Our Park Runneth Over

The afternoon of Tuesday, June 18 saw torrential rains which poured down faster than the Village's new storm sewers could handle it. In Kirk Park, both the sanitary sewers and storm drains began gurgling up and raw sewage along with several inches of water, filled the low area between the baseball diamonds and across Adrian Street to the river. Both Adrian Street and the park were closed immediately.

Many residents had standing water in their yards as the already-saturated soil could not absorb the quantity of rain in such a short time. Two youngsters at the corner

of Territorial and Macomb Streets took advantage of the situation and rowed their small inflatable boat on their newly-acquired "lakefront property."

Village crews worked overtime on Tuesday to alleviate the problem in the park. Elsewhere in town, storm drains were overflowing, but Kirk was the only location where sanitary sewers were involved. The extra water was pumped out and Wednesday's sun worked wonders to dry up the waterlogged ground. Baseball diamonds were raked and "baked" and ready for use again on Thursday evening.

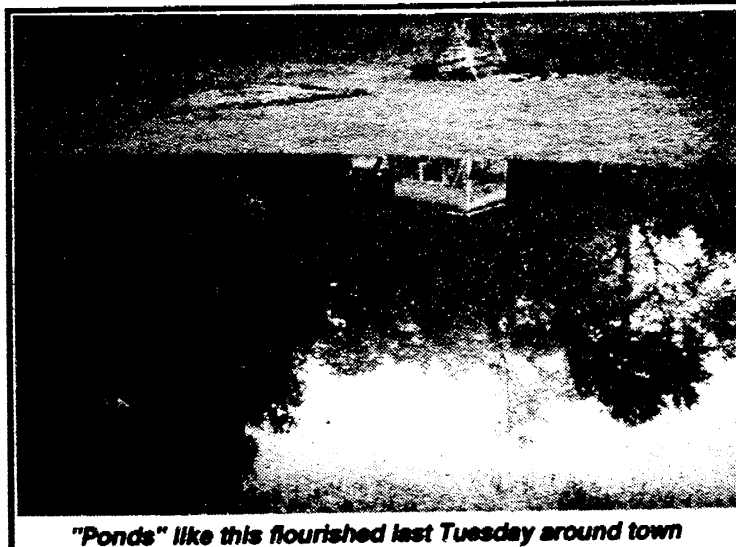

"It is always a health concern when raw sewage is involved," admitted Village Manager Jeff Wallace. "We notified the appropriate County and State agencies and were told to keep up with

what we are doing." Wallace explained that situations like this occurred frequently during heavy rains, prior to the sewer separation project seven years ago. This is the first time it has happened since the separation. "You can overbuild so that this never happens, but that would be impractical," Wallace noted.

The DEQ was notified that the river could be affected by the overflow but the Village was informed that they had handled the situation appropriately. Final results of the effects of this incident were pending at press time.

All in all, the crisis could have been much worse. The Village took rapid action to minimize the potential damage to residents, property, and the environment. Thanks, guys, for a job well done.

Freedom Township Suicide

Friday morning, June 21, a call was received at 5:55 AM on a possible suicide in the 6800 block of Steinbach Road in Freedom Township. The victim was identified as Karen Holland, aged 38.

An apparently self-inflicted dose of carbon monoxide from an automo-

bile was determined as the cause of death. Holland was a former resident of Ionia who had moved to this residence in October 1995.

CPR was performed at the scene, and the victim was transported to Saline Hospital, where she was pronounced dead on arrival.

Fireworks!

Wednesday, July 3rd

Once again the Manchester Men's Club is sponsoring the BEST fireworks around! On July 3, at dusk, sit down at Carr Park, or somewhere in the vicinity, and get ready for the spectacular display they have prepared for you this year.

The Fireworks are paid for solely by your donations. What they take in will be spent next year to make this event bigger and better each year. Your generous contributions are what makes this such a successful evening's entertainment.

Wednesday will be a day of celebration at Carr Park. Those who are fortunate enough to have a day off may decide to have a picnic lunch; if you're coming home later you will certainly want to arrive early enough to play a few innings of baseball, a set of volleyball, or just listen to the sounds of Brad Frey and his band, which be-

gins at 9 PM. Of course, part of the pleasure of viewing the fireworks from Carr Park is the time you will have to spend visiting with friends and neighbors - and maybe even seeing folk you haven't seen in years who are visiting just for the occasion.

As in the past, **PERSONAL FIREWORKS AND SPARKLERS WILL NOT BE ALLOWED INSIDE THE PARK.** Bring yourself, your family, your friends, and even your own food - but leave the fireworks display to the ably trained men of the Manchester Township Fire Department.

The Men's Club Refreshment Tent will open at 6:00 PM with pop, beer and popcorn being served. Remember that this is a family occasion. Have a great time, but don't infringe on others' enjoyment of the fireworks. See You There!

Band Program Flourishes

High School Band Jazzes it Up

Students interested in musical expression have had a new opportunity this year, which will continue to expand in the coming school year.

"Jazz Band is an additional opportunity to pursue their interest in music," said Weissman. She explained that Jazz Band's "season" starts in November, after the Marching Band season ends. This year they performed at the Holiday concert in December, at an Optimist meeting in April, and in May at the Spring Concert.

Next year the chances to perform will be expanded and hopefully the participation will be increased as well. "We had about 15 kids this year, not all of whom were band students," Weissman commented. All rehearsals were held before school, once a week, with the students volunteering their time to participate in this extra-curricular program.

"Two years ago, I offered Jazz Band at the Middle School as an exploratory," said Weissman. "It was well received by the students there so I decided to expand it to the high school."

The main components of a Jazz Band are the brass, sax and rhythm sections (which includes piano and bass guitar, besides drums). This year some of the parts were re-written for clarinets and flutes, because those were the students who expressed an interest. "Sometimes I had to re-write the music to suit the instruments we had, or we chose songs which were written in the proper key. I finally taught the kids to transpose the music themselves, and it saved me a lot of time," commented Weissman.

"The Optimists made a donation to the Jazz Band after our performance for them, which will be used to purchase things especially for the Jazz Band," said Ms. Weissman. "The students decided they would like to have a pin or medal for their jackets? and new music written especially for the Jazz Band. Right now we have next to none in our music library that's appropriate."

"We play different styles of music. Jazz Band doesn't encompass just jazz." Blues, big band, Dixieland, and even some rock songs have been discovered by the Jazz Band this year. Students whose musical interests range to vocal music have been offered the opportunity to explore that avenue through participation in jazz band, too.

The band program is growing by leaps and bounds each year. Next year, about 20 new band members will replace the five seniors who graduated this

year. Mr. Schick commented that they don't know what they'll do with the 87 7th and 8th grade band members who will squeeze into the Middle School Band Room next fall. But the interest in participating in band is increasing each year.

Some of this credit has to be due to the leadership provided by Ms. Weissman. She downplays her influence, saying that, "I really don't do anything to make this happen," but those who have students in the band who have students in the band to encourage the kids to continue with band as they get older. She notes that "the perks of being in band are getting better; the band trips are very popular and now we've expanded those to the Middle School as well."

The Band Boosters continue to be a supportive group although

their core remains a small fraction of the total membership. If you have a student in band, you're automatically a member of the Band Boosters...but their meetings are still sparsely attended, although they welcome the participation and input of anyone who is interested in promoting the bands. The Band Boosters put the funds they raise to good use by helping to outfit the bands and sponsoring the band trips. Be sure and stop by the Elephant Ear booth at the fireworks next month, and support their efforts. (By the way, if you're one of those "inactive" Band Boosters, they would probably appreciate your help, too!)

Another way Ms. Weissman has encouraged participation in band is by showing that it's possible to be a member of the ath-

letic teams and band, too. This year, Jeff Tyler stepped off the football field to play percussion at half-time during the games. "That was a big step," admits Weissman. "We're also trying to make Marching Band as painless as possible, but how painless can it be at 7:00 each morning during football season?" Several dozen band students can testify that it isn't that painful - at least, they continue to show up almost daily for practices during the season.

Flag Corps is another way that both band and non-band students are choosing to participate in Marching Band. Next fall, eight young women will be members of the Flag Corps, an increase of two from last year, and majorette Sarah Patak will return as well.

The band program is indeed

getting, "Bigger and Better Every Year." Their "I" ratings at Band Festival and Solo & Ensemble Festivals, the band trips, the impressive performances at concerts, and the ambitious plans for the future are all indicative of the "steam" that is powering this progress. The students, Band Boosters, and the director all need to stand up and take a bow for their own part in making our bands a program of which everyone in Manchester can be proud.

The cloud in this silver lining is that Ms. Weissman will not be returning to Manchester this fall. She has accepted a Marching Band position with Saline Schools. Hopefully an equally dedicated and talented director will be found who will take our bands to great heights.

PROPOSED SYNOPSIS Regular meeting Manchester Township Board

Monday, June 10, 1996

The meeting was called to order at 8:08 PM by supervisor Mann. Board members present: Macomber, Mann, Hakes. Absent: Turk, Widmayer. Also present were Fire Chief Wiedmayer and Constable/Zoning Inspector Moore.

The minutes of the Board's regular meeting of 5/13/96 and special meeting of 5/21/96 were approved as presented. Minutes from the Planning Commission, Board of Appeals, Library Board, WWRA, River Raisin Watershed Council, and County chapter of the Michigan Townships Association were accepted.

Supervisor Mann presented the Treasurer's report. An amendment was made to the budget, and bills that have been paid and outstanding bills were approved for payment. The Clerk and Treasurer were given permission to pay any normal bills that may come in between now and the annual meeting.

Fire Department activity for the month included 13 fires, 8 medical, 13 personal injury, 6 miscellaneous, and 6 mutual aid, for a total of 46 runs. Chief Wiedmayer discussed various issues in the fire department. The Board voted to require a

physical and a test for tuberculosis for new firefighters on the date of hire and 30 days later. Physicals may be obtained from the township physician at township expense, or from a private physician at the employee's expense. The following were appointed as officers: Fire Chief Gary Wiedmayer, Assistant Chiefs Gale Koebbe & Gene Kemeter, Captain-Bill Scully, Lieutenant Dave Jose & Kris Kensler, Secretary/Treasurer- Harry Johnson. Annual payments were allotted for last year's officers. Mike Scully was reappointed Fire Marshal.

Constable/Zoning Inspector Moore's report was accepted by the Board.

The Board set a date for a budget workshop for Monday, June 24, 1996, at 8:00 PM.

The Board voted to change the cost of permit fees from \$32.50 to \$45.00, effective immediately. Public hearing was set for Manchester Gravel and Concrete Products request for variance under Section 22 on Ordinance #39. The hearing will be held Wednesday, June 26, 1996 at 5:00 PM.

Other issues discussed, with no action taken, were the Huron

Valley Nighthawks, the proposed contract with the Clinton Fire Department, the gravel program for township roads, the Calloway zoning violation, and the Reynolds Come Cemetery. The Historical Society has agreed to survey the cemetery and requests volunteers to help on Saturday, June 22nd. Anyone interested may call the Township office for details.

Various items of correspondence were presented which required no action from the Board. There being no further business to come before the Board, the meeting adjourned at 10:11 PM. A complete copy of the minutes may be viewed at the township office during normal office hours, which are Monday, Tuesday, Wednesday, and Friday from 8:30 AM to noon.

The Annual Meeting of the Township will be held Thursday, June 27, 1996, with the Budget Hearing held at 7:30 PM and the Annual Meeting following at 8:00 PM. The next regular meeting of the Manchester Township Board will be held July 8 1996, at 8:00 PM.

Submitted by Kathleen M. Hakes, Clerk
Approved by Ronald E. Mann, Supervisor

NOTICE SHARON TOWNSHIP ANNUAL MEETING

Notice is hereby given that the next Annual Township Meeting of the electors of The Township of Sharon, County of Washtenaw, State of Michigan, will be held at The Sharon Township Hall, Sylvan and Pleasant Lake Roads at 8:00 PM. on Thursday, June 27, 1996.

Agenda Items: (1) Proposed 1996-97 Budget will be presented. Copies of this budget will be available to the public at the meeting. **The property tax millage rate proposed to be levied will be a subject of this hearing.** (2) Establish date, time, and place for regular meetings of the Township Board. (3) Designate township attorney.

In accordance with the law, any other business coming before the meeting will be considered.

Duane R. Haselschwerdt
Sharon Township Clerk

Because the July Regular Meeting date falls on July 4, the July Regular Meeting will be held immediately following The Annual Meeting.

The public is welcome to both meetings.

Summary of Unapproved minutes Village of Manchester Planning Commission June 11, 1996

Members present included Way, Lowery, Little, Schiller, Petsch, Tucker, Hinkley. Members absent Mussio and Roberts. Others present Jeff Wallace and Joe Marshall. We approved the agenda after deleting the S.G.F. variance request, per their request. We approved the minutes of our May meeting. Jeff Wallace reported that we will have a joint meeting with Manchester Township on June 25, 1996 to discuss future growth of the Village. We discussed our July meeting date and due to a conflict with the Parade, we changed our July meeting to Wednesday, July 10, 1996 at 8:00 PM.

New business we discussed included the withdrawal of S.G.F.'s variance request. They may need to ask for a parking variance after their address is determined. We also discussed the recent re-zoning application filed to have a parcel of agriculture land re-zoned to mobile home park, adjacent to the current mobile home park. We decided to take the allowed 90 days for fact finding and plan to meet with the property owner and developer during our July meeting and hold an official public hearing at a later date.

Out of the Pen

by garlene

Ah, Summer...Those "lazy, hazy, crazy" days - when the living's easy. Right, says garlene.

It is the third week of summer and garlene has had her share of recalcitrant piglets (who will deny this charge if confronted), accidents requiring band-aids (which can never be found), and fights over which TV program to watch (which always seem to end in said "accidents.") Not to mention chauffeuring piglets to jobs, the lake, friends' homes, and a myriad of activities. Constant interruptions by phone calls for each and every piglet and occasionally receiving a call - or more likely a message on the answering machine - for garlene herself. So much for the "crazy" part of summer.

And then there are those "hazy" days of summer. garlene would call it "rain." So far this is the muddiest summer garlene can remember. And it's been quite a lot colder than she would like to see it, too; not much fun for sloshing around in the mud. We have had a few really hot ones in the past week or two. And a visiting family member who lives in northern Michigan asked this past weekend if it's always so muggy here. Oh yeah - it's that haze, all right.

garlene confesses to taking some very pleasant "lazy" days, too. Although in retrospect the laziness often seems to have taken the form of simply leaving home and chores behind. Off to the lake for some therapy time. Out "garage sailing" with friends. Taking the piglets

shopping because they have \$5 burning a hole in their pockets. Spending a day with family at a mini-reunion and eating someone else's cooking, for a change.

garlene hates to see her home looking like, well, a pig-pen, but it seems to happen while she's gone off being lazy. Whether one or ten residents occupy the house while she's gone, the accumulation of laundry, papers, mail and dirty dishes continues at approximately the same rate. Amazing how that happens. Is there a math corollary for this? It must be to keep garlene from getting *too* lazy.

There have also been lazy days to enjoy and relive already this summer. Sitting on a shady deck in the quiet early morning, with a cup of tea, and watch the birds feeding nearby - a tiny hummingbird, a gathering of colorful finches, or a large blackbird feeding her almost-as-large offspring. Gathering around a bonfire with family and friends. Spending a day - or even an hour - without interruptions, reading a book. Going to a gazebo concert. Staying at the table long after the meal is finished; talking, telling stories and jokes, playing games as the dishes are cleared away. Sitting outdoors late at night and reminiscing or looking at the stars.

Those lazy moments may be all too fleeting, but they are what summer memories are made of. There's still plenty of summer left to make some memories of your own. garlene recommends that you see what you can do about it.

Dear Editor,

I write because of a recent personal loss. Our family dog, Kasha, a golden retriever ran away during a thunderstorm Wednesday, June 12. Despite searching and posting notices, she has not been found. As I canvased Freedom Township, I was alarmed to learn from several people that it was possible that a farmer had shot her. This seems incomprehensible to me. Except in that instance where a dog is obviously menacing livestock or people, why would anyone shoot a dog? Particularly a dog wearing a collar, obviously well-fed and healthy?

Golden retrievers are social dogs. Because of her sweet, friendly nature, Kasha would look for people or other dogs. I was hopeful of finding her, because I knew she would show up on someone's porch. How awful to think that this instinct to be near people might be the very thing that gets her killed!

I urge anyone who finds a stray dog, after you have inquired within your immediate neighborhood, to please call the Humane Society at 662-5585 and follow the instructions for recovery. This will get the dog off your property and will save some family a painful loss.

I continue to search the Humane Society kennels every few days hoping for a joyful reunion made possible by the kindness of someone who just happened to find a dog on their porch one day and did the right thing.

Sincerely,

Sally Bromley Abbott

Dear Editor:

Freedom Township has six candidates for Treasurer, all running on the Republican ticket. Residents of Freedom Township need to cast their vote in the primary, Tuesday August 6, 1996. I thought that the Freedom Township voters would like some background information on one of their candidates.

I am Doris Taddonio and I am running for Freedom Township Treasurer. I graduated from Michigan State University with a Bachelor of Science from the College of Human Medicine. I am employed as a Medical Technologist part-time at Chelsea Community Hospital. My husband Tom and our two children, Kristen age 12 and Michael age 9, built our home on Pleasant Lake in 1988. Since moving to Freedom Township I have been active in the community. I have attended numerous township meetings as well as Washtenaw Road Commission meetings. I was elected Treasurer/Secretary of the Bonnie Brae Subdivision Association and have served as a board member of the Pleasant Lake Property Owners Association. I successfully campaigned for a lower rubbish pick-up rate by organizing the residents around the Pleasant Lake area. I arranged for several waste hauling companies to bid for servicing the area which resulted in a substantial savings for area residents.

Before filing my petition for candidacy I wanted to obtain as much information as possible about the position so that I could evaluate my own capabilities. In early May I had a three hour meeting with Mr. Walter Hieber, our valued long term Treasurer. We discussed what the position entailed and my goal to computerize the Freedom Township tax records. After meeting with Mr. Hieber I visited the Washtenaw County Treasurer's office to obtain more information on this possibility.

I have the math, computer and organizational skills to handle the Freedom Township Treasurer position and would appreciate the voter's support on Tuesday, August 6, 1996. Please remember that whomever is your choice for Freedom Township Treasurer, they will need your support at the primary election. If you will be cut of town on August 6th, please request an absentee ballot before July 25 by calling the Freedom Township Clerk, Julie Schaible at 428-7241.

Respectfully,

Doris Taddonio

Candidate for Freedom Township Treasurer

To the Editor:

Be still my heart! Imagine my delight when walking with my children (two on bikes and one in a stroller) when I happened upon the strings across the grass of the high school lawn. Could it be...might it be...would it be too much to hope for? A sidewalk that would run the length of Main Street! The very next day the path was dug, the wooden forms laid and now a beautiful, smooth and safe pathway is there for all of Manchester to enjoy. I was ready to call the Village Offices to thank them when I read about the most generous donation by the Fielder family who have provided this wonderful gift to the village. On behalf of our family and all the others who enjoy walking, running, riding and rolling in Manchester, we would just like to say a great big THANK YOU!

Sincerely,

Breeda Miller

Celebrating 55th Wedding Anniversary

Celebrating 50th Anniversary

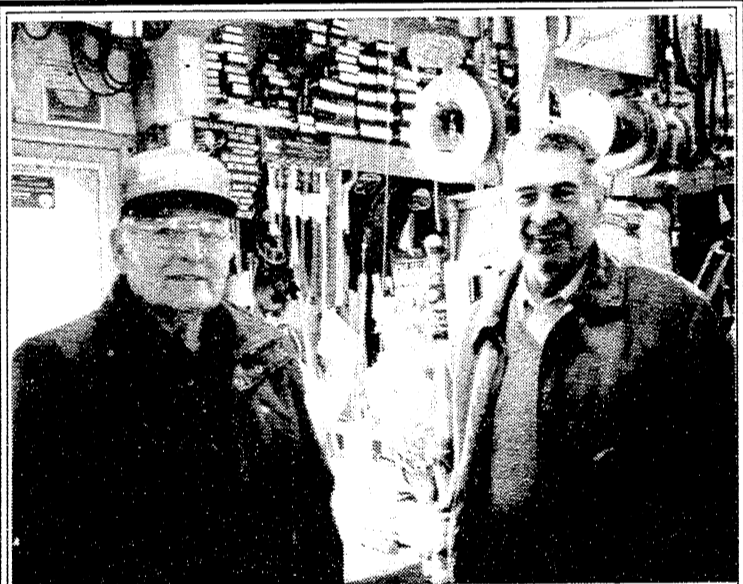

Mr. & Mrs. Frank W. Carson enjoyed the company of their family at a dinner to celebrate their 50th wedding anniversary on June 15, 1996.

Their children are Stephen A. (Hattie) Carson of Manchester, and Russell F. (Laurie) Carson of Albion. Five grandchildren, Allan R. Carson of Manchester, Christopher F. (Jennifer) Carson of Adrian, Philane N. Carson, Michael W. Carson, and Ashley A. Carson of Albion, and one great grandchild, Colin A. Carson of Adrian.

Frank and Doris are meeting Florida friends, John and Aileen Lester, also enjoying their 50th wedding anniversary, at Las Vegas, Nevada for a few days of enjoyment.

Doris' matron of honor, Wilma K. LaValle and her husband Pat of Lewiston, Michigan, also attended.

Open House to Honor Haabs

Erwin (L) and Wally Haab

In consideration and appreciation for their forty-plus years of service to the community, the Pleasant Lake Property Owners Association is sponsoring an Open House, reception and potluck supper at Freedom Town Hall of Sunday, July 14, from 4 to 8 PM, to honor **Erwin and Wally Haab**.

Donations are being accepted at the Fredonia Store and will be used to offset the cost of drinks and table service, which will be provided, and publicity. Bring a dish to pass! Meat will be furnished by Erwin Haab at his request. The Freedom Town Hall has been furnished by the Township Board for this event. Donations will also be accepted at the open house.

The Haab Brothers have been a part of the Freedom Township scene since at least 1954. Earlier this year the decision was made to sell the Haab Brothers Pleasant Lake Hardware to Bernie Poegel and Lori Southward. Lori and Bernie have retained much of the old-time atmosphere at the Pleasant Lake Hardware and Erwin is staying close by to make sure they can find everything.

Stop in at the Freedom Town Hall on Sunday, July 14, to help express your own appreciation for all that these two families have done for the community over the past years.

Familiar faces to all of Manchester, **Millard and Lillian Uphaus**, celebrated their Fifty-Fifth Wedding Anniversary on Saturday, June 22nd.

Millard and Lillian (Swarthout) were married in a double wedding ceremony with her sister, Dorothy and George Coulson at their parents' home in Morley, Michigan on June 22, 1941, witnessing each others' ceremonies.

They have lived in Manchester their entire married life. Millard began his career as a pharmacist in April of 1935 and although Uphaus Drug was sold in 1969 to Harry Krauss, and subsequently to Pat Murphy of

Manchester Pharmacy, Millard still helps out on occasion. Many volunteer activities keep both Millard and Lillian "young at heart" and active.

Congratulations!

To 'Have A Nice Day,' We Should Provide One For Others

When somebody tells you to, "Have a nice day," Have you pondered the meaning it's meant to portray?

For you to hear it from everyone, go where you will;
Like the clerk at the market, while paying your bill.
If you want a nice day, you can always succeed,
Just by giving assistance to someone in need;
And that nice day you covet will happen for sure,
If you always remember to give to the poor.
At the place where you worship, its message conveys:

You help those who need you, in numerous ways.
And pray to the Lord, and obey this advice:
Then your day, and all others, will surely be nice.

— Gloria Nowak

Count that day lost whose low descending sun views from thy hand no worthy action done.
 —Old saying

"For he that will love life and see good days, let him eschew evil and do good."
 — 1 Peter 3:10, 11

MANCHESTER AREA SENIOR CITIZENS News

June is not the only thing 'bustin' out all over', me, too. Have had lots of good food with the fellowship for the past month. Let's see, have attended 3 graduation parties (one more to go), a wedding, birthday party and a choir potluck. Then, on Father's Day, the table was so full of food, it could have sunk in nearby lake with a gentle push. What fun, huh? On top of it all, those lovely ice cream socials have again begun. Each group of church ladies (and their men) offer a different menu—how can a human resist?

Thursday, June 27: The monthly senior-sponsored public card party begins this eve at 7:30 at Freedom Township Hall at Pleasant Lake. If you'd like to ride out on the senior bus, call Erma Alber at 428-8707 and pickup begins at 6 PM. Come all and challenge those pros at euchre!

Friday, June 28: A trip to Concord and the Paddock-Hubbard House museum is planned for today. Seniors will leave on the bus at 9 AM from the Center. You may call Marion Ahrens at 428-7865 for information about these trips.

Sunday, June 30: Two full moons in one month! And

that second one is called a blue moon. The phrase "Only once in a blue moon" seems to be happening more often these days.

Monday, July 1: Time to start your Christmas shopping and you may do so by going along on the bus to Adrian. Bus departs from the Center at 9:30..call Erma Alber at 428-8707 to sign up.

Tuesday, July 2: Here's another chance. Bus pickup begins at 3:30 for St. James UCC and their social with all the trimmings. St. James Church is located east of Clinton on US 12

Thursday, July 4: Be careful while you are all having fun. Kids, let the professionals shoot off those rockets and the 'big crackers.' Happy, happy 4th!

The July-August Trumpeter has been 'put to bed.' Rubena will take copies along on the senior bus when attending area ice cream socials. You may also contact her for your copy at 428-8655.

One more item of interest (to me, anyhow) which was handed to me by a friend. The firstgrade class was studying the alphabet. "What comes after T?" the teacher asked. A little girl quickly answered, "V".

K of C Raises \$3,300 for Mentally Retarded

Grand Knight, Guy Little of the Father Edwin Fisher Knights of Columbus Council, proudly presented checks to the Milton C. Porter School in Adrian and the St. Louis Center in Chelsea as a result of their "Tootsie Roll" drive over Palm Sunday weekend this year.

The Knights in Manchester and Clinton collected \$3,318.67 to support these schools which serve and educate mentally retarded children and young adults. Since Clinton does not have their own K of C Council, the Manchester Knights also cover Clinton in their yearly effort.

A check for \$1,327.00 was presented to the Milton C. Porter School, which has been earmarked for new playground equipment. The St. Louis Center received a check in the amount of \$1,327.94 which will go into their general fund.

Little explained that it costs "over \$100 per day" to keep a boy at St. Louis School. Although it is a labor of love for the fathers to keep the boys,

they cannot do it all themselves. Paid staff for the 24 hour residential facility is expensive. The support of Knights of Columbus Councils and other benefactors is an important part of their ability to stay open for these young men.

Little also acknowledged three "special contributions" by local businesses which aided in the success of their drive this year. Johnson Controls, Pinnacle Engineering, and R.D. Kleinschmidt, Inc. all made large contributions to the Council's fund-raising effort. "We really appreciated their donations," said Little.

If you've noticed that \$1,327.00 and \$1,327.94 do not add up to the total collection of \$3,318.67, you're right. "80% of the contributions remain with the local Council to support our own mentally retarded citizens. The remaining 20% goes to the statewide effort, which handles larger projects like buying buses and other special needs of these types of facilities," Little explains.

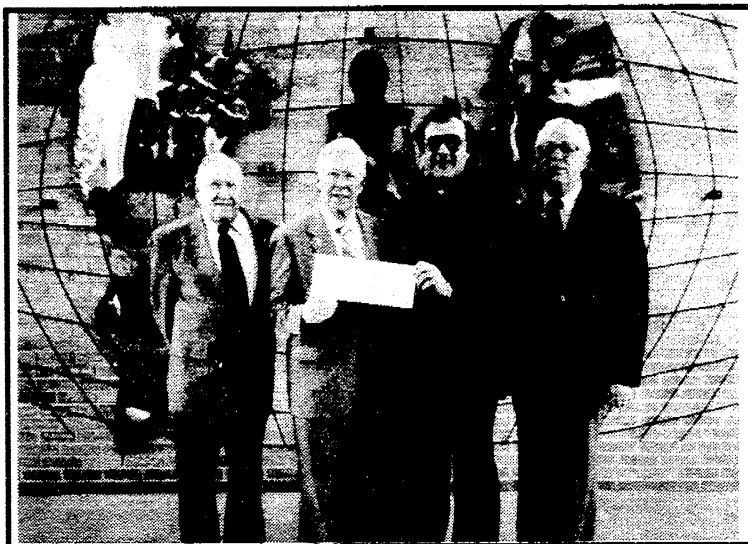

In 1995, the State M.R.

Program of the Knights of Columbus grossed over \$1,000,000 for the sixth consecutive year. Although final figures aren't in for 1996, it seems apparent that they have reached or exceeded their goal for this year of \$1.4 million, thanks to the generosity of everyone in Michigan who donated in exchange for a Tootsie Roll this spring.

And Manchester's Knights are an important part of this effort. Their donations to local programs for the mentally retarded are both needed and appreciated by the beneficiaries. This year was their biggest year yet. Once again, they have had a successful fund drive to assist this very important cause, thanks to all the Manchester and Clinton residents who helped them out. Your efforts are appreciated, too!

Good-bye to childhood

I would like to take this opportunity to congratulate the class of 1996 for the accomplishments they have received and of those they will receive. This class has strived to achieve great goals.

I would also like to acknowledge two special graduates who should not go unrecognized. These two gentlemen have done something that very few of us have. They have given their classmates something special from the heart.

Many of you went to graduation and heard Joe Tobias and Ryan Eiss perform "Good-bye to Childhood." Did you realize that Ryan wrote the music and Joe wrote the words?

I feel that these two young men need to have recognition for this accomplishment.

Many people have asked for the words to this song. To save time I thought it would be nice to print them, but at the same time, to recognize these two talented young people.

Congratulations and best of luck in your future. We are proud of all of you!

- Karen Tobias

But try to keep your chin up
 Though it's time for me to go.
 Mom, I'm not blind
 I can see the tears in your eyes
 But try to be strong for me
 Just smile and wave good-bye
 Good-bye!

- Joe Tobias

"GOOD-BYE TO CHILDHOOD" (The Graduation Song)

Tomorrow I must leave
 My old life behind
 I wish that I could stay
 Cause you've been so kind
 But I must make my own plan
 And live my own life
 You must try to understand
 I must learn from my own strife.

I've got to go away
 Live my life my own way
 Make my own destiny
 From everything you taught me
 I must learn to live my life without you
 I am sorry but it ends
 When I walk with my friends
 Say bye to childhood
 The real world is calling me
 Good-bye.

Tomorrow with the sunrise
 My destiny I will seek
 I'll build a future on the dreams of the past
 I'll live life for today
 And I'll make memories last.
 No matter what happens
 I'll try to go on
 Just promise to be there for me
 For me to lean on.

I've got to go away
 Live my life my own way
 Make my own destiny
 From everything you taught me
 I must learn to live my life without you
 I am sorry but it ends
 When I walk with my friends
 Say bye to childhood
 The real world is calling me
 Good-bye.

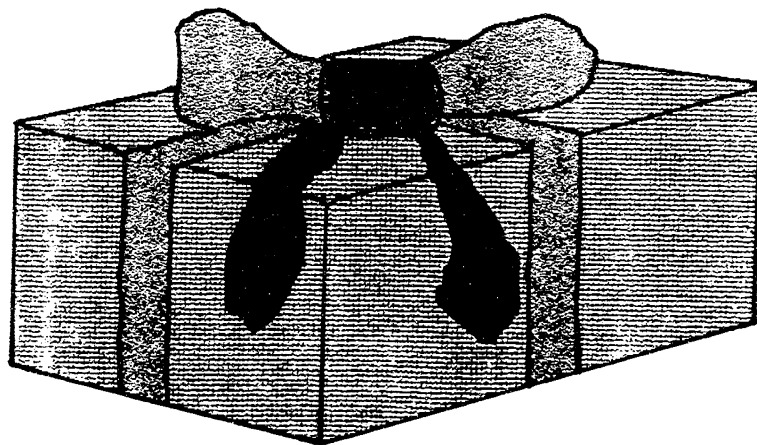

I'll be so happy
 And I'll be so free
 I'll have my glory
 And live my destiny
 Second star on the left
 And straight on till morning
 That's how you can find me
 If you need me someday
 Yes, Mom I'll miss you
 Yes, Dad I know

Physical Fitness is Important at Klager!

Klager's Outstanding Physical Fitness Award Winners

Outstanding Award Winners in Physical Fitness are (left-right): James Tobias, Alysa Peters and Mark Trinkle

This spring Klager Elementary third and fourth grade students participated in the Amateur Athletic Union Physical Fitness Test. The students were tested during their physical education classes in the following events: Endurance Run or the Hoosier Shuttle Run, for cardiovascular endurance; Bent Knee Sit ups for abdominal strength, Sit and reach for flexibility, Flexed Arm Hang and/or Pull Ups for arm strength, and standing long jump for leg strength and power.

Students scoring Outstanding all five events (Scoring high above the established standard for their age group) received an Outstanding

Award. These students were James Tobias, Mark Trinkle and Alysa Peters, for her second year in a row.

The students receiving an attainment Award (scoring at or above the established standard for their age group) are as follow:

Fourth graders: Lance Aiken, Ryan Brinkman, Terris Ahrens, Jon Schaible, Sean Hespil, Sarah Henderson, Rosie Sondeen, Lianne Maly Jordan Tallman, Michael Chapin, Vanessa VonBroda, Ashley Billitier, Jason Lindemann, Amanda Carey, Sydni Johnson, David Schneider, Josh Knouase, Heather Walter, Cori Steele, Katelyn Nye, Andrew

Coutts, Katharine Meranuck, Dan Fleck, Jennifer Schulz, Chelsea Shaw, Noah Kuhn, Jason Young, Brandy Wiley, Jamie Powers Kevin Anderson, Megan Eisenhauer, Jeff Miller, Korry Chavey, Kristin Guenther, Kate Waters, Terre Deacons, Glen Lukas, and Korie Zink.

Third Graders: Andrew Little, Kyle Piatt, Brandi Walter, Joel Blades, Shelley Schulz, Jessica Young, Elizabeth Flahie, Alexandra Sondeen, Andrew Way, Aaron Kwolek, Stefanie Baker, Chris Marston, Matt Church, Tyler Mester, Kayla Kornexl, and Craig VanBogelen.

Jump Rope For Heart

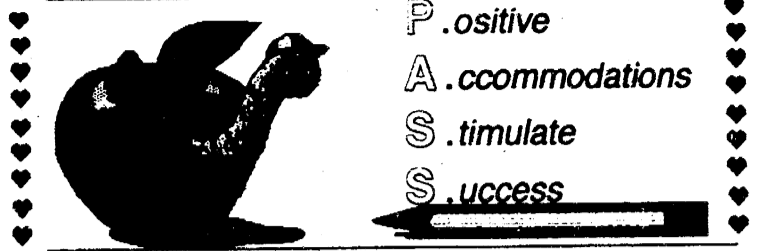

Students raising more than \$100 in pledges for the American Heart Association were: First Row, L-R: Dan Fleck, Lindsay Ellison, Kayla Kornexl. Second Row: Scott & Sarah VanRaden, Brianne King. Third Row: Christina Vecchioni, Megan Eisenhauer, Caitlin Sewell, Katharine meranuck, Andrew Little

Jump Rope For Heart is a nationwide event designed to promote exercise as a life long activity. At the same time, the event raises money to support the vital research, community service and education programs of the American Heart Association.

Klager Elementary School's Jump Rope For Heart was held on March 8, 1996. The event was organized and conducted by Sandee Sheats, Physical Education specialist at Klager. Lindsay Ellison was the top prize winner, raising \$224 in pledges. One hundred and eleven third and fourth graders from Klager participated in this event, raising over \$4600 in pledges for the American Heart Association.

The students were rewarded for their pledges with the following prizes. (prizes are earned based on the amount of pledges each student collects: Jump Rope For Heart Pencils, Jump Ropes, Water Bottles, T-Shirts, Disc Jammers, Double Dutch Ropes, and a set of sound paddles. Klager School will also receive \$294.00 worth of sports equipment.

A big thank you goes to Pat Weber, Klager's Parent Volunteer Coordinator, for securing all the volunteers and refreshments for this event. Also a big thank you to all the parent volunteers assisting to help make this event so successful.

Attention Deficit Disorder -with and without hyperactivity-

Attention Deficit Disorder (A.D.D.) has gotten a lot of publicity in the last few years. Most people think it refers to children who are very active - or hyperactive. This is not the case. Not all hyperactive children have A.D.D. and some children (and adults) who are not hyperactive have A.D.D. People who are both attention deficit and hyperactive are said to have attention deficit hyperactivity disorder (A.D.H.D.). A.D.D. and A.D.H.D. are genetically-based conditions (are inherited) and are biologically based even though their is currently no medical laboratory test that can diagnose A.D.D. and A.D.H.D.

First, let's understand about people's involuntary distribution of their attention. For the majority of people 60% of their attention is consumed by one object (reading a book, doing homework, listening to someone, etc.). The other 40% of their attention is available to keep track of their environment. As with any other trait, this percentage varies from person to person, however, the attention of people with A.D.D. and A.D.H.D. is consumed very differently. About two-thirds of A.D.D. and A.D.H.D. people use only 10% of their attention on one object and 90% on their environment and the other one-third use 90% for one object and only 10% on the environment. Autistic children use nearly 100% of their attention on one object.

A.D.D. and A.D.H.D. usually becomes apparent in children when they enter school. Below is a list of common signs and symptoms of A.D.D. and A.D.H.D.. If many of these characteristics describe you or your children then you need to get more information about A.D.D. and A.D.H.D.

1. **Inattention:** fails to finish what is started, seems not to listen, gets distracted easily, has trouble paying attention and concentrating, doesn't stay with a play activity very long.

2. **Impulsiveness:** acts without thinking and often feels bad 'after the fact', moves from activity to activity, has trouble organizing work, requires a lot of supervision, speaks out of turn, has trouble taking turns.

3. **Hyperactivity:** runs and climbs excessively, has difficulty sitting still tosses and turns excessively while sleeping.

4. **Emotional Instability:** has angry outbursts, is a social loner, blames others for everything, fights with others quickly, is very sensitive to criticism. Additional signs and symptoms in teenagers are:

5. **Hyperactivity often diminishes,** still feels inadequate at school and at social events.

6. **Has low self-esteem,** poor self-image, often depressed

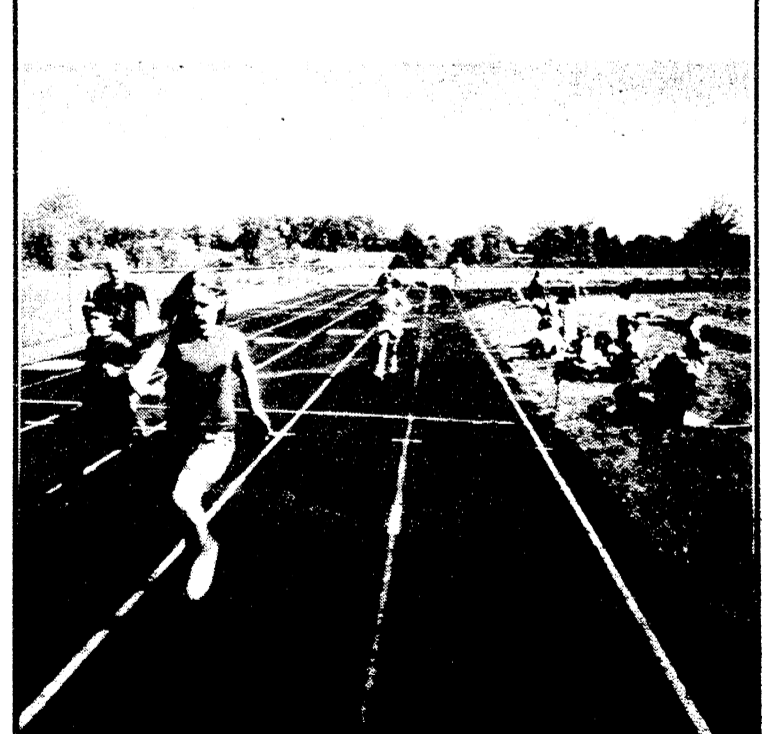

7. **Are candidates for drug and alcohol abuse,** delinquency and other emotional problems.

8. **Functions below their potential,** change courses or academic plan to areas of lower expectation, drops out of school, wavers in career choices and goals, depression becomes serious.

This information was from a pamphlet "A New Look at Attention Deficit Disorder, a problem not outgrown - but treatable." by Samuel J. Nichamin, M.D., and James Windell, M.A., Minerva Press, Clarkston, MI, 1984.

P.A.S.S. is a support group for people with special needs. Leave us a message at 428-0738. The next few meetings are June 26, July 10 and 24 at the Emanuel Church.

More Field Day Fun!

Field Day '96 was enjoyed by all the Klager students once again. A big thank you goes to Mrs. Sheats for planning the fun filled day and setting up the events. Also thank you to Pat Weber, Parent Volunteer Coordinator, and all the parent volunteers: for without your help Field Day would not be such a success!

Family Night at the Ball Park

Thursday, June 27, will be All Star Night for Manchester Summer Youth Little League, Minor League Players. These children come from all areas of our community and have been selected for this game from a group of over 60 players. They, along with their families have worked hard to learn the skills required to play this American pastime and arrived at this game after a rewarding season.

During the 1995 season a group of women discussed the difficulty of having their kids dressed and fed before games that started at 6:00 PM, and how nice it would be to have a concession available to feed the children and their respective families. Soon they started talking about how this could be accomplished, what they would need, who would help and could this turn into a regular offering. The biggest stumbling block was meeting health department re-

quirements. One of the mothers suggested speaking to the Kiwanis about using their food trailer, they already have required health codes met and they do good deeds for the community. At that point the subject was dropped and the season was over.

April of 1996 came around and Mom had been doing her homework. The Kiwanis were willing to let us use the concession but it needed to be put in ship shape for the season, time passed and it was June again, we decided to try it out and that is how it all began.

Now the Mothers of Baseball Players, or the M.O.B. is forming a booster club, with the intention of raising funds to support Manchester Summer Youth Little League. You don't have to be a Mom to be a M. O. B. member, anyone can join. They will be signing people up at the

game on the 27th, single members will donate \$1.00, families can join for \$3.00, this will insure we have at least one more Family Night at the Ball Park in 1997, and guess what, you will have just helped to start a new tradition right here in Manchester.

The first "Family Night at the Ball Park" has been made possible by the generosity of our business community and the hard work of these founding Mothers. In a short amount of time, once the commitment was made, funds, donations, and out of pocket from various members of our area have helped this to happen. They hope the town of Manchester will support them in their efforts to give all children who wish to play this great American Sport the opportunity to do so, and at the same time have a great evening cheering our kids and talking with friends.

Washtenaw County Metropolitan Planning Commission Notice Of Public Hearing Concerning Housing Needs For Preparation of the Consolidated Plan

Washtenaw County is preparing a Consolidated Plan concerning the housing needs and requirements of the County. The Consolidated Plan is a five year strategic and annual plan that brings needs and resources together in a coordinated housing and community development strategy with the goals of providing decent housing and creating suitable living environments.

The Washtenaw County Metropolitan Planning Commission will hold a public hearing to obtain the views of citizens, public agencies, local governments profit and non-profit organizations, and other interested parties on the housing and community development needs of Washtenaw County.

The hearing will be held **Thursday, July 11, 1996 from 7:30 p.m. to 9:30 PM.** at the Washtenaw County Intermediate School District facility, 1819 S. Wagner Road-Scio Township. The building is accessible to mobility impaired persons. Washtenaw County will furnish reasonable auxiliary aids for the disabled or non-English speaking residents upon 48 hour notice. Written or faxed comments will be accepted until 5:00 PM July 19, 1996 at the Washtenaw County Planning offices at 110 N Fourth Ave. Ann Arbor MI 48107. Fax number: (313) 994-8284.

For further information please contact Burney Johnson, Washtenaw County Planning Department (313) 994-2435.

Approval of the Consolidated Plan by the U.S. Department of Housing and Urban Development (HUD) is required for groups to obtain HUD funded programs. Applications for HUD programs must comply with the Consolidated Plan in order to meet federal requirements of community planning and development programs under 24 CFR (Code of Federal Regulations) Part 91.

Jolly Farmerettes & Farmers 4-H Club

Members of the Jolly Farmerettes & Farmers 4-H Club met on June 1, 1996 at the home of Jodi Feldkamp for a project workshop, potluck lunch and gate painting.

There were 17 members (8 absent) present, 3 leaders and 1 guest. The secretary and treasurer's reports were read and approved. Under old business, we have transferred our club funds from a savings to a checking account with 1st of America bank.

Under new business motions were made and carried that we sponsor trophies in Sr. Food Preservation and Flower Arranging (\$20) at the 4-H Youth Show. Expenses for gates and paint for members participating in animal projects are to reimburse the club at a cost of \$60 each. Those families are Welshans, Feldkamp, Alber, Herst, Wiley and Parr. 4-H families can use this as a tax deduction! 4-H Fair/Youth Show books & registrations forms were distributed. Project registrations due to Elaine by June 17, 1996. Friend of 4-H nomination was made, Elaine to submit information to 4-H office. Michigan State Fair entries due 7/16/96.

Committee sign-up was as follows: MANCHESTER FAIR: Parade is Jodi Feldkamp (chairperson), Christine Jensen, Sheila Staffeld, Meghan Staffeld, Krystal Welshans,

Emily Parr, Hilary Herst and Shelly Schulze. Club Booth is Suzanne Lowery (chairperson), Shelly Schulze, Jennifer Schulze, Krystal Welshans. Exhibit building watch on Sat., 7/13 from 10-11 is Jodi Feldkamp & Katie Tolen. Still need to fill 11-1 time slot. TRASH BARREL/YOUTH SHOW: Meghan Staffeld (chairperson), Sheila Staffeld, Jodi Feldkamp, Emily Parr, Erin Wiley, Hilary Herst, Shelly Schulze, Brock Welshans, Annie Wiley. 4-H YOUTH SHOW: Club exhibit chairpersons Suzanne Lowery & Katie Tolen; Teen Clerk volunteers are Suzanne Lowery, Jodi Feldkamp, Emily Parr, Jennifer Schulze, Erin Wiley and Katie Tolen; Child Care Tour volunteer Jodi Feldkamp; Adult Clerks for Monday, 7/29 still needed. FOOD BOOTH: Mary Lowery, Marilyn Schulze (adults), Jennifer Schulze, Suzanne Lowery, Krystal Welshans & Hilary Herst.

Sounder update was given. Please review closely for upcoming information! Next meeting will be June 11 at Feldkamp's. Adults will assist with gate painting while members do projects for 4-H fair entries. Leaders gave brief reports.

The meeting was adjourned for a potluck lunch and planting of flower containers led by former club member, Jean Ann Wahl-Piatrowski.

The "Big Time" coming to the Gazebo this Week

Singer, writer, actor, playwright, performer extraordinaire: Jay Stielstra will star on the Gazebo Concert stage this Thursday with the McDonald Brothers Band. An evening of song & fun - with a country flavor!

What Manchester-ite do you know who has written and had published and produced five musical plays?

What Manchester-ite do you know whose recordings appear on eight different albums by numerous artists?

What Manchester-ite do you know who has received the Ann Arbor News award for "Best Actor" and an "Annie" award nomination from the Washtenaw Council for the Arts?

Answer: Jay Stielstra who lives in Sharon Township—and who will be appearing this Thursday, June 27, on the Gazebo Concert stage on West Main Street, beginning at 7:30 PM.!

Jay will be joined by The McDonald Brothers Band, a four-piece group that plays regularly at "The Ark" in Ann Arbor. (They will also be performing the day after our Gazebo Concert at the Ann Arbor Summer Festival's "Top of the Park.")

The McDonald Brothers were recruited by Jay to back his vocals with a country sound reminiscent of the 1950s. The band consists of piano, lead guitar, bass, and drums.

It will be an exciting evening at the Gazebo! The talent will be extraordinary, the stage presence will be unparalleled, the music will be both comfortable and exciting. This is one special concert you will not want to miss!!!!

In the theater circuit, perhaps Jay's best known musical is *North Country Opera*, a story which con-

trasts the life of a small northern town with that of Detroit and its suburbs. It includes a cast of seven, eighteen songs, and a live band! *North Country Opera* has been performed in Ann Arbor, Petoskey, Mackinac Island, Escanaba, and Cheboygan.

His most recent productions were both performed this past year: the musical *Old Man in Love* (presented in Traverse City) and the straight drama *Better Way to Die* (played in Ann Arbor).

This is one of the wonderful gems of our little town: We have a Gazebo Concert stage where great performers like Jay Stielstra and the McDonald Brothers Band can appear in our little downtown park... for all of us... for free (with only a passing of the hat for donations to cover expenses)!

Come this Thursday evening, June 27, starting at 7:30 p.m. at the Gazebo across from the Library. Bring a lawn chair or a blanket. And bring a friend! (Being with friends and neighbors is part of the fun!)

Gazebo Concerts are organized by the Recreation Task Force, a small group of volunteers (more help needed, please!) who plan and make fun things happen in own community. For more information or to volunteer to help or support, call 428-7722.

"Please, don't rain on our show!" But just in case, the rain location is St. Mary Parish Center (behind the Hop-In). The show will go on, rain or shine! See ya' there!

Projecto de Prevención Continues

The Midwest Migrant Health Information Office has been awarded a Populations of Color grant for the *Proyecto de Prevencion* (Prevention Project) for migrant farmworker teens at DuRussel Potato Farm in Manchester, MI. The summer Project, initiated in 1995, is designed to increase awareness of substance abuse and related issues. The Project address the prevention needs of migrant farmworker adolescents, children, and communities through peer education. Recruitment and training of 5 peer health educators will take place in June, and the project will run from June through September.

Last summer, 6 teens received basic prevention training and organized weekly activities. In December, the Project was awarded Best Model Project of the Prevention Network's 1995 Populations of Color Grants.

The Midwest Migrant Health Information Office, based in Monroe, is a non-profit organization providing culturally appropriate peer health education, advocacy, training, and program development, evaluation, and technical assistance to improve the health and well-being of migrant farmworkers.

The grant was provided by Prevention Network. Prevention Network is administered by Prevention Michigan, Inc., with funding provided through the Michigan Department of Public Health / Center for Substance Abuse Services and the Substance Abuse Prevention and Treatment Federal Block Grant, with additional funding from the Skillman Foundation.

For one of the first activities of the year, the participating teens will host a booth at the Migrant Farmworker Health Fair, Sunday, June 23, 12:00-3:00pm, at the Freedom Town Hall near DuRussel Farm in Manchester. For more information on the Fair, contact Gen Stewart, (313) 662-7980.

MHS ALUMNI WELL ATTENDED

On Saturday evening, June 15th, 174 former graduates of Manchester High School gathered at the Manchester Sportsman's Club for the 119th annual Reunion of the Alumni Association.

The oldest graduates in attendance were presented with centerpieces, as follows: Viola Gieske-Widmayer, Class of 1925, Carroll Dietle and Lawrence Schaffer, both Class of 1926. The Class of 1936, celebrating 60 years, had the largest number in attendance.

Invocation and Benediction were given by Lenora and Howard Parr, Class of 1937. Entertainment of the evening was provided by Webb Seegert who sang a selection of songs from the 1940 era. Responses were given by members of the Classes of 1996, 1986, 1971, 1956, 1946 and 1936.

A brief business meeting was brought to order by President Irene Lamb-Wurster '46. Newly elected officers for 1997 are; President, Doris Schlicht-Sutton '47, Vice-President, LouAnn Helber-Preston '72, Secretary, Duane Haselschwerdt '47, Treasurer, Arlene Esch-Paul '57, Historian, Lucile Stanley-Williams '35 and Trustees Larry Benedict '70, Linda Hoeft-Jacob '69, Lorraine Chavey-Dunny '48, Christopher Lentz '72 and Robert Little '47.

The established date for the 1997 Reunion is Saturday, June 14th and it will again be held at the Sportsman's Club.

Thank You

I would like to thank my wonderful family, friends, and neighbors for the flowers, plants, cards, and food brought into our home and especially your prayers while I was in the hospital and since I have returned home.

I appreciate these acts of kindness more than you'll ever know.
Shirley Blumenaer

We are overwhelmed by the kindness, thoughtfulness, and generosity of our many relatives, neighbors and friends who were so gracious to each of us at the time of Herb's passing to a better life.

We would like to express our most sincere thanks to each of you.

Thanks to Father Rusch for his kind words - leading the rosary and funeral mass.

The Couture - Ochalek Funeral Home and employees went above and beyond their call of duty to help us.

Thank You to Everyone and God Bless
