July, 1994: The Month That Was...

Dateline, Manchester, MI - July, 1994 - The month that was:

Fireworks, July 3rd - Bigger and better every year! Those of you who enjoyed the fireworks and would still like to contribute are welcome to stop in at the local banks through Friday, July 29 and make your donation.

Pleasant Lake Boat Parade, July 4th - a standing tradition at the Lake! Since we don't have a July 4 Parade downtown, head out next year to watch the decorated boats cruise the lake.

The 50th Annual Manchester Community Fair, July 12-16 - Still going! Our fair, the culmination of a year's work for the Fair Board and many members of our community, is something we can all be proud of. Visitors to Manchester remarked that they couldn't believe that a small Village like this could put on such a great fair.

Bloodmobile, July 18 - The Ladies of the American Legion Auxiliary hostess the summer's annual blood bank at the air-conditioned Legion Hall. Ably coordinated by Marja Warner, the four-times yearly bloodmobiles have happened for over forty years here, and are appreciated greatly by those in need of that precious commodity.

Manchester Day Camp, July 18-21 - Sponsored by the Recreation Task Force and the

Lucky Duck!

Steven Bush, of Manchester, was the winner of the Rubber Duckie Contest First Prize - \$300.00! His duck was purchased for him by Linda McGee at Great Lakes Bancorp. Rumor has it that Linda had all the posters spread on the bank floor to choose "just the right number". She signed Steven up because he is a Lucky Kid - for sure!! Steven shared part of his prize with Linda but is saving some and will take a little of it on his camping vacation next week.

Rubber Duckie Contest Winners

- First Place: Duck #115 - Steven Bush, \$300.00
- Second Place: Duck #257 - Katie Fielder, \$150.00
- Third Place: Duck #516 - Judy Keyes, \$50.00
- Fourth Place Winners: \$20.00 each - #454 Ashley Rogow; #672 Juli Swaney; #130 Robin McCarthy; #22 Dorothy Rogers; #615 Jennifer Hammer; #37 Barbara Mizrahi; #733 Jeannine Uphouse; #392 Rick Burch; #112 Sue Guest; #111 Lisa Brannock; #400 Grant Smith; #72 Sandee Sheats; #57 Jarod Seltenright; #73 Darci Chrestensen; #607 Kathy Woodward; #52 Ann Lee; #696 Sydney Lee; #549 Kaitlyn Marvin; #530 Tab Grimmett; and #729 Don DuRussel, Jr.

Huron Valley Girl Scout Council, this is another "new" tradition (in its seventh year) which seems to get better each year. Co-directors this year were Lynn Green and Julie Mester. See story, page 19.

Manchester Chicken Broil, Thursday, July 21 - Already preparing for the 42nd Chicken Broil next year! And the same "original recipe" pioneered in 1954 is still a resounding success. Story on page 9, this week.

Summer Teen Dances, July 2 and 22 - Sponsored by the Manchester Recreation Task Force, these dances are a hit with

both kids and their parents. Kids - for fun and frolic; parents - for knowing their kids are safely expending all that excess energy stored by sleeping late in the summer. Another teen dance is scheduled for Friday, August 19th, so get those dancing shoes ready!

Third Annual Manchester Summer Festival, July 23 - The "new kid on the block" is still getting its feet wet - especially on the bridge at the waterball contest! Of course, those little yellow duckies got a bit damp themselves. The Summer Festival this year boasted over 50 artists and

crafters, a mini-carnival, informative booths, sidewalk sales by local merchants, food for all palates to enjoy, and a Classic Car Show added to the festi-

ties. Summer Festival, page 10. Classic Cars are on page 11.

Whew! What a month! -MJC

Welcome visitors: Manchester natives Jon Hardenbergh and mother Mae were in town for the week

CHICKEN BROIL - A Tradition

Continued from page 1

Richard and Debbie Spring, Manchester residents for ten years, attend the Broil each year. Last year, although they were on their way to Maine for their family vacation with their two daughters, Megan and Katelyn, they still found time to stop by the Broil and "take out" dinners to eat on the road. Now that's dyed-in-the-feather Broil lovers!

Dan and Shannon Fleck have often entertained family and friends in years past. Now that the kids are grown up and family members have moved further away, they still find time to eat that famous charcoal-grilled chicken. Daughter Robin usually "hangs around" at the Broil, visiting friends and taking in all the sights and sounds (and smells!) of the Chicken Broil, while Shannon often takes out dinners for the rest of the family to eat at home.

Sandy Trolz, owner of the 18th Century Shoppe, will stay open until 9:00 that night. However, Sandy is not about to miss out on her Chicken Dinner - She will have her dinner delivered to her directly at the Store!

The employees at Great Lakes Bancorp will be dressed "in uniform" on Thursday. Everyone has an Official Chicken Broil T-Shirt, which will be worn as a casual tribute to the Broil.

Store windows up and down Main Street have the Chicken Broil as their theme. Dr. Al Currey's office has their traditional papier-mache chicken; Bakers Dozen has a "Chicken" window; The Flower Garden has a chick just clucking, "Help!" And speaking of t-shirts, you can get one at the Enterprise.

Everyone in Manchester will participate in making the Broil a success. Preparation for the Broil and the day of the Broil takes a tremendous amount of work; and all the efforts made by the community are volunteer hours. It is not only the men who work the pits and make the slaw and fill the boxes and set up and take down the tables; but it is also the women and children who promote it and prepare for company at their homes, and the business people who cooperate to help make the Broil the success it always has been. This is an entire community at work making this event more successful year after year.

Manchester Township Moves toward The 21st Century

Tuesday, August 2, Manchester Township voters will take a giant step forward into the realm of computerized voting. The voting machines, relics of another era, have been passed on, bringing a new look to the Township Precinct.

On June 27, Kathy Hakes, Township Clerk, had members of the election board participate in a training session conducted by Doubleday Brothers and company. Introduced at that time was a machine, not dissimilar to the big plastic refuse carts we roll out to the street each week, except perched on top was a piece of equipment known as a visual scanner by the trade name of "Accu Vote"; both the scanner and the program to accomplish this task are created by Doubleday. Eventually, the County will have software allowing them to program this equipment for our elections.

We are all familiar with scanners - we run into them daily at the supermarket, whether buying groceries or a lottery ticket; and they are used to grade standardized tests in schools. The program will recognize many problems and help to correct them before you as the voter, thinking you have exercised your rights, actually walk away only to have the machine toss your vote due to an error you hadn't realized you made. The example ballot (pictured here) is similar to what you will receive, except August 2nd's Primary ballot will be larger. Ballots can be up to four columns wide and are read on both sides at once. Each ballot has a stub with a number, just as

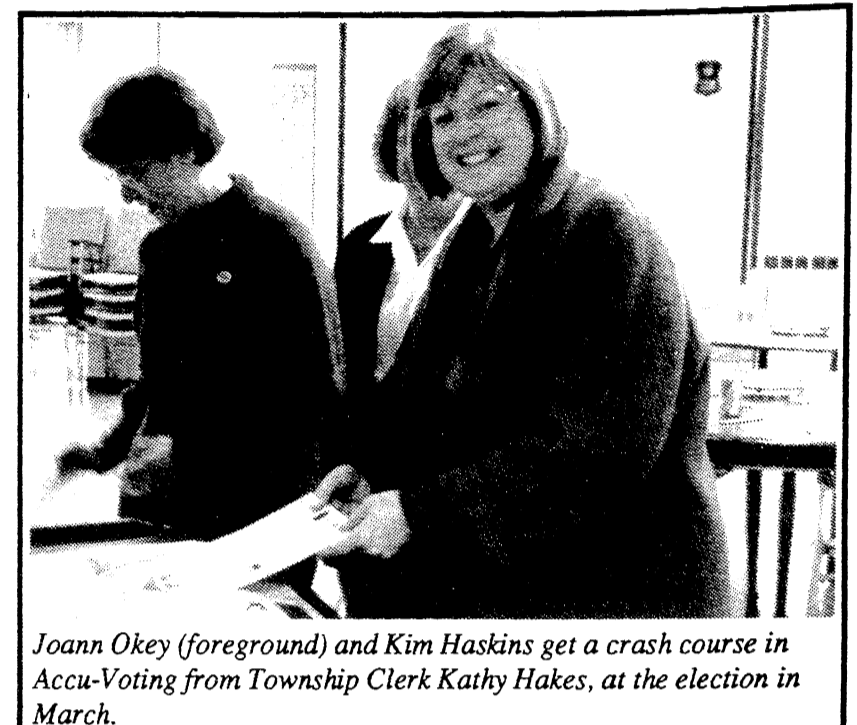

DEMONSTRATION BALLOT DOUBLEDAY BROS. & CO. 1-800-632-2259

Completely fill in the oval opposite the name of each candidate you wish to vote for on this ballot.

PRESIDENT (Vote for ONE)	VICE PRESIDENT (Vote for ONE)	DEFENSE MINISTER (Vote for ONE)
ROBERT WASHINGTON	ADAM BARR	ROBERT E. LEE
TIMOTHY JOHNSON	GEORGE CLAYTON	E.L. GRANT
WALTER VAN BUREN	BARBARA HANSEN	CAROL MITCH
ABRAHAM LINCOLN	LEW P. BRITTON	JOHN BROWN

TURN BALLOT OVER TO CONTINUE VOTING

quickly, it will be needed to cover a rejected ballot. The front of the scanner has an LCD which will generally describe the problem. Remember, merely filling out the ballot is not voting; you must insert your ballot. The ballot box is set up to separate write-ins from no write-ins. You will hear a motor; the divider turns sending your write-in ballot to the side that will get it counted by hand. The ballot box can hold from 2000-2500 ballots, depending on their size.

Joann Okey (foreground) and Kim Haskins get a crash course in Accu-Voting from Township Clerk Kathy Hakes, at the election in March.

Manchester Township has approximately 2400 registered voters, of whom only a small

percentage normally vote in an election, so this should take our township through quite a few power should fail the Accu Vote comes equipped with battery back-up, good for 6-8 hours.

What happened to those gray voting machines? Ron Mann, Township Supervisor, told those at the meeting, "They were donated to the schools." Remember to vote August 2; those who participate are exercising a right people around the world are dying for. If you don't raise your voice now, how can you raise your voice to criticize later? -Doreen S. Birnie

A New Face at the CRC

My name is Tyra Salyer. I live in Sharon Township. I work in an office answering phones, typing things, making posters for events in town and other odds and ends. I work Monday - Friday with one day off in there somewhere. I work 12:00 to 4:00 p.m. right now but it could change. I am working at the Manchester Community Resource Center through the Summer Youth Employment Program that is operated by the South and West Washtenaw Consortium and funded through Washtenaw county. I started working at the center because I want to work in an office and this is a good chance to get in some hands on work experience with people and other things in the office.

I like to work on computers and go outside to be in nature. In my spare time I like to draw.

After I get out of school I plan on going to college and take some business classes. I would like to work in an office or some day own my own business.

John Deere Owners: Use Guaranteed Amoco Premier Diesel Fuel.

Amoco Premier Diesel Fuel (APDF) - Lubricity and a Whole Lot More. APDF provides the fuel lubricity your diesel fuel system needs for normal, trouble-free operation. With APDF, you don't need to use expensive, aftermarket lubricity additives which some manufacturers recommend for low-lubricity, low sulfur fuels. APDF's exclusive D-Guard multi-purpose additive package not only helps increase fuel lubricity, it also helps protect your fuel system from corrosion, filter-plugging and build-up of gums and resins. "Eddie Pasghetti" Swings Into Manchester New Orleans Children's Author Guest at the Historic Mill

Is the quiet village of Manchester ready for Eddie Pasghetti? Eddie Pasghetti, the four-foot puppet who only eats pasta, has been invited to appear as guest of honor celebrating the Open House of the historic Manchester Mill, July 30, from 1-3:00 in the afternoon.

New Orleans author, Yvette McCann, who accompanies Eddie, will sign copies of her newest children's release. McCann will also entertain the young and young at heart by playing her guitar and singing songs from the *Eddie Pasghetti Songbook*.

Eddie Pasghetti is a unique children's book written in the tradition of Dr. Seuss. It is sophisticated enough to challenge middle and advanced readers not just small children.

Narrated by Eddie's hip baby-sitting sister, the story wanders around a battle of wills in slick rhythm and rhyme.

Owned by Flora Neely of Manchester, Flora in the Mill is the new retail florist and gift shop located in Manchester's historic Mill on Main St. Flora is originally from this area but until about a year ago lived in Florida. "It's

nice to be back with my family," Flora says. "I'm especially enjoying my granddaughters, Rachel age 5, and my newest grandbaby Allison, born May 22."

Flora is looking forward to hosting the Open House in her shop on the 30th. "It's a dream come true," Flora relates. "I've worked in flower and gift shops accumulating experience and ideas. I've designed my own arrangements for quite awhile and enjoy creating beautiful and individually unique floral arrangements. "Besides," she laughs, "with a name like Flora was I not meant to be in the flower business?"

Flora in the Mill offers fresh floral designs, elegant custom designed silk trees, plants and arrangements, distinctive home accents and unique gift items. The Open House for Flora in the Mill will be from 10:00 a.m. to 3:00 p.m., Saturday, July 30, 1994. Eddie Pasghetti will be making his guest appearance between 1:00 and 3:00. Refreshments will be served. For more information, contact Flora at 800-270-1034 or 313-428-1034.

LUTHERAN BROTHERHOOD SPONSORS DISASTER FUND RAISING PROJECT

To The Manchester Christian Community and Friends: Constance Pratt, the wife of Roy Pratt, is a life-long Manchester resident. They are members of Sharon United Methodist Church. They have two children and one grandchild.

On April 23, 1993 Connie was diagnosed with acute Myelogenous Leukemia (ML). This meant hospital bills, doctor bills, and many other necessary expenses. It also meant that Roy has only been to work at his job with Ford Motor Company for about nine weeks since April of 1993. It is hard to imagine all of these expenses as well as the loss of his personal income.

Connie had a bone marrow transplant March 11, 1994. Her brother was a perfect match for the transplant. The expenses for treatments and checkups continue with trips to Harper Hospital and St. Joseph Hospital once or twice a week.

The volunteers of Lutheran Brotherhood Friends in Fellowship Branch #8081, representing Washtenaw County, are conducting a Disaster Fund Raising Project to help defray

some of those expenses. Lutheran Brotherhood is a life insurance and financial service company that caters to Lutherans but is always ready to help anyone in the community. The amount the company contributes has not been determined at this time, but it could well mean thousands of dollars for the Pratt family. Their home church has already been very generous with financial help.

We hope to finish this project by the last week in August. Zion Lutheran Church will receive any funds designated to the Pratt family during the August worship services.

Please mail all collected funds to Norman Wenk. If you have any questions, please call Lutheran Brotherhood president, Bill Hill at 313-429-7724.

Let us use this opportunity to share our Christian love and concerns with the Pratt family.

Sincerely yours,
 Branch Officer Norman O. Wenk

MMMM GOOD! ...AND IT'S FOR (AND BY) THE COMMUNITY

The menu is scrumptious—B-B-Q beef, hot dogs, and the famous St. Mary's macaroni and cheese. And don't forget the cole slaw, baked beans, and potato salads of all kinds, hot and cold. Top it all off with delicious homemade pies and cakes.

As you leave, stop at the charming St. Mary Country Store to purchase homemade breads or pastries or fresh fruits and vegetables or specialty jams, jellies, and pickles to take home with you.

When the kids are through playing games and you are headed home, you'll find yourself saying, "Once again, this has been a great St. Mary Ice Cream Social!"

You're invited, Manchester!! The Community of St. Mary, Manchester invites their friends and neighbors of the community of Manchester to the annual St. Mary Ice Cream Social, this coming **Thursday, July 28th.** Serving begins at 5:00 p.m. and continues until about 7:30 p.m. (or until the food runs out!). On the lawn of the St. Mary Church on West Main Street, across from the Gazebo, CO 80465.

41st Chicken Broil

THE 41ST A ROUSING SUCCESS

Dave Little and Bob Rhees welcome back Virginia Ross & Delores Remus from MSU, Virginia was Dr. Howard Zindel's Secretary.

Mildred Kirk #1 in the take out line.

First to arrive were John & Catherine Hunsrucker arrived at 2:15 from Taylor MI. John said it was their tenth broil

The 1994 Chicken Broil was another success in a long string of broils.

Dave Little reported 14,236 chicken halves were sold. Entertainment included Luke Schaible's band and the three Sweet Adeline Quartets who toured the field to serenade the guests standing in line.

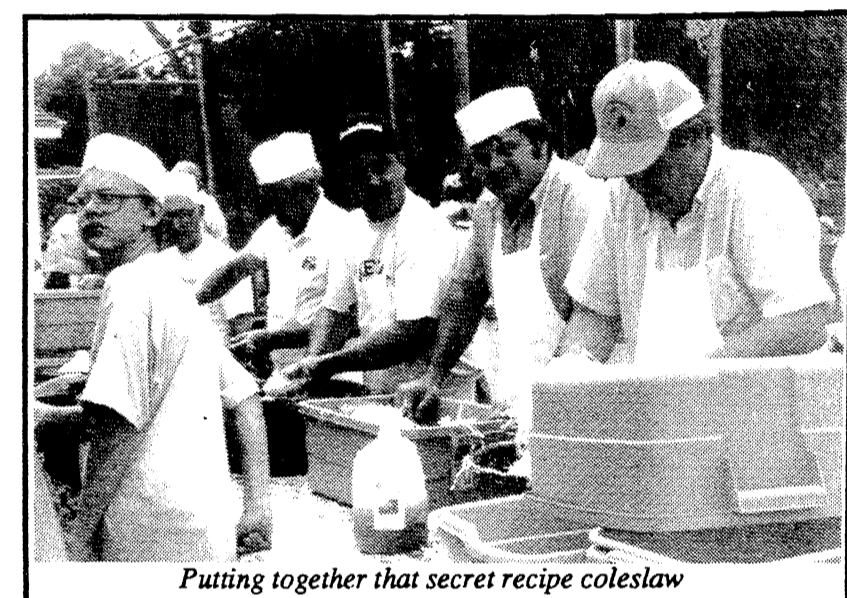

People come from miles around to work at the Broil. Neil Barton, nephew of Joe Kress, from Saugus, California worked five hours at the Chicken Broil.

Work at the athletic field started the day before with the pits being set up. The pits were ready with charcoal spread by 12:00 and the chicken was on the grids and over the coals by 1:30. But some of the real organizational work was started during the winter by the respective committees. Connie Widmayer performed heroic behind the scenes help organizing and coordinating ticketing, procurement and advertising.

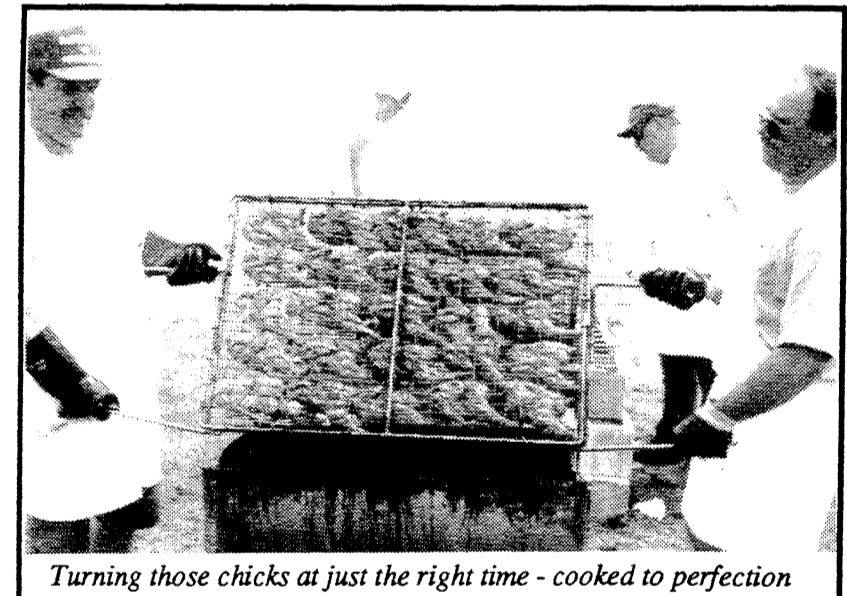

This year people were able to call in orders for specific time deliveries. Had it not been for the tardiness of Jackson Dairy delivering milk at 4:15, those orders could have been filled and on the way. As it was Jackson Dairy goofed very badly. Our gang is so well coordinated that on-time delivery is a must. A little refinement of the call-in orders and in filling orders for the on-field workers will be fine tuned next year. You can bet Ted Curley took a lot of heat that was not of his own making.

We are presenting pictures of some of the gang hard at work. This certainly is not all of our guys (and gals) who work so diligently. The ongoing annual broil is alive and healthy. Everyone is looking forward to its success in the future.

Hats off to all the people that participated in the 41st annual Chicken Broil, and to all those who were a part of past broils. As Dave Little pointed out, our Heavenly Committee parted the clouds and kept the rains at bay. Although rain was reported both to our north and south, we were spared. To Ludy, Dr. Howard Zindel, Gene, Willard, Rollie, John and all the countless others who have been a part of the Broil, Thanks for the heavenly intervention - and God Bless!

SUMMERFEST

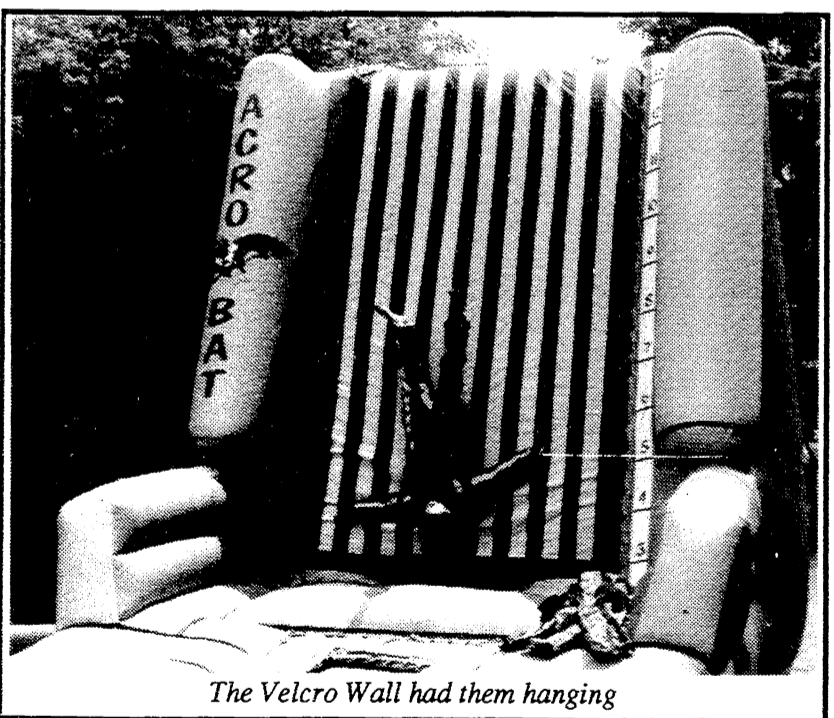

WOW! FANTASTIC! STUPENDOUS!

Pull, Kids, Pull!!

The Runaway Kid & Annita Tyler were champion "hoopers"

The Velcro Wall had them hanging

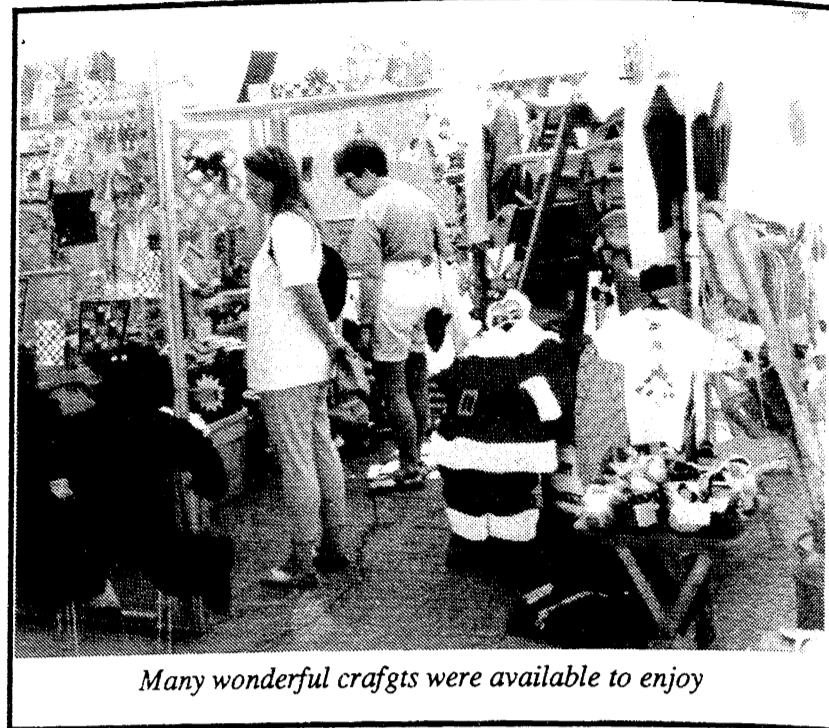

Teresa Benedict brought it all together - thanks!

Teresa Benedict, Marsha Chartrand and Doreen Birnie set up the booths starting at 6:00 AM.

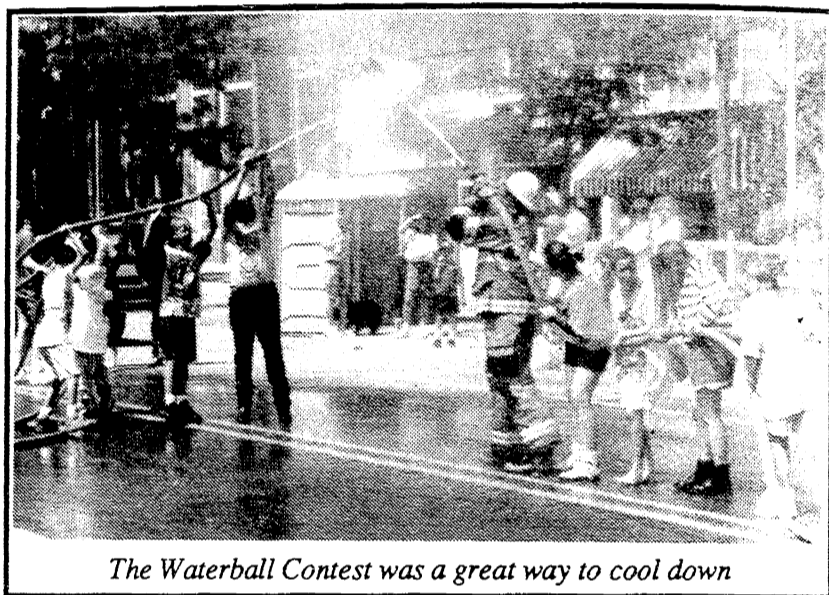

Reno Feldkamp brought in a wagon for the entertainment groups. Larry Kouba of K & W Equipment furnished his low boy tractor and trailer for the band. (Larry, you need a better driver than gar). Chris Moyle, of Sir Oliver's Pizza furnished power for the band. Don Limpert from the Mill furnished power during the day. Buzz Dean furnished power from his building for use on the street. The Volunteer Firemen brought the hoses and set up the ball for the water ball contest.

Bridgewater Lumber furnished the rope for the tug-of-war; Hop-In provided bubble gum. K of C Hall furnished chairs and thanks to Bill and Dianne Schwab for helping. We also appreciate the DPW who brought up picnic tables, furnished barricades and signs; they also picked up the trash afterward. Thanks to Sgt. Jerry Haensler and the Sheriff Dept. for their able assistance. In particular, we want to acknowledge the man responsible for providing those all-important porta johns - Jim Mann! Thanks.

Mike and Alice Rossettie set up the PA system with a cordless mike so Teresa could charge up and down the street. Linda & Larry McGee and Ken & Jean Moull set up a terrific Custom and Classic Car Show. Healing Hands' drawing winners for free massage were Anita Tolen of Manchester and Jackie

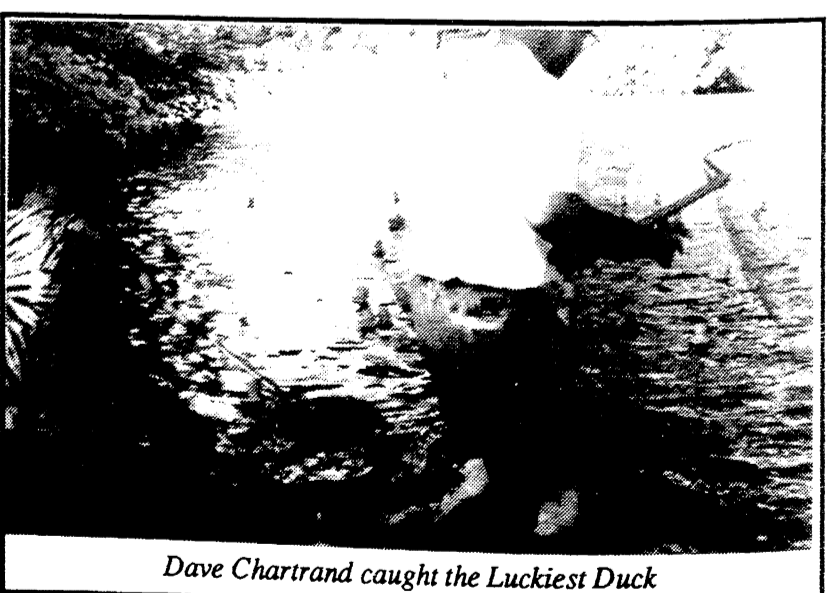

Many wonderful crafts were available to enjoy

The Waterball Contest was a great way to cool down

Entertainment was abundant throughout the day

Dave Chartrand caught the Luckiest Duck

Simmons of Northville. David and Ian Chartrand snared the winning ducks, Anita & Kent Tyler and Bob Hyatt collected the ducks before they could swim on down the river. Jim Achtenberg released the ducks. Paul Antonelli, who devised the duck cage and

release system, also provided a wagon for the event. Kent Tyler and Bob Hyatt manufactured a super catching system for the ducks.

Without all those who helped, the Summer Festival could not have happened. Many Thanks.

CUSTOM & CLASSIC CAR SHOW

THE BIGGEST & BEST, 112 CARS

The Kool Kruisers Custom & Classic Car Show joined up with the Manchester Summer Fest this year which was a terrific asset for both parties involved. Linda McGee seemed to be running around about as much as Teresa Benedict was on Saturday getting all of her car people organized and placed on the streets. Main Street was filled with beautiful cars of all models and makes - there were 115 in all. We even had to put a few cars on the north side of Washington Street to accommodate everyone. "Park them on my lawn", said Chuck King, who was very impressed with the new addition. There is a lot of hard work involved in putting one of these car shows together and our hats need to be tipped to the Kool Kruisers for a great show. Board of Education Summary July 18, 1994
Not Official Minutes

The regular meeting of Manchester Community Schools' Board of Education was called to order at 7:48 p.m. by President Kluge with the Pledge of Allegiance. Secretary Sahakian administered the oath of office to Trustee Joseph Turk.

Minutes of the regular meeting of June 20, 1994 and the organizational meeting of July 6, 1994 were approved as presented.

The treasurer's report was approved with a cash balance as of June 30, 1994 in the amount of \$996,108.26; total bills payable of \$650,418.71.

Correspondence included thank you notes from teachers Mary Koebbe and Dacia Daniels; and a letter from Elvira Vogel in reference to Manchester High School's alumni dinner. President Kluge indicated that all board members have been invited to attend MHS reunions.

Mr. Emory Garlick, representing The Manchester Enterprise, was present and reported on the poll taken recently by The Enterprise in reference to the malicious destruction at the middle and high schools.

Resignations have been accepted from John McGuire as 7th grade football coach; Molly McGuire as middle school cheerleading advisor; and Kim

Bowden as elementary teacher. The membership resolution for 1994-95 with the Michigan High School Athletic Association has been adopted.

The Board approved the high school band trip to New York City during the 1994-95 school year as well as the four-year plan of band trips which will be reviewed annually.

Waivers of membership have been granted to April Tindall to attend Clinton Community Schools and Elizabeth Holly to attend Columbia School District for the 1994-95 school year.

Superintendent Niedzwiecki updated the Board on the damages at the middle school. To date the total has reached approximately \$31,500. A special meeting will be held Wednesday, August 3, 1994 to conduct a student hearing in relation to this incident.

Superintendent Niedzwiecki reported on the progress of revising the athletic policies. The first reading is scheduled for the August 15, 1994 regular meeting.

Procedures for District and Board Goals will be reviewed and discussed at the August 3rd meeting.

Audience members expressed their concern about overcrowding at Klager El-

ementary School and the purchase of an additional portable. This issue will be discussed at the regular board meeting on August 15, 1994.

The meeting was adjourned at 8:46 p.m.

School Board Review

Manchester Community Schools Board Of Education at their July 19th meeting had to grapple with some far reaching issues.

It appears that an increasing enrollment may have started. Klager School will be the first facility to experience the squeeze. A "roving" music program has been suggested as one method to juggle class room space. This option may be very cumbersome, noisy and disruptive for the other class rooms.

It was suggested by a member of the audience that the most expeditious method of dealing with the problem would be to purchase another portable classroom. A portable could be on line relatively quickly. Should the increase of enrollment be transitional, then the unit could be transferred to the Middle School. Using a portable the School Board would have time to review the building facility at Klager and permanent additional facilities could be implemented.

Miss Cara Weissman, Band Director, proposed a four day band trip to New York City, as an ongoing way of encouraging our music students. This is the first part of a four year plan for the band. Miss Weissman has been doing an outstanding job and the music program seems to be back on track.

The athletic policies are being reviewed and the first reading is scheduled for the August regular meeting. This program should help to alleviate the fiasco experienced at the end of the basketball season. Our new School Board President initiated this review, by motion, at the March 21st meeting.

Superintendent Niedzwiecki reviewed the status of the middle school damages. To date the accumulated cost exceeds \$31,500 and is growing. One of the items yet to be tallied is the cost of in-house time charges.

A student hearing will be conducted August 3rd. Before any action can be initiated by the Board to recover damages, the Washtenaw County Prosecutor's office will have to press charges. After the case is assigned to the Judicial system and the outcome is known, the insurance company and the board will have to take appropriate action.

The next scheduled meetings are scheduled for August 3rd. and 15th. -EWG

Career & Technical Education Students Earn College Credit

Many people are unaware that by taking a Career and Technical Education Course while they are still in high school they can earn college credit at Washtenaw Community College through a process called ARTICULATION.

For the past fifteen years, students who enroll in a Career and Technical Education course (formerly known as Vocational Education), and meet the criteria set by Washtenaw Community College and the South and West Washtenaw Consortium's Career and Technical Education Program, students can obtain as many as eighteen college credits, depending on the program in which they are enrolled.

The student must obtain a copy of their Student Performance Record and an Articulation form signed by their Career and Technical instructor and high school counselor. When the student enrolls at Washtenaw Community College, they should present the documents to their counselor, and when they earn six credits at Washtenaw Community College, the Career and Technical Education Credits will be added to their college transcript.

Washtenaw Community College cost is \$50.00 per credit hour. If a student earned an average of ten credit hours through a Career and Technical Education class, that amounts to a savings of \$500.00, not to mention the amount of time saved when working towards a degree or certificate.

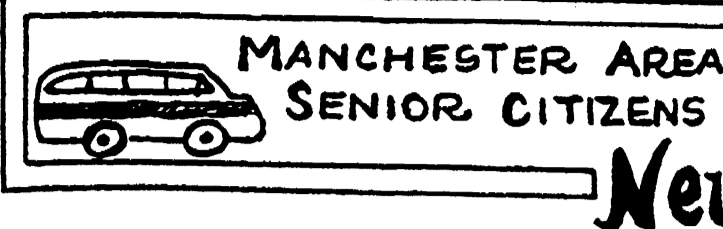

The following students from the Manchester school district in the South and West Washtenaw Consortium have earned college credit: Tricia Harper 9 hours, Angela Roehm 3 hours, Matt McCutcheon 10 hours, and Patrick Tracy 10 hours.

The majority of students intend to continue their education at Washtenaw Community College in the field which they have been studying through Career and Technical Education. Those students who may still be planning their career, or have already entered the work force, will have the opportunity to use the articulation voucher for up to two years after high school graduation.

Summer is winding down. We first heard the locusts singing on July 16, now let's see—that figures out at August 27 for the old-time first frost, no way! Is their life cycle longer than it used to be? One thing that did work out was no rain on the Chicken Broil, wasn't it a great one? Take-out line was over a block long and the first 4200 dinners went quickly. How we enjoyed visiting with a couple of old friends whom we haven't seen for a while. Fellows in the pits are to be commended, as the smoke did not blow away. It mingled in their faces, clothes and must have had their eyes weeping. That chicken was done to perfection, thanks to all of you on all phases of this major event.

Then, on to the park for more fun. Antics mixed with the pure harmony of the Harmonizers Barbershop Chorus absolutely delighted us. Announcer Bill Schwab introduced the AYU quartet as "Ain't Named Yet" and their response added to the fun. They blended music with antics and we all wished we could attend an 'afterglow' with them for more hours.

Manchester Community Band plays on July 28. Don't miss it.

Thursday, July 28: Bus pickup begins at 4 PM for more fun and good food at St. Mary's Ice Cream Social. Added attraction there is macaroni & cheese (each of our churches has something good and different). Then, at 6, pickup by bus starts for the Senior sponsored card party at Freedom Township Hall which begins at 7:30. More fun and fellowship, come one and all. If you wish a ride on the senior bus, call Erma Alber at 428-8707 to be placed on the list for pickup.

And here comes August, whew! Wednesday, August 3 is our last social and will be held at Manchester United Methodist Church starting at 5 PM. Bus pickup starts at 4 and you may call Erma for your ride. We appreciate the many hours of work involved in preparing for all our socials. They are all unique—how many other towns have seven area ice cream socials? We may have to cook the rest of the month 'til we can enjoy Jan's good meals next month, or go along on the bus to where food is. At our age, we 'live to eat'.

Turner Clinic Learning Programs

A memory improvement course in three sessions will be offered at the University of Michigan Medical Center's Turner Geriatric Services, 1010 Wall Street on Monday mornings, August 1, August 8, and August 22 from 10:00 A.M. to 12:00 noon. The classes will include information on how memory works, how memory changes with age, factors which can cause changes in memory, and techniques for improving memory. The fee for the course is \$35 which includes the recently published text, *Improving Your Memory: How To Remember What You are Starting to Forget*, authored by the teachers of the course. Please call Janet Fogler and Lynn Stern at 764-2556 for more information. Preregistration is required.

Japanese Visit Midwest Ford

Midwest Ford's Kathy and Greg Marvin welcomed and gave Mr. Masao Yoneyama and Mrs. Fusako Yoneyama a tour of Midwest facilities. The Yoneyama's are a part of Adrian's sister City, Moriyama, Japan's contingent visiting the City of Adrian.

Mayor Nobuaki Takada of Moriyama addressed Adrian City Officials at Lenawee County Club. "It is my great honor to be here. When we left Moriyama, I made a promise that we would expand the circle of trust and friendship between us. I really wish the circle of trust and friendship between Moriyama City and Adrian will contribute to world peace." As a part of that pledge the Yoneyama's visited Midwest Ford facilities.

Mr. Yoneyama was duly impressed by Midwest and was delighted to sit in a new red Mustang awaiting delivery. With the yen at the current exchange rate of 100 to 1 the \$15,000

Mr. Yoneyama (back to camera), Mrs. Yoneyama, Miss Shibita, Kathy & Greg Marvin with Mr. Bless

Greg & Kathy Marvin, Mr. Masao Yoneyama, translator Atsuko Shibita

vehicle would cost in excess of 1,500,000 yen when delivered in Japan. The seventy seven year old Mr. Yoneyama has a bamboo business selling and ship-

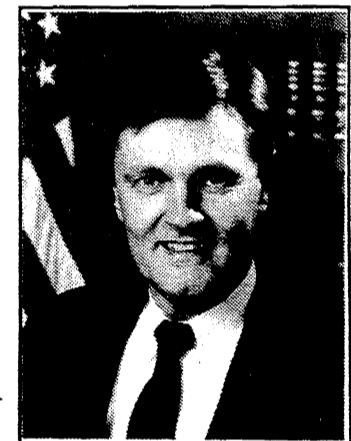

ping to northern and southern Asia. Mrs. Yoneyama, own's a bar-be-q beef restaurant in Moriyama.

Norman and Peggy Bless were their tour guides in their 32 foot motor home. The Yoneyama's were surprised that Peggy would drive such a large vehicle and that the roads were so open. Mr. Yoneyama related, "We have so many cars on the

roads at home that the traffic is bumper to bumper. Here the roads are so much more open and you do not have the traffic."

Miss Atsuko Shibita, a 16 year old visiting student was the translator for the Yoneyama's.

Herb Widmayer 1902-1994

A gentleman and a gentle man passed from our midst last week. Herb Widmayer, age 92, was one of our village's oldest and most beloved citizens.

Herb retired from the Manchester Fire Department in 1992 after serving with distinction and dedication for fifty years. From 1945 until his retirement, he held the position of Secretary/Treasurer and kept the records and the financial books of the Fire Department. Former Chief Jim Kensler recalls, "He carried those records around in paper grocery sacks for years. We had a hard time talking him into buying proper record books and a bag to carry them in. They cost money, you know! He cared for that money like it was his own."

When asked what he would do after his retirement, Herb replied, "Why, I'm going to come to the meetings, and when the weather is cold I'll light the fire in the stove if they

will let me. When the gong goes off, I'll say 'Go to it, boys.'" He did indeed maintain an active interest in the Fire Department over the past two years, as well as just about everything else in town.

It was a touching tribute two years ago at the Manchester Summer Festival and 125th Anniversary Celebration, to honor Mr. Widmayer as the Grand Marshall of the festivities.

Last June, it was announced that Herb had set aside \$10,000

in a perpetual fund designed to preserve the tree-shaded character of our Village streets for the enjoyment of future generations. The income from this fund will be used by the Tree Board to purchase trees. Individuals may also make a donation to the "Herbert A. Widmayer Perpetual Tree Fund", c/o PO Box 51, Manchester, MI 48158.

The Widmayer Hardware store was a family business on Main Street for 90 years. Mr. Widmayer's father, Fred, began the tradition in 1882 when he purchased the store where he had been working.

Herb began working at the store in 1918 when his older brother, Roland, went to serve in WWI. The business operated in three different locations on both sides of Main Street up to 1941, when the "new", large building which now houses the Post Office, was built on the south side of Main Street. In that year, Roland and Herb bought the business from their father.

Widmayer Hardware was a mainstay of the business block until 1972, when Herb retired and sold the business to Sam and Joan Beal. Sam Beal enjoyed

relating some of the stock which remained in the store at the time he purchased it. Among them, a case of dynamite which was stored under the stairs. "That wasn't too

hardware store?" the Beals asked Herb. His advice: "Sell 'em!" ("AND WE DID!" said Beal.)

Herb's other business venture was operating Manchester's movie

dangerous, I was told," Beal related. "But there were dynamite caps in a drawer at the front of the store, and they told me those were pretty powerful."

Another interesting stock item was a gasoline powered flat-iron. "Do you know what a blow torch is?" Beal asked. "This iron operated on the same principle."

There were about 80 springs and mattresses stored in the upper level of the Hardware building. "What do I do with these in a

theatre which opened in 1935 on the north side of Main Street. The first feature film shown starred Jean Arthur, and accompanied the "Ant and the Grasshopper" cartoon.

One legacy which Herb Widmayer leaves his hometown is the pride which he took in our village. The tree fund he established will give pride and pleasure to both residents and visitors for years to come.

Bandstra for Court of Appeals

Richard A. Bandstra, a candidate for the Michian Court of Appeals, met last week with business and community leaders in Washtenaw County. Mr. Bandstra, a graduate of Calvin College and the University of Chicago Law School, practiced law in Grand Rapids for a number of years and has served for the past ten years in the Michigan House of Representatives. For the past two years Mr. Bandstra has been the House Floor Leader.

In endorsing Mr. Bandstra, State Representative Bev Hammerstrom said: "Richard Bandstra knows just how important it is for our appellate judges to decide only the cases that are before them—not to make public policy." Added Representative Kirk Profit, "Michigan's backlogged courts need a bright and hardworking judge like Richard Bandstra to

help ensure that the courts will operate smoothly and efficiently." Richard and his wife Cindy have two teenage daughters and are active members of the Christian Reformed Church. He is a recipient of the Grand Rapids Jaycees Distinguished Service Award for community activities and has been endorsed by the Detroit News, the Michigan Chamber of Commerce, the Michigan Farm Bureau, and the Michigan Fraternal Order of Police.

There will be four judges elected from the newly created 3rd District. The District covers 16 counties stretching from Muskegon to Washtenaw. "It's a tremendous challenge to campaign in such a large area," Mr. Bandstra said. "But with the assistance of community leaders in all of the counties, I am optimistic about what the result will be on August 2nd."

Name Three Good Reasons Why You Should Come to the Gazebo

Question: Why is the Manchester Community Band the perfect group to be playing at the Gazebo this week?

Answer: There are probably many good reasons, but let's just look at the major ones. First, the band is made up of Manchester folks (mostly—your friends, your neighbors, your neighbors' friends, et cetera. Young and old, the Manchester Community band is "Manchester."

Second, they have an old-fashioned, traditional repertoire. They play all the types of music we love hearing from bands. They play show tunes, and swing tunes, a little jazz. And of course, John Philip Sousa!

One more reason: This band is good! They are fun and enjoyable. Just as in days gone by, when folks strolled down to the town square to listen to music on a warm summer evening, you too can come down to the Village Green (on the corner of West Main and S. Macomb) to listen to the music of our Manchester Community Band this coming Thursday evening, July 28th, beginning at 7:30 p.m. You'll enjoy this good band playing good music well!

Gazebo concerts are organized and sponsored by the Recreation Task Force, a volunteer group who take a little of their time and talent to make activities happen in the community. For more information about the Recreation Task Force or to help, call the CRC at 428-7722.

Rain or shine, the Gazebo Concert will go on! Rain location is the K of C Hall. Same time 7:30 p.m.—same day.

Bring your lawn chair or blanket, bring a friend, and get comfortable. A Gazebo Concert is a delightful way to while away an evening. See you at the Gazebo this Thursday, July 28th, at 7:30 p.m. Oh yes, and did we mention: the Manchester Community Band will provide the entertainment!

ELECT

John Hochstetler

STATE SENATE REPUBLICAN

John Hochstetler is a proven problem solver! This Manchester father of four credits his Amish heritage for his no-nonsense yet creative approach to conflict resolution. John's constituents appreciate his personal attention and willingness to listen. John is not afraid to oppose the status-quo when the best interest of the people aren't being met.
