

(Continued from page 4)

regulators and fertilizers. They are possibly more readily accepted and more widely used in the U.S. than in Britain.

In the U.S. fertilizer certainly is more generously used on greens, fairways and even in the rough. The average club member likes a good green turf and is willing to spend the extra money to achieve it. The latest in fertilizer, storage facilities and distribution equipment is given to the greenkeeper and the members expect no excuses if he fails to produce results.

From the Playing Angle

British courses offer the best test of golf I personally have ever seen. Typical of so many foreign courses, yet unlike so many courses in the U.S., they put the emphasis on accuracy rather than distance. British courses really make one think. The English greens are also much smaller than the U.S. and the approaches more closely guarded. If the player strays from the fairway the rough will cost him at least a stroke to recover.

Mr Ryan is himself an American, now in the employ of The S.T.R.I.—
Editor.

21st ANNIVERSARY FOR MOUNTAINS OF MORLEY

The opening on 7th March in Jackson Lane, Morley, nr. Leeds for W. Mountain & Son Limited, known throughout the north as Mountains of Morley, marked the twenty-first anniversary of the founding of the firm. The premises were officially opened by Mr G. W. Bone, managing director of Ransomes, Sims and Jefferies Limited of Ipswich. It also marked a success story of a man whose faith and ambition has seen a thriving business concern grow through the years from a small business venture which he launched on the 6th March 1946 in premises in Church Street, Morley, to one of the largest distributors and stockists in the north of England.

As a guide to the types of equipment to be found at the showrooms, these are the companies for which the firm has been appointed main distributors: Sisis, Ransomes, Hayter, Norton Villiers, Allen, B.S.A., Mayfield, J.A.P., Mountfield, Honda, Flymo, Wrigley, Tarpen, Bonser and Synchemicals. They are stockists, too, of ATCO, Suffolk, Qualcast, Webb, Parvac, Munivac, Gardenmaster, Wolf, Pinnock, Clinton, Briggs, and Stratton, Aspera and many others.
