Competition

IT WAS RAINING CATS AND DOGS throughout the Sheffield Union Greenkeepers' competition held at the Sitwell Golf Club on Tuesday, 2nd June.

Apart from the shocking weather which was accepted with mixed feelings amongst greenkeepers, some courses in the area needing the rain, it was a rather disappointing day.

It is always hoped that enough Golf Club members will turn up to partner the greenkeepers in a "fourball", but unfortunately only five honoured us with their presence and two of those happened to be Vice-Presidents of our Section. However, Mr. Wilkinson, the Secretary of the S.U.G.C., made the best of a very difficult situation and also turned out to partner one of our members.

It is hoped that in the future and stressed by our President, Mr. Shardlow, that the event will be on an official basis and entries be received from club members.

Out of the seventeen greenkeepers who teed off the following ran out winners:—1st, A. Spencer and W. Williamson; 2nd, C. Chappell and partner; 3rd, G. Herrington and partner.

Annual Tournament

This will be held at the Wheatley Golf Club on Wednesday, 22nd July, with kind permission of the Committee. Entry forms have been sent out and it is hoped that these will be completed and returned to me as soon as possible if not already done so.

John Cryer

Congratulations to John Cryer on his

appointment to the Ellesborough G.C., Aylesbury, Bucks., and hope he will continue to support the Association.

Annual General Meeting

THE A.G.M. OF THE SECTION WAS held on Wednesday, 3rd June, in the Clubhouse of Lightcliffe Golf Club (by kind permission of the committee).

In an effort to stimulate interest and attendance a nine holes competition for prizes kindly given by the President, Mr. W. Mountain, was played prior to the meeting. Even this inducement failed to draw members, only thirteen turning up, and there was only a total of seventeen at the meeting. The prizes for the competition were won by H. Marshall (Cleckheaton) and A. Robertshaw (Otley).

In presenting his report the Secretary Treasurer reported a fairly satisfactory year. Though there was a slight loss on the year the Benevolent Fund Balance had been increased. Costs of running the section had increased but this should be balanced in the coming year by the increased subscription. A pleasing feature of the year had been the good attendances at the winter functions; an average of fifty. He thanked all those who had helped in many ways in the efforts to help the section.

The following were elected officials for the coming year:—President, Mr. W. Mountain; Chairman, Mr. S. Bailey; Vice-Chairman, Mr. D. Roberts; Committee, Messrs. A. Robertshaw, G. Mason, A. Tallant, G. Garnett, A. Routledge, H. Marshall and G. Bennison; Hon. Secretary and Treasurer, Mr. J. Parker. Mr. J. R. Escritt, Director of The Sports Turf Research Institute was elected a Hon. Vice-President.

Several matters were discussed and left to the Committee to make decisions. Next year's A.G.M. would be held after a visit in the afternoon to S.T.R.I.

Mr. F. Hall

Mr. Forest Hall, formerly assistant at Templenewsam has been appointed Head Greenkeeper to the South Leeds Golf Club. We all, I am sure, wish him good luck in his new position.

Mr. T. Hullah

As a result of a disastrous fire Tommy lost his machine shed and practically all his machinery. The club have quickly got to work and had another shed erected and it is hoped that soon machines will have been replaced to enable satisfactory maintenance of the course to be carried out.

Spring Tournament

OUR SPRING TOURNAMENT TOOK place at Romiley Golf Course on 19th May, 1964, by courtesy of the Captain and Council, to whom we extend our thanks.

We thank also Ben Ellis and his staff for getting the course in such wonderful condition, the Steward and Stewardess and their staff for so adequately catering for the inner man with good meals and impeccable service, our very good friends from the trade who so efficiently and willingly organise the day that even I, as Secretary, can go and play golf without worry. To all these people, on behalf of the thirty-one greenkeepers and twelve visitors, I say very sincerely, thank you for your efforts in making the day the huge success it was.

the question of the wages referendum, the N.W. resolution at the last A.G.M.

The Treasurer's report showed a somewhat healthier state of affairs; whilst still not good, we at least have an increased credit balance.

The Secretary reported on his first year's workings, also as your representative on the National Executive Committee.

A few mistakes have been made, for which I offered my apologies—these were graciously accepted. Both our tournaments have been successful affairs, whilst the winter lectures, brilliantly presented and most instructive, were but poorly attended.

We have a present membership of two honorary members, eighty-one ordinary members, the President, seven Vice-Presidents and fourteen associate members. Having gained fourteen new members during the last years, let's try to improve this number this year—do your best.

I supported our Chairman in his remarks about a wages structure and recommended minimum, which the Executive are sending to the A.G.M. at Weston-super-Mare. One section sent no return at all; we must assume from this that everybody is satisfied. The attitude of "I'm all right" may be all right for them, but does not help the Association nor offer any guidance to the joint committee administering the Apprenticeship Scheme; nor is it good for a profession badly undermanned. Would you, as parents, put your sons to a trade, not knowing the ultimate earning potential on completion of training? I think not!

Your Committee attended meetings faithfully. Thanks to the Chairman, Mr. Brennan, the Treasurer, Mr. Macavoy, the President and members for such loyal support.

The election of officers followed. President: W. Kinsey, Esq.; the Vice-Presidents returned en bloc; Chairman: D. Pate, Esq.; Vice-Chairman: W. Burgess, Esq.; Secretary: V. Crabtree, Esq.; Treasurer: E. Macavoy, Esq.; Committee: Messrs. H. M. Walsh, T. Brennan, W. Earnshaw, H. Smith, O. P. Jones and G. V. Davey.

Autumn Tournament

The Autumn Tournament will be held at the Ashton and Lea Golf Club, Tuesday, 15th September, 1964, and we acknowledge this courtesy with grateful thanks to the Captain and Council.

PRESIDENT'S MATCH

Sheffield Section

Eighteen members teed off on a fine but testing day for our President's Prize on 25th June. This took place at the Dore & Totley Golf Club by kind permission of the Club Captain, Mr. Andrews, on behalf of the Committee.

The course was in tip-top condition and no excuses were forthcoming for the indifferent scores, especially over the last nine holes. However, I think everyone enjoyed the golf very much.

There was, however, an unfortunate disappointment for one player whose card was incorrectly marked. As it had been signed, it became null and void. I mention this merely to point out that it is wise to counter check because it is so easy to make a mistake.

There were two returns of 33 points and A. Spencer was the winner on the last nine holes decision, he received from Mr. Andrews the President's Prize (silver tray) also a pair of overtrousers, a wise choice judging by the summer we're having. The second prize of a small golf bag went to A. Goldthorpe and the third to S. Inman (pullover) on 32 points.

Two consolation prizes of three golf balls were awarded to J. Hague and, I've forgotten the other, for, I think, a very noble performance.

The very nice prizes and the excellent liberal meal were provided by our President, Mr. Shardlow, and once again we offer our sincere thanks. Our thanks also to Mr. Andrews, for making a special effort to be present and for presenting the prizes.

The day was rounded off with the usual drinks and a few unusual stories which I conveniently forget for the moment.

J. J. DEARLOVE.
