

TEE SHOTS—(contd.)

Dearer

Accles & Polloch are switching 60 per cent of their production to aluminium shafts. The lighter shaft will mean that the head can be heavier and still leave the total weight of the club half-ounce less. But the costlier process will add about 20s. to the price of a club.

Oldest Inhabitant

Club members who dug up part of a road crossing the Ashburnham course in Carmarthenshire have been told to put it back. Villagers say it was a right of way before the Club was formed in 1894.
