Willard Mann Succumbs to Cancer

Willard Mann, long time resident and forty year Main Street business man succumbed to cancer Thursday February 4, 1993.

Willard will be missed by family and friend alike. A very active man, while involved in the Manchester Mill, which he purchased in 1940 and operated until 1981. A man of strong convictions, he was also a person of compassion and understanding. He provided baby chick's for children at Easter time. Those chick's were remembered with a fondness as well as a learning experience.

For those of us who had the pleasure of playing Bridge with him remember his uncanny ability to land in notrump contract hands. Invariably he would make those contracts. Most of the time he would be smoking his pipe. When he would lay the pipe aside you could rest assured that his intensity level would be elevated a few degree's. As an opponent on the bridge table you could rest assured that

he would find an uncommon lead that would find a chink in your game that most often would sink the contract.

Willard would play golf with the same intensity and many the game turned in his favor with one of his shots to the green or curling puts that invariably found the hole. His golf swing may have been a bit unorthodox, perhaps even like a slap shot but the result was not unlike his life style; It got the job done as everything he did in life.

Willard and his wife Dorothy celebrated their 50th Wedding Anniversary July 24, 1991. Married in Dexter Michigan they resided in Manchester their entire married life.

Willard and Dorothy were active and members of Emanuel United Church of Christ. Willard served on church council for fourteen years and was President of the council for six years. Their active participation in church activities was an inspiration for many other members and it was always comforting to see the both of them on a Sunday morning. During tough financial times Willard's calming words and experience helped succeeding council's decision making.

His active involvement with Manchester Volunteer Fire Department, Manchester Fair Board, Optimist Club, Founding of the Chicken Broil, Exchange Club, Chamber of Commerce, to name a few will be missed. His compassion and understanding as a Director of Union Savings Bank was unmatched.

We who knew Willard will miss him and appreciate his time with us.

Area Townships hit with Double Digit Assessment Increases

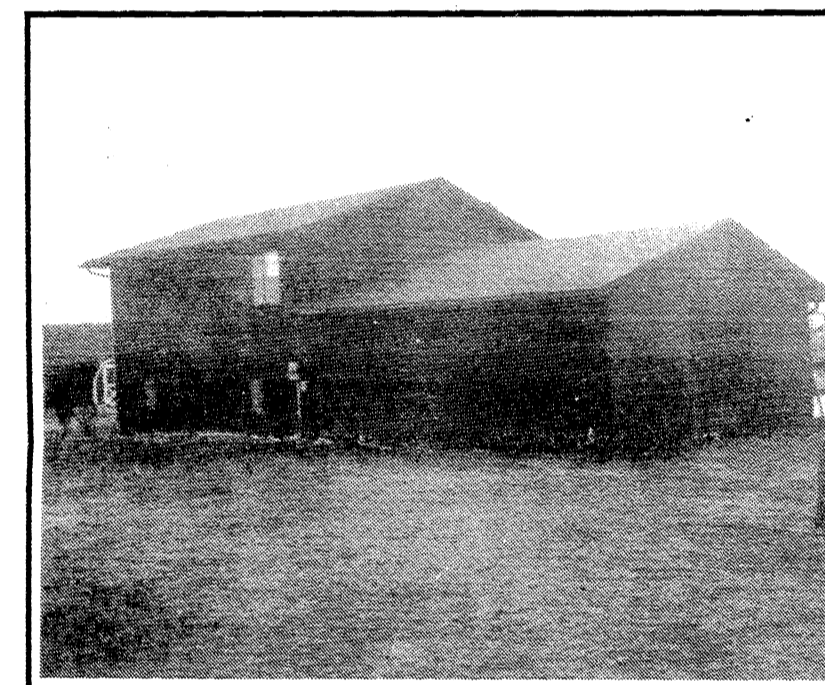

Emory Garlick Bridgewater Township residents were up in arms and turned out in record numbers at the Township meeting Thursday, January 28, 1993. Bridgewater Township had their property revalued by, Consolidated Government Services.

Many residents, including Mr. Dan Mills of 9389 Neal Road were incensed by the review process. According to Mr. Mills, "his old State Equalized Valuation, (SEV) of 38,100 was raised to 94,700. That would mean Bridgewater Township had Mr. Mills house valued at \$76,200 and raised it to \$189,400 a 148% increase. During this past summer Mr. Mills had a mortgage appraisal that said his home was worth \$109,000. That would still mean that I am over appraised by 74%".

Mr. Doug Parr Bridgewater Township Supervisor shares the view of many residents of the Township, that SEV valuations are to high. Doug Stated, "Two to three percent of the residential sales of homes within the township determine what the value of all township properties is not right. We have not had a total review of all properties within the Township until now. Consolidated Government Services is an independent agency. They reviewed between 360 and 370 properties and talked to over 300 people at the two meetings that were held to review all properties. Our total township evaluation went up from 31 million to 39 million dollars, about a 26% increase overall.

We need a different method of taxation. The cut and cap proposals were turned down at the polls but something needs to be done".

Freedom Township and Sharon Township use Washtenaw County Assessor's office, the Washtenaw County Equalization Department. According to Mr. Robert Little, Freedom Township Supervisor, the County evaluated each parcel of property within the Township. Mr. Little then in turn looked at each parcel of property himself. "Some of the properties were out of line, too high," according

Would you pay 190,000 dollars for this home?

to Bob. "We have each parcel on our computer and the residential appraisal without reassessment would have been about 19%. Agricultural property about 10%. Land sale price for agricultural land, which we have the most of is set at \$1000 per acre, SEV 500), for the most desirable. That goes downward from there, example woods worth about (250 per acre). Washtenaw County sets the rates then the factor rate adjustment is applied by the State Tax Commission.

Mr. Little's, SEV, property increased by 11,000. Bob suggested that he has the cards showing the changed values and if you are interested give him a call.

Sharon Township Supervisor, Mr. John Savage said Sharon Township Residential classification had an Average increase of 14.6% increase. Overall Land values within Sharon

Township have increased about 25%.

Manchester Township residents can expect about a 12 1/2 to 13 % increase, according to Mr. Bob Goss, Township Assessor. Bob will be retiring in June when his contract expires.

"Something has to be done about the increases in valuations. We are using two year averages that are cut off in April and that does not always reflect actual sales. Some people when they buy, pay for what they can afford and that is not necessarily reflective of all sales that might happen. The legislature is studying methods of taxation and it appears to me that some form of income tax might be the only way to go. We need to change our method of school financing away from property values".

If you have info that you wish to share with your neighbors call us at the Enterprise, we will try and develop and report to all.

Fire's Aftermath - Cont.

- that supported the roadway and the road width was reduced to less than one full lane. The Washtenaw County Drain Commission was concerned about further erosion of the bank and the contamination of Iron Creek. The drain commission removed the culvert and never informed the Township.

Washtenaw County Road Commission made a quick 'Estimate', never refined or defined that the replacement cost would be in the \$85,000 to \$90,000 range. I don't know where they got their numbers from and certainly Manchester Township does not have those kinds of funds available."

Mann further stated; "Both the Culverts upstream and down stream, Henzie and Van Tyle Roads, were no larger than the one removed. Some one jumped the gun and did not consider all the alternatives. We in the rural areas of Washtenaw County do not get the same consideration for funds as do the rest of the County. There are two Road Commissioners from Ypsilanti Township and Herman Koenn from Chelsea, who has to represent everyone else".

Victor Cruz and his son lost everything except the clothes they had on their back's. Vic stated; "We just had finished, before Christmas, the carpeting and tile work in the house. I was looking forward to landscaping the outside this summer. I do not have enough insurance to cover the loss. Please tell all the people that they should review their insurance coverage to make sure if there is a fire they are covered. Take 10 minutes with your insurance agent and coverage. I am looking forward and not back. We can't rebuild what we had but we will build what we can afford".

WDIV - TV CHANNEL 4 WILL PRESENT "DEADLY FLAMES" A UNIQUE PERSPECTIVE ON FIRE PREVENTION AND SAFETY. FRIDAY FEBRUARY 12TH AT 8PM.

"Deadly Flames" with reports from Chuck Gaidica, Asa Aarons and Anne Thompson together with the Southeast Michigan Fire Fighters Association (SMFFA) and the Farmington Hills Fire Department on fire prevention and safety.

Under the supervision of Fire Chief Rich Marinucci, Gaidica and a camera person will actually enter the burning building. Gaidica will explain four basic things families should remember in order to get out of a fire alive. The segment will also illustrate what procedures fire fighters take to bring a house fire under control.

"Deadly Flames" will tell viewers how to identify and correct common everyday household hazards such as overloaded electrical outlets, faulty space heaters and unclean furnaces. Aarons will look at the importance of owning and maintaining fire prevention equipment and offer tips on how to purchase dependable equipment. WATCH IT 2/12-8 on 4.

Humane Society Implements Changes

Effective January 1, 1993 the Humane Society of Huron Valley will be implementing a variety of changes in order to continue to serve the injured, stray and abandoned domestic pets of Washtenaw County.

These changes are designed to reduce costs, reorganize staff and increase income in order to meet the demands of providing service for the animals in need.

Though the shelter will remain open seven days a week to receive strays and owner pets, adoption hours will be reduced from 42 to 36 hours per week. There will be no adoptions of pets on Wednesdays.

Clinic, administration, cruelty investigation and emergency rescue services will remain in operation on Wednesdays.

Adoption fees of pets will be increased from \$2.00 - \$8.00 and the Low Cost Spay and Neuter Clinic fees will be increased slightly while still remaining low cost.

Three staff positions have been reduced or eliminated. The Education Department will now be staffed by volunteers.

Out-of county residents who bring their pets to the Shelter for adoption will be asked to make a donation of \$10 to go towards the care of their pet during its stay at the shelter. In-county residents will be asked to donate \$5 towards the care of their pets.

Additional fundraising events and programs will be established to promote increased income.

For 98 years the Humane Society of Huron Valley has been here for Washtenaw County's animals in need. These changes will allow the shelter and its services to continue to care for our county's homeless animals.

The Humane Society of Huron Valley is located at 3100 Cherry Hill Road in Ann Arbor. HSHV is a private, non-profit organization dedicated to preventing cruelty to animals and sheltering homeless pets. HSHV accepts all animals - stray, owned, domestic or wild. HSHV also offers a low-cost spay and neuter clinic, cruelty investigations, 24-hour emergency rescue service for injured stray animals, pet adoptions, community education, pet therapy and wildlife rehabilitation.

For information on how you can help or become a member of the Humane Society, call (313) 662-5585 ext. 103.

County Planning Commission Unanimously Recommends Site For New Safe House

The Washtenaw County Metropolitan Planning Commission voted unanimously to recommend to the County Commissioners a site for the new SAFE House. The site is 7.25 acres on the north side of the Washtenaw County Service Center on Clark Road in Pittsfield Township. It would be used exclusively for the SAFE House facility. South of the proposed new facility is the Washtenaw County Sheriff's Department.

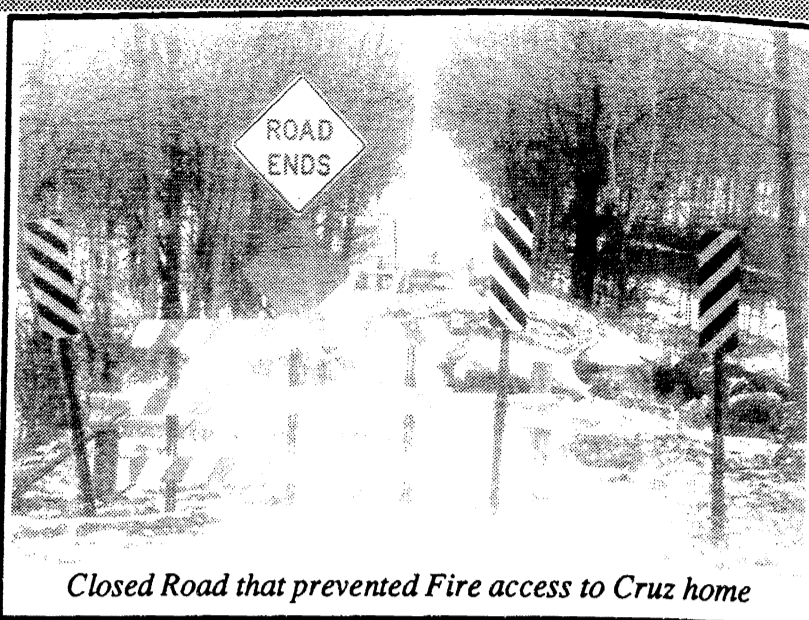

Voters in Washtenaw County decided in the November election to fund the new facility through a 1/4 mil property tax for two years. This will generate approximately \$2.875 million dollars collected. The money can only go for planning, design, site preparation, construction, etc. of a building for domestic violence prevention activities including a shelter.

Down Memory Lane from page 1, Irwin letter

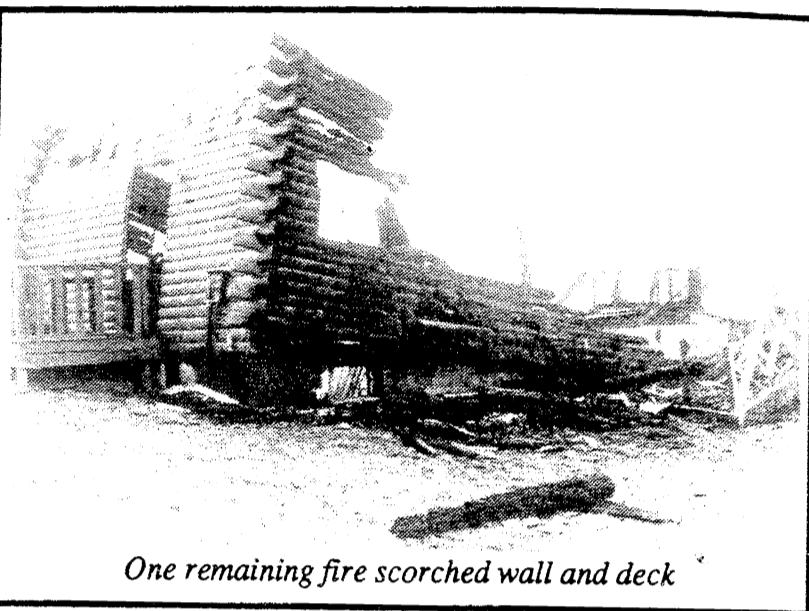

-I don't think I'd better, for you probably won't be there a great while and I don't want my letters to lay in the office long after they get to Michigan. There has been quite an excitement here, among the old regiments, about re-enlisting in the Veteran Corps. The inducements held out by government are \$300 bounty and thirty days furlough in their own state, the troops to be mustered in immediately and the period of service to be three years from the time of muster. It doesn't apply to us however, as we haven't been in the service long enough. The 8th Michigan have re-enlisted, also the 100th Pennsylvania, and the 2nd are agitating the subject, but haven't gone in yet. I think your handwriting does improve. I hope you will take pains, for you can't always have school privileges.

Yours Truly,
E. J. Irwin
John Emory Irwin

It is interesting to note in the letter last paragraph and last sentence that School was considered a privilege during that era. How little we respect that fact of everyday life. The Editor.

Christmas In April

Christmas in April-Washtenaw is planned for April 24, 1993. A meeting of the Manchester Chapter is planned for February 18, 7:30 at the Community Resource Center, 122 W. Main St. (downstairs.) The purpose of this meeting is to confirm the commitment to a successful program for our community.

Manchester Community volunteers worked together in 1992 to improve five area homes. That opportunity for friends and families, relatives and neighbors, willing to work together to meet the real need among the elderly, low-income and handicapped homeowners, is available again this spring.

Volunteers are the key factor in a successful Christmas in April program because all the labor and supplies are donated by business and citizens of the community.

What is needed to make the Manchester Christmas in April program successful in 1993?

- Referrals of individuals or families that need help with home maintenance.
- Skilled and unskilled laborers.

• Business and individual donation of time, money and supplies.

• Individuals ready to take responsibility for some of the tasks that are necessary to make the "one day of giving" GO.

Bring the spirit of giving, neighbor-helping neighbor, back to our community for just one day. Smiles, thank you's and other grateful gestures from people can be the greatest gift ever received.

To receive information about the home referral process for the Manchester Chapter of Christmas in April, call the Community Resource Center, 428-7722 or Martha Mackres 428-8434.

NOTICE TO ALL RESIDENTS OF THE VILLAGE OF MANCHESTER

During the next week Clear Cablevision will be mailing a Franchise Renewal Survey to all of our current and potential subscribers. The results of this survey will be considered during negotiations for the renewal of the Franchise Agreement between the Village of Manchester and Clear Cablevision, Inc.

Please take a moment to answer the questions as openly and frankly as possible. The questions are designed to determine the future cable wants and needs of the community and to assess the past performance of the company.

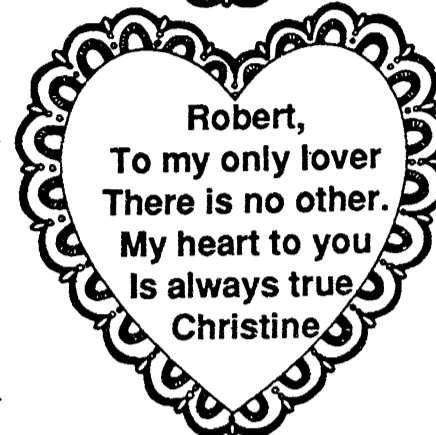

Thank you, in advance, for taking time out of your busy day to answer the survey.

Sincerely,
Pamela J. Rider
System Manager

Out and About

Valentines Day: Some say Valentine's Day began with an ancient Roman festival of Lupercalia. Its dual aim was to protect people from wolves and encourage the birth of children. I'm not sure that has been accomplished because there are a lot of wolves that send Valentines greetings to unsuspecting ladies. Probably with the intent of the birth of children.

In old England people believed birds chose their mates on February 14th. The birds that send greeting cards, with fancy verses, are even today trying to chose mates.

The custom of sending verses to celebrate the day has been traced back to a Frenchman. Charles, the Duke of Orleans spent Valentine's Day, 1415 a prisoner of war in England after the battle of Agincourt. He sent his wife a rhymed love letter.

Today, Valentine's Day is celebrated with flowers, candy and sometimes items of considerable value. More importantly it has become a way of expressing love to a loved one or to express feelings of importance to a family member. Perhaps a friend need's a bit of cheer, a card can be the expression of that concern.

More importantly Valentine's day comes at the time of year, toward the middle of winter, when we often find ourselves in a period of the blah's. So if there is someone that might need a pick me up think about sending a card. One of the little rhymes from grade school days went something like the following.

"Roses are Red
Violets are Blue
I'm thinking of You.
Won't you be my Valentine?"

Child Passenger Safety Awareness Week February 7-14, 1993

SEVEN out of TEN people that die in Michigan traffic crashes were not wearing safety belts that were available to protect them. The facts show that your chances of surviving a crash are much better if you have your safety belt on. Don't become a statistic - buckle-up before it's too late.

The MANCHESTER ENTERPRISE The Second Front Page : Manchester Pharmacy

Pat Murphy

Emory Garlick Manchester Pharmacy a division of Chelsea Pharmacy Inc., is undergoing some in-store modifications. Chelsea Pharmacy Inc. has three store locations. Chelsea, Manchester and Stockbridge. Four Corporate partners Daniel Murphy, Patrick Murphy, Dale Schumann and David Dust.

They operate in addition to the three stores, Chelsea Hospital Pharmacy, under a contract with the Chelsea Hospital and the Pharmacy facilities at two nursing homes at Chelsea and Stockbridge. In order to cover the various locations the four owners employ five other

Pharmacists and about thirty other employees. Pat Murphy, spokesman for the Corporation and pictured spends time in each of the stores. They rotate duties and locations as needed to cover their various locations.

If you have been in the store recently, a large blue canvas can be seen hanging in the back. One of the storage rooms is being modified to accommodate more floor space. Pat stated, "We need more floor area to offer our customers a greater variety of merchandise. We are going to add cosmetics, jewelry, toys and promotional merchandise. It is our intent to offer a wider selection of merchandise that is not available in other

Manchester stores. If we can enlarge our stock it won't be necessary for people to go into Ann Arbor, Jackson or another City to get what they need.

We are open to suggestions of what merchandise members of the community might want. Let us know what you might like to see us handle, we'll try and accommodate Manchester residents.

Editorial / Opinion

To the Editor:

I applaud the wonderful community feature on Kay Miller. She certainly is a very special teacher. Kay Miller has been on my mind for the past few weeks, and it's nice to see something wonderful written about her.

I attended the January 18 school board meeting and watched as the school board gave Mrs. Miller recognition as an outstanding teacher. Unfortunately, in the next 15 minutes, all the honor and glory she was to receive melted away when the school board addressed the issue of classroom space at Klager next year.

Supt. Niedzwiecki brought to the school board's attention the fact that it will be necessary to reinstate a second grade classroom to accommodate the second grade class for the year 1993-94.

There were three options presented: (1) a new portable; (2) consolidate some Special Ed and Chapter I classes; (3) put Mrs. Miller "on wheels", meaning she would loose her room and have to travel to each classroom. (After the wonderful description of Kay Miller's classroom, I need not mention what would happen to the quality of her music classes; and, several classrooms are divided by folding curtain partitions!)

The consolidation of the Special Ed and Chapter I did

not seem feasible due to a requirement of square footage per student, which seems to be a problem in all the classrooms!

The third option was also dismissed as the minutes of the meeting read: "Board consensus was not in favor of the addition of another portable classroom."

It seems plain to me that the school board needs to reconsider the use of a portable classroom. Who will suffer? The students and faculty will. The school board dismissed the option because "it was time" to let the community be made aware of crowded conditions at Klager. And they were tired of the "bandaid" approach (meaning the use of portables.)

The Board did not use the excuse of the portable being financially unfeasible. They refused the option of the portable with the attitude of, "It is time!" The Board is upset at the failure of the bond issue and the students and staff are going to suffer the consequences.

We definitely have a problem of classroom space at Klager. Portable classrooms are not the best solution. But at least they are an interim measure to prevent us from lowering the quality of education that our faculty has worked so hard to achieve.

Respectfully,
Cynthia Nye

Dear Editor:

If enough veterans show some interest, we will have a reunion, in Michigan, for those who served on the following ships: USS Grand Canyon AD-28, USS Stormes DD-780, USS New DD-DDE-DDR-818, US Navy Mine Force, USS Steinaker DD-863, USS Warrington DD-843 and the USS Vogelgesang DD-862.

CHILD PASSENGER SAFETY AWARENESS WEEK

February 7-14, 1993

Children need protection. Every child riding on the highway deserves the protection of a child safety seat. Properly secure the child in the seat, and make sure the seat is properly secured to the vehicle. Buckle your babies - It's the right thing to do - and it's the law.

This message by Constable Lyle L. Moore, Manchester Township Police Department

Chris was ten months old when he rode to the grocery store on his grandmother's lap. He was a happy child just starting to walk.

When another car struck them, Chris hit the dashboard. His neck was broken upon impact. He was torn from his grandmother's arms in the crash. Her love was not enough to protect him.

Today Chris' grandmother helps dress, feed and carry him. He will never walk, or run or skip. He will always require help, even to do the simplest task. Chris lost the use of his arms and legs - in less time than it takes to say BUCKLE UP.

Chris spent weeks in the Intensive Care Unit and months

in the Rehabilitation Unit at Children's Hospital of Michigan. He still comes for therapy to help keep his muscles from atrophy.

Even with advanced medical care, no one can give Chris back the use of his arms or legs.

Chris is just one of the tragedies that can happen when young passengers are not restrained in cars.

Using car seats and seat belts correctly DOES save lives and reduces the threat of injury.

Please take the time to protect your children in the car - always use car seats or seat belts.

— Nancy Delaney,
Children's Hospital of Michigan

OBITUARY

Elsie B. Beuerle Manchester

Age 91, passed away at her home on February 5, 1993. Elsie was born in Bridgewater Twp., Michigan the daughter of George and Bertha (Brenion) Nissley. On September 27, 1922 she was married to Oscar Beuerle and he preceded Elsie in death on October 10, 1971.

Elsie was a member of the Bethel United Church of Christ. Elsie is survived by one sister, Ida L. Irwin of Ann Arbor; two nephews, Arthur Blanchard of Manchester and Lloyd Nissley of San Diego, CA; two nieces, Betty Smith of Burlington, Iowa and Marlene Naebeck of Ann Arbor. She was also preceded in death by one brother, Edwin Nissley. Elsie's family received callers at the Jenter-Braun Funeral Home on Monday evening. Funeral services were held on Tuesday, February 9, 1993 from the Bethel United Church of Christ with the Rev. Roman Reineck officiating. Interment was in Bethel Cemetery. Those wishing an expression of sympathy for Elsie may make memorial contributions to Bethel United Church of Christ.

Sunday, February 14: 9:30am Worship Service—Rev. Paul Kuntzman, guest minister Wednesday, February 17: 7:30pm Bible Discovery Class

OBITUARY

Willard C. Mann Manchester

Age 77, died Thursday, February 4, 1993 at home in Manchester, Michigan. He was born June 11, 1915, Freedom Township to Laura (Feldkamp) Mann and Ernest G. Mann. On July 24, 1941, he married Dorothy Steeb and she survives.

In 1937, Willard, along with his father, Ernest, and brother, Earl, founded E.G. Mann & Sons Feed Mill, Bridgewater, Michigan. In 1940, the Manchester Mill was purchased which Willard operated for 42 years.

Throughout his life he served as: Director of Union Savings Bank, 1951-1979; Charter member and president of Manchester Exchange Club and Chamber of Commerce; Charter member and former president of Manchester Optimist Club; one of the founders of the Manchester Chicken Broil, serving as committee chairman for 30 years; one of the organizers of the Manchester Steer Club, remaining active until his retirement; a 23-year veteran of Manchester's Volunteer Fire Department; Manchester's Board of Review for 16 years; Manchester Fair Board; Farm Bureau and life membership in Farm Council. He was a life member of Masonic Lodge #148 F. & A.M., Ann Arbor Council for 14 years and former president for six years.

Survivors in addition to his wife, Dorothy, include a daughter, Kathryn Groves of Cedar Falls, Iowa; and three sons, Ronald (Judy), and James of Manchester, and William of Ann Arbor; five grandchildren: Nancy and Robin Groves, Jeffrey, Thomas, and Michelle Mann; one sister, Mrs. John (Mildred) Nill of Grosse Pointe Park; one brother, Paul Mann of Chelsea; and many nieces and nephews. He was preceded in death by a brother, Earl, in 1968.

Masonic Services were held Friday, February 5. Funeral services were held on Saturday, February 6, 1993 at 11:00 a.m. from Emanuel United Church of Christ. Burial took place at Saline Oakwood Cemetery.

The family received friends at the Jenter-Braun Funeral Home. Memorial contributions may be made to Emanuel United Church of Christ or Hospice of Washtenaw.

Scouts Advance In Rank

Last year marked the 50th anniversary of Boy Scout Troop 426. Perhaps a few Manchester troopers will remember back to 1942. Jim Kensler, Millard Uphaus, Ray Tirb and Orié Walcott came to mind at the Court of Honor held on the 26th of January.

Back then, as now, Courts of Honor are convened to recognize the achievements of individual scouts and their leaders. This year's first court honored Ted Roberts for attaining the ranks of Tenderfoot and 2nd Class; Dave Sweeton reached Star and was appointed Senior Patrol Leader; Dave Staten advanced to Life and became Scribe; Eric Anderson, Andrew Schook, Brad and Chris Kemner were awarded merit badges; Jason Campbell and William Roberts were appointed Patrol Leaders; Andrew Schook moved up to Assistant Senior Patrol Leader; Joe Tobias assumed the responsibility of Troop Librarian; and adult leaders, John Hugel and Tom Campbell were recognized for their service to the Troop.

This summer, Manchester Boy Scouts might go to camp. Summer camp is an experience that settles into our permanent memory, thick with sound, sight and aroma. If you parents harken back to those memories and would like your son to savor the same fare, call Ron Schook at 428-7351. Scouting preserves our American heritage.

TEST TAKING & STUDY SKILLS WORKSHOP

For parents & students grades 6-9

The study habits you instill can benefit your child for an entire school career. This workshop will not only help reinforce what you have been saying for years, but it will also include many new ideas.

The areas of concentration include: How to (1) deal with nervousness, (2) review, (3) take notes from lecture or text, (4) help parents deal with low grades, (5) write a non-copied report, (6) concentrate, (7) get organized, (8) remember things, (9) study for tests, (10) answer true/false and multiple choice questions, and (11) answer an essay question.

This workshop is for students at the junior high and middle school level. PARENTS are required to attend.

The fee is for students; parents attend free. Materials are provided. They include written text of the class for reference purposes. Please bring a small tape recorder, if possible. Instructor: Karen Davison, Skills Development, Inc.

Meets: Middle School Cafeteria

Tuesday, March 23, 1993 Cost: \$15.00 Time: 6:30-8:30pm

Schook, Brad and Chris Kemner were awarded merit badges; Jason Campbell and William Roberts were appointed Patrol Leaders; Andrew Schook moved up to Assistant Senior Patrol Leader; Joe Tobias assumed the responsibility of Troop Librarian; and adult leaders, John Hugel and Tom Campbell were recognized for their service to the Troop.

This summer, Manchester Boy Scouts might go to camp. Summer camp is an experience that settles into our permanent memory, thick with sound, sight and aroma. If you parents harken back to those memories and would like your son to savor the same fare, call Ron Schook at 428-7351. Scouting preserves our American heritage.

ORGANIZING THE 6-9TH GRADE STUDENT

This class will teach students how to organize assignments, school activities, and out of school activities. A sample planner will be given to each student to help with this job of organization.

Students and parents will work together to organize assignments and activities. Other areas of discussion will include methods for dealing with class folders and lockers and the role of self-esteem in successful organization.

In order to make the class meaningful parents and students must bring the following: Parents: a list of all appointments, family events, all practices, and any other obligations your child may have. Students: a list of returned papers, all upcoming tests, quizzes, projects, reports and any other assignments. A PARENT must attend with the student.

Meets: Middle School Cafeteria Wednesday, February 10, 1993 or Thursday, April 1, 1993

Cost: \$15.00 Time: 6:30-8:30pm

Advanced registration required, at the Community Education Office 790N. Maple Rd., Saline, MI 48176

CLUBS/ANNOUNCEMENTS

CPAs Offer Free Tax Advice February 27 and March 6

If you're caught in a maze at taxtime help is only a phone call away. For the sixth consecutive year, the Michigan Association of Certified Public Accountants (MACPA) will sponsor its annual "Ask a CPA" Call-in Days.

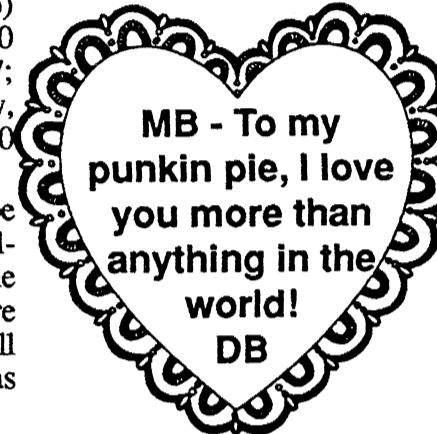

Individuals with questions concerning their state or federal tax returns may receive free professional assistance from certified public accountants. To accommodate callers statewide the program will be offered in two locations on two separate days.

Individuals with questions may call (616) 771-6677 or (616) 771-6678 from 9:00 a.m. 4:00 p.m. on Saturday, February 27; or (313) 855-2288 on Saturday, March 6 from 9:00 a.m. 4:00 p.m.

More than 30 CPAs will be available each day to assist callers. Taxpayers may call on one or both days, however, they are limited to two questions per call in order to accommodate as many as possible.

"Our goal in offering this program is to share our expertise with the public, especially those who complete their own tax returns but have a few questions," says W. Howard Morris, CPA, chairman of the "Ask a CPA" Call-In program. "In the past five years, the program has assisted more than 2,500 taxpayers statewide."

The MACPA maintains offices in Farmington Hills and serves more than 12,500 CPAs in Michigan through its educational and professional programs.

Spotlight on 4-H'r

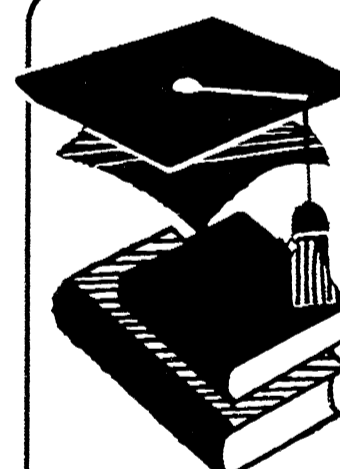

Sharon Bihlmeyer of Country Expressions 4-H Club is one of two 4-H's selected to represent Washtenaw County in the 1993 Citizenship - Washington Focus Program.

She will travel to Gettysburg and Washington D.C. July 3-11 to participate in the program with other teen delegates from across the country.

During the program she will participate in workshops on citizenship, tour historic sites, meet with their Senators and Congressional representatives, discuss national issues, and celebrate Independence Day.

Sharon was also chosen as one of the facilitators for the Natural Connections Program because of her interest in natural resources and leadership potential.

Sharon has already begun a series of training sessions. In May she will help plan and facilitate an environmental education and camping program for 30 youths, ages 9 through 11.

Midwest Ford and Manchester Schools A Partnership for Higher Education. We will donate a percentage of every vehicle or service sale to Manchester School residents to a scholarship fund. The scholarship will be awarded to two or more graduating seniors. Watch for our ads to see how high the fund is. We believe in our youth. Help us help them achieve their best with a little Midwest Magic!

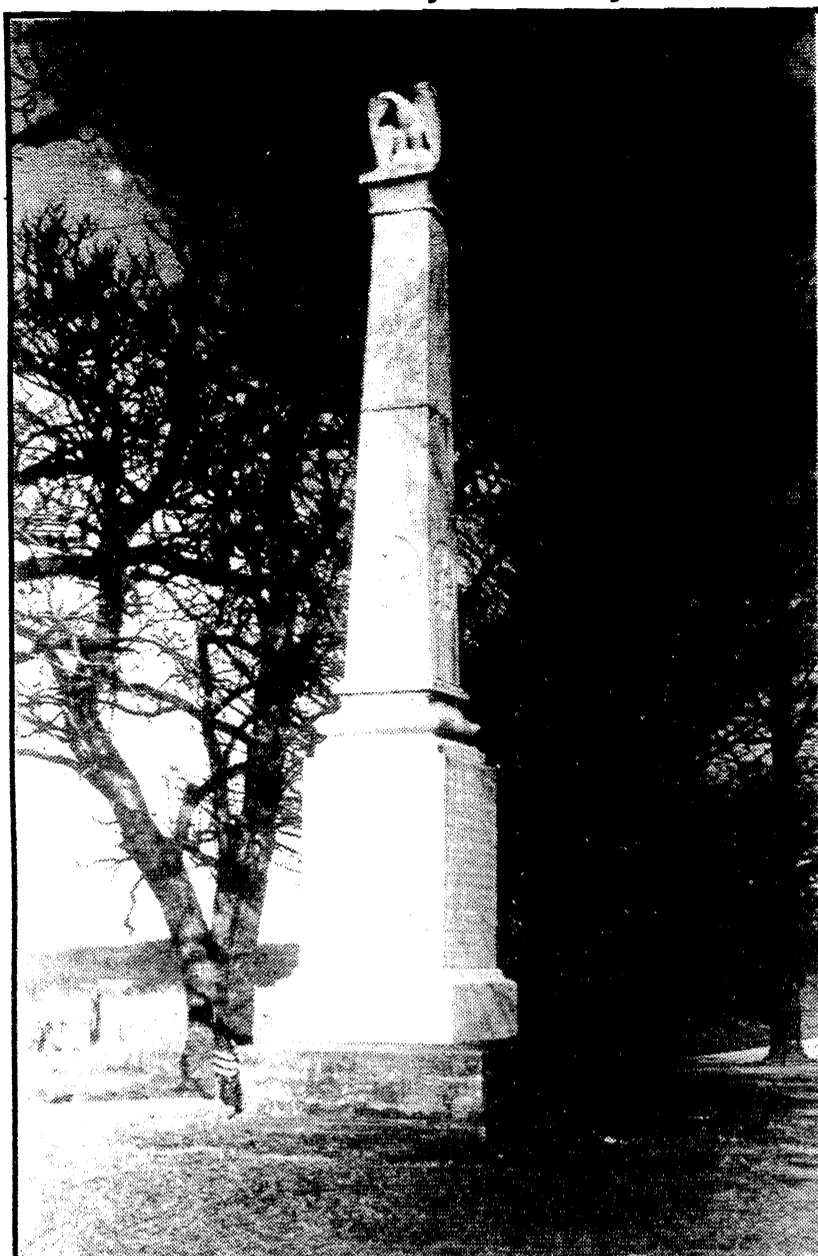

For the month of January we have donated \$433.91!

Volunteers Needed For Project R.E.D.

The third annual Project R.E.D. (Rural Education Days) will take place April 28 and 29, 1993 at the Washtenaw Farm Council Grounds. The activity is sponsored by the Washtenaw County Cooperative Extension 4-H Program and the Farm Bureau Promotion and Education Committee, with support and cooperation from many agricultural organizations, agribusinesses and individuals.

The purpose of this award winning program is to educate third graders about agriculture and natural resources. 1,200 students from throughout the county are eagerly awaiting Rural Education Days. Each student, teacher and parent chaperone will participate in a series of seven learning stations plus "A Taste of Michigan", which features samples of various ag products. Each participant will also receive a goodie bag filled with agricultural information from various organizations and a free seedling provided by the Washtenaw County Soil Conservation District. Teachers also receive an information/activity packet on agriculture and natural resources for use in their classroom. Many volunteers are needed to assist with the four sessions offered over the two days. You can help with any portion of a day or all day. A whole day session would involve helping from approximately 9 a.m. to 2:30 p.m., or later if you can assist with clean-up activities. Assistance is needed in many areas such as set-up, providing animals, being a group leader, working at an agriculture commodity display table, serving ice cream and other food samples, clean-up, etc. If you are available to assist with this program please call either the Washtenaw County Farm Bureau office at 663-3141 or the Washtenaw County Cooperative Extension Service office at 971-0079.

Senior Citizens News

—T. V. Ludwick Sunday, February 14: Let all the love shine for all those special folks. Happy Valentine's Day!

Tuesday, February 16: Clergy presentation begins at 11:15 with Pastor Peggy Paige. Come and listen to her. Our pastors are busy folks and we appreciate their time and energy in preparing these talks and slides (sometimes) that add so much to our lives. Beef stew will be served at noon, get your reservations in either to Linda 428-8359 ahead, or to Jan 428-7630 before 10:30 on meal days.

Thursday, February 11: Come join in and enjoy the craft class at 9:30 in the Center. Ham loaf will also be a treat served by Jan and crew at noon in Emanuel's dining room for all seniors 55 or more in our area. Bingo to follow at the Center. Perhaps you wonder why I call Jan's willing helpers crew -- it dates back to when she made up those boats for a special treat from watermelons. What an artistic genius of designs!

Hospital Senior Program Wins Award

The SENIOR HEALTH CONNECTION at Chelsea Community Hospital has been awarded an honorable mention by the State Offices of Services to the Aging. "Awards were given to a select group of Michigan programs and services that have provided outstanding or innovative learning experiences for older adults to enhance their lives, or to enable them to make contributions to their families or communities," said H. David Dekker, Project Director of the Michigan Older Learner Program.

The program at Chelsea Community Hospital consists of a number of services and opportunities for persons 55 years old and older. These included discounts on a variety of programs including exercise classes, food in the dining room, and prescriptions in the hospital pharmacy. Other benefits are a senior walking program, Senior Supper Club, medical bill consultation, and a series of lectures of special interest to seniors.

The award, co-sponsored by the Michigan Office of Services to the Aging and the Michigan Department of Education, includes a certificate signed by the Governor, the Director of the Michigan Office of Services to the Aging, and the Superintendent of Public Instruction.

Open nightly until 9 p.m.! Sundays 12-5 p.m.

Army/Navy Hometown News

Marine 1st Lt. Brent J. Bauer, son of Joseph and Jill Bauer of Chelsea, recently reported for duty with 2nd Battalion, 4th Marine Regiment, 2nd Marine Division, Camp Lejeune, NC.

The 1985 graduate of Chelsea High School and a graduate of Purdue University, West Lafayette, IN, with a Bachelor of Science degree, joined the Marine Corps in December 1989.

Navy Airman Apprentice Matthew P. Steinaway, a 1991 graduate of Grass Lake High School, recently participated with Fighter Squadron 21, Naval Air Station Miramar, San Diego in the High Noon Air-to-Air Gunnery competition on the island of Guam in the Western Pacific.

The squadron, nicknamed the Freelancers, flew nine aircraft nearly 1,500 miles to Guam marking the first time an F-14 Tomcat squadron had ever visited the island.

During the competition, the squadron flew to the island of Saipan to avoid a typhoon moving through the area. The Freelancer's brief stay on Saipan was the first time United States fighter aircraft had been on the island since World War II. The squadron soon returned to Guam where they finished the competition. The F-14 Tomcat is a super sonic, twin-engine, two-seat fighter that performs air defense in air-to-air situations. The plane is armed with missiles, bombs and guns.

Navy Airman Apprentice Steinaway joined the Navy in July 1991.

Air Force Staff Sgt. Martin J. Cybulski has arrived for duty at Dover Air Force Base, Dover, Delaware. Cybulski, a fire protection supervisor, is the son of Katherine Cybulski of Washington St., Chelsea and Joseph Cybulski of Maute Road, Grass Lake.

Bravo!!! Encore!!! -Opera Night Revisited-

It was fan-tas-tic!!! When The Abduction from the Seraglio was shown just before Christmas, the unanimous decision of the audience was that it was "brilliant."

However, it must be said that those attending were small in number indeed.

And so, rather than saying "We got ours!!!" and going their merry way, the decision was made to show the tape once again: A wonderful production of Mozart's Die Entfuhrung aus dem Serail (The Abduction from the Seraglio) will be presented Friday, February 19th, at the Blacksmith Shop, beginning at 7:30 p.m.

The music is phenomenal, seeming to represent Mozart's ability to do anything. And so he does. Although the whole is perfect, the parts can be regarded somewhat like a "sampler," showing Mozart's mastery of his "stuff" and offering a thrilling musical experience.

The story is also charming, with an excellent cast singing and playing a full range of parts. "Long live love!" pronounces the wise Pasha as the story concludes.

All in the community are invited. "Opera Night in Manchester" is presented free of charge to opera fans and to newcomers-to-opera alike. Come enjoy the fun.

For more information, contact Maan Baki at Pyramid Office Supply on Main Street, 428-8088.

The proceedings of the January 4, 1993 meeting were approved as submitted on a motion by Marshall, support by Cooper. Vote: Ayes-all. The agenda was approved as amended on a motion by Reinhart, support by Taepke. Vote: Ayes-all.

SHERIFF REPORT - Motion by Marshall, support by Brooks, to accept the Sheriff Report as submitted. Vote: Ayes-all. SHERIFF DEPT. CONTRACT 1993 - Motion by Marshall, support by Reinhart to adopt the 1993 Sheriff Department Contract with the Letter of Agreement. Roll Call Vote: Ayes-all.

PUBLIC HEARING - CLEAR CABLEVISION 7:30 P.M.

Becktel opened the Public Hearing by explaining that this was one of the first steps that must be taken for renewal of the contract with Clear Cablevision.

DPW REPORT - Motion by Becktel, support by Gordon, to purchase a new grinder, up to \$2300 and repair the old one as funds are available in this fiscal year. Roll Call Vote: Ayes-all.

90 DAY REVIEW FOR TODD KNEPPER - Motion by Brooks, support by Reinhart, to raise Todd Knepper's pay effective

February 1, 1993 to \$8-32 per hour. Vote: Ayes-all.

ORDINANCE COMMITTEE - Motion by Becktel, support by Brooks, to adopt Ordinance No. 206, as okayed by the Planning Commission, amending the Site Plan Review process of the Village Code. Vote: Ayes-all.

TRANSFER SITE - Becktel stated that he had talked to the supervisors of Freedom, Bridgewater, Manchester and Sharon Township and that they all are in agreement to close the transfer site at the end of this contract year. Motion by Brooks, support by Reinhart, to close the transfer site and not renew the contract at the end of this contract year. Vote: Ayes-all.

Motion by Becktel, support by Gordon, to adjourn at 10:03 p.m. Vote: Ayes-all.

WORK SESSION FREEDOM TOWNSHIP PLANNING COMMISSION

Tuesday, February 16, 1993

The Freedom Township Planning Commission will hold a work session for the purpose of continuing review of the Iafate Co. proposal for a gravel pit on Schneider Road. The meeting will be held at the Freedom Township Hall, 11508 Pleasant Lake Road, Manchester, MI at 8:00 p.m. The public is welcome.

Secretary, Bob Miller

NOTICE OF ADOPTION Village of Manchester

Ordinance No. 207

An Ordinance to amend Title VIII, Chapter 111 of the code of the Village of Manchester

Purpose: An ordinance to promote the health, safety and welfare of the people by regulating the maintenance, alteration, health, safety, and improvement of dwellings; to define the classes of dwellings affected by the ordinance, and to establish administrative requirements; to prescribe procedures for the maintenance, improvement, or demolition of certain commercial buildings; to establish remedies; to provide for enforcement; to provide for demolition of certain dwellings; and to fix penalties for the violation of this ordinance.

This ordinance replaces Ordinance 166 in its entirety. Ordinance No. 207 becomes effective 30 days after publication.

Ordinance No. 207 is available in its entirety at the Village Offices.

Karen Tucker Village Clerk

Child Passenger Safety Awareness Week

Improper Child Safety Seat Use Prompts Reminder of Safety Awareness Week

Not using proper child restraints or improperly using child restraints can have disastrous results. A child sitting on the lap of an unrestrained adult in the front seat of a vehicle during a traffic crash will, most likely, be crushed by the adult. Even if the adult is restrained, they will not be able to hold on to the child during a crash sequence.

"We must see an increase in the use of proper restraint use by our children. Taking the time to properly secure your children in safety belts, or child safety seats is the best protection you can give your child against injury in a traffic crash."

This is part of the reason for Child Passenger Safety Awareness Week, being held February 7 through 14, 1993. During 1991, 55 children between the ages of 0-14 years of age were killed in traffic crashes, while 9,658 were injured. Incorrect use of child restraints nearly doubles the risk of injury to children. The latest in-depth study, which was done in 1986 by the University of Michigan Traffic Research Institute, showed that even though 75% of children younger than four years of age were using restraints, 62.9% were restrained incorrectly. Michigan's mandatory child restraint law is credited with a 29.5% decline in injuries to children covered by the law", says Col. Michael Robinson, Director of the Michigan State Police. "During

America & Me Essay Contest Winners Announced

Three students from Nellie Ackerson Middle School in Manchester have been named local winners in the 24th annual America & Me Essay Contest, sponsored by Farm Bureau Insurance.

The three students, who earned the first, second and third place awards for their schools, are Jason Miner, first; Colleen K. Geyer, second; and Michelle Schaible, third. All three received award certificates for their achievement. As the school's first place winner, Jason Miner's name will also be engraved on a plaque for permanent display in the school.

Jason's first place essay now advances to the state level competition, from which the top ten essays in Michigan will be selected. The top ten statewide winners, who will be announced in May, will receive plaques and U.S. savings bonds valued from \$500 to \$1,000. In addition, the top ten essayists will be honored at a banquet in Lansing and at a

School Closing Due To Severe Weather

In the event that severe weather and/or road conditions exist, the Manchester Community Schools will implement procedures to respond to the conditions. Road conditions at selected areas throughout the district will be checked. The Superintendent and the Transportation Supervisor will be in communication with the county road commission, national weather service, police department and local school districts in an effort to gather accurate information.

If it is determined that road and/or weather conditions will affect bus travel, a decision regarding the closing of school or delay of school will be made by 6:30 A.M. and announced on radio.

If school is closed for Manchester students, all programs and activities are cancelled. Special education, vocational education, adult and community enrichment programs will be cancelled. If conditions are improving, high school athletic events and practice sessions may possibly continue. A decision will be made by 1:00 P.M.

Students: Earn money by writing for The Manchester Enterprise.

Submit your story by mail (109 E. Main St., P.O. Box 37, Manchester 48158), or drop it off at our office between 9:00 a.m. and 5:00 p.m. Monday through Friday. There is also a mail slot in the front door you may use.

Please include your name, address, phone number, school and grade.

Child Passenger Safety Awareness Week February 7-14, 1993

Too many people die on Michigan highways. The facts show that, if you are involved in a crash, your chance of survival is much better if you are wearing your safety belt. Wear the lap belt low and snug across your lap. The shoulder belt must go across your chest to protect your upper body. The belt should be comfortable without too much slack. Don't become a statistic - buckle up before it's too late.

This message by Constable Lyle L. Moore, Manchester Township Police Department

Potted Plants Available at High School

The Manchester High School Plant Science Class announces they have potted plants available, including daffodils, crocus, hyacinths, narcissus and tulips. Plants are \$3.50 each and can be purchased in the greenhouse behind the high school (next to the bus garage) after school until about 4:00 p.m.

The Summer Institute Experience: A Different Kind of Summer

Current Michigan high school sophomores and juniors should consider applying for the Michigan State Board of Education Summer Institutes for the Arts, Sciences, and Technology held each summer on college campuses around the state. These institutes are a unique learning experience using unconventional methods. It's a chance to explore contemporary thinking technology, and techniques using state-of-the-art equipment, labs, and facilities. It's a link to some of Michigan's best artists, researchers, business and industry experts, and educators.

There are two types of Summer Institutes. The two-week programs focus on the arts and sciences where each student selects a main focus area for the entire two weeks. Focus areas include dance, theater, writing, architecture, drawing, computer animation, film study, sculpture, sign language, Japanese, German, music, computer science,

chemistry, physics, engineering, ecology, genetics, archaeology, psychology, philosophy, law, anthropology, political science, and environmental studies. The second type are week-long institutes for technology and offer single-focus areas in criminal justice, law enforcement, microcomputer applications in engineering, environmental engineering, and medical and health technologies. These institutes are not just for students who get all "A's" but are for anyone with a strong interest in any of the focus areas. The primary costs for the programs are paid from various grants so a Manchester student would incur only a \$25 total cost.

Applications are available in the high school counseling office. The application is lengthy and the deadline is March 1 so interested sophomores and juniors should begin the application process right away.

Washtenaw Literacy

Washtenaw Literacy tutors adults in Washtenaw County in reading, writing and spelling skills.

Washtenaw Literacy is non-profit and its services are free. On February 18, 22, 25 and March 1 and 4, Washtenaw Literacy will be training a new group of tutors. The tutor training will be held at the Washtenaw Intermediate School District administration building during the evening from 6:30 to 9:30.

If you need one-on-one tutoring, or if you know anyone who could use the service, call the Washtenaw Literacy office at 482-0565.

Winning Week For Varsity VB

—Patrice Faulhaber
The varsity volleyball team made quick work of Grass Lake last Thursday at home. They won the match in two games 15-5, 15-7. Grass Lake has one of the best teams they've had in years but it wasn't enough to beat the hard hitting Dutch women. They are 4-0 in conference play.

Back-up team players Liz Bragg and Laura Alber both had good games. Laura was 4 of 5 serving and 6 of 7 on serve receive. Liz was 2 of 2 serving with 4 of 4 serve receive.

April Buttefield was moved into the middle point position due to the illness of Olivia DeLongchamp. April worked hard and came away with 3 kills. Sharon Fielder had 6 service points.

Thursday's game brought them to Columbia Central where they won 16-14, 15-8. The first game was a difficult one, they had to come from behind to win.

Sandra Wiitala put her serve right on the money with 6 aces for 6 big points. Kathleen Baron was 12 of 12 serving with 8 points.

Thursday they travel to Hanover-Horton for the most important conference game of the season. HH finished 2nd in the Michigan Lutheran Seminary Tournament and finished 2nd at Madonna losing to Detroit Mercy, a class A high school. They are 4-0 in the conference. They still have a very good team, in spite of losing 5 starters. HH has been at the top of this conference for a long time.

Hanover-Horton Coach Karen Clark said, "I have been pleasantly surprised by this young team."

She continued, "I have 2 juniors, 2 seniors and 2 sophomores as starters, no one player is dominant, they compliment each other very well."

Game time is 6:30 at HH. This Manchester team is determined to put out the Comet fire!

Tournament Win For JV Volleyball

—Patrice Faulhaber
There is a lot of potential talent on the JV volleyball team and they proved it Saturday in Addison. The team was pumped. Very pumped! The crowd never stopped cheering and the girls never let their guard down. They beat Hanover - Horton in the finals for the tournament win, 15-8, 15-13.

Coach Martin said, "The key to the whole tournament was not that we played outstanding volleyball, but that the team worked together all day long."

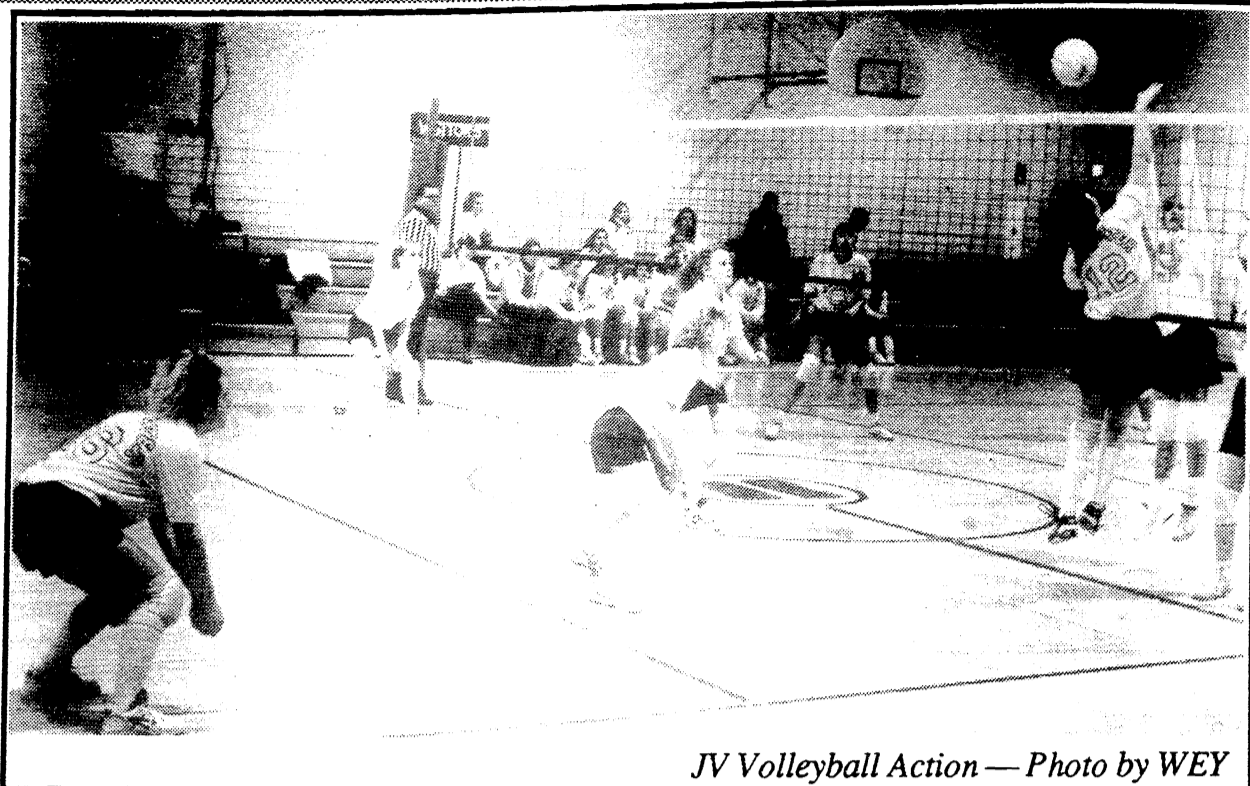

She went on to say, "Nothing brought morale down. They had a real winning attitude."

Courtney Bentschneider came off the bench with incredible passing and she helped out serving. Jenny Nosbisch had two scoring blocks, which is excellent at the JV level.

Sandra Fielder and Jamie Knaus were at the net together which really worked well. This was the first time they did this and it gave them a lot of confidence.

Setters, Shawn and Amber, were playing very court smart. They took advantage of the weak spots on their opponents' side and tipped the ball over time and time again for the point.

This was a major win for the JV team which needed a little morale boost. They play Hanover - Horton away on Monday.

JV Volleyball Action — Photo by WEY

JV Volleyball

In conference play the JV team has been struggling through hot and cold spells. But Coach Martin believes her team is building a winning attitude.

They lost bad to Michigan Center earlier this season, 4-15, 3-15. They came right back and beat East Jackson, 2-15, 15-13, 15-8. Losing the first game 2-15 brought the team down, but they pulled themselves up and came back hard.

Three girls had 9 service points against EJ. Sharon Goodell had 7 (2 aces), Jenny Nosbisch 8 (1 ace) and Sandra

Fielder had 6 (3 aces).

That weekend they lost to Tecumseh in semi finals at the Clinton tournament. Amber Burkardt had 12 kills followed by 10 from Jamie Knaus. Sandra Fielder and Shawn Lee each chalked up 8.

Amber had 14 aces for 33 service points. Jenny Nosbisch rang up 12 aces out of 32 service points. 71% of Jenny Sahakian's serves were aces.

Coach Martin said, "The highlight player of the tournament was Darci Hock. She was very consistent at passing. She dug up most of the opponents attacks."

They lost to Napoleon in conference play. Coach Martin commented, "Serving and passing kept us from playing well. Our attacks didn't stay in the court."

Last week's game against Columbia Central was not much better. It was very quiet on the court, the spark was missing. The hard lessons are the ones most remembered. The girls came away knowing that each one of them had to play to their maximum potential to make the team work. Highlights from that game were: Amber with 11 kills. Shawn Lee had 4 kills and Darci Hock 1, both girls had 7 attacks. Shawn and Amber both showed improvement in setting.

Varsity Big Winners In Ida

—Patrice Faulhaber

Coach Barb Stein helped lead the varsity volleyball team to an important tournament win in Ida last Saturday. They girls entered the 10 team tournament with high hopes for a victory and hustled their way to the top beating Ida in the finals 15-12, 12-15, 15-11.

"It was total team effort", said Coach Stein. "They didn't play all that well in the morning, but finished strong."

They beat Monroe, Flatrock, Ida and Dundee to finish second in pool play.

Semifinal round action put them up against a very tough team from Dexter. They won both games 15-11, 15-12. Dexter is ranked 2nd in the SEC.

Coach Stein said, "They played very hard and rose to the occasion."

The final round was the toughest match of the day. They took Ida in the first game 15-12 but lost the second game 12-15. In a very exciting third game Tracy LaRue served 10 in a row to put the Dutch in front 12-1. Ida came back, but the Dutch never stopped trying, winning the game 15-11.

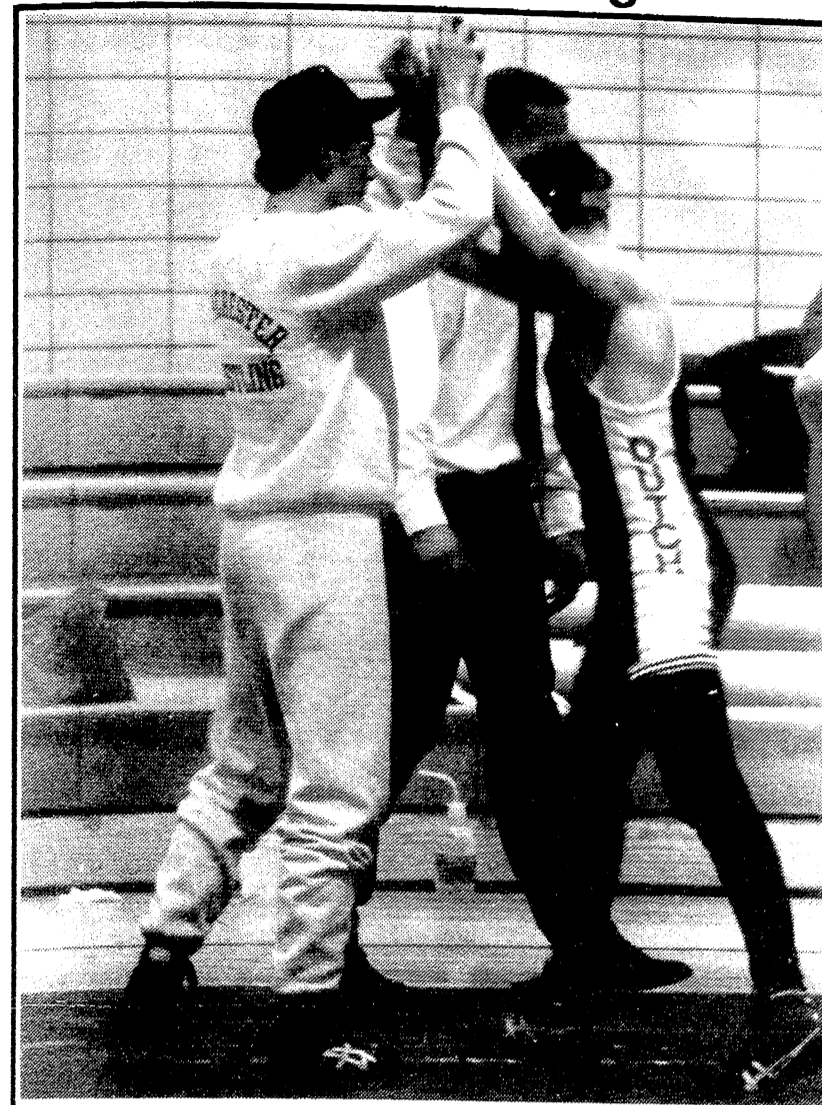

It's hard to say which stats are most important in this tournament. The whole team gave 100% all day. Tracy and Adrienne were setting beautifully! Sarah had 27 blocks followed by 14 from Olivia. Kathleen had 46 service points and Sandra 92% on serve receive.

Coach Stein said, "Sharon Fielder played out of her head on defense all day, she had 43 digs (90% on serve receive)."

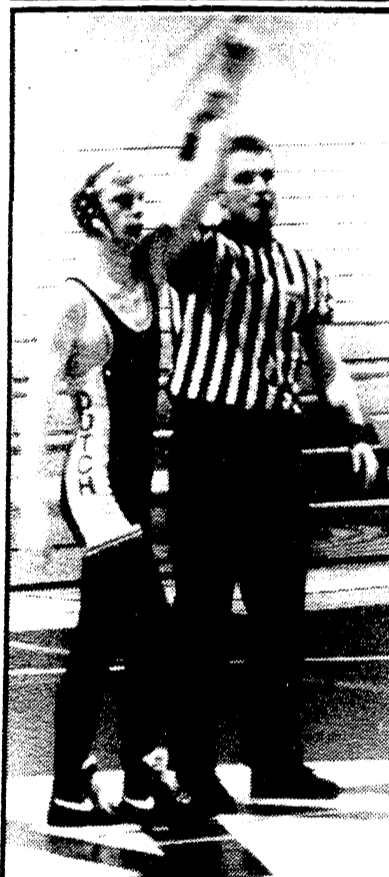

Adrienne had 50 kills, 66 assists and 93% setting. Sarah had 44 kills, and 36 saves. Kathleen was 84% on serve receive. Tracy had 48 service points, 64 assists and was 92% setting.

The Dutch finished out the week with three big wins bringing their overall record to 25-4-2.

Please try to attend.

Varsity and JV Hoopsters Continue To Slide

—by Jon
On Friday night, we bussed to Napoleon to begin the second half of our season. In the first game of the evening, our Little Dutch attempted to fight back from a huge deficit. As we crept closer and closer, our main enemy was the clock. At the final buzzer we lost 44-49. Troy Niehaus was really firing from inside and out to collect 30 points.

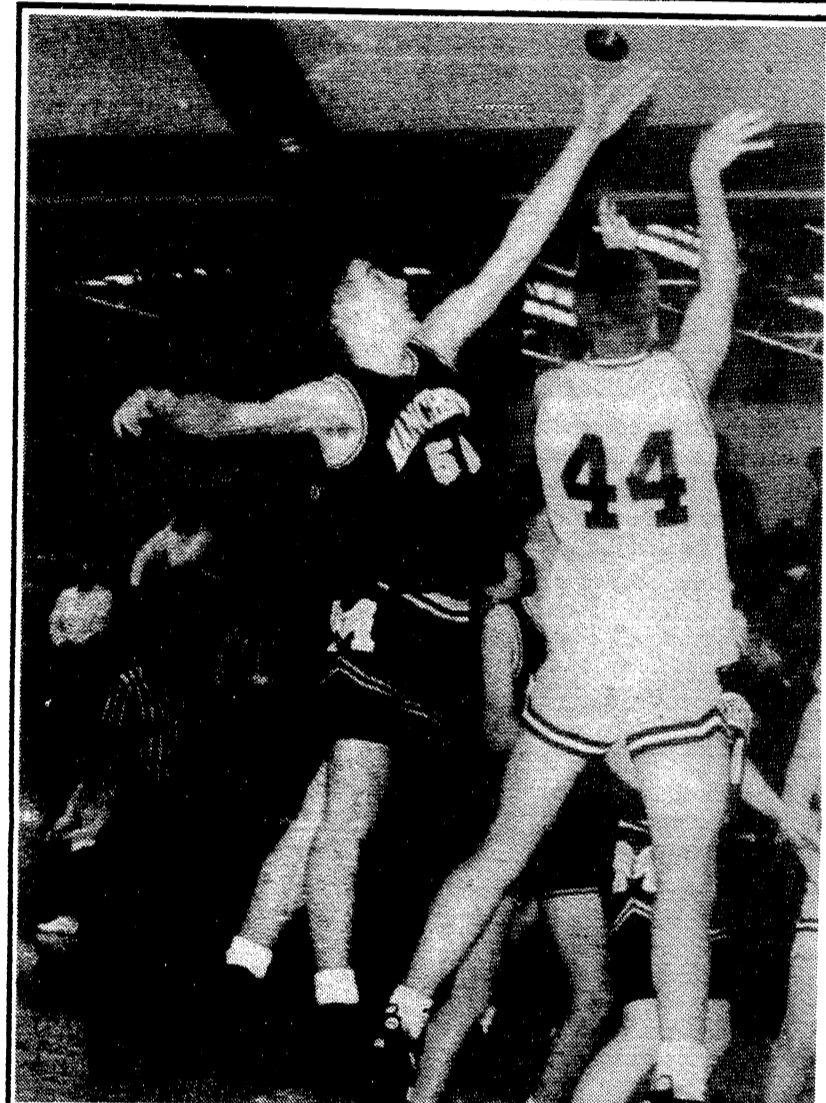

Coach Vleck (left) and assistant coach Mark Fennelon provide verbal encouragement from the sidelines.

In the varsity contest the Pirates moved out to a huge lead basically due to their hot shot Casey Craig who finished scoring 39 points. As usual we overcame a big deficit trimming the tally to 8 before running out of gas. We lost 58-77. Rob Davis led our scorers with 13. Rodney Burkhardt and Matt Fielder contributed 9 each as Mica Puscas played well earning 6.

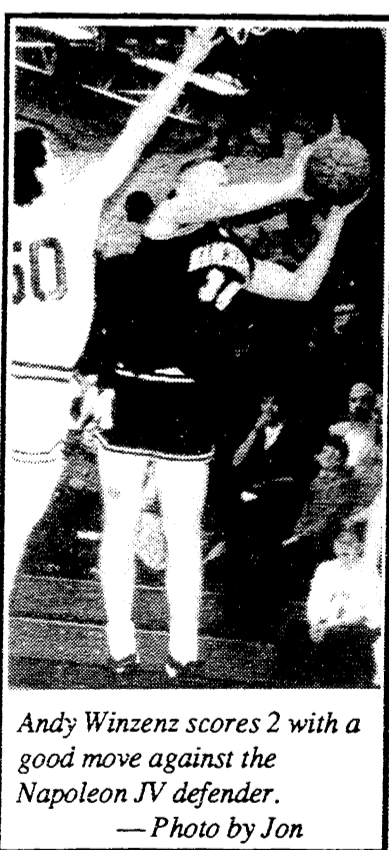

We'll be "Coming Home" Friday to host a 3-game set. Vandercook Lake will be here Friday and Clinton on Tuesday.

Freshmen Roundballers Split

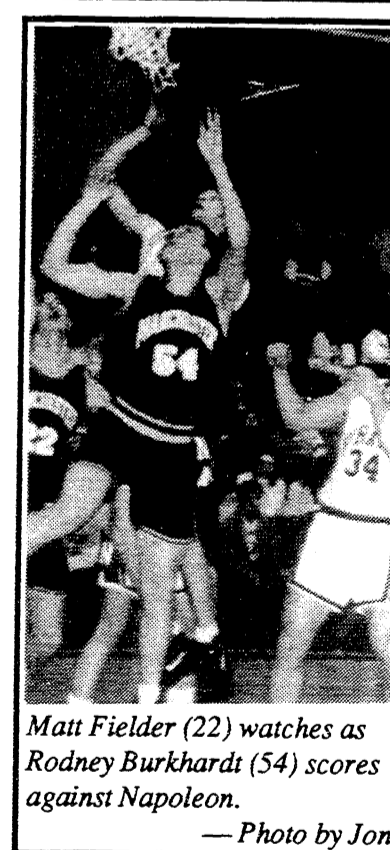

—by Jon
On Monday, we hosted Columbia Central. The two halves of this game were as different as day and night. We were in such a hurry that we turned the ball over many times, falling behind 17-34 at half time. I don't know what Coach Etzel said to his team in the locker room, but it surely made a difference in the second half. We began whittling away from the start and brought the score to 27-41 after 8 minutes. We really caught fire in the final quarter and started hitting the threes. Trevor Schleicher and Aaron Garret played well. With 40 seconds left we trailed 41-44 but the shots did not drop. Columbia Central hit their free throws to ice the victory 44-50.

Zac Maghes in Friday's JV action. — Photo by Jon

Andy Winzenz scores 2 with a good move against the Napoleon JV defender. — Photo by Jon

Matt Fielder (22) watches as Rodney Burkhardt (54) scores against Napoleon. — Photo by Jon

Wednesday found us on the road again as we trekked to Adrian Madison. I don't know the exact score, but was told we won by about 62-22.

Bill —
Come home soon I miss you.
Love,
Precious

CARDS OF THANKS

January 8 I was in an accident on the corner of Austin and Sharon Hollow. I was driving a red Dodge Datona. I wanted to thank the lady, the young man, the Fire Department, the ambulance crew and U of M. You were all wonderful. Thank you. Tracy Tuthill

FOUR SUNSHINE DESTINATIONS LURE MICHIGAN'S SNOWBIRDS

Between December and March, Michigan snowbirds in search of sunshine flock to Florida, South Carolina, Tennessee and Texas, respectively, more than any U.S. destination. Based on member requests for AAA Michigan TripTiks and routings, Florida tops the list with 42,367 routings requested last winter.

A Wedding to Remember

by Carlson Craft

We'll help you make your wedding as special as you want it to be. Come in and see our elegant invitations and announcements, beautiful bridal books, napkins and other accessories to make your wedding day complete.

2/3/93, 07:14 — F, Sharon Hollow & Ely Rds., grass fire

2/6/93, 13:20 — F, Haab and Waters Rds., combine fire

Curbside Collection Schedule Adjusted for Efficiency

The Western Washtenaw Recycling Authority announced that it will adjust its schedule for curbside collection of recyclables in Chelsea and Manchester. Collection will be on the first and third Wednesdays in Manchester and the second and fourth Wednesdays in Chelsea.

Several unforeseen problems and an overwhelming response to weekly curbside collection have necessitated the change. No changes are scheduled for the drop-off sites.

Both curbside collection and the drop-offs will continue to accept newspapers, plastic with the number 2 on the bottom, glass, and tin cans as announced in the brochure sent to residents early in January.

"We are pleased with the residents' response to our new recycling program and regret that we must change our original plans," stated Jeff Bagocius, manager Western Washtenaw Recycling Authority.

"We will adjust the program as needed in the future, but residents will be notified when any additional changes are to occur," he added.

"We are receiving a substantial quantity of materials at the drop-off bins and in the

curbside programs. We haven't reached capacity at the materials recovery facility (MRF), so we would welcome and encourage more participation from residents. The more materials we collect, the more efficient our operation is," said Bagocius.

Authority Announces Availability of Slide Show

The Western Washtenaw Recycling Authority has available two slide presentations that describe the new recycling program. Available to schools and civic and church organizations, one presentation is geared to elementary school children and the other to adults. They both run about ten minutes and include a written script.

The presentations may be loaned to a group, or a member of the education committee, or the authority manager can attend the meeting, give the presentation and answer questions.

"We would like to encourage local organizations to request the slide show," stated Sybil Kolon, chair, recycling education committee. "The success of our recycling program depends on the education of the residents. We would like the assistance of local organizations in spreading the word about recycling."

To make arrangements for the presentation, contact Jeff Bagocius, authority manager, at 313-475-8655.

Wedding Magic begins with traditional and contemporary invitations by Candlelight Collection. INVITATIONS & ANNOUNCEMENTS, THANK YOU NOTES & SCROLLS, MATCHES, NAPKINS, & PROGRAMS, DECORATIONS & ATTENDANTS' GIFTS. The Manchester Enterprise 109 E. Main St 428-8173

Selective Traffic Enforcement Operation

The Michigan State Police and Washtenaw County Sheriff's Department conducted a joint selective traffic enforcement operation on M-52 in Sylvan Township. This program was a result of citizens' complaints, in that area, of speed, following too closely and improper passing by a number of motorists.

During this effort the "Laser" radar was utilized and there were a number of violations issued. A total of 25 citations and 31 warnings were given for the various infractions indicated above by five officers over a 4-hour period on Wednesday, February 3, from 4:00 to 8:00 p.m.

This traffic enforcement effort is based upon the current Ypsilanti Post strategy to target area roads for enforcement based upon the public's perception of problem areas. A citizen survey taken in late October cited M-52 between Chelsea and Manchester as an area which needed attention with regard to traffic enforcement. This effort was intended to show motorists that violations in that area will be enforced by Washtenaw County and State Police patrols.

At the end of the survey, we had a much better understanding of the public's perception of traffic problem areas, and we have targeted some of our enforcement efforts in those areas.

Project S.T.O.R.M. (Selective Traffic Operation & Road Management)

This traffic safety program is based upon two concepts. The first area deals with efforts to selectively target specific violations for enforcement. For example, citizen complaints may indicate a problem with large trucks hauling gravel in an unsecured-load type violation. We can then utilize post personnel to "target or channel" their enforcement efforts by focusing on a specific violation. We can send them out with a "mission" to enforce a specific violation as outlined in the Motor Vehicle Code.

HUMANE SOCIETY RECEIVES 1,043 PUREBRED DOGS IN 1992

During 1992, 1,043 purebred dogs came to the Humane Society of Huron Valley. This number represents about 29 percent of the total number of dogs who came to the shelter for care. Most of these animals were either picked up as strays or released for adoption by their owners. Some were puppies, but most were over six months of age. A few were elderly and/or ill pets brought to HSHV for euthanasia.

Do these numbers surprise you? Do you think of the dogs at an animal shelter as all mixed-breed "mutts"? If so, then it's time to switch gears. Many of the purebred pets brought to our facility are the result of irresponsible breeding and pet ownership. The highly popular breeds that are available in pet stores and for rock-bottom prices in the classifieds are the ones who visit us most frequently.

Take a moment and scan the partial breakdown of our 1992 figures: 142 Beagles, 88 Cocker Spaniels, 103 Labrador Retrievers, 50 Poodles, 25 Springer Spaniels, 34 Pit Bull Terriers, 55 German Shepherds, 61 Golden Retrievers, 33 Doberman Pinschers...!

What can you do to help prevent this purebred tragedy in 1993?

• Adopt from a humane society or responsible breeder, never from a pet store. HSHV keeps request lists for every breed of purebred dog or cat, and can refer you to reputable breeders.

• Do not breed your pet just because he/she is a purebred. Only top-quality pets should be bred.

• Learn as much as you can about the different breeds before you select a pet. Call HSHV (313) 662-5585 for assistance.

Garden Tours Scheduled

The Matthaei Botanical Gardens will hold Conservatory tours on Saturdays, February 13, 20, and 27 at 10am, 11am, 2pm & 3pm and on Sundays, February 14, 21, and 28 at 2pm & 3pm. The topic will be "Plant Adaptations". Docents will show examples of how plants vary in reproduction, protection and survival strategies according to their environment.

Because of space limitations in the Conservatory, tour size is limited. Participants are asked to register at the receptionist desk prior to the tour.

The Matthaei Botanical Gardens is located at 1800 North Dixboro Road, Ann Arbor, 2 1/2 miles north of the Geddes Road intersection.

Dial-A-Garden

The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 313-971-1129 at their convenience to listen to the timely, up-to-date garden information.

Thursday, February 11: Propagation - Getting Ready

Friday, February 12: Propagation: - Stem Cuttings

Monday, February 15: Air layering house plants

Tuesday, February 16: Pest control for house plants

Wednesday, February 17: Light and house plants

Home Weatherization Program

Home Weatherization is the installation of insulation, weatherstripping, caulking, water heater insulation, storm windows and various small repairs.

These materials and their installation are offered at NO COST to qualified residents of Washtenaw County.

Some advantages of having your home weatherized.

• Reduces consumption of fuel needed to heat your home in the winter and to keep it cool in the summer.

• Increases comfort and livability of your home

• Decrease dependency on foreign oil supplies.

For an application, contact the Washtenaw County Community Services Division Home Weatherization Program at 555 Towner Street, Ypsilanti, Michigan 48197, telephone number 484-6610.

My life is a homing bird that flies Through the starry dusk and dew Home to the heaven of your true eyes, Home, dear heart, to you.

PARTNERS IN EDUCATION FOR THE 21st CENTURY

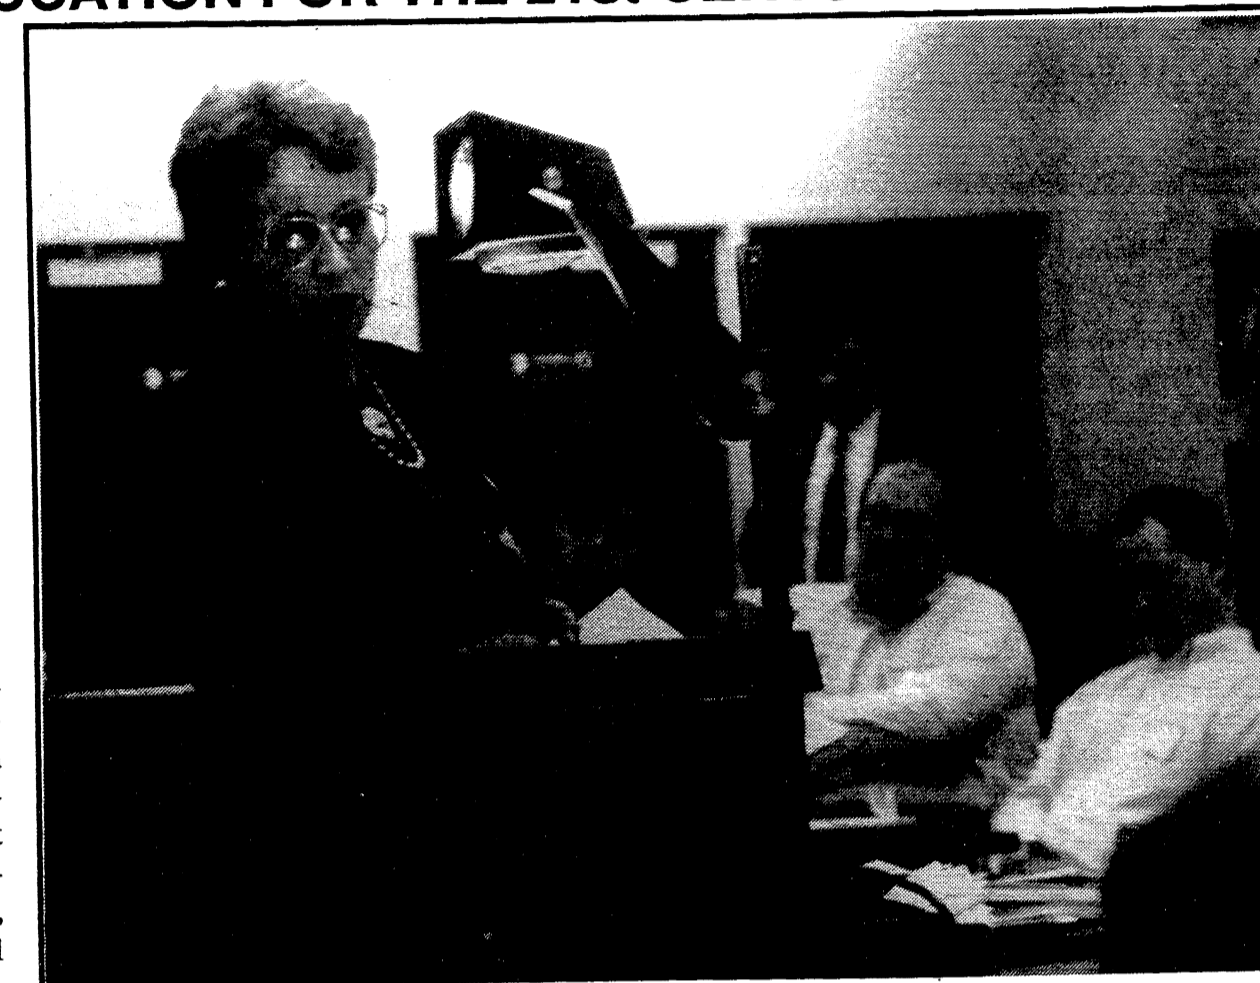

The importance of education to the growth, strength and well being of the United States has long been recognized by its citizens. As the frontier moved west, education moved along with it. When time brought about the move from an agricultural society to an industrialized one, one room schools gave way to an educational system appropriate for preparing workers for the assembly lines, the mines, the mills and the offices that pulled thousands upon thousands from the farms. Teacher training colleges produced teachers ready to provide the types and amounts of education needed for meeting these kinds of jobs.

Now, time has brought about another change in the world, from a society that depends primarily on industry to one called "the information society". The changing educational needs combined with much new knowledge about how the brain works and how people learn has created the demand for a greatly changed educational system.

The teachers, administrators and support staff of Manchester Community

Schools have been studying and working with these issues. It has become more and more apparent that the size and types of changes necessary affect everybody, not just the educational staff. As a result, the Manchester Professional Council (made up of teacher, administrator and support staff representatives) joined with representatives of many of the organizations, businesses and industries in the area in an exploration of the problems and possible solutions.

This meeting, on Wednesday, February 10, began an exploration of ways that co-operative efforts could assist in enriching education and preparing our graduates for the 21st century. Exploration will continue on Wednesday, March 10, at 7:30p.m. as we review initial efforts and move on in the discussion of the most immediate need, that of designing the staff development program required to bring about the necessary change. Developing this program will include the examination of many parts of the school day and year, including the way time is used. It is

Nondus Buss, Chapter I and Gifted Coordinator, chaired the Wednesday evening group of community members and school staff gathered to discuss ways in which we can help design a staff development program which will prepare our young people for their roles as citizens of tomorrow. — Photo by Kathy Kueffner

vitaly important that a large segment of the school community be part of and contribute to these discussions.

PLEASE MARK MARCH 10 ON YOUR CALENDAR AND JOIN US IN THIS CRITICAL EXPLORATION!

More information will be available in future editions of this newspaper. — Nondus Buss

Your Taxes \$\$ — Where They Go

Area Townships will hold their Board of Review meetings the second week in March. Bridgewater Township, Monday and Tuesday March, 8th and 9th, Freedom Township Monday and Tuesday, March 8th and 9th, Manchester Township Monday, Tuesday and Wednesday March 8th, 9th & 10th, Sharon Township Monday and Tuesday March 8th and 9th. Check this and the next two issues of the Enterprise for times and locations.

The Board of Review meetings provide local taxpayers a chance to appeal the Assessed Valuation that has been placed on your property. It will help your cause if you can provide information that refutes the value assigned to your property. Examples; Outside independent appraisal by a qualified and recognized appraiser, Comparative values showing your property is assessed for more than comparable property, is there a specific defect in your property that has been overlooked by the local assessor that would lower the sale price?

When you meet with the review members be factual and try to keep your emotions in check. Hardship cases are available to those who need help and the Board can help with an assessment decrease.

Mr. Ronald Mann, Manchester Township Supervisor has provided the following information about where our Property Tax Dollars are consumed. The other Township's are comparable. Let's look at the spread.

If your S.E.V. is \$44,350 your projected sale value is

\$88,701, The assessed millage is 55.4552 Your tax bill will be, \$2,500.

That \$2,500 will be divided as follows:

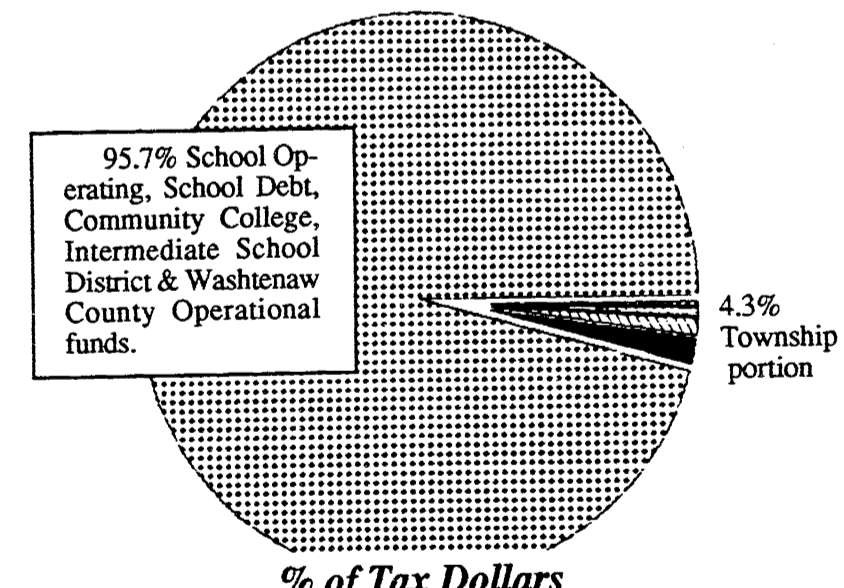

Manchester Community Schools: \$1,820.86
Community College: \$141.97
Intermediate School District: \$156.48
Washtenaw County Board of Commissioners: \$253.47

Manchester Township: Operating \$48.03
Township Hall \$33.71
Fire Truck \$16.19
Road's \$10.35
Recycle & Ad Fees \$18.94

As can be seen from the accompanying chart 95.7% of collected funds are applied to the Schools or County. In the case of Manchester School system, 73% to Manchester Schools, 12% to Community College or the Intermediate Schools, 10.7% to Washtenaw County.

There are without doubt some inequities within each Township valuation's. The Village is particularly hard hit with burdensome infra-structure re-

Distribution of Tax Funds, Manchester Township

placement taxes. According to one Real Estate Agent, the older least costly homes are over valued and the newer homes are under valued. Many sales within the past year have been for less than the assessed valuation. We do not have the amenities of other areas and school districts.

"YOUR FREE CATALOG KNOCKED MY SOCKS OFF"

We get that sort of comment all the time. People are impressed that our free Consumer Information Catalog lists so many free and low-cost government booklets. There are more than 200 in all, containing a wealth of valuable information.

They tell you how to make money, how to save money and how to invest it wisely. They tell you about federal benefits, housing, jobs, and learning activities for children. They fill you in on nutrition, health and much, much more.

Our free Catalog will very likely impress you, too. But first you have to get it. Just send your name and address to:
