## HUMANE SOCIETY RECEIVES 1,043 PUREBRED DOGS IN 1992

During 1992, 1,043 purebred dogs came to the Humane Society of Huron Valley. This number represents about 29 percent of the total number of dogs who came to the shelter for care. Most of these animals were either picked up as strays or released for adoption by their owners. Some were puppies, but most were over six months of age. A few were elderly and/or ill pets brought to HSHV for euthanasia.

Do these numbers surprise you? Do you think of the dogs at an animal shelter as all mixed-breed "mutts"? If so, then it's time to switch gears. Many of the purebred pets brought to our facility are the result of irresponsible breeding and pet ownership. The highly popular breeds that are available in pet stores and for rock-bottom prices in the classifieds are the ones who visit us most frequently.

Take a moment and scan the partial breakdown of our 1992 figures: 142 Beagles, 88 Cocker Spaniels, 103 Labrador Retrievers, 50 Poodles, 25 Springer Spaniels, 34 Pit Bull Terriers, 55 German Shepherds, 61 Golden Retrievers, 33 Doberman Pinschers...!

What can you do to help prevent this purebred tragedy in 1993?

- Adopt from a humane society or responsible breeder, never from a pet store. HSHV keeps request lists for every breed of purebred dog or cat, and can refer you to reputable breeders.
- Do not breed your pet just because he/she is a purebred. Only top-quality pets should be bred.
- Learn as much as you can about the different breeds before you select a pet. Call HSHV (313) 662-5585 for assistance.

## Garden Tours Scheduled

The Matthaei Botanical Gardens will hold Conservatory tours on Saturdays, February 13, 20, and 27 at 10am, 11am, 2pm & 3pm and on Sundays, February 14, 21, and 28 at 2pm & 3pm. The topic will be "Plant Adaptations". Docents will show examples of how plants vary in reproduction, protection and survival strategies according to their environment.

Because of space limitations in the Conservatory, tour size is limited. Participants are asked to register at the receptionist desk prior to the tour.

The Matthaei Botanical Gardens is located at 1800 North Dixboro Road, Ann Arbor, 2 1/2 miles north of the Geddes Road intersection.

## Dial-A-Garden

The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 313-971-1129 at their convenience to listen to the timely, up-to-date garden information.

## Home Weatherization Program

Home Weatherization is the installation of insulation, weatherstripping, caulking, water heater insulation, storm windows and various small repairs.

These materials and their installation are offered at NO COST to qualified residents of Washtenaw County.

Some advantages of having your home weatherized.

- Reduces consumption of fuel needed to heat your home in the winter and to keep it cool in the summer.
- Increases comfort and livability of your home
- Decrease dependency on foreign oil supplies.

For an application, contact the Washtenaw County Community Services Division Home Weatherization Program at 555 Towner Street, Ypsilanti, Michigan 48197, telephone number 484-6610.

My life is a homing bird that flies

## PARTNERS IN EDUCATION FOR THE 21st CENTURY

The importance of education to the growth, strength and well being of the United States has long been recognized by its citizens. As the frontier moved west, education moved along with it. When time brought about the move from an agricultural society to an industrialized one, one room schools gave way to an educational system appropriate for preparing workers for the assembly lines, the mines, the mills and the offices that pulled thousands upon thousands from the farms. Teacher training colleges produced teachers ready to provide the types and amounts of education needed for meeting these kinds of jobs.

Now, time has brought about another change in the world, from a society that depends primarily on industry to one called "the information society". The changing educational needs combined with much new knowledge about how the brain works and how people learn has created the demand for a greatly changed educational system.

## Your Taxes \$\$ — Where They Go

Area Townships will hold their Board of Review meetings the second week in March. Bridgewater Township, Monday and Tuesday March, 8th and 9th. Freedom Township Monday and Tuesday, March 8th and 9th, Manchester Township Monday, Tuesday and Wednesday March 8th, 9th & 10th, Sharon Township Monday and Tuesday March 8th and 9th. Check this and the next two issues of the Enterprise for times and locations.

The Board of Review meetings provide local taxpayers a chance to appeal the Assessed Valuation that has been placed on your property. It will help your cause if you can provide information that refutes the value assigned to your property. Examples: Outside independent appraisal by a qualified and recognized appraiser, Comparative values showing your property is assessed for more than comparable property, is there a specific defect in your property that has been overlooked by the local assessor that would lower the sale price?

When you meet with the review members be factual and try to keep your emotions in check. Hardship cases are available to those who need help and the Board can help with an assessment decrease.

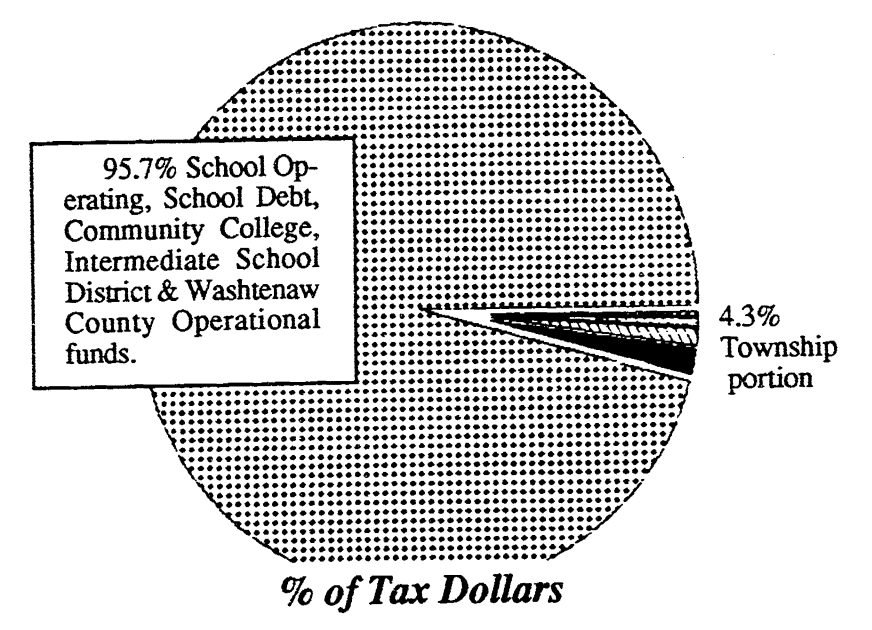

Mr. Ronald Mann, Manchester Township Supervisor has provided the following information about where our Property Tax Dollars are consumed. The other Township's are comparable. Let's look at the spread.

If your S.E.V. is \$44,350 your projected sale value is \$88,701, The assessed millage is 55.4552 Your tax bill will be, \$2,500.

That \$2,500 will be divided as follows:

- Manchester Community Schools: \$1,820.86
- Community College: \$141.97
- Intermediate School District: \$156.48
- Washtenaw County Board of Commissioners: \$253.47
- Manchester Township: Operating \$48.03
- Township Hall \$33.71
- Fire Truck \$16.19
- Road's \$10.35
- Recycle & Ad Fees \$18.94

placement taxes. According to one Real Estate Agent, the older least costly homes are over valued and the newer homes are under valued.

Many sales within the past year have been for less than the assessed valuation. We do not have the amenities of other areas and school districts.

### Doing Little Things for the Little People

One of Klager School's unique attributes is their acceptance and encouragement of helping parents in the classroom. Being involved in a child's education is one of the greatest gifts parents can give to their elementary-aged students.

One parent, in particular, began volunteering nine years ago and hasn't quit. When her son, Jason, was in kindergarten, Elsie O'Dell began volunteering some of her time in the classroom. She continued to help Mrs. Carol Savage in the first grade. As time went on, she realized how much help those very young students needed, and while she continued to volunteer in Jason's classroom, she also contributed more of her time to Mrs. Savage's class, and then to the kindergarten.

When Jason went to Middle School, he asked Elsie, "Mom, I suppose you will be helping at Klager?" And yes, she did. She kept on volunteering her time to Mrs. Savage and to Mrs. Hankamp and Mrs. Supers, the kindergarten teachers.

Elsie's special contribution to the Klager Kids is not an overpowering one. She listens, she cares, she teaches them by example and by having fun with them. She is a helper to the teachers — not just a teacher's aide, but someone who wants to help take the load off the teachers, to make their jobs a little easier — and she wants both teachers and students to enjoy being at school.

"The kids are fun, and how else do you get to stay young and be a kid at heart, unless you are around them?" asked Elsie. She likes dressing up at Hal-

loween, playing games and reading with the kids.

Sometimes even she doesn't realize the importance of a particular job, but the kids remember and value her contribution to their school years. When she plays games in kindergarten, the students don't always realize they are learning their letters. They are getting special attention and doing something fun at the same time. They feel important when they play, and when they "win" the games. Mrs. O'Dell tells them they're all winners when they play.

While teaching the kids necessary skills for growing, Elsie has also been learning some coping skills for her own life. Three years ago, she was diagnosed with Multiple Sclerosis. For quite a while, she didn't tell people: "If no one knew, then I could pretend it didn't exist."

As the disease has progressed, she has found herself becoming more awkward with some of her motor skills. She thinks this helps her relate to the kids with their own developing skills, and "the kids accept me as I am. Sometimes grown-ups make me feel incompetent." She sees one of her lessons to the students as that she is "a grown-up who also makes mistakes."

Her volunteer positions also give Elsie a reason to get up and out each morning, now that her own sons are getting more independent. She volunteers four mornings a week to kindergarten, and one morning a week to Mrs. Millie Grantham's third grade class. She also maintains positions as bus aide for the kindergarten, science aide, cooking for the summer migrant pro-

gram, and three afternoons a week is the aide to Ms. Karin Hanson at the Developmental Kindergarten program out at Pleasant Lake School. She says she's trying to keep busy, and it looks like it's working.

Elsie has been encouraged by many of her teacher/mentors to go back to school to pursue her teaching degree. But that's not what she wants to do. She enjoys volunteering and being around so many children. She likes the variety of things to do.

She wants to help the teachers out: "You know, people don't realize the job they set before the teachers. Most parents have very high expectations of what they want the schools to accomplish with their kids." If she can make a teacher's job a little easier, that will make her the happiest.

"Last year was the first year I didn't cry on the last day of school. Maybe I'm getting used to it, or maybe I was just tired! It

by Marsha Johnson Chartrand

seems like I'm more ready for Fridays and vacations than I used to be, but I'm always anxious to get back to school and see what the kids are doing."

A special gift that Mrs. O'Dell gives to each child whose life she touches, is that she's there because she wants to be. She is someone besides the teacher, besides their mom or their dad, who cares about them, and about how they're doing in school. She wants to help them learn their letters, to learn to read, and to achieve their best in school each day.

"So many parents are so busy; they care a great deal but they don't always have time. I wish every parent could take just one day a month to help out in their child's school. It would make such a difference! Little things mean a lot to those little people." She keeps on volunteering because the kids are "fun"; she enjoys the things that happen at school and watching

If you didn't recognize the name you will recognize the familiar smiling face of Elsie.

the progress the students make as the year goes on.

The Klager Kids and the Klager staff are lucky to have someone like Elsie O'Dell who cares enough to make a big difference by doing "little things" affecting the lives of literally hundreds of Klager students over the past nine years.

As a Science Aide in Mrs. Grantham's class, Elsie helps third grader Chad Roberts weigh a box of crayons.

Nancy Dietrich has been restoring and selling antiques for some 25 years. We have been intrigued by the quality and uniqueness of some of her antiques, many of which we can remember on the farm and seeing our grandparents use.

Recently Nancy attended one of the shows, Meridian Mall, Okemos, Michigan. Nan sells her items at the various shows around the area. She travels around Michigan, Ohio and as far as Pennsylvania and New York States to acquire some of the items pictured.

Manchester is fast becoming known for the stores specializing in antiques.

## Fiesta Spain '93

Community members are probably aware that dancers from the Chelsea/Manchester area, members of the Dance Arts Academy, are continuing to work hard in order to earn money to participate in the Invitational Summer Festival of the Performing Arts in Spain, June 16-30.

You might have noticed dancers selling candy and cookbooks. Group efforts are currently underway for a variety of additional fundraisers. The first of these is a Benefit Dinner and Silent Auction in Chelsea on February 22 at 7:00 p.m. Paul Wackenhut of Little Wack's Excavating has donated an airplane ride. (There are still a few tickets left for this enjoyable event. If interested in attending, please contact Anne Kornow 428-9204.)

We are indeed fortunate to have such unwavering support from members of our community. Many area merchants have also contributed items for the silent auction. These include Kleinschmidt's Hardware, The 18th Century Shoppe, Haarer's Restaurant and The Flower Garden.

Upcoming fundraisers include a spring/Easter candy sale now through February 25, a spaghetti dinner in conjunction with the Chelsea Spanish Club on April 17 and a group garage sale on May 8.

We have also begun selling tickets for a "50-50" raffle. The big winner will get half of all the tickets sold. With 20,000 tickets at \$1 each, the odds are good for a very sizeable win! Tickets will be sold from now through May 7 and the drawing will be on May 22. The Fiesta Spain Dancers would like to express very sincere thanks to a community that provides constant and valuable support.

### To the Editor:

We are in total agreement with the views of Cynthia Nye (Feb. 11 Letter to the Editor) with regard to the need for an additional portable classroom at Klager Elementary next year. While another portable classroom may not be the ideal answer, it is the best of the three options available.

We are disappointed with the School Board's attitude on this topic. We do not need to be taught a lesson for voting down last year's bond issue. We need responsible actions for those charged with the education of our children.

If the Board has a legitimate reason for dismissing the use of a portable classroom, let them openly present their case. They should not use our children as pawns in their attempt to get their way with voters.

We understand that it may be possible to purchase a used portable classroom from other districts that no longer need them. The Board should consider this alternative in a timely fashion and possibly save the expense of purchasing a new portable.

— Tom and Doris Taddonio

We've been asked by members of the community over the last few months why we have not been printing anything about the alleged sexual misconduct cases that other newspapers and the television and radio media have been covering.

We also were recently requested to print a Letter to the Editor which we are declining to print because of policy.

The staff of the *Enterprise* has discussed this at length and been in contact with local and county law enforcement officials. After careful consideration, we agreed it was inappropriate to print allegations and accusations in a small town community newspaper, because:

(1) There is very little anonymity in a small town, however, what there is should be preserved in dignity until (and if) the accused may be proved guilty in a court of law; and,

(2) We feel that the appropriate course of action is to let juris prudence prevail. After all, in the United States of

America, the accused are innocent until proven guilty. The courts, not the media or private citizens, are charged with the responsibility of determining guilt according to prudent and prescribed legal steps within the legal system.

We commiserate with the families of the accusers and the families of the accused who are experiencing much anguish, however, we must take the position that a local community newspaper is not the correct forum in which to debate specifics or render judgments.

Our individual precautions for ourselves and our dependents are not inherently increased or diminished by threats real or imagined.

We may each of us be in either position some day (There but for the grace of God...) and perhaps compassion, restraint and faith need to be embraced.

# Hooray for 100th Day!

- by Marsha Johnson Chartrand

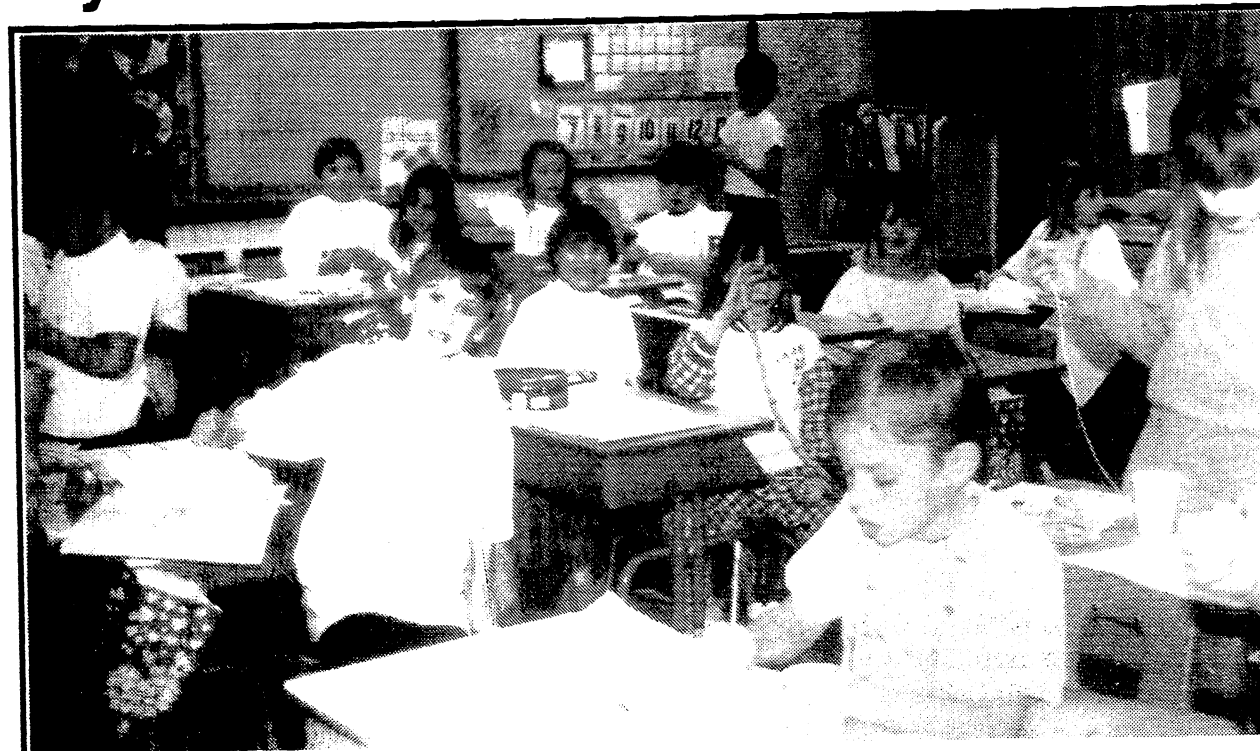

What's the favorite day of the school year? In four of Klager's first and second grade classes, the vote is for 100th day! This year, Mrs. Coelius, Mrs. Bowden, Ms. Rose and Mrs. Little's classes all celebrated the 100th day of school in grand style.

100th day was first celebrated at Klager in 1983 by Mrs. Teddy Groeb and Mrs. Janice Little. On this day, a favorite because "we don't do anything," say the kids, while in reality, they are accomplishing a great deal. Children bring in collections of all sorts, each numbering 100 items. These collections ranged from buttons to ties to pieces of shelled corn to pennies (always a popular choice!)

Collections are counted, charted, graphed, estimated, weighed, measured and voted on. Necklaces of 100 cheerios or fruit loops are constructed (and eaten).

All activities on 100th day are planned around the number 100. This helps the students not only to count to 100, but to have a clear grasp of what 100 really means.

Mrs. Little brought in several "collections" herself. She told the class that only ONE of the collections really had 100 items in it. There were assorted kinds of pasta, jelly beans, jewelry, seashells and candy "red hot" hearts. Some were in large containers, and some in small containers. The very "smallest"

Ms. Rose's class show off their "100's".

collection - the red hot hearts - which barely covered the bottom of the jar, was in reality the collection which numbered 100.

One of the highlights of the day was in the afternoon, when parents and fellow Klager students were invited to view all the collections. Students formed a parade and went through each of the four classrooms where collections were displayed. Each student had spent time and effort arranging their collections artistically. Many of the collections were formed into the number 100.

Ms. Kathy Rose says the most fun is watching all the kids and their amazement with their classmates' collections. Everyone has to admire each collection and "you can see their gears turning", thinking what they can bring NEXT year for 100th day!

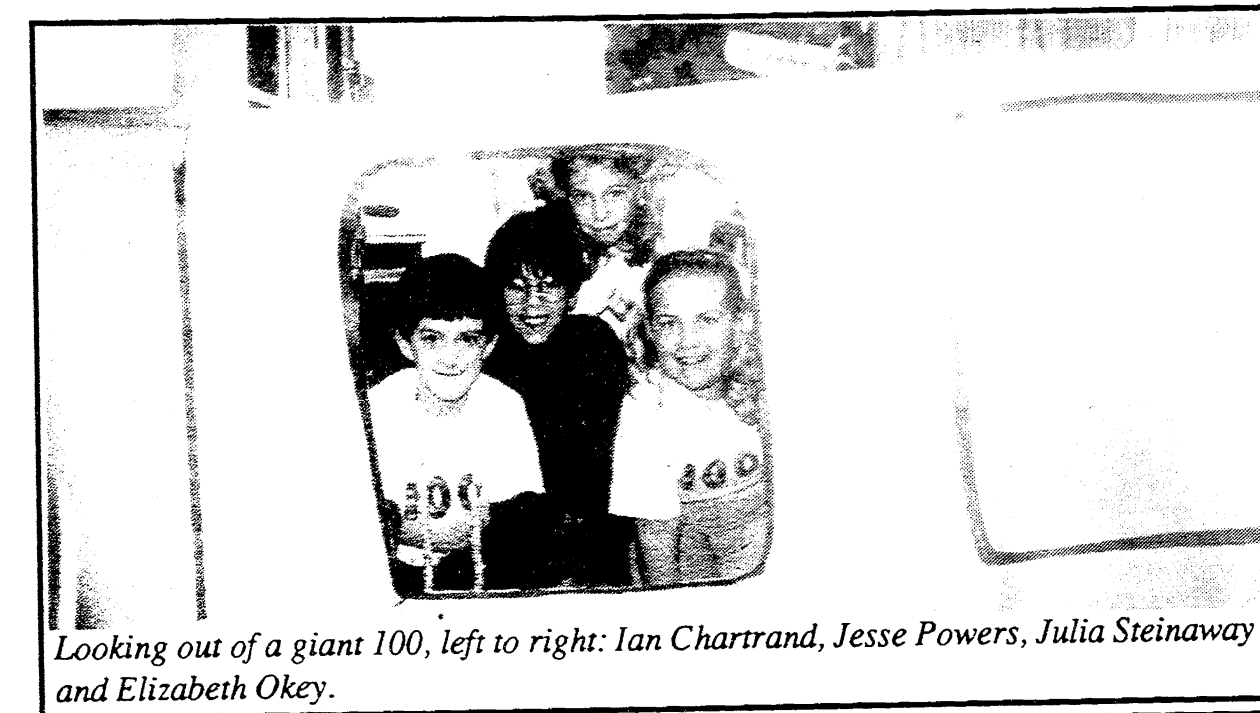

In 1987, Mrs. Little and Mrs. Groeb published their first book, entitled "Hooray for The 100th Day". This is part of the manipulative math curriculum called "Math Their Way". Mrs. Little and Mrs. Groeb did numerous workshops throughout the state of Michigan and were

encouraged by the attendees' success in incorporating the 100th day into their own curriculum, some from as far away as the U.P. Mrs. Little reports that although she no longer actively promotes the book, she still gets requests for it from teacher's book shops and other educators.

Mrs. Teddy Groeb passed away in 1989, but her legacy of, and love for, "100th Day" still leaves fond memories with the parents and staff with whom she worked during her years at Klager.

Senior Citizens News

- T. V. Ludwick

I hoped that because Monday was a holiday, I could sneak out on the front porch to put up our flag. Hair uncombed, housecoat and jammies on, I looked each way carefully for approaching cars. Whee, I made it—almost! Two appeared as if by magic. No hand waves or tooting horns, so maybe they didn't know me all dressed up. Now, if you want someone to notice you, just go out on the porch to hang out your flag dressed to the nines.

Thursday, February 18: I've heard they are making sweatshirts into beautiful jackets, come join in at craft class at 9:30. Atrnoon lunch in Emanuel's dining room, the Original Pork Choppettes will be served by Jan and crew. Bingo follows at the Center.

Friday, February 19: Call Erma Alber at 428-8707 for bus pickup to attend the Saline Senior Citizens Card Party.

Saturday, February 20: Bethel UCC will host the rural fun night at 7:30 p.m. Bus pickup starts at 6:15 for the trip out to the church. Call Erma for your ride.

Tuesday, February 23: Come to Emanuel at 11:00 so you may have your blood pressure taken by one of our local nurses. We will enjoy Jan's veal cutlets and they are good! All you who are 55 or older are cordially invited to come out each Tuesday and Thursday to enjoy the good food, fun and fellowship at our senior meals. Today, we will have Ted Tapping, Jr. speak to us about the Ronald MacDonald House. Come listen and ask questions.

Thursday, February 25: Craft class begins at 9:30 at the Center. Now for Jan's big surprise. She is quoted as saying: "Boy, have I got a winter surprise for you!" She has been full of these little tricks so often, makes us wonder. We had our liver and onions (what a project that was for the kitchen klub!). How about sauerkraut and kniffler? If this is a lucky guess, it is, as she asked me if I knew and I didn't. I don't like to spoil these fun games she plays. Please, Jan, don't serve snowballs!

OPERA NIGHT IN MANCHESTER Play it Again, Wolfie -Encore Performance this Friday- thirty years' free outpouring of beauty until Mozart burnt himself out like a moth which flies too close to a flame. Come see for yourself. This Friday evening, at 7:30 p.m. at the Blacksmith Shop, "Opera Night in Manchester" will host an encore presentation of Die Entfuhrung aus dem Serail (The Abduction from the Seraglio). This is one of Mozart's earlier operas and has a freshness and an idealism that sparkles throughout the work. Some enjoyed viewing this production earlier this winter. But a decision was made to offer it again—it was that good!!! All in the community are invited. "Opera Night in Manchester" is presented free of charge to opera fans and to newcomers-to-opera alike. Come enjoy wonderful music, an excellent production, and friendly fellow Manchesterites, all sharing in this superb video presentation of one of Mozart's finest operas. For more information, contact Maan Baki at Pyramid Of Ice Supply on Main Street, 4288088.

CLUBS/ANNOUNCEMENTS

Raisin Valley Land Trust

The Raisin Valley Land Trust is having its monthly meeting on Tuesday, February 23. We will be doing the final review of our application to the IRS for tax exemption, as well as re-examining the RVL fact sheet and other documents.

The meeting will be at 7:30 p.m. at the Blacksmith Shop in Manchester (corner of Main and Beaufort Streets) and the public is welcome.

Further information may be obtained by calling (517) 456-4901 or (313)428-8108 evenings.

King's Daughters

The King's Daughters will meet February 25 at 1:00 p.m. Shirley Reinhart and Marie Pratt will have refreshments. Marian Lowery will have devotions.

Federal Surplus Foods

Federal Surplus Foods will be distributed Friday, February 19 from the Manchester United Methodist Church between 9:00 and 11:30 a.m.

Commodities will be corn meal, butter, diced tomatoes and corn.

American Legion Auxiliary

The American Legion Auxiliary met at the Legion Home on February 10, 1993 with 24 members and two guests present. Roll call was taken by the secretary and the minutes of the January 20, 1993 meeting were read, corrected and approved.

Vivian Middlemiss reported Bingo game at AA Veterans Hospital this year will be Saturday, March 13, 1993. Vivian asked for volunteers to host this event. Our Unit had asked for donations of "personal care" items from the membership for patients at VA Hospital. The response was so successful at this meeting that we decided to accept donations again at the March meeting and present all when we go to the Bingo party on the 13th of March.

Please make a mental note of this activity for the next meeting so that we may show our veterans we are thinking of them. We hope to make this an ongoing project.

Refreshment committee for March meeting will be Jeannine Uphouse, Mary Diver and Yvonne Huber. The meeting was adjourned at 9:00 p.m. with a prayer by our Chaplain, Vivian Middlemiss.

Manchester Troop Chosen As Color Guard

Area Scouts held a Flag Ceremony on Thursday, February 4, and Manchester Troop #728 was chosen for the Color Guard. Pictured above, left to right, front row: Taryn Meyer, Jill LaRocque, Jackie Palms, Elizabeth Mester; standing, Emily Hughes and Shannon Green.

Shakespeare Reading Club The Shakespeare Reading Club met February 9, 1993. Lenora Parr presented an interesting review of the novel, Miriam, a look at what might have occurred in the lives of Miriam and Moses in addition to the biblical story. Our next meeting will be at the home of Jane Korth on February 23 at 2:00 p.m. Annette van der Schalie and Jane will describe their trip to Ecuador.

Lent begins Wednesday, February 24 — our remembrance of Our Lord's suffering and death. The pastors of the Rural Churches will again exchange pulpits with the series, "The Wisdom of the Cross".

Over the centuries, the Cross has taken various forms, many of them rich in meaning. This Lenten series uses shape, history, background, and color to trace, step by step, the suffering and death of Our Lord and apply its meaning to the lives of God's people today.

SPORTS

Hanover-Horton Too Tough

—Patrice Faulhaber

Both the varsity and the JV volleyball teams had their share of trouble from the Hanover-Horton Comets last week. Maybe it was all the hype, but neither team could hold up under the pressure and intimidation served up from an always-tough Comet team.

The JV lost in two games, 5-15, 2-15. One bright spot in the game came from Jenny Nosbisch, who continued to show improvement in her blocking game.

The varsity seemed to be pulling together in the games prior to Hanover, but that team spirit was not evident on the court Thursday. They were intimidated by Hanover's tough hitting and excellent serving. The Dutch women were off

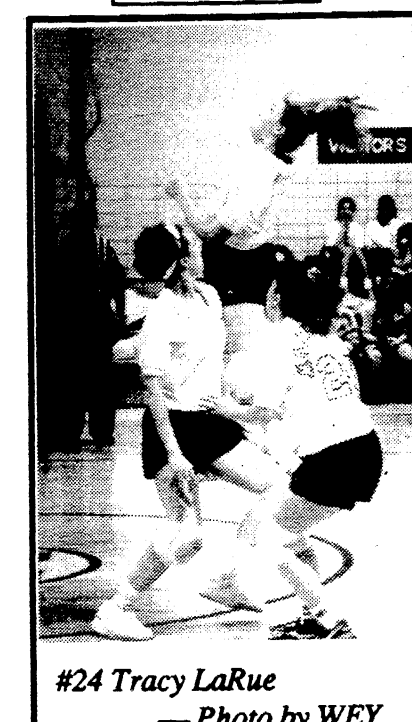

balance in the first moments and never snapped out of it.

To win the big games every girl must take responsibility for her own mistakes. This team needs to let the coach do the criticizing. They must learn to stop competing with one another and focus on the opponent.

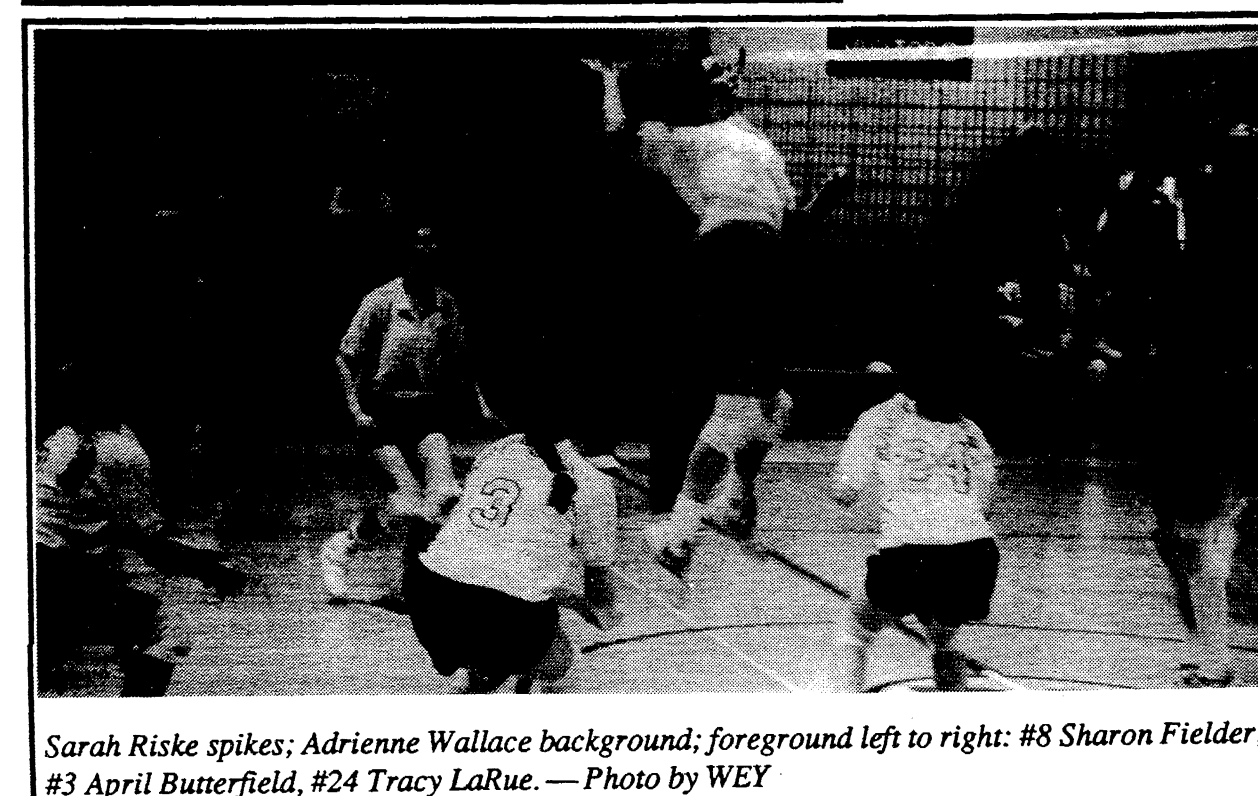

Play will continue against Lumen Christi Thursday away at 6:30. Next week, Monday, February 22, they have a conference game at home with Vandercreek Lake at 6:30. The Cascade Conference play off will be held on February 27, (time and place to be announced). They will have one more chance to shut Hanover-Horton down and stop the Comet volleyball reign over the Cascades Blue.

Coming Home Friday Rings Victorious

—by Jon

It's just what the doctor ordered as our basketballers hosted Vandercreek Lake.

Our JVs were in a close battle as Vandy held a slim 2-point lead with 2 minutes and 42 seconds remaining. Points by Andy Winzenz, Zach Maghes

and Jeff Steele contributed in our 5-point win. The score was 50-45. Troy Niehaus led our scorers with 27 points and 16 rebounds while Zach Maghes grabbed 11 boards and had 6 points.

Our varsity had little trouble downing the Comets. We shot very well hitting almost 50% from the floor enroute to the 72-61 victory. Rob Davis snapped out of his scoring slump as he scorched the nets for 28 points while collecting 8 blocks. Matt Fielder had a good night hitting for 12 points while Matt Wiethoff had 9.

This was a special night as it was our "Coming Home". The fans were entertained by the Pep Band and a wonderful performance by the Chelsea Baton Corp with Hilary Wiedmayer.

The winners of the "Beautiful Legs" contest were Brandon Woods and Rebecca Spiers.

Be with us Friday for our big triple header against Addison. Our freshmen start at 4:30 p.m., the JVs at 6:00 p.m. and the varsity about 7:30 p.m.

Tuesday, February 23, finds us in East Jackson for a very tough game.

Tuesday's Hoopsters Split

—by Jon

The first game of the week involving the Little Dutch saw us hold a fairly comfortable lead after 3 periods and into the 4th. Grass Lake came storming back to knot the tally at 52. We had a last second opportunity to win, but the ball would not fall through the net. So into overtime we went and with 7 seconds left we were 1 point behind but shooting 2 free throws. Unfortunately these 2 shots would not drop so the Little Warriors inbounded the ball. They passed the ball under our bucket and our sneaky Andy Winzenz intercepted and scored at the buzzer to win the game 59-58.

Troy Niehaus was high scorer with 25 while Geoff Brooks had a good night scoring 10. Jeff Steele had a solid night with 8.

In the varsity contest, we fought back from several Grass Lake advantages to capture the 4-point lead midway through the final stanza. We only attempted 5 free throws making 3 of them while the Warriors shot 26 from the charity stripe connecting on 17. This does seem a bit lopsided when you lose the game by only 3. The final score was 54-57. Tom Fielder hit for 19 points as Rob Davis had 9.

Manchester Village Planning Commission Regular Session January 12, 1993 Synopsis

Roll Call Present: Daverman, Way, Lowery, Gleason, Little, Palms, Roberts. Absent: Hinkley, Schiller. Also present: Jeff Wallace, Lisa Brinkman, Robert J. Vought

Call to Order The meeting was called to order at 7:38 by Chairman Daverman in the Council Room of the Village Hall.

Approval of Agenda A motion to approve the agenda was made by Way, and seconded by Lowery. The motion passed on a voice vote.

Minutes of Previous Meeting Page 8, under Gleason, Line 4: Change "Duncan" to "River-side". Lowery made a motion to approve the minutes as corrected. Little seconded the motion. The motion passed on a voice vote.

Reports from Administration, Council, Commissioners and Public Received letter from Beth D. Vought. Received Petition from Lisa Brinkman

General Development Plan Daverman reviewed the final process for the adoption of the General Development Plan.

Beth D. Vought's letter was read. It will be attached to the minutes of record.

The Petition presented by Lisa Brinkman will also be attached to the minutes of record.

Daverman read how the section of the Plan concerning the replacement of old housing stock has been reworded. He also noted the information on how the survey was distributed and compiled and has been included. A copy of the present zoning map has not yet been included.

Daverman made a motion that the west side of Riverside Drive be changed to Medium Density Residential from Office/Transition north of Duncan and south of the Commercial District on the General Development Plan. Lowery seconded the motion.

Roll Call Vote: All ayes. The motion passed.

Daverman made a resolution to adopt the Land Use and General Development Plan, and to turn over the document to the Village Clerk, County Clerk and Register of Deeds. This resolution is conditional on changing the map as the previous motion states and including a more in depth definition of Office/Transition.

Palms recommended a letter be sent to council noting what the Commission has accomplished and expressing appreciation of Council's support.

Way seconded the resolution.

Roll Call Vote: All ayes. The motion passed.

Review of Ordinance 206 This review concerns revisions of the Ordinance, which allows the Planning Commission

to have the assistance of a Planning Consultant when considering complex site plan reviews.

Daverman made a motion to recommend incorporation of these changes into Ordinance 206. Roberts seconded the motion. The motion passed on a voice vote.

Notice Daverman informed the Commission that his term ends in March and he plans not to continue on the Planning Commission.

Adjournment The meeting adjourned at 9:10.

### Diane Bennett Joins Surovell

The Edward Surovell Co./ Realtors is pleased to announce that Diane Bennett has joined the company as Relocation Director. Ms. Bennett will manage the company's business with PHH Homequity. In addition, she will develop Surovell's growing program in corporate marketing.

For the past eight years, Ms. Bennett has been marketing Herman Miller and Steelcase office furniture systems in southeastern Michigan. Prior to that, she was a Realtor with a local real estate firm. Ms. Bennett is a volunteer at St. Joseph Mercy Hospital and a member of the Ann Arbor Art Association.

The Edward Surovell Company is one of Washtenaw County's principal real estate firms with more than 70 associates in five residential sales offices.

### College/University Hometown News

Darren Lee Hock, majoring in Electrical Engineering Tech (AAS), earned academic honors for the fall 1992 semester at Purdue University in West Lafayette, Indiana.

Students who earn academic honors at Purdue must have earned at least a 5.5 semester or cumulative grade-point average on a six-point scale.

Darren is the son of Dale and Darla Hock of Schneider Rd., Manchester.

Donna Clark of Sharon Hollow Road, Manchester, earned a Master of Science advanced degree as a result of studies completed at Eastern Michigan University, December 1992.

### Edison Engineers To Visit Classrooms

More than 86 Detroit Edison engineers in February will share their enthusiasm for energy and help enliven math and science studies for students at hundreds of Southeastern Michigan high schools. The Detroit Edison engineers will join 30,000 engineers nationwide heading back to classrooms to mark National Engineers Week, February 14-20.

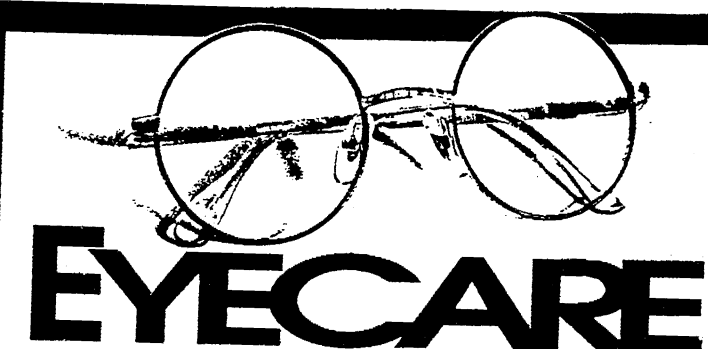

Detroit Edison's Homer M. Meeks of Manchester will speak February 25 at Milan High School as part of the engineers' annual student outreach effort, Discover "E". Meeks will discuss how engineering relates to energy development and how students can prepare for engineering careers.

## Wastenaw Intermediate School District — Asks For 1.45 Mil Increase

Local residents will be voting on an additional 1.45 mil increase in property taxes Tuesday, March 9, 1993. This millage will be used by the Washtenaw Intermediate School District (WISD) for State mandated special education programs. The proposed millage will be for a term of five years.

This is the WISD's second attempt, during the past year, to increase its millage which currently stands at 3.5 mil's. Local voters turned down the last request by a 3-1 margin last June, when the Manchester School Building Proposal was rejected.

Manchester School District has a current State Equalized Valuation (SEV) of \$128,829,167.00. This is the frozen valuation of 91/92 & 92/93. 1.45 mil's would produce \$186,802.29 locally, for WISD. According to WISD \$106,368 would be returned to our local district for funding of local district special education programs.

Local district partially funded programs are for: Children with learning disabilities, educable mentally impaired, emotional impairments, preprimary programs ages 0-5 with handicapping conditions, speech and language problems and handicapped young adults to age 26.

There are five county wide or centralized programs. They include programs for hearing impairments, physical and multiple impairments, moderate to severe mental impairments, serious emotional impairments and children with autism.

The proposed millage will buy special education support services. The specialists include: social workers, psychologists, homebound and hospitalized teachers, teacher consultant ser-

vices, orientation and mobility specialists, speech therapists, occupational therapists, physical therapists and administrative services for local school districts. The administrative services would include monitoring, state and federal reporting, state and federal projects, staff development, curriculum development, etc.

Washtenaw County has approximately 42,000 students. Slightly more than 5,000 county students benefit from these programs.

Manchester Schools has a current enrollment of 1133 students and 158 students participating in the special education programs. At the current time our district gets about 40% return of collected funds. It is necessary for our district to fund the additional 60% from local operational millage.

Sale	SEV	Cost
100,000	50,000	\$72.50
120,000	60,000	\$87.00
140,000	70,000	\$101.50
160,000	80,000	\$116.00
180,000	90,000	\$130.50
200,000	100,000	\$148.00

What will the ballot say?

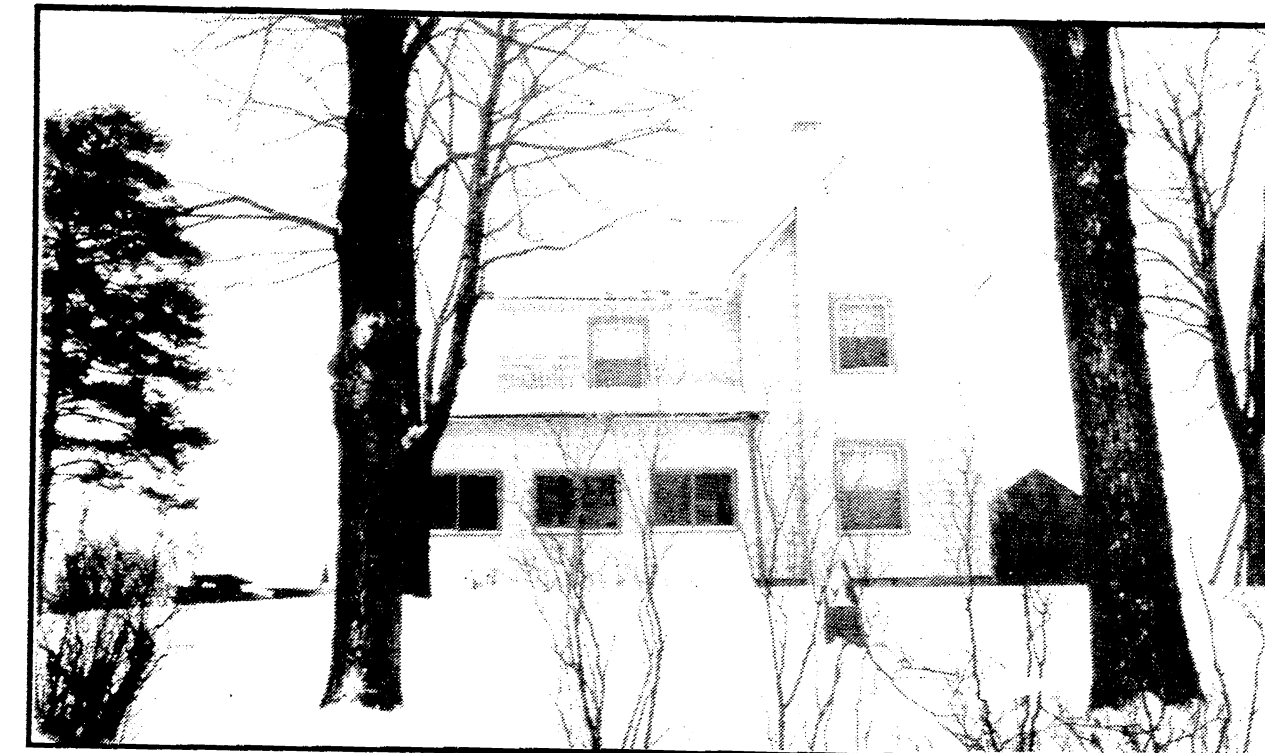

Shall the 3.5 mills\* limitation (\$3.50 on each \$1,000.00) on state equalized valuation on the annual property tax previously approved by the electors of Washtenaw Intermediate School District, Michigan, for the education of handicapped persons be increased by 1.45 mills (\$1.45 on each \$1,000.00) on state equalized valuation for a period of five years, 1993 to 1997, inclusive?

\*(WISD is authorized to levy 3.5 mills for special education, but actually levies only 3.14 mills because of the Headlee rollback requirement.)

Mr. John Dietz, Assistant Superintendent for personnel and business, WISD stated that: "Six Districts; Ann Arbor, Chelsea, Dexter, Manchester, Saline and Whitmore Lake pay more tax dollars than they receive. Linclon, Milan, Willow Run and Ypsilanti School Districts receive more than they pay. These programs are mandated by the Federal and State Governments but they only provide the necessary funding by 11% and 13.5% respectively.

Equalization of fund distribution is a 'physiological' method of spreading the taxpayer load. Therefore it is necessary for some taxpayers to bear a larger portion of the cost than others." John said, "The bottom line is that we must provide the dollars necessary."

## 13 YEAR OLD MURDERED

THIS HOUSE LOCATED AT 5697 PROSPECT HILL ROAD, SHARON TOWNSHIP, WASHTENAW COUNTY WAS THE SCENE OF AN APPARENT HOMICIDE OF A 13 YEAR OLD GIRL. THE MURDER, GUNSHOT HEAD WOUND, WAS REPORTED AT 7:10 AM TUESDAY FEBRUARY 23. LIEUTENANT ROBERT SMITH COULD NOT DISCLOSE THE NAME OF THE VICTIM AT THIS TIME, SHE LIVED WITH HER MOTHER AND OTHER MINOR CHILDREN. A MALE SUSPECT IS BEING SOUGHT.
