Hospital Benefit From Chelsea Community Hospital Auction

CHELSEA COMMUNITY HOSPITAL'S Spring Celebration Benefit Auction will take place in the Hospital's Main Dining Room on Saturday, April 24 beginning at 6:30 p.m. Auctioneers Lloyd Braun and Jerry Helmer will entertain and encourage supporters attending the event that evening. Funds raised will help support the Patient Assistance Fund, a fund which helps patients who have no or inadequate insurance to meet their obligations.

Merchants, businesses, and individuals from throughout the area have generously given auction items and cash donations toward this cause. The evening will include a Raffle Auction, Silent Auction and Live Auction.

For more information contact Chelsea Community Hospital, 313/475-4034.

CHELSEA COMMUNITY HOSPITAL is presenting a FREE community substance abuse lecture in the Hospital's Main Dining Room on Thursday, April 15 at 7:15 p.m. Ed Choszyk, R.N., from the Hospital's Older Adult Chemical Dependency Unit, will present "RECOVERY ISSUES OF MEN." Self-help meetings take place immediately following the lecture. These lectures are ongoing; for more information call the CHELSEA ARBOR TREATMENT CENTER, 313/475-4100.

CHELSEA COMMUNITY HOSPITAL is presenting STRESS MANAGEMENT classes to help learn how to reduce the stress in your life. Classes meet Tuesdays, April 20, 27, May 4, 11 from 6:00-8:00 p.m. in the Hospital's Volunteer Room. Care Choices Health Plan participants are reimbursed 50% after meeting class requirements. For further information and to register call the Education Department, 313/475-3935.

CPR for Infant/Child Victims class is offered through CHELSEA COMMUNITY HOSPITAL on May 3 and 10, 7:00-9:30 p.m. in the Hospital's Woodland Room B. Students are taught artificial respiration, one rescuer CPR and first aid for obstructed airway (choking) for infant/child victim. Participants successfully completing the class will receive certification by American Heart Association. For further information and to register call the Education Department, 313/475-3935.

BABY ON BOARD!!

The excitement of a new addition to the family tends to make everybody act a little silly. Dad starts making those funny baby noises when no one else is looking, while mom subscribes to 30 different parenting magazines. But with a new baby, safety is nothing to joke about. Many new parents realize the importance of a child restraint seat, but don't know that there are several types for different stages of a child's growth.

INFANT seats protect children who weigh under 20 pounds. They are placed in a vehicle in a rear-facing position, to allow a babies' back to absorb the force of a crash.

TODDLER seats are designed for the child who weighs between 20-40 pounds, and who can sit up without assistance.

There are four different types of toddler seats, which vary according to harnesses or shields. They provide crash protection in such a way that the force of a crash is spread over a large area of the body.

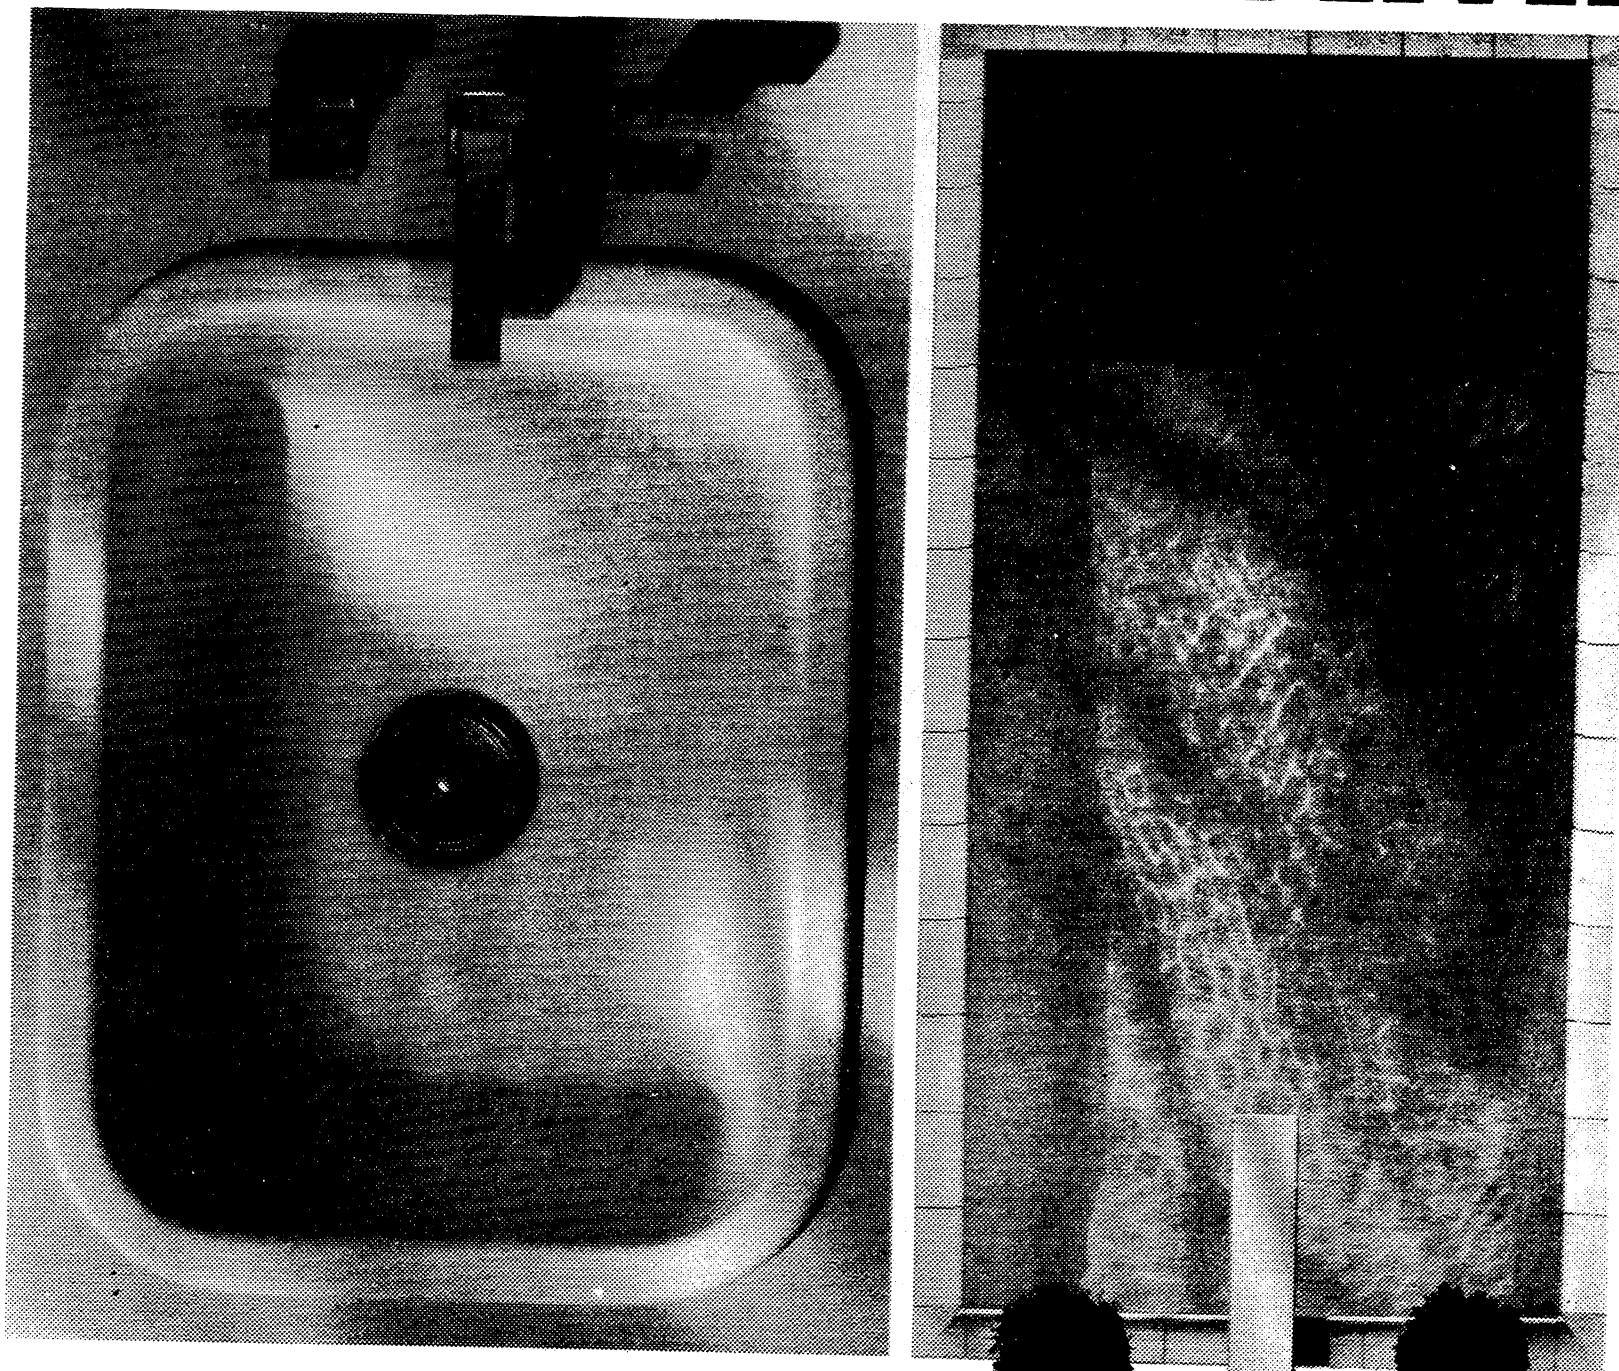

Convertible seats have a reclined style, which allow them to be used for an infant, or they may be moved into a more upright position for a small toddler.

It is vital to buckle your children up. During a 30 m.p.h. crash, an unrestrained child will hit the dashboard or windshield with force equal to that of a fall from a three-story building.

Take the time to choose the right seat - be safe with a baby on board!

Deputy and Community Work Together For Youth

— Marsha Johnson Chartrand

"The number one cause of death for the 16-21 year olds in this country is alcohol-related car crashes," according to Deputy Jon Scicluna.

"Although overall the statistics on drinking and driving have improved over the past few years, the numbers for young people have not declined proportionately with the rest of the population." This is the reasoning behind the community-wide Youth Impaired Driving Program, of which Deputy Scicluna is the coordinator.

The mission of the Youth Impaired Driving Program is stated as: "To provide leadership for our community, to prevent unlawful activity, ensure individual rights, and promote a safe and secure environment."

Washtenaw County is one of five Michigan counties selected by the Michigan Office of Highway Safety Planning for a three-year project funded by a grant from the National Highway Traffic Safety Association (NHTSA). The program attempts to impact the social issues related to underage drinking. (Other counties involved are Delta, Gladwin, Lapeer and Marquette).

Deputy Scicluna feels that it is especially important for Washtenaw County to target youth alcohol abuse because this age group is over-represented due to the large number of college students living here.

"We are trying to make a lot of 'little hits' here," said Scicluna. "We will be using a lot of enforcement techniques such as saturated patrols, but the unique element in this project is the community component."

"Whatever it takes to send a strong message, we will do it... We want the kids to have a memorable, enjoyable and safe prom or graduation night."

The "little hits" he's talking about are happening even now. Two weeks ago, Manchester 7-12th graders attended a highly professional presentation by Mississippi State Trooper Pete Collins. Collins travels throughout the country telling the story of his experiences in Mississippi — Scicluna is not the only person who has told me he was moved to tears by Collins' descriptions of teen highway deaths due to alcohol.

Another little hit will be in the area of party store stings. Scicluna talked of taking a teenager on an eight-hour shift one evening. Only a few party stores refused to sell beer to the youth. During a visit to seniors at Manchester High School, when Scicluna asked how many kids thought they could go out and buy a six-pack without any trouble, a majority raised their hands.

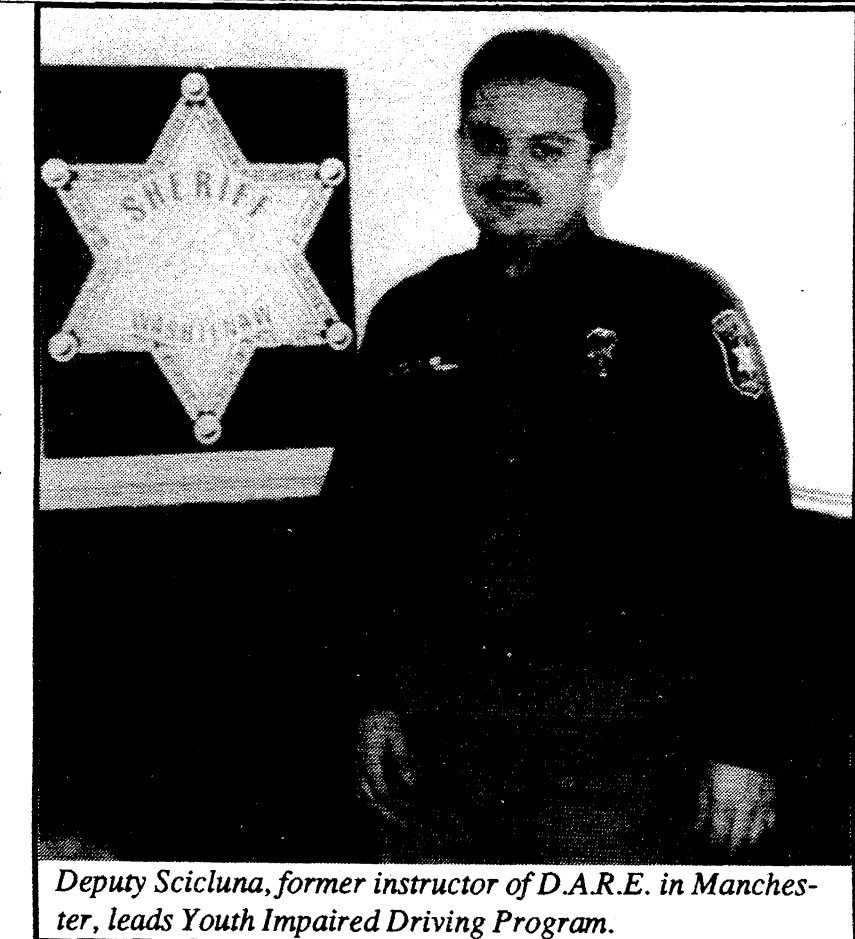

Community coalitions across the county are part of the uniqueness of the project. In Manchester, this coalition is being coordinated by the Community Resource Center. Bringing people together to look at and discuss the problems, to formulate goals and activities

and consider all the issues is the important factor.

Multi-agency enforcement teams add clout to the saturated patrols planned for prom/graduation season this year in the county. All of the law enforcement agencies in Washtenaw County are cooperating with the Youth Impaired Driving Program. Deputy Scicluna is the facilitator who brings all agencies together. When the Manchester prom is held at the Holiday Inn in Ann Arbor, Manchester deputies will be visible there. When the Milan prom is held at Eastern Michigan University, the Milan police officers will be stationed in Ypsilanti, and so on.

"Whatever it takes to send a strong message, we will do it," indicates Scicluna. "We want the kids to have a memorable, enjoyable and safe prom or graduation night."

"The changes will be small at first. We intend to start the snowball rolling and to get teens and parents thinking about the issues." While it would be nice to think that when the three-year grant project is over, that Washtenaw County will no longer have a drinking-and-driving

Deputy Scicluna, former instructor of D.A.R.E. in Manchester, leads Youth Impaired Driving Program.

problem among the youth, that is unrealistic. But the inroads need to start somewhere. As it becomes more difficult for young people to acquire alcohol from retailers, parties, and even at the local 4th of July picnic, the message will get through. The "little hits" will start working.

Deputy Scicluna is not a stranger to Manchester. For two years he taught D.A.R.E. (Drug Abuse Resistance Education) to fourth graders here. To those kids he is "Deputy Jon", and they learned their lessons well. The prevention aspect of D.A.R.E. is something that will remain with these young people. Unfortunately, the message has not always been heard by those 16-to 21-year-olds who are being targeted by the Youth Impaired Driving Program. While Scicluna is greeted with respect by the seniors with whom he is coming in contact, they aren't very enthusiastic about his message.

"What are we supposed to do on prom night if we can't

drink?" "What do you mean the hotels won't rent rooms to high school kids? That's discrimination!"

"It is frustrating dealing with these comments," admits Scicluna. But he understands where the kids are coming from, and he knows it's important to keep making those "little hits", one at a time.

Kids are kids — Manchester kids are no different from kids in Ypsilanti, Ft. Lauderdale or Los Angeles when it comes to their societal attitudes about alcohol. The solutions will vary from place to place and that's where the community support comes in. The dynamics in Manchester are optimal for a project such as this. Meetings are being held regularly through the CRC to address the issues and formulate a plan of action. Please contact Dianne Schwab at 428-7722 to learn what's being done and what you can do to help rally around our kids. They are important — each and every one.

### From The Ground Up

— by BG

It is glorious to have spring here at last, although the cold weather hasn't disappeared. Find a protected corner of the garden and clean a bed by pulling up the pesky weeds by their roots. Sow seeds that take cold temperatures: Sweet Alyssum, Bachelor Buttons, Poppies, Asters, Cosmos and for a salad garden, lettuce, spinach, radishes and some onion sets. Be sure to use your labels for these future plants.

Visit flower shows, garden tours, public and private gardens to observe the growing habits of plants. Two five-foot plants can have two different silhouettes and, thus, two different locations in your garden. The

one with basal leaves and a tall flower stalk doesn't have to be at the back of the bed. A variety of heights, as well as plants, textures and colors, will add interest to your garden.

Most plants can be moved at any time if enough soil is retained around the roots and given water, protection from the wind and sun and some tender loving care. Those plants with a long tap root, such as Baby's Breath, are not happy about being moved but most of my plants have been shifted more often than the furniture. Always move the label with the plant.

Yes, again, I mentioned labels, one of my three key words. The other two are 'massing' and 'deadheading'. Massing is to remind me to plant in large blocks of color, not to have 'polka dots' of individual flowers. Deadheading is the cutting of the dying flowers to encourage further blooming or a further development of the root system.

If our readers have any gardening questions, please send them to "BG" care of The Enterprise, 109 E. Main St., P.O. Box 37, Manchester, MI 48158, or give us a call (428-8173) and your questions will be answered in this column.

### Take A Knight Out

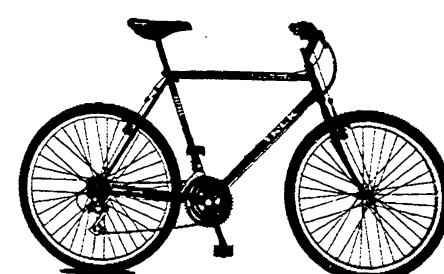

How can one find a real knight in shining armor, experience a genuine joust or have a day in King Arthur's court in a single afternoon?

The answer is by visiting the Manchester Township Library, where a world of romance can be yours for the asking with just a wave of your library card.

But that's not all. Your Manchester Township Library is also a place that can aid you with a school project, prepare you for a college exam or help you research an out-of-town move or other noble pursuit.

Young or old, without a doubt, the Manchester Township Library is worth checking out!

## Broken Windshields Will Be Replaced By Gravel Companies

Citizens of Freedom and surrounding townships should tuck away the following phone numbers for future reference. They are the numbers to call if a gravel truck breaks your windshield.

**Whitaker-Gooding/Barrett Co. (313)483-4775**  
**Holloway Co. (313) 349-4943**

Identify which trucking company is involved, call them and ask for the Trucking Department and be able to furnish them with the following:

**date, time of day, and the truck number (which should be displayed front and rear.)**

Representatives of these companies were present at the Freedom Township Planning Commission meeting of April 3 and promised their cooperation in the event of breakage.

## A Nation Prepares to be United in Prayer

Thursday, May 6, 1993, marks the 42nd consecutive observance of the annual National Day of Prayer. Once again, Americans are encouraged to set aside time for concentrated prayer at work, school, home or church.

The National Day of Prayer Task Force says it is the right, privilege and responsibility of citizens to pray for America, its leaders and our families.

If you would like to take part in a National Day of Prayer activity locally, a group will be gathering at the Manchester Township Hall, 275 S. Macomb St. in Manchester at noon on Thursday, May 6. The public is invited to attend.

For information regarding this event, call Pastor R. Dean Cooper at 428-7506 or Martha Heinrich at 428-9269.

## Project Hang Up

The Washtenaw County Sheriff Department and Sheriff Ron Schebil have received numerous calls from citizens complaining about a telephone solicitation that is apparently occurring in the area under the pretense that it is endorsed by the Sheriff and the department.

The Sheriff would like to let citizens know that he has not approved any solicitation on behalf of the Washtenaw County Sheriff Department and that he has endorsed: "Project Hang Up", organized by the Michigan State Police Troopers Association.

Citizens are directed to call the State Attorney General's toll free number 1-800-769-4515 to check on the status of public safety organizations and/or to report questionable telephone solicitations.

## Out and About

—by gar

The past few months of newspaper and television reports have been filled by the DeBoers and the Schmidt's for custody of a two-year-old child named Jessica. A decision was rendered in the Iowa Supreme Court awarding custody to the natural parents.

Many Attorneys have been involved for the DeBoers and the Schmidt's. A Washtenaw County Judge decreed, in his infinite wisdom, that the child should belong to the local couple.

An Appeals Court overturned that decision. Now comes another attorney who supposedly represents the two-year-old child and have the decision overturned

once again. My question is how can an attorney represent or profess to represent the feelings and the best interests of a two-year-old child?

There appears to be two points that come into play and need to be answered.

1. Who should have the child, the natural parents or the adoptive parents?

2. What is the best for the child over the next twenty plus years?

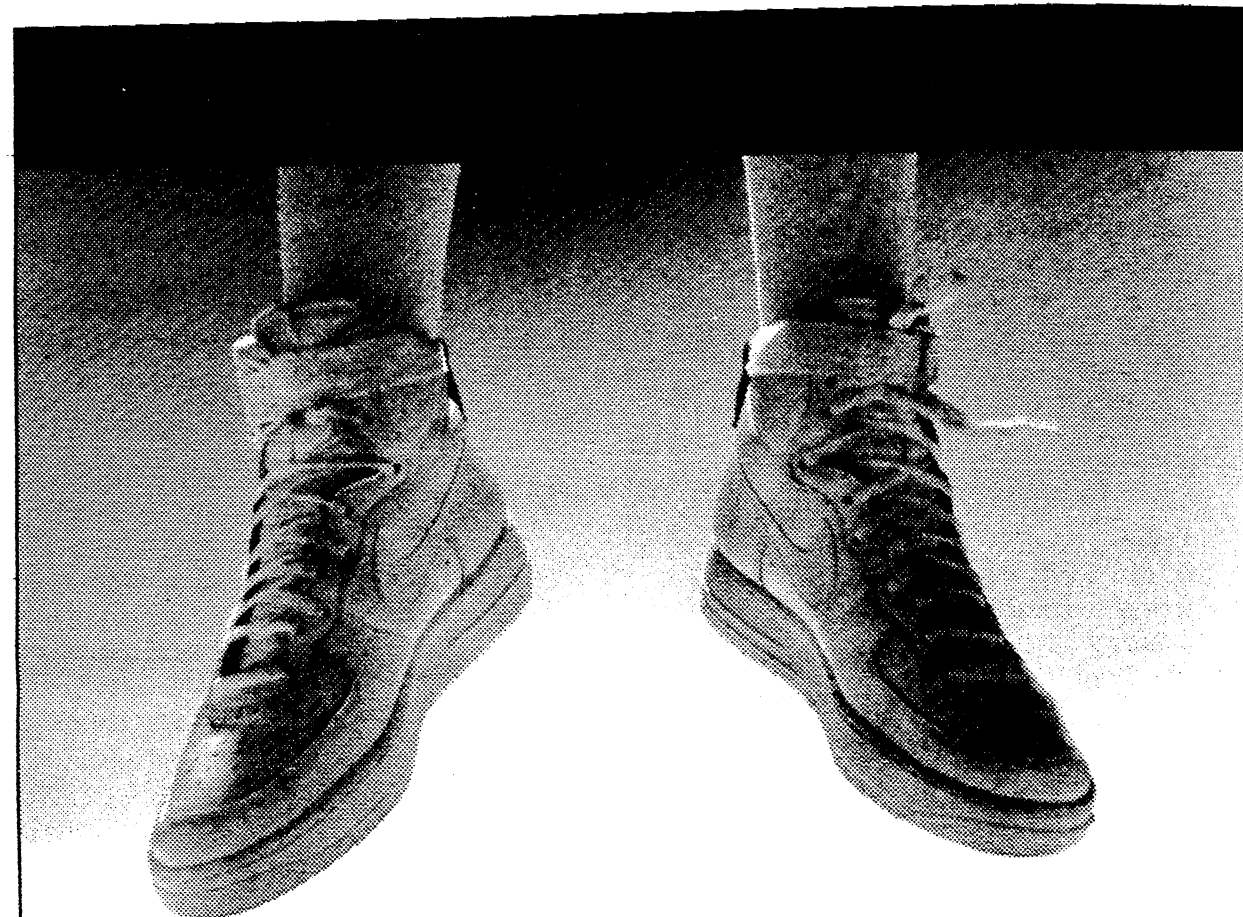

I do not have those answers but I do have personal feelings. Those are best summed up as follows. Natural parents have rights and obligations as biological sires that cannot be abridged or abrogated. They must do the best job they can for the children they

parent. All parents make mistakes as do all human beings. We, however, as is the way of life, need to raise our children physically and morally to be the best that we can.

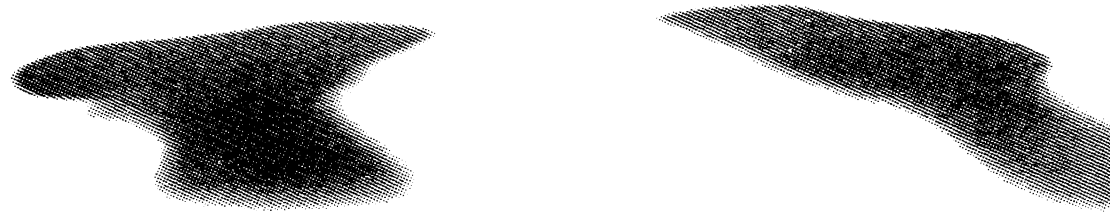

I favor birth parents over adoptive parents as nature's way. However, when birth parents do not want or cannot care for a child then adoption is right and proper.

A child at two, in my opinion, would not be severely traumatized by being returned to natural parents, if those parents loved the child.

All the attorneys in the world can argue till doom's day and they will be unable to measure the needs of a two-year-old child. Perhaps Solomon could, I can't. All we can have is our opinions.

Unlike other adjustable rate mortgages, the 4Most can only jump so high.

15-Year 4Most Mortgage

**4.5%** rate    **6.402%** APR

30-Year rate is 4.95% with 6.405% APR. Typical APR (annual percentage rate) includes interest on loan and other fees, and is based on a \$100,000 loan with an 80% loan-to-value ratio. The APR may increase after closing. Interest rates and terms are subject to change at any time without notice.

While most ARMs can jump 6% over the life of the loan, our 4Most can jump by no more than 4%. Coupled with today's low interest rates, the 4Most is a smart choice for homebuyers who want to start with low monthly payments, and stay with them. The 4Most Mortgage. What it lacks in jumping ability, it makes up in sheer intelligence.

The Manchester Optimists are pleased to announce that Angie Eiss, a 12th grader at Manchester High School, has been selected as their March Student of the Month. Angie is the daughter of Harry and Betty Eiss of English Road in Manchester.

Angie is very active in both her school and her community. She is presently the treasurer of her class, the Class of 1993. She is a member of Students Against Driving Drunk. Angie has been a member of the varsity football and basketball cheerleading squads. Her success in academics has earned her honor roll status throughout her four years of high school.

During 1992-1993, Angie was selected to the Cascades Conference Academic All-Conference team. Her classmates have selected her as the "Most Spirited" member of the Class of 1993.

Angie enjoys working with children, participating in sports and playing the flute and piano. She plans to enroll at Eastern Michigan University in the fall and enter the nursing program. She wishes to become a nurse practitioner specialized in pediatrics.

## Rural Education Days Planned

On April 28 and 29, the Washtenaw County Cooperative Extension Service and the Farm Bureau Promotion and Education committee are sponsoring the third annual county Rural Education Days. The purpose of Project R.E.D. is to educate third grade students about local agriculture and natural resources. All activities will be held at the Washtenaw County Farm Council Grounds, 5055 Ann Arbor-Saline Road.

Each day is split into two sessions and will include seven learning centers and a commodity showcase featuring samples of agricultural products.

The Soil Conservation District will also provide a tree seedling for each student. In addition, participating teachers receive an information/activity packet on agriculture and natural resources that they can use in their classroom.

## Area Students Offered

### Scholarships

Rodney Burkhardt, a senior at Manchester High School, has been offered a Regents Scholarship from Eastern Michigan University, Ypsilanti.

Winners of the \$8,000 awards must have earned a minimum of 3.5 high school grade point average and scored at least 25 on the American College Test or 1050 on the Scholastic Aptitude Test.

The scholarship provides each student with an annual award of \$2,000 which is automatically renewed provided that the student maintains a minimum of 3.5 GPA at EMU and completes 15 credit hours per semester. Regents Housing Scholarships also carry the requirement that students live in University residence halls during their first two years.

Amber Minor, a senior at Manchester High School, has been offered Eastern Michigan University's Recognition of Excellence Scholarship.

Winners of the \$1,500 awards must have earned a minimum of 3.3 high school grade point average and scored at least 21 on the American College Test or 900 on the Scholastic Aptitude Test. While considered a one-time award, many Recognition of Excellence Scholarships have a housing option that will provide for an automatic renewal of the award the following year if the student maintains a minimum of 3.3 GPA at EMU, completes 12 credit hours per semester and lives in a University residence hall.

## Students Visit Detroit Edison

An all-day mentorship program brought together students from the South and West Washtenaw Vocational/Technical Education Consortium and employees from its business-education partner, Detroit Edison's Ann Arbor Division, at the utility's offices.

Pictured above, Detroit Edison computer operator Lynn Booth (left) explains the utility's automated mapping system to students (from left) Natalie Stautz and Michelle Strock of Manchester, Stacy Groff of Milan, and Angie Yeutter of Manchester high schools.

To help students explore career options, the utility offered sessions throughout the day with its administrative, engineering, customer office and clerical staffs.

Detroit Edison's Ann Arbor Division and the South and West Washtenaw Consortium formed a business-education partnership in 1991.

OBITUARY
Richard A. Spafard
Manchester
Age 67, passed away at the Saline Evangelical Home on April 14, 1993. Richard was born in Manchester, MI. on March 31, 1926, the son of Frank and Emelie (Jenter) Spafard. Richard retired from Federal Screw Co. in 1981 after 28 years of loyal service as an accountant. He was a member of Emanuel United Church of Christ, and a member of the Manchester Historical Society.
Richard is survived by several cousins. He was preceded in death by his parents. The Spafard family received callers at the Jenter-Braun Funeral Home. Funeral Services were held on Saturday April 17, 1993 from the Emanuel United Church of Christ with the Rev. Nancy Doty officiating. Interment took place in Oak Grove Cemetery.
In lieu of flowers, those wishing an expression of sympathy for Richard may make memorial contributions to the Emanuel Church organ fund.

Thank You St. Therese, St. Joseph, St. Anne, St. Anthony, St. Jude and the Holy Spirit for answering our prayers!
PRAYER TO ST. ANNE (To Obtain Some Special Favor)
Glorious St. Anne, filled with compassion for those who invoke thee, and with love for those who suffer, heavily laden with the weight of my troubles, I cast myself at thy feet and humbly beg of thee to take the present affair which I recommend to thee under thy special protection.
Vouchsafe to recommend it to thy Daughter, the Blessed Virgin Mary, and lay it before the throne of Jesus, so that He may bring it to a happy issue. Cease not to intercede for me until my request is granted. Above all, obtain the grace of one day beholding my God face to face, and with thee and Mary and all the Saints, praising Him to all eternity.
Good St. Anne, mother of her who is our Life, our Sweetness and our Hope, pray to her for us, and obtain our request. (3 times)
PRAYER TO THE HOLY SPIRIT
Holy Spirit, you who make me see everything and who shows me the way to reach my ideal. You who give me the Divine Gift to forgive and forget the wrong that is done to me and you who are in all instances of my life with me. I, in this short dialogue want to thank you for everything and confirm once more that I never want to be separated from you no matter how great the material desires may be. I want to be with you and my loved ones in your perpetual glory. Amen.
Thank you for your love towards me and my loved ones.
Pray this prayer 3 consecutive days without asking your wish, after third day your wish will be granted, no matter how difficult it may be. Then promise to publish this prayer as soon as your favor has been granted. Thank you for favors received.
UNFAILING PRAYER TO ST. ANTHONY
Holy Saint Anthony, gentle and powerful in your help, your love for God and charity for His creatures, made you worthy, when on earth, to possess miraculous powers. Miracles waited on your word, which you were always ready to request for those in trouble or anxiety. Encouraged by this thought, I implore you to obtain for me (request). The answer to my prayer may require a miracle. Even so, you are the Saint of miracles. Gentle and loving St. Anthony, whose heart is ever full of human sympathy, take my petition to the Infant Savior for whom you have such a great love, and the gratitude of my heart will ever be yours. Amen.
(Say the Our Father, Hail Mary, Glory)
PRAYER TO JOSEPH
Oh, St. Joseph, whose protection is so great, so strong, so prompt before the throne of God. I place in you all my interest and desires. Oh, St. Joseph, do assist me by your powerful intercession, and obtain for me from your divine Son all spiritual blessings, through Jesus Christ, our Lord. So that, having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers.
So, St. Joseph, I never weary contemplating you, and Jesus asleep in your arms; I dare not approach while He reposes near your heart. Press Him in my name and kiss His fine head for me and ask Him to return the Kiss when I draw my dying breath. St. Joseph, Patron of departing souls-Pray for me.
This power was found in the fiftieth year of Our Lord and Savior Jesus Christ. In 1505 it was sent from the Pope to Emperor Charles when he was going into battle.
Whoever shall read this prayer or hear it or keep it about themselves, shall never die a sudden death, or be drowned, nor shall poison take effect on them; neither shall they fall into the hands of the enemy, or shall be burned in any fire or shall be overpowered in battle.
Say for nine mornings for anything you may desire. It has never been known to fail; so be sure you really want what you ask.
PRAYER TO ST. THERESE
St. Therese, The Little Flower, please pick for me a rose from the Heavenly Garden and send it to me with a Message of Love. Ask God to grant me the favor I implore and tell Him I will love Him each day more and more.
(The above prayer, plus, 5 Our Father's, 5 Hail Mary's, 5 Glory Be's, must be said on 5 successive days, before 11 a.m. On the 5th day, the 5th set of prayers having been completed, offer one more set-5 Our Father's, 5 Hail Mary's, 5 Glory Be's.

Manchester Junior Optimists Sweep State Elections
The annual conference for Michigan Junior Optimists was held in Lansing on Saturday, April 17, 1993. During the conference, election of officers for 1993-94 were held. Brian Majur, a sixth grader, was elected to the top position of governor of the state organization. Rachel Fleck, a fifth grader, was elected secretary-treasurer of the organization. Their duties will begin next fall.
Both Brian and Rachel are hoping to attend the Junior Optimist National Conference in Louisville, Kentucky from June 30 through July 2.
Congratulations to both Brian and Rachel.

American Legion Auxiliary
The American Legion Auxiliary met at the Legion Home on April 14, 1993 with 29 members present. Roll Call was taken by the secretary and the minutes of the March 10, 1993 meeting were read, corrected and approved.
Brian Hoefft gave an interesting and informative presentation of his trip to Germany. Good job, Brian, we know you will remember this trip for a lifetime.
The Unit Charter was "draped" at this meeting in memory of deceased auxiliary members.
Phyllis Baker asked that the following new members please attend the May meeting for initiation: Brenda Maisano, Josephine Maisano, Joyce Schrofe, Bertha Briggs, Ann Liedel, Gola Berke, Joyce Scott, Sherry Baker, Marlene Lentz, Diane Hughes, Cynthia Steele, and Barbara Shear.
May meeting will be held in the Hall. Refreshment committee for this meeting will be Helen Hosmer, Denise Dresch and Geneva Walkowe. The meeting was adjourned at 9:00 p.m. with a prayer by our Chaplain, Vivian Middlemiss.

Crossing the Bridge
When symbol and reality converge, our memory seems more willing to hold the image. Passage from Cubs to the Boy Scouts was designed to linger in a boy's mind, like so many experiences in scouting. Last month, Scott Burby, Jeremiah Tobias and Willy Slocum stepped across a wooden bridge symbolizing both advancement and initiation. These Webelo scouts achieved the highest rank in Cub Scouting, the Arrow of Light, earning the respect of Pack 421 adult leaders and boys. Den leader Diane Slocum presented the award. At the other side of the bridge, the "Senior Patrol" welcomed them into Troop 426. Scouts Eric Anderson, Andrew Schook, Jason Campbell, David Staten and Joe Tobias presented the trio with the Scout Handbook and led them in a recitation of the Oath and Law.
The Crossover was the climax to a meeting which packed

EARTH DAY 1993

Girl Scouts Care For The Earth

In 1990, the theme for Girl Scouts was "Earth Matters." The Manchester Girl Scouts learned how to be environmentally aware and shared what they learned with their community. The girls and their families had an Earth Day Kick-Off potluck and celebration in which each troop (Daisies, Brownies, Juniors and Cadettes) demonstrated things they learned. For Manchester's official Earth Day celebration on April 21, 1990, Girl Scouts were all over the village. They picked up trash and cleaned flower beds at the library, Wurster Park, the Gazebo, Carr Park, Kirk Park, Chi-Bro Park, around the churches, and along the banks of the River Raisin. They planted: flowers at churches, the library, Carr Park; shrubs at the village entrance sign (corner of M-52 and Austin Roads); and wild flowers along the river banks.

The theme for the 1990 Manchester Day Camp for girls and boys K-6, sponsored by the Girl Scouts and the Manchester Recreation Task Force, was "Recycle Our Future." The kids picked up litter along the streets, each planted a bulb at Kirk Park, and made useful objects from recycled materials.

On Earth Day 1991, the Girl Scouts planted a flowering crabtree in Chi-Bro Park. Several troops planted shrubs or trees near Klager School. Other troops

made recycling containers for their sponsors' businesses.

In 1986, Troop 343 and their families built 28 bluebird boxes to start a bluebird trail to run from Schneider Road in Bridge-water Township to the Jackson county line (the East and West boundaries of the Manchester Cluster). Since then, several troops as girl/parent projects at troop meetings have built more boxes. Last year as part of the 80th anniversary celebration of Girl Scouting, Troop 966 built 22 bluebird houses. Four boxes were mounted on poles in Chi-Bro park. Bluebirds found the boxes and raised families in them. For this project the troop won the highest award in our Council in the "Girl Scouts Care for the Earth" category.

This year on Earth Day, Troops 728, 274, and 675 will help the Western Washtenaw Recycling Authority by putting recycling information on Manchester door knobs. Amanda and Megan Couits with their mother, Beth, represented the Girl Scouts at the opening ceremonies of the new Bridge-water Recycling Station and distributed information on how to use it.

Troop 728 will make posters and staff the Manchester recycling bins periodically during the summer months to educate residents in the correct way to recycle materials.

Daisy Troop #120 learns all about recycling in observance of Earth Day 1993.

Chemical Free-Vegetable Gardening

Growing a chemical-free vegetable garden involves more than simply browsing through the latest seed catalogs. True, planting resistant cultivars helps give vegetables a natural head start in the ongoing battle against bugs and disease. But experienced organic gardeners know it also takes good gardening practices, such as keeping plants well-fed and watered, cleaning the garden and rotating crops, to ensure a bountiful vegetable harvest.

If you're new to organic gardening, resist the urge to use synthetic fertilizers, herbicides and pesticides as a quick-fix solution for occasional crop disappointments. Such chemicals damage plant tissue, in addition to posing long-term health and safety risks to gardeners and their families.

Replace harmful toxins with environmentally-sound substitutions. Here are some reliable measures and new products that make gardening without chemicals a breeze:

Organic fertilizers and soil amendments. Say goodbye to chemical fertilizers. Compost and mineral supplements can nourish

your soil and crops just as well. Compost, considered one of the best soil conditioners, is made from decomposed organic matter, such as fruit rinds, hedge trimmings, sawdust and eggshells. Organic fertilizers containing rock phosphate, greensand, bonemeal and other natural substances also help boost the content of specific soil nutrients.

Barriers. These essential supplies are found in every organic gardener's arsenal. For example, floating row covers,

which are placed over many crops to protect them from flying insects, provide a safe, effective way to keep bugs from reaching plants. Besides blocking out insects, some barriers, such as Fast Start by Easy Gardener, produce a greenhouse environment when placed over plants or seeds. Lightweight, clear-colored Fast Start allows sunlight and water to penetrate through the fabric while it "warms" the soil below.

Raisin Valley Land Trust Offers New Land Preservation Options

A new organization called the Raisin Valley Land Trust (RVLT) now offers individual landowners and other concerned citizens a powerful tool for land preservation: a local land trust. The RVLT exists to hold voluntary donations of property, or conservation easements, in perpetuity.

The RVLT evolved from the Manchester Area Resource Conservation Coalition, formed in 1990 as an advocacy group on behalf of the environment. In 1992, MARCC members decided to focus attention on land preservation.

The RVLT Board considers education of the public about relevant land-use issues a primary responsibility of the group. Its Mission Statement reads as follows:

"The primary objectives of Raisin Valley Land Trust are to preserve those natural areas, including wetlands, open water and wildlife habitat, as well as historical structures, active farmland, and scenic roads, that contribute to and enhance the rural nature of communities in

RVLT plans spring membership events

Two events are planned to help introduce the RVLT to the community.

On Tuesday, April 27, an open house is planned to present RVLT goals and strategies, to accept public input, and to answer questions, at the Blacksmith Shop 7:30 p.m.

On May 22 the RVLT board will sponsor a picnic to give everyone interested in land preservation a chance to meet informally. Bring a dish to pass or just stop by for a chat. Volleyball. Carr Park, 4-7:00 p.m.

The RVLT board meets on the fourth Tuesday of most months, 7:30 p.m. at the Blacksmith Shop. RVLT members and the public are welcome to attend.

Melinda Trout's Manchester High School biology students will help complete a project, initiated last year by MARCC and continued by the RVLT, to label all storm drains in Manchester.

Stencils will be used to label all storm drains with "Drains to River - Dump No Waste".

LOCAL GOVERNMENT

CONSUMERS POWER COMPANY GAS FRANCHISE ORDINANCE

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges and other public places, and to do a local gas business in the TOWNSHIP OF MANCHESTER, WASHTEENAW COUNTY, MICHIGAN, for a period of thirty years.

THE TOWNSHIP OF MANCHESTER ORDAINS:

SECTION 1. GRANT TERM. The Township of Manchester, Washtenaw County, Michigan, hereby grants to the Consumers Power Company, a Michigan corporation, its successors and assigns, hereinafter called the "Grantee," the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges and other public places, and to do a local gas business in the Township of Manchester, Washtenaw County, Michigan for a period of thirty years.

SECTION 2. CONSIDERATION. In consideration of the rights, power and authority hereby granted, said Grantee shall faithfully perform all things required by the terms hereof.

SECTION 3. CONDITIONS. No highway, street, alley, bridge or other public place used by said Grantee shall be obstructed longer than necessary during the work of construction or repair, and shall be restored to the same order and condition as when said work was commenced. All of Grantee's pipes and mains shall be so placed in the highways and other public places as not to unnecessarily interfere with the use thereof for highway purposes.

SECTION 4. HOLD HARMLESS. Said Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subject by reason of the negligent construction and maintenance of the structures and equipment hereby authorized. In case any action is commenced against the Township on account of the permission herein given, said Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage arising out of such negligent construction and maintenance.

SECTION 5. EXTENSIONS. Said Grantee shall construct and extend its gas distribution system within said Township, and shall furnish gas to applicants residing therein in accordance with applicable laws, rules and regulations.

SECTION 6. FRANCHISE NOT EXCLUSIVE. The rights, power and authority herein granted, are not exclusive. Either manufactured or natural gas may be furnished hereunder.

SECTION 7. RATES. Said Grantee shall be entitled to charge the inhabitants of said Township for gas furnished therein, the rates as approved by the Michigan Public Service Commission, to which Commission or its successors authority and jurisdiction to fix and regulate gas rates and rules regulating such service in said Township, are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition thereof being made by either said Township, acting by its Township Board, or by said Grantee.

SECTION 8. REVOCATION. The franchise granted by this ordinance is subject to revocation upon sixty (60) days written notice by the party desiring such revocation.

SECTION 9. MICHIGAN PUBLIC SERVICE COMMISSION, I.U.

SECTION 10. EFFECTIVE DATE. This ordinance shall take effect upon the day after the date of publication thereof; provided, however, it shall cease and be of no effect after thirty days from its adoption unless within said period the Grantee shall accept the same in writing filed with the Township Clerk. Upon acceptance and publication hereof, this ordinance shall constitute a contract between said Township and said Grantee.

Reports from Administration, Council, Commissioners, Public None New Business Violation of Conditional Use Agreement, 122 West Main St: Davenport made a motion based on the requirements 5.196 and 5.197 of the Village Code which indicate that a breach of any such conditions will invalidate a Conditional Use Permit. A breach has occurred of number 4 of 5.196 and item 7 under the Agreement of the Conditional Use Permit granted in September 1985. That in lieu of these items and that the Village does not have a copy of the proposed parking plan as required under Item 3 of the Agreement, Mr. Ellis must provide a new parking plan for the medical office and any other use of his facilities. That this proposed parking plan be presented to the Planning Commission for review for the purpose of determining the continuing use of this Conditional Use Permit. It is requested the proposed parking plan be submitted within 60 days. Schiller seconded the motion. Roll Call Vote: all ayes with the exception of Davenport who abstained due to this being his last meeting. The motion passed.

Planning Commission Positions By general agreement the positions were filled as follows: Chairman Marty Way, Co-chairman Mark Palms, Recording Secretary Susan Gleason, Treasurer John Hinkley. Davenport made a motion that the Planning Commission Board be made up of 8 members in lieu of 9 as in previous years, now that the General Development Plan has been completed. Roberts seconded the motion. The motion passed on a voice vote.

Adjournment The meeting adjourned at 8:25. Susan Gleason, Recording Secretary

- BRIDGEWATER TOWNSHIP By appointment or after 4:30 pm. 13360 E. Austin Rd. FREEDOM TOWNSHIP-by appointment 13785 Pleasant Lake Rd. MANCHESTER TOWNSHIP-8:30 am.-12:30 pm. 275 S. Macomb SHARON TOWNSHIP-by appointment 8440 Chelsea-Manchester Rd.

If you have MOVED recently, you must amend your registration record.

Election is being held to vote on the following proposals:

PROPOSAL A A PROPOSAL TO LIMIT ANNUAL INCREASES IN ALL PROPERTY TAX ASSESSMENTS, REDUCE MAXIMUM SCHOOL OPERATING TAXES, INCREASE THE STATE SALES AND USE TAX RATES FROM 4% TO 6% CONSTITUTIONALLY DEDICATE FUNDS FOR LOCAL SCHOOLS AND SET A PER-PUPIL FUNDING GUARANTEE.

- The proposed constitutional amendment would: 1) Limit for each property parcel (excluding new construction) annual assessment increase to 5% or the inflation rate, whichever is less. When property is sold or transferred, adjust assessment according to current market value. 2) Reduce maximum school operating taxes to 18 non-voted mills. Permit districts to levy up to 9 additional voted mills. 3) Reduce 50-mill maximum property tax limit to 40 mills. 4) Increase state sales tax rates to 6%. Dedicate this additional revenue and lottery proceeds to schools. 5) Establish a minimum state/local per-pupil funding guarantee, annually adjusted for revenue changes. Provide a minimum 3% per-pupil funding increase in 1993-1994.

Should this proposal be adopted? YES [ ] NO [ ] Published in compliance with MCLA 168.498 of Michigan Election law. Karen Weidmayer, Clerk, Bridgewater Twp. Julie Schaible, Clerk, Freedom Twp. Kathleen Hakes, Clerk, Manchester Twp. Duane Haselschwerdt, Clerk, Sharon Twp. dated: 4/22, 4/29 '93

PEOPLE & OCCASIONS

Kuhl Participates in Undergraduate Symposium

Research topics were presented by Eastern Michigan University undergraduate students at the 13th annual Undergraduate Research Symposium recently. Participating, from Manchester, was Michelle Kuhl, daughter of Greg and Diane Kuhl of Hashley Road.

Michelle's research was sponsored by communication and theatre arts Associate Professor Geoffrey Hammill, and the title was "Decent Exposure: Gender in the Multicultural Landscape of Cicely, Alaska."

Sponsored by the College of Arts and Sciences, "Symposium XIII: The Recognition of Excellence in Undergraduate Creativity and Research" showcased the outstanding work and research of nearly 100 EMU students.

Schaffer Competes in Midland

Dawn Schaffer, of Manchester, was one of eight Washtenaw Community College students who traveled to Midland, MI to compete in the Business Professionals of America state competition.

Dawn placed first in Employment Skills B and first in Parliamentary Procedure Team. She placed second in Proofreading and Verbal Communication Extemporaneous II.

Business Professionals of America is a student organization dedicated to developing professional skills for business students.

WCC Announces April Graduation Candidates

Associate degree and certificate candidates for April were recently announced from Washtenaw Community College. The candidates are eligible to participate in commencement exercises at the College on Saturday, May 22.

Graduates from Manchester are: Daniel Burch, Brian Pieske, Carrie Tedrick and Peter Vassoff.

Grandparents are LeRoy and Delores Mullins of Brooklyn and Larry and OrLynn Kouba of Manchester

April birthdays were celebrated at the Senior Citizens' noon lunch last Thursday, left to right: Erma Alber, Bea Dresch, Lillian Uphous, Lee Allen, Elsie Hinderer, Gladys Fillyaw, and Rose Albertson.

Senior Citizens News

We all agree it's time to cease having "hoofcast skies". This term is apt and comes from my Apswill Pig Calendar. Other weather boarcasts list: "raining cats and hogs", "thunder sowers", "dense hog and high humidity" Weather has surely "runt the piglet" this month (and I should have added snow). Am afraid this wet stuff will bring another year of seed pods from the maple tree in front. Milda Koebbe asks, "Would you like a maple tree? Come down." We also have hundreds of small trees in our yard, gardens and coming through cracks in the patio.

Thursday, April 29: Guess what we are having for lunch? Our calendar states "chicken, some way". Now, I should be able to have a lot to say about this. I repeat, you never can tell about our Jan — no, I say, she wouldn't! If she had asked us come early, we may have had to chase some live ones around---? You have no idea and neither do I. At least we may rest while enjoying bingo afterwards at the Center.

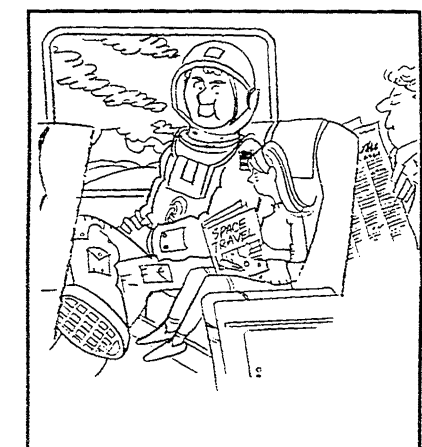

Looking ahead: On Friday, April 30, a trip is planned for Gibraltar at Mr. Clemens, MI. Go along by calling Erma Alber at 428-8707 for this and all trips going by senior bus.

Daverman AIA Becomes Principal at Corporate Design Group

Corporate Design Group, Inc. is pleased to announce the addition of a new partner, Robert Warren Daverman, AIA, of Manchester. Daverman joins Robert Overhiser, AIA and Gary Church, principals in the Ann Arbor based architecture and interior design firm.

Mr. Daverman received his Master of Architecture degree from the University of Michigan and has 17 years of experience. He joined Corporate Design Group in 1988 as a project manager.

While at Corporate Design Group he has been responsible for more than \$40 million worth of K-12 school projects for Ann Arbor Public Schools, Dexter and Willow Run Community Schools. "Camp 33", the Visitor's Center at Tahquamenon Falls in the Upper Peninsula designed by Mr. Daverman, received an AIA Michigan award for design excellence in 1992. This rustic timberframe structure is reminiscent of the logging camp which once occupied the site.

Travel With A Spaceman

How can one get acquainted with an astronaut, orbit a distant asteroid, or take a trip that's out of this world and still be home in time for dinner?

The answer is by visiting the Manchester Township Library where a universe of adventure is yours for the asking with just a wave of your library card.

But that's not all. Your Manchester Township Library is also a place that can aid you with a school project, prepare you for a college exam or help you research a new career or other earthly pursuit.

SPORTS

VARSITY SOFTBALL

With the return of spring and warm weather, the Manchester varsity softball team has taken to the field. Manchester opened their season at home with Stockbridge on Tuesday. Shan Lee pitched the Dutch to a 9-7 victory in seven innings, allowing no earned runs on 5 hits. Manchester collected 7 hits while committing 4 errors and striking out 10 times.

After the first inning, which netted Stockbridge a quick 5-run lead, the Dutch settled down and played better defense, picking up on their hitting in key spots. Kerri Keller was the leading hitter, going 3 for 3 including a double. She was walked intentionally with two runners aboard in her final at bat. Manchester was down 2 runs at the time and had 2 outs. Michelle Strock then got her second single of the game and Beth Hayden followed with a 2-run single, scoring Kerri and

Michelle, to secure the win. Defensively, Strock threw out 3 runners attempting to steal second and tagged two runners out at home on throws from Frankie Bisard.

Saturday Manchester visited Saline for another non-conference game. It was bitter cold facing into a brisk wind. Our fans were dressed like it was a football game and coach Gall was asked which team he had brought to play. The bats stung and at times the players' hands felt like they would shatter - if they could feel them at all. Manchester managed just 4 hits, advancing only two runners to second base. Trisha Flores pitched the seven-inning game for Saline, striking out 15. Hits belonged to Frankie Bisard, Shan Lee, Michelle Strock, and Jenny Ash. Manchester committed 5 errors in the six innings that Shan Lee pitched. Shan allowed 6 hits, struck out 4, walked 2 and al-

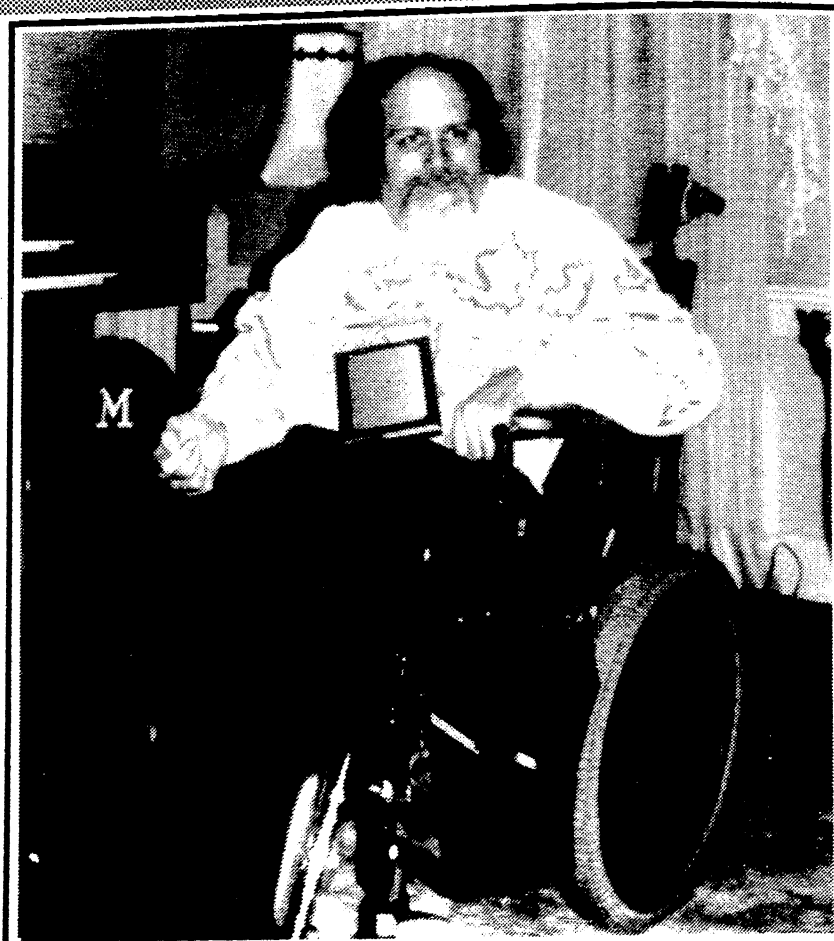

lowed 2 earned runs. The final score was Saline 10, Manchester 0.

There will be plenty of games for all to see this week: Monday at Grass Lake at 4:30, Wednesday at Dexter at 4:30, Friday at home against Vandercook Lake at 4:30, and Saturday at the Blissfield tournament--times to be determined. Come support the girls and the Manchester softball program. Now under the direction of Wes Gall who is excited about the prospects of the season ahead.

The Manchester High School Equestrian Team will have a meeting May 16, 1993 at the home of assistant coach Rachel Burkhardt, 6:00 p.m.

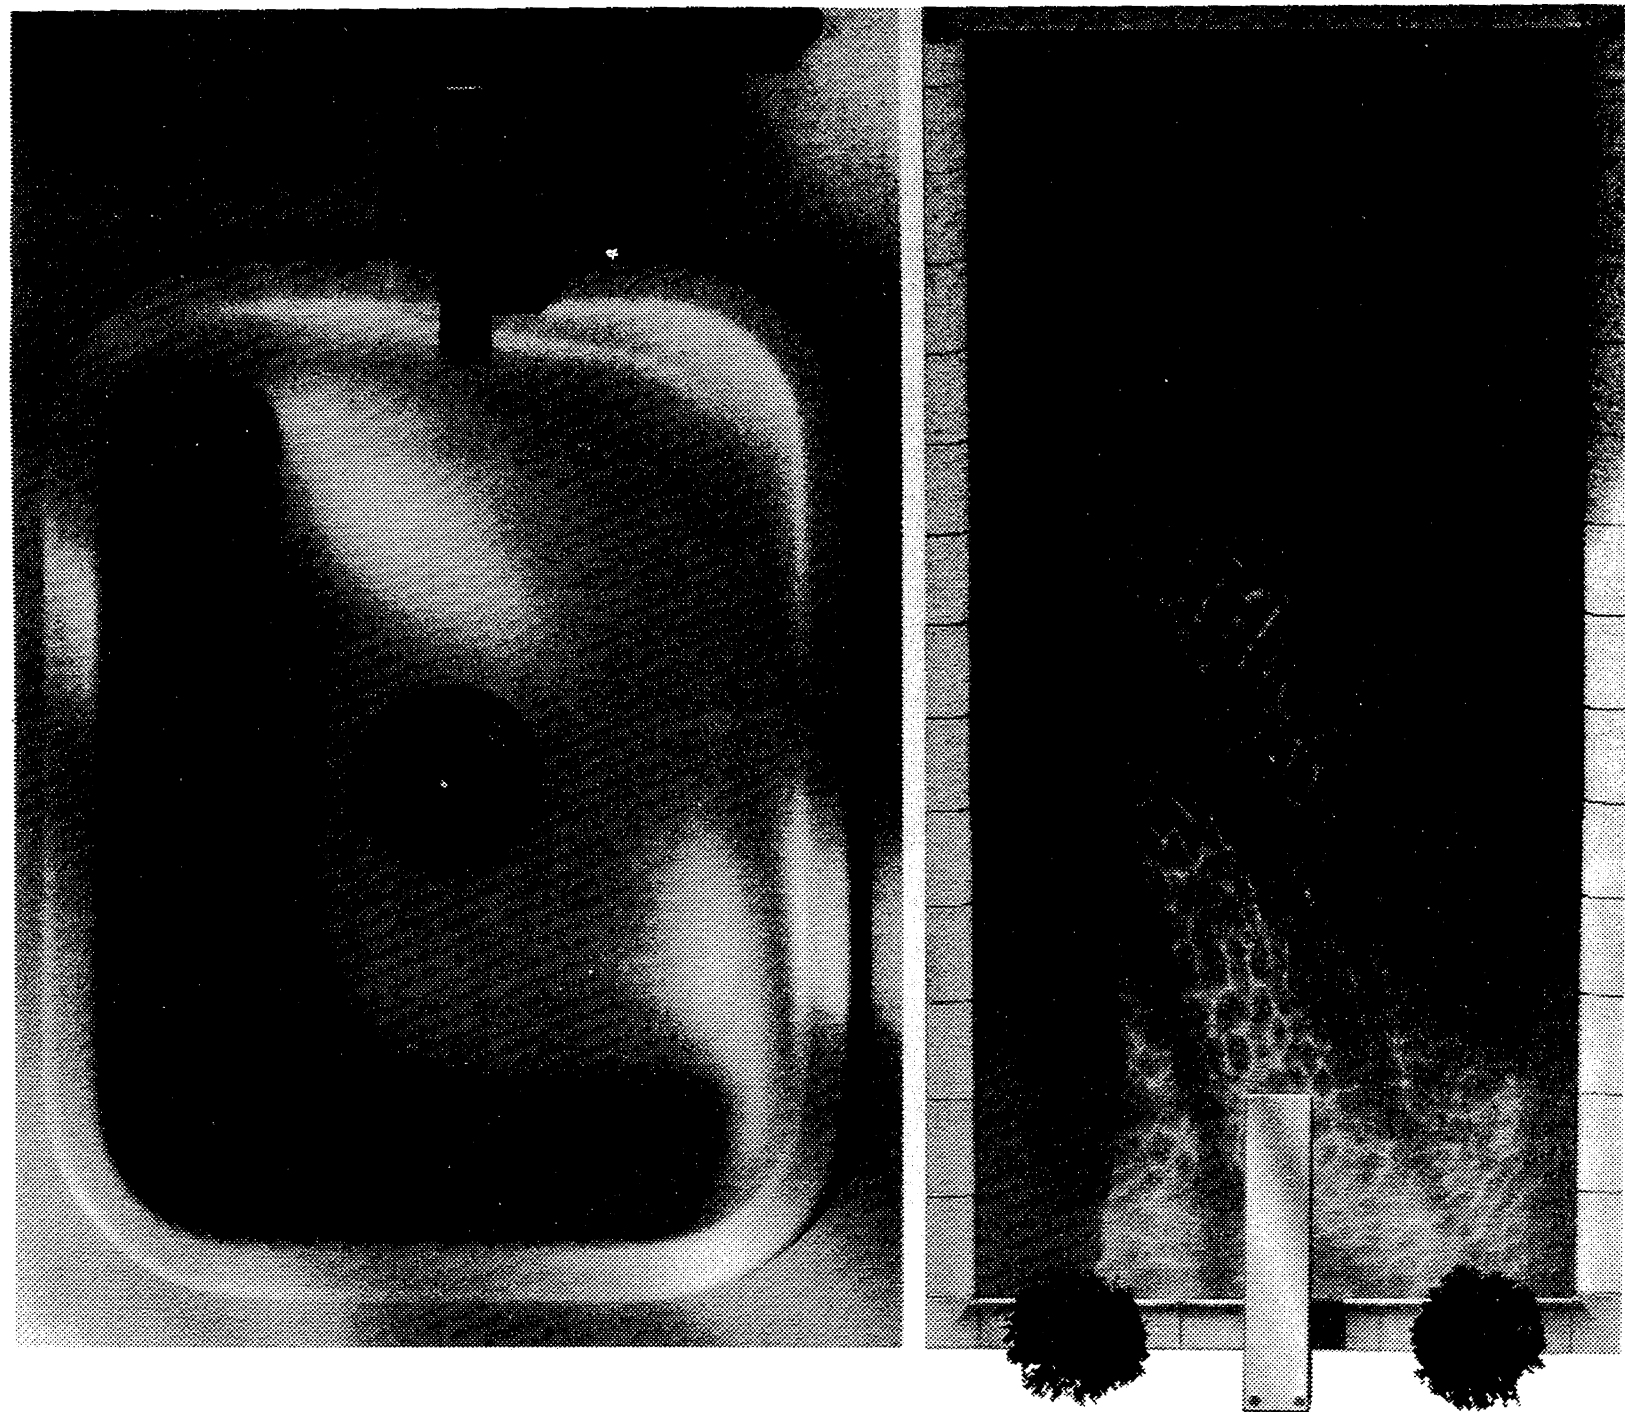

For additional information, call Rachel at 428-9656 or coach Kathy Kueffner 428-8005.

The inscription on the Liberty Bell reads "Proclaim Liberty throughout all the land unto all the inhabitants thereof," which is from the Bible (Leviticus 25:10)

April showers bring what? April showers do bring May flowers, but showers also bring lightning. The most important thing to know about lightning is that when there is a lightning storm, you should never seek shelter under trees. Here are some other facts about lightning: • Meteorologists estimate that lightning strikes the earth 100 times each second. • Oaks are reported to be the tree most frequently struck by lightning, while Beech trees are reported to be the least. • There can be 2,000 storms hitting the earth at the same time! • A lightning stroke can travel up to 80,000 miles per second! • During the Middle Ages, church bells would be rung to signal the approach of a major storm. Of course, bell ringing can be fatal in those high church steeples, and 103 bell ringers were killed in a 33-year period!

Community Resource Center Benefit Banquet

The Community Resource Center Sixth Annual Benefit Banquet will be held at Chelsea Community Hospital, Wednesday evening, May 5, 1993. The theme for the evening is "Cheers for Volunteers" and the menu is a surf and turf dinner. Featured entertainment will be our own Manchester Orchestra.

In 1988 the first benefit banquet committee extended an invitation to everyone in the community who were "Manchester Boosters" to attend the event that raised funds to assist Manchester area residents in meeting their needs. That event was so successful that it has been a continuous source of funding for the CRC each spring.

Two of the original committee, Dave Little and Dick Kuntz, are present board members. Dave and Dick together with other board members again this year ask local businesses, major industry, banks and residents to make a financial commitment so that resources can be consistently coordinated to meet the continued human service needs of the people in our community.

In 1988 the committee asked contributors to purchase an individual reservation for \$50 or come as a couple for \$75. After the first banquet, donor amounts were given a category name: Friends-\$50 single person, \$75 for two; Patron-\$100-\$299 donation (two complimentary dinners; and, Major Sponsor-\$300 or more (two complimentary dinners.

The goal for the 1993 benefit is \$6,000 which represents about one-fourth of the total CRC budget.

The 1989 banquet was the first year to recognize local volunteers as part of the banquet program. At the present time, fifty-five individuals have been honored with certificates. Five individuals have received the Claire Reck Outstanding Volunteer Award.

For information concerning the banquet and/or a contribution, please contact the Community Resource Center 428-7722.

Your Vote Needed!

The Manchester Business Association would like your help choosing a name for the street fair/celebration which the merchants put on. The date this year is Saturday, July 17. We will have many activities and contests as well as booths, sidewalk sales and music like last year.

To help us make the right choice, please call 428-2100 or 428-9038 and leave a message with your vote: Manchester Dutch Day or Manchester Summer Festival.

If you would like to have a booth this year, or need other information, phone Teresa Benedict 428-2100, Sandi Trolz 428-7759 or Jim Achtenberg 428-7011.

Chemical-Free Vegetable Gardening (continued from page 8)

Biocontrols. Believe it or not, "helpful" insects, bacteria, fungi, viruses and nematodes are commonly used by organic gardeners to keep harmful pest parasites and predators in check. Plant mint, dill, daisies and other nectar plants around the garden to provide a food supply for the good bugs and encourage them to stick around. Although some biocontrol agents, such as Bacillus thuringiensis, or BT, are available at garden centers, the majority must be specially ordered from insectaries.

Sprays and dusts. Soap, garlic and other substances can be used to make insecticidal or insect-repelling sprays at home. Diatomaceous earth is used as an insecticidal dust. Natural sprays containing copper and sulfur compounds help prevent and treat fungal and bacterial disease problems.

Landscape fabrics. Prevent weeds from gaining a foothold

in the vegetable garden by using landscape fabrics. These fabrics, also known as geotextiles, will eliminate needless hours of hoeing and pulling weeds by hand. One of the best, Easy Gardener's WeedBlock, earns high marks from professional landscapers. Molded with thousands of tiny "micropores," WeedBlock allows air and water through while blocking out 90 percent of the sunlight needed for weed growth.

Watering equipment. Chemical-free gardeners know that weak plants are an easy target for pests and disease. Investing in a good watering system helps ensure plants stay strong and healthy. A long wand and spray nozzles are the least expensive options. Even better are drip irrigation systems and soaker hoses, which help to conserve water during dry spells. Once installed, they are a labor-saving way to water the garden.

Converting to a chemical-free vegetable garden is easy. All it takes is a little planning and care, and a commitment to help protect Mother Nature.

We cherish the natural beauty around us and recognize that it is interwoven with both the health of our environment and our community identity. We believe this beauty, with its myriad benefits, should be passed on to future generations. Thus, we have an obligation to be responsible trustees for this earth, and particularly our small part of it.

The RVLT is a tool that belongs to those it serves, keeping in mind that a tool is only powerful when it is used properly. To exercise this trust wisely, we invite those who share our vision to join.

Logo Design Contest The RVLT is seeking a logo

to be used on letterhead, buttons, tee-shirts and the like. If you have artistic talent, you could win prizes by designing our logo.

Rules: • Design should reflect the RVLT's goal of preserving the rural, agricultural and historical character of the upper River Raisin.

• Design should be simple enough to copy clearly with a copy machine or onto other media.

• All submissions must be in by June 21, 1993. Winning logo will be selected on June 22.

• All prizes will be awarded. RVLT is not constrained to use the winning entry. Prizes, \$25 cash, a Sunday brunch, a toy tractor, a \$10 gift certificate. Christmas in April Rousing Success

Dateline, Saturday, April 24, 1993.

Six Christmas in April homes were rehabed by volunteer workers. Work accomplishment was from washing windows, yard clean up, sewer installation, re-roofing, window repairs, painting, soffit reconstruction, electrical repairs, porch foundations and miscellaneous fix up jobs.

The home of Gola Bertke, 115 Mound Street, had a sewer line installed. Dave Kirk furnished his backhoe, truck and trailer. Jeff Schaffer, Mel Sroufe, Jeff Wallace, Terry Steele, John Steele Jr., and Gary Wiedmayer provided the muscle and expertise to get the job done.

The home of Helen Meyer, 822 E. Vernon Street had elec-

trical repairs, plumbing, painting, rear door repaired, siding repairs, windows washed, smoke detector installed and the yard raked and cleaned up. House Captain Bill Schwab said these repairs were made in record time.

Francis Nollar, 8411 Sharon Hollow Road, had windows washed and the yard cleaned up.

Carl Pierson's home at 19990 Bowen Road had major roofing work completed. Stein Electric furnished a cherry picker, hydraulic lift to put materials on the roof. In addition the soffits were repaired, electrical work and foundation's for porch pillars.

The crew washed windows at Millard Uphaus home on 705 E. Vernon.

In the tradition established last year Azaleas were planted at different homes where repairs were made.

We are listing some of the volunteers that were given the names of: Dave Little, Jim Mann, John Hinkley, Douglas Parr, Jim Schook Jr., Dennis Kittle, Gina Lentz, Debbie Kelly, Kari McArthur, Doug McArthur,

Joanne Schiel, Jim Schook Sr., Dick Stein, Ava Goff, Carol Schulte, Matt Donnellon, Barbara Kuhn, Sandi Fielder, John Schiel, Jimmy Donnellon, Nick Meyer, Paul Schulte, George Dikeman, Ray Meyer, Howard Kuhn, Melissa Driessche, Geoff

Brooks, Andy Meyer, Earl Carver, Larry Benedict, Tom Kussuretin, Karen Messing and Bill and Dianne Schwab.

If we have missed your name please let us know as we expect to have pictures of the Pierson repair work for next week.

World Sports Exchange Invites Two Dutch Spikers to Tour

— by Angie Carlson

(Associate Editor's Note: We welcome Angie Carlson, a sophomore at Manchester High School, who will be our "High School Connection" and will be reporting on events and news from the high school scene.)

Manchester High School varsity volleyball team members Adrienne Wallace and Sarah Riske have been selected to participate in the World Sports Exchange Program European Volleyball trip. Adrienne's parents, Pat and Liz Wallace, as well as Sarah's parents, John and Lois Riske, must be very proud.

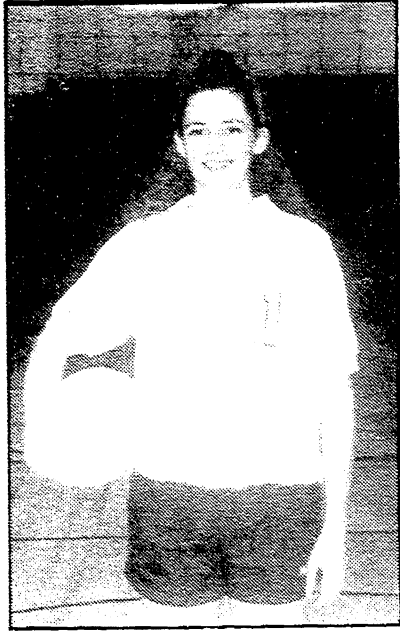

Every year the World Sports exchange gives the opportunity for teams to go abroad to participate in international competition, while also learning about foreign culture and meeting and sharing new ideas with the foreign athletes.

Adrienne and Sarah were selected to participate based on recommendations of World Sports Exchange coaches.

Jan Sander of Warren Woods High School and Bruce Udvari of Romeo High School will coach the team from Michigan.

Adrienne and Sarah will be competing against the Spanish Volleyball Federation teams in a series of international games competing during June 23-July 1, 1993.

This is a very exciting chance of a life time, exciting to see athletes benefit from their talents and skills in such a rewarding way.

But even these type of extraordinary chances cost money! The cost of \$1,895 for the trip includes everything: round-trip air fare, hotel accommodations, all meals, all land transportation, all sightseeing excursions including all entrance fees, team uniforms, competition fees and English speaking guides. Both girls must raise the total of \$1,895 each.

Their first fundraiser will be an all-you-can-eat spaghetti dinner scheduled for Friday, May 14 at Emanuel Church. Watch the Enterprise for more information.

Good luck, Dutch spikers, and congratulations!
