THE SPRING COMPETITION FOR THE President's Shield took place at the Pennard Golf Club on 3rd April under ideal weather conditions. We had a good entry of 24 members. The Pennard course is a good test of golf and it came out best in this Competition. Our praise is due to Jack Martin for the great improvement to this fine course in the past few years. We are grateful to everyone who subscribed to the Prizes, and to our faithful followers, also F. V. Southgate who travels from Bristol to do all the spade work at every meeting.

The Captain, Dr. O'Kayne presented the prizes and welcomed the greenkeepers to Pennard.

T. S. Morris, Chairman, Welsh Golf Union, praised the work done by greenkeepers.

Mr. I. G. Nicholls, our President, spent part of the day with us, but owing to a prior engagement had to make an early return to Cardiff.

Mr. M. Geddes, Section Chairman, replied on behalf of the Greenkeepers, thanking the club for their kindness, the Steward, the Professional, and all the Staff for making the day a great success.

The Prizewinners at Pennard were as follows: 27 Holes—S. A. Tucker (unattached), 130—11=119; D. G. Lord (Swansea Bay), 126—7=119; D. Jones (Pyle & Kenfig), 135—14=121; B. D.
