A VERY INTERESTING LECTURE was given by Mr. Barlow of Messrs. F. W. Berk, on Wednesday, 29th November. The main subject was the control of earth worms and although the attendance was not up to the usual number, many questions were asked about the new worm killer. I would like to record a vote of thanks to Messrs. Berk & Co., and to Mr. Barlow for his most instructive and interesting talk, and his detailed answers to all questions, also for distribution of pamphlets.

Lecture.

Our January lecture will take place on Wednesday, 31st January, at the Stirling Castle at 6-30 p.m. The speaker will be Mr. Rixon of Messrs. Suttons who will talk on "Turf Research" and will illustrate with slides.

Section Annual Dinner.

Please note in your diaries that arrangements have been made to hold our Section Dinner on Friday, 9th March at the Talbot Restaurant.

Change of Address.

Mr. E. C. Gowing has taken up a new appointment at Eaton Golf Club. We wish him every success in his new post. Address: 68 Melrose Road, Eaton, Norwich.

Condolence.

On behalf of the members of the Southern Section, may I extend our sincere sympathy to Mr. C. A. Moore, on the death of his father last November. Mr. Moore writes that his father was with the West Middlesex Golf Club from 1905 until he retired in 1946, with the exception of the war years, 1914-18.

Dear Sir,

Would you please express my grateful thanks to the B.G.G.A. for assisting me through the F. G. Hawtree Memorial Fund to attend the recent Autumn Course held at the Sports Turf Research Institute.
