WE WELCOME TO OUR SECTION Mr. W. Earnshaw, who has taken up the post as Head Greenkeeper to the Davyhulme Park Golf Club. His address is 21 Eddisbury Avenue, Flixton, Urmston, Manchester.

Owing to the inclement weather conditions on 21st January, the lecture that should have been given by Mr. Clayton was postponed and we hope to fix it for a later date.

24 members attended the visit to Ellis Rees and a very pleasant afternoon was spent. I hope that, by now, those members who were snowed under are about again.

OUR SPRING MEETING WILL BE held at the Clyne Golf Club on Wednesday, 3rd April. I would like all members who intend to come, to inform me not later than Monday, 25th March, as I have to let the stewardess know how many to cater for. Please come early in the day, as we would like to play 27 holes. I hope the weather will be much better than it has been of late, so that members can get in some practice. Those coming by bus should go to the United Welsh Garage by the theatre and take a ticket to Mayals Green, then take the road opposite the bus stop up the hill—about 5 minutes' walk.

It is with regret that I have to announce the death of Sir Robert Webber, J.P., D.L., a Vice-President of our Association. I am sure his passing will be a great loss to the Association, particularly the Welsh Section, with whom he had been in close contact for many years.

Members will also have noted with regret from the Southern Section Notes, that Mr. Hugh MacLean, who was Head Greenkeeper at Sunningdale Golf Club for forty years, before his retirement, has died and I am sure they would like to join me in expressing their sincere sympathy to his family.

C.H.D.
