

Club News

Brownie Troop 120 and their siblings enjoyed a field trip to Wagner Farms in Bridgewater where Walt and Deb Jercy shared their menagerie of chickens, cats, dogs, rabbits and of course, the horses. The girls had a great time learning about horses and the responsibilities involved in caring for them.

Men's Club Adopt-A-Highway Program

The Manchester Men's Club was noted picking up garbage along M-52 south of Manchester on Friday, April 29th. This is the third year that the Men's Club has done the Adopt-A-Highway project. They were assisted this year by the Boy Scouts, and about thirty people turned out for this clean-up effort. Total time was about an hour and a half, and over 35 bags of garbage were counted alongside the highway.

Congratulations to the Men's Club and the Boy Scouts, for their dedication to the community and their commitment to a cleaner environment.

Key Club Installs 1994-95 Officers

On Sunday evening, May 1, 1994, Manchester High School Key Club installed their new officers for the 1994-95 school year. The following officers were installed by out-going President, Jodi Armentrout:

Treasurer, Mary Lobbestael; Secretary, Joelle Armentrout; Vice-President, Andrea Clark; and President, Sarah Feldkamp.

The installation was followed by refreshments and fellowship.

-Joelle Armentrout, secretary

28th Amateur Canoe Race

The Manchester Recreation Task Force sponsors the River Raisin Canoe Race on May 15, 1994. The race begins at Fellows Bridge on Sharon Valley Road, and ends at the Main Street Bridge. Entry fee is \$7.50 per person, until Friday May 13 at 4:00 pm. Late Entries may register at the starting line on Sunday at 11:00 am.

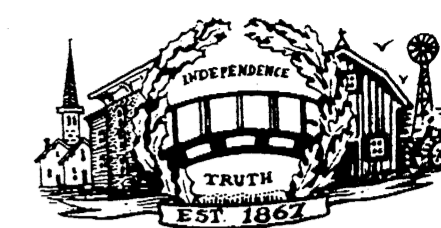

Races begin with Women's Class at 1:00 pm. Other classes are Choose Partner, Man and Woman, Adult and Child, Competition, Single and Sprint (held after the completion of all races).

Canoe rentals are available for the race from the Sharon Hollow Acres Canoe Livery. For reservations, call the Livery at 428-0100.

For further information on the Canoe Race, please contact the Community Resource Center at 428-7722 between 9-4 Monday -Friday.

DPW WEEK

Members of the DPW Crew Work on a Water Main Break last week.

May 15 through May 21 is National DPW Week. The Village of Manchester is blessed with five dedicated DPW Employees: Gary Wiedmayer, Ed Townsend, Robert Ross, Louis Leeson and Todd Knepper.

They are responsible for keeping the streets passable in the winter and clean the rest of the year.

Your water and sewer systems are kept running and state of the art by these people. Few people realize the work done by these men, and fewer still acknowledge the great job they do.

So, if you see the orange Village trucks, or our DPW "men in blue", the week of May 15th, take the time to give them a "pat on the back" for a job well done. Everyone appreciates a kind word now and then!

DANGEROUS BUILDING HEARING TO BE HELD

Clean Up Has Begun at 223 Riverside Drive - for How Long?

A hearing will be held on Monday, May 16, at 7:45 p.m. regarding the "Old Day House" at 223 Riverside Drive.

The purpose of the hearing is to provide the owner with an opportunity to show cause before Council why the building should not be demolished. It has been ordered to be demolished within thirty days; but if the owner can show cause, renovation may remain a possibility.

Clean-up efforts have begun; a dumpster was brought in last week and a hired crew started hauling junk from outside the house.

The yard has been cleared and trash taken off the porch, as promised by the owner.

Since the owner has initiated clean-up, will the Village Council let this one ride, and possibly become a second "Black Sheep"? Let us hope not.

Sir Oliver's Pizza Owner Hospitalized

Chris Moyle, owner of the new Sir Oliver's Pizza on Main Street, was hospitalized after an apparent heart attack last Friday.

Chris is in intensive care at U-M hospital. Details of his condition were sketchy at press time. It is understood that an angioplasty was performed on Monday.

Despite this misfortune, the staff from his Jackson store is continuing to run the business, including hiring additional staff.

Keep Chris and his family in your thoughts during this time.

ARBOR DAY Celebration in Manchester

"A people without children would face a hopeless future; a country without trees is almost as hopeless."

- Theodore Roosevelt

It has been more than 100 years since J. Sterling Morton founded Arbor Day. His simple idea of setting aside a special day for tree planting is now more important than ever. It is in that spirit that the Village of Manchester, and the Village Tree Board, made a decision to celebrate the oft-forgotten holiday of Arbor Day.

Arbor Day is most frequently celebrated during the third week of April (and is now celebrated concurrently with Earth Day in some communities). But the National Arbor Day Foundation suggests that Arbor Day be held to coincide with the best tree-planting weather; whether that be January or February in the south, or May in the north.

Sybil Kolon, Community Forestry Consultant to the Manchester Tree Board, has assisted the Board in obtaining a grant which purchased sixteen trees to be planted in Riverbend Estates. The official Arbor Day Celebration will be held this Saturday, May 14th, at 10:00 am, to plant, with a bit of ceremony, one of the trees obtained with the grant money. Local Boy and Girl Scouts, Community Leaders, and organizations are all encouraged to attend the ceremony on Riverbend Drive. The Manchester Tree Board consists of Sybil Kolon, Consultant; Bill Kwolek, Chairman; Jack Conaway, Council Rep; Tom Kallewaard, Treasurer; Jane Cooper; Karen Hinkley; and Dave Chartrand.

The public is also invited to participate in this tree planting celebration. In order to become a "Tree City, USA", a town must fulfill certain requirements, one of which is having an annual Arbor Day celebration. Certainly Manchester is well on our way to becoming a "Tree City", and YOUR participation is an important part of the event. See you there!

MANCHESTER ENTERPRISE Second Front Page: Manchester Sportsmen's Club

A Sporting Good Time

by Mike & Diane Hughes

MANCHESTER SPORTSMAN CLUB TO HOLD OPEN HOUSE MAY 22, 1994

The Manchester Sportsman Club is holding an open house on May 22, 1994 at the club house on Grossman Road, west of Manchester, south of Austin Road.

It is our desire to promote new members from the community, and to let the people of Manchester know what activities are available or what can be made available if members, new and "old", want to put in the time and effort to promote an activity that is of interest to them.

The first official meeting was held on July 30, 1953. The name, "Manchester Sportsman Club", was officially adopted on August 27, 1953. There were 218 members that year. In April, 1955 the members purchased twenty acres for \$2000.00; \$1000.00 down with the balance due in 90 days. The required money was borrowed from the membership. The gun range was established in September, 1955 and is still there today. Our first Hunter Safety class was on September 27, 1962, held at the Manchester High School. Construction of the club house was started in January, 1963. The first meeting held at the new club house was on October 24, 1963.

In February, 1964 the club sponsored a fox hunt. The result of that hunt was three foxes "and one Ford." (Maybe some of you older members can explain about the bagged Ford.) The first addition to the club house took place in 1987, followed by another addition in 1991, bringing the total square footage to over 5000 square feet.

In the past we have held fund raisers such as raffles, bake sales, auctions, card parties, 50-50 drawings, and dances to acquire money to support the club and sporting activities. Today our fund-raising activity is in the form of bingo, which is held every Friday, rather than several scattered events throughout the year. A few of the items that bingo has allowed us to do are: purchase a new electric trap, move the trap and put in cement pads, gravel the parking lot, and pay for the new additions to the building.

Activities we have had in the past, presently hold, or could have in the future are 3-D archery, trap shooting, smokeless powder shoots, turkey shoots, camping, picnics, dances, and social gatherings.

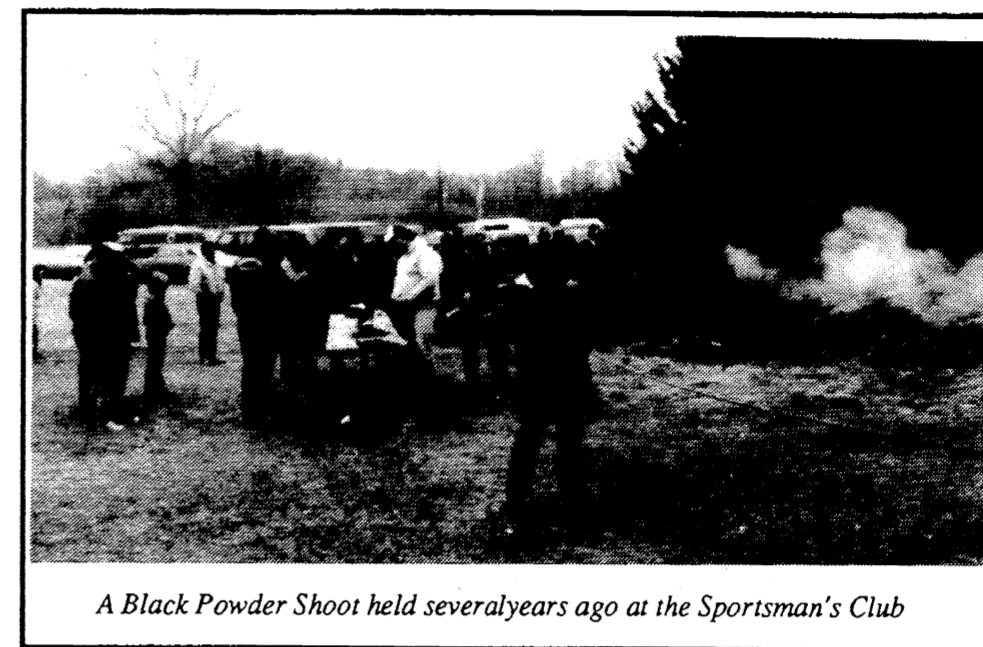

Hunter Safety Classes are held every year. Anyone born in Michigan after January 1, 1960 must pass a Hunter Safety Program prior to receiving their first hunting license.

We send one or two members' children to Michigan

United Conservation Clubs' Youth Camp each year. We subscribe to MUCC's publication TRACKS for approximately 60 students in the middle school. The boy scouts as well as the girl scouts use the grounds for cook outs and other scouting activities. What is available or could be available at the club is only limited by whether we have people with the initiative to promote and run whatever activity is of interest to them.

Other sportsman clubs in the area may cost close to \$100 for annual membership fees and require the members to work for the club forty hours or more per

year to be a member in good standing. The Manchester Sportsman Club does not require that an individual work a certain amount of hours to be a member in good standing. However, it would be in a member's interest to work four hours in some ca-

A Black Powder Shoot held several years ago at the Sportsman's Club

the year devoting their energies toward activities that are of interest to them.

After paying the initiation fee of \$25, for twenty dollars a year and a few hours work at our big fund raiser, one could have a very nice and active sportsmen's club very close to home. With the present political climate it is getting harder and harder to find a place where we can safely practice shooting skills as well as getting our children interested in these activities. If shooting activities do not interest you, then perhaps just having twenty acres available to you does, whether for camping, cookouts, a place to get away from town, or someplace to socialize with other people.

Stop by on the 22nd of May to visit with us from 1:30 pm to 4:30 pm and see what is or can be available for today's outdoor sportsman.

Editorial / Opinion

This letter is in response to your editorial on the April Board meeting.

I give a round of applause for Pat Sahakian for being the only board member to openly acknowledge the pressing need for expansion at Klager Elementary (you have acknowledged it in the past).

It may not be the popular view at the present time but all anyone has to do is to visit Klager to see it is bursting at the seams. Since real bodies were used to project the increase in the number of students expected to attend Klager when the last bond issue went up before the voters, the projection of increase has been fairly accurate. Perhaps a new future head count would open a few people's eyes to the fact that this community is indeed growing.

As a parent with two children presently attending Klager and a three year old, the prospect of my child having class in the lobby of the building (as proposed in the Ann Arbor News on April 20 as a possible solution to overcrowding) horrifies me. The children at Klager now have more than enough overcrowding to deal with. They will be dealing with new overcrowding problems next year because of the extra kindergarten this year and a possible extra next year. Possible loss of music or music on wheels [pretty disruptive to the class on the other side of the partitioned rooms].

Spending money to expand the schools will not end with Klager. Each building will need to accommodate the increase in children and technology. We need to start somewhere and we need to start now. The same board members who try to protect their positions by denying the needs of the students in this community will be the same people this community will point out as the ones who failed to try to meet the student's future needs. (Especially if it's their child or grandchild at Klager when it happens).

Voters may have given an indication they have been taxed enough; but the issue in front of us is a bond for larger schools - not just another tax to cushion school overspending. Proposal A will not help build schools. The results could be seen by the community and felt by the students. At least give the community a chance to do what is right for the children before we reach a point of desperation. A united Board of Education putting important issues of the school's future in front of voters before a crisis arises should be expected anywhere. Beverly Dettloff

VILLAGE OF MANCHESTER NOTICE OF PUBLIC HEARING ZONING BOARD OF APPEALS MAY 16, 1994 7:30 P.M.

Notice is hereby given that the Manchester Village Zoning Board of Appeals will hold a public hearing on Monday, May 16, 1994 at 7:30 p.m. in the Village Hall, 120 S. Clinton Street, Manchester, Michigan.

The purpose of the public hearing is to hear comments on the dimensional variance request of Jeff and Pam Wallace prior to the Board of Appeals resolution of approval or disapproval. The request asks for a rear yard and a side yard setback variance to allow construction of a garage on the property located at 407 E. Main Street.

If you are unable to attend the public hearing and would like to comment on the variance request, you may send written comments to Karen Tucker, Village Clerk, 120 S. Clinton Street, Manchester, Michigan 48158, or deliver them in person to the Village Hall, by 4:00 p.m. on Monday, May 16, 1994.

Karen Tucker
Village Clerk

NOTICE OF HEARING BEFORE THE VILLAGE COUNCIL UNSAFE/DANGEROUS BUILDING HEARING MAY 16, 1994 7:45 P.M.

Pursuant to Dangerous Building Ordinance #207 of the Manchester Village Code, a hearing reviewing the findings and order of the Village of Manchester Hearing Officer regarding land and premises situated at 223 Riverside Dr., within the Village of Manchester, will be held on Monday, May 16, 1994 at 7:45 p.m. at the Village Hall.

The purpose of the hearing is to provide the owner with an opportunity to show cause before the Village Council why the said building should not be demolished or otherwise made safe.

NOTICE SHARON TOWNSHIP RESIDENTS

The Sharon Township Board wishes to advise all residents that Treasurer Rita Burkhardt has submitted her resignation effective, June 30, 1994 the end of this fiscal year.

An appointment will be made by The Township Board to this position for the remainder of this term which will end on November 20, 1996. An appointee may seek a new 4 year term in the 1996 elections if he or she desires.

Applications in writing will be accepted immediately. An applicant must be a registered township resident. Any pertinent information regarding education, experience, or other facts would be appreciated when filing an application. Any questions, please call Duane Haselschwerdt, Township Clerk at 428-7733. Also, mail all applications to the clerk at 8440 M-52, Manchester 48158.

Thank you.

Public Hearing on Zoning Ordinance Amendment

Freedom Township Planning Commission Monday, May 23, 1994 8:00 p.m.
Freedom Town Hall
11508 Pleasant Lake Road.

An amendment to Section 24.04 and 24.07 of the Freedom Township Zoning Ordinance to correct errors is proposed by the Planning Commission. Section 24.04 - Powers and Duties of Board of Appeals, should not include authority over "conditional use permits." In Section 24.07 the term "Building Inspector" should be changed to "Zoning Inspector". The proposed text change may be examined any evening at the secretary's residence, 10955 Hieber Road. Please call ahead - 428-8222.

The public is invited to attend the hearing.
Secretary, Bob Miller

Public Hearing and Meeting

Freedom Township Planning Commission Monday, May 23, 1994

The Freedom Township Planning Commission will hold a public hearing on Tuesday May 23, 1994 at 8:00 pm at the Freedom Town Hall, 11508 Pleasant Lake Road to give formal consideration to a conditional use permit request by the Thompson-McCully Co. The request is for mineral extraction on 152.45 acres between Esch and Kothe Roads, specifically Section 30, TS3, R4E.

Written comments may be mailed or delivered to the secretary prior to the public hearing.

The public is invited.

THE ANNUAL NATIONAL DAY OF PRAYER

They came in cars, on foot, on bikes and even in strollers. They came from many churches and faiths. Nearly forty folks of all ages stood at the flagpole in Wurster Park on a beautiful Spring day to pray for our children, our community, our country, and a multitude of other concerns.

THE COMMENT WAS OVERHEARD, "It's so nice to see so many familiar faces here - people we see so often, but may never recognize as brothers and sisters in faith. We are all bound together by our beliefs."

Thanks to all who attended - hope to see you all, and more, next year.

THE BLANCHARD FAMILY RECEIVED CALLERS ON MONDAY, MAY 9, FROM 2-4 & 7-9pm at the Jenter-Braun Funeral Home, Manchester and on Tuesday from 1-2pm at the Manchester United Methodist Church.

FUNERAL SERVICES WILL BE HELD ON TUESDAY AT 2PM FROM THE MANCHESTER UNITED METHODIST CHURCH WITH REV. MARSHA WOOLLEY OFFICIATING. INTERMENT WILL TAKE PLACE IN OAK GROVE CEMETERY, MANCHESTER.

IN LIEU OF FLOWERS, THE BLANCHARD FAMILY REQUESTS MEMORIAL CONTRIBUTIONS BE MADE TO ARBOR HOSPICE.

Sgt. Carl Werner: Stirring the Stew One Last Time, Just Adding a Little Spice!

Marsha Johnson Chartrand

Questionnaire

"These questions come up periodically," according to Sgt. Carl Werner. Before he leaves his post here, he'd like to survey just how the community at large feels about these issues:

1. Should we try to restrict left turns into parking spaces on Main Street? (i.e., if you're going west on Main, should you try to cross the yellow lines to park in front of the Enterprise?)
2. At the M-52 & Main Street Corner, how should we handle right hand turns? (actually, M-52 is a single lane at that corner. People making right hand turns often form an extra lane, which can be hazardous.)
3. Should there be a traffic light at M-52 and Main Street?

Please return this questionnaire to the Enterprise by May 20th; we will share the results with Sgt Werner

Tribute to Law Enforcement Officers

In conjunction with Police Memorial Day and National Police Week, which both take place during the month of May, the Washtenaw County Sheriff Department will hold its annual Award Ceremony to honor employees who have demonstrated exemplary performance of their duties for the year 1993. Sheriff Ronald J. Schebil and his staff will also take this opportunity to acknowledge and thank citizens, professionals and/or other law enforcement officials for their special support and exceptional services during the past year.

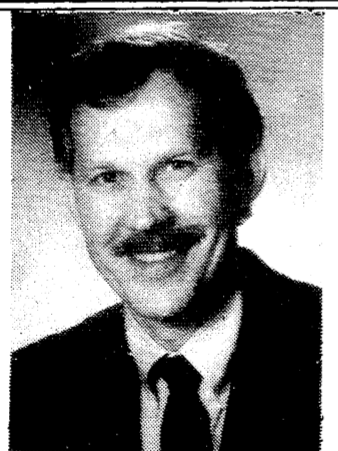

The ceremony will be held on Thursday, May 26, 1994 at 2:00 p.m. in the lobby of the Sheriff Department, at 2201 Hogback Road in Ann Arbor. The public is invited to pay tribute to these individuals who have provided their outstanding, dedicated services to the Washtenaw County community.

"I just need to stir things up a little bit before I leave," laughs Sgt Carl Werner. "We'll look at these issues, and give my successor something to think about while he's getting acclimated to Manchester."

Carl has been looking at some of these same issues during his entire tenure at the Sheriff's Office here in Manchester. "I hear about these when there is an accident, or a 'near accident', from the people involved. I'm wondering if it's that big of an issue, from a public perception?"

"With patience and good driving, most of these are not problems. The problem comes when people are hurried, or distracted." Unfortunately, that ideal is not the norm. Usually, people on their way to work, school, or appointments, are hurried and often distracted. It is in these instances that the traffic conditions described at the left become a 'problem'.

Left turns on Main Street will probably bring out the most outspoken responses. The intrepid reporters at the Enterprise have been watching this issue with interest. Many people will make those left turns right in front of the office, in order to park in front of the banks or the post office - or even our own. Likewise, we watch those left turns coming from the west who want to pick up a pizza on the opposite side of the street. As has been reported in these pages several times over the past few months, we have been witness to quite a few accidents. An "unofficial" survey indicated that angle parking on Main Street is probably at the root of the problem. We have also seen citizens calling out their windows to people attempting to make left turns, "Hey, that's illegal." According to the deputies, it is NOT illegal; but as noted, can create quite an inconvenience.

Probably everyone in Manchester has been guilty of "taking cuts in line" at the M-52/Main Street corner, at least once. If everyone in front of you is going straight or left, what is the harm in pulling ahead to make a right turn? "Nothing, usually," indicates Werner. "However, if you are next to a semi or a school

Question #1: Left turns into parking spaces on Main Street. Good idea or traffic hazard? You'll find people who will argue each way.

Question #2: How many people ought to be using this intersection at one time? Four? Five? Or More? And Question #3: Would Manchester's first traffic light help out the congestion at this intersection?

bus which needs a wide area in which to make a right-hand turn, you may get hit. If you do, you will be listed 'at fault' in an accident." Werner reminds us that M-52 is a State Highway, not a local street. Another problem, even if your neighboring vehicle is turning left or going straight, it may block your vision of a car coming from the left.

Again, the root of the problem is not always the same as the tip of the iceberg. Perhaps a traffic light at the Main Street/M-52 intersection would solve much of the traffic congestion at this intersection - especially between 8-9 in the morning and 3-3:30 in the afternoon. How do

you feel about Manchester coming into the 20th Century with a traffic signal? Is this necessary?

"Are we willing to have patience and put up with the minor inconveniences of life, in order to preserve the 'character' we're used to in this small town?" asks Sgt. Werner. That seems to be the question in a nutshell.

It's time to make your opinions known! Let the Manchester Station of the Sheriff Department know where you stand on these issues. Clip out the survey above, and return it to the Enterprise by May 20th. We will pass the results along to the Sheriff deputies, and the community.

Changing of the Guard

Taking Over the Reins - Welcoming Sgt. Jerry Haensler

by Marsha Johnson Chartrand

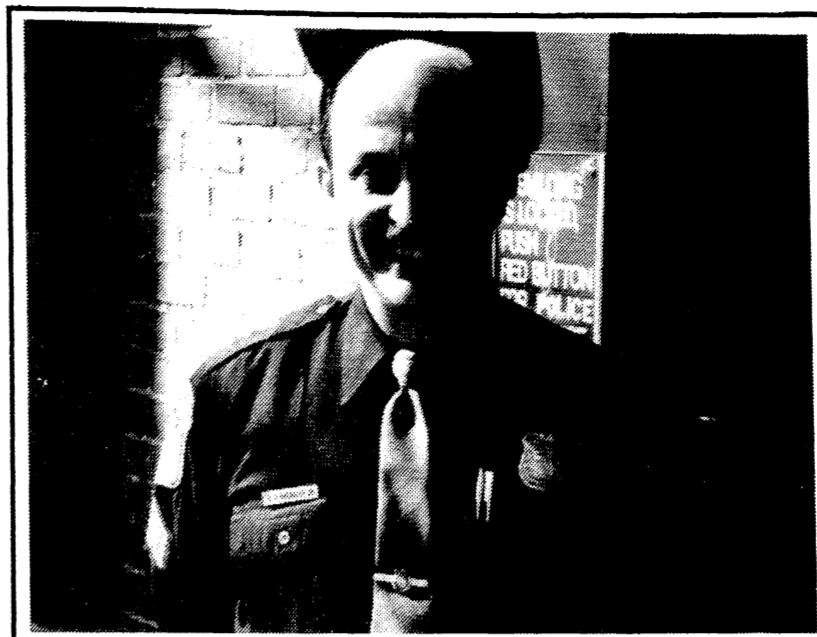

Starting June 1, officially, Manchester will have a new Officer in Charge at our Sheriff Department Station. Although you will see him around before that, beginning around May 18.

Why Manchester? And why Sgt. Jerry Haensler?

"I wanted a career change; all my time in the Sheriff's Department was spent in Ypsilanti Township, working midnights in Traffic Control. I wanted some positive contacts with the citizens, rather than confrontations." So that's 'Why Manchester'. "Basically, the job was posted and I bid for the job. I was recommended for the position and then interviewed with the Village Council." And now we know the rest of the story.

Sgt. Haensler has been a Sergeant for two years. He has been with the Washtenaw County Sheriff for fifteen years, following a layoff from his original career of teaching. He lives with his family - wife, thirteen-year-old daughter, and eleven- and eight-year-old sons - south of Tecumseh. He looks forward to the "positive contact" with the public, for which Manchester must be famed in the department.

For the present, Haensler plans to expand the "Community Oriented Policing" begun with Sgt. Carl Werner. He wants to conduct an interview process with community members, to find out what the citizens want from their police department.

Get used to this face - you'll be seeing him frequently. Sgt. Gerald H. Haensler will be our new Sergeant at the Manchester Station.

"The first few months I will be getting my feet wet, learning the routine, meeting the people in the community. After that, some changes may be made." Naturally the Manchester station will take on the personality of our new Sergeant. At this point, however, most of the deputies on duty here will remain the same. Routine transfers of duty will take place, but as a whole, the activity of the department will remain stable.

Since Haensler's specialty is in traffic control, some new focuses will be noticed. His priorities will reflect his knowledge in that area. "Washtenaw County has among the highest safety belt usage in the state," he

notes. "Much of this is due to the combined education efforts of the Department and other concerned parties." Sgt Haensler looks forward to meeting with the principals and the schools to present programs on traffic safety, seat belt usage, bike helmet usage, and other traffic-related issues.

Speaking of the schools, will he be teaching the D.A.R.E. program to the fourth grade next year? "I have not been certified to teach D.A.R.E. as yet. Who knows, I may be sent to D.A.R.E. school this summer, or perhaps you'll see Carl or one of the other certified D.A.R.E. instructors back here to teach. I do know that the program will

continue to be carried on in the Manchester School District."

Haensler's knowledge of the logistics of traffic control is extensive. The statistics he can quote are overwhelming. Did you know that the cost of a fatal traffic crash is estimated at \$1.4 million? "By the time you figure in the costs of police service, EMS, hospital, funeral, and loss of income potential, every fatal accident costs our taxpayers heavily. Each accident we can prevent saves that amount of money."

"When you figure the bottom line and the costs involved, people are more willing to listen to the prevention message we are bringing to them."

Back to community policing. The Washtenaw County

Sheriff Department is interested in the feedback from the community. "How are we doing? Let us know" was the title of an article submitted to the Enterprise by Sheriff Ronald Schebil a few months back. It is in this context that Sgt. Haensler wants to expand the Community Oriented Policing, by getting to know the public and finding out how the Department is perceived by them. The "positive contact" which Haensler desires with the citizens of Manchester will be increased by learning exactly what is expected by the community, during his "break in" period.

Watch for this new face which will soon be a familiar one. Sgt. Haensler is on his way to being part of our community.

Community Alert

Three break-ins have been reported to the Washtenaw County Sheriff's Department in the Manchester jurisdiction recently.

Both Sgt. Werner and Sgt. Haensler warn residents to be aware of unfamiliar vehicles and persons in the community. The Western Washtenaw area has been particularly susceptible to these Breaking and Enterings.

"Prime Time" for these occurrences has been between 8:am and 10:30 am, but be alert and cautious at all times.

If you have any information which may help in apprehending the suspects; please call 971-3911. Of course, if you see any suspicious behavior, call 911 immediately.

MANCHESTER RESIDENT PLACES 4TH IN DIVISION IN SEVENTEENTH ANNUAL BRIARWOOD RUN

Manchester resident Jeffrey S. Weidmayer placed fourth in his division in Sunday's 17th Annual Briarwood Run. Weidmayer, 19, ran 18:06 in the 5K "19 and under" men's division. Mother Nature put a welcome shine on the run this year. Mid 60-degree weather coupled with gentle breezes and strong sunshine greeted 2,400 entrants in four separate events — 5K, 10K and 20K runs, and a one-mile walk. "Not only have we made peace with Mother Nature, we got her to run the whole 20K," says Karen Fox, Briarwood marketing director, referring to the annual run's historically stormy relationship with the weather. This year's weather made it the third best-attended run in 17 years. "Mother Nature is back on track," says Fox. Spring was so much in the air that one Manchester couple, Dee Dee and Jim Sahakian, crossed the IOK finish line (46:52) holding hands. Sahakian, 34, said it was her

first race since having a baby seven months ago.

And there was more than the weather to please the runners. Many praised a newly paved stretch in the IOK and 20K track.

Celebrity runner this year was WJBK-TV 2 sports anchor and media personality Eli Zaret, who ran the IOK with his wife, Patty. Zaret and Fat Bob Taylor, WJR-AM radio personality, emceed an awards ceremony after the race.

Participants in the runs ranged in age from nine-year-old Brian Kuzma of Ann Arbor to 90-year-old Catherine ("KiKi") David of Ann Arbor, who took first place in her 5K division ("Women 70 and over"). Walkers ranged from three-year-old Donovan Ogborn of Brown City to 95-year-old Delia Curtis of Ann Arbor.

Other runners from Manchester were April DeConick and a whole family of Kapplers - Carol, Daniel, Elaney and Steve.

Wedding Bells

Minick-Salkauskas

Heidi Lynn Minick and Casey Adam Salkauskas were married, in a civil ceremony on May 7, 1993, in Charleston, SC.

On October 16, 1993 they renewed their vows, in a Christian ceremony officiated by Rev. Nancy Doty, at Emanuel United Church of Christ in Manchester.

Parents of the couple are David & Marilyn Minick and Walter and Val Salkauskas, all of Manchester.

Attending at the October ceremony were Maid of Honor Dawn Brady, friend of the bride, of Clinton; Best Man, Brian Leach, friend of the groom; Bridesmaid Dawn Salkauskas, sister of the groom; and Groomsman Erik Minick, brother of the bride, all of Manchester. Ring bearer was Benjamin Minick, cousin of the bride, of Grass Lake. Pianist was Dean James with Colleen Thomas singing "Ave Maria" and "Unforgettable".

A dinner reception, held in the Chelsea Community Hospital main dining room, was hosted by David & Martha Wenk, with their daughters Debra Boham and Dawn Wenk cutting the cake.

Casey & Heidi honeymooned in Cozumel, Mexico and are now residing in Charleston, where Casey is serving with the U.S. Navy and Heidi is a Radiographer with Emergicare of Charleston.

A New Face in a Familiar Place

"When I saw her sitting there," recalls Keith Reed, "I just sort of knew she would work out." Sometimes that's the way it works when the right person comes along. Keith is talking about the new barber at his shop, Terry Biegas. "I had been looking for someone to come to work here for quite a while. Most of the people who came in, I couldn't envision them working here. Terry just fits right in."

Quite a compliment, coming from Keith. And Terry is fitting right in. "With three sons [ages 13, 10, and 2-1/2] and a husband, I'm certainly used to what men can dish out."

Terry has only recently received her barber license. The education requirement for barbers differs from those of a cosmetologist. Longer hours of study is one of the big differences. But Terry wanted to become a barber to follow in the footsteps of her father, who is a barber in Ann Arbor. "I had been laid off from my job, and I decided to go to barber college. It provides security - I can always find work." She does everything a cosmetologist can do except for makeup and nails. She can even do perms and colors, if that's what the clientele desires.

Terry is keeping "really busy" at Keith's Barber Shop. Her current hours are from 7:30-4 each day except Monday, and 8-12 on Saturdays. Between her schedule of kids' baseball, and Keith's schedule of "a little extra leisure time", they have expanded their hours to include Tuesday and Wednesday evenings until 7:00 pm and Thursdays - so stop by and Terry or Keith will 'fit you in', too. -MJC

Receives Bronze Award

Toby St. Charles received a bronze (third) rating in the Michigan VICA (Vocational Industrial Clubs of America) U.S. Skills Olympics held in Lansing on Saturday, April 23.

Toby took part in the Precision Machine Technology Contest. He is a student of the South and West Washtenaw Consortium, and a senior at Manchester High School. Toby is presently employed at Sarns on Jackson Rd. in Ann Arbor.

He competed with twenty-four young people from all over the state. Toby is not sure of his plans after graduation. His parents are Tom and Emily St. Charles of Manchester.

Receives BSN Degree

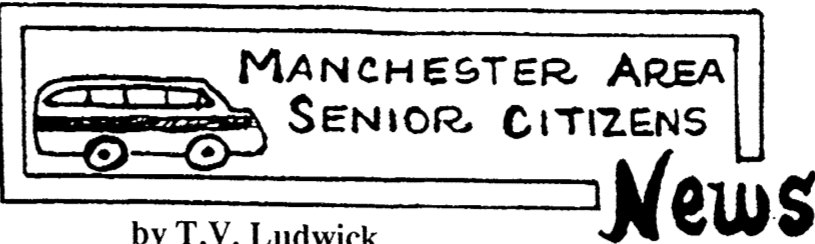

Jennifer Bailey graduated from Eastern Michigan University with a Bachelor of Science in Nursing degree.

She has accepted a position as staff nurse with the Saline Community Hospital.

Jennifer is a 1989 graduate of Manchester High School. She is the daughter of Everett and Mary Kay Bailey, Granddaughter of Bettie Fink of Manchester, and Mary Bailey of Tazewell, TN.

An 800 number for the home can save money for many parents of college students.

Senior Citizens

by T.V. Ludwick

The weather set the mood for a lovely Mother's Day. Sights, sounds and the joy of being with kids and grandkids made it a special day. I love the humorous card which they gave me "Happy Mother's Day to MOM—A woman whose aim with a thermometer was unmatched". May's Busy Woman's calendar states: "Make some time to get away to the aisles!" and "I'm looking forward to some "quiet time" at the supermarket!" She is shown vacuuming, taking orders from boss, driving home through hemmed/traffic and settling an argument between siblings. A neighbor down home said that my mom ran around with a washcloth

in one hand and a broom in the other, how true, huh? We can't remember how busy we were until we watch the younger generation do it. Hope yours was happy.

Thursday, May 12: Craft class begins at 9:30. And here it is again: Chinese ala Jan and crew for senior lunch in Emanuel's dining room at 12 noon. Come join us by first calling Jan at 428-7630 before 10:30 on meal days. It probably helps the cooks if you'd call the day before to Linda at 428-8359. We are pleased that the tables are filling up and do enjoy seeing those that haven't been there lately (or not at all).

Tuesday, May 17: Clergy presentation begins at 11:15 with a representative from St. Louis School for Boys. This should be interesting from a different angle and can you imagine "mothering" a whole bunch of boys? For all who are 55 or older, we welcome you to senior lunch today of one of my favorites (and don't have it often enough), green stuffed peppers! There are those of you who don't like the green part, but our Jan is always flexible in leaving that part out, come see! She does cater to our taste buds, bless you, Jan. Over at the Center afterwards finds busy folks Centering Activitying (they have been working on small quilts for AIDS babies and what a worthwhile project).

Wednesday, May 18: Senior bus leaves the Center for Gleis Greenhouse in Hillsdale at 9 AM. You may go along by first calling Erma Alber at 428-8707 to reserve your bus.

Thursday, May 19: Last craft class for the season starts at 9:30. Pork roast and trimmings are served at noon and bingo follows at the Center.

Happy May Birthday to these Seniors! Back, L-R: Juliana Cooper; Otto Koerke; Vincent Ganzhorn; Floyd Parr; Eddie Steele. Front: Erma Egeler; Opal Moore; Alma Nelson; Florence Paul. Not pictured: Dorothy Mahrle, Bertha Briggs

FREEDOM TOWNSHIP SUMMER CLEAN-UP DAY

Saturday, June 11, 1994
9:00 a.m. - 2:00 p.m.
Freedom Township Hall
11508 Pleasant Lake (at Lima Center)

- Please Bring: Household Refuse, Discarded Furniture, Mattresses, Scrap Metal and Iron, Appliances*.
- Please Do Not Bring: 55- Gallon Drums, Liquids of any Kind, Batteries, Tires, Fencing, Large Car Parts, Building Materials.
- Recyclables can be prepared in Mister Rubbish recycle bags and dropped at the recycle bins.
- Drivers License or Property Tax Statements will be required for proof of township residency.

* All refrigerators, freezers, air conditioners or any other appliance with refrigerants must be tagged by a qualified technician who has removed the freon or they will not be accepted.

Christmas In April 1994

This is how it all happened. An example of how people recruit people and neighbors help neighbors to help those who, for whatever reason, have fallen behind with maintenance of their homes.

Christmas in April *Washtenaw involved the same variety of tradesmen needed to build a community. Eight different family units were beneficiaries of maintenance projects on Saturday, April 30. Approximately 80 volunteers, many of them local businessmen donated energy, time, labor and materials to make the 1994 Christmas in April project perhaps the most successful in our 3 year history. Donations from industry, business and individuals make the maintenance possible at no cost to home owners.

Painting, roofing, trees cut, new doors and windows, electrical and plumbing repairs, gutters cleaned, windows washed, phones repaired, truck loads of yard clean up materials and 3 dumpsters of appliances and worn out treasures. Not to leave out home owners who, when possible, joined the Christmas in April team.

To everyone involved in Christmas in April in any form, THANK YOU. To those who have never been part of the experience, consider joining us in 1995. More helping hands can always be put to work. -Dianne Schwab

Patricia Sahakian

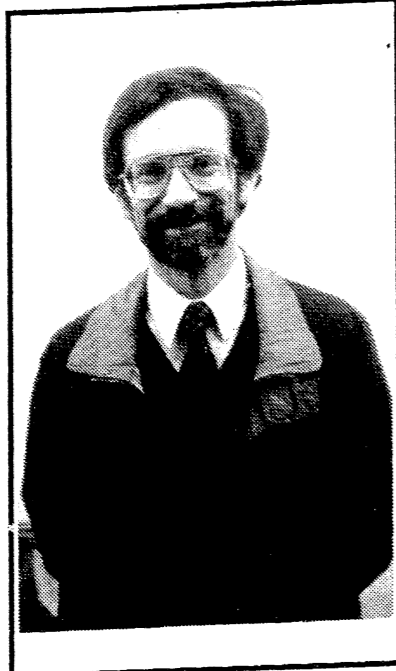

How can the School Board and Schools benefit from your presence? I think my 8 years of experience give some consistency and sense of perspective to the board.

What top three priorities should the School Board undertake to accomplish? The first priority must be educating the voters about the new state financing laws.

The second priority will be learning to create our budgets with the state controlling our revenue. No longer will local districts determine budget needs and then be able to ask the voters to approve funding.

The third priority has to be the issue of overcrowding at Klager. We gain an additional first grade class next fall.

Joe Turk

Spouse: Claire Turk
Children: Justin, 14 years old - an eighth grader at Manchester Middle School; and Kevin, 11 years old - a fifth grader at Manchester Middle School

Educational Experience: I attended Elementary and High School in Cleveland, Ohio; I received a Bachelor's Degree in Electrical Engineering from the University of Detroit in 1972 and a Master's Degree in Business Administration from Eastern Michigan University in 1979.

Work Background: I have worked for Ford Motor Company for 21 years at the Saline Plant and Milan Plastics Plant. I am currently the Plant Engineering Department Manager at the Milan Plant.

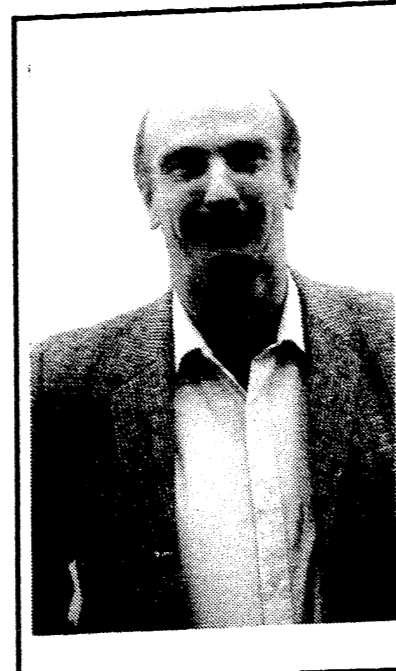

Volunteer Organization: Optimists; Little League Baseball Coach and Cub Scouts when Justin and Kevin were younger.

Hobbies and personal interest: Sailing, golf, bike riding, skiing, musical productions, classical music and any activity involving Justin and Kevin.

How are you involved, currently, in the school system? I am currently completing my fifth year on the School Board.

(Note: Turk's responses were not available last week; therefore we are printing last week's questions here. We will attempt to catch up with the other candidates next week)

Mike Gleason

How can the School Board and Schools benefit from your presence? Nobody ever benefits just from my presence. I've got to try to do something. The school board will benefit by gaining one more cost control vote.

What top three priorities should the School Board undertake to accomplish? Please elaborate on each priority in about fifty words. First of all, I don't know what the priorities will be, should I be on the board.

Personally, my priorities would be: Education: We must constantly improve our curriculum at all grade levels. That means the best materials to give our children the best chances to get the jobs that pay well.

My Top Three Priorities: 1) Ethics - Without ethics, all other priorities are useless. Manchester schools need to have and use a code of ethics. The company I work for has one.

Quality - We need a constant attempt at quality education for all students, not just the gifted or just special ed or just the average student. We need the opportunity for each student to achieve the best he or she can.

Sonja Schulz

How can the School Board and Schools benefit from your presence? I am very critical and not afraid to ask for open and honest answers. Should I make a mistake I have enough courage to admit it.

What top three priorities should the School Board undertake to accomplish? Please elaborate on each priority in about fifty words. First of all, I don't know what the priorities will be, should I be on the board.

Personally, my priorities would be: Education: We must constantly improve our curriculum at all grade levels. That means the best materials to give our children the best chances to get the jobs that pay well.

Fiscal Responsibility: The budget needs to be well-balanced and honest. The community has a right to know how their tax dollars are being spent. Each building and department has to be accountable for their spending.

School & Sports

Freestyle Wrestling

Josh Ritter, Brian Meadows, Willy Slocum, Justin Knouase, David Herman, Jeremiah Tobias, Caleb Westcott, Joshua Tobias, and James Tobias competed at Regionals Saturday in Holt, Michigan.

Jeremiah and James Tobias both were undefeated and placed first in the region.

Jeremiah will head to Lansing Saturday to compete for State Champion.

On Friday night, Keith Peasley and Noah Kuhn went to Ida and placed; Noah second and Keith third.

Congratulations Freestylers, on a great year! - Marilyn Knouase

Varsity Baseball

by Karen Strock

The Varsity Baseball Team is poised to start the second half of the Season, on Monday, May 9. They are currently tied with Hanover-Horton for second place with a 5-2 League record.

Manchester has lost by one run to Vandercook Lake (3-2) and Napoleon (8-7). Both teams will travel to Manchester this week - Vandercook Lake on Monday and Napoleon on Friday.

Additionally, MHS has played in the rain the past two Saturdays in the Cliff Keen tournament in Ann Arbor. Due to the limitation on number of innings a pitcher can pitch per week, Nick Woods and Matt Herman have seen duty with the varsity squad.

The Flying Dutchmen beat Greenhills 29-3 on April 30, and Gabriel Richard 15-3 on May 7. As a result of their two victories and a tie (due to the rained out game with Clinton), Manchester will meet Milan at 10:am Saturday, May 14, at Pioneer High School for one of the two Championship games. Pioneer will meet Ypsilanti following the 10:am game in the other championship game.

In league action last week,

Manchester beat Hanover-Horton (6-4) on Monday. Troy Niehaus got the victory while striking out 11, allowing five hits, and walking three. This was a nail biter, since Manchester was unable to get the lead until the fourth inning.

On Wednesday, Manchester met East Jackson at home, winning 11-0. Shayne Ahrens will travel to Manchester this week - Vandercook Lake on Monday and Napoleon on Friday. Manchester will travel to Grass Lake on Wednesday.

On Wednesday, Manchester met East Jackson at home, winning 11-0. Shayne Ahrens scored three runs and Brent Woods scored twice. Troy Niehaus was on the mound again Friday when Michigan Center came to town.

This game was of a see-saw nature. Defense was a problem as Manchester made five errors. MHS won after scoring four runs in the bottom of the 6th inning. Andy Winzenz had a no out single to score Brent Woods, who had walked, and Jeremy Strock, who had doubled. Niehaus had three hits; Strock and Winzenz had two hits each.

THANK YOU

To Our Friends, Co-Workers, Neighbors, Pastor Nancy and Family.

We sincerely thank all of you for the support, prayers, cards, visits and offers of help in any possible way. This gave us the encouragement that we needed to get through the past few months. May God Bless, each of you and spare you the trauma we have recently had to endure. Ellis & Doris Pratt.

Dear Anonymously, all I know is that you are a Lady, for the gift, you know what it was for. I wished I knew who it is, as I would like to thank you personally. Thanks again. God Bless you. Edith E. Miller.

In Memory of Arthur Frey, who was killed over France 50 years ago.

Manchester Area Historical Society

HISTORICAL SOCIETY INVITES YOU TO MEMORY LANE

The Manchester Area Historical Society invites you to join us on May 17 to meet long-time community resident Glenn Lehr. Mr. Lehr has seen many changes in the village of Manchester. He has agreed to share some of his memories and answer questions about growing up in this area many years ago. If you are new to this community, you may glean a bit of insight about the history of your house or a building downtown which caught your eye. If you've lived here all your life, this is a great opportunity to swap stories with an old friend.

Mr. Lehr's memories will be captured on videotape as part of an informal partnership between the Manchester Area Historical Society and Eastern Michigan University. EMU students Mike DiMaria and Jeff Pillars will produce videotape material for historical society archives, and at the same time satisfy a college-credit internship required for advanced video production students.

The May 17th meeting will begin with a short business update at 7:30pm. Mr. Lehr's trip down memory lane begins at 8:00 pm. Please join us at the Blacksmith Shop at 324 East Main Street. Refreshments are served after the meeting. We hope you will feel welcome to attend.

Poppy Days May 13-14

American Legion Auxiliary volunteers will distribute the familiar red, handcrafted poppies honoring America's war dead on May 13 & 14, designated as Poppy Days by Auxiliary Unit # 117 in Manchester.

The annual event pays tribute to those veterans who have died in the last 73 years. It also honors the millions of Americans who have willingly served their country in seven decades.

It serves as well as honors the veteran with all proceeds from the distribution invested in local programs for the benefit of the veteran and the family.

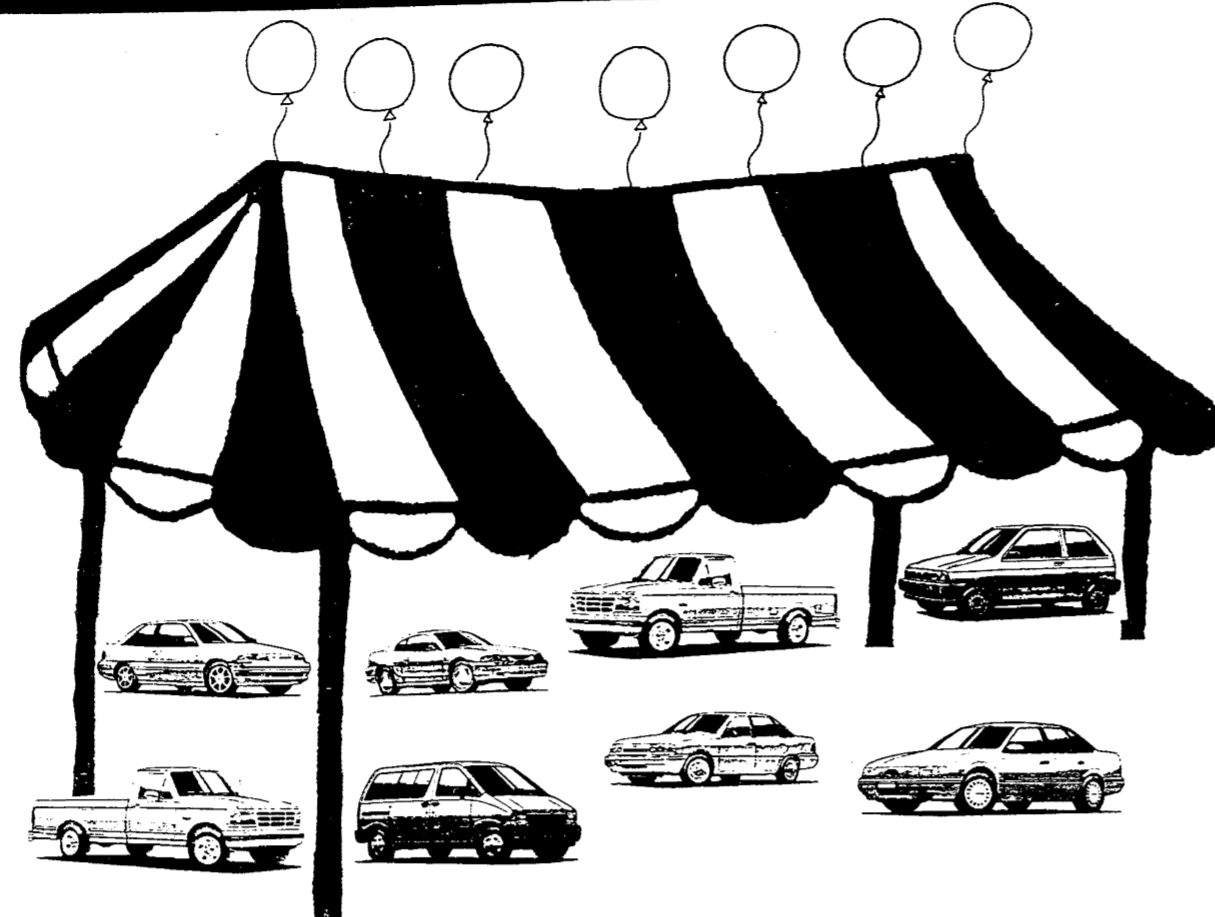

Each nine-piece poppy is made by veterans for veterans in Auxiliary-sponsored Poppy Shops that supplement physical and psychological therapy

needed by hospitalized and disabled veterans. The Auxiliary provides the materials and the volunteers. The veteran makes the poppy and is paid a small amount for each painstakingly-made flower. For some it is their only income.

No matter what the cost of maintaining and supplying the Poppy Shops, the memorial poppy is never sold, but given in exchange for a contribution.

The Poppy program has been part of Auxiliary programming for more than 68 years. It has been estimated that approximately 25 million Americans wear the poppy to honor America's war dead and all veterans, contributing over \$2 million for rehabilitation and welfare programs. Mary Smith and Della Widmayer are co-Chairs of this year's event.

Michigan Loses a Leader; Manchester Loses a Friend

Some of the coffee shop patrons called him, "John B", "Governor" or just "John". Many knew him by sight; others by reputation. John B Swainson was a very private man in spite of being a public figure.

Dan Boutell, a friend of many years, remembers John. "I don't think I can remember any man who played Life's cards dealt to him, as well as John Swainson. If he was accused of a mistake he paid the penalty dealt him without complaint."

The great loss he sustained during World War II was overcome by his acceptance of the loss and his desire to help others with disabilities. John had a great pride in his community which was evidenced by many acts which helped promote publicity for events that were important to all of us. He loved to hear stories and usually categorized them as being either useful to him or unable to use.

John's humor was always expected and had a tendency to lighten up a crowd. At a public gathering for a departing minister, he called himself "a leader of your non-church going paying congregation."

As a "Bridgewater Democrat", John once said he believed if a Democratic vote was cast in Manchester, the fire whistle would go off. When John and Alice bought their Bridgewater Township farm they named it the "Hustings", (meaning the proceedings at an election).

John, because of his disability was dependent on his car to go from place to place. More recently he was able to "hitch a

John Swainson as Manchester will remember him

ride" with Dan Boutell to and from the Coffee Shop and to the Post Office, after his stroke last fall.

John's sessions at the Coffee Shop were often sessions in which locals asked legal questions or solicited free advice. John, as well as an attorney was a very well read man and consumed prodigious amounts of written material. He spent untold hours helping with community efforts of historical

significance and community interest.

As the Outstanding Volunteer nominee of the Manchester Historical Society this year, "John has volunteered approximately ten years of service to this organization. He is currently immediate past president and board member, the master planner of our building restoration program in 1985; and a willing volunteer to speak and preside at official functions and

to be commentator for various historical video tapes produced by the Society.

"He is a former board member of the Manchester Area Senior Citizens Council, Inc., representing the handicapped. He also furnished valuable legal advice from time to time. A charter member of the Manchester VFW post. Without regard to the geographic limits of Manchester, John has always made himself personally available to fellow handicappers. Such involvement has not been documented, and was not done to gain public recognition.

"It is safe to say that without his personal involvement there would not be the six or eight state historical markers which are presently in this area."

Hugh McDiarmid, of the Detroit Free Press, also recalled John's service to handicapped citizens. He recounted an occasion where John reportedly tap danced without the use of his artificial legs, in order to demonstrate to another amputee that "life will be what you make of it." A lesson from which most of us can benefit.

Many of us in Manchester did not know John Swainson as a "politician", but as a fellow member of our community who cared about what happened here, and took an active role to ensure that the character of the community was retained. It is in that capacity that John B. Swainson will be most sorely missed in our village.

- EWG/MJC
