Optimist Student of the Month

Jennie Sahakian is presented with her Student of the Month Award by Optimist Russ LeBlanc. Pictured with her are her parents, John and Pat Sahakian

Over 100 Kids enjoy a great day at Chi-Bro Park!

The Pumpkin Carving Contest found its home at Chi-Bro Park and well over 100 of Manchester's youth, plus their parents, siblings and friends, found the location very much to their liking.

Entertainment provided by Carl and Sharon Curtis with their beautiful street organ was enjoyed by all - especially the kids (both young and old) who took the opportunity to give it a few cranks! They discovered it was not quite as easy as it looked.

A great variety of food provided by Alber Orchards, Sir Oliver Pizza and Stephanie's Catering added to the festive atmosphere.

A total of 94 pumpkins were judged by our discriminating team of judges. Check our center pages for a complete list of winners.

Girl Scouts announce Thanksgiving Dinner plans

No family coming home for the Thanksgiving Holiday? Have no plans or invitations to share Thanksgiving with anyone? Do you know anyone who will be in this situation for the holiday? If you (or the person you know) are a Manchester resident, Manchester Girl Scout Troop #543 is interested in hearing from you!

On Monday, November 21, the girls and parents of Troop #543 will be preparing homemade Thanksgiving dinners and delivering them to the homes of those individuals who will be without family and friends for

the holidays.

We will be serving Turkey, Mashed Potatoes, Gravy, Dressing, Green beans, rolls with butter, and pumpkin pie.

All you need to do to receive this service is call either Char Beach at 428-9624 or Jennifer Noggle at 428-8130 after 4:00 PM by Sunday, November 13. State your name, address, and phone number, and your meal will be delivered to you after 5:00 PM on Monday, November 21.

Our hope is that everyone in Manchester will have a very Happy Thanksgiving Holiday!

The Manchester Optimists are proud to announce that Jennifer Sahakian, a Manchester High School 11th grader, has been selected as their outstanding student for the month of October. Jennifer is the daughter of John and Pat Sahakian of Manchester.

Jennifer's selection is the result of her extensive participation in all aspects of the high school's activities. In the classroom her excellent work has earned her honor roll status every quarter for the past three years. She is currently eligible for membership in the National Honor Society.

Jennifer is a member of the Drama Club, the German Club, and S.A.D.D. Over the past three years, she has also been one of the most influential members of the

Manchester High School student council. This year she serves as their president.

Jennifer is also very active in the High School athletic program. She has been a member of the varsity track team for three years. In the 400 meter she has placed 5th in the conference and 6th in the regional. She is also a member of the varsity volleyball team, and played on a summer AAU Volleyball team.

Her activities go beyond school participation. She is a member of the St. Mary's Youth group and a youth minister at that parish. She is a volunteer at the Chelsea Retirement Center and the Girl Scout Day Care Center.

She would like to attend St. Mary's of Notre Dame or Yale and major in Theater arts or education.

Remember to Vote on Tuesday, November 8!!

Haines Reminds Citizens to Vote

Peggy Haines, Washtenaw County Clerk/Register, would like to remind citizens to get out and vote next Tuesday, November 8th for the state-wide general election. The polls will be open from 7:00 AM until 8:00 PM on Tuesday.

If a voter wishes to obtain an absentee ballot, they may contact their LOCAL CLERK from the City or Township in which they reside for an application.

TOWNSHIP CLERKS are listed by township at left.

Divorce Recovery

The Counseling Center of Ann Arbor is offering a support group for members of the community who are going through a divorce. The group will focus on issues that commonly arise in the wake of divorce. It will provide a supportive environment where members will feel free to discuss not only their emotional reactions to the divorce, but their concerns about parenting, financial and legal issues, and starting new relationships.

Both men and women are welcome and space will be limited to eight people.

Eight weekly sessions will begin in November, and they will be held on Wednesdays from 6:30-8:30 PM. For further details, call 761-7204.

DCHA Notes

The Day Care Homes Association of Washtenaw County will have a general meeting in Ann Arbor on Monday, November 21, at 7:30 PM in Carpenter Elementary School; 4250 Central Blvd.

The topic will be Conflict Resolution: Helping children Learn How To Handle Disagreements Themselves, presented by DCHA facilitators.

All Child Care Providers are welcome. Call Laura at 475-1062 for directions.

WWRA will accept Ameritech Phone Books the month of November.

You may use any of the drop off stations and deposit them in the newspaper bin or leave them with your curbside service the 1st & 3rd Tuesdays of November.

MANCHESTER ENTERPRISE

Second Front Page: Germany Comes to Manchester

MHS Hosts Exchange Students

Twelve very excited German exchange students arrived in Manchester early in October. These twelve students, from the city of Berlin, stayed with MHS students for three weeks. The host families were volunteer students from Susan Davis' German classes. Each student stayed with a different family.

During the first week the Germans were here, they traveled to Shipshewana, Indiana. This trip only lasted one day, but from it the students learned a great deal about American culture, both traditional and modern. The second week of their stay was more exciting for many of the students, as the group traveled up north for two days and also saw "Beehive" at the Gem Theater in Detroit. Chrysler Proving Grounds, Greek Town, and Trapper Alley were also on the agenda.

While here, the students got a real taste of "typical small town American life." They basically did whatever their host families were doing during that time, including football games, family activities, church, or anything else. They also participated in a scavenger hunt.

Their final week in Manchester was spent mostly in classes. The German exchange students attended classes at MHS, spent a day at

The German exchange students with their advisor: Back, L-R Sebastian Kehler, Michael Ding, Florian Hentschke, Uli Hoppe, Michael Træller; Carmen Milde; Front, L-R Frau Kraft; Johannes Ulrich; Heike Golenia; Judith Tangermann; Jessica Skoruppa; Anne-Simone Buck.

Klager, and saw the Vocational schools.

After their departure from Manchester on October 28, the students travelled, by train, to Chicago. They spent two days sightseeing there before returning home to Berlin. "Coming from a city of 3.5 million to a small town of 1,800, these kids needed a dose of the big city," commented Susan Davis, German teacher at MHS.

The students and the host families each learned quite a bit from this experience. "What

impresses these kids the most seems to be the distances in the United States. How far apart everything is compared to Europe. The other thing is our reliance on our automobiles -

and thus the students' reliance on their host families. They are used to using public transportation to go everywhere," noted Davis.

The host families, in their

turn, learned mainly that, "we're all very much alike - and there are no major differences between American teenagers and German teenagers!"

She summed up the experience in the following: "It is student exchange programs like ours which not only encourage the study of a foreign language and foreign culture, but also make us all realize just how small our world is and how much we need to work together."

Davis has been participating in this exchange program for twelve years, and this is the third consecutive year she has worked with the same school in Berlin. Each year, however, provides both Davis and her students with new experiences and more things to learn - on both sides of the Atlantic.

Many hours are spent preparing and carrying out a project exchange like this one. Congratulations to all the students and families involved in making this a success.

- Mary Lobbestael/MJC

Editorial / Opinion

To The Editor:

We offer this letter in praise and endorsement of Judge Betty Widgeon in 14-A District Court. Since taking her seat on the bench, she has done an exemplary job of administering justice, managing her court and working cooperatively with other judges in Washtenaw County.

Judge Widgeon plays a key role in Washtenaw County's unified court system, which enables District and Circuit Court Judges to work as a team to better serve our entire county. Her court hosts this program, which saves tax dollars, improves security and speeds up trials. She has also implemented staggered dockets, use of the alcohol-related victim impact

panel and other innovative programs.

Most importantly, Judge Widgeon is fair, impartial and respectful of all who appear before her. She hands down appropriate rulings and sentencing that balance compassion with firmness, ensuring that there is justice for criminals and victims alike.

We commend Judge Widgeon's performance.

Hon. Loren Campbell, Retired Probate Judge

Hon. Timothy P. Connors, Chief 15th District Judge

Hon. Elizabeth Pollard Hines, 15th District Judge

Hon. Donald E. Shelton, 22nd Circuit Judge

Hon. Kurtis T. Wilder, 22nd Circuit Judge

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions.

We ask that all letters submitted for publication be signed.

Should there be extenuating circumstances for withholding your name, we will give that full consideration.

INTERVIEW WITH THE VAMPIRE
Tom Cruise - Brad Pitt

BEV HAMMERSTROM OUR STATE REPRESENTATIVE

October 31, 1994

Dear Friends,

This past session of the Michigan legislature was certainly an exciting experience for this first-term legislator.

School finance was completely restructured and property taxes significantly lowered. The inheritance tax was abolished, reductions were made to the income tax and single business tax, and private pensioners will now be able to retain more tax-free dollars. Substantial changes were made to the state's welfare system, medical malpractice legislation was enacted, and laws passed to protect women and children from abuse.

I believe this agenda pushing for less government intervention and more control of individuals over their own lives is what the people of the 55th district desire. My personal agenda for a second term will focus on controlling crime (particularly by youthful offenders), health care and election reform, and economic development.

I am truly honored to represent the people in the 55th district and would like to continue to do so for another two years. I would greatly appreciate your support and vote November 8th.

Sincerely,

People

Wedding Bells Feldkamp - Decker

Jennifer Feldkamp and Christopher Decker were married on August 13, 1994 at Sharon United Methodist Church in Manchester.

The bride's parents are Reno and Nancy Feldkamp of Manchester; Parents of the groom are Edward and Eva Decker of Orono, Maine.

Kimberly (Richards) Beach of Aurora, Colorado was the Matron of Honor and Sean Wasson of Bangor, Maine served as Best Man.

Bridesmaids were Jacquelyn Scott of Mesa, Arizona; Andrea Hofley of Bloomfield Hills, Michigan; and Zoe Graddy of Aberdeen, Washington.

Groomsmen included Matthew Lewis of Orono, Maine; William Goetz of Hamilton, Massachusetts; and Ted Small of Naples, Maine.

Rev. Erik Alsgaard of Seymour Lake United Methodist Church, Oxford, Michigan

was the officiant.

The bride's sisters and brother— Lucy Feldkamp of Olympia, Washington; Kathleen Graddy of Aberdeen, Washington; Beverly Smith of Cassopolis, Michigan; and Mark Feldkamp of Grand Rapids, Michigan — sang traditional folk hymns during the ceremony. Scripture passages were read by Christopher Wallace of Atlanta, Georgia and Jennifer Dillman of Brookline, Massachusetts, while Trish McGovern of Evanston, Illinois read a Shakespearean sonnet.

A reception was held after the ceremony at Sharon Mills Winery, Manchester, where Manchester's own Raisin Pickers provided the musical entertainment.

After a honeymoon in Traverse City and Mackinac Island, the newlyweds moved into their new home in Arlington, Massachusetts.

Local Student included on The National Dean's List

Ned A. Cooper, a student at Eastern Michigan University, is among over 114,000 students who have been included in the 17th Annual Edition of the National Dean's List.

Students are selected for this honor by their college deans, registrars or honor society advisors and must be in the upper 10% of their class, on the school's dean's list or have earned a comparable honor. Listed students are eligible to compete for \$25,000 in scholarship awards funded by the publisher and may also use a referral service for future employment opportunities. More than 2,500 colleges and universities nationwide use the publication to recognize their academically qualified students.

Richard C. Spring named "School Social Worker of the Year"

Richard C. Spring of Manchester has been awarded the Michigan School Social Worker of the Year Award...

This award is presented annually to a Social Worker who has made outstanding contributions to the field of School Social Work. Richard Spring was one of Seven Candidates from across the state of Michigan who was nominated for this award.

Richard Spring is currently employed by the Ingham County Intermediate Schools. He was previously employed with the Romulus Community Schools. Richard was selected as the State School Social Worker of the Year because of his many contributions to students on his caseload and to his professional associations. Richard is a member of the Michigan Association of School Social Workers and the National Association of School Social Workers. He has provided many hours of service to the State Affairs Committee.

The Task Force on Special Education Rules Revision, The Midwest Council and he has served as President of his Local MASSW Region D Chapter.

Richard's efforts were acknowledged at the MASSW Annual Conference Banquet which was held on Friday October 22, 1994 at the Radisson on the Lake Conference Center in Ypsilanti, Michigan. Richard's colleagues and associates from across the state of Michigan were present to highlight this event. One School Social Worker stated: "I believe MASSW should be very proud of his efforts and School Social Workers and children will continue to greatly benefit from his efforts on their behalf."

Richard Spring is a proud family man with a wife, Debbie, and two daughters, Megan and Katelynn. He did his undergraduate work at Eastern Michigan University and he received his Master's Degree in Social Work from the University of Michigan.

Sunday, October 16: Sunday School 9:30 AM; Worship service 10:45 AM

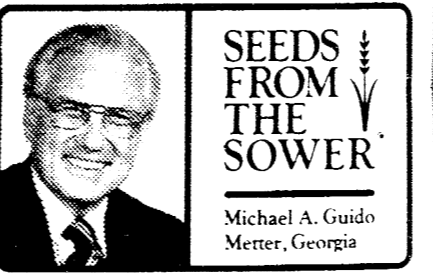

WORLD COMMUNITY DAY

"Go, See and Act as Sisters" is the theme for World Community Day on November 4. This year's observance will be held at the Sharon United Methodist Church at 1:30 p.m. All women in the Manchester area are invited to attend. Following the service there will be a refreshment and fellowship time.

The theme, "Go, See and Act as Sisters," explores various ways in which women can minister to each other in a spirit of sisterhood. The service focuses on five biblical women—Hannah, Rizpah, Ruth, Naomi, the unnamed woman at Jacob's Well—and their efforts to give support in their situations.

World Community Day is celebrated in many churches across the nation as women gather together in worship, fellowship, and caring for others through their offerings to Church Women United.

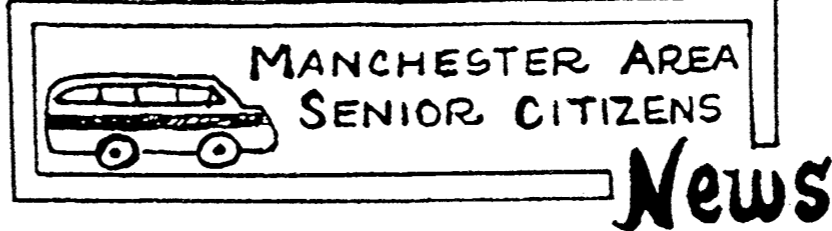

When Martin Luther was facing great difficulties, he was often discouraged. One day, when he was depressed, his wife dressed in mourning.

"Who's dead?" he asked. "God," she answered. "Unless He's dead, I don't see how you can be so discouraged."

Sometimes we act as if God were dead or had given up His throne. Not so! He's alive, and He's still on the throne.

All people and things are under His control. He knows everything and can do anything. God's not only the greatest of all beings. He's the best! He desires your good, and He makes everything work for your good. So trust Him, don't despair!

Senior Citizens

by T.V. Ludwick

Why is it that you don't appreciate what you have until you don't? I recently spent 16 days washing dishes in the bathtub in a pan — on my knees. Thank goodness, we don't have many and hubby got no cookies or pie in that time. Me neither, as I love homemade cookies. We had a new kitchen sink awaiting us in the garage. Plumber was here twice and finally between the two workmen doing two different jobs in the kitchen, I had so much fun washing dishes standing up again! Too bad I can't take time right now, before the novelty wears off, to clean the dishes in china cabinet.

And you know what? We have those cookies. Oven is dirty, too, and must put up storm windows. Thanks to good neighbor, Herman, the lawn is mowed so leaves can now blow east or wherever, huh? Is this the busiest time of the year, or are they all that way?

Thursday, November 3: Exercise class meets from 10:30 - 11:30, come join in at

Emanuel's dining room. Old-fashioned chuck roast will be a feature of senior lunch, courtesy of Jan and good helpers at noon for all who are 55 or older. Feature today will be the celebration of all of you who were born in November and love a party. Get your reservations in to Jan in the kitchen at 428-763 before 10:30 AM on meal days. Otherwise, call Linda (ahead) at 428-8359. It's hard to imagine just how good and filling these senior meals are 'til you've been there — come on down. Then, enjoy bingo at the Center at 12:30 (you may win).

Friday, November 4: Senior bus will leave the Center at 8:30 for two bazaars: first: Pittsfield Grange, and second: Saline Home. You may go along by first calling Erma Alber at 428-8707 for your bus reservation.

Monday, November 7: A shopping trip to Jackson will be enjoyed by all interested and bus leaves the Center at 9:30. Call Erma on this one, too.

Tuesday, November 8: Council Meeting begins at 9:30 and your ideas for projects, etc. are welcomed. Noon lunch at Emanuel will have baked chicken on the menu, followed by Center activities. It is also election day and you are urged to cast your vote! Nicest part of this day will be no more commercials on television, as they figure you have made up your mind. Make time to go to the polls, it is important.

Thursday, November 10: Exercise class at 10:30, and our lovely cooks will present us with a favorite, Chinese. Love those egg rolls, do you? Folks have been known to come home early just for Jan's Chinese, come join us.

Have you picked up your copy of the November-December Trumpeter yet? Copies are available at meals or at the Center when open. And I really do know how to spell Davisburg (for Dec. 14 on calendar). Where is Divisburg? Am sure I don't know either.

Pumpkins, Haunted Houses, and More Entertain the "Kids" of Manchester

Hannah Gregerson & Shantelle Neff, first and third place in the 5-7 year old carving category. Not pictured: Torey Davenport, second place

8-10 year olds, Corey Sizemore (3rd place); Graham Parker-Finger & Ian Chartrand (1st place), and Honorable Mention Kevin Bancroft. Not pictured, Brandy Roberts, second place

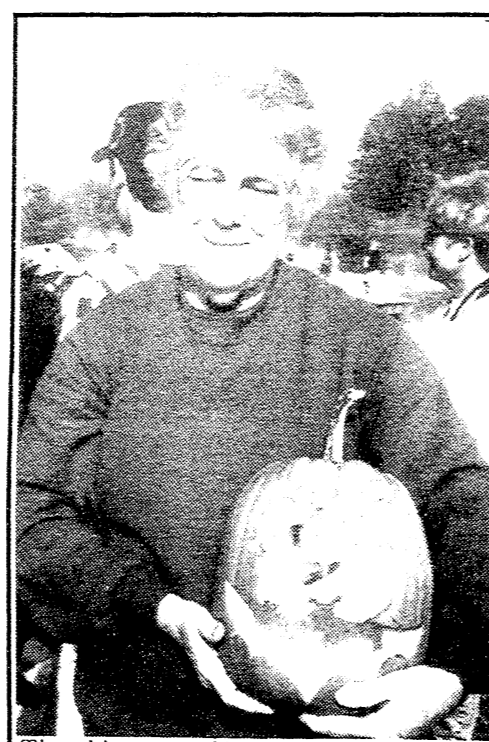

In the 11-13 year old category, Sarah Luckhardt (L) won second prize, and Shannon Green (R) won first. Not pictured, Patrick DuRussel, third place

First, second and third - in a single pumpkin! Julie Luckhardt was the sole entry in the 14-19 year old age group.

In the 20+ age group, Ed Bancroft (R) and wife Paula took first and second place. Also pictured, Third place winner Chariot Gehringer with her two children.

The oldest pumpkin carver, Lucille Mille, probably carved the most unique pumpkin - the eyes were cats; the nose, a snake; and a bat for a mouth

Also prize winners: Seed spitters 5 and under, Nicole Mahony. 6-10, Tyler Harvey. 11-13 Julena Westcott and 14 & up, Sue DuRussel.

Apple bobbing winners in the 6-10 age group: Brandy Roberts, age 8, 3 seconds. Jackie Vigilanti, age 9, 3 seconds. Tyler Harvey, age 10, 3 seconds. Andy Mahony, age 9, 2 seconds!!

Apple bobbers in the 11 & up age group: Lisa DuRussel, 1 second, Andrew Roberts, 2 seconds and Pat DuRussel, 2 seconds. GREAT JOB!

Teacher Profile

Mrs. Millie Grantham

Mrs. Millie Grantham has been teaching in the Elementary School for 21 years. She has six years of other teaching experience. Mrs. Grantham is one of the best third grade teachers around. Mrs. Grantham received her college education at EMU. She earned her B.S. and Masters there. The best thing by far about teaching for Mrs. Grantham is the children. She likes them so much because they are all so different and they keep the spark going. The worst things about teaching for her are meetings and things that take you away from classroom teaching.

Millie Grantham became a teacher because she really likes children and she wants to do something worth while for the ones she may meet. She hopes to make a difference in people's lives. Her overall view on teaching is: "Teaching is a lot harder than it looks, but it is very rewarding." Teaching has changed greatly in the last few years, in her opinion. Outside influences are altering teaching, without knowing what they are doing. Mrs. Grantham hopes to be traveling in ten years. Don't leave too early, Mrs. Grantham, we'll miss you!

- Patrick Chapin

The Daughter of the Regiment

On October 6, 1994, the 6th grade T.E.E.M. group went to see the opera, "The Daughter of the Regiment." We took a very long bus ride to Toledo, and didn't get back till midnight. The opera was two hours long with one intermission. Before the opera we had a buffet dinner. They served us delicious burritos, chips, and salsa and the best brownie ever.

A guest speaker talked to

us about the opera and the composer. The opera was in English so we could understand it pretty well. The 6th grade T.E.E.M. group has been studying opera for the last several weeks so we really enjoyed the field trip. We would like to thank Mrs. Wiethoff, our teacher; Mrs. Fielder, our program director; all the parents who chaperoned, and all the kids who went and made it happen.

- Jackie Palms & Kristin Taddonio

Best Students Name Best Teachers for Who's Who

A select group of America's teachers are being honored by their toughest critics, their former students, in the third edition of Who's Who among America's Teachers, 1994. Paul Krouse, publisher, said, "there is no greater honor teachers can receive than to be recognized by former students for their excellence and dedication. In this publication we clearly have the best teachers in America."

The students were requested to nominate teachers who "made a difference in their lives" by helping to shape their values, inspiring interest in a particular subject, and/or challenging them to strive for excellence. Local educators honored in Who's Who Among America's Teachers, 1994 include Mark A. Ball, Manchester High School, and Mildred R. Grantham, Klager Elementary School.

KLAGER PTO MEETING

SEPTEMBER 27, 1994 MINUTES

Meeting called to order at 6:05 PM by John Adams, PTO President.

PTO Council members present: John Adams, Lori McConnell, Brian Zink, Tina Way, Susan Callaway, Beverly Detloff, Cindy Smith, Laurie Carey, Mary Fielder, Carolin Gregerson, Shirley Marston, Cynthia Nye, Breeda Miller, Pam Preston, Terri Jobkar, Karen Romund. **PTO members present (non-Council):** Michael Bortmas, Kathy Gagneau, Cynthia Lowell. **Klager Principal/Teachers present:** Yvonne Henry, Laura Spensley.

1. Previous minutes from 9/6/94 meeting were reviewed and accepted with the modification

2. Treasurer's report: See attached report. The CD has matured with a net profit of \$172.27 PTO has not received a bill for the basketball hoops from Kleinschmidt's. Brian Zink will look into this. Treasurer's report approved.

4. President's report:

a.) John Adams announced that we will be voting in a new PTO Council tonight. We reviewed the responsibilities of Council members. All parents of students who attend Klager are de facto members of the Klager PTO. PTO Council members are those parents who wish to have a more active role in the PTO and want voting privileges in the PTO. Council members are expected to attend all PTO meetings and to actively participate in PTO projects. A vote was taken and all former and new Council members were approved. The 1994-1995 Council will have 20 members.

b.) John also announced that the signs for the playground stations that the PTO had just purchased, and the Men's Club had installed, were stolen off playground. These were eventually recovered and were returned.

c.) Regarding the Franklin spellers, all classes have Franklin spellers, and they are proving to be very popular with students and teachers. Yvonne Henry suggested that we may need a section in library to check them out. Keeping fresh batteries is a problem. We discussed rechargeable batteries and will look in to this. One speller has problems with it - we will attempt to replace it or have it repaired.

d.) PTO was approached about

participating in a Ride Safe program - bike helmets can be purchased inexpensively in bulk - we will pursue this and update PTO soon.

5. Committee reports:

a.) **Fund-raising** - The kick-off date for the fall candy fundraiser is now 10/12/94. We discussed goals for fund raisers: computer room/software update; ceiling fans; carpeting; playground equip., etc., so that we can inform people who contribute what their money is going toward. We might need to publicize this through the paper or by way of flyers.

b.) **Assemblies** - Carolin Gregerson reviewed the school assemblies for the year. (See calendar)

c.) **Playground** - Sue Callaway - noted that the signs had been vandalized, but the basketball hoops were spared. The new asphalt track that will surround the playground has not been completed, but we are told that Wayne Asphalt will be able to do the project later at the extremely low price of \$1,000. The original estimate was around \$4,000.

d.) **T-shirt** - Lorri McConnell will coordinate sale of T-shirts, sweatshirts and jackets. T-shirts will cost \$7. Sweatshirts - \$14 youth, \$15 adult. Flannel jackets - \$30y \$31ad. Quilted jackets \$37y, \$38 ad. Sale will go from 10/1- 10/17 and will be announced via flyers. We also will offer "Safety Scarves" (made by Breeda Miller) for \$10.

e.) **Financial** - Bruce Thomson was not present to give a report.

f.) **Carnival** - We are still seeking volunteers to coordinate the carnival.

g.) **Constitution and Bylaws** - Bruce Thomson was not present to give a report.

h.) **Teacher Appreciation** - Cindy Lowell - no new issues were raised.

i.) **Super Parent Volunteer rep.** - Beverly Detloff - Orientation on 10/5 at 2 PM. The district Volunteer Development Committee consists of principals, the superintendent, teachers, and community members. 7 people went to a volunteer training academy last year, and then started the VISA program at middle school and high school. Klager involvement is increasing.

j.) **Arts Committee** - Cyndy Nye announced that her grant application to the Washtenaw Council for Arts was funded for \$500, (applied for \$2,000). This funding will support a storyteller program for the students, featuring LaRon Williams. Mr. Williams will give assemblies and workshops on the art of storytelling in 1/95. Details will follow. Cyndy was congratulated on her efforts. Cyndy announced that she will not be able to do the Art Cart this year. We need a volunteer to stock and supply and keep it clean. We discussed teachers' awareness and usage of the Art Cart. We will survey teachers on use of Art Cart and decide on further modifications. Terri Jobkar expressed some interest in helping out with the Art Cart.

6. Principal's Report:

Yvonne Henry introduced new teachers: Patricia McMill, Kindergarten, Karen Hanson, 2nd grade, and Laura Spensley, 1st grade. The PTO warmly welcomes these new teachers.

7. New business:

a.) Tina Way - Great Lakes Bank offers seminars on college funding/savings and would be interested in jointly sponsoring a seminar with the PTO. Interest was expressed by council, provided a wide range of investment options are discussed - not just those offered by the bank.

b.) Laurie Carey - wondered if there will be a reorder for Franklin spellers? None is planned for the near future. Laurie also asked if personal computers can be purchased through the district at a reduced rate. Presently no mechanism exists to do this. We will ask the Supervisor about this.

8. Old business:

a.) Regarding satellite or cable TV at Klager, Yvonne noted that Clear Cablevision will be coming to Klager soon. This will provide access to some educational programming.

b.) We briefly discussed coming up with a proposal for funding requests. Brian Zink will work with the Financial Committee to draft a proposal.

Meeting adjourned at 7:25 PM. Next meeting: Tuesday 10/25/94 at 6:30 PM in room

Respectfully submitted, Brian Zink, Recording Secretary

7th Graders Win Again!

Our youngest Dutchmen went up against a tough Northwest football team and won. The first-half was all Dutch with Manchester scoring all 16 of their points in it. Our first TD came off of a Mark Hollosy 5-yard run. The 2-point conversion was scored by Jason Flint on a sweep outside. The second TD was on a Tyler Breilein QB Sneak. The 2-point conversion was good again, this time by a Derick Hanewald QB Motion.

The final score against Northwest stood at 16 - 12. The game was a fun one in the opinion of the coaches and the players. This win brings our 7th graders up to 4 - 1. Go Dutch!!!

8th Grade's Comeback Not Enough

The 8th grade football team took on Northwest in an exciting match that went down to the last few minutes.

The game started terrible for Manchester, as they gave up 28 points in the first three quarters. Going into the fourth quarter the score looked bad for the Dutch, 28 - 0.

Fortunately, the Dutchmen never gave up and in the final 4 minutes of the game started on an unbelievable comeback. The star of this comeback was Andrew Hughes, who went on to score all of Manchester's points. It started with an 85-yard TD run by Andrew, followed by a successful 2-point conversion, also by Andrew. Next he ran in a 37-yard run for another TD. Later Andrew went on his own, intercepting a pass and running it back for a 55-yard TD. The 2-point conversion was good again. Unfortunately, this comeback was not enough and Manchester fell 28 - 22.

The team Manchester went up against was a large, (53 players!) and experienced team. Overall Manchester didn't do too badly. Another bright spot for the Dutchmen was Nick Rose, who completed 7 passes.

Lady Dutch Basketball

Varsity

Last Thursday, the 27th, our Varsity women took on the Warriors of Grass Lake. The starters for Manchester were Erin Binder, Michelle Schaible, Jamie Knouase, Amanda Erskine, and Karen Goodell.

The first quarter was very rough on the Dutchwomen. Manchester's only points were scored by Stacy Mann on a jump-shot when Manchester was down 0-10. Manchester stayed even foul wise in this very rough game at 6 to Grass Lake's 6. Grass Lake ended the first quarter up 14 - 2.

The second quarter was not good at all. Manchester started well, scoring the first 6 points. Unfortunately the Warriors kicked it into overdrive and went on a 21 - 3 scoring streak. Manchester's points this quarter came from Michelle Schaible, with 2 lay-ups and a free-throw, and Fab Hosmer with 2 field goals. The game continued to get rougher. By half-time 25 fouls were committed.

The third quarter was better for Manchester, this time only out-scored 8 - 11. The Dutch points were scored by Michelle Schaible with a jump-shot, Amanda Erskine with a jump-shot, Erin binder with a very-nice lay-up, and Amanda Erskine with a perfect jump-shot. The end of the quarter gave a glimpse of what was coming in the final quarter with Manchester scoring the final 6 points.

The fourth quarter was one dominated by the Dutchwomen. Even though Grass Lake still had most of its first-string team in, Manchester outscored them 16 - 9. Our scorers were Katrina Bilhimeyer with two smooth lay-ups, Jamie Knouase with a 3-pointer, and Erin Binder with a beautiful jump-shot and 3 free-throws.

The game ended up having a total of 44 fouls called. The final score was Manchester 35, Grass Lake 55. The game's MVP honors go to both Erin Binder and Michelle Schaible.

Junior Varsity

Our J.V. Basketball team lost a long, hard game to the Grass Lake Warriors last Thursday.

The game's first quarter was a bit tough for the Dutchwomen, as they were outscored 12 - 6. The second quarter was much better for the Lady Dutch, as they out scored the Warriors 8 - 5. By half-time the score stood at 14 - 17, Grass Lake's lead.

The third quarter was dominated by one player; Pam Preston. She scored 11 points on 4 field goals and 3 free-throws. Unfortunately she also fouled out this quarter. The fourth quarter was the end of Manchester. With the scores only 1 point apart, the Warriors went on a hot streak and changed the score to 28 - 37 their lead. The 9 - 3 run was helped in part by Sarah Gould and Jennette Branch each fouling out. This left the team with only five people.

Fortunately these five girls stuck together against the tough Grass Lake team. The scorers for Manchester in the last quarter were Stefanie Schulz, Jessica Porter, Lindsay Hosmer and Lisa Herschelmann. Lisa came into the fourth quarter ready to help, and help she did. Lisa ran all over hustling and showing her energy. A total of 27 fouls were committed the last half.

The final score was Grass Lake, 37 - Manchester, 29.

Season Ends on a disappointing Note

For the past two seasons of Manchester football, the Flying Dutchmen have played the Jonesville Comets three times and each of those times ended in a Manchester victory. Manchester again played the Comets this year, but this time the Dutchmen came up short of a victory and also a spot in the state playoffs after an 18-6 loss in Jonesville.

Manchester had their regular starting quarterback, # 10, Troy Niehaus, back for the first time since the Michigan Center game. On their first possession, however, the Dutchmen couldn't capitalize and Niehaus threw an interception to a Jonesville player around midfield. This led to a long, sustained drive down the field by the Comets to set up a one yard touchdown run with 10:40 left in the half. The two point try by the Comets was no good and the first score of the game set the scoreboard at 6-0, Jonesville.

The rest of the half was a defensive battle between the two teams with no scoring from either squad. Leading the way on defense for the Dutchmen were seniors Mica Puscas, who finished the first half with 8 solo tackles, Andy Winzenz, and Brent Hoeft, who had a QB sack that was called back on a penalty.

Jonesville received the ball to start off the second half. Thanks to a big run by Jonesville running back Nathan Dempsey to the one yard line, the Comets scored on another run into the end zone. The two point conversion was no good again and with 9:39 left in the third quarter, it was 12-0, Jonesville.

On the ensuing kickoff, Niehaus led the offensive unit down the field for a Manchester touch down by senior tailback Shane Goodell. "Goody" ran for

seven yards into the end zone thanks to the blocking of senior lineman Mark Branch, #77. The XP was no good and the score was 12-6 with 7:03 left in the third.

After Jonesville got the ball, they were apparently stopped up by the Dutch and forced to pass on a third and fourteen. The Comet QB threw a bomb to a receiver down the left offensive side. After an apparent incomplection, a referee threw a late flag and called a pass interference on the Dutch. If you were at the game, as I was, then it was pretty obvious that was no such interference at all. This put the ball deep in Dutch territory and set up another touchdown run by Jonesville. The two point conversion was again no good and ended the scoring of the game.

Manchester got the ball back but for the remainder of the game Jonesville's defense held firm and forced the Dutch to punt. Manchester held Jonesville up but couldn't get anything done on their side of the ball. The game ended on an interception by Jonesville and a few kneel downs. Manchester's

1994 season on an abysmal note, 18-6.

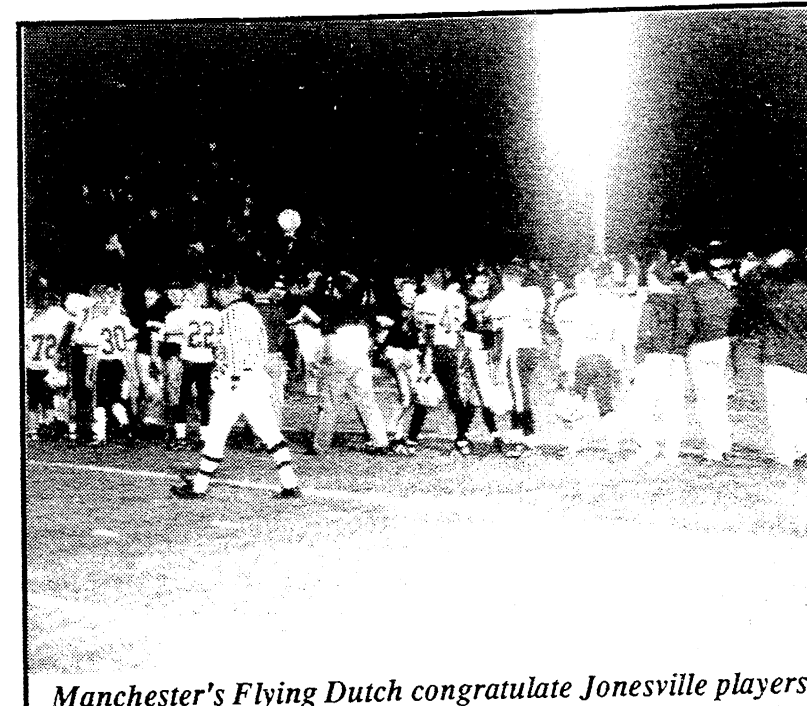

Niehaus finished off with 85 yards passing for the game. His favorite target of the game was junior Zach Maghes with 3 receptions for 39 yards. Leading the way on the ground for the Dutch were Goody, who had 10 carries for 44 yards, and senior Geoff Brooks, who carried the ball 3 times for 21 yards. Junior Aaron Garrett had a good day punting for the Dutchmen, who averaged 38.6 yards a punt.

Start looking forward to boys basketball, wrestling and volleyball, as all fall sports except girls basketball are ended. GO DUTCH!!!

- Kyle Harvey

Manchester's only score, Shane "Goody" Goodell ends his Football career with Dutch with 6 points.

Manchester's Flying Dutch congratulate Jonesville players

Dutchmen All-Conference Picks

The Manchester Flying Dutchmen finished off their season with a 7-2 overall record and a 6-1 record in the Cascades Blue conference. Players from the Dutchmen who won All-conference status were:

On defense: Linebacker Mica Puscas, Defensive end Brent Hoeft, and kicker Trevor Schleicher. On offense: Center Andy Winzenz and tackle Kevin Dettling

Some Manchester players also received honorable mention awards. Here they are:

On defense: Nose Tackle Joe Tobias, Linebacker Andy Winzenz, Defensive back Shane Goodell, and Cornerback Geoff Brooks.

On offense: Quarterback Troy Niehaus, Tailback Shane Goodell, Fullback Mica Puscas, Tight End Aaron Garrett, Wide Receiver Zach Maghes, and Guard Mark Branch. -KH

JV Dutch finish the season as winners

The junior varsity Manchester Flying Dutchmen finished off their regular season with a 34-17 win over the Chelsea Bulldogs at Chelsea. Sophomore running back Steve Spurr led the way on the ground by scoring all the touchdowns and an extra point. Sophomore Micah Jefferson also carried the ball well for the Dutchmen. Steve Riske quarterbacked the team and led the way with a long bomb to sophomore Nick Woods. Leading the way on defense for the Dutch was sophomores Jason Miner and Ed Cruz. The JV squad finished with an 8-1 record overall and a 6-1 record in the conference to finish in first. -KH

The Gravel Issue

Bridgewater Township Mineral Extraction Ordinance

by Emory Garlick

In December of 1992 Bridgewater Township passed their "Gravel" Ordinance.

Bridgewater Township has only one major gravel operation and that is in the South West part of the township north of Clinton, located west of Hogan Road about 1/2 mile north of Allen Road. Officials of the Township realized they needed some controls and worked to perfect their ordinance. The opening paragraph of findings sets the stage for their work.

"The Township finds that

mineral extraction operations can negatively affect the health, safety, and welfare of Township residents unless such operations are adequately regulated. Mineral extraction operations can pollute the environment, damage the water supplies, cause noise nuisances, dust nuisances, damage the roads and create conditions that are dangerous to Township residents. If unregulated, complete mineral extraction operation can leave land in a condition that is unsightly and presents an attractive nuisance. The Township has authority to regulate mineral

extraction operations to protect the public health, safety and welfare pursuant to Public Act No. 246 of 1945, being section 41.181 of the Michigan Compiled Laws."

The ordinance goes on to establish a License Board, members, terms of membership and qualifications. Further, they determine License Required, Compliance, Application, Drawings, Details of pit and Performance, proposed pollution and erosion control measures, haul routes, Plan of extraction, Security deposit, and Plan of restoration. Specific re-

quirements are called for in their reclamation plan including topography, schedule of progressive rehabilitation, ground cover, and a plan of proposed site use when restored - and details how all this will be accomplished.

A proposed surety bond, irrevocable bank letter of credit or security deposit to guarantee restoration of the site is called for along with insurances, application fees and related permits required by the State and County, such as Fire Marshal, DNR, Road Commission or State Police. A hydrogeological analysis

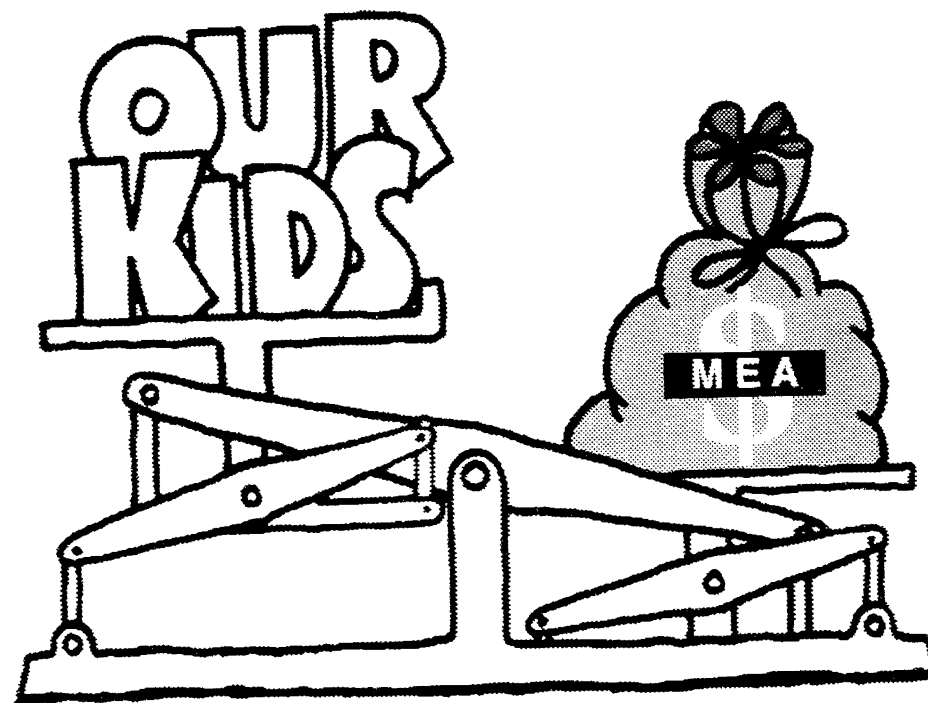

prepared by a Registered Professional Engineer relating ground water of site and surrounding wells is required.

Legal language for license, form, compliance, conditions and operations is contained within the document. Revocation / Suspension of the license, appeals, exemptions, violations, severability and relationship to other laws are contained within the document also.

As with any Ordinance, until it is tested within a Court System, we will not know its strength. Hopefully it is enforceable; it certainly seems quite complete.

PAID POLITICAL ADVERTISEMENT

Did Alma Wheeler Smith support the MEA over our kids for a \$3,000 campaign contribution?

Joe Mikulec wouldn't take MEA money.

Joe Mikulec stood up for our kids against the MEA strike this fall and supported House Bill 5128, which forces both the MEA and school boards to negotiate in good faith. Alma Wheeler Smith didn't. In fact, an MEA publication says, "Alma will help lead the charge to repeal HB5128." Why...?

Was it because the MEA contributed \$3,000 to her campaign? Was it because she values special interests more than the interests of our kids? Or was it because she's just so

out of touch with the people in our community? Whatever the reasons, we know whose side Alma's on.

Joe Mikulec is on our side.

He's not a professional politician and doesn't want to become one. He wants to represent our interests in Lansing and use his real-life business and community experience to help make our district and our state a better place to live.

Bring responsibility, ethics and common sense back to the legislature by electing Joe Mikulec. Do it for our kids!

Klager PTO and Great Lakes Bancorp co-sponsor Investment Seminar

Plan your child's future today at a College Investment Seminar, co-sponsored by the PTO and Great Lakes Bancorp.

Soaring College tuition costs make it necessary to plan ahead! Please join us on Monday, November 14, at 7:30 PM in the Klager Cafeteria to explore your options.

General information on Education Funding will be discussed. Investment expert Dale Throneberry will be on hand to answer any questions. The program will last approximately one hour, followed by refreshments and a door prize (\$25 Gift Certificate from Haarer's).

For more information, call Great Lakes Bancorp at 428-8379.

Shakespeare Reading Club

When the Shakespeare Reading Club met with Jane Korth on October 25, Patty Swaney, the club's historian, read from a 1902 account of the group's first five years. Begun in January 1897 it grew from the dream of its three founders to 8 at its second meeting and ultimately to its constitutional limit of 20 active members - deemed to be a number that could be accommodated in member's homes. Thus reminded of its upcoming centennial year, it was agreed that planning should begin for a suitable observance of that 'milestone'.

The program by hostess Jane Korth dealt with the life of Nellie Bly, who would have been midway in her sometimes hocking but always interesting journalistic career when the club first gathered at the home of Mrs. Goodyear.

Most notable of her escapades was the 1889 trip around the world, not in the challenge of 80 days but in 72 days, 6 hours, 11 minutes and 14 seconds, thus wresting victory from a male competitor.

Previously she had succeeded in feigning insanity convincingly enough to be committed to an institution where she kept up the pretense long enough to gather information for an expose of neglect and inhumane treatment of mental patients in a New York asylum.

Later in her life, after marrying a steel magnate much her senior and moving back to Pittsburgh, she became a champion of the factory girls in the steel mills. (Nellie Bly was a pen-name adopted from a Stephen Foster song of that name, and not the other way around.) Perhaps it was an earlier interview in New York City with Susan B. Anthony that prompted her interest and concern.

Having inherited her husband's business, it was bankrupted when two trusted employees absconded with the assets. She died aged 57 in 1922.

Following the program, the group began its reading of Shakespeare's "Othello".

Police Beat

DOG BITE PREVENTION

BY Dale Hegwood

With school now open and children walking to and from school, encounters with dogs can be more frequent. Unfortunately this means children receive more bites. Here are a few rules, which you should share with your children, to help prevent animal bites:

1. Leave stray dogs alone. Notify the nearest responsible adult so the stray animal can be reported to authorities.

2. If approached by a dog, stand still with your fists folded under your neck and your chest. This leaves as little as possible for the animal to grab hold of if they do bite.

3. If you are knocked down, lie face down with your hands folded behind your neck and with your forearms covering your ears.

4. Never run from a dog. It is a dog's instinct to chase anything running from them.

5. Never look a dog directly in the eyes. Most dogs take this as a challenge and are angered by it.

6. Never bother a dog, while they are eating.

7. Never enter into an unfamiliar dog's territory (such as your yard, home or car) without someone who is familiar with the dog being present.

WHAT TO DO IF A DOG BITE CAN NOT BE AVOIDED

1. If you are bitten by a dog, do not pull your arm, hand or leg out of the dog's mouth. The dog will let go. The pulling away just makes the wound worse by causing tearing.

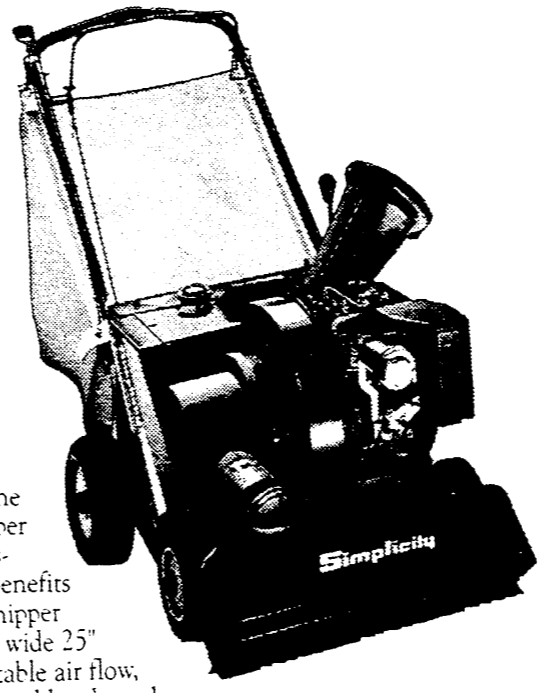

2. If the bite breaks the skin, seek medical attention by going to a doctor or going to the hospital. When you go to a medical facility they will notify the proper police agency and a report will be filed. The dog will be quarantined by either the dog's owner or by the police for 10 days to make sure the dog is not sick.

3. Even though the last case of rabies being found in a dog in Washtenaw County was over 50 years ago, it is still important that you follow the recommended procedures. Acquiring rabies is still a possibility!

Vote November 8th.

Clearly better clearing leaves.

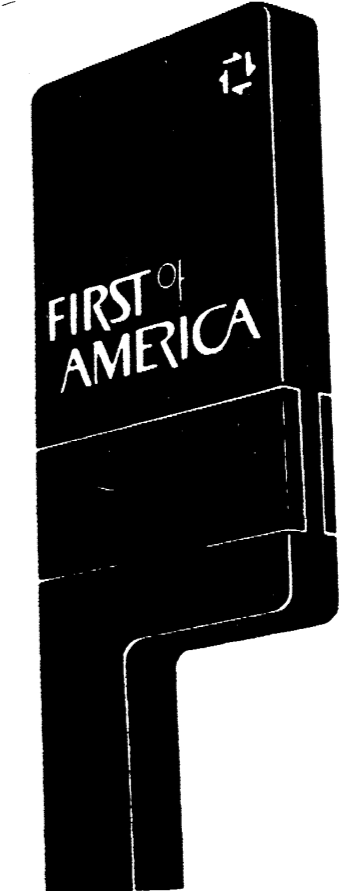

As you discover the benefits of a chipper vacuum, you'll discover the added benefits of a Simplicity Chipper Vacuum. Like its wide 25" vacuum, its adjustable air flow, its ability to chip and bag branches up to 3", and its large zippered bag that holds up to four bushels of shredded leaves. So not only is Simplicity a better alternative than the average rake, it's also a better alternative than the average chipper vacuum.

Innovation brought down to earth.

Annual Veteran's Day Parade to be held in Manchester

Washtenaw County Council of Veterans is sponsoring a Veterans Day Parade in Manchester on Sunday, November 6th, hosted by the American Legion Post #117 of Manchester. The parade will begin at 1:00 PM and feature a variety of units, including marching units, scouts, fire trucks and more. Line up will begin at 12:30 PM at the American Legion Hall, 203 Adrian Street.

Mike has a long history of working with both veterans' and community organizations, including holding various offices within the American Legion and serving on Washtenaw County Human Services Board. Eugene N. Liedel, commander of the Washtenaw County Council and a Manchester resident, will be the parade announcer and main speaker. County Commissioner and Vietnam Veteran Mike DuRussel, also a Manchester native, will be the parade marshal. There will also be a large collection of military items on display. If any- one in the community has items they would like displayed, or would like to donate items to the permanent collection, please contact Milton Davis at 428-7874.

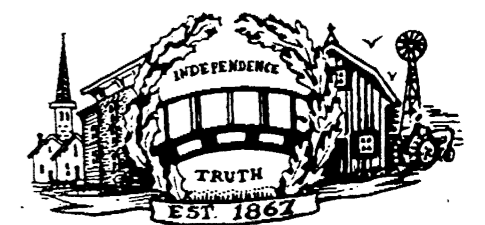

Refreshments for all participants will be served following the parade, provided by the American Legion Auxiliary. We look forward to seeing many different organizations from all over Washtenaw County parade through Manchester in honor of our veterans. We also invite the entire community to join us on this special day to honor America's veterans and especially our POWs. Remember, there are still MIA troops, who have made a great sacrifice for their country.

This Veterans Day, we join our good friends & neighbors in honoring all the known and unknown heroes, who sacrificed their lives to help make this country great.

School Dilemma: Student Population Increases, Additional Facilities Needed

Klager School has become extremely crowded in recent years - no news to anyone with children attending the school

Emory Garlick Superintendent Ron Niedzwiecki has revealed that the K-4 enrollment has increased over the past 20 years after a down turn in between.

In school year 1975/76 we had 478 K-4 students; we reached a low in 1983/84 of 328 K-4 students; and for the 1994/95 school year we are at 492 K-4 students.

One school, Pleasant Lake, was closed after the 80/81 school year when the K-4 student population dipped to 384. To deal with the recent increase in students, three portable classrooms have been added to Klager and a fourth is expected at this writing.

At the last School Board meeting, Superintendent Niedzwiecki outlined two possible scenarios to deal with building needs.

1. Extensive addition to Klager including adding three Kindergarten rooms, a computer lab, science room, four classrooms, a new gym, music area, kitchen and storage spaces, along with conversion of the present gym to a media center and staff area. Approximate

cost: \$3,420,000.

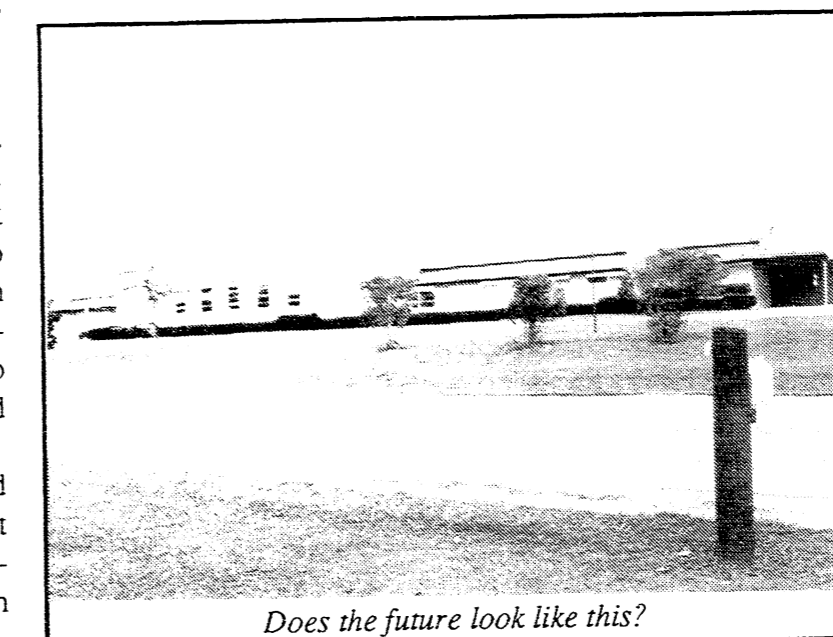

Within two years, then, the Middle School would have to be revamped. That cost might approach the December 1991 estimate of \$1,600,000

2. Reopen Pleasant Lake School for three kindergarten rooms and 2 general classrooms. Approximate cost: \$657,000. According to Niedzwiecki, the operational costs of using Pleasant Lake school would be higher than that of expanding Klager. Board member Abbott conducted a study that indicates these operating costs vs. bonded indebtedness would balance out after about 15 years.

Monday 11/7 Pres. Paul Kluge proposed a third option. The Board agreed to investigate further.

That option would be to use the Pleasant Lake school, add-

Challenge : Build a Community that represents the best in us - in 24 hours

Rick Phillips outlines the 24 Hour Relay Challenge to an enthusiastic group of students, educators, and citizens

Feeling a bit like "Johnny Appleseed", Rick Phillips, a Californian, headed to Michigan last week to charge up a group of 30+ Manchester residents who will serve as a Planning Team looking ahead to THE 24-HOUR RELAY CHALLENGE. Tentatively scheduled for May 27 & 28, 1995 in Manchester, the 24 Hour Relay Challenge has been successful in 55 different communities throughout the United States, from Vermont to southern California, and will also debut in Saline and Milan the same weekend.

The keys to the 24-Hour Relay Challenge are involvement and teamwork. The Planning committee heard that in a successful community, people respect each others differences, share in group decision making, and demonstrate that members are cared about. "We need to protect and reinforce those things in Manchester," said Rick. "Stories, heroes, rituals and celebrations are the oil that makes a community function." In many communities, the stories, heroes, rituals and celebrations revolve around either sports or alcohol. The 24 Hour Relay Challenge will provide an opportunity for the community to come together for a unique celebration which is drug-free, teamwork and prevention-oriented, and provides a method for overcoming obstacles which participants can take into real life.

For 24 hours next Memorial Day weekend, the Athletic Complex will become a tent city. Teams of ten participants each will take turns covering one mile on the track for all 24 hours. When it's your turn, you'll do it, because your team is counting on you! For our first year, the Planning Committee has a goal of recruiting 24-30 teams. Over the next several months, Manchester will hear much more about the 24 Hour Relay Challenge. "It's daunting to try and change the world, but I can make a difference in my own community." How about you? If you're interested, please contact Yvonne Henry at Klager School. -MJC
