

Building Trades Home Featured During Annual Showcase Tour

After nine long months of building, the South and West Washtenaw Consortium Student Building Trades program is set to show off this year's home in the annual Showcase of Homes tour, June 12-20.

The Building Trades program is one of seventeen Career and Technical Education programs for the consortium consisting of Chelsea, Dexter,

Manchester, Milan and Saline Schools.

Students in the Building Trades program included five from Manchester: Tim Landini, Ken Lane, Steve Raab, John Schiel, and Jeremy Wenger.

Dick Lutz, instructor of the program and Chelsea teacher, is proud of the students work. "The students do 90% of the work. They do the labor and professionals help teach."

Lutz sees the program as a stepping stone for students interested in construction careers. Many graduates are hired by construction companies and students also earn up to six hours of college credits through the Consortium articulation agreement with Washtenaw Community College.

For the second year, the student-built home will receive special attention in the Showcase of Homes. It is the only student chapter exhibit in this year's Showcase.

The home is located in the Saline area at 486 Bennington Court in the Northview Subdivision off of Waterworks Road, one block west of Saline-Ann Arbor Road. The home is a top-of-the-line traditional ranch with three bedrooms, jacuzzi, three-and-a-half baths, oak floor in kitchen and dining area, towering cathedral ceiling and fireplace, and a gourmet kitchen accented by solid oak cabinets.

Cholesterol Screening Provides Total, HDL Numbers

Saline Community Hospital will offer cholesterol screening from 4-7:00 p.m. Thursday, June 17, at Saline Recreation Complex, 1866 Woodland Drive, Saline.

The process has been revised from a finger prick that gives you only total cholesterol to a vein puncture that provides total and HDL (the good number) numbers mailed to you within three working days. Fasting is not required.

Joyce Van Ryn, RN, of hospital's Education Department, said the process was revised because many people are watching their cholesterol numbers now and want the more detailed analysis.

High cholesterol is one of the three major risk factors for heart disease. Often, cholesterol can be controlled through diet and exercise.

The fee is \$12. No appointment is necessary. For more information, call 429-1636.

Saline Recreation Complex is located on Woodland Drive, just south of Textile between Saline-Ann Arbor Road and State Street.

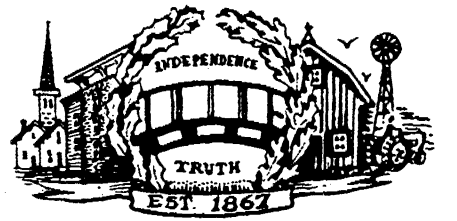

Area Residents Honored by St. Joseph Mercy Hospital

St. Joseph Mercy Hospital in Ann Arbor honored employees for completing ten or more years of service. Local service award recipients include Mary Jo Olmstead, 25 years; Randall Baker, Joe Gibbons, Ann Spangler and Trina Matthews, 15 years; and Denise Collins 10 years.

Whether you come by boat, train or plane — don't miss the Manchester Community Fair

The 49th Annual Manchester Community Fair is fast approaching. It will be held July 6-10, 1993. Fair books are available at several area merchants. Pick one up and start with the entries for the exhibit building; there are several new classes added to the book for entering exhibits.

The Fair is once again having the "300 Club" drawing to help support the fair. There will be eleven drawings for prize money during the week. Tickets are available at the Flower Garden, Carol's Cut-N-Curl, and from Fair Board members.

The annual Talent Show is scheduled for Wednesday evening. Contact Susan Morey at 475-2783 if you are interested in trying out (& page 11 for entry form). Anyone interested in having a booth in the Merchants' Tent, contact Kathy Richardson at 428-8474.

The theme for this year's fair is "Year of the American Craft, 1993". As a result of a Congressional Proclamation signed by President Bush in December of 1992, our nation

will celebrate the theme of crafts and crafts-people along with the entire western hemisphere. 1993 fairs will pay tribute to the historical roots and cultural heritage of crafts and showcase the artistic diversity existing among all people.

Down Memory Lane with the Manchester Chicken Broil

by Marsha Johnson Chartrand

Dateline: Thursday, June 24, 1954 - "The Exchange Club Auction was a real success. The proceeds amounted to \$670.00...the entire proceeds was turned over to the Athletic Field Fence Fund. The Exchange Club has planned some other functions for later this year which include a local talent production, "You Can't Take It With You", and a huge barbecue chicken dinner."

So begins the saga of the Manchester Chicken Broil. This was the earliest printed reference to what would become our Village's largest annual event. Several weeks later the announcement came that, "If you want to taste charcoal-broiled chicken at it's finest, salted, buttered, with well-done meat under a crisp, toasted skin, bring your family and friends to the Manchester athletic field, any time after four o'clock, Thursday, August 12."

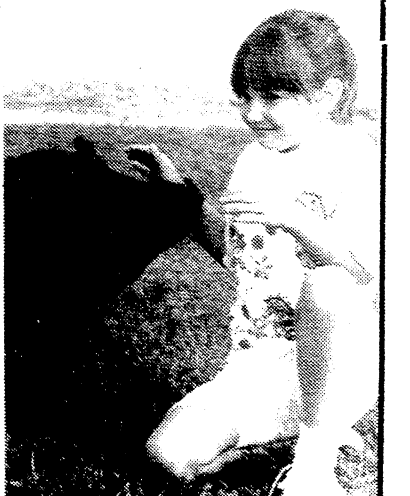

The Exchange Club and the Jaycees (the latter was formed earlier in that same year) were jointly sponsoring the Chicken Barbecue.

A description of the special broiling process which was overseen by the Michigan State College cooks, follows the open invitation to the community.

"The menu, in addition to chicken, is potato chips, relishes, buttered buns." The formula has remained pretty much unchanged over the years, for both the cooking process and the menu. Why mess with success?

This Week at the Gazebo:

The Wes Linenkugel Quartet

The fun starts at 7:30 p.m. at the Gazebo this week, as "The Wes Linenkugel Quartet" gets things jumping with their unusual mix of "string popping sounds of the classic hammered dulcimer."

This ensemble is lots of fun—to watch and to listen to! They play old favorites with new life!

Don't miss it—this week at the Gazebo on West Main Street, at 7:30 p.m.

From The Ground Up

—by BG

One of the handiest gardening tools can be a pair of cheap household scissors. Carry a pair in your pocket whenever you wander around the garden. They can be used for tidying, pruning, deadheading, insect control, etc.

Early this morning, I used a pair of scissors for cutting dead Iris flowers for appearance and to prevent seed production which will encourage the plant to produce stronger roots.

I cut off some Cosmos buds because these annuals, put into the ground three weeks ago, should grow more bushy and taller before producing flowers. Other plants, Coreopsis and Marguerite Daisies, were dead-headed to prevent the seeds from overwhelming the garden with unwanted plants next year.

The dead flowers in all of the containers were snipped off to maintain the flower production and for neatness. Don't forget that the seed stems of the Impatiens flowers should be cut off to keep the plant blooming all summer and perhaps during the winter in the house.

I cut back, for the last time, the tips of the Chrysanthemum cuttings that will be set out in the garden in August and September as full-sized flowering plants.

Horned tomato worms haven't appeared yet. When they do start eating the tomatoes before I have a chance, I have been known to cut them in two with the scissors, the nearest weapon.

Of course, the scissors can be used for cutting bouquets for the house. If they can still cut paper, save some magazine and newspaper articles for your personal reference library.

Benedict's Welcomes John Mooneyham

John Benedict and Mike Young, owners of Benedict's Service, welcome John Mooneyham, Sr. on board to manage the facility on West Main Street.

John "Moon" comes to the service station with 37 years of automotive experience, including 18 years at the Chrysler Proving Grounds where he worked in the performance department. In this department he evaluated all makes of cars building up for test performance, testing, then submitting the data to the engineering department.

In 1971, John entered Eastern Michigan University and earned his BS degree in two and a half years. Upon his graduation he was employed by the Wayne-Westland Community Schools where he taught automotive technology for four years then becoming the Systems Premier Advanced Automotive instructor. "Moon" holds a BS in Industrial Education, a MS in administrative leadership and the coveted ASE Master Automotive Technician certificate. John has attended virtually all of Ford, Chrysler and GM technical service schools.

"Moon" retired July 1, 1992, from the school system and is looking forward to helping Benedict's become an excellent service center.

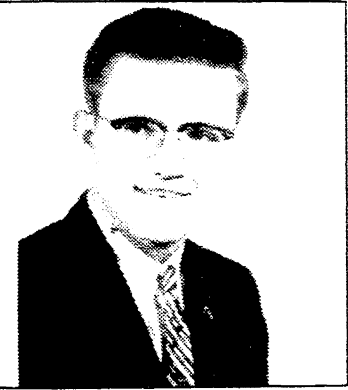

Pictured left to right: Joe Dunny, John Mooneyham and Mark Briggs.

Benedict's Service also has Joe Dunny. Joe has five years experience including experience in general repair stations and dealerships. Joe completed the Vocational Auto Technology programs at Saline, and has also completed several individual courses on special systems such as ASB, fuel injection and brakes. He is a definite asset to the service station.

The third member of the Benedict team is Mark Briggs. Mark came to the facility with great desire and ability. He has two years automotive experience and has been with Benedict's seven months. Mark also has completed the auto service program at Saline High School and has completed the Auto Service Advisor program at ASC.

If you missed the 4th Annual Custom and Classic Auto Show held at the old athletic field Saturday, June 12th, don't miss next years. A little bit of everything, in the automotive field, was present.

In evidence of our love affair with cars and our dependence upon the car industry was the display of automobiles at the show. Restored, original, custom, modified, unfinished, stock, were just some of the vehicles present. There was something that interested everyone present.

Kathy and Greg Marvin, Midwest Ford owners, were on hand to award prizes. Ken Moull, once again put the show together with the able assistance of the Kool Cruisers Car Club and they are to be commended for a super job. Some of the winners were:

Mild Custom, 1st Chuck and Karen Ranger, 50 Ford; 2nd Brian Ahern, 54 Merc.

Radical Custom, 1st Denise Ahern, 60 Ford; 2nd Bud Gallatin, 67 Malibu.

Street Machine, pre 49-60, 1st J. D. Frederick 56 Chevy.

Street Machine, 61 & up, 1st Dan Price, 66 Chevle. 2nd Bill Curtis, 78 Fairmont.

Muscle Car, Denver Brown, 65 GTO. 2nd Jim & Bonnie Taylor 70 Road Runner.

Street Rod, 1st Butch Kopsalais, 33 Plymouth. 2nd, Dan & Marge Wedge 40 Ford.

Stock Truck, 1st, Ron Teal 71 Chevy. 2nd Larry Benjamins 41 Ford.

Modified Truck, 1st. Harvey Justice, 63 Falcon. 2nd Joe Romeo, 83 Chevy.

Best Original, Restored, 1900/49, Harry Spencer.

Best Original, Restored 50-69, 1st Dan Mazzie 63 1/2 Vette. 2nd Patrick Fourshe, 60 Vette.

To the Editor:

I would like to say how disappointed I was with the Spring Shop the Family Service held at the Manchester United Methodist Church.

I witnessed chaos with no regards for anyone. I was shoved aside more than once with no "excuse me" or anything.

I used to enjoy looking through the stuff for things we needed. Not any more.

There were hordes of people — and not necessarily Manchester residents either — just shoving as much as they could, as fast as they could, into boxes without even looking at the stuff.

The Spring Shop opened at 5:00 p.m. and at 5:05 p.m. not ONE toy was left for the other children.

Do You Know Where Your Pet Dog Is?

On June 2, dogs killed the sheep pictured to the right. The sheep was owned by Mrs. Ann Smith who has lost at least six other sheep to dogs recently.

People think their loveable, friendly pet dog couldn't do such a thing, however, left on their own these same gentle pets will join up with other neighborhood dogs and/or strays and just for the thrill of the chase go after sheep and other livestock, usually killing or horribly maiming the animals.

Please keep your dogs confined to your yard. If you are not going to be home, don't assume your pet is staying in the yard — make certain he is staying home. Particularly at night, but in no way limited to night, keep your dog at home.

Manchester Gazebo Concerts Strike Up the Band at the Gazebo!

Here are the ingredients of a great summertreat: a dozen or so talented musicians culled from the neighborhoods of Manchester and the surrounding countryside; a musical repertoire of the familiar and the unusual—from John Philip Sousa to big band swing to contemporary jazz; a setting at the Gazebo on the Village Green just as dusk is settling; an audi-

ence of young and old, in lawn chairs, at picnic tables, and on blankets; a few fireflies and the twinkling of the first evening stars.

Mix them all together and you have a Gazebo Concert not to be missed! Next Thursday, July 1st.

The Manchester Community Band has been playing together for about five years now.

Their appearance for Gazebo Concerts is always a favorite and a pleasure. This year will be no exception! Each year the band grows and changes. Under the direction of Manchester's Mark Miller, the band personnel remains fresh and varied.

Set aside this evening for your own enjoyment. Come over at about 7:30—get a good seat. And just laze for an hour or so, enjoying what makes Manchester special!

The Gazebo is on West Main Street at the corner of S. Macomb, kitty-corner from the Emanuel Church parsonage. Gazebo Concerts are organized and sponsored by the Manchester Recreation Task Force. For more information, call 428-7722. In case of rain, an indoor location will be posted at the Gazebo.

Come on down—and enjoy the Band next Thursday at the Gazebo!

Children and adults alike were charmed by the folktales and songs of Laura Pershin and Rosalie Koenig during last week's Gazebo Concert.
Don't miss this week's concert, June 24: The string-poppin' sounds of the Wes Linenkugel Quartet.
Next week, July 1: Our very own and very special Manchester Community Band.

The Fair is Coming! The Fair is Coming (continued from front page)

"Michigan's Biggest Little Fair", the Manchester Community Fair, will include all the traditional activities like tractor pulls and pony pulls, the carnival by W.G. Wade Shows, the Exhibit Building, pet and livestock judging, etc.

And, entertainment, great entertainment, from the Talent Show on Wednesday, to the popular Moose & Da Sharks on Thursday, a Tae Kwon Do demonstration, Karaoke, and more.

There will be a few new things added this year, including goat judging and a sheep shearing contest, plus new entertainment.

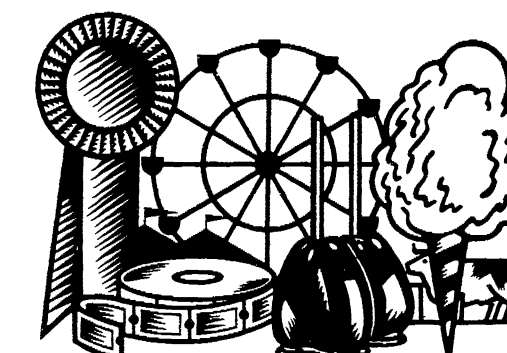

The parade starts at 6:30 p.m. on Tuesday, July 6. After the parade reaches the fairgrounds (the Alumni Memorial Field), the Fair Queen and her Court will be crowned.

Seeds From The Sower Michael A. Guido, Mentor, Georgia

A man was making a flower box, and a duke said, "They'll fill it with dirt. Why take pains to make it perfect?"

"Because," he replied, "I like perfect things." And he asked, "Do you suppose that the Carpenter of Nazareth ever made anything less well than He could make it?"

"You deserve a flogging," cried the duke. "What's your name?" "Michelangelo, sir," he replied.

No wonder his work to this day inspires all who look at it. In the eyes of God, it's a great thing to do a little thing well, for the Bible says to everyone, "Learn to do well."

A lady said to her neighbor, "Cheer up. There's no good in worrying."

"I think," she answered, "when the Lord sends me tribulation, He expects me to tribulate."

But He doesn't. The Bible says, "Don't worry about anything."

Don't worry about yesterday. You can't undo any act or unsay any word. If you've done wrong, confess it and the Lord will forgive you.

Don't worry about tomorrow. It's like a rocking chair. It gives you something to do, but it gets you nowhere.

Don't worry about today. Instead commit everything to the Lord. Trust Him to help you, and He will.

You can't change the past, but you can ruin a good present by worrying about the future.

A MATTER OF FAITH AND JUSTICE How to Judge the Various Health Care Reform Proposals

If you were king—which proposal would you implement for health care reform? How would you evaluate the different aspects of various proposals? Would you opt for the Canadian plan? The Clinton plan? The Catholic Health Association plan? A modification of our current plan? Or perhaps none of the above are acceptable, and we need something altogether different???

The final session of the Health Care Study Series will be held this coming Tuesday, June 29th, to evaluate the various proposals. And since we are not kings, we will also consider how to advocate for the elements of reform that are essential.

Join us to discuss this last important step in being an informed and active citizen and person of faith. Health care reform is coming...we must be knowledgeable in our response to it.

On Saturday, June 26 at 9:00 a.m. there will be a painting party at Klager Elementary School playground to brighten and repair the playground, making it a safe place for our community's children to play.

Please bring any painting equipment we can use for the day: brushes, rollers, pans, rags, ladders, wire brushes, etc.

Come and enjoy each other's company. Show your support in a vivid and enjoyable display we can give our children for years to come.

Nothing is more dangerous than an idea, when it's the only one we have. —Alain

Dr. Taylor Announces Departure: Introduces Dr. Marvin-Manders

Bradley Taylor, O.D., is pleased to announce that Julie Marvin-Manders, O.D. will be taking over his practice of Optometry beginning July 1st. Dr. Taylor has been named as the Optometric Director of the Vision Institute of Michigan, based in Sterling Heights.

Dr. Marvin-Manders is a 1988 graduate of Ferris State College of Optometry. She has been in professional practice in Adrian and Jackson with an emphasis on primary care eye care and contact lenses. Dr. Marvin-Manders will continue to provide the Manchester area with quality eye care and optical services.

The Manchester area has been very supportive of Dr. Taylor's practice in the last five years. For Dr. Taylor, the Manchester area has not only been a great place to practice but a wonderful place to live. Dr. Taylor hopes that the community continues to support Dr. Marvin-Manders in a similar fashion. She will be offering expanded office hours along with personal, professional, and friendly eye care.

Please stop in the new Manchester Eye Care Center and welcome Dr. Marvin-Manders to the Manchester community.

Chamber hears from new area business, Ann Arbor Assembly Corp.

The Manchester Area Chamber of Commerce held the regular meeting on Wednesday, June 16, at Haarer's Meeting Place.

The featured speaker at this meeting was Mr. Larry Byrne, president of Ann Arbor Assembly. Ann Arbor Assembly will be moving into the vacant Vickers building near Pilot Metal Products. Mr. Byrne discussed what Ann Arbor Assembly does, and what it has planned for Manchester.

Ann Arbor Assembly currently has most production in Ypsilanti. Their customers are all the auto companies. Ann Arbor Assembly designs and produces hinges, such as those used for doors and hoods, at a significant cost savings to the automakers. Mr. Byrne brought a video that described the operations of the company in detail.

Ann Arbor Assembly will begin limited production in Manchester in mid-July. They are currently doing extensive renovations and additions to the Vickers building. After the ini-

tial move, the Company will host the Chamber and the entire Manchester community for an Open House at their new location. We all look forward to seeing what this new neighbor brings to Manchester.

Other items discussed by the board included:

- 1. Dues to the State Chamber in the amount of \$245. At the current time, the Board decided not to renew our membership in the State Chamber due to the lack of specific benefits to Manchester.
2. Updating the Business in Manchester flyer in time for distribution throughout the summer.
3. Future meetings. Likely topics for future meetings are government updates and recycling.
4. Membership. Since there were not any meetings or mail-

ings between October 1992 and May 1993, dues notices have not been sent out. Our next meeting announcement will include a dues notice and/or membership application.

The chamber normally meets the third Tuesday of each month. The next meeting is scheduled for Tuesday, July 20, at 7:30 a.m. at Haarer's. Coffee, juice and donuts will be provided. We would especially like to invite the Main Street business community to this morning meeting. We plan to end before the normal business day begins so all can attend. The Manchester Area Chamber of Commerce meetings are always open to the general public. For more information, contact Jim Achtenberg of Woodbrook at 428-7011.

Lyle N. Portice, of Manchester, a senior in Electrical Engineering, placed on the Dean's List at Michigan Technological University in Houghton by earning a grade point average of 3.5 or higher.

TO: The Manchester Community FROM: Bradley Taylor, O.D.

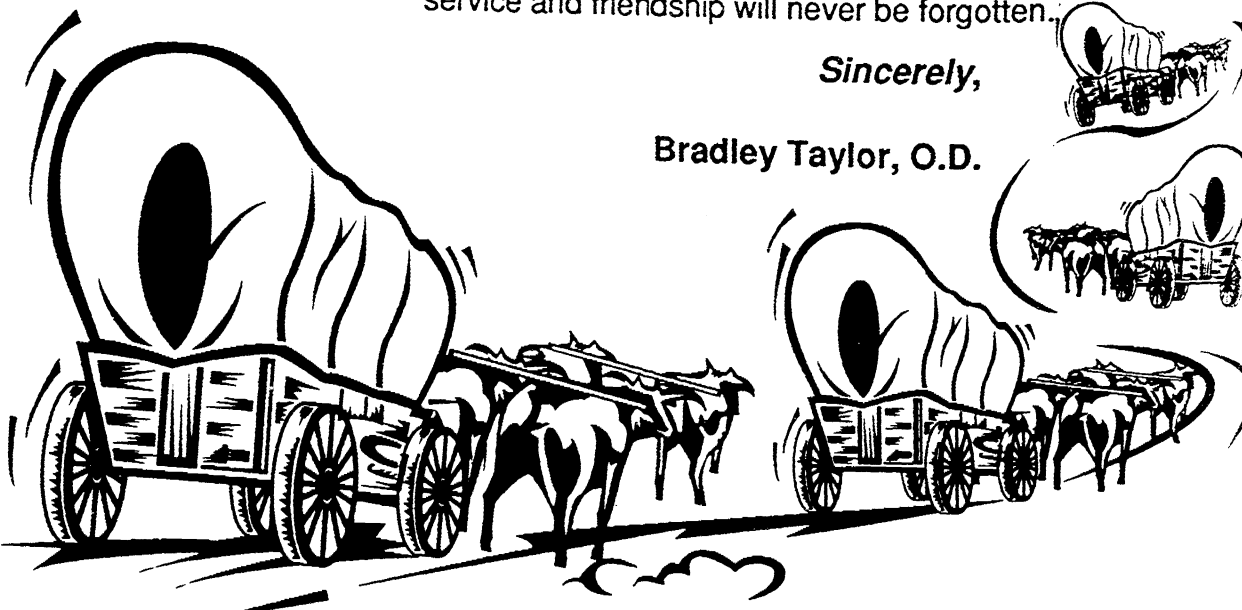

I would like to take this opportunity to announce that my practice of Optometry will be taken over by Julie Marvin-Manders, O.D. beginning July 1, 1993.

I have been offered and accepted a new and challenging professional opportunity as the Optometric Director of the Vision Institute of Michigan, based in Sterling Heights, MI. This position will allow me to expand on my clinical skills and develop a co-management/referral network in the metropolitan Detroit area.

Dr. Marvin-Manders and I have known each other for several years. She is an excellent doctor as well as a very sincere and caring individual. Dr. Marvin-Manders will continue to offer the Manchester community professional eye care at its highest level as I have attempted to do. I am sure that that community will support Dr. Marvin-Manders as it has me.

Leaving Manchester will be very difficult for Cathy, Erica, Emily, Elisa, and me. It is somewhat easier by knowing that Dr. Marvin-Manders will continue to serve the eye care needs of Manchester. Thank you for five years of support and friendship. I would especially like to thank Kathy Gould. Kathy's dedicated service and friendship will never be forgotten.

Sincerely, Bradley Taylor, O.D.

Sweet Adelines Install Board of Directors 1993/94

Manchester resident, Peggy Wilson, was reinstated as a member of Board of Directors of the award-winning Ann Arbor Chorus Chapter of Sweet Adelines International for 1993-1994. The Ann Arbor Chorus recently installed their 1993-94 Board of Directors at a banquet held at the University of Michigan Golf Course Clubhouse.

Sweet Adelines International is a non-profit educational, acappella singing organization devoted to the American Barbershop style of music for women; it was founded in 1945.

The Ann Arbor Sweet Adelines, women barbershop singers, welcomes all women to participate in our weekly rehearsals from 7:30-10:30 p.m. Tuesday evenings at Glacier Way United Methodist Church, 1001 Green Road, Ann Arbor.

Army/Air Force Hometown News

Airman Amy K. Major has graduated from Air Force basic training at Lackland Air Force Base in San Antonio, Texas.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

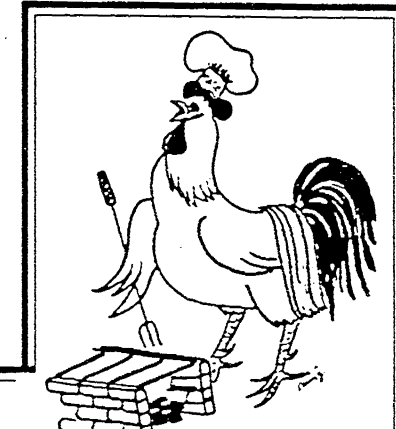

In addition, airmen who complete basic training earn credits toward an associate degree through the Community college of the Air Force.

Airman Major is the daughter of Mr. and Mrs. Lewis C. Major, Manchester, and a 1989 graduate of Manchester High School.

Jeffrey L. Loomis, son of Rick and Theresa Loomis of Manchester, enlisted in the Air Force's Delayed Enlistment Program.

Loomis, a 1992 graduate of Manchester High School, is scheduled for enlistment in the Regular Air Force on July 28, according to Staff Sergeant Deon Brown, Air Force recruiter.

Upon graduation from the Air Force's six-week basic training course in San Antonio, Texas, he is scheduled to receive technical training as a security specialist. He will earn credits toward an associate degree in applied sciences through the Community College of the Air Force while attending basic and technical training schools.

Senior Citizens News

—T. V. Ludwick

The sun finally came through at 2:00 p.m. and families could get out to cook Dad's favorite meat on the grill. All morning we watched those die-hard MIS fans head west in the pouring rain and wondered if the race would be called off. Varoom, varoom went the engines and it was music to the ears of our two guys in son's living room while we ate. You just can't abandon your guys on Father's Day by sitting in the sun outside.

Thursday, June 24: The Senior Citizens will hold the monthly card party tonight at 8:00 p.m. which they sponsor for all age groups. If you'd like to ride on the senior bus, call Erma Alber at 428-8707 and be ready for your turn to be picked up starting at 6:30. Euchre action will be held at the Freedom Township Hall and you are invited to attend for the fun and fellowship. The July-August Trumpeter is being readied and you may pick up your copy at the Senior Center on either

Thursday, June 24 or Friday, June 25 between the hours of 1:00 and 3:00 p.m. when the Center will be open.

Thursday, July 1: The folks at St. James UCC will welcome us all to their ice cream social at 5:00 p.m. Bus pickup begins at 4:15. Call Erma to reserve yours. We enjoy each one of these special socials and appreciate the hard work involved by our area ladies and gentlemen. We inadvertently listed the wrong date for Sharon United Methodist's social, but was glad it was published in another section of the Enterprise. For this, I am sorry, as I picked up the wrong date somehow and do hope it didn't affect the outcome. I do try to be careful.

Friday, July 2: If you'd like to go along to Northville to Genetti's Hole in the Wall dinner and other fun, you must get your reservation in now to Erma. Payment is due to Rubena by June 29. Bus leaves the Center at 8:00 a.m.

PROPOSED SYNOPSIS of a Regular Meeting of the Manchester Township Board held Tuesday, June 8, 1993:

The meeting opened at 8:00 p.m. with members present: Mann, Turk, Widmayer, Macomber, Hakes. Also present: Fire Chief Keith Johnson.

The minutes of the board's May regular and special meetings were approved, and minutes from the planning commission and the library board were accepted.

Bills paid since last meeting were reviewed. Treasurer Turk reported \$99003.79 in General Fund monies in two local banks. Amendments were made to the budget. Approval was given to pay bills totaling \$21491.68 in the General Fund, and \$7103.60 in the Road Fund.

As is generally done at this time of year, the Board awarded annual fees to the officers of the Fire Department in acknowledgment of their extra duties. The Township Board appointed the following officers for the 1993-94 fiscal year: Chief- Keith Johnson; Assistant Chiefs- aale Koebbe, Gary Weidmayer; Captain- William Scully; Lieutenants- Gene Kemeter, Kris Kensler; Secretary/Treasurer- Harry Johnson.

Constable and zoning reports for May were reviewed. All contracts relating to the private road easement and Manchester Gravel have been approved.

Permission was granted to a cablevision company to use existing utility poles to attach less than 1000 feet of transportation cable along a small portion of US-12 located in Manchester Township.

A Truth in Taxation meeting was set for Monday, July 12, 1993.

The Clerk and Treasurer were granted permission to pay any normal bills that may come in before the end of the fiscal year.

There being no other business, the meeting adjourned at 10:28 p.m.

The next meeting of the Manchester Township Board will be a budget workshop to discuss and prepare the budget for the 1993-94 fiscal year. This meeting will be held on June 24th at 8:00 p.m.

Approved Proceedings Manchester Village Council

June 7, 1993

The regular meeting of the Manchester Village Council was called to order by President Becktel at 7:00 p.m. Council members present: Becktel, Brooks (7:30), Conaway, Gordon, Marshall, Vought, Manager Wallace and Clerk Tucker. Absent: Taepke. Also present: James Schook, Scott Mester, Carl Werner, Martin Way, Linda Musso, Jean Robert, Jeff Knouase, David Krauss, Bill Scully, Bill Calloway.

The minutes of the May 17, 1993 meeting were approved as submitted on a motion by Marshall, support by Conaway. Vote: Ayes-all. Abstain: Gordon.

The Proceedings of the May 17, 1993 meeting were approved as submitted on a motion by Marshall, support by Vought. Vote: Ayes-all. Abstain: Gordon.

The Agenda was approved as amended on a motion by Gordon, support by Conaway. Vote: Ayes-all.

Council discussed letters received from Marsha and David Chartrand and Gail Curtis concerning the drainage problem at Vernon and Clinton Street. Becktel asked to have DPW double check to make sure that there is no sewage there and then notify the property owners that they may hook into the storm sewer at their own cost to drain their property.

Council discussed the letter from Harold Arnett concerning the tree in danger of falling at 207 Clinton Street. Motion by Marshall, support by Gordon, to accept the bid from Ron's Tree Service and spend up to \$650 for tree removal and trimming as listed on the quote, subject to availability of funds. Roll Call Vote: Ayes-all.

Motion by Becktel, support by Conaway, to accept the contract for the services of the Manchester Men's Club to provide the fireworks on July 3rd, with rain date of July 4th, and to make available the \$500 budgeted to the Men's Club. The funds will be released after the July 1st fiscal year. Vote: Ayes-all.

Motion by Gordon, support by Marshall, to approve the payables as presented in the amount of \$43,489.65. Roll Call Vote: Ayes-all.

SHERIFF REPORT - Motion by Gordon, support by Vought, to approve as submitted the application for temporary authorization for the Village Tap. Vote: Ayes-all. Motion by Gordon, support by Marshall, to approve the application for temporary authorization for Haarer's Meeting Place for July 17, 1993. Vote: Ayes-all.

Enter Brooks at 7:25 p.m. Motion by Becktel, support by Marshall, to adjourn as Council and convene as Zoning Board of Appeals. Vote: Ayes-all.

ZONING BOARD OF APPEALS

Dorr Variance Request: Motion by Gordon, support by Brooks to deny the Dorr variance request based on the following seven reasons: 1) The recommendation of the Planning Commission to deny the request; 2) The applicant did not attend the meeting; 3) The lot coverage concern, lot coverage can only be 30%; 4) The size of the building (40 x 24) compared to the size of the house (22 x 40), exceeds 50% of square footage of house size; 5) The rear-yard setback; 6) The side-yard setback; 7) It would be granting a variance onto an existing variance. Vote: Ayes-all.

Scully Variance Request: Motion by Marshall, support by Gordon, to approve the Scully variance request with the following conditions: 1) adjustment of the size of the garage to 24' x 26' as required by code; 2) allow the 10' side yard setback and 10' rear yard setback; 3) the driveway on the westside of the house will be abandoned; 4) the water problem as mentioned in Slocum's letter will be alleviated; 5) one of the reasons the closeness will be allowed is because of the commercial property being in back of the residence; 6) the water run-off will be controlled toward Scully's. Vote: Ayes-all.

Krauss Variance Request: Motion by Gordon, support by Vought, to approve the side yard setback at 7.4' on the addition to the house, rear-yard setback of 8' and side-yard setback of 3.5' on the garage. Vote: Ayes-all.

Pilot Industries variance request: Motion by Gordon, support by Marshall, to approve the preliminary and final site plan for Pilot Industries parking lot addition per the Planning Commission's adjustments to hold 59 cars and per the drawing submitted this evening and to approve the variance request for a 50' setback so that it can be compatible with the other parking lots in the area. Vote: Ayes-all.

Motion Becktel, support by Vought, to adjourn as Zoning Board of Appeals and reconvene as Council at 8:50 p.m. Vote: Ayes-all.

Motion by Becktel, support by Marshall, to get the pickup fixed for approximately \$900 and put the van, grader and loader up for bid. Roll Call Vote: Ayes-all.

Sickle Bar - Motion by Brooks, support by Marshall, to

approve up to \$3500 to purchase a sickle bar to the DPW specifications, with the approval of the Village Manager. Roll Call Vote: Ayes-all.

CABLE TV RESOLUTION - Motion by Marshall, support by Vought, to adopt the resolution as presented, authorizing the attorneys to file the certification with the FCC for regulation of rates by the Village for "basic cable service". Vote: Ayes-all.

SCHEDULING OF FIRST MEETING IN JULY - Council decided that they would meet on July 12th and July 19th due to the holiday and the fair parade scheduled for the first week of July.

Motion by Becktel, support by Gordon, to adjourn at 9:34 p.m. Vote: Ayes-all.

Karen Tucker, Village Clerk

Approved Special Meeting Minutes Manchester Village Council June 7, 1993

The special meeting of the Manchester Village Council was called to order with the Pledge of Allegiance by President Becktel at 7:10 p.m. Council members present: Becktel, Gordon, Brooks, Clerk Tucker and Manager Wallace. Absent: Taepke, Marshall and Conaway. Also present: Beth Vought.

President Becktel read the Resolution to Increase Millage. Motion by Becktel, support by Brooks, to adopt the resolution to increase the millage by one mill as presented. Roll Call Vote: Ayes-all.

President Becktel opened the Public Hearing on setting the millage rates at 7:14 p.m. Beth Vought asked if the proposed increase would be looked at every year and if it would be designated for filters this year. Becktel informed Mrs. Vought that the one mill increase would be looked at every year but would in all likelihood be a 10-year mill. The additional revenue would be used for water filter system replacement, Furnace Street Bridge replacement and street repairs. The mill is desperately needed. Council will be authorizing Manager Wallace in the near future to put out a request for bids on the filter system. The Public Hearing was closed at 7:20 p.m.

The Resolution to Set Millage Rates was read by President Becktel. Motion by Becktel, support by Gordon, to adopt the resolution to set millage rates as presented. A copy becomes part of the minutes of this meeting. Roll Call Vote: Ayes-all.

Becktel opened and closed the Public Hearing on the Proposed Budget for Fiscal Year 1993/94 at 7:29 p.m. No one was present to comment and no written comments were received.

Motion by Gordon, support by Vought, to adopt the Fiscal Year 1993/94 Budget as presented. Roll Call Vote: Ayes-all.

Motion by Becktel, support by Gordon, to adjourn at 7:32 p.m. Vote: Ayes-all.

Karen Tucker, Village Clerk

Not For Children Only

Book Discussion Series at the Library

There are many reasons why children's literature is Not For Children Only. Books written for children are intrinsically humanizing to any reader and are no less affecting than books written exclusively for adults.

Adults also enjoy reading again books they loved as children. Others may wish to read some of the classics of children's literature they missed when they were young. Still others, bewildered by the activities of today's youth, may turn to the books that reach that young audience.

What is current in today's children's literature? What do they teach children? What do these books convey to the generation who will lead our world in the decades hence?

Chamber to Update Business Directory

The Chamber announced at their meeting on June 16 that the Manchester Area Chamber & Business Directory is about to be updated for 1993. The almost 50-page booklet has been in demand by businesses and organizations both in and outside of the community.

If your business is in one of the categories below, call now - before July 1, 1993 - to make sure everyone knows the right information about your business:

- 1) Change in business name, address, phone, ownership, etc.
2) New business in the Village or townships of Freedom, Sharon, Bridgewater or Manchester. New business includes any operated from the home as well.
3) You plan to join the Chamber and receive a bond listing.
4) You want to add your FAX number to your listing to better service your customers.

Come and discuss these issues with us at the first meeting on Thursday, July 8, 7:30 at the Blacksmith Shop with speaker Joan Blos, winner of the Newberry Award for children's literature.

While it is not required to read the book to attend, copies of the first selection, "The Classic Fairy Tales" by Iona and Peter Opie are available at the Library.

Young and old are welcome to attend. Remember this is Not For Children Only.

This series is dedicated to the memory of Rollie and Liz Grossman.

Please call or stop by and see Jim Achtenberg at Woodbrook Enterprises (428-7011) or Kim Cowen at Great Lakes Bancorp (428-8379). Remember the deadline is July 1 so that the updated directory will be available at the Chicken Broil and the Summer Festival in mid-July.

Raisin Valley Land Trust Sets Public Acquisition Goal

Members of the Raisin Valley Land Trust invite all interested residents of the Upper River Raisin Watershed of Jackson, Washtenaw or Lenawee Counties to give your suggestions regarding community land use, even if you don't own lots of property.

The Raisin Valley Land Trust is a new organization formed to protect key natural and open space areas in our community.

At the next meeting, the RVLTL will discuss priorities for a plan to acquire and maintain for public benefit natural habitats and open spaces, as well as historic structures. One goal which seems immediately obvious is the acquisition of River Raisin property for development of public parks. What do you think?

We are also especially interested in acquiring properties adjacent to Sharon Hollow Preserve, recently expanded by the Nature Conservancy, Michigan Chapter. The unique forest, wildlife and wetlands area is already a source of great interest to local nature lovers and educational and scientific institutions like the University of Michigan. RVLTL would like to expand the buffer zones separating this wild area from further development.

If you would like to participate in a goal-setting discussion on these and other land trust issues, please feel welcome to attend the last meeting for the summer held Friday, June 25, at 7:30 p.m. at the Blacksmith Shop, 324 E. Main Street, Village of Manchester. For more information call 313-428-8108 or 517-456-4901 evenings.

Middle School Track Has Record-Breaking Year

Manchester Middle School track started out with a record breaking 80 runners. They received new warm-ups and uniforms with help from the Middle School Boosters and the school system. They were an impressive sight to see.

The girls' team finished with six wins, two losses (one by only two points) and one tie. The boys' team had four wins and five losses with many injuries at the beginning of the season. This is the best season the Middle School has had for at least the past 15 years. Head coach Gay Perry and assistant coach Tom Lannom are very proud of all their runners. They attribute the successful season to the fact it was a true team effort. When asked to get points and places, their athletes came across the line when needed.

Many school records fell to new owners this season. Some of them held since 1976. Pam Preston set a new 3200 meter (two mile) at 13:27 held since 1983. Karen Goodell shattered the 1979 long jump record of 14'4" by jumping 14'11-3/4"; Rebecca Koffman set a new 800-meter run at 2:47 held since 1991 and a new 2:06.

An 800-relay record was set by Sarah Ahrens, Karen Goodell, Stacey Turner and Tracey Staples.

Kirk Horodecny broke the seventh grade boys' shotput record of 30' in 1981 with a put of 33'.

Nick Davis broke six records, two of them set by his brothers Brad and Jeremy. Nick broke the long jump record held by Mark Ball in 1979 of 17' by jumping 17'5". He broke his brother Jeremy's record in the 400 meter 1988 record of 59.72 by coming across the line at 56.15. He also broke the 100-meter dash set in 1989 at 12:54 coming in at 11:86. Still another record was the 200 which he broke three times held since 1976 at 27:7 with a record of 25:63. He claimed the 70-meter record held by his brother Brad and Jon Andrews 1988-89 at 9:2 by running it in 8:75. And finally breaking an all-time points scored for one season held by Nick Krzyzaniak at 104 points in 1976. It is Nick Davis who now holds the new record at 108 total points.

Congratulations to Jeremy Davis on his first place state for the 100 meter and third place 200 meter. He came up through the middle school track program.

Lookout, Brad and Jeremy, here comes Nick. Lookout Manchester, these runners will be around for five more years.

Spring Sports Recognition Night

Monday, June 7, was a special evening set aside to reward our young men and women in high school baseball, softball and track. This is normally a very festive affair at Carr Park, but the heavens opened up and the rain poured down. Our spirits weren't dampened as we moved to the study auditorium in the high school where the Boosters served their usual grilled hot dogs and a wide variety of delicious food.

Varsity baseball coach Scott Stull presented awards to Brandon Woods, Most Valuable; Mike Barnard, Most Improved; Jamie Sloat, Coach's Award. There were two academic award winners: Rodney Burkhardt and Matt Wiethoff.

JV baseball coach John Korican, Jr., presented awards to Andy Winzenz, Most Valuable; Kevin Dettling, Most Improved; and Bryan Duvall received the Coach's Award.

Varsity softball coach Wes Gall, presented to Kerri Keller the Most Valuable award; April Butterfield, Most Improved; Michelle Strock, Coach's Award and Academic All-Conference. Wes also announced the tri-captains for next season: Franki Bisard, Kerri Keller and Adrienne Wallace.

JV softball coach Jeff Etsel, presented awards to Sandy Fielder, Most Valuable; Darci Hock, Most Improved; and Andrea Clark, Coach's Award.

Denny Steele, girls' track coach, presented awards to Jenny Fleck, Most Valuable; Amy Landini, Most Improved; Sharon Fielder, Coach's Award. All four seniors on the team won Academic All-Conference: Amber Minor, Sharon Fielder, Jill Faulhaber and Michelle Mann.

Boys' track Carl Willetts, presented awards to: Jeremy Davis, Most Valuable; Luke Weiss, Most Improved; Eric Faulhaber, Coach's Award.

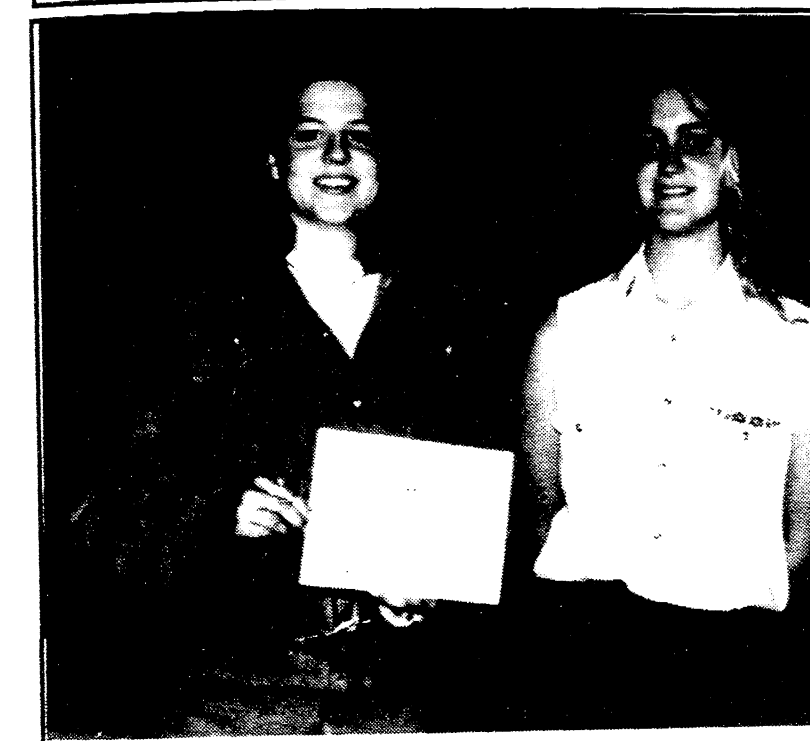

Academic Award winners were Brian Hoft, Jeff Weidmayer, Eric Faulhaber and Luke Weiss.

Our athletic director, Dave Swanson, handed out 31 medals to those individuals who participated in three sports during the school year.

This was a rather sad affair for me as I realized this would be my last involvement with Manchester Schools' sports. No matter where I go, I'll always be a Dutchman.

The Cobblestone Rose — continued from page one

In 1991, Kathleen discovered the freeze-drying process for flowers which captures the beauty of fresh flowers, but preserves the color and texture for years. About the same time she acquired two business partners, Elizabeth Busch - a family member, and Karen Hodepen, a customer and friend. The business has flourished as the general public has become aware of this option when planning their weddings.

The line of floral bouquets and headpieces has expanded and now offers styles for the very contemporary bride as well as the Victorian bride. Rental pieces for table and table decorations also have a wide appeal to those brides trying to keep to a wedding budget.

In the early months of 1992, Kathleen's husband was transferred to Atlanta, and the family relocated there. She remains a part of the business despite the miles.

So, with that background re-introduction to one of the many Manchester businesses we're proud of, we're all going to stay home this Friday and watch The Cobblestone Rose make their TV debut on Company, Channel 7, at nine o'clock in the morning.

That first Chicken Broil was a success, as noted in the Thursday, August 19, 1954 Enterprise: "Nearly Ton of Chicken Consumed; Civic Project Nets 1,000 Dollars".

The caption over the photos by Earl Alber noted, "Looks Like They Were Enjoying It".

Almost two thousand hungry people from Manchester, many southern Michigan towns, and points as far away as Iowa ate charcoal-broiled chicken at the Athletic Field on August 12. Chairman for the day was Luther Klager, assisted by "at least the grown and able-bodied men in Manchester." "Blessed with a full moon, cool weather and high attendance, gross receipts are estimated at \$2200."

From that success, Manchester has gone on to provide 38 more successful Chicken Broils; through rain, shine, and even a near-tornado. No further comments about the full moon have been located! From serving about 2,000 the first year, now the committee plans for approximately 15,000 visitors each year.

The 40th Annual Manchester Chicken Broil which has changed over the years from an August date to The Third Thursday In July - will be held on July 15, 1993.

"Can a gang of men efficiently serve that many? Set yourself at rest on that score. Four experts from Michigan State College, headed by Howard Zindell, chief of poultry department, will supervise cooking...There will be crews to serve, prepare the tables for the next sitting, and keep things moving. It will be worth the price of admission just to watch the chickens broiling and to sniff the aroma."

AN OPEN LETTER TO SHARON TOWNSHIP HOUSEHOLD RESIDENTS:

Public Act 641 and the Washtenaw County Solid Waste Plan requires each unit of government to reduce their solid waste by 30% by 1995. The best way to accomplish this goal is to re-use or recycle everything possible.

RECYCLING WILL HELP SAVE THE ENVIRONMENT FOR OUR CHILDREN AND FUTURE GENERATIONS; WILL USE OUR NATURAL RESOURCES MORE EFFECTIVELY; AND, IN SIMPLE TERMS, WILL SAVE TAX DOLLARS. RECYCLING WILL ALSO SIGNIFICANTLY REDUCE OUR INDIVIDUAL HOUSEHOLD WASTE DISPOSAL COSTS.

The Sharon Township Board is happy to announce an expanded recycling program starting July 1, 1993. In cooperation with BFI INDUSTRIES of Jackson, MISTER RUBBISH of Whitmore Lake, and G.E. WACKERS, INC. at M-52 and Pleasant Lake Roads, you may now recycle up to 50% of your household waste.

SHARON TOWNSHIP RESIDENTS SHOULD WATCH THEIR MAIL THE WEEK OF JUNE 28 FOR A LETTER FROM THE SHARON TOWNSHIP BOARD WHICH EXPLAINS THE EXPANDED RECYCLING PROGRAM IN SHARON TOWNSHIP.

Your participation in recycling will save the environment for our children and future generations, use resources more effectively, save tax dollars, and reduce your individual household expenses.

**SINCERELY,
SHARON TOWNSHIP BOARD
