School Dilemma: Student Population Increases, Additional Facilities Needed

Klager School has become extremely crowded in recent years - no news to anyone with children attending the school

cost: \$3,420,000.

Within two years, then, the Middle School would have to be revamped. That cost might approach the December 1991 estimate of \$1,600,000.

2. Reopen Pleasant Lake School for three kindergarten rooms and 2 general classrooms. Approximate cost: \$657,000. According to Niedzwiecki, the operational costs of using Pleasant Lake school would be higher than that of expanding Klager. Board member Abbott conducted a study that indicates these operating costs vs. bonded indebtedness would balance out after about 15 years.

Monday 11/7 Pres. Paul Kluge proposed a third option. The Board agreed to investigate further.

That option would be to use the Pleasant Lake school, add-

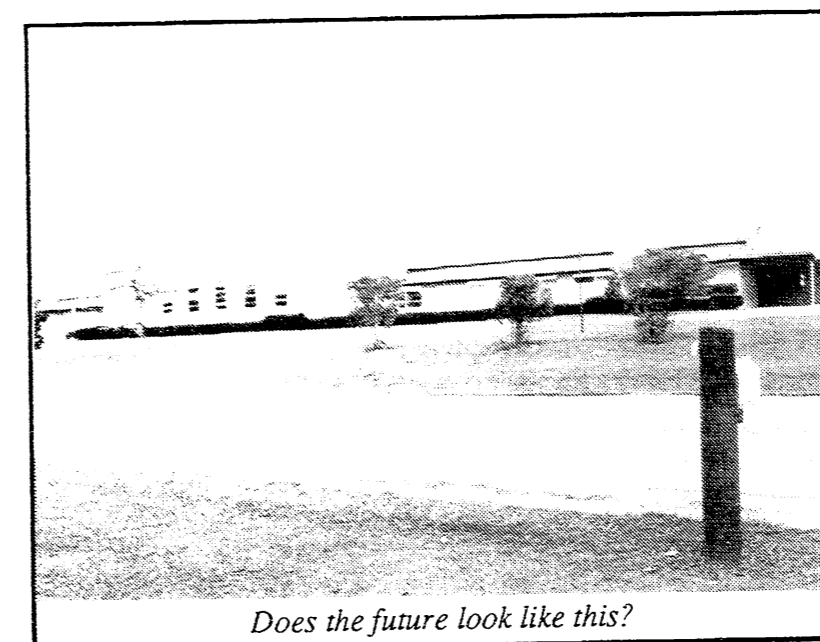

Emory Garlick Superintendent Ron Niedzwiecki has revealed that the K-4 enrollment has increased over the past 20 years after a down turn in between.

In school year 1975/76 we had 478 K-4 students; we reached a low in 1983/84 of 328 K-4 students; and for the 1994/95 school year we are at 492 K-4 students.

One school, Pleasant Lake, was closed after the 80/81 school year when the K-4 student population dipped to 384. To deal with the recent increase in students, three portable classrooms have been added to Klager and a fourth is expected at this writing.

At the last School Board meeting, Superintendent Niedzwiecki outlined two possible scenarios to deal with building needs.

1. Extensive addition to Klager including adding three Kindergarten rooms, a computer lab, science room, four classrooms, a new gym, music area, kitchen and storage spaces, along with conversion of the present gym to a media center and staff area. Approximate

Veterans Day in Manchester - Story on page 9

Challenge : Build a Community that represents the best in us - in 24 hours

Rick Phillips outlines the 24 Hour Relay Challenge to an enthusiastic group of students, educators, and citizens

Feeling a bit like "Johnny Appleseed", Rick Phillips, a Californian, headed to Michigan last week to charge up a group of 30+ Manchester residents who will serve as a Planning Team looking ahead to THE 24-HOUR RELAY CHALLENGE. Tentatively scheduled for May 27 & 28, 1995 in Manchester, the 24 Hour Relay Challenge has been successful in 55 different communities throughout the United States, from Vermont to southern California, and will also debut in Saline and Milan the same weekend.

The keys to the 24-Hour Relay Challenge are involvement and teamwork. The Planning committee heard that in a successful community, people respect each others differences, share in group decision making, and demonstrate that members are cared about. "We need to protect and reinforce those things in Manchester," said Rick. "Stories, heroes, rituals and celebrations are the oil that makes a community function." In many communities, the stories, heroes,

rituals and celebrations revolve around either sports or alcohol. The 24 Hour Relay Challenge will provide an opportunity for the community to come together for a unique celebration which is drug-free, teamwork and prevention-oriented, and provides a method for overcoming obstacles which participants can take into real life. For 24 hours next Memorial Day weekend, the Athletic Complex will become a tent city. Teams of ten participants each will take turns covering one mile on the track for all 24 hours. When it's your turn, you'll do it, because your team is counting on you! For our first year, the Planning Committee has a goal of recruiting 24-30 teams. Over the next several months, Manchester will hear much more about the 24 Hour Relay Challenge. "It's daunting to try and change the world, but I can make a difference in my own community." How about you? If you're interested, please contact Yvonne Henry at Klager School. -MJC

MANCHESTER ENTERPRISE

Second Front Page: A Quiet Champion

Heading for the Pro Circuit

What began as an interest in motorcycles has taken Manchester native Tom "Thorny" Rose from street riding (where he "paved quite a few roads with fins from my tickets") to a National Championship in sprint racing. The Yamaha SECA II Challenge Series was based on a point system for races held this past season, and took Tom in a criss-cross over the country, from Georgia to Oregon and West Virginia to California.

Tommy McComis, my nemesis of the year, fell, and he was out of the race. Shortly after that, I fell, too. I guess I won the championship just by staying on my bike a few seconds longer than Tommy did." Tom ended that final race in 11th place.

"I am real fortunate that this achievement came to me in only my third year of racing. I had an advantage in that I was riding for the American Harley National Endurance Team." On the endurance team Tom was running for four, six, eight or twenty-four hours. Compare this to the sprint championship, with races a total of 25 miles - and at speeds as high as 140 MPH. There is a fine edge of control at those high speeds, he notes.

Ironically, although Tom won the championship with the highest accumulated number of points, he lost the race which he admits. Fortunately, nothing more serious than a concussion has been his fate, although Tom stresses. "I preach really heavy on the safety equipment. I've already done all the stupid stuff."

For starting relatively late in life (at the ripe old age of 34), Tom says he's been very fortunate to be involved with experienced people. Everywhere I've gone, people have helped me. One of the highlights of this season had to have been the national TV coverage Tom received. On October 19, he was featured on the PRIME network. Road Test Magazine on TNN did an as-yet-unaired interview. The SECA II Challenge was also featured on ESPN highlights. "This is great, because we'll get more coverage and more exposure next year," Tom enthused. Hopefully national

Racers are like a giant family - they offer sponsorships based on this year's successes. "I have so many people to thank for this year," Tom said. His mentor and teacher, Dave Bloom; Roy Nicholson Sr. of Nicholson Enterprises (and all the parts, service & sales people who work there); Yamaha Motor Corp., Vance & Hines, and EBC Brake Pads who put up the money for the races; Dunlop Sports; McNaughton Motor Sports; St. Clair Motor Sports; Ron Hamp; TKO Racing ("these guys gave me a lot of advice and support"); American Harley Davidson; Fritz & Fred Kling - the factory team at Harley Davidson; John Ulrich; Doug Henry; "My bike club" - West Michigan Sportbike Club of Holland; and "All of My Family" for their help and support. Your community is behind you, too, Tom! Congratulations on your success this year, and now that we all know - we'll be watching next year for more victories.
Marsha Johnson Chartrand

Editorial / Opinion

Out and About

by gar

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions.

We ask that all letters submitted for publication be signed.

Should there be extenuating circumstances for withholding your name, we will give that full consideration.

To the Editor:
As a patriotic American and a member of the National Rifle Association, I'm extremely concerned about the way the media has blamed gun owners for the rising tide of crime in our country.

To counter the myths that have surrounded the gun control debate, the NRA's Wayne LaPierre has just written a book entitled Guns, Crime and Freedom. This book is available in local bookstores right now.

More than half of your readers are gun owners. I'm writing to ask you to give them fair and equal treatment they deserve in the pages of your newspaper. Thank you for your consideration.

Sincerely,
Peter E. Preis; Gene & Sandra DeRossett; Judd Small; Lyle A. Widmayer; Lyle Moore

To the Editor:

This November 11 will mark the 40th Veteran's Day Celebration in the United States.

Originally known as Armistice Day, the date of the end of World War I, November 11 was renamed Veteran's Day by President Eisenhower in 1954.

There are approximately 27 million living veterans in the United States. They have served their country in war and peace; many still bear the scars of battle. Many of their comrades - our friends and relatives among them - gave us their "last full measure of devotion" on distant battlefields.

I encourage everyone to take some time this Veteran's Day to join the parades, visit the memorials, and honor the men and women who have dedicated their lives and those who still serve this country. Any words we choose to thank them are overwhelmed by the nature of their service and sacrifice.

Take a moment to say, "Thanks."

Sincerely,
Edward L. Gamache,
Director - Department of Veterans Affairs

HAPPY FACES AND SMILES that is what we saw at the "Pumpkin" carving contest. It was a wonderful treat to see all the kids from 2 to 72 carving away.

Some of the parents that were helping the kids were getting as big a kick out of the carving as were their little ones. That's what life is all about! gar must be getting sentimental in his declining years.

As a kid we never had a carving contest. We did carve pumpkins, however, and on devil's night we did a few other things. When I was a pup there were outhouses, privies, two holers or whatever you wanted to call them. In the winter time they were cold and drafty, a little odoriferous also. The old Sears and Roebuck catalogues were used for that fancy tissue paper we folks now use.

At Halloween we used to rush

around the neighborhood and tip over as many as we could. One year one of the neighbors had the foresight to move his two holers forward about four feet. There were four or five of us kids who started tipping over the outhouses. The first one went over with but a little effort, and that encouraged us to head to the next one. That next one happened to be the outhouse that had been moved forward.

We took off on a run from the first toward the second and the fleetest always had bragging rights about how fast he was. Except this time! Emil went charging to the back of the outhouse and stepped right into the hole that contained all that, you know what. Down in the depth of the 'you know what' to both knees, he pitched forward onto his hands and up to his elbows he sank! Up

he clamored from the soggy depths and smelling to the very skies. We all started to gag and retch.

The Huron River was about a half mile away and Emil headed in that direction. We followed at a very respectable distance and awaited the cleansing operation. Even after jumping into that cold water and scrubbing the best he could we followed him home in a very discreet manner. That was the end of our outhouse tipping days.

I'm glad they have 'pumpkin carving contests' now, sure is a lot cleaner and less odorous.

APPROVED PROCEEDINGS MANCHESTER VILLAGE COUNCIL OCTOBER 17, 1994

The regular meeting of the Manchester Village Council was called to order by President Becktel at 7:00 PM. Council members present: Becktel, Brooks, Conaway, Marshall, Schaffer, Vought. Absent: Taepke. Also present: Clerk Tucker, Manager Wallace, Gary Wiedmayer-DPW, Sgt. Jerry Haensler, Lt. James Fink, Fred Zimmer, Connie Zimmer, Kathleen Zimmer, Sharon Gillette, Kathy Keuffner, Marti Novess, Juli Trolz, Emory Garlick, Bill Cramb, Phil Dunkham.

The Minutes of the October 3, 1994 regular meeting were approved as presented on a motion by Marshall, support by Vought. Vote: Ayes-all.

The Proceedings of the October 3, 1994 regular meeting were approved as presented on a motion by Conaway, support by Marshall. Vote: Ayes-all.

The Agenda was approved as amended on a motion by Becktel, support by Schaffer. Vote: Ayes-all.

Motion by Schaffer, support by Vought to waive the

license fee for Kiwanis Club of Manchester and permit them to sell cider on October 22, 1994 at Main Street and M-52. Vote: Ayes-all. Motion by Marshall that Teresa Benedict be notified that Adrian Street will not be closed for the pumpkin carving, and that the Village parking lot off of Ockrow or one of the parks can be used instead. If the village parking lot will be used, DPW will need to know in advance so that they can set up barricades. Vote: Ayes-all.

SHERIFF REPORT - Motion by Marshall, support by Vought to accept the Sheriff Report for September, 1994 as presented. Vote: Ayes-all. Motion by Schaffer, support by Vought to approve the closing of Village streets for the Veteran's Day Parade to be held on November 6, 1994. Vote: Ayes-all.

RESOLUTION AND TOLLING ORDER/CABLE TV RATES - Motion by Becktel, support by Schaffer to adopt the Resolution and Tolling Order as presented, tolling the effective date of Form 1210 and the proposed updated schedule of rates submitted by Clear Cablevision for an additional 90 days. Vote: Ayes-all. Absent: Taepke.

GARBAGE CONTRACT BIDS - Motion by Schaffer, support by Marshall to stay with Laidlaw for Bid A, unlimited garbage collection, at \$8.52 per unit per month because they had all the necessary requirements submitted with their proposal as asked for by the Village, Council recognizes their past service, they have shown their ability and capacity to perform. Discussion was held on the part of the bid concerning annual review of rates, CPI increase and government charges. The Laidlaw representative stated that they would negotiate increases on an annual basis, 60 to 90 days prior to the end of the contract. Roll Call Vote: Yes - Becktel, Brooks, Marshall, Schaffer, Vought. No - Conaway. Absent: Taepke.

VILLAGE PURCHASING POLICY - Motion by Schaffer, support by Conaway to accept the new policy as presented. Vote: Ayes-all.

ZIMMER WATER & SEWER EXTENSION REQUEST - Motion by Becktel, support by Conaway to accept the engineering of the sewer and accept the water line as requested by DPW Superintendent to the west lot line of lot 21 or 363 Schaffer Court and that the road restoration will be completed with the smallest cut possible. This was approved by the DPW Superintendent. Vote: Ayes-all.

Motion to adjourn by Becktel, support by Vought. Vote: Ayes-all.

OBITUARY

Paul L. Widmayer

Paul L. Widmayer, 75, of Manchester passed away on November 3, 1994 at Chelsea Community Hospital. Paul was born in Sharon Township on March 18, 1919 the son of Roy and Florence (Walker) Widmayer. On March 24, 1949, he was married to Viola M. Gieske and she survives.

Paul was a member of the Sharon United Methodist Church. He was also involved with the Southern Michigan Beagle Club. Paul was a veteran of WWII and a member of the American Legion Post #117 of Manchester. He spent his life as a farmer in Sharon Township and was a member of the Washtenaw Farm Bureau.

Besides his wife Viola, Paul is survived by his mother, Florence of Brooklyn; four stepdaughters, Betty (& V.J.) Walz; Virginia Pierce, Louise (& Gary) Frey, and Sally (& Phil) Sherwood, all of Grass Lake; 12 grandchildren; 16 great-grandchildren; one brother, Clyde (& Virginia) Widmayer of Ypsilanti; one sister, Ruth (& Leonard) Days of Hanover.

Paul was preceded in death by his father.

The Widmayer Family received callers at the Jenter-Braun Funeral Home on Sunday, November 6, 1994. Funeral Services were held on Monday at 11 AM from the funeral home, with Rev. Peggy Paige officiating. Interment was in Sharon Townhall Cemetery.

In lieu of flowers, the family requests memorials be made to the Sharon United Methodist Church.

Announcements

Manchester Plastics hosts spontaneous "Party" for Trick-or-Treaters

A party atmosphere prevailed at Manchester Plastics' lobby last Monday evening as the Halloween winds whistled and the rains came down. Hosted by Sally Price, personnel manager; her assistant, Cindy Badge; and John Hicks, the company served hot and cold cider to the kids (and coffee to their parents) along with cookies, and handed out a bag of trick-or-treat goodies to each.

Due to the inclement weather, the first real "seasonal" weather we experienced this October, Manchester Plastics became a stopping off point to warm up and dry off for many trick-or-treating families. "At times, we had a pretty full lobby," commented Sally.

Despite giving up their evenings at home to spread a little community spirit with the people of Manchester, Sally, Cindy and John all said that they really enjoyed their experience. Thanks so much to these three individuals for making that cold fall evening a little warmer in our community! -MJC

I do not distinguish by the eye, but by the mind, which is the proper judge of the man. —Seneca

The Road to the Citrus Bowl!

Music! Music! Music!

Put the JOY of singing back in your life. After the MUSIC! MUSIC! Show by the Irish Hills Sweet Adeline Chorus, the chorus is sponsoring free vocal lessons. Dates are Monday, November 14, and Monday, November 21 at 7:00 PM at the Piotter Center in Adrian.

The November 14 lesson will be taught by Char Overholt, a member of the Sweet Adeline Region 17 committee for Director of Musical Activities.

The November 21 lesson will be taught by Lec Balagher Davison, a Sweet Adeline Queen of Harmony. Lec has performed all over the world.

For further information and directions to the Piotter Center, call Donna at 428-8091.

We would like to thank those who supported us in our Cow Plop Event. It took "Alice" 40 minutes to choose square #21 and Mike Driessche was the lucky winner of \$605. Thanks again!

For those of you who can't seem to find the time to get your Christmas shopping done, the Cheerleaders (with adult supervision), would like to offer you two shopping days of child care - November 19 and December 10th, from 9 AM to 5 PM.

Conveniently located just 9 mile south of Main Street - follow Macomb to Schlewies and the home of Heather DuRussel. Your children will enjoy various games and activities, both inside and out, so dress them appropriately!

For families with one child, there is a \$20 charge, families with two children, \$30, families with three children, \$40, etc. Your child(ren) will need to bring a brown bag lunch with their name on it. Call Heather DuRussel at 428-7459 to reserve a spot.

We took fourth place at our Competition - only six points out of third. Jenny Nosbisch received honorable mention in individuals.

"Alice" the Cow was most obliging in providing a PLOP, and, consequently, a winner for the Cheerleaders' Cow Plop Contest. on Saturday, October 29th. Congratulations to Mike Driessche.

Key Club pulled off another successful Halloween night. The judging was held at the St. Mary Parish Hall (because of rainy weather) at 7:15pm. The judges were volunteers from the community. Key Club would like to thank the judges for their time. Without you this contest would not be possible. Also, the club wishes to thank the Baker's Dozen for donating the donuts, and Manchester Kiwanis for financial aid. The co-chairs of this event, Andrea Clark and Mary Lobbestael, would like to especially thank all of the Key Club Members who helped Halloween night. This year proved to be the best contest ever. Thanks to all of those who participated!
- Mary Lobbestael

School Dilemma: More Space!

Continued from page 1

ing four more class rooms there. Move two elementary grades, 4th & 5th to the Pleasant Lake facility. Higher elementary grades need more support facilities than would kindergarten. The Pleasant Lake Building has at present 7 classrooms which range in size from 870 to 1300 square feet.

The middle school would benefit if the kindergarten classes were to be moved to Klager and one grade level were to be moved to Pleasant Lake.

Klager could benefit by having more rooms added, (3 K's plus other rooms) and one grade moved out to Pleasant Lake. No cost analysis has been developed as yet. The Board asked the Superintendent to define the support needs to accommodate 4th and 5th grades at Pleasant Lake. The original plans for the school included additional classrooms to the west end of the building.

The Board will compare the cost and viability of extensive addition to Klager and probable revisions to the Middle School vs the moderate additions to Klager and Pleasant Lake.

Currently the Consortium uses some of the space at Pleasant Lake school and that issue would have to be dealt with. The Pleasant Lake School was built in 1953 and expanded in the early 60's.

As Township Building Inspec-

tor, I reviewed the building. The conclusion delivered to the Superintendent and the School Board was:

"Structurally the Pleasant Lake School Building is in excellent overall condition and should have a useful life of 20 or more years without significant cost. Bathrooms need to be upgraded and provisions made for Handicap needs. The heating system should be reviewed again by the State of Michigan and further analyzed by qualified technical analysis. Room heating controls, (thermostats) and valves should be reviewed also.

Electrical review of the electric distribution service should be conducted by an outside agency. The system appears adequate but I suggest a review. Water and septic systems should be analyzed - that could be accomplished by review of the plans and Washtenaw County Health Department.

The people who conceived, designed and built the Pleasant Lake School should be commended. The fact that after 41 years the structure stands tall and true is a testament to the integrity used in building it!"

The Kluwe proposal, which the Board has agreed to study and compare to the previous proposal, appears to have a great deal of merit. Members of the audience seemed receptive to the study.

Manchester Welcomes the County for Veterans Parade

Legion Commander Kerry Deacons drove the Post's Army Truck in the parade

Girl & Boy Scouts provided a colorful and proud addition to the Veteran's Parade

According to Washtenaw County Council of Veterans Commander Eugene Liedel, over 200 individuals participated in the 1994 Veteran's Day Parade held on Main Street Sunday, November 6.

Although the weekend weather was touchy, ultimately, it didn't rain on their parade - in fact, the sun shone briefly during the short march from the American Legion, down M-52 from Duncan to Main Street, and continuing on to Clinton Street - ending at Kirk Park.

Tendifferent veterans units from across the county participated in the parade, according to Liedel. Parade Marshall was Vietnam veteran and current Washtenaw County Commissioner Mike DuRusell. Guests of honor were POW's, and remembered as always were those service people missing in action.

Porter named to All-Conference Team

Army Hometown News

As the road to the Citrus Bowl continues, we introduce our MHS Varsity Cheerleaders:

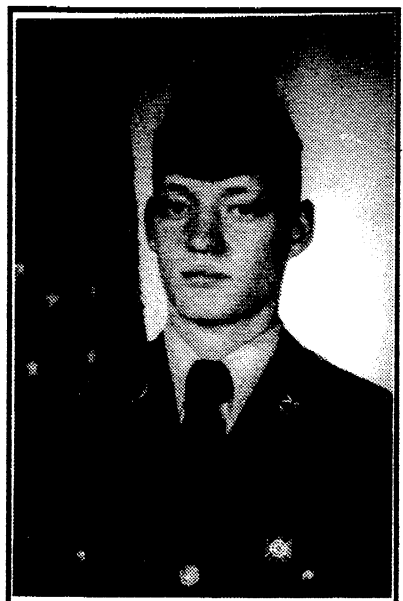

Jackie Rave Miller

Charlie and Lynn (Detling) Miller announce the birth of their daughter, Jackie Rave, on October 27, 1994. Jackie weighed 5 pounds, 4 ounces and was 19-1/2" long.

Justin Porter, a junior at MHS, was named All-Conference Defensive Tackle by the Cascades Conference.

We apologize for missing this honor achieved by Justin in last week's edition.

Private Gerald Loomis, a 1994 graduate of Manchester High School, graduated from Basic Training in Ft. Benning, GA on October 21. He was promoted from the rank of E-1 to E-2 during basic training.

After a brief visit home, Pvt. Loomis returned to the 24th Mechanized Infantry Division stationed at Ft. Stewart, Georgia. The unit will likely be going to Kuwait this fall.

Loomis is the son of William and Theresa Taylor of Manchester. To all his friends, he would like to say, "See ya' all when I get back!"

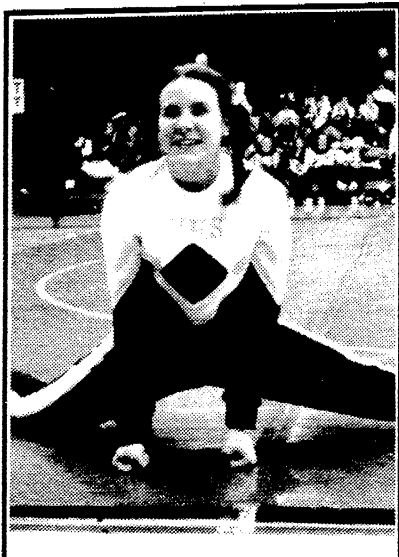

Courtney Louise Bentschneider

Nickname: Dimple
Age: 17

Senior Citizens

MANCHESTER AREA SENIOR CITIZENS News

by T.V. Ludwick

I love Halloween and the visits of all the young people of our community. Chit chat with their parents who remain on the sidewalk is fun, too, as we don't see some of them often enough. Their enthusiasm is highly contagious, even in the rain which went away the latter part of the two hours. I like to ask each one "Who are you?" although some are recognizable to even me. One small lad almost indignantly answered above question with "I am Barney!" and I knew that.

And now we come to the 'I didn't know that-how interesting' department. One trickster carried a green lighted rod and I asked how long it would stay lit. "For twenty-four hours, but if I put it in the refrigerator, it will last a long time. This is from last year." Modern technology amazes the dickens out of me. I ran out of treats at 6:45 and turned off the porch light (because of shortage of popcorn). Several small folks remarked, "Oh, boy, popcorn" and it made me wonder why more of us don't give it out. We had 87 at the door which isn't up to the normal count of over 100. What fun to be with the kids again.

Thursday, November 10: Why not come to exercise at the Center from 10:30-11:30? Dorothy Willingham told me that the instructor keeps them going for that hour, but nothing strenuous. Good for your circulatory system, come see. Then, relax

with Chinese served by Jan and crew at Emanuel's dining room for all of us who are 55 or older. Meals begin at noon on Tuesdays and Thursdays. Did you miss the peanut butter dessert by not attending recently? Call in reservations to Linda (ahead) at 428-8359, or to Jan (before 10:30 AM on meal days) at 428-7630 and come down to enjoy these meals for seniors. Bingo is also enjoyed nearly every Thursday at 12:30 at the Center.

Tuesday, November 15: Pastor Vincent Carroll is scheduled to give the clergy presentation starting at 11:15 from Emanuel UCC. Come early to the meal of macaroni & cheese to listen to the talk. On to the Center at 12:30 for Center activities. The busy day will include travelogue entitled "Portugal" and senior bus will begin pickup at 5:30 for the trip to Tecumseh.

Thursday, November 17: Exercise class begins at 10:30, come join in. Meatloaf is being served today and it is the very best. Bingo will follow at the Center. At 6 PM, pickup begins to attend the monthly senior sponsored card party at Freedom Township Hall which starts at 7:30.

All age groups are invited to come try to beat the masters of euchre at their own game! Light refreshments are served and you must come see what is in store for you on the 17th. Fun and fellowship abound, come to Pleasant Lake and have a great time.

Happy November Birthday to these Seniors! L-R: Milda Koebbe, Leona Braun, Eileen Merz, Dorothy Egeler, Rev. Dean Cooper, and Marie Romelhart.

Teacher Profile

Mr. John Wilkins

This week's Teacher Profile subject is Mr. Wilkins of the High School and the Middle School. He teaches Government, Geography, and Business Law at the High School and at Middle School he teaches Study Skills and Careers. He also Coaches the Boys' and Girls' Varsity Basketball teams.

Mr. Wilkins received his college Education at a variety of schools. He went to Kellogg Community College, Jackson Community College, Spring Arbor College, and EMU for one year each. He has been teaching at Manchester for five years.

Mr. Wilkins received his college Education at a variety of schools. He went to Kellogg Community College, Jackson Community College, Spring Arbor College, and EMU for one year each. He has been teaching at Manchester for five years.

Yearbook Sale Begins

The 1995 Visage Yearbook Staff at Manchester High School is proud to announce the beginning of their sales campaign. The staff will be selling books for two weeks, November 7 - November 18.

The 1995 Yearbook costs \$28.00 or \$30.00 with your student's name imprinted. This is a small price to pay for memories that will last a lifetime. Please make checks payable to Manchester High School.

The Yearbook Staff would like to thank you for your time and consideration. If you have any questions, please contact June Weiland or a Yearbook Staff Member at MHS (428-7333)

Sports

Lady Dutch get close

Our Varsity Women took on the East Jackson Trojans last Friday in East Jackson. Our starters were Erin Binder, Michelle Schaible, Sandi Fielder, Jamie Knouase, and Amanda Erskine.

The first quarter was excellent for the Lady Dutch. Manchester stayed in control of the game against the highly-ranked Trojans. Manchester scored 8 compared to the East Jackson 5, and only committed one foul as opposed to five by EJ.

The second quarter was tough, but by the end of it, Manchester was still on top 15-9.

JVs fall to Trojans

Our J.V. Girls team went up against the East Jackson Trojans last Friday in a difficult defensive battle.

The first quarter was out of control! Manchester committed 9 fouls. Our only scorer was Pam Preston with 3 jumpers. The second quarter was in favor of Manchester. Manchester scored 2 points on Sarah Ahrens' long jumper compared to one by East Jackson. By half-time 21 fouls had been committed.

The third quarter was close with Manchester being outscored 6-7. Scorers were Jessica Porter with two field goals, and Tracey Staples and Pam Preston with a free-throw apiece. Going into the final quarter the score was 14-17.

The final quarter was as rough as the rest of the game. Our scorers were Pam Preston with three free-throws, Sarah Ahrens with a field goal, and Jennette Branch with a free-throw. At the end of the game the final score was 27-20. A total of 47 fouls were committed in this game. The game's MVP was Pam Preston.

Just A Little Yellow Piece of Plastic...

by Kyle Harvey

When you get right down to it, it seems that Manchester's 1994 Varsity Football season was decided by two meaningless scraps of yellow plastic. Each thrown into the air at a certain pitch, and falling down at a certain angle, each with the power to make or break a football game.

After just coming off a tough win at home vs. Addison and an even tougher one at Clinton, the Dutch traveled to Napoleon for a battle between the behemoths of the Conference. The Pirates were ahead, 20-14, in the waning minutes of the fourth quarter, and the Dutch had just gotten the ball back after a punt.

play was nullified due to a holding call against a Dutch player. Manchester eventually lost, 27-14. I was told by an offensive lineman that, after viewing the game tape, Coach Gall & co. couldn't find the elusive infraction. Well, hmmm...

Two games. Two flags. Two losses. Would Manchester have gone all the way? Probably not - but that's life. Word on the street is that Iron Mountain is again unstoppable. But that doesn't really matter now. What does matter is that these Dutch players

sweated blood and guts for a very successful season and they all learned at least one thing: you take what you get and you live with it. Manchester may have gotten shafted this year - but there will always be the future, and there will always be the past. Look either way and you'll see success. Look at yourself, and you'll be no different than the rest. Congratulations, Manchester.

Upon further review, I regret to inform that I forgot to mention Junior Defensive Line-man Justin Porter was also named to the All-Conference Squad. -KH

MIDWEST FORD

510 W. MAIN ST. Mon - Fri 7:30 - 5:30 428-8343

We're leaving no stone unturned to help assure that your Ford, Mercury or Lincoln will be fixed right the first time.

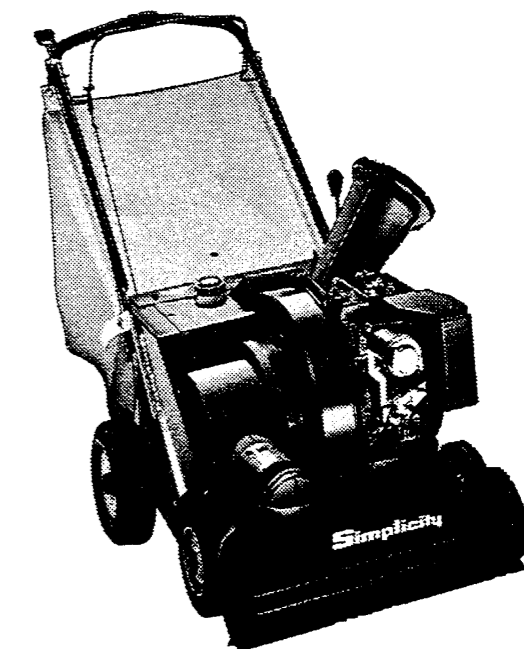

Our Quality Care technicians spend hundreds of hours in ongoing training from Ford. Our Service Advisors take classes to learn how to communicate... and listen more clearly. And our Technical Service Hotline lets our technicians field questions with the factory engineers who designed your car.

So bring your car to us for Quality Care service today. All it takes is one visit.

Quality Care. A job worth doing is worth doing right...the first time.

It's like raking with an attitude.

All day to rake, gather, pack and bag leaves? We don't think so. Not with a Simplicity Chipper Vacuum. It's an amazingly-effective machine that quickly turns leaves and yard debris into an easy-to-handle bag of finely-shredded mulch.

Innovation brought down to earth.

A SPECIAL THANKS TO THOSE WHO CAME AND HELPED DURING THE DAY THAT WAS A WONDERFUL THING TO DO.

Chris Moyle & Teresa Benedict

Fill Your Holiday Fruit Baskets and Help the Bands Play On

Starting Thursday, November 10, members of the Manchester school band and Band Boosters will be offering cases of Florida oranges and grapefruit for delivery early in December. The fruit will arrive fresh from Florida, and if kept properly chilled, should last throughout the holiday season. This tasty fruit makes a wonderful addition to gift baskets and can be a welcome reminder of summer on your holiday table. Prices are being finalized, but are expected to be in the neighborhood of \$10 for a half-case and \$17 for a full case.

In addition to the citrus fruit, the group will also offer holiday wreaths and centerpieces. These items are made of fresh evergreen boughs and if kept carefully, should also last throughout the holiday season. Again, prices are still being determined, but it's expected that wreaths will run about \$15.

Orders may be placed with band members or Boosters through Sunday, November 27. All orders must be paid for at the time the order is placed. Delivery will begin on Wednesday, December 7 and continue through the weekend. If you'd like to place an order by phone, call Kathy Jefferson at 428-8861 to leave a message.

The fruit and holiday greenery sale is managed by Band Boosters and all proceeds benefit the Manchester school band program.

American Legion Auxiliary - Helping Veterans for 75 years

As the nation approaches the 75th anniversary of Armistice Day (now Veterans Day), we commemorate the courage and patriotism of all the men and women who have served in the United States Armed Services. Many of these veterans are now being treated at the VA Hospitals or are residing in the VA Nursing facilities throughout these United States.

Veterans Affairs and Rehabilitation top the calendar of interest and activities of the American Legion Auxiliary Emil Jacob Unit 117 of Manchester, as it does all of the Legion Auxiliaries across the nation. Last year the Legion Auxiliaries served 1,421,532 veterans and gave 3,951,928 volunteer hours to the VA & R programs.

"Service, not Self" is the motto of the national organization. This motto has been personified by several individuals in the community of Manchester as they have so unselfishly given their time to provide items of comfort to the veterans who reside in the VA Medical Center in Ann Arbor.

Members of Auxiliary Unit 117 wish to publicly thank Mrs. Josephine Maisano for her contribution of over 80 pairs of knitted slippers and Mrs. Alma Arnett for contributing 30 stoma bibs and 30 pairs of slippers to the local Auxiliary, for delivery to the VA Medical Center. These two ladies have logged over 400 hours of Home Service to these veterans projects.

Also contributing to the veterans programs is Mrs. Celeste Ingraham who donates on a regular basis to the Poppy Fund of the Unit. Poppy monies are used only for the veterans and their families.

The Manchester Senior Citizens are also thanked. They have in the past year supplied and delivered direct to the Ann Arbor facility, 12 lap robes, 9 knee pillows and 6 catheter bags.

The local Auxiliary Unit is most grateful to these ladies and to the Senior Citizens for their

Manchester Area Historical Society

The program for our November 15 meeting is "Story of a House" which will begin with Deb Havens and Rosemary Whelan talking about the history of their houses, one a village house and one a farmhouse.

We invite other people to be part of the program by sharing an anecdote, showing old photos or telling something about their houses or the former occupants.

Everyone is invited to attend on November 15 at 7:30 at the Blacksmith Shop, 324 E. Main Street, Manchester. Refreshments are served after the meeting.

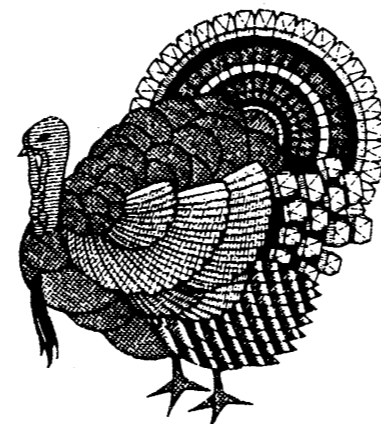

Organizations

Key Club has Environmental T-Shirts

The MHS Key Club is selling environment-related T-shirts. These shirts come with a variety of designs on them. For \$12 you can buy a white shirt (your choice of design); an organic shirt (your choice of design) sells for \$14.

Key Club will be selling these T-shirts until November 28. This allows us to fill the orders before Christmas. These T-shirts make wonderful gifts for all ages (kids sizes are available).

If you are interested in purchasing a shirt or would like more information, please contact a Key Club Member at the High School.

Speaking for the people of the Manchester Area

128th Year - No. 4 Manchester, Michigan 35¢ per copy

Portable Classroom Arrives

Emory Garlick
Last week the new portable class room arrived in two halves. Previously piers were dug and concrete poured in the holes to support the new room. Initially the room was to house the elementary band, however it was decided that Mrs. Kay Miller's third grade class would occupy the new room.

Manchester's Board of Education authorized the Superintendent of Schools, Mr. Ron Niedzwecki, on August 15th to acquire the portable as a temporary measure. The class size increases and the closing of Pleasant Lake building after the 80/81 school year has created a space need that has been filled by providing portables at Klager.

The August 15th School Board meeting was very spirited in how best to address the long term overcrowding problem. Past Board President Sahakian was adamant at that time the only proper solution was to have a February Bond Millage vote to increase the size of Klager School. Subsequently Superintendent Niedzwecki presented to the Board, a 3.4 Million Dollar addition to Klager.

- Kluwe at their work session November 7th. The Summary of that plan is as follows;
1. Add five classrooms to Klager School taking advantage of slope for a partial "walk-out" basement.
 2. Add four classrooms to the Pleasant Lake School. (Total would be 11 class rooms)
 3. Move all Kindergarten sections to the Klager School.
 4. Move all fourth grade students from Klager and fifth grade students from the Middle School to the remodeled Pleasant Lake School.
 5. Move Central Administration to new administrative offices "downstairs" at Klager School. (Under the new addition)

Mr. Kluwe explained his 5 point plan with the following comments;

(1) The addition of 5 classrooms at Klager would have all Kindergarten sessions in one building, which would allow a more uniform sharing of all facilities and support. Further Mrs. Henry would no longer have to travel to the Middle School.

(2) By adding 4 classrooms to Pleasant Lake School and re-opening that school, 4 rooms could be used for each grade, 4th and 5th, when the need presents itself. There are three large rooms in the present building that could be used for support needs such as library, computer area, band etc. That building with

the addition of 4 rooms will make it feasible to use.

(3) By moving fourth graders from Klager three additional class rooms would become available for Klagers needs. Five new rooms plus three rooms vacated by the fourth graders would make available eight rooms subtract two kindergarten rooms moved in net gain = 6 rooms.

(4) Moving fifth graders from the Middle School to Pleasant Lake would free up three rooms, moving the two kindergarten classes to Klager frees up two more rooms. Net gain at the Middle School, five classrooms. Enough to increase the remaining 6th, 7th & 8th classes by one

room each and still have two rooms in which to house additional needs. This plan would take the Middle School through and beyond the year 2000 with ease. Mr. Kluwe said there would not be a need to approach the voters in two years for a Middle School expansion.

(5) By moving the Central Administrative Offices to "downstairs" at Klager, additional space would become available at the High School for support services.

(6) Keeping our buildings smaller is in keeping with our past traditional "small school" philosophy.

(7) Mr. Kluwe said none of these ideas were his; "I just listened to those people who had some firm ideas and compiled the data. If we do not listen to the voters, and they spoke loudly at the last bond election, the large school concept and returning to the voters in two years with another addition faces near-certain defeat. Without using Pleasant Lake School, we waste existing facilities while expanding

Manchester Area follows Statewide Republican Trend

Excellent turnouts in each of the four districts which comprise the Manchester area contributed in part to the statewide Republican victory.

Freedom Township reported a total of 647 voters out of 1056 registered, for a turnout of over 60%. Gubernatorial votes for John Engler totaled 468; Howard Wolpe 162. US Senator showed a 2-1 victory for Republican candidate Spencer Abraham, with a total of 412, and 182 for Democrat Bob Carr. Alternative candidates garnered a total of 33 votes, mostly for Libertarian Jon Coon.

In Bridgewater Township, where "well over half" of the registered voters showed up at the polls, Engler showed a 359-150 victory over Wolpe. The Senate race totaled 321 for Abraham, 162 for Carr, and 26

votes for Coon, Roundtree and Weege, the alternative candidates.

In Sharon Township, about 60% of the registered voters cast their ballots. A showing of 376-168 put John Engler in front of the gubernatorial race. In the US Senate race, Spencer Abraham received 361 votes as compared to 182 for Carr, and 39 votes for alternative candidates.

Manchester Township clerk Kathy Hakes reported a total of 1290 voters, which was about 53% of the total - excellent for a mid-term election. In Manchester Township, Engler won easily on a 847-420 margin. Abraham carried a 718-442 lead over Carr, with 103 total votes for the alternative candidates.

Statewide proposals in the

townships fared the same as the state tallies, with Proposals B (limited appeals) and P (state park endowment) passing while A (Constitutional Convention) and C (Insurance) floundered.

Perhaps the largest surprise in this entire election was the high voter turnout - attributed to a beautiful day. The political scene will now rest for a while - they're all on holiday break.
