

comical antics of his partner, Eric Ballinger, playing (?) golf had to be seen to be believed; it was as good as any Crazy Gang film. They must have put a tremendous amount of time and work in the making and they deserve our thanks for the pleasure and enjoyment they gave everyone.

One thing was noticed and remarked on by Mr. Ken Sargeson, of Atco Mowers, when he was proposing the Toast to the Ladies and Guests. He said he had been attending our Dinner for 13 or 14 years, and he had never seen so many ladies present as there were this year. We hope to see them again next year, when we are looking forward to another grand evening.
