## Optimist Student of the Month

Jodi Armentrout receives her Optimist "Student of the Month" award from Optimist member Rev. Peggy Paige. With Jodi are her parents, Tim & Joyce Armentrout

The Manchester Optimists are proud to announce that Jodi Armentrout, a 12th grader at Manchester High School, has been selected as their March Student of the Month. Jodi is the daughter of Tim and Joyce Armentrout of Manchester. She has been on the honor roll for the past four years and a member of the National Honor Society for the past two. Just a few weeks ago, Jodi was the chairperson of the successful NHS student blood drive. She has also been a member of the American Legion Junior Auxiliary, a 1993 Girls' State delegate, and a 1993 delegate and graduate from the Michigan Freedom Academy.

Jodi has also played a major role in our band program since the 9th grade. She is actively involved in the

marching band, the concert band and the pep band. She is also very active in the drama club and SADD. She will probably be most remembered as one of the founding students in the MHS Key Club. Her enthusiasm and leadership led to her election as president in the 11th and 12th grades. Because of her commitment to community and school outreach programs, Jodi has received the DAR Good Citizen of the Year Award and the NASSP (National Association of Secondary School Principals) Century III Leader Award.

Her involvement in the community includes membership in RSVP Reel Student Vilm Production, a group of students producing animated films. She was also a co-facilitator at the Youth to Youth miniconference in Ann Arbor.

Jodi plans to attend Western Michigan University and major in occupational therapy.

## Jolly Farmerettes Plus 4-H Club Participates in Spring Achievement 1994

by Elaine Feldkamp

Twelve of the 19 members of the Jolly Farmerettes Plus 4-H club participated in sewing construction and modeling competition at the 1994 4-H Spring Achievement held in Saline on March 26, 1994.

Results in sewing construction were: A ratings awarded to Jennifer Schultz and Christine Jensen in Young Sewing; Angie Cooper, Hannah Goodrich, Jodi Feldkamp, Emily Parr, Nichole Jensen and Erin Kane in Junior Sewing with a competitive B rating for Joanne Eversole; and Andrea Clark, Sarah Feldkamp and Suzanne Lowery in Senior Sewing. Jennifer Schultz continued on to be one of four honor ribbon recipients in the Young Sewing category. Nichole Jensen and Jodi Feldkamp were two of the five honors awarded in the Junior Sewing category

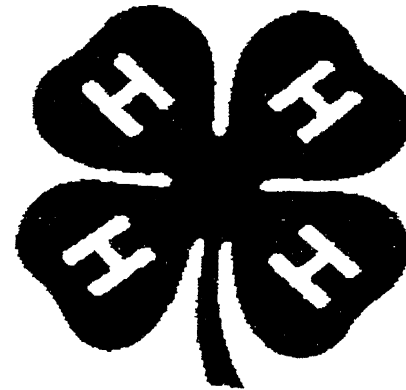

with Nichole continuing on to receive scissors for third place in this division. Andrea Clark and Sarah Feldkamp were two of the seven honor ribbon recipients in the Senior sewing division with Sarah continuing on to receive a gift certificate for second place in this category.

For the evening Style Revue and modeling competition all 12 members participated as part of the 78 participants for this event. In the Junior category of modeling which had 22 participants, Angie Cooper received first place, Nichole Jensen received second place and Jodi Feldkamp received honors. In the Senior category which had 17 participants, Sarah Feldkamp received first place, Suzanne Lowery received second place and Andrea Clark re-

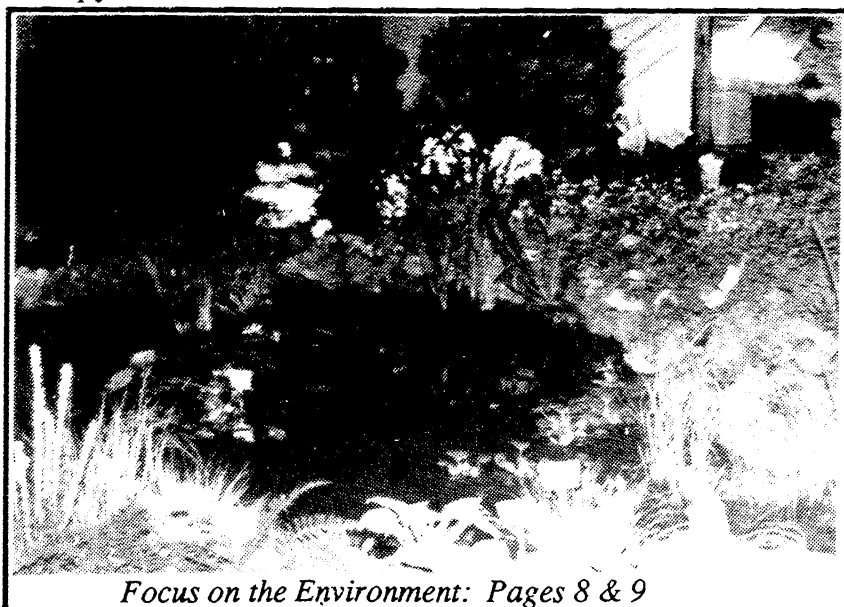

ceived third place.

Mary Kay Bailey, a former leader of the Jolly Farmerettes Plus and Marie Ball Kemner, a former member of the Jolly Farmerettes assisted as narrators for the Style Revue.

A big thank-you to leaders Mary Lowery, Barb Eversole, Donna Clark and Elaine Feldkamp for their support and assistance to club members during this busy sewing season.

Left to right: Joanne Eversole, Nichole Jensen, Jodi Feldkamp, Erin Kane, Emily Parr, Sarah Feldkamp, Suzanne Lowery, Hannah Goodrich, Angie Cooper, Andrea Clark. Center front: Christine Jensen, Jennifer Schultz

### Tri-County Sportsman's League

Tri-County Sportsman's League will hold a 3-D Shoot "Rain or Shine" at their club on 8640 Moon Road, Saline, on Sunday, April 10. Registration will be held from 9:00-3:00. Admission is Adults, \$7, Senior Citizens \$4, Youth/Juniors \$3, Cubs Free.

For further information call Tri-County at 313-429-9561.

### US-12 Slowdown Advisory

Work will resume March 29 to widen US-12 Business Route (Michigan Ave.) in Ypsilanti. The Michigan Department of Transportation (MDOT) wants to inform the public about traffic slowdowns in the area. From Harris Road to Rawsonville Road (the Wayne County line) will be affected. Starting March 29 through June 30, 1994. Traffic will be affected Changing from existing two lanes in each direction to one lane each way, plus a center left turn lane. During the first two to four weeks the eastbound traffic will be subject to flagging operations as storm sewer work is completed. This is the resumption of work on a project that was suspended for the winter months. Work was concentrated on the north half in 1993.

## Second Front Page: Frances Cleland Retires

### The First Lady of the Post Office

by Marsha Johnson Chartrand

This Saturday, after over twenty years of service to the U.S. Post Office in Manchester, Frances Cleland will close her window one last time. Having known Frances as a landmark at the Post Office for so many years, it will be hard for many of us to imagine going in and not seeing Frances' smiling face behind the counter.

Over her years with the Postal Service, Frances has seen many changes. Postal rates have increased from 10¢ in 1974 to the current 29¢. The Post Office has moved from the old building on Madison St. to the new facility on Main Street. Frances is the last of the postal clerks to have worked with long-time postmaster Marvin Kirk. So, in effect, Frances' retirement indicates a complete "Changing of the Guard" in the Manchester Post Office.

One of the pleasures of the job, according to Frances, has been "all of my customers - the friendship of the customers and of the people I've worked with. The really hard part [of retiring] is that I will miss my customers." Over the years, Frances said, she has come to know so

It's hard to imagine the Post Office without Frances' smiling face, but she's not going anywhere - she's staying in Manchester to enjoy her nearby grandchildren! So we can look forward to seeing that smile around town once in a while.

many people so closely by working with them each day. "You know if they're sick; you share in their joys and their sorrows. The hard part of retiring will be getting up in the morning

and knowing I won't be seeing some of those people today."

Frances won't have time to worry about being lonely, though. She plans to catch up on old friendships, enjoy her grand-

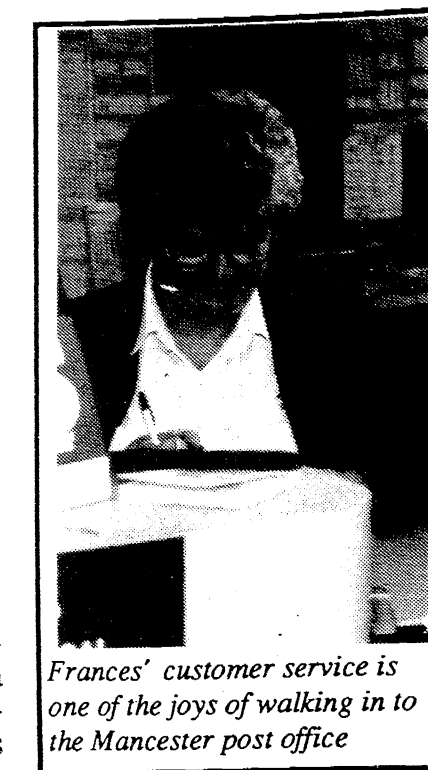

children (who now number three), volunteer at a hospital or hospice, and enjoy her flowers and garden and being at HOME. She and Willard also have plans to take a "retirement celebration" trip on an Alaskan Cruise and inland tour. This has been planned for a while now - Willard retired two years ago and has been waiting for this opportunity to travel!

Post office customers will certainly miss the warm and caring service they are used to receiving from Frances. As noted by Jake Houck, our current postmaster, "Frances always gives 110% to the office, the community, and her customers." That 110% will create a "vacuum" in the entire office, which will take a while to fill.

Skip Slocum, Frances' co-worker, agreed that Frances is a "hard worker, and a real pleasure to work with. She has taught me a lot, and her outlook has rubbed off on me; I think we're all better workers for her being here."

Compliments come from all sides when speaking of Frances' years at the post office. "Outstanding"... "One of

the best"... "Warm"... "A Pleasure"... "Willing to go the Extra Mile"... all these comments attest to her attitude of service

Frances' customer service is one of the joys of walking in to the Manchester post office

and positive thinking. We will miss you Frances, but the entire community joins in wishing you well, and a long and happy retirement with Willard!

## The Growth Industry Called "Government" and Tax Tips to Slow it Down

Dear Editor:

As a member of the Seniors Coalition, I want you to know that most seniors do not favor the Clinton Health Care Plan.

Under the Clinton plan, senior citizens will surely face drastic cuts in Medicare coverage, lose their right to choose their own doctors, face long waiting lines, and possibly be denied life-saving medical treatment.

These matters are documented in a report, available at no charge, from the 2-million member Seniors Coalition. I urge you to contact the Coalition today, get a copy of their report, then do stories that will alert people in our area to the real facts behind the Clinton Health Care Plan. Thank you!

Sincerely,  
Naomi Valencich  
Glen Squires  
Thomas O. Newby  
Dennis Donohue  
[Manchester Residents]

*Ed. note: The Enterprise has received several of these pre-printed post cards from seniors near and far. Interested citizens may call (703) 273-5449 to receive the report mentioned above.*

As we all sit down to fill out our taxes for 1993, it's a good time to ask, "How big do we want government to be?" In 1900, federal, state and local governments consumed 9 percent of families' income. By 1930, it had increased to 12 percent and in 1960, to 27 percent. Today, an average working family in Michigan pays 42 cents of every dollar it earns to local, state, and federal governments in taxes. This growth in government spending at all levels has changed the family budget dramatically.

We cannot continue to look to government to solve more and more of our problems. The solution is for us to decide we can do without more government — to decide we are better off spending our own money. While each of us must pay our lawful share of taxes, we can work together to make legislators wake up and realize government should not grow so much.

To keep taxes down, we

have to start asking government for less and assume a greater responsibility for ourselves, our family, and our community. In the meantime, here are a few tax tips that I have collected:

**\*\* If you're hiring someone to do your tax return, find out what they will do and how much they will charge.**

**\*\* Exemptions for 1993 are worth \$2,350 each.** Make sure you claim yourself, your spouse, and all dependents.

**\*\* If itemized deductions are higher than the standard deduction (\$3,700/single \$6,200/joint return), consider using Schedule A.**

**\*\* If income was less than \$23,050 and you had at least one child living at home for half the year, you can claim an Earned Income Tax Credit worth up to \$1,900 (Schedule EIC).**

**\*\* If you pay someone to care for a child under age 13 or a disabled spouse while you work or look for work, you may be eligible for a Child and Dependent Care Credit up to \$1,440.** (Form 2441 or Schedule 2-1040A).

**\*\* If you pay your own health insurance and have self-employment income, you may be eligible to deduct 25 % of your health insurance premiums on Line 26 of Form 1040.**

**\*\* For unclaimed deductions for prior years, consider filing an amended return.** (Form 1040 XX)

**\*\* If you turned 65 in 1993, don't forget that you're "old" now and can claim an extra credit for the elderly or disabled.** (Schedule R or 3). If you're over 55, don't forget the one-time capital gain exclusion on the sale of your home. (Form 2119).

**\*\* If earned income was less than \$35,000/single or \$50,000/joint, you may be eligible to deduct up to \$2,000 put into an individual retirement account (IRA).**

**\*\* The sales tax in Michigan goes up May 1.** For large purchases, you may want to

consider shopping early. Also, for the property tax reduction, be sure to get your Homestead Declaration to the assessor by May 1.

**\*\* In case you can't complete your tax return on time, a 4 month extension for filing is available by filing Form 4868.**

It's worth your while to spend a couple of hours figuring out how to save some of your hard-earned dollars.

*Special Guest Column by Congressman Nick Smith, 7th District*

#### NOTICE OF PUBLIC HEARING BRIDGEWATER TOWNSHIP PLANNING COMMISSION

A Public Hearing will be held on Monday April 11, 1994 at 7:30 P.M. at the Bridgewater Township Hall, 10990 Clinton Road, Clinton, MI 49236.

The Public Hearing will consider the amendment of a Conditional Use Permit for the property at 13333 U.S. 12, Clinton, Michigan. This property is located approximately 1000 ft. West of Neblo Road on the South side of U.S. 12. The applicant, Doug Page, of Battlegrounds Inc. requests permission to: 1) Expand the Battlegrounds playing field, 2) Include lighting for evening games, 3) Extend playing hours to 10:00 PM on weekends, 4) Have games on Tuesday or Thursday evenings.

Written Comments, to be received prior to the hearing, may be sent to James Fish, Chair, Bridgewater Township Planning Commission, 11691 Hogan Rd, Clinton, MI 49236.

Wade Peacock, Secretary  
391, 47

#### NOTICE FREEDOM TOWNSHIP

Notice is hereby given for a public hearing and meeting of the Freedom Township Board on April 14, 1994, at 8:00 p.m. in the Freedom Townhall, 11508 Pleasant Lake Road.

Purpose of the meeting is for consideration of request for variance from the provisions of the Freedom Township Private Road Ordinance on property described as NW 1/4 of SW 1/4 of Sec. 33; also S. 330 feet of E. 16.5 feet of N. 5/8 of SW 1/4 of Sec. 33; also N. 33 feet of S. 60 acres of SW 1/4 of Sec. 33 lying east of Ernst Rd., Tax Code No. 14-33-400-002 and 14-33-300-009, to construct a driveway greater than 1,000 feet long and less than the required 66 feet wide.

Julie Schaible, Freedom Township Clerk

*Last year 1,876 American communities were including PET plastic containers in their curbside recycling programs...*

#### Bridgewater Township Planning Commission

**March 14, 1994  
Summary Minutes**

Commission Chair James Fish called the meeting to order at 7:33 p.m. The Minutes of the February 14, 1994 meeting were approved as written.

Ronald and Deborah Hodges requested permission to place a temporary dwelling (a mobile home) on their property at 11941 Hogan Road while a permanent dwelling is being built. A motion was made and passed to grant the request.

Douglas Page was present to discuss possible amendments to his Conditional Use permit for The Battlegrounds, Inc. located at 13333 U.S. 12. Mr. Page requested permission to: 1) Expand the Battlegrounds playing field, 2) Include lighting for evening games, 3) Extend playing hours to 10:00 PM on weekends, 4) Have games on Tuesday or Thursday evenings. A public hearing was scheduled for the next regular monthly meeting on April 11, 1994.

Mr. and Mrs. Gerald Smith were present to discuss a proposed Nursery business on an 11.188 acre parcel located on Austin Road, near Neal Road. Currently, Mr. & Mrs. Smith have a mulch business in

Manchester Township. Mr. Smith stated that his first step would be to move the mulch business to Bridgewater Township. Starting a nursery business is now only in the exploratory stages. It was recommended that if Mr. Smith wishes to move his mulch business to the township, he should pursue a conditional use permit for that business.

The Zoning Administrator reported that the new State of Michigan real estate disclosure law requires updating zoning compliance records before a property may be sold.

C. Wahl reported that the County Road Commission would soon be starting their summer brush removal program in the Township. Mr. Wahl indicated that in the past this program had generated several complaints from residents about destruction and disfiguring of valuable trees and shrubbery. Mr. Wahl agreed to bring up the subject at the next Township Board meeting to see if a process could be worked out whereby township residents could be notified in advance when their road would be trimmed. Residents could then, if they wished, supervise the trimming of their roadside.

Meeting adjourned at 10:07 p.m. Next Meeting is April 11 at 7:30 p.m.

Wade Peacock, Secretary

**FREEDOM TOWNSHIP ANNUAL MEETING PROPOSED SYNOPSIS MARCH 26, 1994**

The meeting was called to order at 1:00 p.m. at the Freedom Town hall with all board members and 8 electors present. The Secretary's and Treasurer's reports were read and approved.

The electors gave the Board the authority to retain or change; Society Bank as the township depository and Keusch & Flintoft as the township attorney; as is deemed necessary. Also approved was the regular board meeting date as the second Tuesday of each month at 8:00 p.m. Motion made, seconded and carried to schedule one evening meeting for the Board of Review. Also approved were donations to the McKune and Manchester Township libraries in the same rates as 1993.

The electors and the Board discussed resolutions offered by electors to limit extraction operations and other commercial ventures in general and specific problems with the application of Thompson-McCully for an extraction operation on Esch Rd. Also discussed was the condition of the gravel roads.

The budget for 1994-95 was presented and approved. Meeting adjourned at 2:50 p.m.

**SEEDS FROM THE SOWER**  
 Michael A. Guido  
 Metter, Georgia

A man joined the church and was asked, "Has this stopped your sinning?"  
 "No," he admitted, "but it has complicated it."

True conversion not only complicates the situation, it changes the sinner. You don't become sinless when you become a Christian, but you do sin less.  
 You may have lapses, but you won't consistently and deliberately live in sin.

In the home you'll show love; in business, honesty; in society, courtesy; in work, fairness.

Toward the unfortunate you'll show pity; toward the weak, help; toward the wicked, resistance; toward the penitent, forgiveness; toward God, obedience. Do you?

### Announcements

#### MRA DISTRIBUTES SALES TAX TABLE

**AS PUBLIC SERVICE TO RETAILERS**

As a public service to the retailing community, the Michigan Retailers Association has mailed the new 6 percent sales tax table—authorized by voters March 15 when they approved Proposal A—to all Association members and other interested retailers.

"Although the new sales tax table doesn't take effect until May 1, we want to provide retailers with the information immediately," said Larry Meyer, MRA Vice-Chairman and Chief Executive Officer. "We have mailed thousands of copies of the new schedule as a public service in order to give retailers plenty of time to adjust to the sweeping changes."

All MRA members receive a tax schedule automatically. Other retailers may call MRA's tollfree number, (800) 366-3699, to request a copy, Meyer said.

The tax table was provided by the Department of Treasury and is being printed and mailed at Michigan Retailers Association expense. Meyer predicted retailers will be able to make the collection changes with a minimum of problems or inconvenience.

The Michigan Retailers Association represents 4,000 retail companies operating more than 5,500 stores across Michigan. It is the largest state retail trade organization in the United States.

#### FREE Home Weatherization and Repairs

Home Weatherization is the installation of insulation, weatherstripping, caulking, water heater insulation, storm windows, and various small repairs. These materials and their installation are offered at NO COST to qualified residents of Washtenaw County.

Some advantages of having your home weatherized:

- Reduced consumption of fuel needed to heat your home in the winter and to keep it cool in the summer.
- Increase comfort and livability of your home.
- Decrease dependency of foreign oil supplies.

For an application contact the Washtenaw County Employment Training and Community Services Group Home Weatherization program at 555 Towner, Ypsilanti, or call us at 484-6610.

#### Earned Income Credit Available for Low-Income Families

With just a little more than a week to go before the April 15th filing deadline, Governor John Engler encourages every Michigan family that qualifies to take advantage of the Earned Income Credit (EIC).

In order to receive the credit, the IRS requires the families to submit Schedule EIC (along with form 1040 or 1040A; not 1040 EZ).

This year, the IRS will not automatically send the EIC to qualifying families, as they have in the past. For free help from IRS you may call 1-800-829-1040 during regular weekday business hours. You can also listen to a recorded message about the EIC by calling 1-800-829-4477, available 24 hours a day. Request topic 601 for the EIC message in English.

There is also a free income tax assistance program to help families fill out their tax forms. For information, call 1-800-829-1040.

#### Washtenaw Community College Spring Classes

##### Persuasive Speaking

How is public opinion formed and changed? That's what residents of Chelsea, Dexter, Ann Arbor, and Manchester will find out through a new course presented at the Washtenaw Community College Western Regional Center this Spring.

**Advanced Public Speaking and Persuasion (CMT 183)** is a three credit hour, seven-and-a-half-week course that meets Tuesdays and Thursdays, from 6:30 - 9:25 p.m. beginning **May 5**. The course provides continued study in the theory and practice of effective public speaking. Persuasive arguments in the form of psychological appeal and logical reasoning will be highlighted.

This is the first time the course is offered at the Regional Center, located at 134 West Middle Street in Chelsea. Registration for this and other Spring/Summer courses at the Western Regional Center will be held April 26, 27, and 28, from 4 - 8 p.m.; April 29, from 11 a.m. - 2 p.m.; and May 2, from 4 - 8 p.m. Registration is also available at the main campus. For more information, contact Mary Lou Rigg at (313) 475-5935.

Registration begins soon for Washtenaw Community College off-campus classes in the Chelsea, Dexter and Manchester area. WCC Spring classes offer many opportunities to residents. There are 22 courses offered at three different locations. They range from Basic Mathematics and Labor and Management Relations, to Advanced Public Speaking and Introduction to Literature. Anyone interested in continuing their education is invited to register.

#### Ypsilanti Gus Macker 3-on-3 Tournament Planning Underway

Ypsilanti Gus Macker Basketball Tournament officials have begun preparations for the 1994 tournament. Tournament action will take place on Saturday and Sunday, May 21 and 22. As in previous years, the tournament will be held on the grounds surrounding Eastern Michigan University's Rynearson Stadium on Hewitt Road.

Applications for the tournament are now available. The deadline for entry is April 22; Team Entry fee is \$80.00 There will be 1500 teams accepted.

Last year's tournament drew participants from Chicago to London, Ontario. One-third of participants are from the Washtenaw County area. The 1994 tournament will feature a wheelchair division and an expanded kids' court.

For additional player or volunteer information, call (313) 994-4224.

**"Hi, May I Help You?"**

A friendly greeter will welcome you and help you get to your destination. Mondays through Fridays, 7 a.m. to 3:30 p.m.

This is just one of the extra steps Saline Community Hospital is taking during construction of the new Emergency Services area to make sure you can easily get to where you're going.

The Environment

# Impacting the Environment

The Enterprise will feature Environmental issues during April in celebration of Earth Day

Mr. Chuck Cody

While visiting a friend and former resident of Manchester, Chuck Cody. I asked him to provide the Enterprise with some background material on

hazardous waste. Chuck is the resident manager of Chemical Reclamation Services in Avalon, Texas. Several firms through out our country provide similar services. Here is Chuck Cody's letter to me at the Enterprise.

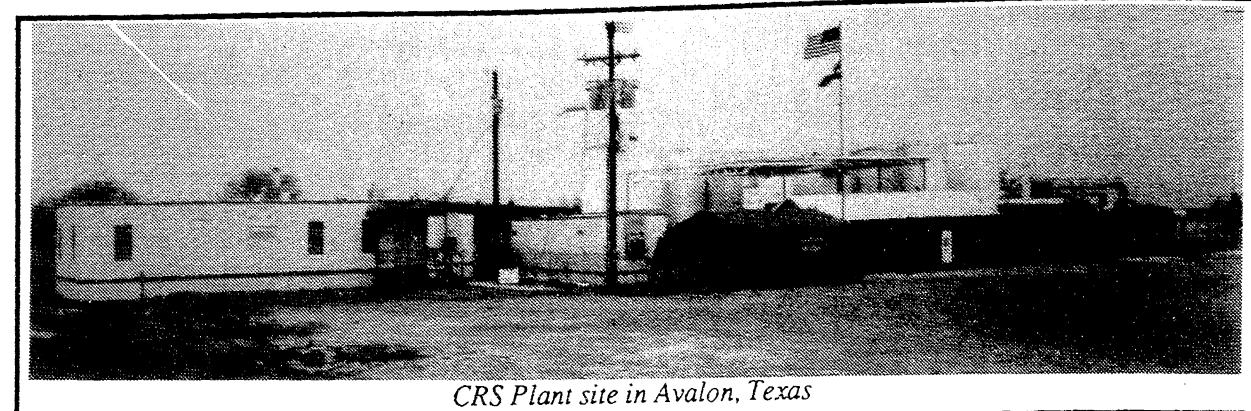

"During your visit you asked for background material on the hazardous waste industry that my company is involved in.

From your experience as a contractor you know that almost all manufacturers of OEM (original equipment manufacture) goods use certain chemicals and other materials that either get dirty or through reactions etc. become unsuitable for additional use.

In the newspaper industry inks and acids that are spent or spoiled have to be managed in a manner that doesn't harm the environment. The automobile industry generates a large number of spent and dirty chemicals that have to be disposed of in a way that doesn't harm the air, water or food chain.

Companies like the facil-

ity here in Avalon manage a select few of these spent industrial materials by either cleaning them up through distillation or mixing them together to make a fuel that is used in the cement industry as fuel to manufacture Portland Cement. This process (the use of waste

CRS Plant site in Avalon, Texas

derived fuel) is energy recovery.

Materials that can be processed in one or the other above processes are such things as Acetone used in the fiberglass industry (fingernail polish), mixtures of certain solvents that make up paint thinners, Inks, Oil, Degreasing Solvents. These are just a few of the common chemicals that the

general public can relate to. There are also a large number of flammable and non-flammable by-products that occur from the intermediate chemical industry that are suitable for our process.

One of the public service functions that we perform here

temperatures in the kiln to cause the slurry to go through the required chemical reaction to form clinker. These temperatures are in the 3000 degree range at the middle of the kiln.

The chemical fuel we supply replaces coal or natural gas

to collect from certain cities household waste that are brought to collection points in the city by home owners. This keeps hazardous material out of the land fill.

Let's discuss the use of the blended material that we supply to the cement kilns as fuel. As you know the manufacturing process for Portland Cement requires extremely High

as a energy source and in the process all of the hazardous products are destroyed. The cement industry can remain competitive with foreign imports who have a lower fuel cost.

All the activities at the process facility, such as the one here in Avalon and the cement kilns are highly regulated and monitored by both the state and federal agencies. As an example the State (TNRCC) and Federal Agency (EPA) perform audits (inspections) bi-yearly, these audits cover every detail of the operation from paper work to the actual operation of the equipment assuring that permitted facilities operate within their permit.

Chuck Our concern is the pollution of our environment; either air, water or food chain. Some very innocuous looking bags of waste (junk) dumped along the side of the road can cause some long range detrimental affects.

Reported in the ASCE (American Society of Civil Engineers) magazine a while back: A regular trash bag was dumped in a sanitary land fill. That bag contained a hazardous waste product in concentrated form.

The bag contents leaked into the landfill and because of the concentration of chemicals was traced back to the bag location. A manufacturing label was found as well as some personal identification within the bag remains. A plant worker had taken materials home in an attempt to use the product to remove some paint from some furniture. The chemicals did not remove the paint and were subsequently thrown into the trash that was deposited into a landfill. The landfill is still being monitored.

This is an extreme case of neglect, but the point is that it can happen.

We at the Enterprise are concerned about any contamination affecting the environment.

by Emory Garlick with help from Chuck Cody

The Environment

## WESTERN WASHTENAW RECYCLING AUTHORITY

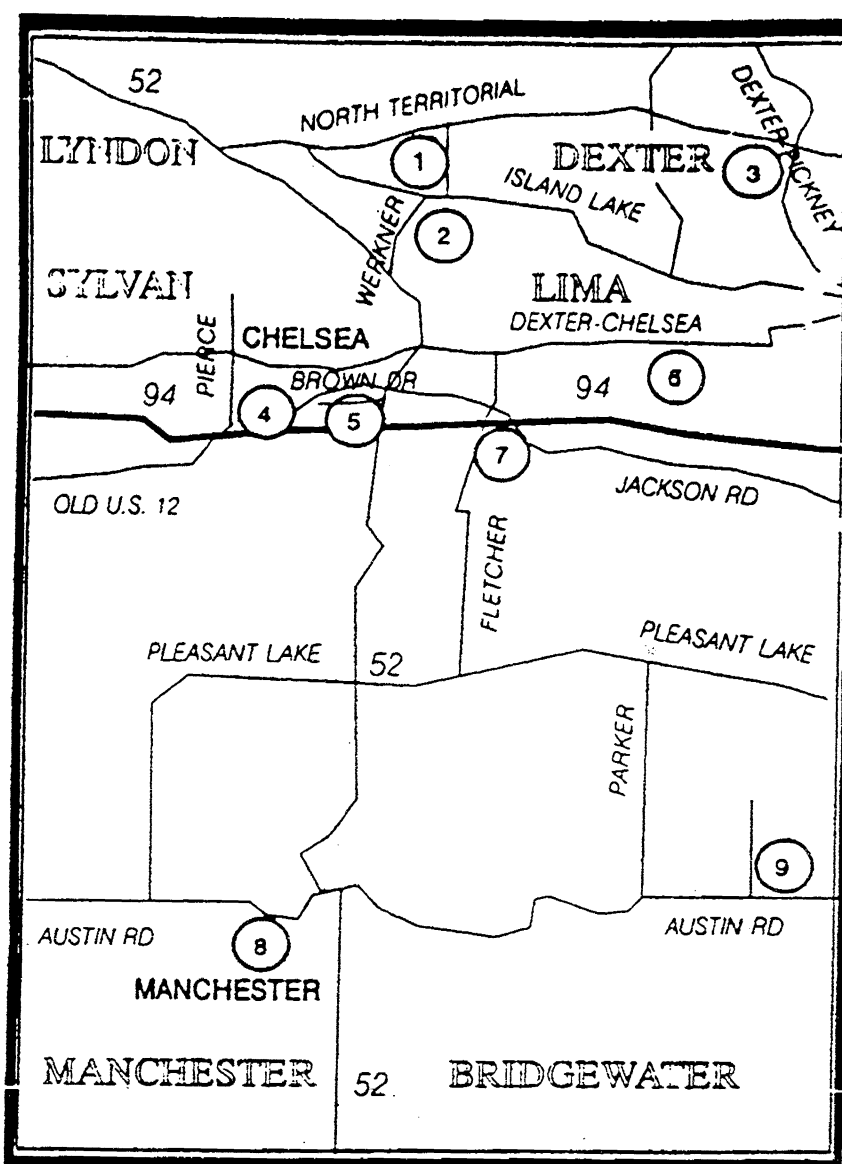

The Western Washtenaw Recycling Authority has two slide presentations available that describe the W. W. R. A. recycling program. Available to schools, scouts, civic, and church organizations, one presentation is geared to elementary school children and the other to adults. Both run about 10 minutes.

The presentations may be loaned to a group, or the Western Washtenaw Recycling Authority can have a speaker attend the meeting, give a presentation, and answer questions.

We would like to encourage local organizations to request the slide show. The success of our recycling program depends on the education of the residents. We would like the assistance of local organizations in spreading the word about recycling.

To make arrangements for the presentation, contact Western Washtenaw Recycling Authority at (313) 475-6160

THANK YOU FOR CARING ABOUT OUR ENVIRONMENT!

## Ten Free Shade Trees From National Arbor Day Foundation

Ten free shade trees will be given to each person who joins The National Arbor Day Foundation during April 1994. The free trees are part of the nonprofit Foundation's Trees for America campaign.

The ten shade trees are Red Oak, Weeping Willow, Sugar Maple, Green Ash, Thornless Honeylocust, Pin Oak, River Birch, Tuliptree, Silver Maple, and Red Maple.

"These trees were selected to provide shade and beauty, and a variety of forms, leaf shapes, and fall colors," John Rosenow, the Foundation's executive director, said.

The trees will be shipped postpaid at the right time for planting in April or May with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

Members also receive a subscription to the Foundation's "Arbor Day" news magazine, The Tree Book with information about tree planting and care, and a membership card.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to FREE SHADE TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by April 30, 1994.

## Ford National Battery Recycling Drive

Motorcraft Servicing Battery Distributors in conjunction with Midwest Ford in Manchester, will be coordinating a local Earth Day event.

A battery recycling drive will run from April 15 to April 30. Free tree seedlings will be provided for all customers returning a spent lead-acid battery for recycling.

Also, \$5.00 coupons will be provided toward a purchase of a new Motorcraft lead-acid battery.

Midwest Ford sets a recycling and service standard for our community. Their effort should be applauded.

## Home toxics reduction program reduces risks

Safe disposal of household hazardous waste is the goal of the County's Home Toxics Reduction Program (HTRP). Since 1984, the county has held one-day collection events where residents may dispose of hazardous materials such as oil-based paints, aerosol cans, automotive products, pesticides and solvents.

In 1990, a permanent site was established with funds from a State of Michigan Solid Waste Alternative Program grant. The Household Products Center is located at the County Service Center at Washtenaw and Hogback Roads. Collection from residents is on an appointment-only basis. The budget has grown from \$7000 in 1984 to \$80,000 in 1994.

The education of residents has been a key ingredient to the success of the program. The Home Toxics Reduction Coalition is an advisory group that provides direction and oversight for the HTRP. Pamphlets which address the safe handling, disposal and alternate uses for hazardous products, have been distributed throughout the county.

Future plans include satellite, one-day collections held in rural county locations. Residents with hazardous materials for disposal, must call the HTRP at 313-971-7356 for dates and hours of operation.

## Recycling Facts

The Phone Book Recycling Program sponsored by the Washtenaw Consortium for Solid Waste Management, collected more than 91.5 tons of phone books in 1993. While the program was successful, plans are underway to improve it for the coming year.

People

Jon Supervises the building of their backyard deck

From Mae & Jon Hardenbergh - SPRING feels close today. The sun is out, the snow has melted, and Jon saw a robin last week. People here are very kind, both in our temporary apartment home and around our new neighborhood. The house building is progressing rapidly and we're trying hard to keep ahead of the construction crews...Decisions, Decisions!

Abbott Receives Honors at Cooley Law School

Sally Bromley Abbott, a student at Cooley Law School, Lansing, Mich., was awarded the Corpus Juris Secundum Award and an American Jurisprudence Award in Property I for the previous term. Abbott was also named on the Dean's List. The Corpus Juris Secundum Award recognize the highest ranking student in the study of a particular course.

Ann Arbor Flower & Garden Show

Last week, over 19,000 winter weary people descended upon the Washtenaw Farm Council Grounds to behold the fifth annual Ann Arbor Flower and Garden Show and Gala. What they saw amazed them: lush landscapes, fragrant flowers, bold floral designs, lively plant exhibits and illuminating horticultural displays. Visitors were delighted to be simultaneously entertained and educated. Many viewers informed us that ours was the first "real" flower show they had attended. Others noted that, from beginning to end, its focus was on horticulture. Everyone exclaimed over the Show's aesthetic beauty. Winners of the 1994 Ann Arbor Flower & Garden Show from the Manchester Area were: HORTICULTURE Pat Rickelmann, 2nd place for flowering plants, Miniature Rose Patricia A. Rickelmann, 4th place in collections, Windowsill.

Senior Citizens

MANCHESTER AREA SENIOR CITIZENS News

logo by Dorothy Willingham

by T.V. Ludwick

It was good to have the sun come out after rain in the early morning of Easter. Does this mean we will have rain for seven Sundays? Enjoyed having the family home and it so quiet when they leave. Thank goodness, they took most of the chocolate bunnies and colored eggs home with them. At our age, we eat all these leftovers and wish we hadn't. Used to be that we would work them off and be looking around for more. Anyway, hope you enjoyed the lovely holiday and do you say "This is the last time I have it at my house"? Just wait, we admit that there is no one that can do it like Mom, ha ha.

Thursday, April 7: Craft class begins at 9:30. Salisbury steak will be featured at senior lunch at noon in Emanuel's Fellowship Hall. It is so tender and good, come try Jan's by first calling either Linda (ahead) at 428-8359, or Jan (before 10:30 on meal days) at 428-7630 for your reservations. We invite all of you who have not tried our senior meals just geared to our area's 55 or older group. We welcome you. Bingo will be enjoyed at 12:30 in the Center.

Friday, April 8: Senior bus will leave the Center at 8:30 for breakfast at Mason (and that's not all). Snow's

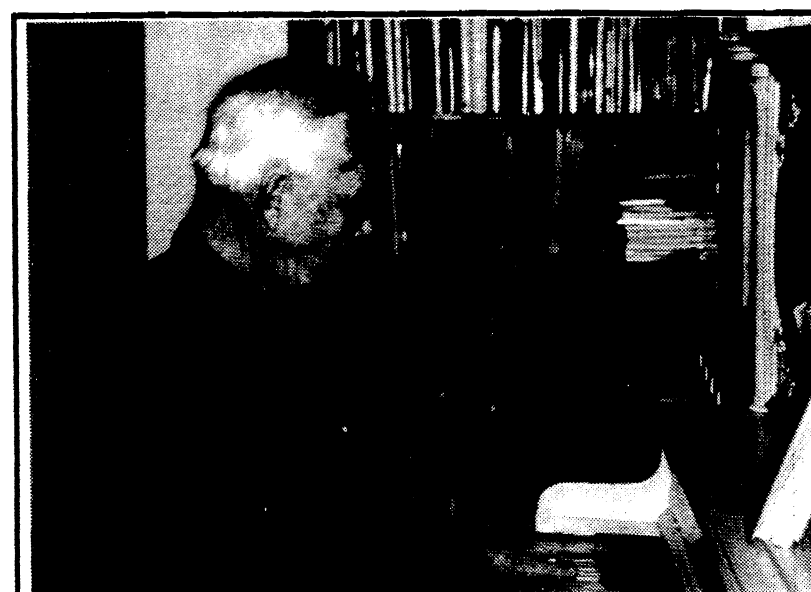

Sugarbush Maple Syrup Festival will have guides showing how the maples are tapped and syrup is forecoming. Remember when we were kids—each family did it on a small scale and I remember it also was work! Call Erma Alber at 428-8707 to reserve your spot on the bus.

Tuesday, April 12: Senior Citizens' Council Meeting begins at 9:30. Then to senior lunch (Jan's famous baked chicken). It is so tender that we just know it is cooked by tender hands of Jan and Grandma Gillow, thanks. Then back to the Center to work on the May & June senior calendar pages for the Trumpeter. Time marches on! Come with your ideas for trips and activities.

Wednesday, April 13: Senior bus leaves the Center for the Saline Hospital Program at 10 and theme will be "Health Care Reform, Your Hospital and You". Speaker will be Bill Lavery. You may go along on the bus by first calling Erma.

Thursday, April 14: Craft class at 9:30 and no senior meal toady as Emanuel folks will be preparing their annual Sauerkraut Supper in their facilities.

Think spring! I think our snowmobilers really thought snow this year, huh?

Howard Parr accompanied the Senior Citizens' Easter Dinner on Thursday, March 31. The old and rather rickety piano (with missing keys and hammers) at the Emanuel Fellowship Hall will soon be replaced, thanks to a generous donor. However, Howard was able to make familiar songs like "I Dream of Lilac Time" and "Easter Parade" sound very welcome on a lovely spring day.

AARP Meeting

On Thursday April 14, AARP members and guests have an opportunity to improve skills as long-distance grandparents—or aunts, uncles, friends. Rose Marie Barhydt, who wrote Long Distance Grandparenting with Bonnie Potter of Algonac, will give ideas about building bonds and supporting grandchildren not often seen. The authors were early childhood educators and are now long-distance grandparents. Join us at 1:30pm in the Pittsfield Township Hall, corner of South State and Ellsworth, across from the airport.

WOMEN'S NIGHT OUT for the health of it "Keeping the Love You Find" by Harville Hendrix, Ph.D. Author of "Getting the Love You Want" and "Keeping the Love You Find," co-author of "The Couples Companion: Meditations and Exercises for Getting the Love You Want," and Founder of The Institute for Relationship Therapy. Find out how we select our partners, and how, through self-discovery and conscious effort, we can learn from our experiences and move toward the mature, nourishing and enduring love that can so immeasurably enrich our lives! Wednesday, April 20, 1994 Radisson-on-the-Lake 1275 S. Huron, Ypsilanti 6 p.m. Networking, 6:30 p.m. Dinner \$21 per person (Visa or Mastercard welcome) Reservations required by Friday, April 15, 1994. To reserve a table of eight, include all names and full payment in one envelope. Please make checks payable to: Saline Community Hospital Women's Health Services 400 W. Russell Saline, MI 48176 For more information, call 429-1555

It's a tough job to hold these kids back until 1:PM, but the Men's Club was up to the task! Another successful Easter Egg Contest took place on Saturday, April 2.

The Easter Egg Hunt was great fun for these little ones - golden eggs or not, they're "YUMMY". Some kids rounded up a basket full, and others were happy with just a few.

### Easter Egg Contest Winners

The Men's Club Easter Egg Contest was another rousing success! Their largest crowd yet had a grand time with excellent weather and over 1,400 eggs to be found! Everyone had fun, including the Easter Bunny...

The twenty prize eggs each paid off with a \$2.00 bill, and were found by:

Luke Hollosy, Cody Werner, Nicholas Popkey, Brian Guenther, Dara Jose, Nathan Taepke, Dale Becker, Rebecca Alber, Andy Clark, Tara Withrow, Tara Johnson, Jesse Gibbons, Brad Alber, Danielle Stahley, Seth Goodell, Stephanie Smolinski, Ruth Ann Rotunda, Jesse Flint, Darsey Christensen, and Shawnda Aldrich.

Congratulations to all the winners.

These two Egg Hunters were "Picture Perfect" and ready for the Easter Parade on Saturday afternoon.

## Manchester Village Market

by Marsha Johnson Chartrand

Coming to Manchester! The Manchester Village Market will start this Saturday, April 9, and continue through the summer and as long as exhibitors and community agree it's still a viable experience!

The Market will include artisans, produce and flowers in their season, baked goods, balloons, herbal wreaths and more. Manchester folk are represented in the Market, but other "local" exhibitors include concerns from Chelsea, Ann Arbor and Grass Lake.

According to the coordinator, Susan Morey, the specialness and uniqueness of this market is that the artists and other exhibitors are hand picked and chosen by invitation for their specialties. Each vendor has their own unique contribution to the Market. Local artists were consulted first, but many of them have

their hands full with their current endeavors. Susan welcomes inquiries from Manchester artists and "marketers". It is hoped that the Market will expand to up to twenty-five exhibitors by the end of the season.

The Market will be held on the porch at the Old Mill. Articles have been requested to be at reasonable prices to provide "something for everyone", while giving customers a "tasty sample" of the Ann Arbor markets. An \$11 donation per week for your booth covers expenses of advertising the Market and other necessities.

The Manchester Village Market is brought to you by the Manchester Academy for the Arts. For information, booth availability or any questions, Susan Morey at the Academy is available to assist you at 428-8600.

**Make a Plate—Coming Soon!!**

Manchester Coop Preschool is once again sponsoring "Make a Plate". This is a chance for your child to forever preserve their artwork on either 10" melamine plates or 10 oz. insulated mugs. Kids love them, and you will too, year after year.

These are great keepsake art projects that make great gifts, as well as family treasures. This event is open to the public, so join us in the fun Saturday, April 16, 10:00-2:00 in the lower level classrooms at Emanuel Church. Prices are: plates, \$6.00; mugs, \$4.00 each. Approximate delivery time will be six weeks. Quantities are limited.

### COMMUNITY RESOURCE CENTER Benefit Banquet

Chelsea Community Hospital is sponsoring the Seventh Gala Benefit Banquet for the Community Resource Center on Wednesday evening, April 27 in the hospital dining room.

The theme for the banquet centers around SMILES. The speaker will be Katrina Paradine, Washtenaw United Way volunteer.

As in the past years Manchester volunteers will be awarded certificates for community service and one person will receive the Claire Reck Outstanding volunteer Award.

The 1994 special event will feature a Prime Rib Dinner and all the trimmings. The dining room hospitality will include hors d'oeuvres, wine bar and soft drinks from 6:15 to 7:00 followed by the dinner.

The Benefit Banquet provides the occasion for the Community Resource Center most important fund-raising event for the year. To participate in the event and celebrate the successes of the services provided by the Community Resource Center, individuals, business and industry make a contribution that is used to fund the operational costs of the 501C3 tax exempt organization.

Contributors will be noted in the evening program in the following manner. Friends (\$50.00 Single/\$75.00 couple); Patron (\$100.00-\$299); and Major Sponsors (\$300.00 and over). Each contribution entitles the contributor to complimentary dinners. Contributions are charitable and tax deductible.

Dinner reservations need to be received at the Community Resource Center by April 18th. Further information is available by calling the Community Resource Center 428-7722. Be a part of the community that make a financial contribution that will assist the Community Resource Center in providing services that place SMILES on the faces of individuals and families.

## School & Sports

### Manchester Freestyle Wrestling Results

Saturday, April 2, 1994, eighteen wrestlers competed in Stockbridge. Medal winners were:

Group I James Tobias, 1st place.

Group III Justin Knouase, 3rd place

Group IV Jeremiah Tobias, 2nd place; David Herman 2nd place.

The remaining wrestlers: Caleb Westcott, Matt Callaway, Brian Meadows, Noah Kuhn, Joshua Tobias, Josh Knouase, Keith Peasley, Tate Curtis, Willy Slocum, Andrew Roberts, Justin Preston, Josh Harris and Nolan Westcott came up against some tough competition and many came close to placing in a medal position.

Adam Diamond competed for the first time on Saturday. He wrestled very well and made his opponent earn the match. Adam didn't get a medal, but earned something even better. After the match, the official commented on Adam's drive to win and told coach Dave Roberts, "Bring him back again; we don't see many nice kids like him." Adam's positive attitude made him a winner on Saturday.

Our next meet will be Saturday, April 9, in Dexter.

### School Lunch Menu

Monday, April 11: Chicken Patty on Bun, Hash Brown Patty, Dill Pickles, Peach Half, Milk.

Tuesday, April 12: Boneless Rib-B-Q, Bagelette & Butter, Scalloped Potatoes, Sliced Carrots, Fruit Cocktail, Milk.

Wednesday, April 13: Sloppy Joes on Bun, Tater Tots, Carrot Sticks, Jello with fruit, Milk.

Thursday, April 14: Oven Fried Chicken, Rice/Gravy, Mixed Vegetables, Dinner Roll & Butter, Pear Half, Milk.

Friday, April 15: Cottage Inn Pizza, Tossed Salad/Dressing, Fresh Fruit, Milk.

**"First Vehicle"**

Bicycling is the fastest growing sport in America. People of all ages do it, but it's best loved by kids. From the time they're toddlers and well into their teens a bike is often their best friend and constant companion, affording them mobility for all the energetic activities that only the very young seem to possess. A youngster hardly learns to walk when they graduate to navigating a tricycle. Grandparents often vie for the right to buy a beloved grandchild their first vehicle. Learning to ride a two-wheeler is a real landmark, a sign that a child is growing up. Yet the same bike that gives a youngster hours of pleasure can, in an instant, bring pain, injury, possible long-term disability and even death.

A bicycle, though used by all ages for many things, including racing, is generally considered a toy. As innocent as it may seem, it is nevertheless a major cause of head injury for children, and more than a fourth of all significant brain injuries in children 14 years and younger are bicycle related.

According to the National Highway Traffic Safety Administration 1,200 bicyclists are fatally injured each year, and over half a million bicycle related injuries are treated in hospital emergency rooms. More than half of these deaths occur between the ages of 5-17, are predominately male, and 75% of them die from head injuries. In Michigan in 1992 there were 40 bicyclist deaths reported.

Although most bicyclist deaths result from bicycle/motor vehicle collisions, a large number (95%) of bike accidents don't involve automobiles. Most children are injured when they fall from their bikes, collide with fixed objects (like curbs or trees), or lose control due to problems with their bikes or poor road surface conditions. Head injuries generally occur not because of a vehicle's speed, but because of vertical distance - how far your head travels to hit the pavement. A study done at the University of California showed that a fall from only three feet ten inches at about 11 m.p.h. can cause fatal brain damage.

As concerned parents and adults, what can we do in our community to reduce the risk of injury and death for our youth? First, we need to recognize the seriousness of the problem and realize that although the majority of us rode a bike and it didn't happen to us, it can and does happen. Next, we need to make efforts of teaching safe cycling so children know the "rules of the road." Helmets are a must for head protection and when worn can significantly reduce the risk (by up to 85%) in some cases of head injury, brain damage and death.

Children need to be trained to use their bikes properly with limits set by parents on where

children ride according to their age. Rules of the road are: (1) ride with traffic, (2) stop and look both ways, (3) stop at all intersections, both marked and unmarked, and (4) look before turning and use hand signals. Bikes need to fit children; a bike that's too big is an accident waiting to happen. A child must be able to reach the ground with his feet. Bikes need check-ups periodically, just as motor vehicles need occasional tune ups to make sure they're safe for transporting us. It's especially important to make this check after winter storage.

A child's introduction to a first vehicle, generally a tricycle, should be coupled with that of a helmet used to protect the most vital organ in their body. Children learn best by observing, and it's a wise mom and dad that set examples.

Until recently, helmets haven't been trendy. We're starting to see changes, however. Many states recognizing the seriousness of the problem have mandated the use of helmets but it's our kids here and now who are at risk.

We can make a difference by

making ourselves aware, being good role models, enforcing rules for our children and impressing on our young people how precious our thoughts and memories are.

We need to protect our heads when we are doing things which put us at risk or we are putting our future in jeopardy. Broken bones heal, but once the brain is damaged it cannot be repaired. Far too often memories are all that's left because new thoughts are difficult to formulate.

Members of the Michigan Head Injury Alliance know the devastating effects brain injury has on everyone. Actual costs of survivors' care exceed \$25 billion annually, and no price tag can be put on the emotional costs that affect not only families but loved ones, friends, neighbors, classmates and co-workers. That's why we developed the "Head Smart" program which is being offered to all schools in Michigan. If you are interested, please check with your local elementary school to see if they are participating or for further information please contact Michigan Head Injury Alliance at 1-800-772-4323.

**10 TIPS TO CONSIDER BEFORE TAX TIME**

Every day, the media offers another story on budget deficits, cuts in spending and increases to federal taxes. Not surprisingly, taxpayers can feel out of control in dealing with the taxes they pay for income and estates. However, taxpayers do have some control over the taxes they pay. Through proper arrangement of financial affairs, this potentially frustrating situation can be brought under control. Craig J. Snyder, C.F.P., president of the Southfield office of Allmerica Financial, offers the following 10 tips that might help during tax time:

- Company/corporate benefits can be coordinated with other personal finances. There are dozens of tax breaks for employees to take advantage of: 401(k) deductions, medical, life and dental "cafeteria" options, stock purchase plans, etc. • IRAs are an excellent way to defer taxable earnings in your account. Special circumstances could also allow access to "penalty-free" withdrawals over a period of time.
- Home financing and refinancing can be used as a tax shelter, depending on the homeowner's situation.
- Changing the withholding taxes being filed can allow extra money now that can be reinvested, gain interest, and help avoid over-payment of withholding taxes. Note, however, that insufficient withholding can incur a penalty, while over-withholding can tie up money that could otherwise be invested. Ideally, total withholding will

match total income tax liability for the year.

- Tax credits, such as child care, earned income, rehabilitation, low-income and affordable housing, elderly credit, etc., can be important factors in tax reduction.
- Real estate offers a variety of tax breaks, including deferring gains on personal residences, renting to family members, offsetting taxable income, and others.
- Insurance products are subject to favorable to tax treatment, in addition to offering financial protection.
- Charitable giving strategies can help reduce taxes, while providing support to a cause or organization.
- Starting/properly utilizing a small business can provide attractive tax planning opportunities. From tax-advantaged retirement plans, insurance deductions, and tax-advantaged income from leasing, the small business arena can become the core of reducing federal taxes.
- Careful planning is the most valuable tip of all. Taking the time to plan taxes and to maximize benefits, breaks and shelters will help to minimize tax payout.

Says Snyder: "Almost everyone can benefit from taking the time to carefully plan their taxes. By maintaining some control over the process, one stands a better chance of not being surprised at tax time. Everyone should learn these strategies and tips for working within the IRS code."

**ATTENTION: BUSINESS OWNERS**

- business use of the home
- business meal and entertainment expenses
- travel expenses
- gains/losses from sales of property
- estimated tax

Are you familiar with the tax implications of each of the above items? To find out what they are, and how they can affect your business tax situation, talk with the experienced tax preparers at H&R Block. Call or stop by our office today.

### Secretary of State Austin urges Motorists to give the gift of Life

Every year the Michigan Department of State distributes up to two million donor labels for motorists to place on the back of their driver licenses or Michigan identification cards, to encourage organ and tissue donation.

This year, in addition to issuing the labels, Secretary of State Richard H. Austin is joining with the Gift of Life Agency, the Michigan Eye-Bank and Transplantation Center, and the Michigan Tissue Bank, to remind motorists to fill out and use the labels.

"Since 1976, the Department of State has issued donor labels to Michigan residents to promote organ and tissue donation," Secretary Austin noted. "In 1993, 440 lives were saved in Michigan because someone was willing to donate one or more organs upon the death of a loved one. Unfortunately, Michigan has hundreds of residents who will not survive without a transplant and this is why the donor label is so important," Secretary Austin added. "If motorists have signed labels affixed to their licenses or identification cards, their wishes for donation are more likely to be fulfilled by next-of-kin in the event of unexpected death."

All 181 Secretary of State branch offices are recognizing Organ and Tissue Donor Awareness Week, April 17 through 23, with special displays and free information materials. On Tuesday, April 19, between 10 a.m. and 2 p.m., nearly 80 Secretary of State offices will host a visitor who has received a transplant or donated the organs of a deceased loved one.

The Secretary of State's donor label is designed to encourage people to discuss organ and tissue donation with their family and friends. Once signed by the motorist and witnessed, it should be placed on the lower half of the back side of your Michigan driver license or identification card. New labels are mailed with all driver license and ID card renewals, and are available from any Secretary of State branch office.

Organs and tissues may be donated from anyone 75 years of age or younger at no charge to the donor or donor's family. Organ and tissue donation is supported by all major religions and does not affect customary funeral arrangements, nor does it alter body appearance. Among the organs and tissues that may be transplanted are the heart, lungs, kidneys, liver, pancreas, bones, eyes and skin.

The Gift of Life Agency estimates more than 1,400 Michigan residents are currently awaiting organ transplants. Last year, at least 125 people died while waiting for a donated organ. Nationwide, more than 32,000 people are on a transplant waiting list.

## Sergeant Carl Werner Apprehends Armed Robber

Local hero: Sgt. Werner

Local Washtenaw County Sheriff Sergeant Carl Werner with assistance from off-duty Lieutenants Brenda Sutton and Joe Struck, arrested Society Bank robber Dereck

Durard Worthey on Friday, April 8th, 1994.

Society Bank, Chelsea Branch, was robbed of an undisclosed amount of money at 11:55 AM by an unidentified lone black female. Washtenaw County Central Dispatch reported that the Bank had been robbed. The report was broadcast that the suspect was headed south on M - 52, driving an older brown or gold Pontiac.

Sgt. Werner was at the Manchester station and immediately headed toward Chelsea on M - 52. As he was heading north, Werner spotted an auto which matched the description, although only one male was in the vehicle. The suspect saw Werner's approach, and continued south. At the big curve north of the Village, the driver threw a bag containing money and the gun used in the robbery from the passenger window.

Werner, having turned around after noticing erratic driving in this vehicle, pulled him over for a traffic violation. The driver got out of the vehicle and was ordered to stop. A bulge was observed at the suspect's belt line which turned out to be a large amount of the stolen money. While the suspect was spread eagled on the auto Sgt. Werner observed a stocking cap and a camouflage fatigue coat in the front seat, which was part of the description which Werner had heard broadcast. As the suspect was being handcuffed, Lt's. Sutton and Struck stopped and assisted in securing the suspect.

A passing motorist who had observed a bag (presumably trash) thrown from the window of the vehicle. She then saw that money was blowing along the adjoining property. A second witness reported money blowing in the wind. Lt. Struck was able to recover the bag of money and the gun.

The suspect was turned over the Chelsea Police De-

Continued, P. 16

## School Board Candidates Announced

Four candidates have applied for the two available seats in the coming school board election, which will take place on June 13th.

Incumbents Joe Turk and Patricia Sahakian, and newcomers Mike Gleason and Sonja Schulz will vie for the positions of influencing future policy for the education of our children.

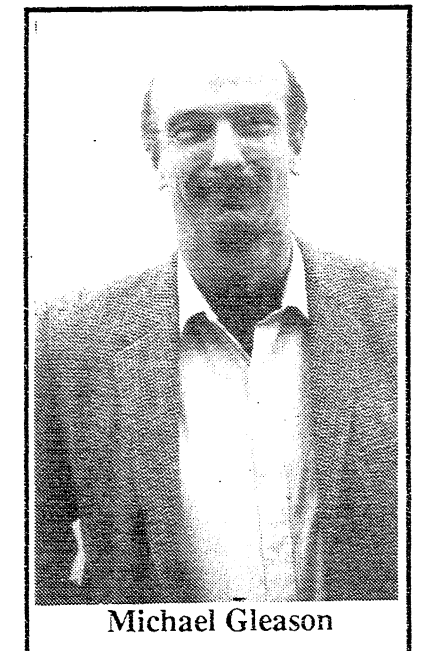

The Enterprise has obtained statements from each of the candidates, and will continue to cover the election by encouraging letters to the editor and further dialogue with each of the candidates.

Following are position statements and details of interviews with the candidates:

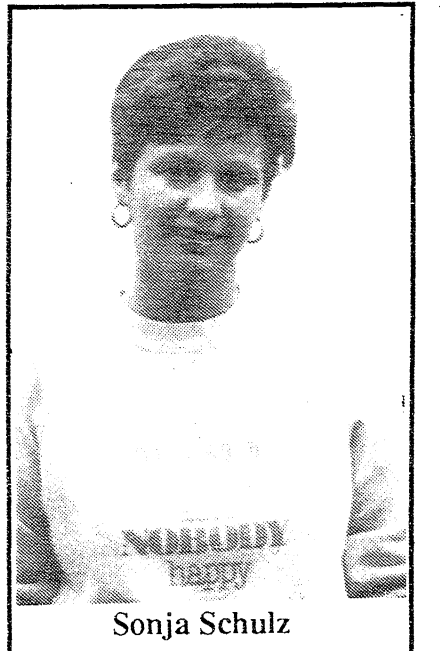

**Joe Turk:** Joe received his

Joseph Turk, Incumbent

Michael Gleason

Sonja Schulz

BA from the University of Detroit and an MBA from Eastern Michigan University. He has lived in Manchester since 1977 and has two children in the school system: Kevin, a fifth grader, and Justin, in eighth grade. Joe's upcoming concerns of items in the school system which need attention are: 1) Continuing to build the curriculum; 2) The issue of school financing. Joe feels there is a need to sort out the details on the changes in state financing. Fortunately, he states there are no immediate problems with financing within our school district; 3) The upcoming teacher contracts in September. Joe's hope is that positive negotiation skills will build teamwork among the staff, administration and board. This also takes us back to #1 - continuing to build the curriculum.

Joe says there has been positive direction by the Board in directing the Superintendent to develop guidelines for athletics and also for working with other districts.

Plans and goals on the Board will be looking at the School building program, review, and decide a direction to take in the future. Joe hopes to be a part of this process.

**Mike Gleason:** "To those of you who voted for me two years ago: Thank you. I'm pretty much the same guy I was two years ago. To those who voted for the two winning candidates: Thank you. These two guys are doing a fine job, but need help to make some necessary changes. To those of you who voted against me two years ago: I'm pretty much the same guy I was two years ago.

"What do I want to accomplish as a Board member? Same as two years ago. This school system needs responsibility. Financial responsibility is an obvious priority. 6% administrative raises (while others in business are lucky to get 3% or even keep their jobs) should make us remember which board members voted yes. Have these board members looked at our shrinking financial resources lately? It's another budget blowout.

Teacher contract time is here; what do we tell them? How about: 'The administration got their raise. They got yours, too.' Or, how about: 'Go ahead, take 6%, with the Proposal A tax savings, the voters will hardly notice another millage request in September.' Try this one: 'We can save money by laying off part-time teachers.' Or, as our Superintendent said, 'Manchester Schools are still in the millage business.' (Tax more).

We can and must get our finances under control, but we must first have school board members that can say no.
