School Board Makes Decision at Discipline Hearing August 3

Student Expelled; Courts Next to Act

Manchester Board of Education held a special meeting on Wednesday, August 3rd. The main item on the agenda was a resolution and disposition of one of the students who willfully damaged the middle school. Those damages are in excess of \$31,500. The special meeting was convened in a closed session at the request of the parents of the Manchester student. (We at the Enterprise will not disclose the name of the student or his family).

Manchester's Board convened their session and heard a report from School Superintendent Ron Niedzwiecki of damages. A letter from the parents was on file. The board reviewed a video tape of the damages. After the conclusion of the closed session the general meeting was reconvened and the motion was made in open session to permanently expel the student. According to a board member: "Because of the severity of the student's actions, we as a board had very few options. We felt that the only viable solution was the expulsion of this student so that he might start his life over at another school. That will be after his arraignment with the juvenile justice system."

We know that the decision by the board, although unanimous, was not without

misgiving. It is always sad to have to pass judgement on a student for actions that need not have occurred.

Washtenaw County Sheriff's Department turned all of their investigation material, including the confession of the two students, over to Washtenaw County Juvenile Prosecutor's Office. Felony charges have been filed in both Washtenaw and Jackson County.

The two 14-year-olds have been charged with B. & E. (breaking and entering), and MDOP (Malicious Destruction of Property). The Washtenaw County Juvenile Prosecutor has sent back warrants for the local youth. The next step will be the Court arrangement where either

a guilty or not guilty plea will be entered. The court will set either a date for a trial or a sentencing date, depending upon the plea entered.

Currently the Washtenaw County Sheriff's Department is recommending that damages be set, sufficient to cover the costs of the destruction. According to Deputy William Moffett, investigating officer, "The community has expressed themselves by saying, the students and parents are responsible. The school system should not have to bear the cost of additional insurance premiums created by the students."

Currently the Jackson County Youth is in detention as a result of his probation vio-

lation. His sentencing will await the outcome of Washtenaw County Court decision.

Manchester Board of Education, The Administration and their insurance carrier will have to await the outcome of the Courts decision before determining future action if any.

In other action by the Board on Wednesday evening, dates for the start of the 1994-95 school year were established.

Friday, August 26, will be reporting day for all teachers. The beginning date of school for students will be Monday, August 29, which will be a half day for students and a full work day for teachers. Kindergarten students will begin on Tuesday, August 30, 1994 - which will be the first full day of school.

Also established were Board Goals (see School Board Summary, page 12) and District Goals and Procedures for 1994-95, as follows:

1994-95 District Goals & Procedures

1. Administrators, teachers, and staff to formulate proposals for district goals for September committee meetings.
2. Encourage public response and input for district goals prior to "Town Meeting."
3. Hold "Town Meeting" September 19, 1994 for additional community input. Regular board meeting will immediately follow with district goals as an action agenda item.

-E.W. Garlick

Manchester's Election Results

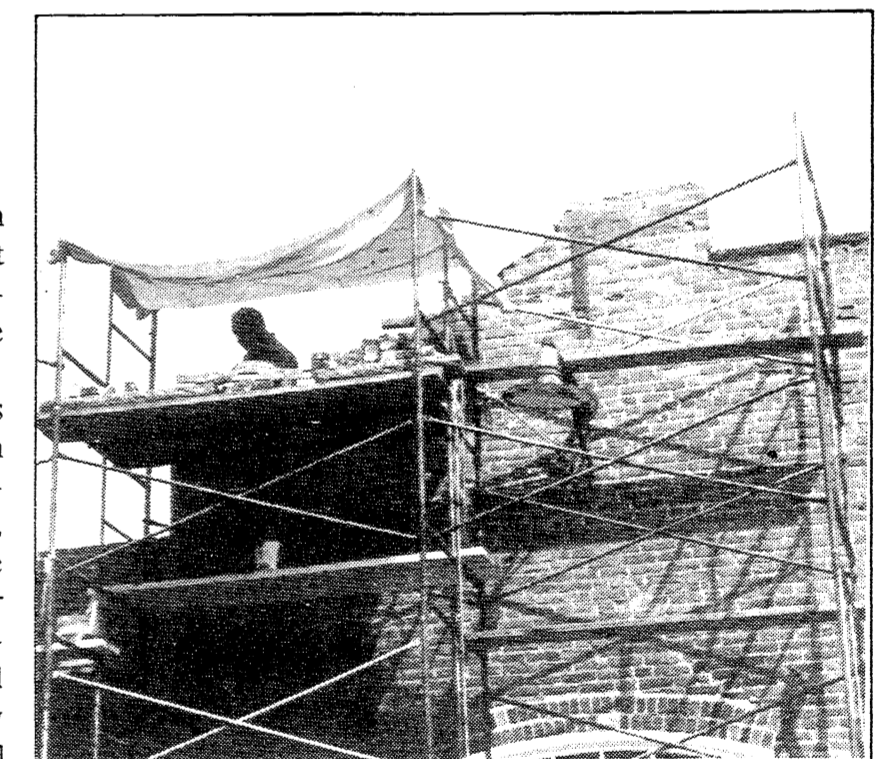

A contested race for the 8th District County Commissioner probably contributed to higher than usual voter turnout in Manchester and Freedom Townships last week.

Manchester Township, with three proposals of its own on the ballot, and a four-way race for representation on the County Commission, had about 25% voter turnout. "The new machine probably helped out, too," commented Clerk Kathy Hakes. "Sometimes there's a lack of interest in the primaries, but that didn't seem to be the case this time. Manchester Township voters approved the renewal for

road improvements, rejected an increase in road improvement tax, and approved a millage request for purchase of fire equipment.

Freedom Township voters seem to be quite interested in the democratic process, according to Julie Schaible, township Clerk. "Although we were at the high end of our projections this year. We expected a 25-30% turnout, and we had about 30%. We usually

Second Front Page: The Rainbow Patch

Bring that Back-to-School Budget in Line!

Well, it's nearly that time again. School clothes can really eat into the healthiest of budgets. If you have more than one or two kids, when school bells ring, you probably look for a way to lighten up a bit.

Dawn Galaska was looking for a way to find a job where she can keep her children with her, and came up with an idea to help both her - and you! Dawn, a Manchester resident for two years, is the owner of "The Rainbow Patch" in Chelsea's Tower Mart Plaza. The Rainbow Patch is a children's boutique carrying both new and resale clothing, toys and accessories.

"I have always worked in retail," said Dawn, "and I found that resale shops for children are gaining popularity." And this is certainly a step up from garage sales, although the prices are extremely reasonable. "I only try to take the best - clothes with no stains, holes, or buttons missing," commented Dawn. Much of the "used" clothing still looks brand new - a testament to how quickly kids grow and change their minds about what they're going to wear!

Grandparents have their own special day, too - Tuesdays are Grandparents Days, with the same special sale prices.

In addition to standard clothing, Dawn has found a few Manchester people who are supplying her with boutique items. One woman paints original t-shirts, another makes denim jumpers with matching hats for your little girl. Soon to come is a children's line of toiletries from just taken over the store in June from the original owner, Dawn is looking forward to the new challenge offered by the shop, and "It's beginning to reflect my own style now."

As part of the reflection of the style of the mom of two active (and growing) boys, Dawn will soon be opening a sports room at the Rainbow Patch. She will buy used sport-

another way to save while still dressing those kids well!

For those moms who aren't quite into the "back to school" mode yet, baby clothing and equipment such as infant seats, walkers, crib mobiles, and more, can also be found at the Rainbow Patch. And if you're still waiting for your little one to arrive, you need to remember that Mondays are "Mothers-to-Be Days" at the Rainbow Patch - 20% off the tag price of anything not already on sale.

Grandparents have their own special day, too - Tuesdays are Grandparents Days, with the same special sale prices.

In addition to standard clothing, Dawn has found a few Manchester people who are supplying her with boutique items. As part of the reflection of the style of the mom of two active (and growing) boys, Dawn will soon be opening a sports room at the Rainbow Patch. She will buy used sport-

A large selection of quality clothes, shoes, toys and equipment can be found at The Rainbow Patch in Chelsea's Tower Mart Plaza

April Victoria.

Dawn has plenty of experience with kids' clothing, since she has three children herself - Jeff, 9, will be a fourth grader at Klager this fall; Ryan, 6, will be entering kindergarten; and Carly, 2, will be "Mom's companion" at the Rainbow Patch this year. Having

ing equipment, such as that for hockey, baseball and soccer. "Kids use them for such a short time before they outgrow them; I can really see a need for sporting goods at a children's resale shop. This room will be perfect for sports equipment." They hope to open the sports room in September.

According to Dawn, the stock stays pretty stable up to about size 10; although she carries all the way up to size 16. Best sellers, in addition to infant clothing, are girls' sizes 5-6. In the larger sizes, much of the clothing is "special occasion" items - a testament to the fact that as the kids get bigger they actually stay in clothes long enough to wear them out!

Dawn has her regular customers - many of whom come in as often as twice a week to see what has come in. "They know I'm getting new stock daily, and they don't want to miss anything good," Dawn comments.

Stop in at the Rainbow Patch - just over the railroad tracks in Chelsea - and don't miss the best of what they have to offer!

Editorial / Opinion

Manchester Going to the Dogs?

Summer mornings along the River Raisin can have a dream-like tranquility. With the humidity and stillness of the air permitting the birds' songs to echo through the woods, one can relax at the breakfast table and let the day's plans crystallize. One can wind down in the evenings listening to the wind in the trees and kids playing down the street. It really is very peaceful here — this is why I moved here, this is where I want to live.

But this year the quality of life on Auburn Street has not been quite so nice. The following abbreviated log for the past 10 days has been typical so far for the summer. I present this somewhat personal log to the community as a first step in a desperate attempt to restore peace and quiet to the neighborhood.

Friday, July 22. End of a work week of 10 hour days. Get home at 7 PM, sit down in the sun room to relax and read the paper. But Dog-up-the-hill decides to have a barking frenzy. I can't relax to this. Go out for a few hours. Back at 9 PM, still barking. Take a shower, hear the barking in the shower — the sounds penetrate every corner of the house. Barking continues: 10PM, 11, 12. Intermittent now, just when I think "OK, quiet at last," it starts again. Intermittent even at 1:30 AM and beyond.

Sat, Sun July 23, 24. OK days. Gone half the time, but pleasant days with usual neighborhood sounds, including dogs barking as I would expect when owners are playing with them — this is OK.

Mon July 25, 3 AM. Dog-on-a-long-leash up the street decides to start barking. This is a very still and humid night, any light sleepers within a quarter mile, with the windows open are now awake. Some yap-yap dog joins in. The duet continues until 5 AM. Back to sleep. 6:45 AM, Dog-up-the hill starts whining, howling and barking. Get up and go to work. What a pleasant way to start the work week!

Tue July 26, 3:30 AM. Dog-on-a-long-leash up the street starts barking again. Same story as yesterday.

Wed July 27, Nice day. That's one in a row.

Thur July 28, Oh, I don't know, about 4 AM. You guessed it, Dog-on-a-long leash up the street.

Fri July 29. Cool enough to close the windows. I don't know what happened outside.

Sat July 30, OK. Dog-up-the-hill barks once in a while, I

don't mind that. But I spend half the day at work anyway.

Sun July 31. Worked until 7 PM, some end-of-month deadlines to meet. Pull into the driveway about 7:15 and I'm greeted by a Dog-up-the-hill barking frenzy. I can't stand this. I'd like to read the Sunday paper in peace. I yell for the dog to shut up. But the owners are not home — this is basically the problem: dogs tied up outside, owners away.

Mon Aug 1, 8 AM: Dog-up-the-hill must have got his leash snared and is stuck — no barking, just howling.

Keep in mind, however, that other people on my street work the off shifts, and their logs, for the same time period, as they attempted to sleep through the morning, would be less pleasant to read than this one.

My first question is, of course, what do I do? Yes, I've talked to the owners; and the owners have heard, I'm sure on more than one occasion, one of my neighbors yelling for their dog to shut up, so they are aware that there is a problem. (I should express the fact here that all of the owners implicated in the log above are very nice people and are, themselves, truly ideal neighbors.) But they have no idea what goes on when they are gone. I don't want enemies of these people, I just want some peace and quiet.

Second question: Does Manchester have some kind of ordinance that applies to the situations described in the log above? Is this ordinance so vaguely defined, such as in using phrases like "excessive barking" (how much is "excessive"?), as to be ineffective or unenforceable. If we have a vague law that needs rewriting, I'll volunteer to start a draft of a new one.

This ordinance could be objective and quantitative in nature: a person who has gathered his own evidence, on video tape for example, presents the tape to a judge, who, with a stopwatch, determines the cumulative times for the performances: "X minutes of barking while the owner is away — that'll be a Y dollar fine." (The gathering of one's own evidence will be necessary since dogs' barking is not a police emergency.)

My final question is a combination legal question and opinion poll: do these dogs have some kind of "right" to permit them to disrupt the lives of the humans around them? Tell me, when the owner is away or sleeping and the dog is barking, who in society is benefiting from this activity? I think, not the owner. I know, not the neighbors. The dog? Yes, the dog. Is

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions. We ask that all letters be signed! Should there be extenuating circumstances for withholding your name, we will give that full consideration.

this insanity or what!

I will concede that dogs may bark when interacting with the owners, or to protect the owners' property from intruders (this is, in fact, good for the owners and the neighbors). My objections are to the owners who tie up the dog and forget about it or go away — only to let the neighbors suffer from the myriad of hideous sounds that only a miserable dog can make. Am I wrong? I'd like some feedback from the community.

Back to the immediate problem. As a last resort, I'm sure that I can put together enough video tape with calibrated sound meters and date and time stamping on the frames to overwhelm a judge and jury in a lawsuit — seems excessive, but if I have to do it, I'll do it.

Any suggestions? Anybody else in the same boat? I'd especially like to hear from people in the Village legal department. Any Vets out there who have had any experience with the ultrasonic collars or speakers to deter barking? Letter: 217 Auburn, ph: 8502 (constructive suggestions only, please), computer net (compuserve 73473,657) confidentially guaranteed.

Gerry Griggs

Editor:

I wanted to thank everyone responsible for getting my Nephew, Neil Barton's, name in the paper. He really enjoyed working at the Chicken Broil and it was a great souvenir for him to take back to California. He was thrilled!

Thanks again, Joe & Melanie Kress

Dear Editor:

I would like to thank all of the Manchester area residents and businesses who attended, bid and purchased at the Washtenaw County 4-H Livestock Auction on July 28, 1994.

Your support is most appreciated as reward to our area kids for all of their hard work. You have helped to encourage them to continue to learn and work together for the success of our community.

Sincerely,
Cheryl Plouff
Sheep Leader
Townline Workers 4-H Club

To the Editor:

I want to express my appreciation to Teresa, Marsha et al for the dedication, hard work and commitment to excellence that is evident in the Enterprise. I enjoy the community interest stories, pictures and information.

I've been tempted to respond to the recent editorial question about "whether or not parents should be held responsible for their children's behavior." Of course, you haven't seen my report in print! That's because I'm still thinking. And probably, like most of you, I know there is not a simple answer to this symptom of what ails our society.

What I do know is that I appreciate this community for many things, one of which is its support of family and other values that I hold dear. The most remarkable is the community-wide commitment to God, families and others. Manchester people have not withdrawn into complacency, because of differences, disagreements, disillusionments and discouragement. This community believes that reaching out with care and concern can and does make a difference.

Thank you, to all that contribute to this community. Thank you, to all at the Enterprise that focus on and communicate qualities and values.

Marley Pagel

Manchester Retains its Small Town Charm

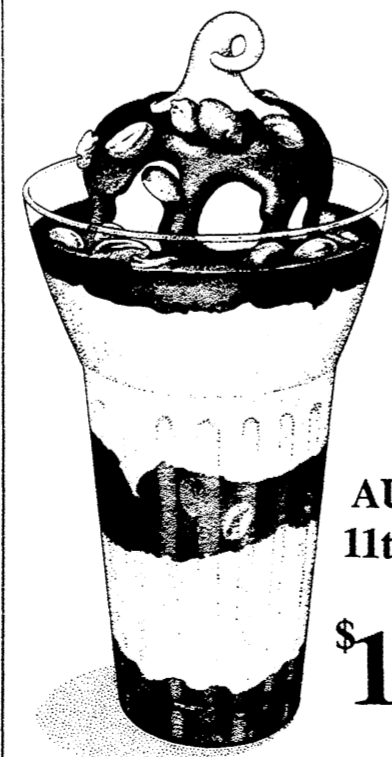

As a former full time resident of Manchester, I find it refreshing to see that Manchester has retained those qualities I grew to love as a child. From the high school, to the store fronts, and on to the car repair shop, Main Street has maintained its unique charm. While other towns and cities strive to expand, the people of Manchester recognize that uncontrolled growth can destroy what has taken many years to create. The quality of people living here also can't be matched. While the larger cities in this country have many fine people, their focus is often in the pursuit of goals that are either unattainable or undesirable. As those much wiser than this author have stated, life is a journey to be savored, not a goal to be attained. Congratulations go out to the residents of Manchester who have maintained the magic of this town through the years.

B.E.G.

Editor's Note: We always appreciate hearing the nice things about Manchester that are too often taken for granted. In this letter I was particularly gratified that Bruce, who is now a lawyer in Austin, Texas, could savor part of his heritage.

Bridgewater Township Board Meeting July 19, 1994

Out With the Old...

Bridgewater Township decided the old sign on the Town Hall was in need of freshening and updating so...

In With the New

Expressign Designs of Ann Arbor was contracted to do the replacement. It was installed on Monday, August 8.

Parr opened the board meeting in July with all officers present except Wahl.

Minutes and Treasurer's report were given and accepted.

Bills were presented and paid. The board noted and was concerned with the numerous false runs that have occurred in the township this past few months.

Board discussed a sign for the new John B. Swainson Memorial Bridge on Allen Road. Board approved purchasing a sign.

Board reviewed the bids for a sign on the town hall. Two bids were presented; board accepted the bid of Expressign Design, being green with gold letters in a design appropriate for the hall.

Supervisor discussed the consent judgement of Adrian Sand and Stone.

Treasurer reported that the township should be aware of the need for a copy machine at the town hall. This would be useful for the assessor, zoning inspector, and committees of the township. Board instructed the treasurer to get bids for the project.

Board approved a second application of Salt Brine for the roads to be applied starting after August 1, 1994.

Planning Commission reported a public hearing August 8, 1994 on Lot Split Ordinance. Board also has been working on several conditional use permits.

No Zoning Inspector report was given.

Board noted again that the Wolverine State Appraisal Company has regular office hours at the Township Hall every Tuesday from 9: a.m. until 1 p.m. Karen Page from the company will be there to assist residents with their property assessment needs.

Bridgewater Township Board adjourned, next meeting August 16, 1994.

Karen Weidmayer
Bridgewater Township Clerk

PUT AN END TO LABOR DISPUTES.

PLANNING A FAMILY OR MANAGING A COMPANY, health care coverage can give you the blues. Claim forms. Deductibles. Disputed claims that can take you a year or more to straighten out.

KISS THE BLUES GOODBYE with Physicians Health Plan. No claim forms. No deductibles. Just straight talk and clear coverage. All without sacrificing your choice of physicians.

YOU'D EXPECT TO PAY MORE for something that manages labor so nicely. But the fact is, you'll save yourself a nice little bundle.

To FIND OUT HOW, call your insurance agent. Or call us today at 517-782-7154.

BIBLE SCHOOL AT SHARON UNITED METHODIST CHURCH

"The Amazing Journey to Bible Times" is the theme for Vacation Bible School to be held at the Sharon United Methodist Church. Children travel back through a time tunnel into Bible times. There will be skits, crafts, music, games, snacks, and learning about persons in the Bible.

VBS will be held August 15-19, 6:30-8:30 p.m. All children 2-1/2 through the 6th grade (grade completed) are welcome. The VBS Director is Mrs. Carol Huehl assisted by Rev. Peggy Paige.

To 'Have A Nice Day,' We Should Provide One For Others

When somebody tells you to, "Have a nice day," Have you pondered the meaning it's meant to portray?

For you to hear it from everyone, go where you will;

Like the clerk at the market, while paying your bill. If you want a nice day, you can always succeed. Just by giving assistance to someone in need;

And that nice day you covet will happen for sure, if you always remember to give to the poor. At the place where you worship, its message conveys:

You help those who need you, in numerous ways. And pray to the Lord, and obey this advice: Then your day, and all others, will surely be nice.

— Gloria Nowak

Count that day lost whose low descending sun views from thy hand no worthy action done. —Old saying

"For he that will love life and see good days, let him eschew evil and do good." — 1 Peter 3:10, 11

Big Band Swing and More! This Week at the Gazebo

There are lots of "service clubs"—but have you ever heard of a "musical service club"???

That's what the Saline Big Band is—a musical service club! And they will be performing this Thursday evening, August 11th, right here in Manchester at the Gazebo, beginning at 7:30 p.m.! "This is our 21st year. We began in 1973 in the schools," explained Jerry Wingate, the spokesman for the Saline Big Band. "Any money we make goes back into the schools for their music program." And the Saline Big Band is in demand! Not only do they play throughout the local area but have also been to the International Jazz Festival at Brecon Wales three times!

The Band currently has about 17 members—trombones, saxophones, trumpets, and rhythm (piano, bass, guitar). There is just one woman in the group (playing keyboards and singing), and right now all the members of the Band are adults although they have had high school and college students at various times throughout their history.

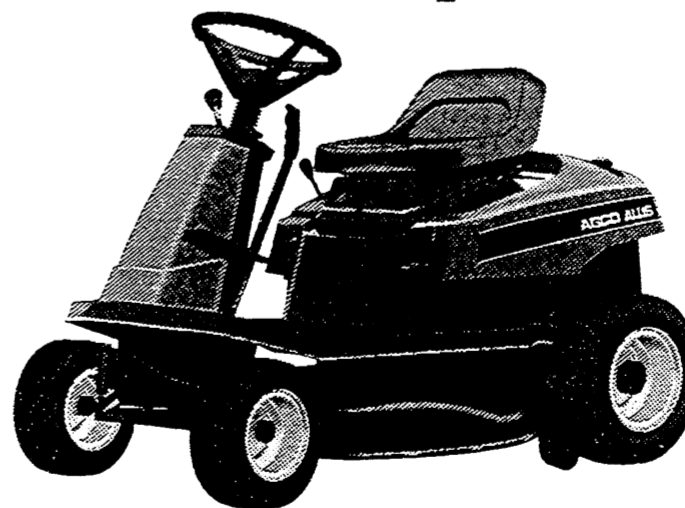

"We play a little bit of everything," Jerry continued. "Old fashioned big band sounds by Benny Goodman, Tommy Dorsey, and Glenn Miller—plus more contemporary works, such as Billy Joel, Michael Jackson, Achy Breaky Heart." This concert will certainly be a crowd pleaser. Make sure you don't miss it!

As the Gazebo season winds down (this is the next-to-the-last performance), the luxury of "going next week instead" is rapidly disappearing. Let's give a Manchester "Welcome" to the Saline Big Band and enjoy what they are bringing to our town. It'll be great fun! As always, thanks to all the folks in the Recreation Task Force for organizing these Gazebo Concerts.

And also "as always," the Gazebo Concerts go on, rain or shine! Rain location is the K of C Hall. Same time-7:30 p.m.-same day. So get in the mood for big band swing—and a whole lot more. Bring your lawn chair or blanket. And bring a friend, too. Enjoy music at twilight—at the Gazebo on West Main Street!

DEXTER DAZE '94 Friday and Saturday, August 12 and 13, 1994

Time to start gearing up for Dexter's annual, let's-do-it-all summertime bash. Conveniently falling between Ann Arbor's Art Fairs and Ypsilanti's Heritage Festival, Dexter Daze will happen on Friday and Saturday, August 12 and 13 this year. This event has grown immensely in popularity over the past few years, and it's easy to understand why. After all, where else can you go for two straight days and nights of non-stop, first-class entertainment to suit practically all ages and tastes, all of it absolutely free?

In addition to arts and crafts booths, historical museum exhibits, cemetery historical tours (Dexter has its very own Civil War hero buried in the village's Forest Lawn cemetery), antique fire engine muster and horseshoe-throwing contests, this year's offerings for Friday include FANTASY E-FEX PUPPET THEATER, presenting puppet shows, and COLORS THE CLOWN, specializing in kids' shows involving balloon animal creations. Late afternoon will bring on the DEADBEAT SOCIETY, fast becoming a household word to local aficionados of bluegrass/swing music. They will be followed by the PAUL VORNHAGEN QUARTET, featuring guest artist Jimmie Cook; this group is a veteran of many clubs and festivals, including the Detroit/Montreaux Jazz Festival, and garner top praise wherever they perform. Bringing Friday night to a steamy close will be AL HILL AND THE LOVE BUTLERS, including Ann Arbor's own Al Hill, with his mesmerizing creations on both keyboard and guitar, Rich Dishman on drums, Bill Lewis on bass, Danny Hare on guitar, and three superlative sax players: Buddy Love, of Blue Front Persuaders fame; Mark Hynes, veteran of the Bird of Paradise Orchestra, and Mark Kieme, who has played with the likes of the Temptations and the Four Tops.

The Dexter Daze parade, complete with bag pipes, fife and drum corps, and all manner of parade paraphernalia, kicks off Saturday's festivities at 10 a.m. Post-parade offerings include LA RON WILLIAMS, highly-acclaimed storyteller, and the ever-popular duo GEMINI with superb family entertainment. Back by popular demand is the LUNAR OCTET, bringing their infectious blend of salsa-tinged, Latin-flavored worldbeat music to the crowd. They'll be followed by what has become a Dexter Daze tradition, THE RFD BOYS, Southeast Michigan's premier bluegrass band. To close the evening, the JIM TATE BAND, happy-hour faves at the Blind Pig, make a return engagement, with supremely danceable honky-tonk music.

There's lots to eat and drink—alcoholic and non—and free shuttle bus service is available from the high school on Baker Road.

Election Results
 do a lot better than the state average."

Sharon Township Clerk Duane Haselschwerdt thought that their roughly 20% turnout was "not bad for a primary" in their locale. Sharon Township is in a different district for County Commissioner, so the contested race was not an issue there.

In Bridgewater Township, Karen Weidmayer felt they had a "very poor turnout" of 190 voters, out of a total of 914 registered, although the race for 8th District County Commissioner did include Bridgewater.

An unusual feature in this election was the write-ins. According to Weidmayer, "we had more than usual, in the 55th District (House of Representa-

tives, State Legislature.) People were coming to us, trying to figure out how to do the write-ins." Explained Haselschwerdt, "Herbert Moyer no longer is willing to run for the Democratic nomination, due to health reasons, but his was the only name on the ballot. A write-in campaign was mounted for Georgene Campbell." In Manchester Township, Campbell received 22 votes; in Bridgewater, 5 votes; in Sharon Township, 2; and in Freedom, three votes.

Most of the Manchester area's election results closely followed "official" vote tallies in the county and the state. Local "favorite son" candidate John Hochstetler had a strong showing in the district-wide results, although ultimately coming in second to Joseph A. Mikulec, Jr. Local politician Lana Pollack, though a clear winner here, was narrowly defeated statewide by Bob Carr for the U.S. Senate seat. -MJC

LOCAL STUDENT ATTENDS ORIENTATION AT ALBION COLLEGE

Tracy A. LaRue, daughter of Mr. and Mrs. Brian R. LaRue of Manchester, recently attended the Spring Orientation and Registration (SOAR) program at Albion College.

SOAR is a program designed to introduce and familiarize incoming students to Albion College and help them with their fall enrollment. During SOAR, students are assigned a faculty assistant and a student leader who help them plan and decide their fall class schedule.

Students spend much time with the upperclassmen SOAR leaders who are ready and willing to answer any questions pertaining to any aspect of campus life. During SOAR, incoming freshmen are encouraged and have ample opportunity to meet other students and learn about campus life, including residence hall living.

SOAR for Parents is designed to familiarize the parents of incoming students with Albion College. Parents have the opportunity to meet with faculty, tour Albion's campus, stay in a residence hall, and discuss different issues, such as financial aid, changing values, and life transitions with their student.

The program is designed to enable parents to take an active part in their child's transition into Albion College campus life and gives them a better understanding of where their student will be spending the next four years.

Albion College is a private, coeducational, liberal arts college located in the south central Michigan town of the same name.

Hawk-Monahan Vows Announced

Mr. & Mrs. Timothy Regis Monahan

Mr. and Mrs. Ron Hawk of Aiken, S.C., formerly of Manchester, announce the marriage of their daughter, Melissa Michelle, to Timothy Regis Monahan, formerly of Brooklyn, Michigan.

The wedding took place on June 4, 1994 at St. Mary Help of Christians Church in Aiken. The Rev. Thomas Evatt performed the ceremony.

Christine Bruckner, sister of the bride, was matron of honor. Julie Hamilton and Valerie Baran, both of Manchester were bridesmaids. Ron Hawk served as best man. Ushers were Dr. Jeffrey Hawk, brother of the

bride, and Louis Bruckner, brother-in-law of the bride. Ring bearer was Paul McCauley of Dubuque, Iowa, godson of the bride.

Melissa is a 1990 graduate of Manchester High School. She attended Eastern Michigan University and graduated from the University of South Carolina School of Nursing. She is a cardiac nurse at the University Hospital in Augusta, Georgia. Tim is a 1991 graduate of Columbia Central High School. He is employed at the Carlisle Tire and Rubber Co. The couple resides in North Augusta, S.C.

Senior Citizens

MANCHESTER AREA SENIOR CITIZENS News by T.V. Ludwick

We are painting. That is almost enough said, as anyone knows who moves out furniture, takes down curtains and blinds to clean them and even removes moulding just so you can begin the job. What a mess! Wouldn't this be a good time to have company arrive out of the blue? I say yes, because certain of my relatives would just pitch in to help. Be just my luck to entertain those who wouldn't, but maybe they would be discouraged and excuse themselves because they just have to stop at another cousin's. Hubby says I worry too much. I tell him someone in this family has to worry or we wouldn't get it done.

August's Busy Woman's calendar Thought for the month is: "Every woman is Super Woman...super-stressed, super-tired, super-overworked" as she lies in her lounge chair reading with quip to kids "Go ask your father...I'm in a 'weekend

condition". Thank goodness, senior citizens can be in a weekend (or weakened) condition most anytime they wish. Lillian Uphaus tells us that seniors should be up on their feet at least four hours daily, but maybe not tomorrow when we both will be in a condition! Good advice - thanks, Lillian.

Friday, August 12: Seniors will leave the Center at 9:30 for Dexter and their Summer Daze. Call Erma Alber at 428-8707 if you'd like to go along.

Wednesday, August 17: The time is 10 AM (instead of 8 as printed in the Trumpeter) to leave the Center for Frankenmuth and the Music Festival at Heritage Park. Please call Erma to have your name placed on the list for this trip.

In response to inquiries as to when the first senior meal will be in September, it occurs on Tuesday, September 6. Are you ready for us, Jan? We are ready for you!

A New Look Underway at the Blacksmith Shop

Apparent to even the casual observer on Main Street, the Blacksmith Shop is undergoing a face lift. The roof has been replaced by Mel Sroufe of Mel's Roofing. According to Historical Society Member Reno Feldkamp, Shiver Restoration from Chelsea is also working on brick and window restoration on the building's exterior. "We feel very fortunate to have Shiver's working on our building," said Reno. "They do an excellent job." The work is being financed by a grant from the Chicken Broil as well as proceeds from Historical Society projects (Raffle, Calendar and luminaria).

Follow your dream, not the beaten path. No matter where your vacation dreams take you, AAA Travel Agency can get you there. We're Michigan's largest full-service travel agency. 1200 S. Main St., Ann Arbor 930 - 2250.

Schools & Youth

**SUMMARY
BOARD OF EDUCATION
AUGUST 3, 1994**

NOT OFFICIAL MINUTES

The special meeting of the Manchester Community Schools' Board of Education was called to order by President Kluge at 7:47 p.m. with the Pledge of Allegiance.

Members present: Kluge, Abbott, Sahakian, Winzenz, Ochs, Hochstetler

Member absent: Turk

Student Hearing: The purpose of the closed hearing was to determine disciplinary action for a student who was involved in vandalizing Nellie Ackerson Middle School on June 22, 1994. On that day, a student and another person broke into the facilities and severely damaged equipment and the building. The total damage is valued at approximately \$31,500.

The Board of Education determined that, effective immediately, the student be permanently expelled from the K-12 day school program and activities with the understanding that the administration will assist the student secure other educational alternatives. The student will be offered the opportunity to attend adult education programs when eligible.

New Business:

Dates for Start of School: The Board of Education has established Friday, August 26,

1994 as the reporting day for all teachers. The beginning date of school for students will be Monday, August 29, 1994 which will be a half day session for students and a full work day for teachers. Kindergarten students will begin classes Tuesday, August 30, 1994.

A waiver of membership has been granted to Renee Brindamour to continue attending Clinton Schools for her senior year.

Discussion Items: The Board adopted the following board goals as summarized:

- 1) Implement short and long term plans to resolve space issues;
- 2) Continue focus on cost control;
- 3) Open the communications lines among board members, between the administration and the board, and between the board and the community;
- 4) Continue curriculum planning and review;
- 5) Review board policies and procedures;
- 6) Implement procedures to increase organization and effectiveness of board meetings.

A "Town Meeting" will be held before the regular board meeting on Monday, September 19, 1994 in an effort to set district goals for 1994-95.

The meeting was adjourned at 8:42 p.m.

**Summer Writing
Workshop**

Mrs. V's Summer Authors imagined what it would be like to be chickens on Chicken Broil Day!

Jenny Schulz:

If I was not a chicken I would grow and stay alive until I'm dead. I would run home and play with my kitten. I would not be in a car. I'd fly a plane and fly to Germany and stay for the rest of my life. I would play with my cousin and never go back. And when it's over I'll go back by my self

Jeffrey Miller:

If I was a chicken on Chicken Broil Day I would get on a plane and join the Chicken Cubs. I got one million dollars a game. I would play outfield, short stop, third, and pitcher. I would hit 1,000 home runs. After baseball I would play chicken football. I would play on the Michigan Wolverines. I would be a running back. I got twenty touchdowns. Then I'd play Chicken NFL. I'd play on the San Francisco 49'ers. I would make 100 touchdowns a game.

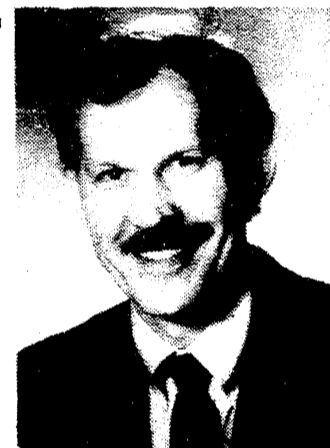

Andy Mahony:

If I was a chicken on Chicken Broil Day I would drink a potion that would turn me into a person. I would go to professional football. I would be on the Dallas Cowboys. We would have won the Super Bowl. I made two million touchdowns.

Josh Knouase:

I will not want to be cooked at the Chicken Broil! Because I don't want to be eaten. I don't want to die. I want to live. I have a good life. I have to do nothing.

**HANDS - ON
MUSEUM IN
MANCHESTER**

Starlab and Magnetism are features of the Ann Arbor Hands-On Museum visits to Manchester on Tuesday, August 16, and Wednesday, August 17 from 9 - 11 AM at the Manchester Township Hall.

As a Summer Reading Program "Special" of our Library, children in grades K-6 are eligible to participate. Each presentation is limited to 30 children, and those in the Summer Reading Program are given priority.

Interested children or parents should contact the Library by Aug. 12. Those students who attend either event are also given free entrance to the Ann Arbor Hands-On Museum for Friday, August 19.

One Last Complaint

A LITTLE old lady died and went to heaven. Five years later her husband died. When he arrived in heaven, his wife couldn't wait to show him around, pointing out what a beautiful place it was.

"Yes, it certainly is," said her husband, "and if it hadn't been for that blamed fiber diet of yours, I could have been enjoying it years ago!" — Rachel Welborne Jacksonville, N.C.

Monday through Friday
7:00 am - 5:00 pm
Newborn to 10 years old

Polly Brokaw today announced Manchester Community Schools' policy for free and reduced-price meals for children unable to pay the full price of meals served under the National School Lunch, School Breakfast, Special Milk or Commodity School Programs. The following household size and income criteria will be used for determining eligibility.

TOTAL FAMILY SIZE	A. SCALE FOR FREE MEALS OR FREE MILK			B. SCALE FOR REDUCED PRICE MEALS		
	YEAR	MONTH	WEEK	YEAR	MONTH	WEEK
1	9,568	798	184	13,616	1,135	262
2	12,792	1,066	246	18,204	1,517	351
3	16,016	1,335	308	22,792	1,900	439
4	19,240	1,604	370	27,380	2,282	527
5	22,464	1,872	432	31,968	2,664	615
6	25,688	2,141	494	36,556	3,047	703
7	28,912	2,410	556	41,144	3,429	792
8	32,136	2,678	618	45,732	3,811	880
Each additional family member	+3,224	+269	+62	+4,588	+383	+89

Children from households whose income is at or below the levels shown are eligible for free and reduced-price meals or free milk. Application forms are being sent to all homes with a letter to parents or guardians. To apply for free or reduced-price meals, households should fill out the form and return it to the school. Additional copies of the application form are available at the principal's office in each school.

NON FOOD STAMP HOUSEHOLDS: An application which does not contain all of the following information cannot be processed by the school: (1) monthly source of income received by each household member (such as wages, child support, etc.); (2) names of all household members; (3) social security number of adult household member who signs the application; and (4) the signature of an adult household member.

FOOD STAMP/AFDC HOUSEHOLDS: If you currently receive Food Stamps or "Aid to Families with Dependent Children" (AFDC) for your child, you only have to list your child's name and Food Stamp or AFDC case number, and sign the application.

The information provided by the household is confidential and will be used only for the purpose of determining eligibility and verifying data. Applications may be verified by the school or other officials at any time during the school year.

If children are approved for free or reduced-price meal or free milk benefits, the household must report to the school increases in household income over \$50 per month (\$600 per year) and decreases in household size.

Households may apply for benefits at any time during the school year. If a household is not currently eligible but has a decrease in household income, an increase in household size or if a household member becomes unemployed, the household should fill out an application at that time. In most cases foster children are eligible for these benefits regardless of the household's income. If a household has foster children living with them and they wish to apply for free or reduced-price meals or milk for them, the household should contact the school for more information.

Under the provisions of the policy Supervisor will review applications and determine eligibility.

Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the determining official on an informal basis. The household also has the right to a fair hearing. This can be done by calling or writing the following official: Jan Lillie, 710 E. Main St., Manchester. Each school and the Superintendent's Office have a copy of the complete policy, which may be reviewed by any interested party.

In the operation of the child feeding programs no child will be discriminated against on the basis of race, color, national origin, age, sex, or handicap. If any member of a household believes they have been discriminated against, they should write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

Powering Our Future - Right Here in Manchester

Current Power transfer station on Territorial Street

This summer and fall are seeing a great deal of work beginning which will affect us many years into the future. Consumers Power is expanding their transfer station on Territorial Street, and will soon begin work on a new substation east of town.

According to Village Manager Jeff Wallace, "The power from this transfer station serves the village of Manchester. Power comes to the village on three lines, and is distributed throughout the village on six feeds. The problem being, that if too many households or businesses are trying to draw power at the same time we have brownouts and outages."

Kids are the Winners!

Manchester Board of Education, at their regular meeting Monday evening, voted to provide a portable classroom for Klager School. This room is to be used for elementary music in lieu of a floating program that would go from room to room.

At the July 18 meeting, Superintendent Niedzwiecki informed the School Board that because of increased enrollment Klager's music program would have to move from room to room. Niedzwiecki was then asked to investigate adding an additional portable classroom.

Niedzwiecki reported that 94/95 increased enrollment creates a need for one more classroom. Further projected enrollment increases in 95/96 and 97/98 indicate the need for additional rooms in each of those school years.

Faced with immediate and projected need of classroom space the Board of Education entered a very spirited debate on how to best meet student needs.

John Ochs, supported by John Hochstetler moved that a portable classroom be immediately acquired and that a Bond issue be presented to the community for consideration by June 1995. After motion modification and audience support for the portable, Board members Abbott, Hochstetler, Ochs and Turk voted for the action.

Sahakian and Winzenz opposed the motion. Winzenz thought using fund equity was not the proper solution. Sahakian apparently voted against the motion because she could not convince the board a February vote was more appropriate.

Providing a portable classroom should prove less disruptive for other classes and could be used at either the Middle School or the High School as enrollment needs dictate.

-Emory Garlick

other appliances which are adversely affected by power surges or brownouts. In short, we're growing - all of us - and we need to be positioned for more growth in the coming years.

The Territorial Street addition began on August 8 and is scheduled for completion by October 1. The cost of the project, which includes relocating the driveway to make access safer for their staff, widening the fenced area and increasing security for safety (1" holes in fence to decrease access and plexiglas on top to keep animals out), adding another bank of generators, and adding cooling fans, will total about \$200,000.

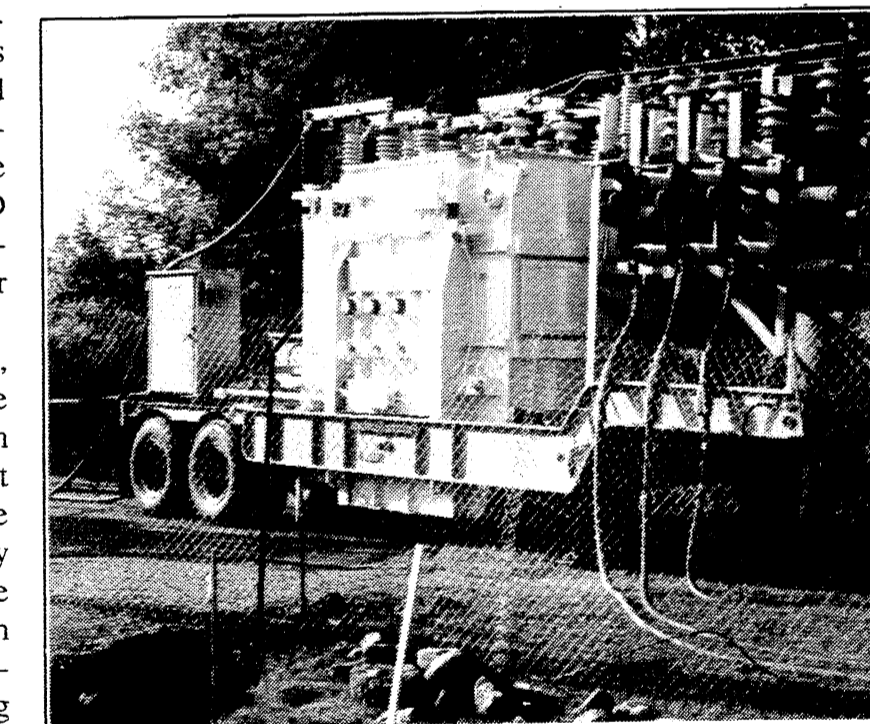

Larger additions will be made at an adjunct project located at the intersection of Gieske an Parr Roads in Manchester Township.

Ten acres currently owned by Consumers Power, a new transmission substation will be built. Currently, our power for

the village and outlying areas comes from Brooklyn or Cement City. Anything that goes wrong in between here and there affects our power. By adding a new substation, this will facilitate growth and development in the area. It will improve both voltage and the reliability of service in the community, according to Edwards.

The construction schedule for the new substation has its beginnings on September 15 with site preparation, and will be completed on or about December 1, 1994. The total cost of this improvement will be about \$2,700,000.

"Basically, the utility wants to improve service to our area," commented Wallace. Edwards agrees: "We look forward to better serving our residential customers and improve the reliability of our service. These improvements will help us to serve Manchester homes and businesses better." -MJC

One of the temporary generators located at the Territorial Street substation. Work is being done at the site by Kent Power Systems of Kent City.

Progress, progress, progress - work is continuing as scheduled at Johnson Controls new R & D facility. See story on Second Front Page.

IT'S GOOD TO BE HOME

LEON G. BALL

I would like to take this opportunity to thank Greg and Kathleen Marvin, owners of MIDWEST FORD, for inviting me to join their sales staff.

I recall how convenient and enjoyable it was the last time I worked in my home town. That was 35 years ago when I worked for Spike Benedict at Spike's Mobil Service, now Dan's Westside Auto. It was rewarding to see how Spike cared for the people of Manchester and how they returned his kindness. Greg and Kathleen Marvin are also striving to establish this caring tradition at MIDWEST FORD. They grant a scholarship each year to a M.H.S. student and are active in many other community affairs.

I would like the people of Manchester and surrounding areas to let me be of service to you in your automotive needs. I invite you to stop in at MIDWEST FORD and give me the opportunity to put you into a new Ford or a used automobile.

"I WILL EARN YOUR TRUST"
