MAPS of MICHIGAN STATE COLLEGE AND VICINITY...

Welcome to M.S.C.

We are happy to have you visit the campus of Michigan State College . . . an institution of higher learning that belongs to and attempts to serve every citizen of Michigan. The spacious campus, with its 570 acres and 1700 different hardy woody trees and shrubs, acknowledged as among the nation's most beautiful, is yours to explore with the help of this map. Stay as long as you like . . . feel free to seek the counsel of those staff members who may have something to offer in the field of your interest. M.S.C. wants to be friendly and helpful.

For your information, Michigan State College was established to fulfill four important functions:
It provides a practical and cultural education for its students.
Its extensive research program is designed to solve many problems in agriculture, industry and the home.
A far-reaching extension program carries results of research and other useful information to the people.
Through a continuing education plan, conferences and special courses, the college offers learning in many fields to residents throughout the state.
