in order and unmarked trucks should not be loaded.

Mr. William Wassenaar, Holloway representative, stated that dust, dirt and mud obscures any markings on the back of a truck. State law, according to Wassenaar, only provides for a license plate and those are not always identifiable as they are quite often covered with dirt.

A point was made that the State Weighmaster had tried to enforce the Uniform Traffic Regulations, regarding trucking early in the summer. After issuing a multitude of violations, overweight, speed and equipment inadequacies the State Weighmaster had been instructed to vacate their responsibilities by the Sheriff's Department. This has not been verified and was voiced at the meeting.

One motorist's concerns about trucks going to fast was countered by WCRC Engineer Puuri's statement that, "slow moving trucks starting out on Pleasant Lake Road at Fletcher and at Steinbach Roads are an even greater hazard."

Voegeding said, "the steep grade on Pleasant Lake Road just east of Fletcher made it very difficult for the heavily loaded trucks to attain posted speeds and thus not be a motoring hazard". Puuri acknowledged that short steep grades are present but that inadequate Right of Way, (width of the county owned property for road construction), buried gas pipe lines, lack of funding by either the County or the State and budget priorities severely hamper the possibility of any road reconstruction.

Puuri suggested the Township take their concerns to the WCRC Board of Commissioners. A December 15th meeting by WCRC is scheduled for budget review. However, no funds are available in 1993 and may not be available in 1994. The eastern Washtenaw County roads take precedent.

Puuri pointed out that maintenance of the roads was being taken care of; seal coating with tar and chips, asphalt spread with a road grader in the heavily rut-

ted portion of the roads is being done. The rutting Puuri was referring to are the deep grooves compressed into the roadway surface by the heavy trucks. During rains these ruts fill with water and vehicles hydro-plane, often out of control.

Puuri stated these methods of repair are, "Not good, but are the cheapest way to go. The problem is not in the asphalt but in the road base. 90 percent of

our road budget is allocated to road maintenance not construction so we need Federal Aide funds for construction. Pleasant Lake Road is eligible for Federal funding but that the very earliest consideration would be 1994 and probably not even then."

The meeting adjourned without solution.

Freedom Township Supervisor, Mr. Robert Little, when contacted said Township officials

are pursuing some viable options. "When the agreement expires in 1994 we would like financial participation by the gravel producers, truckers, Federal Aide, County funding and what few local tax dollars we have at our disposal. We are discussing ordinance enforcement and additional restrictions such as are in place in Oakland County townships. We will find a solution", stated Supervisor Little.

DUTCH WIN A SQUEAKER MANCHESTER 10 JONESVILLE 8

DUTCHMEN BURN THE COMETS

By Parrice Faulhaber

The game was everything any die hard football fan could ask for. Snow on the field, freezing temperatures, good passing, hard hitting and an intensity for winning that could only be found in a high school game. The Dutchmen went all out to prove to the Jonesville Comets that they are the best team in the region. Every man on the team gave 100% to come up with a 10-8 victory at home on Friday to win the Regional Class C Championship.

It didn't take long for both teams to realize the difficulty they were facing. In seven plays there were three turnovers, with the Comets finally taking possession. The defense shut them down in four quick plays by

Lutton, Rentfro and Corwin. Brent Woods was there to stop the pass. The Dutch took over on downs and were able to move the ball into field goal range. Five carries by Sloat and Fielder

passes to Brandon Woods and M. Fielder opened the door for a Sloat 3 pointer. The Dutch took the lead with 2:19 left in the 1/4.

MANCHESTER ENTERPRISE The Second Front Page: Building a House Part 2

Emory Garlick

Last week's initiating article we covered potential home buyers or persons who might decide to build a house. Since I fit the latter category and had 75 days to build it became imperative to select a plan and make some decisions. Fortunately, this is not the first house I've been involved with, so I knew what had to be done.

Last week we presented the basic house plan. This week we present the changes and reasoning for the changes.

Part 2, Plan Changes.

I liked the basic floor plan but because of the lot it was necessary to reverse the house plan to take advantage of the sun room and sun location. I wanted another hot tub and wanted that in the sun room. This presented a problem as the hot tub would be adjacent to the bedroom and not the bath. Thus I reversed the location of the master bath and bedrooms.

The plan called for 2 and 1/2 bath's. There was no need for a half bath on the first level when the square footage was small. Delete the 1/2 bath and convert that into a pantry for the kitchen. Since the kitchen floor area was at a minimum I reduced the depth of the Laundry area and took a little width from the new pantry. This allowed additional floor area for a table and additional width for the archway between the Kitchen/Dining area and the Sun room. Now should additional dining space be needed the table could be expanded into the Sun room.

The storage closet in the Sun room would never hold all my junk therefore the outside wall was moved outward flush with the rest of the house. Thus we increased storage by almost 250

percent. The fireplaces were eliminated for two reasons. 1) They are inefficient and waste more heat, if not properly attended, than can be gained from use. 2) Cost savings. Another thought was that if I wanted an alternate heat source a modern wood stove would suffice.

With the removal of the fireplaces the exterior of the plan looked a little bare. I have always liked porches on a house and without chimneys the porches could be wrapped around the house on three sides.

With a pole barn on the property a basement was not needed, but a 7 block tall crawl space with two inch concrete floor would provide the room for furnace, water pressure tank, hot water heater and water softener. By reversing the Master Bedroom and Bath all the plumbing would be adjacent to the rear wall of the house and a significant cost

saving could be achieved.

Second floor changes were minimal with the stretching out of the bedroom walls to the lower level width outline. This did affect the looks of the exterior, somewhat but the porch additions offset the change.

Siting the House.

would penetrate into the sun room during winter months. This location for the house also somewhat blocked the sight of the existing pole barn from the road.

Permits;

1) Zoning: Your land must have proper zoning for you to build. A site plan showing the property lines and location of the house will be necessary.

Check to see if your land use pertains to your house. Some instances lot sizes of 2 to 40 acres might be needed for you to be qualified to build. Fee cost about \$20 unless a variance is needed.

2) Health ; If you do not have Municipal water and sewer you will need to have a well and septic permit. This permit is obtained from Washtenaw County Department of Environmental Services, 4101 Washtenaw Ave, Ann Arbor. If your lot is not pre-approved a sanitarian will have to make a review of your site. Permit Fee's about \$150 plus. A site plan

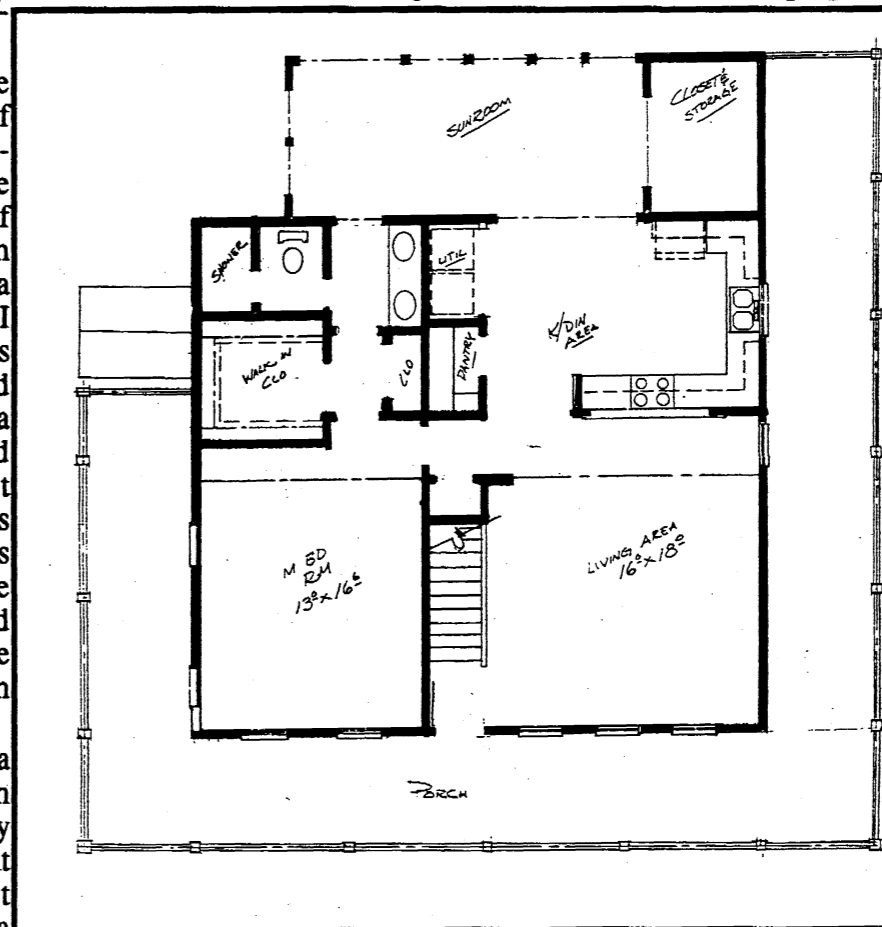

showing house location, property lines, proposed well and septic locations is necessary.

3) Soil Erosion; All projects that require earth changes of 1 or more acres and/or if within 500 feet of a lake or stream this permit is required. Soil Erosion permits are granted by the Washtenaw County Building Department. Fee Costs will vary according to site and size.

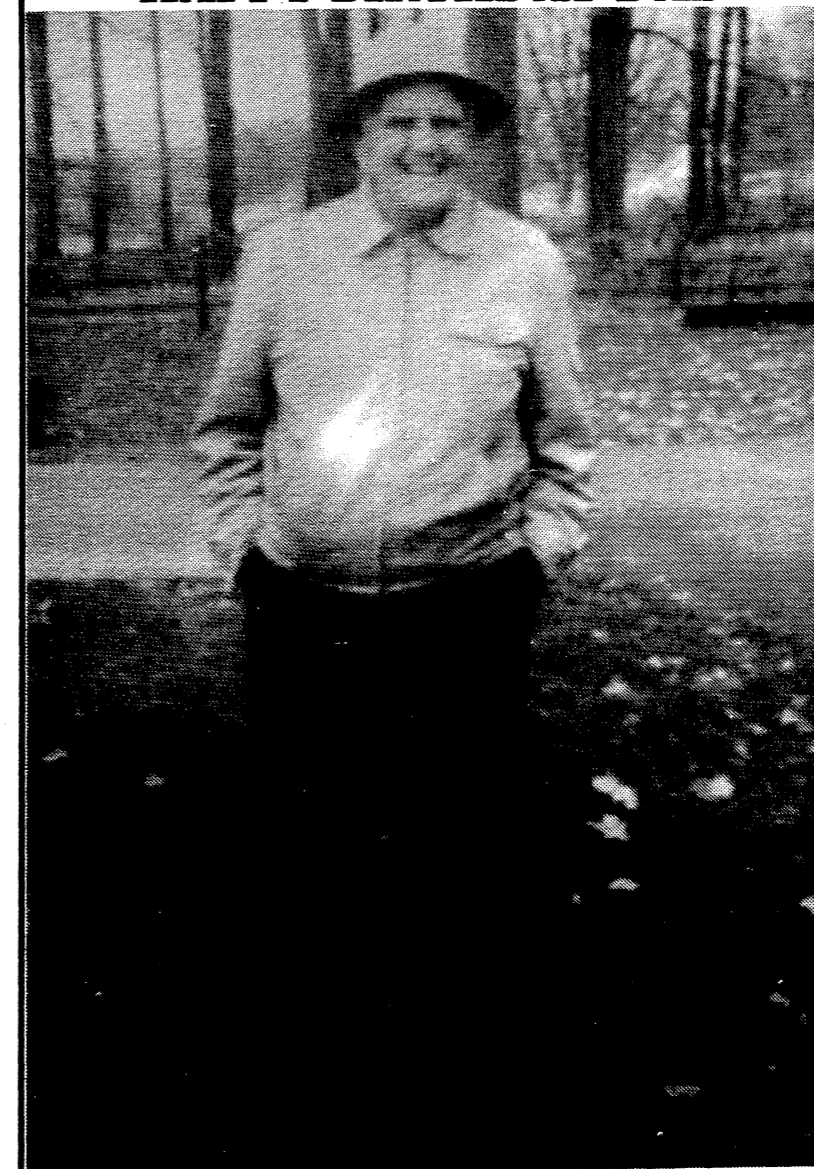

4) Driveway; a driveway permit is required on new construction. That permit is obtained from the Washtenaw County Road Commission, 555 North Zeeb Road, Ann Arbor. A site plan showing drive location is necessary. The district road foreman will review your site and make the recommendation for culvert size and length. Cost about \$20.

5) Building, Electrical, Mechanical, and Plumbing; These permits are issued at the Village hall for the Townships of Bridgewater, Freedom, Manchester and the Village. Two sets of plans will have to be submitted along with the permit application. The home owner is entitled to pull these permits and the cost for all is \$520 the lowest cost in all of Washtenaw County. If your builder is pulling the permits he must be licensed and have proof of insurance before the permits will be issued. Sharon Township uses the Washtenaw County Building Department and their fee schedule is about 20% higher.

Next issue we will discuss selecting a general contractor or sub-contractors if you are your own general contractor.

Editorial / Opinion

To the Editor:

This is a letter pertaining to the one about our Saturday soccer program, in the October 15 edition of your newspaper.

Frankly, I can not understand exactly what Mr. Ron Zang is trying to say. The coaches, Tom and Nicole, are both very good with kids. And both are very good at what they are doing out there.

No, we as a community do not look at soccer as we do football. But, as parents, if we all put as much enthusiasm in this program as the kids do, maybe we could change that.

I have two kids enrolled in this program and have been there for those four or five weeks for the past three years. I have seen more kids than parents. These 20 kids have parents but you can only count maybe 10 parents there to watch or help root these kids on.

You as a parent know it is not easy to watch one child all

the time, let alone 20 plus. These kids are out there to learn the fundamentals of the game and have fun! The coaches are out there to help teach this.

None of the kids are losers, they are all winners. No matter what team they are on.

So I cannot see where the coaches or Mrs. Supers are at fault.

I think if we were to look at soccer as we do football or any other sport, then just maybe we could help those two or three kids get that college scholarship right here from our own community, not elsewhere.

Monica Strong
Editor's Note: We encourage coaches and/or parents to send us news about their sports events. Contact us at *The Enterprise* (428-8173), or Jon Hardenbergh, Sports Editor (428-9509), to have a team picture taken and published in *The Enterprise*. (Or send us your photos—preferably black and white.)

To The Editor:

How many gravel trucks on the roadway are too many? How many broken windshields and paint chips? How many close calls and near misses when gravel trucks run stop signs, spill loads or speed toward us?

A citizens action group has formed in Freedom Township to address the issues that have resulted from the gravel pit business that exists in our area.

Does the right to do business supercede the right to safety and serenity that Freedom Township residents used to enjoy? We think not. A letter writing campaign to the Washtenaw County Road Commission is being organized along with working with the township officials to try to

control the impact of gravel pits on township residents. Within the first few weeks we have discovered that many of us share the same basic concerns: The speeding, blatant violations and disregard of traffic control signs; overloaded and poorly maintained vehicles; the wear and abuse on the roadway; the danger posed to ourselves and our families; and finally, the noise of the pits, trucks and related equipment that have turned our quiet serene township into a noisy, disrupted, congested and dangerous place to be.

Although the Township Board when issuing special use permits dictates hours and operating procedure, it appears that once a gravel pit is established they can't be forced to follow the rules.

L. Herrst

Township residents are urged to make your feelings known to township officials. How much damage to our environment can a gravel pit cause? And what will the residents of Freedom Township be left with once they are gone?

The action committee would like to hear from you. If you are a township resident that has witnessed a violation by a gravel truck, suffered damage to your property or had an accident or incident related to gravel trucks/pits, please let us know. Drop a note to L. Herrst, 11939 Elmdale Dr., Manchester, MI 48158 or L. Maxwell, 11100 Hieber Rd., Manchester, MI 48158. If you include a phone number, we will let you know when the next meeting is scheduled.

The Manchester Enterprise welcomes letters to the editor. Letters must be signed and, unless special consideration is warranted, only those letters with valid signatures attached will be considered for publication.

CHURCH NEWS

St. John's U.C.C. Celebrates 100 Years

St. John's United Church of Christ at Roger's Corners celebrated their 100th birthday on November 15, 1992. The Confirmation Reunion in the morning and the Pastor's Reunion in the afternoon attracted nearly 150 members and guests.

The morning Confirmation Class reunion brought back many former members to St. John's. The oldest confirmand present was Mrs. Esther Lutz Schanz, age 94. She was in the Confirmation Class of 1912. Special music for the service was provided by Alice Rhodes, church organist, and Gordon and Theresa Anclre of Jackson, who performed three duets during the service. A coffee hour followed the worship.

In the afternoon, former pastors of the church were honored and welcomed back to St.

John's. Six former ministers were in attendance and greetings were received from two more out-of-state ministers. The prelude was an organ and piano duet with Alice Rhodes and Mrs. Ruth Wimler, wife of a former pastor. The St. Paul's Gospel Choir, from Saline, performed several rousing gospel style songs. The message was delivered by Rev. Nancy Nelson-Eisenheimer of Kalamazoo, Associate Conference Minister for the South Area of the Michigan Conference, UCC. A dinner hosted by the entire congregation followed the celebration.

As St. John's rejoices in the past, the church also celebrates the future, looking forward to growth and life in the century to come. Visitors and friends are welcomed to worship on Sunday mornings.

Do Catholics Actually "Worship" Mary?

The Catholic regard for Mary is often completely misinterpreted by the non-Catholic. Frequently what a Catholic says about Mary is heard by a non-Catholic with a very different meaning.

Admittedly Scripture references to Mary are infrequent—yet it might be a mistake to assume that therefore she had a minor role in God's salvation plan. Scripture tells us Mary was present at every significant moment in Jesus' life: from His conception, to the beginning of His public ministry, to the crucifixion, to the descent of the Holy Spirit at Pentecost.

Perhaps a key to the difference in Protestant and Catholic regard for Mary rests with the differences in each's form of worship. And also in the meaning

of the concepts of "venerate" and "honor," as well as "worship." Catholics observe the Scriptural admonition that we should honor those whom God has honored, thereby honoring God himself.

The To Jesus Through Mary Scripture Study Group will meet this Thursday evening, November 19th for its final session to consider "The Veneration of Mary." The meeting will be held downstairs at St. Mary's Church, from 7:45 until 9:45 p.m.

Even if you haven't been able to attend the other sessions, you are warmly invited to this conclusion. You may find it helpful in understanding this honor given our Blessed Mother Mary.

For more information, contact Bill Kwolek at 428-7674 or Janet Shurtliff at 428-9462.

Wednesday, November 25: 6:30 Jr Choir, 7pm Bell Choir, 8pm Thanksgiving Eve Service, 9:00 Sr Choir

A young fellow, getting ready to go on his first hunting trip, kept looking at a compass that had a mirror on the back.

"What's it for?", he asked

"To show who's lost," said the clerk.

The Bible is like a mirror. It shows who's lost. A thing is lost when it's out of place. A person is lost when he has wandered away from God.

You've learned the bitter lesson how to live away from God. Now learn the better lesson how to live with God.

— Seeds from the Sower

Senior Citizens News

T.V. Ludwick

They tried to teach us never to argue about religion or politics. These were two topics of conversation we should try to avoid, the oldsters stated. Change the subject, they said, you can talk about the weather, children's antics, houseplants and gardens, or how is your family doing? The journalists are having a field day with both forbidden topics in our area papers. Their job needs topics to write about and the mind chums up many ideas and ways and means of getting the information. A good journalist is impartial in his presentation and can't condemn before all the evidence is in. Dad used to say: "Get the facts." and "You can't believe everything you read." Whew, retractions is you didn't. Now what was that you were just saying?

Friday, November 20: Pickup starts at 6:15 for you to attend the Saline Senior Citizen's Card Party. Call Erma Alber at 428-8707 for your ride.

Monday, November 23: Seniors will journey to the Southern Michigan Prison Gift Shop to do their Christmas shopping (reported to be a good place for shopping). The senior bus will leave the Center at 10:00 a.m. and you may go along by calling Erma.

Tuesday, November 24: Come one, come all for Jan's Thanksgiving dinner presentation. Get our reservations in early! At 12:30, Barbara Zaret will bring us up to date on any changes in health insurance and other topics of interest to seniors.

Thursday, November 26: We, as seniors, are thankful for friends, family and especially for all those who care. Happy Thanksgiving to all.

Band Boosters Sponsor Fruit Sale

The Manchester Band Boosters are again sponsoring citrus fruit sales for the 1992 holiday season. Band students will be canvassing the village to take fruit orders for oranges, grapefruit, and tangelos. If they miss you, and you would like to order fruit, use the order form printed in The Enterprise.

Fruit will be delivered to the high school for pick up Thursday and Friday, December 3 and 4 from 3:00 to 6:00 p.m. or Saturday, December 5 from 9:00 a.m. to 1:00 p.m. Please pick up your fruit promptly as we cannot store it properly and it will deteriorate if left over the weekend.

Many in the community look forward to this annual event as an opportunity to lay in their supply of citrus fruit for the holidays while lending support to the local band students. Proceeds from the sales will help the Boosters sponsor a band trip and young musicians at summer music camps.

Federal Surplus Foods

Federal Surplus Foods will be distributed on Friday, November 20, 1992. Commodities for November are butter and peanut butter. Food is distributed each month from the Manchester United Methodist Church, 501 Ann Arbor Street, between the hours of 9:00 a.m. and 11:00 a.m. or while supply lasts.

If you have not registered for the "CHRISTMAS SHOP", please remember to do so on November 20.

**Manchester Village Planning Commission
Regular Session October 13, 1992**

Present: Lowery, Little, Gleason, Roberts, Hinkley, Way, Schiller (entered 7:38) Palms (entered 8:12)

Also Present: Tom Kostosky, J.J. Marshall, Karen Tucker, Jeff Wallace, Emory Garlick

Absent: Daverman

Call To Order: The meeting was called to order at 7:34 by secretary Gleason in the Council Room of the Village Hall. Gleason asked the Commission to nominate a member to act as chairman until the arrival of Palms (co-chair). Little nominated Hinkley. Lowery seconded the motion. The motion passed on a voice vote.

Approval of Agenda: Roberts made a motion to approve the agenda. Way seconded the motion. The motion passed on a voice vote.

Minutes from previous meeting: Add under Reports: second paragraph; It was also recommended the whole CBD (Central Business District) be considered for acceptance into the National Register.

Lowery made a motion to accept the minutes with the above addition. Little seconded the motion. The motion passed on a voice vote.

Reports from Administration, Council, Commissioners and Public: Enter Schiller at 7:38.

Tucker presented the first draft of the zoning and planning sections of the newly revised Village Code. She would like the Planning Commission to proof-read and review this draft.

New Business: Site Plan Review Application Forms: Tucker discussed the new Site Plan Review Application forms and asked for comments and recommended changes.

Way made a motion to recommend approval of the new Site Plan Review form with the noted changes, and that the Ordinance Committee should look at the Code concerning the definition of the term 'Planning Designer'. Little seconded the motion. The motion passed on a voice vote.

Also concerning Code revisions, Lowery suggested the Code be changed to include a section which would deal specifically with required setbacks for 66 foot lots.

Ordinance Revision—Site Plan Review: Consideration was given to requiring 15 copies of site

plans instead of the present 8 copies. After a great deal of discussion, it was decided to continue to require only 8 copies.

Enter Palms at 8:12.

Planning Consultant Review of Site Plans - (Cost borne by developer): Hinkley made a motion to recommend to the Ordinance Committee acceptance of a Planning Consultant review of site plans, on a per case basis. Little seconded the motion. The motion passed on a voice vote.

Senior Citizens Housing Project Presentation by Oakwood Development Co: A strictly informational presentation was made by Tom Kostosky. The location of this proposed project is in the southwest section of the Village next to Carr Park. It involves approximately 5 acres, and is a two-phase development. The first phase would consist of 24 one-bedroom apartments. Since the developer has obtained a loan from the Farmers Home Administration, these apartments are available only to those at least 62 years of age.

General Development Plan Revisions; Single Family High Density vs Multi-Family Residential Land Use Areas: Discussion expressed concern over the increase in high density single family housing. Hinkley made a motion to retain high density single family housing only in the triangle northeast of the present mobile home park. The Lehr property next to Carr Park and the DPW site should be changed from high density single family to multi-family on the General Development Plan. Lowery seconded the motion. The motion passed on a voice vote.

Discussion proceeded to the timeline for the General Development Plan.

Corrections were made to the General Development Plan draft.

Group Homes: Schiller asked that Group Homes be placed on the agenda for the next meeting.

Adjournment: Lowery made a motion to adjourn the meeting. Palms seconded the motion. The motion passed on a voice vote.

Susan Gleason
Recording Secretary

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Manchester Village Planning Commission will hold a public hearing on Tuesday, December 15, 1992 at 8:00 p.m. in the Knights of Columbus Hall at 106 E. Madison, Manchester, Michigan.

The purpose of the hearing is to receive public comments on the revisions to the General Development Plan for adoption by the Village Planning Commission. This hearing completes the public participatory process which included the citizen opinion survey, four public workshops and monthly public planning commission meetings held during 1991 and 1992.

If you wish to comment on the public hearing but are not able to attend the hearing, you may send written comments to Karen Tucker, Village Clerk, Village of Manchester, 120 S. Clinton St., Manchester, Michigan 48158, or deliver written comments to the Village Hall, no later than 4:00 p.m. on Tuesday, December 15, 1992.

Your input into this process is appreciated.

Robert Daverman
Chair, Manchester Village Planning Commission

**NOTICE TO RESIDENTS AND BUSINESS OWNERS
VILLAGE OF MANCHESTER**

SIDEWALK SNOW AND ICE REMOVAL ORDINANCE

REMOVAL OF SNOW AND ICE. THE OCCUPANT OF ANY PREMISES, OR THE OWNER OF ANY UNOCCUPIED PREMISES OR REAL PROPERTY, IS REQUIRED TO KEEP THE CONSTRUCTED SIDEWALKS IN FRONT OF, OR ADJACENT TO SUCH PREMISES CLEARED FROM SNOW AND ICE WHICH WILL IMPEDE PASSAGE ON SUCH SIDEWALKS.

(1) EXCEPT AS PROVIDED IN SUBSECTION (3) HEREOF, SNOW AND ICE SHALL BE SO REMOVED FROM SIDEWALKS IN ALL BUSINESS DISTRICTS BY FOUR (4) BUSINESS HOURS AFTER THE CESSATION OF ANY FALL OF SNOW, SLEET, OR FREEZING RAIN, OR BY THE BEGINNING OF BUSINESS HOURS OF THE NEXT DAY FOLLOWING SUCH FALL, WHICHEVER PERIOD IS SHORTER.

(2) EXCEPT AS PROVIDED IN SUBSECTIONS (3) OR (4) HEREOF, SNOW AND ICE SHALL BE SO REMOVED FROM ALL RESIDENTIAL SIDEWALKS WITHIN TWENTY-FOUR (24) HOURS AFTER THE CESSATION OF ANY FALL OF SNOW, SLEET, OR FREEZING RAIN.

(3) IN THE EVENT SNOW AND ICE ON A SIDEWALK HAS BECOME SO HARD THAT IT CANNOT BE REMOVED WITHOUT THE LIKELIHOOD OF DAMAGE TO THE SIDEWALK, THE PERSON RESPONSIBLE FOR ITS REMOVAL SHALL, WITHIN THE TIME REQUIREMENTS OF SUBSECTIONS (1) OR (2), HAVE ENOUGH SAND OR OTHER ABRASIVE PUT ON THE SIDEWALK TO MAKE TRAVEL THEREON REASONABLY SAFE. SNOW AND ICE

SHALL THEN BE REMOVED AS SOON AS IT CAN BE ACCOMPLISHED WITHOUT THE LIKELIHOOD OF DAMAGE TO THE SIDEWALK.

(4) EXEMPTIONS. IN RESIDENTIAL DISTRICTS ONLY, PERSONS WHO, FOR REASONS OF INFIRMITY, BELIEVE COMPLIANCE WITH SUBSECTIONS (2) AND (3) WOULD CAUSE UNDUE HARDSHIP, MAY FILE A REQUEST FOR EXEMPTION WITH THE VILLAGE CLERK. THE CLERK SHALL APPROVE OR DISAPPROVE THE REQUEST ACCORDING TO GUIDELINES ADOPTED BY COUNCIL. IF APPROVED THE VILLAGE MAY THEN REMOVE SNOW AND ICE FROM THESE SIDEWALKS AT A COST TO BE ESTABLISHED BY COUNCIL RESOLUTION, BASED ON LENGTH, IN FEET, OF SIDEWALK.

(5) FAILURE TO COMPLY. IF THE PERSON RESPONSIBLE FOR THE REMOVAL OF SNOW AND ICE FAILS TO COMPLY WITH THE REQUIREMENTS OF THIS SECTION, THEN THE VILLAGE MAY REMOVE THE SNOW AND ICE, AND THE COST THEREOF MAY BE COLLECTED AS A SINGLE LOT ASSESSMENT UNDER CHAPTER 3, SECTION 1.85 OF THIS CODE. FURTHER, SUCH RESPONSIBLE PARTY SHALL BE LIABLE TO THE VILLAGE FOR ALL LOSSES TO THE VILLAGE OR RECOVERIES FROM THE VILLAGE FOR DAMAGES TO PERSON OR PROPERTY OF OTHERS CAUSED BY THE FAILURE OF SUCH RESPONSIBLE PARTY TO SO REMOVE ALL SNOW AND ICE ACCUMULATIONS IN ACCORDANCE WITH THIS SECTION.

**Manchester Township Board
Regular Meeting
November 9, 1992**

PROPOSED SYNOPSIS of a Regular Meeting of the Manchester Township Board held Monday, November 9, 1992:

The meeting opened at 8:02 p.m. with members present: Hakes, Mann, Turk, Macomber, Absent: Widmayer. Also present: Mark Zimmerman.

After review, the Board approved the minutes of their October 12, 1992 meeting, and accepted the minutes of The Election Commission, and the Western Washtenaw Recycling Authority.

A list of bills paid since last meeting was examined. Treasurer Turk reported \$13681.54 in the General Fund. A transfer was authorized from the General Fund savings account to the General Fund checking account. Approval was given for payment of bills in the amount of \$9548.37 in the General Fund and \$1440.66 in the Fire Equipment Fund.

The order for "No Parking" signs on Wolff and Sharon Hollow Rds. should be in the hands of the Road Commission this week. The job would then be scheduled right away.

Upon recommendation of the Library Board, the Board passed a resolution to join in forming a planning committee to prepare a district library agreement. It was noted that this resolution requires appointment of two members from the township. Any persons interested in serving on a District Library Planning Committee should contact the township office.

Mann will be meeting with other supervisors regarding the possibility of establishment of a mini State Police Post.

Clerk Hakes reported 1664 electors voted on November 3rd, which is 71% of the township's registered voters.

Appointments were made to the Zoning Board of Appeals and to the Board of Review.

Correspondence was presented, requiring no action from the Board.

There being no other business, the meeting adjourned at 9:24 p.m.

Submitted by Kathleen M. Hakes, Clerk

Approved by Ronald E. Mann, Supervisor

**Manchester Middle School
Recognized By MHSAA**

The Michigan High School Athletic Association (MHSAA) has recognized the Manchester Middle School for their policy of not "cutting" students from participation in the interscholastic athletic program.

Mr. John E. Roberts, the executive director of the MHSAA wrote the following: "I think such a policy is best for kids, best for the success of our athletic teams, and best for our schools."

Manchester's efforts to continue the "no cut" policy were recognized with a plaque which will be proudly displayed in the middle school. The plaque's inscription reads:

"THE PHILOSOPHY OF OUR SCHOOL EMBRACES A NO-CUT POLICY. PARTICIPATION IN ACTIVITIES IS A SCHOOL'S BEST PREDICTOR OF A STUDENT'S SUCCESS IN SCHOOL AND IN LIFE."

Andrea Clark Named Optimist Student of the Month

Optimist Jeff Wallace (right) presents the award to Andrea, pictured above with her father Rick.

The Manchester Optimists proudly announce that Andrea Clark, a 10th grader at Manchester High School has been selected as their November Outstanding Citizen of the Month. Andrea is the daughter of Rick and Donna Clark of Manchester.

Although Andrea is only a sophomore, she has already established herself as a very active, vital member of the Manchester High School community. For the past two years, she has been a member of the Students Against Driving Drunk (SADD), Key Club, Student Council, FFA, 4-H and the Drama club. Because of her strong management abilities, Andrea has been elected

to many leadership positions. She is the secretary of the Key Club and the treasurer of the Student Council. For the past six years, she has been an officer in her 4-H club and this year she holds the office of president.

In spite of all this activity, Andrea continues to maintain excellent grades. She has been on the honor roll for the past two years and has received an A/B Academic Award and the Agriculture Award at the 1992 Honors Convocation. Andrea is also a member of the Manchester High School JV softball team. Andrea plans to attend college but is still undecided on her future career goals.

Lady Dutch Fall To Comets

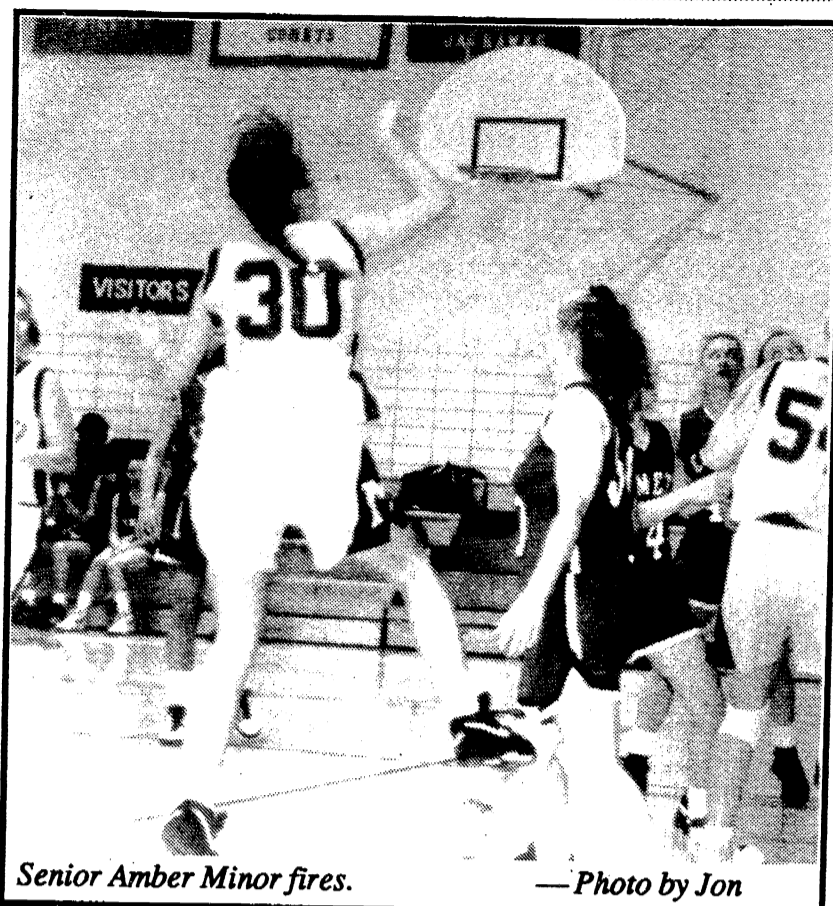

—by Jon

Last Tuesday, our girls basketball squad hosted their final contest of the season. Hanover-Horton, who we had beaten earlier this season quite easily, came better prepared. It was a very close game in which the Comets knotted the score in mid-third period. The clock ticked down with the scoreboard reading 41-41. A Comet shot with just tenths of a second left, and the ball went through the hoop, giving them the victory, 41-44.

Sarah Riske was high scorer as she fired for 20 points and grabbed 13 rebounds. Adrienne Wallace had nine points and three blocked shots, while Tracey LaRue contributed six points. As a team, we had 10 assists of which Amber Minor had four.

We now enter State playoffs with District play to be hosted by Clinton. We see action Wednesday, November 18 at 6:30 p.m. We meet the winner of the Onsted-Clinton match up.

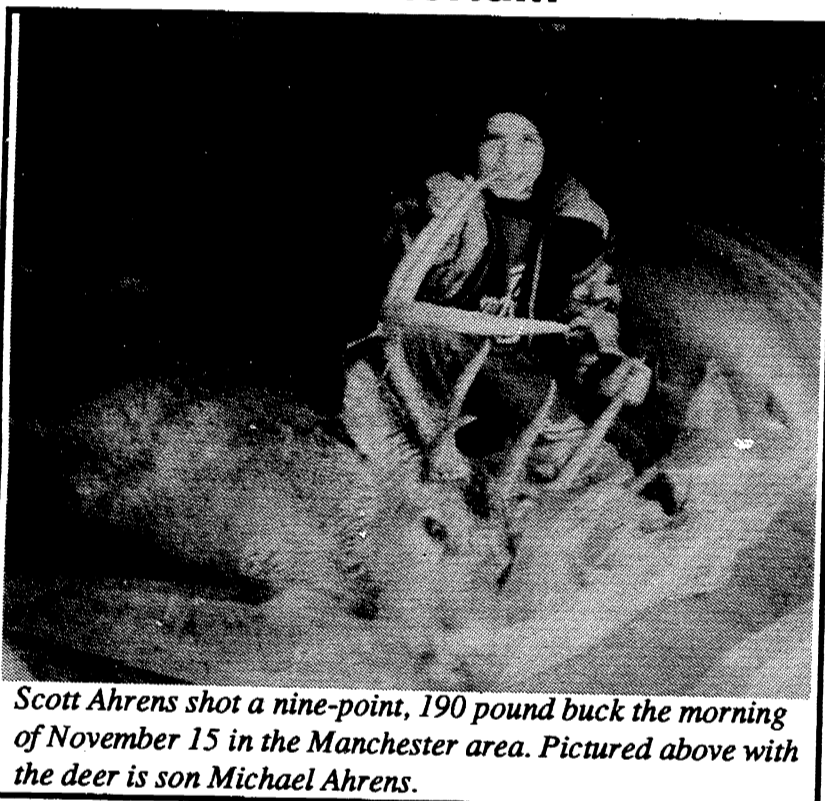

This was the final home appearance for our senior players, Missy Steele and Amber Minor.

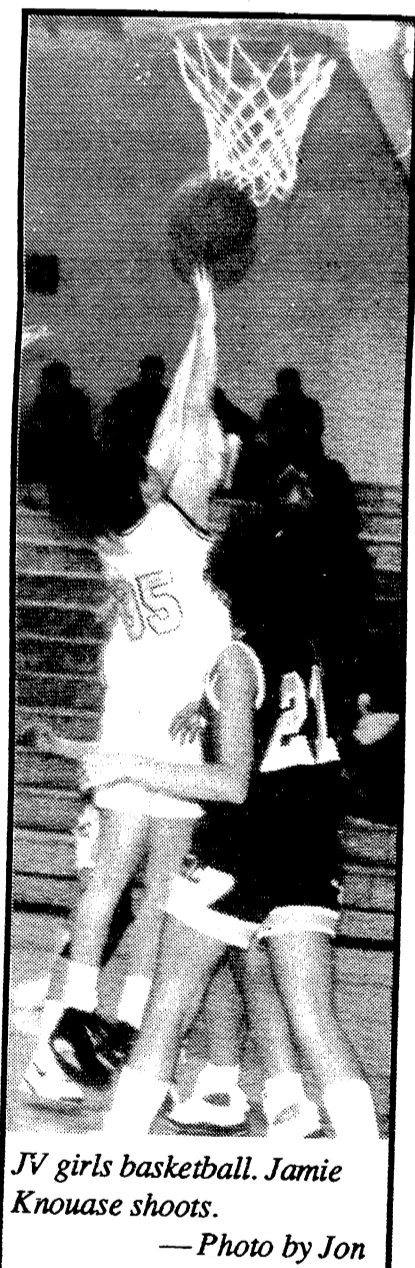

Senior Amber Minor fires.

DUTCH BURN COMETS

Hagen, M. Fielder and Burkhardt, made quick work of stopping the next Comet drive, with Pucas dropping the QB for a big loss. The ball changed directions seven times before the Dutch could score again. Brandon Woods, with two of the surest hands on the team, brought his total interceptions for the year to nine. Brandon's key interception gave Manchester the ball on their own 5 yard line stopping the Jonesville scoring attempt. T. Fielder connected with Woods on a 49-yard pass play to put the ball in Comet territory. Completed passes to Sloat and Woods and a scramble by Brad Davis made it first and goal. Sloat carried the ball over the TD line and then booted in the p.a.t. for a 10-0 half-time lead. By half time Fielder's aerial raid had chalked up 8 of 16 for 150 yards passing, with 102 receiving for Woods. This was not a drill! Sloat had 12 carries for 87 yards.

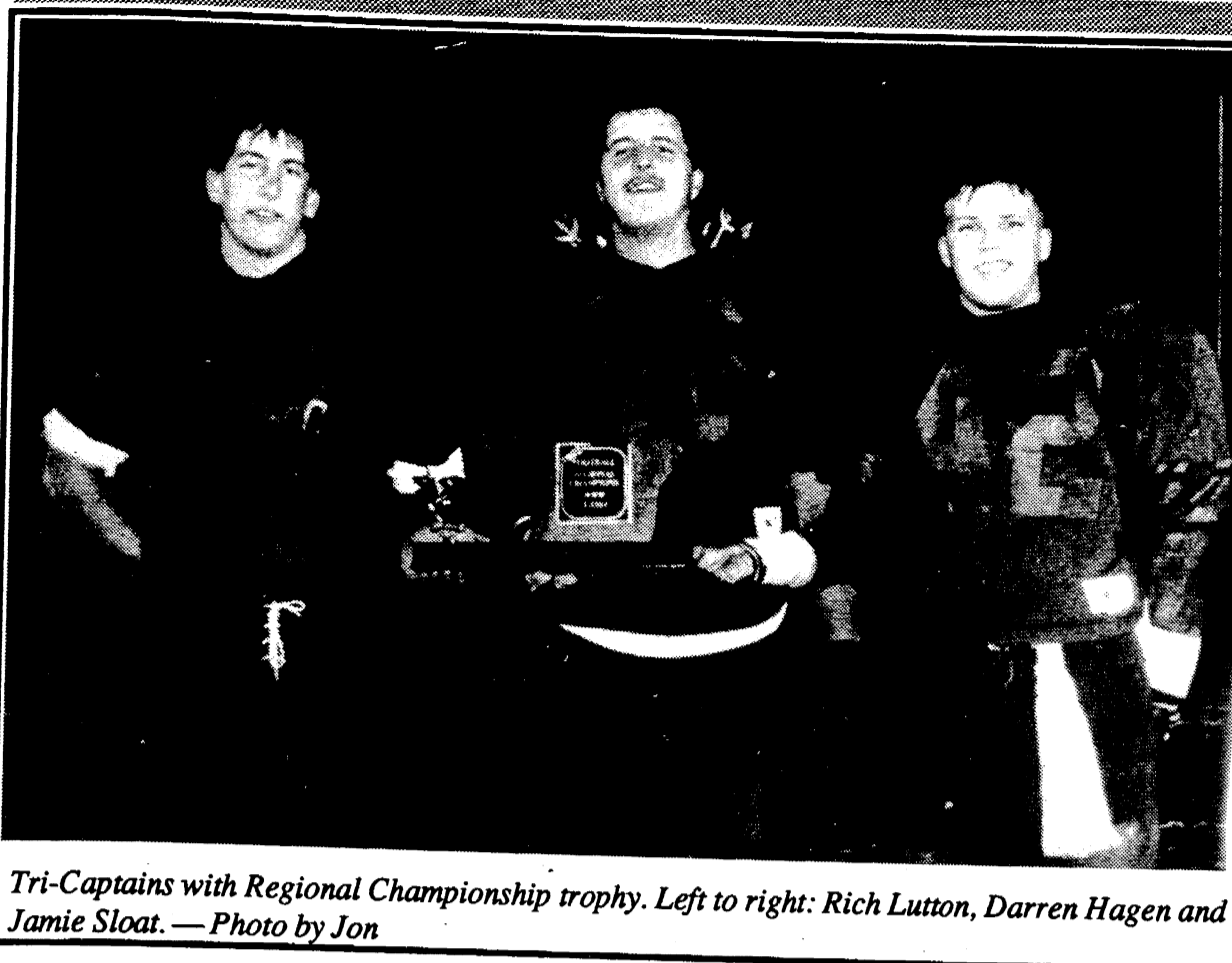

Gould and Pucas put heavy pressure on the Comet QB all night, but they did score on a TD pass with 1:07 left in the 3/4. The two point conversion was good closing the Dutch lead to 2 points.

A Manchester fumble gave the Comets the ball, but the defense rocked them back. Gould

nailed the QB which forced the punt and gave the Dutch the ball. A sustained drive would run some time off the clock and Fielder with the help of his offensive line did just that. Tom hit M. Fielder for a first down, followed up with big carries by Sloat and B. Davis. Manchester took seven minutes off the clock in 15 plays to gain control of the game.

This Dutch team has something no other team in Manchester has had for a long time, the willingness to play as a team. Because there is no one person who can be a super star every minute they know they must stick together. They support one another on and off the field. The depth of talent and friendship on this team is very special. They will need all that and more when they take on the Lancers from Harper Woods Bishop Gallagher Saturday at 11:30 A.M. in Jackson at Withington Stadium. Coach Gall said they are fast and have a good running game. Three of their players made All Catholic First Team. He said, "They have big linemen, but so do we. I'm confident we can win this game." This is the semi-final round in the contest for Class C State Champs. Only four teams were good enough to go this far and we are very proud of the coaches, parents and players who brought this recognition to our community.

Let's Go Dutch!

All Conference Players/Cheerleaders Named

—Patrice Faulhaber

The Manchester/Jonesville game was the sight of the awards presentation of the Cascades All-Conference Football Players. Manchester, with its winning season, won seven positions on First Team and had their best showing ever on Honorable Mention. Players are selected by the coaching staff from all the schools in the conference.

First team offense went to: Tom Fielder (QB), Jamie Sloat (RB), Darren Hagen (second year DL), Darren Hagen (DL), and Jeremy Strook (kicker). Honorable Mention status was given to: Matt Wiethoff (WR), Karrick Rentfro (offensive tackle), Chris Fillyaw (C), Matt Fiedler (TE). Also Shayne Ahrens (punter), Mica Pucas (DE), J.D. Gould (DE), Andy Corwin (LB), Rodney Burkhardt (DB) and Jamie Sloat (DB). These young men have

worked very hard, quite often with painful injuries, to achieve this honor. Their teammates, coaches and the community are very proud of their efforts.

After working hard all year, the cheerleaders traveled to Jackson Lumen Christi for all Conference Cheerleader Competition. They placed second in the Blue Division in the team category. Honorable Mention awards were given to Kim Reeb and Jennifer Hampton in the individual cheerleader category.

Concentration on the competition was difficult but they did a very good job. Their cheers were technically more difficult than the other teams which put them at risk of making errors. The teams are judged on enthusiasm, synchronism and mounts. The mounts must be within the guidelines of the State of Michigan rules governing cheerleaders. Next year cheerleaders in Michigan will be able to compete at a State level.

Harper Woods Bishop Gallagher vs Manchester Saturday, November 21, 11:30 a.m.

Manchester will meet the Bishop Gallagher Lancers at Jackson's Withington Stadium. The game is set for 11:30 a.m. The Jackson site will also host a Class AA at 3:30 p.m.

Ticket prices will be \$3 for all. No passes will be honored. Manchester will NOT PRESALE tickets. Maps to the stadium will be available at the high school. As predetermined by the MHSAA, Manchester will be the home team.

CARDS OF THANKS

St. Mary's Youth Group wishes to express many thanks to the following people for helping with the walk-a-thon held in October: Liz Wallace, Liz Blossom, Mary Ann Fielder and the Jr. Optimists, Alber's Orchard for donating cider, Baker's Dozen for donating doughnuts, Walco Foods for donating cups, and the many friends, relatives and concerned people of Gene Way who participated. There were approximately 65 walkers with a total donation of \$1,900! The funds collected were sent to the American Red Cross in memory of Gene Way.

Obituaries

Robert R. Buchanan Saline, MI

Age 25, died suddenly Tuesday, November 10, 1992. He was born March 8, 1967 in Ann Arbor, MI, the son of Billy R. and Barbara J. (Leddy) Buchanan. He had been a Manchester/Saline resident all of his life. In his earlier years he attended the Manchester United Methodist Church and received his spiritual support from the Shekinah Church of Ann Arbor, MI. He had been a Saline High School graduate, class of 1986 and a member of the United States Marine Corps from 1988 until 1992. While in the service, he was stationed in Hawaii and had served in Saudi Arabia during Desert Storm. He was currently attending Washtenaw Community College and had been working for the McNaughton-Gunn Co. in Saline, MI.

Survivors in addition to his parents include: one brother Jason Buchanan of Saline, MI; his maternal grandfather, Evan Leddy of Brookly, MI; and several aunts and uncles which include John and Sandy Knapp of Manchester, MI; Ray and Lee Leddy of Livonia, MI; one cousin Thomas Knapp of Manchester, MI; and many aunts and cousins living in Tennessee. He was preceded in death by a maternal grandmother, Hazel Leddy and his paternal grandparents, Lucy and Tip Buchanan of Tennessee.

Burial took place in the Lenawee Hills Memorial Park, Tecumseh, MI. Funeral services were held on Saturday, November 14, 1992 from Robison Bahmiller Funeral Home, Saline, MI with pastors Barbara and Paul Yoder officiating.

Justin E. Brown Of Lake Placid, FL Formerly of Manchester

Age 71, passed away on November 11, 1992 at the Lake Placid Medical Center. Justin was born in McGuffey, OH, the son of Samuel and Ida (Risner) Brown. On May 8, 1990, he was married to Wilma Skutchan and she survives. Justin was a member of the American Legion Post No. 25 in Florida. He was also a retired member of UAW Local 1248 and retired from Chrysler Corporation in 1979. He was a past member of the United Methodist Church of Manchester. Justin is also survived by two sons, Douglas and Ronald, both of Tecumseh; one daughter, Cheryl of Brooklyn; several grandchildren and great-grandchildren; three brothers, Kindel, Knowlton C., Sammie; one sister, May Sheppard. He was preceded in death by one sister and three brothers. The funeral was held at Jenter-Braun Funeral Home, November 16, with burial at Oak Grove Cemetery in Manchester.

We now have our mail slot installed in the front door of The Enterprise. If you use the mail slot to submit articles or ads, please remember to include your name and phone number in case we have to contact you. Thank you.

CARDS OF THANKS

I want to thank my family, friends and relatives for all the cards, flowers and food I received while in the Saline Hospital. Special thanks to Pastor Reinick for his prayers and visits; and, also to the bus drivers for their encouraging visits and phone calls. Bonnie Hughes

Many, many thanks to the following for making this 1992 Veteran's Day success: Baker's Dozen for their generous donation of two beautifully decorated cakes; Past-Gov. John Swainson as Parade Marshall and kind words at dedication; State American Legion Commander Al Ford for his participation in parade and dedication speech, and, especially the Manchester Enterprise for their excellent coverage of this event. As a Veteran's organization, we appreciate all community support and in return, strive to give back a little of our service to all of you. Thanks again. Manchester American Legion/Auxiliary Emil Jacob Post 117

Mid-life Career Change to Car Sales

3rd in a Series by Ken Moull Midwest Ford

A salesperson's success depends solely on earning his customers business and loyalty, and I do stress the word earning. Customers today shop more than ever because they are more price and quality knowledgeable. Consumers are better educated than ever before and the information and reports available are mind boggling. One misconception is that larger dealers can give you better prices. This is not true. All dealers pay the same price for their vehicles. Smaller dealers have less overhead and can afford to pass savings on the customer. We depend on repeat business, not high volume. We are willing to give you the best price. Trade in allowances will vary some, but should not vary a lot. All dealers have to sell their trade-in so they are not going to overprice them just to close a deal. Probably the second largest concern is service. Service is the key to any dealership. I feel sales sells the first vehicle and the service you receive sells the rest. We want you back time and again. We are not a high volume dealer, we are your neighbors and we see you uptown at the post office, drugstore, bank and even at church; so we want you happy! Most large dealerships don't accept appointments for service. They only work on a first

come basis. That results in long lines and a long wait. We take great pride in ourselves in service related areas and we have highly skilled mechanics. Another problem with large dealerships in the turnover in the sales force. Large dealers usually hire young salespeople who bounce around a lot because they don't have a following. It takes time to build a customer following. Small dealers depend on repeat business and are more selective in their hiring. Most small businesses want people who are willing to stay in one spot and earn repeat business. A small dealer is more willing to take the extra time to explain the various options available such as ways of financing, leasing, warranties, credit life, and disability insurance. All these options raise many questions and we will take time to answer them. You folks are our neighbors and we have an interest in our community and the folks who live here. We will go out of our way to earn your business. We will work harder for you if you live in our community. We will even service your vehicle if you didn't buy it here. Hopefully you'll want to purchase your next vehicle with us! We are your neighbor and your friends. Next week, I'll tell you why I chose Midwest Ford as my employer.

Dutch Have Best Season In School History

—Patrice Faulhaber

It was a day the 1992 Manchester varsity football team will remember for a long time. You could see the pride in the faces of the parents as the team, with haircuts as individual as each of them, started wandering into the high school auditorium Saturday morning for the team breakfast. Preparing the pancake and fresh fruit breakfast was a labor of love for the parents who were well aware that the players were about to face their biggest challenge of the year. All the blood, sweat and tears that went into the 10-0-1 season was coming down to this semi-final game in the bid for State Champs.

Did the players and coaches know on August 10, when double day practices started, they would be here? Coach Gall worked all year to instill a winning attitude in his team. He told them if you want something bad enough and work very hard it can be yours. And so it is theirs, the best season in the history of the school. The trip to the Pontiac Silver Dome was not to be with the 28-14 loss to the Lancers from Harper Woods Bishop Gallagher, but the Regional Championship title cannot be taken away. It's locked in the trophy case and in the hearts of players, coaches, parents and fans.

There is no shame in getting beat by a better team, and the Lancers were definitely the better team. They took control of the game in the first minutes and never allowed the Dutch

back in. Remember the names Wasean Tait and Don Johnson, they may play in the big leagues someday. They gave our Dutch defense a real workout scoring 21 points by half-time.

The game for the Dutch was plagued with turnovers. The Lancers were quick, maybe a little too quick sometimes, and forced four fumbles. The Dutch team is more accustomed to a game being called a little tighter by the referees, and perhaps weren't prepared for the speed with which they came off the line. This was a real learning experience for the players and coaches.

It wasn't until the fourth quarter with 3:54 left that the Dutch got on the board. Rich Lutton ran the recovered fumble in for six big points then a Fielder to Fielder pass put up two more.

It looked like the Lancers would score again making three first downs on the next drive but an unsportsman like conduct call, slowed them down. With Mike Barnard at QB, Brian Hoeft ran 94 yards for a touchdown. Mike and Brian have done a fine job all year as reserve players.

And so the season ended. It's time to put away the football gear and get ready for the upcoming basketball, volleyball, wrestling season. Do we have another play-off team waiting in the wings? The girls' volleyball team may have the talent, but do they have the determination it takes to become winners? Are they ready to sacrifice and do what's best for the team even though it may not be what they want? Only time will tell.

We salute the **Manchester Varsity Football team of 1992.** Good luck seniors!

And, any last words from the juniors and sophomores? "We'll be back!"

Coach Gall

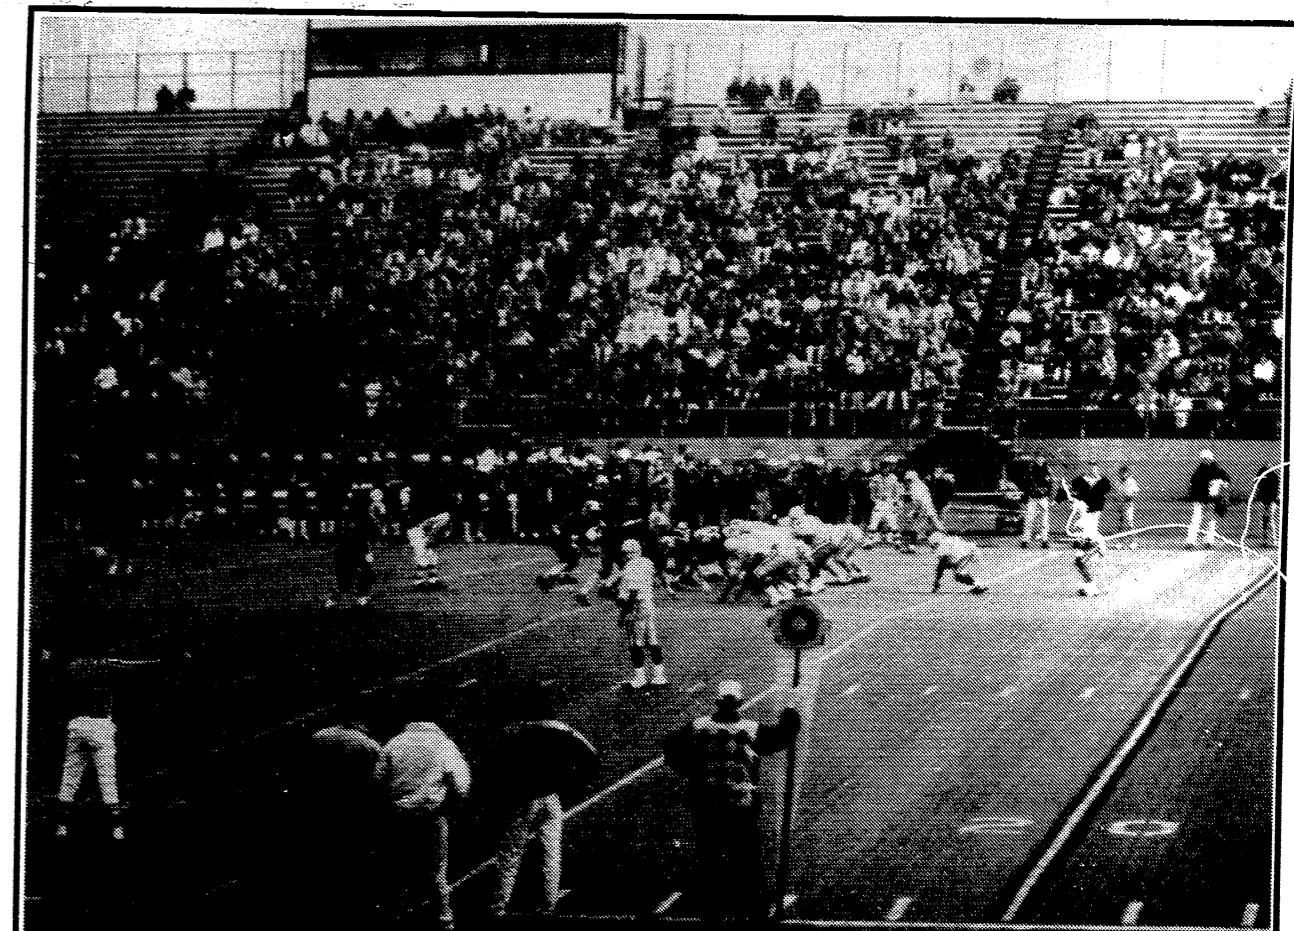

—Patrice Faulhaber

Coach Wes Gall is exactly the kind of man parents want coaching their young men. He is strong, strong in his beliefs about how a team should look on and off the field.

Winning is important, but learning to play by the rules is

Pre-game enthusiasm—the team revs up for the battle against the Lancers.

The bleachers were full of Manchester fans.

 Insulation Package • Rear Wheel Anti-Lock Brakes • And much more.

AND NOW WE'RE ADDING FUEL TO THE FIRE.

1993 TAURUS GL
\$249 A Month
 24 Month Lease²

1993 F-150 XLT
 Save **\$1,600**³

Five of the ten best-selling vehicles in America are made by Ford! And two of the hottest-selling Fords are the F-150 and the Taurus. In fact, F-150 is the #1 selling vehicle in the country, period! Now at your Ford Dealers, we're making these hot-selling Fords even hotter. How? We've cooked up these two great deals: now you can lease the 1993

Ford Taurus GL for 24 months for just \$249 a month or save \$1,600 when you buy the F-150 XLT.

But you'd better hurry. Because even though Taurus and F-150 will be hot for a long time, these deals will cool off soon.

Supplemental Restraint System. Always wear your safety belt. *1993 Taurus GL with PEP 204A. Lease payment based on \$19,093 MSRP. 1st month's payment, \$2,835.75 down payment, \$250 refundable security deposit, totaling \$3,334.75 due at signing. Total of payments, \$5,976.00. Lessee responsible for excess wear and tear and mileage over 30,000 at .11/mile. Lessee may have option, but is not obligated to buy at lease end at price negotiated with dealer at lease signing. Tax, title and license fee extra. Lease subject to credit approval and insurance as determined by Ford Credit. For special lease terms, take new retail delivery from dealer stock by 11/30/92. See your dealer for his payment and terms. ²Based on \$300 cash back on new retail deliveries from dealer stock by 12/18/92, plus \$1,300 option package 507A savings vs. options purchased separately. ³Based on 1992 calendar year sales. ⁴Based on 1992 calendar year R.L. Folk registrations. ⁵Limit one per person, while supplies last. See participating dealer from 10/28/92 - 12/10/92.
