

TO YOUR GOOD HEALTH

Reye's Syndrome Alert

Reye's Syndrome is a very serious disease that you should know about. Some people develop Reye's Syndrome as they are getting over a viral illness like the flu or chicken pox.

- Relentless or continuous vomiting
Listlessness (loss of pep and energy with little interest in their environment)
Drowsiness (excessive sleepiness)
Personality change (such as irritability, slurred speech, sensitivity)
Disorientation or confusion (unable to identify whereabouts, family members or answer questions)
Combativeness (striking out at those trying to help)
Delirium, convulsions or loss of consciousness

Typically, Reye's occurs when someone is recovering from a viral illness and begins to feel better. A person's life can depend on early diagnosis. Watch for these symptoms, usually occurring in this order:

Reye's Syndrome. If your physician is unavailable, take the person to an Emergency Room promptly. Two liver function tests (SGOT, SGPT) can be done to determine the possibility of Reye's Syndrome.

Studies have shown that using aspirin or aspirin-containing medications to treat the symptoms of viral illnesses increases the chance of developing Reye's Syndrome.

The National Reye's Syndrome Foundation (NRSF) recommends that aspirin and combination products containing aspirin not be taken by anyone under 19 years of age during fever-causing illnesses.

Aspirin is a part of the salicylate family of medicines. Another name for aspirin is acetylsalicylate; some drug labels may use the words acetylsalicylate, acetylsalicylic acid, salicylic acid or salicylate instead of the word aspirin.

JV FOOTBALL

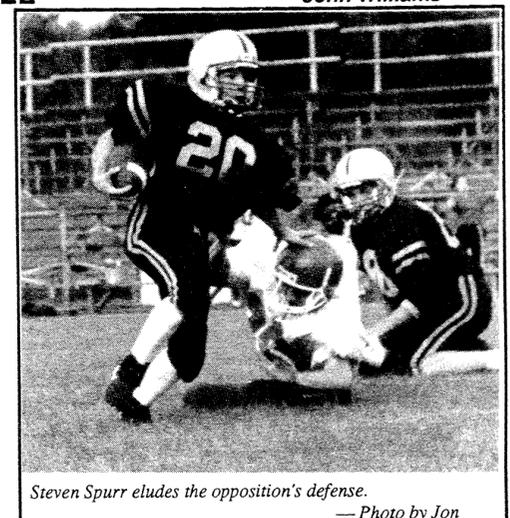

Manchester - 43 Grass Lake - 6

Coaches Fielder and Fielder tinkered with their line-up and added some new plays but the results remained the same. Our JV football team rolled over their opponent, Grass Lake, utilizing a tough defense combined with an explosive offense.

The Little Dutch completely controlled both sides of the line of scrimmage until the 4th quarter when the game was sufficiently out of reach. Grass Lake scored that quarter for the first points tallied against Manchester this year.

Again, the coaches got plenty of playing time from all their troops.

Bryan Duvall started things off right by intercepting a Dan Brown pass and rumbling back 15 yards to our 40. Eleven plays later Aaron Garrett punched it through at the 3-yard line. A Steve Riske to Mark Harris completion secured the P.A.T.

Steven Spurr eludes the opposition's defense. Photo by Jon

With two seconds into the 2nd quarter, Zach Maghes scampered 64 yards for a 14-0 lead. Tom Pawlowski recovered a Grass Lake fumble but our offense momentarily sputtered only to have our defense notch up another two points via safety.

For the remaining eight minutes of the quarter, the Dutch dominated. Maghes, Garrett, Riske and Trevor Schleicher ran wild as the offensive line, led by Mike Mann, Justin Porter and Duvall, took ownership of the trenches.

Board of Education To Hold "Town Meeting"

The Manchester Community Schools' Board of Education announces a special meeting for Monday, October 4, 1993 at 7:30 p.m. in the high school library.

The purpose of the meeting is to seek input and suggestions from district residents that will assist the Board of Education in identifying school district needs and establish district goals for 1993-94.

The Board of Education encourages community involvement and invites all district residents to this "Old Fashion Town Meeting".

Be a Leader

Share the enjoyment by being a part of the Manchester Girl Scouts dynamic program. Four adults are needed to lead two Brownie troops of second and third grade girls. One adult is needed to serve as registrar for Manchester Girl Scouts. The

assignment requires a few hours each week during September and October in your home checking over troop registrations.

From The Ground Up

—by BG

The average first hard frost in this area is October 20th but, last year, a light frost occurred in my garden on September 28th. The location and varieties of those plants killed is a good example of what can happen when the cold air hits the warmer ground. The mass of cold air will flow down a slope unless it is meets an obstacle. Last September, the affected area was on a downward slope with a fence behind the flower bed to stop the movement of the cold air mass so some Fibrous Begonias and pink Cosmos were frosted.

We all have planted non-hardy flowers and vegetables but some are more tender than others. Fibrous Begonias and Impatiens are more tender than Marigolds which are more tender than Zinnias. Green peppers are more susceptible to cold air than tomatoes. Last year, the pink Cosmos were killed completely but the accompanying white Cosmos were untouched.

The Begonias, being bushy and trapping some ground heat, had the tops blackened.

The plants could have been saved by spraying them with a fine mist of water before the direct sunlight struck the frosted parts. The damage was not discovered early enough to do this so the plants were cut back to the untouched parts and they bloomed very nicely until the next heavier frost.

Decide how to protect the selected tender plants before frost is predicted. Can the pots of tender plants be moved next to the house for an overnight stay? Covering the tender plants with blankets, old curtains, newspaper, cardboard is the traditional method of frost protection. Clear plastic sheets will offer no protection when in direct contact with the plant.

This might have to be done two or three times on successive nights as there could be more weeks of warm weather to enjoy the tender flowers and vegetables.

Besides sweet apple cider and crisp fresh apples, you can enjoy horse carriage rides through the orchard, weekends at Alber's.

Second Front Page: Emanuel Mission Festival

Mission Festival Sunday: A Tradition Returns To Emanuel

On October 3, 1993, Emanuel Church will reinstate a lost tradition — the annual Mission Festival. Although this year's revival will be less elaborate than the program published in the Manchester Enterprise in 1905, (See Reprint), the Mission's Committee promises it will be a significant occasion with special music, programs for the Sunday School and recognition of past accomplishments in mission. The Manchester Orchestra will perform at a reception following the service.

The two guest speakers — the Reverend Thomas Uphaus and the Reverend Gustav Kuether — both have strong ties to Emanuel. Rev. Uphaus, the son of Millard and Lillian Uphaus, is a native of Manchester and was baptised, confirmed and ordained in this parish. Rev. Kuether's father, Ralph L. Kuether, served as pastor of Emanuel from 1959-1972, and during that time, Gustav was ordained as a minister and commissioned as a missionary. Gus and his wife Sue, (the former Suzanne Higgins of Manchester), served as "our Missionaries" in Honduras for fifteen years.

This year the Mission Festival coincides with World Wide Communion Sunday. The worship service begins at 10:30 A.M. All members and friends are urged to attend.

PER, MICH. TUESDAY, SEPT. 5, 1905.

The Missionary Festival.

Held at Emanuel's Church in Manchester on Sunday, Sept. 3, 1905.

AVOIDED with the glorious sunshine of a perfect September day, the members and friends of the Emanuel Church of Manchester gathered at their home of worship, Sunday, to participate in the Annual Missionary Festival, and never in the history of the church has any services of its kind been so elaborately, so successful, and so harmoniously conducted. The church, which has the largest seating capacity of any in the village, was crowded to its utmost, and being handsomely decorated with a profusion of beautiful flowers, artistically placed, they wafted to the atmosphere the perfume of nature's wealth.

The members certainly understand the secret for preparing for such occasions, for over one hundred and fifty friends from a distance came to enjoy the festival and were highly entertained during their short stay in our village. The singing, the prayers and the sermons were all so inspiring, seemingly carrying the listeners away from the every day walk of life, to that ideal life of the heaven of rest, and the perfect harmony of the occasion will always remain green in the memories of all who attended. The singing, which was one of the features of this festival, was perfect, showing that those who participated had not labored in vain.

The choir consisted of: Misses Bertha Kuebler, Yetta Traub, Florence Roller, Lydia and Matilda Grossman, Messrs. Otto David Wuerthner, John Earnst, Samuel Vogeding, Paul and Herman Wuerthner. The male quartette consisted of Carl Wuerthner, John Earnst, Paul Schouttle and Otto Davidter. The program of the festival is as follows:

At the close of each service an offering was taken, the total of which for the three services amounting to \$284.07, the largest amount ever raised in one Sunday by collection in any church in Manchester. The following is a list of ministers from a distance:

- Rev. C. Spathoff, Owosso.
- Rev. Soell, Conners Creek.
- Rev. J. Reichert, Rogers Corners.
- Rev. A. Schoen, Chelsea.
- Rev. Graber, Franisco.
- Rev. W. Alber, Jackson.

Editorial / Opinion

Out and About by gar

There is something about setting around an outside campfire that entrances me. Aside from the smoke that is. We have a friend that is the official fire builder, sometimes referred to as "Chief Many Smokes", as he says, "tent wood up, like tepee get air in, make wood burn, make much flame, little smoke."

Chief Many Smokes likes fire water sometimes and then the flames really dance. There are on most occasions a half dozen kids racing around the fire. When the smoke blows in their direction they have a little ditty they chant about a magical rabbit that will make the smoke go another way.

What I kind of like is to watch the flames dance around. There is something magical about those moments. Particularly if you are with someone near and dear to your heart.

Different types of wood burn with different colors and aromas. I like the hues cast by apple wood and the smell is rather sweet.

A fire is a lot like life. It is necessary to watch and enjoy, savor if you can because the duration of a fire can be very quick as life often is.

Dear Emory,
I'm writing to share my experience with the production company that recently produced a commercial here in Manchester. I guess you can never have too many perspectives.

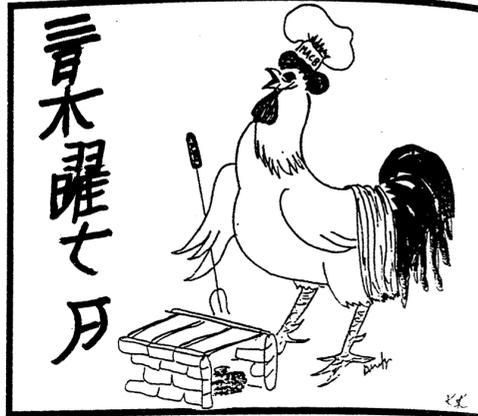

About a month ago, my husband, son and I were out in our yard painting our newly constructed fence. Suddenly, a van pulled up and mysteriously parked in front of the house next to us. We took notice but were more concerned with our own business at hand to investigate. Anyway, the house next to us was for sale and we assumed they were prospective buyers, right? Wrong. It was Mazda.

This production company wanted to "use us" in their commercial, and to use our home and property for the setting. They were "enchanted" with us. We declined their offer due to my husband's employment at General Motors.

There were practical as well as ethical considerations. I'm sure you know someone out of work due to off-shore manufacturing and/or large foreign companies. We do. People, families, are out of work because Americans are buying foreign products. We diplomatically declined and suggested they try the family kitty-corner to us which of course they did. We also felt that \$200 (the fee they pay to use your home) was disproportionate to the astronomical dollars they would accrue from the commercial.

A week later, they returned. Our fence was completed. They began talking again about their commercial and informed us that they "really wanted to use" our property and home. Perhaps they could use ours since we wouldn't be in the commercial ourselves. We were reluctant and undecided. We parted on a business-like note.

Third time - they came again "really wanting" us for the commercial, and this time with ideas of tearing down the fence and scraping the paint off so they could "shoot" the commercial of a family painting and building a fence while a \$55,000 Mazda sat in the driveway. I called my husband at work and we were given an hour to decide. I still had questions about the deal and saw them across street and went over to speak with them. They informed us that we seemed reluctant and that they were "going with this one", meaning the neighbors' home. I said okay, relieved that it was settled and hoping that they really had made up their minds and would leave us alone. September 8th rolled around and a large, arrogant man appeared at

the door - not identifying himself or saying hello. He said "Would you move your car?" Intrigued, I said, "Why?" He said "Because it's a Geo and we're shooting a Mazda commercial." I was stunned at his arrogance and lack of reserve, but said "okay" and closed the door, while muttering to myself that I wasn't moving my car until the Japanese signed a Fair Trade Agreement.

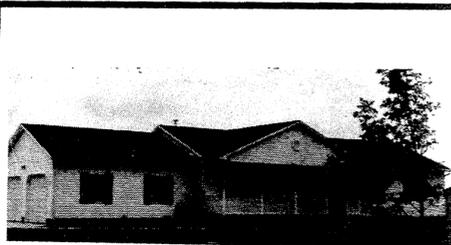

A few minutes later I had my say with them face to face. "How dare they exploit Americana for the benefit of a non-American company!" And, "How dare they construct commercials that seem to testify that buying Japanese cars is the American thing to do?" Among other things.

Well, I did move my car for their commercial but I declined their offer of \$25 for my trouble.

Manchester Area Chamber of Commerce Elects Board of Directors

The Manchester Area Chamber of Commerce held the Annual Meeting on September 15, 1993 at Haarer's Meeting Place. The Board of Directors for the coming year is as follows:

Terms with one year remaining:

Jim Achtenberg, President, Woodbrook Enterprises Inc.

Kim Cowen, Treasurer, Great Lakes Bancorp

Dave Prohaska, Chelsea Print and Graphics

Jim Sprague, Wash on Wheels

New, two year terms:
Bob Wahr, Vice President, Comerica Bank

Eileen Ball, Secretary, Manchester Electric

Deb Havens, Paragon Productions

Joe Marshall, Manchester Antiques Mall

The meeting featured presentations from four area businesses:

• Deb Havens of Paragon Productions discussed video productions done locally by her company. Recently, these have included promotional material for the 20th anniversary of Walt Disney World in Florida. This presented a challenge to get the proper message delivered within a very short time. Also, on a more local note, she produced a video for the Manchester Historical Society on the 125th anniversary of Manchester in 1992.

• Teresa Benedict presented Manchester's newest Main Street business, Calamity Jane's. Calamity Jane's specializes in silver jewelry (like she had at

Surprise! Surprise!) and antiques. The antiques side of the business draws on the 25 years of experience of Nancy Dietrich. The business is open seven days a week - 10:00 a.m. to 5:00 p.m. with Sundays Noon-5:00.

• Susan Morey of the Manchester Academy for the Arts talked about the fall activities for her Academy. She has recently rented space in the Mill that is used for many activities. These include art and dance for pre-school in the morning to adult art, craft and dance in the evenings. She has a very extensive background in these subject areas and has big plans for the Academy.

• Todd Nepper of The Farmer's Vacation discussed his plans for offering farmers a chance to get away from the farm. The Farmer's Vacation would perform all farm chores including horses, hogs, and field work, including dairy chores, while the farmer is on vacation. Todd grew up on a farm and would like to be involved in farm operations.

The next meeting of the Manchester Area Chamber of Commerce will be at 8:00 a.m. on Wednesday, October 20, 1993 at Haarer's Meeting Place, 223 E. Main Street, Manchester. Jerry Preston, of The Ann Arbor Area Convention and Visitors Bureau will be present to discuss how their organization has recently changed. This group works with many organizations coming to the Ann Arbor area.

Of particular interest to people in Manchester would be

excursions for convention participants to see what a small town in Washtenaw County has to offer. This would include sightseeing and antique trips for many out-of-town visitors.

For more information on the October 20 meeting, contact Jim Achtenberg at Woodbrook (428-7011).

King's Daughters **Please note date change**

The Manchester King's Daughters will meet on **September 30** - not the 23rd - at 1:00 p.m. at the church. See you there!

20th Century Club

On September 14, the 20th Century Club honored the women and men who play tournament bridge. A delicious potluck dinner was served.

Dorothy Mann gave a history of bridge playing in Manchester and reviewed how the money raised was used to benefit the community of Manchester. Following is a partial list: Jaws of Life, basket for Main Street lights, Band Boosters, scholarships, Historical Society, Manchester Township Library, band uniforms, Manchester Prep Program, Manchester United Way, Jaycees, Big Print New York Times, choir, Oak Grove Cemetery, Bicentennial, senior meals, Girlstown, Village Christmas decorations, SADD, firefighters and the Community Band.

The next meeting will be October 13 with a dinner at Haarer's Meeting Place in Manchester and a play at the Purple Rose Theater in Chelsea.

The Flower Gardens of Glen Lehr, Sr., Pleasant Lake: "The tulips came up to their shoulders," said Glen Lehr, recalling the time his wife, Nella, and Virginia Hendley walked through one of the garden beds planted with literally thousands of giant Darwin tulips. The Lehr home and gardens, located at the east end of arrowhead-shaped Pleasant Lake originally on 35 acres, could tell many stories — of good soil and fragile seedlings...

Obituary

Max L. Heckman, Norvell

Max L. Heckman, of Norvell, age 61 passed away at St. Joseph Mercy Hospital on September 14, 1993.

Max was born in Manchester on March 3, 1932, the son of Carl and Arlene (Nortley) Heckman. In 1960 Max was married to Donna Johnson and she survives.

Max retired from the Rawsonville Ford Plant in 1989 after over 31 years of loyal service. Max was also a member of U.A.W. Local #953. He was a member of the Norvell Baptist Church, and a member of the Manchester Sportsman Club as well as the NRA. Max was involved in the Napoleon Athletic Boosters and was an umpire for the State of Michigan for girl's softball and boy's baseball. He was also a member of the Future Farmers of America.

Max is also survived by his mother, Arlene Heckman of Norvell; one son, Max, also of Norvell; three daughters, Robin and Trent Hammond of Three Rivers; Wendy Heckman of Concord, Sally Nelson of Parma; nine grandchildren; two brothers; Denis and Chris Heckman of Norvell; James Heckman, also of Norvell. He was preceded in death by his father, one brother, Robert.

The Heckman family received callers at the Jenter-Braun Funeral Home. Funeral services were held on Saturday, September 18, 1993 from the funeral home. Trent Hammond officiated assisted by Rev. William Nelson. Interment took place in the Norvell Cemetery. Those wishing an expression of sympathy for the Heckman family may make memorial contributions to the Manchester Sportsman Club.

Queen Elizabeth of England sent a merchant to a remote country on national business. "Your Majesty," he protested, "my work will suffer in my absence." "You look after my business," she answered, "and I'll look after yours." He accepted the royal partnership. When he came home he found that he was rich. It's that way with the Lord. Every duty brings delight, every cross its crown, every performance its pay. There'll be blessings here and benefits hereafter for the believer who looks after the Lord's business.

SMPA Annual Fall Car Wash

(or) What other area schools are doing to raise money for some of their special programs

Where can you: Enjoy a wonderful fall day? See music students and their parents having fun and working together toward a common goal? Receive a free "goody" bag filled with coupons and promotions? AND... get your car washed for Free?

Only at the annual, free, fall car wash sponsored by the Saline Music Parents Association, on Saturday, September 25, 1993, from 8:00 am to 5:00 pm, at the Saline High School.

Four shifts of students, with parent supervisors, will be waiting to thoroughly wash, rinse and dry all vehicles, rain or shine, in an attempt to meet the set goal of 1000 vehicles.

Students will be seeking pledge support prior to the event. Supporters may donate in one of two ways: They may pledge a certain amount per vehicle, based on the 1000 vehicle goal, or they may make a fixed dollar donation.

The funds collected by the individual students have a dual purpose. One half of the total will go to the SMPA general fund which is used throughout the year to support music clinics, special programs, camp scholarships, and other music projects. The other half of the money goes to the student's individual account. Each student can then use those funds during the year to pay for individual, music related needs.

Innovations planned for this year's event include: "Free Car Wash Coupons" to be given to those who have pledged financial support as a reminder of the wash date. "goody" bags, filled with coupons that will be distributed to vehicles as they enter the car wash.

Senior Citizens News

-T.V. Ludwick

What was an old fashioned summer is quickly turning into an equally old fashioned fall. Rain, always around the fall equinox, gives way to nice days like last Sunday to frolic. Some maples in town are gorgeous with color along with the other signs of the season. Makes you try to plan outside work when the sun shines -- it doesn't always work out that way, huh? You are either stuck in the house with projects, or have to attend an indoor activity. 'Taint fair!

Thursday, September 23: An indoor activity will be fun for those of you who enjoy working with craft items. Come to the Center at 9:30. Another indoor activity we enjoy is our senior meal program. Pork choppettes for lunch at Emanuel at noon (call either Linda at 428-8359 ahead, or Jan at 428-7630 before 10:30 on meal days). Bingo is scheduled at 12:30 most Thursdays. Then, at 6:30, senior bus begins pickup for the trip to the Senior Citizens' sponsored public card party. Call Erma Alber at 428-8707 to go and enjoy the monthly euchre party which starts at 8:00 p.m.

Friday, September 24: Now for an outdoor activity which you'll enjoy! We will go apple picking. The bus leaves the Center at 8:30 and if you'd like that fun, call either Rubena Boelter at 428-8655 or Erma.

Tuesday, September 28: Your blood pressure will be taken by one of our local nurses at 11:00. Pressure goes down when you sit and relax with your tablemates to enjoy veal cutlets. At 12:30 Michael Quails who represents Huron Valley Ambulance will give a talk. Of course, you will have many questions which he may answer for you.

Thursday, September 30: Craft class begins at 9:30. Jan and crew will serve macaroni & cheese and it's the best (especially to those of us who had it "up to here" with the stuff when kids were growing up). Jan's is the only kind that I like!

Looking ahead to Wednesday, October 6: Blissfield senior citizens are inviting our seniors to their center for lunch, etc.--fun; they need to know how many are coming. Sign up as soon as possible so Rubena may let them know, or you may be placed on the list by calling Erma.

You Are Invited

The Manchester Great Lakes Bancorp staff would like to invite their customers, friends and the public to our office on Main Street to celebrate the long career of Mary Smith.

We will be celebrating officially, Thursday and Friday, September 30th and October 1st. These two days will be Mary's last days of employment with Great Lakes. She will be acting as hostess, welcoming and thanking her many friends.

Mary's career started with Great Lakes in January of 1974. Mary had just retired from the Post Office after twenty five years of dedicated service. She wanted something to keep her busy, but had no idea this would lead to a long road of employment. Mary's career has covered many, many changes in our industry, but one thing has always remained constant - her quality customer service.

Our bank and our office staff have been proud to have worked with Mary these past years and we hope you all will take the time to come in to congratulate Mary on her retirement.

Trying to hold on too hard can make you lose your grip. -John Dryden

New Apartments to be built for Senior Citizens

A new 24-unit elderly apartment complex in Manchester is about to start construction. The building will have units that are available for rent under the Farmers Home Administration (FmHA) guidelines, a federal official announced.

Richard Colombo, District Loan Specialist, for the FmHA office in Fowlerville said that approximately \$800,000 of FmHA loan funds will be used to complete the construction of the apartment complex. The Woodhill Senior Apartments were development and are being built by The Oakwood Companies. The apartment complex will be managed by American Preferred Management Company of Grand Rapids, Michigan.

The housing will provide 24 one bedroom apartments in a

one story building. Tenants will have access to their own laundry facilities, and a unit for tenants requiring barrier-free accommodations will be available. Mr. Colombo said the units will be rented according to FmHA guidelines. The rent will be at least 30% of a family's adjusted income. Eligibility to occupy the apartments is based on income and family size.

This complex is in addition to one other FmHA financed complex and brings the total of FmHA's units in Manchester to 56.

Mr. Colombo said, "It is the commitment of FmHA to provide decent, safe, sanitary, and affordable housing to people who cannot otherwise afford the housing".

People interested in renting a unit should contact American Preferred Management at (616) 942-1792.

CALL TO ORDER

The meeting was called to order at 7:37 by Co-Chairman Palms in the Council Room of the Village Hall.

APPROVAL OF AGENDA

Add 5.2 Beemer Variance Request
Add 5.3 Minor Change to Final Site Plan; Ann Arbor Assembly

Also include with the above request, the evaluation for the IFT Evaluation Form.

A motion was made by Hinkley to approve the Agenda with the above conditions. Lowery supported the motion. The motion passed on a voice vote.

MINUTES OF PREVIOUS MEETING

A motion was made by Hinkley to approve the minutes. Little seconded the motion. The motion passed on a voice vote.

REPORTS FROM ADMINISTRATION, COUNCIL, COMMISSIONERS & PUBLIC

The minutes from Council were received.
NEW BUSINESS
BEEMER REQUEST FOR VARIANCE: 529 Granger Street

This request asks a variance for the purpose of constructing a porch which would encroach on the Right-of-Way.

Lowery made a motion to table the Beemer Variance Request until the front property line has been definitely determined. Schiller seconded the motion. The motion passed on a voice vote.

ANN ARBOR ASSEMBLY REQUEST FOR MINOR CHANGE TO FINAL SITE PLAN

The purpose of this request is to pave an additional 50 x 60 ft. area to keep trucks out of the back storage area.

Little made a motion to propose a minor amendment to the Final Site Plan approving a southern 50 x 60 ft. concrete slab to be added adjacent to the loading dock, as shown on the plan submitted August 5, 1993. Lowery seconded the motion.

Cooked-up excuses usually sound half-baked. - Elaine DeForest

Palms made a motion to submit the IFT Evaluation for Ann Arbor Assembly based on the existing building only. The total number of points awarded was 8. (The Evaluation Form will be returned to the clerk). Roberts seconded the motion. The motion passed on a voice vote.

Palms made a motion, seconded by Little, to approve the Amended Final Site Plan contingent upon the following items:

Off-Site Work:

- 1. The two catch basins at Station 3+50 to drain to the southwest portion, will be a part of Phase 1 instead of Phase 2.
- 2. The private utilities will be located on the west side of Woodhill Drive.
- 3. The 6 ft. Right-of-Way should start at the west garage face Alber's garage and go east.

Additional Note: There will be a curb cut to the Day Care Center.

On-Site Work:

- 1. A yard drain will be installed between the east property line and the east face of the apartments, to drain to the south (sheet 3).
- 2. Add light pole north of the existing dumpster (sheet 2).
- 3. An interment storm water detention area is to be located southwest of the proposed parking lot, to drain southwest (Sheet 3).

- 4. The radius of the entry drive will be increased for easier fire truck access. (Sheet 2).
- 5. A natural buffer will be provided along the transition strip along the eastside per 5.307 of the Village Code. (Sheet 5).

The motion passed on a voice vote.

Palms made a motion to recommend that Council address these items off-site as part of the Final Site Plan approval:

- 1. A minimum of 50% participation of the cost for a 12-inch storm sewer from Territorial north to Main Street.
- 2. A minimum of 50% participation of cost for the continuation of the proposed 4 ft. sidewalk from Woodland to Main Street.

Tucker Seconded the motion. The motion passed on a voice vote.

Briarwood Mall Offers Lunchtime Festival

TGIF will take on new meaning - "Thank goodness it's Foodday" - when Briarwood's Grand Court turns into a mini food bazaar from 11 a.m. to 3 p.m. Friday, September 24.

During that time, office workers and shoppers can fill their stomachs with nearly 50 different tasty foods and their lunch hours with merchandise giveaways, cooking demonstrations, fashion shows and live jazz.

"So many people have asked for a repeat after our first two Food Festivals, and that's what we're giving them," says Karen Fox, Briarwood marketing director.

"Our Food Festivals are rapidly becoming a tradition, particularly for people who work in the offices around Briarwood. Office workers tell us they're a wonderful change-of-pace from boring cafeteria lunches - especially at the end of a long week."

During the Food Festival, lunchtime visitors can relax with the Ron Brooks jazz trio and informal fall fashion modeling as they sample treats from nearly a dozen different Briarwood restaurants and food specialty shops. All food samples - from English roll-ups and Viennese coffee to spinach pie and pesto pasta salad - cost only 50 cents.

"The Sunshine Boys" To Light Up
Croswell Stage!

Jerry Andrews and Milton Schoch, two veterans of the Croswell Opera House stage, will reprise their roles as Al Lewis and Willie Clark in the opening production of the Croswell's 1993 fall-winter season, Neil Simon's comedy "The Sunshine Boys."

The season marks Andrews' 26th year of Croswell performances and Schoch's 25th, in productions that have run the gamut from musicals to dramas to comedies and even to operas. Most recently, Andrews appeared in several roles in "Gypsy," while Schoch portrayed Mark Twain in "Big River."

"The Sunshine Boys" tells the story of a retired vaudeville comedy duo who, despite entertaining audiences for 43 years, have never been able to stand each other and, although they haven't worked together for 11 years, haven't spoken to each other for 12 years (they explain that discrepancy by

saying that for the last year of their collaboration, they only talked to each other's characters).

Then Willie's nephew Ben, who is also an agent, arranges for the pair to do their act one last time for television, for a special on the golden age of comedy.

This wonderful idea turns into a complete disaster, but along the way it becomes apparent that there really is something special about Willie's and Al's relationship. Simon's work is at once a charmingly funny and a gently touching story, told with wit and wisdom.

"The Sunshine Boys" opens at the Croswell Oct. 1 for six performances through Oct. 10. Curtain times are 8 p.m. Friday and Saturdays and 3 p.m. Sundays. Individual tickets are \$12 regular and \$10 for students and senior citizens. Group rates are also available.

For reservations, call the Croswell at (517) 264-SHOW.

Varsity Downs Grass Lake 35-0

The Flying Dutchmen continue to be very effective both offensively and defensively, as they are undefeated and unscored upon. The runners and receivers appear to be running the ball with more authority as they amassed nearly 400 yards, scoring 5 TD's by 5 players. The defense was aggressive and effective allowing 39 total yards - only one in the first half. Grass Lake did not cross the 50 yard line all night.

Strock's opening kick-off set the stage as it sailed into the end zone untouched. Although the Warriors gained a first down (half on a Manchester penalty) in their series, they were unable to maintain the drive.

After a short punt, Manchester started at the Grass Lake 45. The first TD was scored on a 4-yard keeper by Tom Fielder at 4:56 to go in the first quarter. All yardage on the drive was on the ground as Shane Goodell, Brad Davis and Fielder mixed it up. Strock's PAT was good for a 7-0 score.

Kye Potter made the tackle at the 20 yard line on the next KO and the defense took over. J.D. Gould got a tackle for minus 4 yards and then Brad Davis hit Carmony (GL) for minus 5. When Manchester received possession at the GL 31, Shane Goodell scored after an incomplete pass. The centering pass for the PAT flew over Tom Fielder's head and Strock was stopped short of the goal as he ran for the 2 point conversion. Still 2:22 remained in the first quarter. Manchester led by 13.

The remainder of the first half featured an exchange of possessions. Fielder was getting rushed by the GL defense when he tried to set up to throw. Brad Davis had a 24-yard run and a little excitement broke out as Kevin Phelps had a 24 yard reception, followed by a 43-yard pass to Mike Barnard. Mike was stopped at the 5 yard line as time expired.

Manchester received the second half KO and had 3 first downs before GL tipped and intercepted a pass at their 13 yard line. Again they moved the ball for a first down before being forced to punt. After a 16 yard-run by Davis, a 7 yard reception by Barnard, and a 5 yard gain by Goodell, Manchester was in striking distance at the GL 28.

Shayne Ahrens had a 10-yard reception, ground which was lost on a holding penalty on the next play. Ahrens picked that up and more as he gathered in a pass for 28 yards and the TD. The 2-point conversion failed. With 3:34 to go in the third quarter, the score stood 19-0.

Manchester's fourth TD was scored on a 3-yard run by Mica Puscas. Goodell ran 27 yards to start the series, before Brandon Woods received and ran for 23. Geoff Brooks had the final set-up run of 15 yards. The PAT was good. With 11:29 left in the game, we led 26-0.

Barnard quarterbacked the remainder of the game. On the first series, forced to punt, Ahrens hit one 49 yards for a touchback. Later, Grass Lake, facing 4th and 15 at their own 15, stood helpless as the centering pass eluded the punter and rolled out of the end zone for a 2 point Manchester safety.

On the ensuing kick off from the 20, GL attempted an on-side kick which Brent Hoefl gathered in at the GL 31. Eric Anderson and Brooks ran 3 plays before Barnard connected with Brent Woods for a 24-yard pass to the 1 yard line. Brooks scored the TD, Strock the Pat, for a final score of 35-0.

Coach Gall was pleased with the total team effort on defense. Manchester's front line was difficult to crack. Several players had tackles for losses, including J.D. Gould, Brad Davis,

- Karen Strock

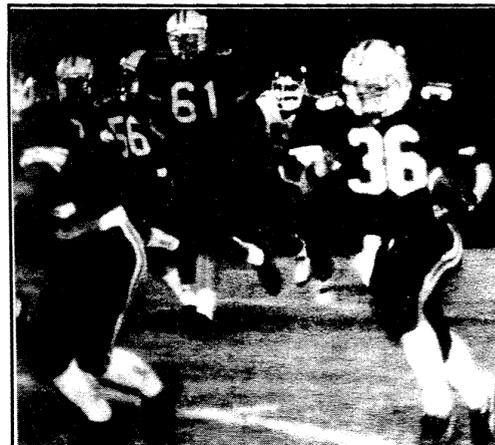

Jeremy Strock, Chris Fillyaw, and Brent Woods. (Sorry fellows if I missed anyone.) Shane Goodell broke up two passes that looked like sure completions for big gains. This is one tough defensive team.

Offensive leaders: Passing - Tom Fielder (8-14-1 for 159 yards); Rushing - Shane Goodell (10/96); Brad Davis (4/56); Brandon Woods (4/30). Receiving - Mike Barnard (2/50); Shayne Ahrens (2/41); Kevin Phelps (2/35); Brandon Woods (2/33); and Brent Woods (1/24).

Awards for the game: Offensive Player - Matt Fielder; Defensive Player - Chris Fillyaw; Scout Team - Mike Barnard; Special Teams - Brandon Woods

Looking ahead, Coach Gall expects the Addison team to be a tougher opponent. "The scouts felt that their game with Napoleon was extremely close - much closer than the final score. We must move up a level to be competitive."

Journey with us to Addison, Friday, September 24, at 7:30 p.m. See YOU there.

MHS Equestrian Team Wins First Meet

The equestrian team won its first B Division meet Sunday with 54 points accumulated by the end of a long day of intense competition. Ypsi-Lincoln took second with 25 points and Grosse Ile was third with 8.

Junior Amber Burkhardt was first in Hunt Seat Bareback and first in Western Equitation, third in Western Fitting and Showing, Hunt Seat Equitation and Western Bareback, and fourth in Western Reining for a total of 27 points for her team. Kelly Allen took two seconds, one in Western Fitting & Showing and one in Saddle Seat Fitting & Showing, for a total of 10 points. Senior Maggie Evilsizer was third in Trail, fourth in Hunt Seat Fitting and

Showing and sixth in Western Fitting and Showing for a total of 8 points. Mark Kueffner was first in Speed & Action and in two-man relay with Allison Gaughan placed third for a total of 9 points. Andrea Clark, a junior, joins the team for the first time, showing in Saddleseat classes, gymkhana events and Fitting & Showing. We're missing sophomore Darci Hock this year from the team because of an injury she sustained during a volleyball practice - get well son, Darci!

The Manchester High School equestrian team is a member of the Michigan Inter-scholastic Horsemanship Association which consists of 130

high schools divided into 13 districts competing in a series of three meets. The meets have 17 different classes and the team accumulating the most points at the end of the series qualifies to compete at the State show to be held this year at the Michigan State Fairgrounds October 22-24. Manchester has won their District Division the last two years.

The shows are held at the Milan Fairgrounds on Sanborn near Arkona Roads; the next show is Sunday, September 26.

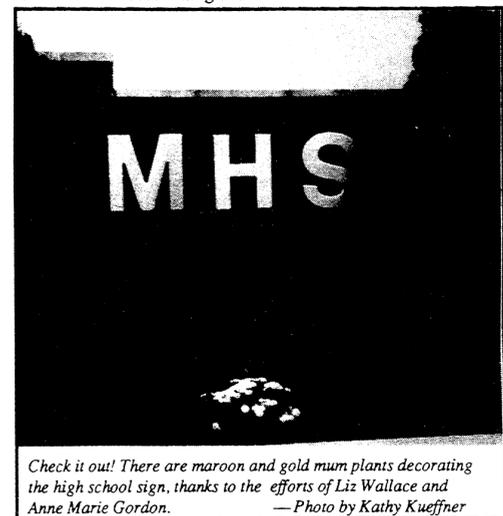

JV FOOTBALL

(continued from page one)

Jesse Hakken and Jason Miner led the defense. With the Dutch leading 30-0 at the half, the Manchester fans were still "buzzing" about the beautiful diving catch Mark Harris made for a 2-point conversion.

Schleicher opened up the second half with a nifty 32-yard run and split the uprights for the conversion. He scored once again this quarter as he and Peter Paige, along with Micah Jefferson, split the duties. Ryan Fielder rushed their quarterback for numerous incomplete passes as Grass Lake struggled to get back in the game.

As you fans remember, last year Addison controlled the line of scrimmage to beat our junior varsity boys. We'll get to see how good a football team we have when they visit us Thursday at 7:00 p.m.

Check it out! There are maroon and gold mums plants decorating the high school sign, thanks to the efforts of Liz Wallace and Anne Marie Gordon. -Photo by Kathy Kueffner

MHS GOLF

- John Korican

On September 7, Manchester had its best showing of the year in the Hanover Jamboree. The Dutch finished second with a good 163 score. The Jamboree medalist was senior Ben Lowery (37), Jeff Steele (40) and Matt Blossom (43), shot personal best scores, and John Kallewaard (43) finished the scoring.

Our JV's came in with a 207 led by Jimmy Donnellon (46) and Mike Ridenour (48).

We hosted Columbia Central on the 8th and then traveled to Clark Lake on the 16th. The result was victory for each home team. We won at home 184-193 in a very high scoring match, with Ben Lowery medalist with a 42. Columbia gained revenge in a good 158-167 match. Seniors Jared Donnellon and Ben Lowery and junior John Kallewaard each had 41's. Senior Matt Blossom and junior Jeff Steele had 44's.

The Dutch hosted the Blue Division Jamboree on September 14. The big winner was the weather as high winds and heavy rains took its toll on par. Hanover again led the way. One stroke and the tie-breaker rule took the home team from a second to a fourth place finish. East Jackson had a 177, with Manchester and Michigan Center even at 178. We lost the tie breaker to Michigan Center but would have beaten East Jackson with a tie breaker. We are third behind Hanover-Horton (12-0), Michigan Center (7-5), Manchester (6-6), East Jackson (5-7), Addison (0-12).

Our JV's finished third with a good round by trailing East Jackson and Addison. All freshmen led the way: Jimmy Donnellon (49), Will Roberts (51), Ryan Roberts (51) and Jon Way (58).

INFORMATION

Down Memory Lane

(continued from page one)

Today we are throwing up a redout and constructing a covered road to it. Not covered over, I don't mean, but protected from the fire of an advancing enemy so that the redout and surrounding rifle pits are manned and relieved without compelling troops to pass under fire. In constructing these rifle pits every possible advantage is of course taken of the surface of the ground over which the enemy must pass. In the first place, a narrow ditch is cut with a jog in one side and the dirt thrown out towards the foe, forming a sort of breastwork, so that the men may step up on the jog, take a deliberate aim over the bank which forms an excellent rest, fire and then step back into the deeper part of the ditch or rifle pit, completely under cover to reload. Then all the standing timber for-ward within rifle shot is fallen so that it would be impossible for an enemy to advance without having his lines all broken and staggered while our men from the rifle pits could safely pour upon them a fire which no troops could withstand. Then an occasional redout, or fort, strengthens the whole so as to render it almost impregnable.

Among other camp duties I mentioned washing and I think I can descant on that subject in an interesting kind of fashion, for a minute or two. I always manage to wash on Saturday when the nature of circumstance will permit. In the first place I secure a camp kettle which I can generally get and proceed to the nearest clean water and filling my pail, kindle a fire round it and while the water is heating, sit down and make a wash board which I can do in a few minutes by cutting longitudinal creases in a smooth strip of pine board. When the water has reached the proper temperature I immerse my clothes and by dint of a little scrubbing and a little soap the dirt is soon eradicated. Then I place the clothes once more in the kettle and cover them with water and boil them till I have every reason to suppose that the lice are all dead, when I wring and hang them out to dry.

Today is Leme's birthday and as it is about the middle of the year you know my calendar is about to run out and I want the other half of it. I sent home \$35.00 by Col. Fellows, and I have not heard from it yet. But I shall not worry about that. Leme, who is reading the forepart of my letter just comes in with, "John, you don't write a bit familiar, you write just as if you was trying to get up a speech." Well, that is my misfortune and I think that is better than not to write at all. At Cairo I got Saxe's poems and I propose to send it home before long. (Unsigned)

Michigan Senator Lana Pollack (D-Ann Arbor) is one of two featured speakers at the Non-traditional Career Day planned at Washtenaw Community College on Friday, September 24 from 8:30 a.m. to 3 p.m. Mary Boomas, senior vice president of Arbor Technologies, will also be speaking. High school and middle school students, recent graduates and adults are encouraged to attend this career day which is designed to introduce people to career fields historically considered non-traditional for their gender. Information on career planning, financial aid, support services, and job placement will be available. To help participants take that first step toward a new career, three \$100 scholarships will be

Now a word or two on the louse question—and as I have had experience enough in soldier life to speak from observation and actual knowledge, I know that it is absolutely impossible to keep entirely clear from them. By boiling one's clothes, particularly and observing habits of personal cleanliness, one can easily enough keep from being overrun with them. But I heard one of the cleanliest men in our Co., a corporal just returned from furlough, say he got on the train at Jeffersonville with clean clothes that he knew were perfectly free from vermin and by being thrown in contact with soldiers in the train, picked off six or eight in the next twenty-four hours. That, however, I've no doubt is perfectly true, was nevertheless the dark side. So if anybody ever tells you that they have been in the army for ten months and never saw a louse you may be morally certain that truth has suffered from his assertion.

Now let me take up some more agreeable topic and I'll soon close. I write under some discouragement as we have received news that one of our mails has been destroyed on the Mississippi to prevent it from falling into the hands of the rebels, as the boat was fired into, as near as I can now condense the rumor. A week ago today we had a most excellent discourse by the Chaplain and in the evening, the best prayer meeting, but we little know what a day will bring forth.

Therefore, all unknown and non-resident persons, owners and persons interested in the above described lands, and the County Clerk of Washtenaw, Board of Washtenaw County Road Commissioners, Supervisor of the Township of Manchester President of the Village of Manchester

are hereby notified that at the time and place aforesaid and at such other time and place to which said day of review may be adjourned, the apportionment for benefits and the land comprised within the Manchester Village Tile Drain Special Assessment District will be subject to review. Free Child Development Screenings Offered

Parents who wonder if their child is acquiring basic skills at a rate appropriate for his or her age can find out through the free child development screenings being offered by appointment from October 18 through 22 (Monday through Friday) through Saline Community Hospital. Screenings for speech, gross motor and fine motor skills will be conducted at The Children's SPOT, 400 Bemis, Saline.

Speech development involves learning to make sounds, developing a vocabulary and listening skills, and mastering language concepts. Speech screenings will evaluate the progress of children 2 to 12 years and make recommendations for follow up, if necessary. This screening takes 10 to 15 minutes.

Gross motor skills involve use of large muscle groups. These muscle groups are involved in crawling, walking, skipping, jumping and other such activities.

Fine motor skills include smaller movements, such as those used for drawing, cutting and dressing.

Occupational therapists will screen children ages 2 to 12 for delays or problems in these areas. Results and recommendations will be shared with parents.

Appointments are required for each of these screenings. To make an appointment for any or all of these screenings, call (313) 429-1522.

Ben Lowery: National Merit Semi-Finalist

The National Merit Scholarship Corporation (NMSC) has recently announced its list of semi-finalists in the National Merit Scholarship Competition. These academically talented high school seniors in all fifty states will have the opportunity to continue in the 1994 competition for about 6500 Merit Scholarships worth over \$25 million.

Manchester High School is pleased to announce that Ben Lowery, son of David and Mary Lowery has been awarded semi-finalist status.

More than one million juniors in over 19,000 U.S. high schools entered the 1994 Merit Program by taking the 1992 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), which served

as an initial screen of program entrants. The number of semi-finalists designated in each state is allocated according to the state's percentage of the national total of graduating high school seniors. Semifinalists are the top scorers in each state, and they must now advance to the finalist level of the competition in order to be considered for Merit Scholarships.

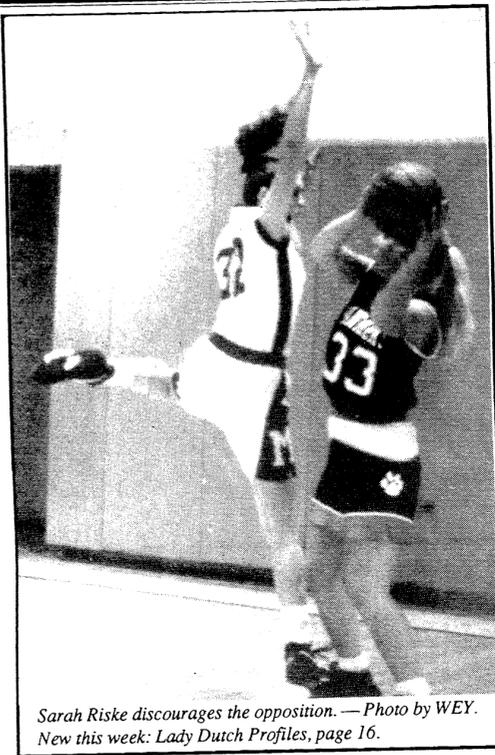

To qualify as a finalist, a semifinalist must fulfill additional requirements. The semifinalist and an official of the high school must complete a detailed scholarship application that provides information about the student's educational interests and goals, as well as participation and leadership in school and community activities.

The student must have an outstanding academic record, be endorsed and recommended by the high school principal, and submit SAT scores that confirm his or her earlier PSAT/NMSQT performance.

About 90 percent of the semifinalists are expected to become finalists, and all Merit Scholars will be chosen from this exceptionally able group.

Ben is a senior at Manchester High School. While in high school he has been a member of the academic games Math and English Essay Teams. As a member of our quiz bowl team Ben was selected to the all-league second team as a sophomore and to the first team as a junior. Ben is a member of the National Honor Society, has been a member of our band, and has been the statistician for both the baseball and basketball teams.

As a four year member of the golf team, Ben has been chosen as captain the last two years and has won numerous awards including the Coach's award, Summer Golf award, Most Valuable award and All-Conference Honorable Mention. In addition, he is a member of the Sharon United Methodist Church.

Manchester High School Varsity Scores 6 TDs

— by Karen Strock

The MANCHESTER FLYING DUTCHMEN remain undefeated, though scored upon, as they beat Addison 42-6 last Friday. Manchester gave up over 200 yards to the Panthers while gaining in the vicinity of 350.

Addison found themselves in the hole after every Manchester kick-off (7) or punt (4), having to start on the average at their own 22-yard line. Manchester had 4 touchbacks - 2 on punts and 2 on KO, where the play automatically starts at the 20.

Addison was forced to punt on the fourth play of their first possession. Manchester started its possession on the Panthers'

34. On our third offensive play of the night, Tom Fielder found Shayne Ahrens open for a 35-yard TD pass. Jeremy Strock booted the PAT for a 7-0 lead at 9:26 remaining in the first quarter.

Brandon Woods snagged his first of 3 interceptions to stop the Panthers on their next drive. The Dutchmen, however, lost 10 yards in penalties before Ahrens punted for the touchback.

Addison then drove 80 yards, which included passes of 35 and 38 yards, the latter going for the TD. Chris Fillyaw came up big as he blocked the PAT, preserving the Dutch lead at 7-6 with 10:07 to go in the half.

Manchester took possession at their own 38 as the Addison KO went out of bounds and MHS declined the penalty.

Board of Education To Hold "Town Meeting"

The Manchester Community Schools' Board of Education announces a special meeting for Monday, October 4, 1993 at 7:30 p.m. in the high school library.

The purpose of the meeting is to seek input and suggestions from district residents that will assist the Board of Education in identifying school district needs and establish district goals for 1993-94.

The Board of Education encourages community involvement and invites all district residents to this "Old Fashion Town Meeting".
