Speaking for the people of the Manchester Area

128th Year -- No. 33

Manchester, Michigan

40c per copy

Gary Wiedmayer Elected Chief by Fire Department

A fifteen-year veteran of the Manchester Township Fire Department has been elected by a majority of the membership to succeed Chief Mike Scully. The results of the election are not official, however, until approved by the Manchester Township Board at their June 12 meeting.

Gary Wiedmayer, a Village employee, joined the Fire Department in August, 1980. If approved by the Board, his appointment will become official on July 1 with the commencement of a new fiscal year. Elections are held every year, so Gary's appointment is valid for one year and renewable.

The election was prefaced by remarks from Scully, indicating that the new chief "would have work to do. He'll have to take the handle and do the job." Four fire fighters were vying for the position of chief: Glenn Glinski, Todd Knepper, Don Steele and Wiedmayer. Glinski, Knepper and Steele all had an opportunity to run for another position if they chose, as each position's ballots were marked separately. Write-ins were also accepted on the ballots. A total of 24 ballots, including five absentee, were counted for the position of Fire Chief.

Additional officers were also elected for the Fire Department on Wednesday evening. Recommendations for Assistant Chiefs were Gene Kemeter and Gale Koebbe. Captain - Bill Scully. Lieutenants: Kris Kensler and Dave Jose. Secretary - Treasurer: Harry Johnson.

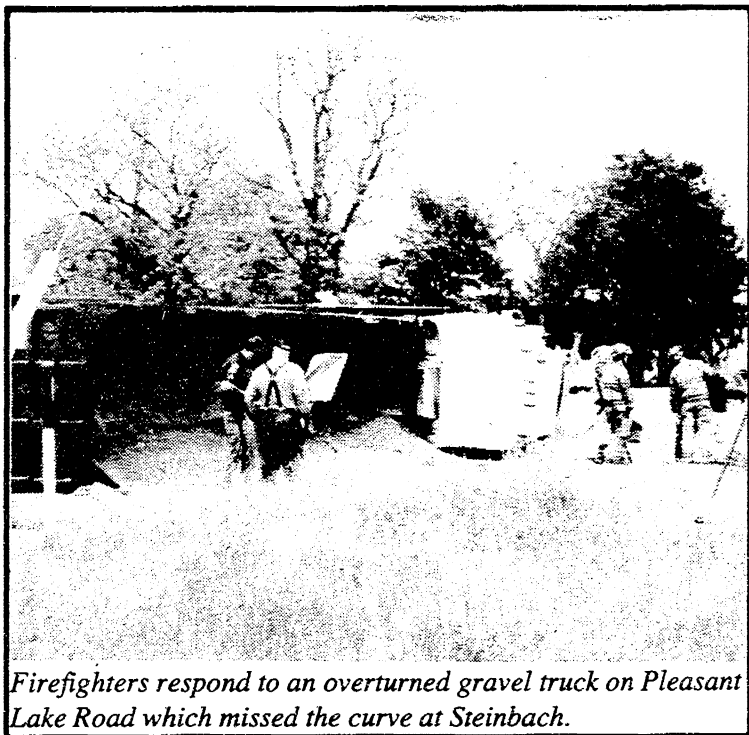

Wiedmayer said he has no immediate plans to make "big changes" in the Fire Department. "The safety of our members and the well-being of the community will continue to be our main concerns," he indicated. Their goal of good relationships with the community and other fire departments is also an important concern. Wiedmayer noted that he looks forward to learning more about rules and regulations and indicated that he would rely heavily on the expertise of recent past chiefs Scully and Keith Johnson.

Last week's article on the Fire Department raised some questions from both community and department members. State and federal regulations do require that volunteer fire fighters be attired in turn-out

gear when responding to a fire call or Personal Injury where the Jaws of Life will be required. This has been incorporated into procedure in our local department since 1991. However, since our department is all "volunteer," and members have to come from home or other jobs to respond to a call, a quick response is the immediate goal. Nearly every week the Enterprise receives thank you's to the Fire Department for their quick and professional response to an urgent medical call.

We can be proud of the professional attitude held by our local fire fighters. Their response has saved many lives and their best effort is always put forth.

- Marsha Johnson Chartrand

Firefighters respond to an overturned gravel truck on Pleasant Lake Road which missed the curve at Steinbach.

A Rescue team member and HVA paramedics treat the driver of the gravel truck.

High School Evacuated for Smoke Bomb

A fire fighter investigates the source of the smoke-filled hall at the high school last Thursday

On Thursday, June 1, 1995 a high school student discharged a large smoke grenade in a locker causing the building to be evacuated just prior to the end of the school day. The fire department and police responded. No one was injured and there was some damage to the locker.

The fire alarm was activated in the main office after discovering that three of the alarm pull stations did not function properly. The stations were immediately repaired. New procedures and a schedule for regular inspections have been developed and implemented.

It was discovered during the end of sixth hour that someone discharged a fire extinguisher in the hallway. In an effort to prevent further tampering, the discharged container and one additional hallway extinguisher were removed from their cabinets and placed in the office. There are five hallway fire extinguish-

ers and a total of 28 in the building. Additional security cabinets will be installed in the hallways to discourage further vandalism. Fire extinguishers will not be removed from their location in the future.

The evacuation of the building took place a few minutes before the end of the day causing some confusion. Students were outside when the 3:15 p.m. dismissal bell rang. Some students left their class groups to go to their cars, others walked home or boarded buses. Some students requested entrance into the building to go to their lockers and get their books. The smoke from the smoke grenade was still very heavy, not allowing re-entry into the building.

Procedures for evacuation at that time of the day are being reviewed and will be clarified.

MANCHESTER ENTERPRISE

Second Front Page-- Summer's Here!

The Sweet Sights, Sounds and Smells of Summer in Manchester

Pop Quiz: You know it's summer in Manchester when:

- you can smell lilies of the valley and peonies as you walk through town
- you see kids with cans of shaving cream in their hands
- you hear the Raisin Pickers tuning up at the gazebo

Answer - All of the Above! And much, more. The smell of peanuts, popcorn and elephant ears at the fair (not to mention at the circus). The sight (sound, and smell) of fireworks in the sky late in the evening. The smell of chicken broiling on a hot summer afternoon - and the sight of all those cars cruising into town in search of those broilers!

Yes, it's summer once again in Manchester. Those "lazy, hazy, crazy days" have returned and this summer full of activities will be better than ever! This year's Summer Festival has expanded to two days. We have a full schedule of nine gazebo concerts. The Kelly-Miller Circus has scheduled a return engagement to Manchester. The Manchester Day Camp is back, bigger than ever before.

Starting **June 15th**, **The Gazebo Concerts** will provide good old-fashioned family entertainment on Thursdays. On pleasant evenings, bring a lawn chair or a blanket. If there's inclement weather, head for the Emanuel Church at 7:30 instead and hear the same great music you've come to expect - and more! Kicking off the season on the evening of the 15th will be **Fiddler's Philharmonic** - a group comprised of about 30 young people from the Saline area who all play fiddle. They will be following up with an appearance at the Ann Arbor Summer Festival later in the month.

June 17th will bring the return of another "new" Manchester tradition. **Teen Street Dances** will be held again this summer, and three of them have been planned. The music starts at 9:00 and the dance will end at midnight. All you Cinderellas and handsome princes between the ages of 13 & 19 come and enjoy "Silver Sounds." And parents, you know when your kids say they're going "up town," there will be something constructive for them to do!

Come **Monday, June 19th**, **The Manchester Day Camp** will return to Carr Park for another week (through Thursday, June 22) of fun, crafts and games. All the people who make Day Camp happen are **volunteers** who do it because they care about the kids of our community. Many thanks to all of you! You have certainly helped to make some great summer

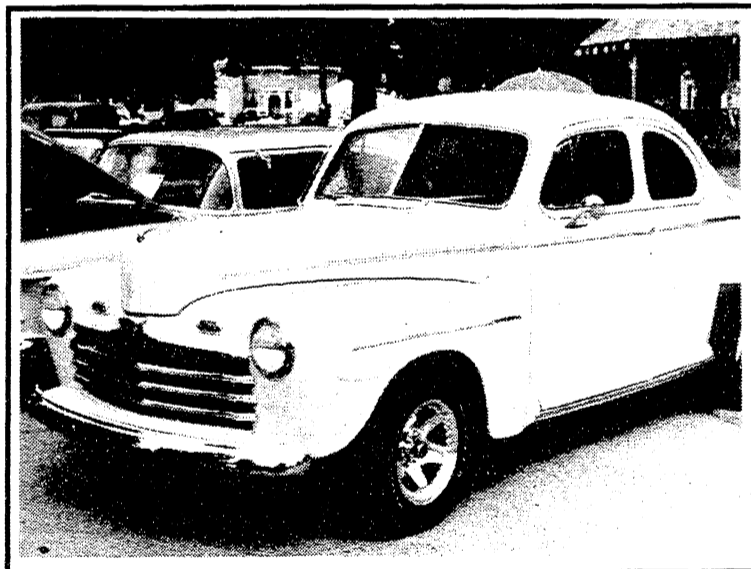

memories for local youngsters. Day Camp is in its eighth year this summer.

On **June 22**, head on back to Wurster Park for the second gazebo concert of the season. Tonight will feature **Loyse**

local group.

The highlight of the summer here in Manchester has to be the **Men's Club Fireworks**, at Carr Park. This year they will be held on **July 1** and promise to be as breathtaking as ever. The

Huffman. Loyse is formerly of the group Terra Firma, who appeared at the Gazebo last summer. Now on his own, Loyse will bring his folksy sound to Manchester once again. Joining him that evening will be the talented **O.J. Anderson**. Be sure to stop by for this double feature!

The **Kelly Miller Circus** follows on **June 28th** at the Alumni Memorial Athletic Field near the Middle School, for two shows at 4:30 and 7:30 PM. An all-new show for 1995 will feature high wire acts and plenty of animals. Advance tickets are available at the Manchester Pharmacy, all three banks, and G.E. Wacker, Inc. Save \$1 on each ticket over the gate price by purchasing yours early. Proceeds support the Community Resource Center.

The second annual **TEEN NIGHT** at the Gazebo will bring rock 'n' roll back to town on **June 29**. This year's feature is "**Shirley's Temple**," a popular

men of the Manchester Township Fire Department cooperate with the Men's Club so that the fireworks get set off in the safest manner.

July 6th will bring **Manchester Community Band and Chamber Orchestra** for a special evening at the Gazebo. This is an annual tradition enjoyed by concertgoers of all ages.

The night of **July 8** will be another evening of rock 'n' roll on Adrian Street, as The

Manchester Recreation Task Force brings another **teen dance** to town. The times and the DJ will remain the same.

From **July 11-15**, the Alumni Memorial Field will be home to the **Manchester Community Fair**. Kicking off the week will be the Fair Parade and Queen Contest on the evening of Tuesday, July 11. This week there will be no Gazebo Concert, since entertainment will be at the Fair grounds nightly.

July 20 will be the date of **42nd Annual Chicken Broil** at Alumni Memorial Field. After filling up with as much chicken, chips, coleslaw and radishes as you can eat, take a stroll to burn up some of those calories - head on down to the gazebo for the **AYU Quartet**. A barbershop group making their return appearance here, AYU will provide some terrific harmony and soothing sounds to top off the evening.

And that will just be a warm up for all the activity on Main Street when the **Manchester Summer Festival** starts on

Friday,

July 21.

For two full days, the downtown area will be the scene of artists, crafters, food booths and more for your enjoyment. Merchants will be

selling sidewalk sale items and a street dance will be held on Friday evening. All day Saturday

you can continue to stroll through the booths and find plenty of bargains. Begin your holiday shopping that weekend! And don't think that you can see it all on Friday! The **Midwest Ford/Kool Cruisers Classic Car Show** will extend down Main Street on **Saturday, July 22**. Last year they had a great turnout with 112 cars. This year they expect an even better response. Don't miss this special event!

By **July 27th**, we'll be ready for some easy listening music and we will get it. **One Flight Up**, a five piece band who plays bluegrass and folk-type music, will be here to help Manchester 'chill out' on a hot summer evening.

August always brings us those so-called 'dog days' of summer. The dogs and the people alike will probably love **Mulligan Stew**, **August 3rd's** offering at the Gazebo. Mulligan Stew is a three-piece group which will provide another evening of entertainment for the entire family. Don't forget your lawn chairs - and a little refreshment never goes amiss, either. Picnic baskets are often in evidence down at the Gazebo on Thursday nights.

Those who enjoy hammered dulcimer music will welcome **Wes Linenkugel** back to the Gazebo on **August 10th** after a year's absence. His incredible talent on this complex instrument always makes for a memorable concert. You'll wonder where the rest of the band is, when you hear Wes playing.

The final **teen dance** of the summer will take place on **Saturday, August 12**. Once again, music will be provided by Silver Sounds and Manchester's 13 through 19-year-old residents will take over the downtown from 9 til midnight. Better enjoy this one last party before school starts again, kids!

It seems like we've made short work of the summer here, with the last Gazebo concert scheduled for **August 17**. This week we will welcome the **Dexter Twirlers**, a western square dance group. Put on your dancing shoes and head for one more fling this summer!

The **Manchester Golf Open** will be held at an area golf course on **Sunday, August 20**. This is a benefit for the Community Resource Center and helps them further their programs in the Manchester area. Not to mention plenty of fun and prizes for all those involved.

Summer in Manchester is something to get excited about!

- by Marsha Johnson Chartrand

Editorial / Opinion

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions.
We ask that all letters submitted for publication be signed.
Should there be extenuating circumstances for withholding your name, we will give that full consideration.

Editor:

I have an idea for those pious individuals at the recent Academy Awards who advocated continued funding for the Endowment for the Arts by the Federal Government (i.e. we taxpayers). Though it would be a great sacrifice in many of their own private life-styles, I suggest they collectively donate the dollar amount normally spent on illegal drugs for one year. Though I don't have exact statistics, I'm sure the figure would fund the Endowment for the Arts well into the next century. That would also leave a few cents of "endowment tax relief" for each of the rest of us to fund our less glamorous pursuit of providing for our working class families.
 Harry Macomber

Dear Editor:

As a visitor from upstate New York, I had a wonderful time browsing through Manchester's eclectic shops. But it's a shame that a rude shopkeeper in the Manchester Antique Mall marred my visit. With his attitude, I'm surprised he stays in business. I'll definitely be back, but not to his shop!

Sincerely,
 Cynthia Cutler

To the Voters:

I am writing in support of School Board candidate Emory Garlick.

Many people in this community may not be aware that Emory is a veteran of the Korean War, having served two years during that conflict, including service time in action in Korea. During his service in the Army, he was trained in reconnaissance operations and drove "Walker Bulldog" light tanks in Korea.

As a fellow veteran I would like to endorse Emory as a school board candidate. I feel his military service is but one reflection of his capability for service to our community.

Sincerely,
 Kerry Deacons
 Commander, American Legion Post #117

To the voters of the Manchester School District:

I would encourage anyone in the school district that isn't planning to vote on the June 12, 1995 school board candidates election to seriously reconsider. Your vote is important and should not be lost. This election is crucial to the future course of this school district.

The school board oversees the direction of the education of our children and this task should not be taken lightly. Of the three candidates running I strongly urge you to vote for Emory Garlick as the best candidate. He is concerned, expertly qualified, and will search out answers and solutions to problems confronting the school board. He will blend well with other board members and work toward making the Manchester School system the best ever. His varied background lends itself well to present school endeavors. Finally, a vote for Emory Garlick is a vote toward a sound and well-managed school system.

Please vote on June 12, 1995.

Out & About

by gar

Sunday was graduation day for the class of 1995. I was very proud of the graduates and the way they conducted themselves.

More importantly the Parents, Relatives and Friends of the Graduates are justifiably proud of their accomplishment's. For the parents the journey across the stage, to accept their diplomas, started some 18 years ago. The trials and tribulations that both the parents and the graduates faced during those years became a memory - particularly when the graduates went into the stands to present roses to parents and friends.

Some of the members of the class of '95 will go on with their formal education. However, all of the members of the class of '95 will gain further education, be it additional formal schooling

or the school of experience. They will experience hard knocks, learning to deal with their fellow mankind and raise their own children.

I saw one particular act of courage with this graduating class. Angie Carlson used a walker to go up the ramp to receive her diploma. I have never seen Angie stand before, she has been at athletic events and school functions with her motorized chair. That act of courage, standing on her feet, should be an inspiration to all of us in what can be accomplished with determination.

Let this class of 1995 go forward with the courage to stand on their feet and meet the challenges they will face in life.

EDITORS NOTE:

We promised last week that we would run a "letter to the editor" this week. The letter was sent to the Superintendent of Schools, each board member and myself. "J.K." made some allegations of serious problems. There have been two resignations.

Superintendent Niedzwiecki has asked the Enterprise for additional time to complete his investigation before we print the letter in question.

"J.K." and I met with the Superintendent and the Executive Committee Wednesday last. We feel it is in the best interests of all persons involved to delay publication of the letter for at least one more week.

Emory Garlick, Editor.

Editorial

Emory Garlick

Despicable or Conspiracy are the only words that came to mind when I saw the Ann Arbor News report that there were only TWO candidates running for the Manchester School Board. But there are THREE, and I'm the person who was cleverly omitted.

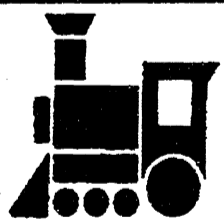

But then I guess I could expect no less from either the Superintendent's office or the Board Secretary, neither of which want me on the Board of Education. They only want YES persons representing the community! Well that ain't me...

I spoke to Karl Bates of the Ann Arbor News and he assured me that the omission of my name was not the result of a "mistake by the Ann Arbor News. This omission came directly from the Superintendents office, not just once but TWICE.

Well - fancy that.

Somebody obviously doesn't want you to know that I'm a school board candidate. I assure you that I am.

Please vote in the School Board election on MONDAY, JUNE 12 at the Manchester High School, 710 East Main Street, 7 AM to 8 PM.

MICHIGAN CONSOLIDATED GAS COMPANY GAS FRANCHISE ORDINANCE ORDINANCE NO. 24

AN ORDINANCE, granting to MICHIGAN CONSOLIDATED GAS COMPANY, its successors and assigns, the right, power, and authority to lay, maintain, and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges and other public places, and to do a local gas business in the TOWNSHIP OF FREEDOM, WASHTENAW COUNTY, MICHIGAN for a period of thirty years.

THE TOWNSHIP OF FREEDOM ORDAINS:

Section 1. Grant of Gas Franchise and Consent to Laying of Pipes, Etc. Subject to all the terms and conditions mentioned in this ordinance, consent is hereby given to Michigan Consolidated Gas Company, a corporation organized under the laws of the State of Michigan (the "Company"), and to its successors and assigns, to lay, maintain, operate, and use gas pipes, mains, conductors, service pipes, and other necessary equipment in the highways, streets, alleys, and other public places in the Township of Freedom, Washtenaw County, Michigan, and a non-exclusive franchise is hereby granted to the Company, its successors and assigns, to transact local business in said Township of Freedom, for the purposes of conveying gas into and through and supplying and selling gas in said Township of Freedom and all other matters incidental thereto.

Section 2. Installation and Extension of system. If the provisions and conditions herein contained are accepted by the Company, as in Section 6 hereof provided, then within not more than one (1) year following the later of the date upon which this ordinance takes effect and the date upon which the Company receives such regulatory approval as may be necessary for the Company to convey gas to the Township of Freedom and to construct and operate its facilities therein, the Company shall determine the area within the Township of Freedom to be served initially and commence the installation of a gas distribution system within such area, and the Company shall thereafter proceed to complete all initial installation as soon as reasonably practicable; provided, however, that the Company shall not be held responsible for delays due to weather or labor conditions, inability to procure necessary materials, or other causes beyond its control; and provided further that such initial installation and any extensions shall be subject to the Main Extension provisions, the Area Expansion Program provisions (if and where applicable), and other applicable provisions now or from time to time hereafter contained in the Company's Rules and Regulations for Gas Service as filed with the Michigan Public Service Commission or successor agency having similar jurisdiction.

Section 3. Use of Streets and Other Public Places. The Company, its successors and assigns, shall not unnecessarily obstruct the passage of any of the highways, streets, alleys, or other public places within said Township of Freedom and shall within a reasonable time after making an opening or excavation, repair the same and leave it in as good condition as before the opening or excavation was made. The Company, its successors and assigns, shall use due care in exercising the privileges herein contained and shall be liable to said Township for all damages and costs which may be recovered against said Township of Freedom arising from the default, carelessness, or negligence of the Company or its officers, agents, and servants. No road, street, alley, or highway shall be opened for the laying of trunk lines or lateral mains except upon application to the Highway Commissioner or the Township of Freedom, or other authority having jurisdiction in the premises, stating the nature of the proposed work and the route. Upon receipt of such application, it shall be the duty of the Highway Commissioners or the Township Board, or such other authority as may have jurisdiction, to issue a permit to the Company to do the work proposed.

All facilities erected by a franchise within the Township shall be so located so as to cause minimum interferences with the proper use of public rights-of-way and public places and to cause minimum interference with the rights and conveniences of adjoining property owners. In case of any disturbance or damage by company work to the buildings, streets, sidewalks, alleys, public ways or other public or private property, the franchisee shall at its own expense promptly and in a manner acceptable to the Township replace, repair and otherwise restore such disturbance or damage.

If the Township or the Washtenaw County Road Commission shall elect to alter the grade, alignment, or location of any street, sidewalk, alley or public way, a franchisee shall, upon reasonable notice from the Township or Road Commission, remove and relocate its facility in a manner acceptable to the Township and at the franchisee's expense. The franchisee shall also promptly move, raise, and relocate any facility at the request of any private party, when required by the private road, but at the cost of that person.

Section 4. Standards and Conditions of Service: Rules, Regulations and Rates. The Company is now under the jurisdiction of the Michigan Public Service Commission to the extent provided by statute; and the rates to be charged for gas, and the standards and conditions of service and operation hereunder, shall be the same as set forth in the Company's schedule of rules, regulations, and rates as applicable in the several cities, villages, and townships in which the Company is now rendering gas service, or as shall hereafter be validly prescribed for the Township of Freedom, under the orders, rules, and regulations of the Michigan Public Service Commission or other authority having jurisdiction in the premises.

Section 5. Successors and Assigns. The words "Michigan Consolidated Gas Company" and "the Company", wherever used herein, are intended and shall be held and construed to mean and include both Michigan Consolidated Gas Company and its successors and assigns, whether so expressed or not.

Section 6. Effective Date: Term of Franchise Ordinance: Acceptance by Company. This ordinance shall take effect the day following the date of publication thereof, which publication shall be made within thirty (30) days after the date of its adoption, and shall continue in effect for a period of thirty (30) years thereafter, subject to revocation at the will of the Township of Freedom at any time during said thirty (30) year period; provided, however, that when this ordinance shall become effective the Township Clerk shall deliver to the Company a certified copy of the ordinance accompanied by written evidence of publication and recording thereof as required by law, and the Company shall, one hundred eighty (180) days after receiving the documents from the Clerk, file with the Township Clerk its written acceptance of the conditions and provisions hereof.

Section 7. Effect and Interpretation of Ordinance. All ordinances and resolutions, and parts thereof, which conflict with any of the terms of this ordinance are hereby rescinded. In the case of conflict between this ordinance and any such ordinances or resolutions, this ordinance shall control. The catch line headings which precede each Section of this ordinance are for convenience in reference only and shall not be taken into consideration in the construction or interpretation of any of the provisions of this ordinance.

Date Passed: May 9, 1995

Attested, by order of the Township of Freedom

Julie Schaible, Township Clerk

Robert Little, Township Supervisor

Freedom Township Proposed Synopsis

May 9, 1995

The meeting was called to order with all Board members present. Also present were several interested persons. The minutes and Treasurer's report were approved with \$74,590 in all funds. Various communications and reports requiring no Board action were received.

The Board approved, at the Planning Commission's suggestion, that gravel operations existing prior to the effective date of the new extraction ordinance be given to September 1, 1995 to apply for the new permits and be given to September 1, 1996 to comply with the

new ordinance. The Board also approved a non-exclusive franchise with MichCon and changed the Spring Clean-Up location to the Pleasant Lake School.

New business included approval of the Pleasant Lake goose round-up and formulating the recycling fund budget.

Bills #4197 through #4218 were approved for payment. The meeting was adjourned at 10:00 PM

Submitted by Julie Schaible, Clerk

Approved by Robert Little, Supervisor.

Youth Issues

With Drug Use Rising Among Adolescents, More Teens Turning to Inhalants to Get High

A cheap, potentially deadly high for millions of children: One in five students now report "sniffing," "bagging," "huffing" chemicals;

With teen drug use on the rise in America, the Partnership for a Drug-Free America (PDFA) today launched a new national advertising campaign targeting an unusual and deadly form of substance abuse that more youngsters are turning to: inhalant abuse.

"For many young teenagers, getting high doesn't start with marijuana, cocaine or crack," said Richard D. Bonnette, president & CEO of the Partnership. "For some, the first high comes from lighter fluid, nitrous oxide, shoe polish, glue and substances used in hundreds of ordinary household products. Twenty percent of kids (13-year-olds) in this country — one in five schoolchildren — now report experimenting with an inhalant at least once in their lives. And some, tragically, die as a result."

Joined by Dr. Alan Leshner, director of the National Institute on Drug Abuse (NIDA), and Ralph Engel, president of the Chemical Specialties Manufacturers Association (CSMA), Bonnette pointed to current national data on teen drug use to illustrate the increasing problem with inhalants:

- **Inhalation abuse has been increasing steadily since 1991.2** Today, 18 to 20 percent of teenagers (5 million teens, 13- to 19-years old) say they have used inhalants to get high. That's one in every five students.

- **Inhalant abuse is a serious problem for kids under 18. More teens experiment with inhalants than cocaine, LSD or other illicit drugs.** In fact, more eighth graders (13-year-olds) have tried inhalants than marijuana.

- **Awareness and denial:** Two-thirds of all teens (9 to 13-year-olds) see little or no danger in trying inhalants once or twice. Only 5 percent of all parents think it's extremely or very likely their own kids use inhalants (when, in fact, one in five 8th graders engage in this activity.)

"Inhalant abuse poses a significant, life-threatening risk for millions of children," Dr. Leshner said. "Sniffing, or inhaling volatile solvents and gases starves the body of oxygen, resulting in potential damage to the brain and nervous system, and, in some cases, death. Even first-time users run the risk of instantaneous death.

"For all of these reasons," he said, "inhalant abuse is emerging as a troubling form of substance abuse in America."

After more than a decade of steady declines in teenage drug consumption in the U.S., more adolescents began experimenting with inhalants and other illicit drugs in 1991. In 1990, national data showed a significant erosion in anti-drug attitudes among teenagers, leading to an increase in actual drug use the following year. Since 1991, more teens have reported using marijuana, LSD, amphetamines and inhalants.

Inhalant abuse has increased intermittently since the early 1980's. Since 1991, past-year abuse of inhalants has increased proportionally by 30 percent among 8th graders, 28 percent among 10th graders and 17 percent among 12th graders.

Inhalants

Inhalants are breathable chemical vapors that produce psychoactive, mind-altering effects. While inhalant abuse has been around since the 1950's, researchers say the scope of products being abused and the sheer number of experimenters has brought particular urgency to the issue. "This problem isn't just about glue-sniffing anymore," said the Partnership's Bonnette. Inhalants fall into three categories — **volatile solvents, nitrites and anesthetics**. While use of nitrites has been declining for years, the abuse of solvents has been

increasing steadily.

— According to NIDA, some volatile solvents are inhaled by abusers because of the effects produced by propellant gases, like those found in spray products.

— Other volatile solvents found in spray products (such as gold and silver spray paints) are sniffed not because of the effects from propellant gases but because of the psychoactive effects caused by the specific solvents that suspend these metallic paints.

Five million young users

Approximately five million adolescents have reported abusing inhalants at least once in their lives. Lifetime use is highest among 8th graders: 19.9 percent have tried inhalants at least once; 18 percent of 10th graders, and 17.7 percent of 12th graders.

Inhalant abuse often starts in early adolescence, and is particularly prevalent among eighth graders (13-year-olds). After experimentation, some teens abandon inhalant abuse or go onto other forms of illicit drug use. There are, however, cases of older users. Just recently, the media reported about the death of a student at Clemson University who died after inhaling an air freshener to get high.

Inhaling gases and fumes from household products produces a quick, intense intoxication, accompanied by feelings of lightheadedness, staggering, giddiness and agitation. Teens commonly refer to the different methods of inhalant abuse as "sniffing," "bagging" and "huffing."

While usage data is well documented, no system for tracking inhalant-related deaths and injuries

exists in America. According to researchers at NIDA, medical examiners often attribute deaths from inhalation abuse to suffocation, suicide or accidents, resulting in what may be an under-counting of these types of deaths. (Researchers in the field estimate that as many as 1,000 people die each year from abusing inhalants.)

"When it comes to inhalant abuse, there are few barriers that stand in the way of a teenager seeking a quick high from products that are so easily accessible," said NIDA's Dr. Leshner. "Unlike illicit drugs, these substances are not intended to be used as mind-altering substances. Few parents suspect their children would misuse these products in such a way, and few teens believe inhaling will kill them. All too tragically, some children discover that it can."

IT'S ICE CREAM SOCIAL TIME

- by Marian Voegeding

As the weather turns warm and sunny outdoor activities become more frequent—picnics, ball games—ice cream social time is here!

An ice cream social does not just mean there is ice cream and cake to eat but a whole menu of home-made food for the whole family to enjoy. There may be cold potato salad or hot German potato salad, perhaps macaroni and cheese, and lettuce salad or cole slaw. There will be hot sandwiches made from pork, or beef, or chicken, and also hot dogs and baked beans to go with them. Besides ice cream and cake there are sometimes freshly made pies and toppings for the ice cream.

Some socials have a bake sale or a bazaar on the side. And lots of times there is a fish pond for the small fry where they can fish for small surprises such as coloring books, bubbles, jewelry, or small toys. Take-outs are sometimes available as is special seating for senior citizens.

Now picture this happening on a warm summer evening on a church lawn (sometimes seating also inside). Rain or shine, the list below tells you where and when to go to enjoy good food, meet old friends and make some new ones. These are the dates we have gathered; check for starting time.

Thursday, June 15 - St. Paul's United Church of Christ, Main Street, Saline

Wednesday, June 21 - Sharon United Methodist Church, Corner of M-52 and Pleasant Lake Rd., Manchester

Wednesday, June 28 - Emanuel United Church of Christ, Main Street, Manchester

Thursday, July 6 - St. James United Church of Christ, on U.S. 12, Saline

Thursday, July 13 - Bethel United Church of Christ, Corner of Bethel Church Road and Schneider Road, Manchester

Tuesday, July 18 - Zion Lutheran Church, Corner of Fletcher Road and Waters Road, Chelsea

Thursday, July 27 - St. Mary's Catholic Church, Main Street, Manchester

Wednesday, August 2 - Manchester United Methodist Church, Ann Arbor Street, Manchester

BOYS & GIRLS CRUSADE FOR CHRIST

The Fred Richardson Evangelistic Team will conduct the "Boys and Girls Crusade For Christ" to be held in the Victory Baptist Church of Manchester on June 18-23, 1995.

The Richardson family are from Nappanee, Indiana, and have travelled in the ministry of evangelism for over 43 years as a Family Team. He is one of America's true evangelists, who began preaching at

the age of 17. Since that time his ministry has taken him to nine foreign countries, Canada, and many parts of the USA.

The Richardson family travel as a husband and wife team. They take the summer months to minister to thousands of children in these special Boys and Girls Crusades, featuring their own "Family of Puppets", singing, contests, prizes, surprises, Magic illustrations, films and Bible stories.

This crusade features five big days of meetings in the church for all boys and girls, five years and up. Monday through Friday at 7-9 PM, and two big family programs for all the family will occur Sunday at 7 PM and Friday at 7 PM. For a meeting your children will never forget, the pastor, Dean Cooper, invites the public to attend all of the services.

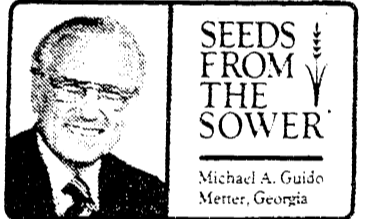

OBITUARY

Sally J. Ritter

Sally J. Ritter, 38, of Manchester passed away on May 30, 1995. Sally was born in Tecumseh, MI on December 22, 1956 the daughter of Irving & Myrtle (Aiken) Roberts. On December 21, 1977 she was married to Edward Ritter and he survives. Before moving back to Manchester Sally was employed by the Glacier - Vendervell Corp of Atlantic, Iowa and Ann Arbor, where she dedicated over 14 years. Sally was a veteran of the US Navy.

Besides her husband, Edward, Sally is also survived by two sons, Severin & Stephen Ritter, both at home; five brothers, Joseph Roberts of Manchester, Irving & Jan Roberts of Brooklyn, Mark & Ann Roberts of Manchester, James & Joann Roberts of Manchester, and Brad & Kathleen Roberts of Manchester; one sister, Vicky & Raymond Wurster of Manchester; Father, Irving Roberts of Florida; Mother, Myrtle Roberts of Manchester; God daughter, Tricia Wurster of Manchester; and several Nieces, Nephews, Aunts & Uncles.

Cremation has taken place. A memorial service will be held on Friday, June 2, 1995 at 11 AM from Emanuel United Church of Christ with Rev. Dr. Vincent W. Carroll officiating. Arrangements directed by the Jenter-Braun Funeral Home, Manchester.

An old lady asked a child. "How do you do, my dear?" "Fine, thank you," came the reply.

There was a pause, and then the lady asked, "Why don't you ask me how I am?"

"Because," said the girl. "I don't really care."

That raises the question: How much do we care for others?

If you love the Lord, you'll care for those who are loved by the Lord, and if you care, you'll share the gospel with them. Sharing is the outgrowth of salvation.

Today, so many live and let live. But if you really care, you'll live and help others live for the Lord.

Do you care?

Senior Citizens

by T.V. Ludwick

I've had a streak of being wrong for the past week or so. Now and then is permissible, but three times writing this column, is not quite what I had in mind. It proves that you are reading my 'non-sense' and I appreciate your comments. Our birthday dinner, held on June 1st, was supposed to include our fine July born folks, too.

Was saved by our loyal birthday chairperson, Nellie Uphaus, who responded to my frantic call by "I am sending out cards to July seniors to remind them to come". Saved by the bell (or in this case, Nellie, thanks so much). If you were missed somehow, we invite you July folks to come celebrate at the September dinner along with the August-September birthday 'kids'.

Maybe it's the bugs (insects or whatever) that have attacked me when I've worked in the yard. With the advent of the warm weather, they have come out of the 'woodwork'. Del maybe perspires some, but his better half sweats! Bugs continue to chase me up and down the yard as I mow, and swat, swatting does no good at all. I'm thinking I hope they get some rare disease if they bite or sting. It is enough to addle my brain (excuses, excuses).

Then, I come in the house to find a wasp trapped on the screen and get an envelop under it's body and a small paper cup on top to trap it and carry it to the door and release it. I find this easier than swat-

ting them. Do you also find this a little weird?

Thursday, June 8: Exercise class begins at 10:30 and we have some new faces, good for you. Hilma Tervo has drawn a frown face on this date because it is our last meal 'til September in our senior program. Also it will be the last chance to play bingo on Thursday afternoons at the Center. A note—looking ahead to the 14th, be sure to sign the trip book today for the trip to Frankenmuth as Rubena has to phone in number of reservations.

Saturday, June 10: Senior bus leaves the Center at 8 AM to go to Battle Creek and "World's Longest Breakfast Table" which is a free meal for approximately 50,000 folks.

Tuesday, June 13: Senior Citizens Council Meeting starts at 9:30, followed by work on the July-August calendar at 10:30. Come with your ideas.

Wednesday, June 14: 7:30 AM SHARP is departure time to leave Center for Frankenmuth Pretzel Factory, Candyland and Cheese Factory. Today is also Flag Day, what a wonderful history our US flag has had. Do get it out of the closet to show your pride.

We will work up our usual appetite on **Thursday, June 15** at exercise class, but will have to go home today to eat, are you up to doing that? It may be a long way home, ha ha.

Happy Birthday, Seniors!

June and JULY birthday guys and gals: Front, L-R: Mary Diver, Josephine Simmons, Jean Mollenkopf, Viola Pole, Gladys Geer, Alice Sawdey, Phyllis Koernke, Olive Feldkamp. Back, L-R: Ron and June Jenter, Clayton Trinkle.

Senior News Briefs

VOLUNTEERS SOUGHT

The Washtenaw County Council on Aging is looking for interested individuals in becoming Office Support Volunteers. Typical activities include answering telephones, filing, mailing resource information, and labeling projects. Free training is provided. Flexible morning and afternoon shifts available. For information, please call the Washtenaw County Council on Aging at 712-3625.

PARKINSON SUPPORT GROUP

The Washtenaw Parkinson Support Group will meet Sunday, June 11 at 1:30 PM for refreshments and socializing to be followed by small group discussion at 2:00 PM. The topic will be "Handling Stress and Depression". The meeting will be in the Mission Health (formerly McAuley) Education Center, Building 5305. Everyone is welcome. For information call (313) 930-6335.

ALZHEIMER'S ASSOCIATION

Alzheimer's Association Family Caregiver's Support Group for Chelsea meets on Saturday, June 17th at the Town Hall, Chelsea Retirement Community, 805 W. Middle. The meetings are free and confidential.

For more information, contact the Alzheimer's Association at (800) 782-6110.

School

P. ositive A. ccommodations S. timulate S. uccess

GUESS WHO? Can you guess who these students grew up to be?

1. Was sent home from school because his teacher didn't think he could be educated - became a famous inventor.

2. Reading, writing and paying attention were hard; he seldom finished his school work - became a famous painter.

3. Didn't start talking until he was 4; his parents thought he might be retarded - became a famous scientist.

4. She dropped out of school in 11th grade, didn't know how to write checks at 29 - became a famous singer and actress.

5. Couldn't read at age 12, had trouble doing math - but got through West Point in 5 years - became a famous American Army General.

6. Thought words were garbled, numbers were backwards and sentences made no sense became a Vice President of the United States.

7. Stuttered as a child, was left handed - became President of the United States.

8. Had trouble with bed-wetting even as a teenager - became a famous actor and director.

9. Admits that reading out loud in class was harder and more frightening than competing in the Olympics - became a famous Olympic decathlon champion and gold-medal winner.

10. Many people including doctors said she would not progress beyond grade 3 academically because she was deaf - became a famous American spokeswoman.

All of these people had SPECIAL NEEDS as students. They did not fit into the normal academic mold and were often teased by their peers. But these people are (were) successful - most of them had parents that believed in them despite the difficulty they were having.

If you are the parent of a student with special needs you may feel embarrassed and or angry. You may think it is your fault that your child is different. Maybe you were a student with special needs who didn't succeed in school so you don't think your child will either. HELP is available. Learning differences can now be accommodated for in our school and your child can be successful!

PASS is a local support group for parents and students with special needs. If you have questions or just need someone to talk to about your child's special needs - call us at 428-0738 and leave a message.

Information taken from "If They Can Do It, We Can Too!" by the students from Deephaven School's Learning Lab and their teacher, Margo Holen Dinneen, "Succeeding Against the Odds" by Sally L. Smith, and "from her silent world" page 130 of *Family Circle* magazine April 25, 1995.

NOTICE OF A PUBLIC HEARING ON PROPOSED 1995-1996 BUDGET

PLEASE TAKE NOTICE that on June 19, 1995 at 7: 30 o'clock PM at High School Media Center Manchester, Michigan, the Board of Education of Manchester Community Schools will hold a public hearing to consider the district's proposed 1995-1996 budget.

The Board may not adopt its proposed 1995-1996 budget until after the public hearing. A copy of the proposed 1995-1996 budget including the proposed property tax millage rate is available for public inspection during normal business hours at Central Administration Office 710 E Main Manchester Michigan.

The property tax millage rate proposed to be levied to support the proposed budget will be a subject of this hearing.

This notice is given by order of the Board of Education.

Thank You!

Casey Young, of Klager, with Sybil Kolon (Manchester WWRA representative) with her new bike

From the Western Wash-tenaw Recycling Authority, to the students, faculty, and staffs of Chelsea's Beach Middle School, North Elementary School, Manchester's Klager Elementary School, and Dexter Wylie Middle School for their outstanding participation in our recent poster contest. 162 entries were received. Every one was a winner!

Casey Young, Klager Elementary, was the First Prize winner of the Mountain Bike. Rob Hohnke, Beach Middle School, Second Prize, a CD Walkman. Laura Luther, Dexter Wylie School, third prize, two free passes and all day rides at either the Chelsea or Manchester Fairs.

Other Klager Kids who received honorable mentions in the Poster Contest were: First graders **Martin Wilson and Misty Neely**; Second grader **Brennan Crispin**; and Fourth Graders **Melissa Luckhardt, Ian Chartrand, Maegan Hillman, Rosie Page, Neil Love, Brenda Bancroft and Katie Ray**. I'm sorry, kids, the pictures I took turned out so dark we couldn't reproduce them. But look in the window at Pyramid Office Supply to see a sample of their work!

A special thanks to Johnsons How to Store, Chelsea, A & W Chelsea, Wolverine Bar & Grill, and the Dexter-Clinton Dairy Queens for their contributions and support.

MTU FOOTBALL PROGRAM INKS ANDREW WINZENZ

Andrew Winzenz, an inside linebacker from Manchester High School, has signed a national letter-of-intent to attend and play football at Michigan Tech University beginning with the 1995 season. The announcement came from Huskies' head football coach Bernie Anderson. Winzenz, a 6-1, 205-pounder, is slated to play the inside linebacker position for the Huskies this fall.

"Andrew is a fine student-athlete and we are pleased to have a player of his quality join the Michigan Tech football program," said Anderson. "He has the size and speed that we are looking for in an inside linebacker and really has a nose for the ball," added Anderson.

The son of Wayne and Sandra Winzenz of Manchester, Andrew will major in mechanical engineering at MTU.

Klager Staff Hosts Volunteer Appreciation Luncheon

S.U.P.E.R. Volunteers Lisa Brinkman (left) and Bev Dettloff (right) model their aprons made by teacher Joanna VanRaden at the volunteer luncheon Thursday. True to form, these ladies were working even on the day they were supposed to be treated to lunch.

ON THE MOVE, Klager Principal Yvonne Henry helps serve at the salad luncheon for Klager parent Volunteers.

People

Fleet Hometown News

Marine Cpl. J.C. Woodard, son of Karen V. Watne of Manchester, recently received a certificate of Commendation.

Woodard was cited for superior performance of duty while assigned with Marine Aircraft Support Squadron One, 2nd Marine Aircraft Wing, Marine Corps Air Station, Cherry Point, NC. He consistently performed his demanding duties in an exemplary and highly professional manner.

The 1990 graduate of Manchester High School joined the Marine Corps in March 1991.

MSU Lists Honors Students

A total of 4,620 Michigan State University students earned a 3.5 or better grade point average for spring semester 1995. Manchester residents **Tracie J. Anderson**, a senior in Merchandising Management and **Robert J. Spork**, a sophomore in Accounting, were named to the Deans List.

Washtenaw Community College Announces Candidates for Graduation

Washtenaw Community College associate degree and certificate candidates for April 1995 and June 1995 were recently announced. The graduation candidates from Manchester include:

April Candidates: **Denise A. Blumenauer; Timothy M. Cox; Andrea Emily Dowhal; Joanne Cynthia Kemner; Gregory Gary Weidmayer; Charles W. Wootke**

June Candidates: **Tresa A. Chase; Julie L. Gillen; Julie Elizabeth Miller**

Bowling Green State University Dean's List

BGSU has named 2,275 students to its spring semester dean's list for achieving grade point averages of 3.5 or better on a 4.0 scale.

Manchester resident **Eric Todd Anderson**, a sophomore in the College of Arts & Sciences, was among those named to the list.

Western Michigan Dean's List announced

Students at WMU who have compiled at least a 3.5 grade point average in at least 14 hours of graded class work are eligible for the Dean's List.

Among them are **Eric M. Chase**, of Manchester, a General Business major, and **Zachary D. Gordon**, son of Michael & Anne Marie Gordon, a freshman whose major is undecided.

Congratulations, Janie!

Happy Birthday on June 7th Grandma Helen
Love, Adrienne & Aaron
Jamie, Justin, & Joshua
Fabrianne & Lindsay
Cori & Darci

Gina Ann DeClaire

Lee & Penny DeClaire of Brooklyn, announce the biggest winner of the Indy 500 Day: Gina Ann DeClaire, who cruised across the finish line on May 28, 1995, weighed 7 pounds, 13 ounces, and was 20 inches long. Sisters Nicole, age 6, and Angela, age 4, waved Gina through with the checkered flag.

Grandparents are Jim & Lorraine McLaughlin and Glen & Doris DeClaire, all of Manchester.

And The Winner Is

Andrea Clark

Midwest Magic would like to say "Congratulations!"

Andrea Clark is the daughter of Richard and Donna Clark of Manchester. Andrea was Salutatorian of her class. She was an active member at Sharon United Methodist Church and had other community involvement. At M.H.S. she was involved in the Key Club, Drama Club, S.A.D.D., FFA and National Honor Society. Andrea was very involved in 4-H all throughout her youth and high school.

Andrea enjoys her horses and plans on pursuing her education at Michigan State University - Lyman Briggs School in Biochemistry. Andrea received a \$2000 scholarship.

Good Luck Andrea in fulfilling your dreams at Lyman Briggs!

Our 1994 *Midwest Magic* recipient, Zachary Gordon, has been awarded the maximum second year scholarship. Zachary attends Western Michigan University. Zachary received a \$1000 scholarship. Congratulations, Zach - *Keep up the great work!*

Midwest Magic is proud to present these scholarships on the conditions that the applicants all were involved in the community and in their church, and that they showed academic excellence; regardless of sex, race, or religion.

Midwest Ford believes all students should have the opportunity to achieve their dreams, and wants to continue making this happen in years to come! 1995 MIDWEST FORD Scholarships awarded to-talled \$3000! The thermometer 3 year total is \$9300.

'NO EXCUSES' - BUCKLE UP

Law enforcement agencies across the state will be uniting to deliver an important message this summer: "No Excuses—buckle Up!"

The "No excuses" campaign will be the single largest, most comprehensive effort to increase safety belt use since Michigan adopted a mandatory belt use law in 1985. Over 300 law enforcement agencies—including Michigan State Police—will be participating in the "No Excuses—buckle Up" program sponsored by the Michigan Office of Highway Safety Planning (OHSP).

By summer's end, the goal is to increase statewide safety belt use from the current 66.1 percent to 70 percent. The summer-long enforcement and education blitz began Monday, May 22 and will continue through Labor Day Weekend. The kickoff coincides with national Buckle Up America! Week, which runs from May 22-28. Specially recorded television and radio public service announcements will be seen and heard throughout the state this summer to reinforce the campaign's message.

"No Excuses" is one of the state's most united efforts to increase safety belt use and reach the public with a single, direct message," said Betty J. Mercer, OHSP executive director.

"There are no valid excuses for failure to take a few seconds to save the life of a loved one, a neighbor, a friend and even yourself. The law enforcement community is committed to increasing belt use through education and strict enforcement of the law," she added.

Even though motorists cannot be stopped solely for lack of belt usage, Michigan State Police report safety belt citations as the second most frequently written traffic citation, second only to speeding. Law enforcement agencies participating in the campaign will be conducting a variety of activities, including

Will There Always Be A Circus?

That question was put to circus owner, David Rawls, in an interview regarding the future of one of America's oldest art forms. He answered by saying, "The public has always loved the idea of a circus, but in the past many traveling shows have betrayed that trust with a 'here today-gone tomorrow' attitude. That attitude

has eliminated all but eight tented circuses in this country."

Last year Kelly-Miller circus entertained over 282,000 people, mostly in small communities, for our best year ever. We attribute that success to our pledge to 'bring only the cleanest and finest live entertainment to our patrons' and by making 'courtesy to the public' our hallmark.

Kelly-Miller Three Ring Circus will exhibit in Manchester on June 28th for two performances under the sponsorship of the Community Resource Center. Buy your tickets in advance and save, while you help the CRC. Tickets will be available at Manchester Pharmacy, First of America Bank, G.E. Wacker, Inc., Comerica Bank, and Great Lakes Bancorp.

adopting safety belt use policies for their own departments, distributing safety belt materials at fairs and special events, making "Saved by the Belt" presentations and conducting local belt use observation surveys.

At the conclusion of the campaign, similar size agencies with the highest amount of activity will receive a bonus, in addition to the lives saved and injuries prevented in their community. The most successful agencies will receive their choice of a laser speed detector, radar or an in-car video patrol camera to assist their traffic enforcement efforts.

Currently, Michigan has a 66.1 percent belt use rate, according to a 1994 study conducted by the University of Michigan Transportation Research Institute. Belt use is lowest in Wayne County. Belt use is lower for men (60.5 percent vs. 71.4 percent for women). Safety belt use is especially low for people age 16-29, at 60.2 percent. Pick-up truck drivers have the lowest belt use among vehicle types. (44.9 percent for pick-ups, 65.6 percent for vans, 63.5 percent for sport-utility vehicles and 66.1 percent for passenger vehicles).

The Washtenaw County Sheriff Department is cooperating in the "No Excuses - buckle Up!" program in our area. Wise Up - and Buckle Up.

Happenings at Chelsea Community Hospital

Chelsea Community Hospital is presenting a FREE substance abuse lecture Thursday, June 15, 1995 beginning at 7:15 PM in the Hospital's Main Dining Room. The lecture, "Co Dependency," will be presented by Jean Gorman, MSW from Chelsea Arbor. Self-help meeting take place immediately following the lecture. For specific details, or more information, call (313) 930-0201.

Chelsea Community Hospital is presenting a FREE community substance abuse lecture Thursday, June 22, 1995 beginning at 7:15 PM in the Hospital's Main Dining Room. The lecture will be "Relationships" by Larry Sheldon, BA. He will describe how relationships are distorted as a person develops an increasing dependency on alcohol or drugs, and how healthier relationships can be achieved in recovery. Self-help meetings take place immediately following the lecture. For more information, Call Chelsea Arbor at 930-0201.

Volunteers Honored at Saline Community Hospital

Thirty-seven Saline Community Hospital Volunteers were honored at the hospital's annual Volunteer Recognition Luncheon on Thursday, May 4th. This year's theme was "Volunteers: Changing the Future." During 1994, volunteers at Saline Community Hospital contributed a total of 27,040 hours greetin patients and visotrs, delivery flowers, and assisting in numerous other capacities throughout the hospital.

Honored for 500 hours of volunteer service was Bertha Tase of Saline. Helen Rigg, of Manchester, was recognized for 200 hours of volunteer service.

The Class of 1995
Unique, Exciting and Spirited

by Mary Lobbestael

Although only a class of 66, the new Manchester alumni are a very competitive group. They are known to thrive on challenge, as well as success. Evidence of such competition surfaced daily in classes, athletics, organizations, and scholarship. This competition drove many members of the class to what seemed to be ultimate success.

When reflecting on the class, images of spirited homecomings, dances, awards, ceremonies, and athletic events are remembered. Luckily, the class of 1995 was as supportive as they were competitive.

As many on the staff at MHS quickly realized, 1995 is a class of individuals. Although this independence wasn't always helpful in class projects, it was the unique characteristics that set the Class of 1995 apart from all others.

As time goes on, and the class matures, this individualism will be paramount in their success.

Class of 1995

Class of '95 Highly Rewarded for their Achievements

"Among the smallest class we've had in several years, the level of achievement for the class of 1995 was outstanding," commented Dick Parson, guidance counselor at Manchester High School. "There was also tremendous competition for the scholarships available."

Parson mentioned that out of 64 graduates there is a huge percentage of local, college and national scholarship recipients. Not only the scholarship winners such as valedictorian Jenny Nosbisch and salutatorian Andrea Clark, who "are both...so outstanding and very deserving," but from a staff point of view, commented Parson, "Many may have been surprised by how spread out the scholarships are. Despite the heavy competition our students were extremely resourceful and scholarships were received through many different avenues."

State of Michigan Competitive Scholarships: Andrea Clark, Melissa Driessche, Justin Ebersole, Amanda Erskine, Sarah Feldkamp, Kyle Harvey, John Kallewaard, Melanie Kapa, Diana Kruse, Amy Landini, Mary Lobbestael, Karin Messing, Jennifer Nosbisch, Mark Schulte, Karly Sweeton, and Andrew Winzenz.

College Scholarships: Washtenaw Community College Scholarships: Andrew Procassin Scholar (One Year Full Tuition Scholarship): **Robert Preis**; and Presidential Honors Scholarships (One Year Renewable scholarships): **Sharon Goodell, Linda Saunders, Angie Carlson, Amanda Erskine, and Jason Cousino.** Western Michigan Academic Scholarship: **Mary Lobbestael**; Aquinas College Academic Leadership Scholarship: **Sarah Feldkamp**; Eastern Michigan University: Regents Scholarship - **Andrea Clark**, Honors Scholarship - **Diana Kruse**; Michigan State University 4-H Scholarship: **Andrea Clark**; Albion College: Academic Scholarship - **Melissa Driessche**, Webster Scholarship - **Justin Ebersole**; Hope College Merit Scholarship: **Jennifer Nosbisch**; Siena Heights History Department Scholarship: **Heather Panches**; Kendall College Art Day Scholarship and Dean's Scholarship: **Mark Schulte**; Brigham Young University Honor Scholarship: **Mark Schulte**; Olivet College Presidential Scholarship: **Diana Kruse**; Central Michigan University Board of Trustees Honors

Scholarships: **Melanie Kapa and Karly Sweeton.**

Community Scholarships: **Claire Reck Scholarship**, sponsored by Manchester Stamping in recognition of community service (\$2500) went to **Andrea Clark.**

Manchester Community Scholarship, based on financial need, academic achievement and participation in extra curricular activities, was awarded to **Sarah Feldkamp** (\$1000) and **Melissa Driessche** (\$1000).

Pilot Industries Scholarship (\$1000), given to a student entering a science-related program, was awarded to **Jennifer Nosbisch.**

Midwest Ford Scholarships: \$2000 to **Andrea Clark** and \$1000 renewed to 1994 graduate **Zac Gordon.** The qualifications for this scholarship included academic excellence, participation in extra-curricular activities, and participation in church-related activities.

Manchester Manor Scholarship (\$500), is presented to a Consortium student who has shown high achievement and intends to enter a related field in college or technical school. **Amy Landini** re-

ceived this year's award.

Grossman Scholarship (\$500), awarded to the student who has shown most improvement in GPA during his or her high school years, was presented to **Diana Kruse.**

Athletic Boosters Scholarships (\$500): **Melissa Driessche & Shane Goodell**; MEA Support Personnel Scholarship (\$100): **Julie Luckhardt**; Leadership Scholarship (\$400): **Mary Lobbestael**; Nellie Ackerson Valedictorian Scholarship (\$500): **Jennifer Nosbisch**; Manchester Men's Club (\$1000 matching scholarship): **Hillary Wiedmayer**; Optimist Salutatorian Scholarship (\$500): **Andrea Clark**; Manchester Enterprise Scholarship (\$400): **Mary Lobbestael.**

Scholarships from other sources went to: The Saline Auxiliary traveling scholarship: **Karin Messing**; Michigan Business Women's Association Academic Scholarship: **Sarah Feldkamp**; John Weir Scholarship: **Angie Carlson**; JC Penney Scholarship Award: **Sarah Feldkamp.**

Additional prestigious awards went to the following Class of 1995 students: National Merit Finalist: **Jennifer**

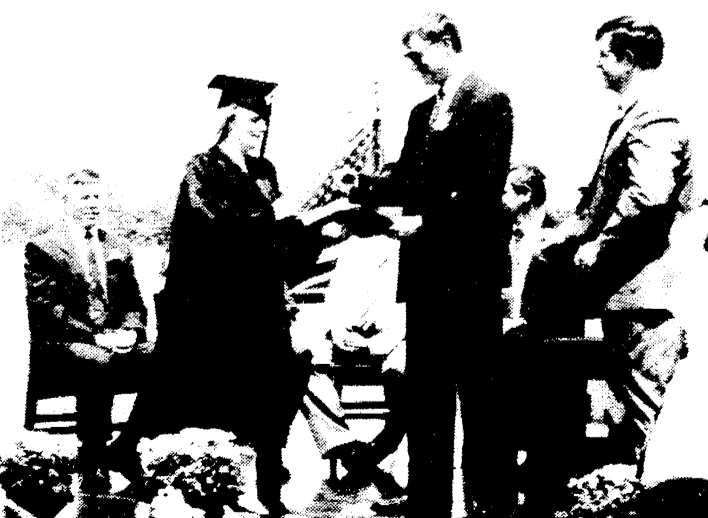

Nosbisch; Michigan Mathematics Prize Competition: **Jennifer Nosbisch**; DAR Good Citizen: **Andrea Clark**; US Army Reserve Scholar/Athlete Awards: **Jennifer Nosbisch and Shane Goodell**; Mr. & Ms. Dutch: **Andrew Winzenz and Jennifer Nosbisch**; NASSP Century III Leadership Award: **Justin Ebersole**; MHSAA Scholar-Athlete Awards: **Andrea Clark**, Softball: **Justin Ebersole**, Golf: **Amy Landini**, Track: **Jennifer Nosbisch**, Volleyball: **Shane Goodell**, Football: **Cascades Conference Academic All-Conference: Amber Burkhardt, Melissa Driessche, Justin Ebersole, Amanda Erskine, Shane Goodell, Amy Landini, Karin Messing, Troy Niehaus, Linda Saunders, and Andrew Winzenz.**

The Top 15% of the class of 1995 includes the following ten students: **Andrea Clark, Justin Ebersole, Sarah Feldkamp, Melanie Kapa, Diana Kruse, Amy Landini, Mary Lobbestael, Karin Messing, Jennifer Nosbisch, and Linda Saunders.**

Congratulations to the Class of 1995 for all your outstanding achievements! -MJC

From the first diploma given...

to the last, there were many happy graduates!

Brandi Bradley
Onsted High

Dale and Gayle Bradley are proud to announce the graduation of their daughter Brandi from Onsted High School.

Before moving to Onsted, Brandi was an active member of Manchester High School. Brandi plans to attend Eastern Michigan University to major in international business.

Kellie Stockwell
Columbia Options

Mike and Dawna Stockwell of Manchester are proud to announce their daughter Kellie's graduation from Columbia Options at Clark Lake on May 25.

Kellie plans to attend a culinary arts college. In her spare time, Kellie enjoys cheerleading and also being with her friends.

Jeff Kemner
St. Francis High

The family of Jeffery Kemner would like to congratulate Jeff on his graduation from Traverse City St. Francis High School on June 3.

Jeff was an active member of his religious and athletic groups while in high school. Jeff plans to attend Hope College in the fall.

Class of 1995

Jenny Nobsch
Valedictorian Address

Good afternoon and welcome again to all of you: parents, family, friends, teachers and administrators. You are the people who have been there for us, supported us, and therefore know us best. And because of this, you know that we are very much a class of individuals. While this individuality didn't always help us to work together as a class, I believe it is what will now help us to succeed as we move toward the future. We will not be afraid to make our own paths, to set our own goals, or to follow our own dreams. Yes, there will be risks involved, but as an unknown author once wrote, "To laugh is to risk ap-

pearing the fool. To weep is to risk appear sentimental. To expose your ideas, your dreams before a crowd is to risk their loss. To live is to risk dying. To believe is to risk failure. But risks must be taken because the greatest hazard in life is to risk nothing at all. Those who risk nothing, do nothing, have nothing. They may avoid suffering and sorrow, but they cannot learn, live, feel, change or grow. Chained by their attitudes they re slaves, they have forfeited their freedom. Only a person who risks is free." Therefore, our individuality will not only allow us to dream, but to dare to make those dreams come true. And the way we can do this is through hard work and a positive attitude. Any of you who have heard me speak before know how much I love the saying by Charles Solwell that "Life is 10% what happens to you and 90% how you react to it." So to my class of 1995, I leave you with this: Keep your individuality, follow your own dreams, and work hard to achieve them. Remember that you can do anything if you think you can. If we persevere, we will succeed, and we will kick some tail feathers!

Andrea Clark
Salutatorian Address

Members of the Board of Education, Mr. Niedzwiecki, Mr. LeBlanc, staff members, parents and guests:

When I reflect on my education at Manchester High School, I can't help but wonder what would have happened if I had never come here.. I was born in Austin, Texas. - soon after which I moved with my family to Ypsilanti. - and eventually we settled into a small house right outside Ann Arbor. There were two parks close to my house, where I could go and play with my friends, and we were within walking distance of school.

My first memories of Manchester consist of walking into the small bakery down town and being shocked (and a little frightened) that half of the people there

knew my name, my parents' names, where I was from, and where I lived. As if that wasn't enough of a shock, most of them, if not all of them, claimed to be my neighbor. After looking around my house, I had expected to have three neighbors, or 4 or 5 at the most - but this was outrageous- according to these people, it was as if I had 20 or 30 neighbors, instead of two or three. I was even more surprised when I discovered that often the people who claimed to be my neighbors lived 4 or 5 miles away. "Wow!" I thought, "These people must be really nuts!" But as I grew up in Manchester, I realized that "those people" were not crazy, but they did have a different definition of the word neighbor. To them, a neighbor was not just someone who lived in close proximity to where you lived, but it was someone who cared about what happened to you.

It was this neighborly spirit in Manchester that made all of the difference in my education. Students in Manchester were fortunate to have the strength of their community believing in them, holding them up, and acting as a security net if they should fall. This network of support spanned the community, and into the classroom itself, enabling each of us to feel cared about, and wanted, and important - as an individual. I know that the individual attention that has been given to myself and my classmates in this small school system has enabled

each of us to take advantage of opportunities, to be aware of our unique strengths, and to challenge our weaknesses. I know that I never would have been the person I am today if I hadn't had the strength of a community like Manchester to support me in my educational endeavors.

No matter where life leads us, we will always remember Manchester - the town where:

- There are more people IN the fair parade than watching it...

- The "new" folks who moved into the Kouba house have been living there for 9 years...

- The "Convention Center" is the local bakery...

- You know everyone's dog by name...

- You drive the pickup into the ditch, and the news gets back before you do...

- Your friend throws a bonfire and asks you to bring the wood, the music AND the food...

...it could only happen in Manchester: A small town with a big spirit.

I would like to thank the administration and teaching staff at Manchester High School, and I would like to extend my sincere thanks to the entire community, for all of the wonderful support.

And to the Class of 1995, thanks for the memories.
