

MANCHESTER RESIDENTS GET HEAD START IN 17TH ANNUAL BRIARWOOD RUN

Three Manchester residents, including a husband-wife team, were among the first to register for the 17th Annual Briarwood Run, which will be held on Sunday, April 24. The Manchester runners are Dee Dee and Jim Sahakian, and Roger Kappler. They will compete with about 3,000 runners in the annual race on the rural roads and lightly rolling hills around Briarwood.

"Registrations are way up over last year, but there's still plenty of time to register," says Karen Fox, Briarwood marketing director. "It's a great way for the entire community to get together and welcome spring."

The charity run, traditionally Ann Arbor's first major community activity each spring, features four events — open runs of five, 10 and 20 kilometers plus a one-mile walk. All three runs are T.A.C.-certified to make records official. Registered participants can win thousands of dollars in merchandise from a drawing in Briarwood's Grand Court immediately after the race. Top prize will be a \$500 shopping spree at the center. Runners must be present to win.

KOOL 107-FM will put a new spin on the event this year with a live remote broadcast and oldies music in Briarwood's Grand Court from 10 a.m. to 1 p.m. All three runs begin at 9 a.m.

from Briarwood's southwest corner. The walks starts at 9:15 a.m. on the south side at Sears.

Each run is split into divisions by age for men and for women. There will be one award each for the neighborhood and corporate team with the most participants finishing in all running races combined. Awards will also go to

the top male and female runners in each of the three races and the top five finishers in each age division.

All proceeds from the event benefit Washtenaw County children through the Galens Medical Society, a group of U-M medical students who fund and support social and health projects for sick and needy youngsters.

No monthly payments and 0% interest 'til next September.* Nothing is simpler.*

Simplify your Spring...buy a AGCO Allis tractor or riding mower today, and you won't worry about a monthly payment - or a penny of interest - until the next fall.* Stop in today and see our full line of riding mowers and tractors, plus the optional Mulching/Leaf Shredding attachment that eliminates raking and bagging while nourishing your lawn. Only at your AGCO Allis dealer.

*Available to qualified customers with required down payment. Low monthly payments and competitive rates after April 1, 1994.

Cub Scout Pack #421 Pinewood Derby '94

Pinewood Derby Champs: Third, William Aldrich; Second, Danny Fleck; and First, Andrew Roberts. Congratulations, guys!

On Saturday, April 23, Cub Scout Pack 421 held a Pinewood Derby at the Emanuel United Church of Christ, starting at "high noon". The boys had received their cars at the annual Blue and Gold banquet in February. The kits come as a block of pine wood, four wheels, four axles (nails), and number stickers. Scouts, along with a parent or adult helper, then start carving, sawing, drilling, adding weight, sanding, painting and assembling their cars.

Set up for the race started at 10:00 am with the help of Scouts and parents. Weigh in started around 11:00. Cars can't weigh more than five ounces: with cars only weighing about 3-1/2 ounces when the scouts start, they find the weight will help them run faster if they are closer to five ounces. At weigh-in, the Derby Committee weighs the

cars, drills holes, add weight to the lighter cars, label them and set them up in their respective Dens.

While everyone was anxiously waiting for the race to begin, scouts and family members lunched on 160 hot dogs, chips, and punch. Thanks to some of our local Boy Scouts, who helped serve the food, things went well as about 120 people filled the gym.

The race started with each Den racing against each other. The top two winners of each Den advanced to the semi-finals. There were nine dens, a total of 18 cars, who advanced to the semi-finals. We then had three races, with six cars in each race. The top two winners from each race moved into the finals for the top spot in the Pack.

The scouts who went to the finals were (in order of finish): Andrew Roberts, Danny Fleck, William Aldrich, Matt Callaway, Anthony Neal and Derrick Tooman. Trophies were awarded to the top three finishers of the pack.

Each participant in the race received an award. Following is a run-down of each Den, in order of their finish:

Den #2: Danny Fleck, William Aldrich, Mike Taddonio, Allen Sharpenberg, Sean Heslip, Moses Cooper & Sebastian Gregerson.

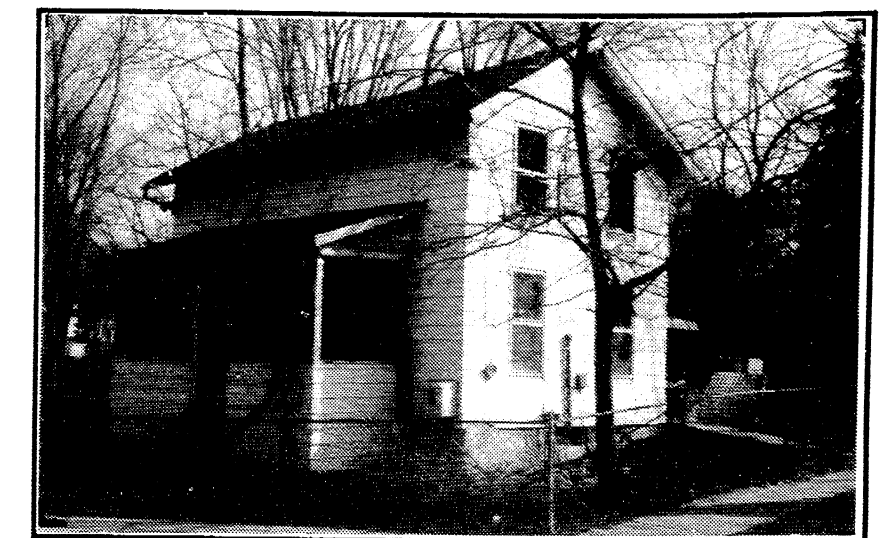

Den #3: Derrick Tooman, Pete Crowder, & Matt

A HAZARD TO OUR VILLAGE

The Village of Manchester conducted a Dangerous Building Violation Hearing, 8:00 AM on April 26. The house at 223 Riverside, owned by Richard Kightlinger, was cited in Violation of Ordinance Number 207. The Owner has been given seven days to demolish the building and level the property.

The house, formerly owned by the Day family has been an ongoing blight upon the neighborhood. Recently, a second floor fire almost destroyed the structure. Neighbor Chuck Steele said, "When the Village mowed the lot prior to the Chicken Broil last year he killed several rats fleeing the premises." An open well, 3 feet of water in the base-

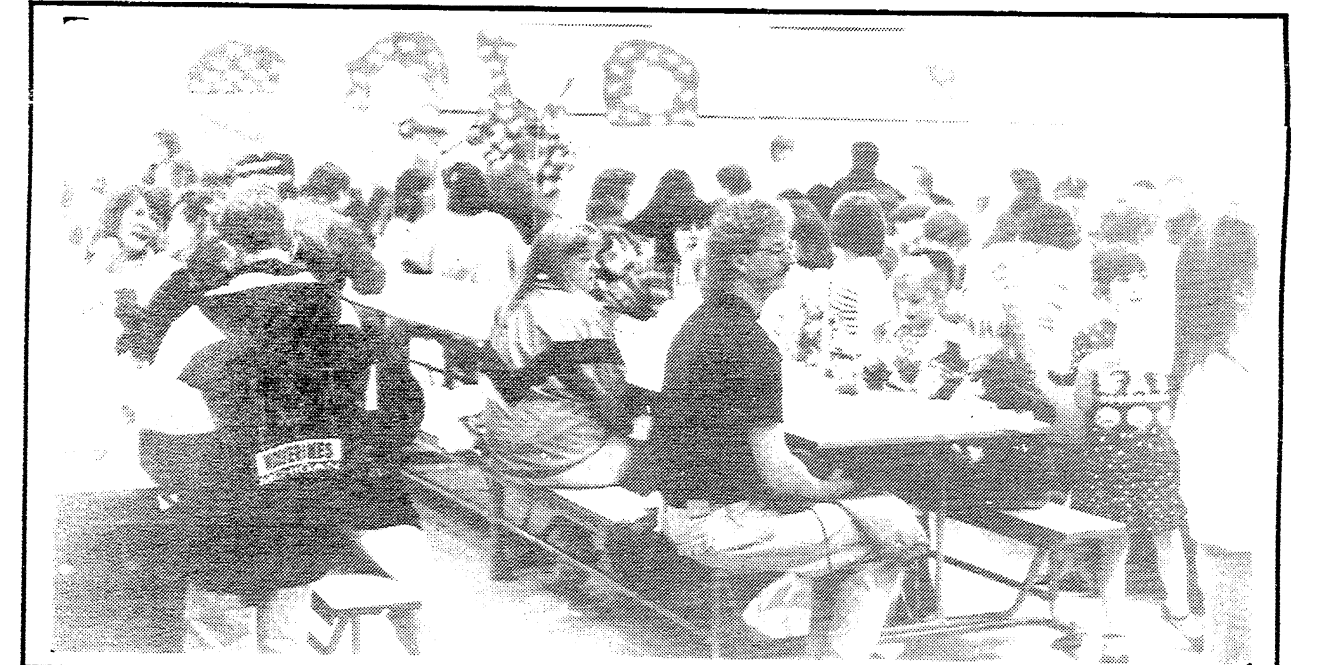

ment, trash accumulation, collapsing framing and the fire damage render the house uninhabitable.

John Hinkley, Presiding Of-

icer, Jim Roberts, Clerk Karen Tucker, Village Manager Jeff Wallace, Chuck Steele and Building Inspector Emory Garlick were in attendance. -EWG

Klager Kids R.A.N. for 350,726 minutes!

The R.A.N. (Read At Night) program at Klager was a rousing success, reports Principal Yvonne Henry. Thanks in part to the hard work and energy of Chair Laura Spensley, the Klager kids read for a cumulative total of 350,726 minutes over a five week period.

Approximately 100 Klager kids attended the Read At Night breakfast on April 16th, to honor those students who had read a total of 35 hours or more. Each brought a guest and there were V.I.P. guests as well, including donors, school board members, and teachers. All in all, about 250 were served that morning.

As students entered the Klager lobby, they registered for door prizes and received books, pencils, notepads, and baseball cards in a "goodie bag".

Five Klager students read for over 100 hours and received t-shirts proclaiming this accomplishment! The students were: Jeff Chapin, Tim Wacker, Justin Henderson, Eric Mackres and Chris Maly. Jeff, Justin, Eric and Chris are fourth graders: Tim

is in third grade. Congratulations to each of these students - this is a real achievement!

Inside the Klager cafeteria, entertainment was provided by the Raisin Pickers. Festive decorations for the occasion incorporated this year's theme, "Pig Out On Books". Pink balloons were everywhere. Pigs decorated the tables and a special "Fashionable Pig" mural decorated the wall, provided by Mrs. Jane Raus' fourth graders. This

mural had pigs dressed in every way imaginable - even a reindeer pig! Each student also had their name on a paper pig on the wall, wallowing in a mud puddle.

Mrs. Karen Ellsworth's fourth grade read the most (49,000 minutes), and will receive the honor of having a live baby pig as a classroom visitor for a day. -MJC

The MANCHESTER ENTERPRISE Second Front Page: The Aura Inn

A Unique "Roadside" Attraction

by Marsha Johnson Chartrand

"I think we're a vanishing species out here," observed Richard Diamond, owner of the Aura Inn on Pleasant Lake. "Roadhouses and neighborhood bars used to be so common, and I think people miss that atmosphere. They've tried to franchise it at places like Applebee's" - but Richard thinks they've missed the mark.

The Aura Inn is the "real McCoy" of roadhouses. It's been a bar since at least 1885 - as evidenced by a sign on the barn-lumber wall. The atmosphere is rustic, but not seedy - a place where you can sit down, relax, enjoy yourself, meet neighbors and friends. As owner of the Aura for fifteen years, Richard says he's tried to enhance the best side of a neighborhood bar while eliminating those negative aspects.

By day, the Aura is a pleasant place to have lunch - with a Coke or a martini. Towards evening, it becomes a lively night-spot; although not a rowdy one. "When we first bought the place, we had a band

At Aura Inn's March "Toga Night", prizes were awarded for the best Toga. The "Teenage Mutant Ninja Turtles" sheet - and its occupant - were judged by the "applause meter" to be the #1 Toga of the night

the first weekend. It was a zoo!"

Coming from the Detroit area, Richard has found the surroundings at Pleasant Lake to be "like dying and going to heaven." While he's been here, he has tried diligently to find just the right mix to bring the widest possible spectrum of people into his establishment. His original ideas attract people from all over on a regular basis - especially in the summer time.

"Whatever seems to work, I'll do it - but keeping it simple seems to work the best," Richard states. Sitting on the sun-drenched deck just off the bar, overlooking a parklike yard filled with old weeping willow trees stretching down to the lake, it seems very simple, indeed.

"This isn't just a place to sit and drink. I like to get people involved in activities; and I'm trying to focus more on food,"

the basic stuff, with a little twist. Periodic specials include Mountain Oysters, annual Pig Roasts, frog legs and even, once, Alligator! "People will eat anything," Richard claims.

Theme parties are always fun for all and good for a lot of laughs. They have had annual Halloween parties for several years - with appearances by ELVIS (The mature Elvis, we are informed). This winter, Richard also planned a mid-winter beach party, a toga party, and coming up this weekend (Saturday, April 30), a pajama party. Along with the theme parties, King Karaoke from Flint brings his unique brand of "entertainment" to the Aura.

Having been a first-time Karaoke observer at the Aura, it is obvious that even if the party gets a little crazy, the family atmosphere is retained. No one gets out of line; probably due to the fact that mild-mannered Richard won't take any of that in his bar.

In summer, the atmosphere will change somewhat. "There's

a more transient crowd from May-October; although I don't notice it as much as I used to," when the lake residents were more summer oriented. But during the summer there will be softball and volleyball tournaments against the Village Tap, a golf outing, and more.

"It's sort of a club, a community center here," Richard contends. "A place for people to meet, where there are plenty of different things to do." And goals for the future? "Well, I'd like to focus more on food items on our menu. We have been working on it so far, with great results. I can certify that there have been no deaths from eating our food!"

Also, he would like to do some simple cosmetic updates to the interior - stressing that "nothing major" will be done. "Last time I talked about that, it really caused a stir. People around here like this place the way it is, so I'll keep it basically the same. Some day places like this will be obsolete - but I'll probably be among the last holdouts."

Come and see your friends and neighbors this weekend at the Aura - and be sure to wear your jammies!! Karaoke "entertainment" starts at 9:00, but PJ's are welcome at any time.

Nowadays people know the price of everything and the value of nothing. -Oscar Wilde

Editorial / Opinion

Editorial

At the Manchester Board of Education meeting of April 18th, I observed five of the six present board members show some taxpayer concern.

The issue placed before the Board by Superintendent Ronald Niedzwiecki was: "Should the Superintendent be authorized to continue work and study the Klager School Renovation/Building program for a September bond issue ballot vote of the electorate." Five members indicated caution and concern for the taxpayers. Comments I heard were, "I'm not convinced that the Pleasant Lake School is being adequately used," "No one has shown me an enrollment need for more class rooms," "This is too soon and without enough study to present to the voters," and "The voters have given a clear indication that they are taxed enough."

Board President Patricia Sahakian, was the only member that was in full support of Superintendent Niedzwiecki's proposal. Common sense and five other members said, "Study it, stay current with needs and bring it back to the Board for consideration after Proposal A's effect becomes known."

I'll call those Board members "Manchester's Fab Five". A very reliable source indicated the Administration has

made a pitch for a pay increase, less than one year after they were given their last increase. (It was my understanding, from President Sahakian, that the new Board should vote on wage increases as they are the people who have to live with the consequences. I suppose it was only coincidental that the outgoing board did not favor the proposed increases.)

Teacher contract negotiations have not started yet for the September school year.

Another issue before the Board was the South and West Consortium Agreement that is to be voted upon at the May meeting. Their present budget is about \$1,250,000, they have a Fund equity balance of \$259,919. No public members sit on the Consortium Board. Their audit is currently contained in the Saline Schools Audit. Seems to this Editor that members of the Public should be seated on that Board for over-view.

I believe it is time for Manchester School System to hold the line until we see what the outcome of the new State Funding system. We will need to vote upon the 18 mills, and pass that, in order to receive the State Foundation Grant under Proposal A. Let us not get carried away with new millages.

Dear Emory:

I wanted to write to let you know that I enjoyed reading the prize winning D.A.R.E. essays in the March 17, 1994 edition of the Manchester Enterprise. I have studied the issue of substance abuse (although I certainly would not claim to be an expert) and have had the opportunity to listen to many speakers outline the impact of this societal public health epidemic. I am always impressed by how our children, who have an opportunity to attend the D.A.R.E. Program, clearly grasp the issues about substance abuse as well as any expert I have ever heard.

I could probably say that this is a result of the quality of the D.A.R.E. Program. And, I certainly think that there is truth to this comment. D.A.R.E. is a valuable program because it focuses on not only knowledge and information, but the development of skills young people can use in resisting substance abuse. However, I think the quality of these essays is primarily an affirmation of the intelligence, and sensitive wisdom of our children. It is certainly a reminder not to underestimate our children and their grasp of key issues in our society.

Thank you for taking the time and using the valuable space of the Enterprise to print these important messages regarding substance abuse from our children.

Very truly yours,
Mark A Ptaszek
Commander

Editor:

I do not know the answer to Susan Morey's problem in finding a location for a Saturday produce and craft market during the warm months ahead. However, it seems to me there must be one.

Typically and historically municipalities have considered such markets an asset to their communities and have provided space for midweek and/or weekend markets. For many of us who live in Manchester both by the town's charm and its viability lies largely unspoiled 19th century quaintness. Further, our growing attraction to outsiders rests on our leisurely, slow-paced lifestyle. In fact, it seems to me that we are in a unique position to deal creatively with a mix of the good that can still be preserved or restored from our past and selective adoption of things new and different that can make life simpler and easier - even more exciting.

Lamentably, nation-wide we have become a litigious society ready to sue whomever might possibly be responsible for our misfortune. Concerns and precautions are appropriate to insure the safety of those who are attracted to our village for whatever reason. (Even those of us who live here and tread the uneven sidewalks.)

But let's not let the worst possible scenarios we can imagine blind us to the possibilities that are open to us. "Nothing ventured - nothing gained." Let's not blow it. Somewhere there is a solution to Susan's problems.

Gail W. Curtis

Dear Sir:

Yesterday was the day to rent a roller and flatten the tunnels left by a mole last fall, sharpen the lawn mower blade and perform the first cut of the season; clearly a sure sign that fair weather is here.

Along with the warmer temps comes the opportunity to open the house windows and spend increasing time outdoors. But, along with that, is the not-so-pleasant experience of listening to a cacophony of barking dogs. A sound which will irritate the most patient of individuals, which I am not.

I fail to understand how dog-owners can allow their animals to sound off, quite literally, for hours on end, day and night. One neighbor informed me that his dog(s) "have a right" to bark. Excuse me, as a property owner, taxpayer and voter, I do have a right of "quiet enjoyment" of my home and property.

Many of these pets are left outside, apparently unattended, ostensibly while their masters are at work or occupied elsewhere. Clearly, this noisome activity won't disturb them.

These folks must take responsibility for their pets and after a few minutes of barking ensure that the animal(s) are quieted. Also, the village authorities should adopt an enforceable ordinance controlling this nuisance.

Finally, to the owners of these vociferous canines: Please have consideration for your neighbors. You enjoy your dogs; let us enjoy some peace and quiet.

Cordially,
Mike Starwas

If you want the present to be different from the past, study the past. —Baruch Spinoza

Local Government

Agenda Manchester Village Council

Monday, May 2, 1994

 - b. Preliminary Site Plan Review - Walco Foods
 - c. Other
 10. New Business
 - a. Filter System Presentation - McNamee, Porter & Seeley
 - b. Other
 11. Adjourn
- Closed Session to discuss pending litigation.

Village of Manchester - Update

A variance for Walco Foods, with contingencies on the parking lot being moved and tree-lined, was approved at last week's Village Council Meeting. At the May 2 meeting the entire Preliminary Site Plan will be presented.

The Girl Scouts will hold a Garage Sale April 30, 9-5 at Char-Bro Park.

Committee Appointments were made - not many changes; but Jeff Schaffer was added to the DPW Committee, Finance Committee, and both Schaffer and Chris Brooks were named to the Sheriff Dept. Liason Committee. Village Hall Maintenance Committee was deleted - Office personnel will take care of this.

New Business included the possibility of Manchester Stamping hooking into the village wastewater treatment plant, prior to plans for a possible expansion.

Mens Club requested approval for running electricity and water to Chi-Bro Park, and permission was granted. The Fence between the Park and the Road Commission Yard was erected, with the cost split between the Village and Road Commission.

Freedom Township

Proposed Synopsis Special Meeting 3/30/94

The meeting was called to order with four Board members, five Planning Commission members, consultant D. Pennington and Atty. P. Flintoft present. Flintoft distributed information received from the EARS group attorney addressing concerns about the Thompson-McCully gravel extraction application. Little stated the necessity of a closed session to discuss pending litigation and a motion to close the session was passed.

The meeting was adjourned at 8:57 p.m. Minutes Recorded by Robert Miller Submitted by Julie Schaible, Clerk Approved by Robt. Little, Supervisor

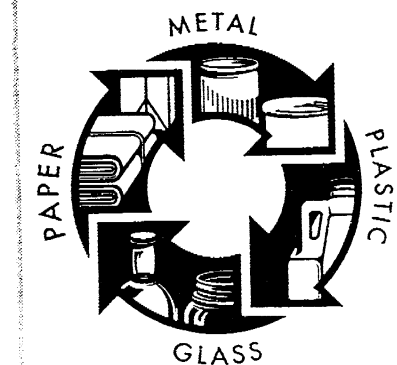

Regular Meeting

Freedom Township Planning Commission Tuesday, May 3, 1994 - 8:00 pm.

The Freedom Township Planning Commission will meet at the Freedom Town Hall on Tuesday, May 3, 1994. Agenda items include annual reports from the Waterland Trucking Service (formerly Holloway) and Barret Paving Gravel companies as well as continuation of old business items.

The public is invited. Secretary, Bob Miller

WHAT YOU CAN DO TO HELP THE ENVIRONMENT

Leave grass clippings on your lawn after mowing to save space in landfills. Your lawn will be healthier, too.

Dust off your lightbulbs. Dirt causes bulbs to burn hotter and burn out faster, according to Concerns for the Environment.

Unpack your car trunk for energy efficiency. The more weight, the more fuel you use.

Enclose a note in your package asking the recipient to reuse the packaging.

When planting your garden, choose plants that require little water to survive.

Recycle your newspapers. One 10-foot stack of newspapers saves one tree.

Public Hearing

on Zoning Ordinance Amendment Freedom Township Tuesday, May 23, 1994 8:00 p.m.

Freedom Town Hall 11508 Pleasant Lake Road.

An amendment to Section 24.04 and 24.07 of the Freedom Township Zoning Ordinance to correct errors is proposed by the Planning Commission. Section 24.04 - Powers and Duties of Board of Appeals, should not include authority over "conditional use permits." In Section 24.07 the term "Building Inspector" should be changed to "Zoning Inspector". The proposed text change may be examined any evening at the secretary's residence, 10955 Hieber Road. Please call ahead - 428-8222.

The public is invited to attend the hearing. Secretary, Bob Miller

CHIPPING SERVICE OFFERED TO VILLAGE RESIDENTS

The Village of Manchester will once again offer as a service to residents: A chipping machine will make curbside pickup of BRUSH ONLY up to 3" in diameter, on the 1st Monday of each month throughout the spring and summer. If a holiday falls on a Monday, the pickup will be on the following day.

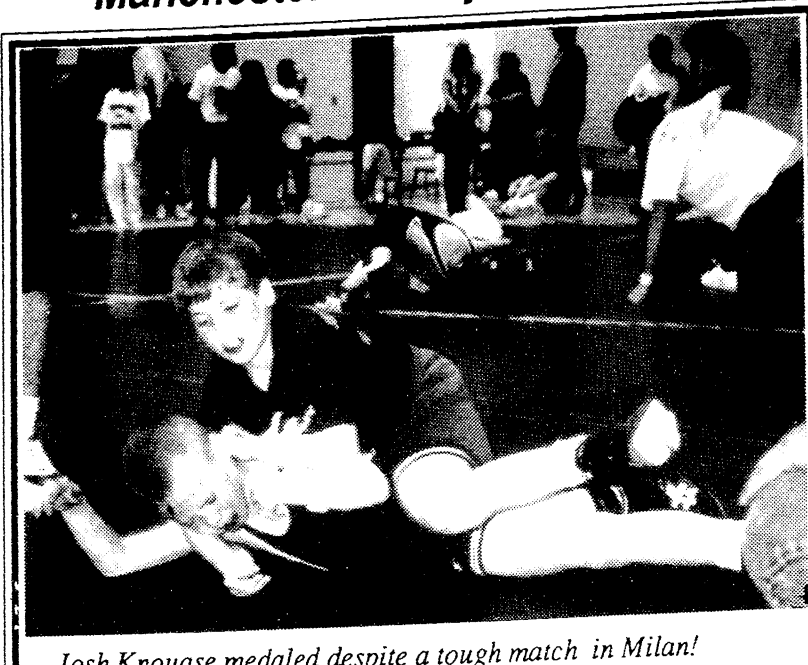

Pickup will be again on Monday, May 2nd. Please be prepared by having the brush piled in one direction with the cut-end towards the road, close to the curb or shoulder of the road but not in the street, by 7:00 am.

GRASS CLIPPINGS AND OTHER VEGETATION WILL NOT BE PICKED UP. LAIDLAW WILL PICK UP BAGGED GRASS CLIPPINGS AND OTHER VEGETATION WITH THE WEEKLY GARBAGE PICKUP.

If you have any questions, contact Gary Wiedmayer at 428 - 8360 between the hours of 7:00 am and 3:30 pm.

Sports

Manchester Freestyle Wrestling

Josh Knouase medaled despite a tough match in Milan!

- by Marilyn Knouase

Our wrestlers split and went to two different tournaments this weekend.

Milan held a modified freestyle meet. The following wrestlers medaled: Josh Knouase, 3rd place; Keith Peasley, 4th place; Justin Knouase, 4th place; Willy Slocum 4th place; and Noah Kuhn placed 5th.

Napoleon hosted their first freestyle meet. Medal winners there were: Dave Herman, 2nd place; Tyler Breilein, 1st place; Nolan Westcott, 3rd place; Jeremiah Tobias, 1st place; Justin Preston, 3rd place; Tate Curtis, 3rd place; Caleb Westcott, 3rd place; James Tobias, 1st place; Thomas Breilein, 1st place; Mark Trinkle and Joshua Tobias both came in fourth.

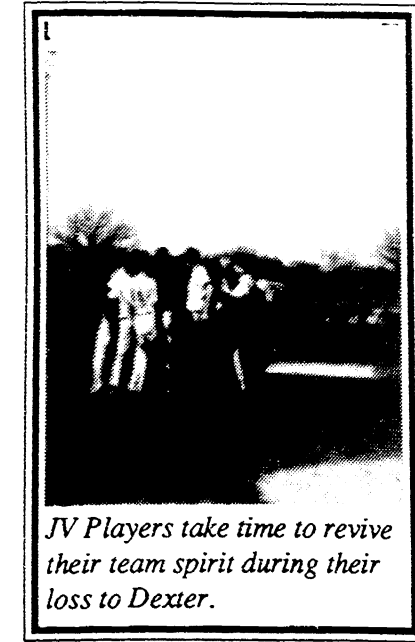

Next Saturday we go to Dexter for the Districts.

JV Baseball Starts off '94 Season

Monday April 11: Monday started our J.V. Baseball season as we visited our longtime foes, the Clinton Redskins. Our "Little Dutch" came out of the gates swingin' as Sophomore co-captain Bryan Duvall hit his first pitch of the '94 season over the 360 ft. sign in right-center for a two-run homer; driving in Sophomore Matt Herman. Unfortunately, this would be the only lead of the day for the Dutch, as Clinton went on to take advantage of Manchester walks and errors to win the opener 15-5. Sophomore co-captain Chad LaRue & Fresh Ryan Fielder played well defensively for the Dutchmen.

Friday, April 15: Friday marked the home opener for the "Little Dutch", but after the first two innings we found our Dutchmen down 9-0. Again, walks and timely hitting by Dexter Dreadnaughts proved to be the difference in this game. Offensively, Trevor Schleicher, Joe Hollosy, Kevin Detling, Ryan Roberts and Steve Riske all had hits for Manchester, while defensively, Joe, Ryan and Jimmy Donnellon played well for the Dutchmen.

- JV Baseball results by John Korican

JV Players take time to revive their team spirit during their loss to Dexter.

Manchester Junior Varsity Softball

The Manchester Junior Varsity Softball team has opened the season with a 1-3 record.

With only three returning players among 18 on the roster, the young and inexperienced Dutchmen travelled to Saline to open their season. Behind good pitching from Erin Binder, the Dutchmen bolted out to a 12-1 lead in the third inning. Poor defensive play allowed Saline back into the game and eventually the Hornets pulled away for a 24-12 victory. Leading the Dutch offensively were Erika Panches with two hits including a triple; Fab Hosmer, 2 hits, including a triple; and Michelle Schaible and Binder, each with a single.

Manchester then travelled to Clinton to face a very talented Redskins squad. The Dutchmen were no-hit by the fine pitching of Hood and lost the contest by a score of 25-2. Pitching for the Dutchmen were Erin Binder and Erika Panches.

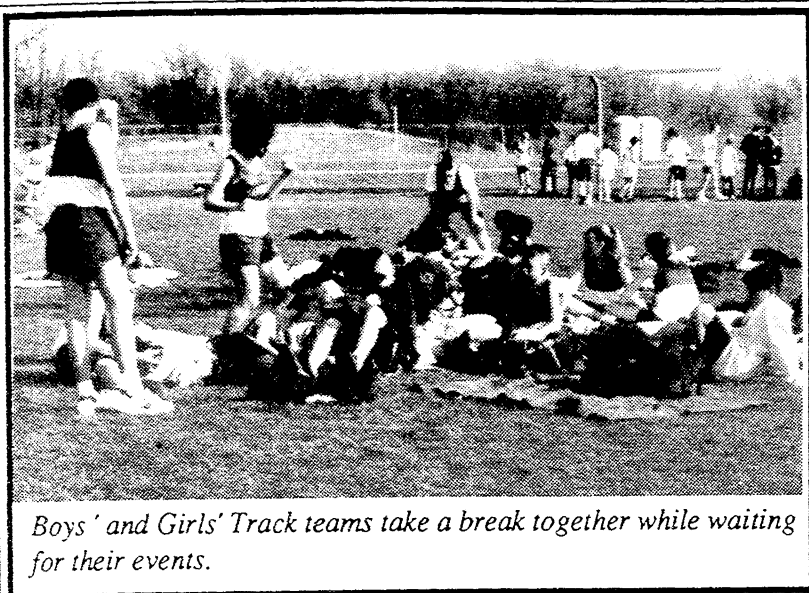

Playing its first home game, the Dutchmen competed against the visiting Dreadnaughts from Dexter. After three innings, the score stood at 7-4 in favor of Dexter. However, all went wrong for the Dutch in the fourth inning as Dexter sent 28 batters to the plate and scored 22 runs to take a commanding 29-7 lead. Dexter added another 14 runs in the fifth inning to finish out a 43-4 victory.

Pitching for the Dutch were Erin Binder, Erika Panches, Jessica Porter, and Darci Hock. Leading hitters for the Dutch were Binder, two hits, and Hock, Panches, and Ceara Brown, each with one hit.

Travelling to Grass Lake, the Dutchmen recorded their first win of the year, an impressive 22-11 victory. Erin Binder pitched for the Dutchmen, recording 7 strikeouts and walking five batters. Leading batters were Michelle Schaible and Erin Binder, each with two hits, and Fab Hosmer with one hit.

Members of this year's team are: Jenny Brushaber, Erin Binder*, Laura Griffin, Fab Hosmer, Amy Hlavka, Laci Curtis, Heather DuRussel, Jessica Porter, Debbie Lobbsta, Darci Hock*, Michelle Schaible, Ceara Brown, Emily Miller, Erika Panches*, Colleen Brown, Katrina Bihlmeyer, Darci Dillon, & Colleen Geyer.

Boys' and Girls' Track teams take a break together while waiting for their events.

Middle School Boys Track Manchester vs. Vandercook Lake

Our Middle School Boys track team lost a very close meet last Monday, losing to Vandercook 68-56. Our boys have been working hard and with two full teams, we're looking to win some of our meets next week.

Scoring points for the boys were: Lee Kothe - 3rd place shot put; Nick Davis - broke a school record and jumped further than anyone in the county last week; including high school track teams, in the long jump. Nick jumped 19'4", placing first. Jake Ford placed third in high jump. In the 3200 m. Run (2 mile), Ryan Weir placed 3rd and Eli Bragg placed 2nd. In the 55 yard hurdles, Mike Meranuck placed first. In the 800 m. run,

Levi Earhart placed third; Jake Ford placed first. In the 1600m run (one mile), Boyce Jones placed 3rd; in the 100 m dash, Nick Davis placed 1st; in the 400m dash, Ryan Lentz placed 2nd; and in the 100 yard hurdles, Mike Meranuck placed first.

Our boys swept the 70m. dash with Eric VanBogelen placing 3rd; Lee Kothe placing 2nd; and Keith Detling placing 1st. In the 200m. Dash, Nick Davistook 1st place. Our 1600m relay team was victorious, scoring our team five points. Team members were Justin Turk, Jake Ford, Ryan Lentz and Ben Grenier. Keep up your hard work, boys, and continued success in all of your events.

The Girls' 800 Relay Team savors the thrill of victory!

Middle School Girls Track Manchester vs. Vandercook Lake

The Middle School track team got their season under way on Monday, April 18. The team ran against Vandercook Lake. Our girls were victorious over Vandercook, beating them 72-49.

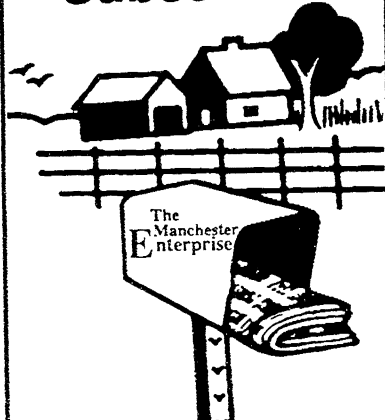

Scoring points for the Dutch were: In the shot put, 3rd place Jenny Aiken, 2nd place Julie Porter, and 1st place Jill Weidmayer. In the Long Jump, Stefanie Schulz took third place. In the high jump, Jenny Mann took 2nd place while Rebekah Butterfield took first. In the 3200m. (two mile), Jenny Aiken placed second. Our girls swept the 55 yard hurdles with Jessica Weber taking third, Elesia Walakonis taking second and Stefanie Schulz placing first.

Our girls 800 relay beat Vandercook's relay team with the team of Jayme Haskins, Becky Butterfield, Lindsay Hosmer and Ahja Zang. In the 1600m. run (1 mile) Jenny Mann took first place. In the 400m. dash, Jennette Branch took second place, and in the 100m. Dash, Maryann Fillyaw took third place and Stacey Turner second.

Our girls also took 1st (Stefanie Schulz) and 3rd (Elesia Walakonis) in the 100 yard hurdles. Our girls swept away with the 70m. dash - third place going to Maryann Fillyaw, 2nd Cathy Lobbstaal, and first place Tracey Staples. In the 200m. Dash Jenny Aiken placed third and Stacey Turner placed first. Our 1600m. relay also beat Vandercook's taking five points, with the team of Jennette Branch, Lindsay Hosmer, Jenny Mann and Marie Haussler.

Congratulations, girls, and keep up the hard work.

Death of A President

Chattanooga, Tenn. Apr. 15th 1865.
Friend Fannie,

It has been so long since I have written you that I am almost afraid that you will be offended at me for addressing you at this time. I am no hand to make excuses but will freely confess that I have been very dilatory and neglectful in not answering your much prized letter ere this. I am in good health and am now a member of a General Court Martial which is in session at this place. I had a fine opportunity of posting myself on military law and I am improving my time.

The news of Lee's surrender was received here with much enthusiasm and all seemed rejoiced at the prospects of a speedy peace. Bells rang, whistles sounded and cannons roared whilst the shouts of many camps joined in the chorus and made the hills resound.

This letter was provided to us by Ann (Seegert) Wright. Her mother, Phyllis Wadsworth Seegert is the Granddaughter and Ann Wright and Webb Seegert are the Great Grandchildren of E.H. Wadsworth.

Chattanooga, Tenn. Apr. 15th 1865

Friend Fannie;

It has been so long since I have written you that I am almost afraid that you will be offended at me for addressing you at this time. I am no hand to make excuses but will freely confess that I have been very dilatory and neglectful in not answering your much prized letter ere this. I am in good health and am now a member of a General Court Martial which is in session at this place. I have a fine opportunity of posting myself on Military Law and I am improving my time.

The news of Lee's surrender was received here with much enthusiasm and all seemed rejoiced at the prospects of a speedy peace. Bells rang, whistles sounded and cannons roared whilst the shouts of many camps joined in the chorus and made the hills resound.

through the coves and more echoed back from many a hill side. The shrill whistle of a hundred engine joined in the chorus and all seemed jubilant. All went merrily on until noon to day when all flags fell to half (sic) mast and were shaped in mourning. All places of business were closed and mourning spread it's dark pall over all and sadnesses depicted on every countenance.

One cannot well describe or express the feelings of an old soldier on the reception of such news. Home with its many blessings and endearments seems at least within the scope of realization.

To one who has not become entirely insensible the thought of home and loved ones bring many a pleasant though sad remembrances.

Yesterday I crossed the Tennessee and wandered by myself for among the hills where many flowers bloom and all nature seemed nothing but loveliness yet was I alone and no dear friend was there to participate with me. A National Salute was being fired and the boom of many cannons sounded

through the coves and more echoed back from many a hill side. The shrill whistle of a hundred engine joined in the chorus and all seemed jubilant. All went merrily on until noon to day when all flags fell to half (sic) mast and were shaped in mourning. All places of business were closed and mourning spread it's dark pall over all and sadnesses depicted on every countenance.

He who was our Nations pride, our Nations Honor is no more.

How great the nations love at such a time as this! How can we fitly mourn him! Not only the Nation but each of us has lost a friend in the person of our beloved. President who was so brutally assassinated last night. Can evil be in the city and the Lord know it not?

"The Lord giveth and the Lord taketh away."

Please remember me kindly to your parents and tell sister to write me often.

Hoping to hear from you soon I have the honor to subscribe myself as ever your friend.

E.H. Wadsworth Lt. 16th U. S. C. Inf.

OBITUARY

Naomi R. Valencich, 73, of Manchester, passed away on April 22, 1994.

Naomi was born in Meridian Twp., Mi. on May 17, 1920, the daughter of Lyle & Jessie (McKinley) Gidley. On December 17, 1938 she was married to Joseph R. Valencich and he preceded her in death on January 16, 1983. While living in Colorado Naomi attended the Poncha Springs Church of Christ. Before moving to Colorado, she was active in 4-H in the Manchester area.

Naomi is survived by a son, Thomas & Carol Valencich of Adrian; four daughters, Marelene Wisner of Iowa, Josephine Schlicht of Munith, MI, Mary Jo & LeRoy Weeks of Sagauche, CO, and Linda & Douglas Harvey of Manchester; twelve grandchildren; two Great Grandsons; and a brother, Robert & Mary Gidley of Grand Ledge, MI. Besides her husband Joseph, Naomi was preceded in death by her parents; one son, Peter, in 1967; two Grandchildren; and a Brother.

Cremation has taken place and a memorial service will be held on Tuesday April 26, 1994 at 11 AM from the Jenter-Braun Funeral Home Manchester. In Lieu of Flowers the Valencich family requests memorial contributions be made to the Manchester Fire Department Rescue Squad.

WILL BE HELD AT THE WURSTER PARK FLAGPOLE ACROSS FROM THE GAZEBO

On Thursday, May 5, America will observe the annual National Day of Prayer. Concerned individuals are urged to participate that day by meeting at the Flagpole in Wurster Park, at noon on Thursday.

Organizers of the Manchester National Day of Prayer observance note that this is an event in which every person who believes in God and the power of prayer can participate.

For fifteen minutes, Manchester residents can join with others across the nation in prayer for our country, our government leaders, our churches, our schools and our families.

Contact persons in Manchester include: Frank Bettig (428-0342 - mornings); Janet Shurtliff (428-9462); and Pastor Cooper (428-7506). Any of them can give further information regarding the National Day of Prayer. Also, be watching next week's Enterprise for more background on the National Day of Prayer.

Senior Citizens

by T.V. Ludwick

Our Jan gave us another surprise last Thursday by displaying a penquin bird on the serving table. It poked fun at all us "snowbird" and was accompanied by a note. Now, I wonder—did you know our World Book does not list anything between penpusher and pensee, and when I tried, finally found it listed under "Flightless birds"? Do these particular species walk to Manchester or do they blow down here as in "snowbirds"? Wherever that creature came from, it made our day, thanks. Now, perhaps you'd like to know what a pensee is. "A thought or reflection put in literary form" (French). Anyway, the note instructed that it didn't pertain to even partial snowbirds, but we read it anyway. Better keep it around for a while, Jan, as the road up north is still full of "birds".

Thursday, April 28: Craft class continues at the Center beginning at 9:30. Baked fish is being served (and I won't touch that subject again for a while until I get some ideas). 12 noon is the time for senior dinners on each Tuesday and Thursday in Emanuel's dining room for all you who are 55 or older, come join us. Get your reservation in to Linda (ahead) at 428-8359, or to Jan (before 10:30 on meal days) at 428-7630. Bingo is played each Thursday afternoon at

the Center starting about 12:30. At 6 PM, senior bus begins pickup for the monthly senior sponsored card party at Freedom Township Hall at 7:30 for all the fun of playing euchre with a treat of food, fellowship and fun.

Monday, May 2: Senior bus leaves the Center at 9:30 on a shopping trip to Jackson. You may go along by calling Erma Alber at 428-8707. The sights and sounds of spring are prevalent, go along, you may hear frogs already croaking.

Tuesday, May 3: Who can resist Jan's famous Mac & Cheese? She can make macaroni taste very good, come try it. Then to the Center to help on current projects.

Thursday, May 5: Craft class begins at 9:30. Today, all of our May birthday folks will be treated to their special place of honor with perks: meals at half-price, song, cake and candles and best wishes. All you who were born in "the merry month of May" and are 55 or more are cordially invited. How many can we get out, you determine it. Senior bus picks up those who do not wish to drive in from Pleasant Lake or around the town. See you there! Just call Erma for your ride reservation and call in dinner reservations to Linda or Jan. Jan always cooks for extra—but there are times when even she can't stretch food far enough. Thanks.

Senior Birthdays, March: L-R, Wayne Willingham, Dorothy Willingham, Bud Middlemiss, Helen Kemner, Marie Gilbert, Adeline Stone, Olga Uhr.

Senior Birthdays, April: L-R, Dorothy Mann, Joyce Golightly, Lillian Uphouse, Erma Alber, Lee Allen, Elsie Hinderer, Rose Albertson.

Host: Jim Helzerman 439 - 8700

HEALTH ASSESSMENT TEAM AVAILABLE TO SENIORS

Older persons with health problems have a special resource available to them at the University of Michigan Family Practice Center in Chelsea. A team of experts from a variety of disciplines is available to provide a comprehensive health evaluation for elderly individuals who are experiencing a problem with their physical and/or psychological well-being. This team of professionals includes physicians who have special geriatric training, a social worker, nutritionist, clinical pharmacist, and geriatric nurse practitioner. Each team member conducts an assessment of the older individual and shares their findings with the assembled team. In addition to sharing the findings with the older individual and his or her family, a summary letter including specific recommendations is provided to the individual's regular physician to aid in better management of future health concerns.

Typical reasons for seeking such an assessment include failing general health, safety concerns with recent falls; appetite or weight changes; changes in personality or memory problems; consideration of nursing home placement. The full evaluation includes a home visit from the nurse practitioner and a half-day visit to the Family Practice Center to be seen by the pharmacist, nutritionist, social worker and physician. If desired, an evaluation by a single member of the team can be arranged (e.g. a nutrition assessment or a pharmacist review of medication use).

Any older person or concerned caregiver is welcome to inquire about an evaluation by calling Diane at 313-475-4487. The Family Practice Center participates fully with Medicare and other major insurance carriers.

Solid Waste - Wasted Resources?

by Marsha Johnson Chartrand

OK - so you don't recycle - or maybe you only recycle "a little". Where does your trash go?

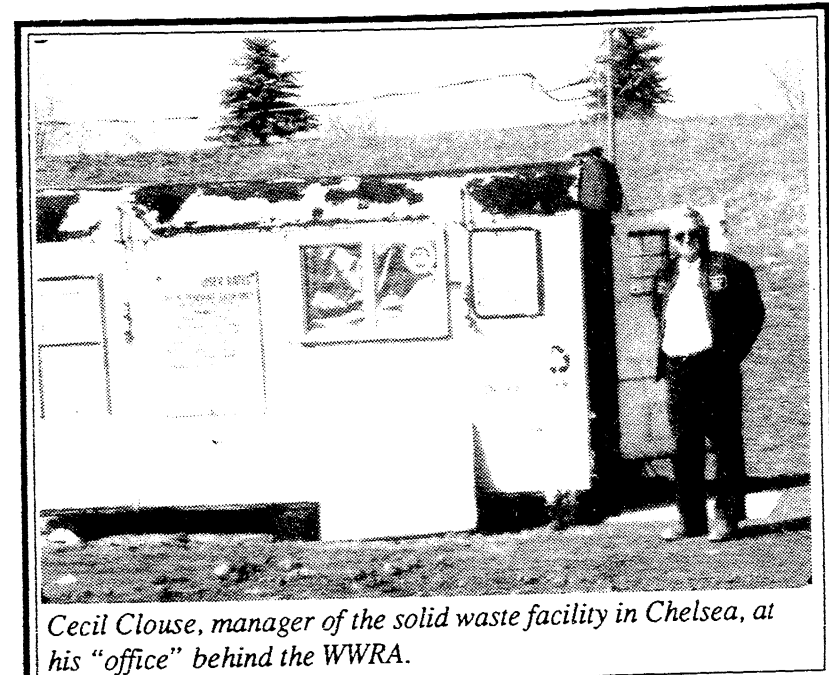

One answer, locally, is the Chelsea Solid Waste Facility. Although most of our local refuse is picked up by commercial haulers, the lone local facility to which we have access is the "old landfill", now transformed. Once known as "the dump", there is now a lot more than dumping going on here.

We interviewed Cecil Clouse, the manager of the Village of Chelsea's Solid Waste Facility, during our visit to the WWRA offices located at the same address.

As can be seen by the chart at right, there are stern rules and regulations which must be followed to make use of the Solid Waste Facility's services. That certainly does not reflect the friendly assistance which Cecil will provide, if you have questions or need consideration.

"A lot of times I will see that people are throwing away [in their household trash] a lot of things that can be recycled. When they bring a pickup load of trash, if I notice something I tell them to take it over to the recycling bins." People usually appreciate this, because it ends up saving them money on what they dump.

Where does all this garbage go? Depends from which wall you dump. "Garbage", household waste which cannot be recycled, is picked up by BFI. The building demolition materials - wood 2x4's, drywall, plaster, etc., are taken to Liberty Landfill. Scrap metal, in-

Cecil Clouse, manager of the solid waste facility in Chelsea, at his "office" behind the WWRA.

cluding bed springs, lawn mowers, bicycles and appliances, is taken to Jackson Iron & Metal for recycling.

Cecil is willing to work with people who are willing to go the "extra mile" with their refuse. He takes his position seriously - this isn't "just a dump" any more. He has plenty of anecdotes and advice for anyone who has questions or concerns. He understands what needs to be done with your trash, and will work with you to make sure it gets done. His main concern is to help people in their efforts to eliminate the waste in landfills.

Cecil reminded us, "Sure, recycling will save you money. When my wife and I started to recycle everything we could, we went from 2-3 bags of garbage a week to 2 bags per month. At a \$1.50/bag we now save over \$100 a year and help save our earth. As you can see it does not take long for the dollar's to add up. But what about the reasons why we started this in the first place?" For as long

as Cecil worked in a "landfill", he doesn't want to see us all living on top of one.

The reasons to reduce our solid waste are many. Financial as well as ecological concerns are foremost. The cost of "dumping" will certainly go higher as time goes on, to deter us from wasting precious resources. Keep up the good work - we understand the recycling homes were up to 98 last week. Let's make it over 100 next Tuesday.

Village of Chelsea Solid Waste Facility

8027 Werkner Road
Chelsea, MI 48118 (313) 475-7955

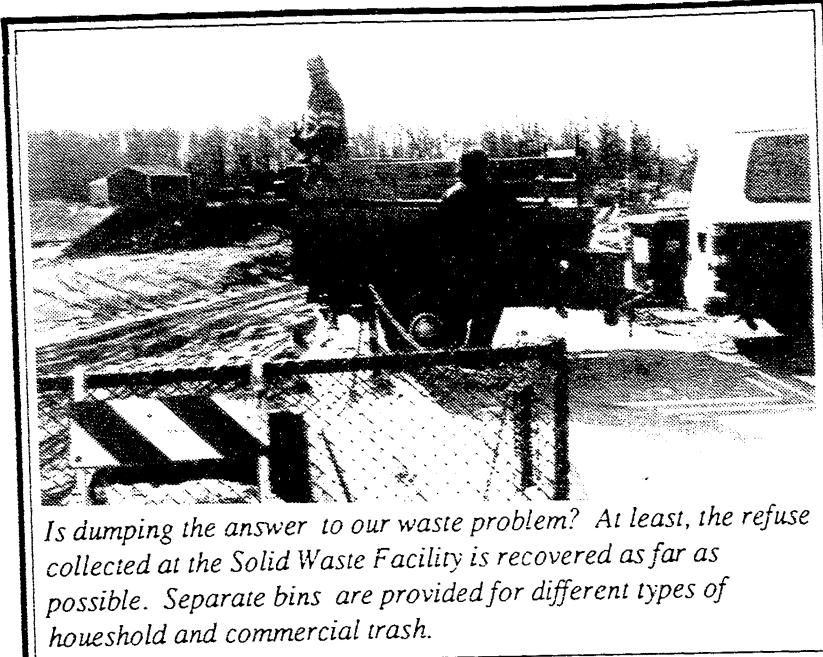

Open Hours: Tuesday, Thursday, Friday 12-4:30 pm
Saturday 9:am-4:pm

Prices

- Per 30 Gallon Bag.....\$1.50
- Pickups loose household trash, level load.....\$15.00
- all pickups, trailers & trash measured by cubic feet to determine total yards.
- all loose trash must be covered
- Building Demolition, per yard.....\$20.00
- Large Appliances, each.....\$10.00
- Refrigerators must be free of freon. You must certify that it has been evacuated; your name & address will be kept on file.
- Mattress or box spring, each.....\$5.00
- Sofas, each.....\$10.00
- Large Stuffed Chairs, each.....\$5.00

Scrap Metal must be separated from other trash and placed in the scrap metal bin.

- No Gas Tanks
- No Farm Fence
- 50 Gallon Drums or fuel tanks must have ends cut out
- No Liquids or pesticides
- All paint must be dried out in cans, or solidified
- Grass Clippings & leaves may be dumped into our compost pile at NO CHARGE; bags must be emptied and either reused or disposed of in the garbage bin.
- No stumps or brush at this time.

Is dumping the answer to our waste problem? At least, the refuse collected at the Solid Waste Facility is recovered as far as possible. Separate bins are provided for different types of household and commercial trash.

What We Throw Away Each Year in the U.S.

10 times our weight in trash or about 1.5 tons per person - a total of 146 million tons.

Enough aluminum to rebuild the entire American air fleet 71 times.

Enough steel to reconstruct Manhattan.

Enough wood and paper to heat 5 million homes for 200 years.

More than 70 billion beverage cans.

25 billion styrofoam cups.

18 billion disposable diapers made from 21 million trees.

2.5 billion disposable batteries.

More than 2 billion disposable plastic pens.

More than 260 million trees to produce the 88% of newspapers that are never recycled.

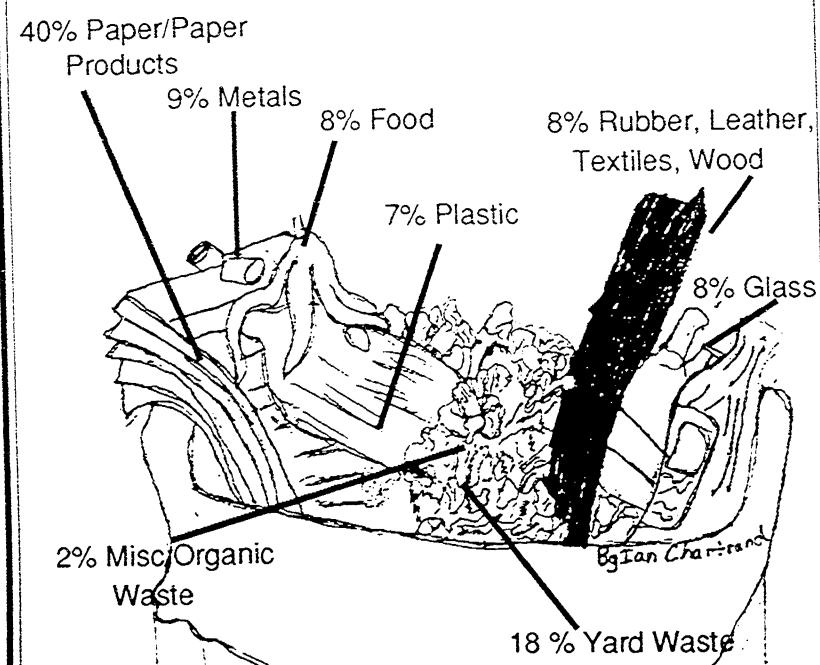

200 million automobile tires.

7.5 million TV sets, which, lined up, would reach from New York to Denver.

2 million disposable cameras, 17 million worldwide.

What's In Our Trash?

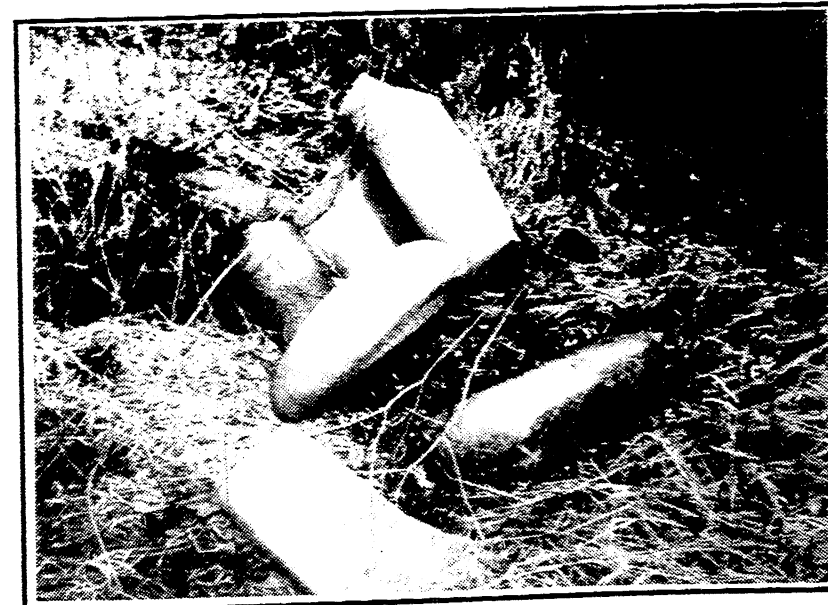

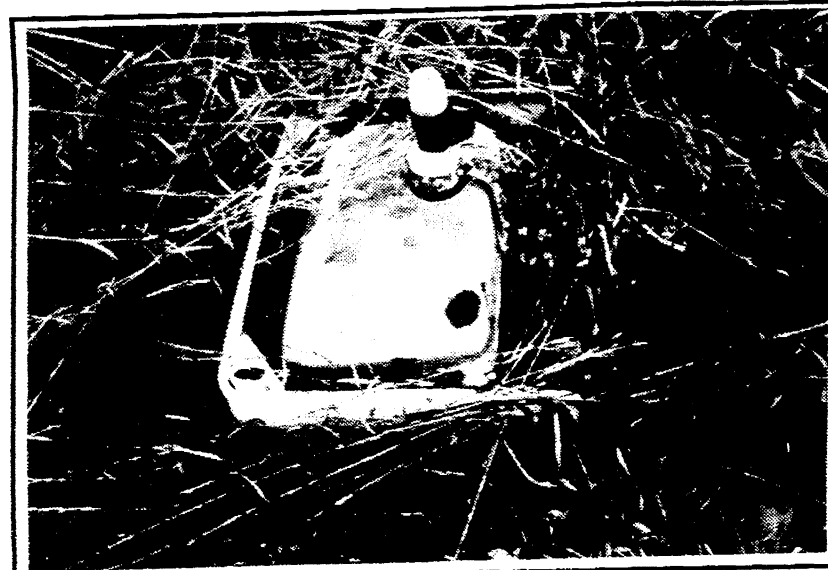

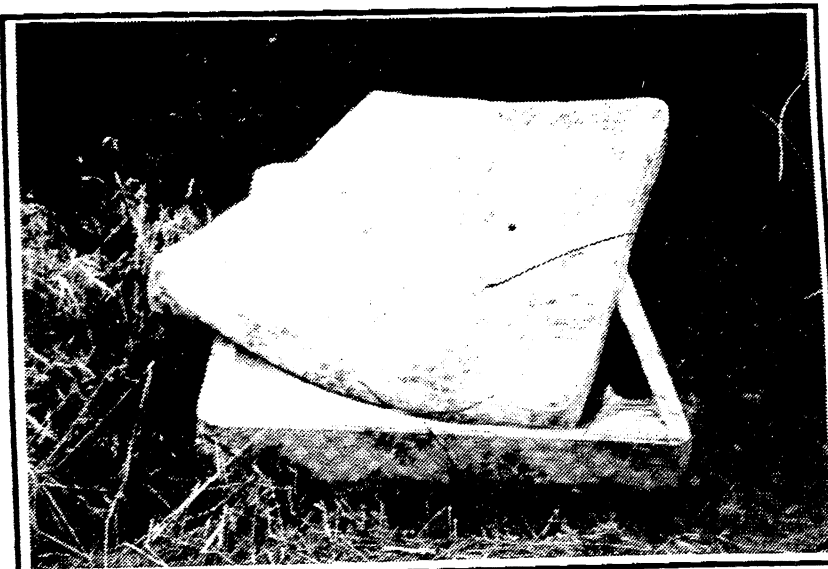

By Marsha Johnson Chartrand

Some do this...

Amanda Carey sets a good example for all of us - RECYCLE!

And some do this:

Roadside Trash

by Emory Garlick

It appears from the amount of trash being dumped along our roadsides that people are disposing of their backyard junk along some secluded township roads. We have been taking pictures along the roads and have observed some new piles of trash accumulating next to older piles of trash.

Some of the locations where trash seems to be accumulating are along Burtless east of Ely Road in the swampy area on both sides of the road. Noggles Road South of Wellwood. Sharon Hollow Road both North and south of Trolz Road. Jacob Road north of Easudes. Lima Center Road in both Freedom and Bridgewater Townships.

The accumulation seems to be wherever people could stop their vehicle, with little road traffic and little chance of being observed, and cast off their unwanted trash. The problem with that is someone else has to get rid of the offending materials.

Our local townships have very limited budgets and facilities to cope with the problem. Ron Mann, Supervisor of Manchester Township says funds are not available to pick up the junk! If you are a township resident there are two options available. 1. Take your trash to the Transfer site north of Chelsea. 2. Hire a private contractor to haul it away.

Mr. Mann said, "The neigh-

bors have the option of getting together, picking up the junk and hauling it to the transfer site. If you get with the Township before you start, and get township approval, the Township will reimburse the neighbors for the tipping fees."

Julie Schaible of Freedom Township said, "Freedom Township will have a spring trash pickup, sited at the Township Hall, on June 11th, from 9:00 AM to 2:00 PM." Mr. Rubbish has been contracted to provide a 25 cubic yard truck and a 30 cubic yard roll-off. The truck will be used for general trash. The roll-off will be used for scrap metal and appliances. Old refrigerators should have the Freon removed or have a certificate that the appliance is Freon-free.

Bridgewater Township just completed a very successful spring pickup program on April 16th. They collected two 25 cubic yard truck loads of trash and two 30 cubic yard roll-off full of heavy metals. Last November a fall pickup also collected a great deal of trash.

The April pickup just completed had as many as twenty vehicles lined up to get rid of an accumulation of unwanted treasures.

Doug Parr was pleased with the response and wants Bridgewater Township residents to know, "We have an ordinance

whereby we can prosecute persons who dump along side the roadway. If you see anyone dumping, get their license plate number or some identification if possible. We want to catch the roadside dumpers."

Sharon Township does not at the present time have a trash pickup program in the works according to Clerk, Duane Haselschwerdt.

What can be done? Contact your township officers and let them know you want to see some action on this matter. Should property owners have to live with the residue left behind by less than thoughtful neighbors? Should we just accept the answers provided us by the township officials who tell us there is "no money" or "nothing being done"? Should we stand by and let our beautiful countryside become the Washtenaw County Dump? Once something is dumped along the roadside, it seems that others find free license to do the same.

The idea of neighbors banding together to make a difference seems a good one. If you find bags of trash, don't be afraid to open them up and attempt to identify the contents. Call the perpetrators and tell them you will report them for littering.

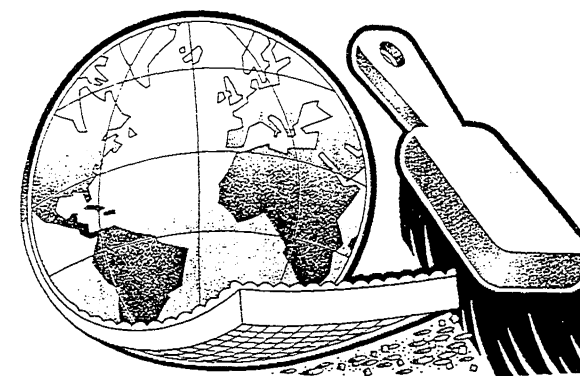

Last weekend the City of Detroit made a concerted effort to rid their neighborhoods of trash. Can we do any less?

You Can't Just Sweep It Under The Rug.

Join in the great "housekeeping" effort. Volunteer in your community!

When we mess up our one and only home—Planet Earth—it's not something we can just pretend isn't happening. We each have to take responsibility for its upkeep.

Community Scholarship Donations Solicited

"Learning is not attained by chance, it must be sought for with ardor and attended to with diligence." - Abigail Adams

Over the past few years, the MHS Student Council, with the support of the community, has been able to help many outstanding Manchester graduates attend college by providing financial assistance through the Manchester Community Scholarship. Once again, it is time to ask for contributions to this worthwhile cause.

Last year, two Community Scholarships were offered with the funds we raised and the contributions of the community members, organizations and businesses. These scholarships are an excellent way to show that this community values the potential contributions of its young people.

All applicants for the scholarship will be reviewed by a committee consisting of the high school principal, two staff members, two students, and two community members. Applicants will be evaluated and ranked on the basis of demonstration of financial need, academic achievement, and community service. The scholarship winner(s) will be announced at graduation on June 5, 1994.

Please consider sending a contribution to the 1994 Manchester Community Scholarship Fund by May 11, 1994 to:

Board of Education Summary of April 18 Meeting

Not Official Minutes The regular meeting of the board was called to order by President Sahakian at 7:46 p.m. with the Pledge of Allegiance.

The board approved the minutes of the regular session of March 21, 1994 meeting as presented.

The treasurer's report was approved with a cash balance, as of March 31, 1994 in the amount of \$1,945,452.77; total bills payable of \$2,408,884.50.

Correspondence included: A letter to Mr. Russell LeBlanc from William Bushaw of North Central Association notifying Mr. Russell LeBlanc that Manchester high School has been accredited for the 1993-94 school year.

The middle and elementary schools have received candidacy status; a fax from MASB in reference to House Bill 5128 on cost containment; an invitation to all board members from the junior/senior classes to attend their prom; a confidential letter to President Sahakian thanking those educators who assisted a family during a sensitive incident; brochures on the new volunteer program at the high school, V.I.S.A. (Volunteers Investing in Student Achievement).

Parent Marilyn Knouase voiced her concern about special education in the high school, the need for more contact time and special education personnel. The board was asked to examine the situation and develop a solution to assist students and teachers in the learning process.

The resolution to approve the South and West Washtenaw Consortium Operating Agreement was tabled until the May 16, 1994 board meeting. Mr. Dave Mieras, Assistant Superintendent for Area Programming, discussed the agreement and the 1993-94 budget.

Board members approved the reproductive health curriculum as presented and approved the implementation of the "Growing Up Program" for the 1993-94 school year. Cara Weissman, instru-

mental music teacher for the middle and high schools, has been placed on continuing second year probation; Suzanne Birgy, kindergarten teacher, has been placed on tenure effective the end of the 1993-94 school year.

The contract of social worker William Kindt has been extended for the 1994-95 school year.

Administrative contracts for Yvonne Henry, Elementary Principal; Brian Schick, Middle School Principal; Russell LeBlanc, High School Principal; and David Swanson, Director of Athletics/Student Services, have been extended to June 30, 1996.

The resignation of Peggy Townsend as mail carrier has been accepted effective April 5, 1994.

Board members adopted the resolution setting matters to be voted upon at the annual school election. The resolution includes the operating millage proposition non-homestead property tax which will allow the school district to levy not more than the statutory rate of 18 mills for a period of ten (10) years against non-homestead property required for school district to receive its revenue per pupil foundation guarantee. The election of two board members for four year terms will also be voted upon. Nominees include Michael Gleason, Patricia Sahakian, Sonja Schulz and Joseph Turk.

Mr. Russell LeBlanc and Mr. Jim Fielder presented a recommendation from the math department and Curriculum Council regarding expectations for student and MEAP preparation.

Mr. David Swanson was in attendance and presented the winter athletic report.

An update on core curriculum was presented by Superintendent Niedzwiecki.

Ms. Harriet Amsler, high school media specialist, presented a progress report on the Technological Committee.

Discussion took place on the tentative bond issue for September, 1994. Board

members authorized the superintendent to obtain further information on the development of this issue.

Wayne Winzenz notified board members of the benefit banquet for the Manchester area Community Resource Center on April 27, 1994. The banquet will be held at Chelsea Community Hospital.

The meeting adjourned at 10:38 p.m.

ATTENTION Parents of pre-schoolers: If your child will be five years old on or before December 1, 1994, he or she will be eligible to attend kindergarten in the fall. Kindergarten Round Up will be held on Friday, May 6, 1994. To register for a time, please call the office at Klager Elementary School, 428-8321. Kindergarteners must be registered to attend the Round Up! Both parents and children will learn about the Kindergarten program at Kindergarten Round Up - so call to register and then attend a very special day for your five-year-old! Hartmann-Feldkamp Engagement Announced

Heather Lynn Hartmann and Steven Gordon Feldkamp are engaged, and plan to be married in June 1994.

The daughter of Linda and James Hartmann of Manchester, Heather is a graduate of Manchester High School and is enrolled at Washtenaw Community College in the early elementary education program. She is employed as an accounting clerk at University of Michigan Hospitals.

Steve, the son of Gini and Eugene Feldkamp of Saline, graduated from Saline High School and is a self-employed farmer.

The couple plans to reside in the Saline area following their wedding.

Ben Lowery - National Merit Finalist

The National Merit Scholarship Corporation has completed its evaluation of the semifinalists named in the fall of 1993 and has determined those who have qualified as finalists in the competition for Merit Scholarship to be awarded this spring. Throughout the country there are approximately 14,000 finalists who were being considered for some 6,500 Merit Scholarships to be awarded in 1994.

Manchester High School is very proud to announce that Ben Lowery, son of Mary and David Lowery has been awarded finalist status. This accomplishment places Ben in a very select group who represent fewer than one-half of one percent of American high school students.

Over one million students entered the competition in the fall of 1992 by taking the PSAT (Preliminary Scholastic Aptitude Test) in their junior year.

Semifinalists were announced in September, 1993 and then had to document high academic performance throughout high school, receive the recommendation of their principals, confirm their earlier test score by taking a second test (the SAT), and provide considerable information about their interests, accomplishments, and goals. With all of this information at his disposal, the National Merit Scholarship Corporation selected the 14,000 finalists.

Ben is a senior at Manchester High School. He ranks second in his class with a 3.98 grade point average. While in high school, Ben has been a member of the Quiz Bowl Team, the English and Mathematics Academic Games Teams, and the National Honor Society. Ben has been a member of the varsity golf team for the past four years. Ben is interested in attending the University of Michigan and plans to major in engineering.

MIDWEST FORD

Receives Distinguished Achievement Award for

Midwest Ford of Manchester has received a Distinguished Achievement Award from Ford Motor Company for this year.

The Plaque reads: "This dealership has been selected by its customers to receive Ford Motor Company's Distinguished Achievement Award for Quality in customer satisfaction."

Only a small percentage of Ford Dealers receive this distinguished award, and Greg and Kathleen Marvin, owners, will be honored at a dinner reception at the Roostertail in Detroit on May 7th.

"We have been working continually, in all departments, trying to do the job right," said Marvin. "This results in increased owner loyalty, referrals and a reputation for outstanding customer service."

Congratulations to the Marvins and their staff for a job well done.

THE EXCHANGE PLACE

It has been brought to our attention here at the Enterprise that there needs to be a clearing house for work. (i.e. lawn mowing, babysitting, window washing, etc.) Attention Kids! Elders too! Starting MAY 1, 1994, there will be a new place to advertise your willingness to work, or your need to have someone do it for you.

Summer Speech Program

Help your child's speech and language skills continue to grow.

- Six-week group sessions, July 5-Aug. 15, two times each week
• Individual Speech and Occupational Therapy sessions available, June 13-Aug. 19
• Insurance may cover cost of program

Club News

Manchester Area Historical Society

The Manchester Area Historical Society held its monthly meeting on Tuesday, April 19, at the Blacksmith Shop. Ted Micka gave a slide presentation on restoring old barns. He showed us what the barns looked like when he arrived on the scene, the work as it progressed, and the end result, including the cost. He works on a time and materials basis because many jobs are more complicated than they appear at the outset.

Most of the damage to old buildings is caused by water, although the walls and posts in barn basements will lean from years of driving up the ramp and from frost. We saw great pictures of rotting wood, broken beams and joints, and leaning posts. It

was very interesting to see how he splices in new beams, pushes and pulls leaning walls so they are straight again, installs new footings for posts, and fabricates braces and brackets from steel to hold the barns together and in an upright position.

On a lighter note, Ted showed us some of the things he has to contend with over which he has no control - sheep, dogs, cows, horses and mud. On one occasion he had a fan going to draw away some dust and a horse stood in front of it cooling himself.

At the May 17 meeting, Glenn Lehr and Rose Jacob Winright will talk about growing up in and around Manchester. Everyone is invited to come.

Twentieth Century Club

It was an evening of fun and games with a gambling casino theme for the Twentieth Century Club at St. Mary's Church last Tuesday. Mary Blossom and Maggie Tapping were in charge with each member being provided with chips to venture bets in a range of games of chance and skill. However, there was business to tend to first with routine committee reports and, importantly, a vote to disperse real monies from the club's projects fund. Three \$300 gifts were made: 1) to the library for new reference books and additions to the American Classics Collection, a series made available to libraries nation-wide at reduced cost by a grant from the Mellon Foundation; 2) to the Men's Club for Char-bro Park improvements; and 3) to the Rescue Squad of the fire department for needed equipment.

The meeting culminated the year's programs devoted to the aims and activities of the many social and community service organizations in Manchester.

**La Leche League of
Western Washtenaw County**

Mothers of LLL of Western Washtenaw County, L-R: Diana Newman, Karen Thornton, Rose Kurkowski, Debbie Corrazol, Leader Sharon Carpenter, Adele McHenry, Rhonda Carpenter

La Leche League of Western Washtenaw County is proud to announce the accreditation of a new Leader. Sharon Carpenter, of Gregory, was recently certified as a La Leche League Leader.

As a Leader, Sharon counsels nursing mothers on the telephone or at monthly meetings. As a breastfeeding mom herself, she is uniquely qualified to give the mother-to-mother assistance for which La Leche League is noted.

La Leche League was founded in 1956 in Franklin

Park, Illinois, and is still headquartered in the Chicago area.

Other local Leaders are Ellen Renwick of Chelsea and Marsha Chartrand of Manchester. For breastfeeding information, support or encouragement at any time, or to find out about local meetings, you may contact any of the Leaders: Sharon (313) 498-3375; Ellen (313) 475-3092; or Marsha (313) 428-8831. To hear a recorded message about La Leche League, please call (313) 994-0113.

Shakespeare Club

The Shakespeare Reading Club met last Tuesday afternoon with Sallie Anderson. A shortened business meeting and dispensing with the usual period for discussion of current events, allowed time for viewing a new Samuel Goldwyn Renaissance Film of Shakespeare's "Much Ado About Nothing." Specially adapted for film by producer and actor Kenneth Branagh, it starred both him and his wife Emma Thompson in the lead roles of Beatrice and Benedick. The couple have also played the lead role in the Kenneth Branagh production of Henry the Fifth.

The next meeting arranged by Annette van der Schalie will be a tour of the wild flower garden at U of M's Matthei Botanical Gardens.

The American Legion Auxiliary

The American Legion Auxiliary met at the Legion Home on April 13, 1994 with 21 members present. The meeting was called to order by President Joanne Schiel. Roll Call was taken by the Secretary and the minutes of the March 9 meeting were read, corrected and approved.

Six ladies traveled to Ann Arbor V.A. Hospital on Saturday, March 12th for the spring bingo party. Forty/fifty patients enjoyed the bingo including snacks furnished by our Unit. Each patient was furnished a coupon book (good for redemption in hospital gift shop) upon arrival in the auditorium and each winner thereafter. Another highly successful endeavor ladies.

Poppies are in and we will be looking for volunteers to distribute same on Friday, May 13th.

Annual Reports are due by Committee Chairman. We will meet Wednesday, April 20th at 7:00 p.m. at the Legion Home to complete same.

Ronald McDonald House is again in need of donations. The list, to name a few, includes canned/boxed food, office supplies, paper products and miscellaneous games (new). Please make a note to bring a donation at the May meeting for this worthy cause.

The May meeting will be initiation meeting. We will have a complete potluck for this occasion in the Hall. Please bring a passing dish and your own table service. Refreshment committee for May meeting will be Cindy Wurster, Hattie Carson and Doris Carson.

The meeting was adjourned at 8:45 p.m. with a prayer by our Chaplain, Vivian Middlemiss.

May You Have

- Enough happiness to keep you sweet.
- Enough trials to keep you strong.
- Enough sorrow to keep you human.
- Enough hope to keep you happy.
- Enough failure to keep you humble.
- Enough success to keep you eager.
- Enough friends to give you comfort.
- Enough wealth to meet your needs.
- Enough enthusiasm to look forward.
- Enough faith to banish depression.
- Enough determination to make each day better than yesterday.

Announcements

NOTICE

The Norvell Township Cemetery Crews will be cleaning the Norvell Township Cemetery May 2 through May 6, 1994. All flowers and decorations, whether new or old, will be removed and discarded. If anyone has placed new decorations and would like them preserved, please remove them and replace them the following week. If you have any questions, please contact me at the Norvell Township Office during regular business hours., 517-536-4370.

Also, Norvell Township has a cemetery ordinance that does not allow any shrubs or bushes on cemetery lots. If any are planted, cemetery crews will remove and discard them.

Gloria Hubbell
Norvell Twp. Clerk.

Washtenaw Community College Celebrates the Month of the Young Child

April is the time for rain showers, income tax returns, baseball games, and throughout the nation, it's time to celebrate "The Month of the Young Child". Throughout the month, special activities are planned at Washtenaw Community College to educate the public regarding the needs of young children and their families, and to celebrate the hard work and dedication of child care staff and mothers and fathers everywhere. WCC's Children's Center staff and children will sponsor several events. Purple ribbons will be available for people to "Wear their True Colors". Wearing these ribbons demonstrates a commitment to young children and their families, and support for improving opportunities for them. Ribbons can be obtained by calling the Children's Center at (313) 973-3538. On April 1 the wall outside WCC's Artists' Gallery Dining Room will come alive in a rainbow of colors as the children's artistic talents are showcased. The exhibit, titled "The Way Children Work and Learn", includes children's artwork from all five Children's Center rooms. There will also be two displays in the Learning Resource Center. The first is a wall cabinet display of children's art work, posters and early childhood books from the LRC collection. The second is a table display of multicultural learning materials for preschool children. Other scheduled events include a grandparent and student dessert on April 5, an Open House during the month for each classroom as well as a brunch on April 22 to honor and recognize the staff and teachers.

April 13 will be "International Children's Day" on campus. Children and parents will wear ethnic clothes and sing songs reflecting various cultures beginning at a 10:30 a.m. gathering.

Stories and songs will entertain the children and their families on April 21 when a former teacher at the Children's Center, Yarrow Halstead, will be the honored guest. Halstead is currently employed at Eastern Michigan University.

News from Chelsea Community Hospital

Ed Humenay, long time resident of Chelsea, and employee of Chelsea Community Hospital and Chelsea Arbor Treatment Center, was awarded the Hardee Bethea Award by the Kresge Alumni for his long term contributions to the recovering community and the field of substance abuse. Humenay, father of five, currently works as a substance abuse therapist for Chelsea Arbor's office in Jackson, the Older Adult Recovery Center in Ann Arbor, and has a private practice here in Chelsea. Also honored were Connie Emry, Betty Earle and Peggy Tiedeman.

CHELSEA COMMUNITY HOSPITAL is presenting a FREE substance abuse lecture Thursday, April 28, 1994 beginning 7:15 p.m. in the Hospital's Main Dining Room. The lecture, "Effects of Addictions on the Family" by Fred Prezioso, M.A., will discuss how the use of alcohol or other drugs by one family member can affect the lives of other family members, distorting communication and relationship patterns. Positive solutions will be offered. These lectures are ongoing. Self-help meetings take place immediately following the lecture. Inter-

preted for the hearing impaired the second Thursday of each month. For more information call the Chelsea Arbor Treatment Center, 313/475-4100.

A new approach to smoking cessation "The Smokeless System", is being offered by CHELSEA COMMUNITY HOSPITAL with a FREE introductory session Monday, May 9, 7:00-8:00 p.m. Classes continue May 16, 17, 18 and 19 with a maintenance session May 23 and 25. These classes are in the Hospital's Woodland Room B. Introduction FREE; session fees vary. Care Choices Health Plan participants reimbursed 50% of fee after meeting all class requirements. For more information and to register call the Education Department, 313/475-3935.

Find out how to reduce or eliminate stress from your life with CHELSEA COMMUNITY HOSPITAL'S Stress Management class. Meets in the Hospital's Volunteer Room. Care Choices Health Plan participants are reimbursed 50% of fee after meeting all class requirements. For more information and to register call the Education Department (313) 475-3935.

Tours at Matthei Botanical Gardens

The Docents of the Matthei Botanical Gardens invite you to discover the world of plants through guided trail and Conservatory tours during the month of May.

This month's free walk is titled, "Spring Wildflowers" and will take place Saturday, May 7 and Sunday, May 8 at 2 p.m. Dress for the weather and meet Docent guides on the front steps of the Matthei Botanical Gardens.

Indoor Conservatory tours are \$2 general admission and this month titled, "Pollination." Tours will be Saturday, May 14, 21 and 28 at 10:30 a.m. and 2:00 p.m. and Sunday, May 15, 22 and 29 at 2:00 p.m. Sign-in at the front lobby reception desk prior to the tour.

The Matthei Botanical Gardens is located at 1800 North Dixboro Road, Ann Arbor, MI; 2 1/2 miles north of the Geddes Road intersection.

Pinewood Derby

Castleberry.

Den #4: Michael Chapin, Lance Aiken, Andrew Coutts.

Den #5: Matt Callaway, Andrew Mahony, Chris Ecarus, Terris Ahrens, Bryce Dettloff, Buddy Lucas, Pat Spensley & Sean Montie.

Den #6: Graham Parker-Finger, Jacob Bauer, Joey Williams, Dan Polenz & Dale Becker.

Den #7: Andrew Roberts, Brandon Lentz, Michael Kennedy & Devin Golka.

Den #8: Tyler Harvey, Phil Hughes, David Evilsizer, David Kunzelman, Ben Wojtas, Craig Lane, Adam DeConnick & Matt Hinterman.

Den #9: Anthony Neal, Jarod Seltenright, Chris Maly, Justin Tinkle, Mike Fuerstnau & Chris Roberts.

Den #10: Casey Preuninger, Clint Grenier, Chris Loud & William Cole.

Thanks to all of you Scouts for the great job on your cars, and most importantly, your good sportmanship.

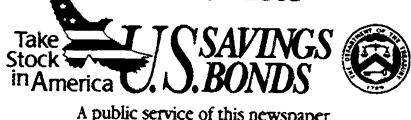

After a great race with only a few minor problems, and with all the tension and excitement, we were cleaned up and out of there by 2:30 pm. Pinewood Derby Chairman David Roberts would like to personally thank the committee: Mark Roberts, Herb Mahony, Phil Maly, Lou Grenier, Scott Preuninger, Ben Grenier and Ted Roberts for making race day go so smoothly, and also to all of the Den Leaders, parents and/or anyone who helped a Scout with his car. Everyone's effort does make this as great an event as it should be!

- David W. Roberts,
Pinewood Derby Chairman

Spring is nature
taking up its
option on the world.

The ABCs of the Environment

15 TERMS EVERYONE WHO CARES ABOUT THE ENVIRONMENT SHOULD KNOW

BIODEGRADABLE MATERIAL: Waste material that can be broken down through a natural process, such as assimilation into the environment or consumption by living organisms.

CONSERVATION: The controlled use and protection of natural resources, such as trees and water, to prevent exploitation.

COMPOSTING: The controlled microbial decomposition of organic matter, such as food scraps or yard trimmings (grass clippings, leaves, twigs, branches, etc.), in the presence of oxygen into a soil-like material. Compost can be used as fertilizer.

HAZARDOUS WASTE: Chemicals, paints, cleaners, and other toxic waste materials generated by industries and households that are harmful to the environment; these materials must be safely contained or disposed of to prevent environmental problems such as water pollution.

INCINERATION: The controlled burning of municipal solid waste to reduce volume and, commonly, to generate electricity.

INTEGRATED WASTE MANAGEMENT: A process that uses a variety of complementary practices to handle municipal solid waste safely and effectively, including source reduction, reuse, recycling, landfilling, and incineration.

LANDFILL: A land disposal site for solid waste. New landfills are designed with a variety of waste containment systems, such as liners, caps and leachate collection pipes.

LEACHATE: A solution formed when liquid percolates through a landfill, dissolving solid waste. Leachate is a major cause of water pollution. You learn something new everyday!

MUNICIPAL SOLID WASTE: Waste generated in households, commercial establishments, institutions, and businesses. Includes used paper, discarded cans and bottles, food scraps, and yard trimmings.

PRE-CONSUMER MATERIALS: Recovered materials obtained from manufacturers to be used in manufacturing a new product.

POST-CONSUMER CONTENT: Recovered materials from a consumer recycling system or drop-off center that make up a percentage of the materials used in manufacturing a new product.

RECYCLABLE: Products or materials that can be collected, separated, and processed to be used as raw materials in the manufacturing of new products.

RECYCLE: To reprocess solid waste into materials that can be used in the manufacturing of new products.

REUSE: To use a product more than once without changing its original form. Reusing products saves the natural resources and energy it takes to manufacture a new product and prevents waste generation.

SOURCE REDUCTION: The process of reducing waste generation from the source — the manufacturer — by using fewer raw materials and natural resources.
