Gazebo Concert continued from page one

Members of the Manchester Children's Choir are: Chrissie Abbott, Brenda Bancroft, Audrey Bennett, Sharon Bettig, Laura Chapin, Betsy Detloff, Shannon Green, Annie Hinkley, Sarah Johnson, Tristin Kladzyk, Adam Knapp, Donna Kruse, Melissa Lukhardt, Sarah Lukhardt, Elizabeth Mester, Katie Okey, Jacqueline Palms, Julianna Swaney, Molly Thomson and Kristi Trinkle.

The Manchester Chamber Orchestra will take over the second half of the concert with, among other music, marches and "conga-style" music. The director, Carol Palms, has chosen a repertoire that is far from ordinary. The variety of instruments and music played will entertain toe-tappers of all ages.

The children will join the orchestra for a finale familiar to most every ear.

Mississippi Stays Within Its Banks in Crowell's Big River

Even though the great Mississippi is overflowing its banks throughout the Midwest, the water will be contained in *Big River*, the musical adventure of Huckleberry Finn, coming to the Crowell Opera House in downtown Adrian.

Big River, winner of seven Tony Awards including Best Musical and Best Score, will close out the Crowell's summer theatre with a two-week run July 29 - August 1 and August 4-8. This classic musical is sponsored by Frank R. Smith and Catherine H. Smith Trust.

A musical score written by the late country great Roger Miller that cries the blues and shouts gospel, with a touch of down-home folk and Cajun, brings Mark Twain's *The Adventures of Huckleberry Finn* to life. The musical charts the course of Huck and Miss Watson's runaway slave Jim as they make their way along the Mississippi River toward freedom. The plot takes more turns than the river itself, carving out a piece of Americana during the late 1800's—the quest for freedom, the conflicts and the resolution.

Big River is faithful to its source: its creators understand that Twain's bottomless novel, in which the river journey mirrors the dark soul of a nation, is not merely a boy's tale. The colorful, small-town characters wind their way through the uncharted wilderness of the American spirit.

The Ann Arbor Hands-On Museum Presents Programs in Manchester

As part of the Manchester Township Library's Summer Reading Program, the Hands-On Museum is coming to the Manchester Township Hall with two free programs.

Monday, August 2: Starlab and Light and Optics for children in grades K-6.

Enter the portable planetarium and explore the universe to learn about the night sky and constellations. This workshop includes "hands-on" activities and a project to take home.

Tuesday, August 3: Bodyworks for children in grades K-3.

Meet "Ernest", a life-sized plastic skeleton and "Herman" a model of a 10-year-old child, to learn about the body's systems. Museum instructors bring anatomical props and medical equipment to the students to use.

Each program is limited to 35 children. Sign up in advance at the Manchester Township Library.

Additionally, participants are invited to attend the Museum on Friday, August 6 from 10:30 to 12:30, also free of charge.

Manchester Bloodmobile Celebrates 40 Years

—Marsha Johnson Chartrand

On Monday, July 19, a community Blood Drive was held at the American Legion Hall. The American Red Cross presented the organizers of this Blood Drive with a special cake and an award during the "Bloodmobile". This cake and presentation was in recognition of the 40th anniversary of blood drives in Manchester.

In fact, it was in Manchester that the very FIRST community Blood Drive was held in Washtenaw County on February 5, 1953. Prior to that time, according to Mrs. Robert (Jean) Little, the current blood drive coordinator, two blood drives had been held in Manchester in response to needs during the Korean War. They were held in March and in October of 1951, and sponsored by the Michigan Department of Health in conjunction with the Red Cross. These earliest blood drives collected 127 pints and 91 pints, respectively, and were staffed by Manchester volunteers.

The first Community Blood Drive, in February of 1953, was chaired by Mrs. Franklin (Claire) Reck. Nearly

anyone who has given blood over the years in Manchester remembers Claire's indefatigable efforts on behalf of the Red Cross Bloodmobiles. The records indicate that this first blood drive was held at the

American Legion. During the next several years (1954-1960), Emanuel Church also hosted the community blood drives. In the early 1960's,

Manchester Golfers Take First and Third Place in Lenawee Junior Golf Tournament

Manchester High School Varsity Golf Team members John Kallewaard and Ben Lowery placed first and third in a field of 42 players in the Lenawee Junior Golf Association's three-day tournament held July 20-22 at Raisin Valley Golf Course.

Kallewaard, who will be a junior this fall, took the title by defeating Mike Mikuski of Adrian I-up in the final round of match play. His stroke total for the final 18 holes was an even-par 72. Kallewaard had reached the finals by defeating Lowery in a semi-final round that was not decided until Kallewaard sank a putt for birdie on the last hole.

Lowery, who will be a senior this fall and was co-Captain of last year's varsity golf team, placed third. Varsity team member Jeff Steele also competed in the tournament.

The Lenawee Junior Golf Association sponsors three tournaments each summer. This

year's earlier events included a three-day medal play tournament, in which Lowery placed fifth and Kallewaard sixth in the championship flight; and a team tournament in which the pair tied for third place.

The golf team and boosters are sponsoring a benefit scramble tournament on Saturday, August 7, to raise money for the Manchester High School golf program which was originally targeted for extinction due to district budget cuts. This tournament will help offset the expense of running the golf team program.

The benefit will be held at Gauss's Green Valley, located about three miles west of Napoleon on the south side of M-50. Tee off time is 9:00 a.m. To make reservations, call 428-7247 or 428-7194. The \$45 tax-deductible entry fee includes greens fee, a cart, a light breakfast, hearty lunch and special prizes.

From The Ground Up

— by BG

Gardeners are tempted by many tools and gadgets that are guaranteed to make life easier. Some just gather dust, others are useful.

The Weedpopper does pop out weeds, not every time as in the commercials but enough to help win the war against weeds.

A new gadget is a plant support—a grid-like top with three legs. As the young bush plant grows through the grid, the plant is kept from flopping and the support is concealed. This has worked well with Phlox and Peonies.

One Wall O'Water came as a premium this spring. It was easy to set up and a cherry tomato plant was popped into it on May first. Without an unprotected tomato plant for comparison, I can't say that the tomatoes ripened any earlier. The sprayer that fits on a hose is a handy tool. I use two, one for Rapid-Gro and one for Roundup. The proper amount of dry crystals or liquid herbicide is marked on the plastic container with a Sharpie pen—another useful gadget.

Kathy— Happy Birthday to you! We hope you're home soon!

Happy Birthday to you! (cont' pg 3)

A personal recommendation can help in deciding what gadgets to try. Let us know about your favorite garden tools.

If our readers have any gardening questions, please send them to "BG" care of The Enterprise, 109 E. Main St., P.O. Box 37, Manchester, MI 48158, or give us a call (428-8173) and your questions will be answered in this column.

"It's Paradise"

I know a place right here in this county

Where the people are decent and their children are free

From the big city pressures that let you remember

That friends are important and so's family.

Each morning at the bakery the old boys will gather

To replay the ball game and to spin their big yams;

Then the drivers arrive shortly thereafter

And order enough donuts to fill up a barn.

CHORUS: You take M-52, north of Lenawee County,

Hang a left at Austin and you have arrived.

In Manchester Village on the banks of the Raisin,

We call it home, it's Paradise.

We call it home, it's Paradise.

The shops and the Mill and our Enterprise paper

And sweet apple cider from Alber's farm.

The Gazebo, the Fair, and the chickens a' broilin'

These are all part of Manchester's charm.

CHORUS

Now this town shapes our deeds, our thoughts, and our actions

From cradle to grave, through laughter and tears.

May God bless us all as He did our ancestors.

It's been a great 125 years.

CHORUS

I know a place right here in this country

Where the people are decent and their children are nice.

In Manchester Village on the banks of the Raisin:

We call it home, it's Paradise.

We call it home, it's Paradise!

John Williams, accompanied by Bill Farmer, sang "It's Paradise" at the Manchester Summer Festival, across WTAC air waves. "It's Paradise" is Manchester's official song, written and composed by John (and dedicated to his wife, Lee Tallman) last year for the town's 125th anniversary celebration.

Blood Drive, 40 years continued from page 1

St. Mary's Church and the United Methodist Church began assisting in the blood banks.

The roll of volunteers as kept by Claire Reck, for the February 5, 1953 blood drive included Mrs. Stanton Roesch, Mrs. Harry Sutton, Mrs. Franklin Reck, Mrs. Frank Tirb, Mrs. Phillip Kern, Mrs. Robert Panches, Mrs. Wallace Widmayer, Mrs. George Merriman,

Mrs. Walter Frey, Mrs. Basil Schwab, Mrs. Ben Evilsizer, Jr., Mrs. Russell Middlemiss, and Mrs. Ruth Oates. Ninety-eight pints of blood were collected that day.

According to Mrs. Little Manchester's Red Cross Volunteers have assisted for many years with efforts outside our own community. The Rawsonville Ford Plant and the GM Hydra-Matic Plant hosted blood drives aided by Manchester volunteers in years

past. Currently our volunteers still support the blood drives at the Chrysler Proving Grounds.

One of the original workers, Mrs. Robert (Mae) Panches, remembers that she has always worked in the "canteen", serving sandwiches and juice, to blood donors. Her husband, Bob, is among the honor roll of donors, and will earn his 12-gallon pin this year. This translates into 96 units of blood; at least twice a year during

Summer Bloodmobile Report

— by Marja Warner

It is always a pleasure to participate in the Summer Bloodmobile because it is held at the air-conditioned American Legion Hall. This is a plus for everyone and Manchester Blood Services wants to thank the Legion for the use of their hall.

To Marilyn LaRock and all the other Auxiliary members who were the support team - a job well done!

Some of you may have wondered as to why birthday cake was being served. Well, it has been 40 years since Manchester started doing blood drives. (It appears that there are two very-well-participated-in activities started in 1953 — our community blood drives and the Chicken Broil! Both have excellent track records.)

We had approximately 90 people donate blood with four who tried but couldn't for whatever reason. We would like to highlight the milestones made by some of our donors. New, first-time donors are Jason

Fisher, Jill Randall and Lisa Townson. May you all continue to help others in this manner.

Receiving one-gallon pins were Norma Fillyaw and Bradley McTaggart; two-gallon pins were Gary Anderson, Troy Frasher and Mike Scully; three-gallon pins were George Dikeman and David Flint; four-gallon pins were Terry Baran, George Day and Joel Tobias; and five-gallon pins were Roger Handy and Tom Wharam. Congratulations to all of you.

And for those who don't realize it, it takes eight visits just to make one gallon of donations.

Many people are very grateful to the diligence of all our donors. If you have never given, or missed this bloodmobile, our next one here in Manchester will be held in October and notices will be put in this paper.

Thank you to all of you who care enough for others, to give the very best you have - your blood. See you in October.

Blood Drive, con't

the past forty years. Congratulations and appreciation is due to each one of the past and present blood drive workers and donors. The "gift of life" which you have assisted in acquiring over the years is one of the most important gifts one can give-or receive.

Can't run the place without you!!

Hope you had a good birthday and a great vacation!!

Editorial / Opinion

To the community:

Sometimes my pet ducks wander from our yard into the road in front of our house. They're not very smart and are slow to waddle away from cars traveling down the road. People have graciously slowed and let the ducks get out of the way, and so far none of the ducks have been killed.

Nearby a rubber ball rolls into the road, followed by an exuberant puppy, followed by a little boy.

As a driver comes up over the hill, there's probably time to slow for the ducks --- there is probably NOT enough time to slow for that little boy and his puppy.

Please keep them in mind when you're traveling down country gravel roads. The speed limit is 35 mph; but if you're driving at 25-30 you have more control and you have a better chance to avoid a terrible tragedy. Where do you have to get to any faster that is worth that risk?

To Editor Garlick:

I believe the taxpayers of Manchester School District owe thanks to you for the July 22 article on the pay increase granted to Administrators of our school system by the Board of Education.

I also believe the Board members names and how they voted on this particular issue should be made public in *The Enterprise*.

I agree, this extra money over and above what was requested for salary increases could and should have been used for other improvements toward the education of our students.

Sincerely yours,
Duane R. Haselschwerdt
Editor's Note: Board members John Hochstetler and John Ochs voted "No". Board members Patricia Sahakian, Paul Kluge, Wayne Winzenz, Joe Turk, and Bruce Abbott voted "Yes."

At this time this story is under further investigation.

I'm very sorry, I forgot to include in last week's edition someone who has been very much a part of the Chicken Broils over the years, pictured above, George Macomber's Whippoorwill Farm's team and wagon. Kathy Kueffner. — Photo by Ray Meyer

Property Available at Auction

Washtenaw County properties, reverted to the state for non-payment of taxes, will be available at public auction on August 12, at the Holiday Inn West, 2900 Jackson Road, Ann Arbor. Sale catalogs describing the properties are available at the County Treasurer's office; in the Department of Natural Resources regional and district offices; and at the DNR Real Estate Division Office, Mason Building (corner of Allegan and Pine Streets), Box 30028, Lansing 48909, 517-373-1250.

The state reserves mineral rights and water access rights on all lands sold.

DRIVERS, BE AWARE!

Summertime in Michigan - the perfect time to take a vacation anywhere in the state. This means Michigan roadways will be crowded with both in-state as well as out-of-state travellers. Therefore, it is important to be alert on the road as you drive to your destination.

On any trip, the driver should take advantage of Michigan's various rest areas and roadside parks as a break point to avoid fatigue and drowsiness on the road. A quick five minute break won't set you back.

If traveling with small children, make sure they are properly buckled up or strapped into a child seat at all times. Many times on lengthy trips, children grow tired of remaining in a stationary position in the car. Bring lots of activities and snacks that can help avoid the restlessness.

Be a defensive driver. Unfortunately, on a Friday night, when most people travel, one in every ten vehicles coming toward you is being operated by a person who is legally drunk.

Most importantly, please remember to buckle up. Making it there safely is the single most important part of the trip.

Senior Citizens Can Delay Paying Property Taxes

Senior citizen homeowners in Washtenaw County who are 62 years or older are reminded that they can delay payment of their Summer property taxes until at least February, 1994. They can postpone paying their taxes and pay no penalties or

interest. Deadline for filing this deferment with their local treasurer is September 15, 1993. For those 65 or older, they can delay paying both Summer and Winter property taxes until April, 1994.

For additional details and help in submitting the Deferment Application, contact Marie Kuhlman at the Housing Bureau for Seniors at 763-0970.

We who watched our area youngsters as Manchester's Children's Choir in song and dance Thursday evening were overwhelmed. Their director, Sheila Graxulis, pulled heavenly music from the willing kids who have practiced so faithfully. It was a work of art. We wish to thank all who participated in this unique production.

Manchester Chamber Orchestra ensemble delighted us with their tunes and the hour and a half flew by. So entranced was one young boy near us that he played along with the orchestra as a silent violinist on his book. Great, a future potential musician is on his way. A grand finale was just that, and more. Do you agree with me that there should be more music in our schools for children's life-long enjoyment? Coordinating this event had to take weeks of preparation and we are very grateful for this experience, thank you all so much.

Friday, July 30: Senior bus leaves the Center at 8:30 for Chelsea and the fun of looking at wares at sidewalk days. Call Erma Alber at 428-8707 for your ride.

Monday, August 2: Seniors are headed to Tecumseh for shopping, but will enjoy a stop at Kapnick's Orchard first on the way. Call Erma to go along. Senior bus leaves the Center at 9:30.

Wednesday, August 4: Our final ice cream social, won't we miss them? Senior bus will begin pickup at 4:15 for your ride to Manchester United Methodist Church as they open their doors for good eating at 5:00 p.m. Erma will take your bus reservation, call her.

Looking ahead: Monday, August 9 is the date for you to come to the Center at 2:00 p.m. to bring ideas for activities for September-October. The calendar for those months will be worked on and help is needed. You know where you'd like to go (Maybe no one has thought of this before). Come and help out.

We aren't able to fill sandbags or be on hand to help those unfortunate folks who live along the great Mississippi. Can you imagine losing all your possessions to the mighty water? It makes us ache by these disasters which have been so devastating. I guess we are indeed fortunate, huh?

The Manchester Day Camp was put together by Sherri Barker and Marikay Kennedy. Thanks to them we had four full days of fun!

We did a lot of crafts. We made sun dials, pot holders, and the boys even made fishing poles! We even made homemade butter and ice cream!

A magician was there on Thursday to help us end our week of camp. He had some of the kids come up and assist him do some of his magic tricks! We still aren't sure where that white dove came from!

The Day Camp would like to thank the businesses who helped us with our scavenger hunt up town!

Runaway ducks were no match for the long arm of the Manchester law. — Photos this page by Kathy Kueffner

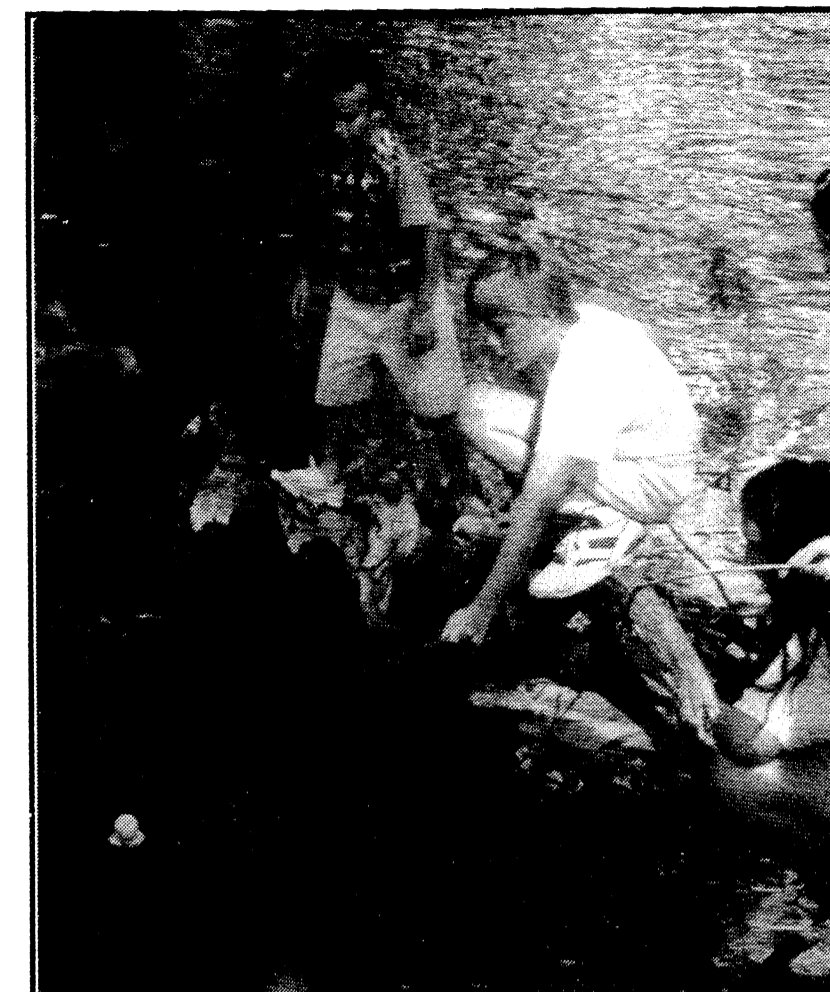

Out & About

—by gar

"The Duck Caper", four inveterate adventurers were inveigled into believing it possible to catch some ducks. The erstwhile perpetrator and initiator of the ducks availability made it known that a large number of ducks were going to be released on the river. These ducks while able to swim would be unable to fly. All we would have to do is pluck them from the water.

A upper peninsula native Dave, his son Ian, friend Bill and yours truly gar embarked upon this adventure. First we set up a heavy rope across the river thinking this would make the ducks duck as they passed under. Next was positioned a flat bottom boat just past the rope, equipped with nets so that the ducks could be scooped from the water. A rope was attached to the boat and to the convenient bridge crossing the river which would allow the boat to be positioned. As a back up, two nets were stretched across the river to catch the ducks that were missed.

Special thanks to Teresa Benedict for the summer festival - good job, well done Teresa.

Area youngsters were eager to help in the capture of those ducks that paddled too close to the river bank and to hand the escapists over to the proper authority -- see picture left.

All was in readiness. We were alerted that the ducks were in the water and would soon arrive.

The ducks passed under the first rope, without ducking. The first and second were apprehended along with the next ten. Dave and Ian feverishly pitched the ducks into the bottom of the boat. Bill was grabbing with both hands and the boat was inundated. The safety net succumbed to the onslaught and the river was covered by the escaping ducks.

Children soon were catching ducks from the shallow areas and Bill set off down river.

He found a boat and for the next hour-plus picked ducks from the river. None of the ducks were edible.

The Rubber Duckie Race of '93' was great fun. If you have found any of the ducks, please drop them off at Calamity Jane's (the new antique shop next to The Enterprise office), or at Woodbrook's, 231 E. Main St. offices so they can be used again next year.

Paul Antonelli did a fantastic job of constructing the duck drop and Teresa Benedict's narration of the race was hilarious and fantastic. April, Connie, Teresa, Jim, and all the gang did a great job.

Obituary

Evan M. Leddy Brooklyn

Age 77, passed away at his home on July 19, 1993. Evan was born in Brethren, Michigan on August 8, 1915, the son of John and Maude (Fillacy) Leddy. On July 1, 1944 in Ft. Worth, Texas, Evan was married to Hazel Luther and she preceded him in death on April 10, 1988. Evan was a member of the Manchester United Methodist Church. He was also a veteran of WW II and a member of the V.F.W. of Cement City. Evan was a member of the Masonic Lodge #148 in Manchester. He was a past shop steward for Local # 1284 at the Chrysler Proving Grounds where he retired from in 1975 after over 20 years of loyal service. Evan also served on the Norvell Township Planning Commission. He is survived by one son, Ray and Lee Leddy of Livonia; two daughters, Sandra and John Knapp of Manchester, Barbara and Billy Buchanan of Saline; two grandsons, Thomas Knapp and Jason Buchanan. Evan was also preceded in death by one grandson, Robert Buchanan, and one brother.

The Leddy family received friends at the Jenter-Braun Funeral Home, Manchester. Funeral services were held July 22, 1993 from the Manchester United Methodist Church with the Rev. Marsha Woolley and Pastor Paul Yoder officiating. Interment took place at Lenawee Hills Memorial Park, Tecumseh.

Those wishing an expression of sympathy for the Leddy family may make memorial contributions to the Manchester United Methodist Church, Hospice of Jackson, the Salvation Army, or the American Cancer Society.

Sharon Hollow Acres Canoe Livery to be featured on Channel Two

—by Lanettia Aldrich, Debbie Klump, Kathy Kueffner

The Channel 2 team talks with Tina Maly before they are "sent down the river."

Canoeing the beautiful River Raisin is enjoyable and manageable for all age groups.

In June, Manchester's Cobblestone Rose was the center of TV viewers' attention on Channel 7's *Company*.

Not to be outdone, Channel 2 will feature Manchester's Sharon Hollow Acres Canoe Livery. The Channel 2 news crew visited the livery, owned by Tina and Phil Maly, last Thursday, and our own *Enterprise* news crew was on hand to document the event. Besides, it was a beautiful day for a canoe ride.

How it happened

An impressed and satisfied Sharon Valley Canoe Livery customer sent one of Maly's brochures to Channel 2 and the TV channel responded with a request for an appointment to film a sample trek down our River Raisin.

Tina invited the *Enterprise* to join in the adventure and Lanettia and Debbie graciously accepted. Besides, it was a beautiful day for a canoe ride.

The *Enterprise* news crew dutifully took notes and quotes. (One of the TV news crew members wanted to know if they would end up in the same location as where they started — which would make it a trip around the Raisin Lake, wouldn't it? And another wanted to know, first *what they were* -- dragonflies --- and second, if they were dangerous.)

Ok, so at least it was a beautiful day for a canoe ride.

When YOU can see it
You can view this exciting adventure Wednesday, July 28 at 4:30 p.m., on TV Channel 2, or if something major happens to pre-empt it, it will be aired Thursday, July 29, at noon.

Maly's Sharon Hollow Acres Canoe Livery can be reached at 428-0100 for reservations. They are open seven days a week from 9:30 a.m. until 6:00 p.m.

Hunter Safety Classes Begin August 9

Hunter safety classes will be held at the Manchester Sportsman Club, 8501 Grossman Road, Manchester.

There will be four classes, three on Monday nights: August 9, 16 and 23 from 7:00 p.m. to 9:00 p.m. and a final class will be held on Saturday, August 28 from 10:00 a.m. to 1:00 p.m.

The hunter safety class is open to anyone who is 12 years old or older or will be 12 by the end of the year.

Classes will consist of film strips, lectures, demonstrations and actual shooting of shotgun, rifle, and bow and arrow.

Parents are encouraged to attend these classes and take the course if they'd like.

You must attend all classes to be eligible for a certificate.

There is no charge for the course. Also the club is air conditioned, so it will be comfortable.

Nosbisch on Tenor Sax with Blue Lake Symphony

Jennifer Nosbisch, of Manchester, tenor sax, will be among 100 young American musicians performing in Tecumseh, July 30, with the Blue Lake International Exchange Program was founded in 1969, and is dedicated to world-wide friendship through cultural exchange and the universal language of music. Students are carefully chosen for the program on the basis of character, as well as musical ability, to represent the finest example of American youth.

The Band is made up of young musicians from Blue Lake Fine Arts Camp, a summer school of the arts located near Whitehall, Michigan, who will be returning from a recent European tour.

In Tecumseh, the Blue Lake International Symphony Band will perform a concert at 8:00 p.m. at the Tecumseh Civic Auditorium, 400 North Maumee, on Friday, July 30.

**Morris Dancers Return:
This Week at the Gazebo**

Merry ole England??? Or Manchester, Michigan, U.S.A.???

It may be difficult to tell this Thursday evening, July 29th, when the lawn of the Gazebo is transformed into 15th Century England by "Ann Arbor Morris and Sword."

The Morris Dancers were a delight and a favorite last year at the Gazebo. With bells and swords, their music and dance is picturesque and magical.

The story goes that this art form may have begun in England more than five hundred years ago as a ritual to "wake up the spring." But the effect on us will be more "enchantment" than a wake-up call!

Bring the whole family. Pack up your lawn chairs and blanket. Make an evening of it. Gazebo Concerts begin at 7:30 p.m. at the corner of W. Main and S. Macomb, across from St. Mary Church.

The Gazebo Concert series is sponsored by the Recreation Task Force, a group of your friends and neighbors who volunteer their time and talent organizing community activities such as this. Donations to offset the costs of Gazebo Concerts are gratefully accepted, either at the park during the Concert—or anytime. For more information

about the concerts or the Recreation Task Force, contact the Community Resource Center at 428-7722.

In case of rain, a rain location will be posted on the Gazebo.

Don't miss the Morris Dancers! This Thursday evening!

**Next Week
at the Gazebo:
Michigan Fiddlers**

Now that the excitement of July in Manchester has faded, you might want to consider fiddling away an evening—on Thursday, August 5th, at the Gazebo!

On stage will be the "Michigan Fiddlers," a loosely structured group of area musicians playing their fiddles individually and in various combos.

This is Americana—circa 1993. And this is fun!

Come one, come all, to the Gazebo, August 5th, for the "Michigan Fiddlers!"

The impossible is often the untried.

Croswell to help flood victims

The flooding along the Mississippi is a disaster of monumental proportions. It's ironic that the final summer season musical at the Croswell Opera House is *Big River*, the adventures of Huckleberry Finn which is all about the Mississippi River. There are numerous songs in the show about the mystery of the muddy water and the Mississippi in the rain.

The coincidence of these two events has the Croswell staff wanting to do something for the flood victims. In talking with the Red Cross and Salvation Army, what is needed most is money. Therefore, the Croswell is acting as a receiving center for flood victims.

You can drop off your contributions at the Croswell box office in downtown Adrian during the day. Or at each performance of *Big River* there will be an usher accepting contributions in the lobby.

Performances of *Big River* are from Thursday, July 29 through Sunday, August 8. For more information, call the Croswell Box office at 1-517-264-SHOW.

The Ann Arbor Hands-On Museum Presents Programs in Manchester

As part of the Manchester Township Library's Summer Reading Program, the Hands-On Museum is coming to the Manchester Township Hall with two free programs.

Monday, August 2: *Starlab* and *Light and Optics* for children in grades K-6.

Enter the portable planetarium and explore the universe to learn about the night sky and constellations. This workshop includes "hands-on" activities and a project to take home.

Tuesday, August 3: *Bodyworks* for children in grades K-3.

Meet "Ernest", a life-sized plastic skeleton and "Herman" a model of a 10-year-old child, to learn about the body's systems. Museum instructors bring anatomical props and medical equipment for the students to use.

Each program is limited to 35 children. Sign up in advance at the Manchester Township Library.

Additionally, participants are invited to attend the Museum on Friday, August 6 from 10:30 to 12:30, also free of charge.

Why doesn't the fellow who says "I'm no speechmaker" let it go at that instead of giving a demonstration?"
