

Highways of Colorado Official Guide and Tour Book

Here is a book of convenient pocket size giving just the information auto touring parties require. It contains one hundred and ninety-two pages of maps, descriptions and pictures.

Eighty full page maps chart accurately over 4000 miles of the best roads in the State, giving every turn in the road, railroad crossings, bridges, entrance and exit to the cities and all other information required to safely tour to any part of Colorado.

These are official maps compiled by the Colorado State Highway Commission.

Description of the roads, road conditions, scenery and points of interest furnished by the Good Roads Bureau of the Denver Chamber of Commerce.

Profusely illustrated with road and scenic views. Size 4x10½ inches.
