

### Hon. Auditors

It was proposed by Mr Lord and seconded by Mr Barnes that Messrs Smallfield Rawlins be re-elected as Hon. Auditors. Carried.

### Hon. Solicitor

It was proposed by Mr Walsh and seconded by Mr Sheppard that Mr R. A. Beck be re-elected Hon. Solicitor for the ensuing year

### Any Other Business

It was proposed by Mr Lord and seconded by Mr Barnes that the Hon. Secretary should approach the English Golf Union and the Welsh Golf Union with a view to supplying copies of the Wage Scale Survey for distribution to golf clubs.

The Hon. Secretary reported that he had received an invitation from the Secretary of the Association of Golf Club Secretaries for a match to be played annually between the Secretaries and the Greenkeepers. The Executive Committee were strongly in favour of accepting this invitation, and the meeting were unanimous in agreement.

The Hon. Secretary reported that the Artisan Association were most anxious that the Greenkeepers should enter a team in the Artisan Tournament, to consist of one senior entry and one junior entry, and he would be inviting entries through the Journal. Entrance fees for this team would be met from Head Office funds.

The Meeting closed with a vote of thanks to the Chair

T Parker & Sons (Turf Management) Ltd., announce the publication of a new 84-page catalogue and reference book *Aids to Turf Management*, Volume XII, Edition I, containing up-to-date details, illustrations and prices of all sports ground management requirements.

They also announce the publication of a new and fully illustrated brochure giving detailed information of the new B.M.C. Mini Tractor suitable for use on golf courses. Readers are invited to send for copies of these publications.

### MISCELLANEOUS

PROFESSIONALS AND GREENKEEPERS having stocks of used golf balls contact Sparkbrook Golf Ball Co., 295 Highgate Road, Stoney Lane, Birmingham, with a view to filling export orders.

# NITROFORM CONTROLLED RELEASE

## Nitrogen Fertilizer

**Nitroform** is an organic turf fertiliser containing 38% nitrogen.

- \* Does not scorch
- \* Is labour saving—only one application needed a year
- \* Releases nitrogen—the vital plant food for grass throughout the growing season

\* Has no smell

\* Easy to spread by hand or distributor

One application feeds the grass for a whole year, giving a healthy sward of a rich deep green colour and a strong root system.

Also available in compound fertilisers. Ask for **Nitroform** at your usual supplier of fertilisers. In case of difficulty write to

**NITROFORM**
