132nd Year -- No. 18

Manchester, Michigan

50c per copy

News Flash from The Woodlands, Texas

After fifty years of playing golf, Emory Garlick had his first hole-in-one on Sunday, February 21, at 1:05 PM. Emory was visiting his friends Joe and Barbara Wise in The Woodlands, Texas, for a weekend of golf. Emory's son, Bruce, had come from Austin to join his father and Joe for an 18 hole match on the Tournament Players Course in The

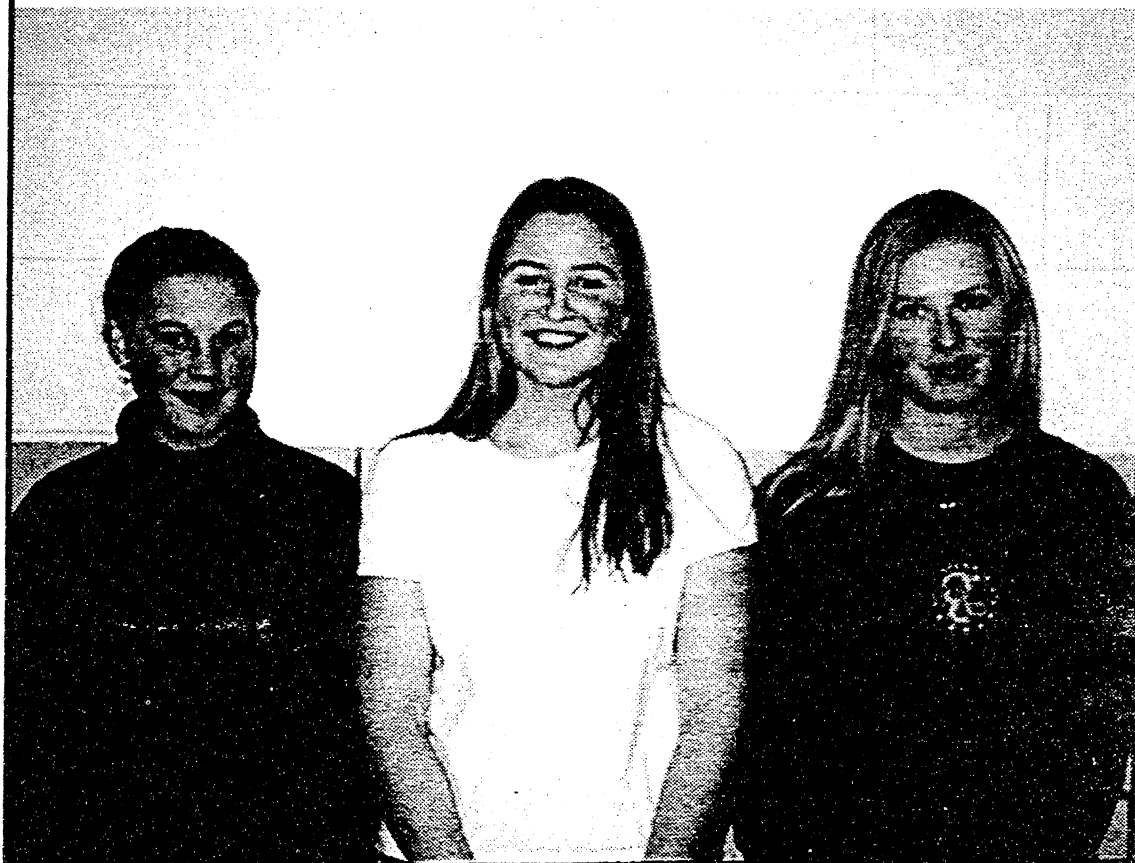

Woodlands (home of the Houston Open.) Barbara Wise was also present as a spectator during the round.

On the eighth hole of the TPC, a 177 yard par three, Emory hit a four iron to the green. Due to the glare no one saw the ball disappear into the hole but Bruce said the ball was either in the cup or very very close. As the three golfers and spectator approached the hole, the ball was not visible. Emory thought at first the ball had rolled off the back of the green, but Bruce ran ahead and looked into the cup and began leaping for joy. Bruce ran to his father who was overcome with emotion over the shot and they both embraced. They were joined by Joe and Barbara for congratulations and hugs.

Emory will return to Manchester on February 24 or 25 after spending a couple of months in Austin near where his son Bruce lives. Everyone in Manchester beware of a "bragging" gar, who has every right to brag after many years of near misses.

Congratulations Emory!!
submitted by Joe Wise

Solo & Ensemble Winners Head for Statewide Competition

From Left: Betsy Dettloff, Annie Hinkley, and Sarah McGuire

This past Saturday, three students from Manchester High School participated in the annual District VII Solo/

Ensemble festival at Adrian High School.

We are pleased and proud to announce that all three participants received a First Division rating and are now eligible to participate at the State Solo/Ensemble Festival to be held on Saturday, March 27, 1999 at Eastern Michigan University. The three students are

freshman Betsy Dettloff, flute; Junior Annie Hinkley, who played a violin solo and a piano solo; and Senior Sarah McGuire, flute.

Congratulations to all three of these talented students and we wish them the best of luck at State Festival.

My American Hero

My American Hero

Heidi Hakken

My American hero is the one person I look up to with a deep sense of respect. She is the one I admire for her noble qualities. She has special courage, strength, and ability that I regard with a wonderful approbation. She may not be rich or famous, but she has to deal with real world problems that we can all relate to. My American hero is my aunt Jan.

Jan lives on an old farm in New Hampshire. Her personality reminds me of the Adderomack Mountains she lives on, bold and strong. Her face shows that she has taken a path that few have taken, but ironically her face still glows with the beauty and light of an angel. Jan is the most positive person I know. The stresses of this modern day world can make a nice person turn into a cold miser, but somehow Jan has never given in to the temptation of acting this way. She struggles to scrape out the negative energy in her soul.

She was orphaned as a baby, then later adopted by a childless couple. However, her adoptive father died when she was a young child, and her mother died shortly after her four children were born. Her husband abandoned her, leaving her with few living relatives. Her husband's deceptions even turned her childhood friends against her. Jan had no one to turn to, yet she encouraged her children and assured them that everything would be fine.

My aunt is a wonderful person. She loves her children unconditionally. She doesn't let her problems affect her personality no matter what the problem is. Even though she was an orphan as a baby, she is a wonderful mother to her children. My aunt Jan is my ultimate hero.

My American Hero

Krystal Barnett

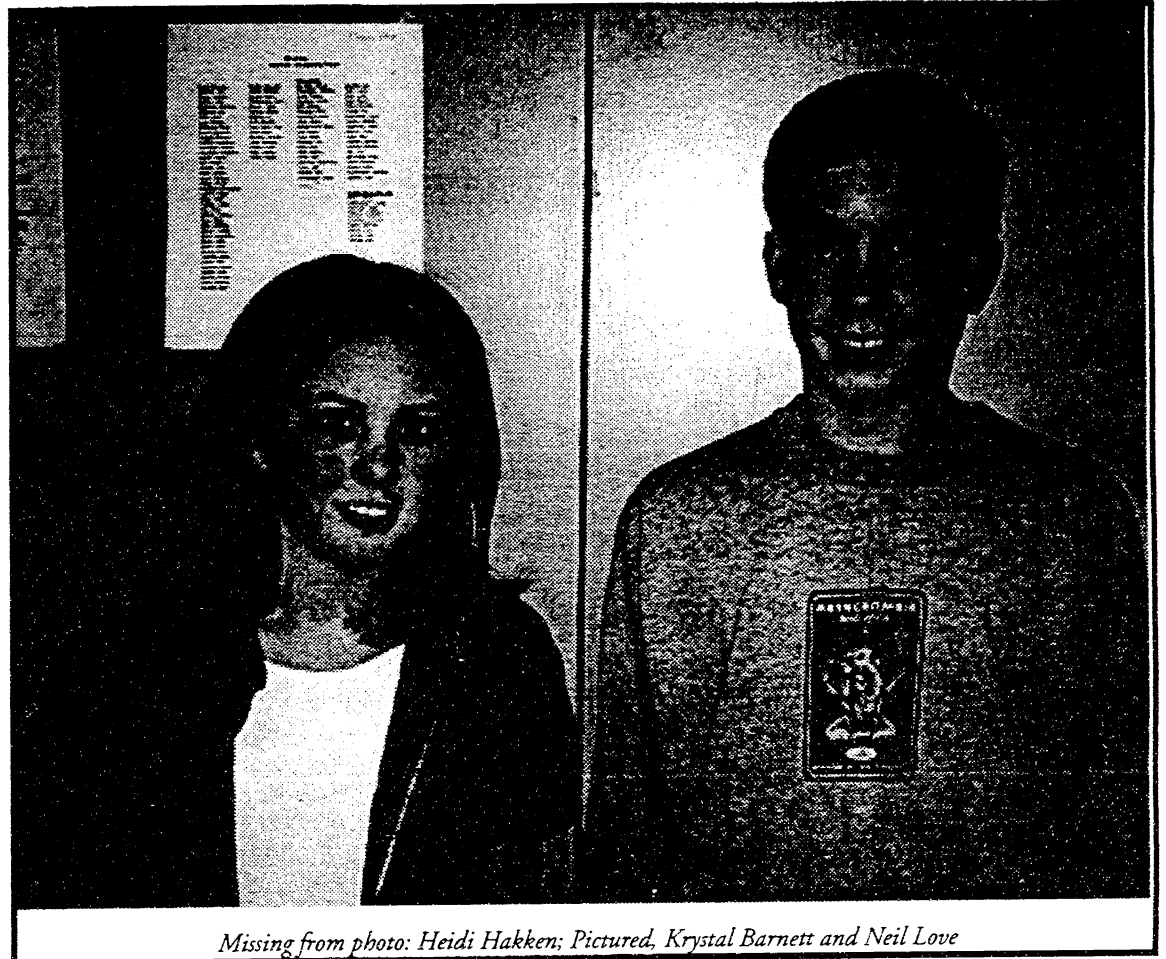

A couple of years ago, I guess I didn't know what a hero really meant. A hero doesn't have to be anyone famous. A hero is someone who you admire, and cherish. They don't necessarily have to have done something great for the world, just something great in your heart. A hero could be anyone, anywhere. My hero is my dad's mom, my grandma.

Last Thanksgiving, my grandma was diagnosed with cancer. For a year, we watched her go through so much pain. Physically, she was a mess. All I could think was: why us? Why her? I could never picture someone so close to me in so much pain. It felt like a ton of bricks, hitting me over and over again. For a long time, I was in denial. It just didn't make any sense. The grandma that I had grown up with could die, just like that. It was the scariest thought I had ever had.

For about a year, my grandma battled this terrifying stranger. Every moment I had with her felt special and unique. She has now been through about a year of radiation and chemotherapy. Finally, she is done with her treatments. Once again, she can be herself.

Throughout her treatments, I wasn't the confident one. Instead, my grandma was the one who gave me faith. She always had a smile. She never broke down (emotionally) in front of me. All I know was that if she thought she could survive, then I knew she could survive.

She gave me the confidence that she was going to be alright. I don't know how she could stand the pain. Triple your worst stomach flu and you still wouldn't understand how lousy she felt. But on the outside, you could never

Missing from photo: Heidi Hakken; Pictured, Krystal Barnett and Neil Love

tell. The confidence she had in herself was what brought me through my tears.

Not only is she my hero because of how she survived and fought the cancer, but because she continued to be a good grandma throughout it. She still remembered our birthdays, and what we wanted. She still bought all of us Christmas presents. Every Sunday, she continued to make the whole family dinner. Considering the way she must of felt, I thought that was really amazing.

My grandma fought the best fight known in history. She still managed to be a devoted wife, mother and grandmother. She fought with confidence. She gave me confidence. She also fulfilled her "duties" as a grandmother by trying to keep her family happy. My grandma fought something so much stronger than her, yet she still won. That is how my very own grandma became my hero.

My American Hero

Neil Love

My American hero cannot be just one person. America was not created solely by one human being. America was created by sacrifices, going against the odds, and standing up to all of our fears and problems. Later, it was refined by diligent workers and pride in the red, white, and blue that kept our country successful. So my American heroes range all the way from George Washington, John Glenn, and to the average American working citizen. A true hero really sacrifices themselves for the good of others.

America was built by its citizens. To form our country, the doctors, lawyers, and farmers set aside their every day duties to stand up and fight the British and to set our country free. Even through the odds, people like Paul Revere, an average silver smith, risked his own life to make others better. President Abraham Lincoln stood up for what was right and set the slaves free. A true hero is Harriet Tubman who helped in the Underground Railroad.

America became a great country because of its' heroes. First of all, people like Thomas Jefferson pushed us to the top by setting the foundations of our rights. Later, when we were defending our rights during World War II, women took up jobs in factories earning the name "Rosie the Riveter." If it wasn't for the patriots during the revolution, America wouldn't even exist. Even during the civil war, people like Abraham Lincoln brought us together.

America has many heroes. People like Martin Luther King Jr. and Susan B. Anthony helped set our country straight. People striving to be the best for their country like Allen B. Shepherd, and Mark Spitz are real heroes. Some of our American heroes have changed the world, like Henry Ford, Thomas Edison, and John Franklin Endears, the inventor of the vaccination for polio. America has elected great leaders including John Fitzgerald Kennedy, George Washington, and Roosevelt.

America is a country created by many heroes. Our nation was created, refined, and made into a great country by many people, people striving for greatness with pride in America. America does not have a single hero to me, because many people helped in making America great. A true hero sacrifices themselves for the good of others.

'Round and About

- by Toby

The past few weeks have proved a little difficult for those of us who are positive in mind. Public meetings and hearings have drawn out people who normally don't attend and who only stay long enough to say no.

No, as in, I'm here now and nothing should change. "Not in my back yard." NIMBYism seems to be the rule in our small corner of the world. Toby can understand it -- for example, I hate it when my desk is disturbed. On the other hand, perhaps we need to revisit the rules of the road.

If you want to assure that everything around you will always be the same, you'll have to own it; perhaps erect your own barriers and close the gate behind you. Short of that, prudence dictates that you ask the right questions before you buy property.

Growth in our area is inevitable. All of southeast Michigan is growing -- we're adding population, homes and jobs. Just recently, the Census Bureau stated that the perjorative term "Rust Belt" no longer applies to this area. Think about it! There are jobs, people are living better and have a lot more hopes and dreams. Maybe that means you have to share your visual space.

Who knows, you might find yourself with new neighbors, new vistas and new friends that immeasurably improve your life.

Letters to the Editor

Editor, Manchester Enterprise,

Open mouth, insert foot. I've made some dumb comments in school board meetings before, but I must confess last Monday's was one of my better ones. It wasn't until I saw it in print that I recognized how dumb it was. My thanks to Marsha Chartrand for pointing it out in her editorial. Otherwise, I might not have apologized to Joel Tobias, a good man who asked a reasonable question and deserved a better response than the one he got from me.

Wayne Winzenz

To the Editor,

Please print this letter so I may inform the parents of the children who will be coming into the 7th and 8th grade sports programs. Our junior high school programs consist of Fall cheerleading, girls basketball and boys football. The winter sports programs are boys basketball, volleyball and wrestling. Our spring program is track.

This is my son's last year at the middle school. My daughter is now a senior. I've gone 8 consecutive years with my children through this school. In the beginning of the '98-'99 school year, my son played football, I would constantly ask him if he received from the school or the coach a picture packet? Answer, "no mom, no packet." I finally called the middle school office and asked why no picture packets, I was told that the Athletic Director took care of this. I then called the Athletic Director and was told that the principle at the junior high was in charge of that. The middle school principle said that he had never done this before, therefore, would I mind? And I agreed to do this. Pictures were taken and the parents received them with 2 games left in the season.? Sports recognition night which was printed on our yellow program, gave a date of sports recognition night different from the night the middle school was to host this event. I don't remember hearing about this until maybe the day before or was it the day of.? Anyways, we had recognition with the certificates but no medals and I also heard that the cheerleaders didn't even receive their certificates. Once again I was upset with how unorganized this had become. I called the middle school office and I was asked if I could order the medals for the teams. The secretary was kind enough to supply me with the name of the company along with an old invoice so that I could copy the order which made this task easier. The players finally received their medals.

I arranged for the pictures to be taken for boys basketball and cheerleading as soon as I was allowed to. I also ordered medals for these teams. Next was volleyball and wrestling. Picture day was scheduled for February 2. I gave 100 envelopes to the secretary at the middle school and left a note explaining that there were enough and some extra for these teams and would you please pass them out to the coaches so they may give them to the students. On February 2, Reflections studio and I showed up for pictures. Volleyball and wrestlers, everyone had their envelopes except for the wrestlers. I went into the office to ask the secretary about the envelopes and she told me she had handed them to a student but couldn't remember which student. I had the photographer take a picture for the yearbook.

Okay, I'm going to be ignorant about this, who is suppose to organize all of this? And, after 8 years of middle school sports I've never come across this problem. Has it always been a parent who organized all of this and if this is true, then why was there no communication to the parents prior to the beginning of the seasons?

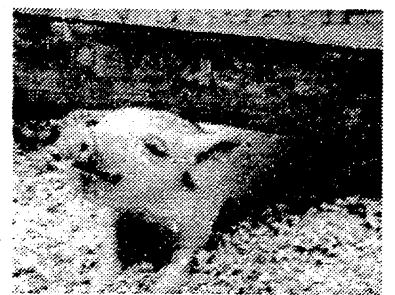

Manchester Athletic Boosters is not responsible for ordering pictures or medals. However, middle school student council has fund-raisers to pay for these items for our students, but do not do the ordering.

I apologize to the wrestlers and their parents for the no pictures on February 2. During the month of April, Reflection studios will return to take track pictures and the wrestlers, I will personally make sure that the envelopes are delivered to each student participating in these sports.

Dawn McCalla

Out of the Pen

- by garlene

You may still reach garlene via e-mail at <garlene@juno.com>, or visit her web page at <http://www.angelfire.com/mil/Garlene>

A piglet proudly walks up to a counter in a store. He or she clutches adequate money in hot little piglet hands (or pockets), to make a purchase. This is a big event in his or her life.

And, while the sales clerk chats on the telephone with a friend from another department, the piglet waits. A few minutes go by. The piglet gets discouraged. Those few minutes seem more like an hour.

Another clerk passes through the department, acknowledges the clerk on the telephone with a cheerful wave, and continues on. The piglet begins to wonder if everyone in this store is blind, or if he is invisible.

Finally, the piglet goes to find a parent. The parent walks up to the counter, and only then does the sales clerk snap to attention. "I gotta go, talk to you later." The piglet is allowed to make his or her purchase, but the sales clerk talks only to the parent. "Does he want this in a bag?" Well, says garlene, why don't you ask him?

Strange how blind adults can be when piglets are concerned. It is one of garlene's pet peeves. It bothered her to be ignored when she was a piglet, and it bothers her now when it is her piglets who are ignored by adults in power.

Think of how angry, hurt, and unimportant you feel when you are being ignored, for whatever reason. Whether it's in a store, at party or at a meeting where everyone seems to see right through you.

So often when we get absorbed in "adult" concerns, our

piglets tend to get the short shrift. What seems important or urgent to us - a phone call, business concerns, social contacts, or politics - are meaningless to a piglet.

A long time ago, garlene learned a valuable lesson about piglets. Their needs are important. When a piglet's need is fulfilled, it goes away. If we try to meet their needs and forget our adult concerns for a moment, life becomes simpler all around. This method can go a long way toward solving the bigger problems in our world.

Maybe we could stop talking about the insignificant adult stuff and look toward meeting the needs of our piglets first. Shouldn't their future be the primary focus of our concerns?

This fable isn't really about a kid with a fistful of money. It's about kids in our homes, our schools, and our community - with their fists full of hopes and dreams and goals and needs - who can't grab the attention of the adults around them. Those adults may be too busy dividing their focus, drawing lines in the sand, and talking about abstract concerns, to really focus on these kids and their future. The kids are not invisible - don't treat them that way.

Step back. Take a hard look. And listen. Our piglets deserve that much.

In fact, our piglets deserve better.

4. Child endangerment is included in the implied consent law. 1998 PA 350. ESB 870. MCL 257.625(c)

PRIOR CONVICTIONS/ENHANCEMENTS

1. Prior convictions to support an enhancement for the above offenses are interchangeable. Prior convictions include:

a. All MCL 257.625 violations, except allowing an intoxicated person to operate a vehicle under MCL 257.625 (2)

b. Commercial vehicle violations under MCL 257.625m

c. Negligent homicide, manslaughter and murder resulting from the operation of a vehicle.

d. Attempted violations, violations of substantially similar laws from the operation of a vehicle.

2. Only one zero tolerance violation, MCL 257.625(6) can be used to enhance a license sanction. 1998 PA 3560. ESB 870 MCL 257.625(24).

3. Only 1 conviction can be used for violations arising out of the same transaction. 1998 PA 350. ESB 870. MCL 257.625(25).

4. The prosecuting attorney must provide notice of the intent to seek an enhancement or the intent to forfeit or immobilize the vehicle. 1998 PA 350. ESB 870. MCL 257.625(14).

BOARD OF REVIEW MEETING

The Manchester Township Board of Review for 1999 will be held at the Manchester Township Hall, 275 South Macomb Street, on the following dates:

Tuesday, March 2, 9:00 AM = Organizational Meeting

Monday, March 8, 9:00 AM to noon, 1:30 PM to 4:30 PM = Appeal Hearing

Wednesday, March 10, 1:30 PM to 4:30 PM, 6:00 PM to 9:00 PM = Appeal Hearing

Thursday, March 11, 9:00 AM to noon, 1:30 PM to 4:30 PM = Appeal Hearing

The Board of Review will meet as many more days as deemed necessary to hear questions, protests, and to equalize the 1999 assessments. By board resolution, residents are able to protest by letter, provided protest letter is received prior to March 12.

The tentative ratios and the estimated multipliers for each class of real property and personal property for 1999 are as follows:

Agricultural	40.44%	1.2364
Commercial	37.24%	1.3426
Residential	46.78%	1.0888
Developmental	29.01%	1.7235
Timber Cutover	50.00%	1.0000
Industrial	45.00%	1.1111
Personal Property	50.00%	1.0000

(ADA) Americans with Disabilities Notice

The Township will provide necessary reasonable services to individuals with disabilities at the Board of Review meetings upon seven days notice.

Board of Review Members: LoRen Troiz, Fred Zimmer, and Wilma Lentz

Pub. Dates: 2/18, 2/25, 3/4

Sharon Township Planning Commission Public Hearing and Meeting

On Thursday, March 18, 1999, at 8:00 PM EST, at the Sharon Township Hall, 18010 Pleasant Lake Road, the Sharon Township Planning Commission will hold a Public Hearing to receive comments on the following proposal:

*A request by Margarethe Kozminski of Ocala, FL and The Landon Companies, a "Mobile Home Park" developer of Southfield, MI, to re-zone approximately 170 acres in Section 1 from Agricultural to "Mobile Home Park". Property is located on the Southeast quadrant of the intersection of M-52 and Waldo Rd. Tax IDs: 15-01-200-009 and 15-01-300-001.

Written comments may be sent to Roger Kappler, Chairman, Sharon Township Planning Commission, 19163 Bethel Church Road, Manchester, Michigan 48158, and must be received by March 17, 1999.

The Sharon Township Zoning Ordinance, and copies of the proposals, may be reviewed, and the Ordinance purchased, by appointment, through Teri Aiuto, Sharon Township Clerk. Call 428-7002.

The regular meeting of the Commission will commence immediately following the Public Hearings.

Sharon Township Planning Commission
 Roger Kappler, Chairman 2/25, 3/11

NOTICE MANCHESTER TOWNSHIP PLANNING COMMISSION

Notice is hereby given that the Manchester Township Planning Commission will hold a public hearing on the application of "William F. Kerns" for amendment to the Manchester Township Zoning Ordinance #42 to change the zoning classification of Tax Parcel #P 16-10-200-015 from "AR-Rural Agricultural" to "CC- Community Commercial Center".

Property is located in Sec. 10, Manchester Township, on the south side of West Austin Road, app. 400 feet west of Grossman Road.

A public hearing will be held on Thursday, March 18, 1998 at 7:30 PM at the Manchester Township Hall, 275 S. Macomb Street, Manchester. This hearing will be immediately followed by the Limpert public hearing.

A copy of the proposed ordinance to amend Zoning Ordinance #42 and further information is available for review at the Manchester Township office, 275 S. Macomb St., Manchester, during regular Township office hours, which are Monday, Tuesday, Wednesday and Friday, from 8:30 AM to noon.

Manchester Township will provide necessary reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered at the meeting, to individuals with special needs at the meeting upon 7 days notice to Manchester Township. Individuals with special needs requiring auxiliary aids or services should contact Manchester Township by writing or calling the following: Manchester Township Clerk, 275 South Macomb Street, PO Box 418, Manchester, MI 48158; telephone number 734/428-7090.

This public hearing is being re-held because of a new requirement in the new township ordinance that requires availability of the proposed ordinance amendment prior to the public hearing.

Manchester Township Planning Commission
 2/25/99, 3/11/99

NOTICE MANCHESTER TOWNSHIP PLANNING COMMISSION

Notice is hereby given that the Manchester Township Planning Commission will hold a public hearing on the application of "D.E. Limpert" for amendment to the Manchester Township Zoning Ordinance #42 to change the zoning classification of Tax Parcels #P 16-12-400-011, 10.02 acres, & P 16-12-400- 1, 29.98 acres from "AR-Rural Agricultural" to "CM- Community Manufacturing".

Property is located in Sec. 12, Manchester Township, on the southwest corner of Hogan Road and S. M-52

A public hearing will be held on Thursday, March 18, 1998 at 7:30 PM, immediately following the Kerns public hearing at the Manchester Township Hall, 275 S. Macomb Street, Manchester.

A copy of the proposed ordinance to amend Zoning Ordinance #42 and further information is available for review at the Manchester Township office, 275 S. Macomb St., Manchester, during regular Township office hours, which are Monday, Tuesday, Wednesday and Friday, from 8:30 AM to noon.

Manchester Township will provide necessary reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered at the meeting, to individuals with special needs at the meeting upon 7 days notice to Manchester Township. Individuals with special needs requiring auxiliary aids or services should contact Manchester Township by writing or calling the following: Manchester Township Clerk, 275 South Macomb Street, PO Box 418, Manchester, MI 48158; telephone number 734/428-7090.

This public hearing is being re-held because of a new requirement in the new township ordinance that requires availability of the proposed ordinance amendment prior to the public hearing.

MANCHESTER TOWNSHIP PLANNING COMMISSION ROSTER

Since last fall, there have been several changes in the membership and responsibilities on the Manchester Township Planning Commission. The roster of members is:

John Schmidt, Chair
Paul Siano, Vice Chair
Sybil Kolon, Secretary
Emory Garlick
Linda Harvey
James Samonek
Lyle Widmayer

MARCH 8 BRIDGEWATER MEETING TO INCLUDE DISCUSSION ON PARKS

The March 8 meeting of the Bridgewater Township Planning Commission will include a presentation by Fred Barkley, Director, Washtenaw County Parks and Recreation Commission. The meeting will be held at the Township Hall, 10990 Clinton Road, at 7:30 PM.

Mr. Barkley will outline plans and requirements for future recreation facilities in Western Washtenaw County. Last week, the Enterprise was in error when we reported that portion of the meeting was cancelled because a park at Columbia Lake will not go forward now. The discussion has been changed instead.

World Day of Prayer

For over 100 years women around the world have been gathering together to pray for peace and for a better world on World Day of Prayer. The Manchester community celebration of the 112th World Day of Prayer will be held Friday, March 5, at 1:30 PM at the Sharon United Methodist Church. A fellowship time will follow the service.

The speaker for World Day of Prayer will be the Rev. Peggy Garrigues-Cortelyou, associate pastor at Chelsea United Methodist Church. Rev. Peggy is a graduate of the University of Michigan and Wesley Theological Seminary and has served in the Howell United Methodist Church, Fenton United Methodist Church and Wagerville Community and Wooden Shoe United Methodist Churches. She is the wife of the pastor of Sharon United Methodist Church. The theme of this year's World Day of Prayer is "God's Tender Touch." All women are invited to attend. If you cannot attend, pray for the people of the world who are in the midst of strife.

The Church Page is brought to you by these generous sponsors:

MANCHESTER AREA

SENIOR CITIZENS
artwork by Dorothy Willingham
NEWS

- by T.V. Ludwick

One thing folks of our age think about is safety tips and here are some on thickness of ice for recreation sports (From Florian Chirra, OSU Extension Ag Agent). He states: "Ice on ponds, lakes and rivers can be affected by many things. The strength and thickness of the ice should be known before any activities take place on it. A rough rule of thumb for the amount of new, clear ice is shown here: 2 inches for walking, 4 inches for fishing, 5 inches for snowmobiles and 8-12 inches for vehicles. Please note that river ice is usually 15% weaker than pond or lake ice.

"Ice safety points to consider include: New ice is usually stronger than old ice. As ice ages, the bond between the crystals decays, making it more dangerous and weaker even if melting has not occurred. Wind speeds influence ice formation. Light winds speed up the formation. Strong winds force water from beneath the ice and can decay the edges of the ice. Snow can insulate ice and keep it strong. It can also insulate it to keep it from freezing. When ice is covered by snow, great precautions need to be taken to determine ice thickness before starting any activity. Snow can also hide cracked, weak and open water areas. Slush is a danger sign. It indicates that ice is no longer freezing from the bottom and indicates weak or deteriorated ice.

"Ice can change with the surrounding climate conditions. Temperature precipitation (such as snow, sleet, rain), wind speed, ice age, water depth, and water quality are all factors that affect ice strength and thickness. NEVER check ice or rescue victims of ice failure alone, because you could go from rescuer to victim very quickly."

When son Phil was a youngster, he and his playmates who also lived close by the River Raisin, eyed that place as "the place" to play ice hockey. But thank goodness for Fred Buss, who kept his son Paul, Jim Jenter, Scott Sloat and Phil from going out on the river "Until I can walk

upon it!" If you remember Mr. Buss, he was several pounds heavier than any of those boys. Thank goodness for his watchfulness to keep our kids safe.

Thursday, February 25: Today, beginning at 11 AM, our volunteer nurse Mae Sellers will be on hand in the dining room of Emanuel to take your blood pressure (thanks). Sweet Sue, our loyal cook will serve us pork roast and all those great trimmings (boy, can she make gravy!) at the noon meal for all seniors 55 or older in our area. Attendance is slightly down at meals what with snowbirds gone and folks sick and we know you'll get back with us as soon as conditions change. Call Sharman ahead of meals at 428-8359, or Sue between the hours of 9 and 11 AM on meal days at 428-7630, then come enjoy the food and fellowship! Bingo is played on these Thursday afternoons at 12:30, come on out.

Monday, March 1: A shopping trip is scheduled for K-Mart and Westgate with bus pickup starting at 9 AM. Call Rubena Boelter at 428-8655 for your spot to go along.

Tuesday, March 2: All who are 65 or older...come join us at yoga class at the Methodist Church at 9:30 AM each Tuesday morning. You will not only have fun with all the chatter, but will "limber up" and make those muscles move better with each visit. Donna Pointer will not accept the "I can't(s)" that come easily from our mouths, so we don't even think them. One thing for sure, we will be hungry when we appear at Emanuel at noon for vegetable soup and sandwich. Then, come to the Center for card playing at 12:30.

Thursday, March 4: A birthday dinner of pork chops and stuffing will be served to all when we help observe March born seniors on their special day. If you have a March birthdate and are 55 or older, come to your special party and eat at the special rate of \$1.50! Then, you're invited to come to the Center to play Bingo at 12:30. See you there!

Manchester Township Planning Commission Will Hold Another Public Hearing On Community Manufacturing Rezoning

Due to a legal problem identified after the January 19 public hearing on the rezoning application for two adjacent parcels of land at M-52 and Hogan Road, the Manchester Township Planning Commission will hold another public hearing on March 18. According to Planning Commission Chair John Schmidt, the Township's attorney confirmed the need for the new hearing. "We sincerely regret having to do this over again, but it's important that we follow the zoning ordinance." The problem arose because the Commission did not have the actual text of the rezoning amendment available when it was brought up at the public hearing in January.

The January 19 public hearing and the February 18 regular meeting of the Planning Commission drew several people who spoke out regarding the proposed rezoning. Most were opposed to the rezoning. Currently, a petition expressing opposition to the rezoning is being circulated. Those opposed are also being given form letters with preaddressed envelopes to send to the Planning Commission.

There are numerous reasons being given for opposition to the rezoning such as increased traffic, pollution, noise, a decrease in land values, the possibility of annexation of the rezoned property by Manchester Village and the desire to not change. Many of

the people expressing opposition to the rezoning were unaware that the area had been designated as industrial on the Township's land use map since 1991.

Manchester Township's community manufacturing zoning designation permits a wide variety of research and light industrial park uses and states in part: that the intended use will be "Light manufacturing industrial use which by the nature of the materials, equipment and processes utilized are to a considerable extent clean, quiet and free from any objectionable or dangerous nuisance or hazard...."

Jean Robert, who lives about a half mile from the two parcels, questioned the need for more in-

dustry in the area, stating that her family "Had moved to our home to get away from noise, traffic and pollution. We wouldn't have moved if we had known this might happen." Her husband, David, added that residents of the immediate area would not be the likely employees of a company locating to the site. Another nearby resident, who did not want to be identified, said that the community manufacturing designation will "allow anything they want to put in." The person also indicated that he had purchased his home about 18 months ago and had not been aware that the Limpert property had been designated as a potential site for industry on the Township's land use map in 1991. "There's already too much traffic," he stated, "and we just don't need any more." Asked where he thought industry should be located in the area, he suggested Austin Road west of the Village.

Mr. Schmidt said that because there had been suggestions that some people thought the rezoning was a "done deal," he wanted to stress that the Planning Commission was not participating in a "ramrod job," and that the full rezoning process would be followed. That process includes a review by the Washtenaw County Planning Commission and, ultimately, a decision by the Manchester Township Board.

The March 18 public hearing will be held at the Manchester Township Hall, 275 S. Macomb Street, Manchester, at 7:30 PM.

- Wanda Fish

CLINTON VILLAGE TO ADD 49 HOMES

The Clinton Village Council approved the addition of 49 homes at their meeting on February 15. Considered to be the first phase of a development called Calhoun Farms, the 31 acres along Kehoe Road east of the Village of Clinton, will include ponds, parks and a commons area.

The development is being planned by members of the Calhoun family and may include additional phases, depending on market demands.

EARNED INCOME CREDIT CAN HELP FAMILIES

Many families qualify for a tax credit or tax refund, but forget to file for the Earned Income Tax Credit.

Here's a quick checklist to see if you may be eligible:

- * You earned less than \$30,095 and had at least two qualifying children at home.

- * You earned less than \$26,473 and had one qualifying child at home for at least six months.

- * You are between 25 and 64 and earned less than \$10,030.

The amount of the credit depends on the number of children and the amount of income in a family. You need to file a federal income tax return and a "Schedule EIC." Call the Internal Revenue Service at 1-800-829-1040 for assistance.

MOBILE HOME ORDINANCE UNDER CONSIDERATION IN SHARON

BLACK SHEEP FARM PUBLIC HEARING DRAWS MOSTLY NEGATIVE COMMENTS

On February 22, the several people who turned out to comment on the special land use permit for the old Black Sheep Farm on Austin Road surprised members of the Bridgewater Township Planning Commission. Cindy and Ben have applied for the permit to operate a small plant nursery on the 11-acre site zoned for agricultural use.

Under agricultural zoning, there are several special land uses which "shall be permitted only after review and approval by the Planning Commission, subject to the requirements and standards of Article 14 and the submission of a site plan..." A Greenhouse/Nursery is listed as one of the special uses that may be permitted.

According to Jim Fish, Chair of the Planning Commission, no written or verbal comments were made prior to the public hearing. However, nearly 25 people turned out, many to voice opposition to the proposed special use permit. People speaking out were generally residents of that section of Austin Road. Two people who attended spoke out in behalf of the permit.

Objections to a small plant nursery included the possibility of increased traffic, the obstruction of views that people now have, the impact of water use, and the possible use of herbicides and pesticides. Others objected to any use of the farm that might involve adding buildings or dealing with pests and weeds.

Ron Ellison, whose driveway is opposite the Black Sheep farm, said "I came to the meeting with an open mind, thinking this was a positive use for the farm. I looked forward to meeting my new neighbors and believe they are trying to work well with the community and their neighbors. Sure, Austin Road is a problem, but that's an enforcement issue."

In the application for the special land use, Cindy and Ben Bodewes indicated they plan to use only a minimum of artificial pest control. Ben Bodewes pointed out in the meeting that all applications would either be by hand or would be conducted inside buildings.

Barbara Lunarde, the real estate agent who is handling the sale of the Black Sheep Farm, said that under state law, up to three splits could be made of the 11-acre site, but that the present owners hope to keep the land intact.

Planning Commission Chair Jim Fish said the members are committed to following Bridgewater's zoning ordinance.

- Wanda Fish

On February 18, the Sharon Township Planning Commission, chaired by Roger Kappler, held a public hearing to consider a draft "Mobile Home Community Overlay District." The amendment to the Township's Zoning Ordinance is intended to define, license, regulate and provide conditions for mobile home communities in Sharon Township. The Planning Commission voted unanimously to recommend adoption. The Washtenaw County Metropolitan Planning Commission will be asked to comment on the amendment prior to its consideration by the Sharon Township Board.

The township's land use plan already designates the SE 1/4 of the SW 1/4 of Section 36, now zoned as AG-1 (agricultural), as a preferred location for a mobile home community, should one be developed in the Township. This would be about 40 acres along the west side of Parr Road, north of Geiske, not far from the present mobile home community in Manchester Village. Currently, there is no application to rezone or develop the area.

The draft amendment lays out several requirements for a mobile home community:

* Minimum size must be at least 20 acres.

* The entire site must be developed for total occupancy prior to occupancy of the first mobile home.

* If the development does not proceed and is not completed as proposed and approved, the license will be revoked and no successive licenses will be issued.

* Development includes all infrastructure development, such as roads, utilities, common services and retention basins.

* The total density depends on water and sewage disposal, but cannot exceed six units per acre (5500 square feet per unit) when served by a central water supply and sewer system.

* If there are 30 or more sites, at least 25,000 square feet of easily accessible open space must be included. The total amount of open space cannot be less than three percent of the mobile home community's gross acreage.

The amendment requires a detailed site plan, including

home sites, roads, water supply, sewage, lighting, and adequate ingress and egress. The community's private roads must be paved, with a minimum width of 13 feet for one-way roads and 24 feet for two-way roads. Driveways must also be paved and have a minimum width of ten feet, excluding any parking area. Each site must have parking for two cars, plus an additional visitor parking space of one car for every three sites.

The draft amendment also requires minimum home sizes, site sizes, and setbacks, specifies site pads, skirting, and provision of trees.

Under the proposed amendment, the 40-acre site off Parr Road could include a maximum of 240 mobile home sites. Sharon Township has received an application for a mobile home community of about 600 units on a site off of Waldo Road in the northeastern area of the Township. A public hearing on the Waldo Road proposed site will be held on March 18. Further information can be obtained by calling the Clerk of Sharon Township, Teri Aiuto at 428-7002.

Summary of Board of Education Meeting

February 15, 1999
NOT OFFICIAL MINUTES

The regular meeting of the Manchester Community School's Board of Education was called to order at 7:34 PM by President Winzenz.

Members Present: Evans, Winzenz, Ellison, Roberts, Ochs, Kluge; Absent: Knouase

The Agenda was approved with the following addition under New Business: Cable Trays - MHS.

The minutes of the regular meeting of January 18, 1999 were approved. The January treasurer's report was approved, following clarification of the question raised last month regarding double billing, with a cash balance in the amount of \$900,251.26; total bills payable of \$710,889.58.

Correspondence included: Letters from James Fielder and Karen Smith; Manchester Association for the Arts brochure; and sympathy cards to Adam Benschoter upon the death of his grandfather and Karen Engley upon the death of her grandmother.

Public Participation: Marsha Chartrand - Varsity Boys Basketball; Evelyn Panches - read letter from Dawn McCalla regarding Varsity Boys Basketball; Lou Grenier - read letter from Ben Grenier regarding Varsity Boys Basketball, Mark Roberts - Var-

sity Boys Basketball; Cindy Smith - Volleyball Uniforms, Mike Leverett - Volleyball Uniforms; Rose Grenier - Removal of Sportsmanship Banner; Jim Sewell - Bus Mechanic; Kathy Donnellon - Manchester Association for the Arts; Dianne Schwab - Search Institute Asset Building Workshop; Polly Deacons - Zero Tolerance at Middle School; Ron Panches - Policy; Bob Smith - Class of 2001; Brad Roberts - Varsity Boys Basketball; Diane Slocum - After Hours Supervision of Middle School Students; Jeff Knouase - Key Policy; Darrell Trinkle - Freestyle Wrestling Club

The evaluation procedures and form for the Superintendent Evaluation were approved. The evaluation will be held March 10, 1999 at 7:00 in the high school media center, in closed session. The Board will reconvene in open session to take action on the evaluation.

The resolution calling for the annual school election to be held Monday, June 14, 1999 was adopted as presented.

The resolution to amend the General Fund Budget for the 1998-99 fiscal year was approved as presented. Total revenue of \$8,577,363 with expenditures of \$8,676,311.

The Board approved the addition of \$7,000 to the cost of data wiring for the cable trays at Manchester High School.

Kevin Brock, Industrial Technology instructor and the Industrial Technology III class made a presentation to the board regarding their Electric Vehicle Project and the progress they have made. They will begin racing the car in May.

Gerri Allen, Communication Services Supervisor for the WISD, was present to bring an overview for conducting survey research to the Board.

Jared Throneberry presented a proposal for 30 additional uniforms for the marching band. The Board approved an expenditure not to exceed \$12,500 to purchase the needed uniforms.

The Board postponed the closed session to consider the purchase or lease of real property to March 10, 1999.

Joel Tobias requested public input into the Superintendent Evaluation. Following Board discussion, President Winzenz confirmed that opportunity exists during *Public Participation*.

Jim Roberts presented the new dugout plans and asked to be added to the March agenda.

The meeting adjourned at 9:48 PM

Manchester Association for the Arts

Ten people got together Thursday evening to discuss how we can support the goals and objectives of the Arts program in the school district. You've heard it before, but, *You really should have been there!* The ideas were flying, the enthusiasm mounting, and folks were volunteering to get involved. Public awareness and building a network of volunteers were considered some of the top priorities.

With that being said, we are asking the artistic community of Manchester to identify themselves. Are you an artist, potter, musician, weaver, photographer, dancer, singer, actor, sculptor, painter, etc.? Would you be willing to invite some of our students into your studio to see what you do? Would you enjoy visiting one of the schools and demonstrating your talent? Maybe you would like to display some of your work in one of the buildings. Rebecca Whitman has volunteered to compile and coordinate a directory of local artists and how they would be willing to share their talent. You may phone her at 428-1657.

With the inaugural meeting under our belt things will start coming together. The consensus of the group is there is plenty to do. We will be meeting again on March 4 at 7:30 PM in the high school band room. Please join us!

Manchester 4th Grade takes 2nd in 5th grade tournament!

Front Row: Ryan Maki, Jake Neal, Jake LaCross, Brent Roberts. Second Row: Coach Jim Roberts, Clay Harvey, Weston Clark, Kevin Fielder, Nick Loud, Kyle Clark, Ryan Galaska, Coach Dan Galaska. Missing from photo, Greg Schaible.

On February 6 and 7, a team of 4th graders traveled to Vandercook Lake to play in a 5th grade tournament. This was a seven team tournament, with teams from Chelsea, Vandercook, East Jackson and Our Lady of Fatima from Grass Lake, with a couple of sixth graders.

After starting out Saturday morning with a 9:10 game in our Ann Arbor League with a win, this team took on Chelsea Blue at 3:00, and posted a 44-11 win. After a break between games, our team returned to play another team from Chelsea at 8:00. Consistent play from all ten players helped us win this one 33-21.

Sunday morning our team returned to play the host team - Vandercook Lake - at 9 AM. After getting out to a 9-2 start, Vandy came back. This was a

good game as the teams seesawed back and forth, but Vandercook Lake prevailed and gave our team their first loss of the season, 27-24.

Before our next game at 4:00 against E. Jackson, Our Lady of Fatima beat Chelsea Gold by 2 points and finished 4-0 for first place. Our team still had a shot at second place, but would have to get by East Jackson. This was a great game, as we got out to an early game. East Jackson rallied to make it close, but our kids came out with a 33-31 win. This win put us and Chelsea Gold both with 3-1 records, and a tie breaker game to decide second place.

This would be rough for any team to play back to back, but we think these boys would have played all night, as the fans watched a great game go back and

forth. The game was decided in the last 10 seconds, with Manchester winning 31-30.

Win or Lose, Parents, Coaches and Fans can appreciate the sportsmanship of these boys, when they shake the REFEREE'S hand at the end of every game and say, "Good Game."

- Coaches Dan Galaska and Jim Roberts

Dutch Break Losing Streak

Tuesday found Ann Arbor Gabriel Richard in town for a basketball game. The Dutchmen finally ended their six game losing streak 52-36. They went into the fourth quarter leading 32 to 26 when the Irish were hit with three technical fouls. Derrick Hanewald was perfect on eight foul shots to help the Dutch to a 7-8 record.

Hanewald finished with 15 points on 10 of 10 free throw shooting. Jason Flint and Jeff Punches scored 11 points and Jason Schaible 10 points. Punches also had 10 rebounds for the Flying Dutchmen.

On Friday the Dutchmen tangled with the Hanover-Horton Comets in what turned into a very exciting game. For three quarters of the game, the Dutch played like they were in a dense fog. They went into the final quarter trailing 33-23 when all of a sudden they woke up.

The Flying Dutchmen picked up the tempo and could have won the game in regulation, but a basket by the Comets with 2.5 seconds left sent the game into overtime tied at 41.

Jason Flint scored eight of his 14 points in overtime, giving the Dutch the lead with five seconds left in overtime. The Comets called time out the 4.2 seconds left and were fouled on a drive to the basket with 0.9 seconds left. The Comet player made both shots and beat our Dutchmen 56-55. The loss drops our record to 7-9 overall and 2-9 league.

Besides Flint, the Dutchman's Brett Maki and Jeff Punches each scored 11 points. Jason Schaible contributed 9 points and 8 rebounds.

Ann Arbor Greenhills comes to town on Tuesday and on Friday the Dutch travel to Michigan Center to face the Cardinals.

- Ron Punches

Manchester JV Shocks Hanover

After falling to Hanover by 28 points in their first meeting the Manchester JV came into their second game a different team. A tenacious defense along with great hustle allowed the Dutch to maintain a lead from start to finish. "This was the best game they have played" said Manchester Varsity coach Matt Seidl. The Dutch were led by freshman Jacob Geyer with 15 points, including three 3-pointers. Sophomore Jon Miller contributed 14 points and 6 rebounds. Freshman Brent Leverett added 13 points, 8 assists and 3 steals including 6 of 7 from the free throw line. Eric Walter played a solid game on both ends of the floor scoring 7 points and snaring 6 rebounds. Freshman Chris Loud recently promoted to the JV's from the freshmen team, provided 7 big rebounds and great hustle in limited playing time. Chris Benedict provided some quality minutes off the bench allowing coach Bryan Barnard to rest some of his starters. For the game the Dutch shot 19 of 46 including a very respectable 5 of 14 behind the 3-point line.

Earlier in the same week Ann Arbor's Gabriel Richard came to Manchester to take on our Flying Dutchmen. Although the Irish had a definite size advantage, the Dutchmen's hustle and

defense allowed them to pull out a tough 50 to 44 win. We started out slow only scoring 4 points in the first quarter. The Dutch battled back, only trailing by two at the half, 20 - 22. It continued to be a very close game right down to the end. The free throw line became a very critical part of this game and the Dutch came through big hitting 17 of 22 for the game including 12 of 14 in the fourth quarter. The Dutch were led by Brent Leverett with 17 points and 7 assists, including 7 of 8 from the charity stripe in the fourth quarter. Freshman Jacob Sawyer contributed 8 points as well as some superb defense

against the Irish. Jacob Geyer added 6 points including 4 of 4 at the free throw in the fourth quarter. Eric Walter and Chris Benedict both contributed 6 points each as well as great hustle on defense and clutch rebounds down the stretch.

The Dutch take their 7 and 9 record into their game at home on Tuesday, February 23 against Ann Arbor's Greenhills, then travel to conference rival Michigan Center on Friday February 26. They finish their season the next week at home with games on March 2 and 5 against Napoleon and Grass Lake respectively.

Manchester Wrestling

What a tough week for our wrestlers as we had two disappointing days. On Wednesday night we lost to Clinton 42-21 in team Districts. We had four winners on the night: Willie Slocum and Tyler Breilein both won close matches while Jeremiah Tobias and Mike Boehmer both picked up six points apiece for us.

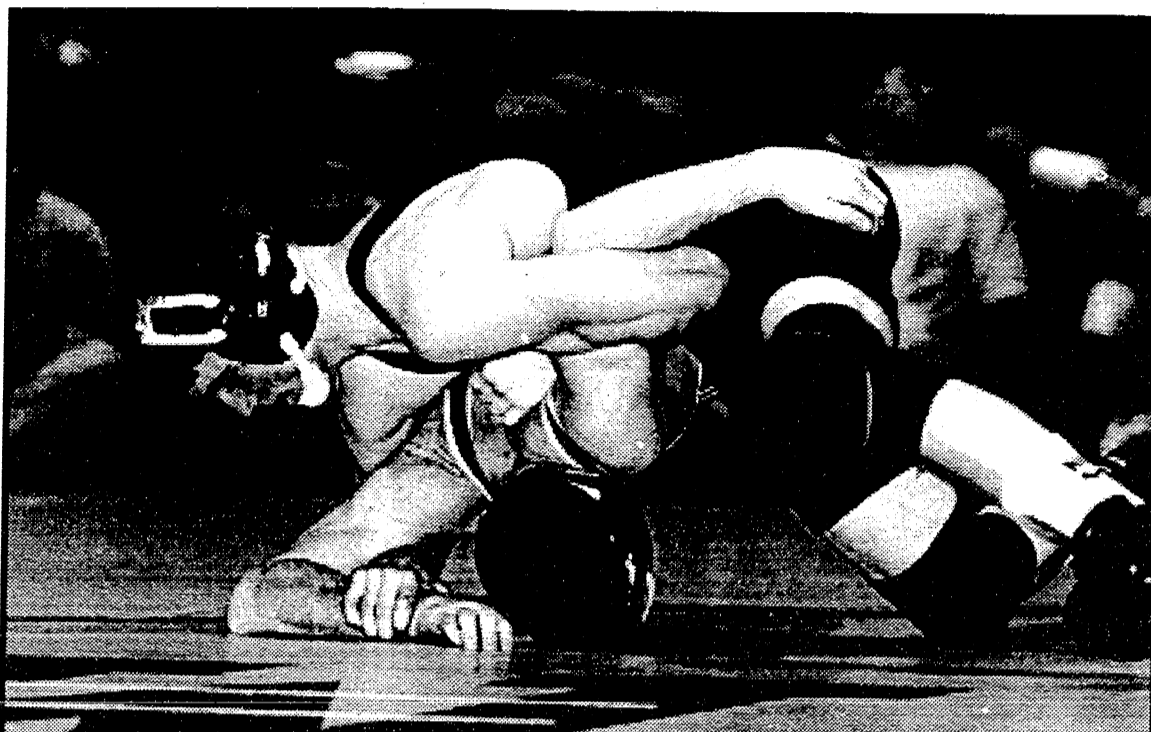

Even though we had to give up 30 points, I thought we stood a chance - we lost four of our matches by two points or less. Our season record read 9-12.

On Saturday, we only advanced one wrestler to the regionals at Bellvue. Jeremiah remained undefeated, winning three matches. His last, 10-1 in the finals, for his second District crown.

Being a first round elimination we lost several kids early, mainly because it's the hardest district in the state with three of the top ten teams in this district. The kids that made it through and came one match away from regionals were Senior Ted Roberts, Junior Tyler Breilein, sophomores Andrew Roberts and Willie Slocum, and freshman Alex Kormendi.

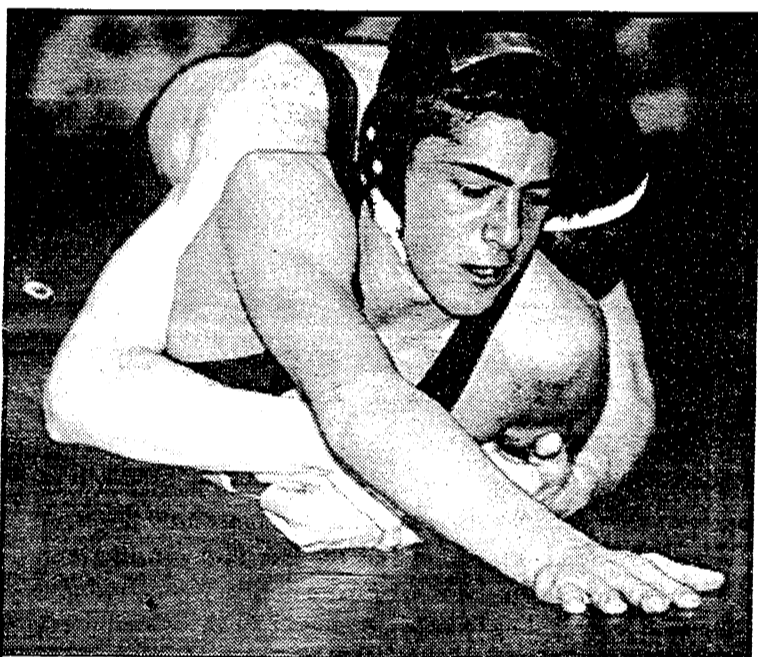

Next we travel to Bellvue to try and get Jeremiah through to state. If directions are needed, we'll have a map in the High School office. Wrestling will begin at 10:00 on Saturday.

- Coach Vlcek

After 124 wins, 81 of them consecutive, Jeremiah Tobias is feeling "tons of pressure" as he faces the Regional meet this Saturday at Bellevue, Michigan. Jeremiah acknowledged that his ankle, injured during football season, was giving him a little pain, but "I have good coaches to push me and great teammates to encourage me." Tobias particularly acknowledged senior teammate Ted Roberts, who suffered a disappointing loss in District matches last weekend, and assistant coach Brent Woods.

As Jeremiah keeps his eye on his goal of a third State title, everyone in Manchester wishes him well in this weekend's competition photo by Dave Jose

Senior Ted Roberts in his last meet of his high school career. Ted was the Wrestling team's lone senior this year and distinguished himself well. He came one match away from qualifying for Regionals this weekend. Great job, Ted. Congratulations. photo by Dave Jose

Volleyball

JV Volleyball are 4-2 in conference play and tied with Addison for second place. The team has taken four second place trophies in tournament play this winter.

Varsity girls are 3-3 in conference play after defeating Michigan Center last Thursday. The team meets Grass Lake this Thursday in a contest for a fourth-place tie in Cascades Conference.

Pee Wee Hockey

State Finalists

Congratulations to Ann Arbor's Jiffy Mix Blues Pee Wee A hockey team and their local players, Joel Blades and Patrick Spensley. The Blues conquered the District 6 Championship with a 3-0 semifinal win over Muskegon and a thrilling 2-0 shut out victory in the final over Grand Rapids.

The Blues advance to the State Finals March 5-7 in Farmington. Good luck, Joel and Patrick and GO BLUES!!

More Winners at the Pharmacy!

Happy winners of the pair of stuffed Valentine monkeys during the Pharmacy's Valentine's Day Promotion, were sisters Nicole and Danielle Helfrich of Manchester.

Manchester Area Historical Society

The Manchester Area Historical Society held its regular monthly meeting at the Blacksmith Shop on Tuesday, February 16. Volunteers are needed to assume the housekeeping duties of the Blacksmith Shop, which include scheduling the building, unlocking it before meetings and locking it afterward, and looking after the physical plant. The Society is working on a long-range plan and welcomes ideas and suggestions on where we should be in five to ten years.

The program was presented by Dianne Moulton and Jenni Hamil from the Waterloo Area Historical Society. Jenni told us a little about the history of the Society. They maintain two sites, the Waterloo Area Farm Museum and the Dewey School Museum. In 1962, the Jacob Ruehle (later Realy) homestead was going to be destroyed by the DNR and the land was going to be used for recreational purposes. Concerned citizens traded some land they purchased for the homestead. It was in disrepair, as evidenced by the photos taken at the time.

About a year later, Dewey School became available and they bought it. The displays in the homestead focus on the Victorian era and the house is decorated as if people are living there. For example, the table is set for dinner and good smells often emanate from the kitchen. They offer many programs throughout the year, including a quilt show in July, Pioneer Day in October, and a Victorian Christmas in December. Last year, about 5500 visitors toured the museums.

Dianne, in period clothing, showed some artifacts they brought with them. They ranged from an 1880s christening gown, a framed floral piece made with human hair, a toddy stick (to warm your drink), to a bee box. The Bee box, about five inches square, had a drawer that pulled out of one side. A drop of honey was placed in the drawer. After some bees got inside, a child would close the drawer. Above the drawer was a shelf on which flour was placed. The bees crawled up on the shelf and got flour on their feet. The children opened the top of the box and ran as fast as they could, following the white-footed bees to their tree in the woods. The tree was marked and, in the winter, their dad would get the honey. Sugar was not readily available back then.

Garry Ostrander will talk about the history of farming and farming techniques at the March 16 meeting. The public is invited and is encouraged to bring in farming items for display.

COLLEGE NEWS

Western Michigan University

A total of 3,821 students are included on the dean's list for the fall semester of the 1998-99 academic year at Western Michigan University. To be eligible, students must have compiled at least a 3.5 grade point average (on a scale of 4.0 being all A's) in at least 12 hours of graded class work. The following students from the Manchester area are included on this semester's list:

Marie Denise Jacob daughter of Karl and Mary Jacob, majoring in Special Education Mentally Impaired, Elementary

Lori Louise Jacob, daughter of Karl and Mary Jacob, majoring in Special Education Mentally Impaired

Bradley Kemner, son of David P. and Eloise C. Kemner, majoring in Aviation Flight Science

Mary C. Lobbestael, daughter of John and Lynda Lobbestael, majoring in Advertising and Promotion

Valerie F. Wahl, daughter of Ronnie L. and Cynthia Wahl, majoring in University Curriculum

Ferris State University

University officials have announced that 1,325 students received Academic Honors for the fall 1998 semester at Ferris State University. To be eligible for Academic Honors the student must have accumulated at least a 3.50 grade point average in no less than 12 credit hours during the fall semester (August-December). The following students from the Manchester area are included on this semester's list: **Terrence J. Coleman** and **Pamela Preston**

Eastern Michigan University

Eastern Michigan University has commended 3,846 undergraduate students for being named to the EMU Dean's List for the fall semester of 1998. Recipients of the Dean's List must carry a minimum of 10 credit hours and maintain a 3.5 grade point average out of a possible 4.0.

Manchester students named to the Dean's List are: **Jodi Colleen Armentrout; April Louise Barrett; Matthew Clarence Fielder; Thomas Edward Fielder; Jamie Erin Gaal; Wanda M. Heinz; Lindsay Michelle Kloster; Susan Marie LaRocque; Jennifer Anne Nosbisch; Jill Christine Pfaus; Cheryl May Plane; Linda L. Rains; Michelle Tema Roos; Stephanie J. Somerville; Dawn Renee Tennant; Elesa Marie Walakonis; Jon Martin Way; and Veronica J. White.**

Mary Lobbestael to receive Adcraft Foundation Grant

Mary Lobbestael, a 1995 graduate of Manchester High School, is one of seven advertising students in the state chosen to receive a cash grant from the Adcraft Foundation. She is the daughter of John and Lynda Lobbestael, 10730 Clinton Road, Manchester.

Lobbestael, an advertising major in the Haworth College of Business at Western Michigan University, plans to graduate from WMU in April.

Recipients of the grants were chosen on the basis of academic record and an essay about why they are pursuing careers in advertising. Lobbestael, her faculty adviser, Dr. Betty Parker, and the other winners were honored at a luncheon in Southfield February 19.

The Adcraft Club of Detroit is the largest professional advertising club in the United States. It has awarded scholarships to Michigan students through the Adcraft Foundation since 1961 and this year provided a total of \$20,000.

Community Resource Center Board Meeting

The Community Resource Center Board of Directors will conduct their regular monthly meeting on February 25, 7:30 PM in the office at 122 W. Main St. The agenda will include feedback from the public meeting in January and a discussion about the next steps to accomplish the strategic plan for the Community Resource Center.

The Director will give an update for the Community Vision-Building Youth Assets project. Volunteers are being recruited to serve on the CRC Golf Open fund raising event.

All board meetings are open to the public. Advance notice is necessary for items to be added to the agenda. For information, call 428-7722

Superintendent expresses confidence in safety of the bus fleet

In response to a recent article in the Ann Arbor News superintendent Niedzwiecki expresses his complete confidence regarding the safety of the bus fleet. Currently the fleet is being maintained by the Lenawee Intermediate School District on a contracted services basis. A full-time mechanic provides daily maintenance and emergency services to the fleet.

The fleet was last inspected in November 1998. Fifteen of the eighteen buses passed the inspection with flying colors. Three of the buses were tagged for minor infractions of which two were immediately corrected and cleared. The third bus needed a part and was cleared upon receipt and replacement of the needed part.

Superintendent Niedzwiecki stated, "We are proud of our fleet and its road-worthiness. The safety of the students is our number one concern!"

World's largest Jazzercise benefit for Breast Cancer Research comes to life this weekend

Manchester participates in a national aerobic dancing event that will raise money for breast cancer research

Over 50 Jazzercisers in Manchester will join thousands of others throughout the U.S. and will dance to raise money for breast cancer research. The World's Largest Jazzercise Benefit for Breast Cancer Research in its seventh year, is expected to raise over two million dollars.

Manchester's participation will occur on Saturday, February 27, 1999 from 9:30 - 11:00 AM. Registration is from 8:30 AM to 9:30 AM

This event will be held at Heritage Middle School, 290 Woodland Drive, Saline, MI

For more specific site and registration information call Victoria Evans at 428-1116.

Children's Literacy Development Presentation March 24

The FREE presentation, "Literacy Development - Building Self Esteem in Our Children," will be given in the Klager School Gym on Wednesday, March 24 from 7-9 PM.

Nancy Weber, the Keynote Speaker, is a former classroom teacher who has presented over 1,000 seminars, speeches, and workshops for agencies, educators, parents and students since 1987, throughout the USA and Canada. Her literary works include articles in many educational journals, newsletters, and co-authoring Teacher-Talk: What it Really Means. This book is about the comments, questions, commands and suggestions that teachers direct to children every day. It explores the way teachers talk to children and exposes the underlying silent messages that accompany their spoken words.

Nancy's seminars and workshops are given to a diverse cross-section of business, educational and social groups. Student groups address topics including leadership, problem solving, school success, relationships, and personal growth.

This opportunity to access a truly fine consultant of Motivational/Educational matters is FREE to the public thanks to the generous sponsorship by the Optimist Club, Knights of Columbus, Dr. Bruce Bates, Chelsea Pediatric Center, and Robert and Ellen Thompson.

Scouts Celebrate Important Events

GIRL SCOUTS

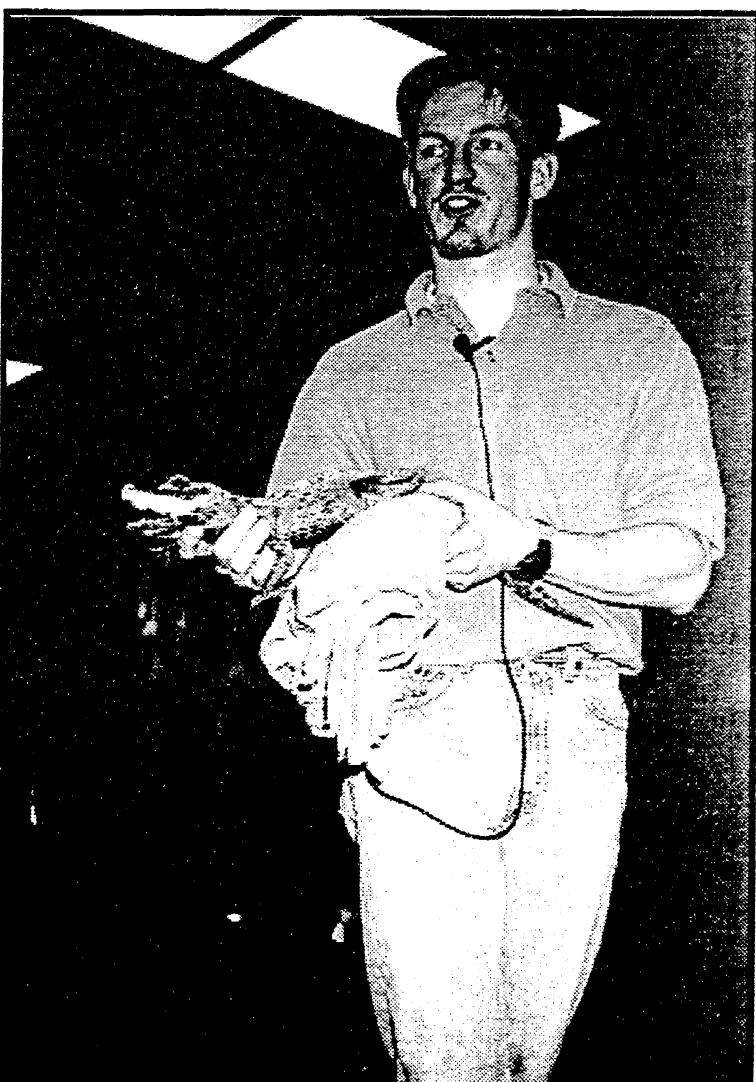

Cub Scouts perform candle light ceremony at Blue & Gold Banquet, guided by Cub Master Bruce Bates

On Thursday, February 18, Cub Scout Pack 421 welcomed family and distinguished guests from around the Manchester community to join us in celebrating the "Baloo and Gold" Banquet. The banquet's theme was "The Jungle Book," which took the scouts on an adventure through the rain forest. Den members were awarded various prizes for their outstanding table decorations. The top three den winners were: Den 2 in first place, Den 4 in second place and Den 6 in third place.

After a potluck style meal, entertainment was provided by "Species Survival Center." Audience members were introduced to several of the wild rain forest species from the center. The Cub Scouts were able to touch the individual animals and there was a question and answer period following each animal. This presentation was fascinating and enjoyed by all.

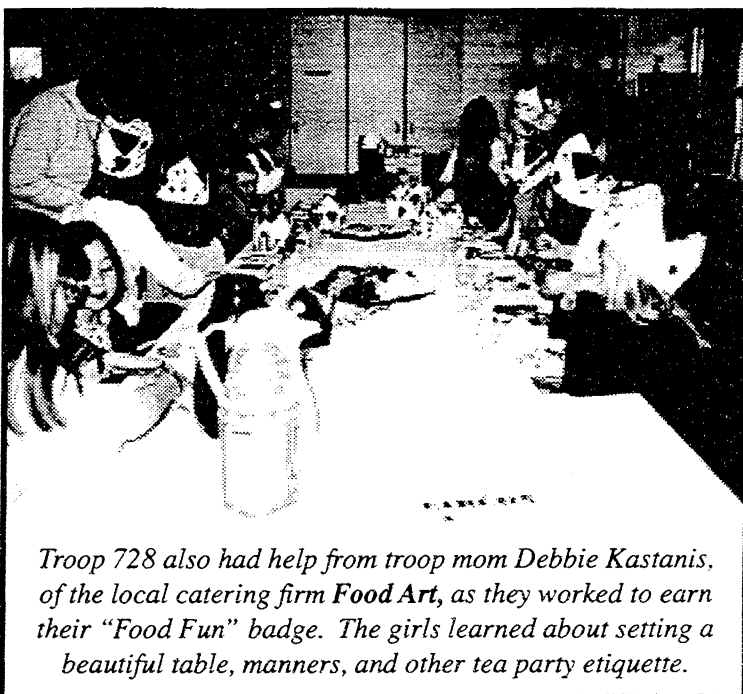

Pack 421 would like to thank all of its sponsors and those who worked very hard behind the scenes to make the "Baloo & Gold" Banquet a successful and enjoyable evening.

The Species Survival Center provided an educational and exciting program with live Rain Forest animal demonstrations

Brownie Troop 728 kept busy this winter, selling Girl Scout Cookies! The sixteen first graders in this Brownie troop, sold 154 cases of cookies - the most of any troop in Manchester cluster. We want to thank everyone who purchased their cookies from us. Members of Troop 728 include Stephanie Ball, Megan Bossory, Sarah Burch, Taylor Heldt, Katelyn Horning, Emily Johnson, Mary Catherine Kastanis, Jessica Kuboff, Kari Litwin, Emily Lobbstaal, Jamie Payne, Roxanne Ricker, Catherine Schultz, Stephanie Steele, Kelsey Walker and Emily Werner

Troop 728 also had help from troop mom Debbie Kastanis, of the local catering firm Food Art, as they worked to earn their "Food Fun" badge. The girls learned about setting a beautiful table, manners, and other tea party etiquette.

MANCHESTER ATHLETIC BOOSTERS PRESENTS
