

Kiwanis continued from page 6

and the Manchester Club has chosen to aid the Preschool to attain that goal. Another project they developed is to help children in the annual volleyball tourney in September for Mott's Children's Hospital.

The Kiwanis has also tried to make our community more attractive. They are taking part in the Adopt-A-Highway Program sponsored by the Michigan Department of Transportation, and clean M-52 from the village limits north to Pleasant Lake Road. Also, you may notice in the spring the flowers on Freddy's Island, on the Raisin River between the Mill and the Dairy Queen; they are planted and cared for by Kiwanis members. They are also active participants in Christmas-in-April.

Most of their proceeds are earned by their Food Wagon that you will see at the fair and other community events, fall Cider Sale, or the bird seed sale that is going on right now. So remember if you purchase something from the Manchester Kiwanis, they will put the proceeds to good work.

Learn Women's Barbershop Harmony

The Ann Arbor Chorus of Sweet Adelines International is offering six free group vocal lessons to women who want to sing four part barbershop harmony. The Tuesday evening classes begin on January 19 at 7:00 p.m. at Glacier Way United Methodist Church, 1001 Green Rd., Ann Arbor. Call (313)434-4563P for more information. Ann Arbor Chorus activities include an annual show to perform for and entertain local audiences. The chorus also participates in community activities and social events. And, regional competition each spring provides an opportunity for a fun-filled weekend away from home.

The chorus is a workshop where members receive basic training in barbershop harmony and choreography while participating in their prime enjoyment—singing.

Chelsea and Manchester to Receive Expanded Curbside Recycling

Beginning Wednesday, February 4, the villages of Chelsea and Manchester will receive expanded curbside recycling. Collection will be every Wednesday instead of the present monthly or bi-monthly collection. In addition, residents will now be able to put their newspapers and plastics with the number 2 on the bottom, out for collection. Special recycling buckets are available at the village offices for residents who have not received them.

Residents in Bridgewater, Dexter, Lima, Lyndon, Manchester and Sylvan townships now have nine drop-off sites available for their recyclables. Residents of the villages and townships will receive a newsletter that explains how and

what to recycle and a map with all the drop-off locations.

Residents are invited to attend an open house on Saturday, January 16, 1993 at the Materials Recovery Facility (MRF) at the Chelsea landfill. A ribbon cutting ceremony including local dignitaries will be from 10:00 a.m. - noon. Refreshment and a tour of the facility are planned. Anyone who attends and brings their recyclables with them, will receive a coupon for \$.25 off a gallon of milk, redeemable at eight local stores.

From Noon - 2:00 p.m. at the nine drop-off sites, volunteers will help residents with questions and will distribute the coupons to those who recycle.

MIDWEST FORD PRESENTS KEYS FOR NEW DRIVER EDUCATION VEHICLE

Mr. Greg Marvin of Midwest Ford presented the keys to this beautiful light blue 1993 Tempo GL Thursday, January 14, 1993. This 2.3 Liter, 4 cylinder, fuel injected auto with a 3 speed Automatic transmission, will be the Driver Education auto for 1993. Greg and Kathy Marvin have provided the Driver Education cars for the past five years.

Manchester Community Schools Driver Education program was mandated by the State of Michigan in 1955/56. According to Mr. Ron Jansen, who accepted the keys for the car on behalf of the school, there are 65 students enrolled. Enrollment varies up to a maximum of 100 students. The State provides reimbursement to the school system for offset costs of instruction. A minimal lease charge and partial cost recovery is made to Midwest.

The Driver Education car accumulates about 10,000 miles each year. Ford Motor Company encourages local dealers to furnish vehicles but there is no compensation by Fo Mo Co.

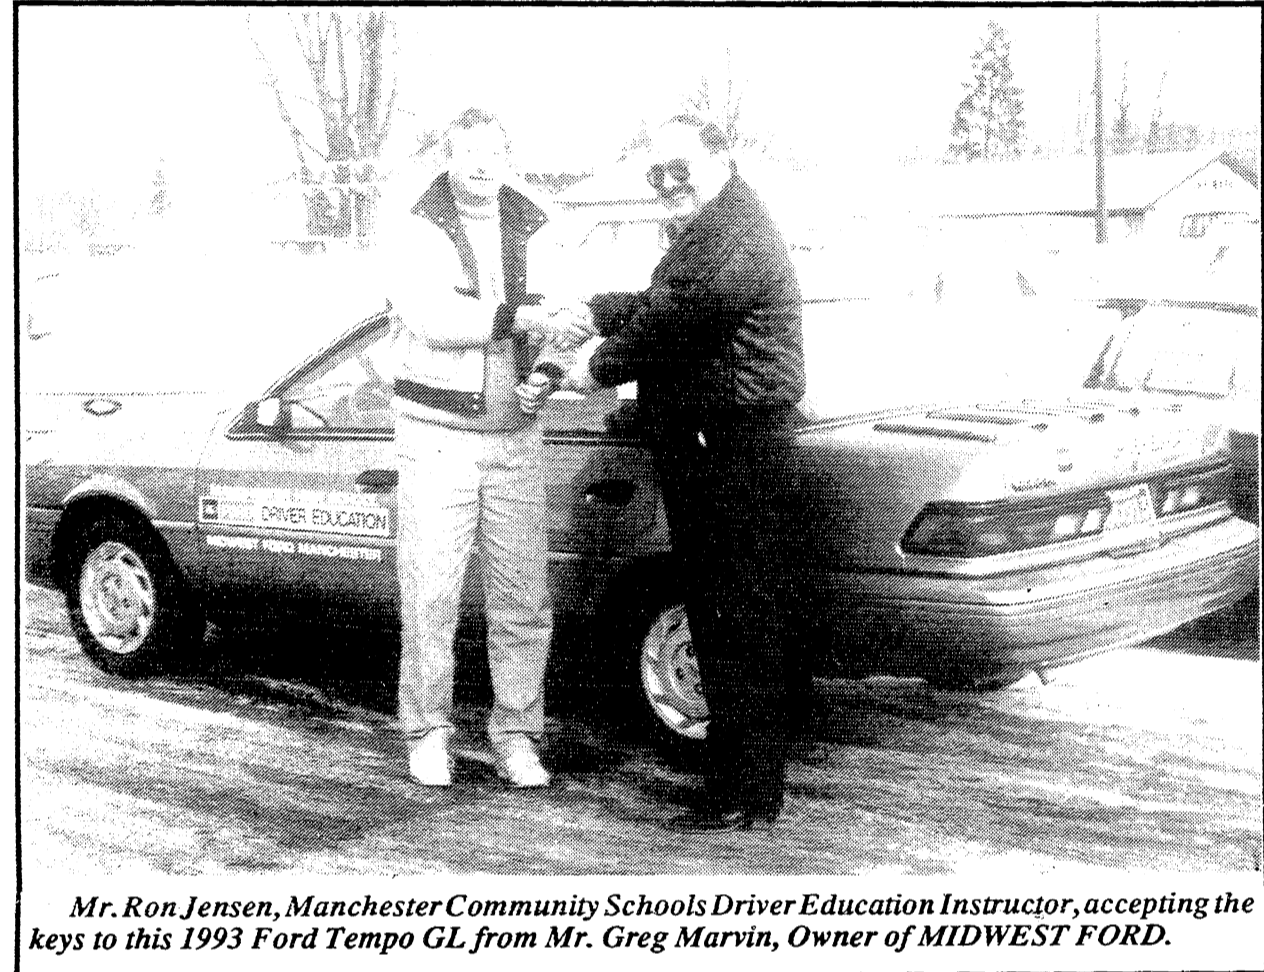

The program requirements are 30 hours of class room instruction and a minimum of 6 hours behind the wheel. The winter program is during the week, December through the 1st of April. A spring summer program meets on Saturday's only January through July. There are no longer credits allowed toward graduation.

Ron Jansen the current Driver Education Instructor is the most recent of many instructors. Ron started teaching in Manchester in March of 1977 and Driver Ed. in 84/85 school year. There have been no accidents caused by our students since Ron has been here. Jack McNally, Steve Halchishak, Jim Fielder, Jim

Brink, Bill Simons and John Korican are just some of the past instructors.

This is just part of their ongoing community commitment. Recently the Marvins, of Midwest Ford, established a scholarship program. That program according to the Marvins will set aside a percentage of the business garnered from Manchester residents. Any business from Service, Body Shop or Sales will have that percentage set a side for scholarship awards starting this year.

The Marvins care about the community and have sponsored Township Library, Historical Society, Men's Club, Athletics Program, Girl Scouts, Community Resource Center, Recycling Programs, Kool Cruisers Car Show, Canoe Race, Chamber of Commerce, Lamb Club, Steer Club, Swine Club, Recreation Task Force, Fireworks, 125th Anniversary Celebration and the Kiwanis. Greg and Kathy Marvin care about our community and about Midwest Ford.

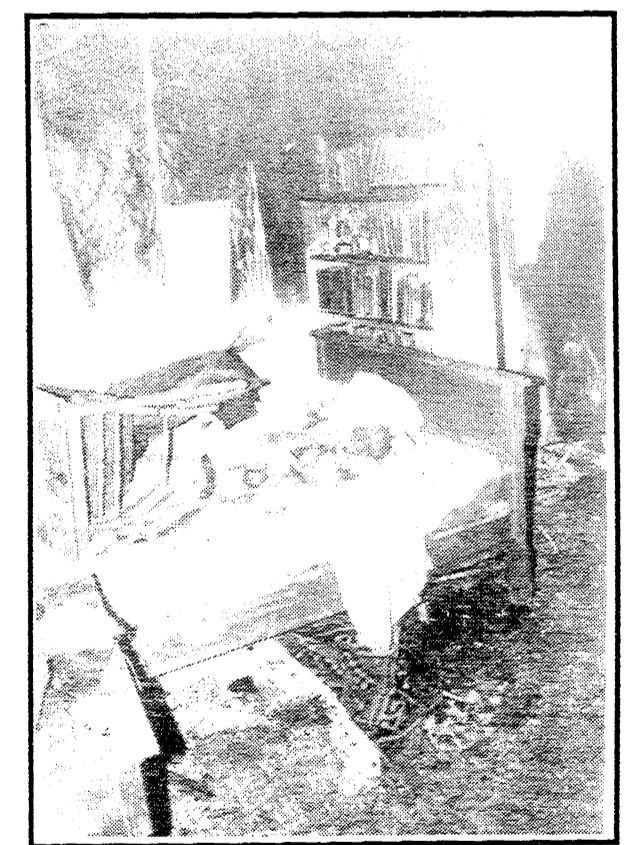

Mr. Ron Jensen, Manchester Community Schools Driver Education Instructor, accepting the keys to this 1993 Ford Tempo GL from Mr. Greg Marvin, Owner of MIDWEST FORD.

Fire Ravishes Miller Home

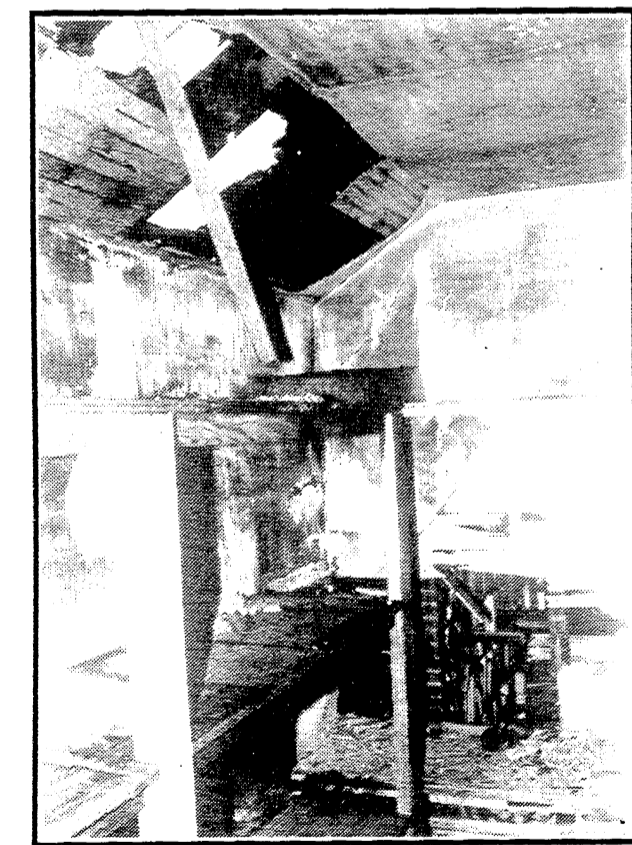

A vicious fire broke out in the home of Robert and Lillie Miller, 10955 Hieber Road, Freedom Township. Bob was at home with daughter Katie when the lights of the home went off and the odor of smoke was detected at 10:12 PM. In pajamas and flash light Bob headed for the basement which was in flames. Manchester Township Fire Department was summoned and arrived within minutes according to Bob.

"I was in my pajamas, related Bob, the lights began to flicker, Katie and I, smelled smoke. We have a dual heating system, gas furnace and a wood burning furnace and I went to the basement to see what was wrong. Flames seemed to be everywhere in the basement. We called the Fire Department. I was outside with the fire fighters, without a hat, in the freezing rain and my head was covered with a halo of ice. Flames were coming out of the roof in the rear of the house and smoke was pouring out from under the eaves in the front of the house. It was impossible to get to the second floor on the inside as smoke and fire drove me back."

The Miller home was originally the Hieber homestead and the main part of the house was constructed between 1860 and

Upstairs front bedroom, blackened with smoke

Upstairs landing with hole in roof & wall

1865. Hieber Road was named for the early settlers and their homestead. The house sets on the southeast side of Pleasant Lake in idyllic rolling hills common to that area. Bob's father John Miller purchased the farm in 1943 and remodeling has been ongoing since then by both Bob and his father John. "Dad was really proud of this home and he would

Optimist Essay Competition Winners Announced

Matt Wiethoff of Manchester High School placed first in the recently held Manchester Optimist Club Essay competition on the subject of "Freedom: Our Responsibility To Preserve."

The winning entry has been submitted to the Optimist district competition for judging against other Optimist Club winners throughout Michigan. The winner of the district competition will be awarded an expense paid trip to the Freedoms Foundation at Valley Forge for a four-day conference on freedom and leadership, funded by the Optimist International Foundation and the Optimist International Foundation of Canada.

Taking second place in the competition was Robert Spork, with third place being awarded to Amber Minor.

Pictured above: Rev. Peggy Paige (left), of Sharon United Methodist Church, Optimist Essay Contest Chairperson; Robert Spork (center) second place winner; and, Matt Wiethoff (right) first place winner. Not pictured, Amber Minor, third place winner in Essay Contest.

"Freedom: Our Responsibility To Preserve" — Robert Spork

Freedom provides people with the hope of pursuing their dreams. The advantages of freedom are countless. The freedom that our forefathers have given us at the risk of their lives must be maintained by the future leaders and citizens of our country.

Freedom of speech is the most powerful freedom in the world today. The ability to express oneself in the way he or she chooses to, cannot be replaced and is priceless in value. Freedom and peace normally go hand in hand. As Malcolm X said: "You can't separate peace from freedom because no one can be at peace unless he has his freedom."

The presence of freedom within an individual's life brings a

more comfortable state of mind. The choices available to a man or woman and the resulting accomplishments and achievements are limited only by the individual's imagination.

The freedom that most of us were born with is normally taken for granted. It is not until the freedom that we have been accustomed to our entire lives is taken away, that we notice its advantages. It is the responsibility of the current and future citizens of the United States to maintain and protect our freedoms.

Many American lives were lost while establishing a free and independent United States of America. The oppression from mother England became intoler-

able to the citizens of the colonies. Freedom became paramount, but its price was costly. These men gave up their lives to assure the future citizens of the United States freedom from dictators or oppressive rule.

The Civil War was also a situation in which men risked and lost their lives to maintain freedom for themselves and future generations. The North, of course fought for the freedom of slaves, while the South fought for their freedom to maintain their economy base and livelihoods which were dependent upon slavery.

The recent conflict in the Persian Gulf found the citizens of Kuwait suddenly and dramatically overcome by a dictatorship and stripped of their freedom. The United States and other world powers joined forces to reestablish the free nation of Kuwait. The countries that made up the liberating army, believers in freedom, showed that there is an obligation to support and defend freedom for others. "In giving rights to others which belong to them, we give rights to ourselves and our country," John F. Kennedy.

Future generations of American citizens must also recognize their responsibility to maintain freedom for two different reasons. Primarily, freedom is priceless. Secondly, thousands of Americans lost their lives pursuing and securing our freedom. Their efforts must not be in vain.

"They have rights who dare to maintain them." James Russel Lowell. We must continue to dare to maintain our right to freedom, because freedom is most noticed when lost.

"Freedom: Our Responsibility To Preserve" — Matt Wiethoff

The dateline of history has been marked with many instances that illustrate the responsibility of societies to preserve their freedom. Wars have been fought, compromises have been reached, and protests have erupted, all for the propagation of a concept that civilization has come to know as freedom.

Societies have shown throughout history that they must take the initiative if they are to retain their freedom. Societies have shown great determination to preserve their freedom to ensure that no person or persons may dictate over their beliefs or expressions. Society will go to any lengths to preserve such a valuable asset so that their children will live with continued self-determination.

Social unrest first broke down the reign of nobility and led to the Magna Carta. The Magna Carta was the forefront of the freedom movement. Society for the first time was given due process of law and mandatory compliance with the law for everyone, including the king.

As people began to demand more personal freedom society began to back movements which promoted the liberties of the individual. The Revolutionary War of the United States is an example of a movement which was for the purpose of freedom. The United States wanted to separate from Great Britain, which was still under the control of a king. The United States, clearly overmatched fought with great determination with hopes of creating a totally free nation.

The colonists eventually broke away from Great Britain forming a government with a Bill of Rights. The Bill of Rights granted basic liberties such as freedom of speech, press, and religion, and the right to due process. A movement that has recently occurred dealing with societies responsibility to preserve freedom is the democratic movement in Russia. Russian society for years has been under a Communist government. Now society is demanding freedom and a democratic attitude is sweeping over the people. Complete government regulation has been restricting the people of basic liberties. Russia is now in the slow process of change into a democracy. After the conversion is complete the people of Russia will have to continue to preserve their new found freedom in the years ahead.

Also associated with the preservation of freedom is the civil rights movement. For many years minorities have been discriminated against in the community and in the work place creating an oppression of their freedom. As racial tension increased large protests erupted into riots. Their built up anger was released against a society that was restricting their freedom and forced society to deal with their problems immediately.

The instances listed above are just some of the examples of people preserving their freedom. People preserve their freedom at levels of smaller magnitudes every day. A child refusing to dissect a frog in a biology class, or a person voting in a political election illustrate preservation of individual freedom. In conclusion, freedom is a wonderful thing and is clearly the responsibility of society to preserve.

"Freedom: Our Responsibility To Preserve" — Amber Minor

"The art of governing mankind depends on the education of the youth." Aristotle presented this concept to his society centuries ago, still holds true today. For us to preserve our freedom we must maintain our great democracy, and for us to do so, we must educate our youth. The preservation of freedom can only be maintained through the education of its history, value, and meaning. Future generations must be taught how they received their freedom, their right to enjoy freedom, and the necessity of its preservation.

MANCHESTER ENTERPRISE

The Second Front Page: Fire Ravishes Miller Home

Cont. from Page 1
- have been devastated by the damage to the house. He took great pride in our home and the area."

The fire appeared to have started in the kindling box setting next to the wood burning furnace. "Part of an old quilt was in the bottom of the box and there was some fire starting wood on top of it. A spark may have ignited the tinder. There was an old door standing near the kindling box and the old paint on the door could possibly have caught fire and reached the floor joist. It's hard to say what really happened, related Mr. Miller."

Bob is a job placement coordinator for the South and West Washtenaw Consortium of schools. A longtime school district employee and an active member of Freedom Township local government. Bob serves as the Secretary of the Freedom Township Planning Commission. Lillie was at work at the Saline Community hospital where she is a nurse. "I heard the Saline Fire whistle go off and I thought, 'Oh there is an accident maybe and we may have too treat some injuries. I was hoping that no one was seriously hurt, little knowing that it was our house on fire. All of our belongings are smoke damaged and some are water soaked'."

Three area Fire Departments responded either on site or as backup for those actively fire fighting. Manchester, Saline and Clinton Departments accomplished an outstanding job saving the structure under some of

the most adverse conditions imaginable. Freezing rain and ice coated roads made the driving treacherous. Three Manchester Firemen were involved in auto accidents trying to get to the fire barn.

Brian Kunzelman, with lights and siren blaring approached the intersection of Clinton and Duncan Streets, where another car approaching the same intersection was unable to stop on the ice glazed roadway. Brian struck the other auto. Gene Kemeter following Brian pulled over to assist with the accident when Larry Bash a third fireman approached the same intersection. Larry unable to stop struck a parked pickup and then into Gene Kemeter's vehicle.

Brian's Mom, Betty Benedict, heard of the crash over the scanner headed for the accident site. Unable to walk on the ice covered street, Betty resorted to crawling on her hands and knees to cross the road and assist at the accident. The driver of the first vehicle suffered a broken collarbone and was transported to the hospital. Gene, Larry and Betty stayed with the injured motorist while Brian helped crew the fourth fire vehicle dispatched.

As can be seen from the pictures the fire could have completely destroyed the house had not the Fire Department responded so quickly.

When reviewing the damage and taking pictures, it was apparent that once the fire started the flames and superheated air traveled up the wall cavities. Most older homes of this vintage have long stud walls that go from the foundation sill straight open to the second story roof line. Additionally the heat

Upstairs bedroom next to hallway

Hallway access to bedroom's

House showing where fire had to be uncovered and extinguished

Where fire started, note charred joist, sagging duct's and wire's

stopping will not completely eliminate fire transference but with smoke alarms fires can be more readily contained. Fire stopping should be undertaken in any remodeling of an older home.

There are lessons to be learned from this unfortunate fire. The exuberance and dedication of our firemen is to be lauded. Our fire department leadership must however instill, in our responding firemen, that caution in getting to the fire house is necessary. Our modern

sound proof auto's inhibit the hearing of a fire siren, drivers are not always aware of flashing lights and poor driving conditions are fraught with danger.

The Great Lakes Bank office has an account set up to accept donations for the Millers. Schneiders Party Store is also accepting contributions of food and clothing. Jill Mieras at Saline Area Schools, 313-429-5454, ext 218 is taking calls for those persons wishing to help the Millers.

Editorial / Opinion

To the Editor.

I am researching my family tree and have found that some of my ancestors' relatives settled in Manchester, probably in the 1850's. I would like to know more about these people. Maybe some of your readers know of them, or may even be descendants.

Margaretha Adelheid Landwer (also spelled Landwehr) was born in Germany in 1823. She married a Mr. Renau. My information does not say whether this was before or after she arrived at Manchester. I don't know when she died.

Fenne Maria Landwehr (Margaretha's older sister) died in Germany in 1843, but her husband, John Henry Kuhl, and their two children came to America. My info says "perhaps to Manchester, Mich."

Anna Adelheid Landwer apparently arrived with Margaretha (her cousin). Anna died in 1875, possibly at Manchester. I know she had a son, and he may also have used Landwer as his last name. Anna was the sister of my great-great grandfather.

If anyone has any information on these people or their descendants I would greatly appreciate hearing from them. I have information going back into the 1400's that I will gladly share with any interested relatives.

Thank you for your time.

Sincerely,
Gloria Scott

Ludlow, IL 60949,
Phone 217-396-8840

To the Editor;

We feel that it should be brought to the attention of the Manchester area the plight we are facing in our neighborhood.

The neighbor next to us has leased his land to a paid-for-hunting business which has several leased properties in this area. Our concern is that this 8 acre property is insufficient in size to support such a group.

The hunting blind is approximately 80 ft. from our property line and endangers our families' lives and that of our horses which must now be kept near the barn. Trespassing is occurring as hunters and their dogs retrieve their downed fowl.

The neighbors agree that this simply is not enough land to operate such a business and have signed petitions to the fact. It is felt that such groups should only be able to operate on a minimum amount of acres — say 40 or more. Furthermore, a buffer zone would provide a safety and privacy net so that a blind could not be built on top of property lines. It should be noted that the guidelines we are seeking would only regulate **paid-for-hunting businesses!**

It should be further clarified that we are not opposed to hunting! Common sense must rule when even dog kennels in the township must be on 10 acres. State law dictates private shooting preserves must be on 80 acres.

Our best hope is that the Manchester Township Board chooses to act. If you support these recommendations, we ask that you contact them. If there are others out there who are encountering similar situations, we would be interested in hearing from you.

Sincerely,
Vic & Chris Kanta

OUT & ABOUT

by gar

While covering the story of the Miller fire on Hieber Road, I was struck by the loss of property and the possibility of the Millers having lost the home completely. Additionally, when hearing of the firefighters having the accidents on the way to the fire hall, I was thankful that no one was killed.

A friend has experienced some financial difficulty recently and has had to deal with some financial losses.

Recently another friend's daughter lost a child. That child had a birth defect which would have rendered it severely retarded and incapable of caring for itself.

A child was killed in an auto accident at Pleasant Lake recently.

A young woman in the prime of her life died this past week.

All these instances deal with a loss to a family. The first two were material losses of durable goods or financial means. In both cases these losses can be recovered. Priceless books, pictures, keepsakes and money can not be replaced. However, material losses can be made up for by each of us sharing or giving to those who have suffered that

type loss. How can a loss of life ever be shared or made up for? It can't!

The only thing we can do is extend our friendship, concern and make ourselves available to the persons who have sustained that loss. Life in and of itself is very, very short. Those that precede us and are no longer available, leave us with memories. Some of our memories will be good and perhaps other memories will be of what might have been. Let us, the living, cherish the good and remember the legacy left behind. Let us take those fond times and press them onto ourselves, so that even if material things were lost, those times, preceding the loss, fulfill our lives.

Let us remember and cherish in our hearts the time that we had together, even though it might only have been in the womb or our mind. We have the ability to persevere, that ability has been given to us by a greater power.

There is pain in our loss. Let us not let the pain obscure the fact that life goes on and that pain is just part of life. God bless one and all.

Optimists' Student of the Month Sharon Bihlmeyer

Manchester High School Principal Russ LeBlanc presents the Optimist Club's Student of the Month award for January to Sharon Bihlmeyer, pictured above, with her parents John and Nancy Bihlmeyer.

The Manchester Optimists are pleased to announce that Sharon Bihlmeyer, a Manchester High School 11th grader, has been named their January outstanding citizen. Sharon is the daughter of John and Nancy Bihlmeyer of Manchester. She has been on the honor roll in the 9, 10 and 11th grades, has been awarded Academic A/B honors in the 9th and 10th grades and as a result, she was recently selected as a member of the National Honor Society.

Sharon participates actively in various extra-curricular activities. For three years she has been active in the Spanish Club (Secretary in the 10th grade), Students Against Driving Drunk (Treasurer in 11th grade), the Drama Club (Treasurer in the 11th grade), and the basketball team (Coach's Award in the 10th grade).

Sharon has also been very active in 4-H for the past three years. She is the founding president of Country Expression's 4-H Club. As a member, she has won numerous awards. She is also a member of the Senior Youth Fellowship of the Bethel United Church of Christ. This year, she serves that organization as their president. Because of her willingness to accept the responsibilities of holding offices in these organizations, Sharon has received numerous leadership awards both on the court and in the classroom.

Sharon plans to attend college after high school graduation. She is considering pre-med or engineering.

Local Students Included in Who's Who

Students from the area have been included in the 26th Annual Edition of *Who's Who Among American High School Students 1991/92*. Students are nominated by high school principals and guidance counselors, national youth groups, churches or by the publishing company based upon students' performance in scholarship award contests or extracurricular activities.

The students from Manchester High School are: April Butterfield, Darian Davies, Shane Goodell, Lori Jacob, Tracy LaRue, Amy Pixley, James Suggs, Lori Collins, Michelle Gilbert, Karen Hamilton, Diana Kruse, Won Hee Park, Mark Schulte, Brandon Woods.

Students from Chelsea High School are: Karen Albertson, Becky Erskine, Tamara Henderson, Jane Irwin, Rachel Matthews, Matthew Postiff, Matthew Dymond, Laurie Ford, Feleicia Hermonsillo, Richelle Jones, Nicole Piasecki, Michael Radant, Charles Seil, Michelle Smith, Douglas Steele, Misty Tripp, Jodi Weiss, John Whitaker, Kristine Smith, Sara Smith, Sara Tracy, Carey Wallace, Julie Weiss.

Students from Clinton High School are: Ann Arkison, Amy DeComier, Laura Faust, Angie Keezer, Adrienne Slaughter, Tammy Trolz, Amanda Basinger, Elayne Durham, Sarah Hartwig, Aaron Nolan, Danielle Slaughter.

Students from Grass Lake are: Cindy Bryce, Brian Campbell, Melissa Anne Childs, Sara Cox, Eric Bryce, Michelle Carter, Corey Connors, Linda Devulder.

Blumenaur Selected

Cheryl Blumenaur of Manchester is among the 88 Ferris State University students selected for inclusion in the 1992 edition of "Who's Who Among Students in American Universities and Colleges."

Cheryl is enrolled in the FSU College of Allied Health Sciences.

Area Students Listed in The National Dean's List

Students from Manchester and the surrounding area have been listed in The National Dean's List. Students are selected for this honor by their college deans, registrars or honor society advisors and must be in the upper 10% of their class on their school's Dean's List or have earned a comparable honor. Listed students are eligible to compete for \$25,000 in scholarship awards.

From Manchester: Michelle Buono, Nancy Gilbert, Melanie Martini and Linda Meyer - Washtenaw Community College; Deanna Gilbert - Eastern Michigan University; Camri McCormick - Eureka College; Victoria Warner - Brigham Young University.

From Chelsea: Lynne Ertel - Eastern Michigan University.

From Clinton: Dan Burkhart - Olivet College.

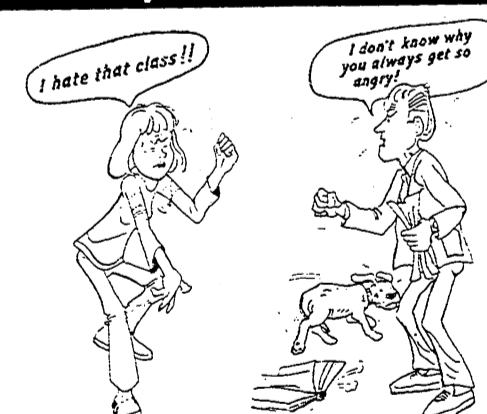

From Grass Lake: Crise Earley - Jackson Community College.

From Brooklyn: Donald Eldred - Olivet College

Area Students Make Dean's List at Western Michigan University

Included on the dean's list for the fall semester of the 1992-93 academic year at Western Michigan University, from Manchester, were Jennifer Binder, daughter of John Binder. Jennifer's major is in Management; and, Rebecca Chizmar, daughter of Lynn Kell, in Elementary Group Minors.

Talk about problems...and answers!

Join a discussion group for parents of teens Systematic Training for Effective Parenting of Teens

STEP/teen

For parents and others who want better communication with teenagers.

Systematic Training for Effective Parenting of Teens offers a down-to-earth and practical way to meet the challenges of raising teenagers today. This is a discussion program for parents and others who want to learn more effective ways to communicate with teens which also utilizes videos and specific skill instruction. For more information call the instructor, Terri Monkiewicz at 428-8459.

Wednesdays 7:00-8:30 for 8 weeks February 3-March 24 at the Middle School. Fee: \$30 per person or \$50 per couple (which also covers cost of text)

CLUB NEWS

Brownie Troop #543

On Monday, November 2, our second grade Brownie Troop #543, carrying their homemade picket signs, took to the streets of Manchester to remind and encourage our residents to get out and vote on Election Day.

They were met with waves and cheers and motorists honking their horns in support of the girls' efforts. With Inauguration Week here, the girls can be reminded of their involvement in this year's most important election. We appreciate the community helping the girls recognize this.

Shakespeare Reading Club

Our next meeting will be Wednesday, January 27 at 2:00 p.m. at Emanuel Church. Please note change of date.

Jeanette Kirk will present the topic: Fortune Telling - Looking into the Future.

Twentieth Century Club

The Twentieth Century Club met at the home of Mrs. Jean Alber Tuesday, January 12. Ten members braved the rain and ice to attend. The topic of the evening was "Camping on Wheels" as humorously presented by Mrs. Elizabeth Beuerle. Camping is fun??

Refreshments were served by the hostess as prepared by Mrs. Ann Fowler.

The next meeting will be February 9 at 7:30 p.m. at the home of Mrs. Jo Simmons.

Raisin Valley Land Trust News

The Raisin Valley Land Trust is having its monthly meeting on Tuesday, January 26, 7:30p.m. at the Blacksmith Shop, and the public is welcome.

Potential geographical areas of focus will be discussed and there will be a final review of the application for tax-exempt status. The Trust now has the legal number of directors on its board of directors to conduct business, according to its bylaws.

The board members are: Manchester—Deb Havens, Laura Sutton; Manchester Twp.—Woody Kellum, Bob Kellum, Sybil Kolon, Fred Munson; Sharon Twp.—Dennis Kittle.

We were saddened to learn of the Friday death of Beverly Ellen Smith, daughter of T.V. and Del Ludwick. Our prayers and thoughts are with them through this sad time.

Senior Citizens News

— Howard Parr

Writing this column is the last thing I thought I'd be doing this week. Since New Year's Day we have been preoccupied with Aunt Alta's medical problems, at times feeling put upon and burdened in our own whirl of activities and deadlines. Then comes the news of T.V. and Del's loss to shock us into perspective. I am reminded of the Chinese proverb that Dr. Scheurer had in a frame over his office desk. From about anywhere in that room one could read it as you either waited for him or he examined you. It read: "I had no shoes and complained and then I met a man who had no feet." I'm sure many sympathetic thoughts and prayers have been offered reaching out and asking acceptance, strength and understanding for the Ludwick family just now. I felt the least I could do was to write this column for T.V., but I wish I were again doing it while she and Del were relaxing somewhere in

warm Southern sunshine. The Senior calendar is just basic this time. Thursday, January 21 there is Craft Class at the Center at 9:30, Beef Stroganoff at the dining room at noon followed by Bingo at the Center at 12:30.

Tuesday, January 26 at 11:00 Blood Pressure will be taken for those wishing that service. We dine on Jan's baked fish at noon and will hear a speaker at 12:30. Center open for activities following the speaker.

Thursday, January 28th there will be Craft Class at the Center at 9:30 and Chef's Choice for lunch at noon at the dining room. Bingo is planned at the Center beginning at 12:30.

As I close, my mind can't seem to blot out T.V. and Del. Somehow Red Skelton's closing words seem appropriate: "May God Bless".

Jolly Farmerettes Plus 4-H Club

The monthly meeting of the Jolly Farmerettes Plus 4-H Club was held Saturday, January 9 with 17 members, four leaders and three guests present. Absent were five members and two leaders. Hannah Goodrich led the flag pledges.

Secretary and treasurer reports were read and approved. Bills and communications were presented to the club. Tabled until next meeting were reports by the By-Law Committee and Adopt-a-Highway. A thank you note is to be sent by our secretary, Suzanne, to Hillside Farms for their monetary donation to our 4-H club from tree sales.

Under new business, recognition was given to those leaders and club members receiving awards at the November 4-H Recognition Breakfast. 4-H ambassador delegate information was discussed and Sarah will be submitted for a nomination. Project Galore Workshop for February 6, 1993 was reviewed

as was the upcoming Teen Lock-In scheduled for February 20-21. We will have a club teen leader project meeting at Feldkamp's on Sunday, January 24 at 3:00 p.m. to discuss the 1993 project requirements.

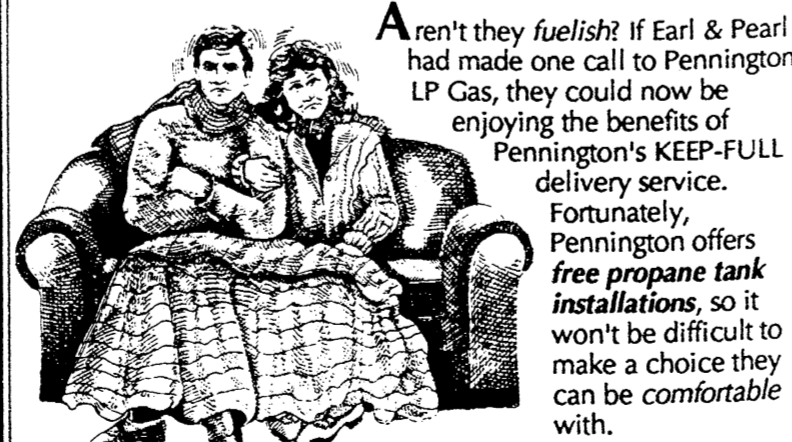

Leader's reports consisted of Mrs. Feldkamp handing out our first information packet regarding Spring Achievement. We received our sewing assignment leaders. Mrs. Clark gave us pattern information. We were reminded to read our Sounder carefully.

Refreshments were served by Dan Feldkamp. No demonstrations were given. The next meeting will be February 6 from 2:40:00 p.m. at the Sharon Township Hall. Demonstrations: Suzanne Lowery, Michelle Mann, Angie Cooper and Arianne Chartrand. Refreshment Committee: Arianne Chartrand and Angie Cooper.

Submitted by Sarah Feldkamp, Vice-President

Meet Earl & Pearl McDurl...

... They don't use Pennington LP Gas.

Aren't they fuelish? If Earl & Pearl had made one call to Pennington LP Gas, they could now be enjoying the benefits of Pennington's KEEP-FULL delivery service. Fortunately, Pennington offers free propane tank installations, so it won't be difficult to make a choice they can be comfortable with.

PEOPLE & OCCASIONS

Opera Night: Try Something Different, for a Change!

Have you ever seen or listened to an opera? Perhaps it was just for a moment or maybe a long time ago. Perhaps it didn't seem to appeal to you then. Or perhaps to you opera is like a particular kind of food: you imagine you won't like it without ever even having tasted it.

Well...it's 1993. A new year, and maybe a time to enjoy something new!

This Friday evening, beginning at 7:30 p.m., "Opera Night in Manchester" will present Idomeneo, a delightful opera by Wolfgang Amadeus Mozart, at the Blacksmith Shop on the large screen video.

This is a Metropolitan Opera Company production with Luciano Pavarotti

singing the title role. The music is wonderful; the story is enchanting; and the company at "Opera Night" is fun!

Listen to what has been said about Mozart: "He was like a god!" said Edward Grieg. "A divine genius!" said Richard Strauss. "I idolize him, this pure and ideal artist!" said Tchaikovsky.

Idomeneo was Mozart's first "mature" opera. You will surely find it interesting and beautiful (like all of Mozart's operas!).

All are welcome. "Opera Night" is presented free of charge for the community.

For more information, contact Maan Baki at Pyramid Office Supply on Main Street, 428-8088.

Army/Navy Hometown News

Captain Steven Imonti has been selected as U.S. Air Force Exchange Pilot to the Canadian Air Force. Captain Imonti leaves his current assignment as a F-15 Eagle Instructor Pilot with the 2nd Tactical Fighter Squadron at Tyndall AFB Florida.

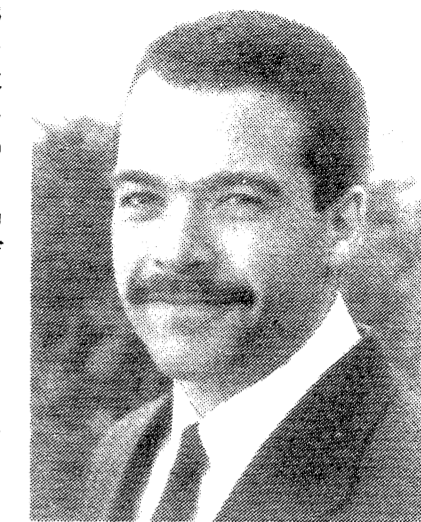

Captain Imonti's new assignment is with the 416th Fighter Squadron of the Canadian Air Force as an instructor pilot in the F/A 18 aircraft.

Steven is the son of Dominic and Jan Imonti residing in Manchester.

Weidmayer Recipient of Scholarship

Brian Weidmayer is among 19 welding engineering technology students at Ferris State University sharing in \$25,250 of scholarship money.

Brian received \$1,500 from the Detroit Section of the American Welding Society based on academic achievement and recommendations of faculty. Ferris is Michigan's premier applied polytechnic university.

King's Daughters

The Manchester King's Daughters will meet Thursday, January 28, at 1:00 p.m. at the church.

Marion Lowry and Elta Clark will be hostesses. Marie Pratt will have devotions.

An Invitation

Sue Bowler and David Styx went to Vegas and were married January 4th.

Mr. & Mrs. Styx would like to invite family and friends to a reception at Freedom Township Hall, Pleasant Lake Road, January 23 at 6:00

SPORTS

Varsity Volleyball Takes Clinton Tournament

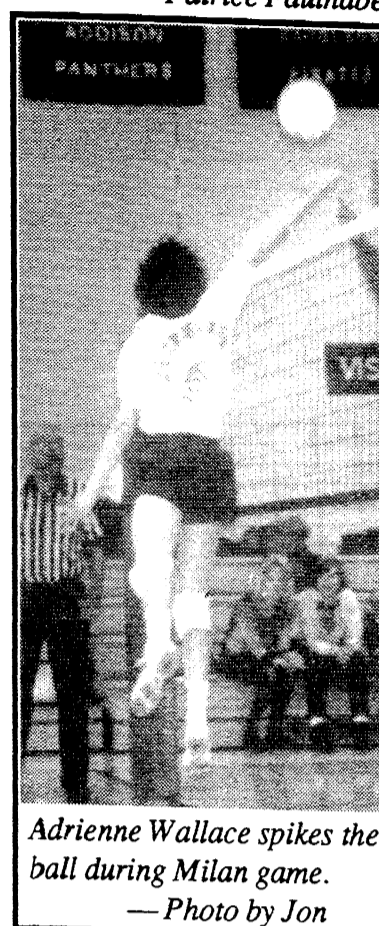

Saturday was a very important victory for the varsity volleyball team. This is the first time in history they won the Clinton Invitational, but more importantly they saw evidence of the importance of team play. The girls got behind one another and stayed there all day. That's what it takes to win the big matches.

The overall record for the day was very impressive with 13 wins 1 loss. The loss came from Clinton in the semifinal round (9-15) but the Dutch women came back to take the match (15-7, 15-2).

In the finals they came up against the Railsplitters from Lincoln, a class B school from the Ypsilanti area. They had no problem though, beating Lincoln (15-6, 15-2). Coach Stein named Adrienne Wallace and Sarah Riske as All Tournament Players. She noted outstanding play from Kathleen Barron, Sharon Fielder and Sandra Wiitala, and Tracy LaRue. The back-up players performed very well according to Coach Stein.

Last week the girls beat Milan in a non-conference match-up (15-11, 15-2). On Thursday they traveled to Jackson Northwest in another non-conference game, but faced defeat (6-15, 9-15).

Although this is her first year as varsity coach, Barb Stein is no stranger to the talent on this team. She has coached many of the girls in AAU Volleyball for several years. She is very excited about this team and knows they have a very good chance of taking the League Championship this year. As in the past, Hanover-Horton will be their biggest problem, but Barb has

Adrienne Wallace spikes the ball during Milan game. — Photo by Jon

studied their game and her team will be ready.

Coach Stein knows the importance of playing one match at a time and is carefully preparing her team for play against Michigan Center and East Jackson this week. Thursday's game against E.J. (at home--6:30p.m.) should be very challenging, don't miss it. If you're a sports fan you'll want to be a part of this year's volleyball season. This group of girls can go the distance. With the obvious talent of Riske and Wallace, but also LaRue and Fielder's ability to turn a bad play into a good one. The "never say quit" attitude of Wiitala and Barron and a bench that is always willing to work hard, we have the makings of a very exciting season!

JV Volleyball — Undeclared

Manchester High School has a new JV volleyball coach. Newly wed and new in Manchester, Joan Martin came to us from Grand Rapids where she coached varsity volleyball for two years. She quickly brought her team to two victories over class B schools, Milan and Jackson Northwest, last week in non-conference play.

For Coach Martin this is quite a challenge. When you have coached at the varsity level, then move to JV it's necessary to focus on basics again. Coaching in an area where you are not familiar with the competition can be difficult.

Coach Martin said, "Because I'm new in the area I'm never sure where the bus is taking me."

The girls have taken some of the pressure off by playing very hard at games. "They have really impressed me at games, they have come along much faster than I expected," Coach Martin said.

She mentioned the improvements she has seen in all the girls, especially Jenny Nosbisch, who barely made cuts, but has worked her way into a starting position. Martin was also impressed with Shawn Lee. Anyone who has ever watched Lee play a sport knows what a hustler she is.

Optimist Tri-Star Basketball Contest

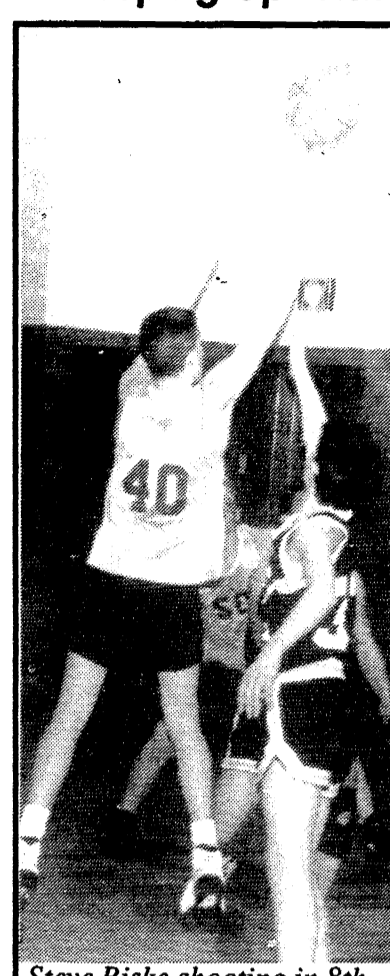

The Optimist Tri-Star Basketball contest at the Middle School gym on January 23, at 1:00 p.m.

The contest is composed of three basic skill tests aimed at evaluating a contestant's skill in passing, shooting and dribbling.

Boys and girls will compete in six age groups, eight through thirteen, against youth of their own age. All that is needed to compete is the desire and a pair of gym shoes.

Entry blanks are available at Klager and at the Middle School or at the contest site on the day of the competition.

Keeping Up With Duchmen Hoopsters

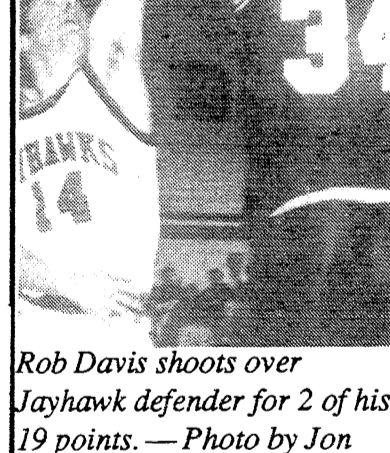

Steve Riske shooting in 8th grade game vs Grass Lake. — Photo by Jon

Monday saw me visit our Middle School gym as our 7th and 8th grade squads tipped off against Grass Lake. The 7th graders played well and cruised to an easy victory, aided by Nick Davis' 24 points. Our 8th grade fell behind early but fought back strongly to come within seven. The Warriors hit some key shots down the stretch and left victorious.

Tuesday morning I was informed that head coach Jim Krzyzaniak had resigned. Our school board is now lining up candidates for the job.

On Friday, we visited Vandercook Lake. I arrived as the JV squad was in overtime. They kept their composure and wits about them to stand victorious, 56-53. Troy led the way again with 24 points and nine rebounds. Andy Winzenz had eight points and nine glassers, while Shane Goodell had six steals and five assists.

The varsity matchup against the Jayhawks was not very tough as it took Vandy almost six minutes to score. The tally kept getting larger and at one point we led by 20 as the game ended 54-38. Rob Davis led our scorers with 19 points and nine rebounds while Matt Fielder supplied 11 points. Rodney Burkhardt got in foul trouble early, but still scored six and had seven boards.

Rob Davis shoots over Jayhawk defender for 2 of his 19 points. — Photo by Jon

7th grade action against Grass Lake. — Photo by Jon

Our JV squad met Greenhills that night and came away with their first win of 1993, 60-50. Troy Niehaus had 23 points as Shane Goodell had 9. Zack Maghes had 9 rebounds while Henry Earhart grabbed 8 glassers.

In the varsity matchup against non-leaguer Greenhills, we used the third period to outscore the Gryphons 15-9, to pull away to a 59-49 win. Rob Davis popped for 14, as Matt Wiethoff posted 9.

Wednesday's freshman game was cancelled because of bad weather.

On Friday, we visited Vandercook Lake. I arrived as the JV squad was in overtime. They kept their composure and wits about them to stand victorious, 56-53. Troy led the way again with 24 points and nine rebounds. Andy Winzenz had eight points and nine glassers, while Shane Goodell had six steals and five assists.

LOCAL GOVERNMENT

APPROVED PROCEEDINGS MANCHESTER VILLAGE COUNCIL January 4, 1993

Overflowing milk jug recycling bins behind Walco's was one of the topics addressed at the Village Council meeting.

Material extraction Ordinance presented and tabled until next meeting.

Motion made, supported, and carried to join the County Solid Waste Management Consortium.

Board of Review appointments made by the Board for two (2) years: James Mann, David Hoelt and Ken Niehaus. Various other correspondence and information presented not requiring Board action.

Outstanding bills presented. Motion made, supported and carried, all be paid as presented.

Meeting adjourned by motion at 10:30 p.m.

Submitted by Duane R. Haselschwerdt, Clerk Approved by John A. Savage, Supervisor

Sharon Township Proposed Synopsis Regular Board Meeting January 7, 1993

The meeting was called to order at 8:00 p.m. by Supervisor Savage. All Board members were present including the Zoning Officer and six township residents.

Minutes for December 3, 1992 were read and approved. Treasurer's report was read and approved. Total Township assets of all funds on December 31, 1992 was \$53,368.54.

Trustee Blumenauer reported it appears the access problem to M-52 for gravel trains from Manchester Gravel Company has been solved. A private road may be built to M-52 running along the north side of Manchester High School Athletic Field. The land may be acquired by Manchester Township and will be leased to the gravel company for ten years.

The gravel company will build the road. Any court proceedings have been postponed pending finalization of agreement. Sharon Township has agreed to the use of Parr Road with restricted loads with a total of 520 loads until April 1, 1993. Manchester Gravel also will maintain Parr Road for this period of use. Sharon Township will not be a part of any litigation at the time.

The Township Board decided to place the first 1993 application of salt brine continuous on local roads instead of only 300 feet in front of homes. Zoning Officer Blades reported four (4) land use permits issued during December, 1992. He stated land splits have been approved for Raymond Jacob, Jr. on Below Road. He stated Article 10 of Zoning Ordinance has been reviewed by Planning Commission and a Public Hearing will be held in regard to this.

The Township Board approved elimination of Article 23.02, except for the first sentence. Carried by vote 4-0 with 1 abstention. Effective date January 7, 1993. Board of Appeals reported Dennis Doan has requested another delay for the Public Hearing concerning his application for variance at Farmer Bros. Gravel. Kathleen Hakken, Sharon Township Representative to the Raisin River Watershed Council, presented an update on conditions which may or could be problems now or in the future for the river. A tentative contract was proposed between the Manchester Township Library Board and Sharon Township. Penal Fine Distribution shall be 82% to Manchester Library and 18% to Chelsea or the County Library. Figure arrived at since 82% of State Equalized Valuation of Sharon Township is in the boundaries of Manchester School District. Also a 4% rate of inflation increase in funds allocated directly from Sharon Township to the Manchester Library starting in 1993-94 budget year. Motion made, supported and carried to this effect. Motion made, supported and carried to adopt a resolution to

participate in a study for Manchester Township Library to become a District Library. Recycling update: 118 households have acquired the free recycling bags, 25% of the households. Supervisor reported that the agricultural class of property assessments will rise in total between 2-1/2 and 4-1/2%. The residential class will rise from 12-1/2 - 14% in total. Increased value of land is primarily the reason for the increase. Motion made, supported, and carried to adopt a resolution supporting a freeze for assessments at 4-1/2% or rate of Consumer Price Index. This to be forwarded to members of State Legislature.

15 residents expressed opposition to the section of Riverside between Main and Duncan being designated as either Commercial or Office/Transition. The Public Hearing was closed at 8:45 p.m. and the regular meeting re-opened. Daverman proceeded to answer questions raised during the Public Hearing. "Failure to replace aging housing stock" may need rewording or clarification since it appears to be misleading. Daverman informed the Commission they had three options: 1. Keep the plan as it currently is, general commercial west of M-52, O/S transition east of M-52. 2. Establish the west side of M-52 as O/S transition and the east side to remain as medium density residential. 3. Keep it as it currently exists west and east as medium density residential. At this time each of the Commissioners presented their thoughts. Daverman then noted that the general consensus of the commission is option number 2, maintaining the east side of Riverside as residential and establishing the west side of Riverside as Office/Service Transition. The next step in the process is to decide at the next regular meeting if the Plan is complete and ready for adoption, or whether to continue working on it. At this time there appears to be a consensus to adopt option number 2. Adjournment Roberts made a motion to adjourn the meeting. Way seconded the motion. The motion passed on a voice vote. The meeting adjourned at 10:00 p.m. Next Meeting The next meeting will be held January 12, 1993. Recording Secretary Susan Gleason Bob Daverman, Chair

Manchester Planning Commission Regular Session December 15, 1992 Synopsis

Roll Call

Present: Roberts, Little, Daverman, Gleason, Way, Lowery, Schiller, Hinkley. Absent: Palms.

Also Present: Dick Carlisle and numerous residents (signature sheet attached to minutes of record)

Call To Order

The meeting was called to order at 7:30 p.m. by Chairman Daverman in the Knights of Columbus Hall.

Approval of Agenda

Schiller made a motion to approve the agenda. Little seconded the motion. The motion passed on a voice vote.

Minutes of Previous Meeting

Page 3, line 3 add "south" before "property". Page 3, paragraph 3, line 4, add "parking" after "new". A motion to accept the minutes as edited was made by Hinkley. Lowery seconded the motion. The motion passed on a voice vote. Reports from Administration, Council, Commissioners and Public A memo from McNamee, Porter & Seeley was read. Becketl noted that Council has made a recommendation to the Ordinance Committee concerning the ordinance for a planning consultant to review site plans on a case-by-case basis. Regular Business General Development Plan Daverman presented the history of the process followed in developing the proposed General Development Plan. He also presented the format which would be followed at the Public Hearing. The regular meeting was closed and the public hearing was opened at 8:05 p.m. Written comment was received from Anne Marie Gordon. Her letter was read. (A copy of this letter will be attached to the minutes of record.) At this time members of the audience were given the opportunity to express their thoughts.

Manchester Township Board Regular Meeting January 12, 1993

PROPOSED SYNOPSIS of a Regular Meeting of the Manchester Township Board held Tuesday, January 12, 1993:

The meeting opened at 8:00 p.m. with members present: Turk, Widmayer, Hakes, Mann. Absent: Macomber. Also present: Constable Moore, Christine Kanta, and several community members.

The Board approved the minutes of their December 1992 meeting and accepted the Western Washtenaw Recycling Authority minutes for December.

The list of bills paid since last meeting was reviewed. Treasurer Turk reported \$10809.99 in the General Fund. Approval was given for payment of bills totaling \$4912.83 in the General Fund.

Commerce. The Village of Chelsea had been emptying them but that responsibility had been passed to the Authority beginning January 1st. The Authority does not have a truck that can transport or empty the bins at the present time. The Authority will try to contract with the Village of Chelsea to empty the bins until the Chamber of Commerce decides what they are going to do with the bins. They have been asked if they would consider donating them to the Authority. Taepke to get back to Wallace on this.

DPW REPORT - Motion by Reinhart, support by Marshall to approve expenditure for four new tires for dump truck from Feldkamp Tires at a cost of \$724. Roll Call Vote: Ayes-all. The Village attorney will be sending out letters to the people on the sewer hook-up list that have not complied with the order to connect to the sewer system. There will be a Public Hearing January 18th to address concerns about the cable tv service and the renewal of the contract with Clear Cablevision. The contract will expire in 1995.

ELECTION - Becketl informed Council that no one had taken out petitions for the three Trustee seats. Brooks has decided that he will run again. Reinhart and Cooper have decided against running again. Interested residents have until January 18th to turn in petitions.

Motion by Reinhart, support by Gordon, to adjourn at 8:50 p.m. Vote: Aye-all.

Karen Tucker - Village Clerk

Several concerned neighbors from the Noggles Road area repeated concerns about the "paid-for-hunting" business being run near their property and in other areas of the township. They stated that hunters are unsafely firing too close to dwellings and outbuildings, and trespassing and sending their dogs onto private property to retrieve downed fowl. Lengthy discussion followed. The Board will confer with the township attorney for advice on the possibility of an ordinance.

A sample mineral ordinance was reviewed and will be studied further.

Fehr Lane was approved as a private road, subject to the Township's receipt of a maintenance agreement.

COMMUNITY NEWS

Program Offered by Chelsea Community Hospital

Chelsea Community Hospital is offering a Weight Management Program beginning January 26 at 10:00 am in the Hospital's Woodland Room and 7:00 pm in the Large Administrative Conference Room.

Topics covered include: a personalized diet, eating out, fad diet info, cooking tips, exercise, and behavioral techniques. Care Choices Health Plan participants will be reimbursed 50% of fee after successful class completion.

For more information and to register call the Education Department 313/475-3935.

Manchester Township Synopsis continued from page 11

Constable Moore presented his report for December. He returned to work 12/21/92.

Assessor Bob Goss will be leaving at the end of the fiscal year. A committee was formed to investigate other township's assessor fees and report back to the Board.

Some members of the Board will attend the Michigan Townships Association annual convention. The office will be closed Wednesday, January 20th and Friday, January 22nd.

Because of schedule conflicts, the Township Board's regular meeting day was changed to the second Tuesday of the month for the rest of the fiscal year (through June 1993).

There being no other business to come before the Board, the meeting adjourned at 10:00 p.m.

Submitted by Kathleen M. Hakes, Clerk. Approved by Ronald E. Mann, Supervisor.

Did you know: Enterprise staff photos are available for purchase — \$1.50-\$3.00.

"Freedom..." by Amber Minor continued from p. 2

Only by telling the tales of our nation's fight for freedom, can its meaning be known. By teaching about our struggles and hardships to maintain it, its value will increase.

We must use this great gift, or else the bloodshed will be in vain. If our nation's people know of the fight for freedom, but not the rights that were granted to them through countless victories, thousands of lives were lost for a worthless cause.

After we teach history and the rights of the people, we must stress the importance of its maintenance and uniqueness. By telling of the unprecedented rights granted to us by our government, and the lack of this establishment under foreign societies, people will remember how great our democracy is.

It is our responsibility to preserve the freedom that thousands of Americans died to establish and maintain. The key to preserving freedom lies within the education of the youth.

Fire Destroy's Home Fire Truck Flip's Over

Victor Cruz home, 15600 Schleweis Road Manchester Township

Engine # 2 Upside down at Bowns and Schleweis

Fire erupted at the home of Victor Cruz, 15600 Schleweis Road about 5:00 PM Monday January 25th. This beautiful log home, started in 1987 and completed in 1989, was totally destroyed.

While responding to the fire Mike Skully driving Fire Truck No. 2 was unable to stop the rig going down the steep grade of

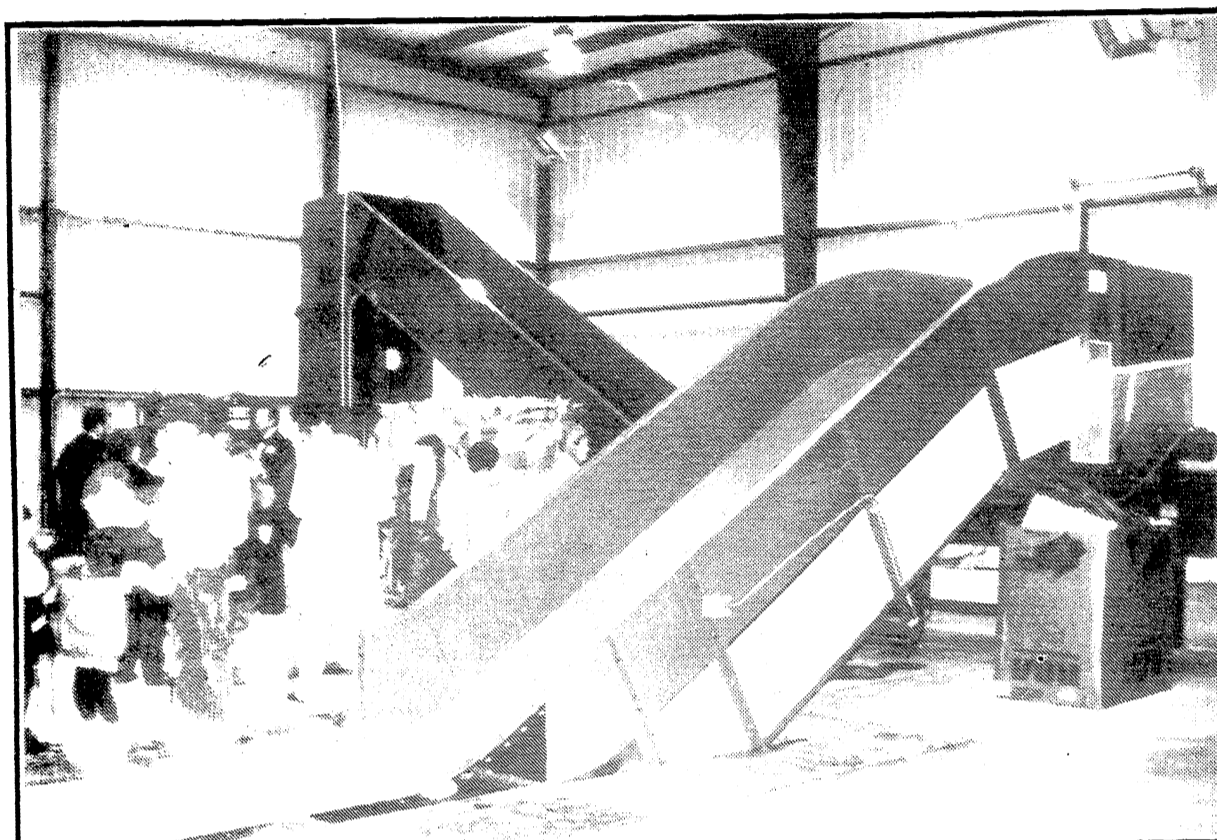

Schleweis Road at Bowns and Schleweis Road. The very steep grade was a sheet of glare ice. It was apparent that Mike was not going fast, as the truck turned on the glare ice, it slid sideways to the south shoulder of Bowns Road.

Joe Knasiak one of the firemen riding on the rig sustained two broken ribs and a banged up shoulder according to Mr. Ron Mann, Township Supervisor.

Two State Police cars and two Washtenaw County Sheriff's cars were on site. Washtenaw County Road Commission had a sand truck covering the fire route.

The truck was righted and returned to the Fire Hall. Damage appears to be sheet metal with the driver-side door, roof and racks for carrying fire hose on top bent.

Western Washtenaw Recycling Authority Grand Opening

Emory Garlick

Western Washtenaw Recycling Authority had their ribbon cutting ceremony Saturday January 16th. They displayed some of the state of the art equipment that will process collected materials.

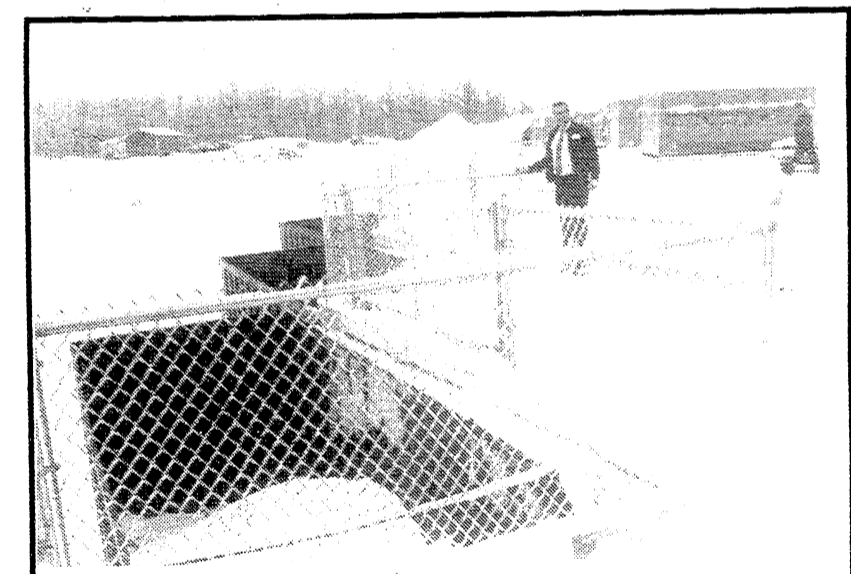

The onsite container bins in which recyclers deposit their materials are brought to the Materials Recovery Facility (MRF). Each portion of the collection container has its contents deposited in an open topped steel storage bin.

A floor dump pit accepts bin contents and a large conveyor belt elevates and deposits the materials on to a cross sorting belt.

In the case of paper, a shredder fluffs the paper and water is added, in spray form, to inhibit the chance of fire and assist in the compaction of paper into bundles.

Residents of townships, that do not have trash pick up or disposal of garbage, have had to contend with disposal for years. Garbage disposal, by in-sink-aerators, grind unwanted food scraps and the residue goes into the septic system.

ring of disposal. There has been some talk of late about closing the transfer site. Should that happen house holds will have to rural areas, table scraps were fed to farm animals and thus recycled. Junk was buried in holes on the farm and combustibles were open burned in piles or burn barrels.

Storage bins for collected materials

Recycling and the Materials Recovery Facility is only a part of the answer for disposal of trash. This certainly will be more important in the future and additional trash will have to be recovered to protect our environment.

Residents of townships, that do not have trash pick up or disposal of garbage, have had to contend with disposal for years. Garbage disposal, by in-sink-aerators, grind unwanted food scraps and the residue goes into the septic system.
