

Black Sheep Update

Tom Ellis, the new owner of the Black Sheep Tavern, stated in a conversation with this writer that he hopes to have the Black Sheep back in business within the next two years.

Tom acquired the two buildings constituting the Black Sheep Tavern from Mr. Chris Hoover, former owner and proprietor. The Sheep had experienced hard times prior to the fire that occurred on Sunday, September 29, 1991. The 1991 fire started in the exhaust hood and partially burned the second and third floors and also penetrated the roof. Fire Departments were summoned from Chelsea and Pittsfield with their tower

units. All of the downtown buildings were threatened had the fire not been controlled.

Mr. Ellis said that there were some potential investors and/or buyers for the Sheep. Part of the building had been restored prior to Ellis' acquisition, however, the major portion of the building has not as yet been restored and extensive repairs and cleaning will need to be accomplished to make the buildings usable again. Ellis indicated that he will be doing the work as funds are available.

The Enterprise has learned that at this time, at least one potential buyer/investor has declined and has

no interest.

In past we have had conversations with the former owner Chris Hoover, he asserted that increased costs of gasoline contributed to a reduction in the number of persons who had formerly traveled to Manchester from Detroit and suburbs.

Chris further stated that the demise of the Black Sheep Theater was another contributing factor to the hard times experienced by the restaurant. Suffice it to say, that business at the Black Sheep had deteriorated over the last few years of its existence.

The new owner, Tom

Ellis, has recently completed a restoration of the "Old Hotel" in Brooklyn, Mi. That facility has two large rooms on the main floor with a renovated bar. New rest rooms were installed in the lower level. Tom does not operate the renovated facility himself. A Manager Chef, and his wife

operate the Brooklyn restaurant.

It does not appear that the Sheep will be returned to service in our community within the near future unless funds become available.

WHY???

Left: Corey Kloster, Thomas Breilein and Josh Scott look a little dejected at the sight of the damaged signs at Klager, while Katie Seltenright and Ashley Sloat at least find a little to smile about - they can visit "over the fence".

Over the weekend, sometime between 4 PM Friday and 10 AM Monday, three signs were vandalized at Klager Elementary School, totaling about \$250 worth of damage to the newly-dedicated Fitness Center on the Klager playground.

The Fitness Center was donated to the school by the PTO and put up by the Men's Club, as a community effort. The fitness center is a series of nine different "centers" to encourage physical fitness, and is utilized by Gym teacher Sandee Sheats in her classes, as well as being used during recess by all of the Klager Kids.

Arriving on the scene Monday morning we found two signs had been stolen and a third had its wooden poles broken. The damage was neither irreparable or violent, but still gave rise to the question, "WHY?"

Deputy Kevin Deacons reported that although the vandalism seems to be the work of young people and not habitual offenders, no suspects are

being investigated at this time. Certainly all leads will be pursued.

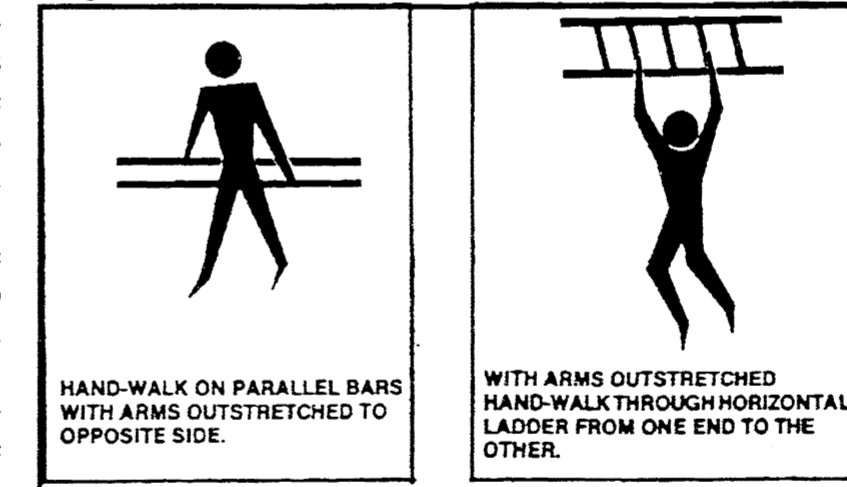

To augment the investigations of the Sheriff Department, the PTO has offered a reward of \$50 for information leading to the apprehension of the person or persons involved in this vandalism.

People with any information regarding the damage at Klager should contact Deacons

at 971-9036 (which rings in at the Manchester Station, and an answering machine is hooked up to that line), or Yvonne Henry, Principal, at 428-8321.

Remember, vandalism in the schools ultimately affects all of us in the community. Please be alert to suspicious activities which may lead the police to these perpetrators.

Marsha Johnson Chartrand

The signs which were stolen from the Klager Playground Fitness Center are those from the Parallel Bars and the Horizontal Ladder. These are the symbols and text on the signs - which are made of brown aluminum with off-white lettering.

Chicken Broil Makes a Donation

Ron Mann and Bob Rhees, co-chairmen of the Manchester Chicken Broil, presented a check for \$10,000 to Reno Feldkamp, president, and Lou Vogel, treasurer of the Manchester Area Historical Society.

Exterior renovations at the Blacksmith Shop are continuing by Shiver Restoration Co., of Chelsea. Interior renovations

were accomplished about eleven years ago, also with the support of the Chicken Broil.

The Historical Society and the Community at large are grateful to the Chicken Broil for assistance, both past and present.

The presentation took place at the Optimist Club meeting on September 12.

- by Reno Feldkamp

TEACHER CONTRACT AGREEMENT REACHED

EWG

Monday, September 19, The Manchester Board of Education ratified the Master Agreement between the Manchester Community School's Board of Education and the Washtenaw Livingston Education Association/MEA/NEA for 1994 - 1996.

The Board without dissension agreed to the contract that was ratified by the Teachers this Friday past. Several key issues of old contract language were amended to reflect the new agreement. Salary Schedule for the 1994-95 year was retroactively increased by 2.5% commencing July 1, 1994. The 1995 - 96 year will see a 3.0% increase in wages, plus the addition of a "longevity step" at

25 years of service in the district with a BA and 30 years of service in the district with an MA, MA +15 or MA + 30. A requirement was added that a teacher hired after July 1, 1995 must have ten years of service in the district before moving to step 11.

The Calendar was also modified to reflect a part of the future required changes mandated by the State. The 1994-95 school year will have 186 teacher days and 181 student days. The 1995 - 96 year will be increased to 187 teacher days and 182 student days.

SECOND ANNUAL BREAST CANCER EVENT

The American Cancer Society's Second Annual 'Unit Against Breast Cancer' Day is slated for Saturday, Oct. 1, with Washtenaw County's events scheduled from 10 AM to noon that day at Ann Arbor's Veteran's Park.

Headlining the event will be Martha McNeil, legislative representative in the National Public Issues Office of the American Cancer Society. McNeil's address will focus on recent and pending national health care reform decisions. She also will offer suggestions for ways in which people can become more involved in impacting legislation that affects health care and medical issues.

In addition, Saturday's event will feature a Lap to Celebrate Life, a walk to celebrate survivors of breast cancer and remember those women who lost their lives to the disease. For more information, call the Washtenaw County Chapter of the American Cancer Society at (313) 971-4300.

Veteran's Park is located at the corner of Maple and Jackson roads in Ann Arbor.

MANCHESTER ENTERPRISE
Second Front Page: Manchester Collision
"Towing" the Line

One of the newest businesses in town is Manchester Collision, on Austin Road at Grossman. Bill and Carol Kerns, owners, have been busily working since the first of August and have been in business a little over a month now.

"We were looking for a place to stay for the long term," said Bill. "We wanted to find a community that was safe and clean, a place that would be good for kids to grow up in."

"And Manchester sort of found us," added Carol. She explained the series of coincidences which led them here. Steve Parr, the former owner of the building, was at a party at the friend of a relative of Bill's. The word followed the grapevine and when they visited Manchester, "we really liked it and stopped looking elsewhere to pursue this business."

Both Bill and Carol have plenty of experience for this business. Bill started working in a well-established body shop in Romulus thirteen years ago at the age of 15. Beginning as a porter, he worked up until he became Body Shop Manager. "It was a growing experience, and since the shop had been established in 1937, their reputation for quality was excellent. They also instilled good work ethics in me."

Bill & Carol Kerns own Manchester Collision and Towing - providing round the clock towing for you.

From there, Bill went to a Collision shop with 24 hour towing, and "widened his horizons" a little bit there. He has also worked in the Automotive Prototype field, and has helped to develop concept cars for the Big Three automakers - like those you would see at the Auto Shows.

Manchester Collision also offers specialized towing. "One thing we can offer is the capacity to tow two cars at once, and also newer cars, with the soft fascia front ends, need special towing treatment that we can provide," explained Bill.

Carol answers your towing call! "I do drive the truck, and I can pull a car up on the deck. I still have to learn some of the tricks - but eventually I expect to be answering some of our towing calls while Bill is busy," she laughed.

Both Bill and Carol have been pleasantly surprised by the warm reception they've received in Manchester. Referrals from other businesses, including Midwest Ford, Dan's Westside, and Benedict's Service, have helped him get established here already. And although their services are not directly competitive with those of the other busi-

nesses, they were glad to receive this assistance and cooperation.

In order to get to know people in the community, Bill and Carol are holding an Open House at Manchester Collision on Sunday, September 25 from 1-5 PM. "We'd like to have people get to know us in a way other than through their misfortune," they explained. Of course, refreshments will be served, but an additional attraction will be some Classic Cars and Street Rods which Bill

We like cars, not just work on them," Bill added.

And so far, Bill and Carol are enjoying being in charge of their destiny. "We like steering the ship," is how they put it. Although, they admit, they have been so busy it's been hard for them to do all the things they'd like to do - including moving to Manchester. "We will most likely build and we have looked at a few pieces of property, but it has been so hectic we haven't yet had a chance to pursue it as much as we'd like." Their current home

Bringing technology to the Collision business: Bill checks the paint formula on microfiche, weighs it (to .1 gram) and uses the 8-10 toners required to make just the right color for your vehicle.

nesses, they were glad to receive this assistance and cooperation. "We will probably have several cars which belong to ourselves, our friends and customers - which in addition to being a conversation piece, they will be a demonstration of Bill's work," Carol told us.

"And cars, besides being my business and livelihood, are

in South Lyon, built before they realized they would be working an hour away, is occupied mainly by their dog these days!

Whether you meet the Kerns' through your 'misfortune' or at the Open House next Sunday, you will find them personable and ready to give you quality service.

Out and About

by gar

Baseball, is it a game? No, not anymore! Where has the game gone? I can remember going down to Briggs Stadium with a friend. Hank, Rudy, Dizzy, Charley and Mickey were playing then. I can't remember the names of the other players, but that really doesn't matter. I don't remember who won the game, but that doesn't matter either. What I do remember is how we enjoyed watching the game.

Watching a ball game at that time was a real treat. A ball game was broadcast, live, over the radio, if it was a home game. That was exciting to listen to, but nothing compared to being at the old ball park. The beautiful green grass, skinned infield base paths, foul lines and the flags of the different teams around the stadium perimeter. The vendors with their cries. HOT DOGS! Peanuts, popcorn, Cracker Jacks, "Prize in each and every pack". Beautiful to hear and wonderful to smell.

It does however remain a childish sport for all ages. Now however, The childishness of the game is being displayed by both Owners and Players. Owners complain they are no longer making money and the players crying they are not making enough money! This may or may not be the case, but I for one say, "Grow up".

Fans still want to see baseball. They may not want to go to the Old Ball Park. I for one fear driving into Detroit and no longer have season tickets. I still would like to go see the occasional game. Watching baseball on TV is not the same as seeing a game. I no longer am entranced by what the Tigers have on the field. "Sparky" Anderson has lost his appeal along with the present and past ownership.

I remember Hank or Rudy knocking one out. I still enjoy seeing Lou pulling one down the right field or Tram spraying a hit. Kurt swinging mightily and Fielders effortless belts over the fence. I long for Emie saying, "It's LOOOONG GOOOONE." Remember when he would say that about the Gator's or the Willie's fence busting belts.

To the Owners and the Players. Without the fans you are nothing, nothing, nothing!

Notice of Public Hearing Sharon Township Zoning Board of Appeals

Please take notice a public hearing will be held at 8 PM on Wednesday Sept. 28, 1994 at the Sharon Township Hall, 18010 Pleasant Lake Road to consider applications for variances from the Sharon Township Zoning Ordinance which would permit non-conforming lot area computations on a 10.01 acre parcel on the south side of Lehman Road in the SE 1/4 of Section 2 Sharon Township tax parcel 15-02-100-004 and on a 19.94 acre parcel which the owner wishes to split into two parcels located south of Grass Lake Rd. and east of Sharon Hollow Rd. in the NW 1/4 of Section 9 Sharon Township tax parcel 15-09-200-008.

Please direct written comments before Sept. 28, 1994 to: Sharon Township Zoning Board of Appeals, Charlotte Anderson, Chairperson, 14689 Waldo Road, Chelsea, MI 48118.

Notice!!

State Road Crews will be working on M-52 within the Village Limits. Proposed starting date is Thursday, September 22, dependent upon Lawrence M. Clarke, Inc. fixing the area on Ann Arbor Hill where the new sewer hook up was placed.

Micro-Surfacing consists of a three part process. Step 1, tar and stone filling in and sealing cracks, has been done. Step 2, which is scheduled to begin Thursday, will be an asphalt base with a wet slurry, followed by Step 3, a thin base of asphalt with fine particles for a new wearing top seal.

Steps 2 & 3 should be about a 3-4 day job, so arrange your schedule to allow for potential tie ups from flagpersons directing traffic. Please bear with these repairs while they improve our community.

According to Village Manager Jeff Wallace, this is a preventive maintenance procedure, which will extend the road life another 5-7 years.

Summary of Manchester Planning Commission Meeting 9/13/94

Meeting called to order at 7:36 PM.

Members present: Mussio, Schiller, Little, Tucker, Fielder, Lowery, Roberts, Hinkley.

Others present: Jeff Wallace.

Approval of agenda.

Approval of minutes of August 9, 1994 meeting with revisions.

Reports from Administration: Jeff Wallace reported on St. Mary's site plan & variance approvals. Jeff reported that Marty Way will be returning to be on the Planning Commission, hopefully by next month.

New Business: We discussed the residential setback require-

ments for accessory buildings. We reviewed concerns and suggestions. We discussed: pros and cons of changing or reducing the setbacks, the number of variance requests we have received, the many and unique lot sizes we have in the Village, the definition of an accessory building, etc. We decided to continue this discussion after the Secretary collects some information about past variances.

We received a letter from CRC Director, Dianne Schwab, inviting us to attend a workshop/conference in October.

Outstanding Business: We discussed several "typos" in our

Village GDP and a motion was made to correct six transcriptional errors in the GDP.

Codebook Review: We discussed and reviewed Chapter 51/ Zoning, Article II. We are considering re-writing some sections to have separate requirements for areas that are zoned C-2 and are also in the CBD versus areas that are zoned C-2 but not in the CBD. We will discuss possible changes at our next meeting and may make a recommendation to the Ordinance Committee.

Meeting was adjourned at 9:47 PM.

Respectfully submitted by Linda Mussio, Secretary.

APPROVED PROCEEDINGS MANCHESTER VILLAGE COUNCIL SEPTEMBER 6, 1994

The Regular meeting of the Manchester Village Council was called to order by President Becktel at 7:00 p.m. Council members present: Becktel, Brooks, Conaway, Marshall, Vought, Clerk Tucker, Manager Wallace. Absent: Taepke, Schaffer. Also present: Gary Wiedmayer, Linda Mussio, Jean Robert, Sgt. Haensler, Diane Schwab, Kathy Kueffner, Fred Lucas, Jeannette Woodard/Dabbert & Fleming, Architects.

The minutes of the August 15, 1994 regular meeting were approved as presented on a motion by Marshall, support by Vought. Vote: Ayes-all.

The proceedings of the August 15, 1994 regular meeting were approved as presented with a motion by Conaway, support by Vought. Vote: Ayes-all.

The minutes of the August 23, 1994 special meeting were approved as amended with a motion by Marshall, support by Vought. Vote: Ayes-all.

The proceedings of the August 23, 1994 special meeting were approved as amended on a motion by Marshall, support by Vought. Vote: Ayes-all.

The Agenda was approved as amended on a motion by Conaway,

support by Marshall, deleting 9c) Solid Waste & Recycling, 9d) Planning Commission, 9f) Finance Committee, 9g) Ordinance Committee, 9h) Tree Board. Vote: Ayes-all.

Letter from the CRC requesting release of the budgeted funds for the contract year 1994/95. Motion by Becktel, support by Marshall to release the \$1500 budgeted for the fiscal year 1994/95 for the services of the CRC as listed in the contract. Roll Call Vote: Ayes-all.

Enter Brooks at 7:12 p.m. Motion by Becktel, support by Marshall to go into Closed Session as allowed in the Open Meetings Act for discussion of pending litigation with the village attorney at 7:12 p.m. Vote: Ayes-all.

Council reconvened the regular session at 7:36 p.m. Motion by Brooks, support by Vought to approve the payables in the amount of \$124,744.07, as presented. Roll Call Vote: Ayes-all.

PUBLIC HEARING - ZONING BOARD OF APPEALS - ST. MARY'S CHURCH VARIANCE

Motion by Becktel, support by

Marshall to adjourn as Council and convene as the Zoning Board of Appeals at 7:42 p.m. Vote: Ayes-all.

It was noted that the Public Hearing - was properly noticed and that there were no written or verbal comments in favor or against the variance request. The Public Hearing was closed at 7:44 p.m. Motion by Marshall, support by Vought to approve the variance request of St. Mary's Church allowing for variance in rear yard setback, floor area ratio and lot coverage, as recommended by Planning Commission, and in harmony with the intent of Chapter 51 of the Zoning Code of the Village of Manchester. Vote: Ayes-all.

Motion by Becktel, support by Conaway to adjourn as ZBA and reconvene as Council at 7:55 p.m. Vote: Ayes-all.

Motion by Brooks, support by Marshall to allocate \$1200 to the Parks Commission for the purchase of split rail fencing for Chi Bro Park. Roll Call Vote: Ayes-all.

ST. MARY'S SITE PLAN REVIEW - Motion by Becktel, support by Brooks to approve the site plan review subject to the Planning Commission recommendations and the addition of the two handicapped parking spaces remaining on Macomb Street and two signed handicapped spots on Madison Street and including the variances granted earlier. Vote: Ayes-all.

Motion by Becktel, support by Vought to adjourn at 9:13 p.m. Vote: Ayes-all.

PIOUS UNION OF ST. JOSEPH COMES TO DIOCESE OF LANSING

As Mr. Kevorkian gains notoriety for his advice to the dying, another man seeks support for advice of a different sort.

A priest named Fr. Germano Pegoraro is opening a new center in the village of Grass Lake on Sunday, Sept. 25th. The Pious Union of St. Joseph is dedicated to the belief that the suffering and dying can have a happy death.

The religious orders of Servants of Charity and the Daughters of St. Mary of Providence provide refuge for children, the chronically ill, and the aged. You may be familiar with the St. Louis Center for handicapped and dependent children near Chelsea.

The Pious Union is a spiritual ministry that encourages members to pray for the dying and gain a better understanding of death. St. Joseph was a natural inspiration for the association. This saint is both patron of the Universal Church, and patron of a holy and happy death.

As the Pious Union grows, it will provide a hospice ministry for the dying. The center is home for the priests and workers who publish Now and at the Hour, a magazine sent to members for a free will donation.

The new headquarters is housed in a renovated Greek revival home on a 30 acre farm, complete with a sturdy timbered barn. The spacious house contains the publishing operation and a devotional chapel with Fr. Germano's wall sized painting of the death of St. Joseph.

Fr. Germano is convinced that the growth of the Pious Union is personally guided by the hand of St. Joseph. It was the patron of a good death who selected this restful sanctuary at the edge of Grass Lake.

Visitors are welcome to the Open House anytime after noon to meet the Servants of Charity and others involved in this special ministry. If you miss the opening, come and visit any day from 9:30-noon or 1:30-5pm. A barrier free ramp is provided. For more information, call (517-522-8017.

Road to the Citrus Bowl Begins!

by the MHS Cheerleaders

Attention Football and Spaghetti lovers alike! The Manchester Cheerleaders are hosting a Spaghetti Dinner September 30, 1994. The dinner will be held at the Methodist Church from 4:30-7:30 PM. Come to enjoy good food, and stay for the football game!

The menu will include all you can eat spaghetti, salads, garlic bread, milk, and dessert. The cost is \$5 adults, \$3 children ages 6-12, and under 5 are free. See a cheerleader or visit Movieland, the Flower Garden, Manchester Pharmacy, The Enterprise, Manchester High School Office, and Calamity Jane's for tickets.

The Spaghetti Dinner is just one of the many fund-raisers planned to help finance the girls' trip to the Citrus Bowl. This summer at camp, the girls earned an invitation to attend the Citrus Bowl and participate in the pre-game activities. Other fund-raisers will include a Cow Plop, Mystery Lunch, Candy Grams, Cinnamon Roll sale, and a Dunk Tank at the Homecoming Pandemonium events.

Contact Colleen Curley at 517-467-6294 for more information or to offer your assistance for these events.

American Legion Auxiliary

The American Legion Auxiliary met at the Legion Home on September 14, 1994 with 16 members present. The meeting was called to order by President Joanne Schiel. Roll Call was taken by the Secretary and the minutes of the July 13 meeting were read, corrected and approved.

Phyllis Baker reported membership goal for this Unit now 123. Four new members as follows: 1 Senior member, Linda Brannock, 3 Junior members Laura, Jennifer and Katharine Meyer. Welcome aboard, ladies! Geneva Walkowe requested input as to interest in Euchre

tournament. Will follow-up at October meeting.

President Schiel stated our Unit has been asked by the Post to assist with the Veteran Day celebration this coming November. We will be hosting the Washtenaw County Veterans Council on Sunday, November 6th. Geneva Walkowe will chair the committee to provide this assistance and will report on status at October meeting.

Refreshment committee for October meeting will be Liz Beuerle, Joyce Sroufe and Polly Brokaw.

The meeting was adjourned at 8:30 PM with a prayer by our Chaplain Elaine Hanson.

Chelsea Community Education to offer Build Your Own Home Seminar

A 24 hour seminar on the basics of building your own home will be offered by Chelsea Community Education, in cooperation with Michigan Builders Institute. The course will be held on Mondays and Wednesdays beginning October 10 through November 2, 1994 from 7 to 10 PM at Chelsea High School, 500 Washington St., Chelsea.

Classes cover the home building process from start to finish. Subjects include buying property, site planning, zoning questions, financing and building codes and permits. People also learn basics of concrete, masonry, wood frame construction, roofing, plumbing, electrical, insulation and ventilation, dealing with subcontractors and more. The course helps people avoid

making costly mistakes when building their own homes and become more confident when working with a contractor. The course costs \$170 and includes a building textbook and course manual.

Pre-registration is required no later than Thursday, October 6, 1994 at Chelsea Community Education. Please call 313-475-9830 to register during office hours.

The course instructor is a licensed builder with experience teaching builders classes. He can answer questions related to all facets of home building. Michigan Builders Institute teaches in 70 schools in Michigan. For a free brochure and a current schedule of classes, please call 810-651-2771.

Recycling Our Future

Johnson Controls Launches New Plastic Recycling Technology

Old plastic soft drink bottles now can be turned into new plastic soft drink bottles more easily thanks to a technological breakthrough from Johnson Controls, Inc.

Johnson Controls, whose Plastics Technology Division is headquartered here in Manchester, is the largest manufacturer of soft drink bottles in North America.

To date, the high cost of P.E.T. (polyethylene terephthalate) plastic in food or beverage containers has limited its use to a small segment of the market, but Johnson Controls' Supercycle™ material, made from 100% post-consumer

P.E.T. plastic, will remove the economic roadblock associated with closed-loop recycling. The U.S. Food & Drug Administration (FDA) has recently cleared the way for Supercycle™ material to be used in all types of beverage and food containers.

"We have always believed that the long term success of plastic packaging requires a closed-loop system, and that advanced technology would help make this possible," said John Fiori, Vice President of the Plastics Technology Group for Johnson Controls. Supercycle™ material enables our customers to better respond to the

consumer's growing desire for a recycled package."

This process of "super cleaning" has been under development for approximately five years. "Super Cleaning" is a multi-step procedure that ensure Supercycle™ material meets the FDA's standards for safety in food packaging.

This technology which produces Supercycle™ is less capital-intensive than depolymerization or multi-layer processes currently being used for recycling P.E.T.'s.

"Our ultimate goal is to remove the economic barriers to using recycled content in P.E.T. food and beverage containers." This is good news for consumers who wish to purchase goods in fully recycled containers.

Congratulations to Johnson Controls - another local business supporting our recycling efforts.

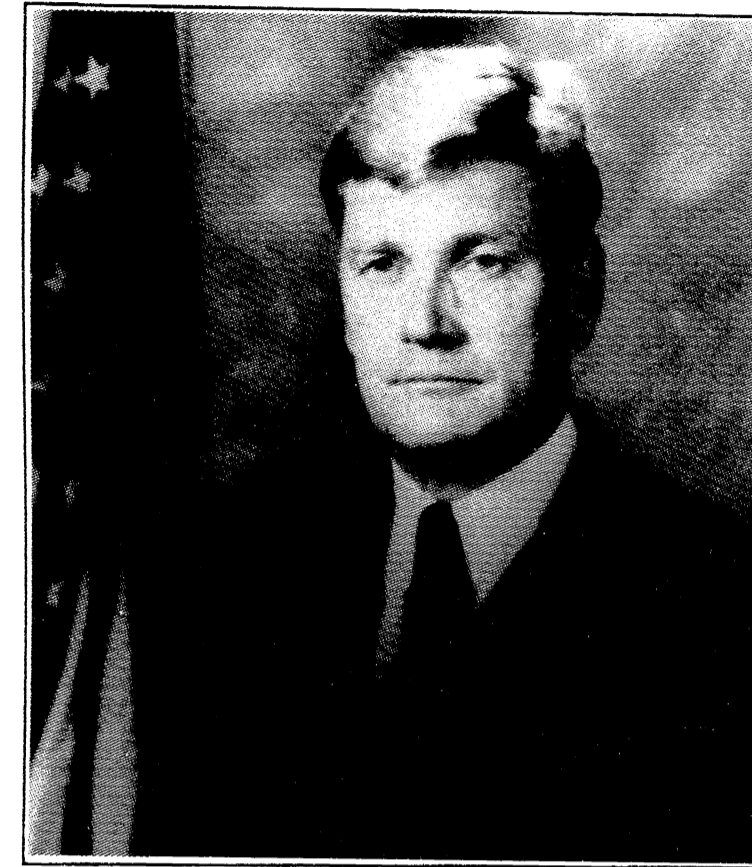

A New Face In Emanuel's Pulpit

DISTINGUISHED NAVY CHAPLAIN TO BEGIN NEW MINISTRY IN MANCHESTER

At 10:30 AM on Sunday, Oct. 2, the Reverend Dr. Vincent W. Carroll will step up to the pulpit in a Manchester church and begin to conduct the morning worship service. This long anticipated event will mark the end of a distinguished career as Navy chaplain and the beginning of a promising new career as parish pastor.

After 24 years in the Navy Chaplain Corps, Reverend Carroll is stepping down from his current assignment as Fleet Chaplain for all of Western Europe and the Mediterranean, to assume the duties of Pastor of Emanuel United Church of Christ in Manchester Michigan, a parish of about 600 members. As Fleet Chaplain, a position he has held since 1992, Reverend Carroll performs duties similar to those of a conference minister, serving some 70 Navy Chaplains and 15,000 Navy and Marine Corps personnel.

From 1985 to 1987 Reverend Carroll served as Chaplain to the Battleship New Jersey, based in Long Beach California. He ministered not only to 1600 personnel, but to 2500 dependents, scattered over southern California, as well. Earlier tours in isolated billets at Adak, in the Aleutian Islands, and in Iwakuni, Japan, and a year's assignment in Denang, in the Republic of Vietnam provided unique opportunities for intense counseling, teaching, and preaching. He has taught courses for Los Angeles City College while stationed in Japan, for the University of Alaska, while in Adak, and was a lecturer in Ancient History for the History Department at the US. Naval Academy. He has carried out extensive research and clinical work in Navy drug and alcohol programs, served as a member of the Rhodes Scholar Committee at the Naval Academy, and as fund raiser for Red Cross,

Navy/Marine Corps Relief, and United Way.

This is a sampling of Reverend Carroll's opportunities for ministry over the past two and one half decades. He is now about to achieve his fondest professional dream, to bring his significant skills and extraordinary training and experiences to bear as pastor of a parish of his own. With seldom more than two years in any one assignment it has been difficult for him to observe the ultimate fruits of his own labors. Now, as pastor of Emanuel Church, he can look forward to a sense of permanence he has never before enjoyed.

Emanuel Church selected Reverend Carroll because of his obvious qualifications. And in an equal sense, he selected Emanuel Church from among a host of opportunities because of Emanuel's, and Manchester's, unique character as well. His

family home is in Wheatland, Iowa, a small Midwestern village very similar to Manchester. He grew up in St. Paul's United Church of Christ in Wheatland, which has roots as an Evangelical and Reformed church with German origins, almost identical to our own Emanuel Church. He was baptized, confirmed, and in 1968 ordained in St. Paul's UCC, where he still retains his membership.

Molly Carroll, his wife of 21 years, has been involved in Human Services all her life. She has a Masters degree in Recreation Therapy, and has functioned as a recreation therapist, counselor, and director of a day care center for elderly. She has traveled extensively and is an avid collector of antiques and memorabilia from regions around the world where they have lived. Their ministry has been very much a shared activity. Her stated role has been: "To support my husband in his pastoral role, to involve myself in the life of the congregation, and to serve the community in which I live."

The Carrolls will be arriving in Manchester some time in the last week of September. All of Manchester welcomes them to their new home, and along with the parishioners of Emanuel, extends wishes for a highly successful new era in the life of Emanuel Church.

Mr. and Mrs. Punches Celebrate 50th Wedding Anniversary

On Sunday September 11, 1994 Bob and Mae Punches celebrated their 50th wedding anniversary with their friends and family at the former Manchester Knights of Columbus Hall with approximately 100 guests in attendance.

Bob and Mae were married September 13, 1944 at St. Mary's Catholic Church in Manchester Michigan. Fifty years later Bob and Mae were able to look back with many fond memories as presented by a pictorial display at the reception.

The hall was decorated with gold and cream streamers, banners, balloons and flowers. A cake decorated by Mae's relation, Melissa Marion was topped by the original bride and groom. The reception was hosted by their children Ronald (Evelyn) Punches, William (Astrida) Punches and Cindy Kelley (Rodney). The hall was decorated by their grandchildren; Tony, Heather, Jeff, Erika, Alexis and Derek Punches. Bob and Mae, we wish you many more happy years together.

Kelsey Lynn Townson

Dr. David and Mrs. Lisa Townson of Tecumseh are proud to announce the birth of their daughter, Kelsey Lynn, born September 8, 1994 at Women's Hospital in Ann Arbor.

Kelsey has two brothers at home, Kyle, 4 years and Clint, 2 years. Grandparents are Lauren and Rita Huber of Manchester, and Art and Joyce Townson of Dearborn.

Our Young Writers

Mary Lobbetael

Hi, my name is Mary Lobbetael. I am one of the nine children of John and Lynda Lobbetael, of Manchester. I enjoy spending time with my family, especially my six nieces and nephews.

I spend much of my time with my studies. A few of my favorite classes at MHS include, German IV AP, Government, and Psychology. I also keep busy with Drama Club, Key Club, SADD, and NHS. In addition, I am the senior class president.

When I am not involved in school activities, or working at the Baker's Dozen, I enjoy playing softball and volleyball with my friends.

Upon graduation, I would like to pursue a college degree in accounting or business. I am looking at several colleges in Michigan, particularly Western and Central.

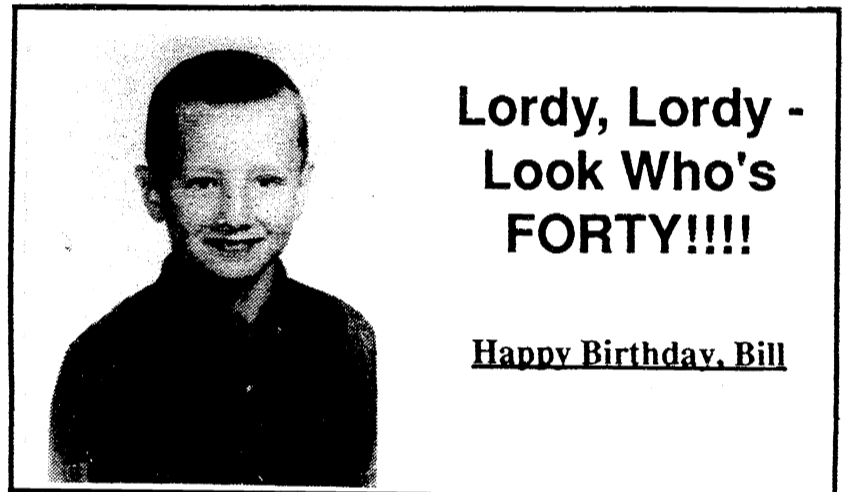

Patrick Chapin

Hello, my name is Patrick Chapin. I have two brothers and two sisters. My parents are Mark and Wendy Chapin. I have a large, close extended family. I have lived in Manchester all my life.

I enjoy school and am in Student Council. I am interested in sports, drama, writing, and math.

I love working here at the Enterprise because it gives me a chance to write, to tell people what's going on in my own words, and it is really a lot of fun.

When I graduate I want to further my education by going to college. I hope to attend the University of Michigan. I hope to someday become a computer program designer or an astronaut.

Lordy, Lordy - Look Who's FORTY!!!!

Happy Birthday, Bill

Senior Citizens

by T.V. Ludwick

Grandparents Day with Klager's second graders was a hit (and I was invited by Daniel, a neighbor). Last Wednesday was one of those September hot ones! We all toured the school, hosted by Mrs. Henry, going in and out to portable classrooms. They definitely need more room, the hour and one half we spent there was quite crowded, but a whale of a lot of fun. We applauded the teachers who provided the fun while we sweltered and thanks to all who made our tour and lunch so very rewarding (sack lunch for most of us oldsters).

Have a cute joke to relate about the willing village crew who dug up the street out in front of our house. Down, down they went to repair a water leak that bubbled up through the blacktop. I remarked that they could just fill it in with water so I could finally have my very own swimming pool. Then, when I started to take pictures of all their handiwork, Gary Wiedmayer stated "That will be \$50 a picture". I replied: "OK, every time you want to swim in my pool, it'll cost you \$50". The Village crews have been very busy this summer and we do appreciate their long hours. Aren't the

new blacktopped streets nice? Thanks.

Thursday, September 22: Seniors who 'worked out' at the first exercise class are feeling it in their muscles and Rubena said it was good for all of them. Why not come in to Emanuel's dining room at 10:30 and join in. You can sit to enjoy the veal Italian which the cooks will prepare at 12 noon. Get your reservation in to either Linda (ahead) at 428-8359, or to Jan (before 10:30 on meal days) at 428-7630. Then, enjoy bingo as our Ann Arbor visitors did on the 15th, they stated they are coming again! In the evening at 7:30, euchre players will gather at Freedom Township Hall for the Senior Citizens' sponsored card party which is held on 4th Thursdays. Bus pickup begins at 6.

Tuesday, September 27: Come to have your blood pressure taken at 11 AM by one of our loyal volunteer nurses. Pork roast will be on the table for lunch and afterwards, a program on 'Medicare Beneficiaries' will be given. Then, to the Center for activities.

Thursday, September 29: 10:30 - exercise; 12:00 Chinese (whee!); and 12:30 bingo.

YOU ARE CORDIALLY INVITED TO VOLUNTEER IN THE MANCHESTER COMMUNITY SCHOOLS. VOLUNTEER COORDINATORS FOR THE VISA PROGRAM

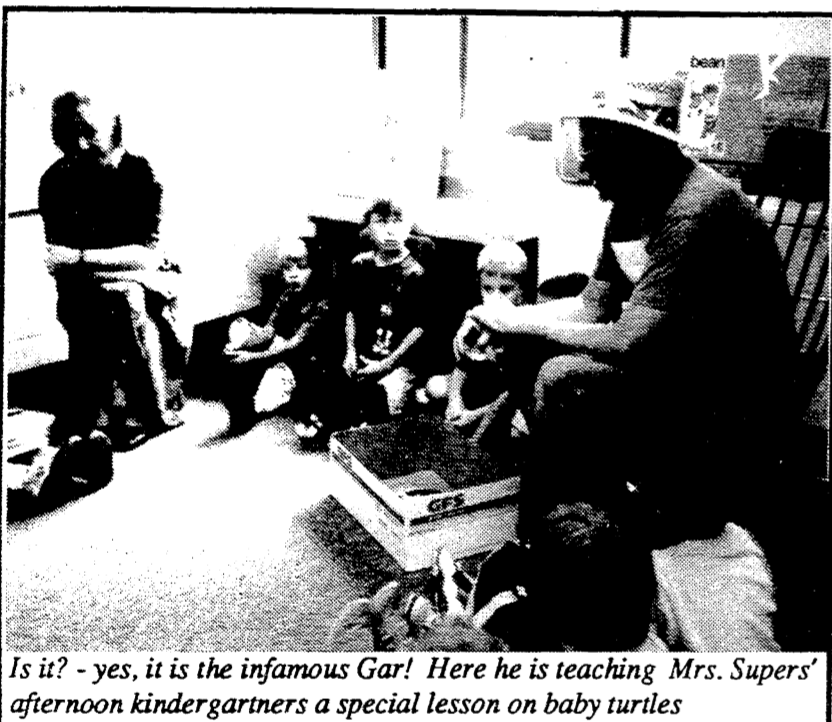

The High School and Middle School will be holding two volunteer orientations on Wednesday, September 28th in the morning from 9 to 10:30 and in the evening from 7 to 8:30. This will take place in the high school band room. Please feel free to attend the most convenient orientation for you.

Achievement. This program is designed to meet the needs of all students in the community. Parents, seniors, and other concerned citizens interested in participating in an enrichment program for students, are invited to participate in the VISA Program. If YOU would like to volunteer and you are not already registered with the school, please call High School - 428-7333, Middle School - 428-7442, or Klager Elementary - 428-8321 to volunteer your services and receive more information. We, the Volunteer Coordinators welcome you.

As a reminder to those in the community who may not be aware, VISA is a district wide volunteer program that encompasses all the schools. Klager school program is referred to as Super Volunteers.

Teacher Contracts, Cont'd.

Some other financial changes will see payment for class overloads increase at the Elementary level from \$78.00 to \$90.00 per semester and the Secondary (5-12) go from \$39.00 to \$50.00 per semester.

Adjusted payment for accumulated and unused sick leave will be increased from \$55.00 to \$65.00 per day accumulated. An increase in compensation will be allowed for the High School Yearbook from 6% to 8% if this is not conducted by a class.

Contract language was modified for recognition of MEA/NEA; Leaves of Absence; Teacher Evaluation; Professional Improvement; Layoff and Recall; Special

Education; Master/Mentor Teacher program; Public School Academies. In addition the parties agreed to develop procedures and guidelines for the teachers concerning the volunteer program.

Both negotiation teams were pleased that the negotiations were conducted with openness not an argumentative process. This attitude according to one teacher negotiator has evolved over the past 5 years or so. There has been respect, trust, talk, give and take in reaching this agreement. "I am proud of both sides in this negotiation process," was the comment.

Teacher Profiles

This Week: Mrs. Laura Betzoldt

Mrs. Laura Betzoldt has been a teacher in Manchester for 18 years. She teaches English, Theatrics, Walk and Write, and Reading to Middle School kids of all ages.

She received her college education at Michigan State University. She attended college for eight years, receiving her Bachelor of Science and her Master of Arts degrees before she finally left school. She is still the world's greatest "State" Fan.

Mrs. Betzoldt's family has been very important to her throughout her life. She is married to Orville Betzoldt. Her parents taught her the value of a good education and helped her with whatever problems life would throw at her. Her younger brother and three younger sisters were her first pupils. She had to help them all the time as a child. Her dog, Sailor, has always been able to cheer her up and gives her stories to tell her classes.

Mrs. Betzoldt originally wanted to go to law school, but

her father requested that she get a teaching degree just in case things didn't work out at law school. She found that she liked teaching too much to quit. Her entire career has been spent teaching here in Manchester.

Her hobbies include sailing, baseball, traveling, and cooking. Her favorite thing about teaching is the kids. The only thing she doesn't like about her job is when she feels helpless - which happens when she can't help someone with a problem they are having, or to understand the value of an education.

Some of the funniest moments she has are when she gets tongue tied or when she starts talking about her life. She is, overall, one of the favorite teachers of close to if not all her students. She likes to entertain her students with her misadventures in the kitchen and other places.

In ten years, she hopes to be able to retire and to move down to Florida to relax and have fun. Keep up the great work, Mrs. Betzoldt! - by Pat Chapin

Manchester Marching Band Update

-by Pat Chapin

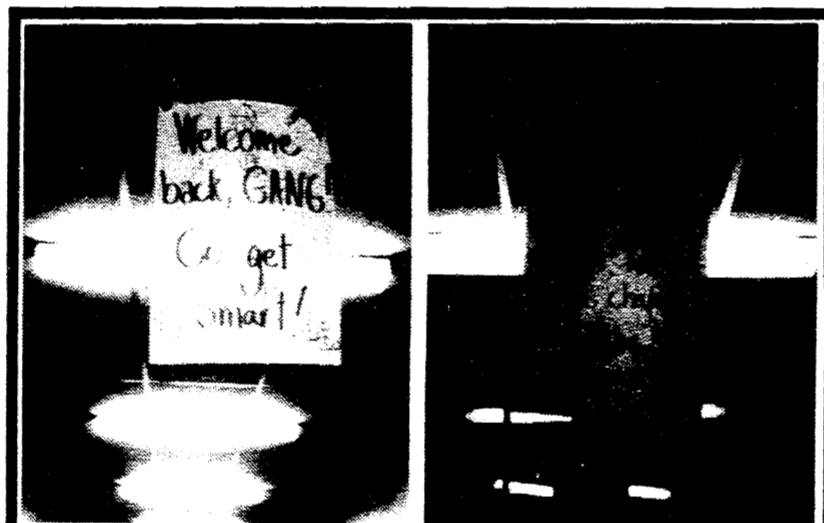

The Manchester High School Marching Band is great! Their first performance was at half-time of the Varsity football game Friday, September 9th.

The band has 43 members, including the flag corps. It is much larger than it has been in recent years, due to the 20 (count 'em!) freshmen who have joined the band this year.

The band will be performing several times this football season. Their final show is planned to be a surprise - and all they are saying is that there will be a lot of people there!

Thank you, drum major Kathy Doyle, for your help on this article. Keep up the good work!

Mr. Garlick, Thank you for sharing the baby turtles and your "knowledge" of turtles with us. Science (and learning) is always more interesting when it is hands-on. Thanks again for taking the time to share. Carolyn Supers, Sherri Hankamp, and 92 kindergartners

Mrs. Betzoldt is famous for her "signs"; a new one hangs in the hall at the middle school each day to inspire and amuse students.

Sports

Oops!

by Kyle Harvey

Oops!

That's the word that was on fans of the Flying Dutchmen's minds after witnessing their team lost to the Napoleon Pirates, 27-14. The talk in the Bakery the morning after was that of how Manchester made a bunch of dumb mistakes that cost them the game. And there was an awful lot of truth in those words.

After the kickoff to start the game, everything seemed to be going just the way Manchester wanted it to. Manchester drove down the field, eating up the clock and finally setting up senior running back Mica Puscas, #46, for a two yard dash into the end zone. Junior Trevor Schleicher, #22, booted in the extra point. With 6:30 left in the first, it was Dutch 7, Pirates 0.

Manchester then kicked the ball to Napoleon. The defense held firm, and forced Napoleon to punt. Manchester's offense, however, couldn't get anything done, so Manchester was forced to punt. If you were a Pirates fan, this was when the fun started. If you were a Dutch fan, this was when your gut started wrenching. Junior Aaron Garrett, #12, was sent out with the punting team to punt the ball into Dutch territory. Garrett, however, never got that chance. The snap was too high for him and he went running after the ball. Once he got it, about fifteen yards out of his own end zone, he avoided a few Pirate defenseman and tried to punt the ball again. But a Pirate defender came rushing in and blocked the punt. Napoleon had recovered the ball on our twelve yard line.

Oops. Thus the first quarter came to an end, with Manchester on top, 7-0. But just four ticks came off the clock in the second quarter before Napoleon scored. Napoleon tailback Troy Allen, who finished with 124 yards rushing, had a one yard run into the end zone. The Napoleon snap on the extra point was bad, though, and it left Manchester on top, 7-6. Napoleon then kicked the ball to Manchester. The Dutch still couldn't get anything going, and had to punt back to Napoleon. After a near interception by defensive back/tailback Shane Goodell, Napoleon threw the ball again. Deep. Even though he was well covered, Napoleon receiver Chad Jehnzen seemingly took the ball out of his defender's hands and romped into the end zone on a 61 yard touchdown.

Oops. This time, Napoleon went for the two point conversion and made it. With 8:53 left in the half, it was Pirates 14, Dutchmen 7. Manchester reasserted themselves, and after a 45 yard return on the kickoff by junior Zach Maghes, #21, the Dutch started to drive again. The drive was keyed by outstanding running by Goodell and Puscas, and a fantastic pass play to

Maghes. Then the Flying Dutchmen once again scored. Puscas romped in four yards for a Dutch touchdown. Schleicher's extra point attempt was good, and that tied up the game at 14-14. The second half ended with Manchester and Napoleon punting to each other one more time apiece.

Manchester kicked off to Napoleon to start off the second half. The quarter started out as a defensive showdown between the two teams, and no ground was won or lost by either squad. The fourth quarter, though—that was a lot different. The quarter started out as a continuation of the third, but ended a lot differently. After a Napoleon punt to Manchester late in the quarter Manchester took possession. A few plays later, the Dutch fumbled the ball and Napoleon recovered on the Manchester 25 yard line.

Oops. This led to the go ahead touchdown by the Pirates with 4:37 left in the half. The Pirates tried a flea flicker for a two point conversion but didn't make it. Napoleon then kicked the ball back to Manchester.

Even after all these mistakes though, Manchester still had a chance to win. And they were never any closer than when Shane "Goody" Goodell ran for 74 yards from the line of scrimmage on their first play. The run was nullified, however, when a holding penalty was assessed on Manchester.

Oops. Manchester now had fifteen yards to go for a first down, and time was draining away. A flea flicker play was called two plays later. Senior QB Troy Niehaus, #10, threw the ball to junior Mark Harris, #24, who caught it. Harris then tossed a lateral back to another Manchester player, but the wrong team caught the lateral.

Oops. What was really ironic in all of this was that Harris had the first down when he caught the ball. Napoleon scored again after this to seal the win up. Their extra point attempt was good, and set the final at 27-14.

The last fifty-two seconds of the game drained away in silence for Manchester as they tried to get some ball movement going, but failed. The game was complete. Manchester wasn't outclassed, or outmanned in this game. Think about it: every single "Oops" by the Dutch ended up in a Napoleon touchdown. Manchester beat themselves in this game. But they are clearly the better team.

Oh well - I suppose this only adds fuel to the fire. The rivalry goes on. Manchester's next game will be at Vandercook Lake (2-1, 1-0) on September 23.

GO DUTCH!!!

Middle School Girls Basketball

The Manchester 7th grade girls are hard at work practicing and playing basketball. Thirteen of these girls have been practicing since August 30. They play for an hour and a half after school every weekday except game days, either at 3:30-5:00 or at 5:00-6:30.

Their coach is Mark Ball. He has been coaching seventh grade girls basketball for the past three years. He has coached basketball for eight years all together.

His goals for the year are for his team to improve through out the year, have fun, and work hard. He quotes: "We've already improved over the last two games, and I expect a lot more improvement throughout the year. If we do, we'll meet all of our goals."

The team's biggest strength is its defense. The Lady Dutch have a difficult schedule and are in for a challenging season. The team is very inexperienced, many have never played on an organized team before. The team's most difficult game should be against Brooklyn, says Coach Ball. The most important to the girls are the games against Napoleon.

The girls' next games are at Vandercook Lake Monday September 26 at 4:30 and at home against Napoleon at 4:30 on Wednesday, September 28.

The players are Brandy Aiken, Lisa Burmeister, Rachel Fleck, Erin Fox, Ann Hinkley, Nikki Moore, Autumn Nickerson, Emily Parr, Ellen Supers, Ginger Taylor, Angie Tyler, Rachel Vanover, Abra Wise. Their manager is Dan Fleck.

Good luck girls, and have fun!

-Pat Chapin

Scores and Stats

The seventh grade girls basketball team had a pair of tough games this week and split the two. On the 12th, the Dutch lost to Michigan Center, 19-13. Coach Mark Ball stated that the team improved tremendously over their first scrimmage. The top scorers were: Brandy Aiken (4 pts), Ellen Supers (4 pts), Rachel Fleck (2 pts), Abra Wise (2 pts), and Ginger Taylor (1 pt).

On the 14th, the Dutch played host to Addison and won in a nail biter, 22-21. Coach Ball again felt that the team improved in their second game. They came from behind to win it in the fourth quarter. Top scorers were: Aiken (10 pts), Supers (8 pts), and Wise (4 pts). Their next game will be at East Jackson, on the 23rd.

GO DUTCH!!!

- Kyle Harvey

7th GRADE FOOTBALL PLAYERS READY!

Good luck this year, 7th grade Dutch football players. There are 33 kids on this year's 7th grade football team.

The defense had a super game, with Andrew Supers leading the way with three quarterback sacks. Two of these were back to back. There were many times when the Pirate ball carrier was tackled for a loss against the defensive line. Steve Riske opened the game up in the first quarter with an interception that led to a touchdown a few plays later.

On the offensive side, Ryan Fielder had two rushing; touch downs and Steve Spurr had one. Spurr also made some big plays to open up the game. Micah Jefferson also helped run the ball. The offensive line did a good job in opening up holes and protecting QB Riske, who played a solid game.

The J.V Dutch are at home next week vs. the Vandercook Jayhawks

-Kyle Harvey

8th GRADE FOOTBALL TEAM PROSPECTS GOOD

GOLF

by Coach John Korican

Sept. 12 - Sand Creek

Sand Creek came to Green Valley and went home as Manchester's second victim of the year, in a high scoring affair (194-204). Senior Jeff Steele led the way with a 44. Senior John Kalleward -51, Sophomore Will Roberts -48, and Senior Justin Ebersole -51, carded for the Dutch.

September 13 - Hanover

Horton Jamboree

By scoring a 183 at the Deer Run Golf course, the Dutch won its first league match, by beating East Jackson with the tie-breaker. (The tie-breaker rule is when you use your fifth player's score.) John Kalleward -40, Jeff Steele -43, Will Roberts -49, Ryan Roberts -51, and tie-breaker Dan Kwolek -51, scored for Manchester.

Our JV team also finished fourth by beating East Jackson with a 197. A fine 43 by Sophomore Jim Donnellon led the little Dutch. Sophomore Mike Ridenour - 48, Freshman Ted Rice, 53, and Sophomore Marcus McNamara, 53, also scored.

September 15 - Columbia Central

The Dutch lost to a good Columbia team 174-190. Seniors John Kalleward -41, and Jeff Steele -43, led Manchester; also scoring were Will Roberts -51, and Dan Kwolek -55.

Our JV also lost, but scored their best of the year with a 189, as all four golfers broke 50. Justin Ebersole -46, Ted Rice and Ryan Roberts had 47's, and Marcus McNamara -49.

September 16 - Morenci

Morenci, the state's fourth ranked team came to Green Valley and the Dutch turned in the year's best effort; we scored a 167. But Morenci showed why they are ranked, as they shot a 158. Seniors Jeff Steele and John Kalleward had fine 37's. Will Roberts -44 and Justin Ebersole -49

THANK YOU

We would like to thank everyone who made our 50th anniversary so special. Everyone who sent cards, helped with the food and did the flowers. A special thanks to our children and grandchildren who did such a great job.

Bob & Mae Panches

St. Jude, may the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude, helper of the hopeless, pray for us. Amen. Say the prayer nine times a day. By the eighth day, your prayer will be answered. It has never been known to fail. Publication must be promised. Thank you St. Jude. J. D.

Cecelia Chapin

Cecelia Chapin passed away Sunday, September 25, 1994.

Cecelia Chapin was the Feature Editor of the Manchester Enterprise from March 18, 1971 thru May 20, 1976. Her feature articles included, "Welcome!" in which she introduced and interviewed new families moving into the area and "Do you remember?", which was a look back at what was in the Enterprise that same month in prior years. She wrote articles about the history of buildings and notable people in Manchester. "This and That", "More This and That" dealt with some of her life experiences. "Here and There" concerned vacations made by local residents.

Even after she was no longer listed as the Feature Editor, she provided a few more articles to the Enterprise. I have selected those articles which I thought

were in some way notable or that might be of interest to her children and grandchildren.

WENDY CHAPIN

Cecelia 'Cele' Chapin, the consummate Wife, Mother, Grandmother, Great Grandmother. Cele had an uncanny ability to "SEE", not just things but people. What they were, how they felt and what they meant. She wrote for the Enterprise and her articles were a cornucopia of personal treasures and experiences enlivened with people from the community and visitors.

Not, a 'proud' person, in the sense that she would share treasures of experience that involved her and her family. It was not uncommon for her to write an article that included her husband Bob and one or more of her children. An article she wrote in February of 1974, that Wendy,

IROC: The Super Sniffer

Last Thursday, September 22, The Washtenaw County Sheriff Department in cooperation with Officer Chuck Gauss of the Taylor Police Department and his partner, "Iroc", conducted a search of the lockers and perimeter of Manchester High School.

Iroc is a dog who has been trained since the age of six months as a "full service" animal who does everything except bombs. In this instance, Iroc was expected to sniff out the potential of drugs within the high school corridors.

The Enterprise reporters were invited by Sgt. Haensler and Deputy Deacons to come to the High School and document the search, which had been requested by administrators Russ LeBlanc and Dave Swanson. Officer Gauss, who had attended Police Academy with Deacons and had, coincidentally, been on the Manchester Police Department prior to the village's contract with the WCSO, volunteered his own and Iroc's time to come out and do the search.

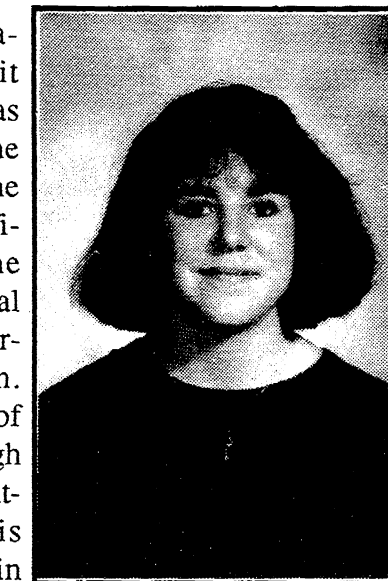

Gauss explained to us in advance that, "We'll go very fast - we'll be running. Iroc works best that way." After a few quiet commands, they were off. And indeed, as we watched Gauss run backwards down the hall with Iroc, we wondered how he could find anything traveling so quickly. The first "hit", however, came about halfway down the first hall. The commotion

Iroc and his partner, Officer Chuck Gauss of the Taylor P.D.

Jenny Nosbisch - National Merit Semi-Finalist

The National Merit Corporation has announced the names of some 15,000 semi-finalists in the 1995 National Merit Scholarship Program. About 1/2% of each state's high school graduating class is represented in the nationwide pool of Semifinalists. These academically talented high school seniors have an opportunity to continue in the competition for approximately 6,700 Merit Scholarships, worth more than \$26 million, to be awarded next spring. Manchester High School is pleased to announce that Jennifer Nosbisch, daughter of Charles and Mary Nosbisch has been awarded semi-finalist status.

Over one million juniors in the United States entered the 1995 Merit Program by taking the 1993 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), which served as an initial screen of program entrants. The highest scorers in each state were designated as Semifinalists in numbers based on the percentage of the national total of graduating high school seniors. Semifinalists must now advance to the Finalist Level of the competition in order to be considered for Merit Scholarships.

To qualify as a finalist, a Semifinalist must fulfill several additional requirements. These include an outstanding academic record, being endorsed and recommended by their principal,

and submitting SAT I scores that confirm the student's earlier PSAT/NMSQT performance. Also, a detailed scholarship application must be completed which provides information about education interests and goals, as well as participation and leadership in school and community activities.

Jenny is a senior at Manchester High who hopes to go into medicine as a career. She ranks first in her class with a perfect 4.00 grade point average. While in high school, she has been a member of the National Honor Society, math and Science Academic Games Teams, Quiz Bowl Teams, Student Council, Drama Club, cheerleading squad, volleyball and softball teams. She is a four year band member and has been chosen first chair in the Blue Lake International Symphonic Band for the past two years. Jenny has been selected as an Optimist Student of the Month and was the Princeton Book Club award winner last year. She has been the district winner of the Optimist Oratorical Speech Contest for the past five years, placing third in the regionals for the last three years.

One of Jenny's proudest accomplishments was being chosen by the National Kidney Foundation as one of only eight students in the country to participate in a ten week summer research program doing full time kidney research.
