

# Art Fair and Heritage Day Combine for a day of Family Fun in Grass Lake

On Saturday, September 10, the historic village of Grass Lake will celebrate its heritage with a day filled with food, entertainment, arts and crafts demonstrations, and the second Invitational Art Fair.

Whistlestop Park and the beautifully restored 1887 Railroad Depot at 210 E. Michigan Avenue in downtown Grass Lake will be the site for the second Annual Invitational Art Fair featuring Michigan artists, artist demonstrations, on-site portrait

drawings, and face painting for the younger visitors. Paintings, sculptures, pottery, stained glass and photography will be exhibited and offered for sale. David J. Schneider, well known to area railroad hobbyists as a quality source for collectable toy trains, railroad collectibles, and model railroad equipment and supplies, will be on hand with demonstrations and a display of model trains.

Also scheduled is a special dedication of a State His-

torical Marker at Whistlestop Park at 1:00 PM. State senator Phillip Hoffman will be the guest speaker.

Just down the street at the Coe House Museum (871 W. Michigan Ave.), Heritage Day will be in full swing with demonstrations of quilting, spinning, weaving, wood carving, and chair caning as well as a petting zoo and tours of the museum. Horse-drawn wagons will provide free transportation between the two locations.

The Jackson Brass Quintet, Blackberry Jam Dulcimers, Erin Echo Fiddlers and Jackson Banjo Club will entertain throughout the day. A Lunch Wagon, a bake sale to benefit the Grass Lake School of Dance, and an old-fashioned Ice Cream Social celebrating the 25th anniversary of the Grass Lake Pre-school will satisfy your desire for refreshments. Visitors will also be able to take advantage of the quaint antique and specialty shops found throughout

the village of Grass Lake.

Heritage Day will take place from 10:00 AM - 4:00 PM on Saturday, September 10, and the Invitational Art Fair will extend until 7:00 that evening. Admission to the Art Fair is free; Heritage Day admission is \$1.00 for adults and children are admitted free. Bring the entire family for a day of fun celebrating our local history and heritage.

## Crash Injures Two

One of the Bartlett brothers being administered to by both Manchester and Saline Fire Department crews and the Huron Valley Ambulance personnel.

Two Bartlett brothers were injured in a crash of their GMC Suburban Monday morning at about 11:20 AM. The van was north bound on Parker Road, between Saline - Waterworks Road and Bethel Church Road. The van apparently rode up on the elevated berm of the shoulder and struck a cluster of twelve small trees. The impact to the right front of the van drove the right front wheel back to the windshield. Apparently the brother on the passengers side impacted the windshield and the windshield popped out. The doors were jammed shut and Manchester Fire Department had to use the Jaws of Life to open the driver's side door.

Manchester Fire Department responded with three pieces of equipment and ten men: one fire truck, one rescue truck and the ambulance. Additionally Dan's Westside provided his wrecker should it be needed.

According to the witness, who did not identify himself, "I came down the road on the way

to the lumber yard and I saw this big cloud of dust and smoke up ahead. I stopped and things

looked very bad! I called 911 and the Washtenaw County Sheriff Department and the Fire Department were summoned. I could see the two people in the van were in bad shape.

The Washtenaw County Sheriff Officer said alcohol may have been involved. A comment overheard was that the passenger had a "quart" of beer between his legs and when the Fire Department got the door open another bottle of beer rolled out onto the ground. Neither vehicle occupant had a drivers license that could be found. One piece of identification said the brothers may have been residents of Clinton.

Two Huron Valley Ambulance vehicles transported the injured pair to University of Michigan Hospital. No information was available as to their condition.

-EWG

## Teacher Contract Settlement Near!

M.E.A. (Michigan Education Association) Negotiator Mr. David Hartman disclosed that Manchester teachers have reached a tentative contract with Manchester Board of Education negotiation team. The tentative agreement was reached on Wednesday, September 7, 1994.

The Teacher negotiation team was meeting Monday, evening September 12th to hammer out some final points. The teacher negotiation team, in addition to Mr. David Hartman, includes Mr. James Fielder, Mr. John McGuire, Ms. Kathy Rose and Mrs. Phyllis Heinrich.

The School Board's negotiating team includes MASHB (Michigan Association of School Boards) Mr. Tom McGrail, and Superintendent Ron Niedzwiecki.

The Enterprise learned late Monday that the next step for the teachers is to submit the proposed agreement to WLEA (Washtenaw-Livingston Education Association). Mr. Fielder is the head of the teachers' local and will be forwarding the agreement. After review by WLEA, the agreement will be submitted to the teachers for ratification. Manchester School Board will vote on the ratification agreement after acceptance by the teachers.

We spoke with both teams - Hartman, for the Teachers, and Superintendent Niedzwiecki for the school system. Both sides felt the negotiations proceeded without rancor or deviousness. Issues were discussed and lines of communication were open and above board.

We of the Manchester Community can be proud that the contract negotiation process was conducted with professional dignity - contrary to the Ann Arbor district negotiations. Judge Patrick Conlin threatened that he could and would settle their dispute "with an axe, not surgical instruments."

Some years ago, Judge Conlin's intervention was required to settle a Manchester contract dispute.

## Local Business Owner, Flora Neely, Passes away suddenly

"Flora In The Mill", who just recently opened her new shop, passed away Monday evening after suffering a heart attack suddenly on Sunday afternoon. She had been on 100% life support at St. Joseph Mercy Hospital since her arrival by air from Saline Sunday.

The Enterprise joins with the community in offering our condolences to Flora's family and friends.

## Second Front Page: Hiring New Teachers

### The Long, Arduous Process

by Teresa M. Benedict

How does our school system select the staff and/or administration to educate our children here in the Manchester school system?

The very first step is to establish qualifications. They must be state certified and Manchester looks for North Central certification also, since we seek accreditation as a school. After this is established, the administration adds their own qualifications. The main goal is to get a balanced staff among all subjects at the level for which the hiree is needed, and looking at future retirees to see where the next weakness will be. There is a difference between elementary and secondary levels, of course, depending on the staff already in place. The school is "Goal Centered" and looks to fill the positions with both professional and academic needs that we have. This year the links which needed enhancing were Science and Math.

The school system notifies universities and colleges, mainly within the state of Michigan, unless there is a real specific need - such as a music teacher - then strong music colleges would also be contacted and positions posted through the job placement offices. In addition, the positions are posted in The Manchester Enterprise, Ann Arbor News and Jackson Citizen Patriot. If the position is for non-certified staff, the school depends on the newspapers.

Last year we added an application to be filled out along with individual resumes. Why? By having a uniform application, it is easier for the administration to establish the certifications that are necessary and see other individual strengths. It puts everything in the same spot, when searching through so many applications. This year a total of around 600 applicants applied for eight positions within the three schools. (Five at Klager, two at Middle and one at the High school). Individual resumes are also examined to see any specifics which make them stand out. The application form is available for the public to see; just stop by the Superintendent's office.

Once the state certifications are met, then

Superintendent Ron Niedzwiecki

prepared so all the candidates are asked to respond with the same information. For each position there are usually 6-8 individuals interviewed, and of course there is overlap when an individual could fill more than one position. The interview team then makes a recommendation of two or three individuals which is given to the superintendent. He in turn interviews the individuals again and makes the final decision on the top candidate. Once he has made his selection, his recommendation is taken to the School Board for approval.

In talking with Mr. Niedzwiecki we learned there needs to be "balance between first year teachers and experienced ones. We have to look at our long-range goals and where we need to enhance our entire system, while keeping our goal center in mind." In the secondary level we look for flexibility - someone with both a math and science background is what was needed this year. In the Elementary level, we needed four individuals - some with experience to enhance a particular grade level, and in some instances and individual fresh out of college, with new ideas, could fill the position best.

What about substitutes, we asked. They are certainly looked at for they have been working within the school system and understand how we operate. Too, they have had a chance to work with the faculty and administration. If we feel they are best qualified for the position, then they will be hired.

Are there more teachers out there looking for jobs in the 90s than in the 80s? Yes, is the answer; the baby boomers are out here in full force and there are more candidates available to choose from than in past years. In addition, many positions are now becoming more specific - for example, special education. After sitting down with Niedzwiecki, and discussing the process of hiring our teachers and administrators, I for one do not want to change jobs with them! I can't even fathom having to sift through 600 resumes and applications to fill 8 positions.

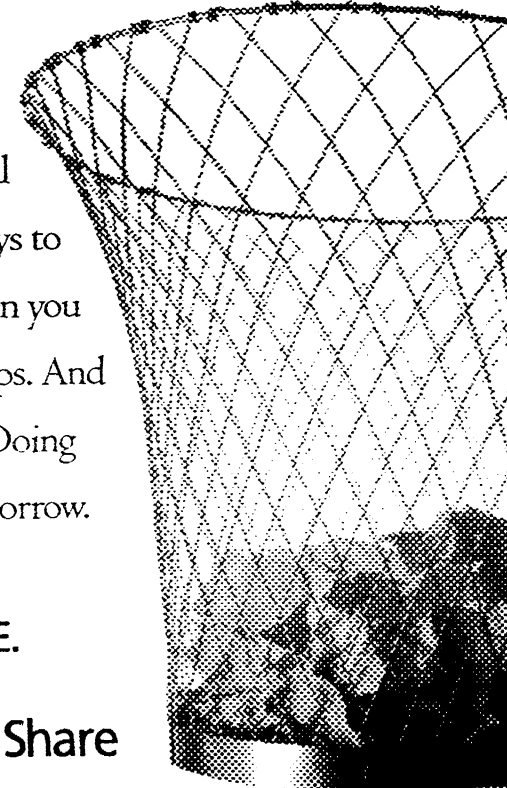

A note to parents, teachers, staff and administration - Let's give our children here at Manchester Community Schools the BEST EDUCATION we can!

Back to the interview - questions are developed and

the sorting begins. The applications are divided into stacks according to the job the individual applies for. These applications are viewed by the administrators. References are called first, to verify the skills and quality of the individual before bringing them in for an interview. The interview team is made up of administrators and staff members. If the position which has the opening is at Klager then the team would consist of Yvonne Henry and Klager staff members. Of course, this is all done during the summer when it is difficult to get people together. For administrative positions to be filled, the team would consist of community members (this is where the athletic boosters are heavily relied upon). The School Board is not involved in the selection process, for they have the final say on the recommendations that Ron Niedzwiecki takes to the School Board after the selection process.

## BE LESS PRODUCTIVE AT THE OFFICE.

The office has always been a place to get ahead. Unfortunately, it's also a place where natural resources can fall behind. So here are some easy ways to reduce waste at the office. Turn off your lights when you leave. Drink out of a mug instead of throwaway cups. And to cut down on trash, use both sides of a memo. Doing these things today will help save resources for tomorrow. Which is truly a job well done. 1-800-MY-SHARE.

IT'S A CONNECTED WORLD. DO YOUR SHARE.

# Editorial / Opinion

Dear Manchester Enterprise:

Thank you for buying my hog at the Manchester Community Fair. I really appreciate the support.

Thank you again, and hope to see your company again at the 1995 Manchester Fair.

Sincerely,  
Hal DeLongchamp II

The Pratt Family and Lutheran Brotherhood Branch 8081 thank the community for your generous donations to the Connie Pratt Fund. All gifts are greatly appreciated.

The total contributed to date is \$2,564.00. Lutheran Brotherhood will now contribute \$1,988 to the fund for a total of \$4,552.00.

Every penny donated by area residents will be given to the Pratt family. The need still exists! If you wish to make a donation, please contact Branch Officer Norm Wenk - 475-8869. All expenses involved are paid by concerned volunteers and from branch funds.

May God Bless everyone that helped make this effort a success.

Sincerely,  
Norman O. Wenk

## Editorial

Emory Garlick

Manchester School system has a major asset. The asset is our children. Not only an asset but one of the largest resources of our or any area.

We have been following the schools for the past few years. Watching some of the activities has shown us; The Enterprise Staff, (Marsha Johnson Chartrand, Teresa Benedict and myself), that we could be doing a much better job. We have covered elections, bond issues, some athletics and sporadic articles on the band and academic events.

In order to do a better job we contacted Mr. Russ LeBlanc, principal at the high school, looking for student writers. As a result we have added to our staff; Kyle Harvey, Pat Chapin, Mary Lobbestael and Andy Cohn. We will be including their articles when submitted.

In a way this will be a chance for them to display their talents and gain experience. Our readership will also be able to appreciate the young talent in our community.

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions.

We ask that all letters be signed!

Should there be extenuating circumstances for withholding your name, we will give that full consideration.

## Out and About

by gar

This summer has been an educational experience for me. I have found that I have lost my gardening talents but have acquired a love of critters.

First the gardening talents. Hooked up the roto-vator to the back of the Ford Tractor this spring and tilled a new garden plot next to the barn. Worked that ground up something real pretty, smooth, friable and just waiting for the plants and seed. Of course when tilling the ground I didn't think about chopping the roots of the quack grass only multiplying the amount of grass that grew.

Anyhow, I bought pepper, tomato and cucumber plants so that I could get a good start. Planted corn, squash, beans, carrots, watermelon and muskmelon. Of course the pocket-book was \$26.87 lighter.

With visions of a bountiful harvest resting in mind and mouth watering goodies so very fine. The spring progressed, as you are all aware, dry as a bone

and as thin as a hare. \$42.00 worth of hose and plants withering everywhere. Saw the onset of summer and the on coming of critters everywhere.

First the woodchucks who nibbled the cukes. The birds scratched and pecked the seeds with great care and delight. Out came the rabbits who relished the beans and squashed the squash with great aplomb. Then came the deer who chewed the corn and rested on the peppers and sat on the tomatoes. Now came the slugs and bugs who feasted on everything and particularly the tomatoes with utter disdain.

The crabgrass and weeds were allowed to obscure the garden in hopes the camouflage would hide the remaining. But alas the results to date: 1 cucumber, 3 tomatoes and two green peppers at the total cost of \$68.87 or \$11.48 per cucumber, tomato and green pepper. Love that garden?

## Constitution Week

This week, September 17-23, is Constitution Week, the Two Hundred Seventh Anniversary of the Signing of this great document. Our Founding Fathers ordained and established the Constitution of the United States of America to secure the Blessings of Liberty for themselves and their posterity. Honor their staunch courage and wise counsel by studying the Constitution, knowing your rights, and fulfilling your responsibilities.

This announcement was provided by the Sarah Caswell Angell Chapter of the National Society Daughters of the American Revolution.

August 15, 1994

Dear Emory:

Now that the primaries are over and people are back to their usual business, I would like to take this opportunity to thank all those who worked with me and supported me during my frantic two months of political undertaking.

First, I would like to thank my committee members... Mary Ann Fogle who acted as treasurer. Not only did she handle the finances, but without her support I would not have ventured as far as I did. Lori Lobbestael, CPA of the committee. She kept all the forms filed and our timelines on track. To Myra McCurdy who acted as marketing and public relations coordinator. She kept the word flowing through flyers, news ads and articles, and mailers. To Ralph Swenarton who acted as herald - keeping the message going and keeping us lighthearted. And to my wife, Sandy, who acted with dignity, diplomacy, and discretion - both publicly and behind the scenes. She is, as always, one classy lady.

I would also like to thank all the other people who supported my campaign - not just those who gave donations of money, but also those who gave of their time or resources. I'd like to thank Marti Fischer for opening her home for my fundraiser event, and Bev Hammerstrom for taking time out of her busy schedule.

And finally, I would like to thank everyone who felt I would do a good job as County Commissioner by voting for me at the polls. Since the primary, I have attended the Republican Executives meeting in Saline and the county convention where I was elected as a delegate for District 8 to the state Republican convention on August 26th & 27th in Grand Rapids. I look forward to my continued involvement in District 8 concerns...There's still work to be done.

We ran a good, clean campaign, and I am proud of the people with which I was associated. I am pleased to be able to call so many "friend".

Sincerely,  
*Gene DeRossett*

### APPROVED PROCEEDINGS MANCHESTER VILLAGE COUNCIL AUGUST 15, 1994

The regular meeting of the Manchester Village Council was called to order by President Becktel at 7:00 p.m. Council members present: Becktel, Brooks, Conaway, Marshall, Schaffer, Taepke, Vought, Manager Wallace and Clerk Tucker. Also present: Gary Wiedmayer, Emory Garlick.

The minutes of the August 1, 1994 regular meeting were approved as presented on a motion by Marshall, support by Conaway. Vote: Ayes-all.

The proceedings of the August 1, 1994 regular meeting were approved as presented on a motion by Conaway, support by Schaffer. Vote: Ayes-all.

The Agenda was approved as amended on a motion by Marshall, support by Conaway. Vote: Ayes-all.

Enter Vought, 7:05 p.m. Enter Brooks, 7:17 p.m. Motion by Becktel, support by Vought to adjourn at 8:44 p.m. Vote: Ayes-all.

Karen Tucker  
Village Clerk

### APPROVED PROCEEDINGS MANCHESTER VILLAGE COUNCIL SPECIAL MEETING AUGUST 23, 1994

The special meeting of the Manchester Village Council was called to order at 9:04 AM by President Becktel. Council members present: Becktel, Brooks, Conaway, Marshall, Schaffer, Taepke, Vought, Manager Wallace, Clerk Tucker.

Enter Vought at 9:07 AM.

Motion by Schaffer, support by Marshall to approve the additional \$10,000 for the Hogan/Parr Road improvements combined with the \$11,000 that Johnson Controls agreed to contribute toward the total additional cost of \$21,000, bringing the total contribution on the project to \$45,400, noting the letter from Jackie Shinn of Michigan Department of Transportation that they will pick up the remaining cost of \$98,000 for the Johnson Controls access. Roll Call Vote: Ayes-all.

Motion by Becktel, support by Conaway to adjourn at 9:16 AM. Vote: Ayes-all.

Karen Tucker  
Village Clerk

### SHARON TOWNSHIP PROPOSED SYNOPSIS REGULAR MEETING SEPTEMBER 1, 1994

The meeting was called to order by Supervisor Savage. All other Board members were present. There were ten residents and guests in attendance.

Minutes of the 7/28/94 Special Meeting were read and approved. Minutes of the 8/4/94 Regular meeting were read and approved.

Treasurer Dunny read the Treasurer's report. This report was approved. There were two fire runs reported for August. Attorney Laidlaw has proposed a new fire and rescue charge ordinance which would supersede our present ordinance. This was tabled for the October meeting.

Trustee Blumenauer stated he wishes to resign as the Township Board representative to the Planning Commission. Resignation accepted by the Board. There are now two vacancies on the Planning Commission. Motion made supported and carried these appointments be tabled until October meeting.

Trustee Feldkamp reported on recycling meeting he attended.

Zoning Inspector Thomson reported two Land Use Permits issued during August. The newly integrated Zoning Ordinance with all amendments contained was discussed. The Planning Commission has such a busy schedule, it will be later when they study this new document. Suggestion was made for an entirely new zoning ordinance since some parts of the present ordinance are outdated.

Planning Chairman Ward reported that the Commission agreed on a fiscal year end pay time. Also he suggested amending Zoning Ordinance so as not to include easements in 10 acre requirement.

Motion made, supported, and carried the Township Board approve the Imonti Land Split. Tinsley temporarily mobile home was approved while constructing a house.

Whitaker property gravel pit on M-52 may be on the September 15 agenda.

Motion made, supported, and carried by the Township Board, the Planning commission and Zoning Board of Appeals may request the presence of the Township Attorney at Public Hearings or meetings.

Zoning Board of Appeals has had two recent resignations. Motion made, supported, and carried Teri Aiuto and Charlotte Anderson be appointed to the ZBA subject to their acceptance.

A representative from BFI spoke in regard to a recycling program for the township. They will present a proposal for future consideration.

A letter was read from James Mann and Board of Review in regard to Appraisal and assessing. A contract was presented from Wolverine State Appraisals of Jackson, Michigan. After discussion with their representatives there was a motion and support to accept the contract with this firm. Roll call vote was as follows: John Savage - abstain; Duane Haselschwerdt - yes; Lorraine Dunny - yes; Reno Feldkamp - yes; Willard Blumenauer - yes. Motion carried.

Motion made, supported, and carried Supervisor Savage be granted authority to enter into this contract with Wolverine State Appraisers.

Other correspondence and discussions not requiring any Board action. All bills presented were approved for payment.

Being no further business the meeting was adjourned by the Supervisor.

# Village Update

Marsha Johnson Chartrand

A new water filtration system is in the works for the Village of Manchester. The passage of one mill last year will help us replace the "antiquated" system which dates back to the 1940's.

"We have been patching this system for years," according to Village Manager Jeff Wallace, "and it really is beyond repair." Layne Northern, who does most of the village's work, has developed specifications,

and because of the purchasing policies, the job will be put out for bids.

"We would like to purchase the filters direct, and hire a company to install them," indicated Wallace. This will save a great deal of money, and if it becomes a reality, we will be able to do the job this year. Otherwise, the replacement will wait for another year.

Even with the cost savings involved in the direct purchase of the filters,

Wallace estimated that the total bill will amount to \$200-300,000. "We hope to keep within the \$200-220,000 range," he said.

"This is not a fancy system - basically it covers iron removal," Wallace explained. "At this point, it is really more cost effective to buy new. The patching we have done in the past has kept this system going long beyond its normal life expectancy."

In other business cov-

ered by the Village Council last week, the Parks Commission reported that they are working on a five-year Master Plan which will facilitate getting grants for work on our village parks. This work will be completed by December.

Parks are currently planning to erect a split rail fence for the Parking Lot at Chi-Bro Park, and repair the Klager memorial at Carr Park.

When questioned about

a press release from the Governor's office indicating increased revenue sharing payments to Washtenaw County, Wallace responded that local government units such as the Village and the surrounding townships would probably see an increase of about 3.6% this year.

**America's schools will get better as more parents and other community members become more involved.**

## FORD JUST ANNOUNCED

# 2.9%

Based on \$1,200 option pkg. 507A savings vs. MSRP of opt. purchased separately. See dealer for details.

# Fall Color

## What is the best time to view Michigan's fall color?

The color show peaks in stages, beginning at the top of the state, where cooler temperatures arrive first, and, subsequently, moving downward. Peak color is generally found in the Upper Peninsula between late September and early October; in the Northern Lower Peninsula between late September and mid-October; in mid-Michigan from early to mid-October and in southern Lower Michigan from mid-to late October.

## What makes the leaves change color?

Weather conditions in early September largely determine the success of the fall color display. If there are bright sunny days and cool nights, a good show can be expected. Daylight length is also significant. Shorter days cause leaves to stop producing chlorophyll and lose their green color. Also, rain helps growing conditions. An adequate amount of summer rainfall means tree leaves will be bigger and healthier when they turn to autumn shades. Although rain is de-

sirable, continuous cloudy weather is not since that would stop the sugar production that creates the brilliant red leaves.

## How many species of trees are there and what colors do they turn?

In Michigan's 18-million acres of forests, there are close to 100 different species of trees. Michigan's autumn foliage boasts a mixture of red, yellow, gold and orange hues. Some of the prettiest trees for color viewing are aspen, oak, maple, birch and sumac.

## Are there any estimates on tourism during the fall color season?

AAA Michigan estimates that during the 1993 two-month fall color peak period, it received about 158,454 requests for maps, Triptiks and fall color information which represented 14 percent of total requests for the year. The color season accounts for about 15 percent of Michigan's \$7 billion tourism industry.

## What is the best way to view Michigan's fall color show?

There is no single best way to enjoy the fall color display. Michigan travelers can view the show by car, train, boat, hot air balloon and at festivals, golf courses and luxury resorts. A AAA Michigan touring counselor at one of 37 statewide branch offices can help Auto Club members set up a personalized fall color tour. And AAA Michigan's Festival Schedules for September and October, available at branch offices, list many autumn festivals statewide. The Michigan Travel Bureau's Fall Travel Map & Calendar of Events also suggests 14 of the state's best color tours and lists fall events. Call (800) 5432-YES for the Travel Bureau information.

## How can I find out the most current fall color conditions?

Listen to AAA Michigan's statewide fall color updates by calling the Michigan Travel Bureau's conditions line at (800) MI-4-FALL.

# Autumn Leaves Brighten Michigan College Towns

Some of the state's most stunning fall color can be found at Michigan colleges and universities. Many state campuses were carved out of heavily forested areas where a wide variety of tree species still stand, according to AAA Michigan.

"On the campuses of Central, Western and Michigan State universities, for example, fall color buffs will find about 100 different species of trees," said AAA Michigan Travel and Member Services Director Peter Erickson.

The grand color show extends to urban campuses as well, Erickson said, noting: "Detroit's Wayne State University is a good example of a city campus heavily populated with ash and maple trees—both of which make for an excellent display. Michigan State University Forestry Professor Melvin Koelling added another reason why fall color on college campuses is often spectacular.

"In addition to the original foliage, trees not necessarily native to the region have been planted on some campuses to enrich teaching

and add to the diversity of color." Whether viewing color on a college campus or in Michigan's 18 million acres of forest, this year's display promises to be outstanding, Erickson said.

"As of mid-August, we've already seen a substantial amount of leaves changing in the Upper Peninsula and northern Lower Peninsula, which indicates we've had the bright, sunny days and cool nights necessary for vibrant color," he said. "We've also had an adequate amount of rainfall which has encouraged healthy tree growth and bigger, more vivid leaves."

During the fall color season, which begins in mid-September in the Upper Peninsula and ends in late October in southern Lower Michigan, many businesses report tourist counts rivaling those of summer. Michigan's mild fall weather and reputation as a sportslover's paradise make it perfect for combining a color tour with golf on one of 600 public courses, charterboat or lake fishing excursions, canoeing, hunting, hiking or camping trips.

**Dorothy R. Jacob**

Dorothy R. Jacob, 78, of Manchester, passed away on September 10, 1994. Dorothy was born in Detroit, Mi. on July 23, 1916, the daughter of John & Rose (Clark) Harrison. On January 1, 1936 she was married to Herbert G. Jacob and he preceded her in death on February 7, 1985. Dorothy dedicated 18 years to the Union Savings Bank in Manchester before retiring as a Teller. She was a member of Emanuel United Church of Christ and was active in the Women's Guild. Dorothy is survived by three daughters, Sharon Robards of Jackson; Linda & (Sam) Vitale of Auburn, NY.; Rita & (Robert) Burkhardt of Manchester; 9 grandchildren; and several nieces & nephews.

Besides her husband Herbert, Dorothy was preceded in death by her parents, four Brothers and two sisters.

The Jacob Family will receive callers at the Jenter-Braun Funeral Home on Sunday September 11, 1994 from 7-9 PM and on Monday from 2-4 & 7-9 PM. Funeral services will be held on Tuesday at 11 AM from the Emanuel United Church of Christ with Rev. W. Brewster Willcox officiating. Interment will be in North Sharon Cemetery, Sharon Township. Those wishing an expression of sympathy for the Jacob family may make memorial contributions to: Individualized Home Nursing Care, Inc. 100 S. Main St. Ann Arbor, Mi. 48104

**Allan Whiteman**

Allan Whiteman, age 84, of Iron Lake Rd., Manchester, died on Sept. 10, 1994 at the Veterans Administration Hospital in Ann Arbor. He was born in Kalkaska, MI on April 27, 1910 to the late Mertin E. and Ina (Morou) Whiteman. On Dec. 8, 1934 he married Thelma Duff in Toledo, OH and she survives. During his lifetime he was employed by the Tecumseh Products Co. and served during WWII with the US Navy. He had lived in this area for the past sixty years and was an avid hunter and fisherman. Besides his wife he is survived by two sons; Allan Gene Whiteman of Manchester and Jerry (Judi) Whiteman of Brooklyn, one daughter: Mrs. Terry (John) Senkewitz of

Brooklyn, nine grandchildren and five great-grandchildren.

According to his wishes cremation has taken place and there will be no visitation. Arrangements were made through the Couture-Ochalek Funeral Homes, Inc., Clinton and Tecumseh.

**Lawrence G. Boettner**

Age 96, died Thursday, September 8, 1994 at Chelsea Community Hospital after a long period of illness. He was born February 9, 1898 in Bridgewater, MI, the son of George and Mathilda (Lutz) Boettner. He had been a Bridgewater Township resident all of his life. On June 3, 1936 in Freedom Township, MI, he married Gladys Kothe and she preceded him in death on October 24, 1974.

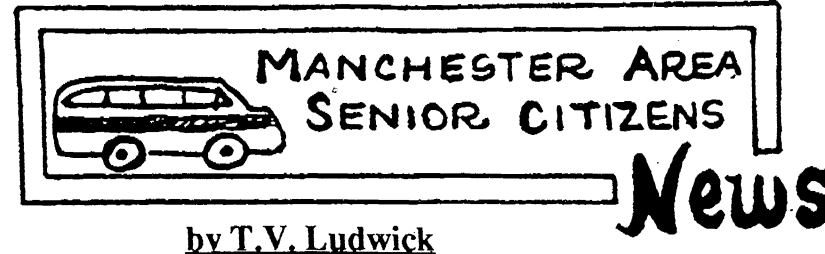

Mr. Boettner had been a life long member of the Bethel U.C.C. of Freedom Township, MI where he served on the church board as Treasurer for several years. He had been a life long farmer and a member of the Washtenaw County Farm Bureau. A life member of the Saline Masonic Lodge #133 F. & A. M., a life member and Past Patron of the Saline Chapter of O.E.S. #311, and the Arbor Shrine #54 White Shrine of Jerusalem, and had served as Director of the Bridgewater Station #1 School Board and member of the Tuesdays Men's Lunch Club Senior Citizens Guild of Ann Arbor.

Survivors include one daughter, Mary Ann Boettner of Manchester, MI; one nephew, Grover B. Alber of Saline, MI. He was preceded in death by his wife and infant son, George Boettner; one brother, Elmer C. Boettner in 1982; and one sister, Selma H. Alber in 1984. Funeral Services will be held Sunday September 11, 1994 from the Bethel U.C.C. Freedom Township, MI at 2:00 PM with Rev. Richard E. Hardy officiating.

Burial will take place in the Oakwood Cemetery Saline, MI. Memorial contributions may be made to the Saline Community Hospital or the Saline Evangelical Home. Envelopes will be available at the ROBISON-BAHNMILLER Funeral Home where friends may begin calling on Friday from 7-9 PM, Saturday from 2-4 and 7-9 PM, and on Sunday from the church from 1 PM until time of service. Masonic graveside services will be held under the auspices of the Saline Masonic Lodge.

**Senior Citizens**

**News Briefs for Seniors**

by T.V. Ludwick

According to a friend, retirement is the time to not do every day things if you can go, or goof off. I would much rather sit and watch Graf versus Novotna battling it out on the tennis court than sit at the typewriter (what a match). The weather is beautiful and probably should be out in it, but after sitting for an hour in the periodontist's chair, decided I need to rest in the shade. At 8 AM, called next door for Rubena's help to get this column under control. Herman answered and replied to my question as to what was he doing: "I've eaten my breakfast, taken my pill and am gassed up for the day". Good attitude and funny, that man.

Back to tennis. I thought I was pretty good at that game while still a teenager, until I played a gal from a neighboring town who had her own tennis court and six brothers to play against. Honestly, her returns bounced so close to the ground and were so speedy that they went right by. Doesn't this teach you more in a couple hours than listening to someone tell you that you aren't as good as you wished.

Thursday, September 15: Senior exercise begins at 10:30 'til 11:30 and there will be no tennis! This is geared for us oldsters and it does you

good. Jan and crew will serve green stuffed peppers to us and the group of seniors coming to visit from AA. They will join us at bingo at 12:30 at the Center, come join them.

Friday, September 16: Bus pickup starts at 6 PM to attend the Saline Senior Citizen Card Party. Call Erma to go along for the fun at 428-8707.

Tuesday, September 20: At 11:15, clergy presentation will be given by Pastor Dav-entport of the Methodist Church. Jan has free will to delight us at noon lunch and aren't these little surprises fun? Come to the Center at 12:30 for Center activities which are currently producing lap robes, I think (lots of needed items are made for the good of other).

Wednesday, September 21: Crafts items, etc. will be on view at Sweet Annie's Granary at Addison on this trip. Bus leaves the Center at 9 AM, call Erma for your bus seat.

Thursday, September 22: Exercise 10:30-11:30, veal Italian at 12 noon at Emanuel, bingo at 12:30 at the Center and bus pickup at 6 PM for the monthly senior-sponsored card party at Freedom Township Hall beginning at 7:30. Come one and all!

The Washtenaw County Council on Aging has moved! The Council on Aging is now located in the Senior Health Building on Catherine McAuley Health System Campus. "We are excited about being located in an area that can offer so many diverse services to Washtenaw County Seniors. This move will allow us to continue to have a positive impact on the Senior community", said Terry Drent, Executive Director of the Council on Aging. The Washtenaw County Council on Aging's new address is:

Senior Health Building  
5361 McAuley Drive  
P.O. Box 995  
Ann Arbor, MI 48106  
(313) 712-3625

**Senior Connection**

Senior Connection is an exciting new service to the elderly of Washtenaw County and their caregivers. It is a 24 hour hot line providing resources, advocacy, and crisis assistance.

Senior Connection is provided free of charge by the Washtenaw County Council on Aging in conjunction with SOS Crisis Center and Turner Geriatric Services.

Remember to RECYCLE!  
Your world depends on you!

**Caring for Aging Relatives**

Caring For Aging Relatives, a noontime monthly support group sponsored by the University of Michigan Medical Center's Turner Geriatric Services, will meet Thursday, September 15, 1994 from 12:00 noon to 1:30 P.M. in the first floor conference room at Turner Geriatric Clinic, 1010 Wall Street.

This group offers helpful information and genuine support. For further information, call 764-2556.

There's a word for people who believe Medicare covers costs for long term health care.

The truth is that Medicare pays only about 2% of nursing home costs nationally. So if you count on Medicare, you might also count on spending most of your savings. And being dependent on others.

There is a better way. And that's by preserving your assets and your independence with The Travelers Independent Care<sup>SM</sup> long term care insurance policy. The Travelers Independent Care helps you maintain your independence with features like a Home Health Care provision that allows you to receive policy benefits while being treated in the comfort and familiar surroundings of your own home.

What's more, The Travelers will guarantee to renew your policy for life, regardless of claims or poor health. But most important, it's a policy that allows you to get the care you need. Without losing your assets. Your lifestyle. Or your independence.

So find out more about The Travelers Independent Care. We think you'll be pleasantly surprised at what you discover.

# First Day of School

## From One Extreme...

The Enterprise takes a look at the first day of school...from kindergarten to high school.

With the help of our staff and our new Enterprising reporter from the High School, (Mary Lobbestael), we show some scenes of Manchester Community Schools.

For whom is the first day of school most difficult? Children or parents? It looks like Mark and Kari Ball wish they were in kindergarten again!

Not to say that the first day of kindergarten isn't a tough one for the students! Some of them have a little separation anxiety, but a little TLC from the teacher is often all that's needed.

Hey.. Mom - I'll be OK. See Ya!

Those Klager Kids just can't wait to get in to see their new teachers!

Smiling Faces at the Middle School

# First Day of School

## ...To The Other!

### Great Expectations

Tension, excitement, and nervousness race through the minds of freshman and seniors alike. Yes, you guessed it, the first day of school. For some it is just the start of another torturous year of algebra, but most have a somewhat brighter outlook. For many seniors the first weeks of school are quite busy. Some seniors are kept busy talking to college "recruiters" while others set up senior picture appointments. If nothing else, this year seniors will be frantically working on Econ homework, Physics labs, and Shakespeare papers. The juniors, finally upper classmen, look forward to a year of planning prom, thinking about colleges, and studying for chemistry tests. The junior class is quickly realizing why many say the junior year is the toughest. This year many will find their true potential.

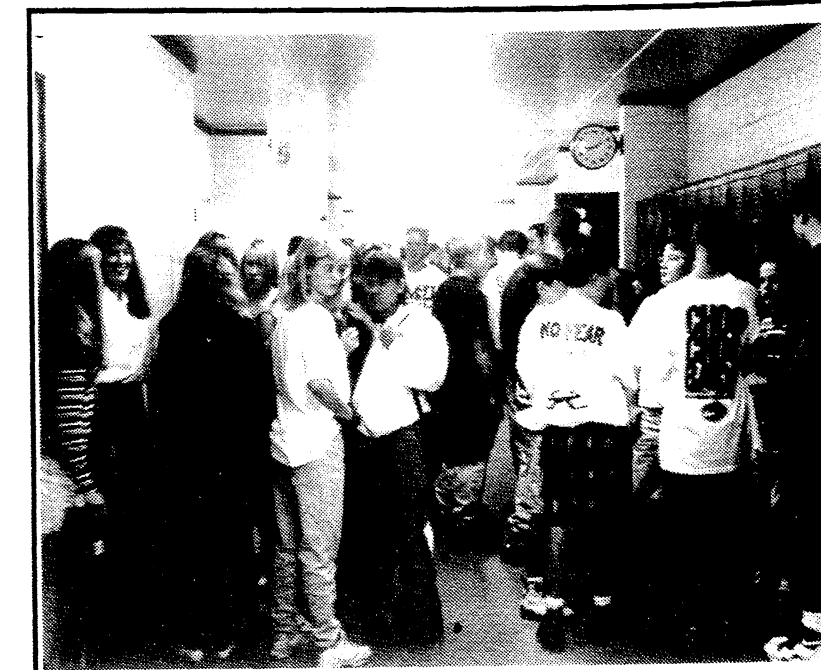

A time for meeting old friends and new- the first day of school, no matter your class rank, is always something exciting.

The feeling of many sophomores is excitement, partly because they are not freshmen anymore. Although there are others who are just relieved they made it through Algebra II. In either case, the year will definitely be an adventurous one. This is the year many will find themselves in demanding situations. They will discover strengths, and uncover their limits. The first day of school freshmen are often heard wondering through the halls asking, "Where is room 102?". But don't think these freshman are totally lost. Although the freshman may

be nervous, or even scared the first few weeks of school, they always come around. The staff at MHS seems to be more than excited about the new year. For instance, many science teachers started the year off with labs and experiments to demonstrate the "fun" side of science. It is these little acts, as insignificant as they may seem, that make students excited about learning. There is definitely a great expectation about this school year!

**Teachers of the Week**

**This Week, Mrs. Phyllis Heinrich - Manchester High School**

The Manchester Enterprise is introducing a new regular column about teachers. This week we feature Mrs. Heinrich from the High School.

Mrs. Heinrich has been a teacher in Manchester for 21 years. She teaches World History to Tenth-graders and English 9 to ninth graders.

She received her college education at Western Michigan as an Undergraduate, and her masters degree at Eastern Michigan University. She is married to Paul Heinrich and has two children, a son and a daughter. Her son attends Interlochen as a senior and her daughter is a Freshman at Pioneer High school.

She originally wanted to go into medicine or be a diplomat. She only started teaching because she was talked into it by a graduate advisor during college. When she started teaching in 1963, she planned for it to be only temporary, but found she enjoyed it so much that she wanted to keep doing it. Her entire career has been spent here at Manchester High school.

Mrs. Heinrich enjoys reading, traveling, and taking care of her dogs. She likes teaching high school because the students are honest, enthusiastic, and challenging. She really enjoys teaching students who have parents that she also taught. She has received many awards during her career. She really enjoys teaching.

- Patrick Chapin

**BOARD OF EDUCATION TO HOLD "TOWN MEETING"**

The Manchester Community Schools Board of Education, will be holding a "Town Meeting" on Monday, September 19, 1994 at 7:45 PM in the high school library prior to the regular Board Meeting.

The purpose of the meeting is to seek input and suggestions from district residents that will assist the Board of Education in identifying school district needs and establish district goals for 1994-95.

The Board of Education encourages community involvement and invites all district residents to this "Old Fashioned Town Meeting". If you are unable to attend, please forward your comments or suggestions in writing to:

"Town Meeting"  
Board of Education Office  
710 East Main Street  
Manchester, MI 48158

**"Animals and the Environment"**

"Mrs. V" (Joanna VanRaden) looks a little apprehensive about petting a boa constrictor, but the Klager kids loved it!

Klager School PTO hosted "Animals and the Environment" on Thursday, September 8. The program discussed some of the problems facing our earth today, but also ways that we can improve things. The program is optimistic rather than being depressing.

The three main problems facing animals in our environment are pollution, poaching and habitat destructions. Several live animals were part of this presentation.

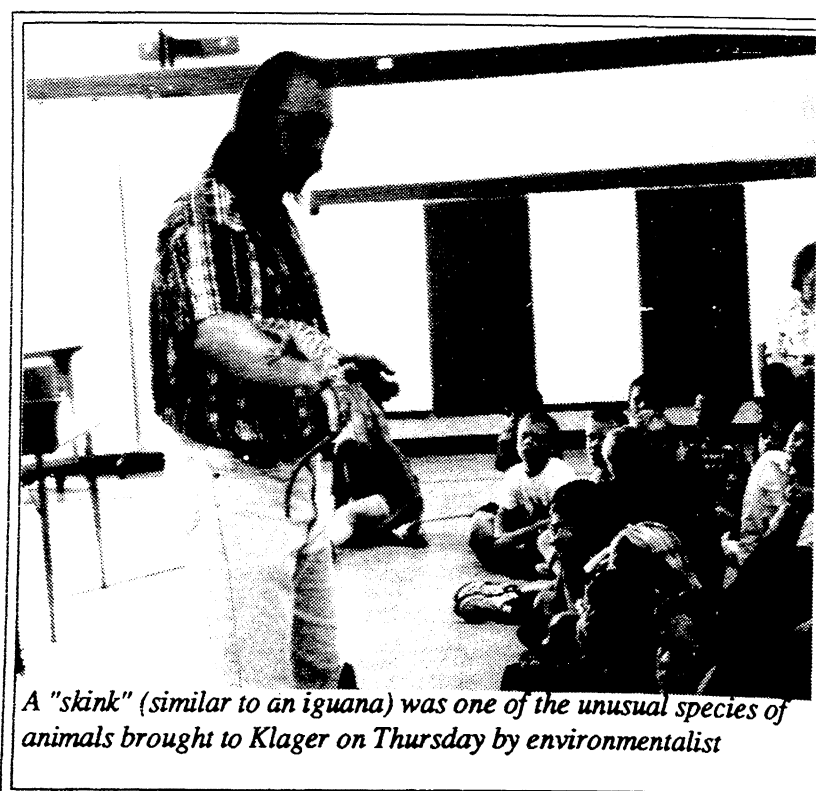

After learning of the plight of these animals, the students learned about the three R's of environmental improvement -

Reduce, Reuse, and Recycle. To improve on these three R's, they have added two more - Renew and Rebel.

The program helped the students to understand the major responsibilities facing all of us today. It is up to each of us to do what we can to improve the future for all of the species on earth, including humans.

The students enjoyed the opportunity to see the animals up close, including petting a 6-foot boa constrictor! There is nothing like a hands-on experience to bring all that they have learned right into focus.

-MJC

A "skink" (similar to an iguana) was one of the unusual species of animals brought to Klager on Thursday by environmentalist

**Berlin Bound!**

by Mary Lobbstaal

Six extremely excited, German-speaking MHS students embarked on a very special summer vacation. This group, accompanied by Susan Davis, German teacher at MHS, was headed for Germany.

The group had a brief stay in a small village where they enjoyed hiking and rock climbing. This proved to be one of the best parts of the trip, according to student Karin Messing.

Next, it was on to Berlin! Here, each individual stayed with a host family. While in Berlin for two weeks, the students attended Berlin schools. Although they had a tight schedule, the group had time to visit the Hard Rock Cafe' and the Ferrari Museum.

"The trip was great. There was always something new to do," remarked Michelle Davis.

Susan Davis, instructor, commented about the students, "I was extremely impressed with how much German the students spoke. They weren't afraid to use what they had learned, and that is great!"

This trip was truly a learning experience for all of those involved.

**"Gorf on Golf"**

Imagine, if you will, my friends, if one were to take a poll of Manchester's residents asking what fall sports did Manchester High offer to students. I'm sure everyone would answer football, which is a given, and maybe also girl's basketball. But the one sport most people probably wouldn't guess is Golf. Yes, Virginia, Manchester does have a Golf team and yup, you guessed it, I'm going to be reporting on the team and bringing the news out to you, faithful reader.

Now that you know that we have a golf team, I suppose you would also like to know who is on the team. Well, the team is coached by Mr. John Korican, in his second year on the job. Their home course is at Gauss Green Valley Golf course in Napoleon, where they host meets and also practice on their swings. If you would like to attend a meet, feel free to do so. Just check with the school or the Enterprise to find out when their next home meet is. They would love to have their community rally around them.

Recently I attended one of their practice sessions to find out how good they were and to get to know the team better. Coach K. definitely has a squad with high hopes and aspirations. With that kind of spirit, they never back off from a challenge and give 110% all the way. On the way to practice on the bus, one could sense the team unity in less obvious ways. Jokes such as Marcus's innocent cracks about how much fun the crossing guard is to be around, to Juice's jokes about what happened to Jeff's Mustang all add up to give an effect of team pride and a sense of interdependence upon each other. They'll especially be relying upon team leader John Kallewaard, senior, who has aspirations to go to the State championships and eventually make it to the PGA. Good luck John! Good luck team! GO DUTCH!!!!!!

- Kyle Harvey

**Golf Update**

-by Coach John Korican

**August 30: League Jamboree at Addison**

The Dutch finished last in the League's first Jamboree, as Michigan Center took first place. Manchester scored a 187, led by Senior John Kallewaard's 37, Will Roberts - 48, Jim Donnellon - 50 and Dan Kwolek - 52.

The JV team finished third and were led by Freshman Tim Rice - 55, Mike Ridenour - 56, Marcus McNamara - 56 and Jon Way - 58.

**August 31: Summerfield**

Manchester ran into the third ranked team in the state and lost by a 158-173 score. The Dutch faced or will face the state's #4 team (Summerfield, #5 (Morenci) #8 (Michigan Center) and #10 Hanover) in the first two weeks.

Scoring were John Kallewaard, - 38, Will Roberts - 44, Dan Kwolek - 45, and Justin Ebersole - 46.

**Big Dutch Roll Over Addison Panthers, 24-8**

Sometimes football games are decided by last minute drives or outstanding special teams play or maybe even crushing offenses that never let up. And then sometimes games are decided by defense, plain and simple. And Manchester's 24-8 win over the Addison Panthers was decided by defense, plain and simple.

The tone of the whole game started on the opening kickoff to Addison. Addison's player fumbled the ball and Dutch junior Joe Tobias, #60, recovered the ball. Three plays later, senior QB Troy Niehaus nailed junior Aaron Garrett, #12, in the end zone with a five yard bullet. #22, Trevor Schliecher, booted in the XP. So, just four plays into the game, and the Dutch "D" had set up the first score of the game by Manchester. Dutch 7, Addison 0.

On Addison's next possession, they drove down the field to set up a 13 yard touchdown run. The Panthers then went for the two point conversion and made it. Coach Wes Gall had stated after the game that except for their opening drive, he was impressed with the defense of the Dutch. Overall, he gave the defense a B+ grade. The end of the first quarter had Addison on the upside, 8-7.

The next score by the Dutchmen came in the second quarter. Senior Mica Puscas, #46, rambled for 9 yards into the end zone to put the Dutch back on top. Their scoring drive started on their 49 yard line. Niehaus com-

**September 2 - Dundee- Gabriel Richard**

The Dutchmen traveled to Dundee Friday, and picked up their first win of the season, with 193-208 over Richard. Dundee won with a fine 169. Scoring for Manchester were John Kallewaard - 45, Sophomore Ryan Roberts - 48, Sophomore Will Roberts - 50, and Junior Marcus McNamara - 50.

**September 6 - League Jamboree at East Jackson**

The Dutch put in its worst showing of the year with a 196 and last place. The only bright spot was the return of Senior Jeff Steele, and his round of 41. John Kallewaard, Will and Ryan Roberts Completed the scoring.

The JV team also finished last with a 227. Sophomore Ryan green led with a 55, Ted Rice, Jim Donnellon, and Mike Ridenour carded for the Dutch.

pleted two passes for 22 yards to keep the drive alive. This time, the Dutch went for the 2-point conversion but the pass from Niehaus was incomplete. On Addison's next possession, Manchester picked off a pass intended for an Addison receiver. #42, Shane "Goody" Goodell got the interception for the Dutch. On a side note worth mentioning, the Addison QB threw more complete passes to the Dutch D than to his own team mates. He was 3-14 for 29 yards, but he threw four interceptions!

The Dutch couldn't capitalize on the Panther's mistake, though, and were forced to punt. Garrett, who handled the punting chores, finished with a respectable 33.8 yard average. Puscas intercepted Addison one more time before the end of the half. At halftime, it was Dutchmen 13, Panthers 8.

The only score in the third quarter was again on the part of the Dutch D. Addison was forced to punt out of their own end zone. Tobias came rushing in and blocked the punt to force a safety. Dutch 15, Addison 8.

Throughout the game, the intimidating defensive line of Garrett, Tobias, senior Brent Hoelt, and juniors Justin Porter, Mike Mann, and Brian Duvall pressured the Addison QB to throw many incompletions and four interceptions and forcing two fumbles, which both resulted in scores. Besides Goody and Puscas, junior Zach Maghes and freshman Nick Davis also

**Lady Dutch Sports**

**Varsity Basketball**  
This year's varsity girl's basketball team has nine players, four sophomores, four juniors, and one senior. Their coach, John Wilkins has coached for Manchester for five years. He says his team plays hard and aggressive, but needs to work on their shot. He says that even though the players are inexperienced, they play strong defense.

The players have been practicing since August 15. The players say they are hard workers and that they work well together. They also agree that they have a great coach, and that are still young. Their next game is September 15 at Hanover Horton. They might just turn some heads this year.

The players all agree that they are going to have a great season. Sarah "Jack" Gould quotes that, "We are a hard working team." They also think that their games against class A and class B schools will help them in their conference games. Their captains are Sarah Ahrens, Pam Preston, and Jessica Porter. Their next game is September 15 at Hanover Horton. Good Luck Girls.

**IV Basketball**

The Manchester girl's JV basketball team looks very promising. They are coached by Denny Steele, a five year veteran. He expects his team to do very well this year. His goal is for them to win at least 10 games this year. He also wants his players to play as a team, run their offense, and have fun. He says that the girls will do well in their next several games.

The team has strong defense and is very experienced even though they are a young team. The players have been practicing since August 15. Coach Steele wants his team to work together and play quickly, but not in a hurry.

The players all agree that they are going to have a great season. Sarah "Jack" Gould quotes that, "We are a hard working team." They also think that their games against class A and class B schools will help them in their conference games. Their captains are Sarah Ahrens, Pam Preston, and Jessica Porter. Their next game is September 15 at Hanover Horton. Good Luck Girls.

- covered by Pat Chapin

**J.V. Football**

E. W. Garlick

Manchester's Junior Varsity traveled to Addison last week and bested the Addison Panthers by a score of 23 to 0.

Offensively: Running for touchdowns #44, Kirk Horodeczny and #34, Ryan Fielder. #40, Nick Woods, caught a pass for the other touchdown and two extra point passes for four more points.

The running game saw #6, Steve Riske one run for 6 yards. #24, Mica Jefferson nine for 40 yards. #34, Ryan Fielder, twelve for 40 yards. #40, five for 37 yards and #44, Kirk Horodeczny one for 3 yards.

Passes caught included #20, Steve Spurr one for 2 yards. #34, Ryan Fielder one for 11 yards, and #40 Nick Woods four for 29 yards.

Defense: There were 5 take aways, including four fumble recoveries and one interception. #34, Ryan Fielder was in on 11 defensive plays. #6, Steve Riske participated in ten defensive plays with #36 on 7 defensive plays.

Coach Fielder said, "We had a good defensive effort. We made some good offensive plays but we still have some basic things to work on.

Thursday will see the J. V. Dutch host the Napoleon Squad. Game time 7:00 PM - Don't be late.

**Go Dutch!**

-by Kyle Harvey

People

Welcome Home!

Tyler John Mooneyham

John and Debbie (Alber) Mooneyham are proud to announce the coming home of their son, Tyler John, on August 20. He was born on June 16 weighing 2 pounds, 2 ounces and 14 inches long. He now weighs over five pounds and is 17-1/2 inches long.

Maternal grandparents are Bill and Darlene Alber of Manchester. Paternal grandparents are Roseanne Mooneyham of Saline, John Mooneyham Sr. and Patti McCabe of Manchester.

Tyler's family would like to thank everyone for their thoughts and prayers since his birth.

MSU Lists Honors Students

Michigan State University recently announced the names of those students who earned a 3.5 or better grade point average during the summer semester of 1994. A total of 285 MSU students are included on the honors list.

From Manchester, Timothy Aaron Burkhardt, a senior in Professional Accounting, was named to the Honors List.

NOT WEARING A SAFETY BELT CAN COST YOU AN ARM & A LEG.

We welcome our High School Reporters!

The Manchester Enterprise

Kyle Harvey is a senior at Manchester High School who hopes to attend college after graduation. His hobbies include writing, reading, and participating in numerous sporting activities. He was born in Peoria, IL and has resided in Manchester since 1990. Kyle hopes to one day become a successful novelist and short story writer. If he can't accomplish that, though, Kyle hopes to be an inspector at a Fruit of the Loom underwear plant. He currently bides his time by mopping floors at the Bakery.

Mary Lobbestael is a senior at Manchester High School. She has a part-time job at the bakery, and is the president of her class.

Mary will be covering academics at the high school as well as at Klager and the Middle School for the Enterprise.

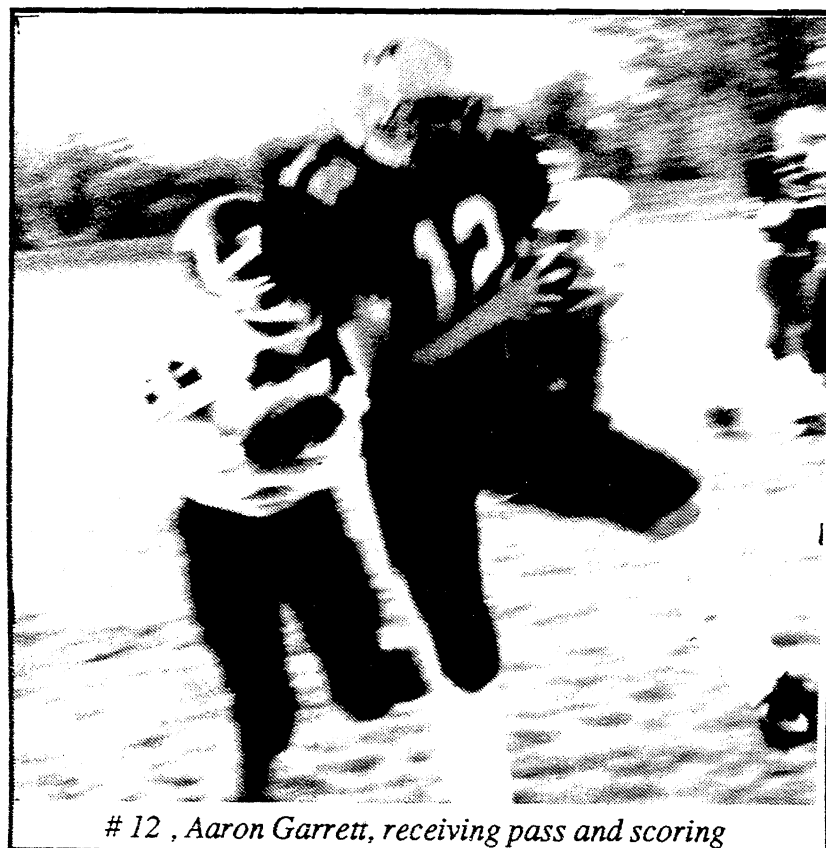

#46, Mica Puscas, over left side and in for score

Pat Chapin is a Freshman at Manchester with plenty of post-high school aspirations.

An ambitious reporter, Pat will be covering sports and also our "Teacher of the Week" feature at the High School level.

#12, Aaron Garrett, receiving pass and scoring

Fall - the Sportsman's Season

A New Look at the Sportsman Club

A new sign will greet the members, guests and passers-by at the Manchester Sportsman Club this year. Members Glen Hlavka, Don Moog and Bob Trent were kept busy over Labor Day Weekend erecting this sign which was purchased from Memorial Funds designated by friends of family of Erwin (Erv) Blumenauer. "Erv was a long time member of the Sportsman Club, and we felt this would be a fitting memorial to him," said Bob Trent. It looks great - be sure to notice this addition when traveling down Grossman Road on your local color tours this fall.

		Zones 2, 3							

No closed Season on opossum, porcupine, weasel, red squirrel, skunk, starlings, feral pigeons, English sparrows, ground squirrel, and woodchuck. These may be taken year-round with a valid hunting license. See "Firearm and Bow Rules", page 10, for seasonal and daily restrictions.

- Notes:
- It is unlawful to take an antlerless deer in deer management units 066, 077, 083, 089 or 094 during archery, firearm, or muzzleloading deer seasons. See map on page 18.
  - 1st and 2nd deer licenses are valid only for a deer with antlers 9" or longer.
  - A person shall not take, possess, or tag more than two deer with antlers extending 3" or more above the skull in any license year for all deer hunting licenses.
  - Antlerless deer licenses are issued in selected deer management units. See page 8, "Antlerless Deer" for further information.
  - Muzzleloading season dates in Zone 1 begin on the first Friday in December. In Zones 2 and 3 the 10-day season begins on the second Friday in December. These dates are not expected to change.
  - The first archery deer license is valid for a deer of either sex, except as noted in #1 above. Second archery deer license is valid only for a deer with antlers 9" or longer.
  - See Bear Hunting Application Guide or Elk Hunting Application Guide for further information.
  - Drummond Island is closed to squirrel hunting.
  - Zone 1 is only open in Macomb County south of US-2 and Delta County southwest of the Escanaba River.
  - December season has a daily bag limit of one and a possession limit of two male pheasants. See map on page 19.
  - Spring season bag limit is one bearded turkey. Spring season dates will be announced in January 1995. See the Spring Turkey Guide for further information.
  - Shotguns must be plugged so they are capable of holding no more than three shells. A federal waterfowl stamp is not required to hunt woodcock.
  - Open only in the lands of Zone 1, except Drummond and Neeshish Islands, east of a line starting at the point where the Lake Superior shoreline intersects Weibach River, then southerly along the river to Lakeshore Drive, westerly on Lakeshore Drive to Hwy. M-221 southerly on Hwy. M-221 to Hwy. M-28, westerly on Hwy. M-28 to Tillson Road, southerly on Tillson Road to Highway M-48, southerly and westerly on Hwy. M-48 to Herz Road, southerly on Herz Road to the Macomb county line, westerly along the Macomb county line to 3 Mile Road, southerly on 3 Mile Road to the shoreline of Lake Huron.
  - Zones 1 and 3: three per day/sex in possession. Zone 2: five per day/sex in possession. See closed areas on page 21.
  - Crows may be taken outside the open season during hunting hours, in compliance with federal regulations, when committing or about to commit depredations or when concentrated as to constitute a health hazard or other nuisance.
  - Coyotes may be taken April 16 to July 14 on private property by a property owner or designee when doing or about to do damage. Dogs may not be used during the period.

**LOOK DONT MAKE A MISTAKE!**  
The Gray Wolf is protected in Michigan under the Endangered Species Act.

**Gray Wolf (Canis lupus)**  
Height: 30" average  
Length: 4.5 feet to 6.5 feet  
Weight: 50 to 100 pounds  
Status: ENDANGERED

**Coyote (Canis latrans)**  
Height: 18" maximum  
Length: 3 feet  
Weight: 25 to 45 pounds

**You can help the Gray Wolf by:**

- Learning the difference between the gray wolf and the coyote.
- Reporting any harassment of a gray wolf.
- Reporting wolf observations and locations. Send information to: DNR WILDLIFE DIVISION NATURAL HERITAGE PROGRAM 1426 HIGHWAY US-2 WEST CRYSTAL FALLS, MI 49728

Organizations

Manchester Area Historical Society

Manchester Area Historical Society Starts Without John

The Manchester Area Historical Society has been synonymous with John Swainson for many years.

Yet, we go on. The third Tuesday of the month continues as the meeting date, the time is 7:30 PM, and the Blacksmith Shop is the place.

The program for the evening will be the special premiere of the videotape produced by Eastern Michigan University Communication and Theatre Arts Department students Mike DiMaria and Jeff Pillars.

King's Volunteers

The Manchester King's Volunteers will meet on Thursday, September 22, at 1:00 PM at the Manchester United Methodist Church.

Elta Clark and Marie Pratt will be hostesses. Olive Feldkamp will lead devotions.

Cub Scouts Pack 421

Registration for Cub Scouts Pack 421 will be held Thursday, September 15, at 7:00 PM at the K of C Hall.

Historical photographs have been blended with the story telling to create a one-of-a-kind production. Interview material not used in the 20-minute long project will become part of the historical society videotape archives.

The students received permission from their supervising instructor, Dr. John Cooper, to satisfy the requirement for their video production internship through work with the Manchester Area Historical Society.

The September 20th get-together is also the annual membership meeting when according to by-laws, the formal change of officers and board members occurs.

Everyone is welcome to attend at the Blacksmith Shop, 324 E. Main Street, at 7:30 PM. Refreshments are served after the meeting.

Catholic Social Services

"Grandparents as Parents" a program offering an opportunity for caregiving grandparents to talk with others in a similar situation, will be held at the Knights of Columbus Hall on September 22 from 7:30 - 9:00 PM.

Also, as a group, we will consider the possibility of continued meetings to offer resources and support.

For information, please call the Community Resource Center at 428-7722, or Virginia Boyce at Catholic Social Services, phone 484-1260, extension 306.

Manchester Area Chamber of Commerce

Chamber of Commerce Annual Meeting to feature Professional Speaker, Breeda Miller

Topic: Attitude

Who's in control of your attitude? A skilled and entertaining speaker, Breeda Miller, has the ability to reach audiences and interact with them about their attitudes, their levels of self esteem, and the roll of enthusiasm in their life through humorous and often touching anecdotes.

The Board of Directors presents the nominations for the four expiring Board positions. Any Chamber member is eligible to be on the Board. The current nominations for two-year terms are as follows: Jim Achtenberg, Woodbrook Enterprises; Kim Cowen, Great Lakes Bancorp; Cheryl Mitchell, Pilot Metal Products; & Breeda Miller, Ralph Nichols/Dale Carnegie training.

The Board of Directors presents the nominations for the four expiring Board positions. Any Chamber member is eligible to be on the Board. The current nominations for two-year terms are as follows: Jim Achtenberg, Woodbrook Enterprises; Kim Cowen, Great Lakes Bancorp; Cheryl Mitchell, Pilot Metal Products; & Breeda Miller, Ralph Nichols/Dale Carnegie training.

We will also discuss future meeting topics. Possibilities include an election forum in October covering candidates and/or ballot proposals, plant tours (Tower Automotive formerly Ann Arbor Assembly and others) and discussion on the Black Sheep Tavern with the new owners.

In August, the Chamber hosted a discussion among Main Street merchants regarding Public Rest rooms. The only merchants present were from Woodbrook and Flora in the Mill. The Manchester Academy for the Arts expressed interest, but could not have a representative present. Due to the lack of interest from the merchants,

the Chamber has determined it does not appear to be a major concern among the business community.

Also in August, the Chamber and the Optimist Club hosted the Manchester School Appreciation Picnic as a "Welcome Back" for the School staff. This is the tenth year for the picnic, which was originated by the Chamber.

The Manchester Business Directory is progressing well, and is currently scheduled to be distributed in October.

The Chamber would like to welcome the following new members: Flora in the Mill, Jill Crader Appraisals, Business and Real Estate Network, Whyte Consulting Co.

The September meeting, like all Chamber meetings, is open to the public. Lunch on Wednesday, September 21 will begin at 11:45 at Haarer's. Breeda will present her talk at 12:20. The meeting will end by 1:00, however, Breeda will remain to answer any questions. For lunch reservations contact Kim Cowen at Great Lakes Bancorp (428-8379) Jim Achtenberg at Woodbrook (428-7011).

Announcements

WORKING TOGETHER FOR A BETTER COMMUNITY

On Monday, October 10, from 4:00 to 8:00 PM and Tuesday, October 11, from 7:45 AM to 4:40 PM the Washenaw Intermediate School District is hosting a conference titled WORKING TOGETHER FOR A BETTER COMMUNITY: Collaborations, Coalition, Partnerships and Mergers. The cost of the conference is \$35.00 including meals.

Sponsors of the conference are Great Lakes Bancorp, E. Carlson Trust, The Ann Arbor News and the Nonprofit Enterprise at Work, Inc.

Highlights include:-

- \* Learn about cooperative efforts that exist elsewhere
\* Develop skills and build capacity for working within and across sectors
\* Inspirational Keynote speakers
\* Nuts and bolts breakout sessions
\* Resource Displays

Who should attend? Community leaders, Government officials, community school staff/board members, representatives of business and local volunteers interested in working toward the betterment of the community of Manchester.

The Manchester area, as does every community, faces many challenges that relate to education, housing, recreation and health care, to name a few. This conference will provide the opportunity to learn about strategies used in other communities, to meet those needs.

More specific information is available by contacting the Community Resource Center, 428-7722.

Metropolitan Society for Crippled Children & Adults

HELP! Our computer has a virus and has destroyed a list of 2,000 handicappers. This has meant a serious cutback in our programs. We must rebuild our list!

All wheelers and other motion impaired individuals are invited to contact the Metropolitan Society for Crippled Children and Adults, and get on our list. WE NEED YOU.

Each individual who calls will be sent a copy of our Handicapper's Calendar of Events at no cost. This is a great activity list, guaranteed to keep wheelers and other handicappers busy every month of the year.

We look forward to hearing from YOU.

New Rule for Underage Drinking Drivers: "Zero Alcohol"

In an effort to help curtail the significant number of deaths and injuries due to teenage drinking and driving, the Michigan legislature has enacted House Bill 4839 (PA 211). The measure effectively lowers the illegal Blood Alcohol Level (BAC) to .02% for all persons under the current local drinking age of 21. The standard for individuals 21 years of age or older is .10% BAC.

Governor John Engler, in signing the bill on June 23, stated, "Our message to teenagers is single-minded, tough and direct—don't drink and drive, because if you do, you will be punished quickly and severely." Specifically, young persons caught by police driving with .02% or higher blood-alcohol concentrations could lose their licenses for up to 90 days and pay a maximum fine of \$250.

Representative Frank Fitzgerald (R-Grand Ledge), primary sponsor of the bill, emphasized that the measure was a "zero tolerance" approach to curbing youthful drinking and driving. "Enacting stronger laws and continuing educational efforts will help prevent underage drinking. The key is presenting a consistent enforcement message from parents, teach-

ers, friends and law enforcement officials," Fitzgerald said. Fitzgerald has also expressed interest in a proposal to reduce the current .10% BAC to .08% for drivers 21 and over. Senate Bill 394, as introduced in February, 1993, by Senator Doug Carl (R-Utica) would prohibit a person with a BAC of .08% or more from operating a motor vehicle. The bill also provides that if a person's BAC were .05% or more, but less than .08%, it would be presumed that his or her driving ability was impaired.

Bethany Goodman, executive director, MADD Michigan said, "This new law removes a deadly inconsistency that has made it too easy for too long for our teens to engage in a deadly game of 'beat the system.' Unfortunately, when they lost, too often it was the ultimate loss." MADD further notes that in 1991 in Michigan, 79 teens died in alcohol-involved crashes, with thousands more sustaining injury.

The new law takes effect on November 1. The Michigan State Safety Commission, chaired by Secretary of State Richard Austin, is formulating plans to publicize the new measure this fall.

PUT AN END TO LABOR DISPUTES.

PLANNING A FAMILY OR MANAGING A COMPANY, health care coverage can give you the blues. Claim forms. Deductibles. Disputed claims that can take you a year or more to straighten out.

KISS THE BLUES GOODBYE with Physicians Health Plan. No claim forms. No deductibles. Just straight talk and clear coverage. All without sacrificing your choice of physicians.

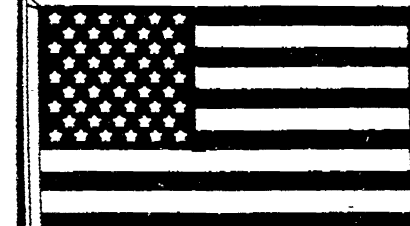

You'd EXPECT TO PAY MORE for something that manages labor so nicely. But the fact is, you'll save yourself a nice little bundle.

TO FIND OUT HOW, call your insurance agent. Or call us today at 517-782-7154.

Sewer Line Crosses M - 52 on Ann Arbor Hill

Sewer crossing M - 52., Backhoe on west side completing the crossing.

Have you noticed during the past couple of weeks the sewer crossing M - 52 on Ann Arbor Hill. This crossing was just south of Klager School entrance drive.

The contractor initially tried to bore under M - 52. After two unsuccessful attempts, the auger was trapped under the road caught on a large bolder. The Michigan Department of State Highways had to be contacted and permission granted to "open cut" the roadway. The Village DPW permission had to be granted also.

A large excavation was opened on the east side of M - 52. A manhole was built over the existing sewer line and a lead was extended west toward the intended house service at

416 Ann Arbor Road. This service line had to go under the Village water line and the telephone cable conduit. During the process the water line was broken and had to be repaired. The phone cable was unsupported and almost severed before the contractor tied the conduit to timbering.

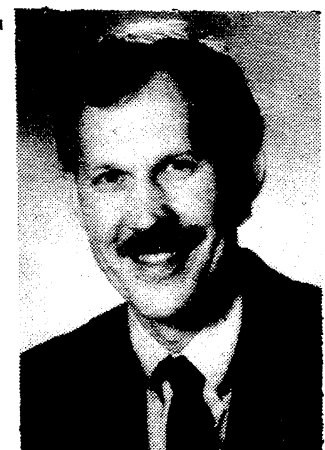

The roadway was divided into two sections and as one half was constructed then the other half could proceed. A Manhole was placed on the west side of M - 52 to facilitate additional service for the other properties that now do not have sewer on the west side. Final street patching has not been completed as yet and the pile of excess excavation has not been disposed of.

# Black Sheep Update

Tom Ellis, the new owner of the Black Sheep Tavern, stated in a conversation with this writer that he hopes to have the Black Sheep back in business within the next two years.

Tom acquired the two buildings constituting the Black Sheep Tavern from Mr. Chris Hoover, former owner and proprietor. The Sheep had experienced hard times prior to the fire that occurred on Sunday, September 29, 1991. The 1991 fire started in the exhaust hood and partially burned the second and third floors and also penetrated the roof. Fire Departments were summoned from Chelsea and Pittsfield with their tower

units. All of the downtown buildings were threatened had the fire not been controlled.

Mr. Ellis said that there were some potential investors and/or buyers for the Sheep. Part of the building had been restored prior to Ellis' acquisition, however, the major portion of the building has not as yet been restored and extensive repairs and cleaning will need to be accomplished to make the buildings usable again. Ellis indicated that he will be doing the work as funds are available.

The Enterprise has learned that at this time, at least one potential buyer/investor has declined and has

no interest.

In past we have had conversations with the former owner Chris Hoover, he asserted that increased costs of gasoline contributed to a reduction in the number of persons who had formerly traveled to Manchester from Detroit and suburbs.

Chris further stated that the demise of the Black Sheep Theater was another contributing factor to the hard times experienced by the restaurant. Suffice it to say, that business at the Black Sheep had deteriorated over the last few years of its existence.

The new owner, Tom

Ellis, has recently completed a restoration of the "Old Hotel" in Brooklyn, Mi. That facility has two large rooms on the main floor with a renovated bar. New rest rooms were installed in the lower level. Tom does not operate the renovated facility himself. A Manager Chef, and his wife

operate the Brooklyn restaurant.

It does not appear that the Sheep will be returned to service in our community within the near future unless funds become available.

## WHY???

Left: Corey Kloster, Thomas Breilein and Josh Scott look a little dejected at the sight of the damaged signs at Klager, while Katie Seltenright and Ashley Sloat at least find a little to smile about - they can visit "over the fence".

Over the weekend, sometime between 4 PM Friday and 10 AM Monday, three signs were vandalized at Klager Elementary School, totaling about \$250 worth of damage to the newly-dedicated Fitness Center on the Klager playground.

The Fitness Center was donated to the school by the PTO and put up by the Men's Club, as a community effort. The fitness center is a series of nine different "centers" to encourage physical fitness, and is utilized by Gym teacher Sandee Sheats in her classes, as well as being used during recess by all of the Klager Kids.

Arriving on the scene Monday morning we found two signs had been stolen and a third had its wooden poles broken. The damage was neither irreparable or violent, but still gave rise to the question, "WHY?"

Deputy Kevin Deacons reported that although the vandalism seems to be the work of young people and not habitual offenders, no suspects are

being investigated at this time. Certainly all leads will be pursued.

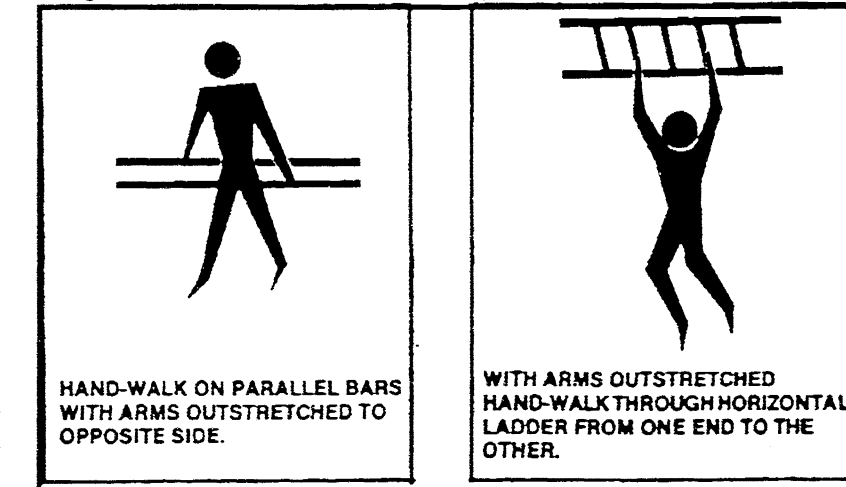

To augment the investigations of the Sheriff Department, the PTO has offered a reward of \$50 for information leading to the apprehension of the person or persons involved in this vandalism.

People with any information regarding the damage at Klager should contact Deacons

at 971-9036 (which rings in at the Manchester Station, and an answering machine is hooked up to that line), or Yvonne Henry, Principal, at 428-8321.

Remember, vandalism in the schools ultimately affects all of us in the community. Please be alert to suspicious activities which may lead the police to these perpetrators.

## Chicken Broil Makes a Donation

Ron Mann and Bob Rhees, co-chairmen of the Manchester Chicken Broil, presented a check for \$10,000 to Reno Feldkamp, president, and Lou Vogel, treasurer of the Manchester Area Historical Society.

Exterior renovations at the Blacksmith Shop are continuing by Shiver Restoration Co., of Chelsea. Interior renovations

were accomplished about eleven years ago, also with the support of the Chicken Broil.

The Historical Society and the Community at large are grateful to the Chicken Broil for assistance, both past and present. The presentation took place at the Optimist Club meeting on September 12.

- by Reno Feldkamp

## TEACHER CONTRACT AGREEMENT REACHED

EWG

Monday, September 19, The Manchester Board of Education ratified the Master Agreement between the Manchester Community School's Board of Education and the Washtenaw Livingstone Education Association/MEA/NEA for 1994 - 1996.

The Board without dissension agreed to the contract that was ratified by the Teachers this Friday past. Several key issues of old contract language were amended to reflect the new agreement. Salary Schedule for the 1994-95 year was retroactively increased by 2.5% commencing July 1, 1994. The 1995 - 96 year will see a 3.0% increase in wages, plus the addition of a "longevity step" at

25 years of service in the district with a BA and 30 years of service in the district with an MA, MA +15 or MA + 30. A requirement was added that a teacher hired after July 1, 1995 must have ten years of service in the district before moving to step 11.

The Calendar was also modified to reflect a part of the future required changes mandated by the State. The 1994-95 school year will have 186 teacher days and 181 student days. The 1995 - 96 year will be increased to 187 teacher days and 182 student days.
