More Changes on Main Street

READY TO SERVE YOU: Video World is Open For business at 327 W. Main Street

Our community is experiencing its share of growth and the growing pains haven't even started yet. Another new business on Main Street, this one a couple of blocks west of the business district, has just opened and is ready to serve you!

Darin and Toni Gross have opened up Video World in the old Benedict's Service station building across from Emanuel Church hall. Their selection of movies is literally growing daily, and they look forward to continuing to grow for many years to come.

"I just love movies," says Toni by way of explanation of this new venture. She heard a lot of people saying that a new video store would be welcomed in town, and it seemed like a

natural combination.

With a young family (Alexis, five, and twins Austin and Taylor, two), Toni has her hands full but is ready to take her business full speed ahead. "Alexis is in kindergarten half-days, but Austin and Taylor will spend time here with me in the afternoons. Then when Darin comes home from his job, he'll take over and I'll go home and make dinner."

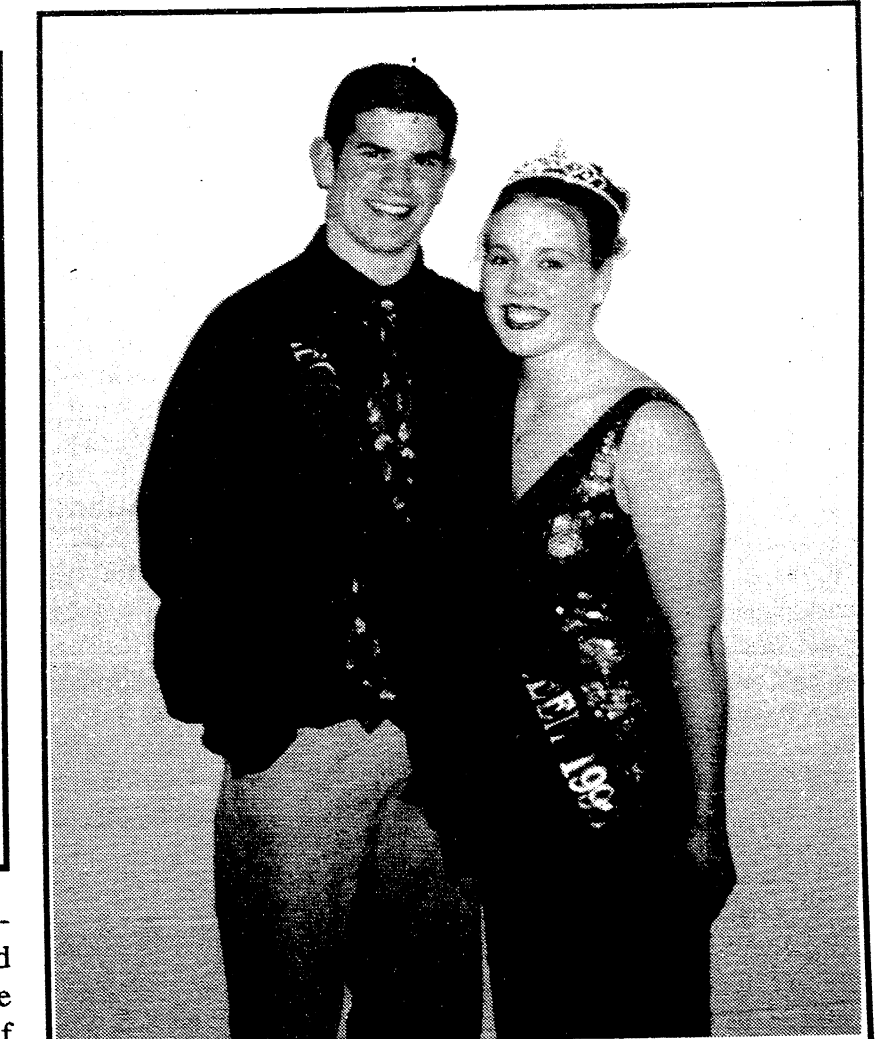

Video World will be a family run business. "We have a couple of employees to enable me to have a little bit of time off," explains Toni, but for the most part the faces you will see behind the counter will be Darin's or her own.

A lot of innovative ideas

are on tap at Video World. Cotton Candy, popcorn, and theatre-style boxes of candy are available for purchase - or, if you rent two movies on Tuesday you'll get a free bucket of popcorn. New release movies are "new" for a relatively short time before heading to the other side of the shop. They also have several copies of each popular new movie to keep their customers happy. New releases are available for one night rentals only. General release titles will be rented for two days instead of one. If you want a general title they don't have, Toni can order it and have it available for

Luigi Ceramic Tile

Old World Craftsman in Manchester's Back Yard

Luigi completes a tile job in a local home

United States several times during the years he worked for Tramontins, he finally decided a few years ago to settle here for good. Why? "Why not? It's America; the dream everyone has, to come here. This is where my family is, also."

Before coming to America, Luigi was a competitive singer in Italy. Although he gave it up many years ago, he was among the top five competitive singers in his native country at that time.

What made him start in the tile business? "What else could I do? It's a very hard job," - something anyone who has ever tried their own hand at tiling would agree with! - "but with no degree I had to learn a trade. I had to make money." But he quickly explains that he's not just trying to make money; he chose to do this and ended up enjoying it. "I'm not getting rich, doing this."

Luigi's beautiful work is evidence that if he's not getting rich now, he should be. This extremely talented and hard-working craftsman will be heavily in demand once the word is out.

- Marsha Johnson Chartrand

Talking to Luigi Guarascio is like stepping into another time, or another country. His distinctive Italian accent may be what you would notice first, but it really isn't the most unique thing about him. His self-effacing good manners make another immediate impression - but that isn't where this article is headed, either.

In a combination of old world charm and new world business sense, Luigi has made a name for himself in the trade of ceramic tile. Over the twenty years he has learned and honed his skill, both in Italy and America, he has become a specialist under the guidance of his mentors, the Tramontins of Ann Arbor. He has worked on kitchens, bathrooms, jacuzzis, fireplaces, and more.

Luigi's Ceramic Tile business began in Manchester nearly four years ago. More recently, he has moved to Ann Arbor where he can find more and bigger jobs. But he still enjoys working in Manchester because of the "very good people" he's met here.

Out of the Pen

by garlene

A recent, truly anonymous letter to the Enterprise has piqued garlene's curiosity. "Anonymous" (he or she signed the letter that way) made some rather pointed references to the problem of gossip in Manchester. Over the last few weeks a lot of attention has been given to a letter to the editor which was printed without using the author's name. It seems to garlene that "Anonymous" (hereafter known as simply "A") wrote - over a month prior to the letter which appeared in the Enterprise - about just the reasons that this letter was published without a signature.

garlene has noticed that as much attention has been given to trying to find out *who* wrote the letter to the editor as the issues that the writer raised. The school board and the kindergarten teachers deserve credit for attempting to address the issues rather than engaging in "subtle gossip" - "A's" words - about who wrote it and why.

"There are enough two-faced people in this town that a face count would put us in a population race with Saline," says "A." Ouch. Sounds like "A" has seen some of this first-hand. "If you can't ask anyone that is actually involved in your conversation topic about something that you are curious about to their face, shut up. Get some type of life Do something to keep your body busy and give your mouth a rest."

garlene confesses to having tried to add some extra exercise into her life. It does help her to keep her mouth shut - it's hard to

engage in idle conversation when she's doing all that huffing and puffing.

More advice from "A." "If someone decides to drive a used vehicle, work for lower wages, be with someone you wouldn't wear something you couldn't, or be friends with someone they shouldn't, do them a favor. STAND OUT OF THEIR LIGHT. Some people accept people for who they are right now. Everyone has different taste. Some don't make... decisions based on what their neighbors think."

And an accompanying word from garlene: It doesn't really matter who wrote the letter. It might matter to the person who wrote it; but the biting criticism this person received from some members of this community for writing such a letter is evidence that "A's" comments are right on the money, and has convinced garlene that the editor's decision to withhold the writer's name was correct. These people wanted someone to attack and how can you talk about someone when you don't know who they are? In fact, "Anonymous" signed their letter just this way: "Knowing you all as I do, putting a name would give you someone else to talk about and you would ignorantly miss the entire message."

Just for the record, the Enterprise received "A's" letter on July 16, 1996. We don't know who it came from and we realize it doesn't matter. The words bear the ring of truth, from wherever they came.

And that's what's important.

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions. We ask that all letters submitted for publication be signed! Should there be extenuating circumstances for withholding your name, we will give that full consideration. We reserve the right to edit letters for publication

Letter to the Editor:

A recent "open letter" from Paul Kluwe fills me with burning questions. Why does our Board of Education feel it necessary to send a "powerful message" to parents, students and staff of our schools? Is "repeated, gross misconduct" an ongoing problem, or was this a one-time event? Was the student in question represented fairly and disciplined accordingly? Does the Board of Education have the power to "forever" ban anyone from school activities? How does this ruling affect our school system?

I am left, once again, wondering if we are making policy based on what's in the best interest of our children and our future.

gar,

Since the Barrett people have closed Pleasant Lake Road for more than a month now, for something that shouldn't have taken more than two weeks; I think he ought to be obligated to grate and smooth over all the gravel roads we have so inconveniently been forced to travel on.

Bridgewater Township Planning Commission

September 23, 1996
Minutes of Special Meeting

The Planning Consultants explained that the subdivision of land is regulated by the State Plat Act. The purpose of the update is to bring the Township Subdivision Ordinance into conformance with current State law and to conform with the updated Township Zoning Ordinance.

The proposed Private Road Ordinance will permit private roads up to 750 feet in length only in accordance with:

1. Single-family cluster design or single family cluster bonus standards as Outlined in the Zoning Ordinance.
2. Multiple family residential developments
3. Mobile home parks

Mobile home parks were included because State regulations permit private roads in mobile home parks. The proposed ordinance prohibits the issuing of building permits for private road residences until the road is completed and approved.

The next regular meeting is Monday, October 14, 1996 at 7:30 PM. The next special meeting to discuss draft Ordinances will be Monday, October 28, 1996 at 7:30 PM.

Wade Peacock,
Secretary

Bridgewater Township proposes millage for Road Maintenance

The roads in Washtenaw County are a lot like the weather; everyone talks about them but no one can do anything about them. Bridgewater Township is about to change that.

The Bridgewater Road Commission spent 11 months studying the problem and gathering information. Their recommendation is to levy a 1 mill tax on Bridgewater Township residents. This 1 mill would be for the next four years, with the potential for renewal after those four years. This 1 mill would be used for the sole purpose of road repair, and could not be used for anything else.

Washtenaw County Road Commission does take care of primary roads. These roads are their responsibility entirely. However, Bridgewater Township has 42 miles of gravel roads to take care of. For example, it takes approximately \$11,700 to give 2 applications of brine just in front of houses. Bridgewater Township would like to do 2 complete (whole road) brine applications. This would cost \$21,000.

The income from this tax would be used for repairs of existing roads. These monies would *not* create new roads. And during the first few years (if passed), the money would have to go to fix the really bad spots - maybe a few feet here and a few feet there.

Washtenaw County' does have a matching funds program and that money would amount to almost \$9,000. The 1 mill (if approved) would provide

around \$41,000. These amounts, along with \$15,000 from the general budget, would allow a total working budget of \$65,000 per year.

Some of the repairs needed are; road base build-up, ditching, berm removal and road grading. These are some of the things which could be done if this millage is passed. However, it is not limited to these four things. As the proposal from the Bridgewater Road Commission states, "Assuming that inflation on road repairs will be about the same as the per year tax income increases all numbers can be shown in 1996 dollars. \$21,000 - 2 complete brine application, \$10,000 - repair/installation of aprons and \$34,000 - repairs as apron repair/installation could be shifted if more or less money is needed for a particular road repair project".

The report goes on, "Since the road commission has no budget, all road repair recommendations will be submitted to the Bridgewater Township board for final approval."

This 1 mill tax will appear on the November ballot in Bridgewater Township. A public meeting to discuss this millage will be held on Monday, October 21 at the Bridgewater Township Hall. This meeting starts at 7:30 and will feature a question and answer period.

Bridgewater Township residents will have the opportunity to vote for this 1 mill tax - to be used down the road.

- Lois E. Hochstetler

APPROVED PROCEEDINGS MANCHESTER VILAGE COUNCIL

SEPTEMBER 16, 1996

The regular meeting of the Manchester Village Council was called to order with the Pledge of Allegiance to the Flag by President Becktel at 7:00 PM. Council members present: Becktel, Ames, Brooks, Conaway, Mahony, Marshall, Vought. Also present: Clerk Tucker, Manager Wallace, Sgt. Haensler-WCSD, Marti Novess, Karen Smith, Anita Hosmer, Linda Mussio, Jeff Schaffer, Mark Ouimet-WDC, Sue Lackey-WDC, Doug Woolley-WDC, Mark Ames-Tree Board, Josie Santiago.

The minutes of the September 3, 1996 regular meeting were approved as corrected on a motion by Marshall, support by Conaway. Vote: Ayes-all.

The proceedings of the September 3, 1996 regular meeting were approved as corrected on a motion by Conaway, support by Vought.

The agenda was approved as amended on a motion by Ames, support by Marshall. Vote: Ayes-all.

The Council acknowledged the following correspondence: Letter from Marilyn Knouase asking for picnic tables from the Village parks for the home football games. Motion by Brooks, support by Marshall to allow the school to use as many picnic tables as needed for home football games. DPW will drop them off on Friday. Vote: Ayes-all.

Notice of public meeting at 7:30 PM. Tuesday, September 17th at St. Mary's Hall to discuss the future growth of the village and townships.

PUBLIC PARTICIPATION
Karen Smith spoke for Marti Novess and Anita Hosmer about the relationship between the teens in the Village and the Sheriff Deputies. She felt that the situation had improved some. They would like to be involved with the orientation of the new deputies assigned to the village, if possible. Becktel informed them that this would not be

possible because of the different shifts - the orientation is done on an individual basis. Conaway asked if the teens could police themselves and keep Carr Park cleaned up. There has been quite a bit of trash left on the ground in the parking lot lately. Ms. Hosmer stated that they have mentioned this to the teens. Mutual respect between the teens and the Sheriff Department needs more work.

Josie Santiago approached Council with a list of nine items from the newly formed "Committee for the Beautification of Manchester" that they would like to accomplish if the Council thinks that they can be done.

Council was asked when Halloween will be celebrated. Halloween will be on October 31st from 5 PM to 7 PM

WASHTENAW DEVELOPMENT COUNCIL - Sue Lackey, Mark Ouimet and Doug Woolley were present to ask Council to renew their commitment with WDC. Motion by Becktel, support by Mahony to increase the annual contribution to the Washtenaw Development Council by 15% to \$1360 annually with a contract being sent to reflect the change. Roll Call Vote: Ayes-all.

SHERIFF REPORT - Sgt. Haensler was present to go over the report for August, 1996. Motion by Conaway, support by Ames to accept the Sheriff Report for August, 1996 as presented. Vote: Ayes-all.

DPW REPORT - Motion by Marshall, support by Vought to approve the expenditure of not more than \$1100 for Pegasus to televise Adrian St. and clean out the flat sewer on Madison Street. Roll Call Vote: Ayes-all.

PLANNING COMMISSION - Motion by Becktel, support by Mahony to use the \$5000 budgeted for a consultant to finish the code book project, interviewing 3 consultants. Discussion: Mahony wanted to be sure that the consultant recognized that some parts of

the code will be unique to Manchester. Brooks asked what would be getting for the \$5000. Wallace informed Council that other communities have full time staff for zoning and/or consultants. Planning will interview up to three consultants and Council will authorize up to \$5000 that is budgeted for a consultant and they will bring the recommendation back to Council for hiring, to bring the zoning book up to date. The \$5000 approval is to show support to the Planning commission. Roll Call Vote: Ayes-all.

TREE BOARD - Motion by Mahony, support by Brooks to approve up to \$2000 to purchase the most cost effective and vital trees for the Tree Program. Roll Call Vote: Ayes-all. Mark Ames will follow-up with Wallace on the planting sites.

Giving Money To The Poor

Around Town Emanuel's Renovations Near Completion

Much has happened since early June 9, when Emanuel Church was emptied of all furnishings and flooring in an hour and a half, as over 100 members of the congregation stayed after church to store everything out of harm's way in the gymnasium.

Much dust and dirt followed in a couple of weeks when the ceiling, which had served congregations since the church was opened in 1882, was brought down. Again, volunteers were busy filling several of the large dumpsters seen setting in the front of the church with the tons of plaster and lath which covered the floor.

Renovation has reached the stage where the end is in sight and church members are becoming excited about the upcoming reopening of the church in just a few weeks. The painter and his crew are nearing the end of their work; Ecclesiastical decorator, John Nalepa, is cutting stencils and working with the decorating committee to determine exact colors, flooring is on order, and the newly restored stained glass windows will soon be ready to come home and add their beauty.

While the exact completion date with the subsequent move back in is not definitely known, the much anticipated end is definitely near!

WATERLOO FARM MUSEUM Pioneer Day

Step back to harvest time, 1880, Sunday, October 13 from noon to 5 p.m. at Waterloo Farm Museum as the Waterloo Area Historical Society presents Pioneer Day.

Smell the wood smoke, watch the blacksmith and tinsmith at work, check out the weavers and spinners getting ready for the winter clothing preparation. Taste molasses cookies warm from the bake house, check out what's cooking on the log cabin hearth, and watch milk turn to butter in the churn.

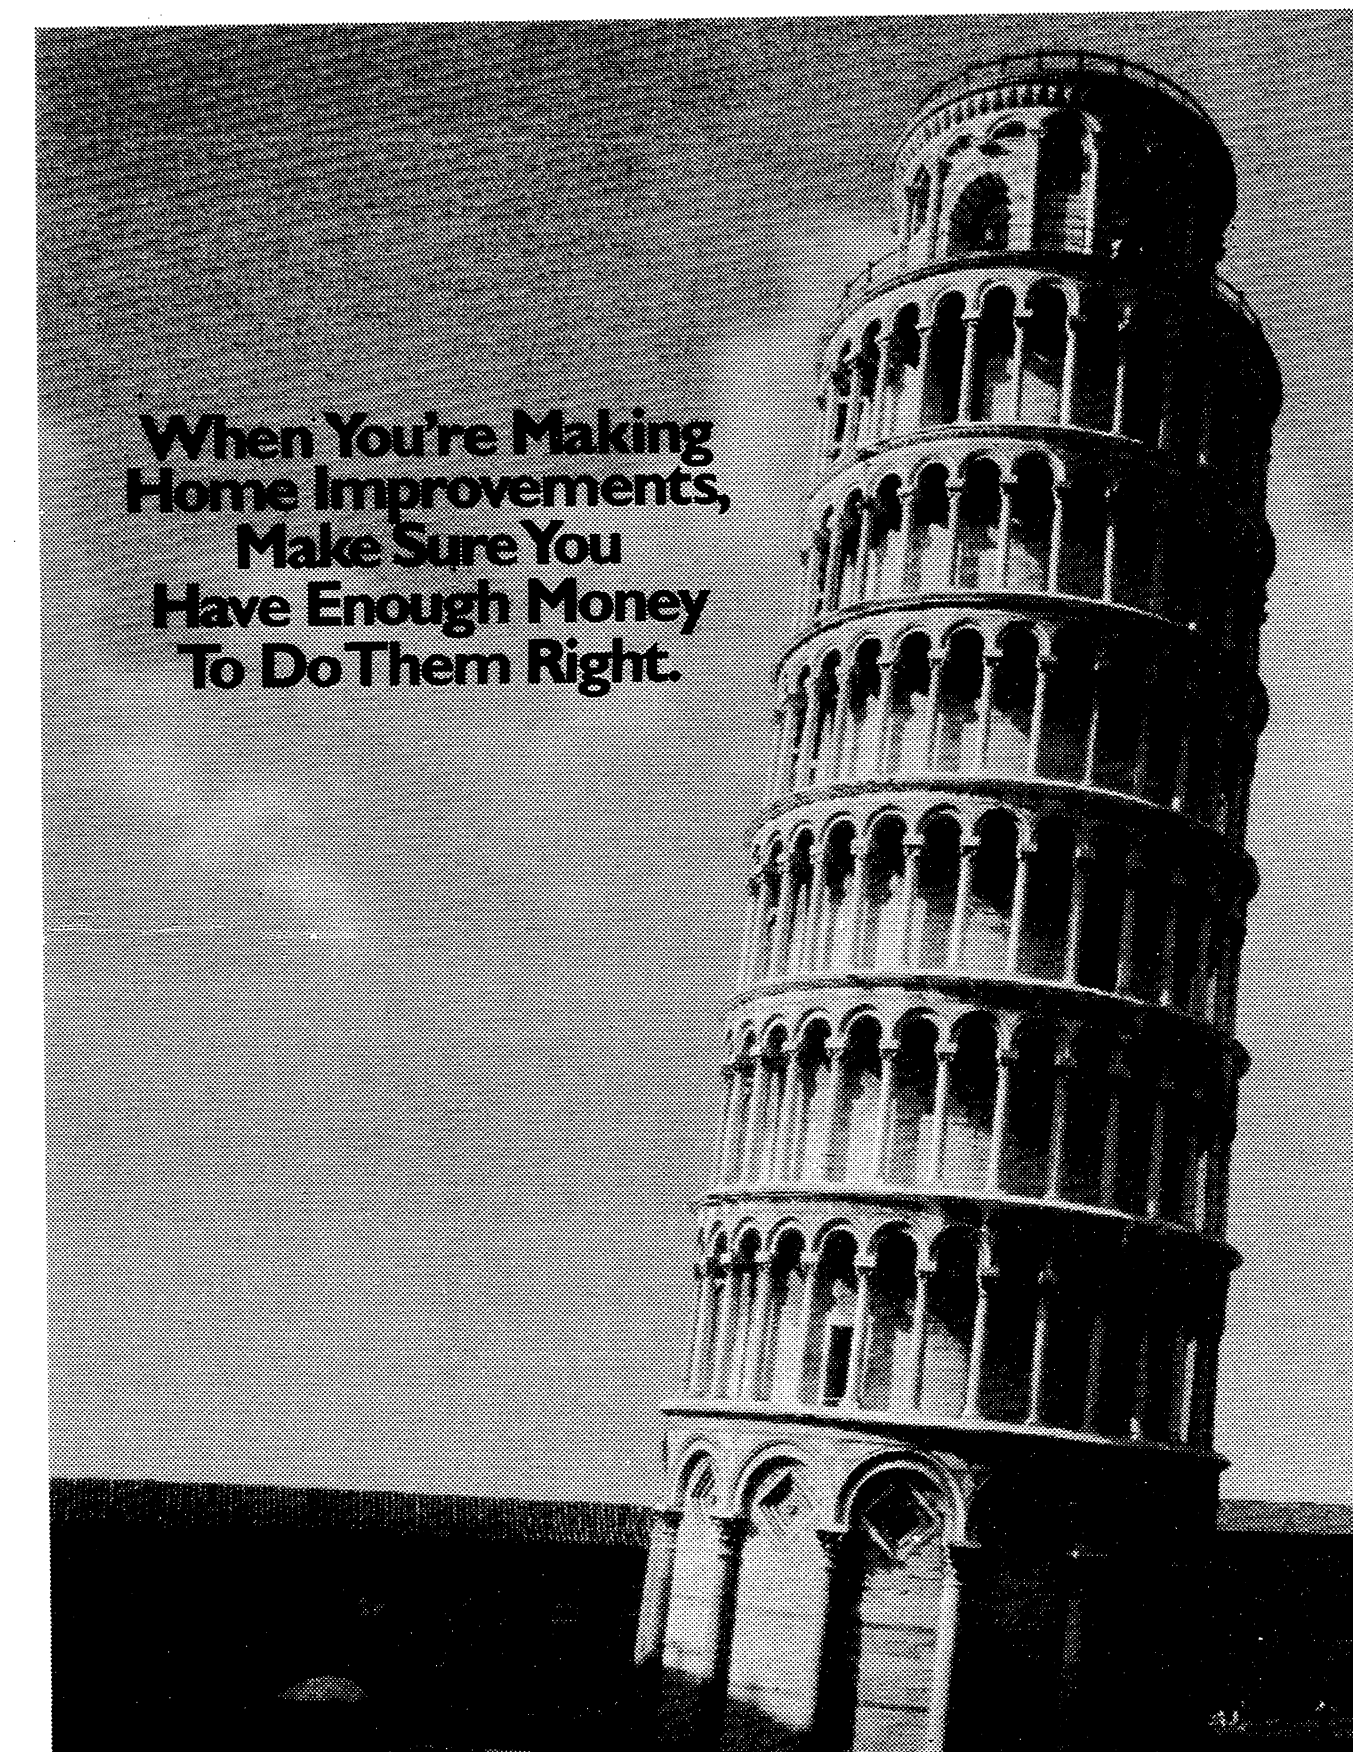

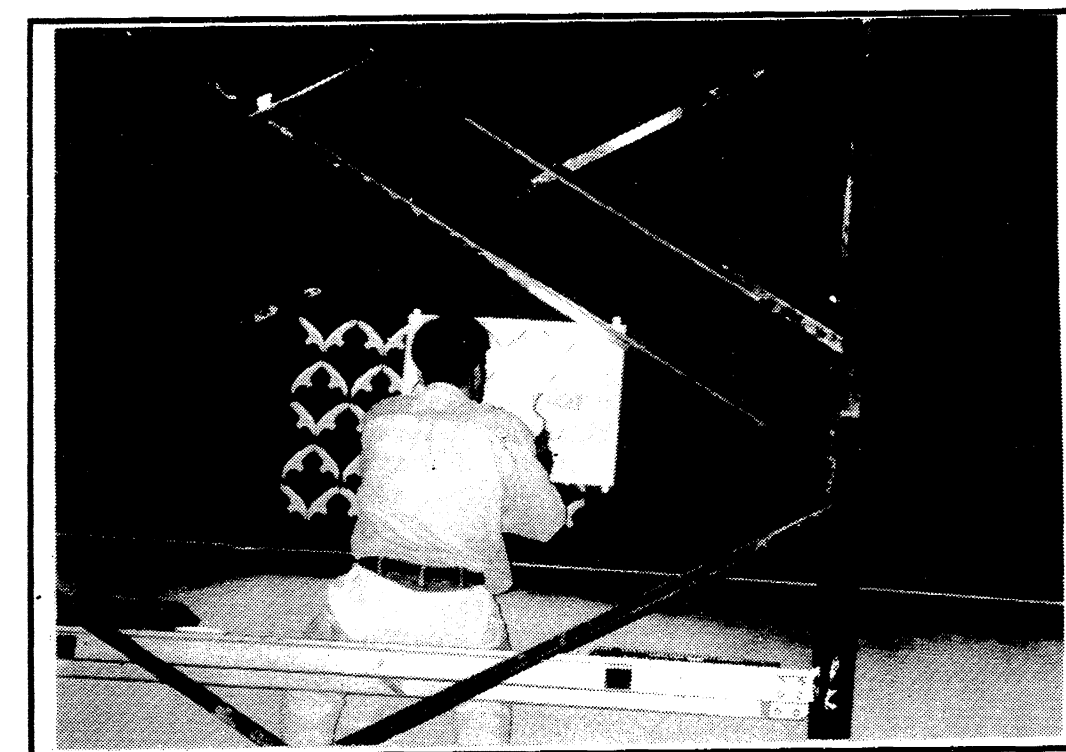

Whether you're old enough to remember tales your folks told, or young enough to revel in the "Little House" books by Laura Ingalls Wilder, Pioneer Day is the place to be to celebrate Fall.

During the afternoon, good things to eat are for sale and the gift shop is stocked with items reminiscent of by-gone days - along with books to refresh memories of that time and souvenirs of the farm.

Musicians playing harmonicas and others playing dulcimers underscore the 1800's setting. There will be hayrides in the big wagon behind huge draft horses and a visit by Abraham Lincoln (who is campaigning this time of year and is really **Bill Ames** from Manchester)

Individuals and families can refresh their pioneer spirit by heading out to the Waterloo Farm Museum. Take M-52 north to Waterloo Road and follow that to the farm. There is no charge for admission to the grounds. There is a fee for the farmhouse tour. Parking is available on the grounds.

At right, Ecclesiastical decorator, John Nalepa, works on stenciling the ceiling at Emanuel Church in preparation for the completion of their extensive renovation of the sanctuary

SEEDS FROM THE SOWER
 Michael A. Guido
 Minister, Georgia

A young lady was asked to do something, but she answered, "Not now, maybe tomorrow."
 "Pile up enough tomorrows," cried the professor, "and you'll find you've collected nothing but a lot of empty yesterdays. I don't know about you, but I'd like to make today worth remembering."
 Today, by the grace of God, turn fear into faith, greed into gratitude, demands into dedication, getting into giving, selfishness into service, and you'll make it a day worth remembering.
 If you wait for tomorrow you'll have an empty yesterday.

 Parents who are interested in chaperoning for this dance, may call Cindy at 428-0782 (evenings).

TEACHER PROFILE - Carrie VanWasshnova

Have you heard your kids talking about a certain teacher, and wish you knew a little bit about this teacher? Parent-teacher conferences are not meant to get to know the teachers, but to assess how your student is doing. Come with us as we meet the teachers in the Manchester School system. Each week we will take a look at a teacher that just might be your child's teacher.
 Please meet Miss Carrie VanWasshnova. She was just hired this year to teach at Manchester High School. She teaches 9th and 10th grade English and 9th grade Social Studies.
 Miss VanWasshnova was born and raised in nearby Milan. She resides there now.
 One of the influences that convinced Miss VanWasshnova to become a teacher was a time as a senior that she was a cabin leader at a YMCA camp. Also one of her favorite teachers told her she would be a good teacher.
 She attended 2 years at Michigan State University and 3 years at the University of Michigan. She has a major in English and a minor in Social Sciences.
 What does she like best about teaching? "I like to see when the kids finally get the subject matter. They get it and you can just see the spark in their eyes," stated Miss VanWasshnova. She likes to be creative in her English classes, and doesn't teach strictly from a book.
 She is trying some positive reinforcement, too. A recent letter home to parents letting them know that their child was attentive, polite and working hard in her class is one way. "Parents always hear about it when a student has done something wrong, it's time to let them know that a student is doing a lot of things right."
 Welcome to Manchester Schools, Miss VanWasshnova!

Monday, October 14: Hot dogs or chili dogs, Pizza Hut doritos, carrots, vanilla pudding
Tuesday, October 15: Steak nuggets, crispy fries, bagellette & fruit cocktail

Egg Toss

What a week the High School just had! Homecoming week was full of fun and surprises! Monday started the week off with Tin Foil Day. Students dressed up in imaginative ways using foil—crowns, hair pieces, and even whole outfits. The tallies were taken for the day and seniors came in first place with 41% of their class dressed up. Juniors were second with 28%, freshmen were third with 8%, and the juniors had 3% of their class dressed with tin foil. That night was the 2nd annual Powder Puff game. The freshmen played the sophomores, their score being 12-6, sophomores as the winners. The seniors won the next game against the juniors, 24-6. They were heated games - the referees worked hard all the time.

Tuesday was Gilbert Day in homecoming week, where students dressed in mismatched outfits to resemble the #76 football player, Chris Gilbert. Seniors won this day again with 37% of their class dressed like "Gilby." Juniors followed with 10%, then Freshmen with 5%, and Sophomores with 4%. The girls' basketball teams played that night against East Jackson. JV played a tough game, but lost 41-7. Varsity played one of the best games of the season, winning 36-22.

Geek Day was Wednesday, where students wore pocket protectors, taped glasses, hiked up pants, and mis-matched clothes again. Juniors won this day with 13%, Seniors came in 2nd with 10%, Sophomores in 3rd with 7%, and Freshmen in 4th with 5%. Pandemonium was also Wednesday night, but due to the rain was held inside this year. There were a series of 7 games in which members of each class participated. No one knew what to expect until they saw what the games were. The first, Sundae Surprise, consisted of eight participants, two from each class, trying to fill up bowls of ice cream from a ladder. The "neatest" sundae won the contest, which were the seniors. Win, Lose or Draw was

next, where contestants had to draw a piece of paper with a topic on it. One of the 4 team members drew the object, while the other three guessed. Sophomores won this game, and the seniors won their fate of a whipped creme pie in the face.

Twister with a Kick was an original match up where the old fashioned Twister mat had Jello placed upon it. This gave the game an interesting "kick", with the players sliding all over the floor. Freshmen won this contest. Egg toss followed Twister, with the Freshmen winning again. The next face off was Bowl Full of Cherries—competitors tried to find 10 cherries in a bowl with their hands behind their backs. Sophomores won this event. Another traditional game, Spin the Bat, was next. Players had to spin their heads on a bat, and then carry cups of water to the end of the gym to fill a bucket of water. The most water wins. Sophomores cleaned up this event again.

The lip sync, a new addition to the Pandemonium, was an interesting affair. The seniors won this show with Nick Baran, Jeff Tyler, Will Roberts, and Ryan Green displayed their talents singing "Sweet Dreams" by Marilyn Manson. The sophomores won the Pandemonium as a whole. The conclusion to the night was the indentured student auction, where students volunteered to be "slaves", and others bought them to do chores on Friday. The bon fire was not held as usual, because of the rain, but will be held this Wednesday night, October 9, at 8:00 PM.

Thursday was Toga Day. Seniors won again (16%), juniors came in 2nd (3%), and the freshmen were last with 2%. JV football played their game against Hanover Horton, losing in a tough battle. The classes met this night to decorate their halls with the theme "Star Wars" in mind. The winners were announced Friday night at the

game. Seniors were first, followed by the Freshmen, then the Sophomores, and the Juniors.

Friday, the culmination of the week, was Maroon and Gold Day. Indentured students met with their owners in the morning to get dressed in their crazy outfits, a pep assembly was held 7th hour to show spirit, and the students went wild all day. Teachers had a hard time teaching, and students had a hard time learning with all the fun that was going on. The seniors won this day with 47%, the Juniors came in 2nd with 45%, sophomores came in 3rd with 25%, and freshmen were last 17%.

The final scores for the spirit week were Seniors in first, Juniors in second, Sophomores in third place, and Freshmen in fourth. The winners of the homecoming court, and the banners were announced at the game on Friday night. Seniors Stacey Mann and Ed Cruz were runners up to Renée Foster and Nick Woods.

Homecoming Queen **Renée Foster** is 17 years old and a member of the Class of 1997. She is a member of the varsity football and basketball cheerleading squads. Renée is a member of the National Honor Society and treasurer of her class, as well as a Sandwich Artist at Subway. She plans on attending either Central Michigan University or Michigan State.

Homecoming King **Nicholas Woods** is a seventeen-year-old senior and a member of the varsity basketball and baseball teams and captain of the varsity football team. After graduation, Nick plans on attending college.

Other members were Heather DuVall, Jason Flint, Joe Brooks, Dana Richards, Nicole Jensen, Matt Laskowski, Chris Gilbert, Ryan Fielder, Steve Riske, Steve Spurr, Pam Preston, Joanna Dettling, Karen Goodell, and Sarah Ahrens. The game was fast-paced, ending in the Flying Dutchmen winning 41-6.

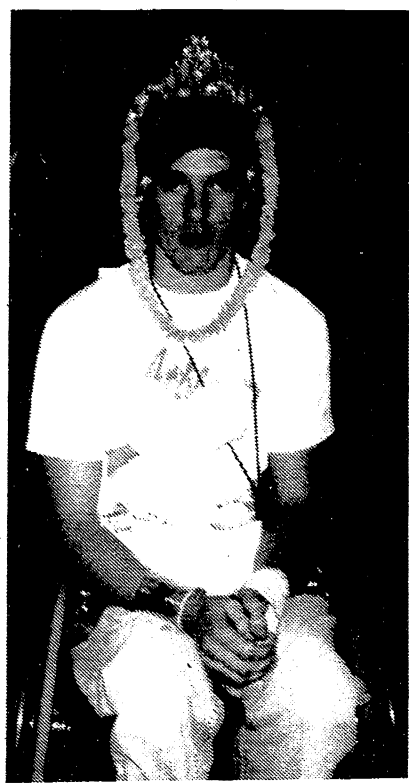

The game was followed by the dance at the high school which lasted until

12:30. The week was fun-filled, and exhausting for most, but seniors will agree it was the most enjoyment they've gotten out of homecoming in the 4 years they've been there. The other classes are looking forward to next year's homecoming, but it's doubtful whether it can top this year's festivities!!!

Dutch JV Hit by a Comet

The Hanover Horton Comets scored first and then it seemed they could do no wrong. The Dutch could not seem to get a successful drive going and at the end of the first quarter the Comets led 6-0.

This was the first game that was really cold. Maybe the team could not get warmed up, but this was not the team that usually takes and dominates the field. Hanover Horton scored again and this time the 2 point conversion was good. The Comets now led 14-0.

It looked like Manchester finally kicked in just before the half. Long yardage runs by Jeremiah Tobias and Derrick Hanewald moved the ball down the field. With just 3 minutes left before the half Derrick Hanewald ran in the first Dutchman score. The 2 point conversion was not good and the score stood at 14-6 for the half.

If you think a football game might be boring; boy are you wrong. If the action on the field isn't to your liking the camaraderie in the stands keeps the action going. The JV cheerleaders could have kept warmer if they had done a few more cheers instead of standing around.

Even though the Dutchmen lost there are still standouts on the offense and defense. The "Dangerous Dutch Defense" this week includes Mike Heskett, Pete Dettling, Levi Smith Joe Brooks and Lee Kothe. The "Awesome Offense" includes Rick Walakones, Nick Puscas and Beau Kaufman.

In the third quarter Manchester looked like the winning team it has been in weeks past. Derrick Hanewald recovered a Comet fumble to stop Hanover's drive. It looked like the Manchester quarterback (Levi Earhart) would be sacked for a loss when he slipped away and gained 20 yards instead. Levi would run in for the Dutch touchdown and make the 2 point conversion also. The score was now tied 14-14.

As fired up as Manchester was they could not keep Hanover Horton from scoring again. The Comet 2 point conversion was good and they now led 22-14. Manchester came up with some good plays but time would run out before they could put together a scoring drive. The JV Dutch lost their first game of the season to Hanover Horton by a score of 22-14. This Thursday, October 10th the JV Dutch will host Grass Lake. The game starts at 7:00 pm so come cheer them on!

Golf Team Keeps on Swinging

September 24, the Dutch hosted their conference jamboree at Green Valley Golf Course. The varsity played the back nine which proved to be tough on the whole field. Ben Grenier led the team with a 45, with Jon Way (46) and Ryan Roberts (47) close behind.

The team total of 191 was 10 shots higher than East Jackson and Addison. Michigan Center finished first with (173) Napoleon (174) second and Hanover Horton (17) third. Jeremy Decanter posted his best score of the season for the J.V.'s shooting a 44. Followed by Dan Riesterer (54) Justin Preston (59) and Dave Herman (65).

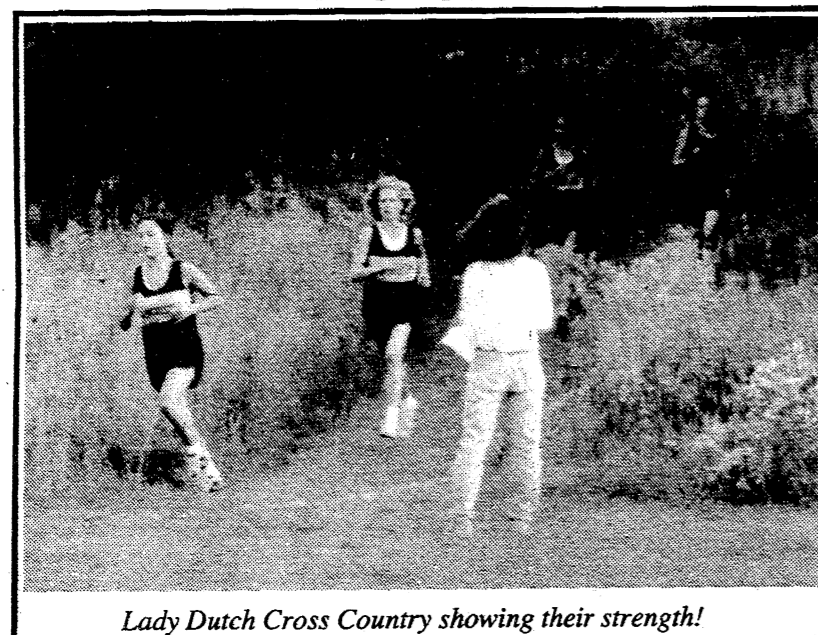

The next match Sept. 30, the Dutch put their best team score of the season together, as they beat Lenawee Christian 173 to 192. Three players posted their low score of the season - Senior Ryan Roberts shot 41 for the third time this year, sophomore Ben Grenier shot 41 and sophomore Ted Roberts shot 45. Senior Jim Donnellon finished the scoring with a 46.

Oct. 3, Leslie and Onsted competed in a 3 way match with the Dutch at Green Valley. The Dutch finished with a 195, behind Leslie (187) and Onsted (165). The Dutch players all suffered from 1 bad hole each, which hurt their scores. Ryan Roberts was low for Manchester at 46, followed by Ben Grenier (48) Ted Roberts (49), and Jim Donnellon (52).

The golf team will finish their season this week, playing their conference tournament Wednesday and regionals Friday. Give it your Best Shot Dutch!!

Home Meet Vs. East Jackson and Hanover Horton

Lady Dutch Cross Country showing their strength!

The Manchester Cross-Country program has taken another giant step forward as we hosted our first cross-country meet on the new course behind the athletic complex and in Chi-Bro Park. It was quite a site to see Cross-Country once again taking place on Manchester soil. The course was tough, rugged, demanding and physically challenging. By looking at the times, you can see that it easily is the toughest course around, and maybe even in the state. The times were as much as 2:30 slower than you get on any other course. It fits how our Manchester kids run to a tee. This was evident by the two victories our boys scored, leaving them undefeated at home, a tradition we plan on continuing when our other Cascades opponents come to this gnarly course.

The ladies were also successful as they split their dual meets, beating East Jackson and falling to an improved Hanover-Horton squad. The scores for the boys are as follows: Manchester 22 East Jackson 37, Manchester 23 Hanover-Horton 38. The girls scores were as follows: Manchester 15 East Jackson 50 Hanover Horton 25 Manchester 31. For those of you who don't know how the scoring goes, you add up the places of your top 5 runners.

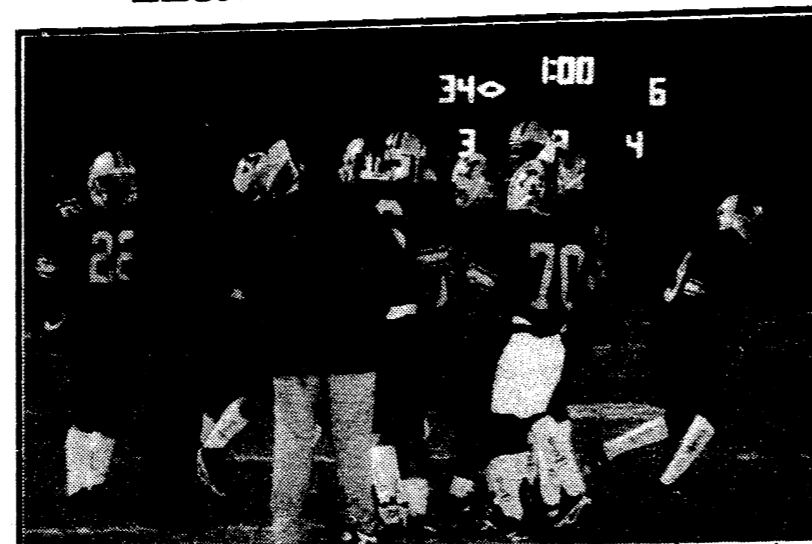

The boys team was led by Senior Captain Nick Weidmayer and his second place finish. Eli Bragg ran a respectable race to finish 4th. Other excellent performances came from Kyle Harris, Lin Harris, Jeremy Smith and Nick Gordon. Other Dutchmen pitching in were Kevin Sahakian, Brad Kemner, Phill Krall and Aaron Wallace.

The girls team was fighting colds, sickness and fatigue, but managed to put in strong performances. Pam Preston continued her climb back to championship form with a 2nd place finish. Ahja Zang and Rachel Fleck finished 4th and 5th respectively. Dana Richards, Marie Haeussler and Jessica Richards rounded out our girl's squad with fine runs also.

The Middle Schoolers were in action as well against the team from East Jackson. 8th grader James Montgomery blazed the path on his way to a first place finish. Jacob Miller finished strong to cross the tape second. Mike Walter ran his best race of the year with Natalie Wiedmayer, Heidi Ernst, Billy Kuebler and Nathan Bragg putting in quality performances on the rugged terrain.

The future looks bright for Manchester Cross-Country with these young harriers.

Varsity Rolls over Hanover Horton

Coach Gall speaks to the Dutch with 1 minute left in the game!

Manchester came out on the field and seemed to dominate everything from then on. The Dutch scored first on a 9 yard run from Nick Davis. The extra point conversion failed and Manchester led 6-0. Hanover Horton came right back and just before the 1st quarter ended they scored. Their 2 point conversion was negated by a penalty so the score was tied 6-6. This would prove to be the last time we would hear from the Comets.

Manchester marched down the field and scored again. This time the 2 point conversion was good and the Dutch led 14-6.

Hanover was putting together a drive when Ryan Fielder intercepted a Comet pass to stop them cold. Nick Davis would run in the last 3 yards for a Dutch touchdown. Terry Coleman kicked the extra point to make the score 21-6. The Comets would knock on the touchdown door, but Manchester would answer by slamming that door shut. At half time the score was 21-6.

Friday night was also Homecoming and half time was filled with Homecoming celebrations.

Manchester came back on

the field to start the second half and they picked up right where they left off. Nick Davis ran in from 14 yards out for the Dutch touchdown, but the extra point was no good. Manchester now led 27-6.

Nick Woods took his turn at a Manchester touchdown. He ran in from 35 yards out for another score. Terry Coleman's extra point kick was good and gave Manchester the score of 34-6.

You have to give the Comets credit. In the fourth quarter they came very close to putting together a scoring drive. Manchester kept them in check however.

Terry Coleman ran in 70 yards for a touchdown and then he kicked the extra point. Manchester now led 41-6. And now for the last few seconds, because of the 35 point spread, the game finished with a running clock.

Manchester wins big with the end score of Manchester 41 and Hanover Horton 6. This Friday, October 11th, the Varsity travels to Grass Lake to take on the Warriors.

Go Dutch!

Hudson Boosters Invitational

The Flying Dutch Cross-Country teams traveled to Hudson High School for the Hudson Booster Invitational last Saturday. On a picture perfect day for running, 45 degrees and sunny, the Dutchmen and women did not disappoint as they ran perhaps their best races as a team for the season. The men finished 4th out of 16 teams, just missing a 3rd place trophy by a mere 3 points. This is yet another example of where this program is going.

The women's team ran its way to a 5th place finish among 16 teams. It was a great day with many personal bests set. With the conference and regional meets not too far down the road, the Dutch runners are getting poised to make a run for the top.

Nick Weidmayer and Eli Bragg finished 11th and 13th, respectively, to lead the men. Kyle Harris ran a person best and Freshmen record with his 32nd place finish. Also running extremely well for the boys were Jeremy Smith and Kevin Sahakian. Brad Kemner and Lin Harris rounded out our top seven. Running outstanding races and personal bests were Aaron Wallace, Phill Krall and Nick Gordon. It was indeed a good day for the boys.

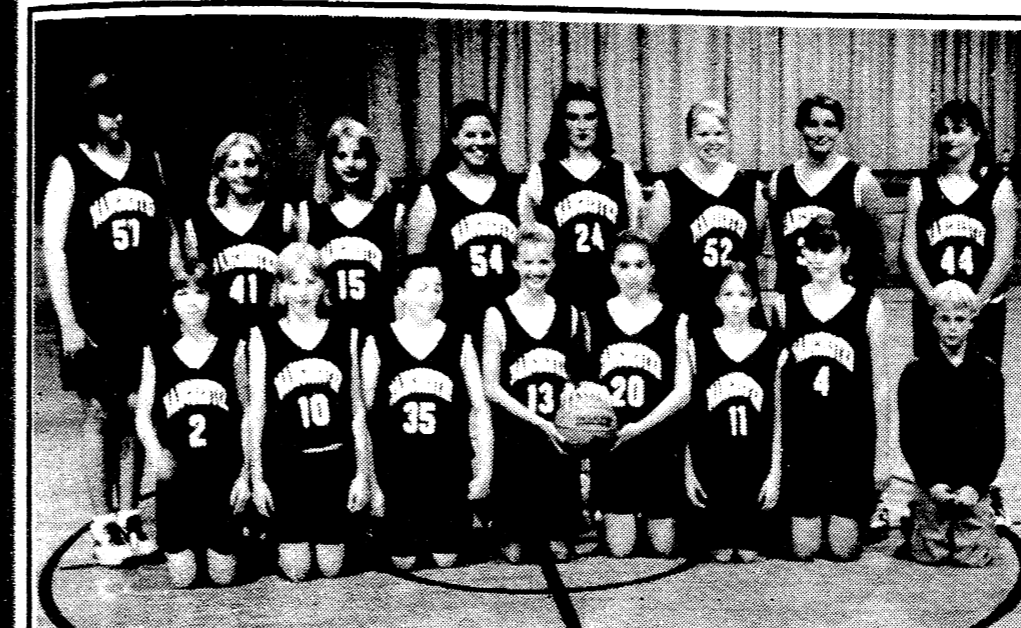

The girls were equally successful with a strong showing in their division. Pam Preston came charging home in 7th place to lead the Lady Dutch. Ahja Zang continues to run consistently great races and earned the hardware to prove it. Marie Haeussler and Jessica Richards put in an excellent day's work with their best days of the season. Dana Richards pulled her weight with a tough race to round out our scorers for the day.

Our next meet is on Tuesday against Addison at the Somerset Beach Campground. It is a challenging course that will be an excellent workout for our teams. On Saturday, we travel to Buhr Park in Ann Arbor for the Gabriel Richard Booster Invitational. One more reminder, the refundable bottle/can drive will take place on Wednesday, October 9th, weather permitting. We would appreciate your support, so look for us between 4:00 and 6:00 p.m. Thank You!

Lady Dutch Hooping It Up!

On Wednesday September 25, the girls 8th grade Lady Dutch Basketball team traveled to East Jackson to take on the Trojans. The girls came out on the short end by a score of 28-20. Leading scorers were Holly Horodeczny with 6, Nicole Leverett and Ashleigh Sewell with 4 points.

On Monday September 30, the girls traveled to Napoleon. Manchester lost to the Pirates by a score of 40-29. This game was a hard fought game, closer than the final score would indicate. The Lady Dutch battled back from a 13 point deficit to get as close as 5 points with under two minutes to play. Leading scorers were Nicole Leverett with 10, Holly Horodeczny with 7, and Kathryn Horodeczny with 5 points.

Wednesday October 2 saw the Lady Dutch host their first home game by taking on the Gras Lake Warriors. The Manchester team started slowly, going scoreless in the first quarter and spotting the visitors a 13 point lead. There was no quit in the Manchester team however; the girls held the Warriors to just 10 points the rest of the game. In the last three quarters, the Lady Dutch scored 29 points to 'win going away' by a score of 29-23. The entire team played great pressure defense to bring themselves back. Leading scorers were Holly Horodeczny with 11 points. Kathryn horodeczny 6 point, Nicole Leverett with 5, Ashleigh Sewell 3, and Amy Preston and Jenny Lawson with 2 each, with this win the girls evened their record at 2-2.

50TH ANNIVERSARY OBSERVED

Michael Edward Decker
Born to Chris and Jennifer Decker, a son, Michael Edward, September 25 in Bloomington Indiana. Michael weighed in at 9 pounds, 12 ounces, and was 21 inches tall.

Maternal grandparents are Reno and Nancy Feldkamp of Manchester. Paternal grandparents are Edward and Eva Decker, Orono, Maine.

Vic and Dolores Dettling from Manchester will be celebrating their 50th anniversary. They were married on October 12, 1946, at our Lady of Good Counsel Catholic Church in Plymouth, Michigan.

They have five children: Jan Lamey from Onsted, Gloria (Bob) Mann from Plymouth, Indiana, Barry (Liz) Dettling from Huntington, IN, and Karl & Bob Dettling from Manchester. They also have six grand-children and two great-grandchildren.

The immediate family will celebrate the occasion with a special anniversary dinner.

College News

Concordia's Riske named Player of the Week

Concordia College's Sarah Riske was recently named the Wolverine-Hoosier Athletic Conference and the National Christian College Athletic Association, Division I, 'Player of the Week' for the week of September 21.

Riske, a 6'0" junior from Manchester, had 2 outstanding matches this past week against Tri-State University and Madonna University. In the two matches, she leads the team in both offense and defense. On offense Riske had a total of 38 kills (25 against Tri-State) an average of 4.75 kills per game. On defense Riske had 20 digs and 15 blocks. With the win against Tri-State University Riske has helped the Concordia Volleyball team's record to 6-5 overall and a 2-0 record in the WHAC.

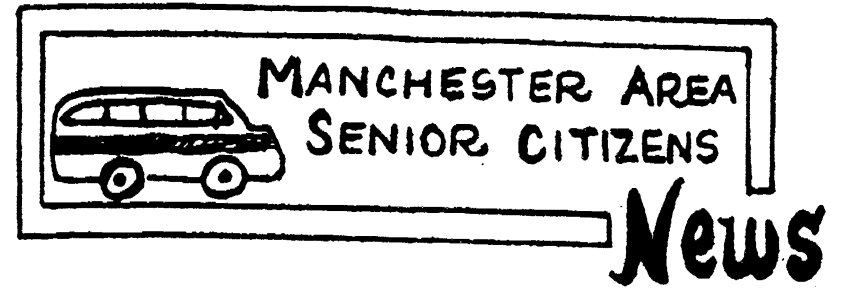

"Sarah is a remarkable athlete and a very smart player. She puts up great numbers on both offense and defense and works very hard at it. Sarah gives this team great leadership (in academics as well as athletics), motivation and confidence," remarks Sue MacAvoy, Head Volleyball Coach.

University of Michigan

Some 1,500 University of Michigan students on the Ann Arbor campus were degree candidates this summer. Included are Manchester residents **Jennifer Lynn Loyalvo**, Master of Science in Nursing; and **Patricia A. Motyka**, BS in Nursing.

Senior Citizens

Happy Birthday, Seniors!

- by TV Ludwick

This article written by Tadija Widojkovich was published in the Senior Perspectives and may give you a chuckle (it did me). "To most of us older folks the thought of shopping for companionship via the personal ads takes the romance out of meeting someone new. Not to mention that it's scary. Who knows what lurks behind a cute-come-hither ad? A con artist? Gold digger? Sex maniac? Serial Killer? On the other hand, for those less-faint-of-heart, searching the personal ads is the modern thing to do. For them, opening the pages of a newspaper is far easier and less threatening than looking into vacant faces at the smoky corner bar. It's also less expensive than the Love Boat and you don't have to go to church, where the good ones are already married."

"Gwen, a widow, got tired of being glued to the TV day after day. She swallowed her pride and took the dare and answered the following ad: OLD COOT; Bald, beer belly, bad breath, smelly feet, BIL-LIONAIRE - seeks winsome lass for links, winks and drinks. Cruise the Caribbean on my yacht. Turned out the 'Old Coot' only had a row-boat. But, he did have a full head of silver hair and minty breath. Best of all, he was kind, gentle and witty. He and Gwen still meet for 'winks at Taco Bell.'" Do you have nerve enough to meet a new friend this way? Don't know if I ever would or not.

Friday, October 11: Bus pickup begins at 6 PM to go to the Saline and their Senior Citizens Card Party. To join in on the fun, call Erma Alber at 428-8070 for your ride.

Tuesday, October 15: Salisbury steak is being served today and is it tender and good! Jan Barbour, son Matt, Margaret (Grandma) Gillow and other volunteers from our area churches are on hand to feed us royally. Won't you come give it a try?

Wednesday, October 16: Today is Mystery Trip Day and you will leave the Center at 10 AM to go who knows where? These trips have been fun over the years trying to guess where and what you are going to do this day, go along by calling Erma first.

Thursday, October 17: Yoga class begins at 9:30 and did we mention that you must be 65 years of age to take advantage of this? It is a program sponsored by Washtenaw Community College and this age requirement is in effect. After the fun of yoga, baked chicken is served at noon, followed by bingo at the Center.

Committee for the Beautification of Manchester

Grass Roots Planning Begins

As you 'round the bend coming into the town from the north, look forward to seeing a more beautiful face on K & W Equipment. Larry Kouba has committed to planting shrubs and flowers to make this "first impression" of Manchester more pleasant. Thank you, Larry Kouba. The Manchester Mill, a focal point for the entire downtown, has always had lots of interesting and beautiful aspects. But Don Limpert has committed to improving it even more with flowers on the Main Street side of the Mill. Thank you, Don Limpert.

Visitors and residents alike spend a lot of time on the bridge overlooking the river, often with a Dairy Queen cone in hand. Fahey Realty has committed to beautifying the river bank behind the Dairy Queen and Fahey Realty, trimming trees, raking and planting flowers. Thanks, Dick and Judy Fahey.

In just three short weeks the "Committee for the Beautification of Manchester," (CBM) has developed from an idea proposed by Josie Santiago of A & J Travel at a Chamber of Commerce meeting to a real grass roots effort. A number of people have expressed an interest or made some suggestions like flower boxes on second story downtown buildings ("Bavarian style!"), planter boxes on

the bridge, a "Manchester Day" like Earth Day to focus on our community, and so on.

High priority is being given to ideas such as: painting the light poles on Main Street, replacing the bright blue trash cans with something (anything) better, cleaning up the river banks, and maintaining the flowers planted around the trees downtown.

However, you probably know from your own experience, ideas are great. But making them happen is another matter! That's why the commitments of Larry Kouba, Don Limpert, and Dick and Judy Fahey are so important. And that's why you are urged to join the grass roots effort to enhance Manchester's natural beauty. Join Josie and the folks from A & J Travel plus Chamber volunteers Teresa Benedict (Calamity Jane), Bob Wahr (Comerica), Kim Cowan (Great Lakes), Bradley Smith (Pinnacle Engineering), and Mr. and Mrs. James Sprague (Wash on Wheels) for the first planning and visioning session on Wednesday, October 9, at 9 AM at the Whistle Stop. We really can make this happen!

If you can't make the meeting, call or stop by and talk to Josie anytime (428-8307). Your ideas and energy are needed!

Grief Support Group for Parents Who Have Lost An ADULT Child

Starting Thursday, October 10, 1996, in recognition of the unique concerns and issues raised when a parent experiences the death of an adult child, we invite you to join us for a seven week support and informational group.

Past participants in this group have been able to share common experiences with others who have had a similar loss, to gain a greater understanding of the grieving process and to provide support and encouragement to other group members.

The group is open to any member of the community who has lost an adult child, whether that loss occurred recently or many years ago. The group will meet from 4:00 to 5:30 pm on seven consecutive Thursdays from October 10 to November 21, 1996.

Meetings will be held at the Arbor hospice, Ann Arbor office, 3810 Packard. A minimal donation will be requested. For more information and to register, please call Pat Bauer, MSW at 1-800-783-5764.

Adrian Symphony Announces Young Musicians Competition

Young musicians from Lenawee, Hillsdale, and Monroe counties, as well as Manchester, are invited to apply to enter the Adrian Symphony Orchestra's third annual ASB Young Musicians Competition. Cash prizes and a solo debut with the Adrian Symphony will be awarded as a result of the competition, which is sponsored by Adrian State Bank.

Performers through high school age who play any band or orchestral instrument or piano may apply by preparing a single movement from a standard work for soloist and orchestra and recording that selection with or without a piano accompaniment. Singers may prepare any song or aria to which an orchestral accompaniment is available, or more than one selection, up to a total of no more than 15 minutes in length.

Maestro David Katz will select a group of musicians from the taped auditions and invite those finalists to perform in a public recital in Dawson Auditorium on the Adrian College campus on January 11, 1997. Finalists must perform the same piece they recorded, this time with accompaniment, and must provide their own accompanist. Memorization is required for singers only. A team of judges will announce the winners at the conclusion of the recital. Winners will perform as a soloist with the Adrian Symphony at their concert on February 16, 1997, entitled "For the Beauty of Earth." The judges reserve the right to withhold any and all prizes and their decisions are final.

Adrian pianist Ivan Middleton won the first ASB Young Musicians Competition in 1995, performing with the ASO in February of that year. Winners and soloists in 1996 were saxophonist Matthew Voreas, clarinetist Susan Keener, and singer Leah Crocetto.

For further information, or to request application materials, call the Adrian Symphony at 517-264-3121. The deadline for applications to be received by the ASO is December 11, 1996.

AUTUMN BLOOD DRIVE

As I start to put this article together, I am hearing the wind blowing the leaves and seeing their changing colors. Autumn is really here.

This coming Monday, October 14, Manchester United Methodist Church, will be the host for our AUTUMN BLOOD DRIVE. The time is 1 PM until 7 PM, with Jean Little as chairperson of the day. She will be assisted by the ladies of the church.

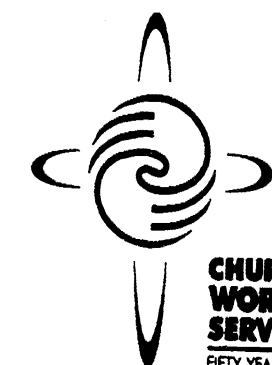

The Red Cross assigns a GOAL for each blood bank to reach. Manchester's is set at between 80 and 100 pints of blood. That doesn't sound like very much to expect. The problem in attaining this goal has to do with the busy schedules of our Manchester people.

There are recruiters or sign-ups at all of our local churches and industries. If you are a donor, make sure you get yourself signed up. If you've never donated before, but want to start to make a difference in someone's life, sign up. It can never be said enough times that YOU are the only one who can create the blood that will sustain a life. If you work or attend church outside of Manchester, there are Red Cross boxes in 6 different locations around Manchester. You can find them at the following places: Manchester Market, Great Lakes Bancorp, Baker's Dozen, Comerica, Kleinschmidt's Hardware and First of America.

There will be NO Christmas blood drive for us in 1996. It will be our turn in 1997.

Hope to see you Monday, October 14. If you are not sure about your time and would still like to donate, we will be glad to have you as a WALK-IN.

CHURCH WORLD SERVICE 50 YEARS OF HELP AND HOPE

CROP has been a household word for the hungry and those who walk to abolish hunger. This quarter-century old charity challenges the charitable hearts of Manchester-ites to deny poverty and hunger for thousands of people around the globe. There are also local agencies that receive our help through this voluntary march.

We want you to be there to help us on Sunday, October 13, 1 PM for registration with a 2 PM kick-off walk. The route is the same as last year (5.5 or 1 miles), markers will give you important directions and bathrooms have been identified along the way.

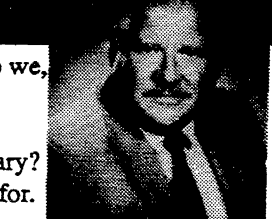

Our goal is \$10,000. Each walker must gain sponsors and collect the money to be turned in at registration time. This will expedite the whole event. If you are under 18, a parent or guardian will be required to sign for you. In addition, those under 12 will need a sponsor on the walk. Contact your local church for information on how to participate or call Chairperson, Laura Sutton (428-7445).

AppleUmpkin Festival

The crackle of leaves underfoot, crisp fall air, the aroma of apples and cider enjoy all that fall has to offer and more, during Tecumseh, Michigan's 4th joint fall extravaganza. Kapnick's Orchards, itself practically synonymous with fall, is continuing for the 18th year, its famous Apple Festival and beautiful downtown Tecumseh is hosting for the fourth time, its AppleUmpkin Festival and Art Show. The whole family will have fun at this festival with a twist. Along with the usual delightful fall happenings, professional artists will be exhibiting their works along Tecumseh's Boulevard. Children will marvel at our magic shows, delight in chalk art & pumpkin carving contests, and try their hand at sumo wrestling... AppleUmpkin style. To get festival-goers from downtown Tecumseh to Kapnick's Orchard, there will be a shuttle ride on board Tecumseh's restored trolley car, or for a small fee, hop aboard our horse-drawn pumpkin coach.

you the next business day, as long as it's still in release. A drop box can be used to return your movies or video games.

Video games? Yes - Play Station, SEGA, or Super Nintendo games are all available at Video World. The kids say the selection is great and this creates plenty of excitement with the younger crowd.

Have your kids or their friends rented videos with your membership at another store? That won't happen at Video World, says Toni. "You'll need your card to rent a movie." You must be 18 years old to have a card, and kids can be added to the card - or not - at parents' discretion. "Our store will be

professionally run," Toni explained. She has done a lot of research and talked to several video-store owners while planning this business. It's given her a lot of ideas and the people she's talked to have given her a lot of tips on how to keep things going smoothly.

Video World's grand opening this past weekend was "swamped," and Toni indicates that everyone's been happy with their selection of movies, the new services they offer, and the later business hours.

Best wishes to the entire Gross family on their "new addition!"

**Michelle Schaible
Demonstrates Excellence
in the Classroom, in the
Community, and on the
Playing Field**

Assistant Principal John Easley and Michelle Schaible

The national Wendy's High School Heisman Award recognizes the accomplishments of high school senior men and women who excel in Academics, Athletics, and Community Involvement.

Michelle Schaible, 17, daughter of Richard and Jody Schaible of Manchester, has been nominated by the National Association of Secondary School Principals to receive the 1996 Heisman Award.

"The young adults who have been nominated represent exactly what today's youth should be - leaders in the classroom, in the athletic arena, and in their community," says Dave Thomas, founder of Wendy's. "We are proud to recognize Michelle and are honored to associate Wendy's with her remarkable achievements."

Among Michelle's many accomplishments are as a member of the varsity basketball, volleyball and softball teams; National Honor Society; German Club. Michelle is also active in the Salem Lutheran Church Youth Group, and takes football stats at varsity games.

Congratulations, Michelle, and best wishes as you proceed through the remainder of the competition!

**Manchester Holds Second
Annual CROP WALK**

It was a beautiful fall weekend to spend enjoying the outdoors and helping others at the same time. The 115 CROP Walk participants did just that - and raised in excess of \$7,500 for Church World Service to feed the hungry people of the world. Pictured at left: Pastor Erling Aaserud of St. John's Bridgewater with some of his catechism class members and their teacher. At left, Ginny Fielder, Joyce Gollightly, Shirley Roller, and Bessie Osborne, believed to be among the senior participants - but no one would admit to being the "oldest."
