Coach Gall Spearheads Drive for Fitness Center

In true Manchester tradition. Manchester High School Football Coach and Teacher is spearheading a drive to construct a "Manchester Fitness Center". Wes Gall has received the preliminary blessing from Manchester School Board to proceed with construction of a building to house a multi use fitness center.

Our school system voters turned down a bonding proposal, last June, that would have provided some relief for the over crowding of the athletic facilities. Wes related; "Our athletes have a 16 foot square room in which to condition themselves. This is not enough area and there are no proper facilities for wrestling, storage of mats, place for indoor practice of golf, volleyball, batting cages or indoor work out space. In order for our kids to be competitive and properly conditioned to guard against injury we need proper work out facilities.

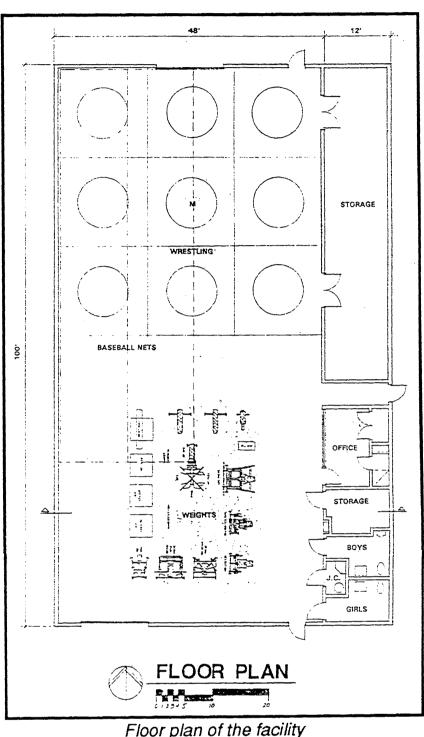

We are proposing a separate, multi use facility that could possibly be used by the community at large as well as be open enough that the band could use or dance classes, aerobatics, rehab programs with tread mills and weight conditioning equipment. We need to get the wrestlers and their mats and equipment out of the lunch room."

We would like to build a 60 foot by 100 foot clear span building with 18 foot side walls. The open area would have 9 wrestling mats at one end and the weight machines set up at the other end. Large storage area with a lower ceiling for mat and athletic storage equipment, two rest rooms, small storage closet and an office under a lower ceiling area.

Mr. John Hinkley, of Hobbs and Black is assisting with the building plans. We are projecting about \$185,000 cost. We hope to cover this cost through

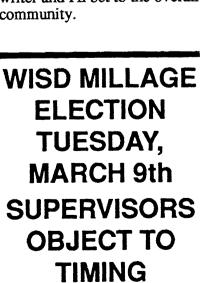

Coach Gall during last falls State football finals.

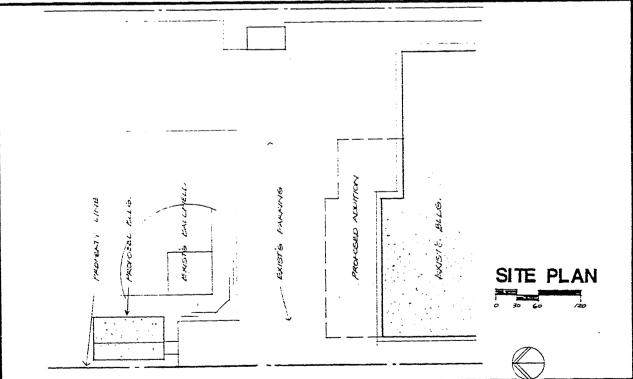

Floor plan of the facility

private donations from individuals and perhaps some foundation funding. We will need to get local contractors and individuals to help with the work to accomplish our task. It won't be easy but I am hoping we can pull this off by Chicken Broil time.

'We need all the help we can get." Knowing Wes and the community this is possible. It sure makes a lot of sense to this writer and I'll bet to the overall community.

Township Supervisors are unhappy with the Washtenaw Intermediate School District. The timing of the election, when we are holding board of review meetings for people to appeal their valuations is atrocious.

Site location behind the High school

"We don't need to burden the property tax rolls with mandated programs, those funds should come from Federal or State funding sources", according to Doug Parr of Bridgewater Township. Bob Little, Freedom Ron Mann, Township, Manchester Township and John Savage, Sharon Township all thought the Intermediate School District is, "Out of touch with

the local voters".

Manchester Schools Help Students Cope with Tragedy

- by Marsha Johnson Chartrand

Associate Editor's Note: The community was stunned and saddened last week by the tragic deaths of two Manchester teenagers, Greta Hakken, a middle school student, and Jasor Briggs, a student at the high school.

This week staff writer Marsha Johnson-Chartrand talked with middle school staff regarding their crisis support team. Next week Marsha will be talking with Dave Swanson, Director of Student Affairs and spokesperson for the high school.

Nellie Ackerson Middle fected in some way. School was described as "quiet" on Monday by Principal Brian Schick. "There are still pockets of emotion and concern, but it is under control today," he said.

Following the sudden and traumatic death of popular sev- at 1:30. Fifth and sixth grade enth grader Greta Hakken on teachers were informed and pre-says Mr. Schick. The Crisis Re-Tuesday of last week, Mr. Schick and the Middle School staff needed to make many decisions which would affect all the students. How to inform them, the during their lunch at 1:00. In this timing, and a strategy for coping way, all students would learn almost normal", although the during the coming days was the news at the same time. crucial.

Brian Schick has given 26 years to our schools. He says. "I may live in Tecumseh, but my hometown is here in Manchester." When he talks about "my kids" you know he means each and every one of the students who have made it through the Middle School during the years he has been here. He was most concerned during the past week that everything be done for the locker rooms, lounges and evbenefit of "his kids".

When Mr. Schick first was notified, shortly before school began on Tuesday, the details were sketchy at best. He was informed only that Greta had died. Neither he nor the rest of the community were aware of the full extent of what had or would happen. But, knowing that each school has a crisis response team of staff members available for such occasions, he immediately contacted Superintendent Ron Niedzwiecki. As many members as were able to attend, met at the Middle School in the morning to develop a strategy for each building as all the schools in the district were af-

Fortunately, said Mr.

Schick, the Middle School pupils were unaware that anything had happened; and he kept his fingers crossed that they could inform the students as planned sented with a written statement sponse Team was able to help during their lunch at 12:10. The seventh and eighth grade staff were given the same statement

were dealing with the kids." A command center was set up in the library. Mrs. Terri Monkiewicz, "Mrs. Monk", dealt with the students most affected by Greta's death - a core group of close friends in her office next door to the library. Other crisis team members met with groups of students "wherever we could find space - the

"It was a see-saw afternoon, putting everyone through an tragedy. emotional wringer; especially the crisis team members."

Wednesday, Thursday and Friday morning found a gradual decline in teacher referrals to the crisis team. There was still a more under control as time went

During this period, Tuesday through Friday, "we held staff meetings every day - often twice a day" to update the teachers and crisis team and evaluate how the situation was complicated interval.

Greta Hakken, a seventh grader at Nellie Ackerson Middle School, was a popular, cheerful and outgoing teenager, according to her classmates at school. She was active as a seventh grade football and basketball cheerleader during the first semester of this school year.

Last summer, Greta was a finalist in the East Coast Pageant competition for pre-teen girls, which was held in Lansing on June 6, 1992. She enjoyed the fun and excitement of being in the

Memorial contributions may be made in Greta's name to Faith Community Church.

SCHOOL BOARD ELECTIONS TWO BOARD SEATS OPEN

The annual school election for the purpose of electing school board members will be on the Board of Education will be vacant. The four year term held by Mark VanBogelen will expire in June. A two year term is also available as the result of the resignation earlier this year by John Gaughan.

Nominating petitions for these Board of Education positions mey be obtained from the Manchester Community Schools, Central Administration Office at 710 East Main Street between 8:00 a.m. and 4:30 p.m. Monday through Friday. Completed petitions and affidavits of identity are due no later than MONDAY, APRIL 12, 1993 at 4:00 P.M.

The MANCHESTER ENTERPRISE

Second Front Page - 40 Years with the "Out of Bounders"

Emory Garlick This is the 40th year of the "Out of Bounders" golf league. It is fitting at this time of year that Marie Knorpp should share with the Enterprise and it's readership some of the summer activities to get us through the winter dol-drums. Spring is fast approaching and the golf season, together with the friendship of Manchester's finest ladies should be shared.

April 15, 1953 was the first meeting, with the following ladies in attendance. Shirley Roller, Loraine Dunny, Marjorie Marx, Margaret Fielder, Virginia Fielder, Doris Hough, Doris Bersuder, Virginia Sutton, Dorthy Romelhardt, Lucille Roberts, Helen Hosmer, Phyllis Baker, Carol Clark, Marie Knorpp, Marjorie Bentschneider Shirley Bower, Eileen Smith, Shirley Auito. Elected officers were Mrs. Ted Roberts President, Mrs. Charles Knorpp Vice-President, Mrs. James Backer Secretary, Mrs. Eugene Bentschneider Treasurer.

"The girls will play golf every Monday afternoon at 4:30 at the Clarks Lake Golf Course. They plan to start their season on May 25, 1953.", as reported in the Enterprise. According to Marie Knorpp

there have been 169 members playing over the past years. Marie has played 40 years and Virginia Fielder 39 years. They are the two with the most years. The first 20 years were played at Clark Lake Golf Course and the past 20 years at Heart of the Lakes Golf Course owned by Mike and Sandy Hill.

The Hills, in recognition of

the "Out of Bounders", long time players give away a season pass to one of the players each season. This pass is by a drawing

and the recipient is ineligible for

the following five years to receive another. A simple rules book is published each year which contains

names, including average scores. A schedule of dates and what the game of the day will be played. League By-Laws, Dues, Membership, Golf Play and Prizes are in the book. The Golf Play rules are simple and the award of points for games is but

ingly only 75% of the difference in averages is allowed in scoring a match. Absent players average plus 3 strokes is used so that if a player is absent a substitute is not required.

Marie related some interesting things that happened over

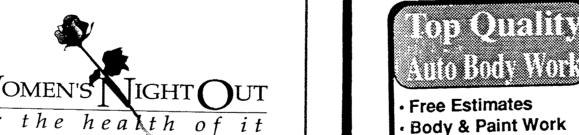

the years. One of the girls fell into the lake trying to retrieve her ball. Evie Dettling had a hole in 1 on #8 at Heart of the Lakes. A golf ball struck by another player coming from the opposite direction landed in Marie's bag on the fly. One of the ladies when hitting her tee shot had the ball land in a tree with the golf tee still attached.

Some of the crazy things they have tried over the years has been: Stand in a wash tub on the first tee and hit the tee shot. Place one foot on a box and hit the shot. Drive with a putter and putt with a driver. If left handed putt right handed or if right handed putt left handed.

Over the years strange things happened. The girls were trapped on the golf course by a tornado and were unable to get home by their usual route because of uprooted and fallen trees. We were soaked by rain, blown around by wind, hit by golf balls but we always have enjoyed ourselves.

Once one of the girls got into a sand trap and took many strokes to get out. With each stroke after the first couple a choice word was used and a blue wind was blowing. Marie related that she started playing golf when she lived in Plymouth Michigan. She dated a golf pro and he taught her how to play the game, etiquette first. He gave me my first set of clubs and taught me how to swing the club.

We really enjoy the friendship and golf together. We have a banquet in the fall and award prizes. Our Dues started out at fifty cents 40 years ago and now it is up to fifteen dollars, and worth every cent of it. "Come on out join us", related Marie.

ORGANIZATIONAL MEETING FOR BOARD MARCH 2, 1993 AT 7:00 P.M.

The 1993 ratios and tentative equalization factors as established by the County Equalization Department and proposed by the County Board of Commissioners are:

Agricultural Real Estate Property 47.76 1.047 Residential Real Estate Property 43.65 1.145 Commercial Real Estate Property 47.15 1.06 **Personal Property** 50.00 1.00

The assessment roll may also be inspected by appointment. John A. Savage, Supervisor

Dear Editor:

We wish to inform you that the Goodyear Block, 138 East Main Street, Village of Manchester, Washtenaw County, MI, will be considered for nomination to the National Register of Historic Places by the Michigan Historic Preservation Review Board at the meeting to be held on April 2, 1993, at 10:00 AM, in the Lake Superior Room on the first floor of the Michigan Library and Historical Center, 717 West Allegan Street, Lansing, Michigan.

The National Register of Historic Places is the federal government's official list of properties that are deemed to be worthy of preservation because of their importance in American history and culture. Listing in the National Register provides recognition and assists in preserving our national

Listing in the National Register provides the following benefits to historic properties:

• Recognition that a property is of significance to the nation, the state, or the community.

· Consideration in the planning for federal or federally assisted projects.

· Eligibility for federal tax incentives and other preservation

Listing in the National Register does not interfere with a private property owner's right to alter. manage, or dispose of property. Listing does not mean that limitations will be placed on the properties by the federal or state governments. Public visitation rights are not required of owners. Neither the federal nor the state governments will attach restrictive covenants to the properties or seek to acquire

You are invited to attend the review board meeting in which the nomination will be considered or to comment in writing concerning this National Register nomination. All written correspondence should be mailed in time to be received prior to the date of the review board meeting. Any comments and questions you may have concerning this nomination and the National Register program should be directed to:

Great Lakes Bancorp Calendar Sales Benefit Local Charities

Sales from Great Lakes Bancorp's annual calendar earned dollars for charity this winter, with proceeds benefitting the Community Resource Center.

This year the Great Lakes Collection calendar carried a small price tag for the first time. The calendar has been a popular give-away for bank customers for the past 10 years.

"We wanted to use the tremendous popularity of the calendar for a good cause, to generate funds for local non-profit organizations," said Dave Little, Manchester branch manager. "And although the donation was voluntary and many could have refused to pay, the response was generous.'

The money from calendar sales was presented to the Community Resource Center, a United Way organization which works through local groups to provide emergency food and supplies to persons in need.

The Great Lakes Collection calendar features seasonal photos taken in the upper peninsula and around the Michigan shorelines of the Great Lakes.

Major Enlists in Air Force

Amy K. Major, daughter of Lewis and Charlotte Major of Manchester, enlisted in the Air Force February 9.

Upon successfully completing the Air Force's six-week basic military training at Lackland Air Force Base in San Antonio, Texas, she is scheduled to receive technical training as a medical services specialist, said Staff Sergeant Deon Brown, the Air Force recruiter at 2500 Packard Road.

Major, a 1989 graduate of Manchester High School, will earn credits toward an associate degree in applied science through the Community College of the Air Force while attending basic and technical training schools.

Wednesday, March 10: :30pm The choirs of four churches will present a service t the Emanuel United Church of Christ. Each choir will present an anthem and the choirs will join together to sing.

"We don't GO to church, we ARE the church."

- Ernest Southcott

LENT

Lent is the name given to the period of preparation for the chief Christian festival, Easter. The word Lent comes from the Anglo-Saxon word Lenten, meaning "Spring."

Christians have developed various traditions within their cspective denominations for the preparation of the great festival season of Easter. Questions have been raised about the symbolism of this significant season. Why is it 40 days long? Sundays are not counted in the days between Ash Wednesday and Easter. Forty hours were first devoted to this observance in token of the time Jesus spent in the tomb.

By the third century, however, this observance had been extended to a 40-day period. The 40 days have been likened to a number of biblical parallels: Moses' fast on Mount Sinai; the number of years of wandering in the wildernessi Elijah's fast on his journey to Mount Horebi; the 40 days' grace given to Ninevah in Jonah's preachingi and Jesus' fast at the beginning of public ministry.

Erika Kornow Fiesta Spain Participant

Seven dancers from the Manchester area will be participating in the 1993 Invitational Dance Festival to be held in Spain this June. We will be featuring one dancer each week over the next few issues of The Enterprise so the community will know just who they have been supporting during the Fi-

esta Spain fund-raisers. Erika Kornow is 11 years old and is in the 6th grade at Manchester Middle School. Her favorite subject is math, and she plans on being a pediatrician when she grows up. Erika has lived in Manchester all of her life with her parents Anne and

Allen Kornow, and her brother Karl. Her favorite place to eat in Manchester is Haarer's — she loves their beef soup and crosscut potatoes with Haarer's Sauce!

She enjoys shopping in town and visiting with people in the Mill, with Sandy in the 18th Century Shoppe, and with Mr. Baki in Pyramid Office Supply. Favorite after-school activities include reading, (thank goodness for the Manchester Library!), jewelry-making, biking, roller skating, and swimming.

Dancing has also been a favorite activity. Erika has taken jazz and ballet lessons for four years. She loves being able to finally go "en pointe" this year, even though it hurts her toes.

She thinks performing in Spain will be beautiful and will allow her a chance to "showoff" a little. Erika is excited about the upcoming trip to Spain and especially looks forward to shopping in another country. The only thing she dislikes about the idea of going to Spain is that she will miss her brother's birthday for the first time ever.

Erika plans to send postcards back to friends in Manchester, and especially to her 100-year-old Grandmother

Recreation Task Force

The Manchester Recreation Task Force will hold its monthly meeting Tuesday, March 16 at 7:30 p.m. at the Blacksmith Shop This will be a special meeting. The agenda will include

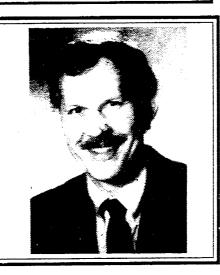

nformation about ice skating, school dances, roller skating, etc. We are asking Manchester High School students to attend our meetings for just one hour. We can work together on student

Volunteers to help with the programs are always welcome For information, contact the Community Resource Center at —M.Gillow 428-7722.

Shakespeare Reading Club

"Ecuador, the

Galapagos Islands and the Jungle" was the topic at the February 23 meeting of the Shakespeare Club held at Emanuel Church. Jane Korth and Annette van der Schalie visited this area in May of last year with a group of students and faculty from Hope College under the leadership of Professor Harvey Blankespoor. Their slides and snapshots covered field trips in the Amazonian rainforest, bus trips around Quito and its surrounding countryside, and finally, some of the unusual birds and animals seen in explorations of several islands. On display were many articles made by native Ecuadorians, including woven textiles, wood carvings,

Plans for the next meeting are incomplete. Members will be called with details.

prepared every year," was one judge's comment after completing her part of the tenth annual Nellie Ackerson Middle School Science/Social Studies Fair.

Actually, the first eight years concentrated on science only with social studies added during 1991 - 1992. While the first year's projects were optional for the students, participation has been mandatory for all fifth through eighth graders for the last several

This year's fifth and seventh graders could select from social studies categories: Maps, American or World History, Geography Models or Demonstrations, Family Trees, or Inventors and Their Inventions. Science categories for sixth and eighth graders were Biological or Physical Models, Demonstrations or Experiments and Inven-

A great deal of time and effort goes into this annual event which is part of the Middle School TEEM Program but, as one of the judges commented on his evaluation sheet, "It's a great project for students, staff, judges, community. Keep up the good

Congratulations are extended to all of the students for their hard work and creativity. Grade and category winners are as follows: (See enclosed list)

Many thanks go to parents who helped in the setting up of the projects or as supervisors during the class viewings of the displays. These included Helen Fisher, Pat Sahakian, Anne Kornow, Liz Wallace, Rachel Burkhardt, Carol Schulte and Anita Hosmer.

Thanks also to Liz Wallace for videoing all the projects for use during planning time next

A vital part of each year's fair is the group of volunteers who share a large amount of time and energy on Wednesday aftemoon and evening as they interview and judge the semifinalists who were selected during phase 1 judging on Monday afternoon. Many of the judges come back year after year to take part in this event. Words really aren't sufficient to convey the appreciation we feel for their assistance. Many thanks to this year's judges. MIDDLE SCHOOL STUDENTS WINNERS ONCE AGAIN!!! SPECIAL SCHOOL ELECTION Excitement and anticipation

NOTICE OF SPECIAL ELECTION OF THE ELECTORS OF MANCHESTER COMMUNITY SCHOOLS, WASHTENAW AND JACKSON COUNTIES, MICHIGAN

TO BE HELD **MARCH 9, 1993**

TO THE ELECTORS OF THE SCHOOL DISTRICT:

Please Take Notice that the Board of Education, pursuant to a directive from the Intermediate Board of Washtenaw Intermediate School District, Michigan, has called a special Intermediate school district election to be held in the district on Tuesday, March 9, 1993.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M. AND CLOSE AT 8:00 O'CLOCK, P.M.

The following proposition will be submited to the vote of the electors at the special intermediate school district election.:

SPECIAL EDUCATION MILLAGE **PROPOSITION**

Shall the 3.5 mills limitation (\$3.50 on each \$1,000) on state equalized valuation of the annual property tax previously approved by the electors of Washtenaw Intermediate School District, Michigan, for the education of handicapped persons be increased by 1.45 mills (\$1.45 on each \$1,000.00) on state equalized valuation for a period of 5 years, 1993 to 1997, inclusive?

THE VOTING PLACE(S) ARE AS FOLLOWS:

PRECINCT NO. 1

Voting Place: Manchester High School Building, in the Village of Manchester, Michigan.

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

This notice is given by order of the Board of Education of Manchester Community Schools, Washtenaw and Jackson Counties, Michigan.

Bridgewater Township Planning Commission Proposed Summary

7:35 p.m.

Present: Iwanicki, Wahl, Cobb, Peacock, Dull, Marion. Due to the absence of Chairman Fish, Vice-Chairman Peacock will Chair this meeting.

Minutes of the meeting of written.

Vice-Chairman Peacock reviewed the agenda.

Vice-Chairman Peacock gave an update of his progress obtaining sample ordinances from Washtenaw County Townships regarding Private Road Ordinances. A report is anticipated once more responses have been recieved.

Vice-Chairman Peacock reported a response is still anticipated from Ameritech regarding the strobe shielding package on the Ameritech tower. In addition, residents raised the issue of the number of lights on the tower and a possible conflict with the conditions imposed on this permit regarding this issue. The conditions will be reviewed by the secretary to identify any conflicts which may exist. Additionally the funds for landscape screening reimbursements

February 8, 1993 Vice-Chairman Peacock are anticipated and the method called the meeting to order at for distributing these funds was

discussed. The Planning Commission held a review of the Conditional Use Permit of Battlegrounds Inc. to operate a splatball facility. The operator was in attendance and addressed questions from January 11 were approved as commissioners. Concerns regarding a violation of the sign ordinance were discussed and shall be addressed by the operator in the near future. In addition Planning Commission was notified by the operator of his intention to apply for a change in his permit.

Zoning Administrator reported one permit issued to allow the construction of a sunporch enclousure at 14015 E. Austin. Additionally Zoning Administrator reports that public notice will be made to notify all township residents of new penalties to be assessed against any residents who begin construction of any structure in the township without first applying for the necessary permits.

Motion by Cobb, support by Wahl, to adjourn. Passed without objection at 9:13 p.m.

Where are Bacteria?

- by Michael Fuerstnau,

3rd grade, Klager Elementary On two Tuesdays in February, all Klager third graders had a visit from a scientist from Parke-Davis, Mrs. VanBogelan. We learned about bacteria.

The first week we put what we were going to test on a petri plate. Some things people tried were: desk top, bottom of shoe, pants, side of ear, saliva and socks. We scraped these with a Q-tip and we rubbed it on the agar in the petri plate. Then we sealed them tightly with stretchy tape.

The next week we looked at them. There were so many bacteria that we could see them with our eyes! Some of the bacteria colors were orange, yellow, black and one white fluffy mold. I was surprised that I swallow and touch those bacteria! So now I know that bacteria are everywhere!

While still dwelling on his assessment increase. Dave wonders if he is getting his monies worth.

and

Coach Barb Stein gives her team a pep talk.

The two super powers in the Cascades Blue Division battled it out on the court Saturday at Hanover-Horton High School. In the end, the Dutch came up a little short to finish 2nd in the conference behind Hanover.

In the first round action, they took care of Addison without any trouble, (15-0, 15-6). In round two, Grass Lake went down 15-5, 15-12.

Defensively, Coach Stein reported the team had their best tournament of the season. Each girl was at least 80% on serve return/digs.

The strongest server of the day had to be Tracy LaRue. She was 39 for 39 with 30 points and 7 aces. Sarah Riske was next with 23 of 24, 16 points and 6 aces.

Kills went to Adrienne Wallace with 18. She had 33 of 39 attempts. Sarah Riske had 41 attempts for 47 trys with 14 kills. Sarah also had 23 blocks.

Goes Down to Defeat

- Patrice Faulhaber The varsity volleyball team beat Vandercook Lake in two games Monday night 15-8, 15-

The team made every effort

Adrienne Wallace was attacking the ball well, she had four kills in the first game., Tracy LaRue doesn't let her small stature get in the way of a chance to spike the ball, she also had four kills in game one and six consecutive service points. In game two, she did an excellent job of digging the ball out of the net.

Sandra Wiitala and Sarah Riske are making an art of blocking. They work great together. Sarah has improved her passing game this year and continues to work the net. Sandra had several saves and finished up game one with an ace.

When they're hot, they're hot

Serve return was a key factorinthe match. Kathleen Baran, Sharon Fielder and Laura Alber did all they could in that department. They moved to the ball quickly digging out some hard serves.

Official stats were not yet available.

In JV action, the results were not as good. They lost in two games, 11-15, 8-15.

Manchester Wrestling -- Coach Vlchek

On Wednesday we traveled to Dansville to take on a powerful Springport team who was ranked 8th in the state and had already put the hammer to our team. But we knew if we wanted to go to state we'd have to go through a toughteam. With some of our starters out with the flu bug, we had to put some of our youngsters in and they did a great job.

The Manchester Enterprise March 4, 1993

Ryan Eiss, filling in for his brother Jay, easily won his match by the score of 9-2. He's done a really great job for the team when we needed him winning all 5 of his matches.

Joe Tobias was our other sub. He went out and wrestled very agressive and pinned his kid in the 1st period. It's really a good feeling to have kids who can fill in and perform at this level. Lucas Millheim and Steven Duvall were our other winners.

Losing by the score of 48-16, even though the score was big, as a team we really improved over the last meet with

After everything was said and done, it was a great season for the team, going 14-8 and winning Districts.

Saturday was next. With 8 wrestlers left in each class, the competition would get a lot tougher and our kids knew they would have to be at their best to come out of regionals and qualify for state.

Lucas started the day off right by defeating the number 1 seed from the other District easily by the score of 9-2. After this, everything seemed to go his way. He won 2 out of his next 3 matches, including a rematch of his consolations at Districts in which he pinned Hudson's wrestler in 2:28 and qualifying him for State.

At 125, senior Chris Carson had a tough weight class. Pinning his first match he met up with Addison's Jamie Brown for the third time, losing his first

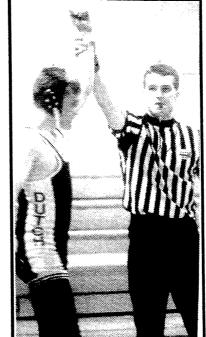

Bryan Duvall declared the

matches by 3 points both times. This time he lost by 2 and had to face Carlos Santiago of State Tournament. Down by 1 got hungry and reversed him tournament. In the consolations, he lost to Tim Homrich of place high in state.

Brent Woods had the most anticipated match of the day taking on Chris Purucker of Homer. This is the only wrestler to have beaten Brent this year and revenge was on Brent's mind. In a close match he came out on top with a 9-5 score and avenging his earlier loss. Next was a kid from Vermont Maple Valley who was very physical and a little wild, but Brent stayed in control and advanced to the finals where he would face his arch rival from Addison, Cory Corbin. As soon as the match started Brent was in control and won by the score of 9-2, gaining his second consecutive regional championship.

Bryan Duvall had the toughest class there. Even

with a 33-9 record. One little thing I would like to add is that this is a great bunch Blissfield to gain a berth at the of kids and I'm very proud of all my wrestlers. No matter how far point with 20 seconds left, Chris they went or how many matches they won, they are all hard and went on to beat him by 1 in workers and good kids. The parthe most exciting match af the ents also are very supportive with not only their own kids but also the other wrestlers and myself Dundee who has only lost to 2 which makes things very easy kids all year and is a good bet to and enjoyable to coach.

Thanks again for all the support people have given our

though he gutted it out and

wrestled well, he still couldn't

overcome experience, losing to

a couple of seniors. The one

positive note about his day was

a victory against another senior

who had put the hammer down

on him at our first tournament.

Still a great season for a fresh-

tough luck in his first match,

losing in overtime by 2 points.

Still, keeping his mind focused,

he went out and pinned his next

opponent quickly to set up his

match with Shane Freeman from

Concord who had taken a fourth

at State the year before. Steven,

knowing this, didn't back down

a bit, wrestling with everything

he had but losing a tough match.

He finished a great senior year

Steven Duvall had some

SPORTS

Matt Wiethoff, Tom Fielder, Brandon Woods, Rodney

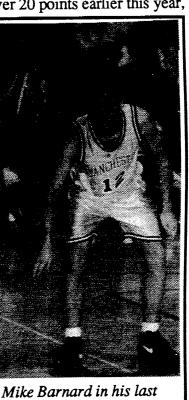

Burkhardt and Rob Davis leave the floor after the last home victory of '93. -Photo by Ray Meyer

We met two league opponents this week. We fell to a red hot East Jackson squad then ended our home court schedule with a real squeaker against Michigan Center. Because this was our final home game we said goodbye to two seniors, Matt Wiethoff and Rodney

On Tuesday night our teams bussed to East Jackson to meet the Trojans. East Jackson has been defeating some good league squads of late and played well in this one also. The first quarter of play was fairly even but the Trojans outscored us, 7-15 in looked back, making the final 40-53. Matt Fielder was our high Burkhardt contributed 8.

Our Little Dutch came closer but also fell in the end, 51-58. Troy Niehaus popped for 18 points as Shane Goodell added

Michigan Center came to town on Friday night and despite the fact they had won by over 20 points earlier this year,

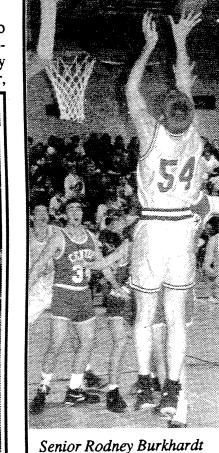

home game as a Dutchman — Photo by Ray

Sharon Valley Mini Storage 428-9360

10990 Sharon Valley Rd. (near M52)

we were ready for them. It was a see-saw kind of game with neither squad assuming much control. Manchester would go up 6 points, then Michigan Center would fight back and recapture the lead. With under 10 seconds left, the tally was knotted at 61 when Tom Fielder drove toward the basket and launched the ball and it ripped through the cords for a thrilling 63-61 win. We had four solid scorers: Rob Davis-15, Matt Wiethoff-14, Brandon Woods- 13, and Tom Fielder-12. Rodney Burkhardt and Mike Barnard were solid on defense. This gives us a 10-9 overall

the second 8 minutes and never record with one league game left to play on Friday at Hanover-Horton. Our JV squad also won scorer with 12 points as Rodney a thriller against Michigan Center, 47-44. Troy Niehaus was our predominant offensive threat as he dumped in 28 points.

CONGRATULATIONS

Winners of Essay Contest, "America and Me"

Three students from Nellie Mr. Robert Little from Ackerson Middle School in Freedom Township said the Manchester were named local average monthly cost to Free- winners in the 24th annual America & Me Essay Contest (see Enterprise article in February 11 issue).

In the adjacent photo are earned taxpayer dollars to dis- the three students who earned the first, second and third place awards: Jason Miner (left) first; Colleen K. Geyer (center) second: and Michelle Schaible (right) third. Their award-winning essays can be read in this issue of The Enterprise on page 3. All three will be formally presented award certificates for their achievement.

> As the school's first place winner, Jason Miner's name will also be engraved on a plaque for permanent display in the school

Jason's first place essay now advances to the state level competition, from which the top ten essays in Michigan will be selected. The top ten statewide winners, who will be announced in May, will receive plaques and U.S. savings bonds valued from \$500 to \$1,000.

In addition, the top ten essayists will be honored at a banquet in Lansing and at a meeting with Michigan's top governmental leaders in late

A team of finalist judges that includes top governmental leaders will determine the top statewide winners.
