## CORRESPONDENCE

“Greenfields,”  
Howard Crescent,  
Seer Green,  
Nr. Beaconsfield,  
Bucks.

Dear Sir,

The other day while playing in our Autumn Tournament at Moor Park, one of my fellow greenkeepers “holed out in one”.

Don't you think that he should be sent a “Hole-in-One-Tie” out of funds, and in all future tournaments this should be carried out?

I should like members' views on this.

Sincerely yours,

R. H. PLAIN.

# Keep the rough under control!

You've seen the anxiety of players searching for lost balls in uncontrolled rough. Time wasted. Time that could otherwise be enjoyed in play. The difficulties in keeping the rough under control are only too well known as are the odd occasions available to top the rough without interfering with play. And then only if the weather permits.

The Hayter 6/14 will give you anytime cutting at a pre-selected height up to 6 inches with easy positive adjustment. It is a rotary mower fitted with special side stone guards and is ideal for controlling the rough on golf courses.

It cannot choke, however wet the grass. Its specially balanced cutter blades revolving at high speed ensure a perfectly level finish. And not a stalk is left standing.

# Hayter
