## What will he remember most about your course?

Will it be lush greens where his pitches stopped dead and his putts rolled true, and grassy fairways that were good to play from as well as walk on? It could be if you employ the forty years of irrigation experience of B.O.I.L. to keep your course in tip-top condition however dry the season

Post the coupon for details of the self-travelling sprinkler for fairway watering and "Pop-up" sprinklers for your greens.

The "Pop-up" is installed beneath the turf and can be mown over.
