## BOIL Pop-Up Sprinklers

### Will your club be next?

Forget the idea that pop-up's are a luxury! Every week another club decides to install a B.O.I.L. pop-up system because they acknowledge that pop-up's are essential to any club wanting to provide its members with the best possible playing conditions. Not only do pop-up's improve the holding and putting qualities of greens, fairways benefit too. Pop-up's water automatically, at night, so play can commence as early as the earliest bird—even before the greenkeeper arrives! Pop-up sprinklers are the modern way to water greens—once installed (there's no interference with play) they save time and labour costs and enhance the reputation of your club. Write for details now—the queue is growing!
