Chemical-Free Vegetable Gardening (continued from page 8)

Biocontrols. Believe it or not, "helpful" insects, bacteria, fungi, viruses and nematodes are commonly used by organic gardeners to keep harmful pest parasites and predators in check. Plant mint, dill, daisies and other nectar plants around the garden to provide a food supply for the good bugs and encourage them to stick around. Although some biocontrol agents, such as *Bacillus thuringiensis*, or BT, are available at garden centers, the majority must be specially ordered from insectaries.

Sprays and dusts. Soap, garlic and other substances can be used to make insecticidal or insect-repelling sprays at home. Diatomaceous earth is used as an insecticidal dust. Natural sprays containing copper and sulfur compounds help prevent and treat fungal and bacterial disease problems.

Landscape fabrics. Prevent weeds from gaining a foothold

in the vegetable garden by using landscape fabrics. These fabrics, also known as geotextiles, will eliminate needless hours of hoeing and pulling weeds by hand. One of the best, Easy Gardener's WeedBlock, earns high marks from professional landscapers. Molded with thousands of tiny "micropores," WeedBlock allows air and water through while blocking out 90 percent of the sunlight needed for weed growth.

Watering equipment. Chemical-free gardeners know that weak plants are an easy target for pests and disease. Investing in a good watering system helps ensure plants stay strong and healthy. A long wand and spray nozzles are the least expensive options. Even better are drip irrigation systems and soaker hoses, which help to conserve water during dry spells. Once installed, they are a labor-saving way to water the garden.

Converting to a chemical-free vegetable garden is easy. All it takes is a little planning and care, and a commitment to help protect Mother Nature.

For more information on natural vegetable gardening, send a self-addressed stamped #10 envelope to: Water-Saving Booklet, Easy Gardener, P.O. Box 21025, Waco, TX 76702-1025.

and around the Upper River Raisin watershed; to promote public awareness of these natural and historical features; and, actively engage individuals and communities in helping to preserve them."

We cherish the natural beauty around us and recognize that it is interwoven with both the health of our environment and our community identity. We believe this beauty, with its myriad benefits, should be passed on to future generations. Thus, we have an obligation to be responsible trustees for this earth, and particularly our small part of it.

The RVLT is a tool that belongs to those it serves, keeping in mind that a tool is only powerful when it is used properly. To exercise this trust wisely, we invite those who share our vision to join.

Logo Design Contest
The RVLT is seeking a logo

to be used on letterhead, buttons, tee-shirts and the like. If you have artistic talent, you could win prizes by designing our logo.

Rules:
• Design should reflect the RVLT's goal of preserving the rural, agricultural and historical character of the upper River Raisin.

• Design should be simple enough to copy clearly with a copy machine or onto other media.

• All submissions must be in by June 21, 1993. Winning logo will be selected on June 22.

• All prizes will be awarded. RVLT is not constrained to use the winning entry. Prizes, \$25 cash, a Sunday brunch, a toy tractor, a \$10 gift certificate. For further information, call 517-456-4901 or 313-428-8109 evenings. Entries may be mailed to: Raisin Valley Land Trust, PO Box 419, Manchester, MI 48158

Christmas in April Rousing Success

Dateline, Saturday, April 24, 1993.

Six Christmas in April homes were rehabbed by volunteer workers. Work accomplishment was from washing windows, yard clean up, sewer installation, re-roofing, window repairs, painting, soffit reconstruction, electrical repairs, porch foundations and miscellaneous fix up jobs.

The home of Gola Bertke, 115 Mound Street, had a sewer line installed. Dave Kirk furnished his backhoe, truck and trailer. Jeff Schaffer, Mel Sroufe, Jeff Wallace, Terry Steele, John Steele Jr., and Gary Wiedmayer provided the muscle and expertise to get the job done.

The home of Helen Meyer, 822 E. Vernon Street had elec-

trical repairs, plumbing, painting, rear door repaired, siding repairs, windows washed, smoke detector installed and the yard raked and cleaned up. House Captain Bill Schwab said these repairs were made in record time.

Francis Nollar, 8411 Sharon Hollow Road, had windows washed and the yard cleaned up.

Carl Pierson's home at 19990 Bowen Road had major roofing work completed. Stein Electric furnished a cherry picker, hydraulic lift to put materials on the roof. In addition the soffits were repaired, electrical work and foundation's for porch pillars.

The crew washed windows at Millard Uphaus home on 705 E. Vernon.

— Emory Garlick

In the tradition established last year Azaleas were planted at different homes where repairs were made.

We are listing some of the volunteers that were given the names of: Dave Little, Jim Mann, John Hinkley, Douglas Parr, Jim Schook Jr., Dennis Kittle, Gina Lentz, Debbie Kelly, Kari McArthur, Doug McArthur,

Joanne Schiel, Jim Schook Sr., Dick Stein, Ava Goff, Carol Schulte, Matt Donnellon, Barbara Kuhn, Sandi Fielder, John Schiel, Jimmy Donnellon, Nick Meyer, Paul Schulte, George Dikeman, Ray Meyer, Howard Kuhn, Melissa Driessche, Geoff

Brooks, Andy Meyer, Earl Carver, Larry Benedict, Tom Kussuretin, Karen Messing and Bill and Dianne Schwab.

If we have missed your name please let us know as we expect to have pictures of the Pierson repair work for next week.

World Sports Exchange Invites Two Dutch Spikers to Tour

— by Angie Carlson

(Associate Editor's Note: We welcome Angie Carlson, a sophomore at Manchester High School, who will be our "High School Connection" and will be reporting on events and news from the high school scene.)

Manchester High School varsity volleyball team members Adrienne Wallace and Sarah Riske have been selected to participate in the World Sports Exchange Program European Volleyball trip. Adrienne's parents, Pat and Liz Wallace, as well as Sarah's parents, John and Lois Riske, must be very proud.

Every year the World Sports exchange gives the opportunity for teams to go abroad to participate in international competition, while also learning about foreign culture and meeting and sharing new ideas with the foreign athletes.

Adrienne and Sarah were selected to participate based on recommendations of World Sports Exchange coaches.

Jan Sander of Warren Woods High School and Bruce Udvari of Romeo High School will coach the team from Michigan.

Adrienne and Sarah will be competing against the Spanish Volleyball Federation teams in a series of international games competing during June 23-July 1, 1993.

This is a very exciting chance of a life time, exciting to see athletes benefit from their talents and skills in such a rewarding way.

But even these type of extraordinary chances cost money! The cost of \$1,895 for the trip includes everything: round-trip air fare, hotel accommodations, all meals, all land transportation, all sightseeing excursions including all entrance fees, team uniforms, competition fees and English speaking guides. Both girls must raise the total of \$1,895 each.

Their first fundraiser will be an all-you-can-eat spaghetti dinner scheduled for Friday, May 14 at Emanuel Church. Watch the Enterprise for more information.

Good luck, Dutch spikers, and congratulations!

From The Ground Up

—by BG

It is good to have Tulips, Daffodils and minor bulbs in bloom. If you plan to cut the flowers for the house, please, don't take the leaves. The plant needs those leaves to manufacture more bulbs for the next spring's flowers. A bit of all-around fertilizer scattered on the ground around the plant would be appreciated.

Daffodils are so good about increasing their bulbs each year that they can become crowded. If that should happen, dig the bulbs carefully after the foliage dies and replant the surplus bulbs in another location.

Tulips can last one year or a few years. Species tulips, now beginning to bloom, are the only kind to remain for many years. They come in a variety of colors, sizes and shapes with unusual names: Kaufmanniana,

Greigii, etc. The large brilliant red tulip that you see now is famous enough to be known, not by Fosteriana but by Red Emperor. It now has cousins, Pink, Yellow, White Emperors all with the same characteristics of the original.

If you are interested in an annual that blooms from early May to late October, easy to grow, reseeds itself from year to year, has a honey-like aroma and comes in white or purple, try Sweet Alyssum. Seed it now or shorten the time to blooming by buying plants. Continue to shear the spent flowers and it will bloom to the first heavy frost. The low-growing, sun-loving but shade-tolerant plants will spread to be a mass of white that will frame the other colors in your garden.

May Trail and Conservatory Tours

The Matthaei Botanical Gardens will hold Conservatory tours on Saturdays, May 1, 15, and 22 at 10:30 a.m., 11:30 a.m., 2 p.m. & 3 p.m., and on Sunday afternoons May 2, 16, and 23 at 2 & 3 p.m. The topic will be "Pollination, How Does It Happen?" The fascinating lures flowering plants have developed to attract pollinators such as bats, bees, hummingbirds, butterflies and beetles will be identified.

Trail Tours will be given on Saturday, May 8, at 2 p.m. and Sunday, May 9, at 1 p.m. and 3 p.m. The topic for May is "Spring Wildflowers", in celebration of Michigan Wildflower Week. The Helen V. Smith Woodland Wildflower Garden will be featured. Visitors can explore the trails to discover native Great Lakes wildflowers, Michigan ferns, and spontaneous drifts of individuals that are allowed to grow as they please.

Because of space limitations, tour size is limited. Participants are asked to register at the receptionist desk prior to the tour. For Trail Tours, be sure to wear sturdy shoes and dress for the weather.

The Matthaei Botanical Gardens is located at 1800 North Dixboro Road, Ann Arbor; 2 1/2 miles north of the Geddes Road intersection.

Larry Benedict - Manchester Electric Appliance Repairman

—Emory Garlick

Manchester Electric has added a much needed service for area residents. With an expanded staff that now includes local native Larry Benedict, Manchester Electric has a full time, experienced repairman for residential and commercial appliances.

Owner Mr. Douglas Parr, wants area residents to know of the availability of Larry to re-

pair at reasonable rates; refrigerators, freezers, dishwashers, garbage disposals, microwaves, stoves and ovens, washers and dryers, water heaters and other appliances. Larry Benedict with 8 years of repair experience with Master Tech of Ann Arbor will be able to help with your needs.

Doug Parr, and Manchester Electric have been in business in the Manchester area since buying out the L. V. Kirk Company in November of 1976. Doug

Manchester Electric crew - Jim Schiel, Chris Lentz, Ilene Ball, Larry Benedict and Doug Parr

started his electrical career as an apprentice in 1968, acquiring his Journeyman's card in 1972 and his Master Electricians card in 1977.

Chris Lentz, started with L. V. Kirk in 1970 doing general repair work. Apprenticing as an electrician in 1971, Journeyman in 1975, and obtaining his Master card in 1977. Chris has been doing the appliance work for Manchester Electric for the past several years. Contract electrical work will be Chris' main forte now.

Jim Schiel started with

Manchester Electric in 1987 as an apprentice and hopes to have his Journeyman's card this year. Jim works under the supervision of Doug and Chris in the electrical contracting end of the business.

Ilene Ball is the office manager and has been with Manchester Electric since September, 1988. When you call in Ilene is the pleasant voice you hear and is the person behind the scene's.

Matt Peterson a third year apprentice started with M. E. in 1990. Matt is from Chelsea and

is with the electrical contracting operations.

As owner Doug Parr related. "With a larger staff on hand, our Master Electricians will be able to devote more hours to electrical contracting work for present and new customers. We invite you to give us a call for very competitive pricing on residential, commercial, farm and industrial electrical work.

The satisfaction of our customers is important to us... and that's why we're pleased to be able to expand our capabilities to serve you."

Editorial / Opinion

Dear Editor:

I am outraged. The Bridgewater Township Board has developed a new way to dig money from the pockets of their tax-paying citizens.

Last fall, I had a pond dug at my house in Bridgewater Township. It was my intention to finish it this spring and haul the excess dirt away in order to landscape around the pond. I now understand that in order to do this, I must pay a \$5000 application fee and a \$2000 license fee, as well as comply with a 13-page ordinance that governs "mining operations". Since when is digging a pond on your own property considered "mining"?

Apparently their big concern is that people shouldn't remove dirt from their land. For heaven's sake, why would I or my neighbors want to sit around and look at big piles of dirt? This is ridiculous.

I already pay property taxes to the township as well as gas taxes and license fees to support the township government and the roads which are, as everyone is aware, currently in laughable condition. Why should I have to pay them \$7000 just to dig a pond in my own backyard?

Additionally, they enacted this nifty little ordinance under the table. I never saw any public notice in the Clinton Local that they were considering an ordinance to take away my rights as a property owner to improve my property. I did discover later that a public notice appeared in the December 10, 1992 edition of *The Manchester Enterprise*, notifying all interested citizens that a meeting would be held that night at eight o'clock to discuss this issue. That's right, if you happened to pick up the evening paper, you might have had all of one or two hours' notice. Hardly adequate.

Guess it's just another example of the closed-door, good-old-boy network at work.

I'll tell you what I'm going to do. I'm putting the township on notice. When the sun comes out and the weight restrictions come off, and my land is drying in the warm spring air, it's off to pond-digging I go, and if the township wants to enforce this confiscatory ordinance, then it's off to court we go, too. I'd rather spend \$7000 on attorney's fees than give this township another dime.

Sincerely,
Louis Velarde, Jr.

To The Editor and area residents,

On Thursday, April 22, a committee appointed by the township boards to investigate a District Library (which could include Manchester and the three surrounding townships) met for the second time. Ruth Dukelow from the Library of Michigan explained the process needed, and permissions required from voters, to establish a District Library.

The committee elected Mary Kallewaard, a Manchester Township member of the committee, as chairman, and decided to meet again on May 6. Other members of the committee are Olga Nichols from Manchester Township, Carol Savage and Paul Kluwe from

Sharon Township, Jim Datsko and Yvonne Henry from Bridgewater and Bob Little and Julie Schaible from Freedom. The Manchester Township Library Board appointed Ann Fowler.

There are advantages to having a District Library, including its ability to fund independent of the townships' general funds and a board elected or appointed from all governmental units serviced with accountability to the voters for any changes in library structure.

Because the Manchester Library serves most residents of the area in some way—either as a resource for information, a room to research families, a

meeting place to discuss books, a resource for student assignments and reading pleasure, or a local historic facility—I urge all patrons and other members of the community to attend our next meeting at the Blacksmith Shop Thursday, May 6 at 7:30 p.m.

We welcome comments from those who will be affected by any changes.

Sincerely, Ann Fowler

The resolution setting matters to be voted upon at the annual school election set for June 14, 1993, has been adopted. Candidates for the four year term of board trustee are Paul Kluwe and Bruce Thomson; Wayne Winzenz is a candidate for the two year term. Also on the ballot will appear the millage renewal proposition of 1.4308 mills for a period of five years for maintenance, repair, renovations, additions to school facilities and the purchase of equipment related to the renovations and additions. This is a renewal of the millage which expired with the 1992 tax levy.

Nichole Jensen has been granted a waiver of membership to attend Grass Lake Schools for the balance of the 1992-93 school year.

Following a brief recess, Yvonne Henry and PTO Representative Sonja Schultz presented an update on the progress of the Parent Volunteer Program at Klager Elementary.

Mr. David Swanson, Director of Student Services and Athletics, presented the annual report on the winter sport season.

Supt. Niedzwiecki reported to the Board the results of the community meetings held to review facility needs. The recommendation included a bond proposal for approximately \$2.3 million for extensive remodeling and additions to Luther C. Klager Elementary as well as using a portion of the funds from the extra voted 1.4308 mills for maintenance and renovations to meet some of the needs at the middle school and high school. The su-

perintendent was authorized to proceed with the development of the project and bond proposal.

Principal LeBlanc announced that the Manchester High School Quiz Bowl Team has qualified for the state championship which will be held on May 7th and 8th in Port Huron.

Mr. LeBlanc also commended drama teacher June Weiland and her students for a job well done on the recent play "The Diary of Anne Frank".

The Board moved into closed session at 9:40 p.m. to discuss strategy in connection with the negotiation related to a collective bargaining agreement.

Upon returning to open session, the meeting was adjourned at 10:20 p.m.

At a special meeting held April 12, 1993, the Board took action and extended Superintendent Niedzwiecki's contract to June 30, 1996. The Board determined his overall performance to be a "strong performance" with President Sahakian stating "the schools have improved under his leadership."

SEEDS FROM THE SOWER
Michael A. Guido
Minister, Georgia

A woman angrily jumped out of her car after colliding with another, shouting, "Why don't people learn to drive? You're the fourth car I've hit today."

We're always ready to blame others, aren't we?

The alcoholic says, "It's my environment, not any evil in me."

The criminal says, "It's my neighborhood, not my nature."

The person who smokes pot and indulges in sex sins says, "Everybody else is doing it. Why expect me to be different?"

But he who excuses himself accuses himself.

Happy is the one who'll say with the prodigal, "Father, I've sinned."

He's the one who'll be forgiven and feasted.

A Nation Prepares to be United in Prayer

Thursday, May 6, 1993, marks the 42nd consecutive observance of the Annual National Day of Prayer.

Once again, Americans are encouraged to set aside time for concentrated prayer at work, school, home or church.

"As Americans pray together, we will find new strength and guidance from God - both as individuals and as a nation," said Shirley Dobson, chairman of the National Day of Prayer.

"United prayer can help us renew our commitment to our moral and spiritual heritage so we can fulfill our potential as a nation."

"Five minutes can make a world of difference when a nation unites on its knees," said Mrs. Dobson. "I hope millions will agree to acknowledge our dependence on God and thank Him for the blessings this country has received."

If you would like to take part in a National Day of Prayer activity locally, a group will be gathering at the Manchester Township Hall located at 275 S. Macomb St. in Manchester at noon on Thursday, May 6. The public is invited to attend.

For information regarding this event call Pastor R. Dean Cooper at 428-7506 or Martha Heinrich at 428-9269.

MANCHESTER AREA HISTORICAL SOCIETY

The Manchester Area Historical Society met on Tuesday, April 20 in the Blacksmith Shop for its regular monthly meeting.

Professor Rachel Brett Harley presented an interesting and enthusiastic program on "Michigan Women: Firsts and Founders." Some of the women included in the program were Elizabeth Margaret Chandler who had the first station of the underground railroad in Michigan; Laura Smith Haviland of Adrian who co-founded the Raisin Institute for indigent children; Sister Mary Aquinas Kinsky who was the first nun in the United States to become a licensed pilot in the 1940's and served as a pre-flight instructor for Air Force and Army recruits; and, Sarah Emma Edmonds who was the first Michigan woman to be a Civil War soldier. She posed as Pvt. Franklin Thompson and served from 1861-63. She also was a field nurse, mail carrier and Union spy.

We were surprised to learn that the first person to go over Niagara Falls in a barrel and live to the tell about it was a woman. She did it because she was poor and hoped to make money telling about her exploit, however, no one would pay to hear about it.

The next meeting will be May 18. The program will be on historic landscaping. Refreshments were provided by Ann Fowler and Dorothy Davies.

From Science Briefing in the Ann Arbor News comes news of the new Keck Telescope in Hawaii, the world's largest optical and infrared telescope. To quote: "The infrared image shows a galaxy in the constellation Lynx, near the Big Dipper, that is estimated to be 12 billion light-years away. This means the light has traveled 12 billion years (at the speed of light, 5.9 trillion miles a year) to reach earth. When it left on this journey, the universe was only 10 to 25 percent of its current age." This is mind-boggling to us who took high school physics and perhaps to those of us who didn't. The article continued that this telescope, working with the state of the art camera, is powerful enough to detect the heat of a single candle flame on the moon. Wonder if they have tours?

Thursday, April 29: This is the day we have chicken (some way) at noon senior meal in Emanuel's dining room. Hope you are curious enough to come try our famous meals, but call a reservation in to either Linda at 428-8439 ahead, or to Jan at 428-7630 before 10:30 on meal days. Meals are the most inexpensive in the area for all who are 55 or older. You are welcomed.

Friday, April 30: The bus leaves at 9:00 a.m. for Gibraltar in Mt. Clemens. Call Erma Alber at 428-8707 to reserve your spot on the bus. Hooray, here comes the merry month of May! All those April showers and other stuff have the flowers blooming. Time to plant gardens soon - although Herman has been busy already. It takes work to get a garden to look like his (both the Boelers slave there, and it shows).

Monday, May 3: Join the seniors on a shopping trip to Adrian. You may go along by calling Erma. The bus leaves the Center at 9:30.

Tuesday, May 4: Veal Italian is on the senior lunch menu today, good. Then come to the Center to help on current projects.

Thursday, May 6: The final craft class will be held.

May Birthday Bash with old fashioned chuck roast will be enjoyed - come all you May-born seniors. The May-June Trumpeter will be ready for you to pick up at either senior meals or at the Center when it is open.

Clark Receives Youth Art Award

A gala crowd of friends, family and supporters gathered on April 16 to witness student excellence at the opening reception for "Potential!", the fifteenth annual Youth Art Exhibit. "Potential!" showcases the outstanding work of Washtenaw County high school artists at the Ann Arbor Art Association.

The exhibit, designed to provide high school artists with the opportunity for a professional exhibit and to reward their talent with recognition and awards, was juried by Gene Pijanowski, Associate Dean for Student Relations at U of M School of Art.

Receiving the Merit Award from Manchester High School was Andrea Clark.

The Art Association Exhibit Gallery, located at 117 W. Liberty St. in downtown Ann Arbor, is open to the public free of charge, Tuesday through Saturday from 10:00 a.m. until 5:30 p.m. and on Sunday from noon until 5:00 p.m. The Youth Art Exhibit will run through May 9, 1993.

Monday, May 3: Join the seniors on a shopping trip to Adrian. You may go along by calling Erma. The bus leaves the Center at 9:30.

Tuesday, May 4: Veal Italian is on the senior lunch menu today, good. Then come to the Center to help on current projects.

All those April showers and other stuff have the flowers blooming. Time to plant gardens soon - although Herman has been busy already. It takes work to get a garden to look like his (both the Boelters slave there, and it shows).

Monday, May 3: Join the seniors on a shopping trip to Adrian. You may go along by calling Erma. The bus leaves the Center at 9:30.

Tuesday, May 4: Veal Italian is on the senior lunch menu today, good. Then come to the Center to help on current projects.

Thursday, May 6: The final craft class will be held.

May Birthday Bash with old fashioned chuck roast will be enjoyed - come all you May-born seniors. The May-June Trumpeter will be ready for you to pick up at either senior meals or at the Center when it is open.

Clark Receives Youth Art Award

A gala crowd of friends, family and supporters gathered on April 16 to witness student excellence at the opening reception of "Potential!", the fifteenth annual Youth Art Exhibit. "Potential!" showcases the outstanding work of Washtenaw County high school artists at the Ann Arbor Art Association.

The exhibit, designed to provide high school artists with the opportunity for a professional exhibit and to reward their talent with recognition and awards, was juried by Gene Pijanowski, Associate Dean for Student Relations at U of M School of Art.

Receiving the Merit Award from Manchester High School was Andrea Clark.

The Art Association Exhibit Gallery, located at 117 W. Liberty St. in downtown Ann Arbor, is open to the public free of charge, Tuesday through Saturday from 10:00 a.m. until 5:30 p.m. and on Sunday from noon until 5:00 p.m. The Youth Art Exhibit will run through May 9, 1993.

Band Boosters Meeting

There will be a Manchester Band Booster meeting Tuesday, May 4 at 7:00 p.m. in the high school band room.

We will be discussing the middle school band trip and upcoming concerts.

Please attend, we need your input!

Sixteenth Annual Briarwood Run Draws Near Record Participation

Among the runners from Manchester were: In the 5K - Peter Fuerstnau/26:26; in the 10K - James Sahakian/45:17, Christopher Brooks/46:18, Ronald Houck/46:47, Carol Keppler/56:08, Delores Sahakian/58:14; and in the One Mile Walk - Joyce Chapman/14:12.

Despite chilly temperatures and rain that hit the finish line faster than the runners, the 16th Annual Briarwood Run managed to draw near-record crowds Sunday morning.

They came with umbrellas and gloves, garbage bag raincoats and water-logged running shoes. But come they did - 2,219 runners and even more spectators -- who braved the 50-degree downpour that stopped only as the last runners crossed the finish line.

Ted Schwarz, General Manager, Briarwood, explains that Briarwood just this year had moved the race from early to late April "to assure that the weatherman knew it was spring."

"But I do think that it's a real tribute to the position the

Briarwood Run has earned for itself that so many people showed up. Despite the weather, this was the third-best-attended run in all of our 16 years," he observes.

Proceeds from the Run will go to the Galens Medical Society, a group of University of Michigan medical students who provide everything from Ronald McDonald House beds to holiday gifts for hospitalized children.

"The greatest thing about this race is that the real winners are the charities," observes Schwarz. "Not only does everyone who participates have a great time, but each person can justly feel that he or she has contributed toward helping hundreds of different people. That's the true measure of the Briarwood Run's success."

Local Student to Sing in Europe

While he may not be singing before kings and queens in their royal courts as in days of yore, fourteen year-old Joe Tobias from Manchester will be singing in concert halls throughout Europe in Germany, Bavaria, Belgium, and France this summer.

Joe was honored to be chosen as a member of the Blue Lake International Choral Ensemble, a select group of 85 young singers, organized by Blue Lake Fine Arts Camp.

This June, just a couple weeks after he completes his ninth grade year at Manchester High School, Joe will board a plane with the Ensemble and will fly to Frankfurt, Germany to begin the tour.

"I'm really excited," Joe exclaimed as he described the upcoming trip. "Some people can never go to Europe in their whole life. It's a great opportunity."

Manchester can be proud of this honor which one of her young men has been accorded! (Some Manchester-ites may recall having heard Joe last Christmas Eve when he sang a beautiful solo at St. Mary's Church.)

The Blue Lake International Choral Ensemble tour will last 21 days and has a theme "International Understanding through Youth and Music." Members of the group are between the ages of 12 and 18. They will participate in intensive rehearsals before departing, and while on tour the students will stay in private homes with host families.

Joe describes himself as "a Manchester High School student who is active in sports, Quiz Bowl, Boy Scouts, Band, and the Church Choir." And he welcomes financial support from the community, both individuals and businesses, to help make

his participation in the Ensemble possible. The trip is an honor and an opportunity. However, it is also a significant expense. Joe will be representing our country and our village while in Europe, and our support of the endeavor would be an investment well worth while! You can contact Joe through his parents.

Joe is the son of Karen and Joel Tobias who are extremely proud of the talent and character of their oldest son. They and the community can look forward to and will enjoy the pictures and stories Joe will share upon his return to Manchester in July. It shouldn't be hard at all to convince him to share his experiences -- and perhaps share a song or two as well!

Opera Night in Manchester

Rossini to Come to Manchester

This opera is for kids, too. His music has been described as possessing "Italian sparkle, like happy laughter." Gioacchino Rossini. His opera La Cenerentola will be presented on Friday, May 7th, at 7:30 p.m. as the next "Opera Night in Manchester." And it is delightful!

All are welcome to come and enjoy this masterpiece. It is shown on the large screen video at the Blacksmith Shop. There is no charge.

The story is familiar: it is the Cinderella story- Rossini uses his superb wit and talent for creating charming melodies to bring the story to life.

Although this is not a children's production (indeed Rossini has been ascribed "the genius of sheer animal spirits"), if you have wanted to introduce your favorite young person to opera, this would be a wonderful opportunity! Rossini is valued by those who love life in music.

La Cenerentola was written in 1817, the year after his most famous opera, The Barber of Seville. Rossini wrote forty operas in just fifteen years. And then he stopped. He continued to live a long life in his adopted country, in Paris, and his home became a favorite meeting place, known for wit and culture as well as Rossini's famous gourmet dishes.

"Opera night in Manchester" has presented excellent video performances of the world's great operas on a monthly basis for the past four years. The presentations are free- All in the community--young and old, opera fan or opera illiterate-but-curious, regular attendee or newcomer--all are warmly invited to come. You can be sure you will hear the most wonderful music, see the most fantastic performances, and enjoy the most interesting company!

Don't miss La Cenerentola, next week on Friday, May 7, at 7:30 p.m. at the Blacksmith Shop, 324 E. Main.

Becoming Better Thinkers

Circle Thursday, April 29 on your calendar. Reserve 7:30-9:00 p.m. It's your chance to learn more about what makes a good thinker, what thinking skills are important and how to improve them.

This workshop is a follow up to the one conducted by Nondus Buss at Klager Elementary School in November. It will review the areas previously covered and share ways that parents can help their children (and themselves) become better thinkers.

While parents of preschoolers through sixth graders are specifically invited, any who would like to learn more about thinking are welcome.

To help us prepare enough materials, please call Klager School and add your name to the list of those planning to attend. If you find you can come at the last minute, you are welcome even if you haven't registered.

Out and About

— by gar

Branch Davidian, Waco Texas was a disaster for everyone concerned. For the Federal Agents who lost their lives when first trying to enter the compound to the tragic deaths of the inhabitants on the last day of the fiasco.

It seems as though every few years one of the off beat secular groups have a disaster that befall's a lot of innocent children and followers. Perhaps it is the inner need of some folks to want to find something better than there lot in life? Perhaps it is for the next life and having eternal life?

What ever the reason there

seems no want of followers for the erstwhile self proclaimed prophets.

That shouldn't be so terribly surprising, "That hope springs in the heart of mankind". It does surprise me however that our government once again has been caught up in the mess. How we ever decided to get involved was beyond me. Couldn't we just have kept these people under observation so that no harm befell the participants? Are our politicians so all knowing that they can determine that a course of action is necessary?

We in this country that was founded on religious freedom and who declares that there is a separation of Church and State have created another mess, ala Jimmy Jones in South America.

What for? Why? How do we accomplish other than get a bunch of innocent people and federal agents killed. Let's hope that we one day learn to keep out State and Religious courses separate. Observe, contain if necessary, but one of these days the resurrection will come about.

CONSUMERS POWER COMPANY GAS FRANCHISE ORDINANCE

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges and other public places, and to do a local gas business in the TOWNSHIP OF MANCHESTER, WASHTENAW COUNTY, MICHIGAN, for a period of thirty years.

SECTION 9. MICHIGAN PUBLIC SERVICE COMMISSION, JURISDICTION. Said Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to gas service in said Township.

THE TOWNSHIP OF MANCHESTER ORDAINS:

SECTION 1. GRANT TERM. The Township of Manchester, Washtenaw County, Michigan, hereby grants to the Consumers Power Company, a Michigan corporation, its successors and assigns, hereinafter called the "Grantee," the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges and other public places, and to do a local gas business in the Township of Manchester, Washtenaw County, Michigan for a period of thirty years.

SECTION 2. CONSIDERATION. In consideration of the rights, power and authority hereby granted, said Grantee shall faithfully perform all things required by the terms hereof.

SECTION 3. CONDITIONS. No highway, street, alley, bridge or other public place used by said Grantee shall be obstructed longer than necessary during the work of construction or repair, and shall be restored to the same order and condition as when said work was commenced. All of Grantee's pipes and mains shall be so placed in the highways and other public places as not to unnecessarily interfere with the use thereof for highway purposes.

SECTION 4. HARMLESS. Said Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subjected by reason of the negligent construction and maintenance of the structures and equipment hereby authorized. In case any action is commenced against the Township on account of the permission herein given, said Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage arising out of such negligent construction and maintenance.

SECTION 5. EXTENSIONS. Said Grantee shall construct and extend its gas distribution system within said Township, and shall furnish gas to applicants residing therein in accordance with applicable laws, rules and regulations.

SECTION 6. FRANCHISE NOT EXCLUSIVE. The rights, power and authority herein granted, are not exclusive. Either manufactured or natural gas may be furnished hereunder.

SECTION 7. RATES. Said Grantee shall be entitled to charge the inhabitants of said Township for gas furnished therein, the rates as approved by the Michigan Public Service Commission, to which Commission or its successors authority and jurisdiction to fix and regulate gas rates and rules regulating such service in said Township, are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition therefor being made by either said Township, acting by its Township Board, or by said Grantee.

SECTION 8. REVOCATION. The franchise granted by this ordinance is subject to revocation upon sixty (60) days written notice by the party desiring such revocation.

FREEDOM TOWNSHIP PROPOSED SYNOPSIS April 13, 1993

The meeting was called to order with all board members, and several citizens, present. Minutes and treasurer's report were approved with \$58,316.18 in the General Fund, \$4.10 in the Liquor Fund and \$28.00 in the Recycle Fund.

Various communications were read and discussed including fire runs and several newsletters and meeting announcements. The Planning Comm. reported additional meetings on the proposed Lafitte gravel operation, gravel haul routes and a new mining ordinance have been held and will continue.

Under old business, the Board discussed the glass recycling bin and agreed to look at purchasing a smaller bin. Recycling of glass will be temporarily unavailable. The Board approved compensation for maintaining the recycle bins.

New business included approval of the McKune Memorial Library contract and the Washtenaw County Tax Systems agreement. Local road projects were scheduled: repair will be done on Waters Rd., one solid brine application throughout the Township in spring, and possibly a spot application in August. Permission to live in a trailer while repairing a home was given, and the Board agreed that damage deposits should be collected from groups who routinely use the townhall for free but fail to clean and lock it properly.

Bills #3595 through #3622, (voided #3599) were approved for payment. The meeting was adjourned at 11:30 p.m.

PROPOSED SYNOPSIS of a Regular Meeting of the Manchester Township Board held Tuesday, April 13, 1993:

The meeting opened at 8:02 p.m. with members present: Mann, Turk, Macomber, Hakes. Absent: Widmayer. Also present: Vincent Edwards, Fire Chief Keith Johnson, Constable Lyle Moore.

Mr. Edwards of Consumers Power explained the proposed gas franchise ordinance, and the Board moved to adopt Ordinance #38-Consumers Power Company Gas Franchise.

The Board approved the minutes of their March meeting and accepted the Planning Commission and Board of Appeals minutes.

The list of bills paid since last meeting was reviewed. Treasurer Turk reported \$20764.63 in the General Fund. Approval was given for payment of bills totaling \$14159.35 in the General Fund and \$656.28 in the Fire Equipment Fund.

The Board authorized the Supervisor and Clerk to sign the agreement with the village for use of space for the Michigan State Police.

A resolution was passed stipulating that all permits for new residential construction in the township issued between now and December 1, 1995 be charged at a rate of \$17 per residential unit for each year remaining in

Manchester Softball — Karen Strock

Manchester's varsity softball team scored runs by the dozens last week. On Wednesday, they played their third non-conference game, losing to Dexter 14-13. This may have been one of those games which helps build character, as it certainly appeared that they would have an easy win, leading 11-2 early in the game. Dexter kept chipping away at our lead, scoring two or more runs in each inning beginning with the third.

Shan Lee pitched all seven innings, allowed 12 hits, walked 8 and struck out 3. The Dutch had only 7 hits, but collected 19 walks. Michelle Strock led the way with 3 hits and 2 RBI's. Beth Hayden and Kerri Keller each scored twice. Other hits belonged to Keller, Bragg, Butterfield and Lee.

The big change for the Dutch was that they only struck out five times for the evening. The downside of the evening was when Kerri Keller suffered a whiplash injury when she collided with the base runner on an errant throw to first. Coach Gall expects that she will be out of action for about a week.

The first conference game of the year was on Friday night when Vandercook Lake visited Manchester. Manchester won in five innings, 18-8.

Shan Lee was on a band trip and senior Beth Hayden pitched the game from start to finish. In Beth's first win she pitched five innings, struck out five, walked only two, and gave up nine hits. In addition, she collected four RBI's on a double and a single, had two walks and scored one run. Senior Michelle Strock was

ready offensively with two hits and three RBI's. She scored one run and Sandi Fielder, running for Strock, scored twice.

Other Manchester hits were by Jenny Williams, April Butterfield, Adrienne Wallace and Renee Wackenhut. Franki Bisard and Jenny Ash scored a combined seven runs on seven walks.

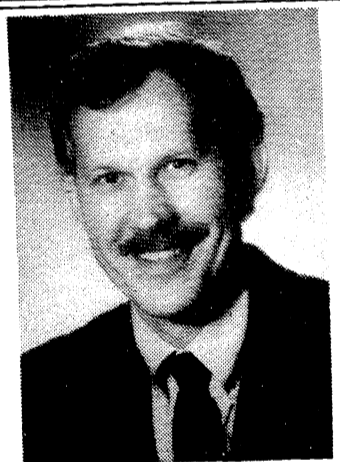

The Manchester varsity softball team consists of primarily underclassmen, some who have little playing experience, but they have proven that they can entertain those who like softball. Games this week, each starting at 4:30 p.m. are: Tuesday at Clinton (double header); Wednesday at home vs Napoleon; and Friday at Addison. See you there!

This year's track season has gotten off to a good start in spite of the terrible weather. Cold, wet weather makes it very difficult to reach peak performance. As a result, the coaches have noticed times to be a little off from last year.

Denny Steele has accepted the job of coaching the women's team and seems to be making good progress. They took home nine medals at the Addison relays. Marks/Faulhaber/Minor took 3 first place medals in shot put and 3 fifth place medals in discus. Clouse/Morgan/Helfrich took 3 fifth place medals in long jump. The team of Minor/Burkhardt/Morgan/Faulhaber placed sixth in 100M hurdles.

The team placed eighth out of 13. Not bad, considering they only have 14 members on the team and they ran against two class B schools.

Coach Steele said of the team, "We are not a big team with only fourteen, but we have some real good talent. Overall the team ran very well considering the cold weather."

In Chelsea the men's team did well. They picked up several new and welcome athletes this season. The freshman on the squad are working hard and getting noticed. By the end of the season they will be putting points on the board. Matt Fielder took a third in shot put (36'6-1/2"). Hoelt and Goodell tied for first in high jump (5'8"). In pole vault, Spork tied for first with freshman Hollosy (8'). Hoelt took second in 110M high hurdles (:17.5).

The Davises took first and third in the 100M dash with Jeremy running :11.91 and Brad running :12.66. Faulhaber ran first in the mile (5:00.47), with Goodell taking second (5:03.21).

Jeff Weidemeyer placed third in the 800M run (2:15.47). Faulhaber ran third in the two mile (time not available). J. Davis took first in the 200M dash (:24.01).

The relay team of Davis/Davis/Spork/Weiss took first in the 400 M Relay with a time of :47.94.

The ladies' team was a little shaky in Chelsea, but did put some points on the scoreboard.

Marks took first in shotput (32'-1/2"), with teammate Faulhaber taking third (28'-1-1/2"). Marks also took third in discus with a throw of 89'10".

Clouse won the long jump with a jump of 15'2". She also took third in both the 100M dash (:14.7) and in the 400M dash (1:11).

Amber Burkhardt was second in the 300 hurdles with a time of :53.6 and third in the 200M dash (:30.1).

An Evening with Bo Schembechler and Jerry Hanlon —by Jon

Pictured above: Left to right, Manchester's Coach Wes Gall, with guest speakers Bo Schembechler and Jerry Hanlon. — Photo by Jon

Legendary football coach Bo, and his longtime friend and assistant coach Jerry, came to town on April 15 to support Wes Gall's weightroom project. Bo was introduced by Manchester's own legendary coaches, John Korican and Wes Gall.

Bo has a very unique and interesting philosophy on sports and life. He spoke of four basic ideas in detail. They were: hard work and basic fundamentals; communication and leadership by coaches and players; you have to have heart; and the most important is honesty and integrity both on and off the field.

Bo had many interesting stories of which one really stuck in my mind. A young man in the early 70's walked into Bo's office and said that he wanted to play football for U of M, but Bo said that he was too small. He reminded Bo of what he had said at a gathering at his highschool, that if anyone of us ever wanted to accomplish something and we made up our mind to do it, we could do it and shouldn't let anyone talk us out of it. "And you are trying to talk me out of it." This player that went on to become a starter and team captain in his senior year and is Bo's Most Valuable Player, is Don Warner.

Jerry's speech was very short but he mentioned that if you have a dream, don't abandon it, keep pursuing it and it will happen. It was a great night and Bo spent much time giving autographs. Close to \$1,000 was raised.

We can all help to make the weightroom project more than a dream. Video tapes of this night's program are available for rent for \$3. Please call Wes Gall at 428-7175 or Jon at Jon's Photo Shop 428-9509.

The Manchester High School Equestrian Team will have a meeting May 16, 1993 at the home of assistant coach Rachel Burkhardt, 6:00 p.m. If you are interested in joining the team for the '93 season, please come to the meeting. For additional information, call Rachel at 428-9656 or coach Kathy Kuefner 428-8005.

JV Softball

The Manchester junior varsity softball team is off to a quick start, compiling an early season record of three wins, one loss. They opened the season with a 38-1 rout over Adrian Madison. Leading the Dutch offensively were Andrea Clark with four hits, and SheaAnn Janus and Heather Panches with two hits apiece. Heather Panches pitched five innings, allowing only one hit while striking out 7 batters.

The Dutch traveled to Sand Creek for their second game and left victorious by a score of 17-4. Leading the Dutch offensively were Jenny Nosbisch, Heather Panches and Erin Binder with two hits apiece. One of Binder's hits was a home run. Panches pitched five strong innings allowing one hit and striking out eight batters.

The third game of the season pitted the Dutch against Saline. The Dutch came out on the low end of a slugfest losing 20-15. Leading hitters were Jaimie Knouase and Darci Hock with two hits apiece, and SheaAnn Janus, Jenny Nosbisch, Andrea Clark, Heather Panches and Robyn Yeutter with one hit apiece. Heather Panches homered for the Dutch.

The Dutch rebounded against Dexter, winning 31-7. The Dutch scored early and often by the hitting of SheaAnn Janus, Heather Panches, Erin Binder and Jenny Nosbisch with each getting one hit. Jaimie Knouase and Heather Panches pitched for the Dutch, limiting Dexter to five hits.

Team members for the Dutch include: SheaAnn Janus, Darci Hock, Andrea Clark, Sandi Fielder, Heather Panches, Jenny Nosbisch, Erin Binder, Jaimie Knouase, Erica Panches, Keri Fuqua, Robyn Yeutter and Karly Sweeton.

Manchester Division of Michigan Wrestling Federation — Coach Darroll Trinkle

Front row, left to right: James, Jeremiah and Joshua Tobias. Back row: Josh Knouase, Will Slocum, Justin Knouase, Dave Herman, Coach Darroll. Not pictured: Mark Trinkle, Brian Duvall. These are the wrestlers who qualified to move into Holt Regionals.

On April 17, we traveled to Jackson Northwest. Wrestlers who took home medals were Dan Fleck-2nd, Mark Trinkle-3rd, Joshua Tobias-2nd, Jeremiah Tobias-1st, Justin Knouase-3rd. Other wrestlers were Nathan Smith, Josh Knouase, Keith Peaseley, Dave Herman, Willie Slocum.

April 24 we were at Dexter High to qualify for Regionals at Holt this coming Saturday, May 1. There was a smaller crowd than last time we were at Dexter; only about 350 kids this time. Our wrestlers who qualified were: James Tobias-3rd, Mark Trinkle-3rd, Joshua Tobias-4th, Josh Knouase-2nd, Jeremiah Tobias-1st, David Herman-1st, Willie Slocum-3rd. Other wrestlers who attended were Nathan Smith, Justin Knouase, Keith Peaseley and Luke Hollosy.

This brings our season to a close but be sure to watch and see how our kids do at Holt. We are seeking donations from the general public and local business people. We would like to purchase matching singlets and t-shirts for the kids and a first-aid kit to have on hand. May 23 we are having an awards potluck dinner at Coach Darroll's house. Feel free to come out and meet the kids and ask questions. Perhaps you have a 'wannabe' wrestler who is interested in wrestling next year. Dinner is at 2:00 the meeting should begin around 4:00. Coach Darroll's phone number is 428-9623 for questions.

Special Track Announcement — by Jon

Our special Manchester Metrics will be held on Saturday, May 15. Volunteers are needed in the concession stand and on the field.

Please contact athletic director Dave Swanson at 428-9336, or me at Jon's Photo 428-9509. Two other special dates to remember, our varsity track team has only two home meets this year with one this Thursday as the Grass Lake Warriors visit at 4:30p.m. and on May 6 we welcome East Jackson.

Lecture Looks at Children's Skill Development

Saline Community Hospital is sponsoring a free lecture on "Is Everything OK? Identifying Developmental Delays in Your Children" at 7:30 p.m. Thursday, April 29, at The Children's SPOT, 400 Bemis, Saline.

Although children develop at their own rate, there are signs parents can spot when their child is having trouble. Therapists from The Children's SPOT, Saline Community Hospital's center for Developmental Services for Children, will offer suggestions on how to recognize these signs and when children could benefit from additional help. The Children's SPOT recognizes that help in the early years can get a child back on track for later skill development.

For information, call Diane or Teri at 429-1522.

Free Camp For Children With Asthma

The American Lung Association of Michigan (ALAM) is now accepting applications for volunteers and campers for Camp Sun Deer, a free, week-long summer camp for 9-to-12-year-olds with asthma.

Camp Sun Deer will be held June 20-26 at the Battle Creek Outdoor Education Center in Dowling, Michigan. If you have or know of a child with asthma who would love to attend a summer camp, but has been unable to in the past, Camp Sun Deer is a must!

Children who attend Camp Sun Deer will experience all of the wonderful excitement that camp has to offer, while under medical supervision. With the support of trained medical professionals, campers will be able to participate in activities such as swimming, fishing, boating,

arts and crafts, volleyball and many other fun-filled summer-time activities.

At a time when neighborhood children are going to camp, the child with asthma is often left behind. At Camp Sun Deer, not only will the asthmatic child go to camp, but he/she will be in the company of other children with asthma. The mutual support and education provided during Camp Sun Deer can be a lesson that will last a lifetime.

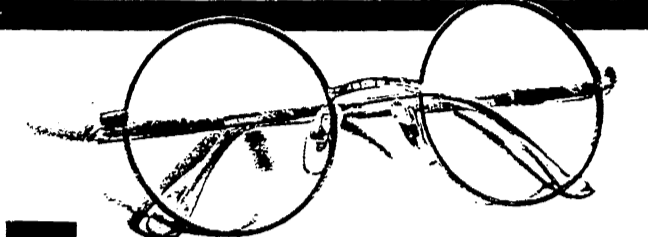

For more information about applying for this free camp, call the American Lung Association of Michigan at 1-800-LUNG. Applications must be completed by parents or legal guardians and family physician and returned to ALAM by May 3, 1993. Volunteers with medical experience are also needed.

Kindergarten Pre-registration for 1993-94

In an effort to identify all 1993-94 potential kindergartners, we need your assistance.

If you have a child who will be 5 years old on or before December 1, 1993, please contact Klager Elementary School at 429-8321 between the hours of 7:30 am and 3:30 pm.

Our Kindergarten Round-up is tentatively scheduled for the first week in May and information will be mailed to those families who have pre-registered their child. Thank you.

INFORMATION

From the Office of Ronald J. Schebil, Sheriff

The Washtenaw County Sheriff Department Underwater Search and Recovery Team will be hosting its third Annual Dive Team Fundraiser on Saturday, May 8, 1993, to be held at the Elkslodge #325, 325 Eisenhower, Ann Arbor, next to Briarwood Mall.

All who come will be enjoying a buffet style dinner, entertainment and dancing to "G-Major" from 6:00 p.m.-12:00. There will also be drawings for a multitude of valuable door prizes donated by local merchants.

Price of admission for the fundraiser is a donation of \$10/person which may be purchased in advance or at the door. All proceeds will be used to purchase equipment and provide training for the Washtenaw County Sheriff Department Un-

derwater Search and Recovery Team.

For further information or to purchase tickets, please contact the Washtenaw County Sheriff Department, Marine Safety Section at 971-7551.

Sheriff Ronald J. Schebil and the Washtenaw County Sheriff Department will be hosting an Open House at the Washtenaw County Corrections Facility, located at 2201 Hogback Road in Ann Arbor, Tuesday, May 4 and Thursday May 6, 1993 from 6:00 to 9:00 p.m.

The public is invited to visit the facility and take part in a supervised tour of the jail, Central Dispatch Center, Information Services Section and the Criminal Investigation Section. The Sheriff Department, Huron Valley Ambulance and Washtenaw County Emergency Management will also be pro-

viding informational materials and/or display booths on the following:

- Drug Abuse Resistance Education (D.A.R.E.) Program
- Youth Impaired Driving Program
- Crime Prevention Program
- Child Fingerprinting/Identification Program
- Corrections Services/Medical Services/Food Services/Transport
- Special Weapons and Tactics (S.W.A.T.)
- Hostage Negotiations Team (H.N.T.)
- Marine Safety Section
- Human Resources Section
- Huron Valley Ambulance
- Emergency Operations Center.

Dog Walkathon Slated To Benefit Humane Society

Humane Society of Huron Valley (HSHV) is stretching its legs and gaining speed as preparation for the 14th annual Dog Walkathon gains momentum.

On Saturday, May 8, in celebration of "Be Kind to Animals Week," hundreds of Humane Society supporters—and just as many dogs—will spend a fitness-filled day mixing fun with exercise to raise money to feed and house Washtenaw county's thousands of homeless animals.

All animal lovers and walking enthusiasts are invited to join the fun beginning at 9 a.m. as walkers gather at the Shelter to head out on a scenic six-mile route on country roads.

This year HSHV hopes to draw at least 500 walkers in an attempt to raise \$50,000. Last year walkers raised \$43,000 for the animals.

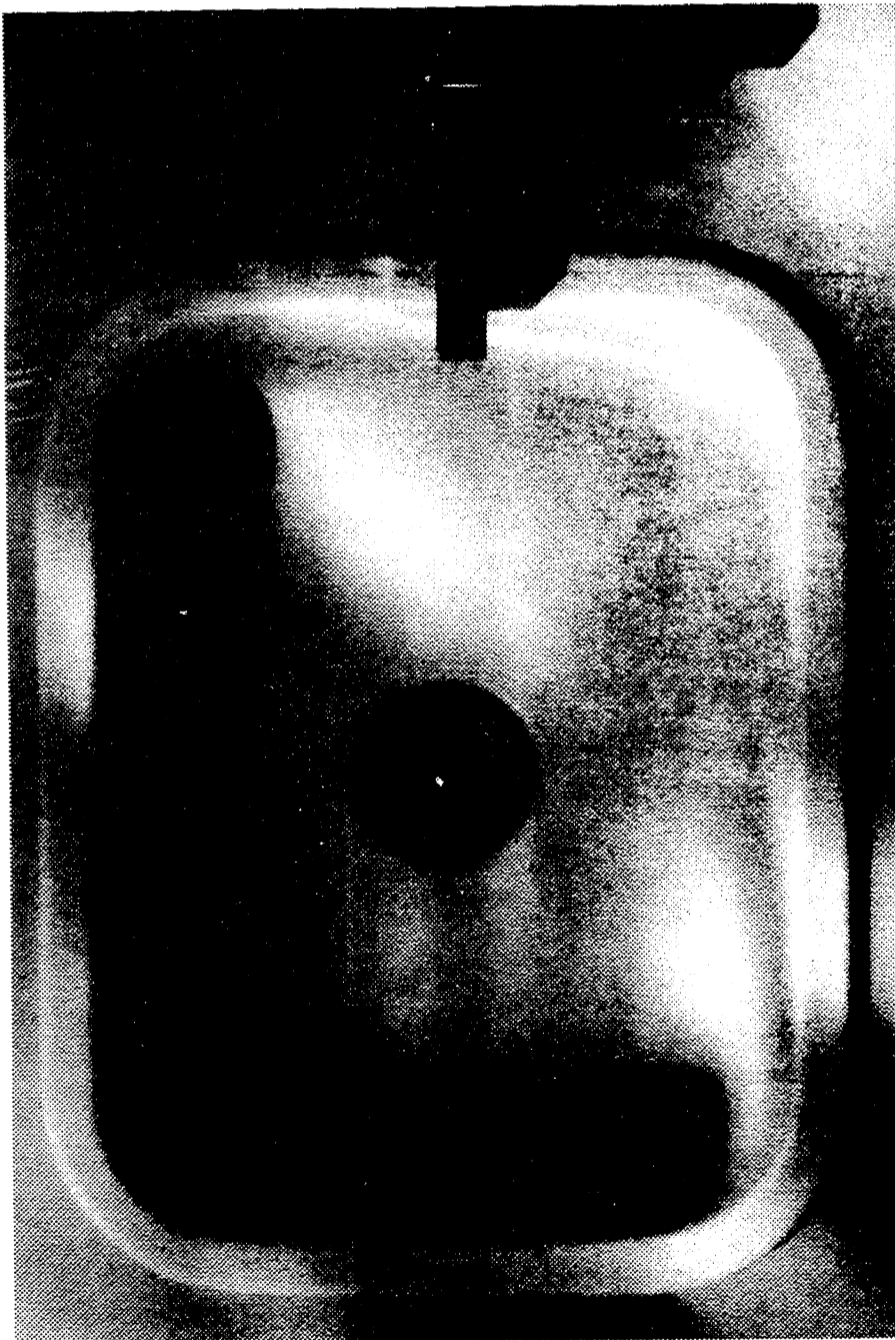

To encourage those extra miles and pledges, this year's

grand prize is a Sony Video 8 Handycam. Many other prizes will also be awarded to both individual and team walkers.

To obtain a pledge sheet or to make a pledge, call (313) 662-5585, ext. 113, or visit the Shelter at 3100 Cherry Hill Rd., Ann Arbor. The shelter is open Thursday through Tuesday, noon to 6 p.m. With or without a dog, take a walk with the Humane Society and benefit not only the animals but your health as well.
