"Sharon House of Manchester" to Open as Bed and Breakfast

One of Manchester's Castle Houses: Sharon House of Manchester Bed and Breakfast, will open soon.

enjoy this special type of lodging.

Bed-and-Breakfasts are growing in popularity all across the country. They provide homelike accommodations and a particular ambience. Each "B&B" has its own style and personality. Sharon House will be no exception to this rule. Although, Carl says, "Eclectic is the word to describe our furnishings. We won't have a particular theme in our guest rooms."

Built in the late 1880's, the Sharon House has an interesting history. The classic Victorian style house was built for George Heimerdinger, whose grandson (and namesake) still lives in Clinton. Later owners, George and Frances Nollar, ran a dairy operation there during the depression years.

When the surrounding farm land and houses were purchased in the late 1960's by George Macomber, there was a permit out to burn the house down. Instead, it was saved and restored to some of its original beauty by Del and Shirley Sparks, Macomber's daughter. Later owners were the Gillies and Potter families, and Curtis' purchased the house in 1994.

"We are excited about the potential, but we have a lot of work to do in the meanwhile," says Sharon Curtis. The Sharon House will be a welcome addition to the Manchester community. -MJC

Manchester will have its own Bed and Breakfast house starting late this fall, if all goes as planned. At their recent meeting, the Manchester Township Planning Commission passed a conditional approval to Sharon and Carl Curtis on Sharon Hollow Road.

Planning commission requested that a new septic and drain field be installed as well as a new 5" well. The permit will be subject to annual review by the Planning Commission. Curtis' hope to fulfill these conditions by the end of October and be ready to open one guest room well before the end

of the year
The Sharon House of Manchester Bed and Breakfast, affectionately called simply "The Sharon House," will officially open in Spring of 1996 with four guest rooms. In an 18 room house, there should be plenty of room for guests!

Many will remember Carl and Sharon Curtis as the "Crank Organ People." Their wide collection of mechanical musical instruments will provide an interesting backdrop to the traditional be and breakfast fare. Their quiet hospitality will welcome people to Manchester who

School Bus Safety Week

Watch Out For School Buses!

Next week, October 15-21, is Bus Safety Week - a fitting time to remember the basic rules of bus safety, for students and drivers alike.

Students should always remember bus safety rules. Basic rules for riding the bus safely and cooperatively are posted in the front of every Manchester school bus. Bus drivers participate four times per year in random bus drills so students have an opportunity to practice exiting the buses safely in the event of an emergency. (Two drills are for rear exits only and two are for front and rear emergency exits combined) The Transportation Department publishes a manual of rules and safety guidelines each

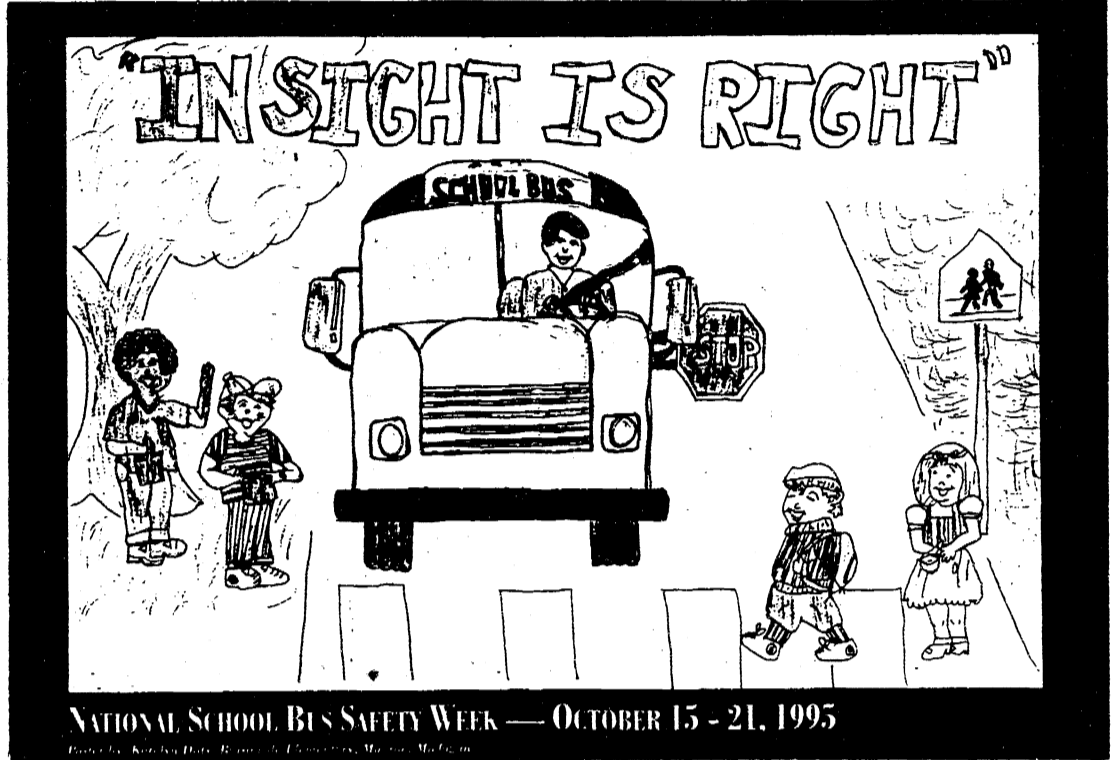

year which is distributed to each family in the district.

So it seems that our children should be safe on the buses. They are aware of the rules, we have dedicated bus drivers who enforce these rules and look out for the students' safety. Why then, do we need to re-hash these rules?

According to the Washenaw County Sheriff Department, Manchester Station and the Manchester Community Schools' Transportation Department, our students ARE in potential danger - not because of discipled or unsafe buses, but because of careless drivers who don't obey the simple and basic rules of sharing the road with school buses: STOP WHEN YOU SEE THE RED LIGHTS FLASHING on a school bus.

At least five tickets have been handed out over the past two weeks to the owners of vehicles who have passed a school bus with its flashing red lights on. As a civil infraction, this means you will be ticketed for this offense. A fine of \$75.00 will be levied, two points will be added to your license, and the judge also has the option to assign you to 100 hours of community service work at the school as a further deterrent.

Bus drivers are eager to

see these drivers ticketed and will gladly take license numbers and descriptions of offending vehicles to report to the WCSD. They don't want to see their kids endangered by thoughtless drivers.

When the red lights are flashing and the stop sign is extended, it means that students are getting on or off the bus. At that point, they are in danger from oncoming vehicles who do not pay attention to the warning lights on the school bus.

Even police cars and other emergency vehicles are obligated to stop for school buses to avoid causing danger to children - whether on a busy thor-

oughfare, a quiet rural road, or a village street.

During this coming Bus Safety week, please pay particular attention to the buses on the roads, transporting the youth of our community to school. From 7:30-9:00 AM and 3:00-4:30 PM each day, be especially aware of the potential

of meeting a bus on the road. Remember to follow the basic rules for the safety of those bus riders. And if you have an opportunity, be sure to express your appreciation to the bus drivers in our district whose ultimate concern is the safety of these young people.

Out & About

- by gar

Monday evening, 10/9/95, Manchester Community School Board met to discuss board goals for the 1995/1996 school year. Board members present: Kluwe, Turk, Ochs, Winzenz, Hochstetler and Abbott. Absent Sahakian.

The meeting was the most productive, meaningful and interactive this writer has attended. During the past year plus, our Board of Education members present have developed a rapport that has been missing for a long while. Our Board Members are truly acting as a Board of Directors and as involved community members.

Vice President, Joe Turk lead the Board members involved in the educational pro-

cess outlined as goals:

1. FACILITIES
2. COST CONTROL
3. COMMUNICATION
4. CURRICULUM

They discussed ways and means to attain these goals by meeting such things as cost and program objectives. A more understandable budget presentation. More effective communication with elected officials. Identifying community resources and how to utilize them for the schools systems benefit.

The Board wants to know how the school is preparing the graduates for their future and if our programs are accomplishing the task.

It was a pleasure to hear the Board members interact within themselves and with Superintendent Niedzwiecki. Very introspective and with the realization that there would be significant differences from time to time. The present members acknowledged those differences could be recognized without exclusion of others opinions and views.

In this writers opinion our Board of Education and the Administration made a giant leap forward tonight and they are to be commended.

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions.

Kirk Park & Chi-Bro Park

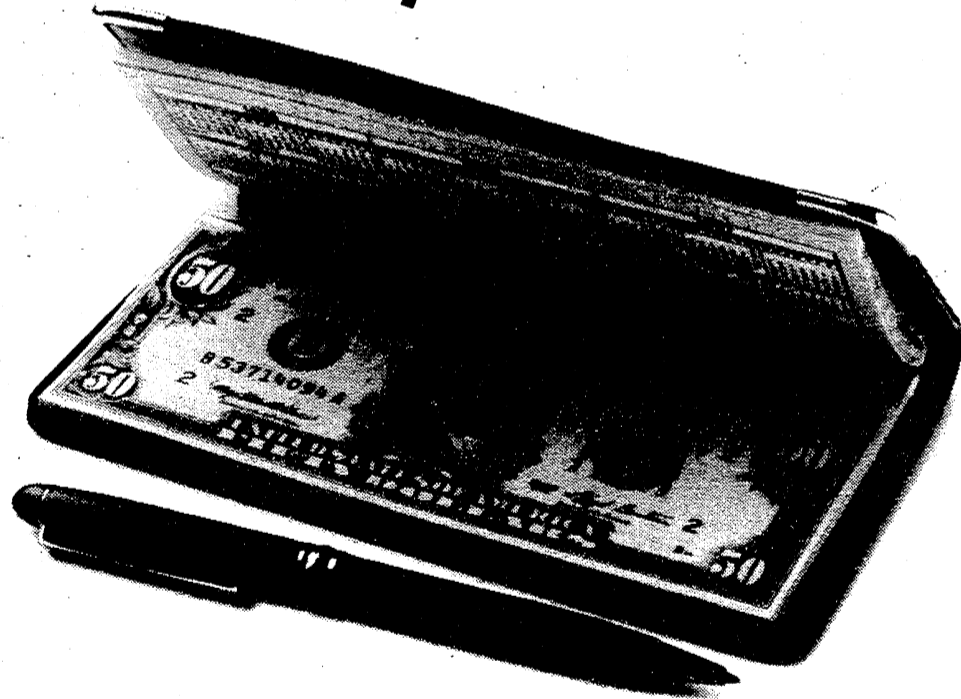

Pictured are the new pavilions here in Manchester. One is at Kirk Park and the other is in Chi-Bro Park.

The Men's Club organized both projects. The lumber for the pavilion at Chi-Bro Park was donated by Tri County Logging out of Clinton, Michigan. Gerald Ahrens and Richard Scott were in charge of fitting it all together. There is electricity and water at the pavilion in Chi-Bro Park. The electricity will probably be hooked up by the end of this week. The electric work was donated by Stein Electric. Wash On Wheels put the sealing on both pavilions.

The pavilion at Kirk Park was totally paid for by the Men's Club. It is located so that Grandma, Grandpa and other spectators can set in comfort to watch the ball games.

The Men's Club saw a need and decided to do something about it. As Bob Rhees said, "These are to be used and enjoyed!" Both pavilions house picnic tables. This is a lovely time of the year to go and check out the new pavilions and see the wonderful fall colors.

MANCHESTER CLERGY FORM ADVISORY BOARD WITH SAMARITAN COUNSELING SERVICES

Manchester area clergy and church representatives have formed an Advisory Board to the Samaritan Center Counseling Services of Washtenaw County under the direction of Jocelyn Pyett. Forming this board is a part of the transition from the Interfaith Counseling Service to the Samaritan Counseling Services that took place on January 1, 1995. Such a transition was made to give the counseling services a national identity and to move towards wider accreditation attracting better insurance coverage.

Executive Director Pyett met with local clergy to connect the counseling services as an extension of local church ministry and mission and as interaction with the church community. Officers were appointed. Reverend Richard Hardy (Bethel UCC) becomes a member of the Samaritan Center Board in Ann Arbor and is the participating representative on the Community Resource Center Board in Manchester. Reverend Peggy Paige (Sharon United Methodist) is President of the Manchester Advisory Board and the Reverend Thom Davenport (Manchester United Methodist) is Treasurer. The Manchester office is located in the Community Resource Center on Main Street and cli-

ent hours are scheduled on Thursdays.

The other counseling sites in Washtenaw County are the First Baptist Church and First United Methodist, Ann Arbor; St. Joseph Catholic Church, Dexter; and the First United Methodist Church of Saline.

A 1992 Gallup poll found that 81% of the U.S. population prefer a professional counselor who integrates their values and beliefs into the counseling process. There are fewer than 200 accredited, ecumenical counseling centers in the United States. Samaritan Counseling Services attempt to provide counseling that integrates psychology and theology, to assist churches in promoting healthy individuals, families, and communities, and to assure broader availability through fee assistance and church support.

The Interfaith Counseling Service was active since 1984. Churches participating in the transition to the Samaritan Counseling Services are Manchester and Sharon United Methodist, Bethel, Emanuel and St. John's United Church of Christ, St. Mary Catholic, Victory Baptist, Iron Creek Community, Faith Community, and St. John's, St. Thomas, and Zion Lutheran.

Jocelyn Pyett holds a Bachelors in Nursing with special training in Psychiatric Care and Community Mental Health; Masters in Pastoral Counseling and Psychology, Clinical Pastoral Education Training; and Certified Specialist in Individual, Couple, and Family Therapy. To make an appointment for counseling, you may contact the Community Resource Center at 428-7722.

THANK YOU

We, of Community Bible Church would like to thank all of the people who helped to make our AWANA "Kick off" such a success Thursday night, October 5. Especially Assistant Fire Chief Gene Kemeter and his son for bringing and displaying a Manchester Township Fire Truck, and Constable Lyle Moore for displaying the Manchester Township Police Vehicle.

The kids got a special thrill out of all of the flashing emergency lights, sirens, horns, handcuffs, spot lights, and other equipment. We plan to start the AWANA program earlier next year.

All of the people in the surrounding area are sincerely invited to bring their children from pre-schoolers to the 6th grade to 8400 Sharon Hollow from 6:30 to 8:30 PM on Thursday evenings, to join us in this AWANA program.

MANCHESTER AREA SENIOR CITIZENS News

by T. V. Ludwick

"IT'S UNITED WAY TIME" writes Howard Parr following the October 3rd Senior Citizens Council meeting and it is presented here. "Fundraising by United Way of Manchester is under way now for next year's budget. Our meals program has been funded annually with \$5,000 to help keep meal costs down for seniors as well as to pay for those unable to do so. We know that if those of us who are able to support United Way don't contribute our share, United Way may not be able to keep funding levels where they have been for several years. Let's each do our share in our own way." Thanks again, Howard!

Thursday, October 12: Our faithful kitchen crew will treat us to a favorite this noon by serving beef stew with biscuits. We cordially invite each of you who are 55 or older to come join in the food and fellowship at senior meals in Emanuel Church's Fellowship Hall on each Tuesday and Thursday at 12 noon. Call in your reservation to Sharman (428-8359) ahead of the meal date, or, you may call the kitchen number (428-7630) before 10:30 on meal days. Be prepared to not only enjoy, but to get your money's worth in good and nutritious food. Then, you are invited to bingo at the Center at 12:30.

Monday, October 16: Off the seniors go on a shopping trip to Jackson. The bus will leave the Center at 9:30 and you may go by first calling Erma Alber at 428-8707. The ride will bring oh's and ah's as you gaze at the fall colors. Wasn't it surprising how fast last week's rain brought those leaves to the ground? It's that time again to begin the clean-up work.

Tuesday, October 17: Not much activity at senior

meals today except to stuff ourselves on Jan's Chinese dinner. Ah, those egg rolls, how I love them and she makes the most delicious chop suey with large chunks of meat. This is the time to come for the first time.

Wednesday, October 18: Rubena has a secret place where you will arrive for breakfast on your mystery trip today. Senior bus leaves the Center at 8 AM, call Erma and go along for this one.

Thursday, October 19: Today, Washtenaw County nurses will be on hand to administer flu shots from 10:30-11:30 AM in the dining room of Emanuel. Cost is \$7 and given to all who are 18 years and over who are in good health. Medicare will not pay here, you must go to your doctor. Then, you may stay for senior lunch at noon if you call in dinner reservations first! It is impossible for the kitchen crew to serve 60 folks when they have only 30 reservations. Jan plans to serve macaroni & cheese (or is it cheese and mac?) and it is the best. Wouldn't it be fun to have all the round tables filled on the 19th?

Been to the library lately? I've just finished two of Mary Higgins Clark's mystery novels, Let Me Call You Sweetheart and The Lottery Winner. They kept me reading and not wanting to put them down. I was under the weather for a week or so and had such fun trying to imagine how Alvirah with Willy's support, would get herself out of each new situation. They had won the lottery (a dream of us all), so had time and money to solve (with police) these murders. We are thankful for our excellent Manchester Township Library.

"Take Care of Tomorrow, Today"

United Way Campaign Continues Through October

Each of us is affected by the community's donations to the United Way...and most will benefit in numerous ways from United Way subsidies. The United Way Board makes direct allocations to eight Manchester recipients, as well as to eight more county-wide organizations which also benefit Manchester residents.

Many United Way of Michigan member services also provide benefits to local community members, and yet reach out beyond our local needs to assist others whom we may be unable to help in more conventional ways.

This week, the Enterprise continues its series spotlighting area services and organizations which benefit from United Way funds which are raised locally each fall. This week we look at Manchester Family Service and the Manchester Salvation Army.

The United Way of Manchester includes Manchester Family Service in its budget each year. This year the United Way will make a grant of \$3,630 to Family Service.

Manchester Family Service is a completely volunteer organization. Its calls are received in the home of Dee Dee Sahakian (call 428-8852 for

United Way Board Members and Volunteers get together to do the mass mailing for the annual Solicitation letter. From left to right are Ann Fowler, Judy Fahey, Sula Jeffers Horodeczny with Cassidy, Dave Petsch, Joyce Golightly, and Lori Voegeding.

information or to report a need). Family Service was incorporated "To be of temporary assistance in all area emergencies, such as fire, accident and disaster; to be of temporary aid to hardship cases..."

This group of nine area residents meets regularly to determine long-term policies. The day-to-day decisions are made by individual board members as the needs arise.

During recent years, the majority of requests for assis-

tance involve temporary aid caused by unemployment or illness. Treasurer John Sahakian reported last year that United Way donations were used for fuel (\$750), transportation (\$50), utilities and appliances (\$260), and rent (\$1575). The remainder helped with food purchases.

Each year individuals, businesses, civic groups and churches support Manchester Family Service with donations of money, food supplies, and other in-kind items. Funds are used for the monthly food distribution and for the annual Christmas "shop." Each recipient family is remembered there with food and gifts; many fami-

lies are adopted by local groups through referrals by Manchester Family Service.

How many people realize that there is a Salvation Army branch right here in Manchester? Certainly some of us did not realize that a portion of the funds allocated to the Salvation Army are utilized locally. But the Salvation Army is, indeed another service-oriented charity supported by the Manchester United Way.

A small committee, with Ted Tapping serving as treasurer, determines the use of the funds. Salvation Army grants usually pick up the large needs which Family Service cannot meet. For example, recently a

request for past-due rent was covered by the group so a local family could remain in their home while the mother was between jobs.

When you make your annual donation to the United Way of Manchester, you can see that you are reaching out to not just your neighbors and friends, as evidenced by last week's featured recipients (Manchester Township Library and Manchester Area Senior Citizens), but also you are reaching those whose needs are beyond your ability to help alone.

It is the donations by each one of us, individually, which allow the Manchester United Way to collectively reach out to those in need as well as those worthy organizations whose purpose it is to supply services to the entire community. Your dollars, in conjunction with the donations of the entire community, are allocated wisely by the United Way Board to benefit all in the community.

When you sit down to make this year's contribution to our United Way, be generous. Remember all the ways you can help others in our community through one simple donation. You can indeed, **Take care of tomorrow, today**, by giving the United Way.

- Marsha Johnson Chartrand with appreciation to the United Way Board members for their assistance in gathering information.

First Annual Manchester Area CROP Walk

A Venture in Faith Becomes a Resounding Success

The first CROP Walk held here in Manchester on Sunday, October 8 was a "walking success." Over 150 people participated in the one mile and 5.5 mile walks with the trails winding through town and out into the country. The enjoyment of fall colors in the sun was part of the pleasure of this walk.

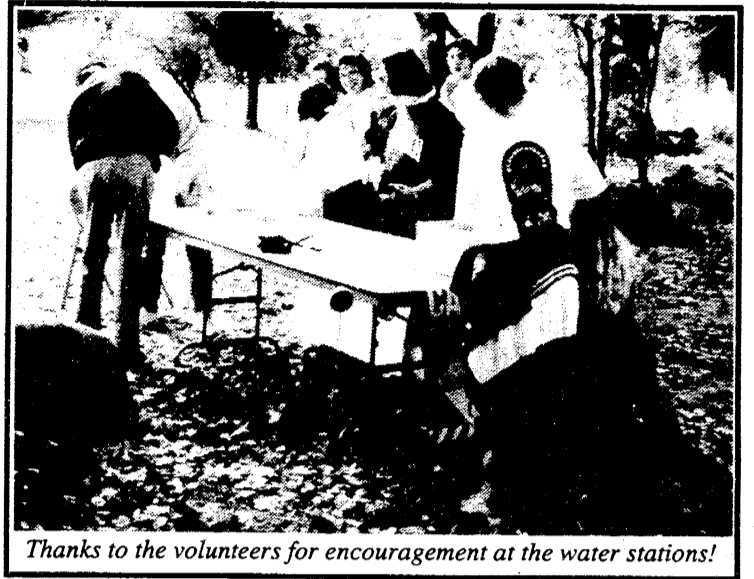

The day turned out just right for walkers - not too hot, no rain, and just enough sun to keep everyone smiling. There were participants from all area

churches and congregations walking for one cause - the hungry.

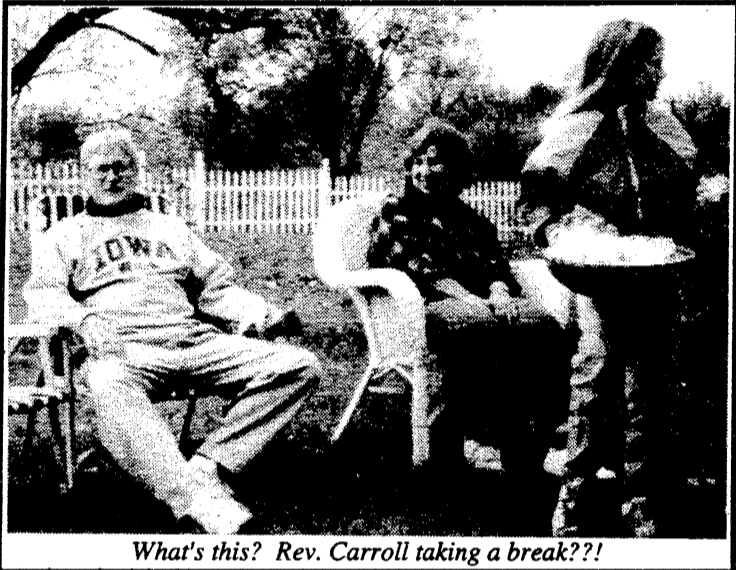

\$8,000+ was raised between the walkers' sponsorships and local businesses - exceeding the goal set by organizers of the walk by over \$1,000. Over \$2,000 will stay here in Manchester and will be split between Manchester Family Services and the local food cupboard.

Bethel United Church of Christ has been doing the CROP

Walk on their own for years and have sent their funds into Ann Arbor. This year their monies were included in the Manchester figures and will be put to great use locally. Again this year, the "Bethel Bunch" walked their traditional route out in Freedom Township.

Thanks to the volunteers for encouragement at the water stations!

What's this? Rev. Carroll taking a break??!

Youngest 5.5 miler - Zachary

The organization of the walk was outstanding. Laura Sutton, Bill Pfaus and the Emanuel Senior Youth Group headed up the organization. The

paths were clearly marked with water stations along the way manned (and womanned) by local volunteers who kept the walkers upbeat right to the finish back at the High School. Cyndy Nye was generous in passing out trail mix to those who passed by her home on Schleweis Road. At the not-quite-half-way point, it was greatly appreciated by those walkers who weren't quite sure whether or not they could make it!

First to cross the finish line was Barb Stein who ran the route in just 45 minutes. Congratulations, Barb!

From the youngest walker - Zachary Benedict, age 6 - to the oldest walkers - in their 70's (sorry, no names here!) Manchester can be proud of all who gave of their time and efforts to help our first - but certainly not our last - CROP Walk become a success.

Alma College Sophomore Advises Students

After her first year at Alma College, active sophomore Sharon Bihlmeyer offers her best advice to others: "Put academics first."

Bihlmeyer, a biology major from Manchester, chose Alma because her cousin was a professor there and she liked the personal attention she would receive at a small institution. "I could see myself here," she says.

After a tough 18 credits her first term, she realized the importance of staying on top of her studies. "Try to stay with your classes. Don't get behind or you lose. Try to keep pace all the time. Don't think you'll be able to do it all at the last minute because you won't," says Bihlmeyer.

This year she's starting off a little slower with only 16 credits, but she also has a job in the Chemistry Department, participates in the Student Alumni Association and is a member of the women's basketball team. Since Bihlmeyer

plans to attend medical school after graduation, she hopes to "have a good knowledge base to start off with and gain a chance to be with peers without being in the work force."

Like many other sophomores, Bihlmeyer has made it successfully through her first year and is eager to continue.

WHAT I'VE LEARNED As the Parent of a Special Ed Student

FIRST. I learned special education includes VERY intelligent people.

When one of my own children was diagnosed as learning disabled in 3rd grade, the recommendation from the evaluation team was special education. I was devastated! I resisted - I didn't want my child in a special education room - but finally I agreed to let my child try it. I expected my child to come home the next day, crying, because of being put in a special education room. I was wrong! My child loved it. My child's stomach aches, which had occurred daily for half of the third grade, disappeared that very day. Two semesters later my child was back into the regular classroom. Those two semesters - with a very special, special education teacher in the special education room had worked wonders!

SECOND. I learned to truly appreciate teachers.

Their classrooms are filled to capacity. At least ten percent of the students have some combination of learning disability, no two the same combination and they all need different accommodations. Another ten percent suffers from attention deficit (many undiagnosed and untreated) and tend to disrupt the classroom or appear to have no idea

what is going on. Teacher consultants help with these special students but the teacher consultants are programming for many students, evaluating other students and team teaching. Most teachers and teacher consultants seem to have a real talent for fulfilling each students needs. Some are such wonderful, caring individuals that they call parents when they see a student is "slipping" to try to find a solution. I am truly, truly grateful to these very talented teachers. I try to always remember to thank them for their special efforts.

THIRD. I learned I am responsible for maintaining a good educational environment for my child.

School does not always go well for my child. We have many crisis situations. It is the responsibility of my child and me to work with the teacher consultants and the teachers to find the solutions, not only to resolve the crisis, but also to demonstrate to my child that asking for accommodations works. (My child will have to do this in college and in the work force.) Alone the teachers may find a solution eventually. Alone my child and I may find a solution eventually. BUT, together we find a solution SOONER. I know my child better than the teachers; I know my child's

history better. My child and I are an important part of the team.

FOURTH. I have learned that my child and I are pioneers and need to accept progress at a slow and steady pace.

Inclusion of special education students is relatively new; in the past most quit school by high school. Assistance for attention deficit people is new; in the past these students were seen as behavior problems and were often expelled from school. Parents are helping the school develop inclusion programs that worked for these students. I've learned a lot from the school staff. The school staff has learned a lot from me (me = all parents of special needs students who are involved in their child's education). But mostly we are all learning from students like my child. The students that face the learning disability every day of their life. The student that strive ahead, handle failures and beam with success. The students - who I know deep in my heart - will be wonderful and very successful adults because of all the special efforts all of us are making.

Golf Team Summary

October 2, the Golf team played a dual match with Clinton and Sand Creek at Raisin Valley Golf Course. Clinton finished first at 1262, Manchester Second with 182, and Sand Creek in third place at 184. The team had a solid effort from everyone, with Marcus McNamara, Jim Donnellon and Mike Ridenour shooting 45's. Posting 47's were Jason Barnes, Ryan Roberts & Dan Kwolek.

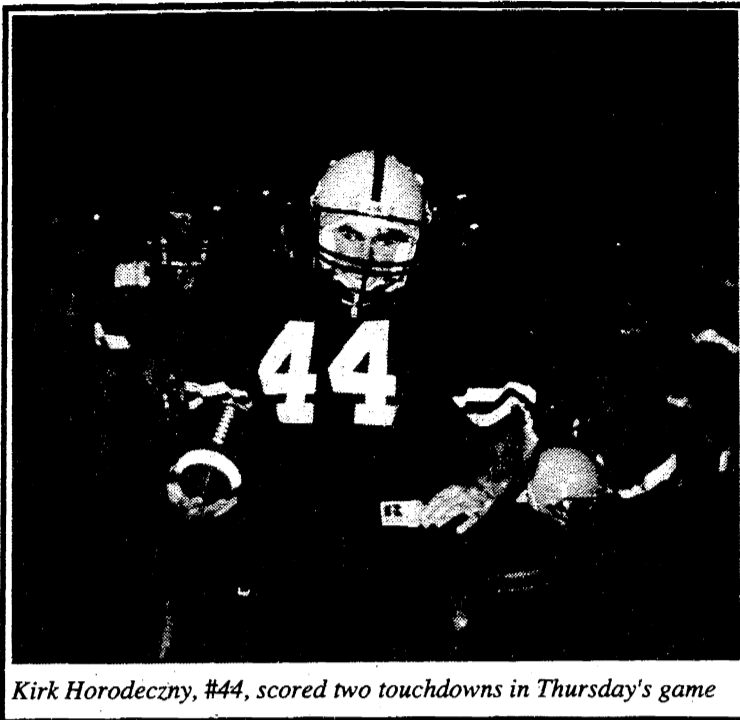

The JV Team finished first, Ted Rice leading the way with a 48, followed by Jacob Klein (49), Brian Mazur (52), Jon Way (54) Andy Hughes (55) and Ben Grenier (56).

The next competition was an All-Conference Match, October 4, at Lakeland Hills. Hanover Horton finished first at 159. Hanover hasn't lost a match this year. Second was Michigan Center (162), third Napoleon (169), followed by East Jackson (174), Addison (181) and Manchester (183). Leading the way for Manchester was Jason Barnes (44) followed by Dan Kwolek (45), Ryan Roberts (47), Mike Ridenour (47), Marcus McNamara (50) and Jim Donnellon's (54).

The JV All conference was close but again Hanover Horton came up first with a team score of 193. Napoleon second at 195, Michigan Center third at 197, Addison fourth at 203, East Jackson (204) and Manchester sixth at 206. Sophomores Jacob Klein (49) and Ted Rice (51) led the way followed by the following freshmen: Ben Grenier (52), Brian Mazur (54) and Andy Hughes (58).

A team's score equals the four lowest scores for each team. The season average of the varsity is 188 or a 47 per player average. The JV season average is 202, or 50.5 per player/average.

JV Dutch March across Michigan Center

Kirk Horodeczny, #44, scored two touchdowns in Thursday's game

As the rain came down last Thursday, I thought of our JV team. Would they be haunted by the loss to Vandercook Lake when the weather was identical? However, when we arrived at the athletic field I saw a determined, motivated Dutch JV team.

Michigan Center took the kick off and could not make a drive so they punted away. The punt went only 5 yards, but they were kicking into an extremely strong wind.

Manchester took over and they never looked back. On the Dutch first drive #44 Kirk Horodeczny scored from 17 yards out. Penalty flags nullified the score, but three plays later #89 Terry Coleman ran in for the first 6 points. #10 Mike Meranuck's pass to #86 Eric VanBogelen was good for the 2 point conversion. Manchester led 8-0.

Michigan Center was plodding along when #24 Bill Alber intercepted a Cardinal pass and the Dutch took over at the 45 yard line. This was the only time it looked like the weather affected the teams. First Michigan Center had the ball, then Manchester had the ball and nothing came of either posses-

sion. At the end of the first quarter Manchester led 8-0.

In the second quarter Manchester came alive! #10 Mike Meranuck capped off the Dutch drive with a 6 yard run for the touchdown. The 2 point conversion was no good. Manchester now led 14-0.

Michigan Center still could not get a handle on the game and soon the Dutch were on another drive. Help was received on this drive by #44 Kirk Horodeczny with a 25 yard run and #32 Ryan Lentz with a 10 yard run. Then came a 20 yard run for a touchdown by #89 Terry Coleman. #10 Mike Meranuck kept the ball and ran it in for the 2 point conversion. The score was now Manchester 22, Michigan Center 0.

Manchester kicked off and the Cardinals fumbled. #86 Eric VanBogelen recovered the ball and that ended the half with Manchester leading 22-0.

I would like to commend all the parents and spectators who came and sat in the pouring rain to support the JV Dutch. I chickened out and sat in the press box. There I met the man behind the voice. Bryan Hoeft is the announcer for the JV Dutch. As a reporter, I rely on the an-

nouncer to either confirm or correct what I have just seen. As a Mom, I listen to the announcer in the hopes that my son's name will be the one mentioned over the loud speaker.

Bryan and his "spotter" Chris Ahrens use binoculars and a listing of both teams players and their numbers. Bryan is a very colorful and enthusiastic announcer. Our thanks to Bryan Hoeft for volunteering his time to announce these Thursday night games.

Manchester still did not let the weather bother them as they started the second half with a 35 yard return run by #30 Nick Niehaus. This drive got them all the way to the 5 yard line but they could not get any further. Michigan Center took over at the 5 yard line, but they fumbled and the Dutch came up with the ball. #44 Kirk Horodeczny ran in for the 2 yard touchdown. The 2 point conversion was no good. At the end of the third quarter the score was Manchester 28,

Michigan Center 0.

The Manchester drive at the beginning of the fourth quarter resulted in #89 Terry Coleman's three yard run for another touchdown. The extra point try was no good. Manchester now led 34-0.

The "Dangerous Dutch Defense" was led by #50 Jesse Jarels, who had two quarterback sacks for significant lost yardage. Other great defensive plays were made by #82 Shane Neigebauer, #77 Levi Smith, #66 Jon Hochstetler and #24 Bill Alber.

The last Dutch drive of the game found #12 Jake Ford running 10 yards for the final touchdown. The kicked extra point was good and the final score was Manchester 41, Michigan Center 0.

This Thursday, October 12 the JV Dutch will host Hanover Horton. There are only three games left for the JV team, come see them before the season is over. - Lois Hochstetler

7th Grade Girls Basketball

Over the last two weeks, the seventh grade girls have played five games. While winning their first of the year, they have also lost four. But they played their best game at home in a rematch against Napoleon in a hard-fought loss.

They began with a 28-15 loss to Vandercook, followed by their first loss to Napoleon, 30-18. This was followed by their first win, a 20-13 decision against Hanover. The excitement of the win was overwhelming! But they lost their next game at Grass Lake, 27-15.

All this pales in comparison, though, to the emotion of the second Napoleon game. Napoleon has an excellent player who is nearly impossible to stop. After jumping out to a 24-8

lead, the Dutch shut down the Pirates and out-scored them 19-7 in the second half - 15-3 in the fourth quarter alone! Leading the comeback were Nicole Leverett (14 points), Laura Meyer (2 points), Jackie Palms, Katherine Horodeczny, Jennifer Heskett and Ashleigh Sewell with 2 points apiece. The girls displayed tremendous composure, emotion, aggressiveness and hustle.

After the game, you'd think the Dutch had won with the excitement in our gym. This kind of feeling sticks with you forever. Also scoring against the Pirates was the ever-improving Shannon Green with 3 points.

8th Grade Cheerleaders: Front, Left to Right: Amanda Coutts, Heather DuVall, Christina Hakken. Middle, Left to right: Katie Sondeen, Erin Fox, Joanne Eversole, Rachel Fleck. Back, Left to right: Chrissy Abbott, Angela Tyler, Rhonda Johnson, Kari Binder, and Jessi Randall.

Cross Country Cruises On

Manchester's Cross Country team has had a busy first season to date. Beginning on Thursday, September 15, with the Springport Invitational, where the team came in ninth with 196 points, the team has been attending two to three meets each week.

At Springport, the women posted two runners in the top 20, with Pam Preston in tenth place at 22:15.8, and Rebecca Koffman in nineteenth place at 23:11; followed by Jill Weidmayer in 37th, Ahja Zang in 38th, and Dana Richards, Jennie Sahakian and Marie Haeussler numbers 43,44 and 45.

The guys had Nick Woods at 16th with 18:38.1, followed up by Art Gleason in 30th place, Eli Bragg in 40th, Lin Harris in 53rd, and Adam Corwin in 57th place. All the guys posted personal records in the Springport Invitational Meet.

At the Holly Invitational, held at Springfield Oaks County Park on Saturday, September 16, the weather was a beautiful, sunny 70°. The Middle School Cross Country team showed Kevin Sahakian with a 13:56 personal record; Nick Gordon with a 15:10 personal record time; and Phil Krall at 17:46 as his personal record.

A total of 20 teams participated in the Holly Invitational, from all over the state. Manchester Men came in a very respectable 7th with 254 total points. Nick Woods was our first runner to cross the line at 19:30 with a 29th place finish. The Michigan Center/Grass

Lake meet was held at Camp Tetonka on an overcast, muggy Tuesday afternoon. The men lost to Grass Lake by a score of 16-50 and a closer one to Michigan Center with a score of 25-30. A new personal record was set by Eli Bragg at 20:14.

Women fared better than the men, losing by a score of 24-37 to Grass Lake and winning against Michigan Center with a score of 15-44. Pam Preston came in first overall with a time of 23:21, and new personal records were set by Jill Weidmayer at 25:05, Jennie Sahakian at 25:40, and Jessica Richards at 27:19. Congratulations, girls!

On Saturday, September 23, the weather was sunny but chillier than usual at 50°. The place was Ella Sharp Park in Jackson for the Jackson Invitational. All the women set new personal records this day and ended up in 7th place in a field of 11 schools. Pam Preston once again posted highest with a 10th place finish in a time of 21:26. Following up were Rebecca Koffman 25th, Jill Weidmayer 43rd, Ahja Zang 51st, Jennie Sahakian 54th, Dana Richards 63rd, and Marie Haeussler 67th.

The middle school guys finished well at the Jackson Invitational with Kevin Sahakian placing 21st, Nick Gordon 30th, and Phil Krall 123rd, in a field of 169 runners. Each set a new personal record with times of 13:22, 13:39 and 16:23, respectively.

The High School guys all posted new personal records in this meet too, showing improvement in their personal time although they placed ninth overall in a field of ten, teams. Nick Woods was first across the line in 30th place with a time of 18:23, followed by Eli Bragg 46th, Art Gleason 50, Lin Harris 63, Brad Kemner 67, and Severin Ritter, 68th.

The next dual meet was on Tuesday, September 26th vs. Napoleon and Vandercook Lake. Middle School guys ran and posted times of 13:41 (Kevin Sahakian), 14:57 (Nick Gordon) and 17:31

(Phil Krall). Only four high school men ran and ended up having to forfeit despite strong showings by Nick Woods in 4th place, Eli Bragg in 12th, Art Gleason in 14th and Lin Harris in 20th place. All posted new personal record times in this meet.

The women fared well in this dual meet. They posted a win against Vandercook and a loss to Napoleon, with a second place finish by Pam Preston and 9th place by Rebecca Koffman, to finish two in the top ten. Jill Weidmayer and Ahja Zang came close with 11th and 12th; Jennie Sahakian in 15th, Dana Richards, 18th, Jessica Richards 20th, and Marie Haeussler 21st.

A dual meet with East Jackson and Hanover Horton held on Tuesday, October 3, posted the men's first win of the season. They beat Hanover Horton with a score of 15-50, and four runners in the top ten! Nick Gordon 5th, Art Gleason 7th, Lin Harris 9th, and Brad Kemner 10th. Eli Bragg and Adam Corwin finished quickly thereafter in 11th and 13th spots. East Jackson won out over Manchester with a score of 21-34.

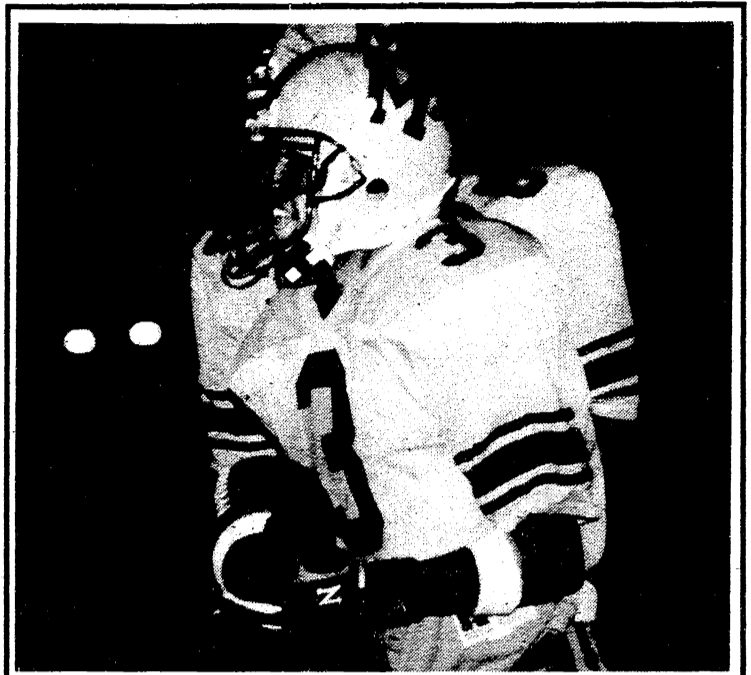

Women beat East Jackson by a nearly identical score of 22-34, but lost to Hanover Horton by a score of 22-33. Three women placed in the top ten - Pam Preston 2nd, Rebecca Koffman 5th, and Jill Weidmayer 10th. Close behind were Ahja and Jennie again in 11th and 12th. Dana Richards 16th, Jessica Richards 18th, and Marie Haeussler 19th, finished out Manchester's scoring.

At this point in the season, the Dutch Men's Cross Country Team has a 1-5 record and the Women's Cross Country holds a 3-3 record. Their fine showing this year portends a great future for the team. Coach Vitale's prediction of the Cross Country team as a future contender for the Conference Championship doesn't seem too far off base!

Support all of our Dutch - and keep your eye on these runners. They'll continue cruising for a few more weeks yet.

Dutchmen Caper over the Cardinals

Nick Davis, #3, in a "quiet" moment of Friday's game. According to Jackson Patriot, Manchester's opponents are waiting for the 'sophomore jinx' to kick in - and they're still waiting. Keep it up, Dutch!

On a wet field that often resembled a soggy sod farm, with peeling turf, Manchester's Dutch Men held Michigan Center's main running back in check. Our Defense controlled Cardinals junior, Kiley Paquin, who had previously gained 998 yards with a 8.1 yard per carry average in five games, to just 79 yards.

Bryan Duvall with 12 tackles, two for losses along with Ryan Fielder with 16 tackles and a fumble recovery, Justin Porter with 11 tackles, two for losses and Trevor Schleicher who knocked down 4 passes in the secondary kept Michigan Center in check.

The Dutchmen with Zach Maghes at the helm, steered the offense in another outstanding effort. Nick Davis scored three touchdowns on carries of 16 yards, 1 yard and 87 yards and made a two point conversion. Aaron Garrett with his hard running scored twice on carries of 3 and 48 yards.

Zach Maghes electrified the Manchester rail-birds and our cheering bleacherites with kick-off return that saw him reverse his field twice and scamper into the end zone with a 80 yard plus jaunt. Steve Riske carried the ball for an 11 yard score and Pete Paige closed out the scoring with a 13 yard run. Trevor Schleicher kicked two extra points.

The Dutch led 33-0 at the end of the first half and they never looked back. After the second half began with Maghes' kick off return of 80+ yards for another Manchester score. Coach Gall freely substituted players in the second half and they continued to control Michigan Center and moved the ball freely.

Joe Tobias, Justin Porter and Ben Morgan led Manchester's up front line play. Coach Gall stated, "The first three or four drives showed the intensity of the line play; we did a great job."

Manchester will face winless Hanover-Horton, there, this Friday evening. Let us hope our boys don't rest on their laurels. They must continue to play with intensity, for the cross-over game will be most likely with an undefeated opponent.

Wayne and Dorothy Willingham of Manchester are the proud grandparents of the newly crowned Majorette Princess of America, **Cara Leanne Jasiolek**. Cara is the fourteen year old daughter of Walter and Christina Jasiolek of Northville, Michigan.

Cara won the elite title from the Drum Majorettes of America in North Carolina on August 3rd by performing four outstanding routines. She earned two first and two second placements in solo twirl, fancy strutting, talent, and modeling routines. Her first love for performing started with ballet lessons at the young age of five. A couple years later she began twirling a baton. Through the years she has continued to excel in both areas while maintaining honor roll grades in school. The active teenager has won four national baton twirling titles and numerous savings bonds toward her college education.

Since Cara must be sixteen years old to compete for her dream title of Majorette Queen of America, she plans to improve her ability by perfecting half-time show routines. The expert twirler is featured at her high school football and basketball games in Northville. Also, she been invited along with about 100 twirlers from across the country to perform at the Citrus Bowl in Florida on January 1st.

JOLLY FARMERETTES PLUS 4-H CLUB

The fall organizational meeting of the Jolly Farmerettes Plus 4-H club was called to order on September 23, 1995 by out-going President Suzanne Lowery. Flag pledges were led by Sheila Staffeld. Present were 2 new members, 14 previous members, 3 leaders and 4 guests.

Under bills and communications we received a total of \$73 from fair exhibits. Bills were presented for payment for postage, plastic club exhibit forms and paint. Club members are asked to cash their youth show checks as soon as possible if they haven't already.

Under old business the 4-H fair was discussed with recommendations for more cake decorating and junior food judges. It was recommended that you bake the cakes you decorate rather than using cake forms for project entries. Elaine is to take these recommendations to the Still Projects Committee.

Election of officers were held: President, Jodi Feldkamp; Vice-President, Nichole Jensen; Treasurer, Jennifer Schulze; Secretary, Christine Jensen; Reporter, Erin Wiley; Photographer/Scrapbook, Krystal Welshans; Flag Keeper, Rebecca Alber; Roving Officers, Sheila Staffeld and Hannah Goodrich.

Under new business it was voted that club dues will be \$5 per year, postcard mailings for monthly meetings, and Mary Lowery is the contact leader if you are unable to attend a club meeting. Also it was discussed and recommended that the modeling awards at Spring Achievement be large rosette ribbons. Elaine is to take this suggestion to the Still Projects Com-

mittee. Sign-up list for the 95-96 committee year was made available. All members are asked to sign up for one or more committees to serve on. The club also voted to amend the club name to "Jolly Farmerettes & Farmers" and an announcement will be forwarded to the 4-H office. Club meetings will continue to be held monthly on Saturday afternoons from 2-4 at the Sharon Township hall as available. Next club meeting to be October 28 from 2-4PM.

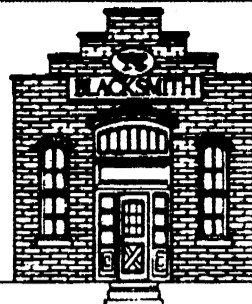

Under committee reports, Nichole Jensen, Jodi Feldkamp and Emily Parr will be responsible for National 4-H Week, October 1-7. Nichole Jensen is in charge of leader thank-you area.

Under leaders report, McCall and Simplicity patterns were available for order at discounted amounts. If anyone is interested in a straight-stitch sewing machine at a cost of \$20, contact Mary Kay Bailey. Also, Marilyn Schulze will to a dried apple activity at the October meeting with club members. Sue Staffeld volunteered to do paper bag angels at the November meeting and Barb Eversole will do a quad-activity hands-on workshop at the Soup & Salad meeting probably in February. Al Staffeld will coordinate and do an extension cord workshop will club members after January 1st.

Under club activities, members watched a video on conflict resolution - "Talking with T.J." and made recyclable pumpkin bag decorations. As a community service project, members cleaned a shelf of dishes in the township hall kitchen. The meeting was adjourned with refreshments by Jodi Feldkamp.

Submitted by Jodi Feldkamp, President.

Manchester's Fall Bloodmobile

As the leaves have started to fall and the moon is full, it reminds me that it is time for Manchester to hold its FALL BLOODMOBILE. The date is Monday, Oct. 16, and will be held at Manchester's United Methodist Church. You will be able to donate blood from 1 PM until 7 PM.

By now you should have been contacted by recruiters from either your local church or place of business. If this has not happened, then please feel free to just show up at what ever time is convenient for you.

We of the Manchester Blood Committee, would like to thank every one who helps to make each and every bloodmobile a success. This includes the businesses that let us put the sign-up boxes in their stores, the industries who let their people donate on company time, the recruiters who do all the telephoning and most importantly, you, the blood donor. Without you, we would have nothing.

Think of all the unknown people that your one pint of blood will help. It just may be, that your blood is just what is needed to save someone's life.

Hoping to see you all there on Monday, October 16.

Still Time to Bloom!

If you had every intention of ordering some of the giant King Alfred Daffodil Bulbs from the Manchester Co-Op Preschool, but never got around to it...you still have an opportunity to beautify your yard and to help the Manchester CoOp in its fund raising effort.

This Saturday morning (October 14) from 10 AM until noon (or whenever we run out of bulbs - which ever happens first) in front of the Manchester Market, you may purchase a bag of 50 daffodil bulbs for \$15.90, which includes sales tax. These bulbs are of superior quality, according to our supplier, Lodi Farms, and many are doubles and triples.

Here is your chance to start a blooming tradition in Manchester and fill our towns with gardens of daffodils - and help our "little Sprouts" as well at the Manchester CoOp Preschool.

Questions? Call Breeda at 428-0847. See you Saturday!

Equestrian Team Begins Fall Season

The Michigan Interscholastic Horsemanship Association (M.I.H.A.) began its fall season of competition on Saturday, September 9. The M.I.H.A. has been in existence since 1974. This year the M.I.H.A. is comprised of teams from 60 high schools in the state of Michigan with over 1,500 students who meet in competition against one another in various areas of horsemanship - saddle seat, hunt seat, stock seat (western), trail and gymkhana (gaming) classes. The association is divided into Districts comprised of six to twelve teams. Schools within each district compete against each other at meets held in various locations. Every team competes in three meets against schools in their districts. At the end of these three meets, the team which has the most cumulative points is the District Champion and qualifies for the State Championship.

Due to the difference in the sizes of the schools and number of riders within each district, teams are labeled either Division A, B, or C teams; based on the number of riders competing from the school. A Division A team has 11 or more riders, a Division B team has six to ten riders and a Division C team has five riders or less.

The Manchester Equestrian Team is in its eleventh year of competition in this association. The Manchester Equestrian Team competes in District VII which is one of the toughest districts in the state. Schools competing in District VII are: Ann Arbor-Greenhills, Ann Arbor-Huron, Ann Arbor Pioneer, Carleton - Airport, Chelsea, Grosse Ile, Manchester, Milan, Monroe, New Boston-Huron, Saline, and Ypsilanti-Lincoln.

The Manchester Equestrian Team is comprised of twelve members, therefore competing in Division A competition. The Manchester Equestrian Team consists of the following students: Stacey Burmeister, LeAnne Ellsworth, Laura Haeussler, Marie Haeussler, Darci Hock, Sarah Jefferson, Laura Kanta, Lindsay Kloster, Angie Makielski, Kelly Parr, Sarah Patak, and Dawn Shaw.

Manchester's first meet of the season was held in Belleville at the Wayne County Fairgrounds. Manchester placed third in this competition, scoring a total of

92-1/2 points with Huron - New Boston scoring 111-1/2 points and Chelsea placing first with 124 points.

Individuals contributing to Manchester's team score were:
