Get Ready For Manchester's 27th Annual Canoe Race

— Ron Zang

Sunday, May 16 marks the date for a Manchester tradition that improves with age; the 27th Annual Amateur Canoe Race. This event, sponsored by the Manchester Recreation Task Force, invites canoe enthusiasts, young and old to ply the beautiful River Raisin for an afternoon of fun and competition.

If you have ever paddled down the River Raisin between Fellow's Bridge on Sharon Valley Road and the Main Street Bridge in downtown Manchester, you'll agree that the winding, coursing river displays an emerald beauty that compares to the magical *Wizard of Oz* kingdom.

And on May 16, starting at 1:00 p.m., the first of many competitive pairs will launch themselves from the starting line in hope of winning one of the many trophies offered as prizes.

Last year, over 60 entries competed in five different classes that allowed individual contestants to match partners to whim. This bracketing holds true for this year also. One of the favorite categories is Adult and Child, the one in which a father or mother spends quality time in the art of cooperation with their son or daughter. Women can pair off too in their own category, a class which frequently draws a loyal following. Another category exists for Man and Woman, and often brings in some of the quickest times.

The final two classes include Choose Partner, and Competition. No specific sex group enters these groupings, yet men tend to be the entrants. And the Competition class tends towards seasoned and experienced racers, those who visually train to compete against the rugged French of the Canadian North.

Bill Schwab, race coordinator, has made it easy for race contestants to enter this year's competition. Local Manchester businesses, including Pyramid Office Supply, Manchester Pharmacy and Movieland, have applications. The Community Resource Center also has applications.

Manchester Teams Take First Place in Equations Super Tournament

The 1993 Equations Super Tournament was held on Tuesday, April 27, at the Lenawee Vo-Tech Center. Both seventh and eighth grade teams from Manchester took first place.

One of the teams started out strong and continued to do well throughout the day, easily taking first place. The other team was in fifth place going into the final round. They achieved a perfect score which carried them up to their first place finish.

The teams consisted of Pat Chapin, Sean Clifford, Joe Funk, Jim Donnellon, David Staten, Angelo Petrino, Brad Kemner, Chris Gilbert, Jason Miner and Katie Tolen.

The Super Tournament was the final competition of the six Equations tournaments that have taken place over the past six months.

Middle School Places Third in Regional Mathcounts Competition

Pictured above, front Angelo Petrino, Brad Kemner, back Patrick Chapin, math teacher Mrs. Mary Ann Fielder, and Rebecca Koffman

A team of students from the middle school competed in the 10th annual Mathcounts Regional Competition in late February. Patrick Chapin, Angelo Petrino, Brad Kemner and Rebecca Koffman met at the Radisson Conference Center for the contest.

Mathcounts is a high-level competition sponsored by the Society of Professional Engineers. Manchester has been

participating in the Mathcounts program for ten years. The third place finish is the best a team from Manchester has ever achieved.

The team members all received trophies for their excellent effort. An alternate team consisting of Hydy Paige, Sean Clifford, Ryan Roberts and Jayme Haskins also participated in the competition to gain experience for future math contests.

Winners in WWRA Poster Contest

The Western Washtenaw Recycling Authority (WWRA) sponsored a recycling poster contest for residents of the villages of Chelsea and Manchester and surrounding townships.

Theme ideas included benefits of recycling, why everyone should recycle; what happens to materials that are recycle, etc. The WWRA logo had to be included in the poster.

Posters were judged on clarity of message, artistic design and appeal to the general public.

A first, second, third and honorable mention winner from each school was selected by the Recycling Education Committee.

Pictured above: Manchester Twp. Supervisor Ron Mann presented awards to: standing (left) Derrick Smith-2nd place, (right) 1st place winner Tristan Kladzyk; front row (left) Amy Preston-honorable mention, and Laura Meyer-3rd. All are fourth graders at Klager Elementary.

From The Ground Up

—by BG

The flowers are in bloom, the Magnolia trees are lovely and it's grass cutting time. What do you do with the clippings?

One school of thought tells you to cut the grass frequently leaving the short clippings on the lawn for nourishment. Some people will bag the clippings to put out for the trash haulers. Others use the clippings as a mulch in the garden or as an addition to a compost heap.

A compost pile can be just that, a pile, or a simple circle of woven wire or a perforated trash can. The whole system could be very elaborate with several bins, frequent agitation, thermometers and definite proportions of materials.

The ingredients in either case are the same: clippings,

shredded leaves, garden waste, kitchen scraps, coffee filters, soil, manure and such.

Do not use clippings treated with herbicides or insecticides, diseased garden material, meat, bones, cheese or dog and cat droppings.

An unattended pile will take a year to decompose to an usable state. The most elaborate system will do it in three or four months. The results may not look like much but it does wonders in the garden.

The low-growing white flower, now blooming so nicely with the bulbs, is a perennial called Arabis or Rock Cress. If it is already in your garden, cut it back after blooming and it will flower again this summer. If you would like the flowers for next spring, sow the seeds now.

A satisfactory method for growing perennials from seed is to sow them in a small area that is easily tended. In August, move the small plants to the permanent location where they can put down good roots for flowers in future years.

Fourth Season for the Chelsea Farmers' Market

Saturday, May 1, was the opening day for the Chelsea Farmers' Market. The Market runs from 8:00 a.m. to 1:00 p.m. in the Municipal Parking Lot off Park and Middle Streets in downtown Chelsea.

The Market will sponsor a Pumpkin Growing Contest this year. Participants are asked to pick up their official contest seeds in May at the Market. Using their best horticultural techniques to plant and fertilize, contestants will vie to produce the largest pumpkin. On October 9, the pumpkins will be brought back for judging. Prizes will be awarded.

The Chelsea Farmers' Market has grown from its original start in 1990 where it was originally located by the depot. Last year the Market was moved to its present location in the Municipal Parking Lot. With plenty of space for expansion and parking the Market is thriving. The Village Council formed a Farmer's Market Commission to address the needs of the Market as it continues to grow.

Vendors offer plants, eggs, baked goods, crafts and fresh seasonal produce. Since each vendor is required to produce their own merchandise, FRESH is the key word to describe the produce. Ray Schairer will be back with his hand-crafted woodenclocks and "bones". Bob Benedict may on occasion be seen playing the bones.

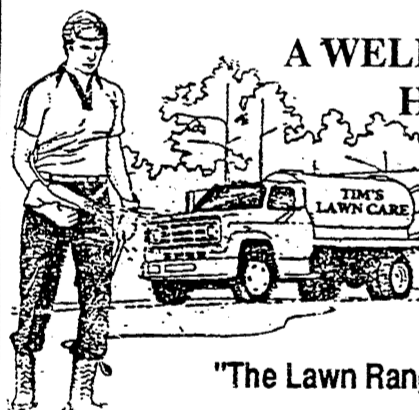

The vendors are looking forward to seeing the Market regulars and meeting new customers.

Second Front Page: Project Rural Education Day

Jeff Horning tells the group of Manchester third graders about dairy farming.

Third Graders Attend R.E.D.

—by Michael Fuerstnau, Third Grade, Klager Elementary

All the third grade classes went to the Washtenaw Farm Council Grounds on Wednesday, April 28. We went to see displays for Rural Education Days — R.E.D.

We learned what Michigan was like at the time when President Abraham Lincoln was alive. A man named Bill Ames was dressed like Lincoln, and he was interesting. He told us about Michigan resources. Some of them are: cherries, raisins, corn, cotton, wool, dairy products, beef and pork.

We saw how wool gets turned to yarn. First it gets washed. Then it still wasn't clean, so the lady used a "picker" on it. Next she put it through two rolling cylinders with teeth that

made the wool straight and flat. Finally, she showed us how to spin it into yarn. She had some colored yarn she had already spun to show us.

We heard about how much dairy cows are fed, twice a day to make milk. The farmers milk all the cows twice a day with a milking machine. It is a lot of work.

A lady talked to us about how corn is grown. It is used for the cattle and people. Sometimes the corn gets corn worms, so the farmers put out poison to kill them.

We got a lot of brochures when we left. We each got a small pine tree to plant at home.

I had a good time on this field trip. It was neat!

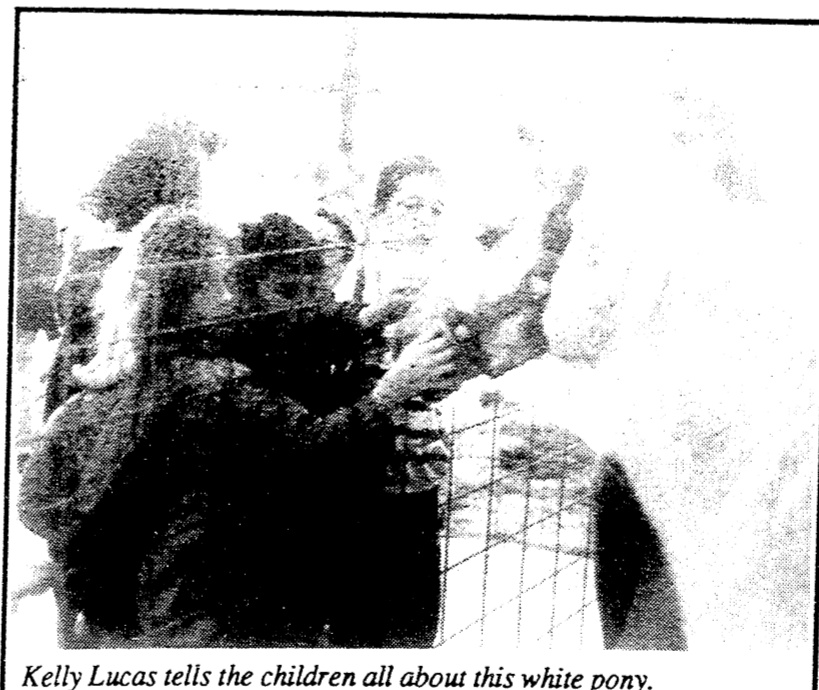

Members of Manchester High School Leadership Class showed the third graders the animals which are found on farms. Above, Matt Weithoff holds a baby angora goat for the children to see and pet.

Klager kids look at containers full of different kinds of corn that are grown on crop farms. Mrs. Mildred Huehl also showed them the various types of farm machinery used in planting and harvesting.

Optimist Student of the Month

Tracy LaRue receives Student of the Month Award from high school principal Russ LeBlanc.

Tracy LaRue of Manchester High School has been named the Optimist Student of the Month for April. She is the daughter of Karen and Brian LaRue.

Tracy is a most deserving recipient of this honor. She has an outstanding academic record. For the past three years, she has been on the A/B honor roll, has been a member of the National Honor Society, and has received the Presidential Academic Fitness Award. She is an excellent social studies student and a member of the Cascades Conference Social Studies Academic Team. Tracy entered the Optimist Essay contest and took third place.

Tracy also excels in athletics, earning varsity letters in all three years. She is a co-captain of both the basketball and volleyball teams. Tracy has received All Conference Honorable Mention in both volleyball and basketball. Her AAU volleyball team has achieved a third place in state competition and 17th in nationals.

Tracy is very involved in school and community activities. She is the vice president of the Class of 1994, a member of the steer club, a member of Students Against Driving Drunk, and the president of the Spanish Club. This past fall, Tracy was a homecoming queen candidate at the high school. In 1993, she was the Manchester Community Fair Queen second runner-up.

Tracy hopes to attend James Madison College at Michigan State University and is considering law school.

Accreditation Extended

Principal Russell J. LeBlanc of Manchester High School, announced that the school's North Central Association accreditation has been extended through the 1992-93 school year. This action was taken at the NCA's Annual Meeting in Chicago, IL, on April 7, 1993.

"Along with hosting periodic on-site evaluations by a visiting team of educators, each NCA school is accredited on the basis of an annual report on conditions in the school and on such supplementary information as the Commission on Schools requests," Principal LeBlanc explained. "The continued accreditation means that the conditions for effective education exist in the school."

The North Central Association is the largest of the country's regional accrediting agencies. It is a voluntary coalition of over 7,000 schools and over 1,000 colleges and universities in the nineteen-state region of the

central United States. The Association works with schools to improve the quality of education through a continuous process of accreditation and evaluation.

Lt. P Collins, a Mississippi State Trooper, gave a moving speech to 7-12 graders at the Manchester High School gym on March 30. In a little over an hour, he captured the hearts and minds of many young people. The reaction from the students was tremendous. "As I was listening, I couldn't help but get choked up," replied one MHS student.

Lt. Collins related to the students very well. He gave the students an idea of what it is like to be a parent getting a "knock on the door" late at night and telling them their son or daughter is not going to return.

Lt Collins visit was made possible by many generous contribution. The SADD Chapter would like to thank all of the individuals and groups that contributed.

Area Ministers Invited to Kiwanis Breakfast Meeting May 13

Manchester Kiwanis members will recognize Worldwide Kiwanis Prayer Week May 9-15, 1993, said Jerry Hayes, president of the Kiwanis club of Manchester.

In observance of Worldwide Kiwanis Prayer Week, the club has invited all of the local ministers to their May 13 breakfast meeting where the ministers will be honored.

"We want to let all of the ministers know that each and every one of them is appreciated even though sometimes we forget to tell them", said Hayes.

The observance, which began in 1980, provides Kiwanis Clubs with an opportunity to promote religious activities throughout the community as well as recognizing individuals for their outstanding contributions to spiritual welfare, said Hayes.

The first Kiwanis club was chartered on January 21, 1915, in Detroit, Michigan. Today, Kiwanis has grown to number 8,800 clubs and 330,000 members in 84 countries around the world.

Clubs sponsor community service projects under the motto, "We Build". Last year, Kiwanis clubs raised and spent more than \$65 million on community service activities, with a special emphasis on meeting the needs of young children. Kiwanis members also donated more than 22 million volunteer hours to these service activities.

A Mother's Love

I have not found the word, I cannot find One single phrase to satisfy my mind, Or any synonym that might express A mother's love—that love with power to bless The love of any child within her care, An expended love, and yet enough to share With other children if there be a need ... Elastic, tender is that love, indeed. It is spent, yet saved; it is emptied, yet filled up, As steady rain will brim an upheld cup. It is gentle and yet tiger-fierce when harm Threatens her young through any quick alarm. It is selfless as the love of Christ for humans. It is holy, it is beautiful, but when The seeking heart strives to define its worth ... There is no word for it in heaven or earth!

Spring Concert Presented by Manchester Chamber Orchestra

The Manchester Chamber Orchestra will present their Spring Concert on Sunday evening, May 16, 1993, at 6:00 p.m. at St. Mary's Church in Manchester. The community-based group is a volunteer organization that performs string music of all styles.

This program will include works by Handel, Pachelbel and Satie. Bach's "Jesu, Joy of Man's Desiring" will be sung by soprano Linda Conzelmann.

Carol Palms will perform two suites for unaccompanied viola by Bach and Regner. Susan Gleason will be featured on the folk harp, and assorted wind instruments will join the orchestra for some dance music of a lighter fare.

Please join us for an evening of good music! The Spring Concert is free and public is welcome.

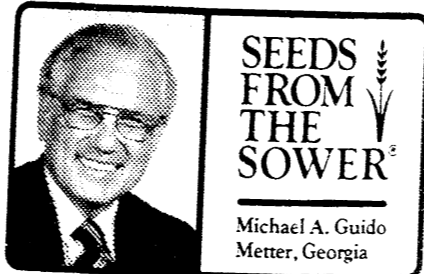

A Nation Prepares to be United in Prayer — Locally at Manchester Township Hall, Noon Thursday, May 6

Thursday, May 6, 1993, marks the 42nd consecutive observance of the Annual National Day of Prayer. Once again, Americans are encouraged to set aside time for concentrated prayer at work, school, home or church.

"As Americans pray together, we will find new strength and guidance from God — both as individuals and as a nation," said Shirley Dobson, chairman of the National Day of Prayer. "United prayer can help us renew our commitment to our moral and spiritual heritage so we can fulfill our potential as a nation."

"Five minutes can make a world of difference when a nation unites on its knees," said Mrs. Dobson. "I hope millions will agree to acknowledge our dependence on God and thank Him for the blessings this country has received."

One day I asked, "Sandy, where are elephants found?" "They're so big," she answered, "they're seldom lost." It matters not how big you are in your eyes or in the eyes of others, if you haven't come to Christ you're lost.

Saturday, April 24, 1993 was the date and Saline High School was the setting as sixteen members of the Jolly Farmerettes 4-H Club took part in the 1993 4-H Spring Achievement. These members participated in individual judging on the construction of their garments and in an evening style revue for parents and guests.

The results of individual project construction judging were as follows: Blue ribbon recipients were Arianne Chartrand, Emily Parr, Annie Wiley, Michelle Mann, Jennifer Schulze, Suzanne Lowery, Mindy Weir, Joanne Eversole, Hannah Goodrich, Jodi Feldkamp and Andrea Clark. Red ribbon recipients were Katie Tolen, Erin Kane, Erin Wiley,

Danielle Croghan and Angie Cooper. Purple Honor ribbons for excellence in sewing construction were awarded to Annie Wiley, Arianne Chartrand, Emily Parr, Jodi Feldkamp, Suzanne Lowery and Hannah Goodrich.

At the evening style revue the following club members received additional awards as follows: Beginner Sewing Construction - Annie Wiley received 2nd place; Young Sewing Construction - Emily Parr received 3rd place; Junior Sewing Construction - Suzanne Lowery received 1st place and Jodi Feldkamp received 2nd place. Under the awards for modeling, Suzanne Lowery received 1st place and Jodi Feldkamp received 3rd place in

the Junior Style Revue category with Angie Cooper receiving honors.

The evening's activities also included the presentation of the 1993 4-H Teen Ambassadors for Washtenaw County. Sarah Feldkamp, absent from the evening's activities, will be one of this year's delegates and will be promoting 4-H locally, county and state-wide.

At the conclusion of the day's activities members traveled home knowing that they are "all winners" because of their particular talents, achievements and ability to "Make The Best Better."

D.A.R.E. Ceremony Held For Klager Kids

With Klager student essay competition winners, Optimists, left to right: Klager principal Yvonne Henry, teachers Jim Kryzaniak, Mrs. Raus, Kay Miller, Karen Ellsworth, and Sgt. Werner

D.A.R.E. stands for Drug Abuse Resistance Education. For 17 weeks, the fourth grade classes at Klager learned not only how to say "NO to drugs", but why to say No to drugs.

Sgt. Carl Werner of Manchester taught the elementary students what happens to your body when you use drugs and alcohol. They talked about peer pressure and things to say and do to avoid the start of drugs. Also, what the different drugs are and why they are illegal.

The students were each given an assignment of writing an essay on what D.A.R.E. meant to them. The finalists received a medal and were given the opportunity to read their essays at the banquet.

On the evening of April 28th, the D.A.R.E. class was honored with a Culmination Ceremony.

Not a graduation ceremony, as a culmination is to continue to do something, like NOT use drugs and other abusive substances, for life. The students received diplomas for completing the course and a bag of goodies for their great work.

Washtenaw County Sheriff Ron Scheibel was on hand to help pass out the diplomas and to congratulate the students after a heart to heart talk with the student and the family members present. He praised the families of Manchester for their support towards the children and their decision to JUST SAY NO TO DRUGS!

So, when you see a student proudly wearing a black and red t-shirt that says D.A.R.E. on it, give that kid a smile and let them know you're behind them one hundred percent!

Rossini Opera This Friday

You're invited! The delightful La Cenerentola will be presented this Friday, May 7th, on the large screen video at the Blacksmith Shop, beginning at 7:30 p.m.

This is a presentation by "Opera Night in Manchester" and is offered free of charge. All Manchester friends and neighbors — opera novices and opera buffs alike — are welcome.

The story is familiar: it is the Cinderella story. But the music and production are like nothing you have ever seen!!! The composer, Gioacchino Rossini, is known as the most entertaining of all opera composers.

If you have wanted to introduce yourself (or your children) to opera, this may be one of the best chances. It is fun; it is "fan-tas-tic!"

Don't miss it! This Friday. Good music, good theater, good company.

For more information, contact Maan Baki at Pyramid Office Supply on Main Street, 428-8963.

Recreation Task Force

The Manchester Recreation Task Force will hold its monthly meeting Tuesday, May 11, 7:30 p.m. at the Blacksmith Shop. The agenda will include information on the Canoe Race and the Manchester Summer Recreation Program

The welcome mat is still out for Manchester High School seniors for an hour of your time. We can help one another in our summer recreation programs.

Volunteers to help with the programs are always welcome.

Manchester Community Fair Update

On Monday, April 26, 1993, the Manchester Community Fair Board hosted the Michigan Association of Fairs & Exhibitions Zone #2 spring meeting. Among those attending were several representatives from the Michigan Department of Agriculture, Tom Tomaszewski, Marilyn L. Thelen and Carol Shamka.

Attending from the Michigan Association of Fairs & Exhibitions were: Charles Kline, president, Midland; Kurt Kipling, past-president, Marquette; Linda Schaffer, immediate past-president,

Carleton; Terry Bonnell, secretary, Allegan; Roland Alling, Kalamazoo; and, conducting the meeting, B. John Baldy, director of Zone 2, Detroit.

Mary Ann Slaggett from Clare presented program on computers and the Fairs.

The Manchester Community Fair will be held July 6-10, 1993. The Fair Board is planning some new events for the Fair. They will include open class goats and a sheep shearing championship.

Manchester Volunteer Labor Helps Ronald McDonald House in Ann Arbor

— Marsha Johnson Chartrand

The community of Manchester has always opened its heart, its labor and its pocketbook to a good cause. During the month of May, another opportunity to support a "good cause" is being sponsored by the Manchester Senior Citizens.

Ted Tapping, the "Manchester Connection" at the Ronald McDonald House of Ann Arbor, has been volunteering there twice a month for about five years. Ted says, "I always take an opportunity to push the House; it's just a super place." A wish list is published periodically, and Ted presented this to the Senior Citizens.

Ted made sure to acknowledge that the Senior Citizens is not the only local group to assist the Ronald McDonald House. The American Legion, the American Legion Auxiliary, and the Middle School Student Council have all lent their support at different times. Since

604 nearly 30% of the operating budget is from contributions by individuals and organizations, community support is extremely important.

Many people think that the Ronald McDonald Houses are funded entirely by the McDonald's Corporation. In fact, less than 6% of their total budget comes from McDonald's. Community support and special fund-raising events (an Art Fair booth, style shows, a cookbook, golf outings, sports banquets, and garage sales to name a few) comprise a majority of their financing.

After hearing Ted Tapping's enthusiasm for the Ronald McDonald House, it is no wonder the Senior Citizens in Manchester are willing to sponsor a collection to benefit the House. Their wish list (see sidebar) enumerates many of their needs, from pantry items to office and/or cleaning supplies.

Ann Arbor Ronald McDonald House Wish List

The Ronald McDonald House has 29 bedrooms and many continuing needs. If you or a group to which you belong is interested in making a contribution from among the items on the list below, please notify the office (phone: 994-4442) to make arrangements for delivery and to avoid duplication. We thank you for your thoughtfulness.

Food: Boxed dinners (macaroni & cheese, Hamburger Helper, etc.), canned goods (fruits/vegs), canned dinners (chili, ravioli), cereals, coffee creamer, cookies, crackers, flour, frozen dinners, microwave popcorn, shortening, snack items, sugar, tomato sauce/paste, vegetable oil. Office Supplies: computer paper, copy machine paper, file folder labels, file folders, magic markers, notebooks, pentaflex folders, scotch tape, white-out. White Goods: bath towels (white) blankets (twin), crib sheets, dishrags, face towels (white), hand towels, ironing board pads, kitchen towels, mattress pads (twin), pillow cases, pillows, potholders, sheets (white, twin, flat & fitted), shower curtain liners (white). Household Cleaning Supplies: bathroom cleaner, bleach, dishwasher detergent, dust pans, mops, scouring pads, scouring powder soft liquid cleanser, Spic & Span, sponges/rags, toilet brushes, window cleaner. Household Supplies: C-fold paper towels, foil, freezer bags (quart size), light bulbs, all sizes, measuring cups, napkins, paper plates, paper towels, plastic trash bags (all sizes), plastic wrap, tissues, toilet paper, toilet plungers, waxed paper, Ziplock bags. Miscellaneous: adult board games, can openers (electric & manual) cooking utensils (cheese grater, knives, serving spoons, etc.), irons, magazine subscription, movies for VCR, Nintendo cartridges, pingpong paddles & balls, pool cues and chalk, pots and pans, rollaway beds, mattresses, room deodorizers, sewing kits, travel alarm clocks, umbrellas.

Paper products are donated by the Scott Paper Corporation. During the month of May, the Senior Citizens will be monitoring the Collection Box at Great Lakes Bancorp in Manchester. As it fills up, Ted will be delivering the goods to Ronald McDonald House.

Arbor House, the Ronald McDonald House of Ann Arbor, was established in 1985. It is a "home away from home" for up to 29 families at a time. These families have children who are in-patients or receiving out-patient treatment at Mott Children's Hospital. Children come from all over the country and all over the world for treatment at the U-M hospitals, and many are here on a long-term basis. Families are often suffering financial hardship and job loss due to their child's illness, combined with the stress of coping with a sick family member.

Proclamation

WHEREAS, Arson is a serious crime that affects all of us and can only be stopped when we realize the severe damage arson causes to our state and individual communities; and

WHEREAS, These fires erode the tax base and cause a severe loss to our cities, villages and neighborhoods, and can destroy property and the security of employment; and

WHEREAS, Arson can disrupt our educational system, destroy irreplaceable historical buildings and artifacts and render natural resources useless for long periods of time; and

WHEREAS, Arson kills innocent people and causes countless injuries; and

WHEREAS, Direct costs of arson are estimated by the Michigan Arson Prevention Committee to exceed \$110 million each year in Michigan alone and arson has a significant impact on insurance premiums and tax dollars that must be used to pay for extinguishing and investigating these maliciously set fires; and

THEREFORE, I, Ronald E. Mann, SUPV. of the Township, do hereby proclaim May 23-29 as Arson Awareness Week in Manchester Township and urge all citizens to help support the efforts of the Manchester Township Fire Department in preventing arson.

Signed this first day of May in the year Nineteen hundred and ninety-three.

Senior Citizens News

- T.V. Ludwick

Mother's Day is fast approaching and we wonder what to wear. Our son used to state: "Bet you're going to get all gussied up". You betcha. We also tried to get them in that same condition, just like our moms in the '30's did with us. Head to toe gussying, starting with our hair. Do you remember that occasional permanent? When the beautician pulled those irons down from the rack above, you knew you were in for it. It was torture waiting to be burned and I often wondered what the reaction would be if folks heard screams coming from the beauty parlor. Phonetically, I remember the torture being: croak-in-ole (can't remember how to spell that). But, by golly, we were curly! Hated that too, and could hardly wait for it to grow out. I look at girls nowadays with their ringlets and think about nearly croaking getting my new hairdo years ago and wonder if they also wish it to grow out.

Toll-Free Service Aids Seniors

Michigan's focus during Older Americans Month this May will be the Eldercare Locator, the nationwide toll-free hotline that informs persons of community resources available for senior citizens based on where they live.

Sources from which people learned of the 1-800 number were: Print Media - 51%, television - 14%, AARP - 6%, State Units on Aging - 5%, brochure, other - 4%.

Persons using the Eldercare Locator should call 1-800-677-1116. Have the location of the older adult by either county, city or zip code available. A brief description of the problem or type of assistance needed is also requested. The toll-free number is available weekdays from 9:00 a.m. to 8:00 p.m.

Hometown College News

Eastern Michigan University announced candidates for bachelor's degrees eligible for graduation pending successful completion of course work during this current semester.

From Manchester, they are: Magna Cum Laude Patsy R. Aiken, BBA; Bryan R. Buss, BS; David R. Cook, BS; Sandra K. Feldkamp, BSN; Brian K. Gebhardt, BS; Bradley A. Kendall, BS; Mark D. Lenhart, BBA; Kelly L. Patton, BS.

Dorothy Davies of the Manchester Township Library

is excited, exhausted and energized. That's because she just returned from three days of intensive learning about new electronic information networks and other services coming to Michigan's smaller public libraries.

Dorothy and over 200 other librarians attended the April 28-30 Loleta Fyan Rural Library Conference at Gaylord's Sylvan Treetops Resort. There they saw new CD-ROM products for libraries, telefax machines, children's materials and other library service products.

Speakers included state librarian James W. Fry and Sandra Nelson of the Tennessee State Library. Author Lowell Cauffiel discussed his work in progress and described "Forever and Five Days", his book about nursing home murders in Grand Rapids.

Major conference funding came from a federal Library Services and Construction Act grant through the Library of Michigan and a bequest Mrs. Fyan made to the Library Foundation. Always a tireless supporter of rural public libraries, she was state librarian from 1941-61 and died in 1990.

Library of Michigan staff and the Michigan Public Library Cooperative Directors Association planned and directed this meeting, the third for rural librarians in the past 10 years.

MHS Students Prepare for Quiz Bowl

Students from Manchester High School are busy preparing to compete in the Sixth Annual State Championship Quiz Bowl, the Super Bowl of academics, May 7-8 at St. Clair County Community College in Port Huron.

Sixty-seven high schools will be participating from all areas of the state including Manchester.

"I genuinely look forward to this event each year. It's refreshing to see so many students enthused about competing on an academic basis. A strong commitment to academics will serve these students well in their future endeavors," said State Senator Dan DeGrow (R-Port Huron) chairman of the Senate Appropriations Subcommittee on K-12 Education.

The competition begins Friday and will last from 1:00 to 8:00 p.m. and will continue from 9:00 a.m. to approximately 5:00 p.m. on Saturday.

The Manchester team will be led by advisor Dick Parsons. Team members are: Justin Ebersole, Ben Lowery, Lucas Millheim, Diana Kruse, Mara Bragg, Leah Bragg and Andrew Schook.

Bell Receives Scholar Award

A Manchester High School student is among sons and daughters of Marathon employees honored as 1993 Marathon Scholars for outstanding academic achievement.

Erica Bell, whose Marathon parent is Gary Bell, was chosen from 221 applicants. Each scholar receives a \$2,000 award to the school they will attend and an opportunity to be considered for a financial aid grant.

Financial aid grants are for four years of undergraduate study. The students have been selected on the basis of scholastic merit, leadership qualities, high school and community activities and potential for college success.

Tracksters Look Good In Concord

— Patrice Faulhaber

The track team traveled to Concord on Friday of last week, and came up with one of their best performances of the season.

Clinton/Grass Lake Track Results

— Patrice Faulhaber
The track team was happy to host the team from Grass Lake last week. Many Dutch tracksters commented on the good sportsmanship and politeness from the Grass Lake Warriors. They continually supported our runners by cheering them on and congratulating them as they crossed the finish line.

Although Grass Lake dominated the meet the girls were strong in several events. They swept the shot with Marks, Faulhaber and Minor taking 1-2-3, Marks and Minor also took 2-3 in discus. Marks also took second in long jump. A. Clouse took second in high jump and 300 hurdles. J. Sahakian took second in 400M and 200M dash, with J. Fleck capturing second in the mile and third in the 800M run. A. Burkardt took second in the 800M. A. Minor, even though she has been running with a shoulder injury, came in third in the two mile.

At the Clinton meet, the ladies had a respectable day winning five first place spots: J. Fleck in the mile (6:05), A. Clouse in the 440 dash (1:06), and A. Landini in the 880 run. M. Marks in shot with 32'7-3/4". In the two mile, the relay team of Fielder/Fleck/Burkhardt/Landini took first with a time of 11:48. Amber Minor improved her stats by taking second in discus (87'9") and third in 300 hurdles (1:02). A. Clouse took second in long jump and high jump. Marks continues to put points up for the team with a third in discus and the 100M (:14.47). J. Fleck also took second in the two mile. J. Sahakian finished second in the 220 dash (:31.6) and Fielder took second in the mile.

Men's results were not yet available.

Although all the results were not available, both the men's and women's team had a fantastic day. The women's mile relay team possibly set a new school record with a time of 4:29. Official results are being checked. Running in that event were, Sahakian/Fleck/Clouse/Burkhardt. The women took second place overall in the meet. Additional results will be in next week's edition.

Leading up to the Concord meet, both teams had been improving steadily. In Sand Creek the men's team took first in nine events. M. Fielder in disc (100'2"), Hoefft in high jump (5'8"), J. Davis in 100M and 200M (:11.5 and :21.4), Faulhaber in the mile (5:09) and the two mile (1:23). Goodell in the 800M (2:13). They also took first in the 800M relay and 3200M relay.

In Vandercook Lake, the women placed first in four events. Amber Clouse in long jump (15'3"), Jenny Fleck in the mile and two mile (6:16 and 14:03). Amber Burkhardt ran first in the 800M (2:45.2). Second place spots were won by M.

Marks in shot (31'1-3/4"), J. Sahakian in the 200M dash (:32.9) and A. Minor in the two mile (15:32). We swept the two mile with S. Fielder taking third (15:40). Minor also took third in discus with 80'10" and in 300 hurdles with 1:07. M. Helfrich took third in the 100M dash (:14.9).

In field events in Vandy, the men placed only twice, M. Fielder in shot with 39'11-1/2" and J. Hollosy in pole vault with 9'. This was Joe's best to date. The relay teams took three first place spots with Faulhaber/Goodell/Harvey/Weidmayer in the 3200M (9:18). Davis/Weiss/Spork/Davis in the 400M and Weiss/Spork/Weidmayer/Hoefft in the 1600M. (4:09). Individually J. Davis grabbed first in the 100M and 200M dash with B. Davis in second in the 100M. Hoefft took first in 300 hurdles and second in 110 high hurdles. S. Goodell took first in the 800M run with J. Weidmayer taking second. Eric Faulhaber won the mile and two mile events and Goodell came in second in the mile.

Volunteers keep the track events going smoothly. — Photo by WEY

Manchester Softball — Karen Strock

The varsity softball team experienced its ups and downs last week, losing a non-conference double header to Clinton, 5-13 and 8-18, and splitting their conference games. Their record now stands at 3-5 (2-1 in Cascades Conference play).

In the first game at Clinton Tuesday, Shan Lee pitched and also collected three hits, including a double, in four at-bats. Michelle Strock was one for three. Manchester only had four hits in the game and made four errors. Clinton had eighteen hits and committed two errors. In the third and fourth innings, Manchester gave up a lot of runs and could not recover the lead. In the nightcap, Manchester attempted to play catch-up, scoring six runs in the third and fourth innings combined; but Clinton came back with five runs in the bottom of the fourth inning to seal the victory. Beth Hayden and Jenny Ash pitched for Manchester. Clinton recorded eleven hits and one error, while Manchester had nine hits and three errors.

On Wednesday, Manchester beat Napoleon 6-5 with timely hits and good defense. Twice they came from behind to tie the game and won with no outs in the bottom of the seventh inning.

With Napoleon up by two, Jenni Williams put the Dutch on the board with two RBI's in the bottom of the fourth inning. Napoleon regained the lead, scoring three in the fifth. RBI's by Shan Lee, Kerri Keller and Michelle Strock tied the score in the fifth at 5.

Good Luck to the 1993 MHS Quiz Bowl team on May 7th and 8th at the McDonald's State Championship

TO YOUR GOOD HEALTH

News From Chelsea Community Hospital

Phyllis Meranuck MPH (left) and Andrea Tupper BSW, from the Chelsea Community Hospital Social Work Department, will be hosting the "As Parents Grow Older" course.

Chelsea Community Hospital is offering the "As Parents Grow Older" course on Saturday, May 15th, from 8:45 am through 3:00 pm in the Private Dining Rooms. This course is designed to assist persons with aging parents or relatives. Caring for your loved one as well as yourself will be discussed. Among the speakers will be: Dr. Anthony Sensoli, MD/Debbie Olsen, MS, CCC-A "Age-Related Vision and Hearing Changes" Barbara Zaret, Washtenaw County Council on Aging "Paying for Health Care: Medicare Insurance and Medicaid"

Chelsea Community Hospital Outpatient Mental Health clinic is now forming an Adolescent Group and Children of Divorce; Parenting through Divorce Group. The Adolescent Group is a time-limited group therapy for adolescents, ages 14-16. This is co-ed and will focus on adolescent concerns including peer relationships, self-esteem, school problems, and difficulties with family. Co-therapists are Rochelle Kostant, M.S.W. and MoiM Hubbard, Psy.D.

The Children of Divorce; Parenting through Divorce groups for children and parents from separated, divorced, and remarried households. The groups will provide education and support to help normalize the feelings of children and parents who are experiencing family transitions. Children may attend without parents and vice versa. Children's group leader is Steve Rubin, PhD and parents' group leader is Kate Drinkwater, MSW. For more information call 313/475-4030. Most major insurance accepted.

National Police Week: May 9-15

In conjunction with National Police Week, May 9-15, 1993, the Washtenaw County Sheriff Department will hold its annual Award Ceremony to honor employees who have demonstrated exemplary performance of their duties for the year 1992. Sheriff Ron Schebil and his staff will also take this opportunity to acknowledge and thank citizens, professionals and/or other law enforcement officials for their special support and exceptional services during the past year.

The ceremony will be held on Thursday, May 13, 1993 at 2:00 p.m. in the lobby of the Sheriff Department, at 2201 Hogback Road in Ann Arbor.

The public is invited to pay tribute to these individuals who have provided their outstanding, dedicated services to the Washtenaw County community.

Manchester Canoe Race (cont. from page one)

Pre-registration costs \$7.50 per adult, while children compete for free. The entry fee increases to \$10 per person on race day.

Proceeds from the race go towards funding local youth activities and marks one of the most important yearly fund raising activities the Manchester Recreation Task Force undertakes. And, thanks to a host of volunteers, the race consistently comes off smoothly and professionally.

This year, like last, offers rental canoes out of Sharon Hollow Acres Canoe Livery. For a reasonable fee, you can have a light-weight canoe delivered to the race site for your use. Information about this is included on the race application or you can call (313) 428-0100.

Fellows Bridge is two miles west of M-52 on Sharon Valley Road, and east of Sharon Hollow. Nestled in a verdured valley, cars and canoes start lining the roadway at about noon to receive their entry numbers from race organizers and to share whoppers about past exploits. A shared sense of purpose hovers in the air, and even those who choose to spectate get caught up in the excitement.

Once the race begins at 1:00, canoes are launched at three-minute intervals until all contestants are on their way. Some thirty minutes to an hour later, each will find themselves cheered on by the throngs at the finish line. A sense of accomplishment and community spirit fills the air as each canoe is pulled out of the river.

Manchester Volunteers (continued from page 9)

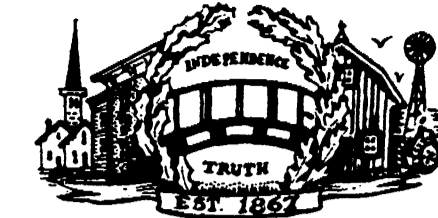

The philosophy of the Ronald McDonald Houses (there are over 160 around the country) is co-operative living, and a place to receive support from other families. There are 29 individual bedrooms with shared baths, which provide some family privacy, but residents are encouraged to utilize the community kitchen, recreation rooms, laundry areas and living space with others. Residents agree to take turns with household maintenance chores. The charge for all of this is \$12.50 per night, but families who cannot afford it pay less, or not at all. There is nearly always a waiting list for a stay at the Arbor House.

A total of 135-plus volunteers staff the office and do routine chores 12 hours a day, 7 days a week. Students, homemakers, retirees and more make up the volunteer workforce. Volunteers come from not only Washtenaw County, but from as far away as Bloomfield Hills and Birmingham. The only paid employees are the house manager and the Executive Director.

The rewards of volunteering at Arbor House are many. "If you go in with a sore arm, or a headache, you come out feeling like you haven't any problems at all," says Ted Tapping. And one of the biggest rewards is seeing some of those sick kids smile. "Kids weren't born to be sick like this," he adds, "but they hardly ever complain." Being able to give some positive experiences to people dealing with these hardships, can make it all seem worthwhile.

If you, too, are interested in learning more about the opportunities for volunteers at the Ronald McDonald House, please call 994-4442.

The Work of Manchester "Candidates for Citizenship"

Too Far?

Emory Garlick

Washtenaw County Sheriff and head of our local police department Carl Werner was in to the Enterprise offices Friday last. We took pictures of the t-p'ing of the high school grounds the morning after.

Carl was incensed, to say the least, not so much with the t-p'ing but with the illegal entry of the Ag Building and the scattering around of furniture. The use of weed killer on the grass could have some very serious implications for the environment as well as cost to the school.

To dispose of contaminated soil, weed killer used in concentrated form does contaminate the soil, must be disposed of in a Federally regulated manner according to Carl.

According to Carl, three offenses were committed.

- T. P'ing is considered a littering offense.
• Use of weed killer is malicious destruction of property.
• Illegal entry of the Ag building

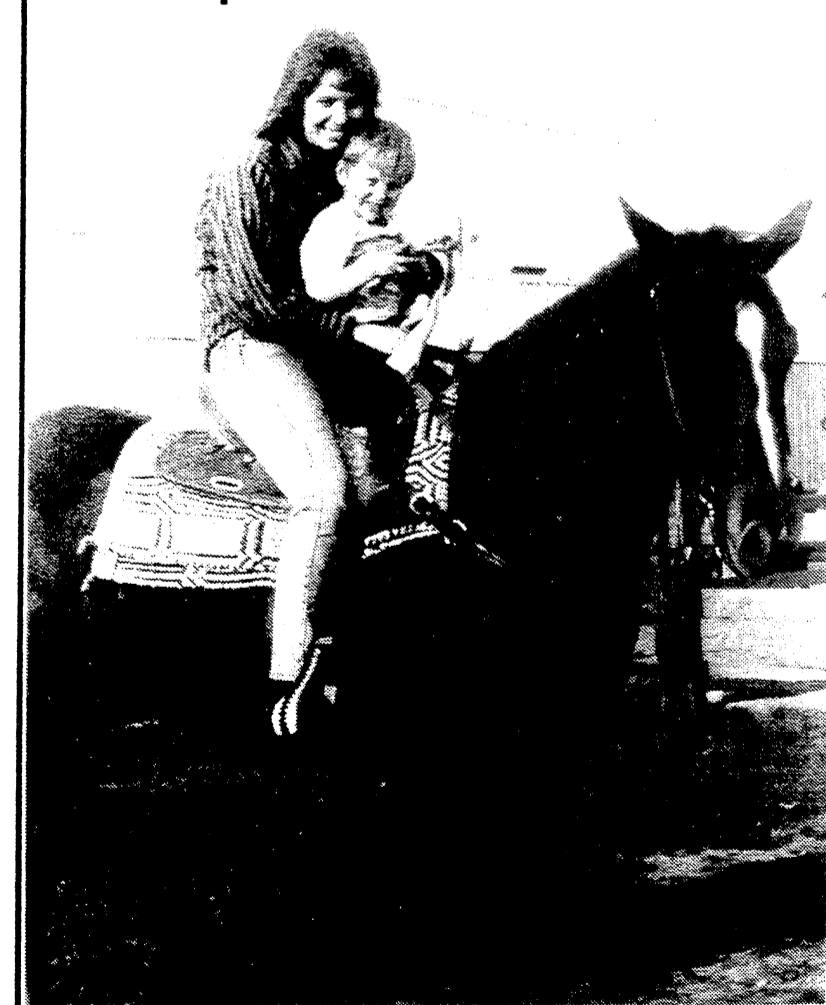

All of the above could result in a 90-day jail sentence, \$100 fine, and restitution of

damages. In the case of using the weed killer, that could run into the thousands, possibly ten's of thousands of dollars.

Not good kids! T. P'ing is one thing but Breaking and Entering and using weed killer just isn't too bright.

Have fun but use your heads, you all have good ones. — The Editor.

Two "Spur of the Moment" Smiles

Travis Davis, age 3, shares the limelight with his mother, Missy. Travis is holding the third-place ribbon his mom just won in her first show on her quarter horse gelding "Cody" in the Flag contesting event. The horse show was sponsored by the Manchester Spur of the Moment Club and took place at the Chelsea Fairgrounds Sunday, May 2. See list of Manchester riders and placings on page 12.

Quiz Bowl Team Advances To State Tournament

— by Mara Bragg

You may have seen the festive maroon and gold "Manchester Quizbowl" sign in the front window of Mrs. DeLongchamp's bus #17 this past week and wondered about our team's season. Our wins over Clinton and Tecumseh at the March 24th tournament at WISD broke our three-way league tie with Whitmore Lake and Dexter and advanced us to the state level. This brought excitement and extra practices as we prepared for the state championship to be held May 7-8 in Port Huron.

Last Friday morning, Quizbowl members Justin Ebersole (captain), Ben Lowery, Lucas Millheim, Diana Kruse, Mara Bragg, Leah Bragg, Andrew Schook and Coach Richard Parson left for the sixth annual State Championship Quizbowl held at St. Clair County Community College.

Our first match was Friday at 1:45 against St. Louis High School. In the beginning, we adjusted well to the new state rules and held a competitive score to that of St. Louis. Then, as the match progressed into the second half, St. Louis pulled ahead and won.

Our next match was Saturday morning against West Iron County High School. Better acclimated to the new format, we tried our hardest and played a good game, yet still lost to West Iron.

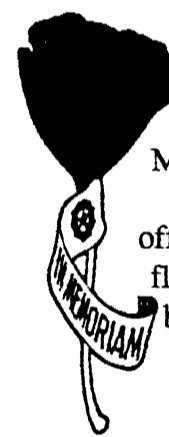

Spring Concert Presented by Manchester Chamber Orchestra

The Manchester Chamber Orchestra will present their Spring Concert on Sunday evening, May 16, 1993, at 6:00 p.m. at St. Mary's Church in Manchester. The community-based group is a volunteer organization that performs string music of all styles.

This program will include works by Bach, Pachelbel and Satie.

Because we were all really excited to have advanced to the state level, we weren't too discouraged by our losses. It was a great experience to play with the increased state competition and new rules. In addition, having advanced this far during the 1992-93 season will motivate next year's team to advance even further during the 1993-94 season. Also, many of the team members are underclassmen and will be returning for several more years, each time bringing more experience.

Will You Wear A Poppy, Please?

This question will be asked again and again during our poppy days, May 13, 14 and 15. Since the 1920's, offering our memorial flower to the public has been part of the rich heritage of the American Legion Auxiliary's poppy program.

We ask everyone to wear the red crepe paper poppy as a symbol and national tribute to those veterans who sacrificed their lives and health so that we might live in freedom.

Carol Palms will perform two suites for unaccompanied viola by Bach and Reger. Susan Gleason will be featured on the folk harp, and assorted wind instruments will join the orchestra for some dance music of a lighter fare.

Please join us for an evening of good music! The Spring Concert is free and public is welcome. A free will offering will be taken to benefit St. Mary's music programs.
