Dutch Defeat Redskins

E. Garlick

A touch of fall was in the air as Manchester's finest traveled to Clinton Friday night to take on the Redskins of Clinton. The yearly rivalry was a classic battle of the two teams.

Clinton kicked off to Manchester and on the first play Mica Puscas went up the middle for four yards. The second play of the game saw things begin to unravel for Manchester. A fumble on a Manchester hand-off lead to Clinton's recovery on Manchester 34 yard line.

Clinton's 8 yard run, a 6 yard pass and a fine running play by Clinton up the right side put the ball on Manchester's 5 yard line. Off side by Manchester put their back's to the wall at their own two and a half yard line. Things looked bleak for the loyal fans trekking to

Clinton. All was not lost however as the Dutch stopped the first running play for no gain.

Clinton's quarterback was stopped for a one yard loss and then the quarterback was sacked

for a loss back to the 9 yard line. A field goal attempt by Clinton was wide to the left and

Manchester took possession.

Puscas picked up 5 around the right side followed by Geoff Brooks with 3 more. Brooks was unable to connect for a first down on the next play and Nick Davis kicked to Manchester's 40 yard line. Fate was kind, and Clinton fumbled on their first play Manchester's #50, Michael Mann, recovering. After an incomplete forward pass, a Clinton penalty on second down, Mica Puscas ripped off 13 yards and a first down on Clinton's 43. This was Manchester's first penetration of Clinton territory.

After a four yard loss on first down Niehaus connected with Luke Hugel for a short gain. Clinton was again off-side on

MHS CHEERLEADERS CITRUS BOWL BOUND?

This past summer, both JV and Varsity Cheerleading squads attended camp at the University of Toledo run by Universal Cheerleading Association (UCA). The JV squad consists of eight girls - two sophomores (Joanna Dettling and Tonya Ward) and six freshmen (Jenny Aiken, Mary Ann Fillyaw, Jennifer Mann, Dana McCalla, Katie Roberts, and Michelle Roos). The Varsity squad is made up of ten girls - five seniors (Courtney Bentschneider, Melissa Driessche, Karin Messing, Jenny Nosbisch, and Kelly Stockwell), two juniors (Michelle Helfrich and Erika Panches),

and three sophomores (Stacey Burmeister, Heather DuRussel, and Renee Foster). Unfortunately not all the girls attended camp due to prior activities. The UCA staff thoroughly enjoyed the girls' spirit and style of cheer. The girls had loads of fun and learned a lot. It was agreed that it was a pleasant (despite the high temperatures) and positive experience.

At camp, the girls learned various new sidelines and cheers (for your entertainment and motivation), several partner stunts, and two dances. During their second evening there, the girls had sideline evaluations.

UCA has a five level ribbon system: Superior-blue; Excellent-red; Outstanding-White; Honorable Mention-green; or no ribbon given at all. Both squads chose to perform two sidelines. The JV squad earned one white Outstanding ribbon and one red Excellent ribbon. Varsity earned two red Excellents. Later that evening, a Jump-Off and Dance-Off was held. Girls Erika Panches, Stacey Burmeister, Mary Ann Fillyaw, and Katie Roberts participated in the Jump-Off, while Kelly Stockwell, Heather DuRussel, and Dana McCalla were in the Dance-off. Kelly

advanced to the second round; it was quite entertaining. The following afternoon we had cheer

Second Front Page: AUCTIONS

A Country Pleasure

by Teresa M. Benedict

Braun & Helmer auctioneers at Herb Widmeyer's estate auction a couple weeks ago selling of the wagon with a large crowd enjoying the beautiful day. Jerry & Lloyd are well known in this area and are very good auctioneers, always sliding a joke in here and there to keep things rolling.

A country auction is one of the wonderful pleasures of living in the country and was an important social gathering for many of our ancestors.

On auction day, the excitement begins early, whether one is there to buy or to be entertained. People arrive a couple hours early to view everything scattered on the lawn and packed on the wagon bed, usually filled with small items from the kitchen and inside the house and small tools from the barns.

People sign up for their bidding number at a cashier's desk - usually a van or table is set up. People scurry all around the farm looking for just the right treasure, examining it carefully to be aware of any damage. Then they decide on a price they are willing to pay for the item; a very important rule at an auction is to set your price before you start to bid and stick to it - so as not to get carried away with your bidding and over extend your budget!

Lots of people come to auctions just for the social aspect of them. Neighboring farmers and friends gather on auction day just to chat with the neighbor that they wave to while plowing in adjacent fields or driving by their place on the way to town. Lots of information is exchanged at auctions and stories fly around on auction day - who's getting married, how the family is doing, how many new sheep have

been added to the herd, what has been planted and what has yet to be done. . .

The auctioneer announces a couple minutes before the sale the terms of the sale, where they are going to start and where to get your number - they will also talk about sales they are holding on future dates.

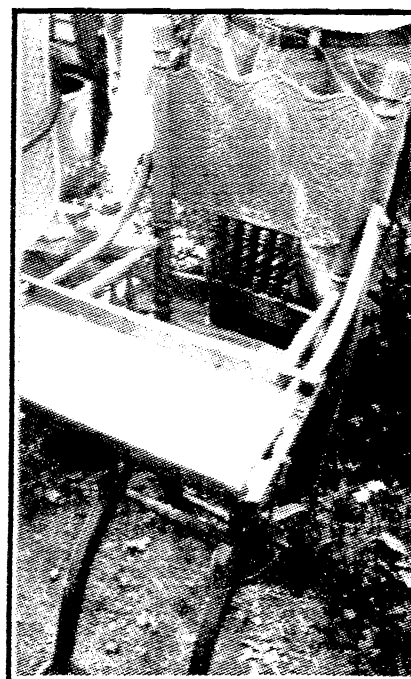

The excitement builds as people gather around where the bidding is going to start - on the wagon if there is one. The auctioneer hops up on the auction along with a "feeder", a helper

who hands him items one by one telling him of any defects he has noticed and anything special about the piece - the maker or any writing on the item telling its age. There is also a "writer" who writes down the item the amount it sells for and the bidder's number; when he fills a sheet of these tags up the "runner" takes the sheet over to the cashier and they split them up, filing them under the proper number. It's always a good idea to write down what you buy as you buy it and for how much. Be sure your fig-

ures match the cashier's when you check out - sometimes there is a wrong tag stuck in the wrong slot.

To hear an auctioneer sing is wonderful - that is when they start the bidding and roll prices off their tongue to get the bidding started - once they hit a price someone wants to open the bid at, the auction has truly begun with two or more people bidding against each other the auctioneer sings the price going up by 5's or 10's depending on what the item will bear and how the bidders are bidding. It's always great to get that item you have been waiting for; you get a real rush sometimes if the piece has sentimental value to you or if you paid less than what you were willing to.

The sale continues from the wagon to up and down rows of "stuff" lined up on the lawn and around and in the barns - people moving with the auctioneer like a swarm of bees following the queen. Many times there are box lots of odds and ends and these boxes go for \$2. Bid on one - you never know what kind of treasure you might get buried in a box. The pace quickens towards the end of the auction as the end is in sight. In rapid succession, the feeder brings out the odds and ends that often hold the real bargains that some have come for. The

This child's high chair, which converts to a rocker - went for \$350 at Herb Widmeyer's estate auction - it was in very good condition, notice the hand turned spindles across the back - it is quite rare.

HOUSEHOLD AUCTION

Editorial / Opinion

Dear Mr. Garlick,
Why does the Manchester Enterprise publish critical, negative editorials from people who don't have the courage or courtesy to use their name? I am referring specifically to the letter in last week's paper from "Concerned Parent" criticizing the hiring of the new teachers at Klager. Not only do I believe this person to be way off base in their opinion, I find it offensive to be reading secret letters spreading poison. If a person has something bad to say, say it publicly or be quiet.

My oldest daughter has had the privilege of having two teachers hired by the Klager Principal, Mrs. Henry, for first and second grade. They were wonderful teachers. My youngest daughter has one of the newly hired teachers for Kindergarten. All of my initial impressions reaffirm my opinion that Mrs. Henry goes beyond credentials and experience when she hires. Mrs. Henry finds those most elusive of qualities called 'talent', 'artistry', and 'true dedication.'

Keep up the good work, Mrs. Henry. I think you have hired some wonderful teachers. As a concerned parent, that is what really matters to me.

Sincerely,
Sandy Thomson

Out and About

by gar

A couple of things I've been ruminating about this past week. I have watched the boob tube news and have been following the big city "fish wrappers" for the past few months. Putting that together with some history classes and humanities courses in college I got to thinking, now with me that can be downright dangerous.

It seems that affluent societies have a much higher incidence of immorality than less affluent societies. I recall Greek and Roman history studies tended to show the more affluent their societies became the more decadent they became. Their so-

cieties were over run with less affluent ones.

It also seems that, I'm speaking from personal experience, when we are faced with adversity we become much more moral. Sometimes even asking for divine intervention. I can recall a couple of instances when I needed help that was above and beyond that which is available from human-kind.

It's kind of my thought that a good many folks in this old world have similar feelings at times. I can't say that I am a very devout person, but I do think we would be a lot better society if we were a lot more caring and moral.

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions.
We ask that all letters be signed!
Should there be extenuating circumstances for withholding your name, we will give that full consideration.

To The Editor:
On 27 August I needed help getting my husband out of the car after returning from his dialysis treatment. I saw two young gentlemen parked in front of our home; I called them asking for help and they responded immediately. I thanked them both but did not get their names. I'd like them to know how much it was appreciated.
Also, our thanks to the Manchester Fire Department and the Huron Valley E.M.T.'s that responded to my call for help.
Sincerely,
Doris A. Black (Mrs. Harold J. Black)

WASHTENAW COUNTY HUMAN SERVICES HEALTH SERVICES PUBLIC HEARING FOR SUBSTANCE ABUSE COORDINATING AGENCY COMMUNITY MENTAL HEALTH PUBLIC HEALTH
555 Towner, P.O. Box 0915, Ypsilanti, Michigan 48197-0915

The Washtenaw County Health Services Group of Washtenaw County Human Services will host public hearings on Thursday, September 22, 1994 for the following health services programs:

4:00 - 5:00 P.M. Substance Abuse Coordinating Agency
Gene Brown, Coordinator (313) 484-6620
5:00 - 6:00 P.M. Community Mental Health
Lucy Ann Howard, Director (313) 484-6620
6:00 - 7:00 P.M. Public Health
David McNutt, Director (313) 484-6640

The purpose of these hearings is to provide a forum for public input on Health Service's programming for Washtenaw County. The hearing is held in accordance with Federal and State regulations. Any individual or organization may address issues regarding the programs at the times designated above. Presentations will be limited to three (3) to five (5) minutes depending on the number of individuals or groups requesting to present. Individuals or agency representatives who are not able to attend the public hearing may submit written testimony to the address above by September 22, 1994.

Planning documents relating to Community Mental Health will be available for advance review at the Washtenaw County Administration Office 220 N. Main, Ann Arbor. Washtenaw County Human Services Multi-Center, 555 Towner St., Ypsilanti; and the Washtenaw County Human Services Multi-Center, 2140 E. Ellsworth Rd., Ann Arbor beginning September 12, 1994.

The hearings will be held at:
Washtenaw County Human Service Multi-Center

SEEDS FROM THE SOWER
Michael A. Guido
Metter, Georgia

A teacher asked, "What's a saint?"

Looking at the stained glass window with paintings of Matthew, Mark, Luke and John, a boy answered, "People who let the light shine through."

Someone has written: "Others may be stained glass of rainbow hue, I'd be a window pane for the sun to shine through. A clear glass, a clean glass is what I'd be, unconcerned with temperament and personality. I'd have the sun shine through me, so my friends would say not 'What a lovely pane!' but 'What a lovely day!'"

So live that the window of your life won't keep the loveliness of the Lord from shining through.

Announcements

It's GIRL SCOUTS Round-Up Time Again!

Do you want your daughter to be involved in activities that will help her grow? Does she feel she doesn't have enough friends? Is her self esteem a little low and she needs perking up? Well, we've got the perfect thing for her...it's Girl Scouts of Manchester!

Girl Scouts in Manchester will give your daughter opportunities that will help her build on her self esteem by teaching leadership skills that she will put to good use through out the years. Girl Scouts will teach her camping and survival skills which will stay with her, take her on trips to new and exciting places, but most importantly, will build lasting friendships and teach her that working together as a group can accomplish so much!

If all of this sounds great for your daughter, please come to the Girl Scout round up that fits your daughter's age level. Daisy: Pre-K or age 5; and Juniors, grades 4, 5, & 6 will hold their round up on TUESDAY, SEPTEMBER 6 at 7:00 PM at the Methodist Church next to Klager. Brownies: grades 1, 2, & 3; will hold their round up on THURSDAY, SEPTEMBER 8 at 7:00 PM at the Methodist Church next to Klager. If you missed or cannot make it to these meetings for your daughter, call Julie Mester, 428-7884 as soon as possible.

IF YOUR DAUGHTER IS ALREADY ESTABLISHED IN A GROUP, REGISTER WITH HER LEADER AND DO NOT COME TO THESE MEETINGS.

American Legion Auxiliary

The American Legion Auxiliary will meet at the Legion Home on Wednesday, September 14, 1994 at 7:30 PM.

Two Additional WWRA Communities recycle OCC

Some of the old corrugated cardboard (OCC) in Western Washtenaw County has found a second life, courtesy of Bridgewater and Manchester Townships.

In April of this year, these communities initiated drop-off collection programs to recover cardboard generated from both residences and businesses in their communities. OCC makes up a large proportion of the commercial and industrial waste streams and is relatively easy to collect. In addition, it is currently selling for nearly \$125.00 per ton.

The containers are serviced by the Western Washtenaw Recycling Authority (WWRA). AT WWRA, the cardboard is processed into bales and shipped to end markets to be manufactured into new products.

More than ten tons of OCC have been recovered since the programs started in April. Flattened corrugated cardboard is accepted at the Manchester Walco store and at Bridgewater General Store 24 hours a day. Cereal, tissue, or waxed type cardboard boxes are not accepted.

Is Radon A Health Hazard in My Home?

by Charleen Berels, Washtenaw County Consumer Services

Is Radon Testing a Difficult & Time Consuming Process?

The U.S. Environmental Protection Agency has identified Washtenaw County as a Zone 1 county. A Zone 1 rating indicates this county as having the highest potential for elevated radon levels in the United States. Radon is a naturally occurring, radioactive gas that is one of the most serious environmental health threats occurring in the nation today. Prolonged exposure to elevated levels of radon contributes to the development of lung cancer and is estimated to cause up to 30,000 lung cancer deaths per year. More people die from radon induced lung cancer than from leukemia or drunk driving accidents.

Homes in Washtenaw County have the potential for measurable radon levels of 4 picocuries per liter or above. The EPA has established 4 picocuries as an "action level" at which serious consideration should be given to reducing indoor radon levels, thereby reducing the risk of lung cancer. Residents of Washtenaw County are advised to test their homes for radon.

Why is it necessary to test for radon?
- Radon comes from the natural breakdown of uranium in soil, rock, and water and gets into the air you breathe. Radon is a radioactive gas that is odorless, tasteless, and invisible.

- Radon typically moves up thru the ground to the air above and into homes thru cracks and other holes in the foundation. Homes can trap radon inside.

- Any home can have a radon problem. Old homes, new homes; homes with or without basements; well-sealed or drafty homes.

- The EPA has determined that any given home in Washtenaw County Washtenaw County has the potential for measurable radon at the "action level". The only way to know your radon level is to test your home.

- Radon testing is not a complicated process, but it must be done properly. If not performed correctly, test results may not be accurate and more testing may have to be done.

- There are two general ways to conduct a radon test, short term testing and long term testing.

A) Short term testing is the quickest way to check your home for radon. Short term tests remain in your home from 2 - 90 days depending on the devices.

- If you are testing for a real estate transaction you may need quick results. Short term tests are acceptable for determining whether the home should be fixed.

- A reliable short term test depends on closed-house conditions. Consider waiting until the cool weather to conduct a short term radon test.

B) Long term tests remain in your home for more than 90 days. A long term test will give you a reading that is more likely to tell you your home's year round average radon level.

Consumers can test their own homes or hire an EPA listed radon tester. Consumers should be aware that there is a potential for conflict of interest if they use the same company to conduct both a radon test and the radon reduction of the home.

Locally, short term and long term test kits can be purchased thru the Environment and Infrastructure Services Department. Questions about radon testing or requests to purchase test kits should be made to Rich Badics at 971-6974.

Consumer Services, a division of the Environment and Infrastructure Services Department, will provide further information about reducing radon in your home and information about radon and real estate transactions in the future. Contact Consumer Services at 971-6054 to receive printed information about radon.

Manchester Preschool

Co-Op Welcomes a New Teacher

"We are in good shape for the coming year, and have four full classes," said Breeda Miller, publicity chairman for the Manchester Co-Op Preschool.

of the Manchester Co-Op preschool, who also did her student teaching there, and has been a member of the Co-Op board when her oldest child, Matthew, attended the preschool.

Teachers Linda Ebersole and Jennifer Nisbett will find an enthusiastic crowd of pre-schoolers when school begins this year at the Manchester Co-Op Preschool, which meets at the Emanuel Church each day.

The preschool is pleased to be able to offer this full schedule of classes in the three- and four-year-olds in the Manchester area.

"I was working on my Associates in Child Development at Wash-taw Community College and worked with Eloise Kemmer when she was at the Preschool," Jennifer said.

since returning to Michigan in 1991. Now that Jennifer is teaching at the Preschool, it seems the cycle has come full circle, according to Breeda.

during their childhood, as was Jennifer. In another way, too, the cycle has fulfilled itself. The Schill/Haessler Foundation has long provided scholarships for youngsters whose parents could not otherwise afford the opportunity to send their children to the Manchester Co-Op preschool.

portion of that scholarship was established in memory of Jennifer's sister, Amy. So she has a very special personal tie with the school.

If you would like to register your child for the Manchester Co-Op Preschool, you may call one of the following Board members: Karen Tobias, 428-9372; Cathy Peasley, 428-7601; or Breeda Miller, 428-0847.

New Arrivals

I'm Here!

My name is Zachary Stewart Strahle and I'm going to live in Napoleon with my Dad and Mom, Bryan and Becky.

I was born September 1, 1994, 12:59 PM at St. Joseph Hospital in Ann Arbor. I weighed 8 pounds, 6 ounces and I'm 21-3/4" tall. My proud grandparents are Will and Chris Stewart of Manchester and Harold and Delores Strahle of Grass Lake.

Lordy, Lordy Look Who's 40!

Happy
Birthday,
Debbie!

John Crispin New Head Coach

The Chelsea Aquatic Club announces the appointment of John Crispin as the new head coach. John brings a 20 year span of coaching experience to the local age group swimming program.

"We are very pleased to have Coach Crispin joining our program," stated Wendy Broshar, president of the club. The club has experienced growth and success over the last 3 years, and John's talents will help the swimmers to progress even more.

An Ann Arbor native, John graduated from Pioneer High School and coached the Ann Arbor Y and Huron Valley Country Club in the 1970's. In 1980, he relocated to Washington State, where he received his degree from the University of Washington in Seattle, while coaching an age group program in Issaquah, Washington.

From 1986-1988 John served as Head Coach of the men's and woman's high school swim team in Bellvue, Washington. In 1989, he turned his attention back to young swimmers coaching an age group program in Kirkland, Washington.

He returned from the West, to Rockford, Ill. where he directed aquatics programs for 2 years at the Rockford YMCA. Deciding to return to Michigan, he moved to Manchester in 1993 where he now resides with his wife Julie and their two sons, Brennan and Joey. Last season he headed the Aquademics swim program in Ann Arbor, a program serving Afro-American youth.

"My formula for developing young swimmers is 'effort-improvement-success'," Crispin explains. "I believe in quality, not quantity; teaching the kids the correct stroke mechanics and how to work on them to improve. Improvement will naturally follow, and with improvement success follows."

The community's first opportunity to meet Coach Crispin will be Friday September 9 at Beach Pool from 6:00-7:30PM for a Family Swim and Advance Registration Night. Root beer floats will be served and everyone is invited to swim and learn more about the club. For information, please call Wendy Broshar at 475-0223.

Senior Citizens

MANCHESTER AREA SENIOR CITIZENS

News

by T.V. Ludwick

We will begin by noting two items of interest for seniors only.

(1) Community Resource Center and Chelsea Community Hospital are hosting the Senior Supper Club at the United Church of Christ, Tuesday, September 13th. The monthly events feature card games at 2:30 (euchre for sure), 4:00 special program and 5:00 delicious dinner—everything for \$5.00. The September entertainment will feature Manchester's own musician, Mike Gleason. Mike plays many different instruments. To make reservations, call the Community Resource Center, 428-7722 by September 9th. New faces are always welcome, come and join the fun!!

(2) An opportunity to earn some extra money—20 hours a week at minimum wage. Applicants must be 55 years or older and able to demonstrate basic typing skills with on the job training provided. Current income must not exceed \$9,200 for 1 person and/or \$12,300 for two people excluding disability and SSI

Income. Please contact Dianne at the Community Resource Center, 428-7722.

Thursday, September 8: Today is the Birthday Bash for seniors who were born in both August and September. If you haven't been to our meals, this is your chance to see how great they are. You must call Jan before 10:30 today to attend for the baked chicken awaiting us all. Then come to the Center at 12:30 for bingo.

Saturday, September 10: Senior bus will leave the Center for Belleville where you may enjoy their city-wide yard sale. To go along, call Erma Alber at 428-8707. Shop 'til you drop?

Sunday, the 11th is on the calendar as Grandparents' Day—now isn't that interesting? Grandparents enjoy their kids and youngsters anytime, but you may wish them a very happy day today.

Monday, September 12: Shopping at Adrian will be enjoyed. 9:30 is departure time from the Center.

Tuesday, September 13: Council meeting starts at

9:30—come help and bring ideas. Jan and crew will prepare salmon Romanoff for our pleasure (sure sounds fancy, but we all know it will be good). Center activities begin at 12:30 and there is always something to do to help out other folks there.

Thursday, September 15: First exercise begins at 10:30 (change of time from Trumpeter) and will last an hour 'til 11:30. Stuffed green peppers will be on our plates (Jan makes sure that the picky eaters will not have to eat the green part, will serve SOME WITHOUT).

We will have guests for dinner and bingo, the members of Ann Arbor Senior Citizens and we welcome them. If you'd like to join in to welcome their group, call either Linda at 428-8359 (ahead), or Jan at 428-7630 (before 10:30 AM on meal days) for your dinner reservation. The August-September Trumpeter is ready for you to pick up at either senior meals or at the Center when it is open.

School

From the Athletic Director Manchester Community Schools

Dave Swanson, Athletic Director at Manchester Community Schools has requested that NO PETS be allowed on the athletic field or any school facility.

Explaining this problem further, Swanson said, "People are allowing their pets, particularly dogs, to run on the track and the field. I have the safety of these kids to keep in mind. Having waste on the field could cause a safety or health hazard to the students."

"There are a large number of community members who use these facilities regularly, and they are there for the community to enjoy," said Swanson. "If it becomes necessary to lock the track because of the animal problem, it will spoil that for everyone."

Signs are being posted at all facilities. Meanwhile, please be considerate of your neighbors and the students by keeping your pets off of school property.

Cheerleaders to Citrus Bowl?

Continued from Front Page

evaluations. The squads were to perform one cheer. The JV earned an Excellent ribbon while Varsity earned a Superior. Along with the ribbons the squads received a written evaluation sheet. On both of the Varsity's sheets was a special note to their "Great Spirit!"

manche, participating, and above all, SPIRIT!! The Varsity squad also received an invitation to attend and participate in the pre-game activities of the Citrus Bowl to be held January 2 in Orlando, Florida.

The estimated cost of this trip is \$1,000 per girl (\$10,000 overall.) This would be an excellent opportunity for the girls and a chance to further showcase Manchester athletes (the football team was showcased at the Silverdome last year in the State Finals. It would also be a lot of fun for the girls and an experience they'd never forget. We have many fund-raisers in mind and the girls, along with their parents, are very enthusiastic. Now we ask for some community support. Please, get involved, Your generosity will be greatly appreciated. Thanks and we'll see you at the football games. GO DUTCH!

D.A.R.E. Program begins at Klager

Deputy Jon Scicluna will once again lead the D.A.R.E. (Drug Abuse Resistance Education) Program at Klager School. "Deputy Jon" began the program four years ago, taught for two years, and the past two years the program was led by Sgt. Carl Werner. Welcome Back, Deputy Jon!

Be Kind To Our Crossing Guards - The lives of our children are in their hands! Please be sure to come to a complete stop when crossing guards are assisting our students. An extra minute of your time can save a life.

Midwest Ford and Manchester Schools A Partnership for Higher Education

We will donate a percentage of every vehicle or service sale to Manchester School residents to a scholarship fund. The scholarship will be awarded to one or two graduating seniors. Watch our ads to see how high the fund is. We believe in our youth. Help us help them achieve their best with a little Midwest Magic!

Dutch Beat Redskins

Continued from Front Page

third down. Niehaus to Davis at the Clinton 30 and Clinton was assessed 15 yards for a face mask penalty. Brooks lost his footing and lost 3 yards to Clinton's 17. A Niehaus pass to Zach Maghes put Manchester on Clinton's 3 yard line. Mica Puscas ripped over the left side for the score and Manchester lead 6 to 0. Niehaus held for #22, Trevor Schleicher who split the uprights to make the score Manchester 7 - Clinton 0.

#52, Andy Winzenz, kicked off to Clinton and they returned the ball all the way back to the 49 yard line before Manchester was able to stop the return. Clinton picked up 4 yards on their first down. Mica Puscas cut through and stopped Clinton's runner for a 2 yard loss. A 5 yard Manchester off side penalty followed by nifty running by Clinton to Manchester's 38 yard line for a first down. A 2 yard run before the end of the 1st quarter put Clinton on Manchester's 36 yard line with Clinton moving the ball. An incomplete pass followed by Joe Tobias stopping Clinton's runner saw Clinton's quarterback trying to convert a fourth down sweep was stopped one yard short.

Manchester took over the ball on their own 29 yard line.

After a 2 yard run and a 1 yard loss Manchester was faced with third and nine. A Niehaus pass to #21, Zach Maghes, put the ball on the 50 yard line. A Niehaus pitch out to Puscas gained 8 yards up the left side. Puscas went up the middle to Clinton's 27 for another first down. #42, Shane Goodell tried the right side for 2 yards. A pitch-out to Goodell was stopped for a one yard loss. Niehaus to Maghes gave Manchester another first down at Clinton's 17 yard line. After Clinton stopped Manchester's next play for no gain and an incomplete pass we were faced with third and ten. On a Niehaus pass Clinton was cited for interference and the ball was placed on Clinton's 8 yard line. Shane Goodell was stopped for a 2 yard loss and Manchester was assessed 5 yards, back to the 16, for delay of game, leaving second down and 16 yards to go. A Niehaus pass to Mark Harris good for 11 yards and the 5 yard line. Shane Goodell was stopped for no gain and the field goal team was assembled.

#22, Trevor Schleicher was able to get the ball through the uprights even as he slipped on the turf. With 4:05 left on the clock Manchester led the game, Manchester 10 - Clinton 0.

Manchester kicked off to Clinton and Clinton moved the ball handily for two quick first downs.

However #24, Mark Harris,

intercepted the ball on Manchester's 28 yardline. Three running plays netted Manchester a first down. After two incomplete passes and one four yard run Manchester kicked to Clinton with six ticks left on the clock.

The first half ended Manchester 10 - Clinton 0.

The second half began with Manchester kicking off. Clinton moved the ball for one first down and then kicked to Manchester. #24 received the punt started up the left side reversed his field and got almost to mid-field. A clipping penalty moved the ball back to Manchester's 11 yard line. Three downs did not produce and Manchester kicked.

Clinton's first play was stopped for a 1 yard loss. A incomplete pass and Clinton holding penalty moved the ball back to Clinton's 38. A nifty run almost made up the lost ground but a fourth and 1 was stopped by Manchester. Neither team could sustain a drive during the third quarter and it ended with Clinton in possession of the ball.

The fourth quarter was much the same with neither of the two teams able to sustain a scoring drive. Clinton was threatening to score at the end of the game when #21, Zach Maghes intercepted Clinton's quarterback with 0:53 left on the clock. Another Manchester clipping penalty negated a good run-back. The clock was killed to end the game.

Coach Wes Gall takes time out to talk to his players during Friday night's Clinton game.

Coach Wes Gall stated after the game, "We won the battle of the score board, but we have plenty of things to work on. I was happy for Troy Niehaus in his first game. He however has to pick up on the blitz better. We had some outstanding defensive plays and players. #70 Justin Porter 12 tackles, #6, Geoff Brooks 11 tackles, #52, Andy Winzenz 10 tackles. We had two JV's up and a lot of last years second stringers playing today."

This writer thought the team looked good for their first game. The defense gave ground but stood firm when they had their backs to the wall. The Detroit Free Press ranked Manchester second seed in their preseason poll. The Detroit News did not rank Manchester.

Friday night will test the mettle when the Dutch play Addison, at home, Friday night 7:30 PM. GO DUTCH!

J.V. Football

Manchester 26 - Clinton 0 Manchester's J.V. Football team continued their winning ways from last season by shutting down Clinton. The first quarter started off with jitters by both teams and at the end of the first quarter Manchester recovered a Clinton fumble. Steve Spurr went around the left side and scored the first touchdown. Extra point play denied. Manchester 6 - Clinton 0.

The second quarter saw a very tough Manchester defense with Ben Morgan, Jason Minor, Kirk Horodeczny and Ryan Fielder making some key plays along with the rest of the team.

Micah Jefferson ran for 37 yards and scored the second touchdown, to make the score Manchester 12 - Clinton 0. Extra point play try was denied and the score remained 12 - 0.

Steve Spurr carried 40 yards for Manchester's third touchdown. Micah Jefferson was stopped on the 1 yard line for the conversion. The first half finished Manchester 18 - Clinton 0.

The second half saw some tough defense on the part of both teams. Manchester scored their fourth touchdown on a Steve Riske's four yard pass to Nick Woods. Riske converted a two point conversion with a quarterback option.

Coach Fielder said, "For the first game of the season we had a very satisfying outcome. We were ragged at times and we made several turnovers. We have some things to work on before the next game."

Women's Varsity Basketball

Manchester vs. Clinton

Dutch Ladies basketball started with Clinton this season. We have almost a totally new squad this year, with two returning varsity players and a new coach. According to Coach John Wilkins, "We lack experience and to date the baskets have eluded us."

Clinton prevailed in the first game of the season by a score of 43 to 24. Manchester's girls were led by high scorer Jamie Knouase with 7 points, Fab Hosmer 5, Erin Binder 4, Michelle Schaible 4, Sandi Fielder 2, Stacey Mann 2. Clinton's high scorers were Beth Arkosan with 9, Mary Imber 8 and Gianna Service 7.

Manchester VS Milan

Against Milan our Gals were out manned by height and weight. We fought hard during the first quarter and held Milan to 12 points. But during second and third quarters, Milan dominated. Their girls were huge compared to Dutch, and they bruised more than our egos as the game continued. What's in the Milan water to make those girls so big?

Final score Manchester 32 - Milan 76. Good Luck Dutch, Give it your all!

Manchester J.V. Girls Basketball

The JV Girls Basketball team has 3 sophomores and 7 freshman on the floor this season. Coached by Dennis Steele, the gal's have performed well.

Game number one; Manchester 23 - Clinton 37

Their first game against Clinton was a very close contest until the last quarter. Sara Ahrens was Manchester's leading scorer with 14 points. Sara is moving with a great deal more confidence this season. Sara is not afraid to put the ball up and her shot has improved tremendously according to Coach Steele.

Game 2; Manchester 26 - Milan 32.

Coach Steel said; "We had a good first quarter and a good third and fourth quarter. We got a little flustered in the second quarter and dug a hole for ourselves. We were unable to score

enough in the last two quarters to overcome the deficit. I was pleased that the scoring was much more balanced in our second game."

Sara Ahrens had 10 points for high scorer. Freshman Jeanette Branch played well. She in-bounded the ball and went to the boards for rebounds.

We liked the play making we saw in the game. The girls brought the ball up court well and worked the sides to go for the basket. It was refreshing to see the girls not be intimidated and drive for rebounds and shots. The shots did not fall during the first two games but they will!

Tuesdays game is against Saline a Class A school.

Thursday game is against Chelsea a Class B school.

Go Dutch JV, we're behind you all the way.

Safety

Safety Tips for Parents from the Washtenaw County Sheriff

DRIVE SAFELY NEAR SCHOOL BUSES

Stop no closer than 20 feet from a stationary school bus with flashing overhead red lights (with or without a bus stop sign).

Prepare to stop when overhead yellow lights are flashing.

Proceed with caution when yellow hazard warning lights are flashing.

1994 - 95

Keep Children Safe With Child Restraints

A recall has been announced on over 300,000 child safety seats produced by the Evenflo Juvenile Furniture Company. The National Highway Traffic Safety Administration (NHTSA) has found a problem with the buckling system of Champion Model No. 224, Ultra I Model No. 231 and Ultra II Model No. 232. Owners should contact the manufacturer toll-free at 1-800-837-4002 to find out about the models which were recalled and how to fix the problem.

The Office of Highway Safety Planning would like to supply some reminders regarding child restraints. Do not use the seat: -if the seat does not have a label stating that it meets all Federal Motor Vehicle Safety Standards.

-if the date of manufacture is before January 1, 1981. -if the seat has any cracks, warping, bending or signs of tampering.

-if the seat has any missing parts, or if any parts look excessively worn or used. -if the car seat has been in a motor vehicle crash.

If any of the above is true of your car seat, DO NOT USE THE SEAT! In fact, it would be best to destroy it. If any additional information is needed, call the Auto Safety Hotline at 1-800-424-9393.

In 1992 an estimated 268 children under the age of five were saved due to child safety seats. Not only is it important to buckle yourself up, but it is just as important to be sure that your children are correctly fastened in child safety seat.

Art Fair and Heritage Day Combine for a day of Family Fun in Grass Lake

On Saturday, September 10, the historic village of Grass Lake will celebrate its heritage with a day filled with food, entertainment, arts and crafts demonstrations, and the second Invitational Art Fair.

Whistlestop Park and the beautifully restored 1887 Railroad Depot at 210 E. Michigan Avenue in downtown Grass Lake will be the site for the second Annual Invitational Art Fair featuring Michigan artists, artist demonstrations, on-site portrait

drawings, and face painting for the younger visitors. Paintings, sculptures, pottery, stained glass and photography will be exhibited and offered for sale. David J. Schneider, well known to area railroad hobbyists as a quality source for collectable toy trains, railroad collectibles, and model railroad equipment and supplies, will be on hand with demonstrations and a display of model trains.

Also scheduled is a special dedication of a State His-

torical Marker at Whistlestop Park at 1:00 PM. State senator Phillip Hoffman will be the guest speaker.

Just down the street at the Coe House Museum (871 W. Michigan Ave.), Heritage Day will be in full swing with demonstrations of quilting, spinning, weaving, wood carving, and chair caning as well as a petting zoo and tours of the museum. Horse-drawn wagons will provide free transportation between the two locations.

The Jackson Brass Quintet, Blackberry Jam Dulcimers, Erin Echo Fiddlers and Jackson Banjo Club will entertain throughout the day. A Lunch Wagon, a bake sale to benefit the Grass Lake School of Dance, and an old-fashioned Ice Cream Social celebrating the 25th anniversary of the Grass Lake Pre-school will satisfy your desire for refreshments. Visitors will also be able to take advantage of the quaint antique and specialty shops found throughout

the village of Grass Lake.

Heritage Day will take place from 10:00 AM - 4:00 PM on Saturday, September 10, and the Invitational Art Fair will extend until 7:00 that evening. Admission to the Art Fair is free; Heritage Day admission is \$1.00 for adults and children are admitted free. Bring the entire family for a day of fun celebrating our local history and heritage.

Crash Injures Two

One of the Bartlett brothers being administered to by both Manchester and Saline Fire Department crews and the Huron Valley Ambulance personnel.

Two Bartlett brothers were injured in a crash of their GMC Suburban Monday morning at about 11:20 AM. The van was north bound on Parker Road, between Saline - Waterworks Road and Bethel Church Road. The van apparently rode up on the elevated berm of the shoulder and struck a cluster of twelve small trees. The impact to the right front of the van drove the right front wheel back to the windshield. Apparently the brother on the passengers side impacted the windshield and the windshield popped out. The doors were jammed shut and Manchester Fire Department had to use the Jaws of Life to open the driver's side door.

Manchester Fire Department responded with three pieces of equipment and ten men: one fire truck, one rescue truck and the ambulance. Additionally Dan's Westside provided his wrecker should it be needed.

According to the witness, who did not identify himself, "I came down the road on the way to the lumber yard and I saw this big cloud of dust and smoke up ahead. I stopped and things

looked very bad! I called 911 and the Washtenaw County Sheriff Department and the Fire Department were summoned. I could see the two people in the van were in bad shape.

The Washtenaw County Sheriff Officer said alcohol may have been involved. A comment overheard was that the passenger had a "quart" of beer between his legs and when the Fire Department got the door open another bottle of beer rolled out onto the ground. Neither vehicle occupant had a drivers license that could be found. One piece of identification said the brothers may have been residents of Clinton.

Two Huron Valley Ambulance vehicles transported the injured pair to University of Michigan Hospital. No information was available as to their condition. -EWG

Teacher Contract Settlement Near!

M.E.A. (Michigan Education Association) Negotiator Mr. David Hartman disclosed that Manchester teachers have reached a tentative contract with Manchester Board of Education negotiation team. The tentative agreement was reached on Wednesday, September 7, 1994.

The Teacher negotiation team was meeting Monday, evening September 12th to hammer out some final points. The teacher negotiation team, in addition to Mr. David Hartman, includes Mr. James Fielder, Mr. John McGuire, Ms. Kathy Rose and Mrs. Phyllis Heinrich.

The School Board's negotiating team includes MASB (Michigan Association of School Boards) Mr. Tom McGrail, and Superintendent Ron Niedzwiecki.

The Enterprise learned late Monday that the next step for the teachers is to submit the proposed agreement to WLEA (Washtenaw-Livingston Education Association). Mr. Fielder is the head of the teachers' local and will be forwarding the agreement. After review by WLEA, the agreement will be submitted to the teachers for ratification. Manchester School Board will vote on the ratification agreement after acceptance by the teachers.

Hartman, for the Teachers, and Superintendent Niedzwiecki for the school system. Both sides felt the negotiations proceeded without rancor or deviousness. Issues were discussed and lines of communication were open and above board.

We of the Manchester Community can be proud that the contract negotiation process was conducted with professional dignity - contrary to the Ann Arbor district negotiations. Judge Patrick Conlin threatened that he could and would settle their dispute "with an axe, not surgical instruments."

Some years ago, Judge Conlin's intervention was required to settle a Manchester contract dispute. -EWG

Local Business Owner, Flora Neely, Passes away suddenly

"Flora In The Mill", who just recently opened her new shop, passed away Monday evening after suffering a heart attack suddenly on Sunday afternoon. She had been on 100% life support at St. Joseph Mercy Hospital since her arrival by air from Saline Sunday.

The Enterprise joins with the community in offering our condolences to Flora's family and friends.
