

Clason Pocket Guide Maps

Price 25c Each

A special guide is published for each state. The guide comprises a printed index in book form and a large folded map of the state pasted within the cover.

Commercial Index of Principal Towns.

An exclusive feature of the Clason Guide is the Commercial Index of important towns. A brief description of each town tells of resources and industries, hotels, banks, population, elevation above the sea level and the railroads on which it is located.

The Map. Each guide contains a large map, which shows railroads, rivers, creeks, cities, towns, country post offices, boundary of counties and national forests. Any feature on the map can be located from the index.

Clason Guides are published of the following states only:

Arizona	Montana	Oregon
California	Nevada	Texas
Colorado	New Mexico	Utah
Idaho	Nebraska	Washington
Kansas	Oklahoma	Wyoming

NOTE—See page 21 for price list of State Maps unfolded. Special prices on large quantities.
