Physics Phun at Cedar Point

—by Mara Bragg, MHS senior

On a recent Wednesday, seventeen Manchester High School physics students traveled to Cedar Point with their teacher Mr. Fielder to partake in the annual physics festivities.

Also in attendance were many other schools from Michigan, Ohio, and other surrounding areas. The park was open to "civilians" as normal, however, the few non-physics ride-goers were quite confounded as to what precisely was going on. Our groups were stopped several times and questioned as to why people were measuring everything.

Some people who were aware of the purpose of the day were simply curious to know what and how we were calculating.

The physics students began preparing for their trip in early May. They learned how to take measurements with new instruments (such as vertical and horizontal accelerometers) and properly calibrate them. They also compiled formulas and data sheets on which to record their information once they arrived at Cedar Point.

Most importantly, they practiced their skills before hand. In preparation for estimating the height of the Demon Drop, Magnum or Mean Streak, they calculated the approximate heights of the school gym, flagpole, water tower, Emanuel Church steeple and the lights at the athletic field.

A Day of Remembrance

Miss Poppy 1993, Mindy Weir, and Kerry Deacons of the Manchester American Legion Post, place a wreath in front of the memorial in Wurster Park on Memorial Day.

Herb Widmayer Creates Perpetual Tree Fund for Village of Manchester

Herbert A. Widmayer, a Manchester resident for all of his 91 years, has set aside \$10,000 in a perpetual fund designed to preserve the tree-shaded character of Village streets for the enjoyment of future generations.

Mr. Widmayer has a special appreciation for trees and their natural beauty. By creating this special tree fund, he aims to ensure that new trees will always be planted to beautify the Village streets and parks.

He also hopes that the fund will grow over the years, with donations from other folks who enjoy the beauty of Manchester's trees.

The principal fund will remain intact in perpetuity, invested only in local financial institutions. Only the income will be used to buy trees.

The Village Tree Board is authorized to purchase the trees. The trustees of the perpetual fund are Tom Kallewaard and Susan Gisting, both of Manchester.

Donations may be made payable to the "Herbert A. Widmayer Perpetual Tree Fund", and sent to P.O. Box 51, Manchester MI 48158.

The Widmayer Hardware store was a family business on Manchester's Main Street for 90 years. Mr. Widmayer's father, Fred Widmayer, began the tradition in 1882 when he purchased the store where he had been working.

Allen Road Bridge Construction To Proceed

The Allen Road Bridge over the River Raisin in Bridgewater Township has been closed for over a year. It was slated for replacement construction this summer or fall.

In early April, notification was received from the state Department of Transportation that construction could not proceed this year because the bridge "appeared" to meet the criteria for inclusion in the National Register of Historic Places.

Built in 1896, the bridge is a Pratt pony truss, of which many were originally built throughout our state. Many have been torn down within the past ten or more years, and the remaining ones

are now considered for preservation.

Funds for construction would be delayed for at least a year, according to the Dept. of Transportation, until a lengthy process could be completed. This is required by the federal Critical Bridges funding since it was determined that the bridge might be historic. The required process includes hiring a consultant to prepare an environmental assessment and consider the alternative ways to use or dispose of the bridge. (This process caused a delay of seven years for a bridge in Lenawee County that was finally torn down and replaced.)

From The Ground Up

—by BG

There are two basic types of garden fertilizer used in home gardens, granular and foliar. The set of three numbers means the same thing in each type: 10-15-20 will mean 10% nitrogen, 15% phosphoric acid and 20% potash.

Knowing that nitrogen encourages leafy growth, phosphoric acid encourages fruit and flowers and potash encourages the roots, choosing the proper fertilizer will depend on the purpose.

A lawn could use a fertilizer high in the first number, nitrogen. Tomatoes would use one with a higher phosphoric content for fruiting.

A good all-around garden fertilizer will have a more balanced set of numbers: 5-10-5 or 10-20-15. The two types are used differently.

Granular fertilizer can be scattered around the plant, dug into the soil or broadcast on the lawn where it can be absorbed through the roots. It is used dry

and away from the plants because it could burn tender tissue.

Foliar fertilizer (RAPID GRO is a popular brand) is applied in water and can be absorbed by leaves and roots. It can be used at any time. The tops of the transplants can be dunked in a weakened solution just before planting.

Common sense says that full strength should not be used on a tiny plant nor should it be used too often on plants crowded into containers and expected to bloom all summer. These should receive a weak dose every two weeks.

Common sense can guide you through the times to fertilize various plants. Apply some to bulbs after flowering, when next year's flower is being developed. Don't encourage new growth on a deciduous tree in the fall when it is entering a dormant season. Don't put a high nitrogen fertilizer on green beans when the beans should be forming.

Don't think that if a little fertilizer is good, more is better — it is not.

If It's June, It Must Be Gazebo Concert Time!

A 1992 scene from those wonderful Gazebo Concerts —Photo by WEY

The playbill is set for this summer's Gazebo Concert season. The magic is about to begin! The concert season will begin on June 17th and run through August 12th, making the total number of concerts "lucky seven." (There will be no Gazebo Concerts during Fair week or on Chicken Broil night because these great events have their own entertainment at the Alumni Memorial Field.)

Concerts are held on Thursday evenings at the Gazebo on Main Street, across from St. Mary's Church, beginning at 7:30 pm. Bring your lawn chair or a blanket; bring the little ones; relax with your friends and neighbors; and enjoy music at twilight in our little town.

This year's series will include performances by Gazebo Concert "favorites" such as: the

Manchester Community Band, Laura Pershin (folktales and songs—this year with Rosalie Koenig), and the Morris Dancers from Ann Arbor.

Appearing for the first time this year will be the Wes Linenkugel Quartet, Terra Firma, and the Michigan Fiddlers.

And a special performance by the "Manchester Children's Chorus" will be presented in the middle of the season, with the Manchester Chamber Orchestra also on the bill.

Mark your calendars now—Thursday evenings beginning June 17th and running through August 12th. "When it's summertime in Manchester, there's music everywhere..." folksongs and dulcimers, Sousa and Mozart, country and renaissance.

For more information, contact the Recreation Task Force or the Community Resource Center at 428-7722.

Second Front Page: BLACK SHEEP to be Rebuilt?

Emory Garlick
The Black Sheep Restaurant and Tavern (*It truly is the black sheep of Manchester*) was destroyed by fire September 29, 1991. A fire started in the exhaust vent stack above the charcoal and that fire quickly got out of control. Interior walls on the second floor caught fire and the third floor and roof were soon ablaze. Quick action by local fire fighters with the help of adjacent fire departments and their aerial units brought the fire under control. The damage however was major in that half of the roof was destroyed along with portions of the second and third floors. Apartments on the second floor were damaged to the extent they were no longer usable.

The basic structure remained in tact and the owner Mr. Christopher Hoover employed a Grass Lake contractor to repair the building damage. During the attempted reconstruction, debris from the fire were dumped onto the second floor. A portion of the second floor collapsed into the kitchen and the major portion of the kitchen, equipment, supplies, air conditioning, electrical and plumbing were damaged to the extent that it had to be discarded. During this past winter water pipes, to the Sheep and apartments, froze, burst and flooded the basement and first floor.

According to legal notices published in the Ann Arbor News, the lending institution that had a mortgage on the building, repossessed the facility. The insurance monies from the fire

paid the outstanding debt and Mr. Hoover's contractor replaced the roof, repaired the third floor and replaced the collapsed second floor. The rear shed roof was repaired, although the truss system was not upgraded and the roof is sagging in places. Repairs to the building have not been completed to date and the building continues to slowly deteriorate. Facia brick under the roof have not been replaced, rain gutters have not been replaced and the water cascading from the roof decay's the outer brick wall.

Three local residents have been trying to acquire the Black Sheep for the past three months. They wish to return the buildings to their historical roots as near as possible. It is important to the downtown business area that this blight no longer remains.

The three area financial institutions have been approached for funding. Two of those have declined participation. Great Lakes Bancorp is the only area Bank considering financial assistance.

The reconstruction of the two buildings is a major undertaking. (A local building owner would like to acquire the liquor license, bar and furnishings. He then would move them to his building, so that he could sell his property.) That solution would do little for the Black Sheep facility and the blight on Main Street could continue.

Some of the reconstruction problems facing the three local residents are:

Clean up and remove the

balance of the fire damaged materials, caused by smoke and water used to douse the flames and the broken water pipes.

Remove the shed roof and rebuild the roof truss system to meet building code. Move the existing cooler, (presently it is encroaching on the adjacent property) and rebuild the interior.

Reconstruct the electrical, plumbing and heating systems.

Rebuild and re-equip the kitchen and restaurant. Provide two handicap accessible rest rooms.

Reconstruct the emergency fire escape system for the second and third floors. Replace the fire damaged and destroyed second floor apartments.

A great deal of restoration work needs to be accomplished to return the buildings to usefulness.

At this point in time the sale has not been consummated. If there are persons in the community interested in either helping with the restoration or perhaps investing in this venture, stop by the Enterprise. We will have the partners contact you.

In 1690, Benjamin Harris of Boston founded *Publick Occurrences Both Foreign and Domestic*, the first newspaper published in America. The colonial government stopped it after only one issue, however.

Let's Share The Road

Tip #1-Check Your Blind Spots

Because small cars are often difficult to spot in a truck's blind spot, truck drivers need to check all around their truck before moving either forward or backward.

Please wear your safety belt at all times, someone cares.

"I really don't like driving near trucks. They change lanes, cut you off, and act like they don't even see you."

"It amazes me when a car cuts in front of me and then slows down. Don't they realize I can't stop an 80,000-pound truck the way they can stop a 3,000-pound car?"

These are legitimate complaints from both car and truck drivers. Situations like these occur quite often on our state highways and can be attributed to a lack of education—not in the formal sense, but in terms of understanding each vehicle's capabilities. Even the best drivers may not know as much as they should about sharing the road to safely operate on the highway.

With almost 4 million trucks traveling Michigan highways, motorists need to be aware of techniques to help them share our highways with truckers in a safer, more cooperative fashion. The "Let's Share the Road" campaign is aimed at increasing communication between truck and automobile drivers and at reducing the number of highway accidents involving cars and trucks.

"Surprisingly, the number of car and truck related accidents is quite high in the state of Michigan. Many of these collisions could have been avoided had both drivers known how to communicate to each other," said Colonel Michael Robinson of the Michigan State Police Department.

Last year alone, more than 182,000 right-hand turn accidents occurred at intersections around the country, according to NCI Transportation Services, a transportation insurance, claims, and safety service. Collisions that result from cars squeezing in on the right of trucks about to make a right-hand turn are the most common crashes that occur. Trucks require more room in which to turn. That is why they swing to the left of the lane when preparing to make a right turn.

In addition to public awareness programs, Secretary of State driver education materials will provide automobile drivers with tips on how to cooperatively "share the road" with trucks. MTSC will also focus on educating the trucking industry through truck driving schools.

Gall Winner of 1993 Achievement in Education Award

The recipient of the 1993 Achievement in Education Award is Mr. Wes Gall. The award was presented by the Manchester Optimist Club at its dinner meeting on May 24, 1993.

The selection committee obtained input from various sources including school administrators, Booster Club, other community organizations, and students. The guidelines used to select the winner include: commitment and dedication to the students, positive impact on the students, and previous peer recognition.

The comments received from those familiar with Mr. Gall's teaching accomplishments include "He doesn't just teach the courses, but goes the extra distance to try to prepare the students for life and the real world after graduation", and "(He) makes a lot of personal sacrifices for betterment of the students in both academics and athletics."

Even though Wes Gall teaches that academics come first and athletics second, the Optimist Club felt it to be appropriate that the gift certificate accompanying the award was from the Maumee Sporting Goods Company.

The Young Reporter Corner: News and views — and stories, too — from students in the Manchester Community Band

—by James Fuerstnau, 6th grader, Manchester Nellie Ackerson Middle School

In the past two years I have been taking band. I really enjoy playing music and also listening to it. I am first chair cornet/trumpet, and have been enjoying this band class.

Our band director, Mr. Reipma, has helped me and encouraged me to do well. I feel he deserves a lot of appreciation from all students who take band, after all, who how would you like to direct a classroom full of noisy band students? His resignation is a disappointment to me and I'm sure to many others.

Bihlmeyer Named Optimist Student of the Month

Pictured above, Manchester High School Principal Russ LeBlanc presents Dan Bihlmeyer with the May Optimist Student of the Month award.

Dan Bihlmeyer, a 12th grader at Manchester High School, has been named by the Manchester Optimists as their May 1993 Student of the Month. Dan is the son of John and Nancy Bihlmeyer.

Dan is extremely involved in extracurricular activities. He is a four-year member of Students Against Driving Drunk, the Drama Club and the Bethany Church Youth Group.

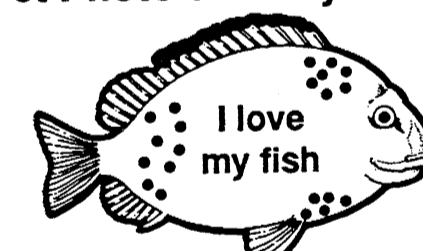

Dan is also an eleven-year member of the 4-H Club. He has participated actively on the prom committee, the Student Council, and on the ninth grade basketball team.

Dan's greatest asset is not simply participating. He usually takes a leadership position within these groups. He is this year's senior class president, the county 4-H teen club president, the Bethel Youth Group vice-president, and the 1993 SADD president.

As a 12th grader, Dan has worked very hard to prepare for college by making the honor roll. He has been a member of the Cascades Conference Students Academic Games team in the eleventh and twelfth grades. This year, he was selected as the team captain.

Dan plans to attend Michigan State University and major in marketing and agriculture.

VICTORY BAPTIST CHURCH Sunday, June 6: 11am — A film on the Church beyond the Great Wall in China, presented by Underground Evangelism. Paul Miller leader Bible Study 6pm

God's Real Presence I have received much more from the poor than I have given them. Naturally, the feelings (of Christ's actual presence among the poor) have deepened. When you begin your work, you say, "I'm doing this, Jesus - with you and for you I do it." And then, I come close to the person and I begin to touch him and I know that it is Jesus.

— Mother Theresa

Remember, every one you meet is facing a hard fight — therefore, let us be kind. - Attributed to R. L. Stevenson

OBITUARIES

Mary M. Kastanis Ann Arbor

Age 64, formerly of Manchester passed away at her home on May 26, 1993, after an extended illness. Mary was born in Redstone Township, Pennsylvania on July 22, 1928, the daughter of Peter and Veronica (Kseuzak) Mullen. Mary was married to John Kastanis and he survives. She was a member of St. Francis of Assisi Church in Ann Arbor. In addition to her husband, Mary is also survived by three sons: Anthony and Anne Kastanis of Manchester, Michael and Gloria Kastanis of Tecumseh, William and Debbie Kastanis of Manchester; two daughters: Karen and William Fortman of Clinton, Patty and Dennis Keezer of Clinton; twelve grandchildren: Stephanie, Angie, Carrie, Sherri Keezer; Nik, Laura, Erik Fortman, Johnathan, Jason, Alexander, Sophia, Mary Catherine Kastanis; and one grandchild soon to arrive; one brother Peter Mullen of Union Town, Pa; seven sisters: Catherine, Veronica, Joan, Bernadette, Cecilia, Eillen, Jane. Mary was preceded in death by her parents, one brother Thomas, one sister Bonnie.

The Kastanis family received callers at the Jenter - Braun Funeral Home. Scripture services were held Friday, May 28 at the Funeral Home. The Funeral Mass was celebrated on Saturday, May 29, from St. Mary's Catholic Church in Manchester with Fr. Francis Murray as celebrant. Interment took place in St. Mary's Cemetery, Manchester. Those wishing an expression of sympathy for the Kastanis family may make memorial contributions to St. Francis of Assisi Church in Ann Arbor.

Red Cross collectibles and Crafts Market

The second annual Collectibles & Crafts Market to benefit the Washtenaw County Chapter of the American Red Cross will be held Saturday, June 5, from 8:00 a.m. to 5:00 p.m., and Sunday, June 6 from 9:00 a.m. to 4:00 p.m. at the Washtenaw Farm Council Grounds, 5055 Ann Arbor-Saline Road in Saline. Admission is open to the public. Cost is \$2 per person. There is no charge for children under 12 years of age. Free parking is available. Vendors and artists are coming from all over Michigan and surrounding states. One hundred booths are expected. Items for sale include antiques, ceramics, wood carvings, jewelry, toys, dried flower arrangements, wreaths and much more!

A Red Cross booth will feature Red Cross paraphernalia including hats, sweatshirts and first aid kits along with donated books, antiques, jewelry, luggage and other resale items. Entertainment will be provided by the Golden Griffon Stringet. Refreshments available include broasted foods, pizza and ice cream. Proceeds from the event will go to benefit the programs and services of the Washtenaw County Chapter of the American Red Cross. For more information, call 313-971-5300.

Outstanding Girl Scout Volunteers Honored

Lucile Bruner was honored, along with the Manchester Optimist Club, by the Huron Valley Girl Scout Council

The Huron Valley Girl Scout Council's Annual Recognition dinner honored outstanding Girl Scout volunteers from Manchester.

The Manchester Optimist Club received The Best Friend of Girl Scouting award for their continued support of Girl Scouts. Since 1977, they have never failed to publicize to parents in the community the benefits of the Girl Scout program. The club sets aside the fourth Monday night in January as an annual Scout Night where all Girl Scout leaders are invited to a dinner in their honor.

Their contributions of both monetary and public support have made possible exciting Girl Scout events in Manchester. In addition, they have offered financial assistance to girls and troops in need.

Also honored from Manchester was Lucile Bruner. Lucile received the Outstanding Volunteer award for her ongoing dedication to providing Girl Scouting to the Manchester community. She started Girl Scouting nine years ago in the area and has since served in almost every role.

Tri-Star Optimist Baseball Contest

On Saturday, June 12, the Manchester Optimists will hold their annual Tri-Star Baseball Contest.

Contestants will be scored in batting, throwing and base running. Boys and girls ages 8-13 are eligible and trophies will be awarded for first, second and third place finishers for both boys and girls at each age. There is no entry fee.

Entry forms will be available at Manchester Pharmacy, Dr. Bates' office and the middle school. Entry forms will also be available at Kirk Park immediately before the contest.

For further information, call Dr. Bruce Bates at 428-9616. Contestants are welcome to bring their own bats.

From the Washtenaw County Council of Chambers

In 1991, the Washtenaw County Council of Chambers (WCCC) was formed to develop greater cooperation among chambers of commerce in the county. Their mission is to provide a vehicle to enable area chambers of commerce to gain greater mission success for their respective efforts and resources than individually possible, and to advocate unified positions on issues of interest to county businesses.

Each month the WCCC strives to meet to discuss issues pertinent to Washtenaw County businesses, with the most recent topic of discussion being Proposal A which will come before the voting public on June 2nd.

On Saturday, June 5, the Class of 1996 will be collecting returnable bottles and cans from the community. We would appreciate it if you could save as many as possible for us. — Mike Mann, Class President

Masonic News

Monday, June 7, at 7:30 p.m. an Entered Apprentice Degree will be conducted at Manchester Lodge 148. A rusty Mason degree starts at 7:00 for those who have not been to Lodge lately. The officers invite all Brothers to attend this evening of fellowship.

Raisin Valley Land Trust Sponsors Logo Contest

The Raisin Valley Land Trust (RVLT) is a new organization in search of a logo. The RVLT, formed by and open to citizens from Washtenaw, Jackson, and Lenawee counties, wishes to make land preservation an option to property owners which are in or near the Upper River Raisin Watershed. The logo would be used on letterhead, buttons, tee-shirts and the like.

If you have artistic talent, you could win prizes by designing the logo. The rules are simple:

- 1. The logo should reflect the mission of the land trust, which is to preserve the rural, agricultural, and historical character of the upper River Raisin.
- 2. The design should be simple enough to copy clearly with a copy machine or onto other media.
- 3. All submissions must be in by June 21, 1993. Winning logo will be selected on June 22, 1993. RVLT is not constrained to use the winning entry.
- 4. Prizes: \$25 cash, a Sunday brunch in Clinton, an antique tractor toy from Manchester's K&W Equipment, a \$10 gift certificate to Godfrey's Books in Tecumseh. All prizes will be awarded.
- 5. Mail entries to Raisin Valley Land Trust, P.O. Box 419, Manchester, MI 48158. For further information call evenings 517-456-4901 or 313-428-8108.

Manchester Township Library

"Michigan's Oldest Township Library" Established 1838

Amnesty Week at the Manchester Township Library

Until June 7, no fines will be charged for overdue material at the library.

Therefore, if you left Manchester in the 60's to live in a commune, the librarians will now forgive you. They will also forgive you for all the books you've had overdue since then, and absolve you of the eight billion dollar debt you've accrued.

This means it's time to return all books from under the bed, under the couch, under the sun and over the rainbow. No questions asked. No even, "Why haven't you cleaned under your bed in five years?"

To further encourage you to return material on time, On June 7 the maximum amount we'll allow you to owe the library before your privileges are revoked will decrease from \$10 to \$3.

Boychoir Announces Auditions

The Boychoir of Ann Arbor, now preparing for its eighth season, announces auditions for places in the choir. Parents of musical boys, age 8-13, are invited to arrange for an audition by appointment with the director, Dr. Thomas F. Strode.

The 1992-93 season will include an Evensong in the Anglican tradition; a number of Christmas appearances; engagements with the Ann Arbor Symphony Orchestra; and possible touring as well as appearances in concert series through the Great Lakes region.

Local Student Named Presidential Scholar

WMU Presidential Scholar, Linda Hansen Eroh, center with WMU President Dieter H. Haenicke, left and Senate President Visho Sharma, right

Linda Hansen Eroh was one of 41 Western Michigan University seniors named a 1993 Presidential Scholar. The award is WMU's highest honor presented to a senior. Students are nominated for the award by faculty members of the department in which they have a major.

They are selected on the basis of general academic excellence, achievement in the department's programs and intellectual and/or artistic promise.

The scholars were presented with certificates by WMU president Dieter H. Haenicke at the 13th annual Presidential Scholars Convocation this spring. The event, described as "truly a celebration of the excellence of Western's students," is sponsored by the Faculty Senate and the Office of the President. It included a reception, dinner and program.

Linda Hansen Eroh was named a Presidential Scholar in

the Department of Mathematics and Statistics. She has earned several awards, including a WMU Board of Trustees Scholarship, a National Merit Scholarship, the Eric Schreiner Memorial Scholarship and an Undergraduate Research and Creative Activities Award.

She has attained membership in the national honor societies of Pi Mu Epsilon and Mortar Board. As a member of the Lee Honors College, she has conducted research for her honors thesis on the efficiency of various algorithms for more than two integers.

Eroh has been a volunteer for Circle of Friends, a student community service group. She plans to pursue a master's degree in mathematics at WMU and eventually hopes to earn a doctoral degree in order to teach at the university level. She is the daughter of Robert and Lois Hansen of Parr Road, Manchester.

One man with courage makes a majority. —Andrew Jackson

Chamber to feature new area business Wednesday, June 16

The Manchester Area Chamber of Commerce will hold a regular meeting on Wednesday, June 16. The meeting will take place at Haarer's Meeting Place, 223 E. Main St. at 12:00 noon.

The featured speaker at this meeting will be Larry Byrne from Ann Arbor Assembly. Ann Arbor Assembly will be moving into the vacant Vickers building near Pilot Metal Products.

Mr. Byrne will discuss what Ann Arbor Assembly does and what it has planned for Manchester. He will, or course, be available to answer questions.

Other items likely to be discussed include updating the Business in Manchester flyer in time for distribution throughout the summer, and a future Chamber meeting schedule for the summer months.

Whether you are a Chamber member or not, come to Haarer's and join us as we move forward through 1993.

The Manchester Area Chamber of Commerce meetings are always open to the general public.

For more information, contact Jim Achtenberg of Woodbrook at 428-7011.

College Hometown News

Among students who earned a 3.5 or better grade point average for spring semester 1993 at Michigan State University, from Manchester, are: Tracie J. Anderson, majoring in Merchandising Management; James Diedrich, majoring in Building Construction Mgt.; Michelle Lee Sannes, LBS Physiology.

Washtenaw Community College full-time students who have achieved academic excellence for Winter 1993 semester classes were recognized at a special Honors Convocation May 20. These students have earned a grade point average of 3.5 for honors, 3.7 for high honors, while completing at least 12 credit hours in a semester.

Students from Manchester include: Fall 1992 Honors — John Lochey, Bradley Thornburgh; Winter 1993 Honors — Duane Hopkins, David London, Jill Miller, Bradley Thornburgh. Fall 1992 High Honors — Michelle Buono, Patrick Clark, Julia Hague, Audra Kennedy, Jonathan Kothe, Jodi Lirette, Donna Spiess; Winter 1993 High Honors — Susan Flory, Roy Gourley, Julia Hague, Donna Spiess, Jennifer Wilke

Allen Road Bridge — continued from page one

View of the Allen Road bridge. (Photo taken last winter)

Township residents became very upset because of this delay. The Allen Road Bridge is critically needed for emergency fire and rescue operations. Because the bridge is closed, it takes 10 to 15 minutes of added time for emergency vehicles to reach their destination West of the river. And farmers are unable to cross any bridge in the Township with modern equipment, due to weight restrictions and the narrow dimensions of the bridges.

Bridgewater Township's most famous resident, past Gov. John B. Swainson, has recently been reappointed by Gov. John Engler as President of the Michigan Historical Commission. When he learned of the delay in construction, he took immediate action.

Gov. Swainson met with Dr. Kathryn B. Eckert, the State Historic Preservation Officer. Her office had made the historic

determination on the basis of looking at some photographs of the bridge. He described the poor structure of the bridge and conveyed the urgent need for a usable bridge. At his suggestion, she and her assistant examined the bridge in person that day, in time to attend the Township Board meeting that night (May 18).

At the Township meeting, Dr. Eckert announced that because of the poor structural condition of the bridge, that it would not be necessary to go through the lengthy process. She agreed to reverse her determination after she receives an appeal letter documenting the problems with the bridge. That appeal is now in process.

Township residents are thrilled that the bridge construction can again proceed, probably in Fall. This is due prima-

rily to Gov. Swainson's efforts: he is an eloquent spokesman for residents' concerns and with his office in Lansing, he was able to go directly to the key person. Area residents are grateful for his immediate action.

Are There Really Only Two Things You Can Be Sure Of—Taxes and Dying? A Matter of Faith and Justice Health Care for All

"What I want to know is how much a national health care plan will cost me!?" "Is there some way we can help those in need without it breaking my family's budget?" "If we have a national health care plan, will I still be able to choose my own doctor?" "What the heck is the Canadian system anyway?"

Health care reform is at the top of the national political agenda. However, the ethical questions raised by the health care system—such as quality of life, equity, and justice—make it appropriate for people of conscience and faith to speak out on these issues.

Get informed! ! On four Tuesdays in June (the 8th, 15th, 22nd, and 29th) the Manchester Area Churches will present a study series designed to "get behind the headlines and buzzwords." The meetings will run from 7:30 until 9:30 pm and be held in the Emanuel Church dining room.

We will delve into why health care costs continue to soar, what are some of the plans for reform being suggested, and how

can we evaluate these plans. The series will include a variety of activities, including videos, small-group discussion, a guest speaker, and more.

You don't need to be a health professional or financial expert to benefit from and understand this presentation—just a human being, a taxpayer, and a person with a little compassion for their fellow human beings. And you can be sure that by the end of the study series you will actually know what is being talked about when the health care reform issue is being debated.

Health care is an issue that affects literally every person in the nation. Any "reform" will likewise impact each of us. This is definitely the time to know what we are talking about—rather than just trusting it to the politicians.

Join us on Tuesday nights, June 8, 15, 22, 29, at 7:30 sharp, in the Emanuel Church dining room.

For more information, contact Laura Sutton at 428-7445 or Janet Shurliff at 428-9462 or Fred Munson at 428-8885.

Bridgewater Township Planning Commission - MAY 10 1993

Chairman Fish called the meeting to order at 7:34 p.m. Present; Fish, Cobb, Peacock, Dull, Iwanicki Absent; Wahl, Marion

The regularly scheduled meetings of March and April were cancelled due to tax Board of review and for lack of business respectively.

Minutes of the meeting of February 8 were approved as mailed.

On March 5, a workshop on issues surrounding private roads was attended by members Dull, Peacock, Fish and Zoning Administrator Scheer. The sponsor was the Washtenaw County Township Association.

In addition, another workshop was held on April 29 which was also sponsored by the Washtenaw County Township Association, this time on Zoning Issues and was attended by Dull and Peacock. Handout information was supplied to all members.

Chairman Fish led a discussion of the need for, and benefits of, a lot split ordinance. Chairman Fish gave an update of information regarding contact with Ameritech regarding questions concerning the tower lighting package as well as information regarding the anticipated funds to cover landscape screening. Both funds and information are anticipated by the next regular meeting of Planning Commission on June 14.

A review of the Conditional Use Permit issued to Genpack was scheduled for June 14 to answer questions regarding possible changes in their site plan, and to confirm completion of landscape requirements.

Rumors regarding property owned by Bridgewater Associates were discussed and members Peacock and Cobb reported that no accurate information exists which confirms those rumors concerning possible uses for the property for a landfill.

Chairman Fish led a discussion of a possible private road ordinance. The discussion included the issues of construction standards and a possible sliding scale regarding those standards based on density of housing along the roads. Also at issue the role of the Township in regulating private roads was discussed.

The Zoning Administrator gave a report on correspondence sent by her office as well as new building permits issued.

Chairman Fish supplied members with a list of sample ordinances which are available from the Michigan Township Association.

Motion to adjourn by Cobb, support by Dull, passed without objection at 9:35 p.m.

H. Cobb, Secretary Bridgewater Township Planning Commission

Proposed Synopsis of a Special Meeting of the Manchester Township Board held Wednesday, May 25, 1993:

The meeting opened at 8:32 a.m. with all Board members present.

The purpose of the meeting was to review, discuss and possibly take action on proposed contracts pertaining to a future public road in the township. A motion was made and carried to authorize the Supervisor to sign all documents relating to the township's lawsuit against Manchester Gravel and the documents relating to easements for the future public road.

As all Board members were present, it was agreed to discuss the status of repairs on the fire truck involved in the rollover accident in January. After inspection by township and fire department officials, it was felt that the tank is not usable and beyond repair.

Options for replacement were explained, including steel, polyurethane and fiberglass tanks. There being no other business, the meeting adjourned at 8:42 a.m.

Submitted by Kathleen M. Hakes, Clerk Approved by Ronald E. Mann, Supervisor

We've made it our goal to begin the write up of your service order within 4 minutes of your arrival. And to have your car ready at the agreed upon time. Plus, when you call, we'll try to give you an answer about the service status of your car within 1 minute.

So, next time, bring your Ford to us. We've got the time, even when you don't.

Quality Care. On time. In time. All the time.

The "Perfect Recipe For A Cool Ride

In celebration of May being Motorcycle Awareness Month, a recipe is in order. Unfortunately the wrong ingredients are too often used.

Although 49% of all motorcycle deaths in Michigan involve alcohol, some people still call this the "perfect" recipe for a cool ride on a hot night:

1 motorcycle 1 biker 1 hot night 3 cold beers

Add biker to motorcycle. Heat over hot summer night. Mix with 3 cold beers. Yield: one dead biker.

In 1992, 83 motorcyclists were killed in Michigan. The death rate for motorcycles is more than ten times higher than the rate for car passengers.

Cyclists should wear a helmet and stay dry! Ride to survive. — Sheridan Rhoads, Office of Highway Safety Planning

Manchester's JV Softball Completes Successful Season

The Manchester JV Softball split their final four games of the year to finish their season with a successful 12-8 record. In their final games the Dutch beat Hanover-Horton 13-6, won against East Jackson 11-7, lost to East Jackson 14-12 and lost to Michigan Center 18-17.

Against Hanover-Horton, Heather Punches pitched a three-hitter for the win. She struck out seven batters. Offensively, the Dutch were led by Andrea Clark and Erin Binder with two hits apiece, and Sandi Fielder, Jaime Knouase and Jenny Nosbisch with one hit apiece. Knouase homered for the Dutch.

In game one of a double header at East Jackson, the Dutch triumphed as Heather Punches won her eleventh game of the year, striking out seven batters. Andrea Clark had two hits in leading the Dutch to victory. Sandi Fielder and Punches each chipped in with one hit.

Game two of the double-header found East Jackson beating the Dutch in a close and exciting game, 14-12. After trailing 9-0, the Dutch stormed back and had the tying runs on base in their final at-bat only to come up short. Jaime Knouase and Heather Punches pitched for the Dutch. The Dutch banded out seven hits led by SheaAnn Janus, Jaime Knouase and Erin Binder with two hits apiece and Andrea Clark with one hit. Binder had two triples and Knouase homered for the Dutch.

In their final game of the year, the Dutch traveled to Michigan Center and lost in a see-saw battle, 18-17. The Cardinals scored the winning run in their final at-bat. Heather Punches pitched for the Dutch, striking out four batters. The offensive attack was led by Darci Hock who had three singles and a double, and Erin Binder and Jaime Knouase each with one hit.

Special Sport Notice

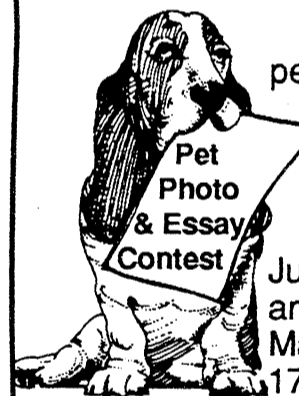

—by Jon

The Spring Sports Recognition night is a special event which includes food and a festive atmosphere at Carr Park on Monday night, June 7, at 6:00 p.m.

Please bring a dish to pass, your own table service and beverage. Hot dogs provided by the Boosters.

There will be a short meeting of the Boosters following the awards presentation.

Announcing Pet Photo & Essay Contest

To Enter: Send a photo of your pet, or an essay about your pet to: The Manchester Enterprise 109 E. Main St. P.O. Box 37 Manchester, MI 48158. Entries must be received before July 8, 1993. Entries will be judged and the winners announced at the Manchester Summer Festival, July 17, 1993.

Please limit essays to under 100 words. Telephone (313) 428-8173 for further information.

Varsity Softball

—by Karen Strock

The varsity softball team ended the year with a 7-7 conference record. Two games were played last week. The Monday game featured a rematch with Michigan Center. The game was closer than the final score of 6-2, with Michigan Center the winner. Each team connected for eight hits. The difference was the timeliness of the Michigan Center hits, and the nine strikeouts recorded by the Michigan Center pitcher. Manchester was led in hits by Shan Lee with three and Michelle Strock with two. The wind was very strong and at times played games with the ball and the dirt of the infield.

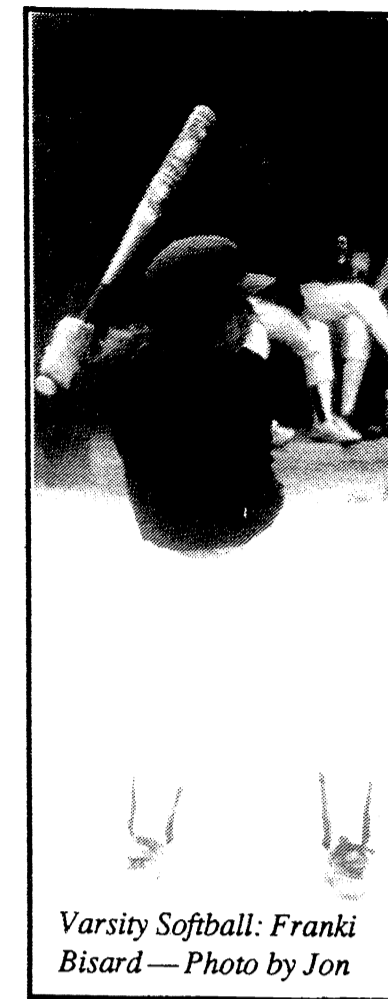

On Thursday, the Dutch traveled to Grass Lake to complete the game of May 12, which was called due to darkness at the end of nine innings tied 7-7. Manchester was the home team. In the tenth the Grass Lake Warriors batted only three batters, despite one of the batters being hit by a pitch. In the bottom of the tenth Lee and Keller started it off with singles. Strock hit into a fielder's choice, sending Lee to third. After Strock stole

second, we had runners at second and third with only one out. Unfortunately, they were unable to score. Grass Lake then opened up a bulge with seven runs in the eleventh. The game ended with Grass Lake the winner, 14-7.

Manchester then played Grass Lake in a practice scrimmage. After the first inning, Grass Lake led 4-0. Manchester started a comeback and led 7-6 at the end of four. We scored one run in the second, two in the third and four in the fourth. Manchester had six hits by six different batters. Shan Lee started pitching for Manchester and Adrienne Wallace finished the final three innings. Grass Lake won on two unearned runs in the seventh inning. The final score was 9-7 for Grass Lake.

The pre-district game with Clinton is at 4:00 p.m. Tuesday, June 1, at East Jackson. If Manchester wins, the next game is scheduled for 10:00 a.m. Saturday, June 5, at East Jackson.

Humility is the most difficult of all virtues to achieve; nothing dies harder than the desire to think well of oneself. —T.S. Eliot

CARD OF THANKS

Thank you to all the volunteers for the labor and delicious yummys provided at Teacher Appreciation Luncheons at the Middle School and High School. Barb DeLongchamp 6/3p

My wife, Ann, and I would like to thank our Manchester area friends and the Shakespeare Club for the support given my sister, Dorthea Greene, while she cared for my mother, Mable Billings, during her last three months. Don Fowler

The family of Lucile Weidmayer expresses our heartfelt thanks to all who remembered us with your various expressions of sympathy during her sickness and death. Special thanks to Amicare HomeHealth Care, CAPD Kidney Dialysis Staff, MICU Staff at St. Joe's Hospital, Jim Robison, Robison-Bahnmler Funeral Home, and Pastor Falk, St. John's Church, and all our family and friends. Your love and support will always be remembered. God bless you all! Erwin Weidmayer Dale & Susan Weidmayer & family Betty Weidmayer

I want to thank Harvey and the rest of my family, relatives, and friends for all their prayers, phone calls, flowers, cards, gifts and all their visits to the hospital and since I returned home. Also, my family for all the great dishes of food they brought to our home. Thanks also to our American Legion for the use of their hospital equipment. I am very grateful and will always remember everyone's help and kindness. Evelyn Dethloff

Salute To Manchester Volunteers of the Year

We continue (from last week) the Manchester Community Resource's recognition of volunteers in the community who were honored at the annual banquet May 5th.

Helen Popkey

Len Bruner, past board member of the CRC, presents Helen Popkey with volunteer award

The American Legion Auxiliary, Unit 117, nominated Helen Popkey who has served the American Legion Auxiliary for 39 years. Helen is a past-president and co-community service chairman. She is always willing to help with bingo for the Auxiliary and also the American Legion.

Helen is well known for her ability to respond to the needs of those who are ill or in the event of a death in the family. She comes with helping hands that are full of food for the family.

Helen's children are all grown. She is always there for support and to enjoy the activities her grandchildren are involved with.

An argument needs no reason, nor a friendship. -Ibycus

Homer Kuhl

Homer Kuhl is presented with his volunteer award by Len Bruner, past board member of CRC.

The Kiwanis Club of Manchester nominated Homer Kuhl. Homer has been a Kiwanis Board member for the past ten years and during that time served as an inner-club chairman.

Other community volunteer involvement include Chelsea Community Hospital. He serves at the information desk every Friday, drives shuttle every Monday, materials management every Friday and is on call as a substitute chairman of the popcorn fundraiser beginning in May.

Homer has just received his 100-hour volunteer service certification.

The business operated in three different locations on both sides of Main Street up to 1941, when the Widmayers built a new, larger building on the south side of Main Street. In that same year, Roland and Herb Widmayer bought the business from their father.

Widmayer Hardware was a mainstay of the Main Street business block until 1972, when Herb Widmayer retired and sold the business to Sam and Joan Beal. They operated Beal's Ace Hardware in the same location until their retirement, when they, in turn, sold the business.

The Post Office now occupies the building.

Herb Widmayer also operated Manchester's movie theatre. He opened it in 1935 on the north side of Main Street. The first feature film starred Jean Arthur, and was shown along with "The Ant and the Grasshopper" cartoon.

Mr. Widmayer has taken pride in his home town throughout his long life. The perpetual tree fund he has created will give both pride and pleasure to Manchester residents and visitors for many years to come.

"Physics Phun" continued
from page one

Once at Cedar Point, there were many special events. There were NASA exhibits of rockets, a lecture given by a local Cleveland astronaut, and a man dressed up in a batman-esque suit who was supposed to represent "micro-gravity man" — stationed appropriately next to the Demon Drop where one experiences free fall or gravity of -9.8 m/s².

TRADITION

— by John Swainson

TRADITION is defined by THE AMERICAN HERITAGE DICTIONARY OF THE ENGLISH LANGUAGE as: 1. The passing down of the elements of a culture from generation to generation, especially by oral communication. 2. A mode of thought or behavior followed by a people continuously from generation to generation: a cultural custom or usage. By this definition, the Manchester Chicken Broil, which is celebrating its 40th year, has become a tradition hereabouts.

It is important for people to have traditions, they impart a continuity that binds people together. Without tradition we would be less than complete. We would not be who we are if we did not have traditions.

It is not unusual to have a grandfather, father and son working together at the Manchester Chicken Broil. Each is doing his share, and carrying on the tradition that is now forty years old. You notice I only referred to the male line of the family, because traditionally the Manchester Chicken Broil is an all male function.

GRADUATION 1993

— Kathy Kueffner

Pictured above, Mara Bragg, Class of 1993, in her valedictorian speech spoke of the experiences of the past contributing to the exciting future of the day's graduates. She quoted Bob Dylan lyrics: "May your wishes all come true; may you always do for others and others do for you. May you build a ladder to the stars and climb on every rung. May you grow up to be righteous, may you grow up to be true. May you always know the truth and see the light surrounding you. May you always be courageous, stand up right, stand up strong..."

High school principal Russell LeBlanc and standing (left to right): Athletic director Dave Swanson, School Board members: Patricia Sahakian, Joe Turk, Bruce Abbott, John Hochstetler, John Ochs.

Chilly, rainy days bracketed this day of warm sun and bright smiles. There was a poignant moment of silence for senior classmate Jason Briggs who died in February of this year.

Speeches were given and various community scholarships awarded. The Manchester Athletic Booster Scholarships, presented to the top male and top female student athlete, in the amount of \$500 each, were given to Sharon Fielder and Rodney Burkhardt. Applicants are nominated by varsity coaches, counselor Dick Parson, principal LeBlanc, athletic director Dave Swanson.

all have been greatly benefited by the efforts of all to improve the community, and for this we should all be grateful and we are.

The more tickets sold, the more people that attend, the more benefits to the community. The tradition is that everyone who works at the Chicken Broil must sell a certain number of tickets to work on the day of the Chicken Broil.

Let's keep and extend the traditions of the Manchester Chicken Broil, and support those traditions by at least buying tickets and hopefully selling tickets to others.

IT'S TRADITIONAL.
