

School Board Meeting hits highs and lows

hearing date was scheduled for Monday, June 19, 1995 public hearing at 7:30 PM followed by the regular meeting at 7:45 PM.

A date was set, July 5, 1995 at 7:45 PM for The Board of Education Organizational Meeting. The Facility Project narrowed down from 12 names of potential Construction Managers to 5 for consideration. Proposals will be solicited from those five and a final Construction Manager will be selected.

A Summer Migrant Program was approved. A grant was received in the amount of \$47,157 which will cover the costs. Appropriate wages were established for personnel in-

involved in the summer migrant program.

A lively discussion ensued at the end of the meeting for the potential need of additional classroom space until the additions are complete. Three options were discussed;

1. Use Pleasant Lake school on a temporary basis for a year or two.

2. Acquire an additional portable.

3. Enclose the space between the existing portables when they are moved.

A suggestion from the audience advanced the possibility of obtaining space at the Methodist church basement, which is within walking distance of Klager.

The meeting adjourned on this note

Safe Biking Means Wearing a Helmet

Continued from page 19

families. One drawback to wearing a helmet is that it can become a major expense if you have more than one or two children. The cost is small, however, compared to the financial and emotional costs of caring for a child (or an adult) with a brain injury.

A matching grant in the amount of \$500 was obtained from the Ride Safe program and the PTO contributed \$250. With these funds, the program can offer a discount of \$4.00 on each helmet ordered by May 22nd. The order will be placed in time to receive the helmets for summer bike riding season.

Klager students were encouraged to wear their helmets on May 9th if they had one. Many of the kids wore their helmets and many more indicated that they had helmets at home. How many wear them regularly? Well, about 80% of the first and second graders and probably 70% of the third and fourth graders raised their hands. Students were picked from the audience to see if their helmet fit

them "just right" - and often, they didn't. A helmet must fit properly to ensure the protection you need while riding.

The good-looking helmets available through the Ride Safe program will be available to Klager students for as little as \$8.99. Some helmets even have accommodations for pony tails! All are ANSI certified and approved by the Snell Foundation. Other accessories are also available, including neat decals for the helmets and knee pads for roller-bladers.

A skit on safe biking was also presented by Korie and her dad, with the "rules of the road" explained to the students so they not only understood, but remembered them.

Many thanks are due to the Zink family for putting their caring into action. And watch out for that Korie - she will end up in the movies some day!

- Marsha Johnson Chartrand

Many Klager Kids wore their helmets to school on May 9th.

MHS Announces Class of 1995's Top Students

New Name, New Owners

Jenny Nosbisch, Valedictorian

Andrea Clark, Salutatorian

Jerry Dobbs and Jeff Tanner of Manchester Market

The Manchester Community Schools are proud to announce that Jennifer Anne Nosbisch is the valedictorian of the Class of 1995. Jennifer is completing her high school career with a perfect 4.0 grade point average. Among the many honors that she has received during the past year are the Princeton Book Club Award, the National Science Scholar program winner, the Channel 7 "Brightest and Best" award, a Hope College Merit Scholarship and a state of Michigan Competitive Scholarship. Jennifer has also qualified as a National Merit Scholarship Finalist.

Jennifer is a member of the school's Drama Club, Key Club, Quiz Bowl Team, the National Honor Society, the concert and marching bands, and the Cascades Academic Games mathematics teams. She is a varsity letter winner in

cheerleading, softball, volleyball and track.

Jennifer plans to attend Hope College and study biology or biochemistry in the pre-medicine program.

The Class of 1995 of the Manchester Community Schools is pleased to announce that Andrea Clark has been selected as their salutatorian with a 3.98 grade point average. Andrea is a member of the school's chapter of the National Honor Society, secretary of the Drama Club, Vice-president of the Key club, SADD, Spanish Club treasurer, the Equestrian team, and the FFA. She is also

the recipient of the DAR Good Citizen Award.

Outside of school, Andrea has won several awards and honors as a member of her 4-H club. She has numerous first and second place ribbons and medals at state, county and local fairs, with showing of goats and horses which she raises on her family's farm.

Andrea plans to attend Michigan State University; Lyman Briggs and major in biochemistry. She looks forward to an advanced degree in genetics and a possible career in research.

If you haven't seen these two faces yet at the new Manchester Market, you will soon. Jeff Tanner and Jerry Dobbs are the new owners of the Manchester Market (formerly Walco Foods). Changes started taking place last Monday, when Jeff and Jerry officially took over.

A new name was posted on the door and things started to move and reorganize immediately. If you have stepped into the store within the last week, you've seen both empty and restocked shelves all over the store. The windows have been washed. A fresh coat of paint will be applied soon, and the floors received a good cleaning. The atmosphere seems to have changed, although most faces remain the same. The employees' attitudes are more upbeat and cheerful - they feel they can see a light at the end of a long, dark tunnel. They've been through an uncertain period as to

what would happen with the store.

A change is also coming in the wholesale brand at Manchester Market, from FAME to SPARTAN. Re-merchandising has already begun, and over the next several weeks Spartan will help the guys get the store in shape with a wider product selection and better displays. Although they can't take food stamps, debit/credit cards or WIC coupons right now, that should change next week when the paper work is finished. The liquor license will take a little longer, but they hope to be able to fill the cases with beer and wine again soon.

Jeff and Jerry are working diligently to get the store in shape and can be found in any aisle at any time, stocking the shelves or talking to customers

Emory Garlick

Last week I wrote of the men who have served the greater community of Manchester in the past, and of some of the newer members willing to help. I did not, however, mention the Ladies. That was not an oversight. They deserve far more recognition than we males and are entitled to their own recognition.

Let us think back to some of the women who so faithfully served. Nellie Ackerson who joined the Manchester school system in 1912. A third and fourth grade teacher and principal of the elementary school for many years.

"Grandma" Florence Kirk who for 35 years, 24 hours a day, summoned the firemen when the fire department had to make their runs. For most of those years she was also Manchester's telephone operator.

Claire Reck, who organized so many different volunteer programs and efforts, was unfailing in her support of anyone's and everyone's needs. Claire always had time for others.

Marie Schneider, a long time writer for the *Enterprise*, wrote and compiled the historical, "Manchester's First Hundred Years, 1867-1967." Without that lovely lady we would not have had the Centennial Book, so rich in historical data of Manchester's founding.

There were so many others: Dorothy Burch, Liz Grossman, Cecilia Chapin, Elizabeth Goodyear, 'Grandma Bruns', and Ina Haeussler, all from the past.

The tradition continues with such persons as Connie Widmayer who is a key behind the Chicken Broil. Ann Fowler who has so ably served the community through the Library Board and as a volunteer. Mary Kallewaard, past President of the Village, devoted many hours to the Village and Council. Donna Gill, for her hard work with the Centennial and Chicken Broils past.

To all the unsung ladies who are a part of current and past efforts: Karen Hinkley, Mary Frances Fielder, Joanne Fredal, T. V. Ludwick, Wilma Lentz, Pat Spalding, Sandy Trolz, and all the ladies who so unselfishly take part in our election boards. Thank You.

It has been said that "behind every good man is a good woman." What I think should have been said there are probably two women behind every good man, his Mother and his Partner. Seems that each man needs a mother to nurture him and a good woman to guide him. Is that not right, Ladies?

Dear Ms. Henry and Klager Staff:

I feel the Schulte family owes a debt of gratitude to all the Klager staff who have served and influenced our children over the past 18 years. Daniel, our youngest, will be a fourth grader this coming school year, so it will be the last year we will be interacting with you.

As I reflect on these years I have good memories. Our five children have had many fine and committed teachers and principals. I have been grateful to them for working with us for the betterment of each of our children.

I have often felt that children openly reflect the strengths and weaknesses of a family. Our family is no exception. I haven't been a perfect parent. Yet I have never felt criticism or rejection from any of the staff as we discussed my children and how best to help them. In fact I have felt the opposite. I discovered early on that the best way to ensure a successful school experience was to openly express appreciation and to enlist each teacher as my partner in working together to teach and influence my child. As a result, I feel a spirit of trust and cooperation was created.

We all know there are no perfect teachers or schools. But as I worked closely with you much good has resulted that has made up for any shortcomings or mistaken judgements that might have been made in my children's behalf.

I can honestly say we have had a good overall experience and I'm so glad we moved to Manchester 20 years ago. This has been and still is a wonderful place to raise our children, and the schools have contributed.

Thanks again to all for your efforts and dedication.

Sincerely,
Carol Schulte

Out & About

by gar

I called him Doc but he was much more than that.

Ole gar has been nursing a bad back for the past four months, or should I say the past thirty plus years, off and on. But this story is not about my back, it's about a friend, Dr. Eugene B. Purnell, D.O.

About 1963 or '64 I injured my back while building a house. I went to my regular Doctor, medical, to no avail. Someone suggested a Chiropractor. I wasn't keen on the idea but a friend, Jim Scott, said go see Doc Purnell.

Doc Purnell straightened my back out in two sessions and relieved the pain immediately. I was so impressed that I switched doctors. Over the ensuing years he has been a confidant, medical miracle worker, father con-

fessor, counselor, advisor and friend par excellence. He was always able to draw out the inner feelings of ole gar and get to the underlying root of what was bothering me.

For some time now I have heard the rumor that he was going to retire. God knows he should, as his health has not been that good. He had a quadruple by-pass and was unable to practice for a year. His ticker has been acting up and he is probably 40 pounds overweight. He took a vacation a while back and when resting up he wound up in the hospital for a week. Never a peep about his own health conditions but always concerned about his patients' health. Doc is truly a Saint if there ever was one.

Last Friday, I had an ap-

pointment with Doc. His step daughter and my therapist told me that May 10th was his birthday and that he was going to retire at the end of the month. I gave him, as a belated birthday present, a dozen golf balls and told him he could use them on the golf course as soon as he retired.

With that comment, the tears formed in both of our eyes and we both had a hard time talking.

I am going to miss that old reprobate but I can only wish the best things in life for him in his retirement. God Bless You, Dr. Eugene B. Purnell; we will get out on the golf course together. Let us hope it's before we reach the big golf course in the sky!

Editorial / Opinion

To the Editor:

Through all the construction, all the growth, and all the inevitable changes in today's society, the community of Manchester has maintained its strong belief in doing the best we can for our children. This became evident last fall during the pumpkin carving contest escapade. Although for a time it seemed what was a great time for the kids would be lost to a disagreement between adults, our community rallied around our kids and made sure that they did not lose a good thing for what was not their fault. It was heartwarming and encouraging to see this take place.

This week I encountered what I consider a more appalling injustice to our children. A RULE. As strange as this may sound, a simple "rule" will exclude my child and at least six other Manchester children from playing our nation's favorite pastime...baseball. This year a group of men formed a committee to oversee the Little League Baseball Program in Manchester. They seem to think that adding 7 Manchester children to the rosters will destroy "their" leagues.

To address this properly we need to back up just a bit. Last year I had the privilege of coaching a team. Each Saturday after the games were played we loaded up the kids and headed uptown where we all enjoyed a Dairy Queen. At the end of the season we got together at Carr Park for a team picnic, where each child received a trophy for "Best" this or that. More importantly, the kids played with their friends and teammates and simply enjoyed being kids. Although I was assured I'd be called at the beginning of the next season to coach, I was not.

Whether I coach this season or not is of little consequence to the real problem: Several of our children have been turned away from participating in the baseball program this year. Over the winter a group of local men got together and formed a "committee" to oversee the existing program; this "committee" decided they would like to run things a little differently than in the past.

Our problem started when I mistakenly sent my son's contract to school as I had done in years past. This year, contracts were to be mailed directly to the committee. When several months passed with no contact from the league we decided to contact someone and see what was happening. This was our first contact with Mark Roberts, apparently the "director" of the new committee. When I talked with Mr. Roberts he informed me that "enrollment" for the league was now closed. I attempted to explain to him what had happened; he simply laughed and informed me

that this was "my problem, not his." After a lengthy conversation that was "getting us nowhere" (to use his words), he finally agreed to allow me to attend their next meeting at which time I would be allowed to address my problem to the entire group of men.

I was informed by Mr. Roberts prior to my meeting with this "committee" that although they were scheduling these teams to play games on our city fields, they were "answerable to no one." It seems to me that an organization with this much control over our children and facilities should be accountable to somebody.

When I did meet with the "committee" to discuss my problem, one of the "committee" members, Bill Brinkman, informed me that I did not understand the workings of putting a league together. I informed him of my background knowledge in this area. Between 1988-1990 I was the director of the Saline Adult Softball Association, an 800 member league, and Assistant Director for MASA for Southeastern Michigan. During this time I formed and established four new leagues and helped in the construction and design of what is now Teft Parks in Saline. He informed me that this was of "little consequence to the situation at hand," however I feel my background affords me the following statement:

A league that is formed for the children of a community should not have rules to exclude the children from the same community. No other league in this area excludes children from participating based on late registration. Most surrounding communities do not even impose a late registration fee, if they do it is a minimal \$5 charge. As a matter of fact, Pittsfield Township graciously offered to allow our children to play in their league, as they could not see anyone denying young children the right to play baseball.

This is an embarrassment to Manchester. We tout ourselves as a community based on family values, yet cannot find room for 7 of our own children to play in our own community. While I appreciate Pittsfield's offer, I cannot see farming our children out to play in other areas while we live in, work in, raise our children in, and pay taxes in this community.

Mr. Roberts and Mr. Brinkman seemed more concerned as to their stature and position within the league than they did the welfare of our children. To these men I only have to say, there will be more leagues to run, but to these children there is only one sixth summer and to lose it to A RULE is a crime.

Sincerely,
Robert F. Weinhardt

FROM THE EDITOR

Robert Weinhardt came into the *Enterprise* office last week and delivered the letter we printed. We were interested in his remarks and decided to do some checking into his concerns. We were fortunate to catch up to Mark Roberts and get his input.

Mark said he and the Board of Directors: Steve McCalla, Secl Treas.; Wayne Tervo, Safety Director; Mike Leverett, Head Umpire; Bill Brinkman, Cary Walters, Dennis Rose and himself decided last fall to form the 1995 Manchester Summer Youth Little League Program. As in all new organizations, timetables had to be established to register players, order uniforms and procure sponsors for the program. No small task!

The original flyers for registration were sent out in February with a registration date of March 11th. One of the major differences this year from previous years was that the school system would no longer be involved in registering the players. This seemed to be a stumbling block for getting the registrations returned and the deadline was extended to May 1st when several parents and players were late in responding.

Uniforms were ordered, teams were drawn, and games scheduled. The Committee tried to get team sizes no larger than 14, so that all would have an equal chance to play. Girls teams range from 10/11 to some of the Pee Wee teams of 15/16.

Unfortunately, not everyone was aware of the change in the leadership and sponsorship and some of the parents and kids missed out. Mark said they were sorry this happened but the cut-off date had been extended 7 plus weeks and they were unable to accommodate additional players. We hope that next season things will work out better!

Dear Emory,

Do you remember the old saying, "You can't get there from here?" It's used to describe a situation where the objective you're trying to reach is a good one. Unfortunately, it can't be reached because you've started from the wrong place.

For more than a month you have been calling for greater professionalism, openness and accountability on the part of the school board, administration and staff. That is a worthy objective, one that I fully support. When I proposed the "GAG" order you wrote about in last week's "Out & About", it was because I was irritated by the way statements made by an anonymous board member were quoted in the *Enterprise*. With my resolution, I felt I was promoting greater professionalism and accountability on the part of the board. I was ready to sacrifice openness to get there. Wrong! As the old saying goes, "You can't get there from here." The objective can't be reached if you're going to start out by sacrificing one essential element. I recognize the inconsistency of that approach.

I'm surprised that you haven't been struck by the inconsistency of your own approach to calling for greater professionalism on the part of the administration. Do you really think we can get there by promoting a lack of professionalism and accountability on the part of board members? Should we sacrifice everything else for the sake of openness? That's wrong as well. You can't get there that way either.

It seems to me that since our objectives are similar, we ought to be able to figure out a way to work together to reach them.

Liberals Vs. Conservatives?

The division rampant in our country is not about differences in conservative or liberal ideology, it's about trust, or rather the lack of it. Unfortunately, we elected a President who typifies that mistrust. From his actions during Vietnam to Whitewater, to his marital infidelity, he represents everything we dislike about ourselves and our society in general.

History will judge his Presidential decisions fairly, morally we simply elected the wrong man at the wrong time. Until we elect someone that is universally trusted and respected, even by those who disagree politically, we will continue with this self-destructive venting of our collective frustration.

Mr. Emory Garlick:

I realize you don't normally work till the wee hours of the morning. I'm just leaving you this note to remind you there is no parking from 2 AM to 5 AM on the curbed streets.

In the future, please park in the rear during this time frame. This will avoid the issuance of a parking ticket which I am sure you don't need.

I appreciate your cooperation.

BRIDGEWATER TOWNSHIP ORDINANCE NO. 24 Consumers Power Company Gas Franchise Ordinance

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, waterways, and other public places, and to do a local gas business in the TOWNSHIP OF BRIDGEWATER, WASH- TENAW COUNTY, MICHIGAN, for a period of thirty years.

SECTION 1. **GRANT TERM.** The TOWNSHIP OF BRIDGEWATER, WASH- TENAW COUNTY, MICHIGAN, hereby grants to the Consumers Power Company, a Michigan corporation, its successors and assigns, hereinafter called the "Grantee," the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, waterways, and other public places, and to do a local gas business in the TOWNSHIP OF BRIDGEWATER, WASH- TENAW COUNTY, MICHIGAN, for a period of thirty years.

SECTION 2. **CONSIDERATION.** In consideration of the rights, power and authority hereby granted, said Grantee shall faithfully perform all things required by the terms hereof.

SECTION 3. **CONDITIONS.** No highway, street, alley, bridge, waterway or other public place used by said Grantee shall be obstructed longer than necessary during the work of construction or repair, and shall be restored to the same order and condition as when said work was commenced. All of Grantee's pipes and mains shall be so placed in the highways and other public places as not to unnecessarily interfere with the use thereof for highway purposes.

SECTION 4. **HOLD HARMLESS.** Said Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subject by reason of the negligent construction and maintenance of the structures and equipment hereby authorized. In case any action is commenced against the Township on account of the permission herein given, said Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage arising out of such negligent construction and maintenance.

SECTION 5. **EXTENSIONS.** Said Grantee shall construct and extend its gas distribution system within said Township, and shall furnish gas to applicants residing therein in accordance with applicable laws, rules and regulations.

SECTION 6. **FRANCHISE NOT EXCLUSIVE.**

The rights, power and authority herein granted, are not exclusive. Either manufactured or natural gas may be furnished hereunder.

SECTION 7. **RATES.** Said Grantee shall be entitled to charge the inhabitants of said Township for gas furnished therein, the rates as approved by the Michigan Public Service Commission, to which Commission or its successors authority and jurisdiction to fix and regulate gas rates and rules regulating such service in said Township, are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition therefor being made by either said Township, acting by its Township Board, or by said Grantee.

SECTION 8. **REVOCA- TION.** The franchise granted by this ordinance is subject to revocation upon sixty (60) days written notice by the party desiring such revocation.

SECTION 9. **MICHIGAN PUBLIC SERVICE COM- MISSION, JURISDICTION.** Said Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to gas service in said Township.

SECTION 10. **REPEALER.** This ordinance, when accepted and published as herein provided, shall repeal and supersede the provisions of a gas ordinance adopted by the

Township Board on March 17, 1980 entitled:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, and other public places, and to do a local gas business in Sections 31 and 32 of the TOWNSHIP OF BRIDGEWATER, WASH- TENAW COUNTY, MICHIGAN.

and amendments, if any, to such ordinance whereby a gas franchise was granted to Consumers Power Company.

SECTION 11. **EFFEC- TIVE DATE.** This ordinance shall take effect upon the day after the date of publication thereof; provided, however, it shall cease and be of no effect after thirty days from its adoption unless within said period the Grantee shall accept the same in writing filed with the Township Clerk. Upon acceptance and publication hereof, this ordinance shall constitute a contract between said Township and said Grantee.

We certify that the foregoing Franchise Ordinance was duly enacted by the Township Board of the TOWNSHIP OF BRIDGEWATER, WASH- TENAW COUNTY, MICHIGAN, on the 17 day of May, 1995.

Bridgewater Township Planning Commission May 8, 1995 Summary Minutes

The Township Lot-Split Ordinance was approved by the Township Board at the April 19, 1995 meeting. The Ordinance was published in the April 27 issue of the Manchester Enterprise. In the near future a newsletter will be mailed to all Township residents and local real estate agents notifying them of the new ordinance.

Robert Polens, Managing Director of the Washtenaw County Road Commission was in attendance to discuss the advantages and disadvantages of private roads in township planning. Mr. Polens reported that the County gets \$900/mile/year plus \$10 per person to maintain County roads.

It was reported that the new Township budget includes funds for hiring a consultant to begin the process of updating the 14 year old Township Zoning Ordinance. A list of possible consultants will be compiled for consideration at the next meeting.

The next meeting is June 12, 1995 at 7:30 PM.
Wade Peacock, Secretary

VILLAGE OF MANCHESTER NOTICE OF CURBSIDE COLLECTION OF WHITE GOODS

The Village of Manchester will have its first quarterly curbside pickup of white goods on MONDAY, JUNE 5TH. As part of the Village's contract with BFI, the following white goods will be collected and recycled:

- kitchen stoves
- trash compactors
- clothes dryers
- dishwashers
- clothes washers
- metal sinks
- furnaces
- metal counter tops
- humidifiers
- hot water heaters
- and other related items.

Call 1-800-968-6679 if you are unsure if they will pickup an item that you propose to put out.

Refrigerators, central air conditioners, window air conditioners and dehumidifiers will be accepted if properly tagged that the freon has been removed by a certified technician.

All white goods for pickup should be placed by the curb by 7:00 a.m.

PROPOSED SYNOPSIS of a Regular Meeting of the Manchester Township Board held Monday, May 8, 1995:

The meeting was called to order at 8:05 p.m. with all Board Members present. Minutes of the Board's last meeting, held April 10, 1995, were approved as presented. Minutes of the Planning Commission and the Western Washtenaw Recycling Authority were accepted.

Bills paid since last meeting were reviewed. The Treasurer's report was accepted. Approval was given for payment of bills totaling \$4708.16 in the General Fund. Approval was given to the Treasurer to purchase a tax receipting system.

Supervisor Mann reported that the Road Commission and Drain Commission have met with the engineer on proposals to fix the spillway and bridge on Iron Lake Dam. A meeting will be scheduled with interested township residents to hear their comments.

Constable Moore's report for April was accepted. Communication with the Huron Valley Nighthawks Motorcycle Club provided the information that they have no sanctioned events scheduled and are not planning any. Supervisor Mann has visited their property and stated that they are cleaning it up. He sees no problems at this time.

The Township will contract with the county Road Commission for improvements on Grossman Road, Austin to Herman Road (0.87 miles) and Herman Road, Grossman west 1/2 mile at an estimated project cost of \$24500. A committee will negotiate further on possible expansion of this project.

Douglas Brooks was reappointed to the Board of Appeals. Michael Fusilier and Lyle Widmayer were reappointed to the Planning Commission, and John Schmidt was appointed as a new member of the Planning Commission, replacing Dale Embry, who has resigned.

A resolution was adopted, setting salaries for the elected officials as follows: Supervisor \$11000, Clerk \$16000, Treasurer \$16000, Trustees \$1320 each, Constable \$300 each.

The Annual Meeting will be held on Thursday, June 29th, at 8:00 p.m. A Budget Hearing will be held before the Annual Meeting at 7:30 p.m. Also, a Budget Workshop was scheduled for Monday, June 26th, at 8:00 p.m.

Landscaping, eavestroughs, and a phone system for the Township Hall were discussed, with no action taken.

Routine correspondence required no action from the Board. The April activity report for the Fire Department included 10 fires, 6 medical runs, 4 personal injury runs, and 4 miscellaneous, for a total of 24 runs.

With the successful completion of a one year trial period operating a basic life support ambulance with the Fire Department, authority was given to the Supervisor and Clerk to sign a new contract with Huron Valley Ambulance for a four year period.

There being no further business to come before the Board, the meeting adjourned at 10:09 p.m.

The next regular Meeting of the Manchester Township Board will be Monday, June 12, 1995, at 8:00 p.m. at the township hall- 275 South Macomb Street. A complete copy of the minutes may be viewed in the township office during normal office hours, which are Monday, Tuesday, Wednesday, and Friday from 8:30 a.m. to noon.

Forget Them Not On Memorial Day

*It seems that all through history
 Our wars will never cease;
 And sad to say, we must agree
 There never will be peace.
 Now frequently we're called upon
 To try to end the strife;
 But all too many now are gone,
 For each man gave his life.
 And with our freedom under threat,
 Each hero from the start
 Performed in ways we won't forget
 For each man played his part.
 Our House of Worship speaks with pride
 And gives us this command:
 Remember those who fought and died
 For freedom in our land.*

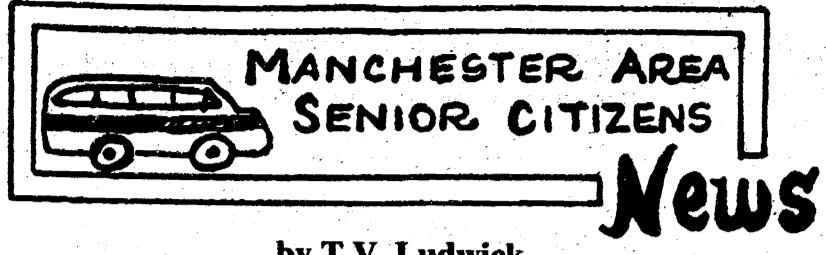

—Gloria Nowak

These dead shall not have died in vain; that the nation under God, shall have a new birth of freedom.
 —Abraham Lincoln

We fight not to enslave, but to set a country free.
 —Thomas Paine

...we ought to lay down our lives for the brethren.
 —1 John 3:16

Senior Citizens

by T.V. Ludwick

Here is a continuation of 'Clyde Nichols Writes Notes on England' and a memorial to him as 'Taps' were sounded for him in March of '93. He served in the Engineering Corps for the US Army and was stationed in England for part of his World War II service in 1944.

"This place is very interesting to me—the people, shops, speech, etc. I'm seeing what the word rationing means. I bet we eat as much in one meal as the average civilian here gets in a whole day. How fortunate America really is and doesn't know it. Remember what I say and devoutly thank God you're in the U.S.A. and a citizen. When we see the Stars and Stripes over here it means a lot more to us and we do a lot of serious thinking. Just recently a man here lost his gas for a year simply because he took a purely pleasure drive of 8 or 10 miles. We're quartered in a remodeled factory building. It's heated, so we're lucky. 500 lbs. of coal per month is the civilian rationing per house, so you can see the situation since England has many mines."

"People over here are working 12-13 hours a day but they aren't getting half the proportionate money Americans are. Once again shows Britain is making it a total war effort. If boys of 17 strike they automatically are called in the army. The average girl leaves school at 14 and goes to work for 4 years (42 hours per week) for 18 shillings a week (\$3.60). After 4 years she becomes a full-fledged worker and toils the rest of her days for 2 pounds (\$8) per week. (The first year of apprenticeship she receives 15 shillings per week.)

"Will close with the latest joke. Two Englishmen met in a pub. Said one: "Tis indeed horrible, we used to criticize this blasted weather. Now the Yanks are here, we have to defend it!" (Note—a friend of Mom's called Clyde the Ernie Pyle of the European Theater and we hope you have found this interesting.)

Thursday, May 25: Exercise class starts at 10:30 and what fun! Come to the Center and join us. Jan and crew will serve a 'picnic style meal' at 12 noon in Emanuel's dining room for all who are 55 or older in our area. (Better come, the meal dates are running out.) A Health Program is planned, come see

and enjoy at 12:30. At 6:30, senior bus begins pickup for the Senior sponsored Card Party at Freedom Township Hall starting at 8 PM. You may ride along by first calling Erma Alber at 428-8707 for your reservation.

Have a happy and safe Memorial Day. Fly your flag and attend services at the cemetery.

Tuesday, May 30: 12 noon senior meal will have Jan's famous meat loaf on the menu. We will have another smiling voice answering your ring at 428-8359 as Linda Simkiss is retiring and Sharman Pfaut taking over her duties in Emanuel's office. How can our senior citizens thank you, Linda? Her usual response of "No problem" has made us feel that any request wasn't, large or small. Thank you for all you have done and "Happy Retirement, Linda". Wednesday, May 31st trip to Battle Creek's World's Longest Breakfast Table will take place on Saturday, June 10.

Thursday, June 1: Come to exercise class at 10:30. Today is the June Birthday Bash for all June-born seniors who will enjoy pork chops with their birthday fun.

The Manchester Area Girl Scouts planted flowers on Main Street this past weekend. Each troop is responsible for the care of the beds they planted. The best tenders will be rewarded at summer's end.

Main Street is a dangerous place! The Black Sheep building is the latest victim of a string of catastrophes on the block's north side.

CRC Honors Outstanding

Honored at the CRC Banquet: Front, L-R: Rubena Boelter, American Legion Auxiliary; Anita Hosmer, Manchester Recreation Task Force; Karen Kozar and Katherine Ray, Leaders of Girl Scout Troop 543; Back, L-R: Helen Fisher, CRC; Reno Feldkamp, Manchester Area Historical Society; Lucile Bruner, Manchester Girl Scouts; Jim Achtenberg, Manchester Chamber of Commerce. Also honored, but not pictured: Pat DuRussel, Knights of Columbus; and Mike Miner, 20th Century Club.

Each year the Community Resource Center recognizes notable volunteer commitments in the Manchester Community. So many people, named and unnamed, have dedicated innumerable hours to the people and institutions of their home town - whether adopted or home grown. Those who have been honored are among a very few of these volunteers.

Jim Achtenberg was nominated by the Chamber of Commerce. Jim's activities include his position as president of the Manchester Area Chamber of Commerce which he has held for the past two years. He has been an Eagle Scout advisor, helped organize and carry out the Optimist Christmas party for children of the community, and promotes community events in his store.

Rubena Boelter, nominated by the American Legion Auxiliary, has been the chairperson of the Manchester Area Senior Citizens for the past ten years. She coordinates senior trips, card parties, and refreshments. As a life-long member of St. Thomas Lutheran Church, Rubena has taught Sunday School for 30 years. She has also been active in the Red Cross bloodmobiles, and collected for the Cancer Society. Rubena was awarded the **Claire Reck Volunteer Service Award** for her involvement.

The Community Resource Center annually recognizes a community group who provides services which benefit the people in Manchester School District. This year the recognition was awarded to The

Volunteers at Banquet

Manchester Area Girl Scouts who consistently gather food for the food cupboard, organize programs which benefit seniors, and complete service projects which beautify our community. **Lucile Bruner** accepted the recognition on behalf of the Girl Scouts.

The Knights of Columbus nominated **Pat DuRussel** as their outstanding volunteer as he has been active in the organization for nineteen years. As past Grand Knight, present Treasurer, chairman of fish fries, bingo, and the basketball free throw contests, and an active volunteer on Christmas in April, the American Legion, and the 24 Hour Relay Challenge, Pat has demonstrated his commitment to his community.

Manchester Area Historical Society recognized **Reno Feldkamp** as an outstanding volunteer. As a longtime member, Reno has chaired the Calendar project for four years, served

as president for three years, and has aided in the external renovation of the Blacksmith Shop building. Reno is also an active member of the Optimist Club, the Alumni Association, and is a trustee of Sharon Township.

Helen Fisher was nominated by the Community Resource Center as an outstanding volunteer for her involvement in and dedication to Christmas In the Village. Helen's other volunteer activities include art projects at Klager and Middle School and as an active volunteer in many school activities.

Anita Hosmer was the nominee of the Manchester Recreation Task Force. Along with Sue Gisting, Anita has helped organize "things to do" for the young people of Manchester for the past three years. Her interest and involvement with the young people of the community does not end there. High School kids often refer to Anita as a "second

mom". She is also actively working to promote programs to assist Learning Disabled or Attention Deficit Disorder kids at the high school level.

Mike Miner has helped people in Manchester for such a long time, no one can remember exactly how long he's been doing his "volunteer thing." The women of the Twentieth Century Club have recognized his endeavors on behalf of senior citizens, and anyone else in the community. As the sexton of Oak Grove Cemetery, Mike also serves as an amateur genealogist and local historian to those who come to the cemetery looking for "lost" relatives.

Karen Kozar and Katherine Ray are the dedicated troop leaders of Girl Scout Troop 543. Their outstanding leadership has earned their troop the Challenge Honor Award for the fourth year in a row. They have worked with the troop since their Daisy Girl Scout year in kindergarten.

The girls are now in fourth grade and look forward to many more years of scouting under Karen & Katherine's leadership. Both have also spent many years as volunteers in the Manchester Community Schools and Katherine is also an active member of Sharon United Methodist Church.

Again, the list of community volunteers only begins here...it doesn't end. You probably could find many more dedicated volunteers within the groups to which you belong. Take notice! And let the CRC know about those special people so they can be appropriately recognized in years to come.

Chris Brooks & Martha Mackres, CRC Board members, presented the awards, pictured here with Reno Feldkamp.

KLAGER PTO MEETING
April 25, 1995
DRAFT MINUTES (subject to review and modification)

Meeting called to order at 6:38 PM by John Adams, PTO President

PTO Council members present: John Adams, Lorri McConnell, Brian Zink, Tina Way, Susan Callaway, Beverly Detloff, Lisa Brinkman, Laurie Carey, Terri Jobkar, Bruce Thomson, Carolin Gregerson, Doris Taddonio, Cindy Smith. PTO members present (non-Council): none

Klager Principal/Teachers present: Yvonne Henry, Kay Miller, Karin Hanson, Laura Spensley

Guests: Ron Niedzwiecki (school superintendent)

1. **Previous minutes** from 3/28/95 meeting were reviewed and accepted.

2. **Treasurer's Report:** See attached report. Ending balance \$22,042.82 Approved by vote.

3. **President's report:** a.) John Adams announced that nominations are now open for Board Members for the 1995-1996 Klager PTO. This includes the offices of President, Vice-President, Recording Secretary, Correspondence Secretary, and Treasurer. John has sent out nomination ballots to the PTO Council. Any nominations should be turned in to John or put in the PTO mailbox in the Klagers school office.

4. **Committee reports:** a.) **Fund-raising** — A motion was made for the PTO to conduct a fall fund-raiser with the Frankenmuth Co., and Lisa Brinkman will again Chair this effort (for the last time!) Approved by vote. In return for the PTO's support, Frankenmuth has pledged to donate a popcorn machine to the PTO, and will again help us with acquiring Franklin spellers at a discounted cost. b.) **Assemblies** — Carolin Gregerson reviewed possible assemblies for next year. Additional funding was approved (see below). c.) **Play-ground** — Susan Callaway has received estimates for excavation and equipment for a new soccer field. It may be possible during construction at Klager for a new f at area to be made for a soccer field. Sue will look into this further. The playground track has some lumps in it, and will need maintenance. d.) **T-shirt** — no new report. e.) **Financial** — Bruce Thomson reviewed the ideas that have been previously suggested for capital spending. Possible uses: 1. Art Trip for each grade to help with art program (Hanson) 2. Art teacher salary support. 3. Accelerated Reader program will need continued support. A motion was made to increase the amount of funding for field trips from \$500/yr. to \$2,000. Approved by vote. A motion was made to raise the Assembly budget to \$3,500 for 95-96. Approved by vote. Ron Niedzwiecki noted that the capital needs will be more obvious in the fall once plans and budgets for renovations are finalized. f.) **Carnival** — no new report. g.) **Constitution and Bylaws** — no new issues were raised. h.) **Teach Appreciation** — no new issues were raised. i.) **Super Parent Volunteer** rep. - Beverly

Detloff reported that a meeting was held recently to discuss changes in the Super Parent Volunteer program are planned. Suggestions were made that a grade representative be appointed, separate from the Head Room Parent to help with organizing and notification of parents. A committee is working on definition of coordinator's role and the roles of the room parent. Further information will be presented at this committee completes its work.

j.) **Arts Committee** - no new report.

5. **Principal's Report:** Yvonne Henry reviewed calendar items for May. The North Central Accreditation plaque has been received. Klager will be working toward obtaining full Michigan accreditation, which very few schools in the state have received. In order to be accredited schools must have 65% of students pass the MEAP test for 3 consecutive years.

6. **Old business:** a.) Brian Zink announced that the Michigan Head Injury Alliance Head Smart bicycle safety education program grant was approved and we have received a \$500 voucher for helmet purchases. A motion was made that the \$250 required contribution from the PTO for this program be used to subsidize helmets for needy families in the Manchester community. This was approved by vote. The program will include in-class activities organized by the teachers, assemblies on May 9, 1995 for grades 14, and a helmet and accessory sale. Parents of Klager kids will have the opportunity to buy helmets at a reduced price. The \$500 grant will subsidize the cost. An order sheet will be sent home with children the week of May 8th. The order sheets will be due back on Monday, May 22. b.) The Manchester community will be participating in a 24 Hour Relay Challenge over Memorial Day weekend. Yvonne gave a run down on the program. 10 teams registered. Non-monetary PTO support will be requested as this date draws nearer.

7. **New business:** a.) Karin Hanson and Laura Spensley presented their Team Room plan. This is a curriculum developed for an integrated grade 1-2 educational program that allows for collaborative learning, socialization, and activities. A two year, "looping" commitment is required. This is not a new concept, but Laura and Karin are looking at innovative teaching methods and programs that are suitable for a multi-age classroom. The grade 1-2 Team Room will be offered for 95-96 school year. Parent request is possible, but can be overruled by teacher recommendation. The number of available slots is not yet determined.

Meeting adjourned at 8:30 PM

Next meeting Tuesday May 20th at 6:30 PM in room
 Respectfully submitted,
 Brian Zink
 Recording Secretary

Time for Seniors to Celebrate!

As the end of the school year approaches, the "senioritis" gets intense. Good thing all these activities get planned early in the year.

Now's the time! The graduating class of 1995 is not something that will happen in the distant future - it's here!

Here's the lowdown on what's happening with the senior class this spring:

Tuesday, May 23: After lunch, the seniors will get their caps and gowns. An exciting time and one where lots of laughter and camaraderie is bound to happen.

Wednesday, May 24: Physics class takes a trip to Cedar Point.

Thursday, May 25: Baccalaureate service will be at 7:00 PM at Emanuel Church. Those caps and gowns will be required attire tonight for this solemn yet joyful occasion.

Friday, May 26: Last day of regular classes for seniors. And starting at 3:15 PM the juniors are the reigning royalty at MHS.

Tuesday, May 30: Senior Breakfast will be at 8:00 AM (YAWN!), followed by graduation practice (mandatory) in the cafeteria. Also on Tuesday evening is Academic Awards Night - 7:30 PM in the cafeteria.

Wednesday, May 31-Friday, June 2: Senior Exams. The last time you have to remember the answers to those questions.

Sunday, June 4: 2:00 PM At The Athletic Field will be the time and the place for the culmination of all this activity - GRADUATION! Caps and gowns are, of course, once again required. Congratulations, everyone!

Tuesday, June 6th the Spring Athletic Awards will be presented at 7:00 PM.

Random Acts of Kindness
 by Annie Ganger

I think Random Acts of Kindness are nice because you can be very nice to other people. But you can be nice to people every day.

On Random Acts of Kindness Week you can be even nicer to people than you usually are on other days. It is a good thing we have Random Acts of Kindness because it teaches kids to be kind to others more than you always are.

PASS - passes it on!

QUESTION: My child was tested by the school to see why he/she was having difficulty in school; what are the tests testing for?

(Call 428-0738, leave message)

When a student is having difficulty in school, a parent or teacher may ask that the student be evaluated to see if a specific problem can be found. Call your student's principal or PASS to learn how to request an evaluation.

The evaluation process is a series of tests. The types of tests used will vary from student to student depending on the student's age and the type of difficulty he/she is having. It is important that the primary cause not the secondary symptom is found. For example, you may think your child has an attention problem, but the real cause may be a learning disability.

Here are the 6 types of tests given and the names of some of the specific tests in each type (if your child is given a test not included here, ask the school evaluation team what type of test it is or call PASS and we will help you find out):

1. **Intelligence and Readiness Tests** - Goals are to measure the student's knowledge, ability and readiness to perform higher-level tasks. These tests may be given more than once (or are spread out over many days); inconsistency can signify a learning disability. NOTE: it is often difficult to get an accurate reading on students with a history of classroom failure. Test names include: Stanford-Binet Intelligence Scale, Wechsler Intelligence Scale for Children Revised (WISC-R), Peabody Picture Vocabulary Test.

2. **Perceptual Development Tests** - Goals are to measure the student's fine or gross motor skills, to look at the relationship between motor skills and visual perception and to evaluate memory skills. For example, the student may be asked to copy a figure and to draw a stick figure. Test names include: Slosson Drawing Coordination Test, Illinois Test of Psycholinguistic Abilities (ITPA), Beery Visual-Motor Integration Test.

3. **Speech and Language Tests** - Goals are to determine the student's ability to communicate including how well he/she distinguishes and reproduces sounds, ability to express language verbally, ability to match an object or concept with its name and ability to understand abstract and concrete language. Test names include: Goldman-Fristor Test of Articulation, Expressive One-Word Picture Vocabulary Test (EOWPVT), Test of Language Development (TOLD).

4. **Achievement Tests** - Goals are to determine what the child has learned so far in many

academic areas. These tests are often used to measure your child's achievement compared to other children of the same age. Test names include: Woodcock-Johnson Psychoeducational Battery, Revised (WJ-R), Detroit Tests of Learning Aptitudes, Wide Range Achievement Test-R (WRAT-R), Gray Oral Reading Tests-Revised.

5. **Emotional Development and Personality Tests** - Goals are to measure a student's emotional make-up. These are administered by a psychologist and parental input is very important prior to testing. Test names include: Draw-a-Person Test, California Test of Personality, Tasks of Emotional Development.

6. **Neurological Tests** - Goals are to determine attention and concentration disorders such as those characteristic of ADD. Administered by a qualified neuropsychologist. Test names include: Retian-Indiana Neuropsychological Test Battery, Connor Scale of Hyperactivity and Conduct Problems, ANSER System.

PASS is a local committee of parents who have students who receive special help to SUCCEED in school. We would be glad to talk to you, to listen to you and to give you support and information to help you child SUCCEED in school. Call 428-0738 and leave a message. If you have a question, we can help you find the answer and will "pass it on" because other parents may have the same question.

This information was taken from *Help Me Help My Child* by Jill Bloom and *Parenting a Child with a Learning Disability* by Cheryl Gerson Tuttle, M.Ed. and Penny Paquette.

Klager Field Day - The Show Must Go On!

Despite chilly weather and a little bit of rain, Field Day went on last Thursday at Klager School. Here, Mrs. Lowery's third graders try their hands at rolling hoops. Whoever rolled their hula hoop the furthest was the winner.

Many relays were new this year. Here, Mrs. Hankamp's kindergartners work hard at completing a carpet relay.

Raingutter Regatta

The Cub Scouts of Pack 421 held their Raingutter Regatta on May 13, 1995. The weather cooperated except for an occasional headwind but the scouts prevailed. The cub scouts provided the "wind" to power their crafts down the course.

Good sportsmanship was the name of the game as the cub scouts cheered each other on and finished each race. The scouts raced by den and then competed for a pack championship.

Den winners are: Tiger Cubs- 1st place- Joey Vigilanti, 2nd place- Zachary Johnson, 3rd place- Ryan Smolinski, and 4th place- Chris Lilienthal. Den 1- 1st place- Luke Weber, 2nd place- Andrew Way. Den 5 winners are 1st place- Michael Taddonio, 2nd place- Bryce Dettloff, and 3rd place- Allen Scharpenberg. For Den 8, 1st place went to Jacob Bauer, 2nd place to Phil Hughes, 3rd place to Ben Wojtas, and 4th place to Adam DeConinck. William Cole took 1st place for Den 10.

Pack championship races were very close. Pack winners are 1st place Michael Taddonio, 2nd place Phil Hughes, and 3rd place Joey Vigilanti.

Following the official races the gutters were left up for fun races. Brothers, sisters, and parents were then able to see how their "wind" stood up to the scout experts.

Pack 421 would like to thank Mr. Hughes for organizing the event, Mr. Weber for officiating, and the Webelos of Den 8 for setting up. Special thanks to our charter organization, Emanuel Church, for use of the parking lot. We would also like to thank our special guest racer Brian DeConinck for racing in an open heat. Great job scouts!

Manchester Area Historical Society

The Manchester Area Historical Society met on Tuesday, May 16, 1995 at the Blacksmith Shop. The meeting was dedicated to the memory of John B. Swainson. Joining us for the evening were Carroll Whitehead, John's sister from Okemos, Tina and Allison Way, and Alice Swainson.

Howard Parr, chairman of the Swainson Room Committee, told us about John's involvement in purchasing, renovating and furnishing the Blacksmith Shop. "Ground will be broken," so to speak, soon on the remodeling of the room to accommodate more of John's mementos. Initially, there will be sealed display cases and lighting that filters out infrared and ultraviolet rays. Paper and fabric items cannot be preserved in the atmosphere of a working forge. In the future, a heating ventilation, and climate control system will be installed to maximize conservation of the contents of the room. Alice Swainson expressed her enthu-

siastic thanks to the Society for this opportunity to display some of John's things. She is very excited about the remodeling plans.

During the question and answer period, she told us about arriving in Washington, DC for John F. Kennedy's inaugural as a blizzard was brewing. When her husband told the hotel desk clerk that he was registering for John B. Swainson, Governor of the State of Michigan, the clerk asked, "Where is your father?" John was only 35 years old and looked much younger. It snowed so hard that night that Alice had to wear a heavy coat over her ball gown and boots.

The community is invited to our annual picnic which will be held on Tuesday, June 20, at 6:30 PM, and Sharon Mills. Bring your favorite dish to pass and enjoy an evening of conversation and entertainment by the Manchester Community Band, on the banks of the River Raisin.

Betty E. Cummings, Secretary

Masterpeace Counseling Joins National Network

Marley Gannon Pagel, MSW

Marley Gannon Pagel, MSW, has joined the Christian counseling agency MASTERPEACE Center for Counseling and Development. Ms. Pagel received her Master's degree in Social Work from Eastern Michigan University and provides counseling services to children, adults, older adults and groups.

MASTERPEACE Center for Counseling and Development has recently affiliated with Minirth Meier New Life Clinics referred to as "The world's largest and most trusted provider of Christian mental health services," says Dr. Steyaert, Clinical Director and psychologist for MASTERPEACE. Minirth Meier New Life Clinics are nationally known with over sixty-three programs around the country consisting of in-patient, out-patient, "day hospital" and specialized services such as "The Women's Treatment Program." Many people may have heard of Minirth Meier New Life from one of it's daily Christian radio programs; nation wide telephone

resource line for resources, books and video tapes; monthly magazines and nationwide 24 hour telephone line for counseling referrals. In 1994 Minirth Meier New Life and MASTERPEACE became affiliated to provide Christian mental health services.

Dr. Steyaert emphasized that MASTERPEACE services are for anyone interested in a total life approach to healing. "You do not need to be religious or go to church to begin services with us; we begin by helping people where they are."

Currently MASTERPEACE, which is located at 313 N. Evans Street in Tecumseh, is staffed with psychologists Jim Steyaert, Eleanor Hall and George Francel; social workers Craig Miller, Paul Susan, Susan Manney, Marley Gannon Pagel and Amy Sage; clergy, Bruce Fry and an available psychiatrist.

For more information or requests to speak with a counselor you may contact MASTERPEACE at 517-423-6889.

Art Fair in Chelsea

The Chelsea Painters will hold their annual Art Fair on the grounds of the Chelsea Community Hospital and Chelsea Medical Center on Saturday June 3, and Sunday June 4 from 10 AM to 5 PM. Area Award winning artists will exhibit and sell original art including watercolors, acrylics, oils, prints, drawings, collages and cards.

A percentage of the proceeds will enable us to award the Palmer Medical Scholarship. Since 1974, the Chelsea Painters have given more than \$11,000 to this fund. Last year the recipient was Ravi Vadlamundi from Chelsea, a medical student enrolled at Michigan State University.

The Chelsea Community Hospital Auxiliary will assist with refreshments and there will be entertainment by Marianne Murphy on both days. This event will be held rain or shine and is open to the public.

Memorial Day Observances

American Legion Sponsors Traditional Parade
The American Legion will be holding its annual Memorial Day Parade and ceremonies on Monday, May 29th. Beginning at the Tank Monument in front of the American Legion Hall, the parade will proceed to the Main Street Bridge, then continue up Main Street to Wurster Park and end at Oak Grove Cemetery. Services at the cemetery will be conducted by Lt. Col Stanley C. McKenzie.

Miss Poppy, Heather Lynne Popkey, will be the parade's guest of honor. She will assist at the ceremonies held at each stop along the parade route.

Commander Kerry Deacons of the Legion has announced that immediately following the parade, a potluck dinner will be served at the Legion Hall. All veterans and their families are invited to attend. Dinner will begin around 2:00. A flag retirement ceremony will be held at 4:00 PM. If you have an old or damaged flag, please contact a Legion member or call 428-8500 in the afternoon or evening to make arrangements.

Emanuel Church to hold Memorial Day Service
Please join Emanuel Church in celebrating Memorial Day on Sunday by wearing your military uniform or whichever portion still fits or you retain. It will be a day of remembrance and honor for those who have served.

A special invitation is given to American Legion Post 117 and Auxiliary Unit 117, Manchester VFW and those presently serving on active duty.

This service, Sunday, May 28 at 10:30 AM, will help our young people understand the sacrifice and duty that we owe our fellow countrymen and nation.

THANK YOU

Our Profound Thank You to Manchester Volunteer Fire Department. Thanks for the quick response and your efforts for saving the building. The Aura Inn

I would like to thank my Family & Friends for the Cards, Flowers, Prayers, Visits and extra help during my hospital stay and since my return home. It is reassuring to know that Family and Friends are always there to help. Pat Fielder

We would like to thank the Manchester Community for your support of our car wash/ bake sale on May 13. Due to your generosity we were able to raise a substantial amount for our future youth activities.

and employees to hear their concerns and requests for better service. While I was chatting with them, a local shopper came up to tell them how pleased she was with the improvements to date, and she had "one little request" for them. Sure enough, Jerry made a mental note of it and she'll probably be able to get that item the next time she comes in.

Both Jeff and Jerry are very pleased with the warm reception they have received here in Manchester and appreciate all the patience, understanding, and support of the customers during this transition. We have waited a long while for this and I'm sure Manchester will once again show they support community-based businesses.

Welcome to Manchester, Jeff and Jerry, and best of luck to you and the Manchester Market!!
