D.A.R.E. Essay Award Winners

Back row, left to right: John Schneider, Derrick Smith, Jamie Kuntzman; front row: Kaylin Davis, Julena Westcott, Jennifer Lawson

WHAT D.A.R.E. MEANS TO ME

I choose not to do drugs because it can affect my brain and I could end up getting killed. Drugs can make you do things you don't have control of like getting in fights, stealing, accidents, and killing. These are things I don't ever want to do. I also choose not to do drugs because it is illegal.

WHY I CHOOSE NOT TO USE DRUGS

D.A.R.E. can teach you why and how not to do drugs. D.A.R.E. showed me what can happen if you take drugs. If you take drugs, you could end up in jail, or you might get sick or you could die.

D.A.R.E. taught me how to say "no" to drugs. D.A.R.E. taught me how to make a decision while still respecting others. If you have to, you can say "no" and just walk away.

— by John Schneider

What D.A.R.E Means...

The D.A.R.E. program means a lot to me because of what it taught me, and will teach not only my younger sister next year but hundreds of other children as well. They will learn the importance of knowing the dangers of drug use, self esteem, and being able to say no. It has meant to me that I can now be a part of the solution and not part of the problem. I am glad to be in the graduating D.A.R.E. class of 1993.

Why I Choose...

I choose not to use drugs because I want to keep my mind free to think clearly and to make good decisions. I want my body healthy and my smile to shine!

To be in control is a must, and to choose my own friends would be the best. I want to be in charge of making my own choices. I choose to just say no to drugs!

— by Kaylin Davis

"Th!nk...Don't Drive and Drink!" Dodge Simulator Vehicle scheduled for Manchester May 21

High school students are going to step outside for a lesson in the dangers of drinking and driving when Arbor Dodge, the Dodge Division of Chrysler Corp., and Mothers Against Drunk Driving (MADD) bring the Dodge Drunk Driving Simulator to Manchester Friday, May 21, 1993, 8:45 a.m.-3:15 p.m. The Dodge Drunk Driving Simulator is a unique vehicle that allows the students to experience the dangers of driving drunk without actually consuming alcohol.

The participants first drive one lap of the pylon-lined course with the car unaltered by the computer. Each driver will then have the opportunity to drive the car after a hypothetical number of drinks and the driver's body weight have been entered into the computer.

Interested community members, with valid drivers licenses' are invited to attend. People without drivers licenses are invited to participate as passengers.

The Dodge Drunk Driving Simulator is part of the "Th!nk...Don't Drive and Drink!" national campaign to promote greater awareness among young people about the dangers of drinking and driving.

The Simulator will visit more than 100 schools across the United States in 1993. The Simulator was built by Dodge in 1988 and has visited more than 60 major U.S. cities. It has also appeared on ABC's "Good Morning America", CBS's "48 Hours", NBC's "Today" show, the syndicated show "Geraldo",

The driver attempts to negotiate a pylon-lined obstacle course and finds it nearly impossible to avoid hitting the cones. This exercise allows the driver to experience the dangers of drunk driving firsthand while remaining completely sober.

CNN's "Science & Technology", and MTV's "Like We Care".

The Simulator is a 1992 Dodge Daytona ES equipped with an onboard computer that can be programmed to simulate the delayed reactions of alcohol-impaired drivers by delaying the car's braking and steering reaction times.

The tour is presented by MADD with the support of the US Department of Transportation and National Association of Broadcasters.

Manchester High School Volunteers Wanted

Would you like to tutor high school kids who need help in a particular subject?

Would you be willing to act as a mentor for a high school student interested in your line of work?

Would you be willing to help high school teachers and administrators as they work to educate our kids?

How do you think these programs could get off the ground and run smoothly?

If you have ideas and time to share during regular high school hours, please plan to visit the Manchester High School Library Conference Room on Wednesday, June 2, at 1:00 p.m. to meet principal Russell LeBlanc and other interested community members. Coffee and cookies will be served.

Questions? Call Mary at Manchester High School, 428-7333.

PROPOSAL A, LOCAL IMPACT

What: Proposal to limit property taxes.

How: Replace local funding with increased sales tax of 2%, raising base from 4 cents to 6 cents on the dollar spent on taxable items. Cap property assessment increases to the rate of inflation or 5%, whichever is less. Lower the millage rate to 22.5 mills (18 mills allowed plus 4.5 mills enrichment), from 40.13 mills operating (17.63 mills reduction). Additional 4.5 mills enrichment to expire in June 1994. Roll back of SEV increases to 1992 / 1993 level.

When: June 2, 1993 statewide vote.

Impact: Reduction of local property taxes. Increase sales tax cost. Overall net savings to local property owners.

From The Ground Up

—by BG

Use some annual plants to create portable plantings to position some color around the garden for those difficult spots or for special occasions. Containers of flowers and foliage are fun to put together in any size and in any holder that is water-proof. How about using an old toy wagon, a discarded basket, a large bowl, a wooden box, a chimney or sewer tile, an old boot?

Plan on using plants that tolerate the same conditions: sunny, shady, dry or damp. Use an assortment of textures and shapes: tall, spreading, cascading. Combine Geraniums, Petunias, Portulaca, Nasturtium. Cosmos for a sunny container. Use Impatiens, Begonias, Lobelia, Nicotiana, Fuchsia for the shade. Dracaena spikes, Vinca

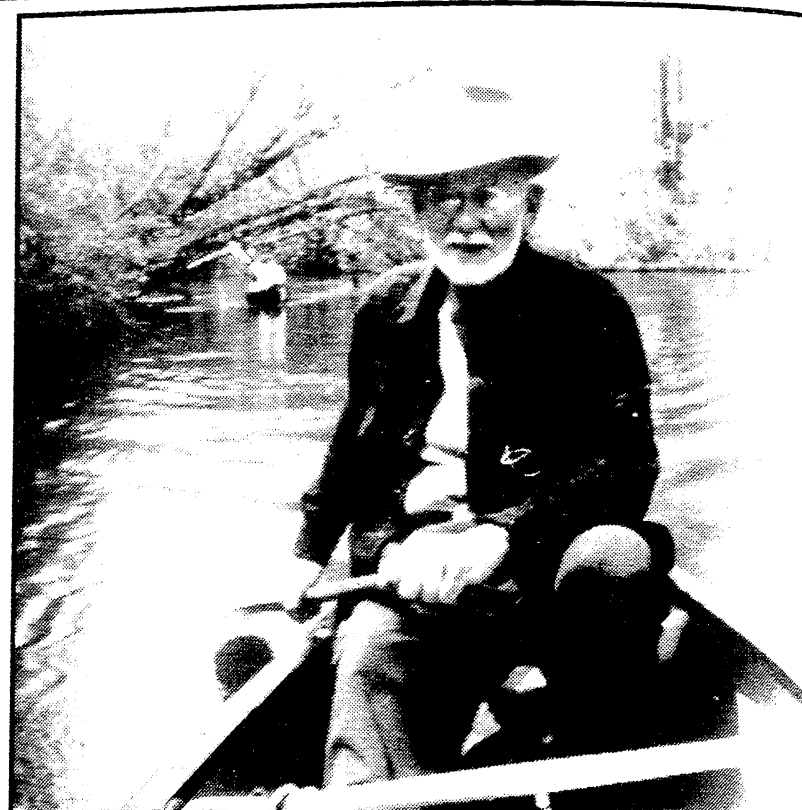

Major vine, Ivy and Sprengerii fern can be used for accents under all conditions. The larger the container, the taller the accent plants can be and the more bold the flowers.

Potting soil can be mixed with vermiculite or peat moss to "lighten" the mixture and to be more moisture retentive. Use a plastic or fiber pot or a sturdy plastic bag with drainage holes for the planting, then drop the whole thing into your container. Use an empty plastic jug as a way of using up the surplus space. Since the plants should be crowded into the pot, a weak water soluble fertilizer should be used weekly. Check the container daily for the watering requirements.

Some of these arrangements can be taken into the house before the first frost in the fall for prolonged enjoyment during the winter.

The Manchester Canoe Race was held Sunday, May 16. We'll have a list of winners in the different categories, and photos, in next week's edition of The Enterprise. Pictured above, canoes and participants; right, "photo of WEY."

The MANCHESTER ENTERPRISE

Second Front Page: Proposal A How will we fare?

What does Proposal A, if it is passed June 2 mean to us locally? What can we expect happen to our local education program?

1. We will have our local property tax reduced. If your home is valued at \$100,000, sale value, and your SEV (State Equalized Valuation) valuation at \$50,000. Your property tax saving will amount to approximately \$882.

2. Offsetting that however,

a. Increased sales tax of 2 cents per dollar.

b. Decreased deduction on the federal income tax.

c. Reduction of the homestead property tax credit, state taxes.

If we assume a family of four, income of \$35,000, home mortgage \$90,000 interest rate 9%, property tax of \$2500, Car payment \$235/Month(\$2,820/Year), Mortgage principal reduction per year \$600, 1/3 of disposable income spent on items charged sales tax.

	Before	After	Change
Income	\$35,000	\$35,000	0
Mortgage Interest	\$ 8,100	\$ 8,100	0
Property Tax	\$ 2,500	\$ 1,618	-\$882
State Withholding	\$ 1,500	\$ 1,500	0
Exemptions	\$ 8,600	\$ 8,600	0
Taxable Income	\$14,300	\$15,182	
15% IRS Tax	\$ 2,145	\$ 2,277	+\$132
(Homestead credit computed as 60% of 35,000 X 3.5%[\$1,225] subtracted from property tax paid)			
Credit	\$ 765	\$ 236	+\$529
Disposable income=	Income - Mortgage interest, property tax, state withholding, federal tax, car payment, mortgage principal paid.	\$ 17,335	\$18,085
Added 2% Sales tax on 1/3		\$ 121	+\$121
Probable Savings			\$100.

Net result locally, property tax savings and some increase in state aid to the district. The long term result will be in the restricting of the rates of increases in property valuations and the reduced property tax at the end of each year. Sales tax increase can be somewhat self controlled. Overall it probably is a tax wash as Governor Engler has indicated. Definitely a big help to large property tax payers on a limited income.

To the Manchester Business Community:

The Manchester Summer Festival committee would like ask for your support for the 1993 Summer Festival.

The Summer Festival is a new name for a large festival in the spirit of the Grand Finale of the 125th Anniversary Celebration. The festival will be very much like the Grand Finale last year, including the Arts and Crafts, contests and activities. The only changes will be to improve the festival in response to suggestions from attendees last year.

The Summer Festival is a gift to the people of Manchester from all of our business community. It is one way of saying "Thank you" to our customers who support our businesses year round. Your financial help is needed and we want you to know how much we appreciate your contribution to make our new "Manchester Summer Festival" an annual event.

In the past, the downtown businesses have each contributed \$25 to the Street Fair. A contribution of \$25 from Manchester businesses to financially support the 1993 Summer Festival would be appreciated.

In addition, if you would like to sponsor a booth for a non-profit group (such as CRC, Boy Scouts, Girl Scouts, etc.), the fee for the booth would be \$25.

Sincerely,
THE 1993 SUMMER FESTIVAL COMMITTEE

Spring and Summer Bring New Dangers

Here they come, barreling down the road, grinning from ear to ear, the warm sun shining on their faces as they anxiously envision their destination... the candy store.

That's right, April showers bring May flowers and kids riding bikes for hours and hours. Who could forget the excitement of getting out your bike with the first sign of spring and looking forward to all the fun days of summer bike rides? Moms will soon be yelling out of doorways across Michigan encouraging their children to watch for traffic.

Every spring millions of kids go through that same traditional ritual and we as drivers and parents have to keep a keen eye out for them.

In Michigan in 1990, nearly 3,500 bicyclists were involved in crashes, and about half of the children were under the age of

fifteen. In fact, the peak time for bike crashes is between 3:00 and 6:00 p.m., the after-school hours.

When bikes and cars collide, it's usually because one of them didn't see the other and of course, it's the cyclist who gets hurt. Because head injuries are the most disabling type of injury, and unfortunately the most common cause of death in bike crashes, make sure your child wears an approved bike helmet.

Cyclists do have one advantage that motorists don't have

—they can sometimes HEAR the car coming. NEVER wear headphones or let your children wear them while biking. Listening to the sounds of spring is all the music you need when riding a bicycle.

Let's make sure we follow biking precautions this year! The memories of summer should then be fond ones.

To the qualified electors of the following townships Bridgewater, Freedom, Manchester, and Sharon.

Notice is hereby given that a special election will be held in said governmental unit on

WEDNESDAY, JUNE 2, 1993
from 7:00 a.m. to 8:00 p.m.

for the purpose of voting on the following proposals:

PROPOSAL A
A PROPOSAL TO LIMIT ANNUAL INCREASES IN ALL PROPERTY TAX ASSESSMENTS, REDUCE MAXIMUM SCHOOL OPERATING TAXES, INCREASE THE STATE SALES TAX AND USE RATES FROM 4% TO 6% CONSTITUTIONALLY DEDICATE FUNDS FOR LOCAL SCHOOLS AND SET A PER-PUPIL FUNDING GUARANTEE.

The proposed constitutional amendment would:

- 1) Limit for each property parcel (excluding new construction) annual assessment increase to 5% or the inflation rate, whichever is less. When property is sold or transferred, adjust assessment according to current market value.
- 2) Reduce maximum school operating taxes to 18 non-voted mills. Permit districts to levy up to 9 additional voted mills.
- 3) Reduce 50-mill maximum property tax limit to 40 mills.
- 4) Increase state sales tax rates to 6%. Dedicate this additional revenue and lottery proceeds to schools.
- 5) Establish a minimum state/local per-pupil funding guarantee, annually adjusted for revenue changes. Provide a minimum 3% per-pupil funding increase in 1993-1994.

Excellence R Us — Summer Fun For Students

What would you imagine most area teachers would do who have just completed their teaching year? Golf? Take a long trip? Stay at home to take a ten-week break from large groups of children? Most likely, all of the above, but in the case of a group of adults who will be at the VoTech Center in Adrian, they will actually be doing what they do best. Teaching children.

For two weeks, beginning July 6 and ending July 16, eleven instructors, experts and awarded, will be sharing their passion for learning with Lenawee County students in a new program called Excellence R Us.

This program, directed by Ron Zang out of Adrian College, and sponsored by the Lenawee Alliance for Gifted Education, has put together a selection of classes that cannot be matched for excitement, stimulation, and overall fun. A chance exists for students to relax and be part of the passion for learning that these instructors have towards their subject fields. Two separate programs, one elementary, and the other middle school, will range from puppetry to archaeology, from brain storming solutions to world problems to tracking electronically tagged turtles, to writing names in Japanese by means of delicate brush and ink strokes.

Mr. Zang, an expert in dealing with motivated and able learners, decided to invite other teaching experts, two of which have earned "Michigan Teacher of the Year" awards, to join him in an effort to offer fun and stimulating summer programs for area students. As a result, six classes will be offered to students who are currently in grades three through five, and six separate classes offered to those in grades six through eight.

The elementary session runs from 8:00 to 10:00 a.m., the middle school session from 10:30 a.m. to 12:30 p.m. The intent is to offer fine programming for students, while allowing afternoons to remain free for other activities.

Able and motivated students are the target audience for this program, but Mr. Zang claims that anyone who has a passion for learning belongs. He has deliberately selected courses that allow for artistic expression, writing, science, digging in the dirt: in other words, the whole range of what might truly excite a child.

Applications are available at the Manchester Township Library or through the Lenawee E.S.C. and need to be returned by the end of this month. Tuition is moderately priced at \$60 per student for the two-week program. Further information can be attained by calling (517) 265-1615 at the Lenawee County ESC.

The High School Connection A special feature by our high school correspondent, 10th grader Angie Carlson

Our High School Art Department

The Manchester High School Art Department has been very busy lately. News of what has been happening has been quickly racing around the school. Here's the latest...

The Ann Arbor Art Association holds a juried show each year to display the outstanding achievement art students have accomplished throughout all of the Washtenaw County school districts. Of the 300 pieces submitted, only 70 were chosen. Among these were three Manchester entries. Andrea Clark, 10th grade: Andrea received honorable mention for a hand-felted and beaded wool jacket.

Melissa Nimke, 12th grade: Received an award for a water color painting entitled "Oasis", some hand-spun yarn and some hand-felted and beaded jewelry.

Henry Earhart, 10th grade: Received recognition for a pen-

cil drawing of the Eiffel Tower entitled "Looking Up".

In other news, the Senior Art Portfolio Exhibition will be held May 27 through June 2 in the high school library. This exhibition will feature different pieces of art that senior students have created throughout their high school career.

The 1993 Festival of the Arts is coming up soon. The Washtenaw-Livingston Education Association once again invites you to this year's event. This event features the opportunity for K-12 students to display their artistic talent in ceramics, drawings, jewelry, paintings, prints, sculpture, weaving and many others. This is available to all students within the Washtenaw and Livingston area. The event will be held at Krest Center for the Arts, Concordia College, Ann Arbor, MI. Opening reception will be on May 22-23 from 12-4:00 p.m. Hope to see you here!

Manchester's Outstanding Career and Technical Education Students

EMPLOYERS TAKE NOTICE!! A new class of Career and Technical Education students are about to graduate.

The top students were honored by the South & West Washtenaw Consortium during its annual Awards and Recognition Assembly held May 12, at Saline High School. The assembly of some 350 students and instructors honored the top achievers from the 20 career/technical education programs offered through the Consortium.

Students who received the "Outstanding Student Award" were selected by their classmates and instructor for their skill development, ability to handle responsibility, initiative, degree of improvement throughout the year, interpersonal relationships and involvement in extracurricular activities.

Award winning students from Manchester High School were: John Schiel, Building Trades; Renee Wackenhut, Health Occupations; Rich Lutton, Machine Technology; Herb Jones, Manufacturing Technology; and, Kim Reeb, Marketing.

Through Partnership with Detroit Edison twenty \$50 certificates were given to students in the four categories of: perfect attendance, worker attributes, academic (all "A"), and academic improvement. Sears Industrial Tool Sales also added four tool boxes (with tools) as gifts.

Concluding the program, students who had achieved regional and state awards in the student organizations of VICA and DECA were introduced to the assembly.

Manchester Family Service Spring Clothing Shop

Manchester Family Service will have a spring clothing shop, Monday, June 14th and Tuesday, June 15th. The shop will be held at the Manchester United Methodist Church, 501 Ann Arbor St. Intake of donations will be from 8:30 a.m. until 5:00 p.m. on Monday. The shop will be open to low-income families, beginning at 5:00 p.m. on Monday until 8:00 p.m. On Tuesday hours will be from 9:00 a.m. until 2:00 p.m.

We welcome donations of summer clothing (adults, children and infants), bedding, dishes, glasses, pots and pans, curtains, as well as furniture, baby furniture (cribs and highchairs), and carseats, strollers, etc. Bikes and toys and games go well. We will be unable to accept winter clothing. If you have an article of furniture to donate, please call: 428-8010 to arrange for pickup. If you wish to receive credit, for income tax purposes, please bring an itemized list, with value noted, and any board member will be happy to sign it for you.

So, while you ladies are busy doing your spring cleaning, please keep us in mind as you go through your cupboards and closets. Those outgrown, or no longer used, children's and adults' clothing are sure to find their way to someone in need. Small appliances (toasters, electric frying pans, irons, etc.) are welcome. That old TV that works could bring enjoyment to someone. Occasionally, we have had a request for a wringer washer.

Denise Ann Marek Manchester

Age 40, died Monday morning May 17, 1993 of injuries sustained in an automobile accident. She was born September 23, 1952, in Detroit, the daughter of William and Betty (Wolfe) Gregory. She had been a resident of Sharon Township for twelve years, and was the owner of the Mirage Spa in Ann Arbor. Denise was a volunteer for the American Cancer Society program, "Look Good, Feel Good", and a member of St. Mary's Catholic Church, Manchester. She is survived by her husband, John Marek, Jr.; one son, Shawn Michael Cooper and one daughter, Amber Dawn Marek, both at home; her mother Betty Gregory and two brothers Aaron and Charlie Gregory, all of Belleville, Michigan; her mother- and father-in-law, Frieda and John Marek, Sr. of Wyandotte, MI; a sister-in-law, Judith Ann Marek of St. Petersburg, Florida; one aunt Auga Montgomery and a cousin Janice Montgomery. The funeral Mass will be held Wednesday, May 19, 1993 at 1:00 p.m. from St. Mary's Catholic Church, Manchester with Rev. Fr. Francis Murray officiating. The vigil service will be held Tuesday evening at 8:00 p.m. from the Staffan-Mitchell Funeral Home in Chelsea where friends may call Tuesday from 2-5:00 and 7-9:00. Expressions of sympathy may be made to the American Cancer Society.

Phoebe M. Billings Manchester

Phoebe Mable Billings, wife of the late Malcolm Theodore Billings, passed away May 13, 1993. She is survived by three children, seven grandchildren, nine great-grandchildren and one great-great-grandchild. A most remarkable and purposeful woman, admired, respected and loved by all who knew her, Phoebe Mable began life in 1892 in Kent County, England. Just after the turn of the century she accompanied her family to America and spent her early years in Detroit, Michigan. There she married, bore her three children, divorced and as a single parent successfully kept her family together and thriving during the 1930's. Just prior to World War II, she married Malcolm and they moved to Manchester in the late 1940's. She loved her family above all else. Life and the nurturing earth from which it springs fascinated her throughout her years. She has left, but the force and intelligence of her character remain, a vibrant presence kept alive and animate in the memory of all who knew and loved her. No burial service will place. Phoebe Mable would have preferred that memorial contributions be directed to the Manchester Township Library, Manchester, Michigan 48158.

Lucile B. Weidmayer Ann Arbor, Michigan

Age 75, died Thursday, May 13, 1993 at St. Joseph Mercy Hospital, Ann Arbor, MI after a short period of illness. She was born June 25, 1917 in Freedom Township, MI, the daughter of Samuel and Emma (Haas) Bauer. She had been a Saline resident all of her life. On June 25, 1942, at the St. John's Lutheran Church in Bridgewater, she married Erwin C. Weidmayer and he survives. She had been a lifetime member of the St. John's Lutheran Church, Bridgewater Township and a member of the Ruth Circle, the Pleasant Lake Farm Bureau Group and the Freedom Extension Group. Survivors in addition to her husband include one son, Dale Weidmayer and his wife Susan of Ann Arbor, one daughter Betty Weidmayer, also of Ann

Kevin Weidmayer of Delphos, Ohio, Keith, Kyle and Karla Weidmayer of Ann Arbor and Jim Fritts of Maumee, Ohio; one sister Mildred Stoll of Manchester, MI; several nieces, nephews and cousins also survive. She was preceded in death by a twin brother, Raymond (Buster) Bauer.

Funeral services were held on Saturday, May 15, 1993 from St. John's Lutheran Church, Bridgewater Township with Rev. Dennis A. Falk officiating. Burial took place in the St. John's Lutheran Church Cemetery. Memorial contributions may be made to St. John's Lutheran Church or the American Diabetes Association. Funeral arrangements by Robison-Bahnmler Funeral Home of Saline, MI.

Federal Surplus Foods will be distributed Friday, May 21, at Manchester United Methodist Church, from 9am-11am. Commodities—butter, pork and orange juice

The Raisin Valley Land Trust holds monthly meeting

On Tuesday, May 25th, the Raisin Valley Land Trust will hold its monthly board meeting. On the agenda is a report by board members who attended the Michigan Land Trust conference. The second half of the meeting will be a role playing workshop where board members will practice meetings with potential donors. The board meeting will start at 7:30 at the Blacksmith Shop, 324 E. Main, Manchester.

Other events coming up this spring.
* This Saturday (May 22), the RVLTL board will sponsor a picnic to give everyone interested in land preservation a chance to meet informally. Bring a dish to pass or just stop by for a chat. At Carr Park, Manchester, from 4p.m. to 7p.m. (Carr Park is 1/2 mile west of M-52 on

* The Raisin Valley Land Trust is sponsoring a design contest for a logo to be used on letter head, buttons, banners, tee shirts and the like. Prizes are provided by the local businesses in the River Raisin watershed, including from Manchester — April Victoria, K&W Equipment, The Flower Shop, Manchester Pharmacy; and Godfrey's Books, Tecumseh, among others.

Contest rules are:
* The design should reflect the RVLTL's goal of preserving the rural agricultural and historical character of the upper River Raisin watershed
* The design should be simple enough to copy clearly with a copy machine, or onto other media.
* All submissions must be in by June 21, 1993. The winning logo will be selected on June 22.
* All prizes will be awarded. There are two categories for which prizes will be given: 18 & under, and over 18. The RVLTL is not constrained to use the winning entry.

American Legion Auxiliary

The American Legion Auxiliary met at the Legion Hall on May 13, 1993 with 29 members present. Roll call was taken by the secretary and the minutes of the April 14, 1993 meeting were read, corrected and approved.

Jodi Armentrout and Jennifer Meyer will represent our Unit for Girls State at Mt. Pleasant. Congratulations, girls.

Phyllis Baker announced we are a 100% Unit and presented president Stein with a pin denoting this accomplishment. Ten new members were initiated at this meeting. Welcome aboard, ladies.

Mary Smith announced poppies are in and asked for volunteers to distribute same on Friday, May 14.

The Memorial Day parade and potluck will take place on Monday, May 31 with parade starting at 1:00 p.m.. Dedication ceremony of "Morgan Kern Hall" will also be held following the parade. Sgt.-at-Arms Jeannine Uphouse asked Auxiliary members to join in the parade. Veterans and families are invited for potluck. Please bring dish to pass and your own table service.

Special thanks to Diane Turner for painting the base of the statue at Oak Grove Cemetery. A fine job well done Diane.

Our Unit will be assisting Adrienne Wallace on her well-deserved trip to Europe this summer. Congratulations, Adrienne!

Our Unit graciously accepted a certificate of recognition from the Manchester Community Resource Center for our volunteer contributions to our veterans, community and local hospitals. As an "arm" of one of the finest veteran groups, the American Legion, our contributions are simply our appreciation and support of our veterans, past, present and future.

Refreshment committee for June meeting will be Joyce Golightly, Elaine Hanson and Shirley Roller.

The meeting was adjourned at 9:00 p.m. with a prayer by our Chaplain, Vivian Middlemiss.

Memorial

Donations by families of Ora Wacutt and Art McGee to the Manchester American Legion will be presented to the Veteran's Hospital, Ann Arbor, in their memory.

The presentation will take place on June 18, when the Manchester American Legion visits the veterans at the VA Hospital in Ann Arbor.

Bloodbank

Irene Steffans, owner along with her husband of Atlas of Manchester and the Atlas Feed Store in Clinton, has been seriously ill and in the hospital for the last few weeks.

There will be a Bloodbank held in her name next Wednesday, May 26 at St. Dominic's Hall on Main St. in Clinton, 11:30am-5:15pm.

Railroad Enthusiast Group To Meet In Grass Lake Depot

The May meeting of the Ann Arbor Train and Trolley Watchers, an informal group of railroad enthusiasts founded in 1969, will be at 8:00 p.m. on Friday evening, May 21 in the recently rebuilt Michigan Central depot in Grass Lake.

The evening will feature slide and movie presentations of steam locomotive operation on the Michigan Central railroad and depot types and architecture. There is no charge for admission.

Ruined by a mysterious fire in June 1974 with only its fieldstone walls remaining, the 1887 building was restored to use as a community center by The Whistlestop Park Association of Grass Lake, and rededicated last September.

At the May 21 meeting, Dr. Richard Rabeler of the Association will give an introductory talk about the community's efforts to reconstruct the building.

For more information, call Dr. Rabeler at 517-522-4231, or Sam Breck 313-668-7703.

United Way Notice of Annual Meeting

The Manchester United Way Board of Directors Annual Meeting will be held on Wednesday, May 26, 1993 at 7:00 p.m. The location of the meeting is the Manchester Township Hall. The public is invited to attend.

Optimists Support Scholarships

Over the past few years, the Manchester High School Student Council has sought funding from local businesses and service clubs for the Manchester Community Scholarship. This program provides financial assistance to outstanding Manchester graduates.

Last year, the Student Council awarded \$1620. Applicants are reviewed by a committee consisting of the high school principal, counselor, two teachers, two students and two members from the Manchester community.

The committee determines the award based on demonstrated financial need, and the evaluation and ranking of an essay submitted by the applicant entitled "The Value of Education". The scholarship winners will be announced at graduation on June 6th.

Manchester Optimists believe that these scholarships are an excellent way to demonstrate community support for an effort that recognizes the potential of its youth. The Club contributed \$300 and encourages other area organizations and businesses to support this program. Special thanks go to Student Council members Bryan Hoefl and Jill Faulhaber for their cooperation in the 1993 campaign.

Meat will be provided by the American Legion.

"Where are all the bees?" Makes us wonder if we'll have any fruit on our trees this year. Usually they are just buzzing around all the blooms and either we haven't been outside when they are or they have been busy at neighboring plants. I know where some of the wasps are — in our choir loft. Our organist had the misfortune of being stung on his middle finger during church and another wasp deposited its venom in the hand of the pianist at St. John's UCC recently, also during church service. Anyway, it sure makes me wonder if those killer bees are here. Don't they need to make honey?

CRC BANQUET

Community Volunteers Recognized at CRC Banquet

Approximately eighty Manchester area people attended the gala benefit dinner for the Community Resource Center hosted by Chelsea Community Hospital, Wednesday, May 5.

The program included recognition of seven Manchester area residents and one organization for their service to the Manchester community.

The following people nominated by local organizations received certificates, pictured left to right: Lois Hansen-Manchester Area Girl Scouts, Homer Kuhl-Manchester Kiwanis Club, Marilyn LaRock-accepting certificate

for American Legion Auxiliary, Mary Walton-20th Century Club, Helen Popkey-American Legion, William Schwab-Manchester Recreation Task Force, Jeffrey Schaffer-Community Resource Center, Lyle Widmayer-Manchester Township Board.

One of the recipients, Willaim Schwab, was honored with the Claire Reck Outstanding Volunteer award.

The next issues of the Enterprise will feature stories of each volunteer's services. In this issue, see below, volunteer Bill Schwab, who was nominated by the Recreation Task Force.

Schwab Recipient of Claire Reck Award

The Manchester Recreation Task Force nominated Bill Schwab who has been on the six-member task force since it was organized on December 6, 1986. Bill has been deeply involved with all activities both as treasurer and as recruiter of volunteers and sponsors for the events.

Bill has been chairman of the Manchester Canoe Race since 1990. One of the most ambitious projects for the Manchester Recreation Task Force has been the Gazebo Concert series started in 1989. Bill has been one of the most active supporters of the concerts by raising money to pay performers, advertising and singing in the community choir. He has been the chairman of the Gazebo Concerts Committee for the last two years.

Other Task Force activities that received the benefit of Bill's volunteer time are the dunk tank at the Community Fair, Manchester hiking and jogging track and the Christmas Community Sing at the Gazebo.

Bill's other community volunteer involvement includes: 30 years Manchester Chicken Broil; 40 years church choir member; 41 years Knights of Columbus Council #4354 - Past Grand Knight, Financial Secretary 11 years, Bingo captain, fish fry dishwasher, Tootsie Roll sale volunteer. As an honorary member of Manchester Kiwanis, Bill has served as volleyball tournament chairman for two years and bell ringer for the Salvation Army.

PROPOSED SYNOPSIS of a Regular Meeting of the Manchester Township Board held Tuesday, May 11, 1993:

The meeting opened at 8:00 p.m. with members present: Mann, Turk, Widmayer, Hakes. Absent: Macomber. Also present: Fire Chief Keith Johnson, Constable Lyle Moore, Christine Kanta.

The Board approved the minutes of their April meeting and accepted the Planning Commission and Election Commission minutes.

The list of bills paid since last meeting was reviewed. Treasurer Turk reported \$19,869.05 in the General Fund and \$55,656.53 in the Municipal Investment Fund. Amendments were made to the budget where expenditures were greater than expected. Approval was given for payment of bills totaling \$14,134.05 in the General Fund and \$54.05 in the Fire Equipment Fund.

Fire Chief Johnson reported on the acquisition of a 1200 gal tanker from the DNR at no cost to the township.

Constable Moore presented his report and noted that a stop/caution light has been installed at the Austin and Sharon Hollow intersection.

The Board agreed with the Village's decision to turn over all equipment at the transfer site to the owner in exchange for termination of the agreement in writing.

The Board will contract with Brad Hayden for mowing of Reynolds Corner Cemetery at \$150 per mowing.

The Board decided to contract with the Road Commission for local road improvement projects on Hudson Rd (Michigan Ave to Lemm Rd) and Boetger Rd (Tracey to Logan Rd) utilizing the county matching funds.

A resolution setting salaries for elected officials for the coming fiscal year was adopted noting that the budgeting process depends on the results of the June 3rd special election. Salaries set at this time would be subject to these results and may be lowered. The salaries were as follows: Supervisor-\$10,500; Clerk-\$13,500; Treasurer-\$13,500; Trustees (2)-\$1,200 each; Constables (2)-\$240 each.

It was noted that Trustee Lyle Widmayer was nominated by the Township as Volunteer of the Year and was honored as an outstanding volunteer for the Manchester Community by the

Manchester Village Planning Commission Regular Session April 13, 1993

Roll Call - Present: Way, Schiller, Palms, Gleason, Roberts, Lowery, Little, Hinkley (entered at 7:36.) Also Present: John Mooneyham, Sr., Patti V. McCabe, Jeff Wallace

Call To Order - The meeting was called to order at 7:34 by Chairman Way in the Council Room of the Village Hall.

Approval of Agenda - Roberts made a motion to approve the agenda. Palms seconded the motion. The motion passed on a voice vote.

Minutes of Previous Meeting - Schiller made a motion to approve the minutes. Lowery seconded the motion. Enter Hinkley at 7:36.

It was noted that the Village Code requires nine Planning Commission members. The motion passed on a voice vote.

Reports From Administration, Council, Commissioners and Public - Way noted seminars which are available for interested Commissioners

New Business - Mooneyham Variance 622 Sunset - This petition requests a rear yard setback variance from the required 35 feet to 8.63 feet for the purpose of adding onto the house. Little made a motion to recommend granting the variance for the rear yard setback from 35 feet to 8.63 feet with the following statements and conditions: 1. Because of the uniqueness of this corner lot, the rear yard setback could be considered similar to a side yard setback in which case it compares to other setbacks in the neighborhood. 2. The lot exceeds by 2,300 sq. ft. the required 13,000 sq. ft. lot size. 3. The house with the proposed addition will cover

well under the 30% maximum lot coverage as required by Code (will cover approx. 14%). 4. The petitioner must provide so that run-off water from both the driveway and roof does not affect the neighbors. It was recommended the water be diverted west toward the drainage ditch along Summit and then north to M-52. 5. The old driveway (Sunset St.) will be removed and replaced with lawn. Schiller seconded the motion. The motion passed on a voice vote.

Outstanding Business Group Home Ordinance/Schiller
Wallace will investigate the State requirements for Group Homes and see if he can obtain sample ordinances.

Site Plan Review/Landscape Requirements/Hinkley & Palms
Hinkley and Palms are continuing to work on this.

Concern Over Wording In Village Code - Wallace raised a concern over the wording of side yard setback requirements in the Village Code. Lowery made a motion to recommend the Village Code be reworded under 5.74 (5)(b) to state the following: A minimum of 8 feet is required for the side yard setback for detached garages, and the sum of the side yard shall not be less than 23 feet. Palms seconded the motion. The motion passed on a voice vote.

Adjournment - Little made a motion to adjourn the meeting. Gleason seconded the motion. The motion passed on a voice vote. The meeting adjourned at 9:44

Sharon Township Proposed Synopsis Regular Board Meeting May 6, 1993

The meeting was called to order at 8:00 pm by Supervisor Savage. All Board members were present except Rita Burkhardt, who was absent because of injury to their son. Zoning Officer, Chair of Planning Commission, and four township residents and guests were present.

Minutes of the 4/1/93 meeting were read and approved.

The treasurer's report was read by the Clerk due to absence of the treasurer. The General Fund, Municipal Investment Fund, Recycling Fund, Time Deposit, and Tax Funds contained a total of \$99,940.30 on May 1, 1993. This report was approved.

The Trustees reported on a meeting with the Washtenaw County Road Commission. The subject was finding a possible alternate route for gravel trains in place of Pleasant Lake Road. Representatives from the gravel companies were present. A private road from Manchester Gravel to M-52 which will run

on the north edge of the athletic field also is being discussed at these meetings. The next meeting will be on June 1.

Zoning Officer Blades reported that land use permits issued during April were for seven (7) new homes, one (1) barn, and one (1) garage.

It was reported that dumping of trash, junk, etc., has been going on at two locations in Sharon Township. Motion made, supported and carried to contact our attorney in regard to updating fines, etc., in the Offensive Trade Ordinance and the Junk Yard Ordinance which were enacted a number of years ago by The Township Board.

Planning Chairman Ward requested the Board to refrain from considering the revisions for Articles 3 and 10 requested by the Planning Commission until a later date.

Planning Commission approved McCalla Land Split Application at April meeting. Because of an easement across the farm the Township Board must also approve. Motion made, supported, and carried to this effect.

Ellis law suit was discussed. Counter suit has been filed by Township Attorney. Settlement expected to be favorable to Township.

There have been 125 residents that have acquired the free recycling bags. Free recycling bags will continue to be available to Township residents when their present supply has been used. Another letter will be mailed and a newspaper ad will explain the expanded trash and recycle program.

The area Transfer Site has closed. Manchester Village wishes to leave all buildings and equipment there. Motion made, supported and carried Sharon Township agree to this village decision.

Supervisor reported on meetings with County Solid Waste Consortium and Village of Chelsea regarding a new fire protection contract which will take effect March 1994.

Washtenaw County Road Commission agreement for 1993 road improvements was accepted by the Board.

Contract read for State Police Substation in Manchester. Two officers will be available for this area. Motion made, supported, and carried Sharon accept this contract.

Motion made, supported, and carried the Annual Meeting be held on Thursday, July 1, at 8:00 p.m.

Motion made, supported, and carried to re-appoint Ward, Lavender, and Burkhardt to three-year terms on the Planning Commission.

Motion made, supported, and carried all outstanding bills be paid as presented by the Clerk.

Meeting adjourned by the Supervisor.

Burkhardt Receives Appointment to Air Force Academy

Ryan Gurrbach, son of Thomas and Janice Gurrbach of Manchester Township, has been accepted in next fall's freshmen class at the United States Air Force Academy in Colorado Springs, CO where he will major in science engineering.

Ryan had been nominated by Rep. Carl Pursell and Sen. Carl Levin of Michigan, and had been offered an Air Force ROTC scholarship at the University of Michigan in environmental engineering.

Ryan has been employed for two years part-time with Joe and the Marshall at the Manchester Antique Mall. He is a graduating senior from Columbia Central High School in Brooklyn, and is the student representative of the Columbia school board. He has taken part in the Cascades Conference Academic Gamers as a member of the science team and through the English essay competition.

Scoring in the top one percent nationwide on an ACT test for people who took the test that day, he also scored the highest in his test group on physical fitness. He participated in a two-week SEEKS program

for gifted students at Adrian College. SEEKS stands for Sustaining Environment through Education, Knowledge and Skills. He was chosen for Boys State and is a member of the National Honor Society.

He is involved with the St. Mary Catholic Church Youth Group of Manchester.

Ryan's parents, his sister Jessica, and his grandparents Jack and Ruth Kocher of Manchester, are justifiably proud of this young man and his accomplishments.

Burkhardt Wins WMU Scholarship

Rodney Burkhardt, son of Robert and Rita Burkhardt, Bethel Church Road, Manchester, is among the prospective freshmen who have been selected to receive a share of \$1 million in academic scholarships from Western Michigan University this fall.

The awards are part of WMU's Medallion Scholarship Program. The recipients were among more than 900 leading high school seniors from 11 states who competed for funds during events this past winter at WMU.

The Medallion Scholarship events included written testing and oral problem solving activities for students and information sessions for their parents.

To be eligible, participants had to be admitted to WMU by January 10 with at least a 3.7 grade point average in high school, or at least a 3.5 GPA and an American College Test score of at least 29. Burkhardt's Academic Scholarship is worth \$4,800 over four years.

Ryan's parents, his sister Jessica, and his grandparents Jack and Ruth Kocher of Manchester, are justifiably proud of this young man and his accomplishments.

SPORTS

Little Lady Dutch

Manchester's 5th and 6th grade girls finished their season 9-1 for first place in the Ann Arbor League. They lost their first game against St. Francis, 22-19. In a rematch later in the season, the girls came away with a 16-15 win.

"The main goal in the games was to improve skills and this was accomplished," said Coach Branch.

Team members included: Brandy Aiken, Mary Barrett, Amy Gall, Laura Haeussler, Melissa Hoefl, Angie Makielski, Julie Porter, Alexis Punches, Molly Thorton, Corney Witaker, Megan Wilson, and Paula Young. Coaches were Ken Branch, Steve McCalla, Larry Aiken and Wes Gall.

Varsity Softball

—Karen Strook

The varsity softball team played some tough games this week, ending with a 1-4-1 record. They are now 6-10 overall and 5-4 in conference play.

Monday saw the team at Vandercook Lake where Manchester amassed their greatest hit (22) and run (19) totals for the year. In addition, there were no strike outs and three errors committed. Manchester won 19-8 in six innings. Offensive highs for the game included: Franki Bisard and Shan Lee had four hits, scored four runs and had two RBI's each. April Buitterfield (3 hits), Liz Bragg (2 hits) and Beth Hayden (2 hits) rounded out the prolific Manchester hitting attack. Shan Lee pitched for the Dutch.

Manchester and Clinton played a non-conference double header on Tuesday. In the first game Manchester held a 5-4 lead going into the seventh inning with Kerri Keller pitching. Clinton scored 9 times in the seventh for a final of 13-5. Bisard and Lee each collected two hits and Liz Bragg made four catches in right field to keep the game close in the early innings.

In the second game, Manchester led 13-7 after two innings, saw the game tied at 14 in the sixth, and lost 17-14. We had only five hits (Hayden got two) for the game, nine walks and four hit batters. It was not a pretty game. Jenny Ash and Beth Hayden pitched.

On Wednesday, the girls faced Grass Lake in a double header since the game at Grass Lake had been rained out. Game one again saw the Dutch with a 3-2 lead with after four innings, but a final score of 11-3 for Grass Lake. We only had four hits (Franki Bisard had two) for the game. Shan Lee had two RBI's and Michelle Strook had one RBI. The second game was called due to darkness at the end of the ninth inning, with the score knotted at seven. Shan Lee pitched both games of the double header, games that the Dutch were close in, but could not get the wins.

Friday we traveled to Napoleon for a rematch. This was indeed a pitchers' duel with each team connecting for only three hits. Manchester had scored in the third inning when Jenny Williams walked, stole second and scored on a single by Franki Bisard. Napoleon had only one hit going into the seventh, but connected for two more, plus a walk, scoring two runs in the last half of the seventh, and winning 2-1. Shan had done a good job keeping the hitters off balance all day.

This week's games: Monday vs Addison; Wednesday at Hanover-Horton; Friday vs East Jackson. Saturday we will be hosting the Manchester Tournament with games at the Varsity Diamond. Come join us.

Manchester's JV Softball

The Manchester junior varsity softball team had a successful week winning three of four games to raise their season record to 10 wins, 5 losses. The Dutch swept a double header from Vandercook Lake, winning both games by a score of 11-4; they beat Grass Lake 21-10 and finished the week losing to Napoleon 24-5.

In the opening game against Vandercook Lake, Heather Punches threw a one-hitter, striking out six leading the Dutch to victory. Leading the Dutch offensively were Andrea Clark and Jaimie Knouase with two hits apiece and Sandi Fielder, Heather Punches and Jenny Nobsch with one hit each. Knouase homered for the Dutch.

In the nightcap against Vandercook Lake, Jaimie Knouase won her first game of the year scattering four hits and striking out four batters. The

Dutch pounded out nine hits led by Jenny Nobsch with three hits, Darci Hock two hits, and Andrea Clark, Sandi Fielder, Erin Binder and Karly Sweeton one hit apiece.

Against Grass Lake, the Dutch trailed early before taking control for the victory. Heather Punches struck out six batters winning her ninth game of the year. The Dutch offensive attack was led by Andrea Clark with two hits; Sandi Fielder, Heather Punches, Erin Binder, Jaimie Knouase, Erica Punches, Keri Fuqua and Jenny Nobsch each had one hit. Fuqua homered for the Dutch.

Against Napoleon, the Dutch ran into the most dominating pitcher they have faced all year. They managed only one Jenny Nobsch-single and were completely shut down offensively. Heather Punches and Jaimie Knouase pitched for the Dutch.

D.A.R.E. Essays continued from page one

D.A.R.E.
A drug is a chemical that can hurt your body. Some can even kill you. There is another kind of drug that can help your body such as a remedy or something a doctor prescribes. Even something a doctor gives you can hurt you if you take too many.

If somebody asks you to take drugs, such as crack, beer or marijuana, there are many ways you can make up an excuse, or just say no! Sometimes the person who is asking isn't really themselves. In that case, you can say "No, let's do something else".

Sgt. Werner has taught us lots of stuff. But the one main thing he taught us is why we don't need drugs. All drugs do for us is mess up your education and get you angry. One of the most popular reasons that kids take drugs is because their friends do and they want to fit in and they don't want to be teased. The most common reason adults take drugs is they think it will make their problems disappear. But it just makes everything worse. Because your only friends will be the other people who take them.

You should try to stay away from gang members because they usually carry guns and knives. Ways to prevent this are don't dress like them and don't act like them.

I think everybody should have the D.A.R.E. program because it teaches kids why they don't need drugs.

— by Juliana Westcott

What D.A.R.E. Means...

D.A.R.E. means learning how to say no to drugs and learning how to walk away from people who use and sell

Why I Choose ...

Because I have seen what drugs do to people who use drugs. And I have seen how drugs can hurt people who use drugs. And not only hurt, but sometimes even kill you. And when you think you have everything in life there is to have, suddenly it turns on you and you don't have anything you thought you had. And I just wouldn't waste my life for a few good minutes.

— by Jennifer Lawson

What D.A.R.E. Means...

D.A.R.E. means a lot to me because I learned how to say no and have a right to say no if I want to also stick up for myself. D.A.R.E. also means that on TV, you can have a great time without smoking or drinking alcohol. D.A.R.E. has taught me a lot about what drugs can do to you.

WHY I CHOOSE...

The reason why I choose not to use drugs is when I look around me, I see lots of people walking and leaning all over. I think how dumb they are. If you go places, look all around, you can see how they look or what they were or feel. I bet you will see more people look better and feel good without drugs. I hope you don't use drugs.

— by Jamie Kuntzman

D.A.R.E. Essay

My name is Derrick Smith. This is what I plan to do to keep from being pressured to use drugs:

To keep my body healthy, I will play a lot of sports and I will exercise a lot.

To control my feelings when I have stress or am angry, I can play sports and play with a friend.

If I have to decide whether or not to take a risk, I can think about it.

If a friend tries to pressure me to use alcohol or marijuana I can say "No thank you".

If I want to do something that is fun and is adventurous, I can think about it. If I saw people using alcohol or drugs on TV, I can ignore it.

D.A.R.E. means to me my life 'cause D.A.R.E. taught me how to say no to drugs. I choose not to use drugs 'cause it could mess up my mind and it could kill me. — by Derrick Smith

Valedictorian and Salutatorian Chosen for Class of '93

Manchester High School proudly announces its Class of 1993 outstanding graduates.

The valedictorian for 1993 is Malara Bragg, of Haab Road, Ann Arbor. Malara is the daughter of Chris and Linda Bragg. Mara has maintained a perfect 4.0 GPA while pursuing her studies in a very demanding schedule which includes Physics, Spanish IV, AP Calculus, College English, psychology and government. She is a very active member of SADD, the National Honor Society, the Quiz Bowl Championship team, and the Cascades Conference English and Essay Academic Games team. Her outstanding list of awards and honors include second place in the Optimist Essay contest, Optimist of the Month, Academic Honors Gold Award for all A's for four years, SE Michigan Science Forum first place, and certificates of honor from the U of M Women in Science and the U of M Science Development Council.

Mara was the editor of the 1993 MHS yearbook. She is considering a major in journalism or biology in college. She will be attending Kalamazoo College in the fall.

The 1993 salutatorian is Matthew Wiethoff of Sylvan Road, Manchester. He is the son of Carol and the late James Wiethoff. Matt has maintained a 3.95 GPA in a very strong academic program that includes AP Calculus, physics, college English and government classes. He is an active member of the National Honor Society, SADD and the Manchester Student Council. Matt is also very involved in the athletic program as a member of the varsity

Malara Bragg, daughter of Linda and Chris Bragg of Freedom Township, was chosen to represent Manchester High School at the "Brightest and Best" program sponsored by Channel 7.

Matthew Wiethoff, son of Carol and the late James Wiethoff, is the 1993 salutatorian of Manchester High School.

Bragg chosen as one of "Brightest and Best"

Malara Bragg, daughter of Linda and Chris Bragg of Freedom Township, was chosen to represent Manchester High School at the "Brightest and Best" program sponsored by Channel 7.

Malara joined over 200 other valedictorians from schools throughout southeastern Michigan in a day of video taping for the program (which will air throughout the summer), enjoying a picnic lunch and meeting with the Channel 7 newscasters. In addition, a portion of the taping will be broadcast on "Good Morning, America".

Malara has received a Kalamazoo College Honor Award, a Michigan Competitive Scholarship and Academic All-State Honorable Mention, sponsored by the Detroit Free Press and the Michigan Association of Secondary School Principals.

Her application for an Elks' Scholarship won at the local and state level and advanced to the national level where she won the Elks' National Foundation "Most Valuable Student" Scholarship.

Immediately following the parade, American Legion members will conduct a special ceremony dedicating the American Legion Hall in honor of Morgan Kern.

At 2:00 p.m. all area veterans and their families are invited to a pot luck dinner at the American Legion Hall. Bring a dish to pass and your own table service. Meat will be provided by the American Legion.

Adult Volunteers Wanted at Manchester High School

The Constitution of the United States does not guarantee anyone or everyone in America a free education, yet today most Americans think a good education is necessary to become a good American citizen. This belief is reflected by our state legislatures, which have decided all children should be educated.

Americans pay an enormous amount of money to educate our kids. That said, most Americans are worried that not all kids get the education they need, including here in Manchester.

We have students in our school district who need help reading, writing, computing and/or planning a productive future.

This is not to blame teachers, staff, curriculum, or kids. Simply put, all kids do not learn the same material at the same rate. Some kids have other problems that affect how well they learn, and they could use some help.

Questions? Call Mary at 428-7333. Refreshments served.

The volunteer program at Klager Elementary is terrific. Lots of adults (not only parents) are involved. Kids benefit from this kind of attention, but beyond elementary school, adult volunteers are rarely seen inside the school building.

Mr. Russell LeBlanc, principal at Manchester High School, would like to see that change.

Students have lots of needs that able and interested adults can help them meet. Whether or not you have a child attending high school, you may like kids, enjoy helping them, and believe they could use your support in some way beyond tax dollars.

If so, please feel welcome to join like-minded others Wednesday, June 2, at 1:00 pm at the Manchester High School Library Conference Room to plan a volunteer program for the next school year.

Questions? Call Mary at 428-7333. Refreshments served.

Daisies Decorate Main Street

Daisy Troop #120 has planted flowers along the north side of Main Street, Manchester, thanks to generous donations from the Baker's Dozen, Manchester Pharmacy, Schebor's Greenhouse and Spensley Racing Stable. They are now gathering donations to plant the south side. If individuals or merchants would like to consider helping, call Laura Spensley at 428-9627.
