1996 Fair Queen

Joanna Dettling

Joanna Dettling, was crowned Manchester's newest Fair Queen last Tuesday evening at the Fair grounds. Although very surprised by her crowning, Joanna was overwhelmed with excitement after being selected as the 1996 Fair Queen.

Joanna was chosen as Queen by a panel of six judges after an afternoon of interviews and public speaking.

Joanna was kept busy with her various Queen duties throughout Fair week. Presenting trophies and drawing daily raffle winners were a few of her royal duties.

Joanna is the daughter of Curt Dettling, of Milan, and Paula Saft of Manchester. She will be a senior this year at Manchester High. While in high school, Joanna has been very active in school projects and activities. National Honor Society, track, and being the vice-president of her class, along with family and friends, occupy most of Joanna's time. During the summer months, Joanna works at the Manchester Dairy Queen.

After graduation Joanna plans to attend a four year college to study radiology. U of M and Central Michigan University are two of the colleges Joanna is considering.

Congratulations to Joanna and all of the 1996 Fair Queen Candidates.

Janice Little wins the Las Vegas Trip

Jennifer DuRussel, head committee person for Ladies Day, hands over the tickets to a shocked Janice Little

Ladies Day at the fair was filled with over 200 ladies enjoying all the excitement, from the 80 plus drawings, goodie bags, presentation of bread making, the fashion show put on by Vogel's and Foster's in Chelsea and Carlos our very own magician/deputy. The weather was great, as well as the company that was had by all. Then the special moment came - the drawing for the big prize - a trip for two to Las Vegas and the Winner is Janice Little, Janice is a very familiar face here in Manchester, being a life time resident, elementary teacher at Klager (named after her father Luddy C. Klager) and an active woman in her church and other volunteer positions in the community. As you can see from the picture she was shocked to have the winning ticket.

There were winners galore

throughout the fair in every imaginable thing.

Darlene Alber won the \$500 nightly drawing on Saturday. The Merchant's tent had commercial display and organizational booth winners. There were 6 places given out in the horseshoe contest with 15 teams participating. Over 140 tractors between five classes with 50 plus winners including the peddle pull. "This was the largest tractor pull we have ever had", said Carol Britton, fair board secretary. Fourteen Teams were in the Mini Mule Pull - new this year and seventeen teams in the Pony Pull. Champion Homemaker was Jean Robert, Reserve Champion was Helma Turvo, Junior Champion - Kristin Taddonio and Reserve Champion - Michael Taddonio. Check pages 10 thru 12 for many more winners, pictures, and story.

Olympic Fever

Going For the Gold!!!

-Marsha Johnson Chartrand

If you heard that Manchester, Michigan would not be represented at the 1996 Olympics In Atlanta, you heard wrong.

A Manchester Resident has been working long and hard to perform with excellence at the Olympics in the event for which she is trained.

A Manchester resident has been working long and hard to perform with excellence at the Olympics in the event for which she is trained. And that event is the culinary arts. Debbie (Blossom) Kastanis will be in charge of the VIP catering at all Olympic events from July 25 through August 5th.

The International Olympic Committee hired "Food For All Seasons," an Ann Arbor-based catering firm, to supply the chef power at all events hosting the VIP's of all nations, from the opening through the closing ceremonies. Debbie has been a chef with Food For All Seasons for two years.

Since the Olympics will be held in Australia in the

year 2000, three well known caterers from that country will be in Atlanta this year, to showcase Australian cuisine. They will cooperate with Food For All Seasons and begin to prepare for the special dishes they will concoct four years from now.

Antoinette (Toni) Benjamin, owner of Food For All Seasons, is a member of the International Association of Culinary Professionals, the world's largest professional culinary organization. "We have worked with the Australians, and as they were familiar with us, they requested the IOC that we team up with them for this special event," explained Toni.

What is Australian cuisine, anyway? Toni sent along an article which explains that, "A huge range of produce which the diverse climate allows, combined with the fact that as an island continent, Australia has escaped the worst ravages of air, water and soil pollution that beset other parts of the globe, and European settlers' tastes combined with substituting available ingredients from the bush, have all contributed to an eclectic culinary style." Simplicity of preparation and superior raw produce are the hallmarks of their food.

This is what Toni found when she attended a conference of the International Association of Culinary Professionals last year. She was

so impressed that she came back for two weeks at her own expense, to work and learn in the kitchens of Sydney's Darley Street Thai. She is also among those members of the IACP who nominated Normal Willis of Juste Nous catering in Sydney, as a guest speaker at this year's IACP Conference in Philadelphia.

"We developed a rapport," Toni said. "They

"They wanted us to be there, and we are proud to have this opportunity."

wanted us to be there, and we are proud to have this opportunity."

Not that Food For All Seasons doesn't already have an international reputation, according to the articles. Toni has fed President Bill Clinton as well as the Dalai Lama. Toni currently tours the country on behalf of Campbell College, where she serves on the board, to help establish the first catering degree program in the nation. She teaches college-level courses in catering and has helped to establish the benchmark for that education. Don Bargo, the executive chef, headed to Atlanta on July 15th to lay the groundwork for what is to

come. Debbie will arrive on July 25th, to head up the operation during the Olympic Games, and will be first in command during that time.

At Food For All Seasons, "We do full course catering," explained Debbie. Toni adds, "We take pride in using the freshest ingredients and place a real emphasis on the taste and the visual effect of the foods we prepare." The company has been serving the Ann Arbor area for fifteen years and was recently featured in a trade magazine, CaterSource Journal.

According to CaterSource, Toni is billed as a "culinary wizard on the national scene." The majority of Food For All Season's business stems from the University market. At their annual March Open House at their facility at 1164 Broadway, featured in the CaterSource photo spread, showcased a unique arrangement which allowed the guests to meet each other as well as the catering staff. The complete menu of foods included appetizers, a "Thai station," chicken dishes, and desserts.

Don Bargo has been with Food For All Seasons for just over a year. He has previously worked as a restaurant chef and explains that there are a lot of differences between a restaurant kitchen and a catering one, the wide variety of unique menus being the most prominent dif-

ference.

Toni, too, explained that there is a very real, although perhaps subtle, difference between the two types of chef. "And Debbie is an excellent catering chef," she affirms. She has every confidence that Debbie will represent Food For All Seasons beautifully during the time she is in charge in Atlanta.

"While we were making final preparations for Don to go down last week, one of the questions we asked was if there was air conditioning in the kitchen." Toni said with a chuckle. "They told us, there would be when it was finished! It must be wild down there." Toni will find out for herself on Wednesday when she arrives to make more final arrangements for the firm.

At the time of our interview, Toni was not certain of the menus which would be prepared at the Olympic Games. What is certain is that they will be yet another showcase of the exceptional talents of Manchester's own in an international arena.

Congratulations, Debbie!

Your hometown is proud to be represented by your skill at the International Olympic Games in Atlanta this month.

Out & About

by gar

TIME TO SMELL THE ROSES!

I have reached that point in life and the realization that it is necessary to slow my hectic pace of past forty five years. For some reason, quirk of nature or internal clock, my life has always been of the most hectic nature. More jobs, responsibilities, undertakings and willingness to say yes when requested has left me breathless and overtaxed.

Not everyone knows, or should for that matter, that in addition to owning and writing for The Manchester Enterprise, my responsibilities include Building Official, Plan Reviewer, Building Inspector, Mechanical Inspector and Plumbing Inspector for the Townships of Bridgewater, Freedom, Manchester and the Village of Manchester. I serve on the Board of Directors of three Corporations, Member of three National Organizations and one State Organization as well as some local committees.

I also provide without charge construction review for Manchester Community Schools building project. I enjoy building projects for Calamity Jane's and helping restore antiques. Building model airplanes, wood working, golf and bridge have provided great pleasure and relaxation, although there has been scant time available. Sort of a Jack of all trades and a Master of None, as Dad says.

As a consequence of my health and hitting that big six five, something has to give. Fortunately Teresa Benedict rejoined The Enterprise and became the Editor, (along with her, Marsha Chartrand, Julie Schaible, Mary Lobbestael and Lois Hochstetler, I can leave The Enterprise in good hands). Prior to Teresa, Marsha and Julie, it was a financial liability, their management has changed that. Teresa Benedict, native "Manchesterite", grad of good old Manchester schools and MSU is purchasing The Manchester Enterprise. I leave it in good hands!

I hope I can do a better job with the balance of my responsibilities but some of those must be curtailed. At the end, perhaps earlier, of a three year State of Michigan Construction Codes cycle, in September 1999 I intend to withdraw from that responsibility.

However there is one thing in our community that remains near and dear to my heart, KIDS in our schools and policing our School Administration. I feel the

administration could do a better job than it has for the past eleven years and that a lot of the internal dissension and strife is caused by the oppressive management style now displayed. Until that is remedied we will continue to lose good and valued persons and retain persons that we should eliminate. I will continue to observe school matters, because our KIDS are our flowers.

Take time to smell the roses!

Thanks from gar.

PROPOSED SYNOPSIS of the Annual Meeting and Public Hearing on the proposed General Fund budget held June 27, 1996:

The annual meeting was called to order at 7:33 p.m. Board members present: Supervisor Mann, Clerk Hakes, Trustee Widmayer, Trustee Macomber. Absent: Treasurer Turk. Also present: Library Board members Charlotte Major and Patricia Ahrens, Fire Department officers Gary Wiedmayer and David Jose, and Constable Lyle Moore.

The annual meeting was recessed for the public hearing on the proposed budget. Line item revenues for the General Fund budget were reviewed and discussed and all special fund budgets were examined. The budget hearing then closed.

When the annual meeting resumed, the minutes from last year's annual meeting, held June 29, 1995, were approved with one correction. Salaries for the Township Board were approved, and compensation was set for the Board of Review and election inspectors. The financial presentation was given by Supervisor Mann.

Fire Chief Wiedmayer reported that the new truck will be here soon. Two personnel will be added to the department. Appreciation was expressed to employers in the community for allowing firefighters to leave work when necessary. Appreciation was also given to firefighters and their families for their sacrifice and dedication.

Library Board member Char Major presented the library report. She noted that the major event for the library and eventually patrons was the hiring of an architectural firm to aid the library in becoming more accessible to more people. The library is open 46 hours per week, using current staffing. Their annual financial report was presented, along with a five year overview of the library budget.

Constable/Zoning Inspector Moore presented his annual report, noting that 14161 miles were traveled for constable duties, and 3580 for zoning. Duties in both areas have increased tremendously.

The electors present recommended acceptance of the 1996-97 proposed budget.

The Treasurer was authorized to utilize any local bank or savings and loans in the area for the 1996-97 fiscal year.

The regular meeting day for the Township Board was set as the second Monday of the month at the township hall at 8:00 p.m. If this day falls on a holiday, the meeting will be held the following day.

There being no further business to come before the citizens and Board, the meeting adjourned at 8:59 p.m. Minutes of this meeting may be viewed at the township office during normal office hours, which are Monday, Tuesday, Wednesday, and Friday from 8:30 a.m. to noon.

Submitted by Kathleen M. Hakes, Clerk Approved by Ronald E. Mann, Supervisor

PROPOSED SYNOPSIS of a Special Meeting of the Manchester Township Board held June 24, 1996:

The meeting was called to order at 8:15 p.m. by Supervisor Mann with the following Board Members present: Turk, Widmayer, Macomber, Mann, Hakes. There were no visitors present.

The purpose of the meeting was to hold a workshop to discuss and prepare the budget for the 1996-97 fiscal year.

A resolution amending the 1995-96 General Fund budget was adopted. The proposed General Fund budget for the 1996-97 fiscal year was reviewed. Also reviewed were the special fund proposed budgets. The treasurer was authorized to transfer \$15,000 from the General Fund to the General Fund Savings Account. The Supervisor and Clerk were authorized to sign the \$150,000 loan with Comerica Bank for the new fire truck. (Actual cost for the truck will be \$192,392.00).

There being no further business, the meeting adjourned at 10:05 p.m. A full copy of the minutes may be reviewed at the Manchester Township office during normal office hours, which are Monday, Tuesday, Wednesday, and Friday, from 8:30 a.m. to noon.

Submitted by Kathleen M. Hakes, Clerk

Approved by Ronald E. Mann, Supervisor

PROPOSED SYNOPSIS of a Special Meeting of the Manchester Township Board held June 26, 1996:

The meeting was called to order at 8:03 p.m. by Supervisor Mann. Board members present: Mann, Hakes, Turk, Widmayer, Macomber. Also present were Frank Lover of Manchester Gravel and Concrete Products Inc, Attorneys Andrew Haliw and Joseph Siciliano for Mr. Lover, property owners Robert and Lois Hansen, and several interested persons.

The purpose of this meeting was to hold a public hearing on the application of Manchester Gravel & Concrete Products, Inc, for several variances from some provisions of Ordinance #39: An Ordinance Regulating the Extraction of Sand, Gravel, and other Earthen Materials. This ordinance is a regulatory ordinance, requiring all existing operations to comply.

The hearing proceeded with each request for variance being addressed, section by section. The Board asked for further information on several issues, which Mr. Lover agreed to provide. When all items in the request for variance had been reviewed, Supervisor Mann advised all that the Township Board will be discussing the variance request briefly at the next regular board meeting. Mr. Lover will be contacted if further information is required, and will be kept informed of any action on the variance request.

There being no further business, the meeting adjourned at 10:15 p.m. A full copy of the minutes may be reviewed at the Manchester Township office during normal office hours of Monday, Tuesday, Wednesday, and Friday from 8:30 a.m. to noon.

Professional Organizations: Washtenaw County Clerks Association

Why did you choose to become a candidate? I enjoy working with my neighbors.

What do you hope to achieve in the position you seek? Maintain the integrity of the election process and contribute to the ongoing discussions regarding growth management and the preservation of agriculture.

Candidates for: Freedom Township Treasurer

Name: **Sandra Alber**

Statement: I am Sandra Alber and I am running, along with five other candidates, for Freedom Township Treasurer.

I graduated from Manchester High School. I attended Cleary College for two years, working toward a degree in Business Management/Marketing and Computers. I'm employed at Westgate Travel in Ann Arbor as a Travel Consultant and Assistant Manager. I also co-own and operate Alber Orchard and Cider Mill, along with my husband Mike. I have three children, Dan age 17, Michelle age 15, and Alisha age 12. I was a room parent at Klager for nine years, for all three of my children and am also a former 4-H leader. As a member of Emanuel United Church of Christ, I serve on the Christian Education Board.

Before deciding to fill my petition for candidacy, I did some research about the position and some soul searching to make sure I could commit the amount of time needed to perform the job fully. As treasurer, I hope to computerize all the tax records.

I have the skills to handle the Freedom Township Treasurer position and would appreciate your vote on August 6, 1996.

Name: **Mary Beth Baker**

Family: Husband Randy, Daughter Marlena 6, son Ben-

jamin 2. Life long Freedom Township resident

Work/Professional Background: Run self-made home business - Hearts & Hearth - day care provider since fall of 1994; On call nurse (RN) at Saline Community Hospital

Volunteer organizations: Lifelong Bethel UCC member and frequent country Western Dancer with the Manchester Boot Stompers. I enjoy people of all ages and wish to serve in a new role as Freedom Township Treasurer.

Why did you choose to become a candidate this year? Because of Walter Hieber's retirement and my desire to earn a better living while using the minimum of outside caregivers for my children.

What do you hope to achieve in the position you seek? I want to update the township by computerizing records; moving toward the 21st Century with available technology. Increase my income so my family can live at a better standard and increase my ability to give to charities and my home church, Bethel.

In my teens I was treasurer of Senior Youth at Bethel Church's most busy time: Ice Cream Social. I had to write all the checks which is a lot of responsibility for a teen. I believe I was 14 years old at the time. I've always worked hard; started working weekends at St. Joseph Mercy Hospital in May 1977 and I continued to work to put myself through college to get my BSN. Unfortunately in 1992, several RN's in the area I worked were told, "you are no longer needed." So after 14 years at St. Joseph I left my job to find work in my field at a different location, Saline Evangelical Home. I was called for an interview during my employment with Saline Evangelical Home and took a position as on-call RN. It has been difficult to be contingent. I am not working much for them due to low census. I opened my day care business after my daughter's day care closed and much consideration. I felt it was now best to care for my children myself and offer my service to others in need. I tried doing home care visits as an RN but was not encouraged by what I saw and the conditions I had to enter. Therefore I opened my own business and I still intend to run my business and be Freedom's new treasurer.

Name: **George Fredal**

Statement: In reply to your request, I am providing the following biographical information as a candidate for the office of Treasurer of Freedom Township.

I am 69 years of age and my wife and I have lived in Freedom Township for twenty years. I am a World War II Army Veteran having served as a Military Police criminal investigator. I graduated from the University of Western Ontario, Canada (BA degree) and the Chrysler Institute of Engineering. I worked in automotive engineering which included 14 years at the General Motors Technical Center in Warren, Michigan.

I am semi-retired from a long

career in computer software development that includes programs used as accounting and finance management tools. This experience will prove advantageous in the job as Treasurer. I now work as a lexicographer publishing computerized dictionaries as Jorj Software Co. of which I am the sole proprietor.

Name: **Lois E. Hochstetler**

Family: husband John (game preserve owner), son Jon (will be a junior at Manchester High, a football player and avid fan), daughter Jolene (will be a sophomore at Manchester High, a cheerleader and drama enthusiast), daughter Jessica (entering 4th grade at Klager this fall and enjoys collecting cats, both stuffed animals and the real thing), son Jim (will be 4 years old in September and likes to help with the pheasants and be around the tractors). I have been a resident of Freedom Township for the past 18 years.

Work/personal background relevant to the office sought: From 1983 to 1993 I worked in the banking industry. I started as a teller, then I supervised an office of six tellers. For the last six years that I worked at the bank I was Direct Deposit Coordinator. I worked with companies and Social Security to make sure direct deposits were handled properly and on time. Currently I enjoy being a homemaker and I have the privilege of writing for the Enterprise. I feel that in all these avenues; banker, homemaker and writer, I have learned many skills. I have had the opportunity to talk with many people and these things have prepared me for this office.

Volunteer Organization: Right now my main focus in volunteering has been with the Manchester School system. Our children enjoy many school related activities. I try not only to attend these events, but also to help in any way I can.

Why did you choose to become a candidate this year? I have thought about running for a Township Board position for the last couple of years. Like many people I feel I can give something back to a community that has given me so much. When I realized the current treasurer was not running again, I felt it was the best time.

What do you hope to achieve in the position you seek? I do not have my own personal agenda to take into this office. I hope to bring my own personal

qualifications and strengths to this position. I feel I have the skills to work well with other board members and people in the community to keep Freedom Township at its best.

Name: **L. Frank Rybarsyk**

Family: Wife Helen and four children, Residence 20 years

Background: Retired executive of National Bank of Detroit; Former Senior Vice President National Bank & Trust Co. of Ann Arbor. Forty two years experience in banking, finance and money management.

Professional Organizations: Former director Charge Card Association, Former Trustee Catholic Social Services, Michigan Consumer Finance Assn.

Volunteer Organizations: Boy Scouts of America, United Fund, Michigan Week, Optimist Club

Why a Candidate? Having retired in 1989 and accomplishing most of the leisure aspirations I set during the final years of my career, I feel the time is right to enter a new phase of later in life activity. The office of Township Treasurer is well suited to my background and meets my personal guidelines of time.

Achievement Hopes: As a Board member I would work with the planning committee in updating our growth management plan. The primary goal would be the preservation of the rural agricultural character of our township and provide sensible residential growth without building a wall around our boundaries.

I will insist that the gravel operations, with the resulting intrusions, comply with all the provisions of our extraction ordinance on which their permits were issued.

Working through the board, I will keep pressure on the County Road Commission for improved road and shoulder maintenance.

I intend to research the utilization of the computer in the recording of property tax payments/disbursements and other functions. The results naturally must provide the township with cost and time efficiencies and the same level of accuracy we have experienced over the past 40 years.

As treasurer, I believe my financial and banking experience will provide an added perspective to the continuation of our township's conservative posture.

As a board member I will cast my vote whenever possible so as

to reflect the wishes of the constituency and always in the best interest of Freedom Township.

Name: **Doris J. Taddonio**

Family: Husband Tom and two children, Kristen 12, and Michael 9

Work/Personal Background: I graduated from Michigan State University with a Bachelor of Science from the College of Human Medicine. I am employed as a medical technologist working part time at Chelsea Community Hospital. One of my responsibilities is to train new medical personnel in the use of our computer system. I was elected as Secretary/Treasurer of the Bonnie Brae Subdivision Association and have served as a board member of the Pleasant Lake Property Owners Association.

Professional Organizations: American Society of Clinical Pathologists

Volunteer Organizations: Klager School Parent/Teacher Organization, Pleasant Lake Property Association, Helping Mom at Klager School for the past 8 years, Manchester Area Historical Society, Manchester LIBRARY, Mothers of Baseball (M.O.B.)

Why did you choose to become a candidate this year? I chose to become a candidate for Freedom Township Treasurer because I wanted to be more active in our township. I have worked with several present board members on various issues in the past and feel that I have a good working relationship with the Board. I have also chosen the position of Freedom Township Treasurer because it is a great way to meet your neighbors.

What do you hope to achieve in the position you seek? As treasurer I would like to computerize the township tax records and possibly extend the locations of tax payments to local banks. As a board member I would listen to the concerns of township residents and take an active role in problem solving. In addition, I hope to use up the six fruit cakes I accumulate during the holidays by serving them to the township residents as they come to my home to pay their taxes.

OBITUARY

Martha M. Feldkamp

Martha M. Feldkamp of Manchester, age 98, died Wednesday, July 10 at the Evangelical Home in Saline. She was born on January 29, 1898 in Sharon Township, Michigan, the daughter of Charles and Adell (Rothfuss) Hashley. Mrs. Feldkamp had resided at the same residence most of her life. She retired from Federal Screw Works in 1963 and was a member of the St. Paul United Church of Christ.

She married Ezra Feldkamp in April 20, 1921 and he preceded her in death on June 29, 1958. Survivors include her daughter, Margaret (Homer) Kuhl of Chelsea; her son Norman (Joyce) Feldkamp of Riverdale; six grandchildren, Gregory (Gail) Kuhl of

Manchester, with whom she had made her home, Pamela (David) Dascola of Chelsea, Deborah (Jim) Diedrich of Manchester, Dale (Cheryl) Feldkamp of St. Johns, Janet (Lenny) LaCross of Potterville, Larry (Dawn) Feldkamp of Hastings; 11 great grandchildren, three great-great grandchildren, two nieces and a nephew. She was preceded in death by one brother, Herman Hashley.

Funeral services were held on Saturday, July 13, at Cole Funeral Chapel, Chelsea, with Rev. Dr. Lynn Spitz-Nagel officiating. Burial followed at Oak Grove Cemetery, Chelsea. The family requests memorial contributions be made to St. Paul United Church of Christ or Chelsea Community Hospital.

To 'Have A Nice Day,' We Should Provide One For Others

"When somebody tells you to, 'Have a nice day,' Have you pondered the meaning it's meant to portray?"

For you to hear it from everyone, go where you will:

Like the clerk at the market, while paying your bill, If you want a nice day, you can always succeed, Just by giving assistance to someone in need, And that nice day you covet will happen for sure, If you always remember to give to the poor, At the place where you worship, its message conveys.

You help those who need you, in numerous ways, And pray to the Lord, and obey this advice, Then your day, and all others, will surely be nice.

— Gloria Nowak

Count that day lost whose low descending sun views from thy hand no worthy action done. —Old saying

"For he that will love life and see good days, let him eschew evil and do good." —1 Peter 3:10, 11

Here it is, America's chance to entertain the world at the Olympics in Atlanta. Last fall and winter while recuperating, I read Anne Rivers Siddons' Peachtree Road, which was quoted as being "The Southern novel for our generation." It helps us understand the life of 'the good old boys (and girls)' that is hidden when we have visited this city. Let the fun begin and enjoy the many games of competition that the Olympics bring. On the Jowly 1996 of my Pig Calendar and 'It'styme for the Sow-mmer Olympig Games', we enjoy the following: Games of the XXVI Olympigad begin and run through Hogust 4 in Atlointa, Gorgia. Long-distance runters pulling hamstrings; ex-jock sporkscasters hamming it up; weightlitters showing hoof their loin and mean bodies; seimmers executing porkfect swine dives: hitting the bull's sty in lardchery; and feeling guilty as you pig out at home! Our chance to entertain comes on Thursday, July 18 when we open our homes to friends & family for Manchester's Chicken Broil which begins at 4 PM.

Friday, July 19: Manchester area seniors may take advantage of a new program which allows you to "make a trip to town" to do business, shopping and banking, etc. Call Erma Alber at 428-8707 for the senior bus to come by your home and bring you in to Manchester today. Then, at 6 PM, pickup begins by bus to go to the Saline Seniors Card Party..call Erma. Also today is the final day to confirm your reservation for the Buffalo Farm trip on the July 23rd. Call Erma or Marion (428-7865).

Tuesday, July 23: Senior bus will leave the Center at 10 AM to see buffaloes and their babies. 1 PM lunch features buffalo burgers, potato salad and drink (rain date will be Wednesday, July 24).

Wednesday, July 24: This is the date for you to confirm reservations for the August 8th trip to Stagecoach Stop. Demonstrations of glass blowing, broom making, blacksmithing, spinning and weaving, etc. is shown and enjoyed. Call Erma or Marion

to go along.
Thursday, July 25: How fast summer is going, ST. Mary's Ice Cream Social is today. Bus pickup begins at 4:30..don't miss out, call Erma to ride along. From there, you can go across the street to a gazebo concert, or attend our senior-sponsored public card party out at Freedom Township Hall at Pleasant Lake beginning at 7:30 PM. The card parties are fun and are for all who love to try to beat the masters of euchre at their own game! Looking ahead: July 26th is the final date to confirm your reservation for the trip to Hidden Lake Gardens on July 31. Lunch stop will be at Harold's Place at 1 PM. Call Erma or Marion for reservations.

Fair Days and Nights

The Manchester Fair - another success story. This success comes after months of planning. Talk to the members of the fair board and they will tell you that they have been planning 1996's fair since 1995's fair ended. Talk to any Lamb, Swine or Steer Club member (or parent) - they have been preparing their animals for many months. I know this from personal experience. Two steers arrived at the end of November, four pigs arrived just before Easter and I'm told the lambs arrived in April also.

If you thought the fair ran from Tuesday to Saturday, think again. The Saturday before the fair the swine club met to put up fences and pens for all those pampered porkers.

Sunday found a newcomer in Manchester, Bull Mania. I have heard only good things about Bull Mania, so I hope to see this as an annual event along with the fair.

Monday was the day to enter you best project. Child #2 usually bakes bread, but could not find the time to do it this year. There are craft projects, things that have been sewn, knitted, crocheted, photographed, drawn, baked, cooked and canned. Manchester is blessed with some good cooks and talented craftspeople.

Monday evening found the steer and the lamb clubs setting up pens. Monday and Tuesday morning, Crown Amusement and as any helpers they could get were setting up rides to keep our youngsters busy and happy.

Tuesday the animals arrived and got used to their new pens. The merchants tent was filling up with all the displays and goods for sale.

Tuesday is my favorite time. The animals are all bedding in, the booth at the merchant tent is set up and we take time out as a family to watch the Parade. I'm not going to tell you how old I am, but I enjoy the parade as much if not more than my children do. I really think my children get more candy from the parade than they do from Halloween. The shiny fire engines, the exceptional classic cars, the horses decked out in their finest, the pretty girls, the floats, the farm machinery, the decorated bicycles and the freshly washed trucks all make for a wonderful parade. I haven't figured out who has the most fun; the people watching the parade or the people participating in the parade!

Wednesday you would think that the pace would slow down, but it doesn't. It is ride all day for one price. The kids take advantage and the squeals of delight attest to the fact that they are having fun. Wednesday evening the swine, lambs and steers are judged. This means all those animals are out of their pens being washed, brushed and fluffed. Who's more nervous - the kids showing their animals or their parents?

Thursday night the lamb, swine and steers are auctioned off. I would like to take this time to thank all the buyers who come and bid on these kids animals. Talk to any of the kids and the money they make is going toward college or technical school. Don't listen to the news or read an out of town newspaper, THESE are the kids who will be our next leaders. They are responsible, hard-working and have a good head on their shoulders. Congratulations to the kids who participated and thanks again to all the buyers who supported their efforts!

Friday and Saturday slow down some with the animals so you can see the other things this fair has to offer. Of course the kids still want to ride the rides. I enjoy the ride all day for one price. My kids sure get their money's worth!

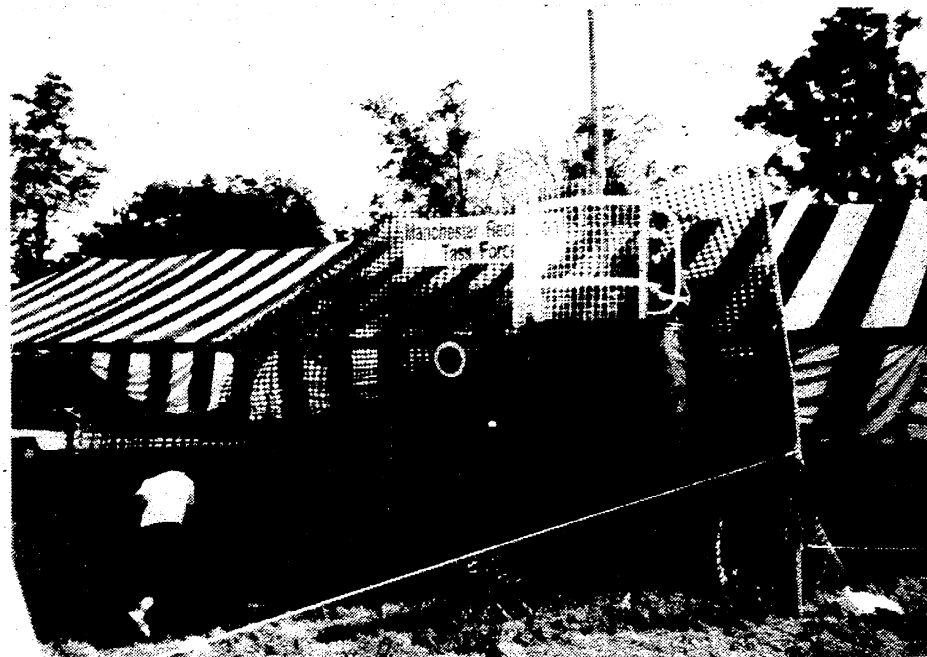

There are other animals to see also. There are goats that just love to be petted. There are poultry and rabbits in another tent. Oops, that was a bad idea to walk through that tent, now child #3 wants a rabbit. There was a mini mule pull, cowboy games and pet judging. There was always entertainment in the pavilion - cloggers, singers, a D.J., and musicians. Enough variety to please anyone.

Finally, there was the ever popular Tractor Pull. They had tractors from lawn mower types to classics, antiques and large tractors. Child #1 and child #4 spent hours watching these tractor pulls.

Well it is Sunday and the fair is over. Not quite! The family is back at the fair grounds shipping off lambs, swine and steers. Take down the pens, clean up the "you - know - what" and now the fair is over.

There was so much to do, so much to see and so many things to be involved in. I don't know about you but I'm already looking forward to next years Manchester Community Fair.

Kluwe Re-elected as School Board President

July 8, the Board of Education conducted their Organizational Meeting with the seating and oath of office of new board member Marilyn Knouase and incumbent John Ochs.

Correspondence included the Accelerated Reader Parent Survey Results and Superintendent Niedzwiecki presenting the 1996-97 tentative school calendar. The July 1996 organizational meeting of the Manchester Community Schools Board of Education legal reference status as a school district was changed by the Revised School Code (MCL 380.1 et seq) amendments, which became effective July 1, 1996. Prior to this date the district was classified as a fourth class district, we now are a general powers school district by operation of law.

Board Operations and By Laws were adopted by motion by Winzenz, supported by Ochs. All members present, Kluwe, Winzenz, Ochs, Sahakian and Knouase voting yes. Members absent Abbott and Turk.

John Ochs called for a rules suspension to move that existing officers, (Kluwe - President; Turk - Vice President; Winzenz - Treasurer) and the addition of Abbott as Secretary be called for. Winzenz supporting; Sahakian dissented and the individual offices had to be individually voted upon.

Sahakian's reason for dissent became apparent when she voted against Kluwe when he was nominated for the office of president. Kluwe was elected - Winzenz, Ochs, Knouase, Kluwe voting - Yes; Sahakian No; (Sahakian was president prior to Kluwe being elected three years ago.)

Turk was elected as Vice President; Abbott as Secretary; Winzenz as Treasurer; all by a 5-0 count.

Knouase, Turk and Ochs were appointed to the executive committee. Winzenz, Abbott and Sahakian were appointed to the finance committee. Various meeting dates, and authorizations were made as prescribed by law or rules.

Board meeting of July 15 all members present except Abbott.

The resignation of Cara Weissman band director was accepted with regret being expressed. Weissman has accepted the position of band director with Saline Public Schools.

Brian Schick was appointed 8th grade Boys Basketball Coach for the 96-97 sport season.

Cheryl Mullikin was approved as a Special Education Teacher Consultant part time for the 96-97 school year with probationary status. Debra Boham was approved for part time Speech and Language Therapist for 96-97 school year with probationary status.

A resolution setting the operating millage rate of 18 mills on non-homestead property and 1.90 mills for the 1995 bond issue certification for December 1996 tax levy was approved by roll call vote.

A recommendation by Superintendent Niedzwiecki for the expenditure of \$25,496.07 for vinyl, carpet and installation by Office Depot was approved by roll call vote.

1st of America submitted the low bid of 4.05% for the purchase of \$800,000 State Aid Notes.

Mike Truax, O'Neal Construction was on hand to update the Board on the building project progress. • Klager... Demolition and structural modifications have been accomplished. Computer room addition has the roof joists and decking in place and awaiting the roofer. Brick and block walls are being erected but the steel due for delivery the 15 has not arrived.

• Ackerson brick and block work proceeding. Concrete slab being poured now. Work is slightly behind schedule.

• Budget status shows the current total to be \$3,265,520 which is slightly increased from last months total of \$3,264,182. Additional increases are expected but the total contract is within budget.

Garlick reported that the work accomplished to date is in substantial compliance with accepted building practices. It appears the building schedule of work probably will not be met and that some delays should be anticipated.

Maintenance Projects in the amount of \$105,000 were approved by the Board. Meeting adjourned at 8:30 PM. Staff.

AREA STUDENTS COMPLETE SKILLS TESTING

Two area students have successfully completed the OBRA (Omnibus Budget Reconciliation Act) nursing assistant clinical skills test. Manchester students Katie Tolen and Jamie Knouase took part in the testing after fulfilling their formal education requirement. Students received their education in the Health Occupations class at the South & West Washtenaw Consortium (SWWC). After completing the class, students are eligible to have their name placed on the nurse aide registry in Lansing.

OBRA regulates that nursing assistants for long term care facilities must have a minimum level of training as recognized by the State, provided by a State approved program. SWWC has been a licensed training site since the 1989-90 school year. Students then must complete both a clinical skills and a written skills test in order to receive a State registry document.

Arlene Sullivan, SWWC instructor, said, "Students see completing the program as a stepping stone to other health related careers and/or college." Katie Tolen, a senior, plans to continue her hands-on training in the health care field through a co-op position this fall. Tolen said, "The certification is a way to help put myself through college by helping me get a good job and always having a skill to fall back on." Tolen plans to continue her education in either physical or occupational therapy. As indicated, for those college bound, the registry document provides a way to earn money as they continue their formal education.

Minor League Champs!

The Dodgers, back to back champs in the Manchester Minor Leagues, placed first again this year. Pictured with the team are Coach George Lynch, and assistants Matt Little and Gary Wiedmayer. Center Row, left to right: Mike Frey, Craig VanBogelen, Andrew Little, Jordan Tallman, and Adam Lynch. Front Row, left to right: Justin Frey, Dieter Wiedmayer, Zack Johnson, William Aldrich, Steven Dettling, Martin Wilson and Joel Blades. This is Coach Lynch's last year of coaching in Manchester, due to a job relocation. The team purchased a rocking chair for his "retirement."

On the Road

Last weekend the Manchester 9 and 10 year old Traveling Baseball Team participated in a tournament in Clinton. The Manchester Team finished with a respectable record of 1 win and 2 losses. On Friday evening, Manchester lost a heartbreaker to Britton by the score of 12 to 13. On Saturday, they outscored the Clinton B Team 20 to 0. On Saturday evening our Manchester Team lost to Rossford, Ohio, by the score of 10 to 1. Despite the record of 1 and 2, the Manchester Team showed their character, as they never gave up in any of the games. A special thanks goes to Jordy Tallman who even though injured, came and cheered his teammates throughout the weekend. There were several fine performances by our team. Jon Schaible pitched five scoreless innings throughout the weekend. Fine pitching performances were also given by Adam Lynch and Tyler Mester. Fine hitting performances were accomplished by the following;

- Jon Schaible 6 hits in 7 at bats
- Adam Lynch 6 hits in 8 at bats
- Joe Mullikin 4 hits in 7 at bats
- Andrew Little 3 hits in 7 at bats

Our Team will next play on the 19th of July in the Michigan Center Tournament. Funds to participate for the coming tournament have been graciously provided by Manchester Tool and Die. Should you desire to watch our young players represent Manchester next weekend call Mike Mullikin, 428-1375 for game times and location.

Organizations

American Legion Auxiliary

The American Legion Auxiliary met at the Legion Hall on July 10, 1996 for summer potluck with 24 members present. The meeting was called to order by President Walkowe. Roll Call was taken by the Secretary and the minutes of the June 12, 1996 meeting were read, corrected and approved.

Junior Auxiliary Girls served at alumni banquet again this past year and also provided flowers for veterans graves at Oakgrove Cemetery, that were "bare of decoration" for Memorial Day. Good job girls!

Phyllis Baker announced "40-year" member Joann Clark, Junior Jamie Knauss now a Senior member and new Jr. member Rebecca Long. Congratulations to all. Phyllis also reported on availability of Auxiliary emblem on headstones. She will check further on details and will introduce this service to our Unit by including said emblem on her mothers, Charter Member Ella Kern, stone.

Discussion underway to host 2nd District Meeting. The last time #117 hosted same was circa '79/'80. Will keep membership posted as information is available.

The meeting was adjourned at 9:00 p.m. with a prayer by Chaplain Mary Blossom. **THERE WILL NOT BE A MEETING IN AUGUST.** Refreshment Committee for September meeting will be Jeannine Uphouse, Mary Diver and Jill Faulhaber.

Graduation - Cub Scouts Pack #421

On May 9, 1996, 23 young boys graduated from Tiger Cubs to regular Cub Scouts. These boys are Andrew Clark, Travis Henry, Sean Johnson, Mackenzie Kennedy, Travis Navarro, Cory Smith, Ryan Walker, Adam Weber, Courtney White, Robert Young, Bradley Alber, M.J. Billitier, Torrence Davenport, Brian Deconinck, Brandon Hone, Daniel Miller, Adam Wheeler, Zachary Benedict, John Bortmas, Kyle Gagneau, Blake Jobkar, Alexander Kastanis, Jake LaCross, and Ryan Maki.

Also on May 9, the Webelos Den held a Crossover Graduation to Manchester Boy Scout Pack #426 (Dave Roberts, Scoutmaster). New Boy Scouts are Jacob Bauer, Michael Bolan, Adam DeConinck, Joshua Tobias, and Benjamin Wojtas. Each of these boys are also recipients of the Arrow of Light, the highest honor in cub scouting and the only award to be carried on the uniform from Cub Scouts to Boy Scouts.

First Year Webelos who were awarded Rank Badges, Activity Badges, Compass Points and other special awards are: Matt Callaway, Michael Chapin, Bryce Dettloff, and Michael Taddonio.

Den 1 Bear Awards were awarded to Jamie Lemon, Bryan Tirb, Tim Tyler and Matt Church. Den 3 Wolf Awards were presented to Ian Callaway, Benjamin Huber, Zach LaCross, Chris Lilienthal, Brent Long, and Samuel Takalo.

Thank You

The Manchester Township Library Friends support our Library in many ways. We thank the 97 volunteers who helped at the community fair last week.

Sincerely,
Kathy Richardson, Fair Board
Ann Fowler, Library Friends

We would like to thank all of our relatives, friends, and neighbors for their prayers, cards, phone calls, and loving support before, during, and after Garry's bypass surgery.

A Special Thanks to our wonderful friends at Nagel Precision for their weekly contributions. And the Manchester Day Care Association for their fund-raiser on our behalf. We don't know what we would have done with out all of your help and support. God has blessed us with many wonderful friends and a wonderful caring community and we are very grateful.

Thank you so much,
The Garry Eversole Family

AN OPEN LETTER TO SHARON TOWNSHIP HOUSEHOLD RESIDENTS:

Since 1992 you have had the opportunity to recycle newspapers, aluminum, and steel cans, #1 and #2 plastic containers, brown, green, and clear glass. Starting last year you had the opportunity to recycle magazines, phone directories, corrugated cardboard, box board, office paper, and junk mail; all at the expense of the local government. This may have saved you up to at least 30% of your household waste disposal costs.

The Sharon Township Board is happy to announce the continuation of the recycling program in cooperation with MISTER RUBBISH of Whitmore Lake and G.E. WACKERS INC. at M-52 and Pleasant Lake Roads.

WATCH YOUR MAIL FOR A FREE \$8.50 CERTIFICATE REDEEMABLE AT G.E. WACKERS FOR AN ADDITIONAL SUPPLY OF MISTER RUBBISH RECYCLE BAGS.

Your continued participation in recycling will help save the environment for our children, use resources more effectively, save tax dollars, and reduce your household expenses.

SINCERELY,
SHARON TOWNSHIP BOARD
